Gates Turnover in the Works

By Leighton McLaughlin

Plans are well underway for the Four Seasons Homeowners Association to take over operation of entry gates to the community from builder K Hovnanian Homes.

Close to a year of planning has gone into the change and it may be a few months more before it takes place. It is a step in the ongoing turnover of community functions to the HOA from the builder.

Board member Loren DuChesne said the change was approved by the Board at its July meeting. He said it has been carefully researched and should result in a number of improvements in gate operation.

He said community members have complained for some time about the way the gates work. The big swinging gates often broke down, but a new gate vendor has corrected the deficiencies and gate operation has been substantially improved. Also, during the time there is an attendant on duty at the Potrero entrance, the exit gate is left open to reduce wear and maintenance. Three years ago vertical, light weight arms were added in an effort to stop non-resident cars from tailgating into Four Seasons before the slower big gates completely closed. The measure didn't work because the transponder sensors to open and close the arms were too far from the gate, so the arms were deactivated.

Security cameras at the gates were also inadequate. On Thanksgiving night an SUV rammed the Potrero gate doing

some \$10,000 damage. In the dark, the cameras could not read the license plate or even provide a sharp enough image to identify the make of vehicle.

DuChesne said there was also a lack of speed control at the gates. Cars were coming in too fast in an effort to beat the closing gates, and cars going out, when the big gates were open, were damaging the spike strip's springs with their speed. In both cases, gate attendants were imperiled.

A special ad hoc committee was appointed to deal with the problem. Members are Chairman Jerry Thompson and member Bill Guy of the Safety and Facilities Committee, Noel Meyers of the Finance Committee, Dennis Gray of the Rules and Regulations Committee. DuChesne is the Board liaison and Four Seasons General Manager Lisa Lynn assists the group.

The committee does not just consider mechanical problems with the gates but access to the community in general. They have traveled to other gated communities to see how they deal with the problems. The best system they found, said DuChesne, was at Bermuda Dunes, near La Quinta.

Manager's Update

By Lisa Lynn, General Manager

At the Open Session Board meeting held on Thursday, July 8, the Board of Directors approved several committee recommendations; including the Ad Hoc Access Control Committee proposals for access control/speed control devices and signs at the gate areas, for moving the transponder receivers at the gates to a location closer to the gates for an upgraded camera and surveillance system at the gates, for a gate pass software system and for janitorial services at the gatehouses.

Also approved were the Landscape Committee proposal to host an irrigation workshop with O'Connell Landscaping for the homeowners, the Safety and Facilities Committee proposal to sponsor the National Night Out to heighten the Neighborhood Watch program, and the Social Committee proposal to purchase wire storage racks.

The Board approved a letter to be sent out to homeowners in Phase C who have trees planted on their backyard slopes, approved the CC&R amendment ballot, approved the bid for testing the community backflow devices as required by Cherry Valley Water District, approved a bid to provide window shades for the Potrero gatehouse, approved the cost for the ballroom partition wall repair, approved the cost for the repair of the ballroom audio/video cables, approved the cost of repairs of various fitness center equipment repairs, approved the additional cost for the replacement of the theater projector and approved the proposed revisions for the community guidelines that had received member review. The Board was notified of the dissolution of the Shall We Dance Club and approved two new dance clubs. Overall, 43 action items were requested of Management by the Board of Directors.

Management reported to the Board the completion of items including the printing of the Community Guidelines books (note: members, pick up your edition from the Lodge front desk), the renewal of the earthquake insurance policy, and hallway carpet cleaning. Management reported to the Board that 35 violation letters had been sent out during June. Of those, 17 were for landscape or lot maintenance, 11 were for trash containers, one for a sign, two for pet nuisances and four for hose violations. The Board of Directors approved four liens and suspended facility privileges for two members for delinquent dues, bringing the total for suspended privileges to 29 current members. There were 46 accounts with balances over 90 days past due.

The Board approved the June 2010 meeting minutes and the May 2010 Financials. The Board meeting is held on the second Thursday of the month, with the Executive Session at 8 a.m. in the Lodge Conference room and the Open Session at 1 p.m. in the Lodge Ballroom. The next scheduled Open Session is Thursday, Aug. 12.

Be sure to read the updated information regarding the gate access control improvements included with your bill and on the community website. Gateworks was selected as the visitor pass software company and will be setting up a homeowner tutorial in the near future to demonstrate how to include your guests and vendors in the program.

BALLOTS FOR THE CC&R AMENDMENT HAVE BEEN SENT OUT – PLEASE CAST YOUR VOTE.

Ad Hoc Access Control Committee Report

By Lisa Lynn, General Manager

The Ad Hoc Access Control Committee was established by the Board of Directors in December 2009 to review the gate turnover process, review the gate attendant and roving patrol post orders and schedule and review upgrades for access control and security at the gates. (See story on page 1)

Four Seasons Beaumont has two sets of gates, the Potrero gates (the main entrance off Potrero Blvd to Four Seasons Blvd) and the Crooked Creek gates (the entrance off Highland Springs on Crooked Creek). Both gate areas include a gatehouse and double gates for the entrance and exit. Our builder, K. Hovnanian Homes, is completing its preparations we anticipate turnover of the gate areas in August or September.

The following list of upgrades is an accounting by the ad hoc committee of the cost to increase security measures for the community, address safety concerns, improve access procedures and develop an on-going maintenance program for the gates. The Board of Directors, at its July meeting approved the committee recommendations and proposals.

Item	Cost	
Access Control/speed Control:	\$4,457.00	
Move Transponder Receiver	\$4,100.00	
Signs (Speed Hump Caution)	\$366.00	
Upgraded Cameras	\$19,146.00	
Initial Purchase Of Access Passes	\$1,880.00	
Access Software	\$7,140.00	Annually
Internet Access – Potrero Gatehouse	\$1,200.00	Annually
Gates - Preventative Maintenance	\$3,000.00	Annually
Janitorial For Gatehouses	\$1,896.00	Annually
Total Cost Of Improvements:	\$29,949.00	
Projected Monthly Expenses:	\$1,103.00	

Architectural Review Committee

By Willis Fagan, Chairperson

Facts about the Architectural Review Committee (ARC) you should know:

When a homeowner notifies the ARC that their project is complete, a member of the Committee visits the property to see if the work in place complies with what the Architectural Review Committee approved. This inspection does NOT in any way relieve the homeowner of compliance with all applicable HOA standards and/or governmental regulations, codes or ordinances.

The ARC considers applicable HOA and community standards and regulations, (especially the Architectural Guidelines), and attempts to be aware of governmental regulations, laws, codes and ordinances that might impact any given project. As a courtesy, the Architectural Review Committee also tries to

inform homeowners of these important issues so as to provide as much direction and support as possible

In fact, no inspection by any agency, whether private, (the ARC), or public, (the building department), relieves a homeowner from complying with applicable regulations. Whether or not an ARC member or a building official “didn’t say anything about it” is not a basis for noncompliance.

If the regulation, law or ordinance is not complied with, and a report or complaint of noncompliance is made, it is always the homeowners’ obligation to bring things into compliance – at their own expense.

Does the ARC police or enforce guidelines, laws, codes or ordinances? Yes and no. The Architectural Review Committee members do not patrol or police our community looking for noncompliance. If, however, an ARC member happens across something that is obviously noncompliant, the ARC member may notify the homeowner on the spot and request that the noncompliance be remedied, or may report such noncompliance to the HOA for further action.

Even when the Architectural Review Committee member finds something that is noncompliant, the committee will do everything possible to cooperate with and be helpful to homeowners. So if an ARC member informs you of something that should be remedied, please understand they are not doing this to be mean spirited or overly zealous. The ARC tries to take care of the little things so they don’t become big problems later, and to help avoid, as much as possible, potential neighborly conflicts.

One of the reasons for moving into this wonderful community is because of its beauty, and because it is always maintained in a neat and clean condition. While the HOA controls our *common areas*, (the Lodge, gardens, paths, etc.), the ARC is responsible to help each homeowner do their part in maintaining the *private areas* of this beautiful environment.

The Architectural Review Committee meets at 10 a.m. each Wednesday, except on Thursday once a month to coincide with the Board Meeting, and homeowners are welcome to attend.

The Event Systems Committee

By Cindy Graves

The Event Systems Committee has numerous projects in the works.

Thanks to the generous donations of so many of our good residents here at the Four Seasons, we are able to make progress planning the Ballroom audio and lighting enhancements. Plans are also being made to improve the Amphitheater, so that we can optimize the performances held there.

Big thanks go out to all ESC committee members who helped to set-up and run the audio equipment for the fantastic Fourth of July Performance last month as well as the Amphitheater Concert and the audio enhancements for the Board of Directors meeting. These were just some of the ways in which the ESC contributed to the activities here at the Lodge.

The Event Systems Committee meets on the second Tuesday of the month at 2 p.m.

If you would like to be a part of this fun and interesting group please contact the ESC Chairman, Roland Harrah, at (951) 845-1734. New “techies” are always welcome!

Bistro Committee

At the July Bistro Committee meeting, we reviewed the “Meet and Greet” gathering that was held on June 15. This was to welcome the new homeowners. Approximately 55 new homeowners attended. The event was well received with plenty of desserts for all who were present.

At our meeting it was suggested that homeowners visiting or using the pool put the Bistro phone number in their cell phone so they can call in an order for food or drink: (951) 769-0717.

We still need two more members for the Bistro Committee. We have received five Committee Candidate forms and three of those candidates attended our meeting. We hope to fill the two vacancies from this group.

Our next meeting is Aug. 3, at 3 p.m. in the Lodge. All homeowners are invited. -- **William Taylor, Chairperson**

Finance Committee

By Bob Melville, Chairperson

The regular monthly Finance Committee meeting was held June 15. The Committee reviewed the minutes of the May 18, meeting and they were unanimously approved.

The Committee addressed the financial statements for May. The net income for the month was \$29,054 and total reserves increased to \$1,737,634. The front yard expenses for May were under the monthly budget by \$4,537. Accounts receivable (delinquencies) were \$129,587. Our total HOA expenses through May (excluding reserve allocations) were \$626,371; this was under budget by \$179,975. There were no investment actions required during this period and the May financial reports were approved.

The committee reviewed the existing HOA investment policy which was found to be quite restrictive as to the types and terms of permissible investments available to the HOA. There were no vendor proposals to review at the meeting. However, a special meeting of the Finance Committee was scheduled for June 30. The purpose was to review the specifics of the gate turnover as recommended by the special HOA ad hoc committee.

The special meeting was held on June 30. A review of the gate history that led to the formation of the ad hoc committee was provided by Board Director Loren DuChesne. Subsequent to that, the ad hoc committee’s recommendations were presented to address the numerous problems with the existing gates including slow gate operation, tailgating, gate damage, speeding, unreliable cameras, poor lighting, etc.

The proposals covered installing speed humps and rumble strips, transponder relocation, caution signs, upgraded and relocated cameras, DVR acquisition, new access software, mounting poles, entrance passes and associated maintenance. After a significant discussion regarding the proposals and the available funds/budgets, the Finance Committee recommended their approval by the Board of Directors. (See story on page 1)

The Committee then addressed the following unrelated proposals: a) Conduct of required backflow testing. b) Ballroom partition repairs. c) Acquisition of a new projector for the theater. d) Acquisition of blinds or shutters for the Potrero Gatehouse. After discussion the Finance Committee made its recommendations for the Board of Directors’ consideration and the meeting was adjourned.

HOA News

The Finance Committee meets in the Lodge Conference Room on the third Tuesday of each month at 1 p.m. and HOA members are always welcome.

Landscape Committee

By Phyllis Beede, Chairperson

In the July Sentinel, you read that work on the Laurels Paseo would be completed by now. It didn't happen, but for a good reason.

While the Paseo has come a long way, there are a number of problems that stem from its very beginning and unless we take the time to address and correct those problems as best we can now, we will continue to spend time and money over the years and still end up with an area that remains terribly problem prone.

Without bringing in a bulldozer and starting with a blank slate, the logical steps are to first deal with the drainage and irrigation problems. Next is to lay weed cloth and increase the areas of river rock. The final step is to do needed planting and to spread mulch.

While there would be immediate gratification if we were to plant and make things pretty now, we wouldn't be solving any of the long term problems, so I am asking for your support and patience in the Laurels Paseo project. The problem didn't occur over night and it can't be corrected overnight. It does look 500 per cent better than it did the first time I walked it about a year ago.

Many have noticed Brad Alms Landscaping removing invasive Cottonwood trees. The shoots popping up from the Cottonwood's roots are a problem. Alms has replaced some with Ginkgo bilobas and if you aren't familiar with them, fall brings a spectacular display of gold.

Fred Weck's Springdale retro-fit sub-committee interviewed landscape architects and took them on a tour of the Springdales to review the existing landscaping and the areas in need of walks. Each candidate vendor offered different approaches and each is going to forward a proposal which should assist the sub-committee in clarifying how to proceed next.

By the time you are reading this, the removal of trees that threaten to damage homes in the Monarch area should be well under way. When appropriate, the trees are being replaced by a shrub compatible with existing plantings.

Mark your calendar: Back by popular demand is an irrigation and water management workshop by O'Connell Landscaping on Aug. 14 at 9 a.m. at the Lodge. Watch for flyers and for information on the website. Lots of time will be available for questions.

Our next Landscape Committee meeting is Monday, Aug. 16, at 9 a.m. You are encouraged to join us.

Safety and Facilities Committee

By Jerry Thompson, Chairperson

Safety:

The growth of our community increases the number of drivers and pedestrians. This increases the potential for accidents when we do not respect our fellow neighbors and visitors by speeds over 25 mph, when we fail to stop at stop signs and when we do not look both ways when crossing streets. We must all be aware of our surroundings and obey all traffic rules to insure we are not responsible for an accident.

Please support our Neighborhood Watch program by attending meetings and getting involved. Let's help each other so we may all avoid becoming a victim of theft or home invasion.

Facilities:

We receive many inquiries about our gate system. Thanks to the efforts of our ad hoc committee's evaluation of our gate system, we will be making many changes to insure a more reliable gate operation and visitor control. Please watch for more information about these changes in the coming months.

Many facilities issues are being reviewed to make sure we have reliable equipment, proper storage facilities and scheduled maintenance to insure our HOA owned facilities are maintained and repaired to insure long life.

All residents are invited to attend our Safety and Facilities meetings, held the third Tuesday of each month at 9 a.m. in the Lodge Conference Room.

Rules and Regulations Committee

By Louise Lyon, Chairperson

The Rules and Regulations Committee held its monthly meeting on Thursday, June 17. We had one guest in attendance who spoke on driving safety issues.

The committee has worked hard on the following four rules changes: Pool and Spa rules and signs; no smoking and designated smoking area rules and signs; barking dogs rule change and club rules. All went into affect the end of July after the resident comment period.

The CC&R Amendment -- to reduce the 67 percent supermajority to amend to a simple majority -- remains our number one priority.

The committee has held more than ten "mini town hall meetings" in different neighborhoods. Len Tavernetti, Jacque Sneddon, Loren DuChesne and Louise Lyon have been facilitating the mini town hall meetings.

General Manager Lisa Lynn developed a governing documents comparison chart that has been so successful. Willis Fagan printed the comparison chart on his giant printer and attached it to a foam board. The chart and the one-on-one small meeting atmosphere have been very encouraging and

HOA News

illuminating. We are looking forward to great results when the ballots are returned.

If you have not voted yet, please vote. If you do not vote it is the same as a "NO" vote. We don't care how you vote, just VOTE! It is important to have as many homes vote as possible, do not miss this opportunity to be a part of our governing process here at Four Seasons Beaumont.

The committee was concerned that a number of residents have not registered their autos with the association. It was decided to follow up on registrations by matching car registrations with homeowners, starting with the Monarch and Springdale homes. If you have not registered your autos, motorcycles or RVs with the HOA, please do so.

The CC&R ballots have been mailed and the committee cannot impress upon the homeowners how important it is to VOTE. The committee and the entire Board of Directors unanimously recommend that you vote "YES." Please vote.

The Rules and Regulations Committee meetings are the third Thursday of every month at 9 a.m. in the Lodge Conference Room. Guests are welcome.

Social Committee

By Melody Seewoster

The Social Committee is busy planning events for the rest of the year.

On Aug. 21, don your cowboy boots, western shirts and jeans for our annual Country Western Hoedown. This is one event that is always a sell-out, so plan on getting your tickets early. Tickets went on sale July 13 and are \$20 per person. There will be lots of food, dancing, door prizes and a 50/50 drawing, something for everyone. Be prepared to have a good time. The event starts at 5 p.m. Doors open at 4:30 p.m.

In October we will have our spooky Halloween party and of course we are all looking forward to the New Year's Eve gala, which is always a night to remember. Mark your calendar and reserve these dates for two more fun filled nights.

Neighborhood Watch Program

The Neighborhood Watch held its monthly meeting Friday, July 9 in the Card Room with more than 70 people present.

Loren DuChesne, HOA Board Director, addressed the group on the status of the gates, new cameras for the gates, and control in the community. He took questions from the audience. Neighborhood Watch looks forward to having Loren speak again at another

meeting. It was very informative and we appreciate his presence.

The next meeting will be Friday, Aug. 13 at 10 a.m. in the Ballroom. This meeting is for all block captains, anyone interested in being a block captain and all residents interested in the latest Neighborhood Watch news. We still need more captains, so if you are interested, please contact Jerry Whitfield at (951) 845-0680.

Mark your calendars for the National Night Out 2010 Potluck on Aug. 3 from 5 to 8:00 p.m. in the Ballroom. This will involve residents, guests and law enforcement agencies. You can sign up at the front desk. We are still looking for volunteers to help put this event together. If you are interested, please contact Mary Primack at (213) 324-0787 or email mmp4era@aol.com. Plan to join the entire community in a show of spirit and energetic determination that will help make our neighborhood a safer place throughout the entire year!

Remember: Neighborhood Watch Needs You! -- **Mary Primack**

POTLUCK

Neighborhood Watch Special Event

National Night Out 2010 Celebration

Tuesday, August 3rd 5pm-8pm
In the Ballroom

Bring a dish to share and participate in celebrating this community event. It will involve residents and law enforcement agencies. Plan to join the entire community in a show of spirit and energetic determination that will enhance our neighborhood safety throughout the entire year.

SIGN UP AT THE FRONT DESK

DESSERT AND SOFT DRINKS PROVIDED

Clubs & Activities

Amphitheater Society Club

Many thanks to all the residents who remembered to mark their calendars and who reminded their neighbors to come on down for a Sunday evening of entertainment.

We are really excited with the response to this summer's Amphitheater events.

If you are new to Four Seasons or have never walked our beautiful grounds, the Amphitheater is located between the pool area and the large tennis courts.

We schedule entertainment on the third Sunday of the summer months by our talented residents and by others from outside the community. Our goal is to continue to locate new talent so the performances stay fresh for all of us. We are already beginning to look for next year, so any suggestions will be gratefully appreciated.

I'd like to apologize for the misinformation about Smitty's staying open until 6 p.m. for the purchase of dinner boxes. Communication was lacking before going to print. Smitty will be advertising prior to the Amphitheater nights if he will remain open, rather than having the announcement come from the Amphitheater Club notes. Hopefully, there will be no more confusion.

Don't forget we will have ice cream and water for \$1 to keep us cool until the sun goes down.

Singers Louie Valesquez and Cyra Hughes along with our own "skit-creators" Lynn and Chris Pike totally entertained us on July 18.

On Sunday August 15, at 6:30 p.m., we will feature the talented Lopez Family -- Manny Lopez, resident, on the Marimba or xylophone, and Frank Lopez on guitar. Frank is the husband of Carmen, our community Pro-Fit Program coordinator. Jennifer Lopez, Manny's daughter, will sing.

Come on down and join us for a fun evening of great music.
-- Penny McDonell, Chairperson

Ballroom Dance Club

The Shall We Dance Club has been disbanded, and the new Ballroom Dance Club has been formed. The new captain is Vince Palmer, and our co-captain is Charlotte Diehl.

For those who love dance, this is an exciting new beginning. There will be new instructors, new dances, new opportunities and new events for all to enjoy. Our lineup of dances will include the Night Club Two Step, Tango, Single Time Swing, Cha Cha, Waltz, Rumba, West Coast Swing, Fox Trot and other dances of our choosing.

Have you seen "Dancing With the Stars," or professional ballroom dance competitions on TV? Have you seen the steamy gyrations, the acrobatic moves and the fancy, and often skimpy, clothes? Well, that is NOT what our dance club is about. Our dancing is tailored to our needs and abilities, and prepares us to dance at our own pace and for our own enjoyment.

People with little or no dance experience often feel awkward

and incapable, and wish to avoid the embarrassment of trying to dance -- especially in a group of more experienced dancers. But the truth is almost every single one of us started at the same place, not knowing even the most fundamental steps or routines. Our clumsy feet wouldn't go where they should, and our bodies wouldn't move in the right direction. We often felt there was no hope!

But with guidance, patience and help, and the sincere understanding and assurance of friends, we learned one step at a time, and soon realized that we could indeed dance. Our objective is to enjoy a recreational activity that's lots of fun, with the very real fringe benefit of meeting and becoming friends with many fine people.

Please come and see what our new Ballroom Dance Club is all about. We meet every Monday at 6:30 p.m. in the Ballroom for instructions and practice, and at 6 p.m. on Thursday in the Ballroom for practice.

Check the Sentinel calendar for exceptions to the schedule. Even if you're not sure this is for you, or you tried it before, you are very welcome to come and watch what's going on, and talk to us about it. Maybe you'll come to like ballroom dancing as much as we do. -- Vince Palmer, club captain

African-American Cultural Club

I would like to thank everyone who participated in our First Annual African-American Juneteenth Celebration on June 19. We enjoyed meeting neighbors -- both new and "seasoned"-- and sharing food, games and fellowship.

Future activities we are planning includes a visit to the Riverside Museum for the exhibit called "Race," the Idyllwild Jazz concerts on August 28 and 29 and the Pageant of the Masters. For additional information regarding the Jazz Concerts, call (951) 500-4090 or go online to info@idyllwildjazz.com.

We are continuing to search for a wide variety of activities where participants can choose based on their own interests.

The next regular meeting of the African-American Cultural Club will be held on Monday, Aug. 2, at 6 p.m. in the Lodge Card Room. Come and bring your ideas about activities that appeal to you! -- Betty Ann James

Bingo Club

Starting in October our Bingo games will be on Wednesdays at 5 p.m. twice a month, except for the Sunday, Oct. 3, which will start at 1 p.m.

Please note that all sales will stop promptly at 5:45 p.m. with no exceptions. We will also discontinue providing refreshments; however, participants are encouraged to stop at the Bistro for a bite to eat that evening.

We look forward to your coming out and joining us in October as we have fun daubing cards and winning big! --

Sandy Dwyer

Clubs & Activities

Book Club

By Nancy Morgan

Members enjoyed discussions of two very different books at our June meeting.

Doreen Sanders led the discussion of *Three Weeks with my Brother* by brothers Nicholas and Micah Sparks. Nicholas Sparks is familiar to readers through his popular books such as *The Notebook* and *Nights in Rodanthe*.

The book's format is a chapter about their travels, followed by a chapter about their childhood and earlier adult years. Their travels take them to remote locations such as the Incan ruins in Peru, the Taj Mahal in India and Phnom Pen, Cambodia. Readers learn that even though the family was far from perfect, there was genuine love for each other.

The brothers experienced several tragedies. The untimely death of their mother at age 47 affected all of the family. After their mother's death, Micah and Nicholas spent time with their dad who had difficulty dealing with his wife's death. Their father died unexpectedly at the age of 54 in a traffic accident. Later on Nicholas and Micah spent time with their sister Dana who had been suffering with a brain tumor. Dana passed away at age 37.

Out of a family of 5, only Nicholas and Micah remained. Their around-the-world trip was a good way for them to bond as they traveled together and reflected on their present lives with their wives and children and their past years growing up.

Zelyne Rudolph led our discussion of M.D. Allan J. Hamilton's, book, *The Scalpel and the Soul, Etc.* Dr. Hamilton is a Harvard Medical school-educated neurosurgeon who went on to become Chief of Neurosurgery and Chairman of the Department of Surgery at the University of Arizona. He is also a script consultant in neurosurgery for "Grey's Anatomy."

The Scalpel and the Soul covers a lifetime of unusual mind-body encounters Hamilton experienced and put into writing. It runs the gamut from the powerful idea of hope in a patient's mind, to the memories of a woman who was clinically dead for 17 minutes. Probing the reader's thoughts, one wonders, is it faith which keeps a stage IV ovarian cancer patient alive years after a terminal diagnosis, are memories stored outside the body, are we part of a greater consciousness, and who is that light at the end of the tunnel?

Thanks to Doreen and Zelyne for leading great discussions. Our next meeting will be Tuesday, August 31, at 9:30 a. m. See you then.

The 8-Ball Club

Del Lyles and the 8-Ball Club would like to invite all the Four Seasons residents to join us. We have a great bunch of team members and are always looking for new players.

If you're experienced or just a beginner, come and join us. Practice is Monday, Wednesday and Friday, 7 to 9 p.m., but you can usually find someone in the Billiards Room any evening. If you have any questions, just stop in or give us a call:

President Del Lyles: (951) 845-5114; Vice President Dewey Allen: (951) 769-4354; Secretary Dot Hurst: (951) 797-3068. See you in the Billiard Room! -- **Dot Hurst**

Bunco

We would like to thank Martha Franck for her time as club captain and are looking forward to seeing her cheery face each time at Bunco.

We had a nice turnout for Bunco this last time; the tables were filling up. If you haven't been in a while or you are a new homeowner, please join us and have a couple of hours of fun and relaxation. We meet the second Friday and the fourth Friday of the month in the Card Room at the Lodge.

Suzanne and I look forward to seeing you on August 13. - **Anni Smith (951) 769-7371 and Suzanne Roldan (951) 849-8540**

The Crafters - "Get Around to It"

Got an old project that just ain't done...Now's the time to "Get 'er Done!"

Meet with us on Thursday, Aug. 5, in the Craft Room of the Lodge from 5:30 to 8 p.m. If you have any questions, please call Paulette (909) 967-5261 or Pat (909) 720-1514. -- **Pat Dawson**

Free Computer Classes

Please sign up at the front desk in the Stop Look Sign Up book. The class is limited to only nine students per class and a class will be scheduled when the enrollment reaches nine students. Each class is three weeks long and meets each Monday and Wednesday from 1 p.m. until 3 p.m. You will be notified the week before a class is to begin.

Classes are scheduled in the following order based on enrollment numbers: Basic Skills, Windows XP, and then Internet. The current students have priority for the next class unless it's a Basic Skill Course; then only new students will be enrolled. Priority is based on Homeowners sign up date.

Basic Skills - This is a class designed for a beginner and those who need review of basic computer skills. The class includes mouse and keyboard practice, creating Microsoft Word documents and Microsoft Excel spreadsheets.

Windows XP - This class will allow you to become skilled at customizing your windows system and desktop. You will learn to create shortcuts for the items you often use. You will gain knowledge using WordPad, Paint, and other basic programs included with every Windows Computer. Basic Skills 103 or equivalent experience is necessary.

Internet - Learn how to search and find material of interest to you on the World Wide Web. Find out about newsgroups and how to read the ones you select. Discover how to send and receive e-mail, send pictures via e-mail, mailing list and conventions for joining and leaving them. Internet Explorer will be demonstrated and used. Basic Skills or previous computer experience is recommended. -- **Bill Rusche, Instructor**

Clubs & Activities

Bridge

Hello, card lovers. Beginning Bridge Lessons will continue in the Card Room every Monday morning at 10:30 a.m. Come and learn this fascinating game.

Following our lesson, our regular Monday Bridge Game will begin at noon. You are encouraged to stay and watch our game. Hope to see you there.

Congratulations to Rohr Senstad and Helen Shoemate! In June they accomplished the ultimate in Bridge: they bid and made seven clubs. -- **Carl Carson**

Canasta Club -- Hand and Foot

Come on down to the Card Room at Lodge any Thursday from 1:15 to 4 p.m. and join us in a friendly game of canasta.

Don't know how to play? Don't worry; we will set up a teaching table for anyone who wants to learn the game. It is a nice way to meet your neighbors and have a little fun. Thirsty? Never fear, Kathy from the Bistro comes by every afternoon to take drink and food orders from us.

Exciting news: We have planned a Canasta Cruise to the Caribbean in November 2011. There will be a canasta tournament on board with prizes, cocktail parties and more. We will be taking the brand new Celebrity ship the "Silhouette" which makes its maiden voyage in July of 2011. We will sail from New Jersey and on our way out we go past the Statue of Liberty. This ship has too many amenities to list, but a few are cooking classes, wine pairings, Bocce ball with real grass and glass blowing.

We have reserved 10 cabins and five have already been booked, so if you are interested make a reservation soon. There is a flyer in the Lodge with all of the details but if you need more information please call me, Melody at (951) 769-2774 or Barbara Strona (the travel agent) at (951) 769-7895. -- **Melody Seewoster**

Four Seasons Golf Club

Golf is fun again now that the sun is out almost every day, all day.

We played Yucaipa Valley in June and we will head out to Hemet in July. Some of our players are posting some very good scores. It is my guess that both players and scores will continue to improve throughout the summer.

Also, we usually can find some very good deals on golf packages during the upcoming months. So, join the golf club and have some fun! -- **Ed McBratney**

Line Dancing

Are you ready?

Football season is right around the corner. That means more snacking and sitting if you watch the games. And if you don't watch, that means you have more free time while that someone else watches.

Either way, a good way to burn off those calories and have fun at the same time is to try line dancing. For one thing it is

FREE here at the Lodge. Dancing burns calories and is exercise, but you don't feel like you are exercising. If you like music and enjoy trying new things, line dancing might be something you would find invigorating and fun. This is also a social opportunity to meet other neighbors in the community.

The Hoedown is August 21 and you have time to learn the electric slide and probably one other easy dance before then. And you don't need a partner...only yourself. You are never a "fifth wheel" at line dancing. You are just one of many out on the floor dancing and enjoying yourself.

Line dancing has something for everyone: western, waltz, cha-cha, and even a rumba. We start beginning line dancing at 4 p.m., add another easy dance about 4:30 and at 5 p.m. we learn harder dances.

Come join us in the Lodge Ballroom every Thursday at 4 p.m. -- **Martha Franck, Eileen Gilbert, and Zelyne Rudolph.**

Knitting and Crocheting Group

We are still working on baby blankets for the holidays, but we were informed that San Geronio cannot use them this year due to a decline in births. However, two of our members volunteer at Redlands Community Hospital, and they would be delighted to get a few. So we are spreading out this year.

We had a lovely lunch at the Grand Oaks Restaurant on June 22, and would definitely recommend it to others.

Marlene finished a beautiful lacy shawl, which she wore to the fashion show, plus some lovely scarves. Sue is working on a baby blanket for a new grandchild. Michi is starting a new sweater for the fall. Most of us are still in the donation mode and are considering what personal items to work on, too.

We welcome new members. It is a fun group. -- **Dorothy Payne**

Are You Ready for Some Football?

A reminder to all our football fans -- the first regular season Monday night game is Sept. 13.

Start now to think about recipes and other good stuff for our Monday Night Football Potluck! Please join us in the Bistro at 5 p.m. every Monday during football season for a potluck feast and a chance to cheer for your favorite teams. -- **Marilee Russell**

Racquet Club

Welcome to the warm weather of summer. So far the season has been really nice and not too windy for tennis.

Our June playday was again attended by many and everyone had a wonderful time. Our last playday was Saturday, July 31. We will hold the August playday on Aug. 28.

We have scheduled the Card Room for after play festivities on Sept. 11. On that Saturday we will start at 8 a.m. with a drill

Please see page 18

Clubs & Activities

(warm-up) conducted by our pro and at 9 a.m. courts will proceed with social play. The beginners group will have a drill session on the paddle tennis courts.

Everyone is welcome to socialize for lunch and the critique of the US Open matches being played on that day. The club absorbs the cost of the playday for members; non-members will be charged \$5 for the tennis court activity. Everyone in the community is welcome to come out and join in at the courts and at the US Open luncheon after social play is finished. Lunch is scheduled from 10 a.m. to 2 p.m. and the pro will be there to conduct the ever-popular annual tennis quiz. Plan ahead and join us.

Keep in mind that our annual membership meeting will be in October (no date yet) and that the community Club Fair will be on Oct. 2. As usual check at the Lodge if you have any questions.

Wednesday night groups are going quite well. Beginners are at 5 p.m. and non-beginners drill is at 6 p.m. Everyone is welcome to participate. Member charge is \$5 and non-member is \$7. Happy hitting. -- **Cheryl Smith, USPTA Developmental Coach, (949) 929-5443**

All Seasons RV Club

Several of our members enjoyed spending time at The Elk's Rodeo in Santa Maria, June 2 to 7. In addition to the great food served by the rodeo, members also enjoyed a delicious steak dinner at Jocko's in Nipomo.

If you notice any swelled heads among any of our members, it is undoubtedly the winners of the "Hand and Foot Tournament." Tanya Guy came in first and Jamie Brower came in second. Our RVers also enjoyed a swing contest and Jamie and Rick Brower and Tanya and Bill Guy were declared winners. Congratulations to all of them!

Our next scheduled trip is to Pismo Coast Village RV Resort in Pismo Beach, Sept. 16 to 21, for their annual Avocado Festival.

Members are also looking forward to camping and boating at Emerald Cove, Parker, Ariz., Oct. 4 to 9, and spending time in Huntington Beach, Nov. 1 to 5.

Our meetings are the second Tuesday of the month at 6 p.m. in the Arts and Crafts Room at the Lodge. All are welcome. ---**Nancy Morgan**

Seasoned Sassies

Our very own Red Hat Society chapter meets the second Wednesday of every month at various locations.

This month we are traveling to Glen Ivy Hot Springs Spa for a day of Red Hat pampering. For more information please call Melody at (95) 769-2774. If I am not at home, please leave a message and I will get back to you as soon as possible. -- **Melody Seewoster**

Seasoned Solos

We went to the Edward-Dean Museum again on July 9. We met at the Lodge at 11:30 a.m.

Saturday, July 10, the Glenn Miller Orchestra was at the Redlands Bowl. We left the Lodge at 7 p.m. and carpoled. There was no charge for this but donations were gratefully accepted.

Wednesday, July 21, we saw LeAnn Rimes at the Summer Concert Series at Steward Park in Beaumont. We met at 6 p.m. at the Lodge to carpool.

Saturday, July 24, we took a bus tour offered by Cardiff Tours to the Venice Beach Summer Festival. We met at Carl's Jr. in Banning at 9 a.m. Cost for this trip was only \$35. Mary Castle made reservations for those who wished to participate.

Sunday, Aug. 1, we have re-scheduled the San Juan Capistrano Train Trip. We will leave the Lodge at 7:45 a.m. to carpool to the San Bernardino Metrolink station. Cost of the round trip ticket is \$10 for seniors.

We welcome all single seniors, so come join us for some fun outings or come to our monthly meeting in the Craft Room at the Lodge at 6 p.m. on the first Friday of the month.

Call Mary Castle at (951) 769-5444 for more information on upcoming events or you can email her at: talk2mcastle@hotmail.com. -- **Toby Davis**

Taste d'Vine Wine Club

The Taste d'Vine August Meeting will feature fun, affordable wines for picnic and grilling.

Let's have a picnic. It is time for having fun in the park, camping, a party on the patio, going to the beach and, best of all, grilling in your backyard.

There are so many wonderful affordable fun wines for just sipping and pairing with your meal. Come and join the fun on Thursday, Aug. 19, at 6 p.m. in the Ballroom. Bring your appetizer, a picnic fare or, if you want, share your grilling masterpiece as we taste some wines for the summertime. As usual, bring a glass or two. \$5 members, \$8 guests. Enjoy. -- **Anita Worthen**

Walkie Talkies

On Tuesday, Aug. 10, the Walkie Talkies will travel to the Idyllwild area and walk a two miles nature trail in the Idyllwild Nature Center. The Nature Center is thirty miles from Four Seasons.

The admission fee is \$ 2 per person. Lynette Simonson will lead the group for this outing. We will learn about the plants, geology and history on this walking tour.

After the Nature Center visit, the group will have lunch in town. There are many places to dine and stroll in Idyllwild. This should be a relaxed outing, perfect for the hot summer season.

For those wanting to participate in this outing, please contact Lynette Simonson at (951) 377 0392 or by e-mail at: lynette.simonson@gmail.com. -- **Fred Hofer**

Travel News

As mentioned elsewhere in the Sentinel, there is a new cruise planned for Nov. 6, 2011. This will be a 13-night cruise to the Caribbean and we will be having a canasta tournament on board.

Clubs & Activities

You don't have to play cards to take advantage of this cruise. We will be cruising on the brand new Celebrity ship the "Silhouette" and it promises to be a wonderful trip. The islands we will be visiting are St. Thomas, St. Kitts, St. Lucia, Antigua and St. Maarten plus six days at sea. We leave from New Jersey and sail by the Statue of Liberty on our way out to sea. So far we have reserved 10 cabins and already have 5 booked, so if you are interested you should make your reservations as soon as possible. For prices please see the flyer in the Lodge.

On Aug. 18, at 1:30 p.m. in the Four Seasons Ballroom, we are going to have an informative presentation from the Inland Empire Celebrity Cruise Representative Jeff Geston,

who has been in the business for 20 years or more and is very knowledgeable about his product. Come and see what is new on Celebrity and all the great itineraries that are offered. We will also have refreshments and door prizes.

Please sign the "interest sheet" at the Lodge if you plan on attending or RSVP to Melody Seewoster (951) 769-2774 by Aug. 16. — **Melody Seewoster**

Nothing could be finer than Smitty's summer sunset dinning on the Patio!

Travel Club

DAY TRIPS FOR AUGUST AND SEPTEMBER 2010

Day trips that are being offered during August and September are as follows:

August

Aug. 5	Del Mar Races	\$60 per person
Aug. 7	"In the Heights" Orange County Performing Arts	99
Aug. 11	Sawdust Art Festival	52
Aug. 16	Los Angeles Garment District.....	35

Four Seasons Spotlight

Howard Keeps Things Moving

By Leighton McLaughlin

The brisk pace of the Fourth of July show at the Lodge was no accident.

It was the work of show director Howard Swidler who started making sure things happened on time more than 50 years ago.

Two years out of high school He broke into television in 1959 at WLS-TV in Chicago, when all the shows and commercials were on movie film or live, the records and schedules were on index cards and the script prompts were written in big black letters on cue cards held next to the camera. Back then WLS – the ABC outlet in Chicago – was on the air only 12 hours a day, later upped to 18.

He began as an assistant film director, meaning he kept track of the all-important film as it came in and went out of the station, making sure it was ready to go on the air when it was supposed to. After a couple of years he was promoted to the operations department where he scheduled the whole week's worth of shows. And then became the sales traffic manager, the guy who saw to it that the commercials – which paid the station's bills – made it on air on time.

Finally he went into production, working as stage manger and then director of all manner of live shows produced in Chicago – local and regional sports, news, parades, talk shows, you name it. He was around to help launch a then unknown talk show host named Oprah Winfrey.

Swidler --he grinned, "don't spell it with an 'n,'" -- grew up in Chicago, on the city's South and West sides, where he was a rarest of residents: a Cubs fan. Madison Street, which divides the North and South sides, is as forbidding a dividing line as the Berlin Wall or the Viet Nam DMZ: Cubs country to north, White Sox to the south. Somehow he survived growing up in enemy territory and married his high school sweetheart, Judy, a registered nurse and medical transcriber who roots for the White Sox.

The couple has three children: Lori, a housewife who lives in Massachusetts, Cindy a graphic designer from Corona and Mike, part owner of a flooring business in San Diego. They have six grandchildren.

As empty nesters, the Swidlers have a cat and a dog that were strays. Bravo, the dog, was abandoned by his owner and hit

by a car. They took him to the vet and nursed him back to health. The cat, appropriately named Felix, they adopted from a rescue mission.

Originally the Swidlers retired to Arizona, in the town of Surprise near Phoenix. They lived there for 11 years and Swidler worked with the Surprise Drama Club for five of those years.

Howard Swidler, in his Fourth of July shirt

"I wound up getting back into production," he said. The club put on plays and other shows and taped and edited community Board and committee meetings which they presented on closed circuit TV. "It got so busy I couldn't get away," he said.

Then he contracted thyroid cancer. "I wanted to be closer to my kids and grandkids in California," he said. After his television career, he had worked for a company called Related Products which moved him to California and he had lived in Riverside. He said "We liked the area and we wanted to be in an adult community," which led them to Four Seasons Beaumont.

His cancer is in remission now. "I am a cancer survivor," he said. "Knock wood, it stays that way."

Swidler moved into Four Seasons the first of this year and true to his background has become active with the Event Systems Committee and the Performing Arts Club. He said Roland Harrah, president of the systems committee, "Volunteered me," to help performing arts with the Fourth of July show.

In addition, the Swidlers have joined the RV Club. "We like it here very much and plan on staying here."

He said he was "very happy" with the Fourth of July cast members and back stage crew. "They were very willing to learn" what he could show them, he said.

"There is still room for improvement. We're talking about doing some plays and variety shows," he said. "But we need more people. We need actors, musicians, back stage people, writers." (See related story on page 22)

He said he would like to put on productions written by Four Seasons residents. "Put on a couple of one-act plays and you've got a show."

Right now, the Performing Arts Club is planning a Christmas show. "You have to take time. In the future we will have to have more rehearsals. It takes a couple of months to make a good show."

Four Season's Community Info

Continued from page 1

As a result of their research, several changes have been put in place or are under way.

1. The transponder sensor for the gate arms will be moved closer to the arms and carefully timed to prevent tailgating.
2. Speed control measures will be put in place: a "Rumble bump" will be installed at the entrance to the Potrero gate. Past the rumble bump – which provides an alert that "something is coming up," said Duchesne – will be "speed humps" (not bumps). They are lower, with a more gradual rise than speed bumps and going over them causes less of a jolt – but drivers still slow down for them. Identical devices will be installed at the Potrero exit to slow the cars going over the spike strip. A speed hump will be installed at the Crooked Creek entrance with no speed control at the exit because the big gate there is not left open.
3. New infra-red cameras will be installed that are capable of reading license plates in the dark as well as daytime to allow the identification of any motorists who might damage gates in the future. The cameras allow monitoring of all gates from both the Lodge office and the Potrero gate house. Three existing cameras will be kept to view overall activity at the gates, monitor performance of the gate attendants and view incoming traffic "We already had the cameras," said Duchesne, "so we thought we'd use them. We didn't want to throw away anything that was useful."
4. Finally, a software system called GateWorks will be installed that provides a long list of services. It will allow residents to email or voice mail the gatehouse with a list of visitors for one-time entry for a party, or for repeated entry like relatives, vendors, often visiting friends and the like. Persons on the list will be automatically issued guest passes which include directions to their destination. The passes will help enforce parking rules. The system also allows residents to list those not to be admitted.

Gateworks should reduce the time needed to issue passes and speed up access to the community. It will also keep track of visitor traffic and record all incident reports made by attendants, among other features.

DuChesne said the changeover will take some time, and the Board plans to keep the community informed of every important step by mail, by handouts at the gates and by further articles in the Sentinel or whatever means are necessary. The switch means the HOA will be responsible for not just operating the gates but for any costs or liabilities involved. "We want to make sure we do it right," he said. "We know there will be some learning involved, but eventually we expect it to be friendly to both the gate attendants and the homeowners."

A Great Healing Aid

By Zelyne Rudolph

Can you imagine a world without music? What does music do for us? It's not just enjoyable. It is invigorating and it has learning and healing properties.

Studies show music in early childhood education contributes to spatial intelligence, body-kinesthetic intelligence, logical-mathematical intelligence, linguistic intelligence, and interpersonal intelligence. Making music is as much a basic life skill as

walking or talking.

It is now believed that music existed before man and that animals used music to communicate. We all know that the song of birds is quite musical and is their form of communication. We can look to the Humpback whales' beautiful sounds as their form of communication.

It is also believed that human brains are functionally connected for music. The first humans in prehistoric times made music probably with whistles, formed from gourds, animal bones, etc., for pleasure as well as for communication.

In fact, around 5,000 years ago, people were making musical instruments for use in ceremonies. Today's musical scale was invented by the Greek scholar, Pythagoras about 2,500 years ago. Each note would be one step higher than the next. Each note was then given a letter so that music could be written.

"Music can raise someone's mood, get them excited, or make them calm and relaxed. Music also - and this is important - allows us to feel nearly or possibly all emotions that we experience in our lives. The possibilities are endless," according to composer, Gilbert Galindo.

"Music is the language of the human soul," according to neurosurgeon, Dr. Allan Hamilton, author of "The Scalpel and the Soul," and he feels that music enlivens us as well as injects emotional color. Dr. Hamilton has witnessed and thoroughly believes that music can increase your energy and help you heal faster.

"Novel research from the musical therapy field has shown that patients' heart rates tend to synchronize themselves with the music. One reason people find baroque music soothing is that its inherent rhythm of sixty-four to sixty-eight beats per minute is similar to that of a calm, relaxed heart. Music can be a powerful adjunct to the healing process. And music is one of the safest medicines you'll ever find. You can dose yourself as you please with no worries about toxic side effects."

Further to this thought, Dr. Hamilton even encourages his patients to listen to music through headphones while they are asleep during surgery. It is his opinion that patients wake up more alert and calmer than those who do not experience music during surgery. He also recommends families provide music for coma patients because it works at a subconscious emotional level that utilizes the positive energy for best healing. Your favorite music's positive energy is best for healing. Mmmm, I wonder if this works with Rock'n Roll? I know Fleetwood Mack and the Black Eyed Peas sure get me going.

Come to Karaoke, August 14, to experience the healing properties of music. Line dancing and the Pro Fit classes use a variety of music. Come on, I dare ya!

A Fourth of July Celebration

By Zelyne Rudolph

The July Fourth show was the fifth presented by the Performing Arts Club.

It opened promptly at 3 p.m. with Louise Lyon as our fabulous Mistress of Ceremonies. Louise introduced Zelyne Rudolph who sang the Star Spangled Banner. The next act heralded the debut of the Four Seasons Marching Poms, led by Judy Swidler. They had so much energy, the group certainly added spice to the patriotic program.

Please see page 22

Four Season's Community Info

Continued from page 21

Kathy Taylor wowed the audience with her comedy skit. The Four Seasons Singers added their terrific flavors and sang God Bless America and This Is My Country. Our inimitable comedian, Chris Pike, gave us a monologue on aging followed by Marylou Keating's stirring rendition of America the Beautiful.

Kathy Taylor brings down the house.

What can you say about our two magicians, Colin Taylor and John Horning? They took comedy and magic to new dynamics with The Great Fakini and Friend. Ruth Hsu showed great patriotism with Proud to Be an American. Lin Pike looked deliciously like the English queen with her tailored gown and tiara and presented Four Seasons with a proclamation that All is forgiven (between England and the USA). Linda TerBest closed the show with This is a Great Country, accompanied by Willis Fagan and Wind Beneath My Wings. The entire cast came on stage while they and the audience sang You're a Grand Old Flag.

The Four Seasons Marching Poms were Judy Swidler, Marilyn Sarchett, Jacque Sneddon, Jane White, Carol Napolski, MaryLou Keating, Cheryl Staples and Susie Savaglio.

The Four Seasons Singers were Nancy Horenburg, Linda TerBest, Jacque Sneddon, Adela Avila, Paulette Sims, Cheryl Staples, Barbara Wasco, Marylou Keating, Jane White, Gary Sifter, Roberta Hokuf, Joanne Thompson, Wayne Staples and Tom Wasco.

The Ballroom setup for the show reveals the amazing transitions and growth from the first Performing Arts show in October 2008. Thanks go to John Horning and Howard Swidler for the curtain dividers. Thanks also go to our prop man, Steve Sarchett, for his many inventions and props; Steve also did double duty as stagehand, along with Melody Seewoster. Melody can always be depended upon to help and she is very much appreciated.

The performers were very comfortable with and appreciative of the innovations. The music for the entire show was executed by our terrific audio man, Roland Harrah, from Event Systems Committee. Most of all, working with our Activities Director Cindy Graves, is a joy. Cindy and her staff do yeoman service to our organization.

This is a particularly nice time for me because this year, PAC has a broader structure with our president (Colin Taylor) and director (Howard Swidler) taking the reins and there is a lot more participation from members. I enjoyed the time as talent coordinator but the new structure is working very well. We are developing an interesting club full of people who love to be a part of performing, so those of you with talent and/or enthusiasm please join us.

Howard Swidler said, "The show went much better than I thought because all the performers stepped up when it became zero hour. They are a great bunch of people and were willing to learn. (See related story on page 20) What would I do different for future shows, it would be to have more practices in small groups than with the whole cast.

"I had a lot of fun working on the show and look forward to more. This group could be doing short plays and we need to get more people involved, actors, musicians, production people and stagehands. Thanks again to everyone who performed in the show. I am very proud of them and give them a lot of credit."

Concerts on The Green in Calimesa

Calimesa's Concerts on The Green are held at the Calimesa Golf Course on Thursday evenings from 6:30 to 8:30 p.m. If you want to preface the concert with dinner at the country club, buffet dinners are served from 5 to 6 p.m.

It is recommended that you bring lawn chairs or blankets for seating and a sweater for the evening chill.

The Aug. 5 concert will feature the Palm Springs Sound Company, a four-piece band and vocal music, which plays Pop, Rock, Blues, Motown, Swing, Salsa and Latin Music at it's best.

The Aug. 12 concert will feature Cold Duck playing 60's and 70's music. This group has been playing for 22 years at parks such as Knott's Berry Farm, Magic Mountain and Disneyland.

The Calimesa Golf Course is a beautiful setting for a great night out among the greens to enjoy music. The concerts are FREE, but a contribution to assist with the costs of the groups will be appreciated. -- Judi Topp

Neighborly Notes

By Bobbie Eckel

The City of Beaumont's Lunch and Learn Program will be held on Tuesday, Aug. 10, at 11 a.m. The Topic is: Solutions for homeowners facing foreclosures.

This is a financial educational seminar aimed at helping seniors understand government programs, such as the Home Affordable Modification Program (HAMP), the Home Affordable Foreclosure Alternatives (HAFA) and the Home Affordable Refinance Program (HARP). Questions about refinancing, second lien modification, short sale, and deed in lieu of foreclosure will be addressed. The guest speaker is Elaine Letterman. For reservations for this free lunch and program, please call the Senior Center at (951) 769-1372.

Are you interested in astronomy? You might consider joining fellow amateur astronomers at the City of Beaumont's "Summer Night Under the Stars." The third star party for this year will be held on Friday, Aug. 13, from sunset to 11 p.m. at Palmer Park in the Fairway Canyon Community. Participants should bring telescopes and or binoculars of any size and spend time observing astronomical objects such as planets, comets, stars and deep sky objects.

A reminder about the weather. We are entering our hot season (in spite of the deceptively cool days in June and early July). During extreme heat, remember to drink plenty of water, stay indoors, close your blinds to keep the house cooler and use the air conditioner as needed. Avoid direct sunlight during peak hours. Visit a mall, library or restaurant to stay cool. Heat will also affect

Four Season's Community Info

your pets; be sure they have sufficient cool water and a safe place to stay.

The United Way Day of Caring is scheduled for Sept. 11. Volunteers are still needed. The day begins at Beaumont City Hall with a pancake breakfast. Box lunches will be provided for all of the volunteers. The day will end at Stagecoach Days in Banning. If you are interested in serving in this United Way project, please call Jeanne Ramirez at (951) 756-4946 or Jeanette Marlar at (951) 697-4710.

The Beaumont Chamber of Commerce sponsors "Market Nite" each Tuesday evening through Aug. 17 starting at 5:30 p.m. More than 50 vendors are involved featuring food, crafters, business, organic produce, plants, and live entertainment! The event takes place at Noble Creek Park, 650 W. Oak Valley Parkway.

News Around Town

The San Geronio Pass Area Habitat for Humanity Affiliate's seventh annual "Jim Heslop Memorial Golf Tournament" is scheduled for Saturday, Aug. 28 at Sun Lakes Country Club.

The Pass Area affiliate includes Calimesa, Cherry Valley, Beaumont, Banning, and Cabazon. Money raised from this tournament will be used for building or refurbishing homes for low-income families in the Pass Area.

Habitat invites tournament tee sponsors (\$100) or players (\$100 per golfer) to participate. For players, registration will begin at 11:30 a.m. with a shot-gun start at 12:30 p.m. The hole-in-one prize is a 2011 Buick Regal from Diamond Hills Auto Group. A sack lunch will be provided with dinner, program, silent auction and door prizes following the tournament.

Please call tournament chairperson, Wendell Bainter, at (951) 769-1835 for additional sponsorship information or to sign-up for golf. Golf tournament Registration and sponsorship forms are also available to download at <http://habitatsgpa.org/golftournament.aspx>. -- **Melody Seewoster**

Redlands Summer Music Festival

By Melody Seewoster

The Redlands Community Music Association presents the Summer Music Festival 2010. This is the 87th season of the Redlands Bowl. In 1924, Grace Stewart Mullen, a woman of great vision and perseverance, brought to the city of Redlands a music festival, which has continued since then. There is no admission charged for these performances. The lineup for August 2010 is as follows:

Tuesday, Aug. 3 - Nancy Walker: A tribute to Patsy Cline

Friday, Aug. 6 - A Magical Night of Opera

Tuesday, Aug. 10 - Marine Corps Air Ground Combat Center Band

Friday, Aug 13 and 14 - Inland Pacific Ballet: The Little Mermaid

Tuesday, 17 - Massenkoff Russian Folk Festival

Friday, Aug 20 - Redlands Symphony Orchestra

Performances begin at 8:15 pm. For more information and/or directions you can check out the website at www.redlandsbowl.org

Activities Director Corner

By Cindy Graves

It's August and the heat is on! Staying cool is not as easy as being "cool" this month. Here is a roster of the activities that will greatly improve your "cool" factor:

Aug. 3: National Night out Potluck in the Lodge Ballroom at 5 p.m.

Aug. 6: Magic Night in the Lodge Theater and the Bistro starting at 5 pm.

Aug. 14: The drip irrigation workshop at 9 a.m.

Aug. 15: The Amphitheater Concert Series starting at 6:30 p.m. (donate a dollar and look really cool!).

Aug. 21: The Social Committee Hoedown at 5 p.m. in the Ballroom.

August 27: Night Club at the Lodge starting at 5 p.m. in the Ballroom.

If you are able to attend all of the above events you will find that the average community Joe looks at you as being very "cool"! Don't forget to check out all of the cool club events not listed here.

Speaking of clubs; the big news on the club scene is that the Board of Directors has mandated that all clubs will have both a club captain and a co-captain. Club Captains are getting me the new information so that we can list both leaders for each club. A complete list will be included in the September Sentinel.

Have a great rest of the summer and remember the old Forest Gump saying, "Cool is as cool does" (Or perhaps it was "stupid is as stupid does"?). In any case stay cool and be cool this summer with some of our great entertaining activities! See you around the Lodge!

A big congratulations go the Independent Film Festival Winners: Vince Palmer with the "Best Asian Film" and the "Best of Show", Craig Henderson and Barry Morgan for "Best Use of Large Animals in a Film", Bill Taylor for "Best Four Seasons Comedy", Helen Shoemate for the "O'Nelly Award", Roxanna Morrow for the "Best European Film", Wayne Staples for the "Best Foreign River Film", George Johnson for "The Best Educational Documentary", Paul Sapian for the "Best American Culture Film", Gary Roberson for the "Most Poetic Nature Film", Felipe Morales for the "Most Artistic Nature Compositions", Bill Sanders for the "Best Nature Film without Music" and Jim Cochran for the "Most Varied Photo Clips Award". Great job everyone who entered into the show!

Chef's Corner
By Randy Balt

Traditional Lasagna

I found this recipe in the Family Favorite Pasta issue of Taste of Home magazine. I had never made lasagna before and was interested in trying it out. The recipe looked like the real deal and I am happy to report it proved successful. Bottom line is you can't go wrong with this rich and meaty lasagna. It is definitely on my list of keepers. By the way, this went great with multiple bottles of a Sangiovese wine I got from Jeff Davidson.

Servings: 12

Prep: 45 min.

Bake: 50 min. + 15 min. standing

Ingredients

- 9 lasagna noodles
- 1-1/4 pounds bulk Italian sausage
- 3/4 pound ground beef
- 1 medium onion, diced
- 3 garlic cloves, minced
- 2 cans (one 28 ounces, one 15 ounces) crushed tomatoes
- 2 cans (6 ounces each) tomato paste
- 2/3 cup water
- 2 to 3 tablespoons sugar
- 3 tablespoons plus 1/4 cup minced fresh parsley, divided
- 2 teaspoons dried basil
- 3/4 teaspoon fennel seed
- 3/4 teaspoon salt, divided
- 1/4 teaspoon coarsely ground pepper
- 1 egg, beaten
- 1 carton (15 ounces) ricotta cheese
- 4 cups (16 ounces) shredded part-skim mozzarella cheese
- 3/4 cup grated Parmesan cheese

Directions

1. Cook noodles according to package directions. Meanwhile, in a large saucepan or Dutch oven, cook the sausage, beef, onion and garlic over medium heat until meat is no longer pink; drain.
2. Stir in the tomatoes, tomato paste, water, sugar, 3 tablespoons parsley, basil, fennel seed, 1/2 teaspoon salt and pepper. Bring to a boil. Reduce heat; simmer, uncovered, for 30 minutes, stirring occasionally. In a small bowl, combine the egg, ricotta, and remaining parsley and salt.
3. Drain noodles. Spread 2 cups meat sauce into an ungreased 13-in. x 9-in. baking dish. Layer with three noodles and a third of the ricotta mixture. Sprinkle with 1 cup mozzarella and 2 tablespoons Parmesan. Repeat layers twice. Top with remaining meat sauce and cheeses.
4. Cover and bake at 375° for 25 minutes. Uncover; bake 25 minutes longer or until bubbly. Let stand for 15 minutes before cutting.
