Homeowner Advises: Keep Supermajority

Two residents disagree with the Board and Rules Committee effort to reduce the 67 percent vote required to amend the CC&Rs to a simple majority of 50 percent plus one. This is the second of two articles expressing their views.

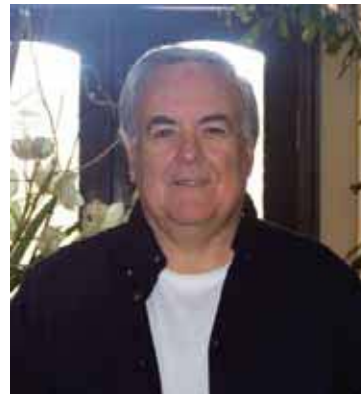

By John Noonan

Over the past five months we have heard a lot about the 67 percent super majority needed to change the CC&Rs and from those who wish to change to a simple majority of 50 percent.

It does not surprise me that good, hard working, diligent Board members would want to change the super majority to a simple majority. When I became a Board member and president of my last Association I wanted to make what I felt were necessary changes. I found that the CC&Rs were hindering my attempts to make those changes. The CC&Rs I was dealing with were written back in 1980. The CC&Rs in our Community had a 66

percent approval requirement and I wanted to get it down to a simple majority of 50 percent plus one. I failed twice at this endeavor.

The rejection of my effort was the best thing that could have happened to me and the association. From this experience, I realized that the CC&Rs are the member's protection from the Board. The CC&Rs keep the continuity and consistency from Board to Board. The CC&Rs are and should be designed to be

John Noonan

very difficult to change. A simple majority of 50 percent does nothing but divide the community in half. Last month you read how many members it would take to change the CC&Rs. These numbers should not be looked at as a hindrance but should be looked at as a comfort to the community. This Association is very lucky at this time to have such a fine Board. I sincerely believe that the current Board has the best interest of the Association in mind. But I can guarantee that at some point in the future we will not be so lucky and we will get our share of crazies and wacko members on the Board. We do not want to hand them a simple majority to change the way the Association is run.

I have been there, I know what it is like to have a few individuals try to run the community as prison, pile restriction after restriction on its members and I certainly do not want to see this incredible and beautiful community become a political nightmare, pitting one neighbor against another and being inundated with vote after vote to the point where nobody cares any more. I do not want to continuously hear the mantra, "We only need 50 percent to get what we want." Changing the CC&Rs should only occur when it is absolutely necessary and not at the whim of a few individuals. Always remember, Association Boards never do away with restrictions -- they always only create more

In a few articles the writers address the number of members who can be appointed to the Architectural Committee, which is a maximum of five, and I understand that they may be overworked on inspection. The CC&Rs do not even cover inspections, only the approval of requests. There is nothing in the CC&Rs that would prohibit the Board or Architectural Committee from creating inspection teams to assist the Architectural Committee

Nosey Neighbor Spring Garden & Home Tour May 1 & 2, 2010 Nosey Neighbor Tour

The **Four Seasons at Beaumont Garden & Home Tour** is designed to give your friends, neighbors and prospective home buyers a fresh view of what can be done with our properties beyond the furnished models. The timing for this tour will show our gardens as they wake from the slumber of winter and are budding into the new spring.

Many of us have customized our new homes and gardens to reflect our personal taste. While the models show us one side of decorating, there is a personal "feel" that you only get when someone has put that extra savoir faire into their homes.

Our first **Four Seasons at Beaumont Home Tour** will focus on exceptional gardens. *If you feel that you have a home that is a unique representation of your model and is exceptionally landscaped, this is your chance to show it off.* **Applications are being taken** and one or two representatives from each model floor plan will be selected to be part of the tour.

Pick up an application and additional information to enter your home at the Lodge Front Desk.

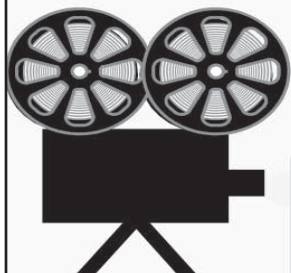

Application deadline: Friday April 23, 2010

Photographers get your submission to the Film Festival ready!

For the 2nd Annual
Four Seasons at Beaumont
Independent Film Festival

Friday, June 25 & Saturday June 26th.

Four Seasons Beaumont Independent Film Festival,

Everyone is encouraged to **sign up** and participate in creating your very own mini-movie or picture slide show.

This will be a great opportunity for the community to view some of the beautiful, artistic & humorous photo shots taken by you, our creative residents!

*These photos may be of the subject matter of your choosing: clubs, nature, architecture, animals, people or places.

- **Please submit your contributions for the show by Saturday, June 12th**
- All film creations should be in a DVD format.
- For additional information and suggestions see the flyer rack in the Lodge for more details.
- For further questions please contact: Cindy Graves, Activities Director at the Lodge: (951) 769-6358. Thank You for contributing!

Manager's Update

By Lisa Lynn, General Manager

At the Open Session Board meeting held on Thursday, March 11, the Board of Directors approved committee recommendations: including the Landscape Committee recommendations to replace a palm in the Lodge plaza area, replacement of mulch in the front yard easement and common areas, the replacement of tree stakes for the podocarpus trees in the front yard easement areas, and the refurbishment of the Laurel Paseo. The Board approved the ESC and Social Committee recommendation for off-site storage, if no other on-site arrangements can be made, and the Social Committee proposals for the Fashion Show and Tea, Route 66 Rendezvous and New Years Eve 2010 with no advancement of HOA funds.

The Board also approved the proposal for the acid wash and bead blast for the pool and spa pool, a replacement office computer and adopted the Common Area Rule revision, Trail Rules and revisions for the Architectural guidelines. Overall, 44 action items were requested of Management by the Board of Directors.

Management reported to the Board the completion of maintenance items including repairs to a Springdale roof, repairs to the emergency vehicle access system, and repairs to the water heater. The installation of the Bistro electrical and deep fryer was also completed.

The Board approved the February 2010 meeting minutes and the January 2010 Financials. The Board meeting is held on the second Thursday of the month, with the Executive Session at 8 a.m. in the Lodge Conference room and the Open Session at 1 p.m. in the Lodge Ballroom. The next scheduled Open Session is Thursday, April 8.

The District meetings to obtain the directed votes for two Board member positions will be held on Thursday, April 15 and the Annual meeting will be on Thursday, April 22 at 1 p.m. in the Lodge Ballroom. Ballots were mailed to residents on March 16. Please return your ballot so a quorum for each district can be met and your vote can be counted.

I would like to extend my gratitude to Phyllis Beede, Penny McDonnell and Carol Napolski for their participation as Inspectors of Election. Many thanks also to all of the District Delegate candidates. A list of the elected District Delegates is in the column to the right.

Duck Season! Well it is that time of year again and our fine feathered friends are back. We discourage homeowners from feeding the ducks since this encourages them to stay and use the pool. Another problem of feeding the ducks is that wild grass grows in the Lodge lawn area where seed is thrown down. Please look, but do not feed.

Please remember to take a towel with you when you use the fitness center so you may wipe down the equipment after use.

The pool is scheduled to open Easter weekend. Please review the Pool and Spa Pool rules included in the newsletter this month on page 11.

Architectural Review Committee

By Willis Fagan, Chairman

The Architectural Review Committee would like to thank all those who attended the Town Hall Meeting on the proposed Architectural Standards revisions.

Each of your comments was heard, read, and considered carefully by the ARC and the Board of Directors.

In case you thought otherwise, the ARC does not exist to say “No” to homeowners, nor does it spend time dreaming up new ways to make homeowners’ lives more restricted. Some have thought that the revised Standards represent more rules and less freedom for homeowners, but that’s not the case at all.

When Four Seasons started several years ago, both the homeowners and the ARC were given a set of Architectural Standards by the developer, K. Hovnanian Builders. As more houses were built and more people came to live in this community, there were more and different situations to consider.

It was found that some of the original Standards did not keep pace with the Four Seasons development, and some were inconsistent and confusing. This, in turn, led to various interpretations of the same document, and misunderstandings of what was permitted or not permitted.

Take the improvement and maintenance for front yards for example. Until phase C was built, homeowners were not responsible to improve, maintain or water their own front yards – the HOA and its landscape contractor did all that. With phase C homeowners became responsible for maintaining their own front yards, but the developer, K. Hovnanian, never revised the guidelines to reflect this important change.

Also, almost all the early development here at Four Seasons was done on relatively flat land. Then the hill areas began to be developed, and with them came other considerations not anticipated or addressed by the original guidelines.

Thus the guidelines had to be revised. For all homeowners, this meant clarifying and organizing the rules to be more easily understood and fair to all. For those who purchased their homes at phase C or later, it meant addressing their needs as well.

Again, we thank you for your cooperation and support. You are always welcome to visit the ARC meetings, which occur every Wednesday at 10 a.m., except on Thursday, the week Board meets

Bistro Committee

The Bistro Committee is in need of one more member. We would like an interested homeowner to fill out an application and turn it in to the front desk. Three committee members are leaving the Bistro Committee. We have two applications right now and there is a 90-day probation period before the applicants are accepted as members of the committee.

Due to the Board’s decision last month against seeking a beer and wine license, we have put the issue to rest.

I have enjoyed being a part of this committee for the past three years; now it is time to move on. -- Sandy Dwyer

Finance Committee

By Bob Melville, Chairman

The regular Finance Committee Meeting was held on Feb. 16. Initially, the Committee reviewed the minutes of the Jan. 19 Finance Committee regular meeting and the Feb. 2 special meeting addressing two specific vendor proposals. After a few minor comments the minutes of both meetings were unanimously approved.

The Committee then reviewed the financial statements for January, 2010. The Net Income for the month was \$56,451 and Total Reserves increased to \$1,544,162. The front yard expenses for January were under the monthly budget by \$4,911. The accounts receivable (delinquencies) were \$125,990, a \$13,960 improvement from December, 2009. Our Total HOA Expenses through January 2010 (inclusive of reserve allocations) were \$157,717; this was under budget by \$47,927. The January 2010 financial reports were then unanimously recommended for approval by the Board of Directors.

The Finance Committee then addressed vendor proposals for the following: 1) Acquisition of a replacement computer for the Front Desk, 2) Tree staking, and 3) Mulching the common areas. The Finance Committee made a specific recommendation regarding each and requested that Euclid Management carry those forward to the Board of Directors. The meeting was then adjourned.

Lastly, the Finance Committee conducted a subsequent special meeting on March 8 to review and make specific recommendations regarding three proposals that needed to be addressed at the March 11 Board of Directors general meeting. These proposals addressed the following: 1) Laurel Paseo Landscaping, 2) Event Systems Committee/Social Committee Equipment Storage, and 3) Added scope mulching of the common areas and front yards.

The Finance Committee conducts its regular meetings on the third Tuesday of each month in the Lodge Conference Room at 1 p.m. and HOA guests are always welcome.

Landscape Committee

. By Fred Week, Chairman

The Landscape Committee held its regularly scheduled meeting on Feb. 22 at the Lodge.

O’Connell Landscaping reported that their crews are now mowing the front yard easements on a weekly basis. The positive effects of the recent winter fertilizing of front yards is evident, helped along by recent rainfall.

O’Connell crews have also finished adjusting the front yard pop-up drains that drain overflow water from back yards to the front yards in the Inner Circle area (roughly, the area bounded by Four Seasons Circle and the green belt) as well as the Heritage and Laurel areas. Additionally, O’Connell work crews have fertilized the Podocarpus trees and Camphor trees in the Association maintained front yards in all sections of our community with granulated fertilizer. O’Connell personnel

HOA News

have also sprayed for weeds growing in the entry on Crooked Creek and Four Seasons Circle as well as intersections of driveways and street sidewalks.

Crews from O'Connell are lowering the height of much of the shrub material in the Springdales. Residents may likely see what appears to be very aggressive trimming of the shrubs that may expose some of the 'woody' undergrowth, but this level of trimming is necessary to maintain the health of the plants and keep them from becoming overgrown. O'Connell crews are also lowering the height of much of the groundcover that has started to become overgrown.

The Landscape Committee is looking to have Brad Alms Landscaping plant a Guadalupe Palm in the Lodge patio which would replace a Canary Date Palm that had died and was removed.

The Landscape Committee, together with Euclid Management, have been working on several initiatives and have passed forward for processing proposals to correct drainage and irrigation issues in the Laurels Paseo and placement of additional mulch in common areas and front yard easements maintained by the HOA. The Landscape Committee has also forwarded for processing requests to install sturdier wood stakes for the many Podocarpus plants normally planted on both sides of many garages and in front planters.

Residents are reminded that they should not distribute bird seed where it would infringe on HOA maintained property. Someone is throwing bird seed in grass areas causing a different type of wild grass to grow, which increases maintenance labor for removal. Other parties apparently are throwing bird seed in the planter areas of the Springdales, again causing problems.

The next meeting of the Landscape Committee will be Monday, April 19, at 9 a.m. at the Lodge

Rules and Regulations Committee

The Rules and Regulations Committee held its monthly meeting on Thursday, Feb. 18.

We had a special session Board meeting with a conference call to the HOA attorney for a question and answer session about the CC&R amendment before our regular meeting. It was very productive and the Rules and Regulations Committee set a timetable for our first Town Hall meeting on May 18 about the CC&R amendment. We want to have an open communication with the homeowners about this very important amendment. The committee is going to great lengths to explain why we need to amend the CC&Rs to a 'Simple Majority' vote. Everyone, please mark your calendar for Tuesday, May 18, for the Town Hall meeting.

The trail usage rules, the ARC Guidelines rewrite and the common area appearance additional rule have all been out for the 30-day review. At the March BOD and HOA meeting the proposals for trail use rules and common area appearance rules were unanimously adopted. The ARC Guidelines revision was accepted with seven minor modifications. All three proposals will be added to the Guidelines for the community.

The committee discussed further the Four Seasons Smoke Free Community and decided that we will propose ONE designated smoking area for homeowners and guests. Willis Fagan and Louise Lyon will pick out signs and locations for signage and construct simple rule changes to the guidelines for presentation at the March Rules and Regulations Committee meeting.

Committee members went over Pool/Spa rules and signs with Len Tavernetti. He will send the updates to the Rules and Regulations Committee members.

There was 'New Business' discussion about an addition to Club Rules that Club Captains must be in good standing with the HOA in order to remain Club Captains and that clubs should also have a second-in-command to handle affairs if the Captain is unavailable. There will be consideration to extend this additional rule to committee members and committee chairs to be in good standing in order to continue to serve.

We are looking for one dedicated and committed individual to join our Rules and Regulations Committee. If anyone has any questions please ask someone on the committee. You can pick up an application at the front desk.

The Rules and Regulations Committee meetings are the third Thursday of every month at 9:00 a.m. in the Lodge Conference Room. Guests are welcome. -- Louise Lyon, Chairperson (951) 797-3257

Safety and Facilities

The Safety and Facilities Committee recently recommended two areas to be put out for bids. These include Willis Fagin's proposal to improve the storage in the Ballroom area. He included using standard bins for storage and adding a sink and hot water for events needing these. We thank him for his time and effort.

We also think the library needs cabinets and shelves added to the vacant wall. This would raise the capacity to house books significantly.

We feel the HOA Board should enter into a contract with the Beaumont City Attorney to allow the police department to enforce traffic violations in Four Seasons. -- Richard Urie, Chairman

Social Committee Announcing the One and Only “ROUTE 66 RENDEZVOUS”

*“It winds from Chicago to LA,
More than two thousand miles all the way.
Get your kicks on route sixty-six.”*

Here it is, folks, a blast from the past –our very own Route 66 Rendezvous.

Do you remember traveling this long and sometimes very lonely ribbon of pavement? Do you recall the motels, road signs, trading posts, narrow little bridges, gas stations, country stores, and the scenery and cities along the way?

Well, it’s nostalgia time, so plan to join us for an all-out fun event on June 19. In the afternoon, there will be a car display in the Lodge parking lot. In the evening, we’ll have entertainment, games, dancing and an informal dinner and dessert in the Ballroom. Tickets will be \$20 per person, available at the Lodge desk.

Be there or be square! -- Willis Fagan

Event Systems Committee

Spring hath sprung and many of us are busy readying our gardens and landscaping for the beautiful summer weather we all enjoy here in the Pass.

In recognition of the many lovely garden-enhanced homes we enjoy here in Four Seasons at Beaumont, the Event Systems Committee is going forward with its Spring Home and Garden Tour. Every home in our community is tailored to reflect its resident’s personal taste and this is the time for the people with the green thumbs to show off their gift.

The dates for this tour are Saturday and Sunday, May 1 and 2. We are inviting homeowners from all models, from Springdales to Landmarks, to apply and participate. We want to see everything from the beautiful potted plant patios, exotic pond backyards and vegetable gardens to the water-saving xeriscape settings. Homeowners should be prepared to answer questions regarding their choice of plantings, watering systems and care as well as share any gardening idiosyncrasies that come with living in our true “four seasons” climate. And remember, this is a Home and Garden Tour, so it is the perfect time to display how you have customized your model to make it uniquely yours.

There is no charge to people opening their homes for the tour, but there will be a nominal fee charged to guests wanting to tour the homes with all proceeds going to benefit the community audio and visual upgrades through the Event Systems Committee. Deadline for applications is Friday, April 23. For more information, please contact the tour coordinator, Teri DiMarino-Davidson at (951) 769-4345 or k9styler@aol.com or Yvette Thomas at (951) 769-0280 kthomas805@aol.com.

By the way, have you gotten your tickets for The Mighty Echoes concert on April 10? This is a benefit concert that will benefit us all, as the proceeds from this event will be going to fund further improvements to our audio/visual/theatrical needs

here at Four Seasons at Beaumont. This is a concert-seating event. The doors will open at 6 p.m. with the concert beginning at 7 p.m., so plan your evening accordingly. The concert opening act will be our local ladies barbershop quartet, Unscripted. The Event Systems Committee is also pleased that the Taste d’Vine Wine Club will be assisting in making the evening go smoothly.

See you then! -- Teri DiMarino-Davidson

Pool/spa Pool Guidelines

1. **No Lifeguard on duty! Use Pool and Spa Pool at your own risk.**
2. Use of pool facilities and Property is a privilege which is enjoyed by all owners or occupants, however, consideration of others concerning noise is also important. This privilege may be restricted or revoked at anytime when in the judgment of the board or management policies are not being adhered to.
3. An individual eighteen (18) years of age or older is considered an adult. Notwithstanding any other guideline, guests must be accompanied by a Four Seasons at Beaumont adult resident at all times.
4. There must be at least one adult resident or other adult to accompany and supervise each group of THREE (3) or less children at all times within the confines of the pool and spa pool area. The responsible resident or adult must be capable of rendering emergency assistance to the child should the need arise.
5. Parents and adults supervising minor children are reminded that the high water temperatures in the spa pool may not be healthy or safe for children. Parents and adults supervising minor children should consider keeping their children out of the spa pool. Use of the spa pool by all persons is at their own risk.
6. Conduct by an owner or occupant who deprives any other owner or occupant their quiet enjoyment of the use of the pool/spa pool or property shall not be allowed, and will result in their expulsion from the area.
7. Hours: The pool and spa pool areas are available from opening until closing hours of the Lodge, unless otherwise communicated and posted. From the opening hour of the Lodge until 1 p.m. and from 4 p.m. until the closing hour of the Lodge are designated “quiet” times in the pool and spa pool areas. During quiet times, only lap swimming, floating, organized swim classes and other non-boisterous activity is permitted in the pool and spa pool areas. Talking is to be kept at a conversational level.
8. Only stationary activity is permitted in the spa pool. No swimming, splashing or like activity will be permitted in the spa pool.
9. Soap, bath oils, etc. are prohibited in the pool or spa pool.
10. Diving is not permitted. Running, pushing or boisterous play will not be permitted.
11. Glass objects are prohibited in the pool and spa pool areas.
12. Incontinent individuals of any kind are prohibited from going into the pool or spa pool.
13. No person under the age of 14 years of age is allowed in the spa pool.
14. Pets (dogs, cats, etc.) are prohibited in the pool and spa pool areas.
15. Radio/stereo permitted with headphones only so as not to annoy other persons using the recreation facility or living in surrounding residences.
16. Frisbees, toys and balls are prohibited in the pool/spa pool/barbecue areas.
17. Surfboards, rafts and large floating devices which obstruct the view of the water are prohibited in the pool and spa pool. Noodle tubes are permitted.
18. The pool-spa pool areas are not reserved areas and all guest policies are in effect.
19. Each new home will receive two (2) pool cards/keys. Replacement or additional pool cards/keys are \$25 each.
20. Swim attire must be worn in the pool, spa pool and/or outdoor showers.

Any individual(s) who violates any of the above guidelines of conduct/decorum will be asked to leave the facility.

Clubs & Activities

Amphitheater Society Club

Your Amphitheater Society Club is continuing to get its summer schedule finalized. We want to make sure you mark your calendars for our upcoming events and then enjoy some fun time at our very own outdoor Amphitheater.

For those who have yet to discover that we have an Amphitheater, take a stroll down past the tennis courts. The venue holds around 100 people and last summer we averaged around 80 coming out to enjoy the summer nights, bringing snacks, food and beverages to socialize with friends and neighbors before the entertainment.

We have several surprises planned for this summer, but more on that next month.

Amphitheater 2010 Summer Sunday Evening Dates will be May 16, June 20, July 18, Aug. 15 and Sept. 9

We continue to look for a few more interested homeowners to join our planning club. For more information call Penny McDonell, Chairperson at (951) 849-5535. -- Penny McDonell

Discovery Club

The next Discovery Club meeting will focus entirely on doing your family tree. We will use a computer and a video projector so you can see how the Family Tree Maker program works.

We will also do some actual online Internet research. You will be amazed at what you can learn by having and using the right tools.

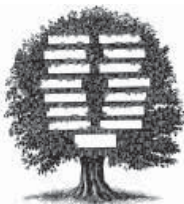

As we all know, our good intentions must be put into action in order to get something done, and our family tree projects are no exception. This computer demonstration should allow you to see the process firsthand, so you can "plant" and "grow" your own family tree.

Doing your family tree is neither rocket science nor magic. Sometimes there's an element of luck, but mostly it's a matter of common sense and commitment. You start with yourself and the people you know. Then you add other relatives, and pretty soon you have your family tree. That's it in a nutshell. And in the process there is the added benefit of experiencing the joy of discovery and the great satisfaction of accomplishment.

This important meeting will be held on Tuesday, April 13, at 1:30 p.m. in the Computer Room at the Lodge. We'll do our best to accommodate everyone, but seating is very limited, so if there's not enough space this time around we'll do the same session at a later date. -- Willis Fagan, Club Captain

Book Club

Tea Time for the Traditionally Built by Alexandre McCall Smith was the first book we discussed in February. The most current publication in the *Ladies No. 1 Detective Agency* series, Madam Ramotswe, a Botswana, South Africa, resident is again hired to solve a mystery. Her delightful, unique investigative common

sense ultimately resolves the case. After a lighthearted discussion led by Mary Lou Keating, all club members found the characters to be endearing and unique, and the series itself makes for an enjoyable, easy read.

Next we discussed *The Grilling Season* by Diane Davidson. Goldie, the protagonist in the series, is a caterer who discovers the dead body of her ex-husband's girlfriend. Goldie's investigative misadventures, however, finally lead her to the real culprit. After a lively discussion led by JuDee Wood, all club members agreed that although the reader wanted the ex-husband to be the killer, the author weaved enough suspense to keep us guessing until the end ~ the criteria for a fun mystery read.

In March we are reading two very diverse books: *The Girl Who Loved Tom Gordon* by Stephen King and the classic *How Green Was My Valley* by Richard Llewellyn. Interested in joining Book Club? C'mon and join us! Call Eileen Gilbert for more information and meeting times. -- Eileen Gilbert

Bridge Club

Hello all Bridge Lovers. The class for beginning Bridge will start again on Monday, March 29, at 10:30 a.m. in the Card Room. Anyone interested in learning this fascinating card game, please join us. -- Carl Carson

The All Seasons RV Club

Our trip to Lake Havasu was great; we had a turnout of 20 people. Weather was fantastic and we enjoyed boat rides on the lake, eating out, and shopping. Viewing fireworks at the annual fireworks show put on by vendors was a special highlight. Thanks to George and Connie Johnson for being super wagonmasters.

Our next trip will be to Ramona Canyon RV Resort on March 22-26. Bill and Tanya Guy are the wagonmasters and they are planning side trips to Julian, a winery, and to Balboa Park.

Our meetings are held on the second Tuesday of the month at 6:00 p.m. in the Arts and Crafts Room of the Lodge. Everyone is welcome. -- Nancy Morgan

Four Seasons Golf Club

The Four Seasons Golf Club is playing each week at the PGA Course here in Beaumont when it is not raining, and we are playing at another course once each month.

In February we played at Moreno Valley Ranch and in March we are playing at the Landmark Course in Hemet. In April we will play a little further away; I have scheduled San Dimas Golf Course. In May and June we will be playing at either the Southern California Members Golf Club in Murietta, the course at March Air Force Base, or Diamond Valley Golf Course in Hemet. Please let me know if

Clubs & Activities

you are interested in playing.

Ed McBratney, Golf Club President, may be reached at (951) 572-5447 or em91765@yahoo.com (E-Mail). -- Ed McBratney

Canasta Club

Don't forget the Canasta Club every Thursday from 1:15 to 4 p.m. in the Card Room at the Lodge.

It is really handy having our club at the Lodge since Smitty is quite good about serving us drinks and sweets while we are playing.

If you're new to the game, never fear. We will always have a learning table to get you started. We are growing every week and everyone is welcome. -- Melody Seewoster

Knitting and Crocheting Group

We have a new charity project -- knitting for our troops in Afghanistan. Our troops are in dire need of 100 percent wool helmet liners and scarves. If you would like to participate in this worthwhile project, we welcome your help. Only items made with 100 percent soft wool are acceptable (acrylic melts at high temperatures).

A free downloadable pattern for the helmet liner is available at www.citizensam.org. Scarves must be approximately 12" by 42", unisex in design, with no fringe, scallops, or holes big enough to put your fingers through. Stockinette stitch is not acceptable because it curls.

If you need help with a scarf design, please visit one of our club meetings (Tuesday mornings at 10 am in the Craft Room) and we will be happy to assist. Acceptable colors for both helmet liners and scarves are limited to black, charcoal, brown, dark tan, dark olive, or any combination of these colors. Please hang onto your yarn label so you can include it with your finished item. -- Marlene Doyle

Life Guide Bible Study Club

The Life Guide Bible Study Club will take a brief break over the Easter holidays. Members will be informed when the Study Club will resume.

The Life Guide Bible Study Club meets in the Ballroom of the Lodge on Tuesday evenings from 7 to 8:30 p.m. This club provides an opportunity for us to meet people in the Four Seasons community, and also a chance to encourage and strengthen one another in our walk of faith. By the way, each lesson is self-contained, so you will benefit from the discussion even if you have missed previous lessons. This study time will give you an opportunity to share your faith and gain encouragement and help from others in the group. For more information, call Don Cummings at (951) 572-5329. - Don Cummings

Line Dancing

We have several dances coming up between now and September. Wouldn't it be fun to be able to dance one or two line dances? No partner required and it is loads of fun.

We teach line dancing to other homeowners in our community on Thursdays. We have started a new format and will try it out for a while. We teach totally beginning line dancing from 4 to 4:30 p.m., intermediate line dancing from 4:30 to 5 p.m. and more advanced dances from 5 to 5:30 p.m.

Even if you have never danced before, we can teach you step-by-step at least one dance a week. We start with the Electric Slide. You have seen it done over the years and you have always wanted to learn it. Now's the time and the Lodge Ballroom every Thursday at 4 p.m. is the place. Come join us at our next class! Martha Franck, Eileen Gilbert, and Zelyne Rudolph.

Performing Arts Club

By Zelyne Rudolph, Casting Director

As of our last meeting, we are still in the creative part of planning for the Fourth of July Variety Show and we still need to hear from any of you who wish to perform or wish to participate in the background. Be on the lookout for audition calls in the near future.

We also are planning a drama of some sort to be performed later in the year. This drama will be written by the resident writers of Four Seasons and performed by actors of Four Seasons. Anyone interested in dramas, please contact Eileen Gilbert, (951) 922-6829.

Saturday, March 20, was the World Premier Magic Event for our theatre. Our own John Horning and Colin Taylor performed along with Andy Weisman, Paul Locke and Al Doty from a local magic club.

The luxury 25-seat theatre provided a very intimate venue for "parlor" magic. (The form of magic performed further away

Clubs & Activities

than “close up” but closer than “stage” magic.) Both the 6:30 and 7:30 shows were full and both audiences got fully involved in the performances. All three of our visiting magicians commented on the appreciative crowd.

The use of the theatre for a mini show was an experiment, but one which looks like it will be repeated. The luxury venue could be ideal for many other topics, such as poetry reading, travel slide show presentation, educational discussions or presentations, or any event with audience of 25 or less.

Let us know if you have a suitable application.

Karaoke is also a part of Performing Arts Club and we are in our second year of presenting this activity. The Ballroom is in transition for improving the sound. Come check out the good sounds coming out of the mobile sound system.

On Saturday, March 6, we had a lively bunch of singers and participants who danced while others sang. Colin Taylor brought in a musical test interlude that was very engaging. Thanks again to John Horning who was our maestro for Karaoke. Thanks also to our audio guru, Roland Harrah and his audio techies who helped put the equipment away for the evening. Thanks to Eugene Rudolph, who conducted the 50-50 sales.

Racquet Club

The BNP Paribas Professional Tour event was played at Indian Wells Tennis Gardens in March. Before this article was written our tennis group enjoyed an outing on the first day of the tournament. Sixteen people carpooled out to the site and had lots of sunshine, fun and laughs. The tennis was great and they saw Kim Clijsters, Justine Henin, and the new American star Melanie Oudin on the practice courts, up close and personal!

There is another outing scheduled during the two week tournament as well.

Back here at home we have quite a few new members joining the club. We are featuring two of our new members, Howard and Mickey Nelson, who recently participated in the Senior Olympics. Here is their report:

“We have been participating in the Senior Olympics for several years. A few weeks ago we played in the Senior Games at Indian Wells and won the Gold in the 80 to 84 Mixed Doubles. We had previously won the California State Championships in the 75 to 79 bracket in 2008 and 2009 which qualified us for the Nationals at Stanford last August. We won 2 and lost 1 and finished 6th out of 20 teams. In June we will play in the State

Championships again in Pasadena and if we win we will go to the Nationals in Houston in the 80 to 84 age group. Our formula for winning in these Super Senior events is as follows: Get the ball over the net. Try to hit it away from your opponents. Don’t criticize your partner. Most of all have a good time and pick on players your same age. In our younger days when we were young and spry like the rest of you, we did win the Annual Las Vegas Charity Tournament in Death Valley three years in a row. Well, Mickey won three and I won two. The third year they broke us up and I had to play with a showgirl and finished last. (Tough life Howard !)”

Finally, our winter schedule if the weather ever gives us a break. On Tuesday and Thursday, Intermediate players have group play at 9 a.m. (3.0 level), women (3.5 level) play at 8:30. Intermediate, 3.5 level, men play on Monday, Wednesday and Friday at 8:30 a.m.. All levels come to play on Saturdays around 9 a.m.. This should help some of our new residents know when to meet other players that are out here in the community. Some of our new members: Jim & Ruth Mulcahy, Howard and Mickey Nelson, Arlene Mulkin (renewing).

Welcome everyone.. -- Cheryl Smith, USTA Developmental Coach

Seasoned Sassies

Well, I lied to you again. We were supposed to go to Chinatown in February, but because of the rain we had to postpone that outing. Instead we went to the Diners Inn in Beaumont for lunch and had a very nice time.

In March we went miniature golfing in Cathedral City and you can imagine the sight of a bunch of older ladies in red hats playing golf. What fun!!

On April 8 we are venturing to Redlands to have high tea at Martha Greens (the Eating Room) and in May we are lunching at Sun Lakes, with games afterwards at Judy Golding’s.

If you are interested in joining our merry band of Red Hat ladies give me a call and I will be happy to tell you all about us. Melody Seewoster, (951) 769-2774

Seasoned Solos

In February we went to Guide Dogs of the Desert in Whitewater for a tour of the facility, a movie presentation and “petting” session with two of the dogs in training.

It was a very touching and interesting trip. I would like to encourage everyone to take a trip there and see the wonderful work they do on behalf of the blind. On our way home we had lunch at Ruby’s Diner. Everyone agreed it was a worthwhile and enjoyable day.

In March we are planning to go to the Palm Springs Swap Meet (weather permitting) on Saturday, March 20. We will meet at

Clubs & Activities

the Lodge at 9 a.m. and car pool to Palm Springs. Another outing that has been requested is dinner at Cafe Sevilla in Riverside on an evening when the Flamenco Dancers are performing. More information will be sent to members as plans are developed.

Two possible trips for April are the "Hop-On, Hop-Off" bus in Los Angeles which was rained out earlier. Also being discussed is a trip to San Diego to the Wild Animal Park.

Our regular monthly meeting will be Friday, April 2 at 6 p.m. in the Craft Room. All "Solos" in Four Seasons are invited to join us. A wide variety of activities and outings are planned and we welcome new members. For more information please call Mary Castle at (951) 769-5444. -- Mary Castle

Shall We Dance

A Recipe for Dance:

1. A world champion instructor.
2. Memories of the 1950's Single-Step Swing.
3. A partner or no partner.
4. A dash of humor.
5. A pinch of health.
6. Bake at Monday evening.
7. Time 6:30 p.m.
8. Give it some time to cook.
9. Voila!
10. Remove, let cool and, yes, you will be a dancer.
11. Enjoy your new accomplishment. Dance, dance, dance!

Beginning April 5, we will be doing a very 1950's popular dance--the Single-Step Swing. I guarantee you will have a ball. It will bring back those memories, and what better "recipe" to prepare than one that lets you accomplish the art of dance and never regret that you did it. A very sweet taste of "I did it!"

This is one recipe you will surely want to pass on to your neighbors. It's what I call "You Can't Go Wrong." It's easy, satisfying, and most of all will definitely please your palette.

Any questions, contact JoAnne at (951) 849-8877. -- JoAnne Haberman

Taste D'Vine Wine Club

By Anita Worthen

Ciao Bello. This month we are featuring one of the oldest wine regions -- Italy. Italian wines are believed to have started around 4000-3000

BC, even before the Romans. The Romans, however, cultivated the vines and made winemaking one of their premier interests.

Through time Italian winemakers have learned different ways of making wine with the more than 700, some say more than 1,000, grape varieties found in that country. We commonly think of Italian wine as Moscato Di Asti, Pinot Grigio, Lambrusco, or Chianti.

Actually, Italy's Wine Regions are varied from near the

Austrian border to the southern tip of the boot, also including Sicily. Sangiovese, Barbera and Barolo are some favorite reds that go well with food and are also a staple Italian line-up. Many considered Italian wine as ho-hum, but then came along the Super Tuscans that put Italy on the "Let's Take Another Look" page of many worldwide wine drinkers.

We cannot talk about Italian wine without thinking of the food. Someone said that in early Italian menu planning, food was considered an accompaniment to the wine; breads, pizzas, pastas, stews, meats, veggies and such. With good bread with olive oil and a glass or two of wine, we can all be happy.

There are so many Italian wines -- red and white varieties, as well as different styles. Have fun and explore when you are at your favorite wine store or restaurant.

We look forward to enjoying some Italian wine at our meeting Thursday, April 15, 6 p.m. in the Ballroom. Come join us. Monthly dues, \$6 members, \$8 guests and as always bring glasses, food and joy. If you have an Italian wine you want to share, bring that also. *That's amore. Buon Vino...*

Travel News

By Melody Seewoster

We have four trips going so far this year with more in the planning stages. We hope that one of these trips is something you might be interested in.

First we have a 10-night Alaskan "Direct to Wildness" Cruisetour leaving for Anchorage on August 13 and arriving in Vancouver on August 23. On this trip you spend three days on land touring some of Alaska's best before boarding the Island Princess for the seven-day cruise of the Inside Passage. Prices are from \$2,781.69 for an inside cabin, \$3,016.69 for an outside cabin and \$3,706.69 for a balcony.

Our next offering is a ten-day cruise of our New England states starting in New York on Oct. 7 and leaving the Crown Princess at Quebec City on Oct. 17. Costs for this trip start from \$2,515 for an inside cabin, \$2,814.08 for an obstructed view outside cabin, \$3,064.08 for an outside window cabin and \$3,414.08 for a balcony. All of the prices are per person and may be lower if you are a Princess past passenger.

Both of the cruises include airfare from Los Angeles and also include government fees and taxes. For more information on these trips please call Cindy Siligardi at RPV Travel at 661-714-7091 or email Modena2@aol.com. Flyers are also placed in the hallway at the Lodge

Next there are two 7-day Mexican Riviera cruises on the Mariner of the Seas. The first one is leaving on Oct. 3 and there are ocean view cabins starting at \$664.54 and balcony cabin starting at \$786.54. The second of these cruises is a seven-day "Murder Mystery on the High Seas" Mexican Riviera cruise,

Please see page 20

Clubs & Activities

which sounds like a lot of fun. The starting price for this cruise is: Inside cabin \$665.54, Ocean view \$785.54 and Balcony \$915.54; there is an extra fee of \$129 if you would like to participate in the "Mystery." Both of these cruises leave from Los Angeles and include all taxes. For these cruises contact: Barbara Strona at (951) 769-7895 or email her at Barbstrona@msn.com. Please make sure to tell her you are from Four Seasons.

For anyone interested in seeing the Mariner of the Seas, Barbara is putting together a bus trip to the port to view this wonderful ship on May 16. We will go for the day and have lunch, wine and a tour of the ship. The cost is around \$40, based on how many people sign up. If interested, please email Barbara at the above address.

We are going to have a "Travel Show", for lack of a better word, on Thursday, April 8, at 5 in the Card Room of the Lodge. Barbara will be here to tell us about all the wonderful trips that her company has planned for this year. We hope you will join us.

--

Bunco

We admit it -- Bunco is a mindless game that allows you to talk with your friends and neighbors while two hours go by in a flash. The only skill required is a smile and willingness to throw dice while knowing you have no control over the outcome.

Come join us and give it a try. Whether you are a new homeowner or have been here awhile, you are welcome. We play in the Card Room at the Lodge on Friday, April 9, and Friday, April 23 at 1 p.m. Get ready have a great time and meet some new friends. -- Martha Franck, (951) 769-3889

Free Computer Classes

Please sign up at the front desk in the Stop Look & Sign Up book. The class is limited to only 9 students per class and a class will be scheduled when the enrollment is 9 students.. Each class is 3 weeks long and meets each Monday and Wednesday from 1 to 3 p.m. You will be notified the week before a class is to begin.

Classes are scheduled in the following order based on enrollment numbers: Basic Skills, Windows XP, and then Internet. The current students have priority for the next class unless it's a Basic Skill Course; then only new students will be enrolled. Priority is based on Homeowners sign up date.

Basic Skills - This is a class designed for a beginner and those who need review of basic computer skills. The class

includes mouse and keyboard practice, creating Microsoft Word documents and Microsoft Excel spreadsheets.

Windows XP - This class will allow you to become skilled at customizing your windows system and desktop. You will learn to create shortcuts for the items you often use. You will gain knowledge using WordPad, Paint, and other basic programs included with every Windows Computer. Basic Skill 103 or equivalent experience is necessary.

Internet - Learn how to search and find material of interest to you on the World Wide Web. Find out about newsgroups and how to read the ones you select. Discover how to send and receive e-mail, send pictures over e-mail, mailing list and conventions for joining and leaving them. Internet Explorer will be demonstrated and used. Basic Skill or previous computer experience is recommended. -- Bill Rusche, Instructor

Walkie Talkies

On Feb. 16, eleven hikers traveled to Joshua Tree National Park. We hiked the moderately strenuous 49 Palms Oasis trail.

And yes, there is an oasis at the end of the trail with indeed many palm trees. Maybe as many or more than 49 of them! Along the way we saw many red topped barrel cacti. The higher we got, the more there were. After the hike, we stopped at the Visitor Center in 29 Palms for a picnic.

In many ways this was a different and more rugged terrain than what we usually hike but it certainly had its own special cachet.

The March 9 hike to the Indian Canyons near Palm Springs was cancelled because of bad weather and rescheduled for Tuesday, March 16, to another location. We will be hiking the Wild Flowers Trail at the Diamond Valley Lake, near Hemet. This trail is only open during the blooming season and opened on March 6. Read about it in the May issue.

A hike is planned for Tuesday, April 13. The destination has not yet been determined. For more details, contact me during the first week of April.

It has come to my attention that some folks were under the impression that the Walkie Talkies were really walking around using walkie talkies. I was one of those as well when we first moved to Four Seasons. I would like to reassure everyone that certainly no walkie talkies are required to hike with us. The Walkie Talkies name really means that during our outings we are Walking and Talking.

Fred Hofer – (951) 922 6119 (fred.hofer@verizon.net)

Crafters - "Get around to it!"

"Girls just wanta have fun"... and our first gathering was just that! We may not be as wild as Cyndi Lauper, but we did have a successful evening.

Seen on Route 66:

THE WOLF IS SHAVED

Clubs & Activities

We had knitters, crocheters, floral, candle and granny's paddle crafters, a card and photo album maker. There were loads of ideas shared for quilting and silk weaving. At our April 1 meeting we will talk about future plans for actual classes of instruction for special projects by those who have a specific interest and talent to share.

Don't miss out! Fellows (males) are always invited too!

Come Thursday, April 1, in the Art/Craft room across from the Card Room. Bring a project to work on while we talk. Any time between 5:30 and 8:30 p.m. You can always drop in! Dinner: a suggestion was made to meet at the Bistro...say around 4:45 p.m. (Dutch treat) or bring a snack for yourself for later.

If you have questions contact: Paulette Sims (909) 967-5261 or Patti Dawson (909) 720-1514. -- Patti Dawson

SO NEAT AND TRIM

RVers

Magic Night

Travel Club

The Travel Club is pleased to present a Travel Presentation on 2010 and 2011 travel deals through the Travel Leaders. This event will take place on April 8, at 5: p.m. in the Craft Room at the Lodge. Come on out and see what is being offered and to get any questions answered that you may have.

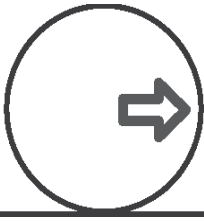

Some day trips that are being offered during March and April are as follows:

April 7,	Carlsbad Flowers w/wagon ride and lunch	\$57 p/p
April 10	Leonardo da Vinci at the Getty Center	57 p/p
April 13	Descanso Gardens with Lunch	84 p/p
April 15	San Diego Air and Space Museum with lunch	82 p/p
April 17	The Grove & Farmer's Market	45 p/p
April 20	Taste of L.A. wine tasting and lunch included	95 p/p
April 22	Mystery Trip with lunch	59 p/p
May 1	"Thoroughly Modern Millie" at the Candlelight	109 p/p
May 15	Huntington Library	60 p/p
May 18	"Mystery Trip"	58 p/p

For reservations please call (760) 325-5556. Phone reservations must be followed by check payment within five business days or space is resold. Payment is non-refundable for day tour cancellations received up to five business days prior to departure. Make check payable to Gadabout Tours: 1801 E. Tahquitz Canyon Way, Ste 100, Palm Springs, CA 92262. Attn: Reservations. Pick up point is at Carl's Jr. at the Sun Lakes shopping center.

Don't forget the four cruises that are planned for this year. Alaska in August and The New England /Canada cruise in October. Also two Mexican cruises. Please see flyers at the Lodge. -- Melody Seewoster

Four Season's Community Info

Four Seasons Spotlight

Daylight Saving Time

By Bobbie Eckel

On March 14 this year, we all lost an hour of sleep. We changed our clocks from Standard to Daylight Saving Time.

The easiest way to remember is the phrase "Spring forward, Fall back". On the second Sunday in March at 2 a.m., we move our clocks ahead of Standard Time one hour; on the first Sunday in November we set our clocks back one hour, thereby returning to Standard Time. Language purists insist on the legal wording, Daylight Saving Time. Common usage, however, finds most citizens adding an "s", making it Daylight Savings Time.

Some historians credit Benjamin Franklin, while acting as a minister to France in 1784, with creating the daylight saving idea in an essay titled, "An Economical Project for Diminishing the Cost of Light."

The idea was proposed again in 1895 by George Vernon Hudson, an entomologist in New Zealand, who wanted more leisure time to collect insects in after-work daylight. He presented two papers on the subject to the Wellington Philosophical Society, the first in 1895 and a follow-up in 1898.

William Willett an English builder and outdoorsman, formulated the same proposal in 1905. Willett noted that Londoners slept through most of the summer days. He also wanted more time to play golf in the evening. Willett was so dismayed that he wrote a pamphlet called "The Waste of Daylight" because of his observations of his fellow Englishmen. His solution was to advance the clock during the summer months in incremental steps, four moves of 20 minutes each during the spring and summer months. Willett continued to lobby unsuccessfully for the proposal in the United Kingdom until his death in 1915.

In 1916 Germany and its World War I allies began to use Willett's idea as a way to conserve coal during wartime. Britain and most of its allies followed suit. Russia adopted the concept in 1917; the United States began to utilize Daylight Saving Time (DST) in 1918 -- although the parameters for DST have undergone numerous changes over the years.

During World War II the United States government required states to observe the time change year-round, starting February 9, 1942, until September 30, 1945.

Between the wars and after World War II, the federal government allowed states and communities to choose whether or not to observe Daylight Saving Time.

In 1966, Congress passed the Uniform Time Act which standardized the length of Daylight Saving Time. The Act did not require that anyone observe DST; it only mandated that if they were going to observe it, it must be done uniformly.

After the 1973 Arab Oil Embargo, the federal government put most of the nation on extended Daylight Saving Time for two years in hopes of saving additional energy. In 1974 DST lasted ten months; in 1975, it lasted for eight months. The U.S. Department of Transportation, which has jurisdiction over Daylight Saving Time, received much criticism, mostly from farming states. The studies which examined the useful effects of the time change were controversial and frequently inconclusive. Proponents simply could not prove how much energy was being "saved."

In 2005, Congress passed the Energy Policy Act. This act extended DST by four weeks starting in 2007. Instead of simply being from April through October, Daylight Saving Time started on the second Sunday in March and extended through the first Sunday in November. The hope was that this would save 10,000 barrels of oil each day through reduced use of power by businesses during daylight hours.

Arizona, Hawaii, Puerto Rico, the U.S. Virgin Islands and American Samoa have chosen not to observe Daylight Saving Time.

Other parts of the world continue to observe Daylight Saving Time. European nations have taken advantage of the time change for decades. In 1996 the European Union standardized a Union-wide "European Summer Time." This version of Daylight Saving Time runs from the last Sunday in March through the last Sunday in October.

In the southern hemisphere, where summer comes in December, Daylight Saving Time is observed from October through March.

An interesting, but tangential, part of DST is the time of day chosen to stop and start the time change. While European nations have chosen to make 1 a.m. the clock changing time, in the United States 2 a.m. was chosen because it was felt that the early morning hour was more practical and would minimize the affect on bars and restaurants, work shifts and railroad schedules. Bar owners have become quite creative in the fall change, however, often closing at 1:59 a.m. DST and reopening at 1:00 a.m. Standard time. Thus -- an extra hour of sales!

California and most of the nation moved to Daylight Saving Time on March 14, 2010. Hopefully, by now most of us have become adjusted to the change.

That extra hour of sleep will be given back -- but you will have to wait until November 7 this year.

RED RIDING HOOD

Four Season's Community Info

Supermajority from page 1

in completing their responsibilities. This is an example of working within the CC&Rs and being creative to accomplish goals without changing the CC&Rs.

I understand that there are portions and maybe even just one word in the CC&Rs that need to be changed. This is a great opportunity for the Board to get the entire community together, not just 50 percent of the community, to get the necessary changes made.

I know that there are many members in any association who just do not care and do not take the time to vote. That is the time for those who do care, to start knocking on doors, create an atmosphere of honesty and integrity to where those who do not ever get involved will believe what is being explained to them and will provide the association with the necessary votes.

I love this community and I am very grateful to have met many new friends who just want to enjoy the remaining years of their lives in this great community. The last thing this community needs is an obstruction to this peaceful living, and believe me the 50 percent will do just that. It has already happened to me; friends that I have met over the past years do not even talk to me because they know how I feel about the 50 percent majority.

In my five years as a board member of an association I had to learn how to work within the CC&Rs and still get things completed. Everyone in this Association would like to change some CC&R or other rule to make their lives more enjoyable. But that is not what association living is all about. We all agreed to live by the CC&Rs when we purchased our homes. I do not want to see a simple majority be able to change the CC&Rs and leave the other 50 percent angry, creating a divided community.

I feel that we should slow down, take a deep breath and look toward the future not just for tomorrow. I promised my wife that I would not get involved with the politics of this Association, but this issue is just too important to just sit by and let it go through. If it is pushed to a ballot I hope everyone votes NO. Of course the "NO" vote will come with some responsibility in assisting the Board in getting the 67 percent when it becomes necessary.

Board Elections to be held in April

By Leighton McLaughlin

Two of the homeowner directors of the Home Owners Association Board are running unopposed for re-election this month.

No other candidates applied by the March 12 deadline to oppose Board President Jacque Sneddon and Treasurer Wayne Staples.

Ballots were mailed to residents on March 16 and a "Meet the Candidates" event was held March 25. On April 15 the District Delegates will count the ballots and then they cast the actual votes based on their constituents' wishes – rather like the U.S. Electoral College – for the director's positions.

The term of the third homeowner director, Loren DuChesne, has not expired. The remaining four seats on the seven-member

board are filled by appointees of the builder, K. Hovnanian Homes.

Sneddon said the Board's upcoming tasks include supporting the effort to amend the CC&Rs to reduce the 67 percent supermajority now needed to change them to a simple majority, to improve landscaping of the common areas and to supervise takeover of the entry gates from the builder.

An ad hoc committee is examining the gate hardware, gates, barrier bars and sensors to make sure they are configured properly and will provide maximum security. The software that operates the gates is also being looked at in hopes it will be upgraded to allow residents to have certain guests pre-approved for access to their homes or to special events. It may also list outsiders residents do not want to admit.

The Board is also continuing to monitor Four Seasons' financial status. "We're going along very well," she said. Soon the Association will have new expenditures as the community ages, but, "We have well established reserves," to handle them, she said.

The Board has established good procedures, and on the Board and in the committees, "We have good people working for the community." The Association has "developed a good relationship with the builder – they are taking care of problems, landscaping for example, before they are turned over to the HOA; they are working with us."

She urged residents to stay informed by attending Board and committee meetings and reading the Sentinel and the website and attending meetings on specific issues – like the Town Hall meeting set for May 18 on the proposed CC&R amendment. It isn't necessary to join a committee or run for the Board to be informed, she said.

The Board "Hopes to improve communication between the Board and the residents," she said. "In order to make good policy, we need good information – we get much of that from the committees. We can't function without community participation – and a large number haven't stepped up."

"There has been lots of learning over the past four years – we try to use experience to handle the future."

"We like to research before we act. That can be interpreted by the community as not working fast enough. But we want to make sure we do it right the first time."

"It's our community. We all own a piece of the Lodge and the common areas – it is part of our homes."

Neighborly Notes

By Bobbie Eckel

April is a busy month for our community. District Delegates meet on Thursday, April 15, to vote for Board of Director Candidates as directed by their districts. Thursday, April 22, is the Annual Meeting to confirm and announce the election of the new Board of Directors.

The swimming pool will be ready for use by the weekend of April 4. According to Lisa Lynn, General Manager, the pool heaters will be turned on a few days in advance to begin the heating.

IS CHASING HIM

Four Season's Community Info

April 24 and 25 are the dates for the Pass Area Relay for Life event at Beaumont Sports Park. Please join your friends and neighbors to help raise money for the American Cancer Society.

Census forms should have been received by all households during the month of March. It is mandatory that these forms are completed and returned. Be sure that each person is counted. The official census 2010 day is April 1.

You can prevent telemarketing companies from calling on your cell phone. To register your cell phone number on the Do Not Call list, simply call (888) 382-1222. You must call from the cell phone you are registering, however.

The Banning Cultural Alliance is looking for artists, crafters, vendors, volunteers and entertainers to participate in the Fifth Annual Art Hop, a celebration of art and culture. The event will be held on Saturday, May 1, from 10 a.m. until 3 p.m. in downtown Banning. For more information, please call Gin McMillin at (951) 922-0500.

Good news for softball buffs -- the Valley-wide Senior Softball League is waiting for you. Join the fun at Valley Wide Recreation Center in San Jacinto. All levels of play are involved; interested players must be 55 or older. Summer and winter seasons are scheduled. The cost is only \$30 per season. You will play at least 40 games each season. Game days are Tuesdays and Thursdays. Practice is on Wednesdays and Fridays from 7:30 a.m. until 9:30 a.m.; modified ASA rules are used. Summer season begins May 4; now is the time to sign up to be on a team. Interested players signing up after the season starts are placed on a substitute list -- and will play on an "as needed" basis. Please call Gloria Doro, (951) 927-4509, for additional information or to sign up for the league.

California's official outdoor play, Ramona, will be presented on April 17, 18, 24, 25 and May 1. First week performances begin at 2 p.m. (gates open at 11 a.m.). Subsequent performances begin at 4 p.m. (gates open at 1 p.m.). Tickets for the play are available online at www.ramonabowl.com. Group rate pricing and information on special events are also available. Call (951) 658-3111 for details.

A much-needed reminder to drivers in our community: the speed limit is 25 miles per hour, even when coming down a hill. Drivers continue to endanger animals and neighbors by excessive speed. The Board of Directors is currently exploring means of reminding residents and enforcing the legal speed limits.

Relay for Life

Have you ever been to the Pass Area Relay for Life? The American Cancer Society Relay for Life is a life-changing event that gives everyone in communities across the globe a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease. At Relay, teams of people camp out at the Sports Park and take turns walking or running around a track or path. Each team is asked to have a representative

on the track at all times during the event. Because cancer never sleeps, Relays are overnight events up to 24 hours in length.

After dark, we honor people who have been touched by cancer and remember loved ones lost to the disease during the Luminaria Ceremony. Candles are lit inside bags filled with sand, each one bearing the name of a person touched by cancer, and participants often walk a lap in silence. As people take time to remember, those who have walked alongside others battling cancer can grieve and find healing. This is a time that truly highlights the importance of defeating this disease.

This year Relay for Life will be at the Beaumont Sports Park located on Beaumont Avenue and Brookside Avenue. Saturday, April 24 Opening Ceremonies begin at 9 a.m. Saturday night, the Luminaria Ceremony begins at 8 p.m. Closing Ceremonies will be at 9 a.m. on Sunday, April 25.

Please come out and help raise money for the American Cancer Society and have a great time doing it.

For more information, call (951) 769-8524 or log on to www.relayforlife.org - Beaumont Senior Newsletter

BURMA-SHAVE

Activities Director Corner

By Cindy Graves

April is sort of the lull before the storm. May through the rest of the summer is going to be event mania, with one happening after another.

The main occurrence this month is the Event System's Mighty Echoes concert! I know we gave you plenty of notice to plan to attend, but many of you are planning to go and still haven't purchased your tickets yet.

Don't procrastinate. You only have until April 9 to pick up those tickets and hopefully for you, we won't be sold out by then. This should be an absolute blast and what a great cause it's supporting -- new sound and lighting equipment for the community!

In March the Board of Directors approved our Four Seasons Independent Film Festival for June 25 and 26. That means that if you are a photographer or a movie maker, this is your event! Last year we discovered the amazing photographic talent that resides here!

In fact we had individuals of all levels of expertise and all of the entries were loved and appreciated. If you would like to submit an entry of a 10 to 12 minute DVD of your photographs or of your little movie, we would like to have them in my office by June 12. If you are a novice photographer or movie maker and would like some tips or direction, please stop by the Lodge and ask for Nelly. She helped several entries last year with adding music or effects and they turned out fabulously! Everyone who enters wins something, so don't hold back. We even have an Awards Ceremony on the last day (Saturday, June 26) in the Ballroom with a finale showing, cake, coffee and awards. Everyone is welcome. Put your entry together now!

By the way, I want to give a big "shout out" to Marcia and Reuel Olson, who so generously donated engravable items, to the Activities Department to be used as gifts and prizes for many of our events. They are incredible people who are always thinking of others and who once again make their mark in a positive way on behalf of the community. Its people like them (and there are many here) who make this community the extraordinary place it is! Thanks so much!

Decadent Chocolate Brownies

When in the course of human events it becomes necessary for one person to quickly create a satisfying dessert that finishes off a great meal it is helpful to know that producing the desired product doesn't have to be difficult, time consuming, nor costly. Sometimes a combination of just a few standard items will create a scrumptious delight that is more than its individual parts. I found this to be true when I had dinner recently at my neighbors, Paul and Ronda Esposito.

After dinner Ronda served a delicious dark chocolate fudge brownie, accompanied with your choice of ice cream. Of course, I couldn't help myself and ended up having a second helping. After the meal I approached Ronda inquiring about the dessert recipe. She explained that it was a combination of three basic items: Duncan Hines Dark Chocolate Fudge Family-Style Brownies, chopped walnuts and Betty Crocker Rich & Creamy Milk Chocolate Frosting. Who would have thought something this delicious would be so easy to make. If you like chocolate then make this one. It's GOOD!

Ingredients

Duncan Hines Dark Chocolate Fudge Family-Style Brownies mix

Betty Crocker Rich & Creamy Milk Chocolate Frosting

1 cup chopped walnuts

2 eggs

¼ cup water

½ cup vegetable oil

Directions

1. Preheat oven to 350°.
2. Combine brownie mix, eggs, water, and oil in large bowl. Mix in walnuts. Pour into a greased 8 x 8 baking pan.
3. Bake for 40 to 45 minutes. Check for doneness before removing from oven. Remember, you don't want it to be too dry.
4. Allow to cool before frosting.
5. Cut, serve, and enjoy!

7TH Heaven's Stephen Collins Brings the Celebrity Cool Factor to The Unforgettables Foundation Gala

Riverside, CA – “Whether it’s globally or right here in our own community, we all need Heroes – and real heroes are the ones who reach out and give of their time and resources to help others,” stated Actor **Stephen Collins**. Collins is best known for his role as Reverend Eric Camden on the long running hit TV show **7TH Heaven** which parallels the life of Chaplain Tim Evans, The Unforgettables Foundation founder.

The Unforgettables Foundation’s mission is to financially support families during one of the most unthinkable time they will ever encounter – the loss of a child. They provide financial support to families in need so that these children have a final resting place. “Your support of The Unforgettables Foundation’s unique mission helps facilitate the vital process of grieving and healing for hundreds of hurting families – and it is the help we all hope we’ll never need ourselves” remarked Evans, on behalf of the entire board and volunteers.

Stephen Collins

That’s precisely why The Unforgettables Foundation invites you to celebrate the Heroes that have contributed to the success of the foundation with special guests **Stephen Collins** and the **7th Band**.

The Black Tie Gala on **Friday, May 14th at 5pm** will be held at Morongo Casino Resort and Spa in Cabazon. Located on I-10 between the Inland Empire and Palm Springs areas, Morongo is just a short drive from all of Southern California. From its scenic location at the foot of the San Geronio and San Jacinto Mountains to its world-famous acts, luxury hotel rooms, spa, dining, nightlife and, of course, 150,000 square feet of gaming, Morongo Casino offers the complete getaway package for an evening or over night stay. As a special thank you for supporting the Gala, you get a special room rate and 20% off at Spa. Mention The Unforgettables Foundation to receive this special rate.

10th Year Anniversary Gala

Friday, May 14th, 2010

In addition to great entertainment, the auction items include a Fender® Stratocaster guitar recently signed by Disney’s superstar and Hollywood Records’ recording artist **Selena Gomez**, trips to Hawaii and Catalina Island and celebrity memorabilia. This guarantees the place will be rockin’.

The Unforgettables Foundation and Southern California communities are coming together to make sure that every family has financial support during one of the most trying time a family will ever encounter – the loss of a child. *Because every child is unforgettable...*

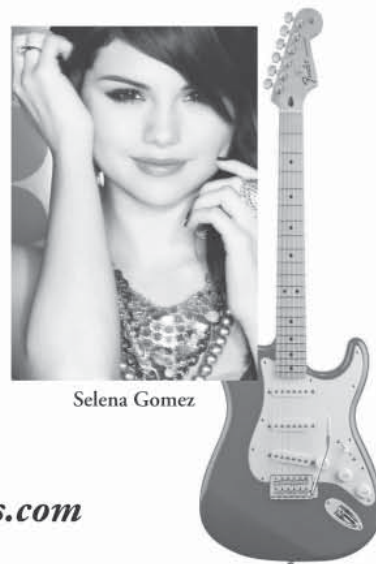

The Unforgettables gives special thanks to their
Platinum and Silver sponsors:
