Did Your Vote Count?

By **Jacque Sneddon**, HOA Board President

Did your vote count in April to elect a director of the HOA Board ?

Most likely not.

In only four of our 11 districts did enough residents vote to create a quorum: 50 percent plus one. Under HOA voting rules that means ballots for the seven non-quorum districts could not be opened and the district representatives were to cast all their district's votes in any manner they pleased.

This, in essence, put the director election into the hands of seven people.

In the quorum districts, the votes were counted and the representatives were required to cast the unvoted ballots in same proportion as those that were voted.

In the director's race, 63 percent of the votes were from non-quorum districts and 37 percent from quorum districts, which means your vote had about one chance in three of being counted.

The election of a director is very important to our community.

Builder, K. Hovnanian Homes at the request of the Board of Directors, has closed the Breckenridge entrance gate and it is only accessible to vendors by use of the key pad access code. All other traffic must enter the community at either the Crooked Creek entrance (residents with transponders only) or at the Potrero entrance.

We are selecting a person to make decisions for us that can impact the value of our homes and lifestyle. Should this choice be abdicated to only a few individuals? Of course not.

The district delegates have one main, very important, function—to submit the votes for the election of a director at the annual meeting.

Residents need to have confidence in whomever they entrust with this responsibility. This year, because no one would run for a delegate position in two districts, the Board needed to reach out and make last minute appointments in order for the districts to be represented at the annual meeting. Otherwise none of the votes from those districts would have been cast. The choice of representative should have been the district's residents.

Most importantly, residents need to vote. Seven districts did not achieve a quorum of their residents and the districts that did barely made it. What does this reflect? Apathy? Disinterest?

Indifference to our community's well being? Each member (homeowner) of our association has a responsibility to this community to be active in determining its future.

The simple gesture of a casting a ballot for the person they feel best qualified to represent them as a director is meeting that responsibility. As is said for our nation's national elections—if you don't vote you have no cause to complain.

The next election for director will be for two seats on the Board.

Will your vote be counted?

Lorene DuChesne Re-elected to Board

Jacque Sneddon, Board President

HOA News

2011 Board of Directors Election Results

Out of eleven total districts, seven did not achieve quorum. The four that obtained quorum were voted proportionally in the same manner that the members of the district had voted on each matter.

Of the seven districts without quorum, the following is a breakdown for the number of votes cast at the sole discretion of the Delegate:

Arbors, Two	48
Heritage One	94
Heritage Two	102
Landmark Two	65
Laurel Two	70
Monarch One	99
Monarch Two	75

Of the votes cast 676 were cast for Loren DuChesne, 204 were cast for Carol Wall and 1 vote was cast for John Noonan (as a write in). (Note: due to proportional votes and quorum only ballots, totals do not equal total membership.)

The 2010 Annual meeting minutes were approved by a count of 618 yes, 7 no votes and the IRS Revenue Ruling was approved with a count of 573 yes votes and 55 no votes.

Declarant appointed Board Members: John Papazian, Chris Courtney, Jake Rodriguez and John Miskell.

Manager's Update

By Lisa Lynn, General Manager

Congratulations to Loren DuChesne who was reelected for a second two-year term to the Board of Directors.

The Board held an organization meeting during its May 12 open session meeting and the following officers were appointed: Jacque Sneddon, President; Loren DuChesne, Vice President; Wayne Staples, Treasurer; John Papazian, Secretary. Chris Courtney, Jake Rodriguez and John Miskell will serve as members at large.

I would like to extend my gratitude to Phyllis Beede, Penny McDonnell, Carol Napolski, Gary Franck and Paula Wein for their participation as Inspectors of Election during this year's election process.

At the meeting held on Thursday, May 12, the Board of approved committee recommendations including the Safety and Facilities proposal to install a separate water heater for the restrooms near the Ballroom and a proposal from the Social Committee for caterer use of the Ballroom storage area which was referred to the Rules and Regulations Committee for additional review.

The Board approved a proposal from the activities director for a Community Cares Lifestyle and Wellness Expo in collaboration with K. Hovnanian's Marketing and Sales Departments. The Board approved vendor proposals for the purchase of a cover, new battery and charger for the portable pool lift chair, and the installation of additional fire sprinklers in the Ballroom. The Board denied a homeowner request to install a vinyl shed in a side yard that would be viewable from common area. Overall, 24 action items were requested of management by the Board of Directors.

Management reported to the Board the 2011 Board of Directors election results and the completion of items including the renewal

of the motion picture licensing for showing movies in the theater, installation of equipment to make the Crooked Creek entrance accessible by transponder only, the reception of irrigation drawing copies, the HVAC air balancing and the thermostat relocating, the storage facility set up with stored items moved and two additional soup warmers purchased for the Bistro.

Management reported that 15 violation letters were sent out during April. Of those, 4 were for landscape or lot maintenance, 1 was for parking, 8 were for trash containers, 2 for not properly storing a garden hose. The Board of Directors suspended facility privileges for 6 members for delinquent dues, bringing the total for suspended privileges to 31 current members. There were 41 accounts with balances over 90 days past due.

The Board approved the April 2011 meeting minutes and the March 2011 Financials. The Board meeting is held on the second Thursday of the month, with the Executive Session at 9 a.m. in the Lodge Conference room and the Open Session at 1 p.m. in the Lodge Ballroom. The next meeting will be held on Thursday, June 9.

Trash containers should be screened from common area view. If you live in a Monarch with a low pony wall or have a property with wrought iron fencing, please be sure to keep your trash cans screened from view. Some ways to screen your trash cans are to install lattice, place potted plants or trellises with vines (be sure to obtain ARC approval for new installations which are viewable from common area).

Please remember if you are having guests at the pool to have them follow the community pool rules (see Community Guidelines, Pool Rules). This will make the pool enjoyable for all members and their guests.

Cell phone etiquette – Please do not talk on your cell phone in an Open Board meeting, Committee meeting, during a movie in the theater or loudly when in the fitness center or computer room.

A hearing on the petition to amend the CC&Rs is scheduled for Friday, June 3 at 8:30 a.m. in Riverside Superior Court, Dept. 7.

Architectural Review Committee

By Willis Fagan, Chairperson

Recently, the ARC approved the very first artificial grass installation in a front yard here at Four Seasons. After much consideration and research, we finally have a good idea of what should and should not be done.

While there are only a few reputable manufacturers of artificial grass, there are many installers. So our challenge was to agree on a good product and a good installation process without naming any one manufacturer or installer. The Architectural Review Committee is now in the process of writing guidelines for artificial grass so that everyone can know the means and methods expected when using this product in their front yards.

The Architectural Review Committee is very important to the functioning of this community and is now in need of new members. We desire that all areas and interests of our community are properly represented, thus we especially invite those who live in the hill areas to apply. Applications may be picked up at the front desk of the Lodge. All applicants will be interviewed, and will go through the usual approval process prior to being selected for membership in this Committee.

You may contact any member of the committee if you have any questions, and you may visit Architectural Review Committee meetings to see firsthand what goes on there.

HOA News

Bistro Committee

On Tuesday, May 3, the Bistro Committee met. The committee and Smitty reviewed many sketches and drawings for "Smitty's T-Shirt Logo Contest." It was decided that the contest would continue for another month as other homeowners have expressed an interest in submitting their drawings.

The next meeting is Tuesday, June 7 at 11 a.m. in the Lodge Conference Room. All homeowners are invited to attend. William Taylor, Chairperson

Bistro Closed Note

The Bistro will be closed on Thursday, June 2, to allow our family to attend our daughter Kelly's high school graduation. Regular business hours will resume on Friday, June 3.

Thank you, Smitty

Finance Committee

By Noel Myers, Chairperson

The Finance Committee held its regular meeting on April 19. The Financial Statements for March 2011 were reviewed and reflected the following significant items: Net Income Year-to-Date was \$126,501 and total reserves were \$2,225,283. The Accounts Receivable (delinquencies) were \$118,086. Our total HOA expenses for March (excluding reserve allocations) were \$106,293. This was under budget by \$64,931.

The committee recommended the HOA Board reinvest three certificates of deposit maturing in June 2011 at the best prevailing rate for a term of one to three years.

The front yard expenses for March 2011 were under the monthly budget by \$6,869.

One vendor proposal was reviewed and was recommended to the board for approval.

Treasurer Wayne Staples reported that 24 current homeowners were more than 30 days and \$1,000 delinquent in March 2011. Seven are banks and seventeen are homeowners. Eighteen old homeowners are still on the list. We did recover \$25,000 from bank levies, payments and the like.

The meeting was adjourned at 3:39 p.m.

The Finance Committee Town Hall Meeting was held April 19 at 6 p.m.

A special meeting of the Finance Committee was held on April 13 at which time 16 vendor proposals were reviewed and were recommended to the board for approval.

Our regular Finance Committee meetings are held on the third Tuesday of each month at 1:00 p.m. in the Lodge Conference Room. All homeowners are encouraged to attend.

Event Systems Committee

By Terri DiMarino Davidson

"Spring Home & Garden Tour"

Now that I have your attention, let me tell you about the latest benefit for the Event Systems Committee. In an ongoing effort to bring in funding for new, upgraded audio/visual equipment here in our community, the ESC is pleased to announce the first Home & Garden Tour.

Our Holiday Home Tour was such a huge success we decided to take it one step further. On Saturday, June 4, some of our residents will be opening their back yards for your viewing pleasure. While this was a quickly conceived idea for us, we are pleased to have a number of terrific homeowners with great examples of what can be

done with our personal outdoor living space.

While this tour will focus on gardens, yards and landscaping, some of the participating residents will be opening their homes as well. At this writing, we are hoping to have a nice representation of water conservative xeriscape, ponds, potted plantings, ornamental themes, flower and vegetable gardens.

Entry to the gardens and homes will be \$5 per person. Admission is by wristband only and these will go on sale in the Lodge at 7 a.m. the morning of the tour. Tour hours are from 10 a.m. to 4 p.m. Descriptive tour booklets will be supplied, as well as maps directing you to the homes. Mark your calendar for Saturday, June 4, for the Home & Garden Tour.

All proceeds go directly back to our community. Keep in mind that the ESC is looking for volunteers who want to work behind the scenes at our staged activities. We can always use extra help setting up speakers and lights or "turning knobs" to make everything look and sound great.

For more information please contact Teri DiMarino Davidson at (951) 769-4345 or Yvette Thomas at (951) 769-0280.

Emergency Preparedness Program (EPP)

"Be prepared" is the motto which has successfully guided many people. Upcoming Emergency Preparedness Program Meetings will focus on our mission statement: Educate and Train our Community and be prepared.

We meet at 10 a.m. the first Thursday of each month in the Ballroom. The featured speaker at our next EPP meeting on Thursday, June 2, will be Rick Cook, of the Beaumont Office of Emergency Services. He is a Community Emergency Response Team trainers and has extensive knowledge and experience in emergency preparedness. He will be presenting disaster preparedness for you and your home – with demonstrations.

Come join us for an interesting and informative meeting, get to know your neighbors and be a part of this EPP Program. That's Thursday, June 2, at 10 a.m. in the Ballroom. **Anita Worthen, Chairperson**

Landscape Committee

By Len Tavernetti, Chairperson

Phyllis Beede turned over the chair of the Landscape Committee in May. She followed Jacque Sneddon who nurtured our plants into life and Fred Weck who shepherded them into growth.

All three have remained on the committee. Phyllis began the process of winnowing the mature plant population, particularly the trees that now characterize the landscape of Four Seasons.

In May we started replacing gazania ground cover that was severely damaged by the April frost. Our goal is to have all front yards replanted and mulch applied to planter areas by the end of June. This is a sizable workload for our contractor who is also tackling the spring growth of weeds and turf. As our plants mature we require less annual mulching. For example, older yards in the Heritage area inside Potrero Gate require 40 yards of mulch for their 35,343 square feet of planters. Newer yards in Phase B south of the Potrero Creek require 160 yards of mulch for only 23,146 square feet of planters.

Tree removal will continue in the community. Pine trees are now reaching mature height and the neighboring cottonwoods, particularly near the entrance gates will be removed to allow the pines to have more elbow room. The cottonwoods served their purpose of providing early plant life as the community was born and are now a problem as their roots become destructive and suckers start new trees in the area.

HOA News

We will be planting vegetation behind Dewey Creek and Canary Creek where unauthorized trails have developed. Please stay on the decomposed granite trails in these areas. We would appreciate any help in keeping bunnies back in the mitigation area and away from the lawns in the Inner Circle. It seems they are fond of the grass seedlings sprouting in bare patches. We now have to install more expensive sod. For trail walkers the south Potrero Trail now extends across Four Seasons drive and winds uphill behind the new Monarchs. K.Hovnanian has done a good job on this trail, so, "take a hike".

Our meetings are now being held in the Ballroom so we can project photographs of plants and areas that are under discussion. This allows all members to see problems and agree to solutions more expeditiously.

Guests are welcome to attend our meetings. If you have a plant problem, it will speed up the resolution if you complete a Landscape Request (forms available on our web site). This way we can photograph the problem and discuss solutions while the committee and the contractor are together. Our June meeting will be on the first Monday, June 6. This is a one-time change only.

Rules and Regulations Committee

By Louise Lyon, Chairperson

You might think that the Rules and Regulations Committee is a boring and stodgy committee. Well, it can be boring occasionally but the members are committed to keeping the standards of our wonderful community as high as possible. And we do occasionally have fun along the way.

There was a court hearing on Tuesday, April 19, to decide if our community will be able to reduce the voting majority from 67 percent to 50 percent plus 1 to pass amendments to our CC&Rs. The court hearing has been postponed to June 3. Again, I would like to thank everyone who worked so hard for so long to get to this point in the process.

We are still discussing the definitions and differences between clubs, interest groups and classes. We are reviewing and revising definitions and realized that the differences between clubs and interest groups are more complex than originally presented. The topic will require more research.

The Rules and Regulations Committee meetings are the third Thursday of every month at 9 a.m. in the Lodge Conference Room. We look forward to guests attending our meetings.

Safety and Facilities Committee

By Jerry Thompson, Chairperson

Safety:

The closing of the key-pad at the Crooked Creek Gate has required all non-transponder owners to use the main gate at Potrero Creek. This change has added a margin of safety for our residents by restricting passage of anyone not having access to a transponder.

Neighborhood Watch is slowly building a network of concerned residents to help us identify intruders who may be planning home thefts or other illegal activities.

We invite all residents to attend our Neighborhood Watch meetings to learn more about this program and how you can participate.

Emergency Preparedness is vital to our safety and well-being. Our new Emergency Preparedness Program will enable us to learn more about what we can do to help us avoid dangerous situations. Many of our residents have special training in the fields of emergency medicine, firefighting and law enforcement. We invite

all who can contribute their talents to attend our monthly meetings to learn more about this very important program.

Facilities:

Our paving stone failures are being tested and repaired to determine how we can expect longer life before replacements. This action will help us develop a long term maintenance program and get more reliable pavers in our gate areas and roundabouts.

We commend our concerned residents for helping us educate drivers to not tailgate cars through the gates. Broken gate arms are costly to repair and someone has to pay for the repair. Too often the cost of repairs is born by our HOA.

Neighborhood Watch News

Jerry Whitfield, Lead Block Captain

I would like to start by thanking all the Four Seasons residents who participate in and support the Neighborhood Watch program, as well as the HOA Board of Directors and the Euclid Management team here at Four Seasons.

We have a good program, and it can be much better if we get full participation in the program. As our community grows, those of us in the Neighborhood Watch need to make sure that all of our friends and neighbors know about the program. The more residents who participate in Neighborhood Watch, the safer we will all be. Please attend the monthly meetings on the second Friday of every month at 10 a.m. in the Ballroom. Thank you!

On March 25, Eileen Gilbert, the Neighborhood Watch Coordinator for the Springdales, put together a block party and "pot luck dinner" in the Game Room for all the Springdale Neighborhood Watch participants. There were 54 people in attendance and a great time was had by all. Thank you, Eileen.

On April 14, we had our "Twilight" Neighborhood Watch meeting. There were approximately 125 residents in attendance and it was a very informative meeting. The topic for the night was "Fraud and Fraudulent Crimes Committed Against Seniors." The guest speakers were Riverside County Deputy District Attorney, Vicky Hightower, and Four Seasons resident John Noonan. Our very special surprise guest was Beaumont Mayor, Brian DeForge. It was a great night for the Four Seasons Neighborhood Watch program.

The next meeting will be held on June 10, at 10 a.m. in the Ballroom. Please attend. Remember, "Neighborhood Watch needs you!"

Spring Weather Helps Conserve Water

By Leonard Tavernetti, Chairperson Ad hoc Water Management Committee

Cool and wet weather in February and March helped reduce our water consumption as reflected in our April bills.

The two-month rain totals for this year are 5.21 inches, up from 3.47 inches last year. That brought our water usage down 41 percent from 2010 for the period. For the year we are now down 22 percent. However, our bill is only down 15 percent during this billing cycle and still up 6.4 percent for the year. This is due to the doubling of our water rates from 47 cents per hundred cubic feet last year to 96 cents this year.

Unfortunately, what Mother Nature gives with one hand, she takes away with the other. April was a cold, dry month requiring more watering than last year. Replacing mature gazania ground cover that was killed by the cold weather will increase the problem because new plants require more water than mature ones to endure the dry summer.

HOA News

Social Committee

By Melody Seewoster

Due to my broken shoulder, this month's article will be short but sweet.

Since the Fashion Show and Tea was held after this writing, I will have to wait until the July Sentinel to report on that event. I do know that, as of May 8, there were 145 tickets sold -- so it looks like another sold-out event.

Our next event will be August 13. Although we are still working on the details, I can tell you it will be our annual Hoedown. Start now to shine up those boots and get those cowboy hats ready. There will be more information in our upcoming newsletters.

Remember if you have any suggestions or ideas for future events, let us know. It won't be long before we will start planning next year's calendar.

Clubs & Activities

The 8-Ball Club

Captain Del Lyles and the 8-Ball Club would like to invite all Four Seasons residents to join us. We have a great bunch of team members and are always looking for new friends.

If you are a beginner or an experienced billiards player, come and shoot some pool. Practice is Monday, Wednesday and Friday, 7 p.m. to 9 p.m., but you can usually find someone in the Billiards Room any evening.

Also, if you are tired of hauling your newspapers, aluminum cans or plastic bottles to the recycle center, the 8-Ball Club can help you with that, too. The first Wednesday of each month from 7 to 7:30 p.m. you can take your recycling stuff to the Lodge and we will be glad to take it off your hands.

If you have any questions, just stop in the Billiards Room or give us a call: Captain Del Lyles (951) 845-5114; Co-Captain Roland Harrah (951) 845-1734; Captain Assistant Dot Hurst (951) 769-5850.

See **YOU** in the Billiards Room! -- **Dot Hurst**

African American Cultural Club

The AACC Juneteenth celebration will be held on Saturday, June 18, in the outer area of the pool at the Lodge from 11:30 a.m. to 3:30 p.m. Please make plans to bring your lunch and any drinks you may desire. Also, the grills will be available for anyone who wants to use them. Come out and enjoy the festivities of the day.

The next AACC meeting will be held on Monday, June 6, at 6 p.m. in the Card Room. For more information or questions regarding the club or the upcoming events, please contact Betty Ann James, Chairperson (951) 572-5538 or Joyce Allen, Co-Chairperson (951) 769-4354. - **Mabelene Dimmer**

All Seasons RV Club

In May we spent four days at the Chula Vista RV Resort and Marina. Ron and Nancy Morgan were the wagon masters. Members enjoyed lunch and shopping at the Hotel Del Coronado, a Padres baseball game and boating on San Diego Bay.

This week, June 1 to 5, some of our members are enjoying a trip to the Elks Rodeo in Santa Maria. Rick and Jamie Brower are the wagon masters for this trip.

Our Big Bear Lake trip will be July 17 to 22 at Holloways Marina. Bob and Judi Rose, the wagon masters, are planning fun-filled activities for us to enjoy in the cool mountain air.

In September we will enjoy a trip to Arizona. Members will stop for two nights in Laughlin en route to the Grand Canyon Railway RV Park in Williams. After spending five nights there, we will journey to beautiful Sedona where we will spend three nights. Steve and Dorothy Meier are our wagon masters.

Tim and Jane Jacobson are planning a trip for the club to Huntington Beach. We will be at Sunset Vista Campground from October 16-21.

Please join us for our meetings on the second Tuesday of the month at 6 p.m. in the Ballroom at the Lodge. -- **Nancy Morgan**

Indoors at the Amphitheater!

Anytime we have wet, wild or extremely hot weather, the Amphitheater presentation will move into the Ballroom. Anyone who attended will tell you it worked just fine for the May event. They had a great time, and stayed dry and warm at the same time.

The Pacific Island Dancers coming all the way from Long Beach, gave us the feel of a warm balmy island night as they showcased some of their beautiful and fun dances. Male and female dancers ranging from ages 5 to 19 obviously enjoy keeping their culture alive by sharing the dances with us.

Resident Johannes Wouters with his wonderful voice and ukulele strumming ability wowed us with several classic island songs. It's always great to have a resident willing to share their talent with the community. Thanks Johannes!

The evening ended with Lady Danger and the BHS Trio Band playing some great music. I had many requests for a return of this talented band, and to feature them as the sole entertainers for an evening. We will see what we can do.

We started this new season giving everyone a ticket as they entered. This helps us track our attendance better as well as allowing us to give away a small "Doorless Prize" to a lucky attendee.

Note another change we are having this year: The next Amphitheater presentation will be on Sunday, June 26, at 6:30 p.m., rather than the usual third Sunday of the month. The third Sunday is Father's Day and we want all our Fathers to be able to celebrate their special day and also not miss out on an Amphitheater performance.

So Happy Father's Day on June 19, and don't forget to come on down the following Sunday for the great sounds of "A Vocal Journey," presented by professionally trained singer Stephanie Davies. Stephanie has been singing since she was a young girl and voice was her major in college.

Thanks to my fellow members of the Amphitheater Production Group for their help in making sure the evening went smoothly and to Roland Harrah and his techies and our indoor sound system. With everyone's help each event just gets better.

See you at the Amphitheater!-- **Penny McDonell, Chairperson**

Asian Club

After a brief intermission, the Asian Club will resume its regular activities.

In June we are planning a fishing trip. The time and place is yet to be determined. If anyone is interested in joining the fishing trip, please contact Tom Yee or Bill Deng. Thank you.-- **Tom Yee**

Ballroom Dance Club

When it comes to dance, we do the best we can, and we have fun. No one judges us by our musical ability or dance expertise, and we're not graded on perfection. We're just a happy group of friendly people enjoying ourselves. Laughing out loud is quite acceptable!

First come the basic steps and routines. Then we discover that some steps can be used in several different dances. As our confidence grows, we get out on the dance floor and try what we've learned. And we understand that mistakes are an important part of the learning process. As with many worthwhile things, it's true that: "If at first you don't succeed, try, try again."

Our Social Dance group will continue with the basics of dance, putting more and more steps and routines together to expand our experience. The Ballroom Dance group will be reviewing dances learned over the past several years, including Cha Cha, Swing, Rumba, Fox Trot, Waltz, Mambo, Foxy, Tango, etc.

Join us each Monday evening in the Ballroom as our professional dance instructors teach us to dance. The Social Dance group starts promptly at 6 p.m., so be there a little early to take advantage of the entire lesson. The Ballroom Dance Club starts at 6:30 p.m., and is for more advanced dancers. Regardless of your dance experience or knowledge, everyone is welcome. -- **Willis Fagan, for the Ballroom Dance Club**

Clubs & Activities

Book Club

Pat Conroy's *South of Broad* was the focus of our discussion at our April meeting. The novel is set in Charleston, South Carolina, and spans two decades.

The narrator of the novel, Leopold Bloom King, has been raised in a family shattered--and shadowed--by tragedy. His mother, Lindsay King, is now a high school principal but is a former nun, a fact she neglected to tell her son. His father is a gifted self-effacing science teacher who "treated the stars as though they were love songs from God." Leo's older brother, Steve, committed suicide at age 13. In high school Leo finds a tightly knit group of outsiders with whom he bonds. These friends endure until a final test forces them to face something none of them is prepared for.

Book Club members praised the book for its descriptions of both characters and events. The book is so full of descriptions of Charleston, whom Conroy calls the "mansion on the river," that it almost seems like a character.

Since the publication of *Beach Music* in 1995, Conroy fans had been waiting for his next novel. We hope we don't have to wait 14 years for the next one!

Our next meeting will be on Tuesday, June 14, at 9:30 a.m. in the back of the Ballroom. Please enter from the outside doorway off the walkway. We will be discussing *Beachcombing for a Shipwrecked God* by Joe Coomer. See you then.

The Book Club has changed our meeting day. Beginning in June, we will meet on the second Tuesday of the month. Our May meeting was still on May 31.

On May 31 we discussed *The Happiness Project* by Gretchen Rubin.

We have selected books for the remainder of the year: July 12, *The Razor's Edge* by Somerset Maugham (1944); August 9, *Sing you Home* by Jodi Piccoult (2011); Sept. 13, *Little Bee* by Chris Cleave (2009); Oct. 11, *Cold Sassy Tree* by Olive Burns (1984); Nov. 15, *Fall of Giants* by Ken Follett (2010).

Doreen Sanders will be the president of the Book Club beginning in June.

I look forward to seeing you at our future meetings. Happy Reading!-- Nancy Morgan

Bridge Club

One of the rare occasions in the game of Bridge is to bid seven and successfully make it.

This was accomplished April 25 by Helen Shoemate and Carl Carson. Together we bid and made seven no trump (a grand slam!).

We are still averaging two or three tables. We play every Monday at noon and you are invited to join our fun group! -- Carl Carson

Bunco

Come and join us at Bunco for some fun and laughs. We meet on the second and fourth Fridays of every month at 1 p.m. in the Card Room.

For this month, Bunco will be on June 10 and June 24, so mark your calendars.

If you have any questions, you can call either Anni Smith at (951) 769-7371 or Suzanne Roldan at (951) 849-8540. Come and check out the fun. -- Suzanne Roldan

Canasta Club

The Canasta Club meets every Thursday from 1:15 to 4 p.m. in the Card Room at the Lodge. If you are new to the game, you

need not worry. We're always glad to set-up a teaching table for beginners.

An added feature is that Kathy from the Bistro comes around to make sure we have drinks and snacks while we are playing. Come join us. -- Melody Seewoster

Crafters -- "Get Around to It"

June gloom? Well, just forget about it! Come on down and join the crafters on the first Thursday in June. You'll be glad you did, especially if you've gotten some of those "Around to It" projects completed.

Last month in May we had a lot of ladies attend; we were almost out of room. And fun was had by all, especially when it came time for the door prizes. Who doesn't like to *win*? Right!

So, or I should say, sew, do you have a project or two or three to work on? Well, you are all welcome to join in on the fun. Where? In the Craft Room at the Lodge from 5:30 p.m. to 7:30 p.m. (or later if needed) and you just might have made a new friend or two or three. Bring your mending, knitting, paper crafting, painting or whatever is your specialty.

Oh, coming up we will be having *Christmas In July* at our July craft night. Please come with your Christmas craft ideas to share with the group and any Four Season residents who are looking for some ideas to begin to work on for their Christmas gifts. Let's start preparing for the Four Season holiday boutique -- yet to be scheduled but, hopefully, it will come to pass. No, we won't be holding a sale on Craft Night, just exchanging ideas and answers to "How did you do that?" So, plan to come in July and bring those sample Christmas projects with you.

Last, but not least, does anyone have a large paper cutter that they would love to donate to the crafters? It will be left in the Craft Room for the present and future needs involving paper crafting and etc. If you say "yes," we will be sew glad you did! Thanks in advance for your thoughtfulness and contribution.

Feel free to call Paulette Sims at (909) 967-5261 or Pat Dawson at (909) 720-1514 if you have any questions or have a paper cutter you can part with. We'll be so glad you did! -- Paulette Sims

Four Seasons Racquet Club

Although the wind decided to blow on our first "Play Day" of the season, we had a good turnout and a good time.

Howard and Mickey Nelson used their whistle and a deck of cards to do a fine job directing the play and everyone got to rotate in for some fun mixed tennis. After the mixed play we conducted some instruction on use of the ball machine and then ran some ball machine drills on court 1 while tennis games continued on court 2.

Several people gathered in the Bistro afterward for some of Smitty's good food and a relaxed social time.

The good weather is here and we are looking forward to more fun tennis! Remember open Play Days the last Saturday of each month through September. The next one will be June 25.--

Howard Lyon, Secretary FSBRC

Knitting and Crocheting Group

Our creative ladies are still working on the same projects and individual items.

We have particularly enjoyed the past couple of meetings, just chatting and getting caught up on the community news. -- Dorothy Payne

Clubs & Activities

Life Guide Bible Study Club

The Life Guide Bible Study Club will take a break for the summer, beginning on June 1. Please watch future Sentinel pages for re-start data in the Fall. – **Don Cummings**

Line Dancing

Our group is really improving! But we always review the basics when someone new to line dancing comes to class. It is great exercise, but not too strenuous, and steps can be adapted for hip or knee problems.

If you have been thinking about trying for some time, now is the time. Please join us every Thursday at 4 p.m. in the Lodge Ballroom. Give me a call if you have any questions: (951) 769-3889. **Martha Franck, Club Captain**

Mah Jongg for Everyone

A new American Mah Jongg group is being formed which will meet in the Card Room at the Lodge on Tuesday afternoons at 1 p.m.

Mah Jongg is an ancient Chinese game which has grown in popularity over the years. Now played in several versions, it is widely known as a multi-generational experience – a common family ritual of entertainment.

Elaine Sandberg, author of *A Beginner's Guide to American Mah Jongg*, characterizes it this way: "it's simple and at the same time complex. It's competitive: you play against three other people. It's sociable: people play for hours, they eat, they talk, and they laugh. There are groups of players that have been together for decades.

"It takes thinking: figuring out the best plan for your individual hand, deciding how to keep others from winning, and using appropriate strategies. It's not called 'The Game of a Thousand Intelligences' for nothing. It's relaxing. It allows people to focus on something completely unrelated to everyday concerns. And it's thrilling: there's nothing more exciting than when, with your heart racing, your adrenaline pumping and your palms sweating, you call 'Mah Jongg!' And on top of that, it's non-fattening...!"

Exuberant or reserved, beginning or experienced, whoever you are, you are warmly invited to join us. Please sign up at the Lodge desk. Looking forward to meeting you! Contact me at (951) 922-1430 or Ballardland@verizon.net -- **Johanna Ballard**

Old School Dance Club

Our community of Four Seasons is an enjoyable place to live. We as homeowners have fun most of the time by doing the things we like to do – playing pool, swimming, singing (if you can sing), involving ourselves in a social club, meeting group or professional dancing.

Dancing is a beautiful exercise activity that will keep you in shape and help your body stay fit. Old School Dance residents really work out by dancing to a lot of tunes from the past – the 50s and 60s.

Soon the Old School Dance group will focus on practicing for a future happening, a Sock Hop. This should be fun!

Residents, if you get a chance, come and visit the Old School Dance activities, usually on the first and third Fridays of the month in the Ballroom. Our next meeting will be June 3. As always, you are special to me for trying to stay fit and be free of stress. Until we meet again... **Willa Harris, Old School Dance Captain**

Performing Arts

The October 21 and 22 production of the Four Seasons musical, *Gramma Mia!* is right on schedule! Rehearsals have been ongoing bi-weekly since February 15, and by the end of May the

entire script and songs will have been memorized and rehearsed by the two separate casts (opening night cast and closing night cast).

Beginning in June, we will be rehearsing the entire program weekly, with emphasis on blocking, choreography and overall appearance.

In September we will work with the technical crew, to ensure the sound system and lighting will be pleasing to each audience member.

Tickets will be offered, free of charge, to all residents beginning Oct. 1. Everyone involved is working really hard, so mark your calendars now and plan to attend one of the delightful performances. You won't want to miss the fun! – **Eileen Gilbert**

Ping Pong

Spring and summer bring warmer weather and exercising outdoors in this warmer weather can be a little taxing.

But don't let that stop you from getting all the exercise you need. Join us in the aerobics room for a cool workout that will keep you burning calories in air-conditioned comfort.

Ping pong offers the opportunity to exercise, socialize, and improve your eye-hand coordination and reflexes. All this activity is done in a fun, low-key manner designed for players of all levels.

Monday and Saturday are open play days for everyone. Tuesday and Thursday are reserved for advanced players. Wednesday and Friday are for beginning and intermediate players. Anytime between 10:30 a.m. and noon is a good time to show up. Club house paddles and ping pong balls are available if you don't have your own equipment.

If you have any questions, contact Niles Sundstrom, (951) 572-5119, or Allan Aymeng, (951) 769-4202. -- **Niles Sundstrom**

Seasoned Sassies

Our Red Hat chapter met on May 11 to plan our outings for the next six months. Please keep an eye on the future newsletters for more information.

If you are interested in the joining the Red Hats, please call Melody Seewoster at (951) 769-2774. — **Melody Seewoster**

Taste d'Vine

Ah June... We will have a special meeting. *Wine and Art Pairing. Corks and Canvas.* 

Wine has always been considered a perfect accompaniment when enjoying and perusing the wonders of creative expressions in a gallery. The Art Club will be joining us, displaying their works, possibly demonstrating their craft while we enjoy a glass of wine at our June meeting. The Ballroom will become a gallery. What is better than relaxing with a wonderful glass of wine and enjoying wonderful works of art?

So we invite you to join us Thursday June 16, 6 p.m. for a fantastic evening of beautiful music, wine and art. - **Anita Worthen President Taste d'Vine**

Discovery Club

At the Discovery Club we have found that the life and times of our forebears is often stranger and more interesting than fiction. Good and bad fortune, difficult travels, determination, adversity, adventure, courage, danger, and a commitment to a better life are but some of the stories we hear.

Many never saw their dreams come true. Others barely got by, living a meager day-to-day, harsh subsistence. Some did better, and some even quite well. But no matter what happened, they were our ancestors, and it is from them we came.

Please see page 18

Clubs & Activities

One person recently shared his discovery of valuable information from the records of a cemetery. Another told how his wife's ancestors played a very important part in the exploration and settling of California. It's not just names and dates, but real history.

And it surprised us to learn that the National Archives is now located in Perris, only 35 miles from here. At this one place you can research census records for the entire nation, naturalization records, ships' names and lists of seamen and passengers, military records and much more. And the best part of it is, almost all of it is free!

You are welcome to visit our club meetings and be helped and encouraged in doing your Family Tree. Our next session will be announced by email. If you are not on our email list, please contact the Club Captain and we'll be sure you are kept informed of our meetings and activities. --Willis Fagan, Club Captain, wefbv. @verizon.net

Weight Watchers

Our Weight Watchers meeting is going really well. I think everyone is enjoying themselves and losing weight. Our leader, Barbara Miller, is very informative and she is such a crack-up. She makes the meeting fun.

If anyone is still interested in joining, it is not too late. Just show up on Tuesday morning at 8:30 a.m. to register and weigh-in. The meeting starts at 9 a.m. and is finished by 9:30 a.m. We have approximately 40 members.

If you have any questions, please feel free to email or call me at anytime: adanishprincess@aol.com or (951) 769-7371.

See you at the meeting. -- Anni Smith

A Day in the Desert With the Walkie Talkies

By Len Tavernetti

Mother Nature apologized to the Walkie Talkies for her early April icy blast with a spectacular show of some rarely seen flora and fauna during the April 12 hike at 29 Palms.

The day started cool which was perfect for the first part of the hike-up, up and away from the asphalt of civilization. Rocky crags flanked the trail as it wound up a steep hill (Okay, it felt like Mt Everest to sleepy legs). We stopped after a short distance to marvel at the desert floor opening up behind us. The trail head was at 2,680 ft. in elevation, almost the same as Beaumont so we weren't winded. This is always a good idea to pause early on to adjust straps, reposition a few items and really survey the surroundings.

We were a group of six having had to leave our customary leader behind at Four Seasons due to an ailing back. But, several members of the group had made this hike before and were not strangers to the path. Fortunately we had a longtime resident of the Pass area to identify the plants and critters along the way. Stretching and compressing like an accordion our group navigated the well traveled and well maintained trail up Pioneer Canyon to the top of our first terrain feature. From here we could see the 29 Palms area and the north edge of the Joshua Tree National Forest.

Once over the ridge we encountered dozens of barrel cacti-all in wondrous bloom. Plants that only blossom for a few hours or a couple of days each year and sometimes not every year were in full color this day. We could well understand why this was one of Fred's favorite hikes and why he was so forlorn at not being able to accompany the group. The trail dropped down one ridge then back up a higher one. The oasis where we were headed is only 500 feet up and three miles in distance from the parking area. It is one of our shortest hikes but still worthy of a good exercise.

After crossing the second ridge the cluster of fan palms that is the oasis pops out of a canyon. Water flowing beneath the mountain soils encounter solid rock near the oasis and is forced to the surface forming pools that are survival for the desert animals.

Hikers are stopped at overlooks so they don't contaminate the pool surroundings or water. From here turtles and lizards can be seen. The trunks of many palms are blackened from fires that occasionally frequent the desert mountains as a result of thunderstorms.

After a good rest, handfuls of trail mix and drinks of water, we started back in late morning. By now many of the daytime creatures were out seeking their noon meal. Crossing our path was a desert tortoise. Since these slow moving creatures live to be 100 years old, we concluded this 10-inch diameter fellow was happy to see some fellow old timers. After a short chat with us, he ambled off in search of the annual wildflowers that spice up his diet.

Our next encounter was with a lizard. There are over 3,500 types of lizards so identification can be difficult. Here in this desert are the Chuckwalla, Fringe-toed desert iguana, and Mojave Collard among others. This allowed for lengthy discussions as to what the little fellow really was. However, he didn't seem to care what we called him.

As we headed back to the trail head we passed several late comers of all ages. By now lunch was on our agenda and we finished up the trek at Carrows Restaurant.

The future of the club is uncertain. Fred Hofer has spent hundreds of hours and driven hundreds of miles scouting hikes for the Walkie Talkies and has now stepped down as our leader. We are exploring different ideas for future hikes and will post information in upcoming Sentinels.

Walkie Talkies pause during hike

Four Season's Community Info

Four Seasons Spotlight

Len Tavernetti Is Well-Grounded in Landscape

By Leighton McLaughlin

Len Tavernetti is going from serving on three committees and chairman of one, to just two committees but chairman of both.

His energy will be missed on the Rules and Regulations Committee, which he is leaving to have time for the Landscape and Water Management committees.

He is taking over the helm of Landscape and continuing as chair of the Water Management at a time of change. When Four Seasons was opening, the builder, K. Hovnanian Homes, put in plants that "would immediately look lush, which are not necessarily the plants we want for the long term."

He said his predecessor, Phyllis Beede, began a replacement process from start-up to long-term plant growth, which he will continue.

With Bachelor's and Master's degrees in geography, he is a good fit for both committees.

He first put his knowledge of geography to practical use as a company commander on the 1st Infantry Division – the "Big Red One" – in Vietnam, "reading maps and telling people where to go," he said.

He was wounded in the fighting in the Iron Triangle north of Saigon. Asked about it, he said, "Oh, I had a bad day at the office one day."

He spent some time in the hospital and on his return to duty, he was assigned to the 101st Airborne Division and later the Americal Division. "That was in the days of (Defense Secretary Robert) McNamara's whiz kids and all their (then new) computers. They thought you could plug anybody in anywhere. Now, if you start your career in the 1st Infantry you'll work with the 1st Infantry every time you serve with troops."

On his return home he was sent to the Infantry Officer Career Course and then on to get his Master's degree at the University of Arizona – arch rival of Arizona State, where he had received his Bachelor's and his ROTC commission.

"I said 'I'm a loyal Sun Devil. I don't want to go down there.'"

"They said, 'It's that or back to Vietnam.'"

"I said, 'You know, I'll do it for the Army.'"

After graduation, he did go back to Vietnam as a staff officer for the 24th Corps near Da Nang.

On return from his second tour, on the strength of his geography background, he was assigned to the Engineering Topographical Laboratory, a mainly civilian government agency involved in developing military maps and other geographical systems. Helicopter pilots flying at night with night vision goggles were having trouble reading conventional maps. He helped produce the first "black" maps for their use.

During his time with the laboratory, a superior apologetically told him he had been given the lousy assignment of going to out-of-the-way Fort Hunter Liggett to walk the ground to determine

the accuracy of maps made there from new techniques. "Do the best you can," he was told.

Len Tavernetti

The fort is in Tavernetti's home town of King City, California, and he dutifully walked the ground like a good infantryman, but carrying a hunting rifle instead of an M-16. He had a great time.

Later he worked for the Airborne Test Board that developed equipment and procedures for airborne operations, then became a project manager for Army procurement programs and finally was an Inspector General for the Army Materiel Command. He retired after 21 years as a lieutenant colonel, and started a second 22-year-long career with McDonald-Douglas, now Boeing, the manufacturer of the C-17 transport plane, for which he had determined some of the specifications as a procurement manager for the Army years before. He finally retired in 2007, the

year he moved into Four Seasons.

Shortly after that he joined the Landscape Committee and quickly realized that water use and costs were going to be a serious problem. He proposed forming the Water Committee to Chairperson Phyllis Beede and she took the idea to Board President Jacque Sneddon – who had been chair of Landscape before joining the board.

Because of its reach across several HOA functions, the new committee is intentionally "interdisciplinary," Tavernetti said. Members Georgia Coleman and Bob Melville are also on the Finance Committee; Larry Savaglio is on Safety and Facilities, Colin Taylor on Architectural Review and Ed Whalen is on Landscape with Tavernetti.

He said the HOA committees serve as the staff of the Board members, and "we need to give them the best work we can so that they can make good decisions."

The committees' work has already determined that replacement of grass with artificial turf is far more costly than expected and not practical in most applications

"We are looking at different ways to use water," he said. One of the hoped-for economies is the use of reclaimed water. Four Seasons has a pipe system for reclaimed water, but the Beaumont Cherry Valley Water District does not yet supply it. However, Tavernetti said, the district has said it will provide it first to those communities that have worked the hardest to reduce water use.

"One of the things we are looking at is replacing sprinklers with a drip system." "The main thing we have to make sure of is that we don't change the appearance of Four Seasons," he said.

"We are in the process of replacing the gazania ground cover, which is attractive, but has only about a five-year life and cannot withstand the frost, which accelerated its demise."

Another problem that both Water and Landscape are dealing with is the matter of boundaries. At first all front yards and common areas were maintained by the builder, then some front yards became the responsibility of the homeowners, while others

Four Season's Community Info

were maintained by the association, and paid for by an added assessment on the homeowner's bill.

This has caused budgeting problems because common area maintenance is paid from one pocket and front yards from another. "Some people front on a big open expanse of grass that seems to go on forever. Obviously some of it is common area and some of it is front yard. So we need to map out which is which.

This is particularly acute with water. We have 22 water mains that are metered and some water both common areas and front yards but we get one bill for the meter. We need, as accurately as possible, to split the bill between them."

Tavernetti said there is property outside the residential areas – at the Potrero and Crooked Creek gates and along Potrero Creek -- that K. Hovnanian

Homes will eventually deed over to the Association. "But right now there are cottonwood trees outside the boundary putting up suckers inside, and we keep whacking away at them – playing whack-a-mole – we need to go out and get the source, which is the tree. We've written a letter to K. Hovnanian, asking them to help us."

He said the committees are also trying to determine where the boundaries will be along Potrero Creek, which will be maintained "in its native state" by a public conservancy, and the green belt on either side of the creek which will be part of Four Seasons.

Another project Landscape is working on is placing signs to identify the plants in the community and possibly expanding the area around the Amphitheater to accommodate a larger audience. For the Amphitheater project, Landscape will have to coordinate with other committees.

Tavernetti said he and his wife, Ruth, are only part-time residents of Four Seasons. She has a home in Garden Grove, and he owns a place in Lake Arrowhead. "With the real estate market the way it is, nobody can sell a house," so they commute between them. "I do a lot of my staff work on highway 91" and through e-mail.

They aim eventually to settle here.

"You want to enjoy the rewards of retirement. You want to play. Those of us who join committees are very keen on keeping our mental acuity. I liken it to high school without the homework. We just need more volunteers on the committees."

Neighborly Notes

By Bobbie Eckel

A reminder to new and long-time residents: all rubbish and trash storage containers need to be kept screened and concealed from view.

Containers should be placed for collection after 5 p.m. in the evening prior to collection and should be removed by dusk the day of collection. Our community Waste Management collection day is normally Tuesday.

Residents, please do not feed or try to make pets of the wild bunnies that live in the wash area. When they enter the Four Seasons green areas, they eat newly planted grass and other young plants. Send the little critters back to their normal habitat; they do survive well there!

Beaumont Chamber of Commerce is sponsoring "Market Night" every Tuesday at 5 p.m. from June through mid-August, when a wide variety of food and other products will be offered. Join the fun at Noble Creek Park, 390 Oak Valley Parkway. For additional information, please call (951) 845-9541.

In conjunction with Market Night, Beaumont Cherry Valley Recreation and Parks is presenting Movies under the Stars. At dusk on those special Tuesdays, residents are encouraged to bring their grandkids (and the "kids" in all of us) to enjoy free family

fun. Movies scheduled for June are: June 15, Speed Racer; June 22, Tom Sawyer; June 29, Planet 51. July's schedule includes: July 6, Cloudy with a Chance of Meatballs; July 13, Blue Hawaii; July 20, The Karate Kid; July 27, Fly Away Home. Three films are being shown in August: August 3, Little Big League; August 10, Fievel Goes West; August 17, Open Season 2. Movies under the Stars take place at 650 W. Oak Valley Parkway, between Interstate 10 and Beaumont Avenue.

The Seventh Annual Lavender Festival is being held two weekends in June (June 11-12 and June 18-19) at the Highland Springs Resort, 10600 Highland Springs Avenue. Hours are from 10 a.m. until 6 p.m. Entry fees are \$3 for Seniors and Students. Children under age 12 are admitted free. For additional information, please call Highland Springs Resort, (951) 845-1151.

The Beaumont Chamber of Commerce is asking members and friends to join in a personally escorted overseas tour, "Reflections of Italy," leaving on March 5, 2012. A preview of the ten-day tour will be presented in a pictorial slide presentation on Wednesday, June 15, at Domenico's Italian Kitchen, 890 Oak Valley Parkway, at 5:30 p.m. If you would like to attend, please call the Chamber to reserve a seat (951) 845-9541.

Activities Director Corner

By Cindy Graves

Events are rapid fire this month, especially in the beginning, so don't take your eye off your calendar!

On Saturday, June 4, at 10 a.m. is with the Event Systems Committee Home and Garden Tour. Those who missed the Holiday Home Tour were deeply disappointed when they saw some of the amazing pictures of some of our host homes. Be sure you catch this glorious Spring Tour with the gardens in full bloom and the homes beckoning you in to admire and gather new ideas.

Admission is \$5 for the wristbands which can be purchased on the day of the event in the Lodge Lobby. Remember, that every dollar of the fee goes back into our community for entertainment equipment and enhancements.

Another big event on Friday, June 3 and Saturday, June 4 is the Independent Film Festival! This is an interactive event because on Friday we need you to be the viewing judges to determine who wins in which film category. Everyone who attends the film festival on Friday will be given an anonymous judging sheet. These viewings will be replacing our regularly scheduled movies for both days. A tally will be done after the Friday night viewing and the winner's trophies will be labeled for the awards ceremony and reception in the Ballroom at the 3:30 p.m. showing on Saturday.

I think you'll be "oooh-ing and ahhh-ing" when you see the photographic talent that Four Seasons is harboring. This is a free event so come and get inspired with the beauty captured in film.

If you like wine and art, have we got an event for you! The Wine Club and the Art Club are collaborating for a fun night of wine tasting, orientation and education along with a display of art from members of our art class, Open Art Studio, as well as other artistic residents. This event will be a free event on Thursday, June 16, and appetizers will be served. You are also welcome to bring your own favorite beverage if you like. This event starts in the Ballroom at 4 p.m. and goes until 8:30 p.m.

The last showcase event is the Amphitheater Concert on the last Sunday in June, the 26 at 6:30 p.m. It is going to be a week later than usual because of Father's Day. Hopefully, we won't get rained out this month...but, don't worry, the show will still go on if we have inclement weather. Meet us in the Ballroom and we'll pretend it's the Amphitheater. Stephanie Davies will present a wonderful "Vocal

Four Season's Community Info

Journey" and you've got to hear this! Most likely it will be in the Amphitheater, so bring your chair, lap blanket and picnic if you wish. Have a great June and I'll see you around the Lodge!

Beware of This Scam

By Bobbie Eckel

Some scam artists get very sophisticated in their operations to separate people from their money. An interesting scam was recently reported by a resident and bears repeating so other homeowners may be aware.

The first step was a telephone call from a person who identified himself as an account manager of the IRS in Washington, D.C. This person gave a plausible name and his telephone number, then proceeded to announce that the resident had won an award of \$450,000 from the "I Have a Dream Foundation." The caller gave the phone number of the charitable organization and a claim number to the award. He also gave plausible answers questions about such an unusual award.

The caller then gave the name and telephone of the insurance company which handles accounts for the "I have a Dream Foundation." In this case, he listed American Fidelity Insurance and gave a number to call. He also assured the resident that he would not have to pay the taxes because they had already been paid and would receive an additional \$450 to defray the cost of registration with the insurance company.

When the resident called the American Fidelity Insurance number, he was answered by an agent who provided his name and direct phone extension. He assured our resident that the IRS executive was reliable and the award was indeed real. The award check would be delivered by courier to the resident, but he would need to provide a check to cover the cost of processing and give specific information so that he could be identified.

What the scam artist did not count on was our wily homeowner. He called his tax accountant who gave him two numbers for the IRS – and suggested that if he could not get through to a real IRS representative, he should call the Beaumont Police.

The IRS numbers proved to be automated systems to take messages. Our resident called the Beaumont Police and learned that the whole operation was indeed a scam. It had been tried before in this area.

The old adage is correct: If it sounds too good to be true, it probably is false! Be alert. Do not give out any personal identifying data. Don't send a check to an unknown person or purported company to pay shipping / handling. If you have any questions about the validity of a person or proposition, call the Beaumont Police.

Concerts on the Green

This summer's Concerts on the Green will be held at the Calimesa Golf Course on 3rd street in Calimesa.

The concert schedule is as follows:

June 9	All American Wrangler	June 16	The Sophisticates
June 23	Tom Noland Band	June 30	Working Poets
July 7	Magnolia's	July 14	Chico
July 21	DooWah Riders	July 28	Big Boys Band

The free Concerts begin at 6:30 p.m. and are approximately two hours in length. (Donations are appreciated to help cover concert expenses.)

Dinners are served at the Calimesa Club House from 5:30 to 6:30 p.m. There are desserts available during the concert at a reasonable price. Bring your blankets or lawn chairs and enjoy a great evening of entertainment. – Judi Topp

Chef's Corner
By Randy Balt

Vegetable Stir-Fry

I was fortunate to receive a copy of this recipe from Barbara Myers at a recent Weight Watchers meeting. This recipe's potential for creativity was immediately recognizable and I wasted little time trying it out. I'm happy to say it has now been added to my "recommended" list. Thank you, Barbara.

If any of you have a recipe you wouldn't mind sharing just drop it off at the Lodge desk, hand it directly to me, or email it to me at rbalt@aol.com. I would also love to hear from any of you regarding recommendations or comments. Happy eating and monitor your points.

PointsPlus™ Value: 6 (with rice)

Add more points depending on additional ingredients.

Servings: 4

Preparation Time: 15 min.

Cooking Time: 13 min.

Level of Difficulty: Easy

Ingredients

2 cloves garlic, minced

½ tsp. grated lemon zest

½ tsp. grated lime zest

2 cups asparagus, sliced

1 cup mushrooms, sliced

2 small bell peppers (any color or combination)

1 head bok choy, sliced

½ tsp. crushed red pepper flakes

1 Tbsp. light soy sauce

1 Tbsp. lime juice

1 Tbsp. lemon juice

½ cup fresh basil

Directions

Sauté garlic in olive oil, stir until soft. Add asparagus, mushrooms, bell peppers and simmer for 10 minutes. While cooking, add lemon and lime peel, red pepper flakes, soy sauce, and lemon and lime juice, and anything else you want. Add bok choy and basil during last minute or so. I added 1 pound of cut up roasted chicken I had left over from the previous day at the same time as the first batch of vegetables.

Serve over ¾ cup of white or brown rice.

You can be creative with this recipe, so don't be afraid to mix it up and add additional or alternative items such as sliced almonds, water chestnuts (canned), chicken, beef, broccoli, carrots, onion, jalapeno peppers, shrimp, etc. Be imaginative and enjoy.
