LODGE PHONE NUMBER: (951) 769-6358

The Lodge Holiday Hours on Memorial Day, May 31 are from 7 a.m. to 6 p.m.

Stuff Sold, But it was Cold At Garage-Parking Lot Sale

By Louise Lyon

The weatherman told us all week to expect rain on April 9. But the hardy souls setting up "Parking Lot" portion of the Four Seasons Parking Lot/Garage Sale showed up at 6:30 a.m. anyway. The rain held off -- but, oh, it was cold. There was snow and ice on some of the cars and trucks. What troopers we had!

The unloading and the setup went smoothly because there were so many wonderful volunteers to help. I personally would like to thank from the bottom of my heart all of those who came out (I like to say, at oh-dark-thirty) to help homeowners unload their cars so they could be out of the way before the sale began.

Those volunteers were Marcia and Reuel Olson, Vicki and Bob Howard, Steve Bennett, Teri Jackson, Sonya Tamplin, Ron Morgan, Penny McDonell, Randy Balt, Carol Napolski, Jennifer McDuffee, Phyllis and Marshall Beede, Tanya Thornton, John Noonan and Paula Wein.

They did so much more than help unload vehicles. Sonya Tamplin passed out maps to the homes that had individual garage sales, Phyllis Beede directed traffic into and out of the parking lot, Jennifer McDuffee

did all of the signs and Tanya Thornton helped load the Angel View charity truck for those who left their unsold "stuff" for pickup. Ron Morgan helped with the unloading and manned the information bar most of the day. Randy Balt helped the gate guard keep back the cars that wanted to come in early.

HOA's annual Meeting held. See story on page 21.

The Amphitheater Production Group's committee and Penny McDonell, Chairperson, who had her individual space next to the Amphitheater Production Group's space, worked all day to help make money for the talent for the first show this year. The Amphitheater Production Group made over \$200 from generous donations from friends and neighbors of items sold at the parking lot sale.

Please see Garage Sale on page 11

Volunteer Carol Napolski shows up with ice on her car.

Buyers and sellers brave the cold to attend FSB's. first garage and parking lot sale.

HOA News

Manager's Update

By Lisa Lynn, General Manager

At the Open Session Board meeting held on Thursday, April 14 the Board of Directors approved committee recommendations including the Bistro proposal to purchase two soup and sauce warmer kitchen appliances, the Event Systems proposal to hold a fund-raising Summer Outdoor Living Tour of residents' home, the Finance proposal to increase the HOA's credit card purchase limit, the Finance proposal to purchase refreshments for its Town Hall meetings, the Landscape proposal to remove dead gazania ground cover in the common areas and front yard maintained planter beds and replace it with plant material better suited for local temperature ranges (the plant replacement material for the front yard maintained areas will come from the front yard reserve funds and only those lots affected will have plant material replaced), the Landscape proposal to replace mulch in the common areas and front yard planters maintained by the Association (the mulch costs for the front yard planters will come from the front yard maintenance excess funds), the Landscape proposal to use the established budget amounts for tree maintenance for the remainder of the year for tree trimming, the Landscape proposal to replace plant material in the Potrero entrance median, the Landscape proposal to amend the landscape vendor contracts to extend the termination dates to the end of October and implement standard language for tree trimming standards, the Safety and Facilities proposal for paving stone repairs and refurbishment in the roundabouts and entrance areas (these funds will come from the master reserves funds), the Safety and Facilities proposal to install four ceiling fan lights in the Bistro area, the Safety and Facilities proposal to replace the current bulbs in the chandeliers and sconces with LED light bulbs to reduce electrical costs, and the Safety and Facilities proposal requesting the Board of Directors to review the possibility of adding a staff position to manage HOA projects, the Safety and Facilities proposal requesting the Board of Directors to correspond with builder K. Hovnanian to request access control at the unattended Breckenridge gate and the Ad Hoc Water Management proposal to install two antennas for the previously approved smart card irrigation controllers.

The Board approved the proposals from the Activities Director for HOA events which included the Four Seasons Beaumont Independent Film Festival, a "Corks and Canvases" event sponsored by the Arts and Wine clubs, the Amphitheater Summer Entertainment Series and the Gramma Mia production. The Board approved a vendor proposal for the pedestrian gate repairs, the proposal to rent off-site storage units, the proposal for computer room upgrades and services, and a member request to install snake-proof fencing on their property, once reviewed by the ARC for standards. The Board approved the pool rule revision to allow kickboards during certain hours which will be sent out to members in the monthly billing and also requested to have the ARC revise the storage unit rule in the Architectural Guidelines. The Board requested volunteers to step forward to be appointed for the Monarch District Two Delegate. Overall, 43 action items were requested of Management by the Board of Directors.

Management reported to the Board the completion of items including the response from K. Hovnanian, to pay for the water leak that occurred in the Lodge parking lot, K. Hovnanian installed a path at the end of Dewey Creek, the vendor installed the new

gate-control processor at the Potrero entrance, grab bars were installed in the locker room showers, the Bistro menu stand was refurbished, ceiling fans were installed in the game room, new electrical outlets were installed in the kitchen, the pool vendor has started treating the pool with Cryptosporidium to eliminate duck feces contamination, pool equipment maintenance has been completed and the new charters were sent out to members for the Finance, Rules and Regulations and Landscape committees. Management reported that 42 violation letters were sent out during March. Of those, 10 were for landscape or lot maintenance, one was for parking, 25 were for trash containers, four for not properly storing a garden hose, one for signs and one for non removal of holiday decor. The Board of Directors suspended facility privileges for four members for delinquent dues, bringing the total for suspended privileges to 25 current members. There were 44 accounts with balances over 90 days past due.

The Board approved the March 2011 meeting minutes and the February 2011 Financials. The Board meeting is held on the second Thursday of the month, with the Executive Session at 9 a.m. in the Lodge Conference room and the Open Session at 1 p.m. in the Lodge Ballroom. The next meeting will be held on Thursday, May 12.

The builder's subsidy will end in May for homes receiving front yard maintenance from the HOA. If you currently have your account set up on an automatic payment through the Euclid Management system, the full amount will be deducted beginning in June. If you have your account set up through your bank or other payment process, you will need to contact them to schedule the new payment amount. Current master association dues plus the front yard cost center dues of \$44 per month will total \$259 per month.

A hearing scheduled for April 19 in the Riverside Superior Court for the petition to amend the CC&Rs was reset to Friday, June 3 at 8:30 a.m. at the Riverside Superior Court, Dept. 7. The petition was reassigned to a new Commissioner and some two weeks were needed for further review. Residents in opposition to the petition requested the date be set at June 3, which was granted.

Architectural Review Committee

By Willis Fagan, Chairperson

Please remember that it is the responsibility of every homeowner to comply with all local codes and ordinances, and to comply with the Architectural Guidelines of Four Seasons. By approving work, then visiting your property to see the completed work, the Architectural Review Committee does not assume any liability for compliance with codes, ordinances or Guidelines.

This also is true for landscaping. Members of the Architectural Review Committee cannot always tell whether plants or trees conform to the requirements of the Architectural Guidelines. Most types of palms and pines are not allowed, but there are other trees and large shrubs which, at maturity, will exceed the 20-foot height limit.

Last month we reminded everyone that only fluorescent bulbs of no more than 13 watts, and low voltage lights, are allowed outside. That means no incandescent, halogen, high pressure sodium, mercury vapor or metal halide lamps are allowed for any outdoor use.

Also please be aware that if you modify things after the building

HOA News

department and the ARC have done their inspections and approved the work on your property, you are still liable for remedying whatever is nonconforming. Just because a noncompliant item is not caught by the building department or the Architectural Review Committee doesn't mean it's approved.

These comments are not meant to scold or accuse anyone of wrong doing, but to be helpful and to encourage us to work together to keep our beautiful community a place to be proud of and enjoy.

If you have questions about any of these subjects, or any similar matters, please contact a member of the Architectural Review Committee or attend any of our meetings.

Event Systems Committee

By Jeff Davidson

The Event Systems Committee's fund raising concert on March 19 was hugely successful. From the first moments of the magic of Nathan Gibson to the final encore of the Mighty Echoes, smiles never left the faces of those in attendance.

A last minute change from "concert seating" to table seating was appreciated by all as the audience could then bring their own food and drink and enjoy the evening in a more relaxed atmosphere. The Bistro did a rousing business and everyone had a great time. The Event Systems Committee debuted the new, permanently mounted, full range speaker system and the sound was spectacular and, for the first time, high quality sound was projected everywhere in the Ballroom.

Nathan Gibson arrived early and performed "table" magic from the time the doors opened at 6 p.m. until the show started at 7. The audience was already primed and in a great mood.

Nathan's performance earned him a huge, and well deserved, standing ovation. He, too, had a wonderful time and we all hope that he can return to Four Seasons soon! He is truly an amazing talent and very funny too!

The Mighty Echoes really "knocked 'em dead" -- very much like last year. They changed most of the songs in this year's performance so those who attended last year didn't hear all of the same numbers.

Coffee, cakes and brownies were served at intermission and Randy Balt took the time to place small cards next to each item to make known the Weight Watcher point values for all of us who are trying to shed a few pounds. That could be the reason why some of the brownies went uneaten: too many points for something so small!

Lastly, sincerest apologies to Jim and Marilee Russell for inadvertently not including their names on the show program. Jim and Marilee are Silver-level Premium Patrons of the Event Systems Committee.

Finance Committee

By Noel Myers, Chairperson

The Finance Committee held its regular meeting on March 15. The Financial Statements for February were reviewed and reflected the following significant items:

Net Income Year-to-Date was \$53,003 and total reserves were \$2,179,489. The Accounts Receivable (delinquencies) were \$143,698. Our total HOA expenses for February (excluding reserve allocations) were \$145,494; this was under budget by \$18,475.

With respect to investments, the Finance Committee recommended the Board of Directors reinvest three certificates of deposit maturing in May 2011 at the best prevailing rate for a term not to exceed one year.

The front yard expenses for February were under the monthly budget by \$4,520.

Three vendor proposals were reviewed and were recommended to the board for approval.

The Finance Committee reviewed the revised bid for the cabinets and shelving for the Library and recommended that the Board approve the increase.

Board Treasurer Wayne Staples reported that 28 current homeowners (3.16%) were more than 30 days and \$1,000 delinquent in February 2011. This was up from 27 in January 2011.

Len Tavernetti of the Rules and Regulations Committee

Curb That Verbosity -- Keep It Short

As we get more new residents in Four Seasons, we have more interest groups forming and, consequently, get more articles for the Sentinel each month.

We need to make sure that there is adequate space for all community information. Therefore, we are asking that most articles be no more than 400 words long.

Complicated or detailed articles may have to run longer, but try to keep everything as short as possible. Thank you! -- The Communications Advisory Committee

spoke to the Finance Committee regarding the safeguarding of proprietary information. A proposal for a Contractor Selection Process was presented.

Chris Van Ruiten of Comerica Bank spoke to the Committee regarding investments.

The Finance Committee Town Hall Meeting to present the 2011 budget was held April 19 in the Lodge.

Our regular committee meeting is held on the third Tuesday of each month at 1 p.m. in the Lodge Conference Room. All homeowners are encouraged to attend.

Landscape Committee

By Phyllis Beede, Chairperson

After a harsh winter with both low temperatures and strong winds, spring is finally here. The committee is aware of the extensive frost damage done to the ground covers during the winter and has been working on some solutions.

With spring's warm days, especially after a wet winter, this is a busy time of year. The weeds love it. A schedule for weeding will continue and we have to remember that weeds can grow faster than the schedule cycles. If there is a weed growing in your yard, it's okay to have some fun and yank that little nuisance out.

Spring mulching will help reduce the number of weeds, and it will also make the weeds that do grow through it a lot easier to pull. In addition to weed abatement, this is the time the landscapers are fertilizing turf, taking steps against fungus and snails and adjusting the irrigation for current conditions.

Have you noticed the new path that has replaced the tramped down area between Four Seasons Circle and Dewey Creek? The path looks great.

Once again, I'd like to remind folks that as trees are removed, they won't all be replaced. The decision to remove is not made lightly. The decision to replace is done on a tree by tree basis following guidelines the committee has developed. Most trees

Please see page 10

HOA News

grow quickly and within a few years fill in areas that may look sparse while they are young.

At the April Landscape Committee meeting a new chairperson was selected. I am stepping down as chair but will remain on the committee. During the past year I have had the pleasure of working with great people both on the committee and in the community. I highly recommend the experience of being part of a committee.

As of May, the Landscape Committee will be meeting at 9 a.m. on the second Monday of each month. Please note this is a time change from previous meetings. Guests are welcome.

Rules and Regulations Committee

By Louise Lyon, Chairperson

Four Seasons had their first Community Garage/Parking Lot Sales Saturday, April 9. It was a complete success in spite of the threat of rain. Mother Nature gave us ice and snow in the morning but *no rain* for the event! You can read all of the particulars on the front page of this Sentinel.

Check with the Sentinel for the latest update on the CC&R process. There was a court hearing on Tuesday, April 19, to decide if our community will be able to reduce our voting percentage from 67 percent to 50 percent plus 1 to pass amendments in our CC&Rs. Again, I would like to thank everyone who worked so hard for so long to get to this point in the process.

One of the other things the Rules and Regulations Committee is working on is a Contractor Selection Review. It was decided that this item is a management review process and not a rule for the Community Guidelines. The Contractor Selection Review has been sent to the Finance Committee, Safety and Facilities Committee, Event Systems Committee and the Landscape Committee.

We also discussed at length the definitions and differences between clubs, interest groups and classes. We reviewed and revised definitions. In April we collected a list of all of the clubs and groups to categorize, organize and define.

The Rules and Regulations Committee meetings are the third Thursday of every month at 9 a.m. in the Lodge Conference Room. Guests are welcome.

Safety and Facilities Committee

By Jerry Thompson, Chairperson

Our plans for library improvements are underway. New shelving on the west wall will nearly double our book and magazine capacity. Two new traveling ladders will make it easier and safer to reach the upper shelves.

Our commitment to library users is for a quiet room for reading or browsing. We hope our residents will help us keep our library clean and organized so all users will benefit from these improvements.

Our gate system has undergone improvements to make the sensors more responsive. Should you encounter problems activating the gates or arms, please make sure your transponder batteries are strong enough to activate the gates. When in doubt, replace the batteries.

Our Neighborhood Watch and Emergency Preparedness programs are gaining interest and momentum. The recent earthquake and Tsunami in Japan is a reminder of how vulnerable we are and how important it is to be prepared for emergencies in the Pass area.

We invite all residents to get involved and receive valuable information and training. It could help to save lives.

We invite guests to our monthly Safety and Facilities meetings now held the fourth Tuesday of each month at 9 a.m. in the Lodge Conference Room.

Bistro Committee

By William Taylor, Chairperson

The Bistro Committee met on Tuesday, April 5. The primary discussion was "Smitty's T-Shirt Logo Contest." The goal of the contest was to come up with a new T-Shirt Logo for the Bistro. During the month of April, residents were asked to sketch out their ideas for the logo and submit them to the Lodge desk in care of the Bistro Committee.

At the May Bistro Committee meeting, the submissions will all be reviewed. One will be chosen by Smitty and the Bistro Committee to be the new logo for the T-Shirts. Remember to put your name, address and phone number on the back of the submission. A prize will be given to the honored winner.

The next meeting is Tuesday, May 2, at 11 a.m. in the Lodge Conference Room. All homeowners are invited to attend.

Social Committee

By Melody Seewoster

Well, I do believe our first Comedy Show went over very well. So far I have heard no complaints. Smitty did an outstanding job on the pot roast and the side dishes were very good also.

The comedy show itself was very funny; most people were laughing during the whole show. The mainliner, Don Friesen, touched on topics close to our hearts.

The fifty-fifty drawing was \$144 and was won by Carl Carson, so make sure you buy your tickets at the next event. It might be your turn to win.

It takes so many people to put on one of our events and a lot of them are not even on the Social Committee. These people deserve a special thanks: Randy Balt, Randy Cook, Doug Smith, David Roldan and Steve Sarchett. These men put up and take down the stage, which the women of the Social Committee cannot do and I give a heartfelt thanks to all of them.

Another special thanks goes to Diana Cook who gave up her afternoon to help us set tables and get things ready for your enjoyment.

Thanks to Nelly Alcocer for putting together all of the media material (programs and centerpieces). She does a wonderful job every time, so say a thank you to her when you see her at the front desk.

I say it every time and mean it every time: we could do nothing without Cindy Graves. She gives 159 percent to not just the Social Committee but to every committee here at Four Seasons.

Ladies, and gentlemen too, it's that time again. The fashion show and tea will be held May 21 and is being put on by Jones of New York. This is something we all look forward to each year. It is a fun afternoon. This year we are also going to have wigs for your pleasure. Tickets went on sale April 5. Make sure to get your ticket as this is usually a sell-out event, cost \$15.

One last thing -- I always try to say thank you to the people who help but don't often say it to the Social Committee members themselves. A lot of people tell me what a good time they had and thank me for a job well done. I would like to say a big **Thank You** to the people who work so hard to put on these events. Thanks

HOA News

to Verlette Brummell, Mary Primack, and Tonya Thornton, Betty Ann James and all the past members of the committee for all of the time they spend to bring some fun to Four Seasons.

Ad hoc Water Management Committee

Can We Make a Business Case for Synthetic Turf?

By Leonard Tavernetti, Chairperson

The committee has completed an analysis of the costs for maintaining the natural grass area between the Lodge and the tennis courts.

It has concluded that replacing natural grass with artificial turf is not cost effective. It would take more than 32 years to break even.

This area measures 14,850 square feet. There are three irrigation lines that water the turf. The sprinkler output is 82.2 gallons per minute. According to our landscaper the sprinklers operate four times a week in the summer, twice a week during spring and fall, and once a week during the winter. Each operation is for ten minutes. The annual output is slightly over one million gallons or 1,452 hundred cubic feet (ccf). Our cost per ccf next January will be \$1.09. This makes the annual cost for water as \$1,561. For maintenance we pay \$250 each month or \$3,000 a year. Thus, our total cost for watering and maintaining this area is \$4,561 a year.

Synthetic turf is sold by square yard and the area measures 1,650 square yards. The test patch of synthetic turf in front of the Lodge costs \$90 a square yard and is warranted for six years. The committee traveled to Palm Desert to examine a sample of similar turf that was installed six years ago and looks remarkably well. We are convinced that six to eight year life is very reasonable.

However, at \$90 a square yard, our 1,651 patch would cost \$148,590, more than 32 times our present yearly cost. To break even within eight years we could only afford synthetic turf at \$22 a square yard. The contractor did propose a lower installation cost but a much higher maintenance cost so their numbers still don't make financial sense. We have not found any acceptable synthetic turf at a price that does.

In making the analysis we did not consider the cost of money (interest paid or earned), increases in maintenance due to inflation, cost increases in water due to rate hikes or reductions due to conversion to reclaimed water.

We will continue to examine opportunities for synthetic turf. We will talk to our builder about new common areas where irrigation and sod cost can be included in the equation. We will also look at small patches of turf where maintenance costs per square yard may be significantly higher.

Garage Sale From Page 1

There were so many acts of volunteerism by so many helpful residents I can't even list them all. Everyone on the Garage/Parking Lot Sales Sub-Committee extends a huge thank you to all of you.

Other kudos go to our own Cindy Graves and her crew at Euclid Management! They helped with so many things in so many ways it would be virtually impossible to list all of them. As always Cindy, we love you! Smitty's kiosk was a big hit with residents and shoppers. He had hot coffee, juice and donuts in the morning and believe me the hot coffee was wonderful in the cold outside! Smitty served hot dogs, soft drinks, chips and fruit around lunchtime. Yes, he still had hot coffee too. Residents and shoppers alike appreciated food on the spot. Thank you, Smitty.

I visited residents to see how they were doing with the whole concept of the "parking lot" sale. There were nothing but raves! People were selling lots of stuff and some were buying too! Linda Terbest said she was bringing more home than she brought to sell. Roberta Hokuf said that the sale was wonderful and she loved the idea and how well it was run. Melanie Barney was probably the most comfortable one there. She had her outdoor rocker and full view of the whole parking lot. Her husband Gary would ride in on his bicycle and check on her and she just kept on rocking and selling. Marge and Jesse Aceves were so excited about the garage sale they packed their pickup the weekend before! Okay, they work and they wanted to be ready. They saved all of their "stuff" that did not sell to sell in the October Garage/Parking Lot Sales. They thought the idea was wonderful.

Some of the happy sellers and shoppers were Pam and Loren DuChesne, Susie and Larry Savaglio, Marilyn and Wayne Reagan, Ronda and Paul Esposito and many more. It was wonderful to have so many happy sellers and shoppers!

The subcommittee thought of everything including the Angel View charity truck to come and pick up things that people did not sell and did not want to keep. Angel View is children's charity in the Coachella Valley. Their truck arrived with two of the most charming, helpful and just plain nice guys: Tony and Rick. They had receipts for people who wanted them and helped take inventory for the residents. What a wonderful way to end the parking lot sale! The parking lot was clean and ready to use as soon as the truck pulled out to visit each of the homes that had individual garage sales and requested a pickup. Thank you so much Angel View!

This whole process was an experiment, the first time ever here. We are planning our second Garage/Parking Lot Sales for October. It is our plan to have these community-wide sales every April and October. We would love some input from those of you who sold, bought, attended and just had fun! There will be a survey on the Four Seasons at Beaumont website. The bottom line is it was a success! It was a party, too!

Clubs & Activities

The 8-Ball Club

Captain Del Lyles and the 8-Ball Club would like to invite all Four Seasons residents to join us. We have a great bunch of team members and are always looking for new friends.

If you are a beginner or an experienced billiards player, come and shoot some pool. Practice is Monday, Wednesday and Friday, 7 p.m. to 9 p.m., but you can usually find someone in the Billiards Room any evening.

Also, if you are tired of hauling your newspapers, aluminum cans or plastic bottles to the recycle center, the 8-Ball Club can help you with that, too. The first Wednesday of each month from 7 to 7:30 p.m. you can take your recycling stuff to the Lodge and we will be glad to take it off your hands.

If you have any questions, just stop in the Billiards Room or give us a call: Captain Del Lyles (951) 845-5114; Co-Captain Roland Harrah (951) 845-1734; Captain Assistant Dot Hurst (951) 769-5850.

See **YOU** in the Billiards Room! -- **Dot Hurst**

African American Cultural Club

The African American Cultural Club will host the second annual Juneteenth celebration on Saturday June 18, in the center courtyard of the Lodge from 11:30 a.m. to 3:30 p.m. Please make plans to join us and enjoy the festivities of the day. More information regarding the upcoming event will be in next month's Sentinel.

The next AACC meeting will be held on Monday May 2, at 6 p.m. in the Card Room. For more information or questions regarding the club or the upcoming events, please contact Betty Ann James, Chairperson (951) 572-5538 or Joyce Allen, Co-Chairperson, (951) 769-4354. -- **Mabelene Dimmer**

All Seasons RV Club

The club had a great time in Buellton at the Flying Flags RV Resort (not Six Flags Resort as reported earlier). Weather was great and members enjoyed visiting Solvang, Los Olivos, Lompoc and surrounding areas. Thanks to Bob and Vicki Howard for being excellent wagonmasters.

May 22 to 26 we will be at the Chula Vista RV Resort and Marina. Ron and Nancy Morgan will be our wagonmasters.

New members Bob and Judi Rose are planning a trip to Big Bear Lake in July. We will stay at Holloway's Marina.

A trip to the Grand Canyon and Sedona is planned for September 20 to 30. Dorothy and Steve Meier are wagonmasters for this trip.

Please attend our meetings on the second Tuesday of each month in the Ballroom at the Lodge. -- **Nancy Morgan**

Amphitheater Production Group

Sunday at the Amphitheater will have its third Summer Opening on May 15 at 6:30 p.m. Come early and get a good seat as we present three varied styles of entertainment.

Hot Asian Pacific Dancers will begin the night. The Kutturan-Chamoru Performers represent the Pacific Islanders of the Mariana Islands in Micronesia and will be telling the legends and stories of their ancestors through their colorful dances.

John Wouters and his ukulele will follow with several songs with a Hawaiian theme. John has been entertaining the Potluck group at Monday Night Football in the Lodge for sometime now. He has graciously agreed to share his talent with our larger outdoor Amphitheater audience.

Then we will cool down with a jazzy performance by Lady Danger and the BHS Trio Band. What a great way to start the summer months!

Look for a couple of changes this year as we try out a few new

ideas. Giving everyone a numbered ticket stub as you enter will have a two-fold purpose. It will help us keep track of how many attend each Amphitheater event and we will also hold a drawing for a small prize at the end of the evening. The winner must be in attendance to collect his/her gift.

Finally, special thanks so much to all who donated items to the Amphitheater Production Group's space at last month's Parking Lot and Garage Sale. The money earned for items sold was added to our small bank account to help compensate our outside entertainment for their talent and transportation.

Grateful thanks to Phyllis Beede, Carol Napolski, John Noonan, Marcia and Reuel Olson and Paula Wein for helping to staff the space and sell the items. It was a cold and long day, but well worth it.

See you at the Amphitheater! -- **Penny McDonell, Chairperson, (951) 849-5535**

Ballroom Dance Club and Social Dance

The origins of most dances can be traced to a time and place in history. But dances evolve into many different forms, and those forms often depend on where we live and what our customs are. This is true even across the U.S., from North to South and East to West.

Samba, for example, has its origins in the late 19th century in Brazil. But Samba is a set of dances, which makes the original somewhat obscure. Then in the 20th century the Ballroom Samba evolved as yet another form of this dance.

We here at Four Seasons learn dances that we can use in a practical way, and we learn to recognize which dance can be done to which style and type of music. For example, when slow, dreamy music is played we can do the Foxy. And we recognize the different Latin and Swing dances, the Waltz, and other styles as well.

After being introduced to the Mambo, Fox Trot, Tango and the Foxy, the Ballroom Dance Club is now learning the Samba, and just for fun, the Cowboy Cha Cha. But even though we take on new challenges, we continue to do the old familiars as well, so that we can dance to almost any music.

The Social Dance group has made very real and noticeable progress over the past few months. Starting with the basics of Waltz, Fox Trot and Rumba, we are now putting steps together into dance routines. Before taking these lessons, most of us had never learned any formal dance steps, but you should see us now! We always have fun, and with each dance lesson we gain more confidence.

The Social Dance group is for those beginning to dance, and starts promptly at 6 p.m. every Monday night in the Ballroom. The Ballroom Dance Club is for those a little more advanced, and starts about 6:30 p.m.

And remember: An extremely important part of learning to dance is practice, which is usually held on Thursdays from 6 to 7 p.m. in the Ballroom. It's amazing how much we improve by supplementing our lessons with just one hour of practice each week. -- **Willis Fagan, for the Ballroom Dance Club**

Bingo Committee

Bingo games in the Lodge will be discontinued after June. 15.

A lack of participation by Four Seasons residents and difficulty finding volunteers to run the games led to the discontinuation.

The Bingo equipment will be stored to be used again if interest increases and enough residents volunteer to help. -- **Sandy Dwyer, Chairperson**

Book Club

Book Club members discussed the 2006 memoir, *Eat Pray Love* by Elizabeth Gilbert, at their March 29

Notes: Memorial Day, Monday, May 30 Lodge hours: 7am to 6pm

AACC is the African American Cultural Club

Clubs & Activities

meeting. According to the advertising, *Eat Pray Love* describes Gilbert's journey through three cultures (Italy, India and Bali) in an effort to examine different aspects of her nature after a divorce and ensuing severe depression. The book was on the New York Times Best Seller List for 199 weeks and was made into a film in 2010.

Readers in the Book Club had much difficulty relating to the author's emotional distress. The author had a good job, financial security and a husband who apparently cared about her. Yet she seemed to be unable to accept the fact that she did not want to have children and did not want to continue being married. Rather than talking the problems out with her spouse, she spent nights crying on the bathroom floor asking God to tell her what to do.

Although the author's self-deprecating humor was enjoyable, the sequel to the *Eat Pray Love*, *Committed: A Skeptic Makes Peace with Marriage*, indicated that Gilbert even after her journey to "find herself" had not resolved her fear of establishing long-term personal relationships. She may have learned how to meditate, but it did not seem to have improved her ability to be less selfish with those close to her.

The Book Club meets on the last Tuesday of each month at 9:30 a.m. in the Ballroom. The focus for May will be *Beachcombing for a Shipwrecked God* by Joe Coomer. Residents who enjoy reading are encouraged to attend. — **Bobbie Eckel**

Bridge

At Four Seasons Beaumont, there must be several households with people who have played the card game of Bridge. If you have thoughts about playing Bridge again, don't put it off. A refresher course of Bridge lessons can be arranged at no cost. Give me a call so we can include you in our fun loving Bridge family. -- **Carl Carson (951) 769-8912**

Bunco

We have gotten a lot of new homeowners lately, so if you are looking for something fun to do, come and join us for Bunco. We meet on the second and fourth Friday of every month in the Card Room.

We had a really good turnout and a lot of fun in April. The next Bunco games will be Friday, May 13, and Friday, May 27, at 1 p.m.

If you have any questions you can call either Anni Smith at (951) 769-7371 or Suzanne Roldan at (951) 849-8540. See you all there. — **Anni Smith and Suzanne Roldan**

Canasta Club

Don't forget the Canasta Club every Thursday from 1:15 to 4 p.m. in the Card Room at the Lodge. It is really handy having our club at the Lodge since Smitty is quite good about serving us drinks and sweets while we are playing.

If you're new to the game, never fear, as we will always have a learning table to get you started. We are growing every week and everyone is welcome. -- **Melody Seewoster**

My Family Tree Experience

By Howard Lyon

I became interested in tracing my family tree after attending one of the Discovery Club meetings. It was there I met others with the same desire and passion – to assemble and organize their family history. So, I obtained my own copy of Family Tree Maker and got to work.

I've found this to be not only fun, but very rewarding. And what I'm discovering on the Internet is nothing short of amazing. Those who have been working on their family tree for a long time

have had to travel great distances and go to great expense to obtain information. But it's far easier now, because much of that same data is available on the Internet, so you can download it right onto your computer without leaving home.

Recently while doing research on Ancestry.com I noticed a "hint" next to my paternal grandmother's name. I then found that someone had done her family tree, and that her lineage had been traced all the way back to 1330! I was very happy and excited to make this discovery.

My family is much more real to me now, and I have far more appreciation for the lives they lived and how I came to be where I am today. I plan to continue gathering and organizing information on my family so I can pass it on to my descendants.

The Discovery Club meets in the Crafts Room at the Lodge. You may get on our email list by contacting the Club Captain Willis Fagan at webbev@verizon.net. He'll notify you of our next meeting.

Four Seasons at Beaumont Golf Club

Now that the weather is off and on -- some sunshine but, also, some snow, hail, rain-- we are enjoying golf when we can get out.

We are playing most Mondays and we started playing on Saturdays once each month at the PGA Course, which now is owned by Morongo. So, we will be playing more golf and at more courses just as soon as we get some consistency in the weather; i.e., sunshine, and hot, hot, hot! -- **Ed McBratney, Four Seasons-Beaumont Golf Club**

Four Seasons Racquet Club

The "warm weather" tennis season is upon us! Some of our heartier souls have been braving the morning chill and playing all winter. We now hope to see the rest of you come out and join the fun.

We started our monthly "Play Days" on April 30 and they will continue, on the last Saturday of the month, through September. These are a great way to join in on open rotating play and get to know your tennis neighbors. Watch your e-mails for details on Play Day activities and other events as they develop.

With the weather warming up, Cheryl Smith has started the drill groups again. The beginner group continues to be on Tuesdays at 4:30 p.m. The advanced group will probably follow the beginner group on Tuesdays at 5:30 or 6 p.m. The drills are open to everyone. Fees for the drills are \$5 for tennis club members and \$7 for non-members. The fee is paid directly to Cheryl at the beginning of the drill.

After getting instruction from Cheryl on the proper way to hit a ball, club members can groove those strokes between clinics by using our ball machine. The machine is available to those club members who have completed the usage instruction and signed the release form.

Hope to see you on the courts. -- **Howard Lyon, Secretary, FSBRC**

Knitting and Crocheting

The Beaumont Senior Center donated to our club numerous balls of yarn that had been donated to them. It was given to us with the understanding that we would make items for the Senior Center. We divided it up the best we could, and are making either shawls or lap blankets.

We will still work on the 7" x 9" blocks as well from what we have left. This was very generous of the Center and we will do our best to put together very nice and enjoyable items.

We had another lunch outing in April. This time we went to

Clubs & Activities

Tang's Chinese Restaurant in Calimesa. It was very enjoyable and we had delicious food. – **Dorothy Payne**

Crafters – “Get Around to It”

Stamp - Cut - Talk - Cut - Knit - Talk - Ooh and Ahh ...that's what we do.

Bring a project that you enjoy working on and join in on the fun. We meet at 5:30 p.m. in the Craft Room and go till 7:30 p.m. or later, if needed.

If you have questions call Paulette Sims at (909) 967-5261 or Pat Dawson at (909) 720-1514. -- **Pat Dawson**

Life Guide Bible Study Club

In May the **Life Guide Bible Study Club** will begin a brief series called *Encouraging Words from God's Word*. We all need encouraging words in our lives, but especially when we are dealing with the Deadly D's of doubt, defeat, discouragement, and disappointment. Certainly there is no better place to find encouragement than from God's Word, the Bible. Some of the topics we will be discussing in the first few weeks are: Don't Let Your Doubts Defeat You, What to Do When You Feel Like Giving Up and How to Deal with Disappointment. Come and join us. Everybody is welcome!

The Life Guide Bible Study Club meets in the Ballroom of the Lodge on Tuesday evenings from 7 to 8:30 p.m. This club provides an opportunity for us to meet people in the Four Seasons community, and also a chance to encourage and strengthen one another in our walk of faith. By the way, each lesson is self-contained, so you will benefit from the discussion even if you have missed previous lessons. This study time will give you an opportunity to share your faith and gain encouragement and help from others in the group. For more information, call Don Cummings at (951) 572-5329. -- **Don Cummings**

Line Dancing

Two and a half years ago I started taking line dancing lessons. I had never had any type of dance instruction before. Thanks to a very lovely and patient teacher, I learned one step at a time.

I felt I would never remember one dance. I finally did, and found that I really enjoyed it. In fact, I enjoyed it enough to want to teach it to others -- one step at a time. If you have ever thought about trying line dancing, just do it. Show up and I will teach you one step at a time.

You will feel overwhelmed at first, but slowly you will start to put the steps together and begin to enjoy yourself. My first teacher has since passed away, but as long as I can teach one more person her love of beginning line dancing, she lives on.

Come try it -- every Thursday at 4 p.m. in the Lodge Ballroom. Please feel free to give me a call if you have any questions. -- **Martha Franck, Club Captain, (951) 769-3889**

Mah Jongg for Everyone

A new American Mah Jongg group is being formed which will meet in the Card Room at the Lodge on Tuesday afternoons at 1 p.m. 

Mah Jongg is an ancient Chinese game which has grown in popularity over the years. Now played in several versions, it is widely known as a multi-generational experience -- a common family ritual of entertainment.

Elaine Sandberg, author of *A Beginner's Guide to American Mah Jongg*, characterizes it this way: “it's simple and at the same time complex. It's competitive: you play against three other people. It's sociable: people play for hours, they eat, they talk, and

they laugh. There are groups of players that have been together for decades. It takes thinking: figuring out the best plan for your individual hand, deciding how to keep others from winning, and using appropriate strategies.

It's not called “The Game of a Thousand Intelligences” for nothing. It's relaxing. It allows people to focus on something completely unrelated to everyday concerns. And it's thrilling: there's nothing more exciting than when, with your heart racing, your adrenaline pumping and your palms sweating, you call “Mah Jongg!” And on top of that, it's non-fattening...!”

Exuberant or reserved, beginning or experienced, whoever you are, you are warmly invited to join us. Please sign up at the Lodge desk. Looking forward to meeting you! Contact me at (951) 922-1430 or Ballardland@verizon.net -- **Johanna Ballard**

Old School Dance Club

Thanks to all the residents of Four Seasons who came out to the 2011 opening on March 4 and 15 and danced to some “oldies but goodies.” Everyone had a good time as we danced to old rock and roll plus R&B sounds.

What's the meaning of the word dancing? -- To move the feet and body rhythmically to music, to leap or skip in a pattern of motion performed to music while dancing in a line with someone or just by yourself.

Later we all started doing some new dance crazes such as The Wobble, The Bus Stop, The Obama Hustle Line Dance, Zydeco Dance, and, the latest dance, The Dougie. These new dances were fun to do. We had a great workout and some good fun.

I would like to see more residents come out and enjoy themselves and meet new friends in the community. Until next time, stay well and be happy as always. -- **Willa Harris, Captain**

Paddle Tennis

Come and join us at Paddle Tennis. It is similar to regular tennis except that you use a paddle and a smaller court. It's fun and it keeps you fit. We play every Tuesday and Thursday from 5 to 6:30 p.m. Everyone is welcome.

For more information, contact Alan Aymeng, (951) 769-4202, or Niles Sundstrom, (951) 572-5119. -- **Alan Aymeng**

Seasoned Sassies

The Seasoned Sassies (our Red Hat Society chapter) meets the second Wednesday of each month.

For more information about this fun group call Melody at (951) 769-2774. -- **Melody Seewoster**

Taste d'Vine Wine Club

The Taste d'Vine Wine Club meets the third Thursday of each month at 6 p.m. in the Lodge Ballroom. We are educated, we socialize, we dine, we taste and compare wines.

The appetizers are delicious and provide an opportunity to discuss and food and wine pairings.

The entertainment is great. Members find wonderful wines and tell us about them. They take trips and come back with information to share with us. It's a party.

It is a wonderful time and we invite you to join us as we learn more about the world of wine in a fun and festive setting. Thursday May 19, is our next meeting. Please bring your glass or two, an appetizer and join the fun. Members' dues are \$5; guests are \$8. See you there. -- **Anita Worthen President**

Walkie Talkies

A hike to the 49 Palms Oasis Trail, near the Joshua Tree National Park, was planned for Tuesday, April 12. Read about it in the June issue.

This was the last hike planned under my leadership of the Walkie Talkies. I took over the group in August / September of 2009 when the original leaders gave up their leadership after two years.

I accepted the task because no one else stepped up. I never intended to do it forever, even though my spouse and I love hiking.

I have told the 40-plus listed hikers involved of my intention to step down but no one has stepped up as a replacement.

Perhaps, there are other Four Seasons residents who may be interested in taking over this group. The demography of the Four Seasons community has changed. There are now more people interested in doing more physical hikes than in the past. The early days of the group were more for walking and talking.

For the future of the Walkie Talkies, more people will have to be involved, to satisfy the needs of both seasoned and slower hikers. It is of utmost importance that the hikes be fun and interesting.

If anyone is interested in getting involved, please send me an e-mail.

There are no hikes planned after the April 12 hike. It is now time for me to return to the projects I had planned for retirement. But, if the group's activities continue under a new leadership, Frieda and I will participate.

If no one is interested in taking over the leadership of the group, it will simply be disbanded. — **Fred Hofer, (fred.hofer@verizon.net), (951) 922-6119**

Four Seasons Spotlight

Marilyn Does a Good Job of Fighting Frailty

By Zelyne Rudolph

Have you ever wondered why some people stay healthy with vitality and others fade into frailty? Experts continually study these issues and challenge the thought that frailty is inevitable. What is frailty? For the purpose of this article, there are a number of symptoms: exhaustion, weight loss, muscle weakness, slow walking speed, and decreased daily activity. Experts have the opinion that having three or more of these symptoms denotes frailty.

"Although the risk of frailty increases with age, don't assume you are going to become frail," says Taryn Lee, MD, director of the geriatrics consult service at New York-Presbyterian Hospital and assistant professor of medicine at the Weill Medical College of Cornell University. "There are plenty of very active, robust, highly functional people in their 80s and 90s" and "these people are still living their lives much as they were when they were younger," notes Dr. Lee.

Frailty can be avoided by being active. Research has shown that physical activity can prevent cardiovascular disease. It can also maintain good blood pressure, weight and strength while maintaining good cholesterol. This writer has written about many seniors who are succeeding in aging gracefully. An example of a person who fights the fight and is happy and healthy is Marilyn Sarchett.

Marilyn is a Four Seasons resident and has taught classes in the gym exercise room for the last three plus years as a member of Pro-Fit. She was born in Mississippi but came to the northwest because her father was in the service. Marilyn met her husband, Steve, in Portland. They have been married for 47 years and they have two sons still living in Seattle.

After moving to California, she and Steve lived in Oxnard. Unfortunately, her father-in-law, Bob, lost his wife and wanted to come live close to them. They began looking for a 55 plus community and found Four Seasons Beaumont, where they bought him a Springdale for Father's Day.

Marilyn was always focused on her health and exercised but didn't get serious until her late 20s. She consistently ran; in fact, she remembers that she ran in Seattle, often with an umbrella. Marilyn wanted to stay healthy because both of her parents had diabetes and her mother had significant additional health issues, including hardening of the arteries and high blood pressure. Her experience shows that coming from parents with significant health problems, doesn't mean one will have the same problems if they stay active.

Marilyn read the 1985 book *Fit for Life* which motivated her to just eat chicken and fish. After a while, she decided to cut out meat entirely for a while to see if she liked it. She has been a 'semi' vegetarian since the age of 43. As an aside, Marilyn said

she incorporated fish into her diet when she came to California because the salad bars got a little boring for her. At this point in her life, Marilyn has maintained a healthy constitution and she attributes that fact to her active lifestyle.

Marilyn has worked out at Bally's health club since 1985, doing a variety of exercises including kick boxing, and the aerobic exercise Tae Bo. She started an exercise program at work by telling her bosses that the employees would be more alert, have less sickness and be more active if they exercised.

She was given a room and a TV where she and other employees used the taped exercise programs. She and a few ladies worked out four days a week during lunch and ate lunch on a break time. I asked Marilyn what she concentrates on when planning her classes. She replied that aging seniors need to maintain strength, agility, and balance. In a senior's life, nothing is worse than falling and being injured.

Seniors must stay active in order to heal if they do fall. Marilyn thinks weights are important for seniors. She worked for Curves fitness club for five years, part time, and this is when she learned the importance of weights to the body's musculature and conditioning. Marilyn initially found that weight training improved her body. Physical activity, such as walking, jogging, tennis, swimming, etc., causes muscles to efficiently burn fat and define the body.

Marilyn offers a word of advice on eating habits. "Seniors don't need to eat as much as they used to. Keep your meat portions no bigger than the palm of your hand; stay away from the white food, like white bread, white flour, and white rice. Try to consume the good carbohydrates."

Marilyn is doing a great job fighting frailty. In addition to her teaching conditioning classes, she also attends other classes like Zumba. She also finds time to take tap dancing classes, attend line dancing, and play tennis. The Sentinel has a calendar for physical activities. I hope to see you somewhere soon having fun as together we fight frailty.

Marilyn Sarchett

Four Season's Community Info

Congratulations to Anita Worthen – Again!

By Leighton McLaughlin

Four Seasons resident Anita Worthen is 2011 Woman of the Year for the 65th Assembly District.

She was selected by Assemblyman Paul Cook because of her tireless volunteer work for several Pass Area community organizations.

She is president of the Desert Edge VFW auxiliary, a life member of the Disabled American Veterans and chairperson of the Pass Area Veteran's Workshop/Expo and volunteers at the USO in Palm Springs Airport. She volunteers for the Beaumont Chamber of Commerce in city beautifications projects, candidates' forums and senior luncheons. Earlier, she was the Chamber's volunteer of the year for 2009 and has served on the League of Women Voters.

As if all that is not enough, within Four Seasons she is on the Safety and Facilities Committee and is one of three coordinators of the Neighborhood Watch program as well as chair of the Emergency Preparedness Program. She did a stint on the Social Committee and is president of the Wine Club.

Beaumont Mayor Brian De Forge called her a "community treasure."

She received her Woman of the Year certificate from

Anita Worthen with Assemblyman Paul Cook

Assemblyman Cook at a ceremony outside the Beaumont Chamber and then flew to Sacramento to be recognized by the California Assembly.

Neighborly Notes

By Bobbie Eckel

Kudos to our organizers and participants in the first Four Seasons Community Garage Sale on April 9! The organization was fantastic and the hardy residents who participated in spite of snow and very cold temperatures are to be commended.

Residents, if your important emergency information has changed since you moved into Four Seasons, you should update the yellow Resident Information Form, #2029. These forms are completely confidential and are kept in the Lodge Office. Any changes in phone numbers, second residences, emergency contacts, etc., should be kept current on this form – and only the resident involved can make the changes. Think about your current status – and stop by the Lodge Desk to update your form as necessary.

This month is the grand opening of our "Sunday at the Amphitheater" series. Be sure to mark your calendar for Sunday, May 15, at 6:30 p.m.

Softball buffs, it's not too late to join the Valley-wide Senior Softball League. The League plays out of Valley Wide Recreation Center in San Jacinto. All levels of play are involved; interested players must be age 55 or older. Summer and winter seasons are scheduled. The cost is only \$30 a season. You play at least 40 games each season. Game Days are Tuesdays and Thursdays. Practice is on Wednesdays and Fridays, 7:30 a.m. to 9:30 a.m. Modified ASA rules are utilized. Please call (951) 4509 for additional information or to sign up to play.

If you read the Customer Connection page in the March Southern California Edison bill, you are aware of the many money-saving tips that they are suggesting. One of the suggestions was giving appliances a "lunch break" between noon and 6 p.m. Edison suggests using energy-saving surge protectors which

automatically turn off power to devices when not in use. For a complete list of energy-saving tips, details about the Lawn Mower Exchange Program and information about the recycling of less efficient energy appliances, visit www.sce.com.

Just a reminder that Lodge Hours will be changed for the Memorial Day holiday on Monday May 30: we will have reduced hours, 7 a.m. until 6 p.m. That should allow for barbeques and parties to finish the three-day weekend. Then we are back to "business as usual" on May 31.

Activities Director Corner

By Cindy Graves

May is here already and now it feels like summer is upon us. Entertainment is always such a big part of the summer months and this year is no exception.

The first date to mark on your calendars is Thursday, June 16. We will be having a new event called "**Corks and Canvases**" and everyone will want to attend. This event is a collaboration between the Wine Club, the Art Club and the HOA. Come and get a bit more education on wine, enjoy a tasting and admire some of the beautiful paintings done by our own talented residents. This event is a free event open to residents over 21 years of age (*bring an I.D. in case we need to card you*).

Photographers and movie makers please start preparing your submissions now for the **Four Seasons Independent Film Festival** on June 3 and 4. Your submission can be a slide show of pictures (music and words are always a nice addition) or an actual movie, whichever you prefer. They need to be burned onto a DVD and can be up to five minutes long. I need to have all of your submissions in the office by May 27, so we can have the show ready to go for the following week. This show will take the place of the movie times

Four Season's Community Info

for that Friday and Saturday. At each showing (except for the final showing on Saturday) we will pass out judging sheets for the audience to choose the winning submissions in different categories. At the 3:30 p.m. Ballroom showing of the films, we will have an awards ceremony for the winners and conclude with a cake reception. This also is a free event and there is no age limit. Guests are also welcome.

Be sure to get out in the lovely summer evenings and enjoy the **Amphitheater Summer Entertainment Series** starting on Sunday, May 15 at 6:30 p.m. The Amphitheater group has been working very hard to secure a great line up with a variety of different shows to appeal to everyone's tastes. I can't wait for this year's series to start! Come on down and bring your cozy wraps, a comfy lawn chair and some munchies and you'll be all set!

Have a wonderful end of spring and beginning of summer and I'll see you around the Lodge!

Residents Vote at Annual Meeting

Residents overwhelmingly approved two measures presented by the HOA Board and reelected member Loren DuChesne to a second term at the Board's 2011 annual meeting last month.

A measure to permit the association to take advantage of Internal Revenue Service rules that allow tax savings passed 573 to 55, approval of the 2010 annual meeting minutes passed 618 to 7, and DuChesne was reelected by 676 votes to 204 for resident Carol Wall with one write-in vote for John Noonan.

This will be DuChesne's second term.

Board Treasurer Wayne Staples gave the Board's annual financial report at the meeting. "We are in excellent condition," he said. The total assets of the association are nearly \$3.5 million, he said, with \$2.5 million of that in reserve accounts.

In March, the HOA received \$26,000 in back dues and penalties from six residents – the best month to date. "That's so good I love talking about it," he said. That leaves only 24 homeowners in arrears.

DuChesne said he was pleased with the community's endorsement of the Board's work that the vote showed. "I will continue to work hard to solve problems and meet challenges," he said.

Voter turn-out was low. Of the 11 representative districts, only four -- with a total of 333 votes -- achieved a quorum of voters. In those districts the representatives were required to cast all the district's votes in proportion to the votes cast: that is, if 60 percent of those voting favored a certain proposal and 40 percent voted against, the representative was required to cast 60 percent of the uncast votes for and 40 percent against.

In the districts without a quorum -- with 553 total votes -- the representative was free to vote however he or she chose.

The districts with quorums were Arbors 1, Landmark 1, Laurel 1 and Springdale 1. Those without quorums were Arbors 2, Heritage 1, Heritage 2, Landmark 2, Laurel 2, Monarch 1 and Monarch 2.

Chef's Corner

Sonora Chicken Casserole

It's Cinco de Mayo time again and because I always like an excuse to eat something with a little more "oomph" in it whenever possible, I've decided to share this little recipe with my readers. Please note I will try to include the Weight Watchers PointsPlus value for this and future recipes when possible.

This recipe was originally given to me by my father about 20 years ago. If you like your food spicy then you may want to use a "hot" chili. My wife and daughters preferred a milder version, so I just served it with a spicy salsa on the side for those wishing to experience that slight burning sensation.

PointsPlus™ Value: 12

Servings: 8

Preparation Time: 20 min.

Cooking Time: 1 hr.

Level of Difficulty: Easy

Ingredients

2 lbs. boneless chicken breast halves cut into bite size pieces

1 (10 oz.) can cream of mushroom soup

1 (10 oz.) can cream of chicken soup

1 (15 oz.) can chili, no beans

½ cup Ortega green chili salsa (mild)

½ cup milk (reduced fat)

1 ¼ cup onion, chopped

1 (8 oz.) package shredded Cheddar cheese (reduced fat)

1 (8 oz.) package shredded Monterey Jack cheese (reduced fat)

12 corn tortillas, torn into strips

Directions

1. Preheat the oven to 350 degrees F.
2. Mix the soups, salsa, chili, milk and onion in a bowl.
3. Lightly brown chicken.
4. In a 3 ½ quart casserole, layer all the chicken in the bottom, then ½ the tortillas, ½ the soup mixture, and ½ the cheese. Repeat the layers, ending with the cheese again.
5. Bake for 1 hour.
