So Many Fashions... Such Great Fun...!

By Melody Seewoster

Our 5th annual fashion show was held on May 19 and, as usual, was a sell-out. One hundred eighty-seven ladies and gentlemen attended this very popular event.

Our models Colleen Barretto, Leslie Diamond, Pam DuChesne, Betty Ann James, Rytta Jones, Louise Lyon, Pam Mayoral, Carol Napolski, Laverne Prophet and Gail Harker did a wonderful job showcasing the beautiful clothes from Jones of New York. The models each displayed 2 outfits, both casual and dressy, and delighted our audience with very professional decorum.

Jones of New York also gave each guest a discount coupon of 20% for any purchase of \$100 or more.

Our tea was prepared and served by our Bistro and was very nice indeed. The menu included chicken salad sandwiches, quiche, scones and fresh fruit plus several flavors of tea.

The Ballroom was nicely decorated with lovely potted flowers which were also used for some of the door prizes and were placed on mirror squares in the middle of each table. Since our Ballroom is so lovely, it really doesn't take much to dress it up.

Thanks to the ESC for purchasing our new stage and to the residents of Four Seasons for donating the money that make it possible to buy it. A thank you also to Jeff and Terri Davidson for setting up the stage; it worked beautifully.

Jim Mulcahy did a great job

putting together both the show music and the tea music to fit the mood of both events. Jim has been ever so helpful with many of our events and deserves a special pat on the back.

Cindy did a tremendous job MC-ing the fashion show and the description the clothes that were chosen by each model, and her bio's of each model gave us all an insight of each lady and made us feel as if we were close friends. Do you think she might have made up some of that stuff?

No account of this event would be complete without mention of Godiva's Secret Wigs, Accessories by Sharon Cox and jewelry by Rosa Galarza. All three made it possible to see what is available to us from Four Seasons residents.

A very special thank you to Sue Wilson and Dena Cortez for delightful cookie favors they made for us; it made the event extra special.

A huge thank you to all the people who worked so hard to make this day possible. They all spent hours and hours decorating and un-decorating the Ballroom and, without them, our events would not be possible.

We will look forward to seeing you all next year for this very special event.—

Manager's Update

By Lisa Lynn, General Manager

At the Open Session Board meeting held on Thursday, May 10, the Board of Directors approved committee recommendations: including the Communications Committee request to make changes to the newsletter, the Event Systems proposal to purchase additional stage sections for \$2,022, the Event Systems turnover of capital asset items purchased with ESC funds, Safety and Facilities proposal to have the Bistro chairs refinished and the game room tables refinished (\$5,265), and the Safety and Facilities proposal for allowing use of Styrofoam noodles with mesh in the pool.

The Board of Directors approved the proposals for the annual Fourth of July Event (\$1,025), approved the replacement of some office computer systems (\$3,220), approved the purchase of additional umbrella stands (\$1,710), and approved use of the amphitheater for a private event and the theater for a private showing. Overall, 22 action items were requested of Management by the Board of Directors.

Management reported to the Board the completion of items including the installation of landscape material as a water reduction test area along Crooked Creek, completion of the Arborist report for trees in the Phase C area, removal of trees along Crooked Creek and Highland Springs, completion of treadmill repairs, completion of grout cleaning and sealing in the Lodge/Spa, receipt of the office letterhead, receipt of the dumbbell rack and weights in the aerobics room, and receipt of the rolling carts and trash containers for the Ballroom.

Management reported that 15 violation letters were sent out during April. Of those, four were for landscape or lot maintenance, two for architectural violations, one for a nuisance, four for parking issues, two for signs, one for pets and one for not properly storing a garden hose. The Board of Directors did not have to suspend any facility privileges for delinquent dues, keeping the total for suspended privileges to 12 current members. There were 33 accounts with balances over 90 days past due.

The Board approved the April 2012 meeting minutes and the March 2012 Financials. The Board meeting is held on the second Thursday of the month, with the Executive Session at 9 a.m. in the Lodge Conference room and the Open Session at 1 p.m. in the Lodge Ballroom.

There have been several sightings of rattlesnakes in the community, if you see one, please contact the Beaumont Police Department (951) 769-8500.

We are well into spring now, but it is not too late to get some of your spring cleaning done. Please give the outside of your home a good look. Here are some ideas for giving your home a clean, refreshed appearance: clean or paint the garage door, clean or paint the front door, clean or paint the wood trim, clean windows, wash away cobwebs and bird droppings, clean sidewalks and driveways, tidy up and clean items on display such as statues, potted plant containers, patio furniture, fountains, wind chimes, etc., add annual color to your planter area – yes, even homes in the HOA maintained area can add annual color without prior approval, complete minor repairs and check trim and weatherproofing.

*Note: If painting any areas on the outside of your home the same color, no ARC approval is required; however, if the color

scheme is to be changed, you must first submit an application to the ARC for approval, prior to doing the work.

Architectural Review Committee

Spring is here and many homeowners are thinking of beautifying their homes. Remember, any major changes need ARC approval before the work has been started. This also applies to new homeowners with their initial applications, requests for satellite dishes, screen doors or any other work outside the house. Property Improvement Applications must be at the HOA office by noon on the Monday preceding the meeting for consideration that week.

The Architectural Review Committee (ARC) is now at full strength. The ARC is comprised of Chairman John Papazian, six homeowners, and BOD Liaison Wayne Staples. The ARC is responsible for reviewing and approving any exterior improvements or modifications to homeowner property. This ensures that all improvements adhere to the established guidelines.

During the month of April we reviewed seven initial applications, 16 addendum/amendment applications and inspected 19 completions.

Meetings are currently scheduled for the first and third Wednesdays of each month at 9:30a.m. in the Lodge Conference Room. Come and see how the process works. Everyone is welcome. -- **Wayne Staples, Board Liaison**

Bistro Committee

The Bistro Committee met on Tuesday April 24. One of the topics of discussion was homeowners and guests sitting on the upholstered chairs, after coming in from the pool. Even sitting on a towel will not keep the chair dry. Please do not sit on the Bistro chairs, if you are wet.

Speaking of chairs, there are highchairs in the Bistro for your grandchildren to sit on when they visit. Just ask one of the Bistro employees.

The "Meet and Greet" desert and orientation for new homeowners was held on April 24. About 22 new homeowners attended.

Due to an active personal schedule, committee member Ann Williams has tendered her resignation. Ann has contributed a great deal to the Bistro Committee and will be sorely missed.

The next meeting is May 29 at 11 a.m. in the Lodge Conference Room. All homeowners are invited to attend. -- **William Taylor, Chairperson**

Finance Committee

The Finance Committee held its regular meeting on April 17. The financial statements for March were reviewed and reflected the following significant items: net income year-to-date was \$116,975 and total reserves were \$2,773,599. The accounts receivable (delinquencies) were \$104,377. Our total HOA expenses for March (excluding reserve allocations) were \$129,362. This was under budget by \$75,088.

There were four certificate of deposit renewals to be reviewed. The Finance Committee recommended increasing three from \$99,000 each to \$100,000 each and renewing at the best prevailing rate for a term not to exceed 18 months. A \$40,000 CD was recommended to be renewed at the best prevailing rate for a term not to exceed 18 months.

HOA News

The Front Yard Cost Center expenses for March 2012 were under the monthly budget by \$5,724.

There was one Vendor Proposal presented for approval. Wayne Staples, HOA Treasurer, reported on the delinquencies stating that several substantial collections were made in March, bringing the late current homeowners down to approximately 1% of the total.

With no further business to discuss, the meeting adjourned at 1:43 p.m.

A special meeting of the Finance Committee was held on April 4. One Vendor Proposal and the Springdale Landscape Upgrade Project were recommended to the BOD for approval. With no further business to discuss this meeting was adjourned at 1:42 p.m.

We are currently seeking one new member for our committee. If you have an interest, you can obtain an application at the front desk in the Lodge. Please note that our regular scheduled meeting date changed as of May. Finance Committee meetings will be held on the last Tuesday of each month at 1 p.m. in the Lodge Conference Room. All homeowners are encouraged to attend. -- **Noel Myers, Chairperson**

Event Systems Committee

The Event Systems Committee (ESC) has exciting stuff coming up.

First off, the "Summer Home and Garden Tour" is right around the corner. Show off that home you've worked on so hard or your unique yard or garden that you are proud of. It's all for two good causes: bragging rights and a fundraiser for our committee.

The Event Systems Committee is almost entirely funded by donations from residents and staffed by hard-working volunteers who want to make your entertainment better to see, hear and enjoy. You can help with the funding by coming out for the tour on Saturday, June 2, from 10 a.m. to 4 p.m.

Come on the tour and see everyone who is showing off their homes. You will love it and may get some ideas for your own. Just start at the Lodge on June 2, pick up your wristband and map, and then make your way to all the wonderful homes participating.

As usual ESC supports the Amphitheater Production Group's Summer Concert Series in a big way. ESC has worked to put the finishing touches on the improvements at the venue, having 250 feet of conduit buried and electrical outlets installed to power our equipment.

ESC volunteers have pulled over 600 feet of cable into the new conduits, soldered on the connectors and tested each element. A special shout out to Phil Harris, Colin Taylor, Randy Balt, Randy Cook, Peter Antoine and Rick Bowers who helped pull those cables.

Sometimes we forget to thank our wonderful Euclid Management staff for all they do, including Lisa Lynn who helped with the vendor contracts, Renee Watkins for supervising those selected contractors and maintenance personnel, and the incomparable Activities Director Cindy Graves, who keeps us all focused and on the right track-- no matter what we are up to.

Thanks to the Safety and Facilities Committee we have a concrete pad to park our Control Booth on and, thanks to the

Landscape Committee more seating is available and new plants around give that special facelift (and camouflage some of our utility boxes).

When we all work together we can accomplish great work, thank you all. -- **Roland Harrah, Event Systems Committee Chairperson**

Landscape Committee Report

The watering season has begun...The rainy season at Four Seasons is complete. We may get a few sprinkles in May-June, but usually this amount is too little for our plants.

While our totals for the year are down, we did have a decent spring with March and April rainfall up from 2011. Consumption for the year is 45 percent higher than last year but we only used about 10 percent of our annual water amount through April. With the January rate increase our bills are up 53 percent. As the Association assumes landscape responsibility for additional areas in Phase C (uphill from the power lines) we will pick up the bills for eight more meters. Currently we have 22 meters.

One of the concerns we do have at Four Seasons in the runoff from the slope areas. An occasional thunderstorm in the summer could cause the adobe soils to erode, especially if they are not covered with plant material. This web site (<http://www.laspilitas.com/garden/howto/slope.html>) offers some good suggestions for planting on slopes in our area. Another concern is that some of the plants in our community are not friendly to the palate and should not be tasted by animals or young visitors.

We are starting the landscape improvement project in the Springdale neighborhood with additional sidewalks and changes to the plant life that are more compatible with our overall look for the community. Highland Springs Road and Potrero Boulevard are also gaining additional trees and ground cover.

The Landscape Committee is in need of new members. If you are interested in joining, please pick up an application at the Lodge desk.—**Len Tavernetti, Chairperson**

Rules and Regulations Committee

The Board of Directors has approved new boundaries for the community districts. The proposal has gone to builder K. Hovnanian for the next step in the process.

The Rules and Regulations Committee discussed changing the date for the April Garage/Parking Lot Sales. The last two April events, held on the month's second Saturday, were very cold. Carol Napolski checked weather records and found that over the last five years the second Saturday in April has been cold, but by the last Saturday, the weather has been fine. The committee voted to change the date to the last Saturday for future Garage/Parking Lot Sales.

Our fall Garage/Parking Lot Sales will be October 13. Plan to participate, or at least come to shop!

Our Beaumont Four Seasons vendor who works on signs is working on a permanent "thermometer" for voting turnout in future elections. He will show us a mockup soon. We hope to have it ready in time for the community's next vote – probably on amendments to the CC&Rs. The committee is discussing plans, timelines and strategies for this election. Look for details in future issues of the Sentinel.

You are invited anytime to attend the Rules and Regulations Committee meetings. They are the third Thursday of every

HOA News

month at 9 a.m. in the Lodge Conference Room. -- **Louise Lyon, Chairperson (951) 797.3257**

Safety & Facilities

As announced last month Jerry Thompson has retired from the committee and I have assumed the role of chairman with the able assistance of Dennis Gray as vice chairman. We are going to miss Jerry and we all give him a big thanks for his time and input.

We also are glad to welcome Gordon Shepard as our newest member and look forward to his input.

It looks as though this time next month, we will have the new storage for the Tennis Club completed.

The committee is currently looking into the refurbishing of the Bistro chairs, refinishing the tables in the Card Room, and increasing the size of the exercise room.

We encourage all homeowners to participate and feel free to join us at our meetings. If you have any suggestions as to how we can improve our community, please contact Lisa Lynn or come to our meetings, the first Tuesday of each month at 9 a.m. -- **Bill Guy, Chairperson**

Neighborhood Watch

The next Neighborhood Watch meeting is Friday, June 9, at 10 a.m. in the Lodge Ballroom. Special officers of the Beaumont Animal Care department will be here to speak about city rules regarding pets, resolving issues with noise, local wildlife and address any other questions you may have.

We will also discuss ongoing issues, concerns and the safety of our community.

Come and be a part of a great group and get to know neighbors in Four Seasons. We meet at 10 a.m. on the second Friday of each month in the Lodge Ballroom. -- **Anita Worthen**

Social Committee

Our next upcoming event is the Luau on June 9, with doors opening at 5 p.m. The food this time is coming from Tang's in Calimesa and, if you haven't eaten there before, you are in for a delightful surprise. It is very good.

At the party itself, you can look forward to dancing, of course, and we will be crowning our King and Queen of the Luau, having a dance contest, a 50/50 drawing (so bring some cash), door prizes and maybe a few other surprises. Don't forget to bring your drink of choice. The cost is the same as the rest of our events (with the exception of New Year's Eve) and is \$20.

Start thinking now about our August event, which is going to be a pajama party and, so far, there has been a lot of excited talk about this one. I won't give away any of the details, but I think this is going to be a night of real fun. Keep an eye out for more information on this event. -- **Melody Seewoster, Chairperson**

Ad Hoc Water Management Committee Report

"To drip or not to drip that..." Our experiment with reducing water consumption with the test on Crooked Creek continues with phase II.

During phase I we replaced turf on the south side of the street with myoporium at the eastern end. The sprinklers watered this drought-tolerant ground cover with overhead spray. Since it was the first year of plant growth, we expected a higher than average water consumption. Test results showed that usage was virtually

identical to the mature turf in the control strip.

This year we expect the myoporium to have reduced need for water. In Phase II we have replaced the turf in the western portion with myoporium, but are watering the small plantings by drip irrigation to measure consumption with this type of irrigation. Going to a drip system would be more expensive than maintaining overhead sprinklers, so we want to make sure we have the right business case before making a recommendation. --

Len Tavernetti, Chairperson

Emergency Preparedness Program (EPP)

The EPP (The Emergency Preparedness Program) mission is to Educate and Train Our Community and be ready for emergencies.

The Pet Rescue Team was the focus of the May meeting. The team is made up of residents of Four Seasons Beaumont who have a concern for the welfare of our animal population. Bernadette Chance, Chairperson and other members of the team gave an in-depth presentation of who we are, what we do and their future plans. If you are a pet lover, come and join this group. They have very exciting plans.

Also, officers of Beaumont Animal Care came and spoke on the issue of barking dogs. They will also be at the June Neighborhood Watch meeting to discuss in-depth city ordinances, issues regarding pets and wildlife in the area and answer any questions and concerns you may have.

The next EPP meeting will have Rick Cook of the Beaumont Office of Emergency Service as the featured speaker. Please join us on Thursday, June 7, in the Ballroom at 10 a.m. -- **Anita Worthen**

Clubs & Activities

All Seasons RV Club

May 20 to 25, we were at Chula Vista Marina Resort. Nancy and Ron Morgan were wagonmasters. Excursions were enjoyed to museums at Balboa Park and lunch at Hotel Del Coronado.

We will be going to the Elks' Rodeo in Santa Maria June 1 to 3. Nine rigs are going. From there we will go to Lake Casitas at Ojai. Jane Jacobson and Nancy Morgan are making plans for visiting art galleries and boutiques, restaurant meals, fishing, and golfing.

Other trips are being discussed for the fall.

Come join us! Our meetings are on the second Tuesday of the month at 6 p.m. in the Arts and Crafts Room at the Lodge.
-- Nancy Morgan

African American Cultural Club

The African American Cultural Club will be holding its annual Juneteenth Picnic on Saturday, June 16 from 11 a.m. to 3 p.m. at the pool area barbeque. Please bring a dish to share. We will be grilling hot links and hamburgers (\$5 charge).

Juneteenth is a celebration of freedom which is still relevant to the world today. Please let us know if you will be attending, what you are bringing, and whether you'll want hamburgers and/or hot links. We always have a good time greeting old friends, visiting, and playing cards and dominoes.

Please RSVP to: Martha Benoff, (310) 472-1749 or martha.benoff@verizon.net or Rheuban Taylor, (951) 572-5782 or wallabyt@live.com. —Martha Benoff

Amphitheater Production Group

We are off and running for this year's Amphitheater Summer Season of Performances.

As usual, due to printing deadlines, I have to wait until next month to comment on May's Opening with The Dave Leahey Band. Hopefully everyone enjoyed them as much as I have previously.

Don't miss out on Sunday, June 24, at 7 p.m. and the return of The Lady Danger Band with Bob and Sean. They were very well received last year, so be sure to catch them again this summer.

For those new residents or anyone else who might wonder, "Where is the Amphitheater?" just take a stroll out the back doors of the Lodge, and aim for the area in between the Pool and the Tennis Courts. It's a beautiful and relaxing setting for all the great entertainment that we have coming up.

Anyone interested in getting involved and helping out please contact me.

See you at the Amphitheater. — Penny McDonell, President, (951) 849-5535

Ballroom Dance Club

My wife and I were always drawn to the beauty of waltz music, and we would get out on the dance floor and sway back and forth – not having a clue what we were supposed to do. Now, thanks to our wonderful dance instructors here at Four Seasons, we can waltz, and it allows us to express the music in a much more enjoyable way.

Like us, many of you feel the urge to dance to a waltz.

But without knowing how, you do what we did – hold each other and move back and forth. So here's some very good news:

Now Is The Time To Learn To Waltz! Right here in our own Ballroom, for the next six weeks, our very experienced and capable dance instructors will teach you to waltz, step by step. You'll learn where to put your feet, how to hold your partner, and where to move on the dance floor. With just a small investment of time and energy you can learn a beautiful and popular dance that can be used so many times and in so many places.

At 6:30 p.m., (at a cost of \$5), we have a one-half hour beginning dance lesson where the basics are taught. For the hour between 7 and 8 p.m., (at a cost of \$10), the lesson builds on the basics and is a little more challenging. If you want, you can have the entire 1-1/2 hours of instructions for only \$10. You won't find better teachers or a better deal anywhere, so come and take advantage of this great opportunity!

For questions or comments, please contact Puring and Gary Stifter at (951) 922-8333, or at purings@verizon.net.

-- Willis Fagan, for the Ballroom Dance Club

Book Club

"Here is the truth, this is what I know: I was walking on the beach with Emma. It was cold and very foggy. She let go of my hand. I stopped to photograph a baby seal, then glanced up toward the Great Highway. When I looked back, Emma was gone."

Thus begins *The Year of Fog* by Michelle Richmond, the spellbinding story of Abby Mason—photographer, fiancée, soon-to-be-stepmother—and the consequences of her greatest error. It is a riveting drama of how life can change in an instant and of a family torn apart by the search for the truth behind a child's disappearance. Incorporating the local color of San Francisco, this novel is intriguing and very well done.

Please join us on June 12, when the Book Club will discuss this suspenseful novel.

And if you enjoy books by Lisa See, you will definitely want to be present on July 10 when Patty Jordan will lead the discussion of *Dreams of Joy*, the sequel to *Shanghai Girls*. This is bound to be a good one. — Mary Lou Keating

Bridge

The game of bridge has the ability to keep the mind up to speed, something we all could use! We do not play duplicate. We play party bridge and it consists of playing six hands with one partner then changing partners. You will play with five different partners. This enables us to get to know different ways to play the game and improve. We are here to enjoy the game. We will work to help anyone who would like to learn the game.

We had the pleasure of having two new experienced players join us this month: Lee Adams and Gordon Sheppard, Welcome to you both, great to have you on board.

For those who would like to refresh their skills or learn the game, come on down Mondays at 12:30 p.m. to 4 p.m. For those who would like to learn some of the game from the computer, the following are a couple of ways: go to [Http://ACBL.org/learn/index.php](http://ACBL.org/learn/index.php) and you can download beginners

Clubs & Activities

and intermediate lessons. Also you can go to the American Bridge Association's web site and click on Bridge Education for different bidding methods. BBO (Bridge Base Online) will give you a chance to play interactively with people from around the world.

Bunco

Yes, we had every table full this last time we played Bunco, and everyone had a great time.

Come and join us. We have extra card tables we can use. We meet on the second and fourth Friday of every month. The dates for June are Friday, June 8, and Friday, June 22, at 1 p.m. in the Card Room at the Lodge.

We hope to see a lot of you there. -- **Anni Smith and Suzanne Roldan**

The Canasta Club

Come join us for an afternoon of fun, conversation and Hand and Foot Canasta. We meet on Thursdays from 1:15 p.m. until 4 p.m. in the Card Room at the Lodge.

If you don't know how to play, we will be happy to teach you and, after the first game, you will be playing like a pro. However, if you are a serious card player this might not be the game for you since we at times get loud and silly.

We normally have eight tables of card players but at times have had as many as 11 tables playing at one time. This is a great way to spend an afternoon and a good way to meet your neighbors. For more information please call Melody at (951) 769-2774. – **Melody Seewoster**

Ceramics Corner Blog

Do you love to create? Is ceramics on your "to do" list? Even those who say they don't have a creative gene can do ceramics. Come check out samples of what you can create in the Craft Room.

Upcoming samples to watch for are ladybug and bumble bee garden décor, fish wind chimes, handmade butterflies, leaves and flowers turned into jewelry, a handmade bird feeder, a toad house and, for the summer, a very large bowl painted as a watermelon.

Also, the Fourth of July is coming up so we will be working on a pitcher with a red, white and blue theme in honor of our country.

We hope to see you in class. If you have any questions, please feel free to give me a call. – **Pamela Mayoral, (951) 897-1922**

Crafters

Hello, Crafters! Just a reminder that we meet the first and third Thursday of the month at 5:30 p.m. Come and join us for an evening of crafting.

We have already made some Mother's Day boxes and they are very nice.

The "How Many Are in the Jar Game" was won by Rita Partida. What fun!

In June we will be making center pieces for 4th of July. We also will be having a spring pot-luck in the patio if the weather

is good. You are all welcome to come and join us.

The stepping stones are done; they turned out quite nice. You can call or just come to the Craft Room. We would love to have you join us. -- **Pam Kelley, (951) 769-7967, or Rita Partida, (951) 845-7193**

Discovery Club

In April of this year the 1940 census was released, but it is still in raw form. Names have not yet been copied into alphabetical lists, thus to find your relatives you must know the specific Enumeration District (ED) where they lived. Each ED can be comprised of just a few pages or 40 or more pages, meaning there are lots of names to read.

I know the exact address where my wife and her family lived in 1940. Even so, I started looking in the wrong place! In those days their house had a city address – but it was legally located in the county, thus I had to switch from city to county maps. It's important to be aware of these technicalities when doing your research.

Also, the census maps have been copied several times and can be somewhat illegible, with low resolution text and graphics, and with the ED numbers written across heavy lines or condensed map data. After trying several ED numbers and looking at many pages, I found my wife's family. And, talk about serendipity, in the process I stumbled across several other relatives living in the same area. The lesson? Try something different. Look for clues. And above all, be patient and persistent.

The 1940 census contains 3.8 million images, and each image can contain dozens of names. Genealogical groups such as Ancestry.com are now very busy entering all the names in an alphabetical listing for each state, and have done Nevada, Delaware and Washington, D.C. so far. In time, we'll be able to use names – but for now we're pretty much stuck with searching by Enumeration Districts.

If you need help, have suggestions, or want to be included on our email list, please contact the Club Captain. Notice of our next meeting will be sent via email. -- **Willis Fagan, Club Captain, (951) 769-4482, wefbev@verizon.net**

Four Seasons Singers

Rehearsals of the Four Seasons Singers started again the first of May on Mondays from 3:30 to 5 p.m. in the Ballroom. We are rehearsing music for Independence Day and thinking about what to do in the future, including the Holiday Show in December and the Talent Show in March next year.

Remember, if you want to join, just call me at (951) 797-3466 or email me at bawasco@dc.rr.com. We are also looking for a full-time piano player to be our accompanist.-- **Barbara Wasco**

We're All Immigrants at Four Seasons

The theme of the presentation at the May Garden Club meeting is that none of the homeowners here are natives. We have come from different parts of the state and our country, and we have "imported" our familiar and nostalgic plants with us.

Clubs & Activities

Len Tavernetti's slide show described what the environment for plants is like here in our corner of "The Pass" and how relying on generalized growing maps falls short of providing us with accurate information. The USDA Hardiness Map is based on ZIP code 92223 that ranges in altitude from 4,000 feet north of Cherry Valley to 1,500 feet on the valley floor.

Here in Four Seasons our elevation drops 235 feet from the heights of the "view lots" to Highland Springs Road. The winds in the pass push between 11,000 and 10,000 foot-high mountains north and south of Four Seasons, and we are often caught in eddies that swirl at us from varying directions.

Our soils lack organic materials and need help. Knowing our local environment makes it possible to grow our transplants and heritage flowers from previous homes with a little TLC.

The Garden Club will meet on Thursday, June 7 at the gazebo in the Laurel Paseo for a walking tour of this small park here in our community. If you need directions, please ask at the Lodge. — **Len Tavernetti**

Hearty Hikers Warm to the Task

Hiking on the Santa Rosa Plateau on May 9 turned into a longing to be under the shade of the old oak tree. The plateau is a large open area surrounded by woodlands along the gullies and seasonal streams and with the heat in the eighties, the woodlands were the place to be. The small party of Four Seasons hikers traversed six miles of the plateau on this early summer day startling squirrels, rabbits and lizards along the paths and trails of this Riverside County Park. After the hike, lunch at the BBQ Trio was a welcome and cooling rest.

In June the Wednesday Lunch Bunch will again attempt the hike to Forest Falls that was cancelled due to weather and construction. The hike will be on the June 13. The Friday Snack Bunch will head to the hills on June 8 to hike the South Fork Trail (5 Mi Out & Back 1100' Gain Mod). Their second hike will be on June 22 to Johns Meadow (Forsee Creek Trail) 6 Mi Out & Back 800' Gain Mod). — **Len Tavernetti**

Life Guide Bible Study Club

In May The Life Guide Bible Study Club concluded its study on discovering guidance from God and began a new series on "*How Prayer Can Change Your life.*"

When the disciples had some time alone with Jesus they asked him, "*Lord, teach us to pray*"-- not teach us to preach, or teach us to do miracles, but teach us to pray. They saw that prayer was the Jesus-life support system. It was the key to His vitality and power.

There is nothing more essential to your Christian life than prayer. We talk a lot about prayer, we study about prayer, but you find very few believers who are satisfied with their prayer life. In this series we hope to discover together more satisfying ways of praying. The Life Guide Bible Study will finish up some time in June and then take a break for the summer.

The Bible Study Club meets in the Ballroom of the Lodge on Tuesday evenings from 7 to 8 p.m. The club provides an opportunity for us to meet people in the Four Seasons community, and also a chance to encourage and strengthen one another in our walk of faith. By the way, each lesson is self-contained, so you will benefit from the discussion even if you have missed previous lessons.

This study time will give you an opportunity to share your faith and gain encouragement and help from others in the group. Everybody is welcome. For more information, call Don Cummings at (951) 572-5329. — **Don Cummings**

Knitting & Crocheting

We have two new people in our group; one is just learning to crochet. We are really beginning to grow.

We also scheduled another lunch outing for May 15 to the Elephant Bar in San Bernardino. The first one was fun.

We are still working on our annual project plus personal items, and keeping busy. Come join us for some fun and good conversation on Tuesday mornings at 10 a.m. in the Crafts Room. — **Dorothy Payne**

Four Seasons at Beaumont Racquet Club

Congratulations go to Howard and Mickey Nelson who won the 80's Mixed Doubles Tournament at the California Senior Games event last month!

FSBRC---Home of the winners! Mickey and Howard Nelson just won their 4th Gold Medal in the California State Senior Championships in the over 80 bracket, but to win they

Clubs & Activities

had to eliminate a team playing in the 60-64 age division. Will the beat go on (?) as they are now qualified for the National Seniors to be hosted in Cleveland next year. We are so proud of the Nelsons for this dynamite effort in Palo Alto.

Cheryl Smith's women's doubles team from Orange County just triumphed in the USTA Super Seniors 9.0 national finals in Surprise, Ariz. They won all five matches over the three-day event, finally eclipsing a team from Northern California to take top honors. Their team was headlined, pictured and celebrated on the cover page of the USTA website following this victory. Well done, Cheryl, to add to your many tournament wins this past six months!

Closer to home, we are seeing more tennis activity now that the weather has been consistently warmer. Our next Play Day will be on Saturday, June 30, and we invite your participation. Our drill session with Professional Cheryl Smith starts at 8:30 a.m. (\$5 for members, \$7 if not) and moves to rotational play on both courts at 9:30. This is non-competitive, friendly, social, get-to-know-your-neighbors, and have fun tennis. So come and join us and then move to the Bistro for a no-host lunch and a chance to re-play your most sensational shots of the morning.

Our Tuesday evening teaching clinics continue for both beginners/re-learners and intermediates, now at 5 and 6 p.m. E-mail Cheryl Smith at cashnah@aol.com if you want to be on the alert list.

All of our current activities plus player pictures (is yours there?) are available on our website. Go to HOV HOA website, look for Clubs, and select our club link or go to inegratedgraphics.net/BeaumontTennis.html. See you on the courts! -- **Ken Elliott for FSBRC**

Gun Enthusiasts Group

The first meeting of interested parties held on the May 4 was a success! We had 23 interested people with various experiences who wanted to learn more about safety aspects and proper handling of guns, and were eager to experience the nearby, new pistol / rifle indoor range set to open very soon.

Next month's meeting is scheduled for Friday, June 1, in the Arts and Crafts room at 4 p.m. Hopefully, a representative of the Beaumont Police Dept. will be speaking about the proper manner required to legally 'transport' a firearm from home to the range, among other firearm related topics.

We hope to see you there! Contacts: Steve Meier (909) 528-3342 or Ron Morgan (951) 315-0466. -- **Ron Morgan**

Line Dancing

Our dance group is progressing well and learning new dances, but we have newcomers almost every week.

From 3 to 3:45 I teach very easy beginning dances. Many steps are used over and over again in the different dances. In this way you learn what the steps are called and how to correctly do them. After several weeks, when I say "right vine" you know what to do. No one was born dancing; we all had to learn one step at a time.

From 3:45 to 4:30 I teach somewhat harder and more complicated dances, but nothing the group isn't capable of

doing. We dance and laugh and just have fun. No one has to be perfect, including me.

Dancing is good for many reasons: increased circulation and coordination, increased mind stimulation, and increased socialization. All of these are necessary as we age. So, give it a try, please join us or just come to watch. You will be surprised at how easy it is. -- **Martha Franck, Club Captain, (951) 769-3889**

Radio Club

Presently there are about 660,000 licensed amateur radio operators in the United States. This represents a vast reservoir of individuals with radio communication knowledge and experience.

At Four Seasons, the Ham Radio Club has an active interest in emergency communications, called ECom: "Recognition and enhancement of the value of the amateur service to the public as a voluntary noncommercial communication service, particularly with respect to providing emergency communications."

If you have an interest in learning how to communicate over the airwaves, how to effectively interact with law enforcement and some of the complex portions of Amateur Radio communication techniques, then you are a good candidate for ECom.

Many interested people believe getting the entry level grade of a Ham License is just too difficult. That is just not true -- the Four Seasons Ham Radio Club has several new members who have taken the entry level license exam or are scheduled to take it. And we're there to help you along.

We participate in emergency communications with local authorities, the Banning Radio Club (SPARC) and others.

We encourage anyone with such interests, or who just ant to join a fun hobby club, to come to a meeting and chat with the members. Meetings are scheduled in the Lodge on the last Friday of each month at 10 a.m. -- **Dick Van Bree, W6RVB**

Seasoned Solos

Many possible activities for the month of May and the summer months were discussed at our May planning meeting. We had good attendance and many suggestions.

Our first outing was lunch at Granlunds in Yucaipa, which is always a treat. Granlunds offers good food in a unique restaurant and we can't forget the wonderful candy and dessert.

On May 17 we went to Mission Inn in Riverside for appetizers and drinks in a beautiful and comfortable atmosphere.

Many of the group attended the "Tea and Fashion Show", the first Amphitheater performance, and the "Corks, Clicks & Canvases" events at the Lodge and Amphitheater. What a treat to have such great performances and exhibits in Four Seasons. We all say a special "thank you" to our residents who work so hard to put these events together.

On May 25 we went to the Living Desert in Palm Springs.

Other activities being planned for the summer are trips to evening outdoor concerts and plays, beach trips, and a three-day cruise.

Taste d'Vine Wine Club

This month we will feature wines from Spain. The country has a long history of wine and wine-making reaching back to the Phoenicians.

Throughout the ages with various cultures and countries, wine making traveled with the explorers. Various grape varieties have found a home with the soil and climate of Spain.

Today, Spain has become one of the leaders in the wine world, producing high-quality wines at affordable prices. There are several types of unique grapes and wines being produced throughout the entire country, offering everything from a fruity white wine to a full-bodied, bold red, so there is a wine for every person, at every price range. Just to name a few, there are reds such as Rioja, Tempranillo, Garnacha, Monastrell, some whites Albarinos and Vina Verdes. There are roses, great sparkling Cavas, Sherries and of course Sangria.

Some familiar wine areas are Rioja, La Mancha, NW to Central Spain, and the Duero River.

Spanish wines can be sipped, however, most are made to go with food. Wine bars feature Spanish wines and small bite taps.

There are many high-quality and great value Spanish wines. Pour a glass of Sangria, or rose as you relax on the patio.

Join us Thursday, June 21, at 6 p.m. in the Ballroom as we explore wines from Spain. Member's dues are \$5 and guests' are \$8. Bring a glass or two and an appetizer. Call for more information. — **Anita Worthen, President**

Travel News

If you had wanted to go to the Tuesday night, May 8, travel meeting on the "Discover Switzerland, Austria and Bavaria" trip but couldn't make it, you will have another chance on Sept. 12 at 6 and still have time to beat the Oct. 15 deadline to save \$100.

This is a 11-day ground tour that includes round trip airfare from LAX including all taxes and fees to Switzerland, 12 meals (eight breakfasts and four dinners) all side trips and transfers between the airport and hotels. It also covers pick-up and drop-off at Four Seasons. We will spend four nights in a hotel in Bern and four in Innsbruck and take trips from them.

What is nice about this type of trip is if you don't care to take a day trip on any one day you can stay at the hotel and hang out. This trip does not include the cancellation waiver and insurance which is \$220 per person. The cancellations waiver allows you to cancel your trip for any reason up to the day before you leave, no questions asked. The cost for this 11-day tour is \$3,419 (double) \$3,839 (single) or \$3,479 triple -- all per person. The price will go up \$100 in each category after October 15. If you have any questions or would like to make reservations, please call Melody at (951) 769-2774.—

Weight Watchers

Weight Watchers is well on its way. We meet every Tuesday in the Ballroom. Weigh-In is at 8:30 a.m. and the meeting starts at 9 a.m. Our leader is Dorothy Carter, and she is very informative and will help you anyway she can.

If you are new to Four Seasons and are interested in joining Weight Watchers, it is not too late. Come to a meeting, meet Dorothy and the members and see if it is something you would be interested in.

If you have any questions you can call or email me, I am the contact person for Weight Watchers. My name is Anni Smith. My email address is: adanishprincess@aol.com and my phone number is (951) 769-7371.

I hope to see some new people join us. — **Anni Smith**

Four Seasons Spotlight

We Share Space – But.....

By Bobbie Eckel

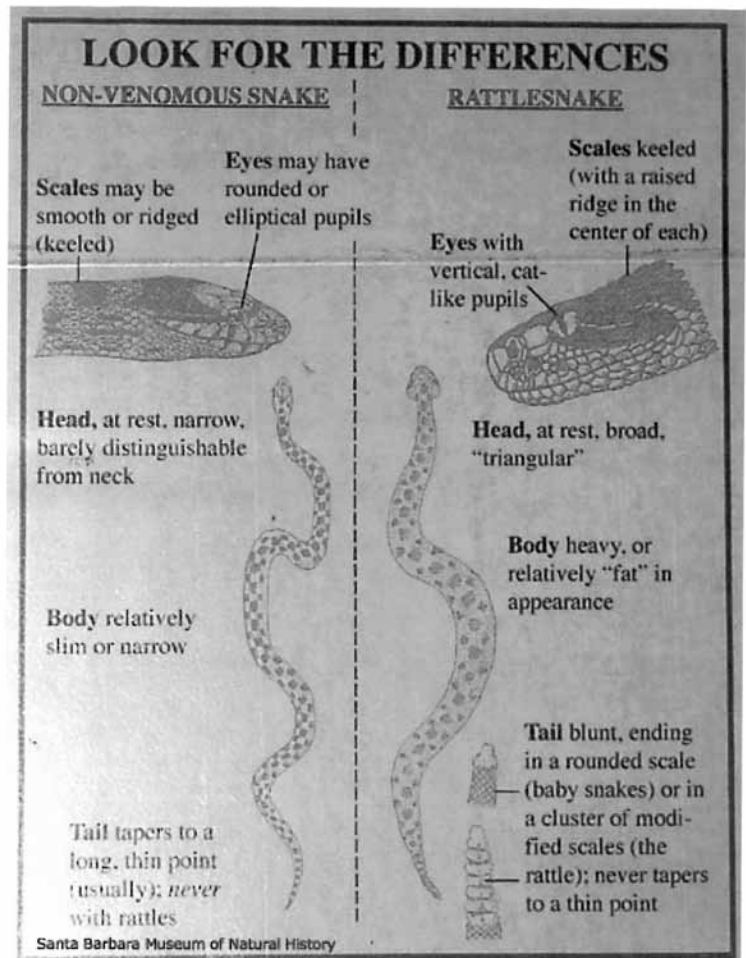

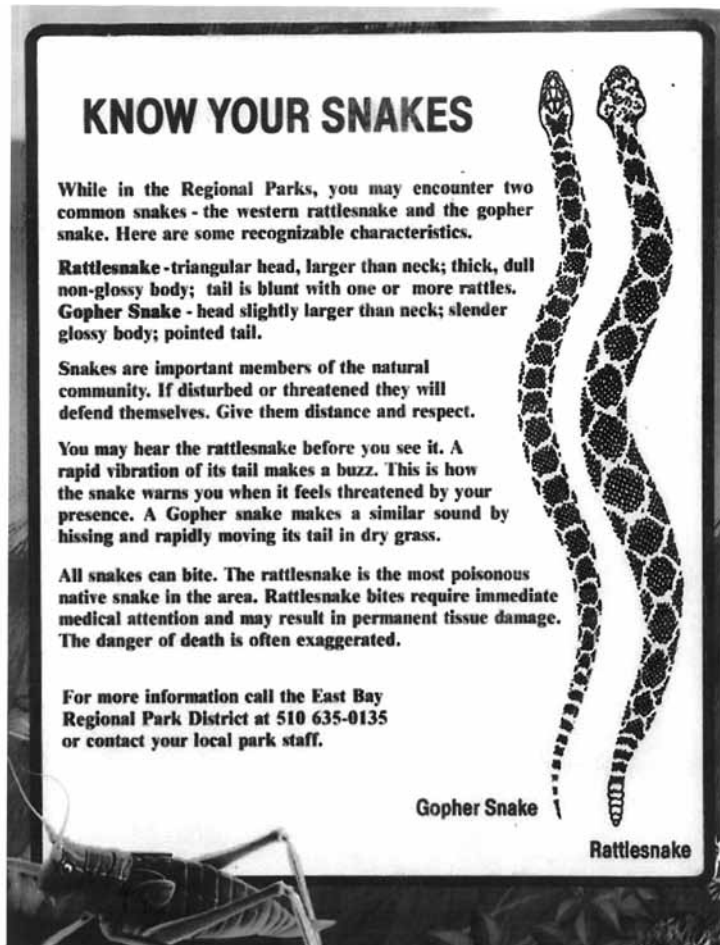

We residents of Four Seasons at Beaumont are used to sharing our space with the animals which inhabit our area.

We enjoy watching the birds, the ducks and even the small critters such as cottontails, although we don't want them to eat our plants. However, we are not too pleased with sharing space with the bobcats and an occasional mountain lion -- and most of us draw a strict line at "enjoying" the snakes -- particularly rattlesnakes.

Now that the weather has become warmer, we are discovering that the snakes, like humans, are appearing more often to revel in the sunshine. Snakes are frequently found on the trails, in our yards and gardens and occasionally on our patios or in our garages. Some are non-venomous, although they all can bite and, if they feel threatened, any snake will defend itself.

Care should be taken to protect yourselves, your young visitors and your pets from snakes. Banning Veterinary Hospital is even sponsoring a Rattlesnake Avoidance Class on June 1. The class will be taught by Andy Andrews who has over 30 years experience dealing with snakes -- and was recently seen on ABC News. Owner participation is required; live caged rattlesnakes are used during the training. The cost for the class is \$75 for one pet and \$65 each for two or more pets with the same owner. Various time slots are available during the day. Appointments can be made by calling the Banning Veterinary Hospital at (951) 849-3864.

The following flyers illustrate the differences between rattlesnakes and non-poisonous snakes. Note carefully the physical differences between rattlesnakes and non-venomous snakes. As you walk in our area, learn to look and listen for the slithery creatures. As the Regional Park flyer advises, give all snakes distance and respect.

Neighborhood Notes

By Bobbie Eckel

The city of Beaumont is holding the 94th Annual Cherry Festival on June 7 through June 10. Lots of fun and plenty of festivities are promised.

A list of the entertainment lineup is given in on page ????. You might want to invite your children and grandchildren to join you!

Mark your calendars for Wednesdays, July 4, through Wednesday, August 8, for more entertainment in our city. Beaumont's 2012 free Summer Concert Series begins Wednesday, July 4, at 5 p.m. at Stewart Park at 9th and Orange. The rest of the Wednesday night concerts begin at 7 p.m. Plan to enjoy food from the Market Night vendors or bring your own picnic. Be sure to bring lawn chairs or a blanket – and a light wrap in case the evening turns cool. Entertainment for each concert includes: July 4, the Basix and Starship; July 11, Kool and the Gang; July 18, Taylor Dayne; July 25, a Motown Secret appearance; August 1, Night Ranger; and August 8, Rude Boy.

Start thinking about your photographs for the July Photo Exhibit in the Lodge. Four Seasons has a lot of talent in this area. Plan to showcase your best pictures.

All residents need to remember to periodically update your guest lists in the GateWorks program. May and June holidays bring in extra family and friends to visit and summer activities also tend to encourage family and friends gatherings. The check-in process at the Potrero Gate is much faster if the individuals are listed on your guest list.

Murphy's Law: It is said that if you line up all the cars in the world end-to-end, someone from California would try to pass them.

Cherry Festival Schedule

The Beaumont Senior Newsletter highlights an early Cherry Festival event: the Seventh Annual Cherry Festival Car and Motorcycle Show at Stewart Park on 9th and Orange Streets. This event takes place Saturday, June 2, at 10 a.m. The set-up for participants is from 8 a.m. until 10 a.m. The show is open to spectators from 10 a.m. until 2 p.m. Pre-paid entry is \$25, the fee for those who register on the day of the event will be \$30. The entry cost includes a T-shirt and lunch.

The 94th Annual Cherry Festival runs from Thursday, June 7, through Sunday, June 10. The detailed schedule is as follows:

Thursday June 7:	7 p.m. Rumours- a tribute to Fleetwood Mac
Friday June 8:	5 p.m. The Basix 8 p.m. Hotel California- a tribute to the Eagles
Saturday June 9	12 noon will be local groups 3 p.m. The Parrotheads- a tribute to Jimmy Buffett 6 p.m. Alan Parsons Live Project 9 p.m. The Superfreaks
Sunday, June 10	12 noon The Basix 3 p.m. Goldrush 5 p.m. Ronnie Milsap

Also on Saturday, June 9, there will be a pancake breakfast starting at 8 a.m. at the Civic Center on 6th Street. The Cherry Festival parade starts at 10 a.m. on Beaumont Ave and ends on 6th Street. – **Melody Seewoster**

Activities Director Corner

By Cindy Graves

I hope you get this newsletter before the Four Seasons Independent Film Festival occurs, because you're not going to want to miss it.

The film judging will replace the regular movie times on Friday, June 1. You will be given a ballot and will mark your favorite film for each listed category. On Saturday, June 2, the final judging session will be at the 11 movie showing, with the final viewing at 3:30 p.m. in the Ballroom, accompanied by an awards ceremony with refreshments. If you haven't been before, let this be your first time. It is always well worth the time and something to remember!

Our next big HOA party is the big 4th of July Bash. Many of our clubs will be having in-house competitions for trophies such as Tennis, Paddle Ball, Billiards, Poker and Ping-Pong to name a few. Check with your group or club to see if they are going to be participating in the 4th of July Games. There will be a schedule of games, places and times within the Lodge, available at the desk on Tuesday, June 26.

For those who aren't big on "gaming" there will be a potluck picnic to enjoy. The HOA will provide drinks, paperware, cups, utensils and snacks and residents are invited to sign-up for salads, side-dishes or desserts. Smitty's will be offering an inexpensive hotdog or hamburger special or you can bring your own meat to barbeque on the grills. Due to the expected heat, the picnic will take place in the Ballroom from 11:30 a.m. until our big Patriotic Variety Show in the afternoon, put on by our Performing Arts Club. The pool of course will be open; kids pool time will be the same as usual 1 p.m. to 4 p.m. Grandkids are welcome to attend this fun affair, so be sure to include them when you sign-up at the desk. There is no charge to attend this event, but we really need a head count for set-up and for the items that the HOA is providing. This is going to be a super fun time and you can't beat the drive time to get here!

Have a great June and a great beginning of a terrific summer!

See 'ya around the Lodge.

Chicken Parmesan

This recipe was developed by Ree Drummond, award winning blogger and star of *The Pioneer Woman* on the Food Network. The recipe first appeared in the Feb. 26, 2012, edition of Parade Magazine.

Course: Main meal

PointsPlus Value: 17

Servings: 4

Active Time: 40 min

Total Time: 1 hr. 10 min.

Level of Difficulty: Moderate

Ingredients

½ cup all-purpose flour

4 boneless, skinless chicken breast halves, pounded to uniform thinness

⅓ cup olive oil

1½ Tbsp. butter

3 cloves garlic, minced

1 large onion, chopped

⅔ cup red wine

1 (28 oz.) can crushed tomatoes

1½ Tbsp. sugar

½ cup chopped fresh parsley, divided, plus more for garnish

1 cup freshly grated Parmesan cheese, divided

½ lb. thin linguine or other pasta, cooked al dente

Directions

Combine flour with salt and pepper to taste on a large plate. Sprinkle chicken breasts on both sides with salt and pepper, then dredge them in seasoned flour. Set aside.

Heat oil and butter in a skillet on medium-high. Fry chicken until golden, about 3 minutes per side. Remove from skillet; keep warm. (Can place chicken in oven at 200°F to keep warm.) Add garlic and onion to pan. Cook for 2 minutes.

Deglaze pan by pouring in wine and scraping skillet, getting flavorful bits off bottom. Cook for 3 minutes or until liquid is reduced by half.

Stir in tomatoes, sugar, and salt and pepper to taste. Reduce heat to low and cook for 30 minutes. Add ¼ cup parsley and ⅔ cup Parmesan.

Arrange chicken on top of sauce; sprinkle remaining cheese over top. Cover skillet and simmer until cheese melts and chicken is hot. Sprinkle with ¼ cup parsley. Put pasta on plates; top with chicken, sauce, and parsley.

Note: To prepare ahead of time, fry the chicken, make the sauce, and refrigerate separately. Just before serving, put some sauce in the skillet, place the chicken on top, and simmer so that the chicken doesn't get soggy.
