Amendment to CC&Rs Vote Continues

Voting on an amendment to the CC&Rs is continuing, with 635 ballots received by early October.

Voting began in September when ballots were mailed to homeowners by The Ballot Box, an outside agency hired to make sure of a secret ballot and a professional count. The ballots use a two-envelope system to ensure only qualified homeowners vote and that the vote is secret.

General Manager Lisa Lynn said the HOA Board hopes to have around 750 valid ballots before they are counted. To that end, her staff will send post cards to those who have not returned ballots by the end of October. Also, they are calling the some dozen voters who returned ballots but failed to sign the mailing envelope.

The get-out-the-vote effort began in July with a series of Town Hall and “mini” Town Hall meetings sponsored by the Board and the Rules and Regulations Committee to inform residents about the amendment and the importance of voting. Amendments to the CC&Rs require a majority vote of all homeowners, not just those voting. Ballots can be mailed or turned in at the Lodge.

Breeze Submission Guidelines

Articles must be of general interest to the community. They may be no more than 400 words in length. Exceptions will be made at the Communication Committee’s discretion for events of unusual importance.

The use of eccentric typography such as centered lines within body copy or changing type size, type face or color is not permitted. Excessive capitalization, bold type, italics, underlining and exclamation marks will be removed.

Articles containing libel, privacy invasion, attacks on individuals or copyright violations will be rejected.

Articles promoting vendors to the community or businesses run by residents are to be avoided. The information in them can be more properly contained in ads.

The Breeze does not print editorials or obituaries. However, death notices are accepted and forms for them are available at the Lodge office.

When submitting photos, please make sure they are not date stamped and include a caption. If you would like to have your photo considered for the cover, remember to take photos that can be used in portrait orientation. Submit digital photos in high-resolution format as a jpeg.

All articles are due by 12 noon on the 9th of each month. All submissions can be emailed as an attachment in Microsoft Word (.doc) or rich text format (.rtf) or simply typed into an email message. Please send articles and photos to [FourSeasonsNews@yahoo.com](mailto:FourSeasonsNews@yahoo.com). ~ *Leighton McLaughlin*

Don’t miss the Holiday Home Tour

The Third Annual Holiday Home Tour will be Saturday, Dec. 8, from 10 am to 4 pm.

Residents interested in being on the Tour as a “Host Home” need to fill out an application at the Lodge desk by Dec. 1. There will be a free pre-tour for all of the Host Home residents, so that no one misses the tour because they are at their home.

Residents interested in viewing the homes can purchase wrist bands for \$5 each at the Lodge on Saturday, Dec. 8. This event is sponsored by the Event Systems Committee. All proceeds go toward enhancements of our stage, lighting and the sound systems in the Lodge and on the grounds.

Thank you for participating! What a fun way to give back to the community! ~ *Cindy Graves*

# Neighborly Notes

By Bobbie Eckel

A final reminder: Daylight Saving Time ends Sunday morning, Nov. 4. You will need to turn back your clock one hour.

It would probably be a good time to check the batteries in your smoke and fire alarms, too.

The 2012 Greater Palm Springs LGBT Pride Festival is being held in Palm Springs on Nov. 3 and 4. A group of Four Seasons residents and your gay and lesbian neighbors would like to invite you to go and enjoy it as well.

The Festival is held on both days at the Palm Springs Stadium; the parade is on Sunday on East Ramon Road along historic Palm Canyon Drive. If you are interested and would like more details, please see [www.pspride.org](http://www.pspride.org) for Festival information, parade route and spectator advice.

Many residents seem to prefer running or power walking in the streets rather than on the sidewalks or trails. To be sure that drivers do see you, particularly when the sun is bright in the morning or evening, please comply with the State of California Vehicle Code Section 21956. This states that "when walking or jogging on a

roadway ... pedestrians should move facing traffic – that is close to your left-hand edge of the road."

The November Open Session Board Meeting will be Thursday, Nov. 13, at 1 pm in the Ballroom. You are all invited to come, listen and learn about the Four Seasons HOA. Be sure to take advantage of this opportunity.

If you are concentrating on shopping on Black Friday, you may not be interested in Lodge Hours – but, just in case...

Mark your calendars for the Thanksgiving Holiday. Remember that the Lodge Facility closes at 3 pm on Wednesday, Nov. 21, is closed all day on Thanksgiving, Nov. 22, and reopens at 9 am on Friday, Nov. 23.

And, hopefully by now, you have updated your guest list at the gates so the "wait time" at Potrero Gate is minimal for those planning to join you for a holiday feast.

If you wait until 2 am on Nov. 4, to turn your clocks back an hour, let me remind you about Murphy's Law: "The shin bone is a device for finding furniture in the dark."

## Event Systems Committee Meets Community Needs

By Teri DiMarino-Davidson

The end of 2005 may seem like a blink of an eye away to many of us, but it begins the history of our young community here at Four Seasons Beaumont.

That is when the first residents began unpacking their boxes and setting up their households. The Lodge was in the works, but incomplete. Opened in June 2006, it quickly became a meeting place, a lounge and a sports center. Clubs were created, activities abounded and friendships were formed with the Lodge as a focal point.

As the community grew, more demands were being put on the Lodge. Clubs and committees became more diverse and it became apparent that much of the sound, lighting and other equipment that had been installed was inadequate and there was no provision for growth.

An early 2009 variety show proved frustrating for the audience and performers alike. Resident Roland Harrah had an electronic engineering background and began tinkering with the Lodge components, incorporating items he had hanging around his garage. It was quickly evident that the entire installed system would have to be replaced in order to provide performance quality sound and lighting.

Board Member Loren DuChesne partnered with Harrah, ironed out some details and in August 2009 proposed the creation of a new committee to investigate solutions, gather the correct equipment, supervise its installation, maintain it, train residents in its proper use – and raise the funds to pay for it. This was the beginning of the Event Systems Committee or, ESC.

The project would cost upwards of \$40,000. Contributions from the Performing Arts Club enabled the ESC to start the "phase one project." Many generous residents stepped up and added to that. The first pieces of equipment were purchased and immediately proved their worth. No association funds were spent on them.

Volunteers, including architect Willis Fagan, spent months mapping the existing electric system. It was decided that all of the cables and wiring should be permanently installed in the ceiling above the Ballroom floor. A parallel project was started for the Amphitheater. The new portable sound system quickly proved its value by being used in both the Ballroom and Amphitheater. The Board of Directors, seeing the potential of this project, stepped in and, along with the ESC, did help pay for the permanent wiring in both venues. Electrical, audio, lighting and production cables were installed, ending the days of cables strung across the floor and ground.

Fund raising projects were also underway with Home Tours and

concerts. Interest in contributing to the improvements sparked the creation of the Premium Patron Program. Contribution levels were established and an attractive display naming all of the people who gave to the project is proudly displayed at the entrance of the Ballroom.

### Fast forward to the present day

Newer residents may not be totally aware of the changes. The lighting, speakers and ceiling fans are the most visible additions. Cables are no longer strung across the floor of the Ballroom or Amphitheater, making the venues safer for all. The inventory of equipment has expanded to include a portable console, three multi-input mixer boards, a multi-media player, fourteen microphones, four tripod-mounted speakers, four permanently installed speakers, seven LED stage lights and spotlight and over 2,000 feet of wire and cable all supplied and installed by ESC volunteers.

A wonderful feature that has really proven its worth is the addition of eight headsets with transmitters for the hearing impaired. These can be checked out to any resident for use any meeting or performance, enabling the person to hear the meeting or show clearly. A portable stage has also been added which can be assembled in a variety of configurations to meet the specific needs of nearly any production.

### How can you help?

Many of us here at Four Seasons are retired and have some spare time on our hands. The ESC is always looking for people who are willing to help learn the ins and outs of the sound and lighting systems. You don't have to be an electrical engineer to help, so please give some thought to helping make our performances and meetings here at Four Seasons just a little bit better by putting in some of your time.

While much of the equipment installation work has been completed, there are still things to do. Equipment needs to be maintained and occasionally upgraded. Private contributions have paid for almost all of the ESC equipment. Residents who have helped are listed on the Premium Patron Program board. Plaques of varying sizes reflect the amount given and while many residents are proud to have their names listed on the board, it has also become a place to memorialize a friend or resident who has passed, immortalizing their name in the community.

With that in mind, we are making it known that there are plenty of available spaces on our Premium Patron Program board in the Lodge. The entire community will benefit from any contribution.

Anyone interested in helping should contact Roland Harrah at (951) 845-1734.

# Manager's Update

By Lisa Lynn, General Manager

At the Open Session Board meeting held on Thursday, Oct. 11, the Board of Directors approved the following committee recommendations:

- Event Systems proposal for the purchase of a quality acoustical piano (not to exceed \$20,000)
- Rules and Regulations proposed rule for car covers to be sent out for member review
- Safety and Facilities proposal for the purchase of holiday lights for the gatehouses (NTE \$750)

The Board of Directors reviewed and acted upon the following business matters:

- September 2012 minutes – approved
- August 2012 Financial statement – approved
- Purchase of holiday tree decorations (NTE \$1,600 – savings from tree purchase) - approved
- Annual renewal of Master Association insurance policies (\$35,923) - approved
- Budgets (Master, Springdale, Front Yard) - approved
- 2013 reserve studies (Master, Springdale, Front Yard) – approved
- 2012 CPA proposal for taxes and audit review (\$1,200) – approved
- Punch list for recreation center North (old sales office) for turnover to Association - tabled
- K. Hovnanian, LLC agreement for

recreation center North (old sales office) – approved

- K. Hovnanian, LLC bond release for recreation center North (old sales office) –approved
- K. Hovnanian, LLC bond releases for start up and assessment bonds - approved
- Proposal for upgraded facility access program (\$8,285) – approved
- Proposal for upgraded video surveillance equipment (\$2,554) – approved
- Proposal for cottonwood tree removal along Crooked Creek (\$1,075) – approved
- Proposal for replacement entry gate arm operator (2,800) – approved
- Request for collection of historical data – referred to Communications Committee

Management reported to the Board the completion of the following items:

- Artificial Christmas tree received
- New staff shirts received
- Reserve Studies completed
- Removal and replacement of flax along Phase C sidewalk areas
- Springdale ribbon cutting event
- Placement of the parking lot space numbers
- Replacement of locker room shower fixtures

Management reported that 5 violation

letters were sent out during September.

- 1 for signs
- 1 for hoses
- 3 for pet issues

The Board of Directors suspended facility privileges for two members for delinquent dues, bringing the total for suspended privileges to 14 current members. There were 22 accounts with balances over 90 days past due.

The Board meeting is held on the second Thursday of the month, with the Executive Session at 9 a.m. in the Lodge Conference room and the Open Session at 1 p.m. in the Lodge Ballroom.

As a reminder, please remember to pick up after your pet when out walking, even if you are on the trails. We would like to keep our community and trails clean.

**For emergency after hour maintenance issues, please contact Euclid's After-Hours Emergency number at 909-981-4131.**

# Activities Director Corner

By Cindy Graves

November and cooler weather is finally here! The HOA sponsored Veteran's Day Breakfast to thank our resident heroes is also here!

Don't forget to sign up at the Lodge desk to indicate that you are intending to come. This will enable our vets to get their meal "on the house." Non-vet spouses or other guests are welcome to join our heroes for the meal price of \$6.75. The last day to sign up is Thursday, Nov. 8.

Don't forget the Craft Boutique will be in the Lodge Ballroom from 10 am to 2 pm on Saturday, Nov. 17. You'll find that unique gift for your special someone. This will kick-start your holiday shopping and get you in the mood for the good times ahead. This year we have more creative artisans and boutique items than ever before.

Speaking of good times ahead, one of our most popular events of the season, is our "Holiday Extravaganza" which will be taking place on Saturday, Dec. 1. Smitty's will be offering a holiday dinner from noon until 7 pm so the Lodge will smell like Grandma's house when you enter.

The Tree Lighting Ceremony will begin at 5 pm with singing around the Christmas tree lead by me and the Four Seasons

Singers. Immediately after that fanfare, we'll go into the Ballroom for the Holiday Variety Show and Dessert Buffet.

It's a magical fun evening that will have you smiling for the rest of the month. Everyone (including grandkids) is welcome to attend and, as usual, there is no price of admittance.

I hope that you all have a delightful Thanksgiving with lots of blessings to count and I look forward to spending time with you at the Lodge throughout the season.

# Emergency Preparedness Program (EPP)

Congratulations to our 12 new CERT trained residents. We will be EPP Prepared. Thank you to Rick Cook and Mitch White at the Beaumont Office of Emergency Services. They will also be at our Expo with dates for the next CERT training.

We are so pleased to announce that Sally Peterson has agreed to be the EPP Expo Coordinator for Saturday, Jan 12, 10 am - 2 pm.

What about the new hospital wing being built? Jan Eversull, the Head Nurse, for San Gorgonio Disaster Preparedness gave information on the hospital's plan and invited us to tour the new wing. Join us Nov. 14, at 4 pm in Module C. Wear closed-

toed, hard-sole shoes. There will also be an information session by the construction company. Call to confirm.

More information from the September meeting on concerns about West Nile and Hantavirus. Remember to wipe down surfaces and do not stir up dust if you go into a closed cabin. Also, remove any standing water where mosquitoes can breed. Thanks to Nurse Kim Nelson and our own Renee Watkins and Loren DuChesne for the information. We have extra handouts if needed.

Tip of the month for pet owners from Judy of the Pet Rescue Team: The use of rodenticides increases in the fall because rodents usually seek indoor shelter from cooler temperatures. Be extra careful when placing the rodenticides so that pets do not have access to them.

Mark your calendar for our next regular meeting on Thursday, Nov. 29, at 10 am in the Lodge Ballroom. Be safe and stay and

prepared. Come and be a part of the team. ~ **Anita Worthen**

**EPP EXPO:** The Four Season's Beaumont Emergency Preparedness group is hosting an Emergency Preparedness EXPO on Saturday, Jan. 12, from 10 am – 2 pm at no cost to the community. The EXPO will be in the Ballroom and in the south parking lot. Residents are urged to attend.

The EXPO will feature displays by current EPP members, local vendors, government agencies, as well as several speakers who will educate attendees on how to prepare for emergency and disaster situations. Watch for the EXPO fliers.

We hope to see more people from our community become involved and prepared. If you would like more information about emergency preparedness, please join us in the Ballroom at our next monthly meeting, Thursday, Nov. 29, at 10 am. ~ **Sally Peterson, EXPO Coordinator**

## Neighborhood Watch

Our next meeting is Friday, Nov. 9, in the Ballroom where we will have an open forum to discuss any concerns that you may have in the neighborhood.

We will be planning a meeting for the Block Captains and encourage anyone who has an interest in becoming one to please speak to Anita Worthen, Dennis Gray or Susan Wilson. We value your participation as our community continues to grow.

We will also discuss the possibility of having an evening Neighborhood Watch Meeting so that others unable to attend the daytime meetings can become more involved in our great community.

If you have been to a Neighborhood Watch meeting but have not attended our EPP (Emergency Preparedness Meeting), I recommend that you do so as it is an integral part of our Neighborhood Watch Program. The next meeting will be Nov. 29, at 10 am, in the Ballroom. We look forward to seeing you there. ~ **Susan Wilson**

## Chef's Corner By Randy Balt

### Artichoke & Potato au Gratin

Here is a nice side dish you can try with your upcoming holiday meals. It's a tasty change to the standard potato dish normally made. Have fun.

Total time: 1 hour, 45 minutes  
Servings: 8  
Course: Side Dishes  
PointsPlus™ Value: 18  
Level of Difficulty: Moderate

#### INGREDIENTS

- 1 cups grated Parmesan cheese
- 1 1/2 cups grated Gruyere cheese
- 1 1/2 pounds Yukon Gold potatoes, thinly sliced (about 1/8 inch), divided
- Salt, pepper
- 1 cloves garlic, minced
- 3 cups drained marinated artichoke hearts, chopped
- 2 cups (1 pint) heavy cream, divided

#### DIRECTIONS

1. Heat the oven to 350 degrees. Grease an 8 x 12 baking dish with butter.
2. In a medium bowl, combine the Parmesan and Gruyere cheeses.
3. Line the bottom of the baking dish with one-half of the sliced potatoes, overlapping the slices and forming rows to make a single layer.
4. Season the potatoes with three-fourths teaspoon salt and one-half teaspoon pepper, or to taste. Sprinkle over the garlic.
5. Add the chopped artichoke hearts, arranging them in a single layer over the potatoes. Scatter one-third of the grated cheese mixture over the artichokes, then drizzle over one-half of the heavy cream.
6. Arrange the remaining potatoes in a single, overlapping layer over the cheese. Season with one-half teaspoon salt and one-fourth teaspoon pepper. Drizzle over the remaining cream, and then sprinkle over the remaining cheese.

# Springdale Landscape Upgrade Project Completion Celebrated

Residents and key participants gathered at the Springdale gazebo on Oct. 9, to cut the ribbon and celebrate the completion of a landscape upgrade project. The project began in January 2010 when it became apparent that the original landscape design for this area needed revision to better meet the Springdale environment.

Mother Nature did not disappoint the attendees as the morning fog lifted displaying the landscape in full sunlight. Fred Weck and his team cut the ribbon after a short speech. Refreshments and decorations provided by our ever-ready Activities Director Cindy Graves were a hit with the crowd. Many comments were given to the architect and contractor on how pleased the residents are with the new look of the Springdale community.

Drought tolerant plants had been planted next to thirsty plants. Agave and other cactus-like foliage planted were near pedestrian paths of travel. Very invasive plants were originally installed within planter areas. Many original plants were not suited to local climate or function. There was a lack of trees along some alleyways causing a stark environment. The trees along Beaver Creek at maturity would grow to heights and widths too great for the yards and street. Additionally, the lack of sidewalks between many dwellings created access issues.

A Landscape Committee formed a sub-committee to take on project. Springdale residents Betty Ann James and Linda Ramsey as well as Phyllis Beede and Fred Weck plus Sheree Harris from Euclid Management formed the working group. Many inspections were done in the spring and summer of 2010 to identify all the issues. Professional services were needed to correct many of the deficiencies, so services of a licensed landscape architect were sought. Several firms were

interviewed and RCB Landscape Contractor and Landscape Architects from Riverside were selected.

A Mini-Town Hall meeting was offered to Springdale residents in January 2011 for their input into the proposed redesign. Results of initial landscape inspections as well as the approach to project were explained to the residents who attended. Design and project development continued through 2011. HOA Board was briefed on project this February. They gave approval to solicit sealed bids for actual landscape installation. O’Connell Landscaping was selected and work took place May to July 2012. The project cost was \$99,000, the largest project developed within the HOA. ~ *Len Tavernetti*

## A COMMUNITY EFFORT

It was December 1990. The Beaumont Soroptimists were closing their last meeting until after the first of the year. Then came the distress call. A club member, a principal in a Beaumont School, said that children in her school were in need of clothing and other necessities, including blankets for warmth since the families were living in their cars. What to do? The meeting was over. Half the members had left.

Local Attorney Linda Murphy, then a Beaumont Soroptimist and also a Beaumont Chamber Director, rallied to the challenge. In the next few days she had drafted volunteers, enlisted the support of the Beaumont Chamber, solicited money, and contacted the families to determine what items were needed most. With the aid of the volunteers, she shopped, and then turned her law office into one awesome gift-wrapping party! Before Christmas 13 families had received needed help and enjoyed a happier holiday.

Naturally the project did not go unnoticed. Other schools in the Beaumont Unified School District reported that they, too, had families who needed assistance. So the project to help the families in one school, which might have been a one-shot deal, enlarged to include families from all the Beaumont Schools. It became an on-going project, an all volunteer community wide, gift-giving project, known as Winter Wish.

After a number of years the project headquarters moved to the Beaumont Chamber of Commerce. Other changes followed as the project grew. All Beaumont service clubs, many fraternal and social groups, churches, businesses and individuals joined in support of the project by donating money, volunteering time and effort to help with the details, buying “wishes,” even “adopting” families. Gifts were not delivered; instead the parents came for the gifts at a Distribution Center. A community food drive provided a welcome addition at pick-up time. A governing committee was formed with 23 volunteers representing service clubs, chamber and school district. They meet throughout the year to plan each year’s Winter Wish.

The basic principles are much the same as they were in 1990. If a teacher in the Beaumont Unified School District thinks a family may need assistance, he/she suggests the name to the Winter Wish Committee. Volunteers contact the parents. If the parent agrees that they need assistance, the volunteer finds out a clothing need and small not-clothing gift for each child in the home, school-age and younger. These “wishes” are written on tags, which are made available for interested people to buy a “wish” and return it to the Beaumont Chamber office. Volunteers with donated money shop for the “wishes” not selected, thus assuring that each child receives two gifts. Family gifts, such as blankets, are often given.

This year’s Winter Wish project will soon be in “full swing” and the Christmas trees, with tags, should be in place in the Lodge on or about mid-November. In 2011, Four Seasons residents took 154 tags, wrapped and returned all the gifts to the chamber office. Our community not only bought the requested gifts, but also added extra gifts. Some residents even included items for the families to share, such as candy and popcorn. Let’s keep up the good work this year.

Make yourself feel good this holiday season by giving a gift to some deserving child or family.

For more information call the Beaumont Chamber office at (951) 845-954 x 103. ~ *Melody Seewoster*

**“Some of the most important Medicare benefits are the ones people never ask about.”**

*Attend a Medicare meeting near you and get all the facts!*

Choosing the right Medicare Health Plan may be the most important decision you ever make. That's why **I want to personally invite you** to a meeting to discover the benefits of Inter Valley Health Plan that set us apart from all other plans.

**We offer these benefits and more:**

- \$0 Copay Primary Care Doctor**
- \$0 Copay Specialist Visits**
- \$0 Copay Hospital Care**
- \$0 Copay Vision Care Exam**
- \$0 Monthly Premium Dental Care**
- \$4 Copay Preferred Generic Drugs (AND covered in the Gap)**
- \$3,200 Initial Prescription Coverage Limit**
- \$0 Cup of Coffee**

Learn how Inter Valley earned a 4-Star rating...plus how you get highly personal service, including a local office to visit whenever you have a question or concern.

**Won't you join me?** The meetings are relaxed, informative, and fun. They're held at our neighborhood Medicare Information and Vitality Centers or a local restaurant, and the coffee is always on!

**A**ccording to the Department of Veterans Affairs, most Americans confuse Veterans Day with Memorial Day. Yet they are two distinctly different days of remembrance.

Memorial Day, observed on the last Monday in May, is a day set aside to honor service members who died in service to their country or who died as a result of injuries sustained during battle. Veterans Day, formerly called Armistice Day, is a day set aside to show appreciation for living and deceased veterans who served honorably in wartime and peacetime.

Nov. 11, is a significant date and time in our military history. It is the date an armistice took effect between Germany and the Allied Forces to bring an end to World War I, the “war to end all wars.” On the eleventh hour of the eleventh day of the eleventh month, this truce ended the conflict, although the official ending was signed at the Treaty of Versailles in the summer of 1919, seven months later.

President Woodrow Wilson proclaimed Nov. 11, 1919, the first Armistice Day, although he did not declare it a federal holiday. Yet the states gradually chose to make Armistice Day a solemn day of remembrance. Finally, in 1938, the U.S. Congress made it a federal legal holiday in all of the 48 states.

Unfortunately, the dreams of world peace were soon shattered by World War II, the Korean War, the Vietnam War and other regional conflicts,

including current ones. At the urging of Representative Edwin Rees of Kansas, Congress voted in 1954 to change the name of Armistice Day to Veterans Day, a day of tribute to all the military personnel who had put their own lives in danger to protect the freedom of their fellow Americans.

In 1968, Congress moved the Veterans Day remembrance to the fourth Monday in October, in conjunction with the Uniform Monday Holiday Act. With considerable pressure from veterans groups, however, in 1978, the holiday was returned to the original historically significant date of Nov. 11.

Veterans Day is now both a United States legal holiday and a state holiday in all states. In other areas of the world, notably Canada, Australia, New Zealand, South Africa and a large portion of Europe, Nov. 11, is celebrated as Remembrance Day.

Veterans Day is very special to our Four Seasons community. In 2010, we celebrated our Home Town Heroes with military displays, a special program and a dessert buffet. In 2011, we presented colors to our veterans with a special evening of patriotic music and poetry. This year we will be honoring our veterans with an HOA sponsored breakfast to say thank you to those who have given so much to our country.

From all of us to all of our veterans — on Veterans Day and every day — a heartfelt “Thank you!” ~ **Bobbie Eckel**

# Landscape Committee

At the direction of the Board of Directors, we are evaluating potential sites for picnic areas that would accommodate family gatherings.

While the builder placed several wooden tables and benches along our trails, the accommodations are often remote, too small for large families and are not a long term solution given the elements at Four Seasons. Most of the potential sites are along the three trails but some are in common areas adjacent to the housing areas.

We requested guidance from the BOD on additional expansion of the Amphitheater

seating area and the “stage” that would accommodate more homeowners. The recommendation is for a multi-committee assessment of improving the seating and acoustics of the area.

The trails also are receiving attention. It has been noticed that canine feces are being left on the trails and a cigarette butt was discarded. There is no smoking on the trails and this was during the height of fire season. Tire tracks from a golf cart were also found.

We are looking at bare spots in the vegetation along Potrero and Highland

Springs where watering (both under and over) is a constant problem. The slope of the terrain and the adobe clay soils make sustaining the proper amount and frequency of water a continuing problem.

By Thanksgiving, our contractors will reduce mowing to every two weeks as the temperature cools. Most of our trees and bushes will be trimmed in the fall.

For information, contact Chairman Len Tavernetti at (909) 744-2388 or ltavernetti@hotmail.com.

~ Len Tavernetti

# Finance Committee

We held our regular meeting on Sept. 25. The financial statements for August, 2012 were reviewed and reflected the following significant items:

Net income year-to-date was \$145,499 and total reserves were \$3,024,935. The accounts receivable (delinquencies) was \$100,344. Our total HOA expenses for August (excluding reserve allocations) were \$213,817. This was over budget by \$8,238. There were no certificates of deposit renewals to be reviewed. The front yard cost center expenses for August were over the monthly budget by \$11,810. Water expense the major contributor.

There were three vendor proposals presented for approval. Bob Melville, Ad Hoc Water Management Committee member, reported a 9 percent decrease in water usage but a 28 percent increase in the rates.

We are still currently seeking one more new member for our committee. If you have an interest you can obtain an application at the front desk in the Lodge. Our next regularly scheduled meeting will be held Oct. 30, at 1 pm in the Lodge Conference Room. All homeowners are encouraged to attend. ~ Noel Myers

# Architectural Review

The Architectural Review Committee (ARC) meets the first and third Wednesday of each month. This month we meet on Nov. 7 and Nov. 21. Our committee reviews the requests for home improvements and or modifications submitted by the homeowners. We also visit the applicant’s homes to verify the completed project matches the submittal.

Remember any exterior modification, revision or improvement to your property may need approval from ARC. Walkways, planters, patios, patio covers, satellite dishes, screen doors, front entry doors, plants in your front and rear yard, especially trees are just some examples of such projects. When in doubt, speak to Frances Farrar at the Lodge office.

Architectural guidelines were provided with your homeowner materials upon purchase. You can also get a copy from the Lodge office. Applications for improvement submittal and guidelines are also available at the Lodge office. Applications must be submitted prior to noon Monday preceding the meeting for consideration that week.

Homeowners are welcome to attend a meeting to see how our process works. ~ Ron Burke

# Safety & Facilities

The Emergency Preparedness Program meeting was held Sept. 27, and had guest speakers from San Geronio Memorial Hospital. We are currently working on the Expo for Jan. 12, 2013. Plan on coming... it should be a great show with good information.

The Bistro chairs and card tables were not done last month, but should be undergoing repair this month. We are currently seeking bids for paint on the iron fencing, light poles, and some of the Lodge. We are also looking into a fan for the Billiards Room and some blackout shades.

We meet on the first Tuesday of each month at 9 am. If you have any ideas for improvement to the facilities or just want to kill some time, join us. ~ Bill Guy

# Delegate Candidates Sought Rules & Regulations

The District Delegate elections will be after the first of the year and members are encouraged to apply for these positions. A delegate and alternate delegate will be elected for each district area. The district delegate's responsibilities are to carry the votes of the members from their district for the director elections in April. In the event that a quorum is not met for a district, then the delegate is responsible for casting the votes of the members of their district for the director elections as the delegate sees fit. There will be one Director seat in the upcoming Board of Directors election. This is yet another way you may serve the community. Applications for these positions are available at the Lodge.

## Community Contest

Last month we asked you to pick the cover and the waterfall photo won by an overwhelming majority. Thank you to everyone who participated and congratulations to Cheryl Ralston Staples who won the \$25 gift card to Smitty's, courtesy of our new magazine publishing partner Image Up Advertising & Design.

This month, we want you to take a picture of you and an advertiser in the Breeze. Send the digital photo to [fourseasonsnews@yahoo.com](mailto:fourseasonsnews@yahoo.com) by Nov. 9, at 12 noon. One homeowner's photo will be selected to appear in December's magazine and they'll get a \$25 gift card to Smitty's Bistro. If you have any questions, please call Courtney Taylor at (909) 797-3647.

The CC&R amendment ballots have been mailed and you should have received your ballot and started the voting process. As of early October, we have received over 635 ballots. Your participation in the voting has been an encouragement and we look forward to a successful return of all ballots.

The "Voting Thermometers" have been installed at both gates. Due to some technical difficulty, the signs were unable to register voting. The vendor has evaluated the problem. Hopefully, the modifications have been made and you have been able to monitor our progress on how many ballots were received. Please be responsible and cast your vote to help secure our community from abuse. My thanks to General Manager Lisa Lynn and the staff of Euclid Management for their efforts in making the voting process as simple as possible.

Our biannual Parking Lot/Garage Sale was held Oct. 13. As of this writing we had 53 sign-ups. Marking of the parking lot spaces with numbers was completed.

A Car Cover Rules proposal has been forwarded to the Board of Directors for approval.

You are invited to attend our meetings. They are on the third Thursday of every month at 9 am in the Lodge Board Room. ~ **Ron Morgan**

# Ad Hoc Water Management

With the end of our long hot summer our watering demands are reduced. With longer and cooler nights plants need less water and the HOA controllers are now reprogrammed for shorter periods. Additionally, as night time temperatures approach frosty conditions the watering cycles will mostly be from late morning through the afternoon. The large number of sprinklers on our water lines makes it necessary to space their operation to maintain pressure and some evening watering will occur.

We have had a few waterline breaks recently and homeowners are encouraged to call the front office when they see one. If it is at

a time when the office is closed, please use the emergency number (909) 981-4131.

Beaumont Cherry Valley Water District did send bills out in September as they switched from bimonthly billing to monthly. It appears that these additional bills are based on estimates rather than actual readings so we will continue to base our comparisons on a bi-monthly basis from year-to-year.

For more information call Chairman Len Tavernetti at (909) 744-2388, [ltavernetti@hotmail.com](mailto:ltavernetti@hotmail.com). ~ **Len Tavernetti**

## Bistro Committee

At our September meeting, we discussed the Board's approval of the new refrigeration system for the Bistro kitchen. We want to thank committee member Doug Smith for all of his hard work in getting this accomplished. The management company is now working with the contractor. A clock has also been installed in the Bistro dining area.

A reminder to all homeowners when dining in the Ballroom in the evenings: Please police your table area by picking up and throwing away bottles, cans and trash in the trash containers. Smitty closes at 7 pm and is not responsible for this.

The next meeting is Nov. 27, at 11 am in the Lodge Conference Room. All homeowners are invited to attend. ~ **William Taylor**

## Social Committee

I will do a report on the Halloween dance in December since it was far too late to make the November Breeze.

The small Christmas tree for the Winter Wish tags will be put in the Lodge on or about Nov. 3. Winter Wish is a program to help less fortunate children of Beaumont at Christmas. The names of these children are submitted by the child's teacher and each child's parents are called to find out what that child needs. We also ask about brothers and sisters so that no child is left out. We ask for both a toy and an item of clothing. Once we find out what is needed, we prepare a gift tag and place it on a Christmas tree that is found at various business around town. Residents then may choose a tag, buy the gift that is listed on that tag, wrap it and return it to the place they picked it up. It is then collected and given to the parent so it is under the child's tree Christmas morning. We will place a large box in the Lodge lobby for canned food to be given to the families to help them enjoy a holiday dinner. Residents who prefer to contribute cash may send a check to the Beaumont Chamber of Commerce.

Our theme this year for New Year's Eve is Phantom of the Opera and we hope to make it a night to remember. To avoid the delay in dinner service, we will have serving stations and a central location for our carving tables. We will serve prime rib with all the trimming and a vegetarian entrée.

Tickets are \$50 pp and go on sale Nov. 13, with the last day to buy tickets Dec. 24. This has always been a sellout affair so if you plan to attend, please buy your tickets early. Remember we only allow eight people per table.

We are planning our events for next year and hope to bring something a little different in our lineup of activities. We are considering activities such as a game show, a dinner theater, (maybe two) a fashion show, Mardi Gras, Halloween and of course New Year's Eve. These events are still in the planning stages.

*\*No classes on Thursday, Nov. 22, for Thanksgiving Holiday*

# Ceramic Corner Blog

October is here and I'm wishing for the cooler fall weather. Ceramics class has been creating hand cast leaves in clay, using zucchini leaves from my garden. You can create a very unique bowl or plate by just picking your favorite leaves or nature items from your yard. I'll teach you how to cast them into ceramic clay.

With fall coming that means Thanksgiving and Christmas are around the corner. There are pumpkin serving dishes you can make and a small turkey for your centerpiece decoration. Both are quite easy to finish.

For Christmas there will be a Santa Plate, Santa mugs, a holly bowl, and Christmas ornaments. Keep an eye out in the Craft Room for samples. Instructor, Pamela Mayoral, (951) 897-1922; tails2scales@hotmail.com. ~ *Pamela Mayoral*

Above (from left): JoAnne Martin, Dianne Klein and Sandy Buelna and Sue Trostle

# Card Making Classes

Have you always wanted to learn to make your own holiday cards? Come join us and learn how to use a cotton press, rubber stamping, heat embossing and dry embossing. Please bring a good pair of paper scissors and let your creativity flow.

There are some samples in the Craft Room for your viewing. Friday classes will be at 1 pm on Nov. 16 and Dec. 14. Instructor, Pamela Mayoral, (951) 897-1922. ~ *Pamela Mayoral*

# Crafters

It's time for you to find out how much fun it would be if you came to join us for crafts! We meet on the first and third Thursdays of the month in the Craft Room at 5:30 pm. We hope to see you there! ~ *Pam Kelly & Rita Partida*

# Camera Club

We meet the third Tuesday of each month at 6:30 pm in the Craft Room at the Lodge. We have a lot of fun including photo outings, guest speakers, shows of work, and general sharing of ideas.

This group is for all levels and members are always eager to help and teach. Each month, we have an assignment to take and bring in a photograph of a different genre. Info., Lyle Cameron, 951-849-6987. Hope to see you in our next meeting on Tues., Nov. 20, 6:30 pm in the Craft Room at the Lodge. ~ *Lyle Cameron*

# Crocheting & Knitting

Our group has just about completed the project for the Veterans Hospital. We will have numerous lap blankets by the end of November when they will be donated. The group has put in a lot of time towards this project,

and we are all proud of the effort. We are also working on personal items and some holiday gifts. we will be planning another lunch outing soon, and also start discussing our holiday get together. If you think you would be interested in learning this fun hobby, please come join us. Info., Dorothy, (951) 572-5436. ~ *Dorothy Payne*

# Creative Drawing & Sketching

There are two classes available for drawing and sketching: Monday mornings from 10 am to 12 noon, and Wednesday evenings from 6 to 8 pm in the Crafts Room in the Lodge. The Monday classes are designed to be for a specific semester and the Wednesday classes are ongoing throughout the year. The evening classes typically have the more advanced students, many who have begun to work with colored pencils in addition to graphite. A student may attend any of the classes or just one. It is strongly recommended that new students attend the first class of a new semester on a Monday morning before deciding which class day they prefer. It is there that you will get to learn the supplies that you will need and honestly, the first class is lots of fun!

The class is led by Rob Kelman, (951) 992-9156, email, rbkdesigns@verizon.net. Please call or email any questions that you have. The class is free! You provide supplies which will be discussed in the first class. Just bring a sheet of paper and a pen or pencil for taking notes.

Work above by Drawing & Sketching Artist of the Month Johanna Ballard

It doesn't matter if you have never drawn before, you drew years ago, or you are an accomplished artist. The classes typically have a mix of all three. The results of the past classes have been astounding! Each student works from a black and white photo of their choosing, at their own pace. This class is about individuality. ~ *Rob Kelman*

# T-Shirt Reconstruction Class

We will be having our second T-Shirt Reconstruction Class on Fri., Nov. 9, at 1 pm. Supplies needed are 100% cotton tee shirt (please no ribbed tees) and sharp sewing scissors. There is no sewing involved and you will learn the different weaving techniques to create your own unique (sexy) tee-shirt. Samples are available in the Craft Room. Info., Pamela Mayoral, (951) 897-1922. ~ *Pamela Mayoral*

## Bunco

It is getting to be that time of year again when we all get so busy shopping, cooking, decorating, etc. With all this we need a breather and bunco with your friends is a great way to take a break.

Bunco days this month are Nov. 9 and 23, the day after Thanksgiving. If you are new to the community come and check it out. It is fun and very easy to learn if you have never played. Grab a drink at Smitty's and meet us in the card room at 1 pm sharp. See you there. ~ **Cheryl Burke & Suzanne Roldan**

## Canasta

Come join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet in the Card Room every Thursday afternoon, 1:15 to 4 pm. Each week you may play with someone different which gives you an opportunity to meet your fellow Four Season residents and old friends who enjoy an afternoon of "cool" cards. It is also handy to have the Bistro just down the hall if you would like something to snack on or a cold drink. We supply the cards so all you have to bring is your body and the desire to have a little fun.

If you don't know how to play we are always happy to set up a teaching table and by the time the afternoon is over you have mastered the game. All you have to do is show up and leave the rest to us. ~ **Melody Seewoster**

## Weight Watchers

Another month has gone and Thanksgiving will be here before we know it, so if you are interested in learning how to get through the holiday come to a Weight Watchers meeting.

For some of you who went to Weight Watchers and have stopped going because of the Monthly Pass, you can come back now because Weight Watchers is going back to paying for a series at a time. We must have 15 members to have a 12 week series and I believe 20 members for a 17 week series. Right now I am not sure of the cost, but you can come to a meeting for free and meet Dorothy the leader, and see if it is something you would like to do, and find out how much it will be. I know we have a lot of new home owners and maybe you have thought about going to Weight Watchers and now you can, right here in our own Lodge. We meet every Tuesday Morning, weigh-in at 8:30 am, meeting 9 - 9:30 am in the Ballroom. I am the contact person for Weight Watchers here at Four Seasons so if you have any questions you can e-mail me at [adanishprincess@aol.com](mailto:adanishprincess@aol.com) or call me at (951) 769-7371. See you there. ~ **Anni Smith**

## Bridge

Beginners, intermediates, experts are invited to join us at our Monday Social Bridge game at 12:30 pm in the Game Room. Meet old friends and make some new friends and have some fun doing so... Just because it is a social game setting does not mean we don't have exciting hands. For example, recently my partner and I had 37 HCP which left our O's with 3HCP (a Q and a J). I had D; A, K, Q J, 10, X, X and he opened 1H. RHO passed and I went straight to 4NT (BLKWD). Why? I did not want to give the O's chance to put in an interfering sacrifice bid which might fool my partner to pass. We ended up in 7 D and had 15 tricks but since there are only 13 cards in each hand I had to throw away 2 good tricks. Nice Grand Slam though. Don't get hands like that very often. Just an example that social bridge can be just as exciting as any other form of competitive bridge. So join us for some fun and possible a bit of excitement, get the brain moving at max speed!!

See you there. ~ **Roar Senstad**

## Taste d'Vine

We are enjoying many fall activities, remembrances and celebrations giving us many reasons to raise our glass. It's the beginning of serious holiday preparations and fun and feasting time is here.

The holiday season heralds the beginning of rounds of wonderful dishes and great opportunities for food and wine pairings. Try something new. You will be amazed at what is offered from bubbles, whites, and reds and desert wines.

We're looking forward to the third Thursday of November for the release of the new wine Beaujolais Nouveau. It is a soft red made for immediate drinking and easy to pair with most dishes.

Menus for the cool weather include comfort foods which pair well

with a nice glass or two of wine. One can relax with a glass of sherry or port as we sampled last month.

As we prepare for Thanksgiving, there are wonderful sparkling red and whites to start your party. If you prefer still wines, try an unoaked chardonnay, white blends, or a rose, to go with your main dish. As always, pour your favorites. Whatever your preference, share what you like and enjoy your favorites.

The experience of the food and friends make wines most enjoyable. Join us Thursday, Nov. 15, at 6 pm in the Ballroom. Bring an appetizer, a glass or two for wine education, entertainment, food and fun. Members \$5, Guests \$8. Cheers! ~ **Anita Worthen**

## African American Culture Club

Our Christmas dinner will be Wednesday, Dec. 5, in the Lodge Ballroom. Doors will open at 4:30 pm and dinner will be served at 5:30 pm. Tickets went on sale Oct. 1, and the last day to purchase tickets will be Saturday, Nov. 24. There will be lots of entertainment, dancing and raffle drawings. For questions and ticket information, please contact Cookie Bonner at (951) 769-7679, Roxie Elliott at (951) 769-2517, Daisy Race at (951) 845-6950 or Wanda Valentine at (951) 845-0018.

The next meeting will be Monday, Jan. 7, 2013 in the Card Room at the Lodge. Also, there will be further discussion regarding the event calendar for next year. Info., Betty Ann James, Chairperson, (951) 572-5538 or Joyce Allen, Co-Chairperson, (951) 769-4354. ~ **Mabelene Dimmer**

## Book Club

Can you imagine creating a fascinating work of fiction around two real incidents: a famous temperamental teen silent-film star's trip to New York with a fusty 36-year-old matron as a chaperone and the social experiment of the Orphan Trains which sent nearly 250,000 children from the crowded coastal cities to willing foster homes across the country between 1854 and 1929? Add to this the budding Suffrage movement of the 1920s and the rapid changes in fashion, values and attitudes of the 1930s.

This amazing weaving of facts with fiction is our November Book Club selection *The Chaperone*, by Laura Moriarty.

The author shows how the month in New York City changed the lives of both women,

in spite of the generation gap. The reader is led through a series of unexpected events which alter the ways in which each woman sees her world and how she deals with the changes involved.

The historical facts of the silent film star, Laura Brooks, and the concept of the Orphan Trains are very thought-provoking in themselves – but when Moriarty develops the characters as they grow and interact with others, the book is almost too much to contemplate in one discussion.

Please join us on Tuesday, Nov. 13, for an exciting exchange of ideas and impressions about *The Chaperone*.

We normally meet the second Tuesday of each month in the Lodge at 9:30 am.

However, we will not be meeting in December because of the numerous activities involved with the holidays.

Plan to start 2013 with the Book Club selection, *Gone Girl*, by Gillian Flynn. We hope to see you on Tuesday, Jan. 8, as well as Nov. 13. ~ **Bobbie Eckel**

# Line Dancing

Our group is working on a dance for the Christmas Variety Show and it is coming along great!

We hope many of you will attend this fun show that kicks off the Christmas Season here at Four Seasons.

There are only a few classes left if you want to learn a couple of line dances before the New Year's Eve party. Even if you don't know how to dance, these are easy and quick to learn. The best part of line dancing is you don't need a partner. Just get on the floor and dance with other people doing similar steps. Line dancing is very forgiving; just move in the same direction and it is called a variation, not a mistake.

Happy Thanksgiving to all of you and your families. And after eating all that good food, you need more exercise. Come have some fun, join us. Beginners Class starts at 3 pm Tuesdays in the Lodge Ballroom; the advanced class follows at 3:45 pm.

Info., Martha, 769-3889. ~ *Martha Franck*

# Old School Dance

We enjoy the sounds from 50s Rock and Roll, 60s R&B Motown, smooth jazz and down home blues playing each month on the first Friday of each month, 6 to 8 pm. We celebrate birthdays with pizza and cake then spend two fun hours dancing to burn off those calories. We are dark from December to February. Have a safe, stress-free and happy holiday season. Info., Willa Harris, (951) 845-2636. ~ *Willa Harris*

# Ballroom Dance Club

As we start November, there will be only six more weeks of dance this year. We will be doing an interesting and wide variety of dances for everyone's enjoyment, so you can get tuned up for the holiday season and New Year's Eve dancing.

Here's how it works: The first half hour we are given basic instructions of either a new dance or the review of a dance we're already familiar with. The following hour we are given slightly more advanced instructions in a different dance. Every dance is taught step by step, and learning is made easier by our excellent and professional instructors.

Here's the dance line up for the rest of the year:

November: West Coast Swing review, Cowboy Cha Cha, Electric Slide, (and possibly Cupid Shuffle), Texas Two Step, Tango review, Swing Hustle, Cha Cha review, and one night of Waltz.

December: East Coast Swing review, Foxtrot review, and two nights of Waltz.

So what are you waiting for? Come to the Ballroom at 6:30 pm on Monday nights and enjoy a wonderful year-end line up of some very interesting dances. It can't be easier, it's right here at home, the

instructors are professional, and the cost is minimum.

No reservations are required and you don't need to join anything – just show up and dance.

For questions or comments, please contact Puring and Gary Stifter at (951) 922-8333, or at purings@verizon.net. ~ *Willis Fagan*

# All Seasons RV Club

Thirteen rigs participated in our stay at Sunset Vista Camp Ground in Huntington Beach. Our wagonmasters, Jane and Tim Jacobson, planned a great week with a luau, eating at the Crab Cooker, shopping on Balboa Island, and a fantastic chili supper on Halloween.

Other trips in the planning stages are Lake Havasu and Quartzsite in January and Santee Lakes in March.

Also, in the planning stage is a trip for May 2013 to some of California's finest wine regions. We will begin with a stay in Paso Robles where we will tour wineries, visit the downtown shopping area, and eat at a Basque restaurant. From there we will go north to the Russian River Valley and the Anderson Valley. We will tour some wineries as well as visit Mendocino. Dorothy and Steve Meier and Nancy and Ron Morgan will be wagonmasters for this trip.

If you have an RV come join us on one of our trips. We promise you will have a fantastic time!

Our meetings are on the second Tuesday of the month at 6 pm in the Arts and Crafts Room at the Lodge. ~ *Nancy Morgan*

# Life Guide Bible Study

We continue our eight-part series on "Surviving Relationships God's Way." We're using God's Word to help us bring sanity to our relationships so that we can relate in more healthy ways to other people. In our first few lessons we considered such topics as, *Six Keys to Peace in Relationships*, *Escaping the People-Pleaser Trap*, and *Establishing Boundaries in Our Relationships*. In November we will look at some of the following topics: *Who's Pushing your Buttons*, *Resolving Conflict*, and *Breaking Free from Abuse*. Come and join us as we explore these subjects of interest to everyone. Everybody is welcome!

We meet in the Lodge Ballroom on Tuesday evenings, 7 - 8 pm. This club provides an opportunity for us to meet people in the Four Seasons community, and a chance to encourage and strengthen one another in our walk of faith. By the way, each lesson is self-contained, so you will benefit from the discussion even if you have missed previous lessons. This study time

will give you an opportunity to share your faith and gain encouragement and help from others in the group. Info., Don Cummings, (951) 572-5329. ~ *Don Cummings*

# Amphitheater Production Group

The Grand Finale at the Amphitheater proved to be a great way to conclude our summer productions for this year. The Marcus Heart Foundation turned out in full force starting with some great food from Lucille's Bar-B-Q.

The weather cooperated by cooling down nicely for the 7 pm show presented by The Tessera Band. After some breezy Jazz selections, Tessera heated things up nicely and had a lot of people clapping, singing and dancing well into the night.

The Silent Auction had three lucky resident winners: Randy Balt successfully

bid on the lower level LA Clipper Tickets; Dena Cortez went home with a Limo Ride and Dinner for two; Rob Gardner received a Bass Pro Gift Set. A number of free "door-less" prizes were given out to some lucky number winners who had their tickets drawn.

Your Amphitheater Production Group has already begun the search and booking for next summer's talent.

As always, suggestions are appreciated and anyone interested in joining us or becoming an "Amphitheater Helper" on the day of the event, please contact me, Penny

McDonell, at (951) 849-5535. We welcome all newcomers.

Thanks again for all your great support and we look forward to announcing our 2013 Summer Season lineup when it is completed. ~ Penny McDonell

## Classical Music Club

Do you have an interest in starting a classical music club? Not just listening to classical music and going to concerts, but talking about the music itself and the composers who created it. If so, contact Steve Benoff via email at [steve.benoff@verizon.net](mailto:steve.benoff@verizon.net), or call (310) 413-4896. ~ Steve Benoff

Christmas caroling at San Geronio Memorial Hospital last year

## Four Season Singers

We have been rehearsing since September for the Holiday Show on Dec. 1. We are excited about our selections and are looking forward to singing at the show. We are also making plans to go caroling at San Geronio Hospital as we had such fun doing that last year.

We also had a good time caroling for our neighbors last year. We are planning on caroling within Four Seasons again this year. If you are interested in Carolers coming to your house this Holiday Season, please email or call me for details.

As always, if you are interested in the singers, please call me at (951) 797-3466 or email me at [bawasco@dc.rr.com](mailto:bawasco@dc.rr.com). We are also always on the lookout for a full time piano player to accompany our singing. ~ Barbara Wasco

# Performing Arts Club (PAC)

On Saturday, Nov. 10, from 6 to 8:30 pm in the Lodge Ballroom, "Jerry & Friends" will present a "Kicked up Karaoke Concert" in an RV Rally setting. This is a free event.

All you have to do is show up. Oh, you can bring your own food and booze picnic style, buy your grub from Smitty's, eat before you join us, or go hungry. Whatever, just show up and have a good time.

Twenty-four imaginary camp sites will be arranged in a broken-wheel configuration, with a simulated fire pit in front of the stage, where my singing friends and I will perform for your listening and dancing enjoyment.

Plenty of seating for everyone, bring your friends, neighbors and kin. If you don't have any, bring your enemies.

You can dance and carry on, till the night is gone, and we have sung our songs. Come and have some fun! We will entertain you with songs from a variety of musical genres, performed by some of my best musically inclined friends.

This is a show of our friends and neighbors, for our friends and neighbors.

Be sure to check at the Lodge for more information. ~ Jerry Mathews

Join us Saturday, Dec. 1, for our Holiday Show right after the Christmas Tree Lighting and Sing-a-long. The acts lined up for you are already rehearsing and excited about this upcoming show. Don't miss any part of this annual fun filled day!

We have a very busy 2013 coming up. We hope this year's calendar will tempt you to attend the new shows that we have under production.

For your entertainment pleasure, on Feb. 16, will be "Rhythm & Blues Meets Country." Please refer to the September, 2012, Breeze, for a complete description. This new style of entertainment will have characters telling a story, including events of the times, with music and dance. The music will be from the 1920s on. See the sign-up sheet in the lobby of the Lodge if being a part of this interests you.

The first weekend in May will be a "Dinner Theater Mystery." If you enjoyed our production of Gramma Mia, you will love this performance and will recognize some of the characters in this murder mystery. This mystery is original and written by one of Four Season's own

talented writers. This mystery will have you clapping "bravo" when the mystery is solved. Watch upcoming issues of the Breeze for more information about auditions and ticket sales. This performance will not have any singing roles, but, if you are an actor or actress, gargle, clear your throat and be ready to show us your "chops."

Also coming next year will be a Patriotic Talent Show on the 4th of July and a Holiday Talent Show on Dec. 7.

Another new performance being scheduled for a Friday night is our "Readers Theater." You won't want to miss this performance of skits that will bring back

memories of the Golden Age of Radio. If you are interested in being a part of this production, please sign up on the sheet provided on the table near the front lobby of the Lodge.

If you are interested in joining PAC or have any questions, please sign up on the sign-up sheet in the lobby of the Lodge or contact Colin Taylor at 956-7378 or [colin@yorkshire-house.com](mailto:colin@yorkshire-house.com). ~ Barbara Wasco

## Discovery Club

We usually think of an animal when we hear "pedigree." Is it a thoroughbred? What's its bloodline? Is it from good stock? Any peculiarities? Win any shows? A good disposition?

While the word pedigree still applies, we humans don't get to choose our parents or our blood line. Whether they were good or bad, sick or healthy, weak or strong, a failure or a success doesn't figure in at all. We are what we are.

To put it simply, when you trace your lineage and write it down, you're doing your pedigree. It starts with you and works back through time, to your parents, grandparents

and further. It's your personal, human blood line, the people from whom you get your DNA and your genes.

Everyone has a pedigree, but few know what it is. If you are related to someone famous (such as royalty), your pedigree will most likely already be done. The vast majority of us are just commoners and we must persevere in our search to discover our pedigree.

There is at least one person in our community who has traced their lineage back to the "separatists" who sailed on the Mayflower in 1620. And some people can go back even further than that – to the 1200s.

But those are the exceptions, because most of us can't get much further back than the late 1700s or mid 1800s.

Even so, we keep trying. We sometimes don't seem to get anywhere, but we never know which question or search will reap good results and increase our knowledge of our pedigree.

If you need assistance, have suggestions, or want to be included on our email list, please contact Willis Fagan, Club Captain, at (951) 769-4482 or email to [wefbev@verizon.net](mailto:wefbev@verizon.net). Notice of our next meeting will be sent via email. ~ Willis Fagan

# Amateur Radio Club

Ham Radio? Yuck! I could not think of anything much less appealing to me. I had images in my head of pale men sitting in front of huge electronic set ups, frantically tapping out unknowable code, or spending entire nights communicating with strangers around the world and discussing who knows what boring subjects.

Technology has never appealed to me. For years I railed against computers and the way they were taking over the world, forcing me to spend valuable time sitting and typing endlessly instead of gardening, cooking, reading, walking, talking or almost anything else that enriched my life.

My engineer husband gently, kindly, and repeatedly told me that I was capable of mastering this new evil in my life while refusing to take it all off of my hands and do it for me. So I learned, but mostly, I hated it.

And then my husband died and gradually my attitude changed. I decided that I did not want to be left behind, an aging old fogey who felt and acted spiteful and angry in the face of the inevitable. I decided that it would be fun, challenging, and YOUTHFUL to learn something that wasn't immediately easy for me, and that did not really call to me. I decided to join the 21st century.

I believe in "giving back" or sharing the many gifts life has given me. I do various volunteer work and joined the Emergency Preparedness (EPP) committee, became CERT trained as they

suggested, and decided to combine my two desires of learning something new and giving back. I joined the Amateur Radio club! And amazingly enough, I am having a terrific time.

I am finding that learning something previously outside my realm of interest and expertise is really fun and exciting. And it is really not difficult although I do love sprinkling my conversations with academic sounding words and concepts, listening to my friends' amazement at my transformation.

I find that I am understanding all kinds of things that used to baffle me and that the more I learn, the more I learn.

And most importantly, even with my bad back, I will be able to contribute in case of an emergency. Ham or amateur radio is the one way that communication with the outside world will be preserved in case of devastation. Phones, cells, and most other communication methods will go down as electrical connections go down but amateur radio will still be working. I find that empowering and comforting.

And contrary to my previous beliefs, the people I am meeting with my new interest are terrific. Our club is a mix of men and women, with more women joining recently. But in order to be successful, to truly be prepared to aid our families and our community during an emergency, we need many more people to listen to our message, to come to our meetings, and to join our club. Our meetings are in the Lodge on the last Friday of each month at 10 am. Do come and see what we can offer you. I won't be at all surprised if you decide to participate. You might surprise yourself as I did with how clever you still are and how young you feel at learning something new and relevant. ~

Laurie Larson

## Travel News

Please remember our upcoming trip to Discover Switzerland, Austria and Bavaria which will leave April 24, 2013 with our flight to Switzerland and return on May 4.

On this trip we will stay at two hotels and venture out from them to visit places like the famous Bear Pit, and the Rose Gardens of Bern, the Chateau de Chillon, Montreux and a train ride on the GoldenPass Panoramic Train from Montreux to Gstaad.

This legendary train ride, one of Switzerland's many scenic rides, connects Lake Geneva and central Switzerland. Departing from Montreux, the train then makes an exhilarating ascent through vineyards and country estates, leaving behind the shimmering lake. Instead of palm trees, fir trees seem to cover the area.

You'll experience Switzerland in all its breathtaking magnificence from the comfort of your seat on the train. The journey takes you past weathered timber chalets with their flower-bedecked window, to the word-famous holiday resort of Gstaad.

We will also visit Lucerne, Innsbruck and Salzburg where we will enjoy delightful dinner at the 1,200 year old St. Peter's Restaurant, the oldest in Austria and still owned by the monks.

The cost of this trip is as follows: double \$3,519; single \$3,939; and triple \$3,479 and this price include three round trip air from LAX, mandatory air taxes and fee/surcharges of \$200 (subject to increase until paid in full), and hotel transfers but does not include the cancellation waiver and insurance of \$220. ~ Melody Seewoster

## Seasoned Solos

With the weather cooling it's time for some outdoor activity. On Thursday, Nov. 1 we will travel to Idyllwild for browsing the shops and lunch. For those who haven't traveled up the mountain, Idyllwild is perfect for a day trip. A small town with shop, museums, and several nice restaurants.

Friday, Nov. 2, is our regular planning meeting at 6 pm in the Craft Room. New members are always welcome. If you can't attend the meeting, call for information and join us for one of our outings.

On Saturday, Nov. 3, we will leave the Lodge at 10:30 am and have lunch at the beautiful Clubhouse at Rancho La Quinta. Following lunch we will visit a small museum in La Quinta.

A trip to Long Beach to see the Princess Diana Exhibit on the Queen Mary was discussed. It is still in the planning stages.

On Friday, Nov. 16, we will drive to Redlands to have lunch at the Corner Bakery. This is a fairly new restaurant in Redlands and offers a wide variety of lunch items.

Members who have bus reservations will go to the Cleopatra Exhibit at the Science Center in Los Angeles on Nov. 29.

# Garden Club

“If you can’t beat ‘em-join ‘em.” Len Tavernetti’s presentation at our October meeting was about “throwing in the towel” to our native wildlife here at Four Seasons. After trying for four years to raise vegetables in our backyard only to provide banquets for our ever growing population of hungry critters, Ruth and I converted our yard to a Wildlife Habitat. The National Wildlife Federation sponsors this program. Any size yard can qualify as long as four basic needs for wildlife are provided: Food, Cover, Water and Places to raise the young.

Our yard already included a koi pond, trees, bird houses and feeders, a rock pile and an ample supply of food. Major changes were made to plant life. More flowers were planted to entice more

inhabitants. Apricots, peaches and grapes are shared with our flying patrons harvesting the top of the trees. Honey bees occupied a birdhouse for two years, raised two new colonies and eventually moved. Hummingbirds have done the same. Squirrels, raccoons and rabbits came with the whole family to check the menu but left disappointed since there were no vegetables, salads or melons. But, herons and hawks still stop by to assess the food stock in the pond. And, human frustration has subsided.

Our next meeting will be Nov. 8, at 9 am in the Ballroom. Info., Phyllis Beede, Captain (951) 769-4721 phyllis.beede@gmail.com. ~ *Len Tavernetti*

# OLDlympics

After 18 fun-filled days competing in the 2012 OLDlympics sponsored by the Valley-Wide Recreation and Park District’s Sport Center in San Jacinto, four of our Four Seasons residents brought home a bushel of medals.

Competing against more than 500 participants from as far away as the San Fernando Valley, our resident athletes acquitted themselves well.

Jim Cochran was the biggest winner with eight medals. He got gold in discus, standing long jump, 50 meter dash, 100 meter dash and football throw, plus silver in long jump, shot put and swimming’s 25 meter freestyle.

Pete Antoine was close behind with seven medals: Gold in bench press, 1500 meter walk, 400 meter run, and basketball, plus silver in ping pong, standing long jump. In addition, Pete was fourth in the Texas hold’em poker competition.

Randy Balt won two swimming gold medals in the 50 meter freestyle and 50 meter breaststroke.

Niles Sundstrom won gold in ping-pong. ~ *Randy Balt*

*L-R: Randy Balt, Pete Antoine, Jim Cochran and Niles Sundstrom*

## Racquet Club

Breaking news! We’ve extended Play Days year-round. We said Sept. 8, was our last one until spring, 2013, but our turn-outs and player enthusiasm have dictated that we keep on lobbing and volleying with two stipulations: At least eight signed up and the weather is favorable. So watch your emails from Cheryl and promptly advise your willingness to participate. Fees to remain the same: \$5 for members, \$7 if not.

These will be scheduled the last Saturday of each month starting with a drill session at 8:30 am, then rotational social play at

10 am followed by a no-host lunch at the Bistro. We’ve had wonderful 2012 Play Day responses and we thank you for your participation.

If you missed our Annual Meeting dinner on Oct 16, you can still re-up for 2012-13 tennis festivities for \$20 per member. Just send your check, payable to FSBRC, to Tina Soeten, 319 Spanos Park, Beaumont, CA 92223, or hand \$20 to any of our committee members including Tina, Irve Sturner, Howard Lyon, Cheryl Smith or Ken Elliott.

Also keep checking our website [www.FSBRC.org](http://www.FSBRC.org) as there are lots of other balls

in the air besides Penns, Wilsons and Dunlops.

We are working on rehabbing our existing tennis ball machine and/or requesting a new one from HOA, monitoring with Euclid biweekly blowing and washing of our courts and possibly purchasing a dedicated power washer, troubleshooting to determine best procurable umbrellas (base stability and ease/simplicity of raising and collapsing the umbrella mechanism) given our perennial winds, and on-going liaison with HOA to spearhead and develop additional courts at Four Seasons. ~ *Ken Elliott*

## Pickleball

Funny name/great game! Pickleball is a sport described as “a combination of ping-pong, tennis and badminton,” played around the country by all ages. Pickleball is FUN. It is also a great work out, very social, competitive and athletic. The game is typically played on a paddleball court with a net that is 34” high in the middle, using a baseball size whiffle ball and a paddle, similar to a large ping-pong paddle.

I know what you’re thinking. I tried tennis, I tried racquetball but it was just too

hard to learn. Then this is the sport for you.

It is very easy to learn. After a few minutes of instruction, a beginner can enjoy a game with a more experienced player. The smaller court surface and the smaller, easier to control paddle make learning the game fast and rewarding. In addition, pickleball is a fantastic way to exercise and spend time with friends and family. Try it one day and you’ll be back the next to play again!

Please stop by one of our scheduled play days. We have extra paddles and balls that

you can use to try out the game. No need to buy expensive equipment up front. We know that you will love the game and want to help us make Pickleball the new, fun, “in-thing” to do here in our Four Seasons community.

For fall and winter, our tentative schedule is Tuesdays and Saturdays at 10 am and Thursdays at 4 pm. We look forward to seeing you on the paddleball courts.

Info., Linda (951) 797-3939 or Marty (951) 769-6369 or email to [lbsnipes@yahoo.com](mailto:lbsnipes@yahoo.com). ~ *Linda Snipes*

# Ping Pong Club

September and October were busy months for some of our Table Tennis Club members.

On Sept. 19, some of us went over to Hemet to play in the Oldlympics. This was the 28th anniversary for these senior games and the number of competitors and quality of competition just keeps getting better every year.

This year, our Four Seasons’ Community scored well in the ping pong competition. Pete Antoine won the silver medal for his performance in the singles competition for players between 60 and 69. Niles Sundstrom improved on his 3rd place performance from last year by defeating the 2011 defending champion to win the gold medal in the 70 to 79 division.

On Oct. 7, four of our club members went to Sun City to play in the Sun City Table Tennis Tournament. This was a much larger tournament that drew athletes from all over Southern California and even one from Nevada. Many of the players here were ranked high by the USATT.

The competition for medals was very keen but our representatives Don Fant, Alan Chan, Mac Mcleod, and Niles Sundstrom represented our community well. Niles Sundstrom teamed with Jim Monaco (a Four Seasons’ resident in Hemet) to win the 4th place medal in doubles. All in all, this tournament was a great learning experience for our club members. ~ *Niles Sundstrom*

*Niles Sundstrom wears his gold medal from the Oldlympics while Pete Antoine wears his silver medal and many others that he won in sports besides table tennis*

*Representing our community at the Sun City Table Tennis Tournament were Don Fant, Alan Chan, Niles Sundstrom, and Mac Mcleod*

## Paddle Tennis

Come and join us for fun and exercise. We have a small group of about 10 regular players but we have tons of fun. Regular play times are on Tuesdays and Thursdays from 7 - 9 pm. We are also planning to play on weekends. Beginners are welcome. Info., Alan, (951) 769-4202 or Jim, (951) 769-5525.

## Golfing for Fun

The “Distinguished Duffers” golf group continue to take on the links weekly on Friday mornings. Our home coarse is Yucaipa but we are venturing out to other locations once a month. Our roster consists of over 25 enthusiasts and have between three and four foursomes each week signing up and attending. We have no member dues. Only request is to let us know if you wish to attend the current week’s outing so we can plan with the course to coordinate tee times.

Our goal is simply to have fun and create an opportunity to get together with others who wish the same. If you wish to participate please contact Tim Jacobson, [tjacobson@dc.rr.com](mailto:tjacobson@dc.rr.com), (951) 797-3563 or Phil Harris, [phillip.harris54@yahoo.com](mailto:phillip.harris54@yahoo.com), (951) 922-6676. ~ *Tim Jacobson*

Bob Howard and Howard Lyon touring the Sierras

## Motorcycle Club

**Six Passes and Other Wonders in Eight Days:** Bob Howard planned an eight-day trip that crisscrossed the Sierras several times before visiting Lake Tahoe and Reno and then cutting westward across the central valley to Monterey and back home along the coast via the beautiful California Highway 1.

Bob, along with his brother Bill, and Howard Lyon departed on Sept. 18, and took a leisurely ride over Walker Pass to the Kernville Inn Bed & Breakfast for our first nights stay.

The next day we followed the Kern River about 20 miles north and then gained altitude until we were surrounded by the quiet majesty of giant sequoias and redwoods in the Sequoia National Forest. We then went over Parker Pass in route to Porterville. Continuing northwest we dropped back down into the farmland of the central valley then on to the Chukchansi Resort and Casino in Coarsegold for our second night.

On day three we arrived in Yosemite at 9 am and then climbed up and crossed the Sierras through Tioga Pass and dropped down the eastern side to Lee Vining. Then north to Bridgeport and back west to cross the Sierras again at Sonora Pass and spent that night in

Sonora.

On day four we visited the town of Sonora and then wandered the streets of Colombia, an old gold mining camp, before hitting the road eastward through Ebbitts Pass on our way to South Lake Tahoe for a two night stay. On our lay day we toured up through Carson City to Reno where we attended the Street Vibrations event.

On day six we headed west from Tahoe through Kit Carson Pass, and it was spectacular. Beautiful scenery and gentle curves and time to stop for photo-ops and coffee. We settled into our rooms in Santa Nella and had dinner at Anderson's Pea Soup.

On day seven we headed west to Monterey and then down Highway 1. We stopped for lunch at the Ragged Point Inn, then cruised south to our nights lodging in Solvang.

The next morning we had breakfast in Solvang and then headed south, arriving home around 1:30 pm. The total trip mileage was 1,700.

It was a wonderful trip and we were mildly sad that it was ending but we did look forward to getting back to our wonderful life here at Four Seasons.

Our club meets the first Wednesday of each month at 6 pm in the Ballroom. ~ **Howard Lyon**

## Firearm Enthusiasts

Firearm ownership is a very responsible process of training, safety and familiarity with your firearms.

More and more of our members are learning the importance of practice. Take the opportunity to practice at least once a month to maintain your skill level and familiarity with your firearms. Remember to save your targets if you want an evaluation.

Steve Meier set up the range for .22 or center fire quick action firing practice at the High Desert Rod and Gun Club Outdoor Range. Free instruction for new shooters. Check their web site at [hdrgc.com](http://hdrgc.com). We will plan a field trip as cooler weather permits.

We are going to try to schedule our local law enforcement to come to a meeting for training. Information will be available when the arrangements are made.

A competition is in the planning stages and you should start practicing so you can take part and win a trophy. If you need a shooting partner, check on the roster and make a call. This is a good way to meet your fellow enthusiasts and swap stories.

Meetings are the first Friday of the month at 4 pm in Lodge Ballroom. For information, call Ron Morgan (951) 315-0466 or e-mail to [ronm627@aol.com](mailto:ronm627@aol.com), or Steve Meier (909) 528-3342, [sm45para@gmail.com](mailto:sm45para@gmail.com). Reminder: no firearms allowed on the Lodge premises. ~ **Ron Morgan**

## Monday Night Football Potluck

Please mark your calendar for Monday Night Football Potlucks now until Dec. 10, at 5 pm in the Bistro in the Lodge.

Bring a salad, vegetable, entree or dessert. It is a lot of fun and you will have an opportunity to socialize with other residents from Four Seasons. For information, Kristin Wouters at (951) 845-2063 or cell phone (818) 523-3547. ~ **Kristin Wouters**

## The 8-Ball Club

We meet for the enjoyment of playing billiards for fun, competitive play with in-house tournaments as well as tournaments with our friends at Del Webb in Hemet and Solera at Oak Valley Greens in Beaumont.

Our meetings are held the first Wednesday of each month. The in-house 8-Ball Tournaments are on the second Wednesday and the 9-Ball in-house Tournaments on the third Saturday of each month. We enjoy the friendship and competition of playing other 8-ball clubs, such as Del Webb in Hemet. Our traveling tournaments are typically scheduled for Monday evening; check the bulletin board in the Billiards Room for exact date and location.

The club practices together on non-tournament Mondays as well as every Wednesday and Friday at 7 pm. To qualify to play in a club tournament, one must have practiced with the club at least once in the preceding week.

A recent 8-ball tournament was against Del Webb's club and

came down to a one game playoff. Kenny Payne from Four Seasons played Al Boucher from Del Webb. Kenny ran the table, however, was forced to play a "safety" on his 8-ball shot. Al then ran the table and just missed his shot on the 8-ball. Kenny sank the 8 for the winner and the tournament win for our club.

The in-house tournament winners for August 2012 were Roland Hannah (8-ball) and Kenny Payne (9-ball). The September winners were Dewy Allen (8-ball) and Dell Lyles (9-ball).

As a club, we want to keep our Billiard Room looking good. We clean the billiard balls monthly to keep them looking nice. Pool sticks are not leaned against the

wall (chalk gets on the wall and discolours the paint). We have great chairs, which are grooved to hold the pool sticks. The skill levels of club members range from beginner to expert and help with shots is available to anyone just for the asking. ~ **Rick & Marion Loney**

# Hiking Club

We live in the semi-arid desert. We usually hike in the high mountains. But, annually we trek to the Pacific shores at Crystal Cove as a reminder of why we are Californians.

Our September hike is a right-of-passage for our members as we literally turn beachcomber for the day. Summer has waned and tourists have departed leaving the beach to a few weekday retirees. For us it is shoes off and sand in the toes. Refreshing cool surf flirts with our ankles and knees.

On this day our morning stroll was under foggy skies while the afternoon “hike” was with sunny skies. Sea urchins, sea gulls and sand pipers captured our attention as we just relaxed from the hustle and bustle of Four Seasons senior living. Lunch was superb, as always, at the Beachcomber Restaurant.

Our next “hike” was back to our normal routine at Aspen Grove high in the San Gorgonio Mountains on Oct. 10. Info., Lynette Simonson, (951) 306-8252. ~ *Leonard Tavernetti*

# On the Breeze

## Photos Wanted

We welcome photos of the beautiful Four Seasons community from homeowners for The Breeze. If you would like your shot to be considered for a future cover, please make sure the photo is high-resolution. It can be flora, fauna or any of the beautiful vistas throughout the area. The only restriction is that it must be Four Seasons related. Please send digital jpeg files to [fourseasonsnews@yahoo.com](mailto:fourseasonsnews@yahoo.com). Thank you!

## Submission Guidelines

The Communications Committee respectfully requests that all clubs and groups submit their article **no later than 12 noon on the 9th of each month**. Please limit articles to 400 words. E-mail .doc or .rtf files to [fourseasonsnews@yahoo.com](mailto:fourseasonsnews@yahoo.com). Please include committee, club or group name, writer's contact information, and organization's contact information. Within the article, include upcoming event details and general contact information. Photographs must be clear, in focus and submitted as high-resolution jpegs.

## To Advertise in the Breeze

## **WHAT ARE HOMEOWNER'S SAYING ABOUT THE NEW *FOUR SEASONS BREEZE* MAGAZINE?**

*"I think it is very professionally done. It is informative about activities available to us and lists important phone numbers for quick use. Even the advertisements are useful." ~ Jean Sandoval*

*"Excellent, good looking, easy reading magazine. Thank you for a fabulous magazine. It's a winner in my book!" ~ Wanda Valentine*

*"Love the slick cover, photos... definitely an upgrade from previous monthly newsletter." ~ Cheryl Ralston Staples*

*"Great job. Kudos to all of you who work on the Breeze." ~ Roberta Hokuf*

*"Great! I really enjoy it. More colorful display makes you want to read more." ~ Kristin Wouters*

*"Love the new magazine. Great improvement." ~ Wayne Staples*

*"It's great! Very professional." ~ Jerry Nail*

Photos, comments and suggestions are encouraged and can be emailed to [fourseasonsnews@yahoo.com](mailto:fourseasonsnews@yahoo.com) or you can contact the publisher directly by calling Image Up Advertising & Design at (909) 797-3647 and asking for Courtney Taylor.

This is your magazine and your input is always welcome. We hope you enjoy the Breeze.
