Patriot Day

By Bobbie Eckels

The date September 11 is burned into our hearts and souls. On that day, in 2001, as most of us were getting ready for work, our radios and TVs interrupted all programming and began to show and talk about the horrifying events unfolding. Four airplanes were hijacked. Three of the airplanes were deliberately flown into the New York World Trade Center Twin Towers and the Pentagon in Washington, D.C. As the day progressed, we heard of the heroics of Americans in the skies over Pennsylvania who prevented more carnage by forcing another terrorist hi-jacked airplane down in a field near Shanksville before it succeeded in reaching its target.

In the days following September 11, we listened and watched as efforts continued to save lives, re-connect families, help those in need, find answers to a multitude of questions, and comfort a nation in mourning. We cannot forget the courage of those who assisted, risking their own lives to do so. Nor can we forget the grief of the families torn apart by terrorist action on that morning.

More than 3,000 innocent people lost their lives. Untold families were shattered. The economic impact was immense. But the United States did not surrender to this attack. In our anger and sorrow, we vowed to learn from our experience, to take steps to make our nation more secure, to double our efforts to fight for freedom and the security that we all too often take for granted.

On Dec. 18, 2001, by a joint resolution (Public Law 107-88)

Congress designated September 11 of each year as "Patriot Day."

In a proclamation from President Bush on the first observance of Patriot Day, the following year, he noted "...we will not forget the events of that terrible morning nor will we forget how Americans responded ... with heroism and selflessness; with compassion and courage; and with prayer and hope. We will always remember our collective obligation to ensure that justice is done, that freedom prevails, and that the principles upon which our Nation was founded endure."

Patriot Day is not a federal holiday. Schools and businesses do not close. Public transportation runs on its regular schedule. Some Americans may take time out to hold prayers for the victims of that terrorist attack, but remembrances are individual and do not effect public life for more than a few minutes.

However, on the direction of the President, the flag of the United States should be displayed on homes, the White House and all U.S. government buildings. Flags should be shown at half-mast as a mark of respect for those who lost their lives on September 11, 2001. A moment of silence is often observed at 8:46 am (Eastern Daylight Time) in recognition of the time the first plane hit the World Trade Center.

Please take the time on this September 11 to remember, to re-commit to being an involved citizen of our great nation, and to do your individual part to assure that our great nation remains free.

NATIONAL GRANDPARENTS DAY

By Bobbie Eckel

National Grandparents Day is a secular holiday celebrated in the United States on the first Sunday after Labor Day. The purpose of the special holiday is threefold: to honor grandparents, to give grandparents an opportunity to show love for their children's children and to help children become aware of the strength, information and guidance which older people can offer. The idea was initiated by a housewife, Marian Lucille McQuade, in Fayette County, West Virginia, in 1970. Marian McQuade and her husband Joe had 15 children, 40 grandchildren and at least eight great-grandchildren. They were both very interested in "intergenerational interaction." They obviously experienced first-hand the strength, assistance and support which could be provided by older members of the family.

Mrs. McQuade's concerns for senior citizens started in 1956 when she began working with the Past Eighty Party. She advocated for the elderly in several states. In 1971, she was elected Vice-Chairman of the West Virginia Committee on Aging and was appointed to the White House Conference on Aging by then Governor Arch Moore.

Marian McQuade's initiative was successful; the first Grandparents Day was proclaimed by Governor Moore in 1973 in West Virginia. A similar resolution in the U.S. Senate died in the committee. Undeterred by this failure, Mrs. McQuade's team turned up the heat and, in 1978, the U.S. Congress passed legislation proclaiming the first Sunday after Labor Day as National Grandparents Day. President Jimmy Carter signed the proclamation. September was chosen for the holiday to signify the "autumn years" of life. The chosen flower for the day is "Forget Me Not."

The following comments in answer to "Who are Grandparents?" were given by a class of eight-year olds and circulated on the Internet:

Grandparents are a lady and a man who have no little children of their own. They like other people's.

A grandfather is a man and a grandmother is a lady!

Grandparents don't have to do anything except be there when we come to see them. They are so old they shouldn't play hard or run. It is good if they drive us to the shops and give us money.

When they take us for walks, they slow down past things like pretty leaves and caterpillars.

They show us and talk to us about the colors of the flowers and also why we shouldn't step on 'cracks.'

They don't say, "Hurry up."

Usually grandmothers are fat but not too fat to tie your shoes.

They wear glasses and funny underwear.

Grandparents don't have to be smart.

They have to answer questions like "Why isn't God married?" and "How come dogs chase cats?"

When they read to us, they don't skip. They don't mind if we ask for the same story over and over again.

Everyone should try to have a grandmother, especially if you don't have television because they are the only grown-ups who like to spend time with us.

They can take their teeth and gums out.

They know we should have snack time before bed time and they say prayers with us and kiss us even when we've acted bad.

A six-year old was asked where his grandmother lived. "Oh," he said. "She lives at the airport, and when we want her, we just go get her. Then when we're done having her visit, we just take her back to the airport."

Grandpa is the smartest man on earth. He teaches me good things, but I don't get to see him enough to get as smart as him.

It's funny when they bend over; you hear gas leaks and they blame their dog.

**HAPPY
GRANDPARENTS
DAY!**

How Children Perceive Their Grandparents

Gathered from the Internet by Bobbie Eckel

She was in the bathroom, putting on her makeup, under the watchful eyes of her young granddaughter, as she'd done many times before. After she applied her lipstick and started to leave, the little one said, "But Grandma, you forgot to kiss the toilet paper good-bye!" I will probably never put lipstick on again without thinking about kissing the toilet paper good-bye.

My young grandson called the other day to wish me happy birthday. He asked me how old I was, and I told him, 80. My grandson was quiet for a moment, and then he asked, "Did you start at one?"

After putting her grandchildren to bed, a grandmother changed into old slacks and a droopy blouse and proceeded to wash her hair. As she heard the children getting more and more rambunctious, her patience grew thin. Finally, she threw a towel around her head and stormed into their room, putting them back to bed with stern warnings. As she left the room, she heard the three-year-old say with a trembling voice, "Who was THAT?"

A grandmother was telling her little granddaughter what her own childhood was like. "We used to skate outside on a pond. I had a swing made from a tire; it hung from a tree in our front yard. We rode our pony. We picked wild raspberries in the woods."

The little girl was wide-eyed, taking this all in. At last she said, "I sure wish I'd gotten to know you sooner!"

My grandson was visiting one day when he asked, "Grandma, do you know how you and God are alike?" I mentally polished my halo and I said, "No, how are we alike?" "You're both old," he replied.

A little girl was diligently pounding away on her grandfather's word processor. She told him she was writing a story.

"What's it about?" he asked.

"I don't know," she replied. "I can't read."

When my grandson asked me how old I was, I teasingly replied, "I'm not sure." "Look in your underwear, Grandpa," he advised "Mine says I'm four to six."

I didn't know if my granddaughter had learned her colors yet, so I decided to test her. I would point out something and ask what color it was. She would tell me and was always correct. It was fun for me, so I continued. At last, she headed for the door, saying, "Grandma, I think you should try to figure out some of these colors yourself!"

When my grandson Billy and I entered our vacation cabin, we kept the lights off until we were inside to keep from attracting pesky insects. Still, a few fireflies followed us in. Noticing them before I did, Billy whispered, "It's no use Grandpa. Now the mosquitoes are coming after us with flashlights."

A second grader came home from school and said to her grandmother, "Grandma, guess what? We learned how to make babies today." The grandmother, more than a little surprised, tried to keep her cool. "That's interesting," she said. "How do you make babies?"

"It's simple," replied the girl. "You just change 'y' to 'i' and add 'es'."

Children's Logic: "Give me a sentence about a public servant," said a teacher. The small boy wrote: "The fireman came down the ladder pregnant." The teacher took the lad aside to correct him. "Don't you know what pregnant means?" she asked. "Sure," said the young boy confidently. "It means carrying a child."

A grandfather was delivering his grandchildren to their home one day when a fire truck zoomed past. Sitting in the front seat of the fire truck was a Dalmatian dog. The children started discussing the dog's duties.

"They use him to keep crowds back," said one child.

"No," said another. "He's just for good luck.."

A third child brought the argument to a close. "They use the dogs," she said firmly, "to find the fire hydrants."

Grandpa is the smartest man on earth! He teaches me good things, but I don't get to see him enough to get as smart as him!

Manager's Update

By Lisa Lynn, General Manager

At the Open Session Board meeting held on Aug. 8, the Board of Directors approved the following committee recommendations:

- Architectural Review for a proposed rule change to be sent out for member review
- Finance proposal to increase the spending limit on the Association's credit card
- Social proposal to sponsor the Winter Wish program for the holidays

The Board of Directors reviewed and acted upon the following business matters:

- July 2013 minutes – approved
- June 2013 unaudited Financial statement – reviewed
- Approved the request for a TOPS

(Taking Off Pounds Sensibly) class

- Approved a special request for Amphitheater usage
- Approved the rule revision to the Architectural guidelines regarding front patio area setbacks
- Approved the Classical Music Club Management reported to the Board the completion of the following items:

- Bistro chair refinishing
- Net extenders purchased for the paddle tennis courts
- Pool and community signage installed
- Replacement of the plants in the circle planter pots
- A/C condenser replacement for Ballroom (\$4,247)

Management reported that 13

violation letters were sent out during July

- Two for architectural items
- Seven for trash containers
- Two for signs
- Two for hoses

The Board of Directors suspended facility privileges for one member for delinquent dues, bringing the total for suspended privileges to 10 current members. There were 27 accounts with balances over 90 days past due.

The Board meeting is held on the second Thursday of the month, with the Executive Session at 9 am in the Lodge Conference Room and the Open Session at 1 pm in the Lodge Ballroom.

Staff member, Mari Salazar, accepted a promotion with Euclid Management as the Assistant General Manager in Hemet.

AFFIRMATION OF OCCUPANCY STATUS:

Each resident and Owner will be receiving a request from the Association at the request of the Board of Directors to affirm their occupancy status. This request is in accordance with the CC&Rs to provide periodic affirmation of the occupant's status as a Qualifying Resident, Qualified Permanent Resident or Permitted Health Care Resident. When you receive this request in the mail, please return the response information and provide any other requested information in a timely manner. It is imperative to the Association's status as a Senior Community to have this information verified.

Neighborly Notes

By Bobbie Eckel

Labor Day, Sept 2, is a Monday holiday. The Lodge hours will be reduced (7 am to 7 pm). This also means that Waste Management will be a day late in picking up this week. Plan to put your containers out on Tuesday, Sept. 3, by 5 pm for collection on Wednesday, Sept. 4.

On Wednesday, Sept. 11, the nation remembers those who were injured or died during the terrorist attacks on that day in 2001. This day is designated as Patriot Day by a joint resolution of Congress (Public Law 107-88). This should not be confused with Patriots Day which commemorates the battles of Lexington and Concord in 1775, two of the earliest battles in the American Revolutionary War.

Thursday, Sept. 12, is the General Session of the HOA Board of Directors. If you have questions or concerns about situations or problems which effect our community, you have an opportunity to speak directly to the Board for three minutes per resident prior to the beginning of the business section of the agenda. Mark your calendars. Plan to attend!

The HOA Garage Sale is coming up soon. We all need to start looking around our homes and garages to choose items for the sale. Remember that what may be "extra" at your house will be a "new treasure" at someone else's home. Sign-ups for the HOA Garage Sale begin Wednesday, Sept. 17. The fee for signing up is only \$7, which includes the permit and advertising. Parking lot areas are numbered; sign up early for the spot you want!

One more reminder for this season: The Valley-wide Senior Softball League is looking for new members. Interested players must be at least 55 or better. Several players have already signed up from our Four Seasons community. Winter and summer sessions are available. The cost is only \$30 and you play at least forty games each season. Game days are Tuesdays and Thursdays. Practice days are Wednesdays and Fridays from 7:30 to 9:30 am. The League plays at Valley Wide Recreation Center in San Jacinto. Please call (951) 927-4509 to sign up or to obtain additional information.

Activities Director Corner

By Cindy Graves, Activities Director

I must say to those of you who missed our special string trio from the San Bernardino Symphony, you missed a very impressive evening.

There were only about 25 residents in attendance that evening and everyone thoroughly felt themselves virtually caught up and transported by the music to some of the most prestigious concert halls. All of the musicians in the symphony are professionals and of the highest caliber. It was such a privilege to be able to enjoy such an intimate private concert.

After the final piece was played it was obvious that those folks sitting in the Ballroom were hungering for more. I asked for a show of hands of those who would like us to arrange a group from Four Seasons to attend their next concert series. Everyone raised their hand! Some asked for a bus to be chartered to pick up concert goers at the Lodge and some just wanted group discount tickets that they could use when driving their own cars.

I spoke with the Symphony's Marketing Director and arrangements are in the works. The Symphony is going to offer us a significant discount, so we will pursue this opportunity further. I didn't know until that evening that there was such an incredible music resource so close to home. No need to go all the way to L.A., San Diego or New York. Keep your eyes open for further details.

Calling all Crafters and those of you who are considering participating in this year's Craft Boutique, you only have one more month to get your inventory in order before the Saturday, Nov. 16, event date. I will be announcing in next month's Activities Director Corner the date for table sign-ups and registration as well as our organizational meeting.

This year we are directed by the Board of Directors to make the Boutique self-supporting. That means that we will be collecting a \$5 registration fee from all participants to go toward advertising and other expenses. This is one of three events where we have approval to advertise to the general public and where the community at large is invited to attend. Last year we had a wonderful turnout and many residents nearly completed their holiday shopping by the time the event was over. What a great way to find something unique, handcrafted and truly special for your loved ones. Stay tuned to next month's *Breeze* for the sign ups and meeting date and times.

If you're a magic lover and you missed the last magic show, we have another one just for you (and everyone else). Mark down Saturday, Sept. 14, for the next show date. There will be two shows as usual, so come on down to the Lodge after Sept. 7, where you'll find a clipboard available for you to indicate which showing you prefer to attend; the 6:30 or 7:30 pm performance. There is no cost for admittance and all ages are welcome.

Speaking of performances, The Reader's Theater group will be performing once again in our Ballroom on Friday, Oct. 4, at 6 pm. It was neat to hear and watch the stories and sound effects being played out for the "Old timey radio show" at W-FSB Radio. Tom Shelley is a resident and the Reader's Theater Director and he does a great job of putting these shows together. This is another one of those "Friday Night at the Lodge Shows" where you can bring in your dinner from Smitty's or just bring your own favorite beverage and enjoy a fun and free evening of entertainment.

I hope you all had a pleasant and relaxing summer and are ready for all of the fall and winter activities planned for your enjoyment here at the Lodge.

Chef's Corner By Randy Balt

Maple Lover's Spinach Salad

Using fresh fruit in a salad provides an elegant alternative to the generic salads use of lettuce and tomatoes. You can use berries, melons, stone fruits or anything else you like depending on your personal tastes. This recipe calls for spinach, but a spring mix can work just as well. You will enjoy the snappy vinaigrette.

INGREDIENTS

Spinach
Feta cheese
Candied pecans
Raspberries
Blueberries
Maple vinaigrette dressing (see below)

MAPLE VINAIGRETTE RECIPE

2 tablespoons extra virgin olive oil
1 tablespoon cider vinegar
2 tablespoons pure maple syrup
1 1/2 tablespoons Dijon mustard
Salt and pepper to taste

VINAIGRETTE DIRECTIONS

Shake jar vigorously to mix ingredients well.
Store in the refrigerator for up to one week.

SALAD DIRECTIONS

Combine all ingredients and add dressing.
Serve chilled.

Note: This would also be good topped with grilled chicken.

Did You Know?

Did you know that there are only two "Friday the thirteenth" days in 2013? One of them is in this month of September and the other is in December. If you have triskaidekaphobia, get it out of your system this month. You would hate to stay inside on a festive day in December!

Did you know that September has some very special days such as Labor Day, Grandparents Day, Patriot Day and religious holidays such as Rosh Hashanah and Yom Kippur?

A quick check of the Internet also disclosed that it has some bizarre and unique holidays: Be Late for Something Day (Sept. 5), Fight Procrastination Day (Sept. 6), Teddy Bear Day (Sept. 9), National Video Games Day (Sept. 12), Blame Someone Else Day (Sept. 13), and International Talk Like a Pirate Day (Sept. 19). For a more complete listing and to get creative ideas for your fall parties, explore the website Holiday Insights.

Did you know that Sept. 1, is Emma M. Nutt day? Although it seemed at first glance like another wacky daily celebration, I discovered that Emma was the world's first female telephone operator. In September 1878, she was hired by the Boston Telephone Dispatch Company. Prior to her employment, men who had previously been used as telegraph operators were hired. However, the men who were used to working without actually talking to others, lacked patience; their behavior was not acceptable for live telephone contact. Emma's career with

the telephone company lasted for more than 30 years. She pioneered hiring women in the communications workplace and she earned a whopping \$10 a month for a 54 hour week... that works out to 4¢ an hour!

Did you know that K. Hovnanian has added four new floor plans to our model selection? As of July 13, three of the model homes were formally unveiled in a well-attended Open House. The fourth plan, the Lunette, has details for the 2,283 square foot structure, but did not have a model built. Plans which do have a model you can see and explore include the Montage, 2,411 square feet with a 2 1/2 car garage, the Mosaic at 2,482 square feet and a 2 1/2 car garage, and the largest, the Rosette, at 2,700 square feet. All four plans are the Medallion Collection. ~ **Bobbie Eckel**

Event Systems

Home Tours sponsored by our committee have become a very popular event here in Four Seasons, as well as a lucrative fundraiser for the community.

We are pleased to announce the date of Saturday, Dec. 14, for our Annual Holiday Home Tour. Please mark your calendar for this fun event. If you would like to have your home considered for participation in this fun event or for more information in general, please contact Teri DiMarino-Davidson at (951)-769-4345 or k9style@aol.com.

There are loads of new residents that have moved into the neighborhood in recent months and we would like to tap your talents! If you are looking for something rewarding to do that doesn't take a lot of your time, please consider volunteering with us.

Our job is the setting up and monitoring of the audio and visual equipment you see used in Amphitheater and Ballroom productions. This includes the sound boards and stage. If you would like to join our team please contact Roland Harrah at (951)-845-1734 or rolandthanh@msn.com. ~ **Teri DiMarino-Davidson**

Rules & Regulations

Louise Lyon gave a report on the Rec. Center North. The process is moving along very well and the committee thanks all who have submitted ideas. Design architects will submit bids for review and a selection will be made to evaluate the requests that have been submitted.

The Board of Directors approved our current committee members for a new term. You are invited to attend our meetings on the third Thursday of every month at 9 am in the Lodge Conference Room.
~ **Ron Morgan, Chairperson**

Safety & Facilities

At our August meeting, a number of projects were discussed. An inspection report of the Lodge and Springdale's was reviewed. A Bocce Ball maintenance project was presented.

As the facilities age, there is a need for ongoing appraisal of the Lodge and surrounding grounds. We see enduring maintenance for the Lodge and the grounds of Four Seasons Beaumont. Praise of staff and management in inspections, continual reviews of projects and the general upkeep of our facilities is greatly appreciated.

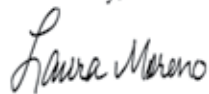

Our next meeting is Sept. 3 at 9 am in the Lodge. ~ **Dennis Gray**

OFFICE HOURS BY APPOINTMENT

Neighborhood Watch

The 30th National Night Out Celebration was a great success. Thanks to all who participated including approximately 170 residents who brought a dish to share, those who enjoyed the informative speakers from our local agencies, the helpers who set up and those in the office who printed all the flyers. The event was a community effort to show how we feel about safety and strengthen our civic pride in Four Seasons.

Guest speakers included David Costaldo - Beaumont City Council; Brenda Knight - Beaumont City Council; Chief of Police Frank Coe - The City of Beaumont; Chief of Police Leonard Purvis - The City of Banning; Captain Gregory Peck - California Highway Patrol; Officer Darren Meyer - California Highway Patrol; Sgt. Josh Ellsworth - Beaumont Police Department; Officer Lunt - Beaumont Police Department; Mitch White - CERT training, Beaumont City of Emergency; Rick Cook - CERT training, Beaumont City of Emergency; Anita Worthen - Four Seasons Neighborhood Watch; Susan Wilson - Four Seasons Neighborhood Watch; Cindy Schwinn - Four Seasons Neighborhood Watch.

Our next bi-monthly meeting is Sept. 11, at 10 am in the Ballroom. Please join us and continue to help us make this beautiful community a safe place to live. ~ **Susan Wilson**

Emergency Preparedness Program

The next EPP meeting is Thursday, Sept. 5, at 10:30 am in the Lodge Ballroom. Rick Cook of the Beaumont Office of Emergency Services will be the speaker.

Meetings focus on educating individuals, groups and the community to be prepared in the event of a disaster. There are various teams to address the community needs. As you know, this has been a very active fire season: too many, too close to home. What would happen if the wind blows the fire toward us? We must be prepared. Make sure you have copies of your important documents in a separate safe place. We encourage everyone to take advantage of the free Community Emergency Response Training (CERT), a federally certified course for the public which gives the basics of being prepared and ready for yourself, family and others.

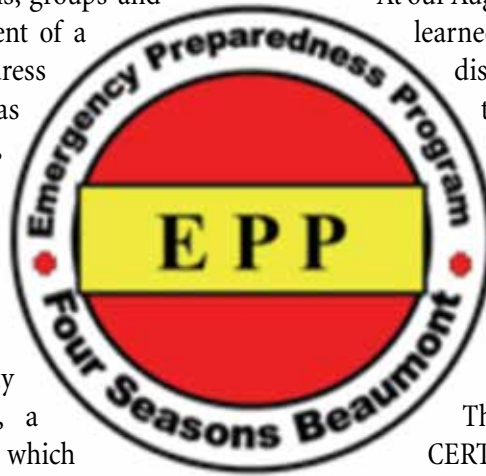

We now have many more CERT residents to add to our roster. This follows our goal at Four Seasons to educate, train

and be prepared. Our objective is to get as many residents CERT trained as possible. The training allows an understanding of the basic organization and actions for disaster planning.

At our August meeting Fred Porter spoke on lessons learned from the Moore, Oklahoma tornado disaster. His family was caught in the tornado and he and his wife Sandy went to assist. They were able to use knowledge from the CERT training to help in the devastation that followed. Some of the important lessons learned are that water may not be drinkable so keep at least a three-day supply on hand, and get a tetanus shot if you are not current.

The items in the back pack given at the CERT training were very useful. We have extra copies of the handout. Remember, a CERT trainer will be featured at the September meeting. Come out and be a part of the community preparedness program. Get ready! ~

Landscape Committee

I'm volunteering. Really! This is such a wonderful community, well-maintained with a wide assortment of activities. I could run for office or become a committee member. Unfortunately, I'm too busy.

I do my part though. If I see something amiss, I tell the Lodge Attendant whenever I go to the playground. Sometimes I phone in a report. I often say I am forwarding a complaint from a visitor, neighbor or family member so they won't ask me to help solve the problem. You see, I'm too busy.

There are so many activities here. Why, I'm so busy at recess, I don't have time to go to class. I'm just too busy. I do send e-mails of my observations. How great are e-mails? With one click I can send the same message to Board members, Management staff and committee members. I can even tell them they all should be replaced. Not by me though. I'm too busy.

I would go to committee meetings and discover all the issues involved in running Four Seasons. But, have I mentioned

this before, I'm too busy. Why, I was in a club that asked me to do some work outside of the club meeting. They didn't understand that I'm too busy. After all, I am retired.

I don't keep track of weekends anymore. If something I feel needs to be done on a Saturday or Sunday isn't done, someone should be replaced. I pay my dues. Yes, they haven't gone up in five years while we have had five rate increases for water alone in the same time.

And, yes, the Landscape committee is down to three members and now does the work of the Water Management Committee, but I sure some other homeowners will help them. I would, but, as you know, I'm too busy. So, to do my part, I'm volunteering YOU.

The Landscape Committee has openings for interested volunteers. Plant knowledge is not required as we have landscape professionals. What is needed is the desire to walk around the community and report on the status of plant life and any unusual growth. ~ **Len Tavernetti**

Computer Learning Center

Our next class will be our Basic/Intermediate class that covers a broad range of general computer use, including Operating Systems, file and program association, file move and copy, e-mail, search techniques and Internet usage.

The Basic/Intermediate class will be held on Wednesdays from 10 am to 12 pm in the Computer Room. This will be a four-week class. Classes will be Oct. 9 to Oct. 30. If you have a Laptop Computer please bring it to class.

Classes are FREE so you have nothing to lose. Classes are first-come, first-serve basis. Just show up for the first session at the designated time and location. We have limited seating/computers available, but we will try to accommodate as many as possible. Questions, comments and suggestions can be e-mailed to joeligori@verizon.net.

New Class: Machine Quilting

Come learn the art of machine quilting on Sundays at 1 pm in the Craft Room. Just bring your sewing machine and thread and come have some fun learning to machine quilt. The first session was Aug. 4, and the project was a Christmas Tree wall hanging. The project for Sunday, Aug. 11, is a checkbook cover. We will be learning to do place mats, aprons, table runners and more. So come join us for some sewing fun. Instructor, Kathy Spallino, (760) 217-8684. ~ **Pamela Mayoral**

Finance Committee

We met in July and reviewed the Financial Statements for June. They reflected the following significant items: Net Income Year-to-Date was \$131,044 and total reserves were \$3,651,447. The Accounts Receivable (delinquencies) was \$63,509. Our total HOA expenses for May (excluding reserve allocations) were \$195,851. This was under budget by \$21,331. There was one CD renewal to be reviewed. The Front Yard Cost Center expenses for June were over the monthly budget by \$1,220, water being the main contributor. There were no vendor proposals presented for approval. Wayne Staples reported on the past due accounts. Current owners were 15 and former owners eight. Our next regularly scheduled meeting will be held Sept. 24, at 1 pm in the Lodge Conference Room. All homeowners are encouraged to attend. ~ *Noel Myers*

Architectural Review

We are comprised of seven homeowners and a liaison from the Board of Directors. We meet the first and third Wednesday of each month at 9:30 am. This month we meet Sept. 4 and 18. We review between 30 to 40 applications per month to verify that improvements meet the HOA guidelines.

Just a short reminder exterior modification: revision or improvement to your property may require approval from the Architectural Review Committee (ARC). Examples are walkways, planters, patios, patio covers, satellite dishes, screen doors, front entry doors, plants in your front and rear yard, especially trees. When in doubt, speak to Mari at the Lodge office. Applications for improvement submittal to ARC are also available at the Lodge office. Applications must be submitted prior to noon Monday, preceding the meeting for consideration that week.

You are always welcome to attend one of the meetings to see how the process works.

Social Committee

Aug. 3, was to be an enjoyable and entertaining evening. About 60 residents and their guests spent 90 minutes with Peter Funt, the son of Allen Funt, the originator the T.V. show *Candid Camera*. Peter gave us some of the history of the show, told us stories of his dad and shared clips of various shows over the years. He also gave a short bio of his life and how he got involved with the show, both working with his dad and co-hosting with Susanne Summers. It is amazing that the format of the show never changed even after 65 years and that people still fall for the jokes, gags, and tricks that the creators come up with and rarely complain about being "caught" by the camera. Most people think of as it as an honor to be on the show.

Peter and his wife Amy were charming to talk to and were

very interested in the Four Seasons community. They had books and CDs for sale at very reasonable prices which upon purchase proved to be as entertaining as the show.

We hope to bring the *Candid Camera* show back again sometime next year and hope that if we do that those of you who missed it this year will be able to attend next time.

We don't have an event planned for September but do look forward to bringing you the Halloween Party on Oct. 26. Tickets will go sale Sept. 10, and are \$20 per person. Some things to look forward to are dinner, dancing, a hat contest, costume contest and who knows what else, there may be some surprises.

We look forward to seeing you there. ~Melody Seewoster

Bistro Committee

We discussed several issues at the July meeting:

A new deep fat fryer will be installed soon.

There is a drain problem and a leak in the kitchen. Plumbers have been asked to submit bids to do the necessary repairs.

The newly refinished and reupholstered chairs are back in the Bistro and look really nice.

The "New Neighbor Dessert and Orientation" was in July. Approximately 50 new homeowners attended. It was very successful.

The next meeting is Sept. 24, at 11 am, in the Lodge Conference Room. All homeowners are invited to attend.

George Johnson and Del Congdon at the Club Fair

Camera Club

We meet the third Tuesday of each month at 6:30 pm in the Craft Room at the Lodge. Our next meeting will be Sept. 17. Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings and other field trips. Members are always eager to help and teach. We discuss photography, photo software and hardware, and related subjects of interest.

Last month, I told you that in our June meeting we had a really interesting discussion on quality of our pictures and how it often is not the photographic equipment that takes a great picture, it is the photographer. Our July challenge from our leader, George Johnson, was to take a picture from a camera (no cell-phone cameras) that costs less than \$20. I promised you that in this article, I'd give you the results. Well, the final results are not in yet, more pictures with the "inexpensive" camera to be presented. So, in next month's *Breeze* article, I'll let you know.

At July's Club Fair, we set up an exhibit with some pictures by several members, organized by our chairperson, George Johnson with Del Congdon and others helping. Many visitors commented how great the exhibit looked plus, our club added new e-mail addresses to our mailing list of those interested in attending and joining our club.

Commencing with the August meeting, we began doing photograph evaluations of members' pictures who want to participate. Remember, this is voluntary. This friendly critique is a great way to see just exactly what the photographer did "right" and where there could have possibly been improvement. All attendees learn this way whether or not the individual chose to submit their photo. In addition, our alternative photo project is on-going (e.g. we bring a picture of a specific genre we all agree on). This, also, is completely voluntary. That's the great thing about our club. If you desire, you don't have to volunteer any pictures... just sit back and learn from the discussions and critiques. Info., Lyle Cameron, (951) 849-6987. ~ **Lyle Cameron**

Ceramic Corner

Great news... our kiln has arrived! If all goes well, she will be set up and running in September. She is absolutely beautiful. If you have a chance come see her, she is just outside the Craft Room near the old Sales Office. We need to name her so please come to the Craft Room and put in your suggestions. Ceramics class has grown quite a bit so the kiln has come at a great time. Students have been working on large platters, bowls, bird feeders and much more. The holidays

are just around the corner and you can make some wonderful gifts for your family, so come join us and nurture your creative side. Info, Pamela Mayoral, (951) 897-1922. ~ **Pamela Mayoral**

Crafters

We meet the first and third Thursday of the month in the Craft Room at 5:30 pm so come and join us. Info., Pam Kelley, (951) 769-7967 or Rita Partida, (951) 845-7193. ~ **Pam Kelley**

Knitting & Crocheting

We are still working on our project, plus personal projects, and enjoying our get togethers each week. Always good conversation. We will be planning another lunch outing again soon, come join us. ~ **Dorothy Payne**

Creative Drawing & Sketching Class

Are you in need of relaxation? A beginner at drawing? An experienced artist? Not able to draw a straight line?

The answer for you is the Drawing & Sketching class held twice a week, at NO CHARGE, for your convenience.

We have approximately 20 students between the two classes now. Many started with no experience or last picked up a pencil to draw over 30 years ago. Their results have been remarkable, creating pictures good enough to frame and hang in their homes. Those with experience, have all learned from the classes and have improved their skills. The instructor works with other media (colored paper and pencils) with the more advanced students.

Classes are Mondays, 10 am to 12 pm and/or Wednesdays, 6 to 8 pm.

If interested in joining, please call the instructor, Rob Kelman (951) 992-9156 (home) or (602) 571-0414 (cell) to get information on supplies. Otherwise, just drop by one of the classes and sit through it to see if it is for you. Looking forward to seeing new faces in class. ~ **Rob Kelman**

Women Celebrating America

At the Club Fair, we had several people sign up for our e-mail meeting reminders and discussion groups. Join us Thursday, Sept. 26, in the Lodge Ballroom from 7 to 8:30 pm. We review our founding history to current women's experiences.

Our discussions are very enlightening and leave us wanting more. ~ **Lynette Simonson**

Rainbow Group

Are you interested in a group which will focus on the gay, lesbian, bisexual and transgendered concerns, interests, cultural and social aspects of the community?

The group will meet once a week at a day and time to be arranged. Friends are welcome. If you are interested, contact me at (951) 856-6246, or e-mail bamerton@alumni.ucla.edu. You may also sign-up on the interest group section at the Lodge. ~ **Barbara Kwiatkowska**

Life Guide Bible Study

In June, we concluded our study of the series in the book of Peter on "How to Live Life God's Way." We were challenged in this series as we discussed what kind of lives we should live in response to all the good things that God has done for us.

We are taking a break over the summer and resume in September. Our first meeting will include a pot luck dinner. We will announce the date and time in the September edition of the *Breeze*.

We meet Tuesday evenings in the Lodge Ballroom from 7 to 8 pm. Our club provides an opportunity to meet others in the Four Seasons community, and a chance to encourage and strengthen one another in our walk of faith. Each lesson is self-contained and everyone is welcome. Info., Don Cummings, (951) 572-5329. ~ **Don Cummings**

Bunco

Bunco is in the Card Room on the second and fourth Fridays of the month. This month we meet on Sept. 13 and 27. Come on out and join us. We have a lot of laughs and just a lot of fun getting to know each other. The game itself is not difficult and allows for friendly conversation. Bring a friend or a new neighbor and meet us at 1 pm sharp. Don't forget to grab a drink at Smitty's or even lunch beforehand. ~ **Cheryl Burke & Suzanne Roldan**

Pan *Interest Group*

I am trying to form a group to play Pan on Tuesdays. We are looking for players, substitute players and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so men are very welcomed as well as women. The game can be played in the day, evening, in a room in the Lodge or in private homes. If you are interested, please call me, Linda Mendelson, at (951) 941-9100 or e-mail me at Goldtoy@earthlink.net and I will answer any questions you may have. As all card games, it is played with both skill and luck. ~ **Linda Mendelson**

Bridge

Join us on Monday at 11:30 am for a challenging game of bridge in the Lodge Card Room. It will give the brain some exercise and we can all use that at our age.

We play party-type of a bridge game where we rotate partners. This enables you to meet and play with different people. All of us play at different levels and are learning how to play the game better (practice makes us better).

Classes will start up again when we have players who want to learn the game or want to improve their game. Some of the previous class have come along well enough that they sit in as subs. If interested or have questions come on in Monday and see Helen or me. You can also call Helen at (951) 845-9312. Helen and I will be glad to help you learn the basics of the game and hope that you will join us to learn how to play, watch, or play the game of Bridge. ~ **Bill Guy**

Canasta #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet in the Card Room every Thursday afternoon, 1:15 to 4 pm. Each week you may play with someone different, giving you an opportunity to meet other Four Seasons residents and old friends who enjoy an afternoon of "cool" cards. Plus, the Bistro is just down the hall if you would like a snack or a cold drink. We supply the cards so all you have to bring is your body and the desire to have a little fun. If you don't know how to play we are always happy to set up a teaching table and by the time the afternoon is over you have mastered the game. All you have to do is show up and leave the rest to us.

Mah Jongg

Everybody is welcome to join us for fun Mondays at 1 pm in the Bistro. Beginners as well as seasoned players can join the fun. We usually have several tables of three, four or five players and someone is always available to teach or assist those who are new to the game or those who haven't played in many years. A current Mah Jongg card is required but you can borrow or copy one until you are sure you want to invest the \$8 in it. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Yvette Thomas**

Pinochle

Pinochle has finally arrived. An exciting card game where you bid and bluff to name trump and take control of the game. This game is played with a double deck of special cards of ace through 10 against other aficionados, to tease your mind, and keep you sharp. Come join the game on Wednesday and Fridays from 9 am to 12 pm in the Card Room. Newbies and oldies are welcome for fun and socializing. Info., George Soeten, (951) 797-0254 ~ **George Soeten**

Book Club

If you had the chance to change the course of history, would you? Would the consequences be what you hoped? In one of Stephen King's most "ambitious and accomplished" novels, time travel has never been so believable... or so terrifying. This book was the winner of the 2012 Los Angeles Times Book Prize.

Join us Tuesday, Sept. 9, 2013 at 9:30 am, in the Conference Room of the Lodge to discuss Stephen King's intriguing book, *11/22/63*.

Dallas, 11/22/63: Three shots ring out. President John F. Kennedy is dead.

Life can turn on a dime. Jake Epping, 35, teaches high school English in a small town in Maine. While grading essays by his GED students, Jake cries reading the gruesome piece penned by janitor Harry Dunning 50 years ago. Harry somehow survived his father's sledgehammer slaughter of his entire family. Jake is blown away.

On his deathbed, pal Al enlists Jake to take over the mission

that had become his obsession, preventing the 11/22/1963 Dallas assassination of American President John F. Kennedy.

How? By stepping through a portal in the back storeroom of Al's diner and into the 1958 era of Ike and Elvis, freeway gas guzzlers without seat belts, sock hops, and cigarette smoke.

Will Jake spend the time between 1958 and 1963 lurking in impoverished immigrant slums beside troubled loner Lee Harvey Oswald, or sharing small-town friendliness with beautiful high school librarian Sadie Dunhill, the love of his life? Join us for what will be a very interesting

discussion and reminiscence of a painful time long ago.

Next month's selection will be *Where'd You Go, Bernadette?* by Maria Semple. Micki Rosen will lead that discussion on Oct. 8. You are welcome to join us at any of our meetings. For more information, please call Doreen Sanders at (951) 769-1913. ~

African American Culture Club

Our annual Labor Day Potluck in the Ballroom is Monday, Sept. 2, starting at 12 pm. You're invited to bring your own picnic lunch and a dish to share with the group table. That dish should be enough for five or six people.

This is a casual, fun-filled event and an opportunity to meet our neighbors and get to know them better. There will be music, dancing, card games, dominoes, and any board game you would like to bring.

It is a perfect time to meet new and old residents, share fun and food, and find out a

little more about our organization.

We are looking for new members who want to be a part of a vibrant organization. We are in the process of planning our calendar for 2014 and this is the perfect time to join and give us your ideas and "expertise." We meet the first Monday of each month at 5 pm in the Card Room. Please join us.

For more information about this event or membership in our organization, please contact Betty Ann James, (951) 572-5538 or Joyce Allen (951) 769-4354. ~ **Roxie Elliott**

Fall Fling

Join us the Fall Fling Dance Party on Thursday, Sept. 19, 5:30 to 8:30 pm. The cost is \$10 per person in advance, or \$12 per person at the door. No one under 21 years of age will be permitted. Snack and refreshments will be provided.

This dance party features rock and roll, pop, line, swing, country and western, Latin and more. Dress is casual.

Also, we'll have a live band, the Rainbow Cottage, who are quite popular and perform music for wide variety of dance parties throughout the Southland. It will be a very good mix.

This event is open to everyone, and you can bring guests from outside our community as well. So get your tickets now, and invite your friends for what promises to be a great time of dancing fun for everyone.

Tickets are \$10 and may be purchased any time up to the prior day on Mondays from 6 to 8 pm in the Ballroom or by calling Gary or Puring Stifter, (951) 922-8333; Pam DuChesne, (951) 769-3366; Willis or Bev Fagan, (951) 769-4482; or Toni Finer, (951) 769-0351. Tickets purchased at the door are \$12.

For questions or more information please contact Puring and Gary Stifter at (951) 922-8333, or at purings@verizon.net.

Old School Dance

We are a group of dancers who love having a good time, getting a work out and listening to, talking about and moving to a variety of music. Join us in the Ballroom the first Friday of each month, from 6 to 8 pm, to dance to 50s Rock and Roll, Motown and beyond, including some jazz and down home blues. We love to celebrate anniversaries and birthdays. Growing up

in San Francisco during the 60s, my family would enjoy holidays and celebrations with a feast followed by singing and dancing. Please join us for a fun night of dancing! Info., Willa Harris, (562) 307-4978.

Heart and Soul Line Dance

Dancing has no cultural barriers. People from all parts of the world, with different ideologies can meet on the dance floor and have fun together. This cultural interaction assists in improving our health by expanding our mind and sharing our spirit!

August was a quiet month for us. Many of our dancers took the summer off from dancing to enjoy other fun activities. Hope to see you all back soon. For those of us who stayed around, we still had fun learning some new dances.

If you have ever been on the dance floor and got stepped on, you will understand this. When dancing, make sure to wear comfortable shoes. Tennis shoes, dance shoes, or regular flat-bottomed shoes are preferable. Please, no flip-flop styles on the dance floor — these can be dangerous for you and for those around you. Sandals are okay, however, they should not be sling-backs.

Class schedule: Beginner Level, Wednesdays, 4 - 5:15 pm; Intermediate Level, Wednesdays, 5:20 - 6 pm.

No intermediate level dance class on the third Wednesday of the month. This day is reserved for our monthly birthday celebration. Info., Priscilla, (951) 922-0755. See you on the dance floor! ~ **Priscilla Robles**

Line Dancing

Can you believe it is September already? But it is not too late to try something new. Have you always said "I can't dance... I have two left feet?" Well, you may think that, but chances are no one ever took the time to teach you one step at a time.

Line dancing begins with a dance that only has 18 steps repeated throughout. You don't have to coordinate your movements with a partner and slight variations are the norm. There is still plenty of time to learn a couple of dances in time for the upcoming holiday party season.

Besides allowing you to join in the dancing fun, dancing stimulates the mind, improves balance and coordination, and strengthens bones. All of these are important as we age. The best benefit, to my way of thinking, is the opportunity to be with other people and meet new friends.

Come give it a try or simply watch. Class is every Tuesday in the Ballroom; beginners 3 to 3:45 pm and advanced 3:45 to 4:30 pm. Any questions? Call (951) 769-3889. ~ **Martha Franck**

Spanish Class

Thank you to my Spanish Class! We made it through our first year!

Our second year will be even better, offering you the level of Spanish that is right for you.

SPANISH 2: Tuesdays, 10 to 11:30 am. For students who were at the class this year and want to go ahead, or new students who have a basic knowledge of the language.

SPANISH 3: Tuesdays, 11:30 am to 12:30 pm. For people who at least have a good vocabulary and can write a paragraph in Spanish (this class is spoken totally in Spanish).

These classes are from Sept. 3 to May 13. At each class,

I'll provide your work sheet, just bring your desire to learn and have fun! These classes are free!

Sign up at the front desk. I'll see you in the fall! Info., Paty, (951) 922-0141, e-mail pajibush3@hotmail.com. ~ **Paty Bushnell**

Performing Arts Club

Our July meeting brought a change in PAC's command center. Many kudos and thanks to Colin Taylor were expressed, as he stepped down as President of PAC, amidst applause and cheers for a job extremely and efficiently well done! Sheldon Craig and Susan Youel were voted in as the new Artistic Directors, Barbara Wasco as monthly PAC meeting facilitator. Jane White remains as secretary and Zelyne Rudolph as Treasurer.

Okay, Four Seasons, we hear you loud and clear: You want new performances, rather than the traditional variety shows. So help us out here! Give us your ideas, and/or share your talents. Please? Please. Please!

Tom Shelley, the director of the radio production, is grateful for the great response for the past productions. The next radio show will be Friday, Oct. 4, and will feature one episode each of two different programs, approximately 30 minutes each. If you enjoyed the previous radio shows and would like to be part of this one, please e-mail Tom Shelley at tomshelley1@verizon.net. He plans to do more programs in the future and always welcomes new cast members. You don't need to be an experienced performer, just have a desire to have fun performing good old radio memories.

In December, Four Seasons residents will have an exciting choice of two fun-filled holiday performances. PAC's Dec. 6, holiday show will feature musical performances by the Four Seasons Singers, as well as a sing-along of favorite holiday songs. Following the show, the audience will exit singing *Oh Tannenbaum*, and as residents pass our beautifully decorated tree in the lobby, enjoy its fully-lit splendor! PAC is waiting on approval from the Board for the following night's Dec. 7, show featuring the C.A.S.T. players performing a holiday play. This event is to be sponsored by the Association.

Don't forget to express your enthusiasm with our new direction, by filling out a participation sheet at the Lodge front desk! Wanna see new stuff? Then help us out! We need you! ~ **Eileen Gilbert**

Four Season Singers

We will start singing again on Sept. 9, at 3 pm in the Ballroom. We will be working on songs for the "Winter Holiday Show" and songs to sing while caroling and lighting the tree in the Lodge.

Did you enjoy our singing for the Fourth of July? Did you ever want to sing but only sing in the shower? Do you think you can't sing with us because you can't read music? That's how some of the Four Seasons Singers started. It sometimes takes a little more patience for someone to catch on, but if you truly want to sing, we are your group. If you stopped by our table on Club Day and said you would like to sing with us, please come to our rehearsal on the Sept. 9.

Four Seasons Singers meet in the Ballroom on Monday afternoons. As always, if you are interested in the Four Seasons Singers, you can contact me at (951) 797-3466 or email me at bawasco@dc.rr.com or come to any Monday rehearsal. ~ **Barbara Wasco**

Classical Music Club

We are a group of classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Conference Room. At our meetings, we discuss current music performances. Most of the time is devoted to exploring a selection for the month. In July it was Bach's Brandenburg Concerto No. 5. In August, we concentrated on Winter from Vivaldi's *The Four Seasons*. We welcome new members. Contact Steve Benhoff at steve.benhoff@verizon.net or (310) 413-4896 ~ **Steve Benhoff**

Amphitheater Production

Talk about "Time Flying!" Sunday, Sept. 15, at 7 pm is the Amphitheater's Concert Series Grand Finale featuring the Tom Nolan Band. And what a band it is with nine performers, and their wonderful voices and instruments!

What a way to end the season and one you don't want to miss. Otherwise you will have to wait until next summer for more. Don't forget to remind your friends and neighbors to mark their calendars

and that there will be lots of doorless prizes given away that night as well.

Speaking of doorless... always remember that the show must go on and we do our best to make it happen.

Those who braved the wind, rain and clouds in July, for *The British Beat*, found the Amphitheater had moved Indoors.

In five years we have only moved to the Ballroom on two occasions, once for heat and once for wind, but we will always

do so for the safety of our equipment, residents and performers.

FYI for all those new residents, the Amphitheater is located past the pool area. We have a couple of wheelchairs for anyone in need. Ask a Lodge attendant.

Bring a sweater or blanket as the evenings can get cool, even in the summer. All beverages must be in plastic.

See you at the Amphitheater. ~ **Penny McDonell**

Counter Culture Cinema

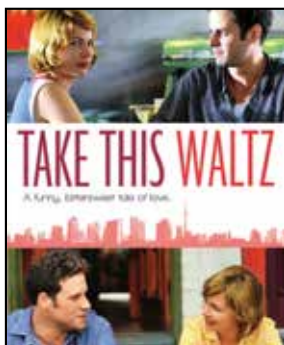

Join us at our newly expanded screenings, now on the second and fourth Sundays of each month. Our first screening is Sunday, Sept. 8, at 6 pm, featuring "Beginners" (2010, 105 minutes, in English). The description from IMDB.com: "A young man is rocked

by two announcements from his elderly father: that he has terminal cancer, and that he has a young male lover."

On Sunday, Sept. 22, at 6 pm, is "Take This Waltz" (2012, 116 min., in English). From IMDB.com: "A happily married woman falls for the artist who lives across the street."

Had enough of all the big summer movies? Come to the Counter Culture Cinema Club! We invite you to join us for screenings with stimulating discussion afterwards.

The Lodge theatre has very limited seating, so if you're interested in our screenings, come early. We hope to see you there! ~ **Micki Rosen**

Toastmasters *Interest Group*

It was a pleasure meeting several folks from the community at the Club/Committee Fair in July. Thanks for taking the time to stop at our booth to talk to one of us. If you haven't already, we are anxiously awaiting your presence at one of our future meetings.

Starting in October, we are going to be changing things up a bit, to hopefully, better serve our community. Either once or twice a month different speakers from our Wind Talkers -Toastmasters Chapter, as well as, guest speakers will talk on different topics. We will announce, starting in October's issue of the *Breeze*, which meeting date/s will be having these specific speeches and what the topics are. We are offering a gentle 'nudge' to those who have an interest in any of our topics to come to a meeting. You will sit and watch how we interact, our procedures, participate (only if you want to), and find yourself enjoying speeches. I believe you will find yourself learning and enjoying your evening, more than you had expected to.

Every week we have two or three wonderful speakers and speeches. We know in advance who the speakers are, but not their topic. If you are into 'mystery' or like 'pot luck', you are always welcome to attend any of our weekly meetings. Come to listen to our worldly, active, often funny, and always improving speakers talk on a topic of their choosing.

We meet every Wednesday, 6:29 to 7:30 pm in the Conference Room at the Lodge. Food and beverages are fine to bring, from home or Smitty's. Questions? E-mail me at Terimk@verizon.net or call (951) 992-9156. ~ **Teri Meyers-Kelman**

TOPS *Interest Group*

Our new Four Seasons TOPS Interest Group is off to a great start with lots of new members signing up and attending our first meeting in August. Only residents of Four Seasons at Beaumont are invited to join us on our Weight Loss Journey for a Happier and Healthier Life.

Here are some top reasons why TOPS helps you take off pounds sensibly

- TOPS supplies the tools you need for success
- TOPS provides support for all stages of your journey
- TOPS empowers you at weekly meetings
- TOPS celebrates your achievements
- TOPS has staying power (since 1948, we are here for you)
- TOPS is affordable (only \$28 yr. membership + \$3 monthly chapter dues)
- TOPS doesn't pay celebrities to endorse us. TOPS is Real People with Real Weight Loss, like you and me.

We would like to thank all of you who attended our TOPS Open House/Orientation Meeting on Aug 6. What a great group of men and women! Congratulation to Maryalice Chorba for winning a free one year TOPS membership in our prize drawings.

Come and find out what TOPS (Take Off Pounds Sensibly) is all about. We meet in the Ballroom each Tuesday with weigh-ins starting at 9 am and meeting from 10 to 11 am. You are invited to visit our TOPS chapter once free of charge.

Mark your calendar and watch for information on these TOPS events coming this month and for October: TOPS Area Work and Fun Shop to be held at Banning Estates, 3800 W. Wilson on Saturday, Sept. 14, from 9:30 to 11:45 am. TOPS Fall Rally to be held at the Doubletree Hotel in Ontario, CA on Saturday, Oct. 12, from 8:30 am to 3 pm. Don't miss the TOPS Fun!

For more information please call Cathy Calhoun, Four Season's resident at (951) 849-2614 or Rosalee Strong, TOPS Area Captain at (951) 845-9313. ~ **Rosalee Strong**

Amateur Radio Club

I became interested in Ham Radio after I took a CERT (Community Emergency Response Team) class in June. CERT members were encouraged to use walkie-talkies but I wanted to talk to the world. I needed to become a licensed ham radio operator to do this.

It takes a little money and a lot of study to become a ham. In November, I contacted the local radio club about becoming a ham. I was directed to the American Amateur Relay League (ARRL). I was told to obtain a technician level study guide. I read it from cover to cover. Then I took all ten practice tests I passed them all with 75-88 percent scores. I took the exam in January and I failed it. I saw a lot of unfamiliar material and I missed passing by one question. A passing score is 70 percent or you can miss nine questions. I passed my second time and became a ham.

Taking the ham radio test is a little like getting your first drivers license. You don't need to know how to build a car to drive one. In radio you don't need to know how to build a radio to become a ham.

In July, six months after obtaining my first license, I took an upgrade exam to obtain the General License. Prior to 2007 there was a Morse Code requirement and many people found this intimidating. I would have become a ham either way: it just would have taken me a little longer.

My approach to taking my second exam was different. I felt a little disappointed with ARRL's manuals after my first exam. I decided to do something different so I obtained a list of all of the questions for the General Exam from MFJ. I got a 50 page manual with all of the 350 possible questions and their answers. I was to review the questions and their correct answers. The idea was that when you saw them on the test that you would immediately know the correct answer. I passed the exam the first time.

I will probably incorporate both ways when I study for my Amateur Extra Exam. I will use review materials from Gordon West and from MFJ. I will review the MFJ material three times, and will take the review tests from Mr. West until I am getting 90 percent.

Getting your ham license is work, but it opens up a whole new world of opportunity for you. I have marshaled bicycle races, participated in a R.A.C.E.S exercise at the local hospital and gotten deeply involved with EPP in my community. The best thing is all of the great people that I have met.

Our website is W6FSB.com, and meetings are on the last Friday of the month in the Lodge Ballroom at 10 am.

~Mike Mendoza

Taste d'Vine

Important Date Change! Our meeting is on Wednesday, Sept. 18, instead of the usual Thursday. Another event is scheduled in the Ballroom on Thursday, Sept. 19, so we're moving our meeting up one day for this month only.

September may bring some cooler weather, but it can also be hot and we may still want lighter and easier wines which are still food friendly and satisfying for sipping, however, do not have as much heat and heaviness. More California wine makers are taking a page from the Europeans since they have had decades of practice in making wines for drinking in hot weather. Each month at the wine club we are having a great time learning about different wines, developing and expanding our palates, and sharing our finds. Please join us on Wednesday, Sept. 18, at 6 pm. We will not be having a potluck, so bring an appetizer, such as bread and cheese, a bottle of wine if you want, and a glass or two for tasting and sharing. Cost for members is \$5, guests \$8. Keep it light. ~ Anita Worthen

Writers' Club

July's Club Fair was excellent and the visitors to our table were varied and impressive. Welcome to all of them and thanks to the members who assisted them.

This club is for everyone who would like to record in words or music an idea or experience to remember or share and wish to gain from an open discussion, some inspiration, evaluation and suggestions about the process. There is still time to sign up at the Lodge.

The first meeting on Tuesday, Sept. 10, at 1:30 pm, in the Craft Room, will be dedicated to planning in detail about our specific objectives and the best ways to reach them.

The first meeting will be very important but, if you are unable to attend it, don't worry and show up at any of the following meetings. Please inform the coordinator in advance, preferably by e-mail: josephlaurin@verizon.net. ~ Joseph Laurin

Discovery Club

There is a very good program aired on The Learning Channel (TLC), called "Who Do You Think You Are?" Each episode shows a celebrity going on a journey to trace their relatives. There are often very interesting twists and turns and unusual discoveries as

their history unfolds.

Lionel Richie, Susan Sarandon, Michael J. Fox, Ashley Judd, Martin Sheen, Kelly Clarkson, Rob Lowe, Brooke Shields, Matthew Broderick, are but a few of those who's family trees have been traced on this program. So you'll find it entertaining, educational and encouraging.

Whatever you do, keep looking for your family. Try a different approach or method. Ask a different question. Remember, new information is being made available all the time, so try, try again. Info., (951) 769-4482, webbev@verizon.net. ~ *Willis Fagan*

Bereavement Group

Are you grieving? Are you sad, angry, confused, feeling abandoned? Please come join our interest group. Sharing with others in a warm and supportive environment can help. We know, we've been there.

Our group is continuing to meet on Mondays from 1 to 3 at the Lodge, in the Crafts Room. We welcome you and we will use our experience to support you during this time of transition.

Garden Club

The autumnal equinox promises a change of seasons in many places but not at Four Seasons. Apollo's chariot drags the sun across the skies lower in the horizon allowing its rays to penetrate below awnings and tree leaves. This low sun can burn plants that have survived summer's overhead sun but no longer benefit from overhead shade. Cooler nighttime temperatures can be interrupted by HOT-DRY Santa Anna winds blowing fiercely off our eastern deserts. Gardeners are tempted to reduce water and fertilizer in September, but here at Four Seasons the growing season continues well into autumn.

Critters are busy harvesting their winter supply of food while annual plants are disbursing seeds for next year's crops. One of the visitors to our gardens in late summer is the California Dogface Butterfly. Designated as the state insect of California 1972, its endemic range is limited to the state. California was the first state to choose a state insect and thus, to choose a butterfly though most of the other states have now followed, and many even have both a state insect and a state butterfly. California Dogface Butterfly is also known as the Flying Pansy. The male California Dogface Butterfly often feeds on lavender. The female California Dogface Butterfly often feeds on Lantana. The California Dogface Caterpillars prefer clovers and other

plants in the pea family. The California Dogface Butterfly adult will feed on Sages, Lavender's and Thistles, Lantana and plants in the Manzanita family. All these plants are found throughout Four Seasons.

Due to schedule conflicts and waning enthusiasm the Garden Club is now dormant. New leadership is needed by several homeowners willing to devote time and energy into preparing meetings, corralling speakers and handling administrative tasks associated with these meetings. In the meantime this column will continue to offer insights into gardening here at Four Seasons.

Racquet Club

Welcome to new club members Don Cornwell and Shao Jia. Glad to have you join us!

New in August is our in-house mixed doubles league. Thanks to Barbara Miller who is organizing our play. At the time of writing we have not yet started, but we will be playing on the second and third Thursdays of each month, with a different partner for each match to keep it interesting. To prompt our competitive instincts, points will be tallied and league winners announced at the conclusion. Watch for more as the league continues.

Members have been busy with USTA league play as well. Larry Martin and Randy Fedorchuk have been playing against each other on USTA 3.5 teams for a few seasons now, Larry at Pacific High School, San Bernardino and Randy at Andulka Park Tennis Club in Riverside. Randy's team advanced to sectionals in Costa Mesa this August after coming first in the league. This summer, Randy, Larry and Irve Sturner played in a 55-plus 8.0 league for the team at Andulka Park, which came in first. Larry and Irve are also playing in a trilevel 3.5, 4.0 and 4.5 league. Busy!

Randy and Jo Fedorchuk have been to their second Pasadena

Senior Games this June, and had a fun, although hot, weekend, winning gold individually in 55-plus singles and bronze together in 55-plus mixed doubles. The Senior Games is a great way to meet and play other people of our vintage instead of the 30-somethings who chase every ball down and frustrate us 'seniors'! San Diego is hosting games in September, and it would be fun to see more of our members join in. Howard and Mickey Nelson are planning on going, as are Randy and Jo. Information is available on-line at www.sdseniorgames.org if you would like to come too.

Remember that every week, two of our members volunteer to help players improve. Irve Sturner will hit with club members who would like extra practice, after he has played on Monday, Wednesday and Friday, around 11 am. Randy Fedorchuk holds an instructional clinic for anyone at Four Seasons who is interested, followed by fun doubles on Wednesdays at 6 p.m.; emails are sent ahead of time advising of the theme for the clinic. Come on out and hit!

Please visit our club's website www.fsbrc.org for all the up-to-date news. a reluctant 'senior' and your scribe ~**Jo Fedorchuk**

Paddle Ball

1. Laughing (a lot of it; from one to two hours at each session)
2. Exercise (from mild to moderate – your choice; there are a couple of players that go beyond moderate)
3. Comraderie (goodwill and lighthearted rapport between and among friends)

The game is very easy to learn (30 to

60 seconds — it takes a little longer to master).

Most who pick up a paddle for the first time and play a few games are hooked! It is just a fun game to play and the people you play with make it even more fun.

Official Paddle Tennis Group play schedule during the summer: Wednesday, Friday and Sunday, 7 to 9 pm*

Unofficial Paddle Tennis Group play schedule during the summer: Friday and Sunday, 8:30 to 10:30 am*

Ping Pong Club

Ping Pong for Beginners: Imagine you showed up in the aerobics room to play a friendly game of ping pong only to find yourself facing some Olympic or World Champion type of player that smashes the ball at 100 mph back at you every time you serve the ball. For some beginners, that is what it seems like when they come to play ping pong with our Four Seasons Ping Pong Club. Granted, there are some very strong players on our club and this can make it very discouraging and uncomfortable for first-time players.

To fix this problem, we would like to start a ping pong group

just for beginners. This would be a way to level the playing field so that new players can play other new players. If you are a newbie to ping pong, or haven't played in a long time, join other new players and find out how fun this family friendly sport is.

There is a sign up sheet in the Lodge for this new ping pong group. Put your name, phone number and e-mail address on that list and soon you will be enjoying this wonderful, fun game. Pickleball

Pickleballmania is sweeping the country. Pickleballmania is a highly contagious, progressive and incurable disease. The USA Pickleball Association estimates there are currently between 40 and 50 thousand infected people worldwide. Unlike other epidemics of this scale, Pickleball occurs primarily in developed countries. While rarely fatal, the disease has enormous impact on the lives of infected individuals and on society as a whole.

Early theories assumed that pickleball is an addictive drug; however recent studies isolated Pickleballfever as the bacteria which causes pickleballmania. This discovery explains why earlier treatment programs such as Pickleball Players Anonymous, were unsuccessful.

By now are you thinking, this is a little bit over the top. Well, it may be but Pickleball has become a healthy epidemic. We can agree that the growth of the sport here at Four Seasons is a clear indication of its popularity across the nation.

One thing is for sure... everyone who has ever played Pickleball will agree that the first question non-pickleballers ask is "What the heck is Pickleball?" The best answer is "You just have to try it yourself. Then you will know why a normal,

sane person becomes obsessive and a little crazy about the game."

Pickleballmania — It's Good For You!

On a more serious and informative note, the Pickleball and Paddle Tennis Clubs now have close to 30 scheduled open play days for their sports every month. We are sharing two courts and so far, there have been minimal conflicts. Again, thanks go out to the cooperation of the two clubs. However, it is obvious that we are outgrowing our space and we need more courts. Four Seasons is growing rapidly and so are we.

One more note of thanks to Jesse Aceves, one of our Pickleball members. He spent considerable time, money and effort devising a method of attaching our new nets to the posts. We thank you!

Please join us on the courts every Tuesday, Thursday and Saturday at 9 am for open play. We have extra paddles and balls for your use. If you have not tried Pickleball, you are missing out on great fun and exercise.

The 8-Ball Club

We had Marion and Rick Loney represent our 8-Ball Club at the Club Fair this year, thank you, it was a great table display, good job!

In 8-Ball action this time, nine members played for the monthly championship. Thanh and Roland Harrah had to play each other in the semi-finals, where Roland went down in flames. During the finals, Thanh had to beat Dennis Cleveland twice having lost once in the third round, but she did win twice to take the monthly honor.

During our 9-Ball in-house tournament, 12 members vied for the 9-Ball championship and once again Thanh and Roland Harrah met in the semi-finals where this time Roland prevailed. Roland lost to Kenny Payne in the finals. Kenny is hot this year!

We practice at 7 pm on the first and third Mondays, Wednesdays and Fridays. Our meetings are on the first Wednesday of the month at 7 pm. After our meetings all the billiard balls are cleaned using Arimith cleaning materials as a service to our community.

In-house 8-Ball tournament is on the second Wednesday at 7 pm. In-house 9 Ball tournament is on the third Saturday of the month at 1 pm.

Our "traveling tournaments" are the second and fourth Monday of the month. The second Monday, we travel to Hemet and on the forth Monday, they come here. Check the message board in the Billiards Room for any changes of dates or locations.

Billiards for Fun

Happy Birthday to us! In August, our club turned one year old! We celebrated at our bi-monthly potluck with birthday cake and balloons. And what an amazing first year it's been. We began the group with just six people, and have grown to 35+ members in just a year! It's not a surprise, though, because word is spreading how much fun we have each Tuesday from 1 to 3 pm in the Billiards Room. There's always lots of laughter,

banter and exceptional camaraderie.

Additionally, during the Club Fair, several people expressed interest in checking us out. Look to the October *Breeze* article for pictures of our birthday party and an update of our total members! (You could be one of them, you know!)

We encourage anyone who wants to learn to play billiards, or brush up on those cue shots, to come join us! Hope to see you soon! ~ *Eileen Gilbert*

Monday Night Football

Come join us for Monday Night Football Potluck at the Bistro in the Lodge from Sept. 9 through Dec. 2, at 5 pm.

Bring a salad, entree or dessert to share. It is a lot of fun and you will have an opportunity to socialize with other residents of Four Seasons. Info., Kristin Wouters, (951) 845-2063 or cell (818) 523-3547. ~ *Kristin Wouters*

Bocce Ball

We are officially a club. Our monthly meeting is held the third Wednesday at 2:30 pm in the Lodge. The summer hours for Bocce Ball continue to be Tuesday and Wednesday at 9:30 am. We are happy to report that there was tremendous interest shown at the Club Fair and as a result our number of players continues to grow. For those of you that have never played, please join us. Skill is not a prerequisite, and it is a lot of fun. If you have questions please contact Bob Cooper at (951) 769-6352 or Mike Saperstein at (951) 769-7909. ~ **Bob Cooper**

Firearm Enthusiasts

The last trip to the High Desert Rod and Gun Club shooting range was a great success. Many of the members that couldn't make the trip have requested we plan another trip.

On Sept. 21, we are going to the HDRGC Range. Anyone that has an interest in this trip should e-mail Ron Morgan. Departure from the Lodge will be at 7:30 am. Carpools will be arranged that morning.

Firearm ownership is a very responsible process of training, safety and familiarity with your firearms. Take the opportunity to practice at least once a month to maintain your skill level and familiarity with your firearms. Remember to save your targets if you want an evaluation. If you need a shooting partner, check on the roster and make a call. This is a good way to meet your fellow enthusiasts.

Meetings are the first Friday of the month at 4 pm in Lodge Ballroom. Info., Ron Morgan, (951) 315-0466, ronm627@aol.com, or Steve Meier, (909) 528-3342, sm45para@gmail.com.

Haven't thrown a shoe in years, no problem, neither have we. Come on out and join us, it's a great way to make new friends and get a little exercise in the fresh air. Motorcycle Club

Last month Bob Howard led a motorcycle ride over to Sedona. Ron Morgan joined in on his first multi-day trip along with Dan Lanphere and Howard Lyon. Bob had planned the ride to accommodate the season's weather where most of the riding would be early morning and we would be settled into a hotel by the heat of the day.

Day one took us across the Mojave on Hwy. 62 and up into Laughlin for a stay at the Golden Nugget.

The morning of day two we headed over to Oatman expecting to see the usual population of burros but the town was empty in the early morning hours. We got lucky by having cloud cover which kept the day cool and the ride was beautiful and peaceful as we headed east on historic Route 66 through Kingman, Seligman, and close to Flagstaff on our

way to Sedona. We stayed in a wonderful motel with fantastic views of Sedona that night.

The third morning Pink Jeep Tours picked us up at the motel to take us on a two hour off road tour of the fantastic countryside of Sedona. The tour far exceeded my expectations both in the off-road experience and the guides' discourse on the local environment. This tour is highly recommended for anyone visiting this area of the country. We spent that afternoon enjoying another wonderful motorcycle ride down Route 89 through Jerome, Prescott and Oak Creek Canyon on our way to Wickenburg for our final night of the trip.

The last morning of the trip we left Wickenburg and rode to Blythe for breakfast, then straight back home to Four Seasons.

This was another wonderful ride shared with good companions and furnishing many memories, photos and stories to share.

Come join us for some motorcycle chat and story sharing at our monthly meetings which are held on the first Wednesday of the month at 6 pm in the Lodge Ballroom. ~ **Howard Lyon**

Golfing for Fun

Phil Harris has done a great job of keeping the "Distinguished Duffers" playing golf on Fridays while I have been recovering from shoulder replacement surgery. Weather has been nice to us and Phil has helped set up tee times at different venues including Soboba.

As stated, we play on Friday mornings, typically at local courses and it is a very informal format that doesn't always meet all the rules of golf. The purpose is to have fun with friends and neighbors. If you are interested to join in please contact Tim Jacobson at tjacobson@dc.rr.com 951-7973563 or Phil Harris phillip.harris54@yahoo.com 961-922-6676. If anyone wishes to assist Phil while I am out, please contact him.

An advertisement for Applebee's Seniors Day. The top features the Applebee's logo with a red apple. Below it, a group of diverse senior citizens are shown smiling and eating at a table. A large, stylized banner across the middle reads "Seniors Day 30% OFF Every Wednesday". At the bottom, the location "Beaumont: 1585 East 6th Street" and phone number "951-845-3638" are listed. Fine print at the very bottom states: "PROMO VALID ON ALL DINNER OFFERS. EXCLUDES PERCHARGE ONLY. NOT VALID WITH ANY OTHER OFFER OR DISCOUNT. SEE SIGNAGE FOR DETAILS. SOME RESTAURANTS MAY VARY YOUR SENIORS DAY OFFER."

Hiking Club

Hikers enjoy the camaraderie and safety of being in a group. There are some hikes that it is difficult to organize a group to make. One such hike is at the top of nearby Mount San Jacinto.

The adventure begins West of Palm Springs in Chino Canyon near where a tram takes passengers from 2,643 foot Valley Station to the Mountain Station to the 8,516 foot upper tramway terminal at the edge of the wilderness. The tram floor makes 2 1/2 revolutions during the ride and hiccups under the tram towers giving riders a momentary "lift." The mountain hiking is under the administration of both the California State Park system on the north side and the National Park System on the south side. While some of the trails are temporarily closed due to this summer's fires and floods, the most popular trail around the rim is open. From the five lookout positions hikers (on a clear day) can see the Salton Sea as well as much of the Coachella valley. It is a well-maintained trail and day hikers pushing baby strollers are a common sight. Park rangers say that November is the most popular months for visitors who want their first glimpse of snow while not having to live in it.

All Seasons RV Club

Many of us are on the road with our RV's. The Williams are in Yellowstone, the Brower's are all over the place, and are in Sturgis now. The Meier's are in Oregon, the Bentley's are in San Diego, and Charlie and I left Aug. 10, for a three-month trip heading toward Bar Harbor, Maine and meeting a caravan for a Grand East Coast Tour.

We need to give a big RV "shout out" to Larry and Natalie Zimmerman who came to see what our club is all about. We hope you liked what you saw and join the club.

Suzie wrote an article about the Big Bear/Holloways trip.

The All Seasons RV Club had a wonderful week in Big Bear this July. We always look forward to cooler days and a lot of sunshine, but did not expect a day of rain and hail. Our RV sites at Holloway's Marina and RV Park were right along the shores of Big Bear Lake. Our location also afforded us the luxury of witnessing beautiful sunsets each night right around

happy hour. We huddled around a campfire most evenings, and even shared S'mores one night. Of course, there was plenty of shopping and a great selection of restaurants to try. There was a lot to do as well, including a Melodrama one night, a Broadway Music Spectacular and the play "Inherit The Wind" with Richard Moll. Big Bear also has a market day, and some of us took advantage of the Discovery Center in Fawnskin. Big Bear Lake is also a very nice place to just sit back and relax. There was also some fishing going on, but I'm not sure how successful these fishermen were. We heard a lot about the one that got away!

Thank you Suzie and thank you Tim and Jane for being our Wagon Masters.

We have a poet amongst us. Dick Bentley wrote a fabulous poem that we can all relate to:

ROAD TRIP

*The open road's a callin me
Me, the wife and our RV*

*We'll load the rig and check it twice
All fueled up, no rollin dice
We've got the wine, the firewood
The fridge is filled and now we're good
The GPS shows us the way
Fire it up, it's movin day
We're rolling with the truckers soon
Two hundred miles before it's noon
Our first stop she says to me
The campsite's nice, here by the sea
I fumble for my wallet now
Oh, crap, I think she'll have a cow
Oh honey dear, do you have cash
I know she's always got a stash
Yes my dear I have it here
Along with something left, no fear
Your wallet's here beside me hon
Aren't these trips just so much fun!
This is the best poem ever!*

Happy birthday to our September babies and happy anniversary to our September brides and grooms. ~Maddie Meyer
