CC&R Amendments Strongly Approved

By Leighton McLaughlin

Four Seasons residents overwhelmingly approved amendments to the CC&Rs to strengthen the community’s 55-and-up age restrictions.

The amendments passed by a vote of 683 to 66 – more than 90 percent in favor. Two of the 751 voters who returned ballots abstained and 245 of the 996 households eligible to vote did not return ballots.

The amendments clarified language in sections of the CC&Rs that describe persons exempted from the 55-and-up rules — such as younger spouses, health care providers, disabled children and the like. They also added language to the effect that at least one resident in a household must be a 55-and-up permanent resident for any younger residents to qualify.

The campaign by the HOA Board and the Rules and Regulations Committee to update the CC&Rs and get out the vote began last June when the Board approved committee recommendations for the changes.

A well-attended Town Hall meeting was held in the Ballroom in July to explain the changes and urge members to vote. Committee member Louise Lyon conducted 15 “mini” town halls in residents’ homes to further explain and encourage voting.

A high voter turnout is necessary because the CC&R amendments require a majority of all residents – not just of

those voting — to approve. The Board hoped for 750 ballots in hand to allow a good chance of reaching the majority needed

Voting began in September with the mailing of ballots. Slow returns caused two delays in the vote count, from November with 625 votes to December, then December with 635 votes to January. Reminder post cards were sent to non-voters; then replacement ballots were mailed to those who did not respond to the cards. The Board decided to count on Jan.10, no matter what the total votes count was. Happily, the 750 ballot threshold was beaten by one and over 68 percent of all homeowners voted in favor.

Committee Chairman Ron Morgan praised the volunteers who worked tirelessly “to educate the community and get out the vote.” He singled out Louise Lyon, Board President Jacque Sneddon and Vice President Loren DuChesne for their efforts with the “mini” town halls, and the many residents who opened their homes for the meetings.

Morgan said the amendments are “obvious improvements” to the CC&Rs and will help Four Seasons maintain its character as an active adult community.

Sneddon said she wanted to “Thank everyone for their hard work and the residents for participating. We met our goal of 750 votes — the residents responded. I hope we see that in future elections.”

Thank you  
very much!

The Rules and Regulations Committee along with the Board of Directors backed a CCR amendment to tighten our age restrictions in our community. This was a big project and I was the project manager to try and educate as many in the community as we could.

There were many involved in this process. I would like to recognize Ron Morgan, the R&R chair and the entire R&R committee. Also, Loren DuChesne, Jacque Sneddon and Wayne Staples, our Board of Directors, and Lisa Lynn, the GM of Euclid Management. Without the combined support of these individuals

this would have been an impossible task.

Thank you very much is often said and sometimes loses its sincerity! I want the following people to know how much I personally appreciate all of the help, energy, enthusiasm and community spirit they “brought to the table” when they offered to host a mini town hall meeting in July and August of 2012. We conducted 15 mini town halls and we reached many homeowners. The 15 host/hostesses are: Barbara Miller, Bill & Tanya Guy, Wayne & Cheryl Staples, Colin & Kathy Taylor, Chuck & Colleen Barretto, Gordon & Pat Shepard, Lorene Sponsler, Steve & Marilyn Sarchett, Alan & Marsha Gormley, Patty Jordan, Paul & Ronda Esposito, Marshall & Phyllis Beede, Vicki & Bob Howard, Ron & Nancy Morgan, and Gene & Sandy Dwyer. Again, thank

you so much from the bottom of my heart. Another special thanks to Loren DuChesne and Jacque Sneddon who each went to half of the mini town halls with me. We could not have achieved our fabulous results without your help. Thank you! ~ Louise Lyon, CCR Project Manager & Former Chair, Rules & Regs

# Neighborly Notes

By Bobbie Eckel

A special thank you to Four Seasons' residents Sonya Tamplin, Don Fant, Marsha Gormley and Susan Wilson who are serving on the District Delegates Nominating Committee this year. The Nominating Committee of 2012 was successful in finding a full slate of candidates for each district. This year's committee will be seeking candidates for 13 districts. A meeting will be held in the Lodge Ballroom on Wednesday, Feb. 13, to allow voters to meet the delegate candidates. Ballots will be mailed in mid-February and must be returned by late February.

The rainy season has apparently started... at least we hope it has. Remember that California law requires drivers to turn on their headlights whenever the windshield wipers are used continuously. Slow down at the first sign of rain or drizzle on the roadway. According to the Vehicle Code, this is the time when many road pavements are most slippery because oil and dust have not been washed away.

Among many interesting new laws for motorists which became effective on Jan. 1, is SB1298. This law establishes conditions for the testing and operation of "autonomous vehicles," cars which can operate without the active control and continuous monitoring of a human driver. This bill was sponsored by Google, which is developing autonomous vehicle technology, and was supported by the California Auto Club. The bill requires the DMV to develop regulations for operating these vehicles on California roads prior to 2015. It does sound futuristic, but apparently is coming sooner than we realize.

A new bill which may impact our parking is SB1388, the parking meter law. Motorists can now park at broken meters, up to the posted time limit, without fear of getting a ticket unless the local jurisdictions provide adequate notice to the contrary at the parking locations. Hopefully, this will help drivers avoid unexpected tickets when meters are in need of repair.

Did you know that California has a key code law which requires automakers to securely make available to registered

locksmiths information to make replacement keys when the originals are broken or stolen? BMW, not wanting to comply with the regulation, sponsored SB 750 which would make that company's current temporary exemption from the law a permanent position. Unfortunately for them, Governor Brown vetoed the bill, noting that "the 24/7 standard for car key replacement should apply uniformly to all manufacturers" (*Westways*, the magazine for Automobile Club of Southern California, January / February 2013).

February 14 is not only Valentine's Day, but it is also the day for our General Session of the Board of Directors. Plan to join other residents in the Ballroom at 1 pm so that you will know what is happening with our HOA's business. We should be getting information soon about the turnover of the old sales office to the HOA and the plans for the use of the facility. A considerable amount of information is discussed about a variety of topics. Don't be the last to learn about happenings in our community!

The City of Beaumont is providing a safe method of discarding old or no longer needed pills. A locked container has been established in the lobby of the Albert A. Chatigny Community Center. Bringing your unwanted prescriptions to this location will help keep prescription medication away from children and out of our water supply. Acceptable items are prescriptions, prescription patches, prescription ointment, over the counter medications, vitamins, samples and medications for pets. Not acceptable are hydrogen peroxide, thermometers, inhalers, needles, bloody infectious waste, aerosol cans, non-prescription ointments, liquids and lotions.

In the same lobby, there is also a container for used batteries and a box in the Senior Services Office for used eyeglasses. For additional information regarding disposal of E-waste (electronics) and other items, please call City of Beaumont Code Enforcement at (951) 572-3234 or (951) 769-8529.

# Manager's Update

By Lisa Lynn, General Manager

At the Open Session Board meeting held on Jan. 10, the Board of Directors approved the following committee recommendations:

- Finance request to open a vendor account for lighting materials
- Finance proposal to transfer non-insured funds into a separate insured account
- Landscape proposal for irrigation water pump maintenance - \$2,366 Annually

The Board of Directors reviewed and acted upon the following business matters:

- December 2012 minutes – approved
- November 2012 Financial statement – approved
- CC&R amendment ballots tallied – amendment to CC&Rs Article 10 - approved
- Film Creation Workshop - approved
- Light Hearted Piano Concert - \$200 - approved
- 2013 Lodge Holiday Hours - approved
- Annual Maintenance Calendars - approved
- Turnover of Recreation Center North (Old Sales Office) – approved
- Motorized Device rule - approved

Management reported to the Board the completion of the following items:

- Phase B/C mulching completed
- Car cover rule sent out to membership
- Tree removal on Laurel Paseo completed
- Springdale insurance policy renewed

Management reported that 13 violation letters were sent out during December.

- 1 for parking issues
- 1 for architectural items
- 2 for maintenance
- 9 for trash cans

The Board of Directors suspended facility privileges for one member for delinquent dues, bringing the total for suspended privileges to 11 current members. There were 27 accounts with balances over 90 days past due.

The Board meeting is held on the second Thursday of the month, with the Executive Session at 9 am in the Lodge Conference Room and the Open Session at 1 pm in the Lodge Ballroom.

\*\*\*Calling all Board of Directors candidate applicants... please turn in your application to the Lodge office by March 10, 2013.

Remember to check the calendar for upcoming District Delegate election dates. Ballots for the District Delegate election need to be returned in the envelopes received and please sign the outside of the green envelope. It is necessary to receive more than 50 percent of the ballots from each district to meet the quorum requirements; otherwise, an adjourned meeting must be held. Your participation is appreciated.

Oh my gosh, we're already on a major roll for February and March!

To start the month and in keeping with many of our New Year's resolutions, Priscilla Robles will be holding a "Heart and Soul" Boot Camp on Saturday, Feb. 2. This will get us up on our feet and dancing, while we learn some new steps and burn off extra calories. Call Priscilla for more information at (951) 922-0755.

The next music and dance event is "R&B Meets Country." This is a free evening of Country and R&B performances from residents in our community, and dancing with audience participation. Please bring your dancing shoes and your favorite beverage. You're also welcome to bring in your purchased dinner from Smitty's. This event is on Feb. 16 at 6:30 pm in the Ballroom. All are welcome.

Don't forget about the great Film Making Workshop I told you about last month, presented in our Ballroom on Saturday, Feb. 23, from 1 to 3 pm.

This is a great opportunity to learn from a wonderful film company called "Smart Dog Film." Randy Lintecum, producer, is a retired executive who decided to launch a new career in film making. He will show you the ropes and help you understand the ins and outs of independent film making. To start the event, we will be showing his beautiful film, "To Love Again" during our Friday movie times on Feb. 22, in the Lodge Theater.

Randy will be explaining how various parts of the movie were made, so if you plan on going to the workshop, a Friday movie would serve you well. If you're not planning on going to the Film

Making Workshop, you'll certainly enjoy this inspiring film taken from a true life story.

The previously planned "Formal Classical Piano Concert" has been postponed until Friday, Nov. 1. We will, however, have a "Light Hearted Piano Concert," on Friday, March 1, at 6 pm, showcasing the amazing talent of celebrity pianist and musical genius, Dr. John Granet (he's too humble to say he's a genius, but everyone who is familiar with his musical accomplishments would agree). John is an internationally-renowned concert pianist and composer for all instruments. To make his gifts even more astounding, he happens to be blind. It's an incredible privilege to have him make time for our community, so I hope you don't miss this opportunity. We will be including some fabulous resident pianists in this concert as well, and they will have you toe-tapping and bouncing in your seats throughout the evening. This is a no cost event, and all are welcome.

Mardi Gras time is upon us again and the Social Committee will be putting together a bauble and bead filled evening with all of the traditional sounds and flavors of the Mardi-Gras in New Orleans. Wear costume or come casual, but come hungry and ready to follow the decorated float in celebration and dance the night away. Tickets go on sale at the Lodge desk on Feb. 5 for only \$20 per ticket (includes dinner) and the event is on Saturday, March 9 at 6 pm. The last day to purchase tickets is Saturday, March 2.

Have a wonderful February and Happy Valentines Day! I look forward to seeing you around the Lodge!

Film Screening Feb. 22

One Sunday afternoon, Larry Anderson, an ex-Army Ranger, suddenly loses his wife in a tragic automobile accident. Larry struggles to find purpose in his life but falls into loneliness and despair. Connected only through Providence, Larry stumbles into Sue Smith, a divorced single woman desperately looking for stability in her life. As these two lives are woven together their ultimate meeting is not what either of them expected. When Larry decides to take one last sky dive, he finds himself alone at 4,000 feet with only seconds to make a life changing decision. A story of faith, hope and love.

FILM MAKING WORKSHOP FEB. 23

Smart Dog Films is an independent production company located in Southern California. Their mission is to produce true story films with a message of faith and hope. Their current film, To Love Again, premiered on May 1, 2012, and is now in distribution. Their first film, The Crimson Door, was completed in March 2011 and was an Official Selection of the 2011 Maranatha Christian International Film Festival and an Honorable Mention in the San Diego 2011 Christian Film Festival.

# District Delegate and Board Elections Ahead

By Leighton McLaughlin

Ballots for District Delegate and Alternate Delegate have been mailed to residents and will be counted on Feb. 28 in the Lodge.

A “Meet the Candidates” session will be held in the Ballroom on Feb. 13 and the ballots must be returned by Feb. 28. They can be turned in by hand that day or mailed in earlier.

The delegates’ sole function is to cast ballots from their districts (see chart on right) for members of the HOA Board at the election in April.

The last applications to run for delegate were turned in Jan. 18. A nominating committee was appointed by the HOA Board to find candidates. Committee members were Sonya Tamplin, Don Fant, Marsha Gormley and Susan Wilson.

A quorum of 50 percent of the voters in each district must cast ballots on Feb.28 for the election to be valid. If there is no quorum in a district, a second election will be held on March 7, with a reduced quorum of 25 percent. Failing that, the HOA Board will appoint the delegate and alternate.

The delegates act much like members of the Electoral College in U.S. presidential elections — with a difference. If a majority of the district resident vote in the Board election, then the delegate must cast all district votes in the proportion as the votes cast. If there is no majority, the ballots are not opened and the delegate casts all the votes any way he or she sees fit.

In the Board election last year, three districts failed to reach a majority.

It is in the interest of all district residents to vote in Board elections so their votes and those of their neighbors are counted. It is also important to carefully select the delegates so that the district votes are cast wisely in the event a majority

is not reached.

A delegate and alternate are selected in each district. The alternate acts only in the absence of the delegate.

In the Board election in April, the term of one of the three homeowner Board members, Vice President and Secretary Loren DuChesne, expires. The other two, President Jacque Sneddon and Treasurer Wayne Staples, have a year left on their terms.

## Best Ever Barbequed Ribs

Imagine having a simple barbecue rib recipe that produces succulent, tender ribs without spending countless hours over a hot barbecue. A recipe that makes you look like the neighborhood pit master. Are we dreaming? Not this time. An answer has been provided by the *Bon Appétit* test kitchen, and featured its July 2012 issue.

This recipe allows you to prepare the racks almost entirely in advance in the oven, and then finish on the grill with store-bought sauce. **Active: 20 minutes • Total: 2 1/2 - 3 1/2 hours • Servings: 8**

First choose baby backs or spareribs, and then follow these three simple steps: Season, bake, and grill. Use bottled sauce emboldened with the ribs’ own juices to give the ribs a final sticky-sweet shellacking.

### INGREDIENTS

- 2 ½ tablespoons kosher salt
  - 1 tablespoon dry mustard
  - 1 tablespoon paprika
  - 1/2 teaspoon cayenne pepper
  - 1/2 teaspoon freshly ground black pepper
  - 8 pounds baby back pork ribs (8 racks) or St. Louis-style spareribs (4 racks)
  - Low-salt chicken broth (optional)
  - 1 ½ cups store-bought or homemade barbecue sauce, plus extra for dipping
- Possible store-bought choices: Kraft’s Thick ‘N Spicy, Woody’s BBQ concentrate

### DIRECTIONS

1. Preheat oven to 350°. Combine first five ingredients in a small bowl. Place each rack of ribs on a double layer of foil; sprinkle rub all over ribs. Wrap racks individually and divide between two baking sheets.
2. Bake ribs until very tender but not falling apart, about two hours for baby backs and three hours for spareribs. Carefully unwrap ribs; pour any juices from foil into a four-cup heatproof measuring cup; reserve juices. Let ribs cool completely. DO AHEAD: Ribs can be baked up to three days ahead (the flavor will be more developed, and the cold ribs will hold together better on the grill as they heat through). Cover and chill juices. Re-wrap ribs in foil and chill.
3. Build a medium-hot fire in a charcoal grill, or heat a gas grill to high. Add broth or water to rib juices, if needed, to measure 1½ cups. Whisk in barbecue sauce to blend.
4. Grill ribs, basting with barbeque sauce mixture and turning frequently, until lacquered and charred in places and heated through, 7 - 10 minutes. Transfer to a cutting board; cut between ribs to separate. Transfer to a platter and serve with additional barbecue sauce.

## Photo Submission Guidelines

Thank you to all the Four Seasons residents who have been sending in their pictures of this beautiful community for the Breeze. All photos are kept and if they are not used right away, may be used in future issues.

If you would like to submit a photo for the cover of your community magazine, please keep the following guidelines in mind:

- Vertical format is preferred
- Simple, uncluttered photos work well as there is text over the image
- Digital photos are requested at high resolution, 4 megapixels or higher, 300 dots per inch (dpi) or at least 1536 x 1024 pixels
- Include your full name and phone number when submitting photos
- Please send jpeg format photos to FourSeasonsNews@yahoo.com

If you have any questions, please call Courtney Taylor at (909) 797-3647.

# REC CENTER NORTH AD HOC COMMITTEE

By Jacque Sneddon, Board President

The Board accepted the turnover of the Recreation Center North building (old sales office) from K. Hovanian to the Association at the January board meeting. This building was originally scheduled to be turned over at the build-out of the community which was estimated to be in 2012. However, the slowdown in housing derailed that plan. Rather than allowing the building to remain empty for an undetermined period of time, it was decided it would be better for the Association to take it over and put it to good use.

We are excited about the opportunity to have this building available to us. We are growing and definitely need the space. We must decide the best use for the building, both short-term and into

the future. To accomplish this, the Rec Center North Ad Hoc Committee was created.

The committee will develop an overall plan for the use of the building by identifying current and future needs of the Association in the areas of space for amenities, business, and storage.

The plan will include any proposed remodel and/or modification of the building, a determination of what fixtures, furniture, and equipment will be needed, and a proposed construction and furnishing budget.

The committee will include a representative from the ARC, Bistro, Communications, Events Systems, Finance, Landscape, Rules and Regulations, and Safety and Facilities

committees and at-large members from our community.

To fill the resident member positions the Board will be looking for people with experience in the construction trades, building design, facility planning, and other related fields or experience. Persons interested in applying for committee membership can obtain an application from the Lodge Office or the website.

We also want residents' suggestions to help the committee consider all possible uses of the building. How can we best use the building now? How can we use it after the next club house is built? A suggestion box will be set up at the Lodge to collect your ideas.

## Neighborhood Watch

Our next meeting is Friday, Feb. 8, at 10 am in the Ballroom where we will address any concerns that you may have here in the community. We also hope to strengthen our program by adding more Block Captains thereby strengthening neighborhood spirit and our police-community partnership. If you are interested in becoming a Block Captain, please contact Dennis Gray or Susan Wilson for more information.

Discussion and comments on our EPP Expo are welcome, as we know Neighborhood Watch is an integral part of our EPP program.

We look forward to seeing you then but please continue to watch out for each other as our community continues to grow. ~ Susan Wilson

## Event Systems

The Holiday Variety Show conducted by the Performing Arts Club went off without a hitch in early December and, once again, the ESC was there to attend to the technical needs of the evening. The PAC presentations were fun and the lighting, sound and stage performed well to the enjoyment of a “standing room only” crowd. It was also a lovely inauguration for the new Grand Piano now found in the Lodge. This beautiful instrument was purchased by the HOA for the listening pleasure of our residents during productions and performances and three people played it in different acts that evening. We also thank everybody who helped in front of and behind the scenes. There were several inquiries from residents on how they can get involved with the productions, as we can always use help in keeping things organized. If you want to get more involved, email Roland Harrah at rolandthanh@msn.com.

The 2013 Holiday Home Tour, sponsored by the ESC, was a huge success. What began as a whimsical fund raiser has turned into a well attended community event. This was the third Holiday tour and nearly 240 people toured the five beautiful homes that opened their doors this year. While the majority of visitors were residents and their friend or relatives, about twenty-five new or potential home buyers were invited to attend by the K. Hovanian sales office. While the model homes are beautiful, they are sterile and these visitors were thrilled to interact with actual homeowners, view homes that are “lived in” and experience the enthusiasm the residents feel about living in Four Seasons. Again, we thank Steve & Cheryl Bell, Steve & Martha Benoff, Terry & Betty Fears, Wayne & Cheryl Staples and Sal & Jane Valle for graciously opening their homes. The next event, the Outdoor Living Tour, in late May or early June, is in the works as well as next year’s Holiday Home Tour and there is actually interest in a Fall Tour. If you are interested in showing off your beautiful home in any of these tours or have any questions, please do not hesitate to contact the tour coordinator, Teri DiMarino-Davidson at 951-769-4345. ~ Teri DiMarino-Davidson

## Emergency Preparedness Program (EPP)

Our next meeting is Thursday, Feb. 7, at 10:30 am, in the Lodge Ballroom.

Our purpose is to educate and inform our community to be individually prepared for disasters and emergencies. At our meetings we encourage everyone to take advantage of the FREE CERT (Community Emergency Response Training) offered by the Beaumont Office of Emergency Services (OES). The next training class begins Thursday, March 7. You may call the City to register. The important information shared and opportunities for hands on experiences are not to be missed. Riverside County invests many hours in Emergency Preparedness, such as simulations of disasters which would give opportunities to be prepared if real life occurrences should happen. One of our CERT members participated in such an event and gave a presentation at our January meeting. It was quite informative. Now to our kudos and thanks. Our first EPP Expo held in January, was very

successful. The goal was to make each person attending aware of the importance of being prepared in case any emergency. The exhibitors, speakers, EPP teams of our various groups were there to teach ways to make it easier for you to stay calm in a disaster and make sure that you know what to do and what items to have at home or in your car. Sally Peterson and Sharon Geiser were our leads on this event. Thanks to Jean Sandoval who secured our door prizes, Bernadette Chance for our EPP Logo, our Team Leaders as well as SO many more who worked to make this a great event. Of course we must also thank Cindy and the Lodge Staff. Our hats are off to all that made this such a great event. We have a strong commitment to having everyone EPP Prepared. We meet the first Thursday of the month at 10:30 am in the Lodge Ballroom. Come share your ideas, work and help develop the EPP program. Your enthusiasm and expertise are needed. Again our next meeting Thursday, Feb. 7, 10:30 am in the Lodge Ballroom. ~ Anita Worthen

## Safety & Facilities

The Safety and Facilities Committee met on Jan. 4. There was an Emergency Preparedness briefing from Anita Worthen on the Safety Fair and a briefing from Larry Savaglio on water management programs and cost drafts. There was a briefing by Dennis Gray on neighborhood watch ongoing community programs.

Renee Watkins briefed us about the Bistro chairs and Card Room table repairs as well as the change of vendor. The Aerobics Room flooring samples were shown. The air conditioning bid is transferred to the Board of Directors for action. There is a continuing review for an outdoor shower for the pool area. There was a review of storage needs at and about the Lodge. There is a review for action on handicap parking at the Lodge. There is ongoing and review of needed markings of Paddle Ball and Pickle Ball courts. There was a review for action to install bird spikes at the Lodge.

Lisa Lynn related the key fobs were in good working order and on line. The phase C painting projects are progressing. There is a need for us to meet at a later date and time to review the reserve study line items.

The next meeting of the Safety and Facilities Committee is Feb. 5, at 9 am at the Lodge. ~ **Dennis Gray**

## Finance Committee

At our December meeting, we welcomed our newest member, Claudeen Diaz. This brings the Finance Committee to a full seven member committee. The Financial Statements for November 2012 were reviewed and reflected the following significant items: Net income year-to-date was \$189,070 and total reserves were \$3,220,477. The accounts receivable (delinquencies) was \$80,949. Our total HOA expenses for November (excluding reserve allocations) were \$146,229. This was under budget by \$69,386. There was one CD renewal to be reviewed. The Front

Yard Cost Center expenses for November 2012 were over the monthly budget by \$513. There was one vendor proposal presented for approval. Bob Melville, AD Hoc Water Management Committee member, reported water consumption for the year was up two percent over last year with the bills being up by 15 percent. This year was drier than last and the water rates have been increased dramatically.

Our next regularly scheduled meeting will be Feb. 26, at 1 pm in the Lodge Conference Room. All homeowners are encouraged to attend. ~ **Noel Myers**

## Architectural Review

New and established homeowners, please remember any exterior modification, revision or improvement to your property may need approval from the Architectural Review Committee (ARC). Some examples are walkways, planters, patios, patio covers, satellite dishes, screen doors, front entry doors, plants in your front and rear yard, especially trees. When in doubt, speak to Frances Farrar at the Lodge Office. Applications for improvement submittal to ARC are also available at the Lodge Office. Applications must be submitted prior to noon Monday, preceding the meeting for consideration that week.

We are comprised of seven

homeowners including BOD Liaison Wayne Staples and Lisa Lynn of Euclid Management. The committee meets on the Feb. 6 and 20, at 9:30 am.

During the meetings each month we review applications from the homeowners for compliance and discuss possible remedies to issues that may not be covered presently in the rules or guidelines. Yes, rules and guidelines. If you are unable to locate these guidelines that were provided with your home purchase, you can request a copy at the Lodge office. Outside of the meetings, we visit the homes of applicants that have completed the work. This is to verify the modification is the same as the submitted approved plan.

You are welcome to attend one of our meetings to see how the process works.

~ **Ron Burke**

## Landscape Committee

Our next meeting will be Feb. 11, 9 am, in the Board Conference Room. There are openings on the Landscape Committee and interested homeowners are encouraged to attend meetings to learn what the committee does and join in serving the Association.

## Social Committee

As I sit here typing this article New Years' Day, having left my couch potato position only long enough to do so, I wonder why. Why do I do it? I, along with seven other ladies from the Social Committee and some friends, spent a total of 18 hours getting the Ballroom ready for the New Years' Eve event. And why? Well, let me tell you. It was to give the really great party that we had. Over 160 people welcomed the New Year with good food, good music and good friends.

Many thanks to Tony Zamboni for the great job he did with the games, the lighting and playing the music our dancers wanted to hear. I don't think there was ever a time the dance floor wasn't full of people enjoying them. He did a really fine job.

Rosa Galarza and her friend Shane Litchfield sang several selections from the musical "The Phantom of the Opera" and held our residents and their guests spellbound. Rosa and her husband are residents of Four Seasons and it is a pleasure to have them in our community. Shane, a last minute replacement for the original singer gave up part of his New Years' Eve and did an outstanding job, with only one day of practice with Rosa. There is not enough words of thanks for the pleasure they gave us.

Let me not forget Smitty and the Bistro who did a very fine job with our elegant buffet. This is the first time we have had a buffet for New Years' Eve and I believe it went very well. They also provided us with an extensive salad bar that was also well received.

Another person we need to thank is Abby Cameron who made the large phantom mask that hung in the front of the

Ballroom. In addition, Pam Mayoral who made the candies for our special cupcakes, did a wonderful job.

The Social Committee and sub-committees work really hard to bring these events to you and they deserve a special thank you. I can't name all who helped, mainly because I can't remember all of them but they know who they are and you have my deep appreciation for all they did.

Several members of the Bistro committee and their spouses and friends stayed to help us clean up after the party was over and they were a big, big help. I was home and in bed by 2 am which was a first. A huge thank you to all of you.

A final thank you to Cindy who without her help and support the evening would not have happened. Renee was also as big help during the evening.

For those of you who did not attend, I am sorry you missed a great party but maybe we will see you next year... although I am not sure how we are going to top the party of 2012.

Now we're looking ahead to Mardi Gras! Join us for this great celebration on March 9. Doors open at 5:30 pm and the event begins at 6 pm. Tickets go on sale Feb. 5, at \$20 pp. Get your tickets early as they go fast. The last day to purchase tickets is Friday, March 2. ~ **Melody Seewoster**

## Rules & Regulations

The second set of ballots for the CC&R amendment has been mailed and you should have received your ballot. At this time we have received 739 ballots. By the time you read this, the ballots will have been counted. You can find out the results by contacting the Lodge office.

The "Voting Thermometers" have been returned to the vendor and the contract canceled due to non-performance. A

new vendor will be contacted and given the contract.

The "Car Cover Rules" have been adopted. The "Golf Cart Rules" were sent out for public comment. Final approval will be completed at the January Board of Directors meeting.

You are invited to attend our meetings. They are held on the third Thursday of every month at 9 am in the Lodge conference room. ~ **Ron Morgan**

## Ad Hoc Water Management

In 2012 we consumed 6.9 percent more water for landscaping than in 2011. The cost of our water for the year was up 22.5 percent due to increases in the cost of water and power to pump and deliver it.

The increases were a result of our rainfall during the year being slightly lower, particularly in the early fall and the increase in areas to be watered. During 2009 and 2010 the

builder transferred only small areas to the Association due to the weak economy. In 2011 the transfers increased and in 2013 they will be significant. Our hope is to maintain water consumption to a small increase with conservation efforts. The water testing on Crooked Creek showed that with a drip system the ground cover used 11 percent less water than the sprinkler system. ~ **Len Tavernetti**

## Bistro Committee

At our December meeting, we reviewed the progress of work to install a walk-in refrigerator in the Bistro. It is possible that the Bistro may be closed for several days to accomplish the work.

Our newest member of the Bistro Committee, Cheryl Burke, was welcomed. The committee is now seven strong.

We will be represented on the Ad Hoc Committee studying the future use of the North building that was the K. Hovanian Sales Office.

When the Bistro dining area is full, the first section of the Ballroom may be used for dining, only if it is not being used or has been set-up for an event.

Our next meeting is Feb. 26, at 11 am, in the Lodge Conference Room. All homeowners are invited to attend. ~ **William Taylor**

Buying or selling a home is one of the largest financial transactions we make. But it's more than just a business deal. For me, it's never "just business." It's always personal. My client's opinion of me matters. I encourage questions and make sure my answers are clear. I am a straight shooter and tell it like it is. I will never mislead you just to make a deal.

As a Senior Real Estate Specialist (SRES designation) who works exclusively in 55+ communities I realize seniors have different needs than people with young families. For each client, I listen with empathy and am readily available to respond quickly to meet their specific needs. **Because buying or selling a home isn't just business... with me, it's personal.**

### GREAT TIMING!

**Time to sell!?!?** According to the California Association of Realtors®, the state's median home price marked its highest point in 2012 since August, '08. Prices are expected to continue to rise as the inventory of available homes falls.

**Time to buy!?!?** It's still a great time for buyers due to low interest rates and the continuation of the tax advantages of owning a home, plus the addition of a new tax break making Private Mortgage Insurance tax deductible.

## Ceramic Corner

Welcome 2013! There are quite a few new projects in the works for Ceramics Class on Wednesdays at 1 pm. Valentine's Day and Easter are just around the corner and there are samples of a hand-cast heart for your front door, and a heart box, heart plate, and Easter basket with eggs done in crystal glazes. Also, we will be learning how to hand cast pillow vases for your flower buds or plant clippings. Drop by the Craft Room to check out samples of some of the items you can create, or join us on Wednesdays and check out what students are making. Instructor: Pamela Mayoral (951) 897-1922. ~ **Pamela Mayoral**

## Camera Club

We meet the third Tuesday of each month at 6:30 pm in the Craft Room at the Lodge. Our February meeting will be Feb. 19.

This group is for all levels, beginners and pros alike, and members are always eager to help and teach. Each month, we have an assignment to take and bring in a photograph of a different genre. We encourage you to attend even if you decide not to bring a picture. We have a lot of fun including photo outings, guest speakers, shows of work, and general sharing of ideas.

We will be discussing other events and outings throughout the year and are looking forward to participating in the "Corks and Canvas" event in April.

The chairperson of our club, George Johnson, will be teaching a beginners digital camera class. It will consist of two sessions; the first session will be on March 4 and the second, on March 11, at 6 pm in the Craft Room. If you have a digital camera and wonder what JPEG and RAW are, what ISO you should use and when and why, what white balance and IS are all about, this is the time and

place to find out. Many other mysteries explained as well. Bring your camera to the first class. Check at the front desk of the Lodge to sign up.

So, all of you lucky recipients of new cameras from the holidays, here is a great opportunity to not only learn more about how to take great pictures (it's easier than you think). These two classes are a great way to meet new friends. Info., Lyle Cameron, (951) 849-6987. ~ **Lyle Cameron**

## Knitting & Crocheting

As previously reported, our VA project was completed and we were informed by Anita Worthen, that all lap throws were distributed and greatly appreciated by all who received them.

It is likely that we will do this again for 2013, as they are always needed by the hospital.

Our holiday luncheon at Melvyn's in Palm Springs was great fun and enjoyed by all. We ended up with 11 people due to some cancellations. We drove through the rain to get to a lovely, sunny Palm Springs and the lunch was terrific. Once again our group meets on Tuesdays at 10 am. If you are interested, please come join us. Info., Dorothy, (951) 572-5436. ~ **Dorothy Payne**

## Crafters

It's time for you to find out how much fun it would be if you came to join us for crafts! We meet on the first and third Thursdays of the month in the Craft Room at 5:30 pm. We hope to see you there! ~ **Pam Kelley & Rita Partida**

## Creative Drawing & Sketching Class

There are two classes available for drawing and sketching: Monday mornings from 10 am to 12 noon, and Wednesday evenings from 6 to 8 pm in the Crafts Room in the Lodge. The Monday classes are designed to be for a specific semester and the Wednesday classes are ongoing throughout the year. The Mondays class schedule for 2013 is Jan. - March 18 (first term), May 20 - July 22 (second term) and Oct. 7 - Dec. 9 (third term).

The Wednesday evening classes typically have the more advanced students, many who have begun to work with colored pencils in addition to graphite. A student may attend any of the classes or just one. It is strongly recommended that new students attend the first class of a new semester on a Monday morning before deciding which class day they prefer. It is there that you will get to learn the supplies that you will need and honestly, the first class is lots of fun!

The class is led by Rob Kelman, (951) 992-9156, email, rbkdesigns@verizon.net. Please call or email any questions that you have. The class is free! You provide supplies which will be discussed in the first class. Just bring a sheet of paper and a pen or pencil for taking notes.

It doesn't matter if you have never drawn before, you drew years ago, or you are an accomplished artist. The classes typically have a mix of all three. Each student works from a black and white photo of their choosing, at their own pace. This class is about individuality. Info., Rob Kelman, (951) 992-9156. ~ **Rob Kelman**

## Bunco

This month we will be playing bunco on Feb. 8 and 22. We have been having a great time in the last few months with lots of ladies showing up to play. It is always nice to see new residents joining in and getting involved. Buy a drink at Smitty's and join us on the 2nd and 4th Fridays of the month. We play at 1 pm sharp in the Card Room. ~ *Cheryl Burke & Suzanne Roldan*

## Canasta #1

Come join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet in the Card Room every Thursday afternoon, 1:15 to 4 pm. Each week you may play with someone different which gives you an opportunity to meet your fellow Four Season residents and old friends who enjoy an afternoon of "cool" cards. It is also handy to have the Bistro just down the hall if you would like something to snack on or a cold drink. We supply the cards so all you have to bring is your body and the desire to have a little fun.

If you don't know how to play we are always happy to set up a teaching table and by the time the afternoon is over you have mastered the game. All you have to do is show up and leave the rest to us. ~ *Melody Seewoster*

## Bridge

Beginners, intermediates, and experts are invited to join us at our Monday Social Bridge game at 12 pm in the Game Room. Meet old friends and make some new friends and have some fun. Just because it is a social game setting does not mean we don't have exciting hands. So join us for some fun and possible a bit of excitement, get the brain moving at max speed. See you there. ~ *Roar Senstad*

## Book Club

On Feb. 12, at 9:30 am, in the Lodge Conference Room, we will be discussing *Marble Eyes* by author Hildred L. Kennett.

Raymond Evers is a merciless killer crossing the country from Illinois to Arizona, leaving a trail of blood and bodies. As the body count climbs and Raymond gets closer to Arizona, he is on a direct collision course with a culture and a warrior like no other. Bear Jackson is a warrior whose bloodline can be traced back thousands of years. He's an FBI agent assigned to the Phoenix, Arizona field office. After his last deadly assignment, he needs a vacation. He's headed back to his childhood home on the Mojave Indian reservation. He's looking forward to his mother's home cooking. Bear's best friend has a vision. It's a race. Can Bear find the killer before he finds Bear's closest friend? Bear's life is about to be changed violently. It will be the ultimate test of his beliefs and his warrior culture!

Hildred L. Kennett is a local author, living in Yucaipa, California, with his wife and his happy-go-lucky pug dog named Dakota. He spent 30 years in law enforcement as a deputy sheriff, city police officer, tribal police officer and director of a campus safety department. He enjoys riding his motorcycle on the weekends. For the last eight years he has been an elementary teacher in public schools. He is now busy writing a sequel to *Marble Eyes*, entitled *Mace*.

Please join us for what should be a very interesting discussion of this book. Our next meeting will be on Tuesday, March 12, when we will be discussing *The Association* by author Pam Sutton. For more information about our club, please call our president, Doreen Sanders, at (951) 769-1913. ~ *Jeannine Lutz*

## Taste d'Vine

February is such a busy month. It has many holidays... so more reasons for celebrations! We have National Smile Day, Mardi Gras, Chinese New Year, Valentines Day, Love your Pet and of course it is American Heart Month. And you know where this is going, wine Is GOOD for the heart! Come join us Thursday, Feb. 21, at 6 pm in the Ballroom. We will talk about its beneficial properties and continue to celebrate with some sparkling, red and white and dessert wines.

Bring a glass or two for tasting, a bottle of wine to share if you want, and a dish to share with at least eight people. Members \$5, guests \$8. ~ *Anita Worthen*

# Line Dancing

Join us every Tuesday to learn something new that's really exercise disguised as fun. Line dancing is low impact, requires no special equipment and gives you the opportunity to meet new people and make new friends in our community. Even if you have never danced before and don't want to learn a lot of dances, join us and learn one or two very easy dances and maybe you will find that you like it and want to continue. Or maybe you will be happy knowing those two dances so you can join in now and then.

The beginning class starts at 3 pm and is only 45 minutes. The advanced class begins at 3:45 pm and is always working on a new dance. We also take the time to dance to old favorites. We sometimes dance so much we actually work up a sweat and we always laugh a lot.

Any questions? Call (951) 769-3889. ~ **Martha Franck**

# Ballroom Dance Club

This month we're featuring an interview with Frank and Suzie Gorgei. They started ballroom dancing in March of 2012 and have really enjoyed themselves, so we thought you'd like to hear their story:

*"After moving to Four Seasons it took us a while to become comfortable in our new community. We've always done things together and we wanted to keep active, so we looked for something we could share, something that would be fun, help us stay physically and mentally fit, and allow us to meet more people."*

*"We heard about ballroom dancing, and although we never had dance lessons before this seemed like it might fit our needs, so we gave it a try."*

*"In the Ballroom Dance Club we found a group of very friendly people having great fun and enjoying dancing, and they made us feel right at home. We not only learned a wide variety of new dances but also made many new friends."*

*"The dance instructors are very good, but most importantly they are sensitive to the needs of us beginners. They took us step by step through each dance, and if we had trouble with something they would spend time with us to get it right."*

Suzie and Frank Gorgei are Ballroom Dance fans

# Heart & Soul Line Dance

Revised class schedule for 2013: Beginner Level, Wednesdays, 4 – 5:20 pm; Intermediate Level, Wednesdays, 5:20 - 6 pm.

Everyone is encouraged to stay for intermediate level. This session will be devoted to practicing all the dances we learn. It's like a mini dance marathon.

No intermediate level dance class on the 3rd Wednesday of the month.

This day is reserved for celebrating our monthly birthdays.

Upcoming Events: Saturday, Feb. 2, if you attended and enjoyed yourself at our Beaumont anniversary celebration you do not want to miss this next event. Mark your calendars! Complete details will be distributed in special flyers. Info., Priscilla, (951) 922-0755. ~ **Priscilla Robles**

# Old School Dance

Join us on the first Friday of each month, from 6 to 8 pm, to dance to the tunes from 50s Rock and Rock and 60s R & B to the Motown era and beyond with the smooth sounds of Jazz and down home Blues. Join your fellow residents who like old school music and enjoy learning new dances — plus keep fit while living life to the fullest! Info., Willa Harris, (951) 845-2636. ~ **Willa Harris**

# All Seasons RV Club

By the time this issue of the *Breeze* is published, we will have completed our Lake Havasu and Quartzsite trips. More about this in the next issue.

March 10 to 15, we will be at Santee Lakes. Ann Williams and Jill Yanes are planning this trip. They have some fun things planned for us. There will be a fishing derby for the men, card games in the lodge one night, and a bingo night with "white elephants" as prizes. Of course, the women will undoubtedly go on a shopping trip one day.

Also, in the planning stage is a trip for May 14 to 24, to some of California's finest wine regions. We will begin with a stay in Paso Robles where we will tour wineries, visit the downtown shopping area, and eat at a Basque restaurant. From there we will go north to the Russian River Valley and the Anderson Valley. We will tour some wineries as well as visit Mendocino. Dorothy and Steve Meier and Nancy and Ron Morgan will be wagon masters for this trip.

Future trips are planned for the Elks Rodeo in Santa Maria in June and to Big Bear Lake in July.

If you have an RV come join us on one of our trips. We promise you will have a fantastic time.

Our meetings are on the second Tuesday of the month at 6 pm in the Arts and Crafts Room at the Lodge. ~ **Nancy Morgan**

# Life Guide Bible Study

In the month of February we will continue our study in the series "Living Life God's Way." There's been a lot of research and studies done in the last 60 or 70 years that indicate that the way you see yourself determines the way you act and react in life. If a person sees himself as unattractive, inadequate, a loser, or a failure then they will tend to act out in those ways. It isn't until a person begins to change their self-perception and see themselves in healthy and positive ways, that they begin making the changes that they need to make. In our studies we will look at such topics as: Who do you think you are? How to be Unselfish; Your Integrity and Your Influence. Come and join us as we explore these subjects of interest to everyone. Everybody is welcome.

We meet in the Lodge Ballroom on Tuesdays from 7 to 8 pm. We provide an opportunity to meet people in the Four Seasons community and encourage and strengthen one another in our walk of faith. By the way, each lesson is self-contained so you will benefit from the discussion even if you have missed previous lessons. This study time will give you an opportunity to share your faith and gain encouragement and help from others in the group. Info., Don Cummings, (951) 572-5329. ~ **Don Cummings**

# Four Season Singers

We are still taking time off but if any members want to meet now, let me know. It won't be long until we are rehearsing Patriotic Music for the Fourth of July Show and right after that it will be time to start getting ready for our next Holiday Show in December.

As always, if you are interested in the singers, please call me at (951) 797-3466 or email me at [bawasco@dc.rr.com](mailto:bawasco@dc.rr.com). ~ *Barbara Wasco*

# Seasoned Solos

The Seasoned Solos next monthly planning meeting will be Feb. 1, at 6 pm in the Craft Room at the Lodge.

So far outings for February are: Feb. 8, lunch in Hemet at Arturo's Mexican Restaurant (very popular). Feb. 9, Art Under the Umbrellas in La Quinta (features local artist). Feb. 14, Lunch in Ontario at Market Broiler with shopping at the mall after lunch.

Suggestions for Future Outings:

- Miniature Golf in Cathedral City
- Medieval Times Dinner and Tournament - Buena Park Castle
- San Diego Wild Animal Park
- Getty Center
- Hawk's Heal Restaurant - Yucaipa
- Winchester House - Hemet

If you are living "Solo" please join us if you are interested in day trips, eating out, going to concerts, museums, plays and making friends. For more information please call Toby Davis (951) 769-2380 or Roxanna Morrow (951) 769-6877. ~ *Roxanna Morrow*

## Discovery Club

Accumulation. It's like a disease we all have. Stuff gets stored and forgotten. There's never a convenient time to take care of it, so it just sits there. We say over and over, "I've got to do something with that stuff." But it never happens.

If its family memorabilia, it gets passed on to our offspring, and they don't have a clue what it's about. Eventually, our special, one-of-a-kind family information gets tossed in the trash as worthless junk, to be lost forever to future generations.

But there is a way you can preserve your family history – if you take action now. It doesn't need to be done all at once, but like crossing a room, do it one step at a time.

And we're here to help. For the first time, the Discovery Club will be offering some very practical workshops this year, when you can bring your collection of family stuff and we'll help you do something useful with it.

Our workshops will cover three major areas. One: Sorting, organizing and identifying your stuff. Two: Doing research and finding relatives. Three: Assembling, recording and printing your family tree.

We'll let you know the workshop schedule so you can plan ahead. You're not required to join anything, and the workshops

are free to everyone. All you need to do is take the initiative to get help!

If this appeals to you and you want to be notified by email, please contact us. ~ Willis Fagan

## 4x4 Seasons

A new club has been formed for all four-wheel enthusiasts. We meet the second Tuesday of the month, at 7 pm in the Arts and Crafts Room. The first meeting was held on Dec. 12, and initial planning for off road trips was discussed. Our first trip will be to Ocotillo Wells on Feb. 2, a day trip with other fun and adventurous trips to follow. Any Four Seasons residents with off road vehicles are welcome to join. So pack your cooler, gas up your vehicle, dust off your CB and come join in the fun. We look forward to seeing you at our next meeting on Feb. 12, at 7 pm, in the Arts and Crafts Room. For additional information contact Rick Brower, [jamiEBead@aol.com](mailto:jamiEBead@aol.com); George Johnson, [gjohnson23@dc.rr.com](mailto:gjohnson23@dc.rr.com); or Ann Williams, [wilymz@att.net](mailto:wilymz@att.net) ~ **Ann Williams**

## Garden Club

At our January meeting, we heard a presentation on the efforts by California State Parks to eradicate invasive plants.

The presentation covered the removal of mullein. The plant has a long history of use as a herbal remedy, and is an effective treatment for asthma and respiratory disorders. Extracts made from the plant's flowers are a very effective treatment for ear infections. Although this plant is a recent arrival to North America, Native Americans used the ground seeds of this plant as a paralytic fish poison due to their high levels of rotenone. One species, (Great mullein), is used as a remedy for sore throat, cough, and lung diseases. In gardening and landscaping, the mulleins are valued for their tall narrow stature and for flowering over a long period of time, even in dry soils.

The Garden Club is now in its second year and charting an agenda for 2013. For the first three months we will address subjects of interests to most gardeners: February, Preparing the Beaumont Soil and Fertilizers; March, Spring Bulbs and Containers; and April, Summer Perennials. We are also discussing having a Plant of the Month with our homeowners describing their luck or lack of with specific flowers or shrubs. Join us for our Feb. 7, meeting.  
~ **Len Tavernetti**

Garden Club members learn about mullein, an invasive plant with medicinal properties.

Guess who's coming to our town...

## Racquet Club

If you'd known \$11 million was at stake, would you have rearranged your life to become a tennis champion? That's the prize pool available for this year's BNP Paribas to be played less than an hour from your home and now just five weeks away. The FSBRC invites you to attend this 'Disneyland for Tennis Aficionados' on March 5, the second day of qualifications, and its FREE! You only need to email [hwlyon@yahoo.com](mailto:hwlyon@yahoo.com) to say "I'm going" and then come to the Lodge that Tuesday at 9 am for a car-pooled drive to the warm and sunny Indian Wells Tennis Garden. There you'll harbor all the excitement of world-class players competing in a world-class venue so bring your sunblock, water, comfortable shoes and camera to maximize your experience. We'll likely re-group for lunch in the Food Court where there's a ton of medium-priced selections sure to satisfy your palate. Hopefully, we'll run into one of our Four Seasons volunteers — Sonya Tamplin, Padoo Peralta, Louise Lyon or new this year, Tina Soeten and Arlene Malkin or Cheryl Smith who for years has volunteered in the Scorekeeper's Group. At 3 pm we'll reassemble for the return to the Lodge.

Keep watching for email announcements on Club events or check out the website [www.FSBRC.org](http://www.FSBRC.org) as we wind down

the last of winter. We sponsored an impromptu mixed doubles event in December and welcomed Irve, Jo, Tina, Steve, Tom D., Larry, Ray, Ledia, Ken, Barbara and Bob R. This isn't just about tennis as we gathered at the Lodge for lunch and bragging rights at the conclusion of play.

We just learned that Developmental Coach Cheryl Smith is stepping down after having served as our on-site pro, teacher, drillmaster, trivia master, mentor, friend and an absolute ambassador for tennis everywhere. She also served the FSBRC as a board member and advisor since the Club's beginning in 2005. She was firm and resolute in guiding the policy that allowed our Club to receive member dues and still remain within the HOA activities guidelines, a process that took many months to resolve. She also spearheaded the effort to build a facility adjacent to the courts for safely storing the ball machine plus other teaching equipment. There are many among our 60+ members who, until moving here, hadn't held a racquet in years who benefited from Cheryl's instructional moxie and warm, engaging and colorful tutelage. We will miss you, Cheryl, and wish you every success in your teaching and tournament endeavors.

It's February folks, Happy Valentines! ~ Ken Elliott

## Ping Pong Club

The game of ping pong is full of surprises. Usually the surprises come from your opponent when they slip in an unexpected slam or a new serve that throws you off your game. Last December the surprise came when a big, jolly man in a red suit showed up to hand out gifts and to play a little ping pong. Imagine the surprise we had when Santa Claus, arriving in his big red 55 pick-up, walked into the Ping Pong Room. This brought laughs and stares from everyone in the room. Just to prove that this Santa was the real deal, he opened up his satchel and passed out gifts of miniature ping pong paddles to everyone. Then, picking up a real paddle, Santa played a little table tennis before heading back to his red pick-up to deliver toys to good little boys and girls all around the world. For those who didn't believe in Santa before, this was a life changing experience. Even the most cynical people like Don Fant is now a true believer. Aren't you Santa... I mean aren't you Don?

This month a few of our players will be going to the Palm Desert International Sports Festival and

Senior Games to compete against some of the best players in and outside of our area. Hopefully, we will come home with some medals. Look for an update on this event in the April issue of the Breeze.

On a very sad note, two members of our Ping Pong Club recently passed away. Tom Prophet died of a heart attack around Christmas. Tom was an original member of our club. Everyone who knew Tom will remember him as just a wonderful human being who made friends out of complete strangers. On Jan. 4, we learned that our beloved friend, Bob Travlee, passed away. You couldn't know Bob without loving him. He was a quiet man, but a man of great character and courage. When he did speak, he usually had something significant to say and usually accompanied by a subtle but very funny quip. Both of these outstanding people will be sorely missed.

For information on the Ping Pong Club, playing times, etc., contact Niles Sundstrom at (951) 572-5119, or Alan Chan at (951) 769-4202. ~ Niles Sundstrom

# Pickleball

Come on out and try the fastest growing sport in Four Seasons. It's fun! It's easy to learn! Best of all, it's great exercise! If you haven't tried it, you are missing out. After debating over the scheduled days and trying different combinations, we now have a set schedule. We meet every Tuesday and Thursday at 10 am.

We have good news for our players. Bids have been submitted for painting the proper lines in the courts and one has been accepted. Our hopes are to see shiny new lines soon. For the time being, we are playing with temporary nets that are the proper height but we are working on getting permanent nets also.

Our numbers are growing steadily and we have a roster of close to 40 players. On a regular basis, we have 15 to 17 players at each scheduled day. There is no doubt that we are going to have to start lobbying for another court as new members are added weekly.

Come on out and join us. We have extra paddles for those who want to try out the game. We know you'll be hooked. Pickleball is definitely the new, fun sport in our community.

For more information, call Linda at (951) 797-3939 or email to lbsnipes@yahoo.com. ~ **Linda Snipes**

# Paddle Tennis

Hi Paddlers... As the paddle courts are washed and maintained every Tuesdays, we have changed our play days to Wednesdays, Fridays and Sundays from 2 to 4 pm. We hope that the new play days fit your schedule. Come and join us for exercise, fun and friendship.

For more information please contact Alan Chan at (951) 769-4202 or Jim Cochran at (951) 769-5525. ~ **Alan Chan**

*Neither rain nor sleet nor snow will stop these paddle ballers. The game had to be stopped after this picture was taken as the court became icy and slippery. The players are Gary and Jim on the left and opposing are Terry (in shorts) and Rob. Now that you know what you are missing, do come and join in the fun.*

# Billiards for Fun

The Four Seasons Billiards for Fun Group has a new nickname: The Four Seasons "Partying" Billiards for Fun Group.

In December the group attended our bi-monthly potluck luncheon in the Ballroom which happened to be the day that most of the Beaumont/Banning/Yucaipa, etc. area lost electricity for several hours ~ remember? Yes, we ate our fabulous potluck contributions in the dark! We all laughed about it ~ especially having to play billiards with no lights on in the billiards room. It was memorable, that's for sure.

Also, a week later, two of our group members, Ron and Judy Erickson, hosted a Christmas party at their beautiful new home. Again, there was lots of great food and libations, and everyone had a wonderful time. Since Christmas and New Years both fell on Tuesday (our group day), we had two weeks when we didn't play billiards on a weekly basis.

Once we returned, however, no one appeared one bit rusty! We always have such a great time: no mandatory practices and no preset, stressful competitions. We play with group members, just for the joy of the game! If you're interested in joining the Four Seasons "Partying" Billiards for Fun Group, contact Eileen Gilbert at (951) 922-6829 for more information.

We are so saddened to hear of the passing of one of our club members, Bob Travlee. Although very quiet, he was extremely talented, a great billiards player, and we all enjoyed having him in our group. We'll miss you, Bob. ~ **Eileen Gilbert**

# The 8-Ball Club

The 8-Ball Club meets for the enjoyment of playing billiards for fun and competitive play with in-house tournaments; as well as tournaments with other 8 ball clubs located in nearby retirement communities.

8-Ball Club meetings are held the first Wednesday of each month. The in-house 8-Ball Tournaments are on the second Wednesday and the 9-Ball in house Tournaments on the third Saturday of each month. For away tournaments check the bulletin board in the poolroom for dates and location. The club practices together on non-tournament Mondays as well as every Wednesday and Friday at 7 pm.

The December tournament at Del Webb was a close one. The win went to

our 8-Ball Club. We were holding a lead of eight wins to Del Webb's seven wins. Rick and Marion Loney (who playing as a team won three out of four games during the tournament) were playing the last game of the 16 game contest. A loss would tie the tournament at eight games each and the winner to be decided in a one game playoff. Rick's shot at the 8 ball required cutting the 8 ball, followed by a bank off the far rail. He made the difficult shot rolling the 8 ball into the corner pocket dead center and clinching the tournament win.

The in-house tournament winners for December 2012 were Dewey Allen, who won two straight games over Pete Antoine to become the December tournament champion (8-ball) and Rick

Loney won the 9-Ball championship game playing against Dennis Cleveland who took second.

Overall, Dewey Allen won the title of Champion for most 8-Ball in-house tournaments wins in 2012. Kenney Payne won a tie-breaker match versus Del Lyles to become the overall 9-Ball Champion for the most in-house tournament wins for 2012. ~ **Rick Loney**

## Firearm Enthusiasts

Firearm ownership is a very responsible process of training, safety and familiarity with your firearms. More and more of our members are learning the importance of practice. Take the opportunity to practice at least once a month to maintain your skill level and familiarity with your firearms. Remember to save your targets if you want an evaluation.

If you need a shooting partner, check on the roster and make a call. This is a good way to meet your fellow enthusiasts.

Meetings are the first Friday of the month at 4 pm in Lodge Ballroom.

Info., Ron Morgan, (951) 315-0466, email ronm627@aol.com, or Steve Meier (909) 528-3342, email sm45para@gmail.com. Reminder: No firearms allowed on the Lodge premises. ~ **Ron Morgan**

## Motorcycle Club

Even through the busy holiday season some of our riders managed to find time for some "Lunch Rides." They included trips to Hyland Cycle, Peterson Museum, Burt's and Temecula.

Currently planned longer range trips for 2013 include the following:

Death Valley – March 30 through April 2. Guys' trip.

San Diego – June 2 - 4. Wives' trip.

Prescott/Sedona – July 25 - 28. Guys' trip.

Kernville – Sept. 8 - 11. Wives' trip.

If you are interested in motorcycling, come join us at our monthly meetings which are held in the Ballroom on the first Wednesday of each month at 6 pm. ~ **Howard Lyon**

## Golfing for Fun

### Top Ten Reasons Why Golf Is Better Than Sex

- #10 A below par performance is considered darn good
  - # 9 You can stop in the middle and have a cheeseburger and a couple of beers
  - # 8 It's much easier to find the sweet spot
  - # 7 Foursomes are encouraged
  - # 6 You can make money doing it as a senior
  - # 5 Three times a day is possible (for some)
  - # 4 Your partner doesn't hire a lawyer if you play with someone else
  - # 3 If you live in Southern California you can do it almost every day
  - # 2 You don't have to cuddle with your partner when you're finished
- And the **NUMBER ONE** reason why golf's better than sex...  
When your equipment gets old you can replace it!

We are the "Distinguished Duffers" of K-Hov here in Beaumont and play as a group on Friday mornings. Our home course has been at Yucaipa Valley but we do go to other locations in the area when other "group duffers" help us find and make reservations cheap and close by. There are sometimes forgotten swings, gopher kicks, gimmies, and other non PGA type infractions that take place. Our goal is to "have fun" playing our version of golf and we are open to anyone who wishes the same to join us. We ask that those who do wish to have fun let us know by Wednesday afternoon so we can better coordinate with the golf course plan that Friday. Some of us meet after the round to have a bite to eat, a beverage and lie about our scores and playing ability. If you would like to join in please contact Tim "Jake" Jacobson (951) 797-3563 tjacobson@dc.rr.com or Phil "Flip" Harris (951) 922-6676 philip.harris54@yahoo.com. ~ **Tim Jacobson**

## Hiking Club

The Christmas Light Walk at Four Seasons was split into two segments. The first night we walked the "Flat Lands" and on the second night did the "Hillside." It was cool but nice on the first night but cold and windy on the second. The Christmas decorations led to many "OOHs and AAHs" as we toured.

Every Wednesday at 8 am are planned hikes. These hikes include Hearty Hikers on Feb. 13 and 27 as well as Hike and Lunch Bunch on Feb. 20.

To the Residents of Four Seasons:

The Winter Wish Project Committee appreciates your support in selecting the gift tags and providing gifts for the children of Winter Wish families. We also thank you for having a food drive at Four Seasons. The food drive was great. With your support and donations, our Winter Wish project was a great success.

Warm clothing, toys and some household needs (blankets, for example) were given to approximately 600 children in 231 families who were selected to be recipients of Winter Wish gifts in 2012. Food collected through the community Food drive was also given.

## Photos Wanted

If you would like to submit a photo for the cover of your community magazine, please keep the following guidelines in mind:

- Vertical format is preferred
- Simple, uncluttered photos work best
- Digital photos are requested at high resolution, 4 megapixels or higher, 300 dots per inch (dpi) or at least 1536 x 1024 pixels
- Send jpeg format photos to FourSeasonsNews@yahoo.com

If you have any questions, please call Courtney Taylor at (909) 797-3647.

## Submission Guidelines

The Communications Committee respectfully requests that all clubs and groups submit their article **no later than 12 noon on the 9th of each month**. Please limit articles to 400 words. E-mail .doc or .rtf files to fourseasonsnews@yahoo.com. Please include committee, club or group name, writer's contact information, and organization's contact information. Within the article, include upcoming event details and general contact information. Photographs must be clear, in focus and submitted as high-resolution jpegs.
