AMPHITHEATER GRAND FINALE

By Patty Jordan

This year's Amphitheater Summer Concert Series closed its "doorless" doors for the season with a rousing Grand Finale on Sept. 15. The Tom Nolan Band had feet tapping, hands clapping and people up and dancing. With the flashing LED light rings that were handed out by the band, it was a fitting and flashy ending to the 5 concert series.

We've come a long way since the first "test" performance in the Amphitheater facility on June 25, 2009. For the first summer, all of our performers were either Four Seasons residents or friends and family of residents. Donations were collected to help pay for gas for those who didn't live nearby. The earliest concerts were sponsored by the Wine Club, but that soon evolved into a group of dedicated residents, led by Penny McDonell and Carol Napolski and supported and assisted by our amazing Activities Director, Cindy Graves, who has been our emcee since the beginning. This group, then known as "The Amphitheater Society Club," arranged for the entertainment, hauled equipment including a tiki bar, from and to the Lodge, collected the "doorless" prizes, bought and sold water and soda, sprayed for ants, set up trash containers and even hauled the trash. In fact, they still do most of these chores now, 4 years later. They are now called the Amphitheater Production Group and meet monthly, under the leadership of Penny McDonell, who puts in endless hours to make sure that each concert evening is well-organized for the residents' enjoyment. They begin planning for the following summer

around January, searching for and contracting with the best performers available for the best cost. The group also could not get along with Nelly Alcocer, graphic designer extraordinaire, who creates all of the brochures, programs and posters.

In 2010, the HOA Board decided that they would support this project by giving enough funds to allow us to bring in a bit more outside entertainment. Since then, the Board has happily increased our budget so that we are able to attract a wider variety of performers, both amateur and professional. With this increased funding, we've still been able to offer these concerts at no cost to residents and even provide a variety of "doorless" prizes. Our Donation Location boxes have been retired as we are now well enough funded not to need them.

These Sunday evening outdoor concerts give residents the opportunity to truly enjoy the Four Seasons lifestyle. A beautiful setting, terrific entertainment, sipping and nibbling refreshments of their choice, and, especially, sharing this with friends and neighbors who have become like family. The Amphitheater Production Group works hard to bring in a variety of acts, all including a music genre that will appeal to a broad range of tastes. At almost every concert, some folks can't resist the beat and get out on the floor and dance up a storm. Others are happy to sing along or just sit back and enjoy the music, the stars, and the wonderful camaraderie. And Four Seasons Beaumont can expect more wonderful evenings under the stars next summer.

FOUR SEASONS SPOTLIGHT

ALL GROWN UP — THE WAGES OF THE GOLDEN YEARS

Patriarch Purple

By Crotchet E. Oldman

The relentless force of gravity has been pulling on me for more years than I care to say.

And it's starting to show.

At my yearly checkup the doctor used to ask if I was eating right and exercising — if so, how much exercise I was doing?

Today I am asked if I can feed myself and get out of bed without assistance — if so, how many times do I get up to the bathroom each night?

And it's not just yearly anymore. The doctor takes one look at the crumbling ruin I have become and says, "I want to see you back here in four months." I'm developing defects faster than a cheap used car.

Like the big blue bruises on the back of my hands. All I have to do is brush the hair out of my eyes and I get a bruise. (That assumes there is hair to brush. Perhaps I should say, stroke my chin. I do a lot of that, in puzzlement.)

And the bruises have a name: Senile Purpura – Purpura for purple and Senile for... well, I don't want to go into that.

The doctor explained that they are caused by blood vessels getting fragile and the fat layer beneath the skin getting thinner as my years become more and more golden. That means more breakable vessels with less protection blow out, dump their contents under my skin and I get the back-of-the-hand blues.

They're the color of plums, and with my wrinkles they look a lot like prunes.

My days in singles bars have been over for more than 50 years, but this development has ended any hope of return. Nobody's going to believe I'm 35 if I have purple blotches all over me. (I choose to ignore the wrinkles and gravity-powered sag.)

And the name, Senile Purpura, I want to do something about that. To start, change Purpura to Purple, which is quite appropriate. Soldiers wounded in war get Purple Hearts, and getting older is certainly combat with a lot of wounds.

But Senile implies decrepit or feeble: "showing the weaknesses of old age, especially the loss of mental faculties," according to Webster. I admit to the loss of lots of faculties, but Webster should know that crack about mental was unnecessary.

So, how about Senior Purple, or the Purple of Maturity, or Veteran Purple, or Patriarch Purple? I like that one, Patriarch Purple.

Who decides the names of these things? I want to talk to them.

Doctor: I'm sorry she laughed at you when you told her you were 35.

Patient: But how can I get my youth back?

Doctor: I recommend reincarnation.

Did You Know?

Did you know that Fire Prevention Week 2013 is Oct. 6 to 12? The time is chosen annually to remember the 1871 Chicago Fire which killed hundreds and destroyed almost four square miles of the city, leaving 100,000 people homeless.

This year's theme is "Prevent Kitchen Fires." Cooking is the number one cause of home fires and home fire injuries. The National Fire Protection Association (NFPA) will focus on safe habits in the use of stoves, microwaves and other appliances. The NFPA campaign

stresses remaining attentive while cooking as well as managing how close children and pets are to anything hot. Grease fires are a particular problem. A safety tip from the NFPA states that keeping a lid and an oven mitt nearby while you cook will allow you to quickly cover a pan that has a grease fire. Turn off the burner and leave the pan covered until it is completely cool. Do not use water on a grease fire!

Did you know that in 1492 Christopher Columbus made an agreement with the King and Queen of Spain that in return for finding a shortcut for the spice trade, Columbus would be given the rank of Admiral of the Ocean Sea and appointed Viceroy and Governor of all the new lands he could claim for Spain? He would also be entitled to 10 percent of all revenues from the new lands and would have an option to buy one-eighth interest in any commercial ventures and receive one-eighth of all profits. These were generous terms but it was suspected that the monarchs did not expect Columbus to return. What a surprise they received! Litigation on their reneging of contractual obligations to the Columbus family continued until 1790.

Did you know that the full moon we will experience on Friday, Oct. 4, was called the Full Hunter's Moon or Full Harvest Moon by Native Americans? The weather was cooling, crops had been gathered, deer were fattened and the bright moonlight allowed hunters to easily see the fox and other animals that came on the fields to eat fallen grains. It was a good time to begin storing meat for the long winter ahead.

Did you know that Oct. 29 is National Frankenstein Day, Oct. 30, is both National Candy Corn Day and Mischief Night, Oct. 30 is Carve a Pumpkin Day and Halloween is celebrated on Oct. 31? So much for the 16th century historical connection to the Celtic festival of Samhain. Halloween has been commercialized.

Did you know that National Dessert Day on Oct. 14 and Babbling Day on Oct. 21, are all referenced by E-card companies and calendar sites online. However, researchers for the Holiday Insights company have failed to find any congressional records or presidential proclamations for either day. Chalk it up to the development of E-cards in 1994 and the rapid escalation of electronic greeting cards from various companies in the past 18 to 19 years. But, did you also find the word "blatherskite" which means a person who babbles on forever? ~ **Bobbie Eckel**

Neighborly Notes

By *Bobbie Eckel*

A reminder to all residents: October is the last month in 2013 when you can swim in a warm pool. The main pool heaters will be turned off on the last day of October; however, the spa will continue to be heated for residents.

For those of us who remember listening to radio shows – particularly on Sunday afternoons while doing quotidian tasks such as cleaning your room – be prepared for a special treat. The Reader's Theater will be held on Friday, Oct. 4. Plan to come and enjoy the show at 6 pm in the Ballroom– without a second thought of having to do housekeeping!

Cross your fingers for warm, but not hot, weather for the HOA Parking Lot / Garage Sale on Oct. 5. This is an event which brings buyers from outside our community. Gates open for eager customers at 8 am.

The General Session of the BOD Meeting will be held on Thursday, Oct. 10, at 1 pm. Hopefully, we will have a larger turn-out of residents than we have been experiencing during the summer. On Aug. 8, only 16 residents were in attendance; no committee chairpersons or their representatives were in the meeting to give a report.

The Social Committee is planning a lot of good fun for the Halloween Party on Oct. 26. Look forward to a hat contest, a costume contest and other surprise events. Tickets are only \$20 for a delightful evening.

The 2013 Greater Palm Springs LGBT Pride Festival is being held in Palm Springs on Nov. 2 and 3. A group of Four Seasons residents and your gay and lesbian neighbors would like to invite you to go and enjoy it as well. The Festival is held on both days at Sunrise Park in Palm Springs Stadium; the parade is on

Sunday on E. Ramon Road along historic Palm Canyon Drive. If you are interested and would like more details, please see pspride.org for Festival information, parade route and spectator advice.

Save the date of Nov. 7 for the Annual Senior Health Fair sponsored by Beaumont Senior Services. The event will be held from 8 am to 12 noon at the Albert A. Chatigny Sr. Community Center, 1310 Oak Valley Parkway. This event will include free health screenings including blood pressure, BMI (Body Mass Index) information, free blood draws for glucose and cholesterol, free bone density testing and much more. Shuttles will be provided from the overflow parking lot. This Beaumont city event is co-sponsored by the Redlands Yucaipa Medical Group, Pinnacle Medical Group, Beaver Medical Group and San Geronio Memorial Hospital.

The Beaumont Senior Newsletter of September and October 2013 warns residents about a property tax reduction scam alert. Be aware that the scam artists are contacting individuals with offers of a property tax reduction. The letter which you may receive looks official and may include a request to respond quickly and even threaten a late fee if you do not respond by the deadline. Their letters also include a form that requests you to provide personal/financial information which the scam artist may use to gain access to your accounts and steal your identity. Do not complete these forms or provide any personal information to the scam artists. If you have any questions about the authenticity of the letter you have received, please call the San Bernardino County Adult Protective Services or your Beaumont Police Department and ask for information!

Murder Mystery Dinner

Do you want to be a sleuth or a suspect? Come to the important informational meeting on Oct. 9, at 6:30 pm in the Theater to learn more about the Murder Mystery Dinner Theater in March and cast selection. There are openings for major parts and also many one-line or walk-on parts. You'll be glad you did!

You will have an opportunity to meet the director, get an outline of characters, and sign up for your audition time on either Jan. 19 or 20.

Also, please come if you can help behind the scenes. We need stage managers, props, costumes, stage hands and make-up artists.

Since this meeting is the only opportunity to be involved in this production, please contact our Director, Roberta Hokuf, if you cannot make this meeting. Her phone number is (951) 845-5458 or ricksberta@aol.com. ~ *Barabra Wasco*

Activities Director Corner

By Cindy Graves, Activities Director

Well, we're on season three of our Beaumont four seasons. I love the fall with a little bit cooler weather, the Indian corn, colored gourds, chrysanthemums, autumn foliage and the smell of cinnamon and cloves in the specialty stores. One of my very favorite seasonal favorites around the Lodge is when the Bistro starts baking those delicious pumpkin pies. The heat of the summer always makes the time seem a bit slower, so even though we've had a wonderful time with concerts and dances and banquets and Candid Camera and tournaments of various kinds, it's nice to transition to this lovely third season.

This October be sure to mark your calendars for the Reader's Theater on Friday, Oct. 4 at 6 pm as well as the HOA Garage Sale on Saturday, Oct. 5 from 8 am to 1 pm

If you are interested in participating in this year's Craft Boutique on Saturday, Nov. 16, then be sure to come to the sign-up and orientation meeting on Oct. 16 at 6 pm. We will be going over the new format and information you'll need as well as collecting your \$5 participation fee.

Don't miss a very practical and informative computer education opportunity that will be put on free in the Ballroom on Nov. 6, from 1 pm to 4 pm. Almost everybody could use a little more (or a lot more) computer knowledge. There are all types of practical tips that people could use for everyday things like getting your pictures off of the camera and saved onto your computer or a thumb drive or just uploading them to get printed at WalMart as well as more complicated computer information.

The Giant HOA Community Garage Sale is Saturday, Oct. 5, from 8 am to 1 pm. Come and visit the big Lodge parking Lot sale and then make a day of treasure hunting at all of the other home garage sales. Maps will be available on the day of the event, both at the Pottero Gate House and at the Lodge desk. This Garage sale will be open to treasure hunters outside the community as well so don't miss your chance!

You will feel so much more equipped and confident as you learn to better master the techno-world! There is no cost of admittance and everyone will benefit.

I need your help if you are a veteran. Nelly and I are going to be putting together stories from you, our "Hometown Heroes," for our upcoming Veteran's Day event on Monday, Nov. 11, at 6 pm. If you would be willing to tell us one of your humorous or inspiring boot camp or military duty stories, we will write it down and include it in our Veteran's displays. We have a special program in store for you this year which will include music, refreshments and a very moving patriotic skit written by one of our very own community members. It will be a memorable time to take our hats off to those who have served our country and honor those who need to be remembered. I'm also looking for at least one uniform for each of the branches of service that we could display that evening as well. If you would be willing to let us display your uniform that night or if you would be willing to share a story with us, then please give me a call at the office. We love our veterans so much and look forward to telling you in person on that day. Everyone is welcome.

Have a wonderful October and see ya around the Lodge!

Herbed Pork Chops with Maple-Orange Brussel Sprouts

This can be your savory weeknight supper. It's fairly easy to prepare and the results are worth it. The combination of seasoned pork chops with tasty Brussels sprouts goes together perfectly. I think you'll like it.

HERBED PORK CHOPS

Servings: 4 • Preparation Time: 15 min.
Cook Time: 8 min. • Total Time: 23 min.

INGREDIENTS

4 (6 oz.) bone-in center-cut pork chops,
½ inch thick
Cooking spray
1 Tbsp. olive oil
2 Tbsp. chopped fresh rosemary
2 Tbsp. chopped fresh thyme
2 Tbsp. chopped fresh oregano
¼ tsp. salt
¼ tsp. freshly ground black pepper
2 tsp. minced garlic
1½ tsp. cornstarch
½ cup water

DIRECTIONS

1. Coat pork with cooking spray. Combine olive oil and the next six ingredients in a small bowl. Rub herb mixture over pork.
2. Heat a large nonstick skillet over medium-high heat. Coat pan with cooking spray. Add pork to pan; cook 2 minutes on each side. Remove pork from pan, reserving drippings in pan.
3. Combine cornstarch and water in a small bowl, stirring until smooth. Stir cornstarch mixture into drippings in pan, scraping pan to loosen browned bits. Cook 1 minute, stirring constantly. Return pork chops to pan. Cover and cook over medium heat 3 to 5 minutes or until pork is done.
4. Serve sauce over pork.

MAPLE-ORANGE BRUSSEL SPROUTS

Servings: 4 • Preparation Time: 8 min.
Cook Time: 8 min. • Total Time: 16 min.

2 Tbsp. maple syrup
¼ tsp. salt
¼ tsp. freshly ground black pepper
2 tsp. olive oil
4 ½ cups trimmed Brussels sprouts, halved
¼ cup coarsely chopped pecans

DIRECTIONS

2. Heat oil in a large nonstick skillet over medium-high heat. Add Brussels sprouts; sauté 6 minutes or until tender.
3. Add pecans; sauté 1 minute or until pecans are toasted. Remove pan from heat; stir in syrup mixture.

Event Systems

Home Tours sponsored by our committee have become a very popular event here in Four Seasons, as well as a lucrative fund-raiser for the community.

We are pleased to announce that Saturday, Dec. 14, is our Annual Holiday Home Tour. Please mark your calendar for this fun event. If you would like to have your home considered for participation in this fun event or for more information in general, please contact Teri DiMarino-Davidson at (951)-769-4345 or k9styler@aol.com.

There are loads of new residents that have moved into the neighborhood in recent months and we would like to tap your talents! If you are looking for something rewarding to do that doesn't take a lot of your time, please consider volunteering with us.

Our job is the setting up and monitoring of the audio and visual equipment you see used in Amphitheater and Ballroom productions. This includes the sound boards and stage. If you would like to join our team please contact Roland Harrah at (951)-845-1734 or rolandthanh@msn.com. ~ **Teri DiMarino-Davidson**

Safety & Facilities

We met in September and discussed ongoing projects in and around the Lodge. A few projects pending bids are replacement of a Ballroom door, repair the Lodge fountain, replacement of pool awnings and a kitchen water heater. There are a few projects currently being worked on such as lighting changes and upgrades in the Lodge and Spa, painting Yield signs near the traffic circles and installation of an additional bicycle parking place.

The next meeting of the Safety and Facilities Committee is Oct. 1, at 9 am at the Lodge. ~ **Dennis Gray**

New Class: Machine Quilting

Come learn the art of machine quilting on Sundays at 1 pm in the Craft Room. Join the fun and bring your sewing machine, I have a few extra machines if you don't have one. We're making place mats, table runners, wall hangings, small projects, appliques, baby quilts and more. Instructor, Kathy Spallino, (760) 217-8684. ~ **Pamela Mayoral**

Neighborhood Watch

We would like to welcome any new members and thank all Block Captains for their continued support in helping to keep our neighborhood a safe place to live by being the “Eyes and Ears.”

Thanks to all who came to our last bi-monthly meeting on Sept. 11, where we gave a moment of silence to all 9/11 victims. Thanks went out to all services fighting our fires and to our guest speaker.

Upcoming events to mark on your calendar are:

Community Garage Sale is on Sat., Oct. 5, and although this can be fun we caution you to be aware of your possessions and people passing through the community.

Block Captain Meeting to be held on Sat., Oct. 12, at 9 am. This will be our first meeting of its kind and will be an informative and supportive meeting to our resident Block

Captains who do an awesome job of communicating with our residents and are the “Eyes and Ears” for their Block.

AB109 Early Release of Prisoners. This will replace our morning Neighborhood Watch Meeting and will be held on Wed., Nov. 13, at 6 pm in the Ballroom. We will have the District Attorney and Sheriff for Riverside County along with our local Chief of Police to represent us in this meeting. We all need to know more on this subject and any questions or concerns will be addressed at the end. We are expecting a big show of support for this event!

As always our thanks to all who support the Neighborhood Watch Program and continue to look out for each other as our beautiful neighborhood continues to grow. If you are interested in becoming a Block Captain, please contact Susan Wilson at (951) 922-0747. ~ *Susan Wilson*

Emergency Preparedness Program

We meet the first Thursday of each month at 10:30 am in the Lodge Ballroom.

The topics for our Oct. 3, meeting are Fire Safety and the Great California Shake Out.

Congratulations to our new CERT trained graduates. Some have already become active in our EPP program. We thank you for being individually prepared and helping our Four Seasons community. We have had some unusual weather this season, fires, extreme heat and humidity, thunder storms and downpours.

At our September meeting, Rick Cook, Beaumont Trainer for the Office of Emergency Services, told us about the unusual weather patterns and spoke about being prepared for the aftermath of the fires and the torrential rains. According to the National Weather Organization this is just the beginning. One important tip is

to laminate and put your documents in a weather proof container. Also, know the low spots in this area. Be careful when driving through standing water because you do not know how deep it is and could be stalled, or if the water moves you could be carried away. He also stated that it is important to take proactive steps to securing your home. Check your alarm systems and clean out your lint from the dryer.

John McLaughlin, Fire Suppression Team Leader also said if you have a golf cart, be aware of an extreme fire danger - do not plug in your battery charger and leave it in overnight as it may cause a fire. October is Fire Prevention Month. John, retired Cal Fire Division Chief, will be the featured speaker with more tips on Fire Safety. October is also the California Great Shake Out Drill, in preparation for a major earthquake. Call with any questions or concerns. ~ **Anita Worthen**

FIRE!

Fire Safety Checklist: What are Your Home Fire Safety Risks? Do you have working smoke alarms on every level of your home?

Do you stay in the kitchen while you are frying, grilling, or broiling food?

Are space heaters placed at least 3 feet or more away from things that can burn?

Are all electrical cords in good condition (not damaged or cracked)?

Do you know two ways out of every room in your home?

Do you know what to do if your smoke alarm sounds?

If you said NO to any of these questions, you are at a greater risk for being injured in a home fire.

Finance Committee

At our August meeting, the Financial Statements for July were reviewed and reflected the following significant items: Net Income Year-to-Date was \$133,587 and total reserves were \$3,709,760. The Accounts Receivable (delinquencies) was \$62,835. Our total HOA expenses for July (excluding reserve allocations) were \$202,895. This was under budget by \$14,287. There was one CD renewal to be reviewed. The Front Yard Cost Center expenses for July 2013 were over the monthly budget by \$12,360. Water being the main contributor. There were four vendor proposals presented for approval. Wayne Staples reported on the past due accounts. Current owners were 14 and former owners eight. KHOV will be turning over the Front Yard Cost Center to the HOA in the near future. At the September Finance Committee Meeting this will be discussed. A discussion was held regarding the upcoming budget proposal for the Springdale Cost Center. No proposal was developed and the issue will be further discussed at a later meeting. Our next meeting is Oct. 29, at 1 pm in the Lodge Conference Room. All homeowners are encouraged to attend. ~ **Noel Myers**

Architectural Review

Our goal is to help maintain the quality standards of the community with regard to home and landscape improvements. Our team is made up of seven homeowners, which includes BOD Liaison Wayne Staples and a member of the Euclid Management team.

Each month we review between 30 and 40 applications for improvements. Examples are walkways, planters, patios, patio covers, satellite dishes, screen doors, front entry doors, exterior paint, plants in front and rear yards, especially trees.

All homeowners should have received a published standard guideline to help you determine what is acceptable to your community. If you do not have a copy please inquire at the Lodge desk. Applications for improvement submittal to ARC are also available at the Lodge office. Applications must be submitted prior to noon Monday, preceding the meeting for consideration that week. The ARC will be meeting on Oct. 2 and 16, at 9:30 am.

New and existing homeowners are welcome to attend one of our meetings to see how the process works. ~ **Ron Burke**

Landscape Committee

Is Count Dracula dwelling among us? I am sure he is age qualified. In the dead of night a small newly planted oak tree along with its guardian stake was unearthed and purloined from our picnic site. Has the Count switched his diet to sap sucking? The slow growing tree which would provide shade for future generations will be replaced. Nocturnal trail walkers are encouraged to "Be On the Look Out" (BOLO) for a dusk-to-dawn devious digger stealthily snatching our sturdy oak sibling. If spotted, do not approach or attempt to apprehend the arbor attacker as the sneak is side-armed with shovel and sack and has grave intentions.

On a higher note autumn is haircut time at Four Seasons. In anticipation of the semi-annual Santa Anna sprint to the sea,

many of our trees are thinned or topped to give this breeze a free pass through our community. Bushes and low hanging limbs have their bangs cut and grass clumps are given a crew cut to clean up the landscape.

A recommendation has been sent to the community to place markers along the trails. This would help walkers give directions to emergency responders. Suggestions on these markers (along with membership applications) are welcome.

The Landscape Committee has openings for interested volunteers. Plant knowledge is not required as we have landscape professionals. What is needed is the desire to walk around the community and report on the status of plant life and any unusual growth. ~ **Len Tavernetti**

Bistro Committee

A new deep fat fryer has been installed and is working fine.

The drain problem and leak in the kitchen have not yet been repaired. Plumbers have been asked to submit bids to do the necessary repairs.

It is requested of all homeowners to not sit on the newly refinished and reupholstered chairs in the Bistro wearing wet swim-wear. Even using a towel will not keep the chairs dry.

The new format for the "New Neighbor Dessert and Orientation" was discussed. Several modifications to the slide show were suggested.

The October meeting of the Bistro Committee will be held on Tuesday, Oct. 22, at 11 am in the Lodge Conference Room. All homeowners are invited to attend. ~ **William Taylor**

Ceramic Corner

A great celebration is about to begin in the ceramics class. The kiln has made it to her new home on the patio outside the Craft Room, and we are waiting to have her safely secured. The class has grown so much there is now a need for a second day. Keep your ears open for the second day announcement, so you will have your choice of days. We are coming into fall and it's time for pumpkins and turkeys, so come on in and try your hand at creating a beautiful centerpiece for your table. Students

are discovering the Ceramics Warehouse in Chino where we purchased the kiln. It is a warehouse full of every ceramic you can imagine. Just mention you are from Four Seasons and they will give you a great discount. We have field trips on a regular basis, so if you don't see anything you like in class, come join us on one of our field trips.

Ceramics class is on Wednesdays, at 1 pm and we look forward to seeing you. Info., (951) 897-1922. ~ **Pamela Mayoral**

Thanksgiving season projects

Women Celebrating America

At the Club Fair, we had several people sign up for our e-mail meeting reminders and discussion groups. Join us Thursday, Oct. 24, in the Lodge Ballroom from 7 to 8:30 pm. We review our founding history to current women's experiences.

Our discussions are very enlightening and leave us wanting more. ~ **Lynette Simonson**

Knitting & Crocheting

Everything is status quo for this month. We did have another lunch outing in September to the Olive Garden in Moreno Valley, with shopping after lunch. Most everyone has completed their lap blanket project for the VA Hospital, but they won't be collected until the end of November. We meet every Tuesday morning at 10 am, there are some very interesting items being made. Come join us. ~

Dorothy Payne

Crafters

We meet the first and third Thursday of the month in the Craft Room at 5:30 pm so come and join us. Info., Pam Kelley, (951) 769-7967 or Rita Partida, (951) 845-7193. ~ **Pam Kelley**

Rainbow Group

Are you interested in a group which will focus on the gay, lesbian, bisexual and transgendered concerns, culture and social aspects of the community? We have good conversations and celebrate the LGBT community.

The group will meet Sunday, Oct. 20, at 5 pm in the Lodge Conference Room. Friends are welcome. If you are interested, contact me at (951) 845-6246 or e-mail bamerton@alumni.ucla.edu. You may also sign-up on the interest group section at the Lodge. ~ **Barbara Kwiatkowska**

Creative Drawing & Sketching Class

Are you in need of relaxation? A beginner at drawing? An experienced artist? Not able to draw a straight line?

The answer for you is the Drawing & Sketching class held twice a week, at NO CHARGE, for your convenience.

We have approximately 20 students between the two classes now. Many started with no experience or last picked up a pencil to draw over 30 years ago. Their results have been remarkable, creating pictures good enough to frame and hang in their homes. Those with experience, have all learned from the classes and have improved their skills. The instructor works with other media (colored paper and pencils) with the more advanced students.

Classes are Mondays, 10 am to 12 pm and/or Wednesdays, 6 to 8 pm.

If interested in joining, please call the instructor, Rob Kelman (951) 992-9156 (home) or (602) 571-0414 (cell) to get information on supplies. Otherwise, just drop by one of the

classes and sit through it to see if it is for you. Looking forward to seeing new faces in class. ~ **Rob Kelman**

Work by the Artist of the Month: Rob Gardner

Camera Club

We meet the third Tuesday of each month at 6:30 pm in the Craft Room at the Lodge; thus, our October meeting will be Oct. 15. Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings and other field trips. Members are always eager to help and teach. We discuss photography, photo software and hardware, and related subjects of interest.

The last two months, I told you that in our June meeting, we had a really interesting discussion on quality of our pictures and how it often is not the “photographic equipment” that takes a great picture; it is the “photographer.” So, our challenge from our leader, George Johnson, for the July and August meetings, was to take a picture from a camera (no cell-phone cameras) that costs less than \$20. Well, we did have some pictures from those “under \$20 cameras” and, although the quality was not stellar, the pictures were “presentable.” As a side note, some of our members do have inexpensive point-and-shoot cameras and some of us have expensive DSLR cameras and I have to tell you some of the pictures from the “point-and-shoot” cameras

have been absolutely amazing.

Commencing with the August meeting, we began doing photograph evaluations of members’ pictures who want to participate. Remember, this is voluntary. This friendly critique is a great way to see just exactly what the photographer did “right” and where there could have possibly been improvement. All camera-club attendees learn this way whether or not the individual chose to submit their photo. We had some helpful, interesting, and friendly comments and critiques.

In addition, our alternative photo project is ongoing (i.e. we bring a picture of a specific genre we all agree on). This, also, is completely voluntary. That’s the great thing about our camera club. If you desire, you don’t have to volunteer any pictures, just sit back and learn from the discussions and critiques! For the September meeting, the genre was “flowers.”

So, come on out to our meeting and show us some of those great summer vacation pictures you took. Info., Lyle Cameron, (951) 849-6987. ~ **Lyle Cameron**

Veterans Interest Group

A Veterans interest group is starting called the Roll of Honor and the purpose of the group is to include and recognize all U.S. Military Veterans who reside here in Four Seasons. A web site is currently under development which will list veterans by branch of service and all veterans who wish to be included

should fill out a Roll of Honor information sheet available at the Lodge. Several photo sessions will be scheduled to add both current and prior photos of the veterans. Questions concerning the group can be directed to Dick Bentley at (951) 845-8512 or dbentley22@verizon.net. ~ **Dick Bentley**

Bunco

Happy fall ladies! It is hard to believe summer is over and pumpkin season is here. Hopefully the weather will cool down so it feels like fall. The holidays are sneaking up on us aren't they? This month Bunco will be held on Oct. 11 and 25. Come join us for a lot of laughs and fun getting to know your neighbors here at Four Seasons. The game itself is very easy and non-intimidating, anyone can play. Be in the Card Room at 1 pm sharp. Don't forget to get a drink at Smitty's or maybe even lunch beforehand. See you there. ~ **Cheryl Burke & Suzanne Roldan**

Pan Interest Group

I am trying to form a group to play Pan on Tuesdays. We are looking for players, substitute players and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so men are very welcomed as well as women. The game can be played in the day, evening, in a room in the Lodge or in private homes. If you are interested, please call me, Linda Mendelson, at (951) 941-9100 or e-mail me at Goldtoy@earthlink.net and I will answer any questions you may have. As all card games, it is played with both skill and luck. ~ **Linda Mendelson**

Bridge

Join us on Monday at 11:30 am for a challenging game of bridge in the Lodge Card Room. It will give the brain some exercise and we can all use that at our age.

We play party-type of a bridge game where we rotate partners. This enables you to meet and play with different people. All of us play at different levels and are learning how to play the game better (practice makes us better).

Classes will start up again when we have players who want to learn the game or want to improve their game. Some of the previous class have come along well enough that they sit in as subs. If interested or have questions come on in Monday and see Helen or me. You can also call Helen at (951) 845-9312. Helen and I will be glad to help you learn the basics of the game and hope that you will join us to learn how to play, watch, or play the game of Bridge. ~ **Bill Guy**

Canasta #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet in the Card Room every Thursday afternoon, 1:15 to 4 pm. Each week you may play with someone different, giving you an opportunity to meet other Four Seasons residents and old friends who enjoy an afternoon of "cool" cards. Plus, the Bistro is just down the hall if you would like a snack or a cold drink. We supply the cards so all you have to bring is your body and the desire to have a little fun. If you don't know how to play we are always happy to set up a teaching table and by the time the afternoon is over you have mastered the game. All you have to do is show up and leave the rest to us. ~ **Melody Seewoster**

Mah Jongg

Everybody is welcome to join us for fun Mondays at 1 pm in the Bistro. Beginners as well as seasoned players can join the fun. We usually have several tables of three, four or five players and someone is always available to teach or assist those who are new to the game or those who haven't played in many years. A current Mah Jongg card is required but you can borrow or copy one until you are sure you want to invest the \$8 in it. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Yvette Thomas**

Pinochle

Pinochle has finally arrived. An exciting card game where you bid and bluff to name trump and take control of the game. This game is played with a double deck of special cards of ace through 10 against other aficionados, to tease your mind, and keep you sharp. Come join the game on Wednesday and Fridays from 9 am to 12 pm in the Card Room. Newbies and oldies are welcome for fun and socializing. Info., George Soeten, (951) 797-0254 ~ **George Soeten**

Book Club

Two paid assassins — both working for the federal government. When one starts picking off members of the Intelligence community, the other is tasked with finding and eliminating her. Soon, however, questions of who the true patriots are arise. Bestselling author David Baldacci takes us on the fast paced search for the killer and the reason behind her rampage. Join us on Tuesday, Oct. 8, at 9:30 in the Conference Room when Peggy Dashed will lead our discussion of *The Hit*, an exciting book.

On Nov. 12, we will discuss *Where'd You Go, Bernadette?* by Maria Semple. Micki Rosen will facilitate our discussion of this very enjoyable book.

All book lovers are encouraged to attend either or both of these meetings. For more information, please contact Doreen Sanders at (951) 769-1913. ~ *Georgia Coleman*

Life Guide Bible Study

In October we will continue the series on “How God Meets Our Deepest Needs.” We began our series by looking at where you go to find the help and the hope that you need. Hope is essential for living a full and productive life. In October we will discuss such topics as: *Where do you get the power you need, How to live a joy-filled life, and The path to personal peace.* Come and join us as we explore these subjects of interest to everyone. Everybody is welcome!

We meet Tuesday evenings in the Lodge Ballroom from 7 to 8 pm. We provide an opportunity to meet others in the Four Seasons community, and a chance to encourage and strengthen one another in our walk of faith. Each lesson is self-contained, and everyone is welcome. Info., Don Cummings, (951) 572-5329. ~ *Don Cummings*

African American Culture Club

Our annual Labor Day Potluck was well attended. The food was delicious and plentiful. We listened to music, played cards, and laughed together. Everyone left with a smile on their face and in their heart.

Our next event is our Christmas Gala. It will be held on Saturday, Dec.14. This is an “after five” catered affair. The Christmas Committee is in the process of finalizing the plans, but here are the preliminary plans... The tickets will go on sale the first week of October. The cost is \$25 per person for advance sales, and \$35 per person at the door. Plan for a fun filled event to kick off your holiday festivities.

Our last two meetings this year, November and December, will concentrate on our agenda for 2014. Our goal is to make the AACC a benefit to you and our community. If you have an idea or “expertise” we can use to further this goal, please come and join us. We meet on the first Monday of the month in the Card Room at 5 pm. We welcome you and your input

For more information on our meetings, memberships, or Christmas Party, please contact Betty Ann James, (951) 572-5538 or Joyce Allen (951) 769-4354. ~ *Roxie Elliott*

Ballroom Dance Club

Doing something different and difficult keeps the brain healthy. Avoiding these new things allows the brain to atrophy – not a good thing.

Ballroom and social dancing is exactly the kind of challenge and activity you need to help stay young, and it's fun. Rudolf Nureyev said, "You live as long as you dance."

When we were kids we danced, skipped, jumped, ran and twirled – completely unmindful of what anyone else thought. We were just being ourselves, enjoying ourselves, doing what comes naturally. Then we grew up, got serious, became bashful, made excuses and stopped dancing.

But it's not too late no matter what your dance experience, our professional and experienced instructors will help you learn. And we all learn exactly the same way – one step at a time.

It's good for your heart, good for you brain, and good for your health, so give it a try. Meet some wonderful people, have some fun, and above all – be bold enough to do this for yourself, no matter what others might think.

For questions or comments, please contact Puring and Gary Stifter at (951) 922-8333, or purings@verizon.net. ~Willis Fagan

Heart and Soul Line Dance

Class schedule: Beginner Level, Wednesdays, 4 - 5:15 pm; Intermediate Level, Wednesdays, 5:20 - 6 pm.

No partner needed, wear comfortable shoes (no flip-flops). No intermediate level dance class on the 3rd Wednesday of the month. This day is reserved for our monthly birthday celebration. Info., Priscilla, (951) 922-0755. See you on the dance floor! ~ **Priscilla Robles**

Old School Dance

Everyone is invited to join us the first Friday of the month at the Lodge from 6 to 8 pm. Dance to 50s rock and roll and 60s R&B Motown. In August, we celebrated a birthday for Charlie Hampton. Charlie was unaware of what was about to take place that evening and said, "it was a surprise indeed." Charlie appreciated all the helpers who made the party a success: Debra Garner, Priscilla Robles, Sherrie Barton, Tanya Thorton, Paty Bushnell, and myself, Willa Harris. The residents who attended had fun dancing to the soul-train style workout as well as line dancing. We are looking forward to more fun times in the near future with a second annual Oldies But Goodies night with a DJ. Remember stay well and live life to the fullest. Line Dancing

At our age any movement increases circulation, improves balance and stamina.

Did you know that dancing is a weight-bearing activity which helps to increase bone density if done regularly? The dances we do are low impact and can be adjusted if you have knee or hip problems.

And line dancing has a lot of variations in movements and thus is very forgiving if you do something slightly different. This class is meant to be fun and gives you the opportunity to meet other homeowners and form new friendships.

We are currently learning a dance for the Christmas Variety Show which has been difficult to master. We think you will be pleasantly surprised at this line dance. Don't forget to mark your calendar for Friday, Dec. 6, for this event.

Beginners Class starts at 3 pm Tuesdays in The Lodge Ballroom; the advanced class follows at 3:45 pm.

I will be on vacation for part of the month as will Cheryl Staples, so please check with the front desk to verify classes.

Info., (951) 769-3889. ~ *Martha Franck*

Beginning Spanish

It's new! Four Seasons resident Jan White, former teacher advisor and ESL (English as a Second Language) teacher for LA Unified School District, is excited to provide basic Spanish language acquisition/instruction. You will have a choice of either one of two separate sessions, both meeting every Tuesday (except the third Tuesday of each week). Your choice of times is 12:30 to 2 pm or 6 to 7:30 pm.

Beginning Spanish will be offered in three-month sessions, starting Tuesday, Sept. 17. That means that this next session will run from September through November. There will be no December meetings. If you are new to the class and interested, look for "sign-up" sheets in the Lodge. If you attended the last class session ending in May of this year and want to continue at the beginning level, please sign the "interest" sheet; but, if you simply show up for the first class, you will be in!

This class is designed to help those who have never studied Spanish or who have very little knowledge of Spanish and want to improve your basic understanding, vocabulary, and pronunciation primarily for personal usage.

From time to time, White will provide written handouts to augment learning; but it is suggested that participants have a spiral notebook and pen at each class meeting for note-taking. If you have questions or concerns, please call White at (951) 797-3700; or email White at jan@janicita.com. Intermediate and Advanced Spanish acquisition is offered by resident, Paty Bushnell, at other times. Check out her article for dates, times and locations. ~ *Jan White*

Chavurah Fellowship Interest Group

Are you interested in a group that envisions eye-opening discussions on the background of the Sabbath, fabulous culinary gatherings with Mediterranean and far-eastern foods, stimulating thoughts and reflections from the past and present, and guest speakers on thought-provoking topics, all in an atmosphere of open and welcoming friendship to rejoice in celebration of the Sabbath? We will meet on the first and third Saturday of the month from 6 to 8 pm. Join us for a wonderful and interesting evening. Everyone is welcome. Thank you to Cindy Graves, Activities Director, for her support to help the residents of Four Seasons witness the joy of the Sabbath. If you're interested, call Rachel Lewis at (714) 432-4755 or e-mail chavurah.tme@aol.com. You may also sign up on the interest group clipboard at the Lodge. ~ *Rachel Lewis*

Performing Arts Club

Have you seen our members lurking all over the Lodge? They seem to be questioning everyone they meet for help and ideas to take back to our meetings. Were you one of the people who stopped and talked to us at the PAC table on Club Day? PAC members want to entertain you but don't know what you want. (Apparently there is a reward for the best idea.) Submit your requests to any member or bring your ideas to our meeting on Oct. 22, at 2 pm. All requests greatly appreciated.

Coming up soon is our Readers Theater Radio Show on Friday, Oct. 4, in the Ballroom. Eat your Smitty's dinner or enjoy a snack or drink and stay for the show. I don't want to give anything away, but we are checking to see if a famous star will repeat his role alongside the Lone Ranger.

We are thinking about our 2014 calendar. Murder Mystery Theater is planned for late March. More Readers Theater Radio Shows, a Fourth of July Show and Holiday Show are planned. Some other items proposed are: Gong Show, Broadway Musicals, 55+ Comedy Show.

If you are interested in joining PAC or have any questions, please sign up on the sign-up sheet in the lobby of the Lodge or contact Susan Youel or Sheldon Craig at syoul@earthlink.net. ~

Four Season Singers

Rehearsals are in full swing. We are working on songs for the winter holiday activities. We have lots of new music presenting challenges, but we are having a great time learning them.

We meet in the Ballroom on Monday afternoons. As always, if you are interested in the Four Seasons Singers, you can contact me at (951) 797-3466 or email me at bawasco@dc.rr.com or come to any Monday rehearsal. ~

Classical Music Club

We are a group of classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Conference Room. At our meetings, we discuss current music performances. Most of the time is devoted to exploring a selection for the month. We welcome new members. Amphitheater Production

The Amphitheater's Grand Finale has come and gone once again. Hopefully you won't soon forget those great sounds and the fun evening with the Tom Nolan Band.

We'd like to thank all our marvelous residents who marked their calendar and came on down to enjoy the different and talented groups that were scheduled over the summer months. I think we all had a super time despite a glitch here and there.

Think back to May and Tony Suraci's beautiful voice and "eye candy" looks... and how excited he was on the birth of his daughter. Sofia is almost six months old!

So now we will take November and December off to rest and recoup and we'll officially begin again in January.

We have lots of ideas already in the works and please don't forget — any suggestions on talent is always welcome.

Special thanks to Cindy Graves (our mainstay) and Lodge Staff Nelly, Crystal and McAdam for all their help with flyers, posters and answering those questions throughout the summer months.

Wishing you a wonderful upcoming holiday season and so long until January when this column will start again with perhaps some hints of the 2014 Sixth Year Summer Amphitheater Season.

Toastmasters *Interest Group*

Toastmasters, Wind Talkers, located in Four Seasons, Beaumont, has changed from weekly meetings to twice monthly, the 2nd & 4th Wednesday of every month, in the Conference Room in the Lodge.

This way, if you want to participate in other activities, go right ahead. All we ask of our members is to “try” to attend at least one meeting a month. If you’re not sure if you want to join, all of our meetings are open to guests. Come when you want, participate only if you want to.

After a few to several “guest” meetings, that you’ve chosen to attend, it should be an easier decision, for you. So, if you want to get rid of your mild to serious “GLOSSOPHOBIA,” which is the utter fear of public speaking, we at Wind Talkers chapter, are only asking for a minimum of one hour out 720 hours, in a typical average month.

As I mentioned in September’s issue of the *Breeze*, Wind Talkers, is very excited and proud to announce our first ever, Invitational Open House “Special Occasion” Speech Meeting, on Wednesday, Oct. 9, 5:45 to 6:29 pm for pizza and socializing with the meeting starting promptly at 6:30 pm. All of the speeches are based on “Special Occasions” such as making a toast to a child, grandchild, best friend at their wedding, a

eulogy at a family member’s or friend’s funeral/Memorial, saying something at a grand or great grand child’s Christening/ Bris, and other “Special Occasions.”

Everyone is invited to attend and visit, have some pizza, chat with friends and make some new ones, then sit back and relax while you listen to some of your fellow neighbors, Toastmasters from other chapters, and Toastmaster Dignitaries give their appropriate speeches of approximately six to seven minutes, each.

I certainly hope you find our new changes are of benefit to you, as this was our intent, and gets you to drive over, walk or bicycle over to the Lodge on Wednesday, Oct. 9, and just visit with us. I promise, there will not be any pressure for you to join our group, it’s totally your decision to determine if Toastmasters is for you.

We will educate you in the many ways Toastmasters offers different benefits to different people, but the Open House’s primary focus is to help educate you via our speeches, let you have a lovely, relaxing evening out, and either order your own snack/dinner from Smitty’s or join us for a slice or two of the Bistro’s yummy pizza and possible add-ons.

Counter Culture Cinema

We’re doing something different for our two screenings in October: we’ve got a theme! We invite you to join us for the screenings, with stimulating discussion afterwards.

The tide of terror that swept America
IS HERE

THE SHINING

Our first October screening, on Sunday, Oct. 13, at 6 pm, is the classic Jack Nicholson film *The Shining* (1980, 146 minutes, English). Here is a brief description from IMDB.com: “A family heads to an isolated hotel for the winter where an evil and spiritual presence influences the father into violence, while his psychic son sees horrific forebodings from the past and of the future.”

You may recall this famous Stanley Kubrick film, based on the novel by Stephen King, whose sequel to *The Shining* was just published.

Our second October screening, on Sunday, Oct. 27, at 6 pm,

is a new documentary about Kubrick’s film, *Room 237* (2012, 102 min., English). Here is a description from IMDB.com: “A subjective documentary that explores the numerous theories about the hidden meanings within Stanley Kubrick’s film *The Shining* (1980). The film may be over 30 years old but it continues to inspire debate, speculation, and mystery. Five very different points of view are illuminated through voice over, film clips, animation and dramatic reenactments. Together they’ll draw the audience into a new maze, one with endless detours and dead ends, many ways in, but no way out.”

The Lodge theatre has very limited seating, so if you’re interested in our screenings, come early. We hope to see you there! If you have any questions about the Cinema Club or want to recommend a film, please email Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

Amateur Radio Club

Next year the Amateur Radio Relay League will mark its 100th anniversary. It is the sole organization that presides over 600,000 Licensed Amateur Radio Operators in the United States.

Their website said, "Founded in 1914 by Hiram Percy Maxim, the American Radio Relay League (ARRL) is the national association for Amateur Radio in the US. Today, with more than 160,000 members. ARRL's mission is based on five pillars: Public Service, Advocacy, Education, Technology, and Membership."

100 years ago radio communication was in its infancy; it was not possible to communicate large distances as we can today, thus radio stations were relays, passing information to the next radio station. The Internet started in the same manner. In its desire to facilitate information exchange from various experiments in Cern, Switzerland, to researchers around the world, contact was made to a wired station to pass information. This was the original concept of e-mail. Next came ARPANET which transformed the information into packets of information, utilizing a new protocol called TCP/IP. This simple concept was rapidly transformed into the robust e-mail system we have today.

While the ARRL is not a regulatory entity, it has positioned itself to lobbying the FCC to insure the integrity of the

airwaves, assist in providing its expertise in radio technology for congressional action, and provides vital information to augment military radio. The ARRL now has 15 major divisions and 71 Administrative sections. It is a vast, efficiently run organization.

The ARRL is the mainstay in publishing several magazines for Amateur Radio operators and developers of radio technology: QST, QEX magazines publish information of interest; anyone can submit an article for publication.

The ARRL initiated and supports several Emergency organizations, ARES and R.A.C.E.S. ARES – Amateur Radio Emergency Service, and R.A.C.E.S – Radio Amateur Civil Emergency Service. These organizations actively participate in Emergency preparedness and respond to emergencies. In addition, R.A.C.E.S is associated with FEMA.

Recently, the ARRL was instrumental in activating the ARES and R.A.C.E.S amateur radio organizations to provide assisted voluntary aid in the large Rim Fire in Yosemite Park. Take a few minutes and browse their website: arrl.org. Much is available to the public and be careful, it may stimulate your interests in getting involved.

Our website is w6fsb.com and our meetings are on the last Friday of the month at 10 am in the Lodge Ballroom. See you there. ~ **Dick Van Bree, W6RVB**

Bereavement Group

The first 12 week Bereavement Group has just concluded. We found it amazingly healing. But we were surprised at our laughter (a lot, as the weeks passed). We found that we became stronger as we became more open, we found amazing similarities in our feelings and actions, we found that our differences were not weird or strange, and we found out now much we could help each other. We're surprised that there were not more people joining us. The participants shared that even though they talked about what we were doing, there were several common concerns that kept people from coming.

First, this is NOT a therapy group. It is just people getting together to share and heal and possibly find a new path

through life. Second, it is not a huge group of people sitting in a circle and crying. This recent group was comprised of one facilitator and three participants. There will never be a group larger than six. If necessary, a second group might form. Third, coming to a bereavement group does NOT mean that you are weak. It takes courage to explore your process, and it takes personal strength to share with other group members and to help them heal. Fourth, you do not have to "air family laundry in public".

Some comments that the group wanted to share were "Come join our small, intimate, caring and confidential group where by sharing we help each other in the healing process. We would

love you to join us on our journey," and "had it not been for this group I really don't know how I would be. Today I am not completely 'healed' but I am have the tools I need to go on with a much happier and healthier life," and "it breaks my heart of hear how much some people need this group. We have to get the word out."

The next group is scheduled to begin Oct. 7, from 1 to 3 pm in the Crafts Room at the Lodge. Please sign the interest sheet at the Lodge and/or contact Laurie at (951) 922-0934 or at lauriemplarson425@gmail.com. ~ **Laurie Larson**

Seasoned Solos

If you are living “Solo” and interested in day trips, eating out, going to concerts, museums, plays and making friends, join us. The next meeting is Friday, Oct. 4 at 6 pm in the Craft Room at the Lodge. Info., Toby Davis, (951) 769-2380 or Roxanna Morrow, (951) 769-6877. ~ **Roxanna Morrow**

Discovery Club

Remember last January – and the promises you made to work on your family tree? Remember you were going to go through those boxes of photos and documents? And talk with the elder members of your family and get information?

Right after the Christmas decorations were put away and the house was cleaned up... when you wouldn't be so busy. Don't feel alone. We all have the best intentions. But here's the strange thing about life — we can never do anything yesterday or tomorrow. We only have now — this moment in time.

So at the very least, spend some of that time conversing with the older members of your family. Ask them about their history, their parents and grandparents, what they remember and how things were “back then.” And if possible, get dates, places, names, times, reasons, feelings, relationships, friends, travels, jobs, education, illnesses, births, marriages, deaths, houses, cars, vacations, and anything else that makes their story come alive.

And write everything down, or get it on tape. You can organize it later.

If you would like to be notified of Discovery Club meetings or outings, or if you just want some help with your family tree, please call (951) 769-4482 or e-mail wefbev@verizon.net. ~ **Willis Fagan**

Taste d’Vine

Autumn is a wonderful season. Nature abounds and offers beautiful colors. The leaves are changing; hopefully the air is cooler. It is the perfect time to enjoy a glass of wine. October starts the fall party season.

In honor of Oktoberfest, we are going to feature German wines at our October meeting. Rieslings and Gewürztraminers are great with sausages at your Oktoberfest gatherings, either sweet or dry for both of these German specialties. Also, it is time for the grape stomps. Check out Temecula and Victoria Gardens for these fun events. Still in the grilling mood? Try Zinfandels! They come in many styles from light to heavy. Come join us on Thursday, Oct. 17, 6 pm in the Lodge Ballroom as we explore some wines of Germany. Bring a glass or two and some bread or crackers and cheese to share with your table-mates. Members \$5 and guests \$8.

October is the month when we hold our Taste d’Vine Wine Club elections, so this will be my last month serving as your president. It will be fun to sit at the tables and enjoy tasting and continuing to learn about wines alongside you. ~ **Anita Worthen**

Writers’ Club

Our first meeting in September brought together seasoned writers of books, poems, short stories, lyrics and novels with non-writers with ideas and experiences they wished to preserve in writings as memories for themselves, their family and friends, or perhaps publication.

Everyone participated in the discussion about the club's goals and operation. Notable is the extension of the length of the monthly meetings from 1:30 to 3 pm, allowing the presentation of up to three projects. Brief progress reports will be given in subsequent meetings.

Observers will be welcome to the meetings but, because of the space restrictions in the Crafts Room, they are encouraged to notify the coordinator in advance.

The last half-hour of the meeting was energized by the question: How to get started? The proposed answer was: “Go ahead and jump!” One becomes a good construction worker by constructing, a good piano player by playing the piano, so also a good writer by writing. Talents are discovered this way and it is never too late. Enthusiasm and perseverance remain the key to success.

The club has no permanent secretary.

One member at each meeting will volunteer to take notes. This time, our thanks go to Kathy Barnett. The coordinator can be reached by e-mail at josephlaurin@verizon.net. ~ **Joseph R. Laurin**

Garden Club

Planted throughout Four Seasons is a weed with green leaves, yellow bulbs and purple flowers that is entirely edible. It was named by the Dutch who imported it from South Africa as "Society Garlic" since it is less pungent than regular garlic and more suitable for highbrow dinners. Most of the plants in the genus are pollinated by moths at night while others are pollinated by bees and butterflies in the daytime.

Society Garlic is a fast-growing, bulbous plant about two feet tall. Leaves are long, narrow, strap-like, slightly fleshy and smell strongly of garlic when bruised. They grow from fat, tuberous roots which spread to form clumps of plants. The pinkish to mauve, tubular flowers, clustered into umbels of up to twenty flowers are on flower stalks above the leaves. They smell of garlic when picked. Triangular capsules replace the flowers and are grouped into a head. When ripe they split to release flattened, hard black seeds. Society garlic needs full-sun but not in a location where it will burn. It flowers from late winter to autumn yet even though the flowers are gorgeous the foliage is the main attraction for the garden planting. Deadhead the petals, including the stalks, once the flowers are spent and in the fall it needs a good haircut. ~ *Leonard Tavernetti*

Racquet Club

Our U.S. Open play day in August had one thing missing — the U.S. Open! Nevertheless, it was a successful morning — about 16 of us took part. There was lots of catching up amongst those who were waiting to go back on the court to play, and many times ‘great shot’ was heard — we are too polite to say ‘you hit it long again!’

After all this play we were hungry for our traditional American lunch of hot dogs, coleslaw, chips, beans and apple turnovers. Smitty’s catered the main course, and the club provided the desserts and drinks. Because of the dispute between Time Warner and CBS, we couldn’t watch the action, but no one minded too much. We had an impressive lineup of raffle prizes — Smitty’s gift cards, one of Jo Fedorchuk’s tennis garden flags, an Entertainment book donated by Ken Elliott, Barbara Miller donated some of her quilted cards, business cards that Irve Sturner will make to order, and Arlene Malkin donated a fall decoration made from the pinewood she collects in Arizona. Thanks to all who helped with the event! And don’t forget the Racquet Club Annual Banquet on Oct. 15, at 6 pm.

The Thursday mixed doubles league is in full swing; there

are 12 men and 12 women participating. Three time slots are needed to get all the matches played, and the plan is to keep this going for six months, on the second and third Thursday of each month.

How easy will it be to hold play days and our mixed doubles league when we have more courts built! Not to mention hosting larger events with other clubs near us, and having our own USTA league teams. Whenever we are at the Sales Center we need to encourage KHOV to follow through and build them, for the community as a whole. It enriches our lives to be able to play and the amenities need to keep up with the growth as Four Seasons expands. Right now, some of our members go to public courts when ours are full. To play in USTA leagues some of our male members are going to Riverside and Upland. Some of the women have joined teams in the desert, and Sun Lakes has graciously made room for us on some of their league teams — we do appreciate that! In addition, many of us living here enjoy the hospitality of playing social tennis at Sun Lakes and we cannot reciprocate because of our lack of courts. We need to keep this issue front and center! ~Jo Fedorchuk

Ping Pong Club

It has been nice to have some new players turn out for ping pong recently. This month we introduce two new players. They are Lian Lee and Sandy Lee (in the picture, Sandy is on the left and Lian is on the right). These two Lees are not related but they do understand the game of ping pong.

Lian got started playing ping pong while attending middle school in Taiwan when she was around 13 years old. Because her school only had one table, she was only able to play around 50 hours of ping pong during those school days. After those school days she didn't play any more. So, when she moved into Four Seasons in May

of this year, it had been a long time since she had picked up a paddle. Lian says that she really enjoys the fun, challenge, and discipline that comes from playing ping pong. She likes being part of our club because of the very friendly and fun members. When asked if she thinks everyone should play ping pong, she said, "Absolutely." Next month we hope to tell you about Sandy Lee.

For more info on how you can join Lee and Lee for fun and exercise in the Ping Pong Club, contact Niles Sundstrom (nilstrom.com (951) 572-5119) or Alan Chan (aymeng@aol.com, (951) 769-4202).

Paddle Ball

Our Second Annual Paddle Tennis Double Elimination Tournament held in August was won by Robert Norwood.

In double elimination, competitors play until they have lost two matches. The winner of each match had to win three of five sets. In this tournament, Jim Cochran won all three of his matches and advanced to the finals. Robert played five matches, losing to Jim, earlier, but advancing to the finals. Michael Rothberg was defeated by Robert in the semi-finals.

The other seven competitors were Alan Chan, Mike Flower, Rob Gardner, Jeromee Liebenberg, Terry Miller, Paco Paez, and Garrett Warman. The weather was almost perfect except for

some occasional winds. The tournament lasted a little over two hours.

Special thanks to Phil Harris and Rob Kelman who kept scores and made sure that line calls were accurate.

And thanks to the Alan Chan, Jim Cochran and Mike Flower the tournament planners who made this a successful event. Come join in the fun:

Our Official play schedule during the summer is Wednesday, Friday and Sunday, 7 to 9 pm. Play schedule during the summer is: Friday and Sunday, 8:30 to 10:30 am. ~ **Michael Rothberg**

The 8-Ball Club

It was a good month for Roland and Thanh Harrah. Although no protest was filed, there may have been some outside help for Thanh in the 9-Ball tournament. Look closely at the photo of Thanh and Roland and you may see Marion Loney putting her super secret whammy on Roland as she did in the finals that day.

In a field of nine players for the 9-Ball tournament Thanh and Roland had to play each other in the final matches. Having lost once in regular play, Thanh had to beat Roland twice since he was undefeated going in. On both of those games, the outcome came down to the last ball and in each case Thanh was the winner. For the first time ever a woman player has won the championship twice. Congratulations Thanh!

In the 8-Ball tournament, Roland who

was undefeated once again, went into the final matches with Kenny Payne. Kenny had to win twice and he graciously allowed Roland to win a game, thus allowing him to clench the monthly honor.

The 8-Ball Club has a great group of members and we are also friends who get together and play the games we love. We practice together at 7 pm on first and third Mondays, Wednesdays and Fridays.

Monthly 8-Ball Club Meetings are on the first Wednesday of the month at 7 pm.

The In-house 8-Ball tournament is on the second Wednesday at 7 pm. In-house 9-Ball tournament is on the third Saturday of the month at 1 pm.

Our "traveling tournaments" are the second and fourth Monday of the month. The second Monday, we travel to Hemet and the fourth Monday Hemet comes

here. Check the message board in the Billiards Room for any changes of dates or locations. ~ **Thanh Harrah**

I know, I know, it always looks like the Billiards for Fun Group is constantly partying. Okay, I'll admit we actually do party weekly: Every Tuesday while we play billiards from 1 to 3 pm. In addition, bi-monthly we have a super duper potluck. We have amazing cooks in THIS group, verified this month's pictures! Billiards for Fun Group turned one-year-old in August ~ yay for us! We are still going strong (even though the ladies' coordinator was absent for a month or so). Come join the "partiest" club at Four Seasons! ~ **Eileen Gilbert**

Motorcycle Club

This was to be a motorcycling adventure of a lifetime for Dan Lanphere and Howard Lyon. A year of planning and anticipation. For a 5,000-mile loop which would take us to Deming, N.M., for the start of a four-day, 2,200-mile, adventure up to Winnipeg, Canada.

Day 1: We arrived in Tucson at 2 pm. It was a pleasant day cruising along I-10, Hwy 86, 111 and I-8. We hit the pool and the Jacuzzi, had a nice dinner and got a good night's rest.

Day 2: A 228-mile hop over to Deming where we met up with the 220 riders entered in the "Three Flags Classic" motorcycle event and enjoyed the pre-ride camaraderie.

Day 3: We left the hotel in Deming about 5:30 am. We got to Silver City where I stopped to enter data into my GPS. While stopped I fell over on my bike and injured my arm. At that same time Dan said that he was having trouble breathing, the same symptom as his previous heart attack!. A local resident named Gabriel stopped to assist us upright my bike and summoned the paramedics for Dan. Dan was taken to the local hospital and

Gabriel and I followed. By the time I arrived Dan had received several tests and it did not appear to be a heart attack!

My arm was not feeling well so I asked that it be examined. That meant that both of us were admitted to the E.R. After my exam and four x-rays the doctor said that my shoulder was neither dislocated nor broken. Because I was riding a motorcycle he wouldn't prescribe anything stronger than ibuprofen.

I was discharged and went to see Dan in the next room. He was feeling better and was waiting on additional test results.

It turned out that Dan bronchitis which had been exacerbated by the hotel putting him into a "smoking" room and the fact that we were currently above 6,000 feet. Thinking that we would both be released soon we started discussing options about continuing the ride. With my injured arm and Dan's breathing problems we weren't 100 percent and today's route was to take us over passes that exceeded 11,000 feet! Not good for Dan's breathing.

Just about this time, a terrible commotion took place outside Dan's room. A family was screaming for help and bringing in two gunshot victims.

Things deteriorated quickly. This is a small hospital with limited staff. There was only one doctor on duty. Soon a staff person entered Dan's room, raised the rails on his bed, attached a button that could be pushed in case of emergency and announced that all staff, including all people capable of discharging patients would be tied up for the foreseeable future and that it was not advisable for us to venture into the hallway. Which was packed with armed police, paramedics and hysterical friends and family of the gunshot victims.

It turns out that the shootings were probably gang related so the police placed the hospital in "lock-down." No one in or out without police permission.

We sat there watching time tick away and every minute making our destination objective more unlikely.

With both of us definitely not operating at 100 percent and time now making it all but impossible for us to make our objective we decided that "the fates" were definitely telling us that this adventure was not to be...

After release from the hospital we headed down to Lordsburg, N.M., for the night to start our return home.

Day 4: After breakfast we headed west. It turned out to be a beautiful ride with very little traffic so we rode the 604 miles home in one day.

After arriving home Dan uncapped a couple bottles of cold beer and we toasted our "adventure cut short."

We are back home safe and sound, disappointed but undeterred. ~Howard Lyon

Hiking Club

Hikers returned to Jenks Lake in the San Geronio Mountains, one of their favorite locales in September. As usual, it was perfect shirt sleeve weather for a morning hike. The tall conifers provided shade as the temperature climbed. At the lake only a few outdoor enthusiasts were enjoying the view along with two hopeful gents with fishing rods. The group circumnavigated the lake and returned to the Oaks Restaurant for a great lunch.

To find out where we are hiking call or e-mail Lynette Simonson, Hike Central (951) 377-0392 lynette.simonson@gmail.com.

All Seasons RV Club

Happy Halloween! It's hard to believe the holidays are creeping up on us. How do they come so quickly, that's a mystery that I just can't solve.

Ron Morgan was in a motorcycle

accident on Aug. 27. Nancy and children are with Ron most of the day while he is in the hospital. I am hoping that in my next report, I will be able to write that Ron is home and on the way to a great recovery.

Your continued prayers, hugs and good wishes are much appreciated.

Our gypsies are on the way home. Rick and Jamie Brower got back home Sept. 5, from a ten week RV trip, Dorothy and Steve are on the way home from a six-to-seven week trip, Ann and Rich are maybe on the way home and have been away for at least six weeks. I am writing this from beautiful Niagara Falls, Charlie and I

will be home just before Thanksgiving, as we are taking a tour through the east coast. Lots of activities in store for next year such as Quartzite, Death Valley, Scottsdale-West world, Pismo Beach, Chula Vista and Buellton. There is a lot of good stuff coming up.

For any prospective members, please join us the second Tuesday of every month in the Ballroom at 6 pm. We have lots of fun on our camping trips, so please join us. If you don't have a motor home come on and join us anyways and we will convince you to purchase one!

Happy birthday to our October babies. Happy anniversary to our October brides and grooms. ~ **Maddie Meyer**

4x4 Seasons

We have not had any off road trips but we have had a few members traveling. During these travels Rich and Ann Williams met up with Rick and Jamie Brower in Montana. We took some dirt/gravel roads through the Crow Reservation to the Yellow Tail River where we rented a boat and enjoyed some amazing rock formations. Prior to meeting up with the Browsers, the Williams did some jeeping in Idaho and Yellowstone. It was particularly interesting when the jeep was surrounded by buffalo and we waited for them to cross the road. It gave

new meaning to a pedestrian crossing. Then the Williams met up with Steve and Dorothy Meyer in South Dakota. We spent a wonderful week seeing all the historical sights and visiting Custer State Park. We were rewarded with beautiful sights of wild life and the beauty of America you can only see when you four-wheel. Come and join us the second Tuesday of the month in the Ballroom at 7 pm. See what we are all about and maybe you too will be four-wheeling across America enjoying all the beauty this country has to offer. ~ **Ann Williams**
