HOA Board & District Delegate Elections

By Leighton McLaughlin

A Meet the Delegates night will be held Wednesday, Feb. 12  
in the Lodge to introduce candidates for district delegate in the  
Feb. 17 election.

Once elected, the delegates cast the votes that elect the  
Board members. The delegates act much like members of  
the Electoral College in U.S. presidential elections – with a big  
difference. Delegates from districts that fail to have a majority  
of households cast ballots can vote the districts’ total voting  
power as they see fit.

It is important to select delegates carefully because of the real  
possibility one or two of them could decide an election.

The delegate position is important, but does not require a  
great deal of time. The only duty is to vote for Board members.  
A delegate and alternate will be elected from each of Four  
Seasons’ 13 districts. (See the accompanying chart to locate  
your district.) The alternate acts only in the absence on the  
delegate.

A nominating committee sought candidates, so a full slate of  
delegates is expected to run. How many, if any, of the districts  
will have contested elections is unknown because the *Breeze*  
went to print before the Jan. 17 deadline to file to run. Members  
of the nominating committee were Don Fant, Bev McLaughlin  
and Lynette Simonson.

Ballots for the delegate election will be mailed the week of Jan.  
27. The first election for delegates will be held Feb. 17. Districts  
that fail to meet a quorum of 50 percent of homeowners casting  
ballots on Feb. 17 will participate in a second delegate election  
on Feb. 21, when the quorum will be reduced to 25 percent.  
Homeowners may cast their ballots in person the day of the  
elections, but they are encouraged to mail them in earlier so it  
can be determined if a quorum has been reached. The Board  
will appoint delegates for any district that does not meet the  
reduced quorum.

Once the delegates are selected, the Board election will  
begin. Applications to run must be submitted by March 9.  
Ballots will then be mailed to homeowners. There will be a  
Meet the Candidates night for the Board, but it has not yet been  
scheduled. The ballots will be counted at a Delegate’s Meeting  
on April 15 and the delegates will cast them at the HOA Annual  
Meeting on April 17.

In districts that meet the 50 percent quorum rule, the  
delegate is obligated to vote all the districts voting power in  
the proportion of the votes cast. For example, a district with 90  
voters, in which a majority of 60 cast ballots – 40 for candidate  
A and 20 for candidate B – the delegate has no choice and must  
cast 60 votes for A and 30 for B.

In a district that fails of quorum, the ballots are not counted  
and delegate can cast all 90 votes as he or she sees fit.

As in the delegate election, homeowners are permitted to  
turn in their ballots at the Delegate Meeting, but are encouraged  
to mail them in earlier because of the quorum requirement.

Two of the three homeowner seats on the HOA Board are at  
stake: President Jacque Sneddon and Treasurer Wayne Staples’  
terms are expiring. Sneddon has said she plans to run for re-  
election; Staples has not yet decided. Vice President Loren  
DuChesne has another year of tenure.

Feb. 12, “Meet the Candidates” night in the Lodge.

Feb. 17, First delegate election.

Feb. 21, Reduced quorum delegate election.

March 9, Deadline to apply to run for the Board. Ballots  
mailed.

April 15, Ballots counted at Delegate Meeting.

April 17, Annual Meeting, delegates elect Board members.

# The Social Committee

By Patty Jordan

When you walk into a Four Seasons Social Committee event, you see a beautiful, glittery room all dressed up for a party. What you don't see are the many hours, weeks and months that went into planning and preparing for this event.

The Social Committee was formed about seven years ago at the HOA's request. As with all official committees, there are seven voting members, but there are subcommittees that involve many "unofficial members," who do much to assist in creating successful social activities.

The committee begins planning in September for the next 12 months. Later in the Fall, Activities subcommittee worked for months to create all of the glittery Eiffel towers, the awnings, and the hat box centerpieces by hand

Members of the Social Committee at a Mardi Gras celebration a couple of years ago.

make sure that there are no conflicting dates on the Master Calendar and, after being approved by the HOA Board, the Social Committee events are then set for the coming year. While Melody Seewoster is the Committee Chairperson, each event has its own chair who is responsible for all aspects of planning, including food and décor. The decorating subcommittee, led by Pam Mayoral, works with the Event Chair to design and create the décor for many of the events.

At this year's "Evening in Paris" New Year's Eve party, the subcommittee worked for months to create all of the glittery Eiffel towers, the awnings, and the hat box centerpieces by hand

and then, assisted by other volunteers, turned the Ballroom into a magical Parisian scene. After 2014 was ushered in, committee members and other helpers stayed until 2 am to undo all those months of hard work. These are all volunteer residents and it is truly a labor of love.

As an official HOA committee, the Social Committee is a non-profit entity. All costs are covered by ticket sales, and if there is any money left after expenses are paid for an event, it must be returned to the General Fund. Because most of the work is done by volunteers, residents get a "lot of bang for the buck," as food, entertainment and decorations must be paid for by the ticket sales. The committee doesn't really know what the budget will be for a given event until they know how many tickets have been sold. While the planning is done well in advance, the final budget isn't known until the last

minute, so often adjustments have to be made depending on the available funds.

In 2014, get ready to wear your beads and masks at Mardi Gras in March, become a fashionista at the Fashion Show and Tea in May, hula hardy at the Luau in June, polish those cowboy boots for the Country Western Dance in August, get your scare on at the Halloween Dinner Dance in October and of course, dance the night away at the always gala New Year's Eve Party on Dec 31!

The six members of the Social Committee are: Melody Seewoster, Chairperson; Verlette Brummel, Betty Ann James, Mary Primack, Tonya Thornton and Susan Wilson. Also, the committee couldn't function without the help of Treasurer Peggy Ligor and Secretary Bernadette Chance, as well as Sandra Buelna who is a valued member of the subcommittee.

By Lisa Lynn, General Manager

At the January Open Session Board meeting the Board of Directors approved the following committee recommendations:

- Rules and Regulations request to revise the Holiday Decorations and Lighting rules and send out for 30-day member review
- Rules and Regulations request to revise the Common Rules for all Committees for committee membership requirements and send out for 30-day member review
- Safety/Facilities proposal to install preformed Yield pavement markers at the main roundabout (\$1,200)

The Board of Directors reviewed and acted upon the following business matters:

- December 2013 minutes – approved
- November 2013 unaudited Financial statement – reviewed
- Approved the vendor bid for plastering the spa pool (\$4,500)
- Approved the vendor bid for hydro jetting the kitchen floor drains (\$749)
- Approved the vendor bid for adding two rail vinyl fencing at various locations (not to exceed \$4,000)
- Approved the request from the Four Seasons Amateur Radio Club for a link on the website to their club website
- Approved the request to waive commercial fees for future applications for local Beaumont Clubs/Organizations and the City of Beaumont

Management reported to the Board the completion of the following items:

- Plant material added along Highland Springs
- Roses added at Crooked Creek islands
- Gate strike replacement at the Crooked Creek pedestrian gates
- Billiard tables re-felted and general maintenance
- Website link set up for the Four Seasons Roll of Honor Veterans Group

Management reported that three violation letters were sent out during December:

- One each for parking, hoses, signs
- The Board of Directors suspended facility privileges for delinquent dues for one member, bringing the total for suspended privileges to 12 current members. There were 20 accounts with balances over 90 days past due.

The Board meeting is held on the second Thursday of the month, with the Executive Session at 9 am in the Lodge Conference Room and the Open Session at 1 pm in the Lodge Ballroom.

We wish to express our apologies that the lights placed at the upper circle tree did not last through the season. Due to high winds the lights were damaged beyond repair. We were able to return the lights for credit and will look into other means of lighting the tree next season.

It has been suggested that members may wish to learn more about the laws that govern Associations. There is a website resource at [www.davis-stirling.com](http://www.davis-stirling.com) or you may request additional information from the Management office in regards to the rewrite of the Davis-Stirling Common Interest Development Act (the civil code that applies to Associations) which was effective Jan. 1, 2014.

## BILLIARD ROOM TIPS

In December, at the request of the Four Seasons 8-Ball Club, the Board of Directors approved maintenance expenses on the Association billiard tables. This maintenance is generally required every two to three years.

This work included replacing the felt coverings, replacing the rail cushions, polishing the edges, balancing and leveling the tables. In order to maintain the new coverings and cushions, please review the following guidelines:

1. Never sit on the table edges for any reason, bridges are provided for hard to reach shots. Putting weight on the sides of the table can affect the balance, pull on the felt or distort the cushions.
2. Please do not attempt MASSE’ or JUMP SHOTS on the tables. These shots require the elevation of the back of the pool cue radically to chop down toward the table surface. This is a threat to rip and/or tear the felt surface and require complete replacement of the felt prematurely.
3. When breaking the balls to begin play, please use the provided circular break pads under the cue ball. This prevents an errant stroke from accidentally ripping the felt. The break pads are kept in the corner pockets nearest the head rail end of the table where the cue is placed for breaking the rack.
4. Please, no eating in the billiards room and drink only from containers that have sealed lids. This prevents spills and stains.

With your cooperation the Billiards Room and billiard tables can be made to last and prolong the periods between maintenance that will save the inconvenience and expense.

# Neighborly Notes

By Bobbie Eckel

We have only had one month of 2014 and it seems as though we are rapidly hurtling through the year. February seems to have so many exciting events – both socially and educationally. Watch the calendar carefully so that you do not miss anything. If your *Breeze* has not arrived by the first of the month, pick up the calendar flyer at the Lodge desk so that you know what is going on each day.

District delegate elections are very important in February. In order for all of our votes to count in the Board of Director Elections held in April, each district needs to have a delegate and, hopefully, also an alternate delegate. Be sure to become involved in the process. You might even want to take on the challenge of a Board of Director position.

The January/February issue of *Westways*, a magazine for Auto Club Members, notes a number of new motorist laws which will take effect within the coming year:

AB61 allows motorists to park at broken parking meters or payment stations up to the posted time limit without risking a ticket.

SB 194 specifically prohibits drivers under age 18 from using any mobile electronic communication device, even the hands-free variety.

AB 8 continues several fees that owners now pay when they register their vehicles. This includes \$3 for alternative fuel development and deployment, \$8 for smog abatement and \$2 for local air quality districts to mitigate emissions. These extra fees will continue through 2023.

AB 266 and SB 286 extend the time certain clean-air vehicles may use the HOV lanes without meeting the minimum

occupancy requirements. However, the bills do not apply to the new Los Angeles Express Lanes on interstate 10 and 110.

AB 1371 established the “Three Feet for Safety Act” which requires drivers to allow at least a three-foot space between their vehicles and a bicycle rider when passing. If a three foot minimum is not possible because of traffic or roadway conditions, drivers must slow to a reasonable speed and pass only when it is safe for the cyclist. Minimum fines start at \$35 and escalate rapidly when court fees and other fees are added. This law takes effect on Sept. 16.

Beginning in January, 2015, the DMV is required to issue driver’s licenses to people who are not eligible for a Social Security Number if additional documentation regarding residency and identity is provided. These driver’s licenses will not be accepted for official federal identification or other purposes, however.

Residents who have ceiling fans might want to consider the tip on lowering your energy costs during the winter. According to the Daily Finance Savings Experiment Group, you can warm up a room by reversing the direction of your ceiling fan. In the summer, the fan should turn counterclockwise so it blows the cool air down from the AC vents. However, in the winter, you want the cooler air pulled up toward the ceiling. This can be easily accomplished by flipping the toggle switch underneath the fan and putting it on a low setting.

February conundrum from Maxine: If four out of five people SUFFER from diarrhea... does that mean that one out of five ENJOYS it?

# Murder Mystery Dinner

Cast and crew are hard at work – oh those lines to memorize! We’ll be ready, though, to give you a really enjoyable evening on March 28 or March 29.

Remember, tickets go on sale Tuesday, Feb. 18. Tickets are \$25, which will include your dinner and our wonderful mystery play. Have your day choice (Friday or Saturday) and meal choices

(chicken cordon bleu or medallions of beef) ready when you buy your tickets. Better yet, buy your whole table at once and you get to choose where you will sit. Seating is limited, so you won’t be crowded and there will be no bad seats in the house, but come early to get your first choice.

Who is the murderer? The cast knows – but we are not telling! ~ **Barbara Wasco**

## Succotash

*This recipe was adapted from Brett's BBQ in Encinitas, CA. A family member introduced us to Brett's about six years ago. We've since eaten their food numerous times and always thoroughly enjoyed the taste. If you like succotash then you'll probably like this one.*

### INGREDIENTS

16 oz. frozen corn  
16 oz. frozen baby lima beans  
1 sweet onion, chopped  
6 slices bacon, chopped  
1½ cup sweet peppers, diced  
16 cherry tomatoes, halved or quartered  
2 Tbsp. butter  
Salt and freshly ground pepper, to taste

### DIRECTIONS

1. Blanch off corn and lima beans by placing them in a medium saucepan of boiling salted water cooking over moderate heat, stirring occasionally, until just tender, about 5 minutes. In a sieve drain and rinse under cold running water to stop cooking. Set aside.
2. In skillet, cook chopped bacon over moderate heat until crisp. Add sweet peppers, onion and cook until tender and onion is semi-clear. Season to taste with salt and pepper.
3. Mix corn, lima beans and bacon/vegetable mixture. Add sliced tomatoes and butter, and then cook in skillet until heated thoroughly.

Prep Time: 10 min. • Cook Time: 20 min.  
Yield: 8 servings

## Activities Director Corner

By Cindy Graves, Activities Director

The bulbs are popping their little heads up through the snow (on the east coast) and new life is springing up everywhere! February events are bringing opportunity for a new year and new life, starting with our Women's Day of Encouragement on Saturday, Feb. 1. There will be free glamor shots from 12:30 to 1 pm before the show for ladies who would like to have their picture taken by themselves or with girlfriends. The show will be from 1 to 4 pm. I won't go into much detail here because I've covered it in depth previously, but I hope you can come and get encouraged! Lots of interesting speakers, lots of community businesses and restaurants donated prizes to be given away; there will be some tasty snacks, as well as things you always wanted to know but were afraid to ask. I hope I see you there! This is a free event.

On Feb. 8, the African American

Culture Club will be having a special Black History Program from 12 to 2:30 pm. Southern Style refreshments will be served. Everyone is welcome with a \$5 ticket. Check with Roxie (951) 769-2517 or the Lodge for more information.

Ready for an entertaining, inexpensive Valentine's Day? Come down to the Lodge to watch the Arthur Murray Dance Show on Feb. 14 in the Ballroom at 6:30 pm. Feel free to bring your dinner, purchase a special Valentine dinner for two at the Bistro, or just carry in your favorite beverage. Immediately following the dance show will be an opportunity for you to dance too! There is no price of admission, just show up for the fun.

Want another great Valentine's Day option? How about a live band and Dinner-Dance on Saturday, Feb. 15? The delicious dinner includes chicken and Tri-Tip. Tickets are only \$20 and can be purchased up until Feb. 10. Call Gary

or Puring Stifter: (951) 922-8333. The good time begins at 4:30 pm at the Lodge Ballroom.

Everyone who has been yelling for another live W-FSB Radio Show performance, scream no more! Tom Shelley and crew will be back again on Friday, Feb. 21 at 6 pm in the Lodge Ballroom. This is a "Bring-in-your-dinner-and-drinks" performance and as usual everyone is invited. No cost and no sign up sheets.

Lastly, to conclude our Black History celebration month, there will be a "Steppin in Black and White" Dance with yummy southern home cooking. Come on down and dance your heart out to music of the era. Black and white attire is suggested. Tickets are only \$10. Call Brenda Dixon for more information and for tickets.

Have a wonderful February and see ya around the Lodge!

# DID YOU KNOW?

By Bobbie Eckel

## Did you know that Feb. 2 is Groundhog's Day in the United States?

It is one of many holidays dealing with the end of the long winter months. German immigrants brought the tradition of using the awakened groundhog to predict the arrival of Spring. Supposedly if the groundhog awakens on a sunny morning, comes outside to stretch and sees his shadow there will be six more weeks of cold winter, allowing the animal to return to his shelter and resume his snoozing. If, however, the day is cloudy and the groundhog does not see his shadow, the community could be assured that spring is just around the corner. The most famous of the weather-predicting rodents is Punxsutawney Phil in Punxsutawney, Pennsylvania. He sees his shadow about nine out of 10 times.

## Did you know that Feb. 14 is not only Valentine's Day, it is also Ferris Wheel Day?

This is the day to celebrate the birthday of the inventor of the Ferris Wheel, George Washington Gale Ferris, Jr. The first Ferris Wheel was a main attraction at the World's Colombian Exhibition in Chicago in 1893. The public was astounded when Ferris unveiled his huge contraption. It differed greatly from the enjoyable rides that most of us remember. A fascinating account of the difficulties that Ferris encountered and the general problems of the Chicago Exhibition is part of the background given in Erik Larson's well-researched narrative history, *The Devil in the White City: Murder, Magic, and Madness at the Fair that Changed America*. If you have not read the book, it is well worth your time.

## Did you know that Feb. 20, in the Northern Hemisphere, is Hoodie-

**Hoo Day?** This is another attempt to end the blahs of winter and bring in spring. Apparently the originators of this copyrighted holiday envisioned people going out at noon on Feb. 20, waving their hands over their heads and chanting, "Hoodie-Hoo." The folks at Wellcat.com established the day and are undoubtedly representatives of the people who were sick and tired of winter and made a little crazy by not seeing the sun while they were cooped up inside the buildings.

## Did you know that the Opening Day Ceremony of the Winter Olympic Games is Feb. 7?

The games will be held in Sochi, Russia, this year and will be the XXII Winter Olympics. Competitions are held over a two-week period with a huge special event at the beginning and a spectacular closing ceremony. If you have been following the news lately, you are also aware that Russia is very concerned about terrorist activity during the Games. Many countries will be sending extra security measures with their participants.

## ARTHUR MURRAY PRESENTS: MURRAY SHOW ON THE ROAD

Please come join Arthur Murray Dance Studio of Redlands on Friday, Feb. 14 from 6:30 to 8:30 pm. We are so excited to be able to bring our Arthur Murray Studio to the Four Seasons. The evening will be filled with dance lessons, shows, and a party. Please join us for a Ballroom Group Class, focusing on the Waltz and Tango, and a Latin Group Class featuring the Rumba and Merengue. The show we are presenting is dances from our student recital, the Murray Show. Our students have been preparing these solos and LOVE to have an audience to perform. To conclude the evening we will host a dance party. This is your chance to dance with our professionals and students and enjoy the benefits of social dancing. Thanks so much for the opportunity to visit the Four Seasons, see you on the dance floor. ~ **Marcia Rodriguez, Arthur Murray Dance Studio of Redlands**

# Winter Wish Thanks Four Seasons

I would like to share this letter that was received for the staff of Winter Wish:

*Dear Friends of Winter Wish:*

*We greatly appreciate your participation in Winter Wish 2013. Because of your generosity, the many, many children whose tags your took will enjoy much needed clothing, food, and a special 'wish' all of their own! Thank you so very much!*

*We know that the initial organizing, checking out tags, keeping track of those gifts returned, and the transportation of gifts and food to Winter Wish headquarters was a huge task. Once again, those tasks were accomplished without a glitch and with no lost gifts!*

*Warm clothing, toys and some household needs (towels, for example), were given to approximately seven hundred sixty (760) children in the two hundred fifty (250) families that were selected to be recipients of Winter Wish gifts in 2013. Food, collected through the community food drive was also given. Distribution Day was December 21st...*

*The Winter Wish Project has developed into a unique, individualized, community-wide volunteer effort thanks to*

*thoughtful and caring participation such as yours.*

*Sincerely,*

*Danna Lester, Donna Franco, Winter Wish volunteers*

I would like to add that the residents of Four Seasons took a total of 148 tags but returned far more than 148 gifts and returned them on time so I want to add my personal thanks to all of you. ~ **Melody Seewoster**

# Social Committee

What can I say about New Year's Eve that I didn't say last month except that everyone seems to have had a wonderful time and was in awe of the Ballroom. The Decorating Committee certainly went over and above the call of duty when putting together our "Evening in Paris." Thank you to all the people who worked so hard on making and putting up all the decoration. I don't know all of your names but all your hard work was appreciated by me and everyone who attended this outstanding event.

We were entertained by the Danika dance group and Joanne Lapointe, in wonderful costume, who brought us a bit of Paris with several numbers from the Broadway stage and of course the "Men of Four Seasons" (photo inset) brought down the house with their rendition of the CanCan. Thanks to all the ladies who helped bring that about. A special thank you to all the people who stayed after the party to help us clean up, because of them we were able to leave the Ballroom before 2 am.

Our next event will be the Mardi Gras which will be held on March 8. This is always one of our more colorful and happy events. Tickets go on sale Feb. 4, at 9 am and the last day to buy tickets will be March 1. ~ **Melody Seewoster**

# Architectural Review Committee

Welcome to the many new homeowners. For both new and existing homeowners, just a reminder any exterior modification, revision or improvement to your property may need approval from the Architectural Review Committee (ARC). When in doubt speak to Fabiana at the HOA Lodge office. Applications for improvement submittal to ARC are also

available at the Lodge office. Applications must be submitted prior to noon Monday, preceding the meeting for consideration that week.

The committee meets on Feb. 5 and 19 at 9:30 am.

You are welcome to attend one of our meetings to see how the process works. ~ **Ron Burke**

# Bistro Committee

Our next meeting is Feb. 25, at 11 am, in the Lodge Conference Room. All homeowners are invited to attend. ~ **William Taylor**

The "Real Men of Four Seasons" entertained at the New Year's Eve event. L-R Lyle Cameron, David Holt, Colin Taylor and Randy Balt.

# Emergency Preparedness Program

Our tip for the month is: "Be sure to have all your medications, conditions and contacts information listed on your refrigerator." For more information come to the next EPP meeting on Thursday, Feb. 6. ~ **Reneé E. Watkins**

## SAFETY TIPS FOR RESIDENTS

Periodically the *Breeze* will publish safety tips from the Emergency Preparedness Committee that residents can use in preparing their households for emergencies and disaster situations.

These tips come from the Residents' Emergency Handbook developed by the Emergency Preparedness Committee and due to be sent to all residents in Four Seasons Beaumont in the near future. This month's safety tips are focused upon preparing for earthquakes.

### PREPARING FOR AN EARTHQUAKE

Before:

- Pre-position a whistle, flashlight, and bottle of water near your bed below where you sleep.
- Prepare your family's emergency supplies kit of food, water, medications, etc.
- Make sure that water heaters and gas appliances are bolted or braced to wall studs.

- Bolt bookcases, china cabinets, and other tall furniture to wall studs.
- Hang heavy items, such as pictures and mirrors, away from beds, couches and sitting areas.
- Brace overhead light fixtures.
- Use putty-like material (available at hardware stores) to hold down vases and other loose items to keep them from falling from shelves in case of earthquake shaking.
- Learn how to shut off the gas valve in your home and keep a shut-off wrench handy.

During: If you are inside when the shaking starts...

- Drop, cover and hold-on. Move as little as possible.
- If you are in bed during what seems a severe earthquake, you should consider quickly rolling out of bed and lying next to the

- bed and night stand (if you have one). This manner of protection may reduce injuries from falling ceiling fans, ceiling materials, roof trusses, etc.
  - Stay away from windows to avoid being injured by shattered glass.
- During: If you are outside when the shaking starts...
- Find a clear spot and drop to the ground. Stay there until the shaking stops (away from power lines, buildings, trees, streetlights).
  - If you are in a vehicle, pull over to at clear location and stop. Avoid bridges, freeway overpasses and power lines if possible.
  - If a power line falls on your vehicle, do not get out. Wait for assistance.

~ **Fred Weck, Survey Team Assistant Team Leader**

**SAVE THE DATE! SATURDAY, APRIL 5: EMERGENCY PREPAREDNESS EXPO AT FOUR SEASONS BEAUMONT**

# Safety & Facilities

At our January meeting, we reviewed a number of projects for action or discussed for continuing action.

The safety side of the committee would like the residents of Four Seasons at Beaumont to remember a few common measures. Please lock your doors to your vehicles and residence. There is a simple rule, if you think something you

see is criminal behavior, and then call the police to report it. The Beaumont Police Department encourages residents to report suspicious behavior anytime day or night.

The facilities side of the committee would like our residents to remember that many projects take time to complete. There is the initial information obtained.

There is a review by the committee on the merits of the project. There is a review of the financial merits by the Financial Committee. And there is an ongoing review and input from the Board of Directors from the beginning to the approval of the project.

Our next meeting is Feb. 11 at 9 am at the Lodge. ~ **Dennis Gray**

## Finance Committee

At our December meeting, the Financial Statements for November were reviewed and reflected the following significant items: Net income year-to-date was \$169,087 and total reserves were \$3,945,002. The accounts receivable (delinquencies) were \$65,794. Our total HOA expenses for November (excluding reserve allocations) were \$229,082. This was over budget by \$10,957. There were two Certificates of Deposit renewals to be reviewed. The Front Yard Cost Center expenses for November 2013 were over the monthly budget by \$2,157, water and landscape being the main contributors. Year-to-date expenses for the Front Yard Cost Center were over budget by \$18,534. The Springdale Cost Center Expenses for November 2013 were over

budget by \$748. Year-to-date expenses for the Springdale Cost Center were under budget by \$1,438. There were four vendor proposals presented for approval. Wayne Staples reported on the past due accounts; current owners were 15 and former owners four. Overall delinquency rate is 1.35 percent. There remains a vacancy on the committee. Anyone who would like to join us may pick up an application at the Front Desk of the Lodge, complete it and return it to the Front Desk. We will contact you with further instructions.

Our next meeting is Feb. 26 at 1 pm in the Lodge Conference Room. All homeowners are encouraged to attend. ~ **Noel Myers**

## Landscape Committee

Predicting the weather here at Four Seasons is not all that difficult. Old Timers (with seven to eight winters here) can quite reliably predict that the next winter will be, "different."

History bears this out. We have seen freezing temperatures in the teens, wet Decembers and dry Januaries, wet windy months and dry windy months, frost in April but not in January, and variations of these unrepeatable patterns.

So, if our landscape efforts seem incongruent, we blame Mother Nature. Having to irrigate heavily this January is a prime example of this incongruity. We also blame the Polar Vortex this year. The northern flow of the jet stream has stabilized high pressure over the Four Corners sending hot dry winds through the Pass and across our landscape. Not

only do we have to water more often but the swirling wind has sent the spray from our sprinklers every which way.

The meager rainfall contributes to the disarray. Through mid-January we are a third below our average with no promise of a spring recovery. Our water consumption for 2013 was a few drops below 2012 but the cost was \$4,500 greater due to rate increases.

The significant cost growth was in irrigation repairs which were up by a third. Some of this was due to the 2013 freeze that damaged our back flow devices and some was due to the acquisition of new areas.

Our colorful holiday decorations have been replaced by red berries, yellow cactus and orange fire poker. We now start the New Year with fewer problem

trees, more plants adapted to our climate, a park, relocated benches, and 96 new homes here in our Association.

We have openings for interested volunteers. Plant knowledge is not required as we have landscape professionals. What is needed is the desire to walk around the community and report on the status of plant life and any unusual growth. ~ **Leonard Tavernetti**

# Neighborhood Watch

As our New Year begins we would like to open our bi-monthly Neighborhood Watch Meeting by spending some time discussing various scams. We don't want you to become a victim! Most of us have to deal with incoming calls, e-mails or Internet scams. Our guest speaker will talk about what to do, where to go and how to handle these things at our meeting on Wednesday, Feb. 12, in the Ballroom at 10 am. We hope you will come along and listen and also express any concerns you have on this topic. It promises to be quite a discussion.

We will have a spot at the E.P.P. (Emergency Preparedness) Expo on April 5, so mark your calendars to be at this event between 10 am and 2 pm. Come and learn - then join a team! For more information, flyers for this event are at the Lodge.

We are always looking for block captains as our community continues to grow and change. If you are interested in participating please do not hesitate to contact me (951) 845-5192. We have both existing streets to cover and those that have just been completed.

Let's continue to keep our neighborhood a safe place to be this year and "If we see something, say something." ~ **Susan Wilson**

# Rules & Regulations

Our monthly meetings are on the second Tuesday of each month. Agenda for February will include finalization of a resident survey for our new fitness center. The committee is in the capable hands of Carol Napolski who will continue to act as interim chairperson into 2014. ~ **Barbara Miller**

# Event Systems

The Holiday Home Tour was, once again, a huge success. With seven lovely homes partaking and over 180 people touring, it has proved to be a Four Seasons standard.

We look forward to bigger things with next year's tour. If you feel your home and holiday décor are above and beyond, please contact tour director Teri DiMarino-Davidson at k9styler@aol.com or (951) 769-4345. We will also be setting a date for our Outdoor Living Tour at the end of May, so if you have a garden or back yard that is unique and to be envied, please contact Teri for more information.

While we have made huge changes in the audio and visual equipment of the community, we are making an internal change as well. ESC organizer, Roland Harrah, has been instrumental from the start in the research, planning, purchasing and

maintenance of the equipment used here at Four Seasons. He has also been the "man behind the knobs" at nearly every show or function here. With that said, Roland is stepping back from these duties and training others to move forward with the committee.

Roland will still be our sound man for some of the Amphitheater productions and will fulfill some other promises he has made, but it looks like he will finally be able to sit back in the audience and enjoy a performance without having to "fix stuff." Roland will remain on the ESC as Chairman. We would like to thank Roland for all of his hard work and dedication in helping make our community centers more enjoyable for our residents. ~ **Teri DiMarino-Davidson**

## Knitting & Crocheting

I hope everyone had very pleasant holidays and are ready to start a new year. We had a lovely holiday luncheon at the Grand Oak Restaurant in Cherry Valley. There were 10 of us and we all had a very good time, with lovely surroundings.

We are ready to start this year's project for the Beaumont Senior Center, but have a long time to prepare. Come join us. I want to wish all Four Seasons residents and very happy and healthy New Year. ~ **Dorothy Payne**

## “Believe:” Women’s Bible Study

We began the new women’s Bible study, “Believe...” last month. Twelve of the ladies who attended were given details as to how this Bible study came to be, and the vision for this study. We discussed the difference between believe, faith and trust, and cited scriptures to help define them. All Four Seasons women are welcome to and encouraged to attend this non-denominational study, and to meet and make new friends. Come join us every Friday from 10:30 to 11:30 am in the first section of the Ballroom. See you there! ~ **Eileen Gilbert-Antoine**.

## Machine Quilting

This is the current project the Quilting class is doing now. We will be working on this project for a couple of weeks just in time for Valentine's Day. So come on down to the Craft Room on Sundays, at 1pm, for a fun-filled day. If you want a kit, please let me know. Future projects we will be doing are aprons, place mats, spring time table runners, 4th of July runners and so much more. We will also be doing a Quilts of Valor, which will be a team effort. Can't wait for that project. Any questions, please call me. Kathy Spallino, (760) 217-8684. ~ **Kathy Spallino**

## Rainbow Group

Please feel free to visit our group which will focus on gay, lesbian, bisexual and transgender concerns, cultural and social aspects of the community. We have good conversations and celebrate the local LGBT community. We're also participating in social activities with the Four Seasons Palm Springs Rainbow Group.

We will meet on Sunday, Feb. 16 at 5 pm in the Lodge Conference Room. It's always the third Sunday of the month. Please bring a dish of your choice for a potluck. We'll also celebrate February birthdays and anniversaries. Friends are welcome. If you are interested, contact Dale at (951) 797-0364; e-mail Dale at dbeckes@dc.rr.com; or Barbara at (951) 845-6246; e-mail Barbara at bamerton@alumni.ucla.edu. You may also sign up on the interest group clipboard at the Lodge. ~ **Barbara Kwiatkowska**

## The Chavurah & Havdalah Club

The Chavurah & Havdalah Club welcomes all interested Four Seasons residents who want to connect to Judaism, its culture and celebrations. In the coming months we have planned several outstanding events. Jan. 18, we had a Tu B'Shevat house party and celebration of the fruits and vegetables of the season, along with an exciting discussion, led by Burt Orland, of Environmental Awareness, and our responsibility to the land. In February we will have a Travel Event; in March, connecting to other organizations in joyous celebration and carnivals of Purim, celebrating religious freedom; and in April a full Passover Seder and reading of the Hagadah, in our Four Seasons Ballroom.

Members enjoy social, cultural and religious get-togethers, connections to other organizations in and around the community, exciting seasonal celebrations, and tasting a variety of Far Eastern and Mediterranean ethnic foods and drinks. For more information or to join, please contact: Rachel at Chavurah.time@aol.com, or call Toni Finer, Program Coordinator, at (951) 769-0351. ~ **Kathy Spallino**

## Women Celebrating America

We watched the DVD of *The President's Wives* and reviewed the Women's Rights Time Line as we discussed the extraordinary but lightly noted efforts of women in America.

Our next meeting is Wednesday, Feb. 5, at 7 pm in the Lodge. Tentative agenda is the DVD of *President's Mothers*.

Plan to join us as we celebrate women in America. Discussion leaders are Florene Boyar and Lynette Simonson. ~ **Lynette Simonson**

## Creative Drawing & Sketching Class

Classes are Mondays, 10 am to 12 pm and/or Wednesdays, 6 to 8 pm. Just stop by. ~ **Rob Kelman**

## Life Guide Bible Study

In February, we will continue the series on “You are Shaped for Significance.” We began our series by considering five factors that determine the way we are shaped, and how the way we are shaped affects every area of our life – our relationships, our career, our finances, and the things we enjoy. It affects everything. We will continue in February by looking at these different factors and consider such topics as Making the Most of Your Assets, Living Your Heart's Desire, and Learning from the School of Life. Come and join us as we explore these subjects of interest to everyone. Everybody is welcome!

Our Bible Study meets on Tuesday evenings in the Lodge Ballroom from 7 to 8 pm. The club provides an opportunity for us to meet others in the Four Seasons community, and also a chance to encourage and strengthen one another in our walk of faith. Each lesson is self-contained, and everyone is welcome. For more information, call Don Cummings at (951) 572-5329. ~ **Don Cummings**

## Camera Club

We meet the third Tuesday of each month at 6:30 pm in the Lodge Craft Room. Our next meeting is Feb. 18. Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings and field trips. Members are always eager to help and teach. We discuss photography, photo software, hardware, and related subjects of interest.

On a voluntary basis, members offer their photographs for critique which is a great learning experience for all. Remember, this is purely “voluntary.” Our alternative photo project is ongoing (i.e. we bring a picture of a specific genre we all agree on). For the January meeting, it was any photo of either a sunrise or a sunset. This, also, is completely voluntary. That's the great thing about our camera club. If you desire, you don't have to volunteer any pictures... just sit back and learn from the discussions and critiques!

Also in our January meeting, we had an interesting talk about using a slide show to present all of our fantastic holiday photographs.

We had a great field trip on Jan. 17. For starters, we met at a local restaurant for good food and chit chat. Then, onto Sunnylands in Rancho Mirage which is the former winter residence of Walter and Leonore Annenberg and was designed by A. Quincy Jones. We took some fabulous photographs of the grounds and had a great time.

Hope to see you at one of our meetings soon. For further information, please contact Lyle Cameron (951) 849-6987. ~ **Lyle Cameron**

## Bunco

This month we will be able to celebrate Valentine's day together as Bunco will be on Feb. 14 and Feb. 28. So bring a friend or neighbor and join us. We have a lot of fun and Bunco is easy and no stress is involved. We meet in the card room at 1 pm sharp. Don't forget to grab a drink at Smitty's or maybe even lunch beforehand. Hope to see you there. ~**Suzanne Roldan & Cheryl Burke**

## Pan

We are looking for players, substitute players and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so men are very welcomed as well as women. The game can be played in the day, evening, in a room in the Lodge or in private homes. If you are interested, please call me, Linda Mendelson, at (951) 941-9100 or e-mail me at Goldtoy@earthlink.net and I will answer any questions you may have. As all card games, it is played with both skill and luck. ~ **Linda Mendelson**

## TOPS

The year is off and running. If you are still thinking about the pounds you may have put on over the holidays it may be time to join TOPS (Take Off Pounds Sensibly). Come out and see if TOPS can help you reach your weight loss goals. We are a great support system for each other and even though we think we know how to lose weight there are still things we can learn about becoming healthy. TOPS is also very affordable (\$28 per year membership, \$3 chapter dues each month).

We meet in the Ballroom each Tuesday with weigh-in starting at 8 am and the meeting beginning at 8:30 am. So come and join us you have nothing to lose but weight.

For more information please contact Cathy Calhoun, Four Seasons resident and Leader at (951) 849-2614 or Rosalee Strong, TOPS Area Captain at (951) 844-9313. ~ **Cheryl Burke**

## Canasta #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet in the Card Room every Thursday afternoon, 1:15 to 4 pm. Each week you may play with someone different, giving you an opportunity to meet other Four Seasons residents and old friends who enjoy an afternoon of "cool" cards. Plus, the Bistro is just down the hall if you would like a snack or a cold drink. We supply the cards so all you have to bring is your body and the desire to have a little fun. If you don't know how to play we are always happy to set up a teaching table and by the time the afternoon is over you will have mastered the game. All you have to do is show up and leave the rest to us. ~**Melody Seewoster**

## Mah Jongg

Everybody is welcome to join us for fun Mondays at 1 pm in the Bistro. Beginners as well as seasoned players can join the fun. We usually have several tables of three, four or five players and someone is always available to teach or assist those who are new to the game or those who haven't played in many years. A current Mah Jongg card is required but you can borrow or copy one until you are sure you want to invest the \$8 in it. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Yvette Thomas**

## Pinochle

Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This game is played with a double deck of special cards of ace through 10 against other aficionados, to tease your mind, and keep you sharp. Come join the game on Wednesday and Fridays from 9 am to 12 pm in the Card Room. Newbies and oldies are welcome for fun and socializing. Info., George Soeten, (951) 797-0254. ~**George Soeten**

## African American Culture Club

Our Annual Holiday Dinner/Dance in December was a spectacular success. The women were dressed in beautiful dresses and gowns. The men were dressed in their tuxedos and stylish suits. The Ballroom was decked in its finest, the food was delicious, and we danced the night away. It was a wonderful holiday celebration. Along with the Holiday Gala we participated in Toys for Tots and collected over four large boxes of toys at the Gala that was given to a local institution, Childhelp Merv Griffin Village. We all agreed to make Toys for Tots a part of all future Christmas dinners.

February is Black History Month. We are planning a couple of events to celebrate Black History Month. Everyone in our community is encouraged to attend. The first event will be Saturday, Feb. 8, 12 to 2:30 pm, in the Ballroom. We have an informative and inspiring program planned. Southern style hors d'oeuvres and beverages will be served. You will be treated to a taste of our history, Gospel singing, food, and excellent talents. Bring your family, and friends. The cost is \$5 per person. All reservations and monies must be received by Jan. 22.

On Friday, Feb. 28, from 4 to 8 pm, we will feature "Steppin in Black and White." This is a dress-up ball, featuring dancing, dinner, Music of the Era, and just a "down right" good time. The cost is \$10 per person. The food served will be southern home cooking. Suggested attire black and/or white. Adults only. Reservations and monies must be received by Feb. 10.

To make reservations for the above events please contact Roxie Elliott (951) 769-2517, Brenda Dixon (951) 769-3262, or Johnetta Discroll (951) 922 6039.

## Taste d'Vine

Wine aficionados tell us that to enjoy Italian wine all you have to do is taste it! Join us for a journey through Italy's premier northern wine producing regions where we will taste delicious wines from the Veneto, Piedmont, and Tuscany at our February meeting on the third Thursday, Feb. 20, 6 pm in the Ballroom. Bring an appetizer such as bread or crackers and cheese, your own favorite bottle of wine if you wish, and a glass or two for tasting and sharing. Members \$5, Guests \$8. ~ **Gracy Luna**

## Bridge

Join us on Monday for the game of Bridge in the Lodge Card Room at our new time, 12 pm. All levels of Bridge players are welcome. Beginners can take free lessons at 11 am every week. Bridge gives the brain some exercise and we can all use that at our age. We play party type Bridge where we rotate partners. This enables you to meet and play with different people. All of us play at different levels and are learning how to play the game better (practice makes us better).

Some of the previous students have learned enough that they now sit in and play. If interested

or have questions please call Helen at (951) 845-9312. We will be glad to help you learn the basics of the game and hope that you will join us to either learn how to play, watch or play the game of Bridge. ~ **Bill Guy**

# Line Dancing

My goal for this class for 2014 is to learn at least one new dance a month. Last month we worked on “Beer for my Horses” by Toby Keith. This month in honor of St. Patrick’s Day, we will be learning the Irish Salsa.

Dancing is such a good exercise. Not only are you moving around, but you are concentrating and trying to get your feet to do what your mind is thinking. This often results in despair (I cannot do this), frustration (Why can’t I get this one part?) and, then triumph (I finally did it!). Then the laughter and hugs just bubble over.

If you are looking for exercise and fun, come join us. The beginning class starts at 3 pm and is only forty five minutes. The advanced class begins at 3:45 pm and is always working on a new dance. We also take the time to dance to old favorites. We sometimes dance so much we actually work up a sweat. Please remember to bring water with you... you will be glad you did.

Any questions? Call (951) 769-3889. ~Martha Franck

# Old School Dance

We hope everyone had a blessed holiday and a happy new year. We return in March with tunes from rock and roll 50s classics to 60s R&B Motown. Enjoy a great workout while unwinding with your favorite beverage and getting to know your neighbors. We wish everyone a healthy new year and hope to see you at our next Old School Dance. # Heart & Soul Line Dance

Can you believe the first month of our new year is already gone? In addition to our regulars our first class of the new year came with some new dancers – welcome Judy, JoAnne, Laura, Terry, Pat, Ami, Barbara, Kathy (the Box Springs Trail group) and Dena, and we also saw some dancers we haven’t seen for some time, welcome back Rhonda and Chin. Hope you will all join us again. The new year also came with new dances and spent the month reviewing them to ensure we all learned them. We also revisited a few dances we haven’t done in a while. Hope it was as much fun for you as it was for me!

Announcement Reminder: Saturday, Feb. 22, our Heart and Soul Line Dance Workshop from 1 to 5 pm. This is an opportunity to bring our other dance instructors to teach us some of the dances they are teaching in their classes throughout the Inland Empire. We always have a great time. You should find flyers that provide complete details at The Lodge and in class. Hope to see you there.

Class schedule: Wednesday, 4 to 5:20 pm for beginners and 5:20 to 6 pm for intermediate. If you have any questions, please call Priscilla at (951) 922-0755. ~Priscilla Robles

# Book Club

Our February selection is *The Signature of All Things* by Elizabeth Gilbert. In *The Signature of All Things*, Elizabeth Gilbert returns to fiction, inserting her inimitable voice into an enthralling story of love, adventure and discovery. Spanning much of the eighteenth and nineteenth centuries, the novel follows the fortunes of the extraordinary Whittaker family as led by the enterprising Henry Whittaker — a poor-born Englishman who makes a great fortune in the South American quinine trade, eventually becoming the richest man in Philadelphia. Born in 1800, Henry’s brilliant daughter, Alma (who inherits both her father’s money and his mind), ultimately becomes a botanist of considerable gifts herself. As Alma’s research takes her deeper into the mysteries of evolution, she falls in love with a man named Ambrose Pike who makes incomparable paintings of orchids and who draws her in the exact opposite direction — into the realm of the spiritual, the divine, and the magical. Alma is a clear-minded scientist; Ambrose a Utopian artist — but what unites this unlikely couple is a desperate need to understand the workings of this world and the mechanisms behind all life.

Exquisitely researched and told at a galloping pace, *The Signature of All Things* soars across the globe — from London to Peru to Philadelphia to Tahiti to Amsterdam, and beyond. Along the way, the story is peopled with unforgettable characters: missionaries, abolitionists, adventurers, astronomers, sea captains, geniuses, and the quite mad. But most memorable of all, it is the story of Alma Whittaker, who — born in the Age of Enlightenment, but living well into the Industrial Revolution — bears witness to that extraordinary moment in human history when all the old

assumptions about science, religion, commerce, and class were exploding into dangerous new ideas.

Join us Tuesday, Feb. 11 at 9:30 am in the Conference Room at the Lodge to discuss *The Signature of All Things*.

The March Book Club selection will be *The Maid’s Version*, by Daniel Woodrell. Peggy Dashel will be leading the discussion. You are welcome to join us at any of our meetings. For more information about the Book Club, please call Doreen Sanders at (951) 769-1913. ~Micki Rosen

# Performing Arts Club

You never know when you just might be in the right place at the right time, as some diners found out while eating at the Bistro just before Christmas. Just like spontaneous combustion, several members of our choir, under the direction of Barbara Wasco, decided to create a “flash mob” of sorts. On cue, those involved started dancing and singing Christmas carols while at the same time shaking their keys and jingling bells of accompaniment. Not only did the diners seem to enjoy our raucousness, but I can concur that the singers had great fun doing it. So, in the future, if you see a group from the choir sitting around, wait and see... you just might be in for a surprise.

Speaking of surprises, wait until we start to roll out our long list of entertaining evenings for your delight. Due to the popularity of the Ballroom, most of our events will take place on Friday evenings, when the Ballroom is used less often. The next Friday night to keep your eyes open for is our Radio Theater Show, scheduled for February, but at this time, I don't have the exact date. Please check the *Breeze* Calendar insert so you can circle it in your appointment books. Our Radio Shows have regularly brought out our residents for an enjoyable evening and I'm positive that the selections chosen for our next one will continue to keep you extremely happy with our programming. I hope to see more and more of you attend. I doubt we will disappoint your expectations.

Next is the much anticipated Murder Mystery Dinner Theater in March. This performance is a “not to be missed” event. The title is *The Anniversary* and for some of you, it may bring back some memories from 2 years ago. What do I mean? I'm not saying anything else, except you will most assuredly enjoy it. The cast has just started rehearsals twice a week (in early Jan) to get ready to give everyone the performance of our lives. So, as soon as you see tickets go on sale, my recommendation... Don't wait! Buy your tickets ASAP! There will be two performances offered, Friday or Saturday for your convenience. That's it for now... but there is a lot more coming. ~ *Teri Meyers-Kelman*

# Toastmasters

It is Open House time for our Four Season's Toastmasters Club. The is a time for you, our residents, to join us for an open meeting of entertainment, dinner, a no obligation view of how a meeting is run and what Toastmasters is all about, if you are not already familiar with the organization. However, this Open House will be different than our previous one in several ways.

- The speeches will be entertaining speeches (our last Open House concentrated on Special Occasion speeches).
- We will be sharing the meeting with the Toastmaster Club from Banning, Hamalot. They meet once a month on the last Sunday at 5 pm at Carrows and are a “humor based” club. (I belong to both clubs.)
- We are asking the weatherman and Mother Nature to forgo any bad weather for this evening.
- The meeting will be held in the Lodge Ballroom
- Several types of food will be provided, or you can order dinner from Smitty's.
- It will be held on a Sunday evening, not a Wednesday.

## TOASTMASTERS INTERNATIONAL OPEN HOUSE # 2

When: Feb. 9, 6 to 8 pm

Where: Four Seasons Lodge Ballroom

Why: To be entertained, enjoy a meal, with or without dessert, socialize with your neighbors, and learn about Toastmasters (without ANY obligation)

# Counter Culture Cinema

We've got two really interesting films lined up for February:

Our first February screening, on Sunday, Feb. 9 at 6 pm is the film *No* (Chile 2012, 118 minutes, English subtitles). Here is a brief description from IMDB.com: “An ad executive comes up with a campaign to defeat Augusto Pinochet in Chile's 1988 referendum.”

Our second February screening, on Sunday, Feb. 23 at 6 pm, is the film *Greedy Lying Bastards* (USA 2012, 90 minutes), rescheduled from an earlier date. Here is a brief description from IMDB.com: “Melting sea ice, glacier loss and rising sea levels. Severe droughts and wildfires. Increasingly severe tornadoes, hurricanes, and flooding. Record heat waves. Climate change is no longer a prediction for the future, but a startling reality of today. Yet, as evidence of our changing climate mounts and the scientific consensus proves human causation, there continues to be little political action to thwart the warming of our planet.”

The Lodge theatre has very limited seating, so if you're interested in our screenings, come early. We hope to see you there! If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please e-mail Micki Rosen at [michelesrosen@gmail.com](mailto:michelesrosen@gmail.com). ~ *Micki Rosen*

## Amateur Radio Club

The American Radio Relay League (ARRL) is a national association supporting amateur radio operators in the United States and abroad. With a membership of over 160,000 "Hams," the ARRL is the largest organization of radio amateurs in the world. Its mission is based on five pillars: Public Service, Advocacy, Education, Technology, and Membership. Founded in 1914 by one of the early radio pioneers, Hiram Percy Maxim, the organization will celebrate its centennial next year at numerous events across the country including a convention in Hartford, Connecticut, where its headquarters are located.

Four Seasons at Beaumont Amateur Radio Club will also mark a milestone in 2014; our third year as a community-sanctioned and FCC-licensed club. The club started in 2011 with only five members, all licensed Amateurs — today we have 24 members, 10 of whom have Amateur Radio licenses. The primary goals of the organization are to advance our

## Writers' Club

Our members canceled the January meetings because of the distractions of the holidays.

We also decided to hold meetings on the first Tuesday instead of the second Tuesday of each month for a variety of conveniences.

The first meeting of the new year will be Tuesday, Feb. 4, at 1:30 pm in the Lodge Ballroom, section 3. Visitors are welcome. ~ *Joseph Laurin*

knowledge of radio; and organize our radio resources to help Four Seasons residents during an emergency. Over the past two years, we've become an integral part of the community's Emergency Preparedness Program. We've developed protocols and procedures for radio operations during an emergency. Our members participate in a weekly "net" that tests their communication skills using inexpensive, license-free, hand-held radios. We have a lot of fun in the process.

Does this sound interesting to you? Our website is W6FSB.com; come and join us at our next club meeting, held the last Friday every month, usually in the Ballroom, at 10 am. ~ *Jim Peterson, K6JWP*

Tracing your African American roots can be challenging. Research in the years prior to the Civil War depends on a person's status, whether slave or free.

If free, more records are available, and they are more likely to show up on census reports. If slave, not much, if anything, was written down, and the best chances of finding your roots lie in researching the slave owners.

In census records from 1790 to 1840, only names of heads of households were

provided, and only the number of slaves, (no names), were indicated. In the 1850 and 1860 census reports the gender and age of slaves were indicated, but still no names. However, all free blacks were named in these reports.

Beginning with the 1870 census, the names of all African Americans were listed. And since the time of the American Revolution, African Americans have volunteered to serve their country in times of war, meaning there are military

records to research that might yield good results.

The National Archives and Records Administration, (NARA), is a very good source for African American family research. It's located about 35 miles from here in Perris, and it's free. So please keep trying. You never know when you'll hit the jackpot and find that long lost relative. Info., Willis Fagan, Club Captain, (951) 769-4482, wefbev@verizon.net. ~ *Willis Fagan*

# Garden Club

No better example of the word, "Irony" exists than the mocking of a weakling or softie by the categorization as "Pansy." If there is a hardier winter plant at Four Season that reliably brightens the landscape with colorful blossoms during are coldest months, we haven't found it.

The common names "pansy" and "violet" are often used interchangeably. When a distinction is made, plants considered to be pansies have four petals pointing upwards, and only one pointing down. Violets have three petals pointing up and two pointing down. Modern horticulturists tend to use the term "pansy" for those multi-colored large-flowered hybrids that are grown for bedding purposes every year, while "viola" is usually reserved for smaller, more delicate annuals and perennials. Pansies grow in a wide range of colors and bi-colors including yellow, gold, orange, purple, violet, red, white, and even near-black (very dark purple). In the United States, pansies have been colloquially referred to as "football flowers" because of the Milwaukee "Football" or soccer decorations that use white chrysanthemums and black pansies to create a soccer ball (no flower gets quite as black as a pansy). A German fable tells of how the pansy lost its perfume. Originally pansies would have been very fragrant, growing wild in fields and forests. It was said that people would trample the grass completely in

eagerness to pick pansies. Unfortunately, the people's cows were starving due to the ruined fields, so the pansy prayed to give up her perfume. Her prayer was answered, and without her perfumed scent, the fields grew tall, and the cows grew fat on the fresh green grass.

Plants grow well in sunny or partially sunny positions in well-draining soils. Pansies are perennial, but normally grown as biennials or annuals because of their leggy growth. The first year plant produces greenery, and bears flowers and seeds in its second year of growth. Afterwards, the plant dies like an annual. Because of selective human breeding, most garden pansies bloom the first year, some in as little as nine weeks after sowing.

Pansies do have their enemies. Aphids which can spread the cucumber mosaic virus, sometimes feed on pansies. Leaf spot is a fungus. Symptoms include dark spots on leaf margins followed by a white web covering the leaves. It is associated with cool damp springs. Mildew is another fungal infection. Symptoms include violet-gray powder on fringes and underside of leaves. It is caused by stagnant air. Slugs and snails feed on the foliage. Stem rot, also known as pansy sickness, is a soil-borne fungus and possible hazard with unsterilized animal manure. ~ Leonard Tavernetti

# Racquet Club

Winter on the tennis courts has seemed a lot like spring on the tennis courts. With mostly beautiful Beaumont weather we have been able to have great turnouts for our Play Days and for the twice-a-month Mixed-Up-Doubles. As a reminder, the Play Days are held every month on the last Saturday of the month, beginning at 8:30 am. The player rotation is set up to assure lots of time on the court and a little time for kibitzing and chatting. All interested players, whatever level of skill, are invited to join in, though non-members will be encouraged to join the Racquet Club.

Barbara Miller is continuing to arrange the mixed doubles play on the second and third Thursdays of the month. Team members are switched around so that players can have the fun and experience of playing with and against different players. There is some leveling done so that wide differences of

skill are avoided, particularly when more dominant players, kind as they may be, might be frustrating (or scary) for less advanced players.

Advanced players are great resources for the beginning and intermediate players, both in regard to playing tennis and the rules and protocols of the court. Another useful resource is the Internet, with numerous tennis-related sites. One article at <http://tennis.about.com> provides helpful advice on having fun on the court and appropriate etiquette. Suggestions include:

- If the server needs a ball, the player closest to a ball should get it and send it to the server.
- Send a ball to the server so that he/she can catch it easily with one hand. Getting the ball to the server with one soft bounce, is preferred.
- Never hit a ball hard toward the server's side with the intention that he/

she will eventually collect it off the fence.

- Other points of etiquette include: Don't return an obviously out serve; that's like stealing a practice shot, and it slows up play by spraying balls around instead of controlling them at the fence or collecting the ball.

- Also, the server should clearly announce the score prior to each serve. That's particularly important for us seniors who can't remember what day it is much less the score.

# Pickleball

Winter has been so much fun trying to stay warm and hit that crazy yellow wiffle ball around in the wind. It has certainly given us more practice in accuracy and a lot more exercise. We are enjoying being with new friends and breathing in the fresh air and sunshine. We hope to get more play days with pickleball groups from other communities. Also, there are several 55 and over tournaments we are checking out. Two of our players received medals at the Hemet OLDlympics. Gracy Luna received the gold medal and Marty Key the silver. Lots of fun was had by all and we can't wait to enter into more events next year. If you are new, come out on Tuesday, Thursday or Saturday mornings at 9 am and check it out. We share the paddle tennis courts with the paddle tennis players. Go on line

to Pickleball Central and watch the game being played. I'm sure you would love it as much as we do!

Remember the schedule is: 8 to 9 am Tues., Thurs., Sat. intermediate and advanced group play. At 9 am we all mix in with each other and help each other improve and learn the game. New players and beginners should come at 9 am on those days so we can all help you.

Monday and Wednesday evenings are for advanced and reserved groups. Please call each other at your individual levels to schedule play times. For more information, please contact Marty Key at (562) 331-0817 or e-mail [keeksmail@yahoo.com](mailto:keeksmail@yahoo.com). ~ **Marty Key**

Four Seasons residents enjoy the pickleball courts year round.

# Ping Pong Club

Our table tennis group is not just about competition. It is also about having fun and getting in some good exercise at the same time. So, whether you are a beginner or an Olympic champion, there is a place for you in our group. Come out and enjoy the fun Monday through Friday at 10:30 am and Saturday

at 11 am. Please contact Niles Sundstrom at (951) 572-5119 or Alan Chan at (951) 769-4202 if you have any questions or need more information about your Four Seasons' Ping Pong Group. ~ **Niles Sundstrom**

Barry Pope and Suchart Sudhamma are big hitters in our club.

Alan Chan and Lian Lee add a lot of fun to our games.

# The 8-Ball Club

In December, at the request of the Four Seasons 8-Ball Club, the Board of Directors approved maintenance expenses on our pool tables. This maintenance is generally required every two to three years. This work included replacing the felt coverings, replacing the rail cushions, polishing the edges, balancing and leveling.

To protect these valuable assets please review and adhere to the following guidelines:

1. Never sit or lean on the table edges for any reason, bridges are provided for hard to reach shots. Putting weight on the sides of the table can affect the balance, pull on the felt or distort the cushions.
2. Please do not attempt MASSE' or JUMPSHOTS on our tables. These shots require the elevation of the back of the pool cue radically to chop down toward the table surface. This is a threat to rip and/or tear the felt surface and require complete replacement of the felt prematurely.
3. When breaking the balls to begin play, please use the circular break pads provided under the cue ball. This prevents an errant stroke from accidentally ripping the felt. The break pads are kept in the corner pockets nearest the head rail end of the table where the cue is placed for breaking the rack.

Please, no eating in the pool room and drink only from containers that have sealed lids. This prevents spills and

stains.

Meanwhile in tournament play this month:

Dennis Cleveland and I (Roland Harrah) competed in a field of 12 players for the monthly 8-Ball tournament and I came away the winner.

In 9 Ball action, our team Captain Del Lyles Sr went into the finals undefeated, but lost the first game to Ray Windhorn. In the rules of double elimination, Ray had to beat Del twice to win the tournament and Del won the second game for the victory. Ten players vied for the win, but above all Del was the champion.

We practice together at 7 pm on first and third Mondays, Wednesdays and Fridays.

Monthly 8-Ball Club meetings are on the first Wednesday of the month at 7 pm.

The In-House 8-Ball tournament is on the second Wednesday at 7 pm.

In-house 9-Ball tournament is on the third Saturday of the month at 1 pm.

Our "traveling tournaments" are the second and fourth Monday of the month. The second Monday, we travel to Hemet Solera and the fourth Monday Solera Hemet comes here. Check the message board in the billiards room for any changes of dates or locations.

## Billiards for Fun

Our December potluck had the largest attendance to date. Almost half of our 45 members were in attendance and enjoyed the delicious and bountiful fare. We sure have amazing cooks in this group.

Since the last two Tuesdays of December fell on Christmas Eve and New Year's Eve, we offered a two-week sabbatical to the members. Alas, our enthusiastic members still wanted to play, and play we did (until the Lodge closed for each holiday, of course).

Our Jan. 7 play mixed up the talents of the group a bit. After pulling peas, many of the members had a first-time pairing. In

photo #1, Gary Christie prepares to make a key shot, as partner Rich Meumann looks on. Claudeen Diaz listens carefully to partner Bob Kemp in photo #2 as he gives her instructions for her winning shot. Photo #3 shows Claudeen (our newest lady member) doing a victory dance after sinking the 8 ball for the partnership win. Go Claudeen ~ we're so proud of you!

Anyone interested in joining our fun group, look for us in the Billiards Room on Tuesdays from 1 to 3 pm and we'll welcome you with smiles and laughter. Come check us out... All are welcome. ~ **Eileen Gilbert-Antoine**

## Horseshoes for Fun

Our group is growing; we now have ten regular players. We meet at the horseshoe pits every Wednesday at 9:30 am and we play until approximately 10:30 am. Come on out and join us, it's a great way to make new friends and get a little exercise in the fresh air. If you are interested in joining us, please contact Ron Erickson at (951) 846-3288, rejlerickson@sbcglobal.net or Gary Christie at (951) 941-9100, goldtoy@earthlink.net. ~ **Ron Erickson**

## Bocce Ball

We are still playing at 9:30 am Tuesday mornings. Our club meeting is the third Wednesday at 2:30 pm. Weather permitting, the meeting will be held at the courts. # Hearty Hikers

An evening of both celestial and human beauty made the December hike a wondrous event for 13 Hearty Hikers.

Assembling in the parking lot of the new model homes with a light breeze and balmy temperatures, the group reconnected with many part-time hikers who had missed some of the 2013 walks.

Mother Nature set the mood with a twilight show of a brilliant red western sky as the hikers began their search for decorated homes at Four Seasons. With the sky darkening a full moon arose over the twinkling lights of the Pass area. Strands of wispy clouds bisected the glowing globe that lit up the streets of our community. The route was a serpentine through the side streets of Mesa Verde and Plymouth Rock. Recent winds (and age) had discouraged many homeowners from creating roof top displays but the front yards along the Parks and Rocks were well lit with seasonal themes. Adhering to the City of Beaumont Silent Sky ordinance, the hikers refrained from caroling residents who had worked so hard to create holiday displays. The hike ended after 90 minutes and ended the 2013 schedule for the club.

To find out where else we are hiking in 2014 call or e-mail Lynette. ~*Leonard Tavernetti*

# Paddle Tennis

In late December Terry Miller (5th on the ladder) began a rampage of paddle tennis challenges.

First there was Alan Chan (4th on the ladder): Terry won. Then there was Michael Rothberg (3rd on the ladder): Terry won. On Dec. 29, Terry bit off a little more than he could chew and was stopped in his quest to be numero uno.

Terry Miller and Robert Norwood

Robert Norwood successfully defended his top ladder position. Terry remains at number 3. Others have now been inspired and more challenges are in the offing.

We are open to anyone who would like to play this easy-to-learn sport. You don't have to be a star athlete to play. Everyone just has a great time when they come out

to play. Just come on out, we always have extra paddles and everyone will gladly help you play the game.

Court times: Official - Wed., Fri., Sun., 2 to 4 pm. Unofficial - Fri., Sun., 8:30 am to 10:30 am.

# Firearm Enthusiasts

As I'm writing this article (early January) and the weather has been almost perfect for outdoor activities such as a round of trap, checking the sighting of your favorite rifle or keeping proficient with your pistol which I'm sure some of you have. Ammo has been slowly coming available lately and yes, I know the prices probably won't drop back to a reasonable level, like nothing ever does.

The Ontario Gun Show last month had plenty of ammo however, I didn't see much .22 long rifle and what I did see was expensive. If you missed it, it will be back on March 1 and 2 at the Ontario Convention Center. Parking was raised to \$9 and entry is \$14 (or renew your NRA and get in free). Gather up your friends and carpool to this next one for some fun.

Interested in an outing? Just contact the membership listing for others who may also want to go or contact me and I'll spread

the word to all. The closest indoor range (Beaumont Indoor Range) is less than three miles from the Potrero Gate located on 4th St. west of Veile St. They carry ammo for range use only (call ahead for availability). The outdoor range that I frequent is the High Desert Rod and Gun Club Range located about 35 miles away on the Hwy. 62 in Morongo Valley (no ammo availability). Their website with directions is [hdrgc.com](http://hdrgc.com).

Don't forget to get a copy of the year-end party notice scheduled for March 14 at the Lodge sign-up area.

Get out there and enjoy the sport. Be safe and comply with CA transporting laws. Our monthly meeting is the first Friday each month at 4 pm. Info., Steve Meier at [sm45para@gmail.com](mailto:sm45para@gmail.com) or (909) 528-3342. ~ **Steve Meier**

# Motorcycle Club

We started the New Year off by viewing the movie "Why We Ride" during our first monthly meeting. We also welcomed a new riding member of our community, Jessie Aceves.

The movie and the good weather got our adrenalin flowing and we are anxious for new rides, trips and adventures in 2014.

We continue our local Thursday rides and we have a few longer rides on the agenda. The first of those will be a five night trip in late March in which we will travel north to Lone Pine, then east through Death Valley and on to Las Vegas and Prescott and then we will spend two nights in Phoenix to attend their annual motorcycle show before returning home.

It should be a great year. If motorcycling interests you, attend one of our monthly meetings which are held in the Ballroom on the first Wednesday of the month at 6 pm. ~ **Howard Lyon**
