THE GATEWAY PROJECT, AN INFORMATIONAL SUMMARY

By Jacque Sneddon

It recently came to my attention that a massive storage facility (2 ½ million square feet) was being planned for the area north of Cherry Valley Boulevard, east of the 10, and west of the Solera community. The Shopoff Group (real estate investors) has submitted a request to the Riverside County Supervisors to change zoning in the area from rural residential to commercial.

The Beaumont City Council has sent a resolution to the Riverside County Supervisors stating the city's stand as against

a change to the zoning and disapproval of the storage facility. The residents of the Solera community have been actively working to stop this project since its inception.

Because of the input from Solera and many Beaumont residents, Supervisor Marion Ashley created a committee to discuss the issue. Our own Anita Worthen was appointed to the committee.

The committee was intended to meet over the next few months; however, by the second meeting it was apparent there was no appetite for the project and a motion

was made to submit the recommendation to the Supervisors not to approve any zoning change or the project.

The concern is that until the Supervisors vote the issue is still in play. Warehousing of the magnitude planned will impact our traffic and air quality. For more information the No Way Gateway grassroots group has a website Nowaygateway.org.

Residents are invited to make use of the website and watch for further developments in the local newspapers.

District 7A CFD Bond Reformation Town Hall Q & A

By Jeri Mupo

Q: What is a CFD?

A: The Mello-Roos (formally the Community Facilities Act) was passed by the California Legislature in 1982 after Prop 13 severely limited the ability of local governments to raise taxes. The bonds issued under Mello-Roos pay for the expense to the City for providing facilities and services, such as, sewer, water, streets, landscapes, bridges, parks and recreational facilities. Our CFD bond was issued to pay for the improvements for our community.

Q: What is reformation?

A: A reformation would be to pay off the existing bond with a new bond.

Q: What is the benefit to approving the reformation?

A: A new bond will provide a fixed assessment per year.

Q: Why would we want to reform the current bond?

A: Currently, the yearly assessments increase 2 percent per year. For instance, currently an Arbor assessment is \$1,576.00 per year. With 2 percent per year, next year the assessment will be \$1,608.00, in 5 years \$1,811.00 and in 10 years it will be \$2,080.00 and increasing an additional 2 percent per year. With a reformation there is an estimated payment of a constant \$1,545 per year for the term of the bond for an Arbor.

Q: If the reformation passes, will it change the amount I currently owe?

A: No, you will continue to owe the original assessment less any payments made.

Q: Can I pay off the assessment early?

A: Yes, with the reformation you would now have four options to pay the CFD bond. 1) Pay the entire amount; 2) continue to pay at the increasing 2 percent per year; 3) pay at the new established fixed assessment; or 4) make any payment amount equal to or more than the yearly assessment.

Q: If I prepay, will I pay interest for the full term of the bond?

A: No, similar to your mortgage payment, prepaying the assessment will reduce the interest owed.

Q: Does this benefit the city in any way?

A: No. The reformation is a courtesy to the homeowners.

Q: Who will vote for the reformation?

A: All registered voters who live in District 7A.

Q: What is the percentage of votes required to pass the reformation?

A: 67 percent of those who vote.

Q: Who will be handling the voter ballots?

A: County of Riverside, Registrar of Voters.

Q: What is the deadline for returning the ballot?

A: Based on the current schedule, ballots need to be returned no later than August 4, 2014.

HELPING FOUR SEASONS AT BEAUMONT SAVE MONEY

Euclid Management has announced new cost saving homeowner services. Homeowners can now receive their monthly HOA assessments, the Annual Budget Report and Annual Policy Statement via e-mail, thereby providing significant saving to the association by eliminating the time and money spent to prepare and mail these documents. The potential savings could be close to \$10,000 per year. To take advantage of this new feature each homeowner is required to "opt in" through the Euclid Management Company website at euclidmanagement.com. It's a simple process, which can be completed in less than a minute.

FOUR SEASONS SPOTLIGHT

Safety & Facilities Committee

By Leighton McLaughlin

“It’s a group thing,” said Dennis Gray. “It’s everybody cooperating that makes it work.”

Gray is chair of the Safety and Facilities Committee and he knows whereof he speaks.

As its name implies, the committee has two areas of responsibility: the safety of Four Seasons residents and the care and maintenance of its common facilities.

In those areas, to some degree or other, Safety and Facilities has worked with the Landscape Committee, the now disbanded Ad Hoc Water Committee, and Finance, Bistro, Event Systems, Emergency Preparedness Committees and, the Neighborhood Watch program.

On the facilities side, the responsibility is continual care and maintenance of existing properties and planning for future projects like the new recreation centers.

The existing Lodge with its Ballroom, Bistro, Billiards Room, Library, Pool, Workout Center and other amenities are all kept up under the eye of Safety and Facilities.

The common area landscaping — directly under the Landscape Committee — is supported by such things as sprinkler systems that require constant maintenance.

The Bistro is overseen by the Bistro Committee, but maintaining its stoves, refrigerators and coffee makers are a Safety and Facilities responsibility. Event Systems buys its own equipment, but it must be maintained.

All of this costs money and the Finance Committee must be consulted about that. “Having sufficient reserves to pay for repairs and maintenance to facilities as they get older is critical,” said Gray.

The proof of the success of the cooperative approach “is in the sights you see as you drive through our community — our beautiful Four Seasons.”

The Emergency Preparedness Committee is an outgrowth of Safety and Facilities. “There was just too much to do,” said Gray. “We needed a separate committee to concentrate on those problems.” He said EPC Chair Anita Worthen, “has done a fantastic job working for the good of the community.”

The safety side plays to Gray’s experience; he was a policeman for 36 years, in Perris (where he grew up), Banning, and Inyo County where he was a sheriff’s investigator for 27 years. He also spent three years in the Army as a criminal investigator.

The Safety and Facilities Committee originated the idea of having Beaumont Police patrol Four Seasons to suppress speeding and enforce other traffic laws. The Board adopted the proposal and eventually signed a contract with the city to provide that service.

Gray was also instrumental in getting other Four Seasons residents into the Civilian Volunteer Patrol in Beaumont. In cooperation with the Beaumont Police, qualified civilians in uniform patrol in specially marked police cars. There are four volunteers from Four Seasons now. “If you want, they’ll check your home for you while you’re on vacation,” said Gray.

He is a different kind of volunteer with Beaumont Police. He registers offenders who are on probation or parole for a variety of serious crimes that require registration. “There are two of us volunteers who do that.”

The proof of the success of this type of cooperation is in the local crime statistics. “If you look at the Municipal Crime Reports — all type one felonies — they are extraordinarily low,” he said, “particularly on our side of the tracks.”

When he retired from Inyo County, he and his wife, Diane, returned here. “This is kind of home. We came back to family. My wife’s mother lives in Sun Lakes still.”

“I’m from this area. I grew up here.” He spent three years on the Banning Police Department and took college criminal justices courses in Banning from the Highway Patrol. “I remember when (Four Seasons) was pasture. I used to ride my motorcycle through here.”

And he is pleased with how it looks and works these days. “It’s the group thing, the tie-ins, getting community resources used here. I couldn’t ask for better committee members.

“When I moved here I had a choice. I know the place. I like it here.”

A Tour Around Our New and Improved Website

By Cindy Graves

If you haven't been on the fourseasonsatbeaumont.com website lately I'd like you to take a look. The first things you'll notice are the four new banner window spots displaying some lovely photographs of the community. The largest picture window provides a slideshow of six rotating photos that were generously provided by resident photographer extraordinaire, George Johnson. Our website host allows us to change those banner window photos four times a year, so those will be changed seasonally.

Next you'll see some large graphic link buttons for: "Upcoming Events," "Movie Showings," "Breaking News," "Forms" and "Clubs and Classes." There is nothing mysterious about what you might find under "Upcoming Events," I try to keep the big events for the next month or two updated with the latest information. Under the "Movie Showings" graphic link, you might want to know that Nelly uploads a new movie schedule for the week on either Friday or Saturday, so you can look forward to checking up on the new movies on those days. If you're in need of a particular Lodge form check the "Forms" graphic link button. We have everything from Parking Request forms to ARC forms, Warranty Request forms, Club Applications and the like. Just find your desired form, print it out, fill it out and drop it by the Lodge the next time you come in. The "Clubs and Classes" graphic link button is constantly being revised as new leadership gets voted into the various Clubs and Groups and as the Classes change. If your organization has a change that needs to be updated on the web, please give us a call and we'll get the correct information on there. I also want to encourage any club or group that might want to have more information or pictures available to residents, to feel free to start your own website (like the Racquet Club, Amateur Radio Club or the Four Seasons "Roll of Honor" Veterans Group). Just send me your organization's link and I'll embed it into your club information, so people can click on it and get to your website.

At the far right-hand top of the home page is a little "Bistro" icon. Click on that and you'll find the Bistro Daily Menus, the Weekly Specials and the various Catering Menus among the other menus of interest and the phone number to place an order for a delivery... remember that Smitty's delivers your order to your home for free, if you're not up to coming down to the Lodge for dinner.

The side-bar links will take you to helpful pages like the "Contacts" (any number that you might possibly need) as well as a place for you to send a suggestion, comment or question. The "Dwelling -Live" link takes you to the Gate Access web page for you to insert your pertinent guest info, etc.

Be sure to check the "Board and Committees" link if you are looking for the monthly Board meeting agendas or the days and times of the committee meetings. "Community Information" has lots of random info that you might find helpful including "Holiday Hours" an "All Things Plant and Landscape Related" section and a printable map of the Four Seasons walking trails. The "Governing Documents" link is exactly that, plus that's where you can find the archives for all of the back Board

Meeting Minutes throughout the years. "Homeowner Businesses" display the business cards of Four Seasons residents who have decided to advertise on our site. The cost to advertise is \$5 per month, accepted in six month or one year increments (January and June) of \$30 or \$60 dollars. Be sure to investigate the kinds of products, and services your neighbors are providing here in the community.

The latest side bar link added to the website is the "Euclid Management" link. Click on this link to discover what services the Management Company can provide you, including helping you sign up for auto-pay homeowner assessments

and the big money saver for you and the Association is signing up for the e-mailed version of the Annual Report and Annual Policy Statement. Each time a homeowner signs up for this huge package to be received by e-mail, it saves the Association over \$5 in postage per package. That would be a huge savings if most everyone signed up for that option. You are also able to make a one time on-line payment as well.

I hope after reading this article you feel a little more acclimated to what's going on with our revised website. Don't forget that when you apply for a password to access the website, it will usually take a day or two until your residency is verified and your password is mailed to you. I hope to keep putting new features on the website, including community interest interviews, small videos taken at various events, community candid camera pictures and other surprises. Contact me if you have any ideas for me to take to the Communications committee on ways to make the web better... it will always be a project in process.

Visit fourseasonsbeaumont.com

Manager's Update

By Jeri Mupo, General Manager

DOLLARS & SENSE: At the June Board of Directors meeting, the Board approved the following expenses:

1. Traffic Study = \$8,800
2. Springdale painting = \$91,000
3. Wi-Fi Network = \$1,600
4. Emergency light ballasts = \$10,920
5. Lodge Drinking fountains = \$1,740
6. Lodge entry décor = \$1,700

THANK YOU! I wish to again thank all the residents for extending a warm welcome to me! During the last two and a half months, I have had the opportunity to attend a number of Committee meetings for Architectural, Emergency Preparedness, Finance, Landscape, Rules & Regulations, and Safety & Facilities. The amount of knowledge and expertise the volunteer committee members provide to this community is nothing more than amazing.

I would also like to take a moment to thank the staff that work to provide the residents and their guests a five-star Four Seasons experience. I watch them each day working with vendors, obtaining and preparing information for the Board and committees, speaking with residents, problem solving, creating fun and exciting activities/events, and constantly brainstorming on how to best serve our community! Thank you Cindy, Renee, Fabiana, Nelly, Krystal, McAdam, Jeff, Joanie, and our newest team member, Eric!

TO PAINT OR NOT TO PAINT? I know it's hard to

believe, but many of our homes are approaching their 10 year anniversary. During several of my site reviews, it has been noted that it may be time to paint. This could include, but not be limited to, garage doors, shutters, fascia, stucco, etc.

Please take a moment to look at your home and determine if it needs to be freshened up.

Thank you for your keeping Four Seasons a beautiful community!

PICK UP AFTER YOUR PET: Just a reminder, as a pet owner it is your responsibility to pick up after your pet. It has been noted that many dog owners are not picking up after their pets. For your convenience, pet stations throughout the community provide bags.

Please be courteous and respectful of other residents who wish to have clean yards and common areas.

Thank you for your cooperation.

DELEGATE RE-DISTRICTING: When the community was first started it was determined that the districts should be established based on the product types. Unfortunately, this has established scattered and unequal districts.

The Board of Directors and K. Hovnanian reviewed this concern and determined that it is in the best interest of the community to establish new delegate district boundaries.

The proposed district map will be available for review in the Lodge lobby.

New Home Owners:

Phil's Q & A Corner

By Phil Jaffe

Q: Are dogs welcome in the community?

A: Dogs are allowed on paths & sidewalks, but must be leashed. They are not allowed inside Lodge premises. (Be sure to clean up after them).

Q. How do guests get in at night?

A: After hours, guests can get through the front gate by calling your LANDLINE on the intercom, and then you press 9 to let them in.

Q. Who manages Four Season at Beaumont?

A: The association contracts with Euclid Management to administrate the day-to-day activities within the association. Euclid headquarters can be reached at (909) 981-4131.

Q. Where do I get updates about our community?

A: For current information regarding almost everything, see the Four Seasons website at fourseasonsatbeaumont.com.

Q. Does Smitty's deliver?

A: Smitty's Bistro offers free delivery. Call (951) 769-0717. Closed on Monday and after 3 pm on Sundays. Tips appreciated.

Q: Are guests welcome at the pool?

A: Up to six guests are welcome in the pool area and must be accompanied by a homeowner.

For on-the-spot questions, call Nelly Alcocer, Administrative Assistant, at (951) 769-6358. You can also send new Q & A questions to the *Breeze* via Phil at philjaffe872@gmail.com.

Neighborly Notes

By Bobbie Eckel

It does not seem possible that we are in the second half of the year 2014! Summer celebrations, dances, special events and activities continue to keep us busy in the community and in the cities surrounding us.

GUESTS: Summer is the time when we frequently have house guests to enjoy the community activities as well as the Beaumont/Banning events. We need to remember that the Community Guidelines limit guests to six per household. If your family is larger than that, you will need to find another resident who is willing to sponsor the extra number. This restriction applies to the use of the pool, the Bistro, and the Salon. Guests are not allowed use of the exercise rooms, locker rooms, indoor showers and the Learning Center.

CONCERTS: The city of Beaumont Summer Concert Series kicks off on the Fourth of July and will continue through July and August. All concerts are free and begin at 7:30 pm at Stewart Park (between Maple and Orange Avenue). Be sure to bring a light sweater as the nights chill quickly during our summer months. During each concert the Beaumont Chamber Market Night will be open on 9th Street.

WIRE THEFT: The city of Beaumont Newsletter of April 11, reports an increase in wire theft around the city. Residents are asked to keep a watchful eye out for any suspicious activity near park irrigation boxes, street light poles or internet/cable boxes. Report any such activity immediately to the Beaumont Police Department. The city would rather respond to a false call than have to replace wire after it has been stolen.

HAZARDOUS WASTE: If you find, or have inadvertently left in your garage, substances such as old gasoline, paints, paint thinners, old batteries or antifreeze, you can find out where and when you can get rid of these hazardous wastes by calling the Environmental Health Department Hotline at (951) 358-5256. This is a program from the County of Riverside.

CAR TALK: On the fourth Thursday of every month, from 10 to 11 am, Beaumont sponsors a lively and informative

discussion on car repair problems, buying a new car or any other automotive issues. The speaker is Robert Snyder, California Department of Consumer Affairs, Bureau of Automotive Repair, (800) 952-5210, no reservation needed. Come with your questions.

SENIOR CELL PROGRAM: Another program which serves at-risk seniors who live alone or with a caregiver is the 911 Senior Emergency Cellular Phone Program. Often seniors have difficulty reaching a stationary phone in an emergency; this special program delivers cellular phones which are not connected to a service, but are capable of connecting the senior to the emergency 911 response system. To learn more about the program, call (800) 510-2020.

PLAYHOUSE BOWL: Would you like to become more involved with musical projects in the Pass area? The Playhouse Bowl is looking for volunteers to join its working Board as well as volunteers for the August concerts. The Playhouse Bowl is a Banning institution offering free concerts every Thursday in August for over 62 years. Volunteers should care about building community through music. The Board meets the first Monday of every month at 6 pm in Banning at the Community Center typically. Volunteers should contact President Lynette Espinoza at (909) 286-6496 or by e-mail at lmetink@aol.com. For more information about the Playhouse Bowl go to the website at www.playhousebowl.com.

PASSPORTS: If you are planning trip(s) this year, you should know that the city of Beaumont is a passport processing office. They are able to process your application and will even submit it on your behalf to Passport Services. Acceptance hours are Monday – Thursday: 8 – 10:30 am and 2 – 4:30 pm and Friday: 8 – 11:30 am.

FOR LAUGHS: George Carlinisms are much like Maxine's questions. Things to ponder: Why doesn't Tarzan have a beard? Why is it called lipstick if you can still move your lips? If athletes get athlete's foot, do astronauts get mistletoe?

Chef's Corner By Randy Balt

Baked Beans

Course: Side dish • Servings: 8 • Preparation Time: 10 min.
Total Time: 90 min. • Level of Difficulty: Easy

This Teri DiMarino recipe is perfect for the BBQ season. I never knew baked beans could taste this good and be this simple to make. No more canned baked beans for me. No siree, Bob! Teri described it as a "kind of feel recipe," so I smelled it, touched it, tasted it, felt it, and proclaimed it complete.

INGREDIENTS

- 8 slices bacon, cooked & crumbled, not too small
- 1 onion, chopped and sautéed in the bacon grease
- 1 large can (32 oz.) of commercial "Pork 'n Beans," with some the top "juice" drained off, but NOT drained dry
- 2 small cans (15 oz.) of dark red kidney beans, drained & rinsed
- 1 can (15 oz.) of black beans, drained & rinsed
- 1/3 cup brown sugar
- 1/3 cup molasses
- 1/2 cup ketchup
- 1/4 cup mustard
- Salt and pepper to taste

DIRECTIONS

1. Preheat oven to 325°.
2. Cook bacon and set aside, reserving grease.
3. Sauté onion in bacon grease.
4. Mix onions, bacon grease and all other ingredients together and bake uncovered 60-90 minutes; until bubbling.

Note: You can also toss in different beans, like lima beans or blackeyed peas. They taste good and look nice, too.

CORRECTION:
The cooking time for last month's recipe, Hard-Boiled Eggs, should be 10 minutes, not 8

Activities Director Corner

By **Cindy Graves**, Activities Director

Happy 4th of July to everyone and may you find July to be warm, sparkly and a month to be remembered! I hope to see many of you down at the Lodge enjoying the club competitions, the community potluck and the patriotic show! It's always a fun way to get the neighbors together, meet new people and eat up a storm. The festivities start at 7 am, lunch starts at 12 noon and the show at 2 pm.

July is the month that I really start kicking in gear event planning for 2015. There are so many neat possibilities and so many wonderful residents with whom to work. If you love contributing your event ideas as well as helping to decorate or if you have a heart to help new residents feel warm and welcome here, then I'm looking for you! There is nothing better than exploring new ideas and working with folks who are interested in giving back a little to their community. If this kind of camaraderie sounds like it might be up your alley, give me a buzz at the office and let's talk about it, or if you prefer, feel free to e-mail me: Cindyg@euclidmanagement.com. I'm especially looking for people who would be willing to help during the five months of the Amphitheater Concert Series (May to September 2015) or people who would be interested in helping the Social Committee during some or all of their events.

If you like acting, singing or helping with theater (especially sound, lighting or crew), then consider joining the Performing Arts Club. The choir is an arm of the Performing Arts Club and does singing performances several times throughout the year and has been a looked forward to activity for many and again, a great way to really connect with people while having a good time. Think about some new involvements for the fall or for next year. We would love to have you!

Have a relaxing summer, stay cool and I hope to see you around the Lodge!

Won't attract termites, peel, warp or rot

DID YOU KNOW?

By Bobbie Eckel

Did you know that July 10 is Teddy Bear Picnic Day?

(And do you remember the old John Walter Bratton song from the early 20th century, "The Teddy Bears' Picnic?") Huggable stuffed bears are a favorite with young children. The name Teddy Bear actually began when President

Theodore Roosevelt, who enjoyed hunting, spotted, but refused to shoot, a small bear. *The Washington Post* published a cartoon of the event and spread the story to the public. Morris and Rose Michton, toy store owners, wrote to President Roosevelt and asked permission to call their stuffed animals, "Teddy Bears." The plushy bears were immensely popular. Their company went on to become the Ideal Toy Company, one of the largest toy companies in the world. In the late 1980s, Royal Selangor, a collectible items dealer, decided for capitalist motives, to turn the day into a national holiday.

Did you know that July 20 is Moon Day?

This special day commemorates the day in 1969 when man first walked on the moon. President John F. Kennedy authorized the Apollo Space program for the purpose of putting men on the lunar surface. Apollo 11 realized that dream, carrying astronauts Neil Armstrong, Michael Collins, and Edwin Aldrin, Jr. Apollo 11 was launched from Cape Kennedy on July 16. Four days later the Lunar Module, nicknamed the "Eagle," touched down on the surface of the moon. Neil Armstrong reported to the world "The Eagle has landed." A few hours later, Armstrong stepped off the Eagle's ladder onto the moon's surface and proclaimed: "That's one small step for a man, one giant leap for mankind." Do you remember how we watched and listened to the historic events?

Did you know that July 11 is World Population Day?

This special day is aimed at bringing awareness to the public about global concerns with increasing population and the utilization of natural resources in the world as a whole. The holiday is sponsored by the United Nations World Population

Fund (UNFPA) and was established in 1989. The idea was inspired by the public interest in Five Billion Day on July 11, 1987, the date on which the world's population supposedly reached five billion people. Each year, a new theme is announced. In 2014 the central focus is on adults of reproductive age and family planning. The world population as of January 1, 2014, was estimated to be 7,137,661,030, according to United Nations.

Did you know that July 24 is Amelia Earhart Day? Amelia Earhart was a female aviation pioneer who broke many records with her flying feats. She and her navigator, Fred Noonan, were attempting to set a record flying around the world on July 2, 1937, when their plane encountered hostile weather as they headed toward Howell Island in the Pacific. Radio contact with ships confirmed that Earhart was having difficulty finding the island. That radio contact ultimately ceased and the plane was never heard from again. Earhart's and Noonan's disappearance resulted in a massive search and rescue operation, all to no avail. There are still numerous theories and speculation about what happened, some involving conspiracies and even alien abduction. The specific date of July 24 was chosen to celebrate the date of her birth in 1897.

The models strut their stuff at the Fashion Show

SOCIAL COMMITTEE

If any of you were in the Bistro on Saturday, May 31, I am sure you heard the hooping, hollering and clapping that was going on in the Ballroom while the Fashion Show was going on. The 246 ladies and a few gentlemen who attended this event enjoyed without a doubt the best show we have ever put on.

While enjoying a delightful lunch catered by Elegant Affair we were also treated to an enlightening talk by Barbara Black, from Nana's Elegant Afternoon Tea Parties on the correct way to use our napkins.

Our models Paty Bushnell, Dena Cortez, Elsie Fillman, Toni Jones, Pricilla Robles, Kathy Spallino, Cheryl Staples, Joyce Tautirrn, Sue Trostle and Alex Vanhooose were led to the stage by our tuxedo-clad escorts Pete Antoine and Wayne Staples.

The models, at first a little shy (ha-ha), soon cut loose with some awesome dance steps while showing off the clothes being showcased by the Dress Barn from Moreno Valley. Bernadette Chance whipped these ladies into shape to bring us a show that will be hard to top next year.

As usual, the decorations were out of this world. Pam

Mayoral and Sandy Buelna, the event chairs, went beyond the call of duty with their Victorian boots (created by the Ceramics Class) and quilted table toppers (done by the Quilting Class), colored coordinated plates and flowers on each table. They even went so far as to cover the pictures and hang parasols from chandeliers.

A special thanks to all the people who helped decorate the Ballroom before the event. There is not room to mention all their names and I don't even know all their names but there is no way we could have gotten it all done without their help. It takes a lot of help and many hours to get it all done. This is a good place to say if you would ever like to help on one of these events please contact one of the Social Committee members (listed in the *Breeze*) or let the front office know and we will be glad to let you know when we will be decorating for an event.

Next month we will report on the Luau which I am sure was another outstanding event. Hope you were there. ~ **Melody Seewooster**

EMERGENCY PREPAREDNESS PROGRAM (EPP)

Our EPP meetings are informative and interactive. We meet the first Thursday of the month, at 10 am in the Lodge Ballroom. The next meeting is Thursday, July 3. The goal is to encourage each resident to be prepared in case of a disaster or an emergency. We have speakers, demonstrations, handouts, discussion, and cover a variety of topics related to Emergency Preparedness. Each month we highlight one of our response

teams. This month it is First Aid (see accompanying article). Also, we encourage all to take the free CERT Training offered by the City of Beaumont. CERT includes topics like Disaster Basics, Disaster Medical Operations, Fire Suppression Techniques, and Search Rescue activities plus others. We will announce the next training dates. Come join us and be EPP prepared. ~ **Anita Worthen**

THE FIRST AID TEAM

The Power Team is one of the 10 teams of volunteer residents formed by the EPC to provide assistance in the event of an emergency. Our mission is to ensure that there will be emergency power and lighting available in the command, communication and first aid centers in the event of an emergency. Additionally, help our residents be better prepared to cope during a power outage, by increasing their awareness of what preparations they can make in advance of a disaster.

As you can surmise, the Power Team plays a crucial role in our well being in the event of an emergency. Without power, the radio communications would be silent; the command center would not be able to command or receive status; and the first aid/triage area would be in the dark.

We currently have four members: Rudy Garcia (team leader), Alfred Blair, Carl Buschmann and Colin Taylor. If you have some electrical knowledge and would like to contribute, we'd love to have you.

Tips on What to Do When the Power Goes Out: How do you keep food safe in the refrigerator and freezer? How do you know if they are safe to eat or if they'll make you ill? The following information will help you decide what to do.

Be Prepared

- Find out where you can buy block ice and or dry ice.
- Keep canned goods and shelf stable foods on hand.
- Make an emergency plan with friends in a nearby, unaffected area.

Refrigerated Food: When the power goes out, check the time. It is important to know how long your power has been out. Food in the refrigerator will stay safe for a few hours. Opening the refrigerator door lets cold air out and warm air in, so do not open and close the refrigerator door unnecessarily.

Even if the food looks and smells fine, it may not be safe to eat. Bacterium that cause food poisoning do not make food look any different. It will not smell bad or look funny. If the food has been warm, above 40 degrees Fahrenheit, for more than two hours throw it away. Do not taste the food to see if it is still good.

If there is space in the freezer, transfer as much food as possible to the freezer. Use block ice in the refrigerator. Place the ice on a tray or pan in the refrigerator. The ice will help to keep the refrigerator cool for about a day.

Frozen Food: Food in the refrigerator/freezer will stay frozen for about a day. Food in a freestanding freezer will stay frozen longer. A full freezer will keep food frozen for about two days. Keep the freezer door closed to prevent warm air from entering the space.

If your freezer is not full, rearrange it. Prior to a power outage, group all the frozen packages together. Separate meat from fruits and vegetables. The packages will stay frozen longer if there is no air space between them. Use dry ice in the freezer.

Be careful when handling dry ice. Use gloves; do not let it touch bare skin. It will cause skin damage. Do not inhale the fumes. A 25 pound block of dry ice will keep food frozen for days.

Thawed fruits and vegetables can be refrozen. Raw meat that still has some ice crystals can be refrozen. Meat that is still cold can be refrozen too. It may suffer some quality loss, but it is safe to eat. Discard any cooked food that has come in contact with raw meat juices. Remember, when in doubt throw it out.

NEIGHBORHOOD WATCH

Thanks to all Block Captains and Four Seasons residents who attended our June 12 meeting. It was very informative. We would like to thank our speakers for the evening for providing us with valuable information. Mr. Garrett Warman spoke about e-mail scams and George Diggs gave us information on monitoring sex offenders. EPP First Aid Team Leader, Jan Thorsky, made an announcement about First Aid training and Dick VanBree spoke about communication with FRS mobile radios.

Please mark your calendars for Tues., Aug. 5, when Neighborhood Watch will host the National Night Out Event in the Ballroom. This special event is informative and fun! Come

and meet your neighbors and friends and enjoy some good food.

We will start out with a potluck at 5:30 pm, followed by speakers from our local agencies. Sign-up sheets will be in the Lodge starting in July so that we can plan on the number of people attending. Please let us know if you are coming and what you will bring. You may reserve a table for your block by contacting Susan Wilson.

Remember, if you see something that is out of place, please say something. Call 911 if it is an emergency, or contact the Beaumont Police at (951) 769-9800 for non-emergencies. If you notice a maintenance issue in the community, contact Euclid Management at the Lodge at (951) 769-6358. ~ *Cindy Schwinn*

BISTRO COMMITTEE

Committee member Judi Topp has resigned from the Committee. She was a valuable member of the Committee and will be missed.

Kitchen repairs and modifications are progressing on schedule.

A notice to new homeowners and a reminder to older homeowners: Smitty makes free home deliveries of food ordered from the Bistro... just call (951) 769-0717.

The next meeting is July 22, at 11 am, in the Lodge Conference Room. All homeowners are invited to attend. ~ *William Taylor*

FINANCE COMMITTEE

At our May meeting, the Financial Statements for April 2014 were reviewed and reflected the following significant items: Net Income Year-to-Date was \$145,058 and total reserves were \$4,240,768. The Accounts Receivable (delinquencies) was \$46,876. Our total HOA expenses for April (excluding reserve allocations) were \$187,159. This was under budget by \$55,574. The Front Yard Cost Center expenses for April 2014 were under the monthly budget by \$922. The Springdale Cost Center Expenses for April 2014 were over the monthly budget by \$75. There were two CD renewals reviewed and a recommendation to renew at the best prevailing rate for a period not to exceed six months was sent to the Board. A recommendation was also made to move \$200,000 from the Morgan Stanley account to the Comerica account to purchase two new CDs in the amount of \$100,000 each for a period not to exceed six months at the best prevailing rate. There were six vendor proposals presented and sent to the Board with recommendations for approval. The low bid contractor for the Springdale painting project has informed us that he is willing to reduce his bid by an additional three percent.

This information is being sent to the Safety and Facilities Committee for consideration. Jeri Mupo noted that an internal audit at K. Hovnanian found that the billing for 13 water meters, for the common areas, had not been transferred to the HOA when it should have been. This has now been corrected. Len Tavernetti, Landscape Committee Chairman, gave a presentation update on the Front Yard Cost Center activity, making sure that we were both on the same page with budget to actual figures. Accounts Receivable update report by Wayne Staples stated we are still in good shape with only one former owner and 13 current owners in arrears.

Our next meeting is July 29, at 1 pm in the Lodge Conference Room. All homeowners are encouraged to attend. ~
Noel Myers

SAFETY & FACILITIES

At our June meeting, we covered a number of items concerning both safety and facilities. Maintenance is vital to any facility if it is to operate in a safe and effective manner. There are two common types of maintenance: emergency and preventative.

Emergency repairs are necessary when something breaks. An example is the air conditioner in the Game Room. Repairs were needed and an emergency work order was placed.

More common is preventative maintenance, which is carried out on a piece of equipment at a certain interval. Maintenance

can be costly in terms of dollars and impact on operations. An example is the Bistro. If equipment is not maintained, there is no food service, there is no social gathering point, and there is no focal point for entry into the Lodge.

Euclid Management, the Board of Directors and our committee have the reserve study to ensure that a schedule of maintenance procedures, and/or replacement, of equipment is followed in the long term.

Our next meeting is July 1 at 9 am at the Lodge. ~ **Dennis Gray**

The advertisement for Wholesale Shutter Company, Inc. is a rectangular box. The top half has a background image of a window with white shutters. The bottom half has a background image of a living room with a fireplace and a table. The text is arranged in a clear, readable layout with various font sizes and weights to emphasize key information like the company name, services, and contact details.

RULES & REGULATIONS

We meet the second Tuesday of the month in the Board Room at 9 am. Our agenda has been full these past months. A sub-committee was formed to review the indoor pool survey with the goal of assigning pool activities during the proposed time, 8 am to 8 pm, as residents felt they would utilize the pool. Additionally, Pool/Spa rules are being developed. With the kiln operational for about six months, initial usage and safety guidelines are being reviewed. Electronic smoking prohibition received final approval and was sent to the Board. ~ **Barbara Miller**

Areas to be transferred to the Association in June (Yellow are planned areas and green are future areas.)

Above: Flax plants on Plymouth Rock that had to be removed after transfer. Left: Flax plants at Four Seasons Circle and Rim Trail.

LANDSCAPE COMMITTEE

Driving Four Seasons Circle has become even more dangerous, if that is possible, by the increase in traffic due to construction activity, new residents moving in and deliveries, services and workers for the new homes. The resurgence of house sales has also led to transfer of properties to the Association from the builder. In June several patches were inspected by the Landscape Committee for transfer. Most of these areas are adjacent to Four Seasons Circle and a few are cul-de-sacs.

The turnover process involves the Landscape Committee with the Board Liaison, Euclid Management, potential landscape contractors, the builder and the builder's landscaper conducting a joint walk of the new areas. All eyes are on both the actual plant life and the approved drawings for each area. Where a discrepancy is observed an analysis is made as to the cause, e.g., a plant may have died due to lack of water or be missing entirely, a different plant from the plan may have been planted or the plant scheme may have been adjusted due to terrain anomalies. Whatever the cause, it is noted by all parties.

The irrigation system is vetted and in cases where the metered area covers both new Association property as well as property still belonging to the builder a determination is made as to the cost sharing ratio.

At the conclusion of the walk a "Punch List" is prepared detailing what the builder will correct or replace and the effective date of the transfer. The landscape contractors are asked to prepare bids for maintaining the properties and making any changes or improvements desired by the Landscape Committee. In some cases the developer plans call for plants that experience has shown are undesirable here at Four Seasons. Since the plans were approved by the city several years before, it was not possible to make changes prior to implementation. Flax plants adjacent to sidewalks are an example as they overgrow the sidewalk detouring pedestrians into the street. After the Punch List has been cleared by the builder and with concurrence of the Board, the property is formally transferred to the Association. ~ **Leonard Tavernetti**

EMERGENCY PREPAREDNESS COMMITTEE (EPC)

Emergency Preparedness Committee (EPC) had a busy first year. We were very productive during our first year. The following are some highlights of the many achievements that enable Emergency Preparedness Program (EPP) members and Four Seasons residents to plan and train for a major disaster.

- Seven EPC members and other sub-committee members were selected for the Committee. An EPP Action Plan and Organizational Structure was approved by the Board of Directors and presented to the EPP membership.
- Ten Team Leaders developed their team action plans to be used as a guide during a disaster drill or an actual disaster and presented them to the EPP membership. The Board of Directors approved these action plans.
- The Committee's second fair, EXPO 2014, was a huge success, which included poster presentations and demonstrations from the ten teams on how to prepare for a disaster and what to do if a disaster occurs in our community.
- The Four Seasons community was sectioned into areas, and maps were prepared including street names and house numbers for easy location and identification.
- The Committee took on a large project by developing the Residents' Emergency Handbook and First Aid Guide and mailing to all residents in Four Seasons. The purpose of the handbook and guide is to provide general information for residents and help them prepare for and deal with potential emergencies. The Committee and Team Members have provided further emergency preparedness information for residents using the handbook as a guide in their resident training. An educational class was held at an EPP meeting that reviewed in depth how to use the handbook. At EXPO 2014, team members used sections of the Handbook specific to their team action plan to explain procedures for residents to prepare for an emergency, e.g., how to clean water for drinking, how to dispose of waste or how to shelter in place.
- Education for the team leaders and members is important for preparation and planning for any emergency that might occur in the community.
- Most team leaders and members have attended Community Emergency Response Team (CERT) training.
- Emergency communication between team members, team leaders or incident commanders during an emergency will be accomplished by using FRS radios purchased for this purpose. The Family Radio Service (FRS) requires specific education to understand the procedure that will be used to communicate between teams and incident commanders in our community.

Several FRS training classes have been provided for the team members to feel comfortable using the radios.

- Many First Aid Training classes were presented for the team members so they can provide medical triage and treatment for victims at the site prior to transport to the First Aid center.
- Cribbing and transport training was provided so team members can safely extricate a victim who has been trapped under a wall or debris. The Committee made the many cribs necessary to perform this function.
- Cardiopulmonary Resuscitation (CPR) and Automated Electrical Device (AED) training was provided for the team members.
- Disaster boxes were prepared for the teams and includes team specific documentation forms and the community maps placed on a clipboard as a "grab and go" for the team members who are deployed by the incident commander.
- As a form of identification for the team members, an EPP patch has been designed and produced, which will be ironed onto their CERT vests.

This year, EPC and teams will practice their knowledge and skills by participating in a "table top" disaster drill and hopefully an actual community disaster drill.

Recruitment of new team members is one of the Committee's major objectives for this next year. The current teams consist of volunteers from the Four Seasons community to provide general assistance to the residents. There are currently 1100 homes with more being built. More volunteers are needed to respond to the emergencies that could potentially occur in our community. Consider becoming a member of one of the ten response teams. The team leader will train you in the skills needed for the team functions during an emergency.

Please join us for the EPP meetings on the first Thursday of the month in the Ballroom at 10 am. Emergency preparedness education is provided at each meeting. For info., e-mail fourseasonsbeaumont@aol.com. ~ *Jean Sandoval*

WOMEN CELEBRATING AMERICA

We will have our next meeting Wednesday, Sept. 3. Our talk will be centered on American women and Memorial Day, History of Mother's Day and Martha Washington. ~ **Lynette Simonson**

CERAMIC CORNER

Classes: Saturdays, 8 - 10 am, lab; Instructor in class 10 am - 2 pm; Wednesdays, 1 - 4 pm.

We have a few new items for your viewing in the Craft Room, so stop on by and check it out. Info., Pamela Mayoral, instructor, (951) 897-1922. ~ **Pamela Mayoral**

Last year's Spanish class.

SPANISH CLASS

Now we have three levels of Spanish! Join us Tuesdays mornings with Paty... Do you want to learn Spanish and have fun at the same time? Come to my classes and find the level that is right for you.

This year I'm going to teach three levels of Spanish. The classes are one hour each and are Tuesdays, 10 am to 1 pm.

SPANISH 1: Beginning, for people who never studied Spanish, or have a basic knowledge of the language.

SPANISH 2: Intermediate, for students who have some knowledge of grammar and vocabulary, and also for my students from last year who want to study further.

SPANISH 3: Advanced, for students who have a good vocabulary and can write a paragraph in Spanish. This class is spoken totally in Spanish.

Find out which level is right for you. You can join us in more than one class if you want. At each class, I'll provide your work sheet, so just bring your desire to learn.

Classes run from September to May and sign up will begin in August at the Lodge. If you have any question, call me or e-mail me at (951) 922 0141 or e-mail pajibush3@hotmail.com. See you in the fall! ~ **Paty Bushnell**

KNITTING & CROCHETING

Our group had another pleasant lunch out to Tang's in Calimesa in May. There were 10 of us and some did not make it. Our group is getting bigger. It was a lot of fun. If you would like to try a new hobby or refresh one not used in many years, please come join us on Tuesday mornings from 10 to about 11:30 am. We can help you start anew. ~ **Dorothy Payne**

CAMERA CLUB

We meet the third Tuesday of each month at 6:30 pm in the Lodge Craft Room; thus, our July meeting will be July 15. Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings and field trips. Members are always eager to help and teach. We discuss photography, photo software, hardware, and related subjects of interest. On a voluntary basis, members offer their photographs for critique which is a great learning experience for all. Our alternative photo project is ongoing (i.e. we bring a picture of a specific genre we all agree on).

For the June meeting, the assignment was to bring a picture

that we would like published in the *Breeze* as part of our camera club article. Many interesting photographs were submitted so stay tuned to see some fantastic pictures in future *Breeze* camera club articles.

With summer upon us, vacations will mean lots of photographs. Come to our meetings and we'll show you lots of tips to improve your photographic skills.

Hope to see you soon.

For further information, please contact Lyle Cameron at (951) 849-6987. ~ **Lyle Cameron**

AMATEUR RADIO CLUB

Ham Radio Operators frequently use Nets. A Net is a formal system of radio operation to exchange, manage and announce information. The Four Seasons Amateur Radio Club holds two Nets every Wednesday. One is for the our 4 Seasons community, using FRS radios. FRS radios (Family Radio Service) are useful since they can be used without a license and basically are Walkie Talkies. The second net is only among our licensed Amateur radio folks. The nets are an essential part of operating radios and insuring that all members know how to work them.

Net Control Operators run the net. They maintain order, give general information, repeat announcements, and call the roll. On the Ham Radio net, communication is much greater range. This is because we utilize communication technology whereby out signals are passed through another device called a Repeater. Repeaters are at much higher elevations and therefore can be heard longer distances.

If you find yourself as the net control operator, just follow a few simple rules:

1. Have the current script ready.

2. Use the current roll of members.
3. Know your frequency and have your radio properly adjusted.
4. Have extra batteries if you are using a hand held radio.
5. Make sure that you have the correct day and time.
6. Use a location the offers maximum coverage.

In April, 10 members of the SPARC (Banning) Radio Club worked the Redlands Bicycle Classic through the City of Beaumont. We worked as Race Marshals, wearing orange tee shirts. Some worked as traffic control at major intersections and those who were on quiet corners just checked in with net control when the main body of riders passed by. The riders completed 4-30 mile laps around the course in a little over five hours. The men's race started at 9:20 am and finished at 2:30 pm. My station was at the top of Bogart Park and we were able to monitor the race from there. It is fun to get involved with such events!

We meet at 10 am in the Lodge on the last Friday of the month. Our next meeting is July 25. Our website is w6fsb.com. Come to our meetings or join us for one of the Wednesday night Nets. ~ **Mike Mendoza, KK6BUW**

BUNCO

Happy Independence Day to all our bunco friends! We have a great time at bunco and we would love it if you could join us. This month we will be playing on July 11 and 25. If you have never played it is very easy to learn. So if you are new to Four Seasons it is a great way to meet some fun ladies. Bring a friend or neighbor and meet us in the card room at 1 pm sharp. Don't forget to grab a drink at Smitty's or even lunch beforehand. See you there. ~ **Suzanne Roldan & Cheryl Burke**

PAN

We are looking for players, substitute players and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so men are very welcomed as well as women. The game can be played in the day, evening, in a room in the Lodge or in private homes. If you are interested, please call me, Linda Mendelson, at (951) 941-9100 or e-mail me at Goldtoy@earthlink.net and I will answer any questions you may have. As all card games, it is played with both skill and luck. ~ **Linda Mendelson**

TOPS

At this time in our lives we are all trying to live a healthier life. Taking off a few pounds is a good way to do this along with a regular exercise program. We have a great TOPS group that just might be able to help motivate you and cheer you along the way to your goal.

TOPS (Take Off Pounds Sensibly) is very affordable (\$28 per year membership and \$3 per month chapter dues). If you would like to give it a try we meet in the Ballroom on Tuesday mornings with weigh-in from 8 to 8:30 am and the meeting from 8:30 to 9:30 am.

We have decided that since it is getting so warm now we will not be walking in the morning any longer. We are now walking Mon. - Thurs. at 7 pm meeting at the lodge to start. Come any time there should always be someone to walk with. We walk about two miles.

For more information please contact Cathy Calhoun, Four Seasons resident and leader, at (951) 849-2614 or Rosalee Strong, TOPS Area Captain, at (951) 844-9313. ~ **Cheryl Burke**

CANASTA #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet in the Card Room every Thursday afternoon, 1:15 to 4 pm. Each week you may play with someone different, giving you an opportunity to meet other Four Seasons residents and old friends who enjoy an afternoon of "cool" cards. Plus, the Bistro is just down the hall if you would like a snack or a cold drink. We supply the cards so all you have to bring is your body and the desire to have a little fun. If you don't know how to play we are always happy to set up a teaching table and by the time the afternoon is over you will have mastered the game. All you have to do is show up and leave the rest to us. ~ **Melody Seewoster**

MAH JONGG

Everybody is welcome to join us for fun Mondays at 1 pm in the Bistro. Beginners as well as seasoned players can join the fun. We usually have several tables of three, four or five players and someone is always available to teach or assist those who are new to the game or those who haven't played in many years. A current Mah Jongg card is required but you can borrow or copy one until you are sure you want to invest the \$8 in it. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Barbara Goodreau**

PINOCHLE

Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This game is played with a double deck of special cards of ace through 10 against other aficionados, to tease your mind, and keep you sharp. Come join the game on Wednesday and Fridays from 9 am to 12 pm in the Card Room. Newbies and oldies are welcome for fun and socializing. Info., George Soeten, (951) 797-0254. ~ **George Soeten**

BRIDGE

Join us on Monday afternoons, (12 to 4 pm) for an exciting game of Bridge in the Lodge Card Room. It will give the brain some exercise and we can all use that at our age. We play party type of a Bridge game where we rotate partners. This enables you to meet and play with different people that play at different levels. The purpose of learning is growth. The mind unlike our bodies can continue to grow as long as we live. We are always looking for more players. If interested or have questions please call Helen at (951) 845-9312. Both Helen and I will be glad to help you learn the basics of the game and hope that you will join us to either learn how to play, watch, or play the game of Bridge. ~ **Bill Guy**

DOMINOES

We meet Wednesdays and Fridays from 5 to 9 pm. Our club is the home of the best domino players in Riverside County. Dominoes is an exciting and stimulating game for the mind that requires strategic thinking and calculated plays. Newcomers are welcome and encouraged to come out and play. We will be glad to teach anyone that wants to learn how to play.

From 5 to 7 pm, all are welcome to play or watch. From 7 to 9 pm, members play and compete to be the best player for the month. The best player gets to choose the food entree for the monthly brunch. If you have any questions or need more information call Jessie at (951) 769-2035 or Reggie (951) 769-6483. ~ **Marvin A. Gaines**

BEREAVEMENT GROUP

The Bereavement Group resumed June 2. There were familiar faces as well as new participants. As always, there were shared stories, tears, and laughter. Every meeting reminds us of the deep pain of grief and the amazing resiliency of the human spirit.

If you have experienced a loss that is causing you pain, come see us. You will be welcomed and invited to share your story, when you are ready to do so. And you will be able to experience how sharing helps us to heal.

We keep meetings confidential and make the room private for added comfort. We meet Mondays from 1 to 3 pm in the Lodge Crafts Room.

Feel free to call at (951) 922-0934 or e-mail to lauriemlarson425@gmail.com. All contact is confidential. ~ **Laurie Larson**

TASTE D'VINE

Great wines taste like they come from somewhere specific. Lesser wines taste interchangeable; they could come from anywhere. You can't fake "somewhereness." You can't manufacture it... but when you taste a wine that has it, you know!

We are excited to present "Summer Wines From Around the World" to enhance the smoky-sweet flavor of your next backyard barbeque. Come and taste some of these exciting summer wines at the Taste d'Vine Wine Club on Thursday, July 17, 6 pm in the Ballroom. Bring an appetizer such as bread or crackers and cheese, your own favorite bottle of wine if you wish, and a glass or two for tasting and sharing. Members \$5, guests \$8. ~ **Gracy Luna**

BALLROOM DANCE CLUB

Our Spring Fling was lots of fun. The band played a good variety of music, we had plenty of good food to eat, and we enjoyed a short demonstration of ballroom dancing. Putting on a dinner dance like this takes lots of planning and work, so we very much appreciate all those who participated in making it a success.

We only do four dinner dances a year, and we try to make them special occasions for your enjoyment. You can have a good dinner and listen to the music if that's all you want. Or you can get up and dance your feet off. It's up to you.

Our next event will be the Fall Fling, on Friday, Sept. 12, so mark your calendar and save the date. But in the meantime we dance regularly in our own Ballroom, and occasionally we go out to dance as well. Come have some fun with us any time.

Dance instructions are offered every Monday evening. Beginning dance is from 6:30 to 7 pm. Improving on the basics and more advanced dancing is from 7 to 8 pm.

Contacts: Puring and Gary Stifter at (951) 922-8333, or at purings@verizon.net. ~ **Willis Fagan**

Everyone had fun at our Spring Fling

Bev Fagan, Joanne Thompson, Betty Fears and Martha Franck

LINE DANCING

Do you feel your mind and body are becoming sluggish? Sometimes we get so busy doing everyday things, we forget to stimulate our brains and challenge our muscles. We get stiff and sore when we do something different. As we age, we need to do things to challenge the mind. Dancing is brain exercise. You really have to think and concentrate to learn new steps or a new dance. Dancing improves

memory, coordination, concentration, and maybe, best of all, improves self confidence.

It is also great exercise and burns calories. Dancing gets you out of the house and your same old routines. You meet new people, chat, laugh and add some new friends. In our beginning class I teach easy dances, one step at a time. After that new steps are slowly

added and other dances have the same or similar steps just in a different order. Sometimes the class as a whole comes up with slight variations that adapt the steps of a song to make it easier for our age group. Come give it a try or simply watch. Class is every Tuesday; beginner's from 3 to 3:45 pm and advanced from 3:45 to 4:30 pm. ~ **Martha Franck**

HEART & SOUL LINE DANCE

Are you tired of the treadmill? Looking for a new and fun way to stay fit and healthy? Why don't you kick up your heels and try line dancing! Just like other moderate, low-impact, weight bearing activities such as brisk walking, cycling, and aerobics, dancing can help you:

- Strengthen bones and muscles without hurting joints
- Tone your entire body
- Improve posture and balance, which can prevent falls
- Increase your stamina and flexibility
- Reduce stress and tension

- Build confidence
- Provide opportunity to meet people
- Ward off illness like diabetes, high blood pressure, heart disease, osteoporosis, and depression

If you think you're ready for something new, join us in the Ballroom. We always have a great time.

Please wear comfortable shoes (no flip-flops or open-back sandals). Our Wednesday schedule is 4 - 5:10, beginners; 5:30 - 6 pm, intermediate. Need more information, call Priscilla Robles, (951) 922-0755. ~ **Priscilla Robles**,

CREATIVE DRAWING & SKETCHING CLASS

Artist of the Month... "My passion for sketching began almost 55 years ago when I was a young teenager, an era when computer games were just a figment of one's imagination. Until recently I had always pursued my interest in art alone, usually in some remote part of the world where my company had chosen to send me. Today I am part of a group of like minded people who with Rob Kelman's guidance, provide me with support and encouragement.

"Most of my fellow artists are relatively new to sketching and their journey has just begun. I, however, assumed I had reached the end of my drawing endeavors, but being with such an enthusiastic group, I seem to have found a new more expressive phase in my art.

"Art is not exclusive to the Monets and Picassos of this world; it is open to the individuals who merely want to put pencil to paper and create. A new Michelangelo may never emerge from our group, but that does not worry us; we meet like a social gathering enjoying each other's company, and we have room for more." ~ Thomas Herron

Classes are Mondays, 10 am - 12 pm and Wednesdays, 6 - 8 pm. Info., (951) 992-9156 or e-mail Rbkdesigns@verizon.net. ~ **Rob Kelman**

recording device; exploring how digital change has allowed 'people that have no place' in music to become stars. It follows former Nirvana drummer and Foo Fighter David Grohl as he attempts to resurrect the studio back to former glories."

On Sunday, July 27 at 6 pm, we screen the film *Gloria* (Chile 2013, 110 minutes, English subtitles). Here is a brief description from IMDB.com: "A story set in Santiago and centered on

Our first July screening, on Sunday, July 13 at 6 pm, is the film *Sound City* (USA 2013, 108 minutes). Here is a brief description from IMDB.com: "The history of Sound City and their huge

Gloria, a free-spirited older woman, and the realities of her whirlwind relationship with a former naval officer whom she meets out in the clubs."

All of our screenings are followed by lively discussion about the film; we'd love it if you join us! The Lodge Theatre has very limited seating, so if you're interested in our screenings, come early. We hope to see you there! Please note that all films announced are subject to availability. If you have any questions about us or want to recommend a film, please e-mail Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

“BELIEVE.” WOMEN’S BIBLE STUDY

After spending most of May on the subject of prayer, i.e., how to approach God in prayer, what is prayer, how to pray, why pray, when to pray, where to pray, and the Lord’s Prayer (our pattern for prayer), we began the subjects itemized in 1 Corinthians 13. Our first discussion in mid-June focused on patience: why patience is a necessary virtue for one’s life, how to react with patience, how to be more patient and what the Lord expects of His daughters. Remarkable insights are consistently shared by the amazing women in the study, and their shared personal experiences enhance the growth of each member who attends.

If you are interested in participating and learning Biblical teachings, please come join us! This is a non-denominational Bible study, and all women are warmly welcomed. We meet every Friday morning from 10:30 to 11:30 am in the first section of the Ballroom. Hope to see you there! ~ **Eileen Gilbert-Antoine**

AFRICAN AMERICAN CULTURE CLUB

Save the date! Saturday, Dec. 13. You’re invited to our 3rd Annual AACC Christmas Gala. The Christmas committee is already at hard at work planning this event. It is really going to be the event of the year. You don’t want to miss it. It will be the perfect kickoff for the holidays. Stay tuned, more information to come. We invite all of Four Seasons Beaumont community to attend.

A large group of our members attended Crossword Church Bridge builders’ 2nd Annual High Tea and Fashion Show chaired by our own Clauzella Saucer. The fashion show was great. The outfits modeled were gorgeous. The hats worn by the models and guest were spectacular. The men modeled their suits and hats. They were quite dapper. Congratulations Clauzella and Bridge Builders! It was an enjoyable afternoon.

As always, we encourage you to become a part of our group. We are striving to become viable to you and our community. If you would like to be a part of a group on the move, come and join us. Contact Betty Ann James (951) 572-5538 or Joyce Allen (951) 769-4354. ~ **Roxie Elliott**

FOUR SEASONS SINGERS

We hope you enjoy the 4th of July Celebration and our sing a long. We will be taking a vacation for the summer until after Labor Day when we will begin our rehearsals for the Holiday Event. We will again meet on Monday afternoons, from 3 to 5 pm. For further information, you can contact Barbara Wasco (951) 797-3466 or e-mail bawasco@dc.rr.com, or check the August issue of the *Breeze*. ~ **Barbara Wasco**

CLASSICAL MUSIC CLUB

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Conference Room. There we discuss current music performances. Most of the time is devoted to exploring a selection for the month. We welcome new members. Contact Steve Benhoff at steve.benhoff@verizon.net or (310) 413-4896. ~ **Steve Benhoff**

L-R: Front row: Clauzella and Franklin Saucer. Second row: Rose Marchbanks, Dorothy Nash-Samuels, Roxie Elliott, Doris Jonson, Wanda Valente, Aileen and Pete Antoine. Third row: Annis Bolden, Vera James, Betty Ann James, Rheuben Taylor. Last Row: Cookie Bonner and Brenda Dixon.

PERFORMING ARTS CLUB

ATTENTION: In mid-August, we'll be holding auditions for parts in two Radio Shows the Performing Arts Club we'll be presenting in October. If you can read English, aloud, you're qualified. It's easy-peasy acting! Read your lines, no memorizing... it's radio. We'd love for you to join a fun-loving cast. As of July 1, there will be a sign-up sheet in the lobby opposite the front desk. Leave your name, e-mail or phone number and we'll contact you with a date/time of your audition. This time around, everyone needs to audition!

July's here and we are starting out the month with a July 4th party for residents, families and friends. This is an effort put on by the unflappable, resourceful, talented and seemingly never tired Cindy Graves, with help from Barbara Wasco, lead of the Four Seasons Singers. The morning begins with tournaments. Culminating with awards and a shared lunch (bring something you can share with others). There will be patriotic, all-American songs sung in beautiful harmony (after months of rehearsals) by the choir and also the ever popular sing-a-longs.

September is our "Laugh Out Loud" performance suitable for all ages, geared towards seniors. We're still looking for new fun acts. If you are interested or have any ideas, please contact Jane White at jaws4me@verizon.net. If you have any jokes in the realm of... "You know you're a SENIOR if..." (e.g. "You know you're a senior if you eat at Applebee's on Wednesdays"). Please e-mail those jokes to Sheldon Craig at syouel@earthlink.net. If you have any other good,

clean "senior" jokes, please e-mail them to terimk@verizon.net. You just might hear us tell one or more of them!

We're putting together other entertainment and something special for the Holiday Show. Nothing is in concrete yet and I need something to write about next month, so stay tuned!

HELP WANTED: In June we asked for anyone with a technical background to help with our sound systems. We still need that support, and hope that some able-bodied man/woman will come to our rescue soon. We want to continue to offer you quality entertainment, but we can't do it without the support from our residents.

We're still looking for four outgoing women. I know you're out there. You don't need to be funny, just vivacious. We'll take care of the rest.

Have a great July and don't forget your sunscreen!

Questions? Contact me at terimk@verizon.net. ~ **Teri Meyers-Kelman**

AMPHITHEATER GROUP

The Mill Creek Boys are coming to our Amphitheater Sunday, July 20, at 7 pm. This five member group regularly performs at Riley's Farm in Oak Glen with their authentic old-style "good 'ol days" music. Two members, Sean McDuffee and Bob Farley, have entertained us a few times in the past. Now July brings the full band with all their wonderful sounds. So grab your chairs, snacks, beverages and a sweater or blanket. Don't forget those neighbors, and come on down.

Just a note for those who did or didn't see Renee Rojanaro at the Amphitheater last August. You have another opportunity to

enjoy her and her music at Victor's Restaurant on Friday nights during the summer months starting about 6 pm.

Cindy, Nelly and I were there recently and stayed long after our meal just to listen to her wide variety of songs. Victor's has a dance floor for swaying to the music we remember so well. Tell Renee you are from Four Seasons, as Sun Lakes had a really good turnout the night we were there. We want her to know how much we enjoyed her as well.

Looking forward to seeing you at the Amphitheater. ~ **Penny McDonell**

WRITERS' CLUB

Since our school days, we associated the beginning of June with the end of an annual cycle of intellectual activities. The members of the club followed this model when they voted to skip their meetings in July and August and resume them in September for a new and exciting cycle.

To every non-member: It is time now to think about putting some of your thoughts down on paper and signing up as a new member of the Writers' Club. Try it and you may find yourself better at it than you ever thought.

At the meeting on June 3, new members were introduced: Theresa Casanova and Henry and Gail Roberts.

In the past year, a great variety of writings were presented by members of that club: poems, histories (especially of family), novels, essays of different types (scientific, domestic and inspirational), and children stories. Two new genres of writings were presented and discussed at the June meeting: one by Mark Parker on magazine articles and the other by Joseph Laurin about a theater play he recently wrote. Both distributed samples of their writings and had them discussed by the members.

Happy summer break! ~ *Joseph Laurin*

SEASONED SOLOS

There was very good attendance at the June planning meeting and we welcomed two new members. Many ideas were discussed with the following outings being finalized: the Amphitheater featuring The Doo Wop Dolls, lunch at Victor's, the Lavender Festival, miniature golf in Colton, the opening performance at the Redlands Bowl, and the Luau in the Ballroom.

The activities for July were discussed; we plan to attend the

Air Force Band of the Golden West from Travis AFB performance at the Redlands Bowl on July 5, and take the Metrolink to the San Clemente Ocean Festival. There will be more July outings planned at our July planning meeting.

Anyone "living solo" is invited to join us for any of our activities or our planning meetings. For more information on the group or any of our activities please call Monica at (951) 922-8805 or Mary at (951) 769-5444. ~ **Mary Castle**

DISCOVERY CLUB

Genealogy is the search for our ancestors. Family history is the study of the lives they led. Using the information from each area provides us with a truer and more complete picture of our family.

Remember that as you go back in time, each generation doubles the number of your direct ancestors. You have two parents, four grandparents, and so forth. To start with, limit your research to your paternal line only. Then add your

maternal line.

When you have searched the parental lines as far back as you can go, start including your relatives (uncles, aunts, cousins). A relative is someone with whom you share a common ancestor but who is not in your direct line.

Some ancestors can be very difficult to find. It's almost as if they determined to hide their very existence. When you cannot find someone, try different

avenues of research. Maybe they show up only on a cemetery grave stone, or on a list of slaves, or possibly only in a Civil War registration, or on a tax roll. Sometimes you can find them in the written history of an area where they lived. The clues can seem quite thin but they are usually there, so don't give up. Info., Willis Fagan, Club Captain (951) 769-4482, wefbev@verizon.net. ~ **Willis Fagan**

ACTORS & DIRECTORS CLUB

At our June meeting, members were informed that we have a date in November for the first performance by the Actors and Directors Club of four original “mini-plays” written by one of our own residents. There are openings for all speaking parts, and auditions will take place during the first two weeks of July. If you are interested in performing with this growing club, please look for the audition sign-up sheet in the lobby of the Lodge and participate in the first of hopefully many quality productions by this fun club.

Our next meeting will be in the Conference Room at 1 pm on July 3. All residents, with any level of stage and acting experience, are welcome! ~ **Eileen Gilbert-Antoine**

RAINBOW GROUP

We’re planning an informal social evening later in the fall. We hope this will allow as many of our LGBT neighbors and friends, and their friends, to get together with us. We’re trying to combine a social evening with Smitty’s dinner around 6 pm, and you can enjoy your own beverages. Keep an eye on the *Breeze* for more information. If you have ideas, please e-mail or call us. If you have any suggestions or questions, please call/e-mail Dale at (951) 797-0364 or dbeckes@dc.rr.com; or Barbara at (951) 845-6246; e-mail Barbara at bamerton@alumni.ucla.edu. You may also sign up on the interest group clipboard at the Lodge. ~ **Barbara Kwiatkowska**

BOOK CLUB

Would you like to share an interesting discussion of instantly recognizable characters in an often-funny story of unexpected love? Then please join us Tuesday, July 8, for a fun discussion of *Still Life with Breadcrumbs* to be facilitated by Kathy Roach. From bestselling author and Pulitzer Prize-winning columnist, Anna Quindlen, this light, sophisticated romantic comedy of manners was highly rated by the *New York Times*, *People Magazine*, *USA Today* and others.

Still Life with Breadcrumbs begins with an imagined gunshot and ends with a new tin roof, and between the two is a wry and knowing portrait of Rebecca Winter. Once a well-known photographer and lifelong New Yorker, now age 60 and divorced, Rebecca is still a famous name but her works are no longer bringing in the money they once did — money she

ideas.

Still Life with Breadcrumbs is a well-crafted journey into the life of a woman as she discovers that life is a story with many levels, more exciting than she ever imagined. And it’s never too late to embrace life’s second chances.

For more information about the Book Club, please telephone Doreen Sanders at (951) 769-1913. ~ **Kathy Roach**

ALL SEASONS RV

We are a group of residents who participate in RV trips. We have traveled to many fun and interesting places. If you would like information on future trips, you can contact, Ann Williams at awilymz@att.net to be added to the e-mail list. You can also attend one of our meetings the second Tuesday of the month in the Ballroom at 6 pm. There will be no meetings for the months of June and July. Our next meeting will be Aug. 5. ~ **Rick Brower**

GARDEN CLUB

They were the symbol of Roman gladiators's sword. Native to sub-Sahara Africa, gladiolas were imported to Europe in the 17th century and subjected to intensive hybridization to increase their size and range of colors. Except for production of new varieties, Gladioli are not cultivated from seed. Often considered a bulb plant, Gladioli, in fact, are corms. A corm is a shortened and thickened section of the stem that appears at the base of the plant. On the corm are buds for each layer of leaves. Gladiolus can be propagated by cleaning, drying and storing over winter. After blooms have fallen, cut the stem leaving one inch and store at about 70 degrees for a month to dry the corms. Divide the bulbs, clean the debris. Let them be at 70 degrees for another week, then store at 50 degrees. (Do not wash the bulbs with water). Store them in a tub lined with peat.

Gladiolus seeds are planted in spring an inch apart and should sprout in a few weeks.

Blooming seasons can be stretched by making succession plantings, by planting bulbs of several sizes, and by using varieties which take different lengths of time to mature.

Gladioli come in many colors. The only color that gladioli do not come in is blue. They also come in a wide variety of shapes such as the butterfly gladiolus and the nanus gladiolus, and in an array of blooming seasons from summer to winter.

~ Leonard Tavernetti

PING PONG CLUB

A nice thing about playing ping pong is that you get to meet other ping pong players in our surrounding community. No one has been a better friend to our Four Seasons' Ping Pong Club than Bill and Barbara Black. They live in Hemet. Although Bill has a wonderful ping pong facility that he constructed in his backyard, he will often come to Beaumont and play with us. Recently Bill had his ping pong facility enlarged and improved. Upon completion of this project, Bill and Barbara celebrated by inviting all our ping pong players over to their beautiful home. The day started with Barbara's scrumptious homemade breakfast that included eggs, potatoes, bacon, sausage, pastries, fruit, juices and much more. After a great time of gorging on the most delicious stuff you ever put in your mouth, we moved into Bill's Ping Pong Man Cave and had a marvelous morning of ping pong, ping pong, and more ping pong. We are very fortunate to have Bill and Barbara Black as friends of our Four Seasons' Ping Pong Club.

We should also mention that Barbara Black attended the Fashion Show/Tea that was held in our Ballroom on May 31. She gave a little talk to the ladies about the very special and unique tea parties she hosts at her beautiful home. These tea parties are available to anyone who would like to book one. You can check out some pictures of her amazing tea parties on her

facebook page at www.facebook.com/nanasteaparties?fref=ts. And of course you can call her at (951) 852-2744.

Good fun is what our club is all about and we would love to have you join us in that good fun. You can find us in the Aerobics Room Monday through Friday at 10:30 am and Saturday at 11 am. Please contact Niles Sundstrom at (951) 572-5119 or Alan Chan at (951) 769-4202 if you have any questions or need more information about your Four Seasons' Ping Pong Group. ~
Niles Sundstrom

Enjoying our breakfast before playing ping pong are: (left to right) Don Fant, Dennis S., Jack & Lian Lee, Bill Black, Niles Sundstrom, Rony Tordesillas, Ben Wang, Chuck Barretto, and Paco Paez.

PICKLEBALL

Word has it that since the Brian William's pickleball piece on NBC Nightly News there has been a noticeable increase in local news coverage and interest. 55 and over communities are catching the bug world wide.

What is it about this game we love so much?

- It is easy to learn.
- It is fun and social.
- You dress in comfortable clothes.
- The only needed equipment is a ball and a paddle.
- Your eye hand co-ordination improves.
- You build and tone muscles without long and hard endurance.
- You become faster and lighter on your feet.
- It improves your tennis game.
- Your memory is improved as you try to remember the score and what number server you are (we all laugh at that one-getting old can be a challenge).

Come see what the fun is all about. Tuesday, Thursday and Saturday mornings at 8 am. Thanks. Marty Key, keeksmail@yahoo.com, (562) 331-0817. ~ **Marty Key**

*Jerry Farmer, Bill Olds, Barbara Harwell & Bob Harwell
enjoy a well-deserved rest in the shade*

BOCCE BALL

Interest in bocce ball continues to grow. The courts are being used several times a week. They can be reserved at the front desk of the Lodge if you have a group that would like to play. As of this writing, we are in the midst of our second tournament. There are nine four-man teams competing. We will have the results in next month's *Breeze*. The club is continuing to work with the Board regarding renovating the existing two courts and eliminating the proposed courts at Rec. Center 2. For those of you that have never played, please join us. Skill is not a prerequisite, and it is a lot of fun. We play Tuesdays at 9:30 am and Wednesdays at 3 pm, but as the weather continues to get hotter, we may change these times. If you have questions please contact Bob Cooper at (951) 769-6352 or Mike Saperstein at (951) 769-7909. ~ **Bob Cooper**

RACQUET CLUB

The Mixed Doubles Competition Ladder remains a work-in-progress. Primarily because our most dependable player is someone named Dee Fault, the ladder has morphed into a double-elimination bracket for the initial Mixed Doubles Championship. While Warren Buffett is unlikely to put up a billion dollars for a perfect prediction as he did for the NCAA Basketball championship, we do have a fair chance of knowing who the final pairs will be. Already set to play in the championship match are Larry and Bernadette Martin, partially because they were able to best Richard Carrasco and Barbara Miller in a close match, and then they prevailed over Dee Fault. Waiting to see if they get to play the Martins in the finals are Bob Rose and Cheryl Burke, who also beat up on Dee Fault, and will have to play the winner of the match between Larry Zimmerman/Padoo Peralta and Den Stevens/Jocelyn Green. The excitement is mounting. Meanwhile, social mixed doubles continues on the second Thursday of each month, and fortunately Dee Fault doesn't play then, but her pesky partner Double Fault often makes an appearance.

The Racquet Club planned to wrap up June by combining the regular last-Saturday-of-the-month Play Day with a luncheon and Wimbledon watching in the Lodge. The catered BBQ lunch from Dickie's was to be complementary for club members and guests were welcome with a small fee.

July will start off with a bang with the third annual Fourth of July Red-Blue competition. It's not political, but the competition between the two sides was fun and fierce in the first two battles, and promises to be equally intense this year as well. And after that friendly competition, we can all join in the Red, White, and Blue celebration in the Lodge.

The new scorekeeping tubes are a welcomed improvement over the flipping kind, which often changed scores on their own when it was windy. So, now if the players can decide who is Home and Who is visitor and remember it for a whole set, there will be less confusion.

Please visit the FSBRC website www.fsbrc.org. ~ **Steven Hovey**

THE 8-BALL CLUB

At last month's 8-Ball In-House Tournament, it was awesome how things turned out for Ray Windhorn again. Ray played Kenny Payne in his third game of regular play which Kenny won, dropping Ray to the losers column. Ray won the next game so moved into the semi-finals to play Kenny again. This time Kenny ran to the 8 ball but scratched while sinking it, putting Ray into the finals, against Kenny! Ray then won two games in a row to secure the championship.

In 9-Ball action, Roland (that's me) raced into the finals undefeated to play against Ray Windhorn who had only lost once. The game went back and forth until Roland had a shot on the 7 ball nestled against the far rail with the 9 ball a few inches away. Roland shot a wicked carom shot off the 7 and pocketed the 9 ball which secured the win.

Anyone can join our club, practice with

us and have a good time. Tournaments aren't required but eventually you will probably want to participate because completion is good for the game. It's all in good fun and winning gives you bragging rights and your name on the Champions' Plaque in the Billiards Room.

We practice together at 7 pm on first and third Mondays, Wednesdays and Fridays.

Monthly 8-Ball Club meetings are on the first Wednesday of the month at 7 pm.

The In-house 8-Ball tournament is on the second Wednesday at 7 pm.

In-house 9-Ball tournament is now on the fourth Wednesday of the month at 7 pm.

Our traveling tournaments are the second and fourth Mondays of the month. The second Monday, we travel to Hemet Solera and the fourth Monday Solera Hemet comes here. Check the

message board in the Billiards Room for any changes of dates or locations.

Club Officers: Club Captain, Del Lyles, Sr., (951) 845-5114; Co-Captain, Roland Harrah, (951) 267-3793, rolandthanh@msn.com; Thanh Harrah, Captain's Assistant, (951) 267-3793, rolandthanh@msn.com. ~ **Roland Harrah**

Kenny Payne and Ray Windhorn

HORSESHOES FOR FUN

Fun, fun fun! It never stops with this group of horseshoe enthusiasts. Our second "First Wednesday of The Month" social event with dinner at the Bistro followed by dessert at a member's home continues to be enjoyed by all. This month we had dessert at the home of Rich and Jill Yanes. Disney Memorabilia... WOW!

We have yet to receive club status, but expect it soon, which will be followed by a request to be added to the Four Seasons website as a club. Plans are in the works for a second tournament, both singles and doubles. Come join us. We meet every Wednesday morning at 9:30 am at the horseshoe venue. Any questions, please contact Ron Erickson at (951) 846-3288, rejlerickson@sbcglobal.net or Gary Christie at (951) 941-9100, goldtoyt@earthlink.net. ~ **Ron Erickson**

BILLIARDS FOR FUN

The remarkable thing about the Billiards for Fun Group is that many of its members are not only having a great time playing pool every Tuesday from 1 to 3 pm in the Billiards Room, but are becoming really proficient at the game. We continually see individual improvement in each member's skill: precise shots, which shots to take and when, lining up the ball for the best advantage of a follow-up shot, setting up the ball for their partner, defensive strategies, and relying on the actual fact that the game's not over until the eight ball is "legally" pocketed. Underlying all of the skill growth of our players, however, is the amount of laughter and camaraderie that is always present with this group. (See adjacent photos.)

Our bi-monthly potluck in June once again was so enjoyable, with a varied and bounteous fare. As spouses are always invited to each potluck, many of the spouses attended and stayed afterward to watch the play in the Billiards Room.

Mike Saperstein started a practice session on Saturdays from 10:30 am to 12:30 pm in the Billiards Room, for anyone in the community who wants to improve their game, learn new techniques and skills and just have a good time on Saturday morning. This practice session has obviously helped Mike, as he is one of the group's most improved players!

We meet every Tuesday from 1 to 3 pm in the Billiards Room at the Lodge. Come check us out! ~ *Eileen Gilbert-Antoine*

A California Morning Glory alongside the trail.

L-R: Jerome Liebenberg, Richard Brown, Charlie Ledger, Ruth Tavernetti and David Kershaw soak up shade from an oak tree.

L-R: Mary Martin, Richard Brown, Charlie Ledger and David Kershaw stroll through "Sherwood Forest."

David Kershaw, Jerome Liebenberg, Richard Brown, Len Tavernetti, Charlie Ledger, Marty and Mary Martin prepare for a Big Boy repast.

HEARTY HIKERS

A handful of Hearty Hikers escaped from the Beaumont winds in May to nearby Yucaipa's Wildwood Park.

Here the air was still, yet not too hot for a morning hike. Along a dirt woodland trail hikers hopped from shadow to shadow of live oak trees like frogs on lily pads. The frequent rest stops were fully utilized by opinionated discussions on major controversies of the day, sips of cold water and examinations of tree bark. Since the foamy, dark brown cankers brought by the western oak bark beetles may be in the area, spotting this fungus is a necessity and delayed stepping out into the solar glare.

Shortly after starting up the hillside the trail forks with our map displaying a circular route starting here. We selected the left trail intending to make a loop. The absence of spring rains was evident by the browning grasses of the valley. Only small animals and a few flowering plants could be seen as we walked. A boarded barn with wooden picnic tables offered an opportunity for a mid-morning snack stop after an hour's walk. An encounter with a local hiker proved fortuitous as he advised us that our map was in error and we could not make a loop. We then returned to the fork in the road and took the "road

not taken." After crossing an open valley we entered a heavily shaded copse of trees. Our erstwhile British hiker informed us of the similarity to Sherwood Forest. Unfortunately, this darkened glen only extended a hundred yards before the trail opened up on a sunny ridge.

To find out where else we are hiking in 2014 call or e-mail Lynette at (951) 377-0392 or lynette.simonson@gmail.com. ~

PADDLE TENNIS

It seemed like a good idea to Alan Chan to have the paddle tennis paddlers, the pickle ball paddlers and the ping pong paddlers all get together for a social event. He brought it up to the PT paddlers and we all agreed. The idea was then brought up to the PB paddlers and PP paddlers and they, too, thought it would be a fun time. So, on July 18, there will be a gigantic BBQ for all of the Four Seasons paddlers.

About every other month we have a singles and/or doubles tournament. We recently added a ball machine which really helps to improve a player's game.

You don't have to be a super athlete to play and enjoy this sport. We paddlers don't take ourselves too seriously; we've even been known to clown around on the courts. Its good clean fun and great exercise.

Here is a list of some of the Four Seasons Paddle Tennis players: Alan Chan, Dan Anguiano, Diego Diaz, Gary Campanella, Garrett Warman, Jim Cochran, Mike Flower, Michael Rothberg, Niles Lindstrom, Paco Paez, Raul Bautista, Robert Norwood, Terry Miller, Phil Harris, Rick Loney, Richard Carusco, Rob Gardner, Syed Ali. If you recognize someone and would like to know more about the sport and our group, ask them.

Come join us and give paddle tennis a try. We have extra

loaner paddles. Everyone has a great time!

Court times: Official - W/F/Sun - 7 to 9 pm; Unofficial - F/Sun - 8:30 to 10:30 am.

For more information, call Alan Chan at (951) 769-4202 or Jim Cochran at (951) 769-5525. ~ **Michael Rothberg**

All American BBQ Luncheon

Tuesday, July 8th at 10:00 AM

- OR -

Wednesday, July 23rd at 10:00 AM

It's time to celebrate our red, white and blue colors at a patriotic luncheon in our beautiful Outdoor Fountain Café*. Chef Hugo will be cooking up all your traditional favorites including ribs and chicken. Show your patriotic spirit by dressing in our national colors. The best dressed in theme will take home an apple pie. All those who served our country will be honored.

Then tour our beautiful community including our newly remodeled Village Café, Bistro, Billiards Lounge and Skyview Terrace Dining Room. Plus hear firsthand about The Village Lifestyle from one of our many residents and learn about our exclusive Village VIP Club!

*Weather permitting, if it is too warm this event will be indoors

Reservations Required. Seating is Limited.

FIREARM ENTHUSIASTS

The Turner's Sports Fair at Raahoughes Range was a great opportunity to enjoy the shooting sports. Those who went had a great time trying out the new models and favorites that we don't want to/can't own in California. July and August monthly meetings are going to be postponed due to vacations, so be ready with your "summer shootin'" stories to share at the September meeting. Have fun and be safe. For information, e-mail sm45para@gmail.com. ~ **Steve Meier**

4X4 SEASONS

We are going to start focusing on off-roading day trips. We are hoping to do at least one trip per month. This will be held the third Thursday of every month. We meet in the north parking lot of the Lodge at 8 am. In May we went off-roading in Coyote Canyon in the Borrego Springs area. This rugged area is the summer home to the Desert Big-Horned Sheep so the trail closes May 30. We didn't see any sheep; however, we did get to see the Air Force conducting low level training flights. There were four vehicles that participated in the trip. We enjoyed a picnic lunch as well. Anyone who has a four-wheel drive vehicle is welcome. Most of the trips are on state service trails designated as four-wheel drive. We do not do extreme off-roading. If you do not own a four-wheel drive vehicle, you are more than welcome to ride along. Call Bob Cooper to make arrangements, or with club questions, at (951) 769-6352. ~ **Bob Cooper**

Photos Wanted

If you would like to submit a photo for the cover of your community magazine, please keep the following guidelines in mind:

- Vertical format is preferred
- Simple, uncluttered photos work best
- Digital photos are requested at high resolution, 4 megapixels or higher, 300 dots per inch (dpi) or at least 1536 x 1024 pixels
- Send jpeg format photos to FourSeasonsNews@yahoo.com

If you have any questions, please call Courtney Taylor at (909) 797-3647.

Submission Guidelines

The Communications Committee respectfully requests that all clubs and groups submit their article ***no later than 12 noon on the 9th of each month***. Please limit articles to 400 words. E-mail .doc or .rtf files to fourseasonsnews@yahoo.com. Please include committee, club or group name, writer's contact information, and organization's contact information. Within the article, include upcoming event details and general contact information. Photographs must be clear, in focus and submitted as high-resolution jpegs. Photos and articles will be printed at the committee's discretion.

To Advertise in the Breeze

If you would like to advertise in the Breeze, please contact Stacey Parr at Image Up Advertising & Design at (909) 435-5042 or e-mail her at staceyimageup@yahoo.com
