Be Sure to Vote in Board Elections

By Leighton McLaughlin

Three candidates have filed to run for two openings on the HOA Board of Directors.

Incumbents Jacque Sneddon and Wayne Staples are running for re-election and Barbara Kwiatkowska-Amerton is seeking to join the Board. The two top vote getters will be elected.

Sneddon is Board president and Staples treasurer. Both are Board veterans with three terms behind them.

Kwiatkowska-Amerton is a retired music teacher with a PhD in ethnomusicology. She ran unsuccessfully for the Board last year against Board Vice President and Secretary Loren DuChesne. DuChesne has a year left on his term.

Ballots have been mailed to residents and will be counted at the annual District Delegate Meeting on April 22. The actual election takes place on April 24 at the HOA annual meeting when the delegates cast their votes.

The delegates act much like members of the Electoral College in U.S. presidential elections – with a big difference. Delegates from districts that fail to have a majority of households cast ballots can vote the districts' total voting power as they see fit.

In districts where a majority is reached, the delegate must cast the voting power of the district in the same proportion as the votes cast. It is important for a majority of homeowners to vote so that, in a contested election like this one, the result is not decided by one or two delegates.

The delegates and their districts are:

Arbors 1 – Delegate Niles Sundstrom, Alternate Diana Cook
Arbors 2 – Delegate Noel Myers, Alternate Lynette Simonson
Colonnade 1 – Delegate Barbara Morgan, no alternate
Heritage 1 – Delegate Lynn Gerlach, Alternate Tanya Guy
Heritage 2 – Delegate Tina Soeten, Alternate Doug Smith
Keystone 1 – Delegate Judith Erickson, no alternate
Landmark 1 – Delegate Loren Stassart, Alternate JoAnne Terrell
Landmark 2 – Delegate Don Fan, Alternate Dale Beckes
Laurel 1 – Delegate Judith Rusche, Alternate Martha Franck
Laurel 2 – Delegate Brian Anderson, Alternate Howard Lyon
Monarch 1 – Delegate Del Lyles Sr., Alternate Dennis Mallon
Monarch 2 – No Candidates applied. Board will appoint delegate in April.

Springdale 1 – Delegate Betty Ann James, Alternate Bill Raphael

The alternate acts only in the absence of the delegate.

Homeowners may cast their ballots in person at the District Delegate Meeting at the time set aside for their district (see chart at upper right), but they are encouraged to mail them in earlier so it can be determined if a quorum has been reached.

Four members of the seven-member Board are appointed by builder K. Hovnanian Homes. That will continue until build-out of Four Seasons when all members will be elected from the community.

The schedule is:

April 22, Ballots counted at Delegate Meeting.

April 24, Annual Meeting, delegates elect Board members.

DISTRICT DELEGATE MEETING

Following are the times for district residents to cast last-minute votes during the District Delegate Meeting on April 22 for 2014 HOA Board candidates. Homeowners are urged to vote earlier by mail ballot so that quorum status can be determined.

New General Manager Settling into Position

By Leighton McLaughlin

Jeri Mupo has her eyes on us. She took over as general manager of the Four Seasons management office in late February and, “I’m watching – observing. I hope to have some suggestions to improve our services and systems, but right now it’s wiser to watch, to get educated.”

She said her predecessor, Lisa Lynn, “did a really good job, so it’s time to go slow; but sometimes fresh eyes can add new things.”

When Lynn left for a job at another property management company, Mupo came over from the Euclid Management regional office in Upland and has great enthusiasm for her new position

She said she was delighted be offered the chance to work at Four Seasons Beaumont. “It’s K. Hovnanian’s ‘flagship’ project nationwide. It’s nice to work at a flagship.”

Mupo has a wealth of experience with property management. She began in 1990 as fill-in receptionist from a temporary agency. When the company went out of business in 1992 she went to work at Euclid.

She became a portfolio manager, handling the affairs of several smaller HOAs with no on-site staff. Later she was promoted to division manager, overseeing a group of managers.

Four Seasons Murrieta became one of her portfolio customers when its staffing vendor lost its insurance and K. Hovnanian sought help from Euclid. “We did such a good job that we were hired for Palm Springs, Hemet, Bakersfield and Beaumont,” she said.

Later she became director of developer relations – dealing with the companies that build the developments Euclid manages. One of her responsibilities was to ensure the smooth transition from builder control to HOA control as the projects were built out – a process Beaumont will go through in time.

“We don’t know when that will happen,” said Mupo. “It’s market-driven. If they can sell faster they will build faster.” Four Seasons now has 1,125 homes; at build-out there will be just less than 2,000.

Two new recreation centers are yet to be built. Plans for Village Center 2 – on Four Seasons Circle at Mesa Verde Park

Jeri Mupo, our new General Manager

– have been approved by the Beaumont Planning Commission and preliminary work is underway. Village Center 3 – on Four Seasons Circle at Breckenridge Ave. – is planned for 2018.

Mupo said there are differences between unrestricted developments and those for people over 55. “I am amazed at the constant activity at the Lodge,” she said. With most residents retired there is no lull during regular working hours. “So we have more interaction with the residents. We provide more services.”

Mupo lives in Yucaipa (“What a great commute – just 11 miles,” she said) with her

husband, Paul, and their daughter, Danielle, 19, who is finishing her studies at Concord College to be a surgical technician. Three older children have already left home, “so when she leaves, we’re getting ready to be empty nesters.”

Mupo is a native Californian, born in Mountain View and raised in Morgan Hill south of the Bay area.

She grew up in an unusual home. She said her father was “an Okie” from Oklahoma and her mother a big city girl from San Francisco. “So we had to compromise a bit.”

They lived in a suburban setting, but on two acres of land where they raised all manner of animals: “steers, pigs, sheep, rabbits, chickens, ducks,” she said. “I had my own horses to ride. It was wonderful.”

Her dad worked in high tech, at Lockheed in Sunnyvale, but he came from the countryside and wanted his kids to know about it. “He thought it was a good experience. It was how he grew up and thought we should too.”

Mupo has taken classes and exams to be certified by the California Association of Community Managers and the national Community Association Institute. She is working toward a Professional Association Managers Certificate. All that would allow her to put the initials CACM, CMCA, and PCAM after her name.

“I paid a lot of money for those initials,” she laughed. “But it’s an investment in my career. It was worth it.”

Despite her high qualifications and years of experience, “There is always something new,” she said. “I’m always learning. If not I would be bored.”

Manager's Update

By Jeri Mupo, General Manager

At March's Open Session Board meeting, the Board of Directors approved the following committee recommendations:

- Emergency Preparedness requested approval for the following EPC Expo vendors: Cal Quake, Simpler Life Emergency Provisions, Inc., On Star, and Thrive Life
- Landscape request to move pots from the previous Sales Office and planter circle and install in hot tub area, install irrigation and plant material and install plant material in the bare areas inside the pool area (\$800)
- Rules and Regulations requested an amendment to the Holiday Decoration and Lighting and Committee Membership rules
- Safety and Facilities proposal to install an equipment organization system in the Aerobics Room (\$400)
- Safety and Facilities proposal to add a cement area outside the Bistro entrance from the parking lot for the BBQ while in use (\$400)
- Safety and Facilities proposal to install additional bird spikes in the

Loggia (\$600)

- Safety and Facilities proposal to install permanent awning at the Pool and Tennis Courts (\$24,000)
- Social Committee requested a \$50 deposit for the Luau event band.
- Social Committee requested a \$400 deposit for the New Year's Eve DJ and \$300 deposit for Anne Taylor Catering

The Board of Directors reviewed and acted upon the following business matters:

- January 2014 unaudited Financial statement – reviewed
- Ratified appointment of Sharon Bond to the Landscape Committee
- Approved proposed budget of \$795 for the Appreciation Brunch
- Approved proposal for Universal Carpet Systems to clean and seal all Lodge tile (\$3,230)
- Approved the release of Assessment and Start Up Fund bonds to K. Hovnanian

Management reported to the Board the completion of the following items:

- Repair and installation of additional two rail trail fencing

- Installation of the trail signage
- EPC Handbooks

Management reported that 215 violation letters were sent out during February for the following issues:

- Age Verification
- Yard maintenance
- Trash cans
- Parking

The Board of Directors did not suspend facility privileges for any member for delinquent assessments, bringing the total for suspended privileges to 10 current members.

The Board meeting is held on the second Thursday of the month, with the Executive Session at 9 am in the Lodge Conference Room and the Open Session at 1 pm in the Lodge Ballroom.

Thank you all for the warm welcome! Thank you to all of the homeowners, vendors, and staff members for making me feel so welcome! I know it is hard to believe, but it has already been 30 days since coming to our community. I look forward to a long future at the Four Seasons community and invite everyone to come by and say hello!

Arthur Murray Show Offers Valentine's Entertainment

By Cindy Graves

Thanks to Drew Rodriguez, owner of the Arthur Murray Studio in Redlands, we had an hour and a half of straight dance exhibition, showcasing a variety of dances from Rhumba to Paso Roble, East Coast Hustle, Tango, Country, and many others; all of which held the audience attention for the entire time. The costumes were also varied and beautiful and added the extra bling to really make the show sparkly. A fun addition to the show itself was the audience participation portion of the event. Many individuals either went up to dance voluntarily or like me, were grabbed by Drew or one of the other dancers for a quick try on the Ballroom floor. It was a lot of fun, albeit a bit intimidating.

One of the biggest surprises of the evening was our very own BOD President, Jacque Sneddon, being twirled and swirled across the floor in several dance numbers. Everyone who saw the show raved about her grace and elegance and went on about the butterfly transformation from controlled decorum laden Association leader to light as a feather, Dancing Queen. It was a treat to behold and one people will be talking about for months to come.

Neighborhood Notes

By Bobbie Eckel

April is another busy month. We start with April Fools' jokes (Did anyone find the 10 foot python which escaped from a resident's snake tank?), proceed to District Delegate and Board Elections (those topics are not intended to be "related" to the first), enjoy and learn from the E.P.P. Expo, find out what is "Ballroom Trivia Night," showcase our talents with Karaoke, laugh at the acts and antics of the PAC/PG 55 Show and finish with the HOA Garage/Lodge Sale (I just like the alliteration!) which will replenish our wallets and clean out our closets. It almost makes you tired just thinking about all that activity!

Do remember that we are also voting this month for the two seats available on the Board of Directors. Ballots will have been mailed in March and will be counted at the Delegate Meeting on April 22. The results of the balloting will be announced at the Annual Meeting on April 24. We all need to be a part of this community. Please participate fully in the process.

If you attended the General Session of the BOD on Feb. 13, you would have heard the announcement that Lisa Lynn has resigned as General Manager and will be replaced by Jeri Mupo who has worked for years with Euclid Management.

You would also have learned that the 2014 Holiday Hours for the Lodge contain many of the changes that residents have requested. Hours for holiday "eves" have been extended; the Lodge will even be open on Thanksgiving morning. Watch for the full slate of hours in *The Breeze*.

At that BOD General Session, the Planning Officer for Beaumont addressed the audience. She noted that on the first Wednesday of every month at the Civic Center from 6 pm to 7 pm, the City of Beaumont holds a Beaumont Cares Awareness Team (BCAT) with representatives from each of the departments in the city of Beaumont. Residents are urged to attend these meetings if they have concerns or questions: another example that "Beaumont Cares."

Mark your calendars: The pool will be heated by the weekend of April 20, Easter Sunday. Plan to have your family

come and enjoy. And bring lots of warm towels if the weather changes! Water Aerobics in the heated pool will be offered in two sessions, May through July and August through October. Payment of \$75 for the first session is due by April 30. Class begins May 5.

Softball buffs, it's time to join the Valley-wide Senior Softball League. The League plays out of Valley Wide Recreation Center in San Jacinto. All levels of play are involved; interested players must be age 55 or older. Summer and winter seasons are scheduled. The cost is only \$30 a season. You play at least 40 games each season. Game Days are Tuesdays and Thursdays. Practice is on Wednesdays and Fridays, 7:30 am to 9:30 am. Modified ASA rules are utilized. Players interested in playing during the Summer Season must sign up no later than May. Please call (951) 927-4509 for additional information or to sign up to play.

The 30th Redlands Bicycle Classic will be held April 3-6 this year. The Classic is a four-day stage race which winds its way through Redlands, Beaumont and, as of last year, includes a venue in Big Bear. Riding events in Beaumont will be on Friday, April 4. Three separate races will start and finish at the Beaumont Civic Center. Be on the alert for temporary road closures to accommodate the cyclists. The Classic opens the USA Cycling National Racing Calendar. For more information on the race, visit [www.ci.beaumont.ca.us/bike race](http://www.ci.beaumont.ca.us/bike%20race).

Conundrums from Maxine: If lawyers are disbarred and clergymen defrocked, then doesn't it follow that electricians can be delighted, musicians denoted, cowboys deranged, models deposed, tree surgeons debarked and dry cleaners depressed?

HEARING IMPAIRED REMINDER: For those residents who could use a little "assist" hearing the meetings in the Ballroom, please remember that we have hearing impaired equipment (headphones) that can be checked out at the Lodge desk for your listening pleasure.

Chef's Corner By Randy Balt

Chicken, Asparagus and Bacon Skillet

Total time: 45 minutes • Yield: 4 servings

I use the Internet extensively in my searches for new and interesting dinner ideas. This particular recipe shows up in multiple websites, such as Better Homes and Gardens, Food.com, and Recipe.com, just to name a few. It's flavorful, easy to make, and should satisfy your family's dinner-time appetite. Besides, it includes bacon, which is its own important food group. Bottom line: Made it, liked it, and I'll make it again.

INGREDIENTS

1 lb. asparagus spears, trimmed
4 slices bacon, coarsely chopped
4 skinless, boneless chicken breast halves
Salt
Ground black pepper
1 medium yellow summer squash, halved lengthwise and cut into 1/2-inch pieces
1½ cups chicken broth
¼ cup dry white wine
2 Tbsp. all-purpose flour
1/2 tsp. finely shredded lemon peel
Lemon wedges

DIRECTIONS

1. In a large saucepan cook asparagus in a small amount of boiling water about three minutes or until crisp-tender; drain. Immediately plunge asparagus into ice water to stop cooking.
2. In an extra-large skillet cook bacon over medium heat until crisp. Using a slotted spoon, remove bacon and drain on paper towels, reserving 1 tablespoon drippings in skillet.
3. Sprinkle chicken with salt and pepper. Cook chicken in the reserved drippings over medium-high heat about 12 minutes or until brown, turning once. Remove chicken from skillet; keep warm.
4. Add squash to skillet; cook for three minutes, stirring occasionally. At the same time, in a medium bowl whisk together broth, flour, and lemon peel; add to skillet. Cook and stir until thickened and bubbly. Add asparagus and chicken to skillet. Cook about six minutes more or until chicken is no longer pink (170 degrees F). Add lemon wedges in last minute. Sprinkle with bacon. Serve.

Activities Director Corner

By *Cindy Graves*, Activities Director

April is going to be one of my favorite months so far, with so many celebrities visiting the Lodge from Palm Springs. We are expecting the likes of Reese Witherspoon, Denzel Washington, Morgan Freeman, Kathryn Zeta-Jones and Diane Keaton, all of whom should be surprising us on Tuesday, April 1, as Roland Harrah takes them on a personal tour of our facilities. Many of you know that both of Roland's children were child actors in Hollywood and Palm Springs, giving Roland so many of the theater and film connections that he enjoys today. If you happen to be in the Lodge when these folks arrive, please extend to them the same courtesy that you extend to all of our regular neighbors. Roland has assured them that they won't be hounded and will be treated like everyone else at the Lodge. I will have to be sure that I take a sedative that day so that I live up to my own exhortation. Thank you Roland for bringing them by!

Don't miss the big Emergency Preparedness Expo on Saturday, April 5 from 10 am to 2 pm in the Lodge. There will be something in nearly every part of the Lodge that day, so don't miss all the valuable information and emergency supplies vendors. Yes, you will be able to purchase some help safety items for your home so bring your extra lunch money to spend.

Colin Taylor will be leading us in a hilarious and intellectually stimulating Trivia Night in the Ballroom on Friday, April 11 at 6 pm. Bring in your dinner from Smitty's or just your favorite beverage. Come as a whole table or just yourself. You don't have to play if you don't want to, but you'll have a laughing good time watching others try their hand at random questions. Prizes will be given out for teams and for individuals. There is no cost to attend, so you'll get your money's worth!

Speaking of Colin Taylor, our Performing Arts Club member extraordinaire... He is helping Susan and Sheldon Craig with the next PAC show on Friday, April 25 at 6 pm which is the PG-55 Show. This show has a little suggestive content, so it's not appropriate for the grandkids. This is also a free show and dinners and beverages are welcome to come along with you into the Ballroom.

Finally, I would like to let you know that you may sign up for the HOA Garage Sale at the Lodge front desk. It's a fun day for both the treasure hunters and the garage sellers, whether you are selling at the Lodge parking lot or whether you're having a sale at your home. The price to participate is only \$7 and takes care of both your city of Beaumont Garage Sale permit and outside advertising. This is one of the few times in the year that we invite folks from the "outside" to come and join in the fun with us. The last date to sign up is Wednesday, April 23. The garage sale itself is on Saturday, April 26 from 8 am to 2 pm.

It's going to be a great April! Happy April Fool's Day (Can you guess which part of this article might be an April Fool's story?). Have a happy and meaningful Passover and Easter. See you at the Lodge!

DID YOU KNOW?

By Bobbie Eckel

Did you know that one of the many theories of the origin of April Fools' Day concerns the European change from the Julian Calendar to the Gregorian Calendar in the late 1500s? The new calendar

moved the new year to Jan. 1, but news traveled slowly in those days and it took many years for the entire country to make the change. Those who continued to celebrate the new year just after the vernal equinox in late March were branded April Fools. Jokes were played on them by their neighbors. Today the primary theme of the day is playing pranks on others. The Internet actually has many pages of suggestions for possible tricks on your friends.

Did you know that there really is a National Walk to Work Day? It is officially the first Friday in April; that would make it April 4 this year. The idea was first declared by U.S. Secretary of Health and Human Services Tommy G. Thompson for April 2, 2004. The Special Walk to Work Day was intended to draw

attention to the growing problem with obesity and sedentary lifestyles in our country and to encourage the population to get out and exercise. The goal of the day is to walk at least 30 minutes. By adding this small bit of exercise to their every day regimen, people can lower weight, lessen the chance of heart disease, and decrease the risk of diabetes. Residents might consider walking to the Lodge on this day. Given our hills and trails, the walks should be healthy for us.

Did you know that April 7 is World Health Day? The day is sponsored by the

United Nation's World Health Organization (WHO) and focuses on a different health theme each year. It is an international event to spotlight important health issues

or problems. The theme for 2014 is Vector-borne diseases. Vectors are small organisms such as mosquitoes, bugs, ticks and freshwater snails that can carry disease from person to person and place to place. They put our health at risk at home and when we travel. You can find additional information at the World Health Day website. Previous themes include controlling hypertension, mental health, road safety, protecting health from the effects of climate change, making hospitals safe, anti-microbial resistance and making cities healthier. World Health Day proclaimed the first theme, polio eradication, in 1995.

Did you know that April 19 is National Garlic Day? Garlic is a vegetable

and an herb; it belongs to the lily family. It is used in many recipes around the world. Garlic has been used medicinally for thousands of years. Garlic lovers say that the phytochemicals in garlic are believed to

provide protection against stomach and colorectal cancers, help fight off colds and flu, reduce the build-up of plaque in arteries and can be used as a treatment for acne and warts. Given an improper amount of use, it can sure be used to maintain distance between citizens. You can add another word to your vocabulary; the fear of garlic is "alliumphobia"..

Event Systems

Mark your calendar for May 17, as that is the date of the upcoming Outdoor Living Home & Garden Tour here at Four Seasons. If you are a new homeowner wondering what to do with the landscaping of your new home, or if you are a long-time resident thinking about making some changes to your outdoor world, this is the tour for you. Residents who volunteer their homes for this tour are more than anxious to share their gardening tips and techniques with you. Big or small, planted or potted, if you feel your home, garden or yard are above and beyond the norm and you would like to share this with your Four Seasons neighbors, please contact tour director Teri

DiMarino-Davidson at k9styler@aol.com or (951) 769-4345.

Once again, the Event Systems Committee is gearing up for the upcoming Amphitheater production season so be sure to check the *Breeze* calendar for the dates. They are getting ready for all of the technical aspects that need to be covered to make these enjoyable shows even more so. The volunteers doing this work would love to add a few new members to the team so if you are interested in lending a hand, please contact Roland Harrah at rolandthanh@msn.com. We would love to add you to our roster of volunteers! ~ Teri DiMarino-Davidson

Safety & Facilities

I have been concerned about safety at home in Four Seasons at Beaumont. We have not experienced many burglaries, but some level of personal safety should be explored to prevent a burglary or at least limit it.

Ask yourself: If I am locked out of my home, can I still get in? Maybe I can get in my home through an unlocked window in the back, or using a hidden key? Remember: if you can break in, so can a burglar. A small investment of time and money can make your home more secure and can reduce your chances of being a victim of burglary, assault, or vandalism. Get to know your neighbors.

Basic Rules:

- Make sure that all windows are locked.
- Use the locks you have. Always lock up your home when you go out, even if it's only for a few minutes.
- Secure sliding glass doors with commercially available bars or locks, or put a wooden dowel or broomstick in the door track.
- Make sure all porches and other possible entrances are well lighted.
- Trim any bushes or trees that hide doors or windows.
- Keep garage doors closed and locked when not in use.
- Don't hide your house keys under the door mat or in a flower pot. Try a trusted neighbor.
- Ask a trusted neighbor to collect your mail and newspapers, and offer to return the favor.
- Leave word about when you're leaving, when you'll return, and how you can be reached in an emergency.
- Put automatic timers on at least two lights (and possibly a radio) to help your home look and sound lived in.
- Put a hold on mail and newspaper delivery.

It has been my experience that burglars do not overtax themselves in finding ways to get into the home. Therefore limit their reasoning abilities, be smarter and safer than they.

~ **Dennis Gray**

Bistro Committee

The new ice machine has been installed and is working fine. New doors have been installed between the kitchen and the Ballroom to eliminate noise coming from the kitchen. Other kitchen repairs and modifications are progressing on schedule.

The next meeting is April 22, at 11 am in the Lodge Conference Room. All homeowners are invited to attend.

~ **William Taylor**

Rules & Regulations

We meet the second Tuesday of each month at 9 am. All residents are welcome to observe the meeting or request to be placed on the agenda, as time is allowed each meeting for residents to voice concerns regarding our Community Guidelines. Wording for our indoor pool survey has been finalized and each resident will have an opportunity to select pool activities they would like to see made available in our new fitness pool. ~ **Barbara Miller**

EXPO 2014 - THE BASICS... PREPARING FOR A DISASTER!

This Expo, presented by the Emergency Preparedness Program, is Saturday, April 5 from 10 am to 2 pm in the Ballroom. Admission is free and there will be 30 booths where you can learn how to be safe during an emergency. First Responders and Cal Fire will be on site as well as vendors from Simpler Life, Cal Quake and Thrive. You can purchase emergency supplies and food at the Expo. There will be speakers from SoCal Edison and the Renaissance Pet Resort in Banning. The Riverside County Search Dogs plan to participate again this year. There will be cooking and CPR demonstrations and door prizes from local businesses. We hope you will plan to attend. ~ Sally Peterson

Emergency Preparedness Committee

The Four Seasons Emergency Preparedness Program (EPP) General meeting is the first Thursday of each month in the Lodge Ballroom. The purpose is to encourage each resident to be prepared in case of a disaster or incident with education, and participation. We have speakers, demonstrations, updates on community and the city.

Our EPP Expo is Saturday, April 5. At the March meeting, Laverne Prophet, Water Team Leader, gave a presentation. On March 12, Rick Cook, from the Beaumont Office of Emergency Services instructed us on The Incident Command System and gave an overview of CERT (Community Emergency Response Team). The City of Beaumont offers a free three day CERT (Community Emergency Response Team) Training in Disaster Preparedness. The next class dates are Thursday, May 1, Saturday, May 3, Sunday, May 4. To enroll you may call the city, or go online to the city site, or contact Anita Worthen. I have some registration forms. Our EPP Teams in place are First Aid, Survey, Communications, Fire Suppression, Water, Sanitation, Environmental Comfort Zone, Pet Rescue, and Transportation and Power. We want you to come and join the EPP Team. Be aware, be prepared and have a plan. Our next two meetings are Thursday, April 3, and May 1. Remember, EPP is the first Thursday of each month. See you there. ~ Anita Worthen

Finance Committee

At our February meeting, the Financial Statements for January were reviewed and reflected the following significant items: Net Income Year-to-Date was \$22,120 and total reserves were \$4,054,593. The Accounts Receivable (delinquencies) was \$56,692. Our total HOA expenses for January (excluding reserve allocations) were \$200,935. This was under budget by \$26,605. There were no Certificates of Deposit renewals to be reviewed. The Front Yard Cost Center expenses were under the monthly budget by \$5,708. The Springdale Cost

Center Expenses were over budget by \$640. There were five vendor proposals presented and three were sent to the Board with recommendations for approval. Wayne Staples reported on the past due accounts. Current owners were 14 and former owners three. Wage garnishments, payment plans, and small claims court actions are ongoing against the 14 current homeowners on the January delinquency list, a very small part of the 1,100+ homeowners in the community. The former homeowner category has shown the most

improvement since June of last year with only three accounts still on the list; two of the three are current with their payment plans. Wayne gave much credit for the improvements to the efforts of Lisa Lynn and the great job she did in her active management of receivables accounts. We thanked Lisa for all her help and support during the past years and wished her the best in her new venture.

Our next regularly scheduled meeting will be April 29, at 1 pm in the Lodge Conference Room. All homeowners are encouraged to attend. ~ **Noel Myers**

Landscape Committee

Spring didn't sneak into Four Seasons' landscape. It exploded. In past years there was a bit of a thawing from winter frost to alert our plants. This years mild January and warm February plus the good three-day rain at months end set the stage for the explosion. Weeks before the sun sailed over the equator, floral body clocks clicked on regardless of that Pennsylvania rodent's prediction. Like all springs, the good, the bad and the ugly popped through the earth and headed skyward.

Our landscape posse has attacked, corralled and hogtied many of these latter type varmints but reinforcements keep coming. Homeowners are encouraged to volunteer their assistance when they spot garden intruders elbowing out the good plants. If professional attention is needed, please contact the Lodge office so a plant ranger can be dispatched to the endangered area. It is necessary to complete paperwork first to post a reward for the undesirables.

Our five-year rainfall records for Four Seasons reflect that this winter we are in an average year. The 100-year record for Beaumont-Cherry Valley shows we are at 50 percent of the annual average. The difference is due to the location of the weather stations. Our community appears to be on the dry side of the Pass area. However, the 3.5 inches

of rain at the end of February was very welcome and timely. February is normally one of our wettest months and the monthly rainfall was almost zero. Fortunately this is the dormant season for plants and our irrigation demand was low.

Once the March winds abate, our landscapers will be applying mulch to most of the planter areas that were not treated last year. Mulch costs are significant and as plants mature require less of it. In addition to retaining moisture in the soil, it breaks down as helpful ingredients in the soil-something we sorely need at Four Seasons.

The Landscape Committee has openings for interested volunteers. Plant knowledge is not required as we have landscape professionals. What is needed is the desire to walk around the community and report on the status of plant life and any unusual growth. ~ **Leonard Tavernetti**

Neighborhood Watch

We would like to welcome all new homeowners to our community and invite you to come along to our bi-monthly Neighborhood Watch meeting.

Our next one will be on April 9 at 10 am in the Ballroom when we will be discussing locks and security. Our guest speaker will be Dan Ratajczak from Beaumont Lock and Safe.

Please mark your calendars for some upcoming events. April 4 is the Bicycle Classic here in the City of Beaumont (more info on the City of Beaumont Calendar). Our next Community Emergency Response Team Training is a three day course, Thursday, May 1 from 6 to 10 pm and May 3 and 4 from 8 am to 5 pm. You can apply for this through the City of Beaumont website, by going to Emergency Services then Training.

There will be an Emergency Preparedness expo on April 5 from 10 am to 2 pm in the Ballroom. Please come along and visit us at our table. There will be a meeting for Block Captains and Co-Captains on June 12 at 7 pm in the Ballroom.

Remember we are always looking for volunteer Block

Captains as we continue to grow our beautiful community. The following areas currently need a Block Captain, Baxter Wood, Brookriver Trail, Cascade Creek, Clark Creek, Compass Creek, Cook Creek, Crane Creek, Dewey Creek, Fern Creek, Granite Creek, Horizon Creek, Mission Trail, Murphy Creek, Owl Creek, Pierce Mill, Poplar Creek, Quiet Creek, Santiago Oaks Park, Signal Creek, Spring Creek, Tijeras Creek, Wagon Creek.

We would like to get all Block Captains and Co-Captains trained on FRS radios for an emergency situation. This group gets together on the last Friday of the month at 10 am in the Ballroom. Dick Van Bree and Pete Hersey run this group. If you do not have a radio do not worry as they have a good supply for you to practice on.

As always "if you see something say something..." if you have any concerns call the Beaumont Police at (951) 769-8500, Euclid Management at the front desk, Anita Worthen or myself as we continue to watch out for each other. ~ **Susan Wilson**

Knitting & Crocheting

We had two new members this past month, one who is just learning and another experienced. It is a lot of fun to teach and watch the progress. If you are interested in learning, please join us. We are also planning another outing for lunch in March, which is always enjoyable. All the ladies are working on a project item or a personal item. We meet every Tuesday from 10 to about 11:30 am. ~ **Dorothy Payne**

“Believe:” Women’s Bible Study

February and March were so fulfilling for Believe. We had several new faces each week, for which we are grateful. Although each of the women is very busy, they all find the time to study the Word. Discussions have been very enlightening, and participation is always encouraged. Our study for these two months encompassed God’s immense love for each of us, as verified by so many verses in the Bible.

At the first meeting in March, one of the members of the class offered to let us show a clip from a video, *Focus on the Family’s Truth Project*, wherein the verse in Psalm 139:14 (our bodies “are fearfully and wonderfully made”) showed us how truly amazingly intricate our bodies are, and we only touched on the cells! It has been a beautiful journey to discover what the Bible says about the Lord’s powerful love for us.

April will bring us to a study of how we show our individual love for God, what He expects of us, and how we can learn through the various situations He plants in our path. All of the women in the group have shared amazing experiences and insights, and we are all growing as a result.

If you are interested in a beautiful spiritual journey with amazing women, please consider joining our group which meets every Friday morning from 10:30 to 11:30 am in the first section of the Ballroom. It’s a non-denominational study, and all women are welcome. Hope to see you there! ~ **Eileen Gilbert-Antoine**

Rainbow Group

Please feel free to visit our social group and meet your gay, lesbian, bisexual and transgender neighbors. Enjoy our fellowship and good company. We have good conversations and celebrate the local LGBT community. We’re also participating in social activities with the Four Seasons Palm Springs Rainbow Group. The group will meet on Sunday, April 20 at 5 pm in the Lodge Conference Room. It’s always the third Sunday of the month. Please bring a dish of your choice for a potluck. We’ll also celebrate April birthdays and anniversaries. Friends are welcome. If you are interested, contact Dale at (951) 797-0364; e-mail Dale at dbeckes@dc.rr.com; or Barbara at (951) 845-6246; e-mail Barbara at bamerton@alumni.ucla.edu. You may also sign up on the interest group clipboard at the Lodge. ~ **Barbara Kwiatkowska**

The Chavurah & Havdalah Club

Our March movie, Yentel, was a successful evening of fun and friendship and good discussion. We enjoyed bagels, cream cheese and lox and hamantaschen to celebrate Purim. April is Passover and most will be celebrating our Seders with our families. At this writing, there are three couples who will come together for a Seder at one of our homes. If you are interested in joining us, please call Toni Finer at (951) 769-0351.

If you have suggestions for future events that you would enjoy, please let us know. ~ **Toni Finer**

Machine Quilting

This is the current project that we are doing right now. So come on down and bring your sewing machines to the Craft Room on Sundays at 1 pm. Future project we will be doing Quilts of Valor, this will be a team effort. We will be working on patriotic table runners, spring and summer projects in the future. Info., Kathy Spallino, (760) 217-8684. ~ **Kathy Spallino**

Creative Drawing & Sketching Class

Classes are Mondays, 10 am to 12 pm and/or Wednesdays, 6 to 8 pm. Just stop by. ~ **Rob Kelman**

Ceramic Corner

Ceramics class has been really busy and we have added a second day. For those of you who don't know there is now an additional Saturday class. There is lab to come in and work on your own from 8 to 10 am then instructional class is from 10 am to 2 pm.

Easter is just around the corner so a lot of rabbits and eggs are being made by students. Also introduced to class was the beginning art of firing glass. For Valentine's Day we made some beautiful heart necklaces. There are a lot of beautiful things being made by students, so please come by and check it out.

We have also begun creating the centerpieces for the Fashion Show/Tea this year. We are beginning with Victorian Boot Vases, so if you're interested in helping create these, come on in and we will show you how.

We have a few new items for your viewing in the Craft Room, so stop on by and check it out. Info., Pamela Mayoral, Instructor, (951) 897-1922. ~ **Pamela Mayoral**

Camera Club

We meet the third Tuesday of each month at 6:30 pm in the Craft Room at the Lodge. Our April meeting will be April 15. Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings and field trips. Members are always eager to help and teach.

We discuss photography, photo software, hardware, and related subjects of interest. On a voluntary basis, members offer their photographs for critique which is a great learning experience for all. Remember, this is purely voluntary.

Our alternative photo project is ongoing (i.e. we bring a picture of a

specific genre we all agree on). For the February meeting, several members responded to our voluntary assignment by bringing a DVD of a slide show, any subject, two to three minutes in length using the outline handout given to us at the January meeting. We adjourned to the theatre to watch the DVDs; in total, there were about six of them.

Wow! I was impressed as to the quality and also, so much knowledge was gained from the critique of each one by our chairperson, George Johnson. That's the great thing about our club. If you desire, you don't have to volunteer any pictures (or DVD in this case), just sit back and learn from the discussions and critiques.

Also in our February meeting, George lead a discussion on composition of photographs. You know, all of the "rules" and then when it's perfectly acceptable to forget about them. So, our March meeting assignment was to bring (remember, voluntary) a picture using one or more of the composition suggestions. Many of us did and we had a great learning discussion.

Still under consideration are Living Desert (March/April) and Huntington Library and Gardens (April/May). All suggestions are welcome. Hope to see you at one of our meetings soon.

Info., Lyle Cameron, (951) 849-6987. ~ **Lyle Cameron**

Bunco

The month of April we will be playing Bunco on the 11th and the 25th. If you have never played come on out and give it a try. It is very easy and we have a lot of fun getting to know one another. So if you are new to Four Seasons and want to meet some new friends join us. We meet in the Card Room at 1 pm sharp. Bring a friend or neighbor and don't forget to get a drink at Smitty's or maybe even lunch beforehand. See you there. ~ **Suzanne Roldan & Cheryl Burke**

Canasta #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet in the Card Room every Thursday afternoon, 1:15 to 4 pm. Each week you may play with someone different, giving you an opportunity to meet other Four Seasons residents and old friends who enjoy an afternoon of "cool" cards. Plus, the Bistro is just down the hall if you would like a snack or a cold drink. We supply the cards so all you have to bring is your body and the desire to have a little fun. If you don't know how to play we are always happy to set up a teaching table and by the time the afternoon is over you will have mastered the game. All you have to do is show up and leave the rest to us. ~ **Melody Seewoster**

Pan

We are looking for players, substitute players and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so men are very welcomed as well as women. The game can be played in the day, evening, in a room in the Lodge or in private homes. If you are interested, please call me, Linda Mendelson, at (951) 941-9100 or e-mail me at Goldtoy@earthlink.net and I will answer any questions you may have. As all card games, it is played with both skill and luck. ~ **Linda Mendelson**

Mah Jongg

Everybody is welcome to join us for fun Mondays at 1 pm in the Bistro. Beginners as well as seasoned players can join the fun. We usually have several tables of three, four or five players and someone is always available to teach or assist those who are new to the game or those who haven't played in many years. A current Mah Jongg card is required but you can borrow or copy one until you are sure you want to invest the \$8 in it. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Yvette Thomas**

Pinochle

Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This game is played with a double deck of special cards of ace through 10 against other aficionados, to tease your mind, and keep you sharp. Come join the game on Wednesday and Fridays from 9 am to 12 pm in the Card Room. Newbies and oldies are welcome for fun and socializing. Info., George Soeten, (951) 797-0254. ~ **George Soeten**

TOPS

I can't believe it is April already. It is time to start thinking about summer, going to the pool and putting that bathing suit on again. If you are feeling like you might want to lose a few pounds before summer you might want to give TOPS a try.

TOPS (take off pounds sensibly) is right here at Four Seasons and we are here to help you. It is very affordable (\$28 per year membership and only \$3 chapter dues per month).

The month of February our biggest male loser was Steve Bennett and the biggest female loser was Eileen Gilbert. The group altogether lost 45 pounds last month. Come and join us and see what we are all about. We meet in the Ballroom.

For more information please contact Cathy Calhoun, Four Seasons resident and Leader at (951) 849-2614 or Rosalee Strong, TOPS Area Captain at (951) 844-9313. ~ **Cheryl Burke**

Bridge

Congrats to Susanne Jaffe and Roar Senstand, for they bid and made a grand slam this month. This is what every bridge player looks forward to and only happens rarely. Join us on Monday afternoons, (12 to 4 pm) for an exciting game of Bridge in the Lodge Card Room. It will give the brain some exercise and we can all use that at our age. We play party type of a Bridge game where we rotate partners. This enables you to meet and play with different people that play at different levels. The purpose of learning is growth. The mind unlike our bodies can continue to grow as long as we live. We are always looking for more players. If interested or have questions please call Helen at (951) 845-9312. Both Helen and I will be glad to help you learn the basics of the game and hope that you will join us to either learn how to play, watch, or play the game of Bridge. ~ *Bill Guy*

Taste d'Vine

Taste d' Vine Wine Club is proud to present "A Taste of Temecula" featuring the "Diamond of Temecula Valley" South Coast Winery. South Coast Winery produces a broad portfolio of premium wines that are 100 percent grown and produced in Temecula Wine Country. South Coast Winery's secret to success is simple: In order for outstanding grapes to become unforgettable wine, it necessitates an essential dedication of marrying the best of Mother Nature with the best of man. Therein, lies the success that has earned South Coast Winery the "Best of the Best" distinction when it earned the "California State Golden Bear Winery of the Year" Award in 2008/09, 2009/10 and 2013/14.

We are excited to welcome Ed Cohan from South Coast Winery to our April meeting on the third Thursday, April 17, 6 pm in the Ballroom. Bring an appetizer such as bread or crackers and cheese, your own favorite bottle of wine if you wish, and a glass or two for tasting and sharing. Members \$5, guests \$8. ~ *Gracy Luna*

African American Culture Club

On Friday, Feb. 28, we featured "Steppin in Black and White," as part of our Black History Month Celebration. It was very well received by everyone. We had great participation by our community, and from all appearances it was a great success. Everyone is still talking about the delicious food and tantalizing desserts. The decorations were beautiful and the Ballroom looked fantastic. The music was soulful. The people attending took the black and white attire to heart, and everyone came dressed for the occasion looking gorgeous. In spite of the raging rains outside, we were transformed inside to a different era of beauty, eloquence, soulful music, and delicious food. We danced the night away.

A sincere thank you to all the AACC members and the Four Seasons community for such great attendance, and for making Black History Month a "rousing success." You are awesome! Save the month, February 2015, to attend next year's events, They will be even better.

As always, we encourage you to become a part of our group. It is really growing and on the move. We are striving to become viable to you and our community in not only entertainment, but informative on issues that affect us as well.

Our next meeting is the first Monday, April 7, at 5 pm, in the Card Room. If you would like to be a part of a group on the move, come and join us. You can contact Betty Ann James (951) 572-5538 or Joyce Allen (951) 769-4354 for more information. ~ *Roxie Elliott*

Ballroom Dance Club

Our Valentine's Dance Party was loads of fun. We had plenty of good food, and Christopher Landry and his band *Shine* entertained us with a wide variety of dance music. We even did a Western barn dance, which was a barrel of laughs.

We'd like to thank those who worked diligently to make the evening a success. Terry Fears created a magnificent floral arrangement at the front mirror area. Susie Gorgei was a great emcee. And many more helped with the set up and decorations.

Our club sponsors only four of these parties per year, and the number of seats are limited. This last event was a sell-out, so keep that in mind next time.

On May 17, we will have a Spring Fling Dinner Dance Party. Price will be \$20 per person and tickets go on sale April 7. The *Skyline Xpress* band will entertain us with music appealing to many different dance styles. Dinner will include green salad, Hawaiian chicken and pork roast, mixed vegetables, potatoes au gratin, a vegetarian option, carrot cake dessert and beverages.

You are always welcome to visit us on Monday evenings for lessons by our professional dance instructors. Our objective is quite simple – learn many different styles of dances so we can have fun dancing. We start with the beginning steps and build on the basics. For additional fun, we go out dancing to places like Hemet, Loma Linda and Palm Springs. ~ **Willis Fagan**

Top Left: Lots of dancing at our Valentine's Party
Above: Entertainment for our Spring Fling in May, Skyline Xpress
Bottom Left: Good food and easy conversation

Heart & Soul Line Dance

We had a busy start to March. Despite the rain, a group Beaumont dancers traveled to Palomares Senior Center in Pomona, to share the 10th Anniversary Celebration with Harriette Coggs-Stuckey, founder of Heart and Soul Line Dance. Dancers from all corners of the Inland Empire, Los Angeles County, San Diego County, and Northern California came, and we danced!

We continued our celebrating at our very own Four Seasons Mardi Gras dinner/dance. We had an amazing time. It was great to see so many people out on the dance floor. It is awesome how dance is an infectious activity. Anyone who ever says that "seniors don't know how to party" has never seen Four Seasons homeowners in action!

Welcome new dancers, and many thanks to the regulars. New dances are taught at the beginning of every month and we spend the entire month learning them. We break down all the steps for you and you will always find seasoned dancers who will take you under their wings and help you out. They are an outstanding group of people, and I truly appreciate every single one.

Our class schedule: Wednesday: 4 to 5:15 pm, Beginners; 5:20 to 6 pm, Intermediate.

We encourage anyone who wants to stay for the intermediate session to stay and participate. As always, "See you on the dance floor!" ~ **Priscilla Robles**

Line Dancing

Did you hear? There is going to be a hoedown here this summer! You still have time to learn a few simple dances. Each time there is a dance, I notice some people standing off to the side trying to figure out the steps. There is an easier way... come to class. We always welcome those who want to start learning to dance to country music. We take the time to teach you one step at a time in the beginner's class and use easier dances to get you started. The most common dance, the Electric Slide has only 18 steps; a dance that is done at every country dance function

everywhere. Stop standing on the sidelines, join us and learn. You will be surprised how easy it is. The laughter, the fun, the exercise and the friendships are a bonus and make it well worth your while.

Beginners Class is at 3 pm on Tuesdays in the Lodge Ballroom, advanced class follows at 3:45 pm. Classes are free; however, we collect a \$1 voluntary donation which goes to the Performing Arts Club. Hope to see you at the next class. Info., (951) 769-3889. ~ **Martha Franck**

Book Club

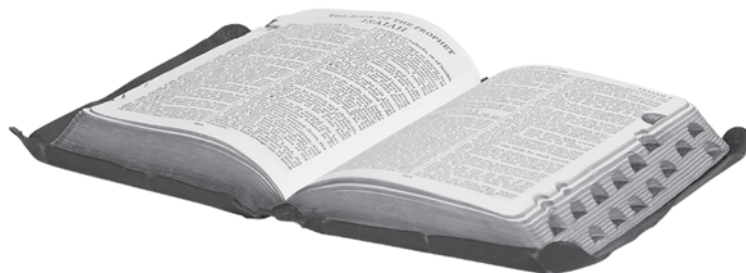

William Eng is a 12-year-old boy raised in an orphanage in Depression-era Seattle. When he sees the actress Willow Frost in a movie, he becomes convinced she is his mother, and he and a friend escape the orphanage to seek her out. Shifting between the Great Depression and the 1920s, *Songs of Willow Frost* explores the mysteries of William's past and the complicated story of the exotic film star.

Please join us at 9:30 am on April 8 when Patty Jordan will lead the discussion of *Songs of Willow Frost* by Jamie Ford. For more information, telephone Doreen Sanders at (951) 769-1913. ~ **Doreen Sanders**

Spanish Bible Class

This month we want to mention to potential students of the Spanish Bible class, how the main theme will develop during future classes. The main theme is "What Does the Bible really TEACH?" and very interesting and important questions will be answered. For example, "What's the truth about God? Why do we grow old and eventually die? Why does God allow all the suffering which gets worse everyday? How will Armageddon affect us?" These questions and many more will be answered by the scriptures we will study.

Do you have any questions of your own, that you want the Bible to answer for you? Then join us every Tuesday at 7 pm. For more information you can call Tim at (951) 769-4238. ~ **Timoteo Lovato**

Performing Arts Club

Happy April, Four Seasoners! Well, what did you think of the murder we had in the community a few days ago? Now, don't get upset and don't go running for your phones...

I'm talking about the one in "The Anniversary." The extremely successful two night run of our Murder Mystery Dinner Theater! If you enjoy this type of entertainment please let us know so we can continue to offer this type of event to you again.

Next on our agenda is a night filled with fun, thought, fun, drinking, fun, eating, fun, and more fun! Get a pen, it's on Friday, April 11 at 6 pm Circle it on your calendars. Why? It's FREE and it's *Trivia and General Knowledge Night*. Topics will include: history, geography, TV, movies, music, literature, sports, science, the arts, as well as weird and unusual facts. Colin Taylor will be our esteemed emcee, and assures me that everyone will know some of the answers but nobody will know all of the answers, no matter what the bribe! So bring some booze, eat your dinner, just remember to have fun.

Rounding out April, will be our much anticipated *PG 55+ Comedy Show*, for audiences 18 years and older. We do not use "bleach" on this performance. In other words, it is not our cleanest! If your preference is clean humor, this event is probably not for you. However, if you get and pass on risqué joke cartoons and e-mails this is an evening not to be missed.

In closing, is another bid to my neighbors... please think about getting involved in this group. It is beyond fun. There is another Radio Show coming up in several months and we are always looking for new people to do the voices. You don't need to memorize the words you just read them as if you were saying them! Please go the Front Desk at the Lodge and ask for the Radio Show SIGN UP Sheet. Put down your name and contact information. You will be contacted by someone on the committee. ~ *Teri Meyers-Kelman*

Four Season Singers

We are back! Our first rehearsal is Monday, April 7. We meet in the Lodge Ballroom near the piano. We meet on Monday afternoons, from 3 to 5 pm. We'll be passing out music and starting rehearsals for our part in the July 4th event.

At our first rehearsal we will also have a guest speaker who will speak to us about the benefits of singing and music.

If you are one of those singers who has been thinking about joining the choir, please come to our first rehearsal. Or, you can contact Barbara Wasco (951) 797-3466 or email at bawasco@dc.rr.com. ~ **Barbara Wasco**

Classical Music Club

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Conference Room. There we discuss current music performances. Most of the time is devoted to exploring a selection for the month. We welcome new members. Contact Steve Benhoff at steve.benhoff@verizon.net or (310) 413-4896. ~ **Steve Benhoff**

Counter Culture Cinema

Our first April screening, on Sunday, April 13 at 6 pm, is the film *Inequality for All* (USA 2013, 89 minutes). Here is a brief description from Amazon.com: “A passionate argument on behalf of the middle class. *Inequality for All* features Robert Reich—professor, best-selling author, and Clinton cabinet member—as he demonstrates how the widening income gap has a devastating impact on the American economy. The film is an intimate portrait of a man whose lifelong goal remains protecting those who are unable to protect themselves. Through his singular perspective, Reich explains how the massive consolidation of wealth by a few threatens the viability of the American workforce and the foundation of democracy itself. In this inconvenient truth for the economy, Reich uses humor and a wide array of facts to explain how the issue of economic inequality affects each and every one of us.”

Our second April screening, on Sunday, April 27 at 6 pm, is the film “Kill Your Darlings” (USA 2013, 104 minutes). Here is

a brief description from IMDB.com: “In the early 1940s, Alan Ginsberg is an English major in Columbia University, only to learn more than he bargained for. Dissatisfied by the orthodox attitudes of the school, Alan finds himself drawn to iconoclastic colleagues like Lucien Carr, William S. Burroughs and Jack Kerouac. Together, this gang would explore bold new literary ideas that would challenge the sensibilities of their time as the future Beat Generation. However, for all their creativity, their very appetites and choices lead to more serious transgressions that would mark their lives forever.”

The Lodge Theatre has very limited seating, so if you're interested in our screenings, come early. We hope to see you there! Coming in May: “Wish You Were Here” and “In A World.” Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please e-mail Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

Amateur Radio Club

After a major earthquake or other disaster, communicating with loved ones and local emergency services becomes a great concern to everyone. More than likely the telephone landlines and cell towers will be non-functional for at least a few days, so we might look to amateur radio operators to help fill the void. Here are a few examples of disasters where they have played a important communications role:

9/11: "Hams" helped coordinate emergency services and pass along vital information when some local communications proved unreliable.

Hurricane Katrina: The largest disaster response by U.S. amateur radio operators was during Hurricane Katrina. More than a thousand ham operators from all over the U.S. converged on the Gulf Coast in an effort to provide

emergency communications assistance. Subsequent Congressional hearings highlighted the amateur radio response as one of the few examples of what went right in the disaster relief effort.

Hurricane Frances: On Sept. 2, 2004, ham radio was used to update weather forecasters with information live from the Bahamas.

On Dec. 26, 2004, an earthquake and resulting tsunami across the Indian Ocean wiped out all communications with the Andaman Islands except for a single amateur station that provided a means to coordinate relief efforts.

The 2008 Sichuan China Earthquake: Amateur radio operators in the People's Republic of China provided emergency communications after the 2008 Sichuan earthquake and U.S. hams did similar work following Hurricane Ike.

Boston Marathon officials relied on ham operators when the cell phone systems were instantly overloaded.

Whether it's a big station, or small and portable, hams enjoy the security of knowing they can get a message through in almost any situation without depending on a fragile infrastructure that can fail or be overloaded. With the support of the Four Seasons at Beaumont Emergency Preparedness Program and HOA Board, we feel confident that at least a basic level of communications can be provided to the community. Soon we hope to have a centralized communications facility operational and ready for "the big one."

Writers' Club

At our March meeting, we welcomed two new members and announced a promising rapprochement with two outside Writers' Groups for collaboration on special projects; for example, between a music composer and one of our lyricists. The priority is given to a music composer from here at Four Seasons.

Two presentations were offered and discussed by the club members. Pat Cummings introduced several of her books published on religious and spiritual themes and explained how she learned to do it. She said she is enthusiastic about it, which she is literally as the Greek origin of the word indicates: en theos = in God.

The second presentation was made by Willis Fagan on "Family History." He showed the book he wrote about his own family's history and traditions, describing his journey through his research back to the fourth generation and his writing about it with accuracy and emotion, so that his book will be interesting to read and easy to use by his family's next generations.

We will continue to meet every first Tuesday of the month at 1:30 pm. Visitors are welcome. Please contact josephlaurin@verizon.net for more information. ~ *Joseph Laurin*

Discovery Club

Sydney Poitier, noted Oscar winning actor, now 87, still sits down every day and writes stories that often become books. It's part of his daily routine. Here's an excerpt of what he said:

"Unfortunately, I came from a culture in which nothing was written down, and I had to depend on whatever the oral history was. A comment here, a comment there. I don't think we tell our stories enough, and I think it is absolutely

essential that we do – and keep the pace of doing it as frequently as we can. When we die, we are going to be taking with us to the grave an enormous amount of information, experience, points of view, positions, attitudes. We should leave some of those parts of ourselves behind."

The message is clear: age and activity should never get in the way of writing your family history. Start with yourself, and as memories come to mind, add

various events and family members. Little by little your history will evolve. So whether young or old, there's no better time to get started than now.

Bereavement Group

Does the idea of sitting with strangers and sharing your private thoughts frighten you or cause you to shut down? This is not at all surprising. Most of our generation has grown up with the idea that nothing gets shared out of the family, that having a "stiff upper lip" is appropriate, and that crying is bothersome and inappropriate. But sometimes what our families taught us does not serve us well now. Most of us say and do things every day that might not have been tolerated in our families when we were growing up.

But change is difficult, no matter how much we might want it. And when we are not sure we want it, change becomes onerous. But far from impossible.

Several men have approached me to talk about how they struggled with grief, and how they won that struggle. The first step was to acknowledge to themselves that they needed help, then to share that need with someone else. They found that by saying out loud that they were struggling, they could move to the next step which was to find a modality that was acceptable to them. In most cases a group, especially a bereavement group, was what they chose. There they learned that they were not alone in their struggling, that others were experiencing the same difficulties especially with making their struggle more public, and that their sense of masculinity was enhanced rather than diminished by learning to open up and walk the path lighted ahead by others.

This process is shared by most of us, men and women alike. So whether you find yourself unable to stop crying, or you wish you could shed a tear, or you simply want some acceptable company, come to our group. If you don't like it there is no obligation to return. If you want to join us, we welcome you. We meet in the Arts and Crafts room at the Lodge on Mondays from 1 to 3 pm. We make the room private. We take a pledge of confidentiality.

You can simply show up at 1 pm or you can reach me by telephone at (951) 922-0934 or email at lauriemlarson425@gmail.com. All contacts are confidential. ~ **Laurie Larson**

Amphitheater Group

It's that time again to start filling in your summer calendar, starting with saving Amphitheater Sundays.

Since there has been a little confusion with the 2014 scheduled dates, it is listed below along with the wonderful performers. This summer will feature the biggest variety ever and hopefully something for everyone.

All performances are on Sundays. Time and length of performance change is for Grand Finale ONLY.

May 18, 7 pm: "Where Is The Love - A One Woman Show?" Dyan Hobday, singer and actor, has put together a wonderful evening of tunes and tales revolving around searching, finding, losing, and rediscovering love. A funny, sad, and beautiful event to open the Amphitheater.

June 8, 7 pm: "Americas Doo Wop Dolls," an A Cappella Trio. These ladies may be young, but they sure know how to blend their voices to sing those fabulous songs from the 40s, 50s and 60s. You'll have to see and hear them for yourselves.

July 20, 7 pm: "The Mill Creek Boys" sing Traditional Bluegrass. This sound was made popular in the 30s and 40s. The Mill Creek Boys give an old-fashioned performance in the style of the fathers of this music. They are regular performers at Riley's Farm in Oak Glen.

Aug. 17, 7 pm: "The San Bernardino Symphony Trio." A wonderful relaxing evening of music under the stars by our local symphony, definitely one not to miss.

Sept. 21, 6:30 pm. "Tony Suraci Plus 3." Tony gave us a fabulous performance singing solo last summer. Well, this year he is bringing a couple of his band friends to sing with him for our special Grand Finale night. Please note the half hour earlier start for our final event.

I hope you are as excited as we are about all the truly gifted performers we have scheduled for this summer. Thank you to the Board for their continuing support, Roland Harrah and the Events Systems Committee for their technical assistance, and all you wonderful residents who show up so faithfully and enjoy this free event. Looking forward to seeing you at The Amphitheater. ~ **Penny McDonell**

Actors and Directors Club

Our March meeting was so much fun. We began with a review of previous costume and prop discussions, i.e., where could we go for costumes, research, etc., how important authentic props are to the actor's production, and where to access them. We also reviewed blocking techniques.

A table of props was then displayed, and each member had one minute to choose any one or two of the props and produce a one-minute skit for the rest of us, using the blocking and acting skills previously discussed. It was a lot of fun, and those participants were very convincing as they exhibited their acting talents. Next, each person then pulled a scenario slip from a bowl, and had one minute to act out the scenario. Each participant provided an original and innovative interpretation that had the rest of us either laughing or actually feeling their scary situation.

If you are interested in furthering your potential performance skills, come join us! We have lots of discussion, laughter and fun, and there's always an abundance of enthusiasm. Our meetings are held monthly on the first Thursday of the month. Our next meeting will be Thursday, April 3, at 1 pm in the first section of the Ballroom. Come join us and enhance your hidden acting talents. I know you all have them! ~ **Eileen Gilbert-Antoine**

Garden Club

California hosts many different sages and their partners: hummingbirds, bumblebees, wasps, and bees. (Hummingbirds kill for sages. They defend sages in their territory like they are the only water in the desert.) Sages are native in California along the coastal areas, parts of the Sierra Nevada Mountains and into the upper desert. In areas like the Inland Empire, as much as a third of the vegetation may have been sages mixed with Oaks, California Holly, and Mountain Lilac.

In 1912, western writer, Zane Grey's classic, *Riders of the Purple Sage*, was first published. The title referred to *Salvia officinalis* also called garden sage, or common sage. Another

sage, *Salvia leucantha* commonly called Mexican bush sage that grows in subtropical climates also produces purple blooms. Both of these plants are found in Four Seasons. The former is native and the latter is an immigrant. Another *Salvia* we encounter frequently in our landscape is red salvias (*S. splendens*) or "scarlet sage."

Sages are members of the mint family. Some of these plants grow up to six feet in height. They all flourish in warm, sunny locations. *Salvia* does not like cold temperatures but tolerates brief cold snaps. Sages can live for 30 or more years and are very drought tolerant. ~ **Leonard Tavernetti**

Seasoned Solos

Our March meeting was well attended and many ideas for future outings were discussed. So far, our plans for April are "Hemet Evening of Art." This event is from 6 to 9 pm and the cost is \$10. It is an evening of wine, cheese, and art on April 12. On April 11, 12, and 13 the Pass Area Performing Arts is presenting

"Broadway to Banning." The tickets are \$12. At our April meeting we will finalize plans for these events and plan for others.

Future outings discussed were a Silver State Trailways bus trip to the Carlsbad Street Fair and Cinco De Mayo on May 4. The bus tickets are \$40 each. A spa day was discussed and more information will

be available at our April meeting. Finally, the Redlands Bowl schedule was review and discussed.

New members are welcome. For more information please call Monica at (951) 922-8805 or Mary at (951) 769-5444. ~ **Mary Castle**

Racquet Club

Despite the much-needed, but rare rain to open the month, March was a busy month for the “Yellow Ballers” of the FSB Racquet Club. Many members bypassed the FS Beaumont courts to journey out to the Coachella Valley to watch the pros play at the PNB Paribas Open tennis tournament at the recently expanded Indian Wells Tennis Gardens. The blue courts are beautiful. It is amazing how the professional players can hit the ball so hard and still get it land inside the same size court that we play on. They’re really good!

Not everybody could make it out to see the matches in person, so the Racquet Club planned a special Play Day on March 15, to be followed with a non-hosted luncheon in the Lodge Card Room to watch the final matches of the Paribas Open on television.

It wasn’t all about watching others play, though, as the “Mixed ‘em Up” Mixed Doubles matches continued in February, with plans to begin “Matched Up” Mixed Doubles ladder play on the third Thursday in March. Additionally, we had our regular monthly Play Day on the last Saturday of February, with another lined up for March. The Play Days are open to all residents and are a great opportunity to get started or re-introduced to tennis for those who haven’t played in a while. Come on out at 8:30 am.

March also portends spring and the inevitable Blowmont Breezes. Some tips for playing tennis in the wind include: take lots of shorter steps to allow for making sudden adjustments; tweak your ground strokes to provide a greater margin for error when aiming for the corners and passing shots; when the wind is blowing sideways, as it often does on our courts, utilize side spin to move the ball away from or into your opponent; try slice and kick serves when serving through cross winds, and don’t hit your bad tosses; on a tricky overhead, consider allowing the ball to bounce before you hit it. These and other tips can be found at <http://www.active.com/tennis/articles/5-tips-for-playing-in-the-wind>.

Mac soliciting support at the Paribas charity event. He needed louder applause than Courier received for his gain. These were five individuals images in burst mode. Gotta luv those facial expressions. What a kick it is to watch his animations during exhibition matches, and still play serious tennis.

Pickleball

Pickleball continues to be a fun filled time for all our players. We welcome anyone to come check it out on Tues./Thurs./Sat. at 9 am. Here are some pointers I got from a Pickleball Central coach: Always be in the ready position! Get back to the ready position after every ground stroke and especially volleys with your paddle way out in front of your body. A common mistake made while moving forward to the net is not having your paddle in proper ready position. Many players have their paddles at their knees or below the net, not up and out in front of the body. When the ball contacts your opponent's paddle, you should be in your ready position: elbows and paddle out in front of your body, feet at shoulder width apart, side by side on your toes, not your heels, ready to move left or right. Never

be moving at the point of contact on your opponent's paddle on the ball. No matter where you are on the court, stop and get into your ready position. Never sacrifice being ready for positioning on the court. If you are not prepared early and properly to hit the ball, it doesn't matter where you are on the court. Remember: Ready position = those skilled shots we all love!

A reminder again to all. Please walk, and stretch and move before coming out to play any of these paddle and racquet sports. We do not want anyone injured. If you want to try this fast paced stimulating game that is taking over the nation, come join us!

Remember to play smarter not harder.

For more information, please contact Marty Key at (562) 331-0817 or keeksmail@yahoo.com. ~ **Marty Key**

Ping Pong Club

Ping pong players burn up a lot of calories trying to win games with that little orange or white ball. Sometimes competition gets very tense and brutal. However, all that is put aside when we get together for some good times around food. Our last outing was to Ruby's for their great burgers, fries, and shakes.

Whether you want to play ping pong, or just want to gorge yourself on one of our restaurant trips, we would love to have you join us. You can find us in the Aerobics Room Mondays through Fridays at 10:30 am and Saturdays at 11 am. Please contact Niles Sundstrom at (951) 572-5119 or Alan Chan at (951) 769-4202 if you have any questions or need more information about your Four Seasons' Ping Pong Group. ~ **Niles Sundstrom**

The 8-Ball Club

Schedule Alert: At our monthly team meeting it was decided to change our In-House 9-Ball Tournament from the third Saturday, to the fourth Wednesday of every month at 7 pm, effective in April.

As always and with every tournament; to qualify to play in any tournament, the club member must practice with the team at least once during the previous week. Besides the no masse', no jump shot rule to protect our equipment, this is the only rule outside the BCA (Billiards Congress of America Rules) that we have.

For our monthly 8-Ball Tournament, oddly just like last month, Kenny Payne and Ray Windhorn battled their way to the final round. This time Kenny was undefeated in regular play so Ray coming up from the Losers Bracket with one loss would have to beat Kenny twice. Kenny won that first game, thus clinching the title.

Now here's a Cinderella story for you. During our monthly 9-Ball Tournament Thanh Harrah plowed through the field of opposition players undefeated and ended up playing Joe Aviles in the final game. As in all double elimination type play, Joe coming off of one loss would have to beat Thanh twice to take the tournament win for the month. That was not to be because Thanh continued the winning streak and won the game and title 9-Ball Champion for the month. Congratulations Thanh!

We practice together at 7 pm on first and third Mondays, Wednesdays and Fridays. Monthly 8-Ball Club meetings are on the first Wednesday of the month at 7 pm. The in-house

8-Ball tournament is on the second Wednesday at 7 pm. The in-house 9-Ball tournament is now on the fourth Wednesday of the month at 7 pm.

Our traveling tournaments are the second and fourth Monday of the month. The second Monday, we travel to Hemet Solera and the fourth Monday Solera Hemet comes here. Check the message board in the Billiards Room for any changes of dates or locations.

Billiards for Fun

Our bi-monthly potluck in February, hosted by Gary and Linda Christie, was so much fun! They chose to decorate around a Valentine's Day theme, which was so lovely, and by the time the tables were loaded with the potluck fare, we all enjoyed a feast fit for royalty! (See photo #1.) Yes, in case you're wondering, our group has the best cooks and bakers at Four Seasons!

As always, after the potluck, the spouses are all invited to come watch the play in the Billiards Room. It's so satisfying to see all four tables occupied by two teams each, all vying to achieve and stay at the coveted table one position. Even though one team must lose, and take the walk of shame to table four, they are still smiling and laughing, because it's always just plain and simple FUN! (See photo #2.)

It's amazing to watch the guys patiently advise and encourage the ladies who are their partners for the play. Kudos, guys! The camaraderie is evident, and friendships have ensued as a result. (See photo #3.)

C'mon, Four Seasons, drop by the Billiards Room anytime between 1 and 3 pm on any Tuesday to check out the festivities. Every Tuesday is pretty much a billiards party, because we have such an amazing group of people at all skill levels, playing billiards ~ just for fun! ~ *Eileen Gilbert-Antoine*

The three-legged descent down the rocky mountain.

L-R: Len Tavernetti, David Kershaw, Bill Struwe, Charlie Ledger and Lynette Simonson pause to overlook the western side of the mountain.

At the top of the trail overlooking Lake Perris.

Hearty Hikers

We accepted the challenge of a “Moderate Difficulty” trail in February at the California Parks Lake Perris. Terri Peak (2,569 feet) is considered a great workout and altitude training trail. The trail is incredibly steep in sections and most of the elevation gain occurs in a little over three-quarters of a mile. For the 55+ hikers, frequent pauses were necessary to enjoy spectacular views of the Moreno Valley. A dozen female cadets from an academy in Perris did speed by us oblivious to the surrounding scenery. At the western reach of the trail, March Air Reserve Base and the Riverside National Cemetery spread out in the foreground. This section of the trail is on the northern side of the mountain and seemed to promise the elusive peak at

every turn or rise. After two exhausting hours, the peak was finally reached and overlooked the brilliant blue Lake Perris. This is the southernmost reservoir in the 701-mile California State Water Project. When 80 percent full, the lake’s elevation is 1,560 feet above sea level but this day the impact of this year’s drought was clearly evident.

The downhill drop to the Regional Indian Museum proved even more difficult. Fortunately, all of the Fab Five hikers had walking sticks that were “White Knuckled” past the boulder strewn battlefield of seismic wars from eons past. The narrow trail disappeared frequently but hieroglyphic footprints from the Sketchers of the aforementioned cadets who had “anteloped” ahead of us

marked the way. Once at the museum it was an easy walk on a paved road back to the vehicles. Making the round trip was six miles. A well-earned lunch at Portillo’s Hot Dogs in Moreno Valley capped the day.

Our hikes require us to drive to trail heads in nearby mountains where we often park in remote areas. Our vehicles have been secured by Jack Simonson who always posted himself “on duty” as a reliable sentry. On Feb. 15, Jack was recruited to the Heavenly Hikers and will be sorely missed by the Hearty Hikers. Happy trails, Jack.

To find out where else we are hiking in 2014 call or e-mail Lynette Simonson. ~

Enjoying Four Seasons paddle tennis

Paddle Tennis

Some of the very best paddle tennis was played during March! There were no challenges this month; just a lot of great games played by everyone who was on the courts. We are seeing more and more spectators, too, who want to see just what paddle tennis is all about.

Paddle tennis is a faster game than regular tennis. The court is smaller, the ball is a little slower and the paddle is very different from a racquet. Players need to be able to move the short distances faster and return the ball more precisely than in tennis. Some of our players excel at the net (Gary Campanella and Jim Cochran. It is almost impossible to get a ball past them. Some players can zip all over the court, front to back, side to side, corner to corner, and return just about anything (Terry Miller and Phil Harris). Some players have tremendous control and can place the ball where no opponent can reach it

(Robert Norwood). It is fortunate for the rest of us (Alan Chan, Garrett Warman, Mike Flower, Niles Lindstrom, Paco Paez, Raul Bautista, Rick Loney, Richard Carusco, Rob Gardner and Michael Rothberg) that these same players have their Achilles-heels (over-confidence usually) that we're all able to win points and games. In the process, every single one of the Four Seasons Paddle Tennis players has fun. Laughing is 50 percent of it.

We recently invited a couple of guest players (below) to challenge some of our doubles teams. We didn't score one point!

Court times: Official - Wed./Fri./Sun. – 2 to 4 pm; Unofficial - Fri./Sun. – 8:30 to 10:30 am.

For more information, call Alan Chan at (951) 769-4202 or Jim Cochran at (951) 769-5525. ~ **Michael Rothberg**

Golfing for Fun

We are a golf group of guys who meet and attempt our best to get round little balls to go into holes on Friday mornings. Larry Zimmerman arranges where and at what time we will do this and can let you know by e-mail for those who get on his e-mail list. To join in you simply need to reply and let him know you are wishing to attend. Larry's e-mail is below.

Golf tip of the month is from Tom Watson from a recent Golf Digest. It relates to his recommendation for help with chipping: He stresses that the lower body has to be active, just like it is during a full swing. Your knees and hips have to turn a little bit. Your legs can't be stuck in concrete. To help get your lower body involved, start with your left foot and hip slightly open, your weight on your left foot, and your right knee leaning toward the ball. When you swing, kick in your right knee even more. This will help keep your body active and you'll hit down on the ball to produce a quality chip shot.

To join us on Fridays, contact Larry by Wednesday at zzman1028@yahoo.com or (909) 553-2798. Feel free to call me at (951) 797-3563 or tjacobson@dc.rr.com. ~

4x4 Seasons

If you are interested in off-roading and enjoying beautiful scenery you won't see from the highway come to our meeting the second Tuesday of the month at 7 pm in the Ballroom. We look forward to sharing our adventures with you and welcome you to join in on the fun. ~ *Ann Williams*

Motorcycle Club

We continue to enjoy Southern California motorcycling while some regions of the country are frozen. How lucky are we? Last month our weekly rides included a trip around the Salton Sea and a ride through Joshua Tree National Park. Both are just beautiful at this time of year.

Two of our members have purchased new bikes. Dan Lanphere has a new Triumph Trophy and Howard Lyon has a new BMW RT. They are busy getting some "break in" mileage in preparation for a five night trip in March. We welcomed another new member, Mark Lassen, just in time for some spring-time riding.

Join our monthly meetings at 6 pm on the first Wednesday of the month in the Lodge Ballroom. ~ *Howard Lyon*
