MANAGER'S REPORT

By Jeri Mupo, General Manager

SHORT LEASH We love dogs – we really do. That's why the association is committed to enforcing the county leash law on association property. Allowing your dog to run free threatens your dog's health and welfare, and the health and welfare of other residents and animals. We also love our community, and all residents should have the right to enjoy it. We trust we can count on you for voluntary compliance with the leash law. We don't like to call animal control or start an enforcement action against you, but we won't have any choice if your dog is running free.

AWNINGS AND UMBRELLAS As I was driving in to the office one morning I noticed there are more residents using their patios recently. This was noted by the number of umbrellas that remain open overnight.

Please note the following rules regarding awnings and umbrellas, primarily the last line that all umbrellas must be closed each night.

Awnings and umbrellas guidelines

1. Awnings, non-retractable umbrellas, and shade covers must be a neutral color to coordinate with the home's exterior color.
2. Non-retractable awnings, umbrellas, and/or any structures that cannot be closed each night are subject to the same approval requirements as a permanent structure. Closable

and retractable awnings are not to be left open overnight.

3. Umbrellas shall not be placed on the front of a property (excludes Monarch side yard and Springdale patios). No more than two umbrellas may be viewable from common area without ARC approval. Umbrellas viewable from common area must be of the same color or same pattern. All umbrellas must be closed each night.

SAY HELLO! I am excited to announce that after months of searching we have finally found the perfect candidate to fill the Project Coordinator position (new Assistant General Manager Sapphire Rhodes' former position). I would like to introduce Amy Bardos. She started with our team on July 10 and looks forward to her contribution to our community.

Please take a moment to say hi when you see her around the facilities.

DOLLARS AND CENTS At the July 13, Board of Directors meeting the Board approved the following expenses:

- Lodge automated pool and spa pool system: \$23,336
- Summit UV filtration system: \$34,572

The Courts Opening Celebrated

By Cindy Graves

I am quite sure that by the time you read this, you will have already gone down to see the brand new Courts facility yourself.

"The Courts Opening" of June 24, which ended up being a little five hour "sneak-peek" due to delays in materials and city inspections, was still fairly exciting. We ended up with nearly 300 people walking through to get a preview of this new community asset. K. Hovnanian Board member and Project Manager of the Courts, Kevin Metcalf along with Jason Mock, was at the event to do the honors of cutting the ribbon, and Dana Crane of KHOV Marketing, hired a D.J. and had some adorable ping-pong table, tennis ball, and beach ball cookies custom made for the occasion.

The opening of the tennis courts themselves included a separate ribbon cutting by the Four Seasons Tennis Club Captain, Irve Sturner. Immediately following the cutting was a wonderful dance team presentation choreographed by Martha Franck, called "We are Tennis." It was awesome and really helped make the opening special! I still have their catchy dance tune stuck in my head... in a good way.

After the tennis exhibition match was the ping-pong christening and Martinelli's toast! The whole ping-pong group celebrated this long-awaited space that will allow them to not always be the perpetual bane of the aerobics classes, because they have for so long had to share a small room. Ping-pongers were so overjoyed with this space

that they gave a really nice expression of thanks to Kevin and his crew for going above and beyond for this community. The room where the ping-pong tables will live is actually a multipurpose room and between ping-pong play time there will be occasion for other groups to use that space as well.

Feel free to go down and check out all of the amenities in this facility. You'll find two dry saunas, a lovely lap pool, jacuzzi, a putting green, tennis courts, barbecues, loggia, super-duper gym with free weights and more! This is going to provide lots of great times for everyone!

THERE'S
AN APP
FOR
THAT!

Handy Apps for Occasional Use

By Steve Benoff

Let's talk about handy apps to have on your phone. When you come down to it, the only essential aspect of a cellular phone is the telephone function. It's been a rather short time since the cell phone evolved to the mini computer we now call a smartphone. We've talked about great apps that often prove indispensable. But there are others that are just handy to be able to call on from time to time.

Ever wonder what the altitude is where you happen to be? There's an app for that. I use one called Travel Altimeter Lite. There are many other altimeters for smartphones, and I doubt there is much difference among them.

After all, they all use functions built into the phone itself. Mine also has a compass. If I put altitude in the app store search box, Altimeter GPS comes up. It's not only an altimeter, it's a speedometer and pedometer. Maybe I'll give it a try. If I don't like it, I can delete it easily. And if I do, I can delete my original app.

I'm willing to admit I'm metric crazy. How else would you explain writing a spreadsheet to calculate the angle of climb on a bike route? Well it turns out there is app for that too. When I search for angle meter, it seems I may have paid 99 cents for the Angle Meter app, but

there's no need for you to do that. There are several free apps that appear to do the same thing. Want to hang a picture? Start the app, hold your phone on the picture frame, and use the app to level the picture.

How many pints in a quart? Okay, two. But how many inches in a meter and a half? 59.05511811, or 4.9212598425 feet, or 1.6404199475 yards, or 0.00745645431 furlongs. Using the UnitConvertLT app, I can convert meters to 23 other units of length measurement. Besides length, it will convert weight, speed, temperature, volume and several other measurement units. It's a very handy app to have, although it won't tell me how many drops in a milliliter. For that I had to use Google. (There are 20 drops in a milliliter.)

For 20 years, cars have come with an OBD (OnBoard Diagnostics) connector usually below the dash near the steering wheel. The original use for the connector had to do with California smog regulations. But OBD has become much more than that. Cars store enormous amounts of data that are available via the OBD connector. There are very expensive devices that smog check centers use for your biannual DMV registration. But there are also inexpensive devices that plug into the OBD connector. These interfaces need an app for you to see what's going on in your car's information center. Some of these create a Wi-Fi hotspot to connect to your app. That's what my device uses, and I don't recommend it. I suggest you get a Bluetooth unit. These devices typically refer you to an app. Sometimes they're proprietary. But most OBD plug-ins can use an app like OBD Fusion that I prefer to OBD Car Doctor recommended for my device.

If you have an iPhone, have you used Siri, the personal digital assistant? Just say "Hey, Siri" to wake the function up. Then ask a question. Siri will answer verbally or give you a link on the screen. But Siri is not the best assistant in the view of many experts. If you have the Google search app on your phone, you can press the microphone icon in the search bar and ask a question. Google Assistant will reply.

There is an app that I don't have on my phone, but which seems like it'd be handy to have. Waze is owned by Google, and if you use Google maps, the traffic information icons displayed are usually Waze traffic incidents. Waze has an Android app and an Apple app, and it has the reputation of being the best app for finding the quickest route to wherever you want to drive.

Do you use an app you'd like to share with others, let me know at steve.benoff@verizon.net.

DID YOU KNOW?

By Micki Rosen

DID YOU KNOW THAT AUG. 4 IS INTERNATIONAL BEER DAY? Originally begun in Santa Cruz, California in 2007, International Beer day was started to celebrate the craft of brewing; it has expanded in scope to celebrate all those who make and serve beer, and to share the techniques of crafting and enjoying it. It is now celebrated in over 207 cities, 50 countries and six continents. So join in and hoist a brew today!

DID YOU KNOW THAT AUG. 2 IS COLORING BOOK DAY? The first coloring book was established in the late 1800s by the McLoughlin Brothers when they first released "The Little Folks Painting Book." They continued to produce books of this sort until the 1920s when they joined forces with the Milton Bradley Company. Coloring books can bring joy to children and adults alike; they make artists of us all. Have you seen the new coloring books designed specifically for adults? Check them out, and discover your inner artist!

DID YOU KNOW THAT AUG. 6 IS DOLL DAY? Dolls have been a part of human civilization for thousands of years, with archaeological evidence indicating that dolls are the oldest known toy. The earliest dolls were made of clay, stone, wood, bone, ivory, leather, wax and other available materials. Wooden dolls have been found in Egyptian tombs dating back as early as the 21st century b.c. Clay dolls have been found in the graves of ancient Greek and Roman children. Rag dolls dating back to the 5th century a.d. have been found in the part of the Roman Empire now known as Great Britain. In modern times, Mattel's Barbie has become one of the world's most popular dolls. First created in 1959, the Barbie doll has continuously adapted to the ever-changing markets of numerous world countries by coming out in a wide variety of shapes, colors and sizes.

DID YOU KNOW THAT AUG. 23 IS CUBAN SANDWICH DAY? A traditional Cuban sandwich consists of ham, mojo pork, Genoa salami, Swiss cheese, yellow mustard and dill pickle slices on crispy-but-not-too-chewy Cuban bread, all heated in a press. While an early cousin of the Cuban sandwich was born in Cuba proper, the Cuban sandwich as we know it today originated in Tampa, Florida's cigar-producing neighborhood of Ybor City in the late 1800s, and caught on by the early 1900s. It was popular among workers in the district's many cigar factories. While it's called a Cuban sandwich after the Cuban immigrants who settled in early Ybor City and influenced the sandwich the most, the ingredients are also a nod to the southern Italian bricklayers and the German cigar workers who also immigrated there.

DID YOU KNOW THAT AUG. 25 IS BANANA SPLIT DAY? We can pinpoint the origins of the banana split to David Evans Stickler in 1904, where he was serving as an apprentice pharmacist at Tassel Pharmacy in Latrobe, Pennsylvania. Like most pharmacies of the day, it had a soda fountain attached, and it was in this pharmacy that Stickler invented the banana split. It quickly became a hit with the students at Saint Vincent College nearby. Word of mouth made it spread like wildfire, and it soon became an American institution before going global. In 2004 Latrobe hosted the 100th anniversary of the invention, the same year that Latrobe was certified as the birthplace of the banana split by the National Ice Cream Retailers Association.

THE EVENT SYSTEMS COMMITTEE: BUILT WITH LOVE & DEDICATION

By Cindy Graves

Once upon a time in 2009 the spirit of volunteerism was alive and well in the Four Seasons community. It all started with a beautiful and incredibly classy resident named Helen Shoemate, whose love for entertainment and the arts compelled her to inquire how she personally could initiate a fundraising campaign for the purpose of creating a venue that would enable residents to experience the highest quality entertainment experience possible in the Lodge Ballroom. She approached the Activities Director (me), Roland Harrah (the community technical guru) and Board Director, Loren DuChesne with the idea of creating an HOA committee which would accomplish those goals through donations from like-minded residents. Helen then provided the generous endowment to begin the project fund.

A team was developed under the leadership of Roland Harrah, including various community volunteers with a wide range of expertise. In July of 2009, there was BOD approval to start a new committee called the Events System Committee. Its sole purpose was to do the research, physical labor and fundraising to put together the optimum Ballroom sound, stage and lighting system possible at that time. This objective was accomplished through both the hard work of ESC and generous community donations which equaled more than \$50,000 (apart from HOA funds).

The Premier Patrons Board was a major source of endowment to the Ballroom project. Platinum Patrons contributed \$3,000 or more, Gold Patrons contributed \$1,000 to \$2,999, Silver Patrons contributed \$500 to \$999 and Bronze Patrons contributed \$300 to \$499. Numerous other resident donations were given through innovative fundraising events such as the Spring Garden Tours, The Summer Outdoor Living Tours, the Holiday Home Tours, Special Event Concerts, and the Amphitheater Concert “donation locations.”

I wish that I could take the time to go into all of the amazing stories of how everything came together. There were so many special people that put their all (including massive amounts of hours — their personal labors of love) into building the foundation for quality entertainment here at Four Seasons. Below are the original members who volunteered to serve on the Events System Committee (affectionately referred to as the “Techies”): Roland Harrah, Chairman, Jeff Davidson, Treasurer, Teri DiMarino-Davidson,

Fundraising, Loren DuChesne, HOA BOD Liaison, Willis Fagan, Steve Sarchett, Howard Swidler and Colin Taylor.

The Event Systems Committee was renamed the Ad Hoc Technical Committee in 2014. Then this last year, the group of dedicated folks helping run all of the stage, lighting and sound needs of the community became known as the “Techies Group” and was placed under the newly formed Lodge Committee. The metamorphosis gets complicated, but the dedication of the current members to serve the community isn’t complicated at all... there are approximately 16 volunteer “Techies” who have been working under the current leadership of Larry Goodreau and we’re grateful to them all!

Next time you are in the Lodge standing around in the Lobby, wander over to the wall outside of the Ballroom and take a look at our new and improved ESC Premier Patron Memorial. This is an incredibly sentimental piece of Four Seasons history, preserving the names and loved ones who “put their money where their mouth was” investing in this community well above the call of duty. Thank you Four Seasons community pioneers!

Pool & Spa Guidelines

Because this is the perfect time to enjoy our pools, please keep the following rules in mind:

1. No Lifeguard on duty! Use Pools and Spa Pools at your own risk.

2. Use of pool facilities and property is a privilege which is enjoyed by all residents; however, consideration of others concerning noise is also important. This privilege may be restricted or revoked at any time when in the judgment of the board or management, policies are not being adhered to.

3. An individual 18 years of age or older is considered an adult. Notwithstanding any other guideline, guests must be accompanied by a Four Seasons at Beaumont adult resident at all times.

4. There must be at least one adult to accompany and supervise each group of three or less guests under 18 years of age at all times within the confines of the Lodge pool and spa pool area. The responsible adult must be capable of rendering emergency assistance.

5. Adults only may use the spa pools.

6. Conduct by a resident who deprives any other resident their quiet enjoyment of the use of the pools/spa pools or property shall not be allowed, and will result in their expulsion from the area.

7. Hours: The pool and spa pool areas are available from opening until closing hours of the Lodge, unless otherwise communicated and posted. Guests under 18 years of age are allowed in the Lodge pool area between 1 pm and 4 pm daily. Adult guests may use the Summit pool during "open swim time."

8. Only stationary activity is permitted in the spa pools. No swimming, splashing or like activity will be permitted in the spa pools.

9. Soap, bath oils, etc. are prohibited in the pools or spa pools.

10. Diving is not permitted. Running, pushing or boisterous play will not be permitted.

11. Glass objects are prohibited in the pool and spa pool areas.

12. Incontinent individuals of any kind are prohibited from going into the pools or spa pools.

13. Pets (dogs, cats, etc.) are prohibited in the pool and spa pool areas.

14. Radio/stereo permitted with headphones only so as not to annoy other persons using the recreation facility or living in surrounding residences.

15. Frisbees, toys and balls are prohibited in the pool/spa pool/barbecue areas unless they are part of the scheduled club activity.

16. Surfboards, rafts and large floating devices which obstruct the view of the water are prohibited in the pools and spa pools. Noodle tubes are permitted in the Lodge pool at all times. Noodle tubes are allowed in the Summit pool during "open swim time" or as part of an approved exercise class. Foam kick boards no larger than 12"x24"x2" used to aid swimming are permissible in the Lodge pool except between 1 pm and 4 pm. Foam kick boards no larger than 12"x24"x2" used to aid swimming are permissible in the Summit pool during "open swim time" or lap swimming.

17. The pool/spa pool areas are not reserved areas and all guest policies are in effect.

18. Swim attire must be worn in the pools, spa pools and/or outdoor showers.

19. Black rubber fins are not permitted in the pool areas.

20. Bathers must dry off before leaving the pool area.

21. Any individual(s) who violates any of the above guidelines of conduct/decorum will be asked to leave the Facility. ~ *Danya O'Harra*

Activities Director Corner

By Cindy Graves, Activities Director

This is going to be an abbreviated August activities report filled with our hopes and anticipations, not really what is absolutely going to happen, since we remain on “flex-check” with the Ballroom... the Ballroom update will be at the end of this article.

Game time... First off, Gail Lindeboom has been planning a really fun game for all of us called “Majority Rules.” If you have had the pleasure of attending any of her other group games, you’ll know they are always full of hilarious laughter along with some good brain racking. This “Gail -game” is planned for Friday, Aug. 11 in the Ballroom at 6 pm; as usual, you are welcome to purchase your dinners at the Bistro and bring them in the Ballroom along with your favorite beverage (BYOB) from home. Should the Ballroom be unavailable due to construction, we’ll just move it into the RCN Lobby.

State of the City... The Beaumont State of the City will be presented in the Ballroom for Aug. 24. Many residents look forward to hearing what the Mayor and other city officials have to say, so if you are interested in attending, be sure to call the Beaumont Chamber of Commerce to get all of the details and to purchase tickets. This is not an Association event, but the BOD has been generous to sponsor the facility use for the city.

Art Fair/Show... The Art Fair/Show will take place (cross fingers) on Friday, Sept. 8 from 4 to 8:30 pm. This event showcases our various art and photo classes. You’ll be absolutely astounded at the levels of artistic professionalism and creativity. I’ll also have live music and yummy appetizers to make the experience complete. Everyone is welcome and there is no fee for admittance.

Start thinking about garage sales... We have two garage sales a year and Saturday, Oct. 14 is our last one. Sign-ups for having your own garage sale at your house, will start at the Lodge on September 5th. Be thinking of how you might be able to simplify your life by down-sizing some of your clutter items. The sign-up fee is still only \$7, which is a terrific deal for a little extra peace in your life (Not to mention less dusting and arranging). Don’t forget that we always have tons of outsiders driving into the neighborhood to buy all of your goodies and that makes for a little extra holiday money to tuck away.

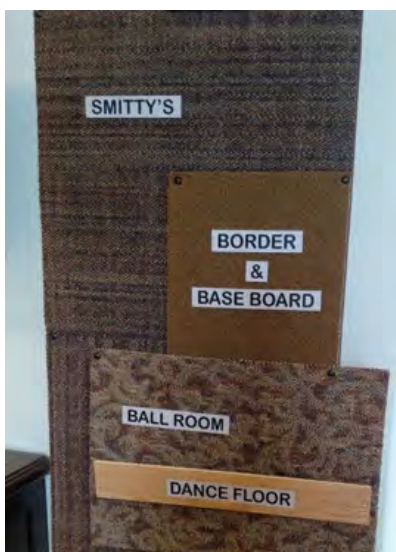

Ok, time for the Ballroom update... As of this writing, the plan is to start putting the giant steel beam and new support posts into the Ballroom ceiling starting the first week of August (again, fingers crossed). Then, hopefully, during the second week of August we can start installing some of the wiring for the new Ballroom sound and lighting upgrades, recently approved by the Finance Committee. After that will come the new carpets and the new wood flooring (check out the inset photo to get an idea). It was determined that the new

wood flooring will extend into the first and third sections of the Ballroom as well as the current second section, to not only accommodate the ever growing dance clubs, but also to enable multiple classes at the same time. As I’ve said a million times before, it will be a wonderful thing for everyone when all of the upgrades are complete. A big thank you goes to John Barilone and the “Techies” for all of the research and hard work that went into the proposals for the sound and lighting. It will be especially helpful to have more digital equipment and less analog equipment to maintain the high standard that Roland Harrah started back in the ESC days. There are many more demands now for live streaming of video and FaceTime class presentations than there were nine years ago, along with other technological

advances that will now be implemented for the excellence that this community has grown to expect.

I also really want to thank the BOD for being incredibly supportive of me, as I have on more than one occasion, found myself being an incessant whiner as I have to be the bearer of crummy news to multiple parties and events on the same week. Len and the rest of the BOD pretty much gave me the ability to do whatever needed to be done to help make a difficult situation as good as we could get it, even when it cost a bit to do it. Thank you! It was the right thing to do. Remember, folks, all of this “special-ness” has been out of the BOD’s hands, too. They have been just as challenged, if not more so, as I have been this whole time.

If all goes according to plan, the Ballroom should be ready to “rock and roll” by September! Thank you all for earning your patience awards through this long grueling flex-time.

SAFETY COMMITTEE

Hard to believe it is August already. Soon the weather will be cooling down a little, our trees will be changing colors and we will be able to get out and get some good exercise walking around our neighborhoods.

I don't know if you have noticed, but in early July I saw lots of crews out working on our sidewalks. In April, FirstService Residential brought forward to our committee a report from BPR Inc. With a list of sidewalk trip hazards in Phase A and B. We immediately recommended that management move forward with having all trip hazards repaired.

There were hazards as well in Phase D. Some of these hazards were brought to the attention of builder K. Hovnanian Homes. I was so happy to see that sidewalk repairs are now being made in the areas identified. We still need to have sidewalk inspections and possible repairs in Phase C. With this said, the safest place to walk is on the sidewalk, please use sidewalks whenever possible. We are also moving forward with possible crosswalks on streets that have been turned over to our HOA. We will continue to work on other areas that are not yet in our control.

Our next task will be surveillance cameras. We are working to

identify which cameras need to be replaced due to advances in technology, as well as having new cameras placed in new areas.

Traffic seems to still be the hottest topic at each of our meetings. As most of you know a traffic survey was conducted in January. The survey confirmed that we have a big problem with speeding. We learned that in some areas we have 2,000 to 3,000 vehicles a day pass over the testing cables, and 60 to 70 percent

of those vehicles were exceeding the posted speed limit of 30 mph. So, once again, for your safety and the safety of others please slow down, especially between the Lodge and the Summit. Please come to a complete stop at all stop signs, and yield to traffic when entering traffic circles. Please do NOT take shortcuts in the traffic circles, this is extremely dangerous. Yield to pedestrians who are trying to cross streets throughout our community. All of the above applies to golf carts as well.

The next regular Safety Committee meeting will be held on Tuesday, Aug., 1 at 10 am in the RCN Conference Room. If you have any safety questions or concerns please join us. ~ Donna Lewis

LANDSCAPE COMMITTEE

Do you know the very best way to get any of your landscape concerns to the Landscape Committee? Fill out a written request (forms are at the Lodge front desk) and return that request to the person at the front desk. Remember to include with your concern, your name, address and the best way to get in touch with you. The front desk will time stamp your request and give it to the appropriate party for the most efficient and timely handling of your issues. Of course you can always speak to a member of the Landscape Committee if you see us walking in your area. We are very much interested in dealing with all homeowner issues.

It is now officially summer at Four Seasons Beaumont. After all those winter rains our plants are emerging from their winter phase to "July is bustin' out all over" - especially those weeds. Summertime

thus brings a whole new set of plant issues. We are never bored.

On our weekly walks, we are noting excess water in front yard drains, evidence of over watering in the back yards. You can check your front yard drain and if it is overly wet, make any needed adjustments at the controls for your front or back yard sprinklers. It's smart to manage your water usage based on our dry climate but not so much that it runs over.

The Landscape Committee meets the third Tuesday of each month at 1 pm. You are always invited to attend our meetings and if you'd like, be a part of our guest three minute input format. Our weekly walks now start at 7:30 am. The Landscape Committee is charged with keeping our landscape the best it can be while being fiscally responsible. ~ **Linda Ruoff**

LODGE COMMITTEE

The American College Dictionary defines a volunteer as: *One who enters into any service of his/her own free will.*

On June 28, following the monthly Lodge Committee meeting, the committee gave a very special luncheon in honor of their volunteers as well as some of the FirstService Management staff. Food was provided by all of the committee members with four delicious pizzas from the Bistro ordered by Jill Anderson. It was a fun-filled luncheon with much laughter, food and non-stop chatting. Jill gave each of the guests a certificate she had created for each one of them. She even wrote a poem for Jeri Mupo! It was a great event and the Lodge Committee completed what it set out to do, and that was to let all the guests know how much they are appreciated.

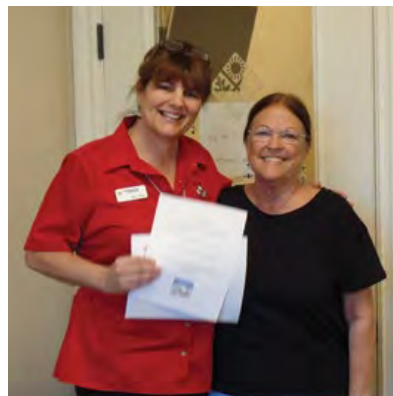

Joanne Haberman and Joyce Butler, along with Larry Anderson and Jill make up the movie committee. Phyllis Kates owns a huge DVD collection and provides the committee with about 75 percent of the movies. Dave and Mary Alice Chorba are the Library volunteers who have made so many wonderful improvements in the Library. All of the FirstService Staff has gone out of their way to help the Lodge Committee since it was formed last December. They are the ones we turn to for all of our questions, concerns and computer help. Jeff Jordan was not in the photos, as he was our photographer.

Our committee continues to forge ahead with many issues. We have created surveys which will be going out to the entire community

in the near future. They will focus on the Salon, the Billiards Room and the Bistro. We are also ready to move on with the remodel of the Arts and Crafts Room, as the committee unanimously voted for the plans presented at our last meeting by Bob Powers of ceramics. Next step will be to contact all leaders of the various groups who presently use this room to get their input, ideas or concerns. Movie Rules are now posted in the Theater, as well as at the front desk. Lou Ortega from Facilities has finalized the chart showing the areas of responsibility for the Lodge, Safety and Facilities Committees. Each of us has approved the chart and it will now be approved by the Board of Directors, and each committee will add or subtract areas from their charters.

As already stated, volunteers are a major part of our community and committee chairs, co-chairs and members are also volunteers donating their time for our community. We all encourage visitors to attend our meetings. I know we value their ideas, input and concerns and love to have them attend and have never had any issues until recently. Being disrespectful, disruptive, yelling and threatening other visitors is not the behavior anyone should display at Four Seasons. I hope this type of behavior will not be seen again.

Our next meeting is Aug. 23 at 11 am in the RCN Conference Room. See you there! ~ **Jill Anderson**

The Lodge in process of being painted

FACILITIES COMMITTEE

Yes, the Lodge (and surrounding buildings) DID need painting. You can see the difference between the old surface on the left and the newly-painted surface on the right.

Updates on a few improvement projects initiated by your Facilities Committee:

Painting the Lodge, RCN Building, and Salon/Fitness Building: These highly-used facilities, constructed nearly 11 years ago, have had the exteriors repainted, which helps to preserve the look of our premier retirement community. The painting contractor will also straighten our flagpole out in front of the Lodge. This project was fully funded by reserves, so there is no impact on our operational funds.

Sidewalk repair in our community: The HOA has contracted with BPR Inc., who has started to repair 397 identified places on our community sidewalks that require attention. Such raised edges of sidewalks are fairly common occurrences as a community ages over time as subsoil can settle slightly. The HOA is managing the repairs to Phases A and B of our community and the builder, K. Hovnanian, is addressing the remaining phases.

Summit re-work of the Bocce Ball Court and Horseshoe venue: As the *Breeze* goes to press for the August issue, we anticipate that

completed improvements to the Bocce Ball Court should make it easier for players who use mobility devices (e.g., walkers, canes, etc.) to use the courts. Extending the width of the horseshoe pitching platforms, increasing the height of the backstops, and installing benches, among other things will make the horseshoe venue more functional and user-friendly.

Installation of automatic door openers in the Lodge: The men's/women's restrooms in the Lodge did not have easy access through the entry doors for disabled persons until the HOA Board approved a project initiated by the Facilities Committee to remedy the situation. New automatic entry doors for restroom access are scheduled to be installed by Aug., 1 for both restrooms in the Theater hallway opposite the Library. These improvements will make it easier for residents with mobility issues to use these facilities.

The Facilities Committee needs new members! We are making progress toward improving the buildings and 'hardscape' within our community, but we could do more if we had more members. While construction or facilities management/maintenance experience is nice to have, we encourage you to participate if you have a desire to help us make this a better community. ~ **Fred Weck**

ARCHITECTURAL REVIEW COMMITTEE

One of the advantages of living in the San Geronio Pass is being far enough away from the city lights of the L.A. Basin to see the wonders of the night sky.

Among the greatest of those wonders is the Perseid meteor shower, which is expected to peak from Aug. 9 to 13, and should continue to be visible through Aug. 24.

A big reason we can enjoy our night sky in Four Seasons is because the city of Beaumont has adopted an outdoor lighting ordinance to minimize light pollution.

The ordinance, which is also part of Four Seasons architectural guidelines, is "intended to reduce and minimize lighting practices which cause unnecessary illumination of adjacent properties, correct problems of glare and trespass, and reduce energy use."

The dark sky ordinance recognizes that modern society requires outdoor lighting for a variety of needs, but advocates that any required lighting be used wisely. To minimize the effects of light pollution, lighting should:

- Only be on when needed
- Only light the area that needs it
- Be no brighter than necessary
- Minimize blue light emissions
- Be fully shielded (pointing downward)

The International Dark Sky Association (darksky.org) estimates that about 35 percent of light is wasted by poorly aimed outdoor lighting, wasting about \$3 billion per year worth of energy, or about \$10 per year for every man, woman and child in the U. S. That wasted energy also pumps about 15 million tons of carbon into the atmosphere every year, the same amount as emissions from three

million cars.

So, how do you comply with the Outdoor Lighting Ordinance?

The most important thing to keep in mind is that all lighting fixtures must be fully shielded or, in other words, constructed in such a way that light rays are only emitted at angles below a horizontal plane passing through the lowest point on the fixture from which they are emitted.

The entire light fixture, not just the lamp, must conform to these requirements regardless of its location on the structure or property. The only exceptions to this rule are low-voltage-24v or less-landscaping lighting.

The object of this requirement is to avoid light trespass, which is defined as, "any artificial light or glare from a fixture onto a neighboring property that interferes with the viewing of the night sky, or eliminates the ability to have darkness on the adjacent property, or shines into neighboring windows, properties, or structures."

In Four Seasons, it is the homeowner's responsibility to comply with Beaumont's Outdoor Lighting Ordinance, keeping in mind that the issuance of an approval letter by the Architectural Review Committee doesn't indicate the approval or acceptance of any non-conforming lighting fixtures.

Regardless of how handy you may be with do-it-yourself projects, the city of Beaumont requires you get a building permit before you install that outdoor lighting fixture from Home Depot. After all, you don't want to ruin your neighbor's view of a meteor shower, do you?

~ Carol Teague

FINANCE COMMITTEE

A FEW WORDS ABOUT THE BUDGET

It's that time of year when the finance committee starts the planning process for building next year's budget. With this in mind, now is a good time to provide an overview of some of the challenges that come in to play in developing the budget and pointing out a few items about how our budget works.

About 97 percent of our total revenue comes from homeowner assessments. In other words, as the budget for next year is developed, we have to keep in mind that our expenditure plan is basically limited to the assessment revenue that is projected to be collected.

Budgeting for our projected revenue would seem to be a relatively simple process of multiplying the monthly homeowner assessment by the number of homes that are owned. However, this is somewhat complicated by the fact that new homes will be built and sold over the coming year, which will result in the collection of additional homeowner assessments. The accuracy of our projection of the rate at which new homes will be sold remains to be seen.

The real challenge, however, falls on the expenditure side because a number of assumptions need to be made that are sometimes based on limited information. For example, our utilities budget is significant; it presently represents about 12 percent of the total budget. Included in the utilities budget is our expenditures for electricity, gas and water. The total annual cost for these three items is a function of usage and rates.

We have to make assumptions about usage based partly on prior year trends and we have to make assumptions about next year's usage, which includes the added utility cost of three recreation centers that will be fully operational as well as the cost of maintaining the additional common area improvements that will be completed.

And finally, we have to predict what rates will be for the next year; this relies on making assumptions based on current information. In the end, the utility budget may prove to be very accurate or, despite best efforts, it may be a bit off the mark.

Similar challenges come into play for other areas of the budget. For example, landscape maintenance currently represents about 19 percent of the total budget and general maintenance is at about 13 percent. Determining how much to budget for these two areas also involves making a number of assumptions based on past expenditure trends and trying to determine, as accurately as possible, our needs for the coming year.

As explained above, most of our revenue comes from homeowner assessments. Every member pays a basic monthly assessment of

\$210. Our Springdale homeowners pay an additional monthly amount, which pays for structure maintenance and for insurance. Also, there are over 550 other homes that have their front yard maintenance provided by the association. These homeowners pay an additional monthly amount for this service. It is important to note that these additional assessments must be sufficient to cover costs. Any shortfalls cannot be covered by diverting revenue from the operating fund. This is why, for example, the homeowners that get front yard maintenance were recently notified that their monthly assessment would be increased by \$10 to cover the increased cost of maintenance.

It is also important to understand that from the monthly \$210 assessment that all members pay, a portion is set aside in a reserve that is used to pay for the replacement of major improvements that eventually wear out.

Virtually every facility throughout our community has a useful life and will eventually need to be replaced. This includes the repaving of our streets, replacing recreation center roofs, replacing swimming pool heaters, replacing air conditioning and heating units; the list goes on and on.

The association contracts with an outside firm that specializes in taking an inventory of every capital asset of the association and determining the useful life and cost of replacing each item. This study helps us determine how much to set aside every month in a reserve account. In other words when it is time to undergo a costly project such as a roof replacement, the money to pay for the replacement is already set aside, with no impact on the daily operations of the association. You may have noticed that the lodge buildings are being repainted. This is a good example of how our reserve account is used. This project was anticipated and planned. Painting is underway and is being paid for from the reserve fund.

At the end of the day, it is the responsibility of the finance committee to develop a budget that addresses the needs of the community while at the same time helps ensure that we will remain fiscally solvent for years to come. On this note, we have been very fortunate to have a very effective finance committee through the years that has always emphasized keeping our community on a very sound financial footing. This has always involved developing sound budgets. Later this month we will be meeting with our various committees to learn more about their spending needs for the coming year. This is part of our process for developing the 2018 budget that we will eventually present to the board for adoption. ~ *Jim Ayala*

SOCIAL COMMITTEE

Greetings! Our survey of resident's suggestions has been reviewed by the Board and it should have been sent out in July. If you did not receive it and wish to respond, additional copies will be available at the Lodge Reception Desk. Please complete and return the survey quickly in order to assist us in planning creative events for 2018. We thank you for your participation in this effort. Our fall Fashion Show/Luncheon will be held on Oct. 28 at 11 am. The call for models for the Fashion Show is Aug. 5. Tickets for the Fashion Show go on sale Aug. 29 at 9 am. The Fashion Show is always a sellout event so buy your tickets early. Flyers with additional information for all of the above events will be posted in the Lodge. ~ *Pamela Morales*

RULES & REGULATIONS COMMITTEE

The Rules and Regulations Committee is pleased to announce a new feature to the Breeze! Drum Roll, please!

On an occasional basis, we will highlight one of the CC&Rs or Community Guidelines. We know they are all interesting and it will be difficult to choose only one each month or so, but we will try and do our best.

Since it is summer and we are taking advantage of the many outdoor activities here at Four Seasons, we have decided to focus on our extensive walking trail system this month. With the inclusion of the new Trail D, we will have five trails that are interspersed throughout the community.

The use of trails is for Association members, residents and their guests only. They are not open to the public. Pets are allowed but must be on a leash and stay on the trail. Trails users must pick up after their pets and bags and receptacles are available on the trails.

The use of motorized vehicles, bicycles and conveyances with wheels is not allowed except for mobility devices operated by disabled trail users and their guests. Smoking is prohibited. There are abundant plants in the area. Please do not remove any plant materials and do not disturb any wildlife that you may see there.

Our trail system is one of the special features of living here. Many other active adult communities do not offer them. They are well maintained and have features such as sign indicators to tell you where you are should you require assistance. Make sure to bring your cell phone with you. This is a great way to get some exercise while enjoying the beauty of nature. A walking trail map can be found under Community Documents on the Four Seasons website, fourseasonsatbeaumont.com. There is most likely a trail not far from your house. Try a trail today! Trails A, B, C, D and E are waiting for you. Take your pick! ~ *Margie Chadburn*

STAG: SENIOR TRANSPORTATION ASSISTANCE GROUP *Interest Group*

We are so excited that STAG had another successful monthly training trip to Morongo on June 8. Everyone agrees we had a great time, and we all especially enjoyed bonding at the free buffet.

Our success means that trips are filling up quickly. The July 13 trip was completely full and we already are taking reservations for both August and September! Don't wait to make your reservation!

These trips include a free tour and buffet at Morongo. Please contact us and be sure to include the following information when emailing or leaving a voice mail about our Morongo trips:

Date of trip you want and, for each participant, the following details: name(s); birth year; phone number; email address; and Morongo Rewards card holder status.

You will receive a confirmation and instruction sheet as soon as we receive your complete reservation request.

Our Morongo trips aren't the only excitement for STAG!

In June, we heard from two representatives from The Lakes. Peter Bonnelli, Assisted Facility Director, and Lori Matsushita, Community Relations Director, came to share information about this nearby facility. We are most grateful for their time and the great presentation. We especially thank Bonnelli for giving up a day of his vacation to do this for us. We are making plans for interested Four Seasons residents to tour of The Lakes Assisted Care Facility together.

As usual, T-Now of the Riverside Transit Agency is hosting their

meetings with free lunch on the first Thursday of every month at the Beaumont Civic Center at noon. RSVP to Brenda Teeman.

Beaumont Pass Transportation is now holding a Travel Training Trip by Train to Union Station in Los Angeles on Thursdays, July 13, Aug. 10, and Sept. 14. For questions or reservations please call Beaumont Pass Transit at (951) 769-8530 or email info@PassTransit.com.

STAG will resume its regular meeting schedule on the third Thursday of the month starting on Oct. 19. We are hoping to present Max Calder, Community Service Manager of Banning and Lisa Almilli, Mobility Manager of Riverside Transit at our October meeting. We are working to make this a free luncheon gathering and, if we can arrange this, attendance will be by reservation only.

STAG wishes you all a great summer and we hope to see you in October or on one of our trips. We are working to expand our topics for STAG to include other senior challenges.

Anyone with suggestions for our programs should call or email us. We continue to focus on securing Kaiser Permanente services in the Pass area as one of our priorities, but would like very much to hear your additional ideas. For info., Brenda & Richard Teeman, (951) 845-8477 or brendarteeman@verizon.net. ~ **Brenda and Richard Teeman**

NEIGHBORHOOD WATCH

Officers from the Beaumont Police Department were the special guests of our July Neighborhood Watch meeting. The meeting was well attended by our residents who asked questions about issues affecting us at Four Seasons. Thank you to the officers who made this event a success.

One of the issues we are having at Four Seasons is theft from our parked vehicles. While these thefts occur mostly at night, they can happen anytime, anywhere to any one of us.

If you see something, say something. If you believe a crime has been committed, call the Beaumont Police Department. Then call the FirstService Management representative at the Lodge and your Neighborhood Watch block captain so the information is passed to your neighbors to make them aware of the problem. If you need to find out who your block captain is, a list of area block captains is in the Lodge lobby.

If you would like to be a block captain, call Donna Lewis at (909) 831-9536, Anita Worthen at (951) 769-9858 or Jerry Monahan at (951) 212-9998.

Speeding vehicles along Four Seasons Circle are an ongoing problem and the study completed shows that many of our residents, guests, delivery persons and other commercial vehicles are driving too fast. Please slow down and watch for pedestrians.

Bobcat alert here at Four Seasons! A bobcat has been seen in several areas, so please be careful if you have small pets. Don't leave them alone in the yard.

Be careful walking on our trails. Take a cell phone with you so that you can get assistance in the event of a fall and, whenever possible, let someone know where you will be walking.

Be aware of your surroundings, be safe and enjoy our wonderful community. ~ *Jerry Monahan*

KIWANIS CLUB OF BEAUMONT

Beaumont Kiwanis Club works with the Junior All American Youth Football to purchase safety equipment for the football program.

Beaumont Club Members voted to give the program \$2,000 out of the Beaumont Club funds. The club then applied for a grant from Kiwanis CalNevHa District to match funds out of the Pediatric Trauma Prevention Program.

Kiwanis Pediatric Trauma Prevention is a program Kiwanis has established to help prevent injuries to our youth. Over the years Kiwanis CalNevHa District has contributed thousands of dollars to California Nevada and Hawaii clubs for special preventive programs.

Kiwanis Clubs throughout the world give back to their communities any way they can to help the community and the youth in their area. Beaumont Kiwanis was pleased to receive a check in the amount of \$2,000 matching the Beaumont Kiwanis donation.

On Thursday, June 22, at our weekly meeting, a \$4,000 check was presented to the Junior All American Football Program. Sean Thuilliez, President of the league accepted the check for new football equipment. The money the football program received will go toward the purchase football shoulder pads and helmets for the upcoming season and for many seasons thereafter. Thuilliez said "the shoulder pads and helmets will prevent injuries and make the game safer for the kids involved." The JAAF Beaumont Cougars were formed in 1994 and last season approximately 176 kids ranging in age from 7 to 14 years participated in this great program. Recently they began a flag football program that serves children whose ages are 4 to 7

years. The Cheer program participates in a regional competition for children ages 4 to 14. The youth program is supported by many volunteers who help teach the kids the fundamentals of football and cheer, while instilling teamwork, dedication, discipline and character.

It should be mentioned Thuilliez is also an active Beaumont Kiwanis member and the Beaumont Chief of Police. Sean is very involved in our community. Service clubs in the area need more members like him.

To get involved in Kiwanis call Buzz Dopf at (909) 208-0880 or come to one of our meetings. We meet in the Lodge Conference Room. Kiwanis meets at night on the second, third, and fourth Thursdays each month. Drive to the main gate between 5:30 and 6:30 pm, let them know you're going to the Kiwanis meeting and the guards will direct you to the Lodge. ~ **Buzz Dopf**

Receiving the check Sean Thuilliez; presenting check President Buzz Dopf and John McLaughlin. At right, Kiwanis Club Chairman Vice-President Mike Dyer, Players, Sean Dyer and Tyler Dyer;

CLASSICAL MUSIC CLUB

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Theater. We listen to and watch musical selections on the big screen. Each month we focus on a particular work or several selections of one composer. We also discuss current musical performances in the area. We welcome new members. Contact Steve Benoff at steve.benoff@verizon.net or (310) 413-4896. ~ **Steve Benoff**

COUNTER CULTURE CINEMA

If you're getting tired of the big summer popcorn movies, come join us at our Counter Culture Cinema Club screenings and see some smaller gems!

Our first monthly screening, on Sunday, Aug. 13 at 6 pm, is the film *Loving* (USA 2016, 2 hr. 3 min., English). Here is a brief description from IMDb.com: "The story of Richard and Mildred Loving, a couple whose arrest for interracial marriage in 1960s Virginia began a legal battle that would end with the Supreme Court's historic 1967 decision." This film stars Best Actress Academy Award nominee Ruth Negga.

Our second monthly screening, on Sunday, Aug. 27 at 6 pm, is the film *Lovely Still* (USA 2008, 1 hr. 32 min., English). Here is a brief description from IMDb.com: "A holiday fable that tells the story of an elderly man discovering love for the first time." This movie stars Martin Landau, Ellen Burstyn and Elizabeth Banks.

All of our screenings are followed by a lively discussion about the film. We'd love to have you join us. The Lodge theatre has very limited seating, so if you're interested in our screenings, come early; we hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please email Micki Rosen at michelesrosen@gmail.com.

CREATIVE DRAWING & SKETCHING CLASS

This is the perspective of the artist of the month, Renato E. Giannini:

Teacher Rob Kelman

During my law enforcement career and upon retirement from the City of San Bernardino Police Department as a detective,

I worked with Gourd Art as a hobby for enjoyment and to reduce stress. I found the creative process of wood burning, carving and dying of gourds to be very rewarding and relaxing. I created over 800 projects which included animals, purses, Christmas ornaments and Southwestern art objects.

I have carved on ostrich and emu eggs. Upon moving to Four Seasons, I learned of the Art Classes that are available on-site. With Rob Kelman as the teacher of these classes, I have been exposed to many different methods of drawing which include pastels, pencil and watercolors. In these classes I am constantly learning from Rob and other students. Rob started a fire in me to learn more about the different media available to someone interested in art.

We meet Mondays from 10 am to 12 pm and/or Wednesdays from 6 to 8 pm. Any questions, call Rob Kelman at (951) 992-9156. ~ **Rob Kelman**

FOUR SEASONS VETERANS

The Veteran's Club at Four Seasons was formed in September 2013. Our mission was to recognize all the veterans living here at Four Seasons. To date we have over 80 neighbors recognized as veterans of the many wars we've endured. These veterans are recognized in our Honor Roll website, www.fourseasonsvets.org. Our club is quite unique because we do not have structured meetings, dues, or costs. Your military service to our country has you paid up for life.

...That these United Colonies are, and of right, ought to be, free and independent States, that they are absolved from all allegiance to the British Crown, and that all political connection between them and the State of Great Britain is, and ought to be, totally dissolved."

Contact: Irve Sturmer irve@verizon.net (949) 422-9969 or fourseasonsvets.org/Veteran. Sign-ups on Wednesdays, 12 pm near the Bistro. ~ *Irve Sturmer*

BEREAVEMENT GROUP

Gardening, cooking, horses and riding, travel, photography, and more... laughing, sharing, reminiscing, planning, and more... it doesn't sound like what one thinks of when characterizing a bereavement group. But it is characteristic of people talking about and enjoying life. And that is what happens in the healing community of our group.

Of course there are tears, sadness and longing. But there is hope and there is sharing. And with hope comes resilience and the

awareness that we can go on and live fulfilling lives despite our losses.

If you have experienced loss and would like to see if we can help, come visit us. You will be welcomed and invited to join us on our journey. We meet on Mondays from 1 to 3 pm in the Crafts Room at the Lodge. You can call me at (951) 922-0934 or email at lauriemlarson425@gmail.com. All contact is confidential. ~ *Laurie Larson*

RAINBOW GROUP

The Four Seasons Rainbow Group is an informal opportunity for our LGBT neighbors and any other residents who are interested in meeting with us, to keep up to date, to meet new members and to have a relaxing dinner together. We usually meet in alternate months on the fourth Thursday. We don't have a dinner planned for August. We gather at the

atrium in the Lodge, then order any Smitty's food items that we want and, weather permitting, sit on the patio (otherwise, we find a convenient area to enjoy our food and company). Feel free to bring your own adult beverage, if you desire, and appropriate glassware. Everyone is welcome. Any questions can be directed to Dale at (951) 797-0364. ~ *Dale Beckes*

KNIT & CROCHET GROUP

Our group is finishing up the children's hospital project. We have over 90 items to donate, which will be completed sometime around Aug. 1. For the rest of the year we will work on personal items, gifts, or whatever feels good and fun to make. You may join us each Tuesday from 10 to 11:30 am.

~ *Dorothy Payne*

CERAMIC CORNER

Our participation on Wednesdays continues to grow. A special welcome to our new classmates and note of appreciation to our regular participants. They continue to make our classes fun and enjoyable for all.

The August project "Mushroom Fairy Houses" had great interest and we look forward to seeing the creativity of our classmates with

this new paint medium that will be shared.

As a reminder, Elise Fillman will be teaching a new class to learn how to work with porcelain clay. She is expecting to have it up and running in August. Please come by the classroom for more details. Designated Saturday dates and times will be posted. ~ *Elsie Fillman*

CRAFTY CARDMAKERS

The Crafty Cardmakers will meet on the first and third Friday of every month in the Craft Room at 1 pm. Our dates for August will be Aug. 4 and 18.

If you're looking for a fun, relaxing afternoon, please join us. Each time we make three beautiful cards, learn some new techniques and have fun with friends.

You only need to bring scissors and glue, the rest will be provided. The cost is \$6 to cover materials.

We ask that you call and reserve a spot by the Monday before the class, so our instructors will be sure to have enough kits for everyone.

If you have any questions, or would like to make a reservation, feel free to contact me at chorbaparadise@yahoo.com (951) 849-6336 or (410) 903-1706 for texts. ~ *Maryalice Chorba*

CRAFT GROUP

The Craft Group continues to work on fun projects for the Craft Fair in October as well as personal projects. Please join us any Thursday at 10 am to participate in our current project, or bring something along that you would like to work on.

A big thank you to those who contributed to our collection of toiletries for the homeless in our community!

If you have any questions please call Pam Kelley at (951) 769-7967. ~ *Barbara Paules*

BUNCO

We will play bunco on Aug. 11 and 25. We always play on the second and fourth Fridays of the month. We have a lot of new homeowners and bunco is very easy to play and is a great way to meet some new friends. You really should come and give it a try. We meet in the card room at 1 pm, sharp. Don't forget to grab a drink at Smitty's, or even lunch beforehand. See you there. ~ *Cheryl Burke*

MAH JONGG

Everybody is welcome to join us for Mah Jongg at 12:30 pm on Mondays in the Rec Center North. We accept beginners and offer coaching for those who have not played in several years. A current Mah Jongg card is required but you can borrow or copy one until you get your own. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ *Barbara Goodreau*

PINOCHLE FOR FUN

Come join us! Whether you are a seasoned player or new to the game, we welcome you. Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This stimulating game is a time-honored favorite. Winning is not just the luck of the draw; it is a thinking game which teases the mind and keeps it sharp. We play with a Pinochle double deck of cards, Ace through 10s. We meet at the Summit Mondays and Wednesdays from 10 am to 12:30 pm. Our Chair is Karen Farmer. The contact is Johanna Ballard; ballardlands@gmail.com or cell, (626) 372-7049. ~ *Johanna Ballard*

PAN

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so men are very welcome as well as women. The game can be played in the day, evening, in a room in the Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100 or email Goldtoy@earthlink.net and I will answer any questions you may have. As all card games, it is played with both skill and luck. ~ *Linda Mendelson*

CANASTA #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the Card Room from 12:45 to 4 pm. Table assignments are distributed at 12:45 pm. Each week, you may play with someone different, giving you an opportunity to meet new friends and/or visit with old friends. We supply the cards, so just bring yourself and a desire to have fun. If you don't know how to play, we are always happy to set up a teaching table — by the end of the afternoon you will have mastered the game. Come join us. ~ *Melody Seewoster*

BRIDGE

August has arrived once again, one of the warmest months of the year and if you are looking for a cool spot among cool people, playing bridge might be an appropriate choice.

We invite you to join us in the RCN Building with its lovely views of the adjacent park at 12 noon each Monday afternoon.

For further information about the bridge world here at Four Seasons, or concerning beginners or refreshing lessons with our talented instructor, please call Helen at (951) 845-9312 or Gordon Sheppard at (714) 390-2610. ~ *Helen Shoemate-Gurley*

DUPLICATE BRIDGE

We are celebrating our second anniversary this month with a festive catered lunch for all to enjoy. We continue to enjoy the success of this ACBL Sanctioned Bridge game under the direction of Barbara Revels who does such an outstanding job. Please call her at (951) 530-1523 for reservations. ~ *Helen Shoemate-Gurley*

BRIDGE FOR FUN

In the past month, both the Monday and Wednesday Bridge For Fun groups had their summer parties. Once again, we had great food and a few crazy fun games to play thanks to Lylia and Verina. Way to go girls. What a lot of laughs... especially after a little wine and beer! During these hot summer afternoons why not come play some bridge with us? Our groups are for fun, so if you feel you are not a great player, have no worries, we can help you continue to learn. You can

always come and watch to see if bridge is for you. If you have never played but would like to learn, Bill Guy offers to teach the game. We meet Mondays and Wednesdays at noon in the Card Room. For more information on Monday's game or to learn contact Bill Guy at (951) 845-5627 or for Wednesday's game contact Verina Rector at (951) 769-1687. ~ **Tom Halley**

RUMMIKUB

Come and join us on Sunday afternoons from 2 to 4 pm. We play every second, third and fourth Sunday of the month, to have fun with new friends and old friends. If you like Rummy and mah jong you would like Rummikub. We've had good turnouts since starting. We will be playing in the Lodge Card Room. We also have training tables for all newcomers. Hope to see you all there. If you have any questions or if you need extra training call John Hendzel at (909) 435-6592. ~ **John Hendzel**

PHASE 10

We play the second Monday and the third Saturday of the month. Every week we have a training table and we welcome everyone. We start at 4 pm on Mondays and 3 pm on Saturdays. This is fun and we are friendly so come on down and check us out.

Contact: Cheri Howard (951) 756-1216 or howards1249@gmail.com. ~ **Cheri Howard**

DOMINOES

After resting on the bottom of the ocean for a long time, Lee Harris swam back to the top of the waves and became the domino champion for the month of June with 16 wins. It has been quite a long time since Lee was the domino champion. Congratulations to Lee on his nice win.

On June 30 the domino group held a playoff match to see which players would be in the annual Fourth of July domino championship games. The event is sponsored every Fourth of July by Four Seasons Beaumont. In the Fourth of July domino tournament, Gregg Lee surprised everyone by winning first place. This was a shocker because Gregg does not play a lot of dominoes on a regular basis. Another surprise was the second place winner, James Robeson, who has only been in the domino group for a couple of months. Congratulations to both players and everyone who participated in the tournament. Special thanks to Cindy Graves and Four Seasons at Beaumont for providing the trophies and making this event possible.

Dominoes are played every Wednesday and Friday from 5 to 9 pm in the Lodge Game Room. Come out and join us, everyone is welcome. For more information call Jesse at (951) 769-2035 or Reggie at (951) 769-6483. ~ **Marvin A. Gaines**

Lee Harris, June champion

HEARTS

All welcome. Easy to learn. Played with single card deck, no jokers, 52 cards. We play three, four, or five at a table. No scheduling necessary. Played on Tuesdays at 6 pm in the Card Room next to the Library. A group has played here at Four Seasons for nine years. Seating is by random draw, no partners, individual scores. Easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

REFERENCES AVAILABLE UPON REQUEST

PERFORMING ARTS CLUB

I know the weather has been very hot this summer, so I hope the mention of some hot upcoming events doesn't require you to lower your thermostats!

First, is a new Radio Show on Saturday, Sept. 23 at 6 pm, in the Lodge Ballroom. This is the first time it will be on a Saturday evening. Don't touch that dial! It's time to get ready for another evening of Olde Time Radio. Don't forget to mark your calendars for this event. You don't want to miss it. Come join us and many of your friends, as we venture back to the Golden Age of Radio, to a time when radio was performed live in front of an audience. We'll be performing two radio episodes: "Big Town" from 1937 and "Duffy's Tavern" from the 1940s. They're sure to bring some of you back to those fun times of your youth, sitting around the RCA console with your family, a bowl of fresh popcorn and bottles of Coke, waiting for the familiar theme music to start.

For those of you thinking you'd like to try out for the Radio Show, you're in luck. There are several smaller parts available, so this would be the perfect opportunity to get involved. Please join us on Wednesday, Aug. 16 at 6 pm for a 'read-through' of the scripts.

Updates on the exact location will be available at the Lodge and also on our local NextDoor app. We have parts for men and women that require no memorizing and minimal rehearsal commitment! The old radio actors carried their scripts on stage and so do we. No matter which side of the microphone you decide to be on, come on out on Saturday, Sept. 23, for an evening of fun! See you there.

The next big performance will be "Way Off Broadway" on Friday, Oct. 20 and Saturday, Oct. 21. This show is going to be awesome! We've lined up solos, duos and groups to entertain

you by singing memorable show tunes from well known Broadway musicals. Tickets for the performances will be available in September. I'll update you on the exact date in next month's *Breeze*.

Finally, I'm again putting out a request for volunteers for our crew of sound, stage, lighting and more. For those who are able-bodied, we definitely need your help to set up/dismantle our stage. Jeff Davidson and Teri DiMarino have been doing this for years and would certainly welcome additional help.

If you have any questions, contact me at (951) 992-9156 or terimk@verizon.net. ~ Teri Meyers-Kelman

LET'S DANCE

There's freestyle pop-rock dancing, done solo. There's folk and country dancing done in barns, gardens, schools and public houses. There's line dancing, done with choreographed steps. And there's partner dancing done in multi-use rooms and ballrooms. These are all forms of social dancing, as compared to ballet, modern, interpretive and competition dancing.

Our dancing includes Latin, Swing, Waltz, Foxtrot, Country-Western and other styles. Learning to dance is a process, starting with the basics, then putting them together into smooth routines and using them out on the dance floor. To this end,

our excellent, professional instructors, Cindy and Rhonda, lead us one step at a time, and we build our dancing skills little by little.

Some people dance better than others, but it doesn't matter. We're not experts and we're not competing. We dance just because we enjoy it. You won't find a better opportunity and a more convenient place to learn and practice social dancing than right here at Four Seasons! Do yourself a favor and give it a try.

Info., Puring and Gary Stifter at (951) 922-8333, or purings@verizon.net. ~ **Willis Fagan**

Cindy Finley, lead dance instructor

Rhonda Vaughan, associate dance instructor

LINE DANCING

You may not think dancing is exercise, but dancing is physical exercise. It also challenges your mind, which we need as we age. Learning new steps or dances requires not only concentration and memorization, but also movement to music. For some, dancing is really hard work, others may catch on quickly. The good thing about line dancing is that once you know the basic steps, you find they are in many other dances, making it easier to learn new dances. In our very beginner's class, time is taken to explain each step and to work with you until you understand and get the steps. Line dancing has

what we call variations, which are steps to accommodate our stiff hips, knees, or even dizziness. Many our age can no longer spin repeatedly or move as quickly, and we can figure out a way to move with the group by adjusting those steps. If you have been thinking about joining, come watch to see how I teach and if it might be a good match for you.

If you haven't danced before, try the very beginner's class in September from 2:30 to 3 pm each Tuesday in the Ballroom, unless construction moves us to a different location. Wear appropriate shoes, bring water and please be prompt as the class is only 30 minutes.

A correction: in the PG55 show pictured in the July Breeze, I mistakenly identified Joy Collins (2nd from right) in the picture and forgot to include Kathy Roach in the "not pictured."

I want to thank Steve and Cindy Schwinn for hosting the last sock hop in June. I heard they did a terrific job. A big thank you goes out Terry Hall who assists me in the very beginners class.

The intermediate class is 3 to 3:45 pm; the advanced class is 3:45 to 4:30 each Tuesday in the Lodge Ballroom. For more information, call (951) 769-3889. ~ **Martha Franck**

AMPHITHEATER

The Summer Concert Series rolls into August with the spotlight on the Kelly Rae Band. This six-member band is based in Southern California and has been performing for more than a decade. The emphasis is on country/western musical favorites such as Willie Nelson, Brooks and Dunn, Charlie Daniels, Johnny Cash and Patsy Cline. Not overlooked are contemporary counterparts such as Keith Urban, Garth Brooks and Lady Antebellum. Just to keep the energy in high gear, musical favorites from performers such as Linda Ronstadt, ABBA, Tina Turner, and P!nk will be included.

So join in the fun and wear your most memorable cowboy/girl hat, boots or fabulous cowboy/girl shirt. We would like to separate the "dudes" from the true cowpokes.

As always, remember to bring a wrap for warmth as it gets quite cool once the sun goes down. If you bring liquid refreshment, all bottles need to be in a sleeve; and not glassware. If you place your chairs on the concrete/grass risers, please leave enough space, both in the front and behind your chairs for folks to sit on the concrete "benches."

You also have the option of placing your chairs in the central lawn area; or take advantage of sitting on the pool deck. Here you can eat, play cards, etc., while enjoying the music.

Please remember, chairs cannot be placed until after 11 am. Have a good time — enjoy the music and the stars overhead. ~ **Doris SanFilippo**

Kelly Rae Band

FOUR SEASONS SINGERS

We are back from our break beginning Aug. 7, at 3 pm in the Ballroom (or other place if Ballroom is not available). We meet every Monday at 3 pm for rehearsal.

We will warm up our voices and start to prep for our October *Way Off Broadway Show* and the December *Holiday Show*. It usually takes us a couple of weeks to warm up again, so this is a good chance for anyone thinking about joining the choir to go ahead and jump in. This is a warm, accepting club to join and the singing also provides health benefits.

To join or if you have questions about the Four Seasons Singers, call (951) 797-3466 or email me at bawasco@dc.rr.com. ~ **Barbara Wasco**

W6FSB RADIO CLUB

The W6FSB Radio Club members have a common interest in amateur radio, and have joined together with those of similar interests to pursue amateur radio and to support the Four Seasons' community. It is our purpose to promote radio knowledge, operating efficiency and enjoyment of the science of radio technology. We also provide support for the residents of our community during times of emergency. For the continued promotion of radio knowledge, we provide periodic technical workshops and share in the wealth of knowledge from the experiences of various members.

The club is open to all residents and homeowners within our community. You do not need to be a licensed amateur operator to join,

but just show an interest in the knowledge and use of radio operations or the desire to update your knowledge of radio technology.

The Four Seasons FRS Net is held each Wednesday at 5:45 pm on Channel 3, no privacy code. The Amateur Radio 2 meter Net is held immediately after at 6 pm, on a simplex frequency of 145.645 MHz. All non-member residents are welcome and encouraged to check into the Net as a visitor after our regular roll call.

The Four Seasons at Beaumont Radio Club meets at 10 am in the Lodge on the last Friday of each month. Please visit our website at www.w6fsb.com. ~ **Alfred Blair**

AFRICAN AMERICAN CULTURE CLUB

We're doing things!

Jazz under the Stars: We are hosting Jazz under the Stars on Sept. 9 at the outdoor amphitheater from 7 to 9 pm and it's free! Yve Evans (photo inset left), our special guest, jazz singer and pianist, will be entertaining us. She is one of the premier contemporary icons in classical jazz. You can read more about Yve on her website at www.yveevans.com. Come prepared to sing, dance, and have a good time.

Christmas Gala: Our annual Christmas Gala is Saturday, Dec. 10. The theme is "Christmas in Black

and White." If you're looking for a reason to dress up, this is it! As always, it's going to be a great evening. Back by popular demand is the singing group Remembrance (photo inset center). Tickets are \$55 per person and will be going on sale in September. They always sell out, so purchase them early. Tables will be assigned on a first come basis. If you have a party of eight, you can reserve an entire table. This is an event you do not want to miss!

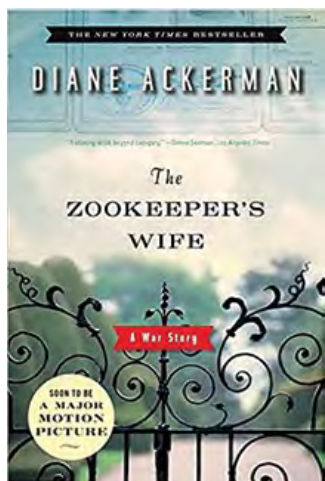

The AACC would like to encourage you to become a part of a growing group that is striving to make a difference in our community. Although we are dark in the month of August, we usually meet the first Monday of the month in the Lodge Card Room at 6 pm. Info., Joyce Allen at (951) 769-4354 or Roxie Elliott at (951) 769-2517. ~ **Regina Thomas**

COMPUTER TECHNOLOGY

The August Technology Group meeting will present information on Microsoft's next major Windows 10 release, the Windows 10 Fall Creators Update. This topic was originally scheduled for July, but our speaker was unavailable for that meeting. There are several exciting new features in this new release so come on out and hear all about it!

The Technology Group meets on the second Tuesday of each month at 10:30 am in the Lodge Ballroom. Everyone is welcome. Come join us to stay current on useful technology issues, apps and tools. ~ **Howard Lyon**

BOOK CLUB

The book chosen for our meeting on Tuesday, Aug. 8 at 9:30 am is *The Zookeeper's Wife*, by Diane Ackerman. Here is a description of the book from Amazon.com: "A true story in which the keepers of the Warsaw Zoo saved hundreds of people from Nazi hands. After their zoo was bombed, Polish zookeepers Jan and Antonina Zabinski managed to save over three hundred people from the Nazis by hiding refugees in the empty animal cages. With animal names for these "guests," and human names for the animals, it's no wonder that the zoo's code name became "The House Under a Crazy Star." Best-selling naturalist and acclaimed storyteller Diane Ackerman combines extensive research and an exuberant writing style to recreate this fascinating, true-life story sharing Antonina's life as "the zookeeper's wife," while examining the disturbing obsessions at the core of Nazism."

If you love books and like lively discussions of them, come join us! Our meetings are on the second Tuesday of the month at 9:30 am in the old conference room. Newcomers are always welcome, even if you haven't read the book. Our book for September is scheduled to be *The Poet's Wife*, by Rebecca Stonehill. For more information, please contact Doreen Sanders at (951) 769-1913. ~ **Micki Rosen**

CAMERA CLUB

We meet the third Tuesday of each month at 6:30 pm in the RCN main lobby room; thus, our August meeting will be Aug. 15. Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings, workshops, speakers, field trips and in-house demos.

The genre for our July meeting was "Reflections." Many beautiful and unique pictures were submitted by members. We then did a constructive critique of those photographs.

Our club will be showing some of their best photographs in the HOA Art Fair scheduled for next month.

For the coming year, we'll be planning more in-house demonstrations of photo equipment and use of various types of photography software, workshop, both in-house and in the field, guest speakers and much more.

The summer months are still upon us which sometimes means vacation pictures. Come visit us to learn tips and tricks on how to enhance those holiday photos.

We hope to see you soon. For more information, contact Lyle Cameron, (951) 849-6987. ~ *Lyle Cameron*

COMMUNITY FRS (FAMILY RADIO SERVICE) CLUB

All residents, come and join the Four Seasons at Beaumont FRS Radio Club. If you currently have an FRS/GMRS radio, or if you are thinking about purchasing one in the future, we can help. We will teach you the fundamentals and the features of your radio and how to best utilize it for recreational activities or in an emergency. We can accomplish this with classroom settings where we will explain each feature and when to use it. We will conduct exercises in the form of Radio Rallies to simulate a dynamic real life environment where changes occur often.

In general, you will meet those with similar interests and can pass on their experiences to you.

This club was formed for those residents interested in maximizing their radio knowledge and the use of their

FRS/GMRS radios.

Our first meeting was held on May 19 and we discussed the activities and the direction the members of the FRS club will pursue.

We meet every third Friday of the month in the RCN Conference room at 10 am. ~ *Alfred Blair*

“BELIEVE...” WOMEN’S BIBLE STUDY

What an amazing group of wonderful women attend “Believe...” Women’s Bible Study! Many friendships have been formed through the fellowship and camaraderie everyone finds there. Plus, we all have things in common: Our love for God and His beautiful Word.

After completing our study of Revelation, we began an eight-week series on the subject “Living Like a Superhero.” The kickoff lesson was preceded by a showing of “Impossible Dreamers,” an inspirational documentary about how seniors are staying active with their sights set on healthy living and longevity. Our first lesson’s subject was strength: mind, body and spirit. The word strength and its derivatives are mentioned 360 times in the Bible, and is a good beginning focal

point for this series. The series will be broken up, however, for four weeks while Mary Baer leads that four-week discussion period. We will recommence the “Living Like a Superhero” discussions on Sept. 8. Also on Sept. 8 we will have a birthday party for one of our members who is turning 100! After we complete the “Living Like a Superhero” series, we will begin a study of the more obscure books in the Bible, like Micah, Nahum, Haggai, Jude, etc. This should be fun, enlightening and uplifting.

If you are interested in becoming part of a wonderful group of Godly women, come by the Card Room any Friday from 10:30 to 11:45 am and join us. We’ll be looking for you! ~ **Eileen Gilbert-Antoine**

CHAVURAH (HA-VU-RAH) JEWISH SOCIAL CLUB

We welcome all interested Four Seasons residents who want to connect to Judaism, its culture, and celebrations. In the coming months, we have planned several events. On July 16, our monthly Movie & A Bagel Bash Night featured *Loving Leah*, the romantic comedy about the ins-and-outs of a complicated marriage contract. A Bagel & Lox & Cream Cheese Bash preceded at the Lodge.

On Thursday, Aug. 10, our New Committee Members Meeting will take place at the home of Ernie and Dr. Zee Knapp’s home, 6:30 to 8 pm. Everyone is welcome to bring their ideas for activities for the coming year. Interest has been expressed to create a Chavurah Book Club, travel group, joint events with other organizations, etc. Light refreshments will be served. To forward names of others interested in our activities, see the contacts below.

On Aug. 19, the Bagel & Lox & Cream Cheese Event will continue with another outstanding Movie and Bagel Bash. Starting at 6 pm, refreshments will be served followed by the movie at 6:45 pm. Look for flyers posted in the Lodge and Electronic Bulletin Board.

The club is organizing a Pink Ribbon Challah Bake with SharSheret, a national cancer program. Our third culinary event will be called the Pre-holiday “Challah Bake & Specialty Spreads.” Look for details of this event where all participant bakers will have the opportunity to

make their own delicious, pink braided breads called, “challah,” with toppings of poppy or sesame seeds. Each participant will receive a packet of information on breast and ovarian cancer, as well as many wonderful surprises. Following the rolling and braiding of the dough and covering with seeds, everyone will bake their challah and be able to taste their delicious breads. A “smear” will take place where everyone brings a spread, or “smear” to cover or drip on the pieces of challah, such as chopped liver, salmon spread, cream cheeses, honey butter, with varieties of flavors, as well as bring a delicious challah home for their family. Leading the bake will be the return of our Chef d’Elegance, a professional cook who will tell the story of her family’s long history of baking. Don’t miss this exciting event, stimulating discussion, and delicious evening. A minimal donation will cover all materials.

Members of the Chavurah also enjoy joint social, cultural and religious get-togethers, and connections to other organizations in and around the community.

For more information: Chavurah.time@aol.com, or call Nancy Justice, (951) 769-5804, and Ernie and Dr. Zee Knapp, (714) 423-4755. ~ **Dr. Zee Knapp**

INTERCESSORY PRAYER GROUP

Greetings intercessors, friends and neighbors! The intercessory prayer group invites you to come and join us on Monday, Aug. 7, in the Game Room at 9 am.

How many times have you heard someone say, there is not enough time in the day to finish my work? Many of us retired just to return to the work place again. Life is so short, and this is why we should stop and take a few minutes to reflect on important things that really matter. Remember the song that came out in 1988 by Bobby McFerrin - “Don’t Worry Be Happy”? Do just that! Don’t worry.

There is an answer to every problem.

There are times we need direction, and one way is to sit quietly in your favorite chair and be still. Your goal is to slow down, and relax. Don’t think about anything. Before you know it, the stress of the day has disappeared.

Men need a man cave, but women need a quiet place just to unwind. We all need a place to escape, so find your secret place and rest there.

See you on Aug. 7 in the Game Room at 9 am. Everyone is welcome. ~ **Cookie Bonner**

LIFE GUIDE BIBLE STUDY

We will continue our summer break through the month of August and resume weekly meetings with our annual Fall Potluck at the Summit on Tuesday, Sept. 12 at 6 pm. Regular participants will receive phone calls regarding food contributions. We invite interested residents to join us in learning from God’s Word. Our regular Bible Study meets at 7 pm each Tuesday in the third section of the Ballroom (unless otherwise announced), beginning Sept. 19. Please contact Doc or Letha Sellars with any questions or comments at (951) 797-3302 or docletha72@gmail.com. ~ **Doc Sellars**

PING PONG

Fun, fitness, friendship. Thank you to all the residents and guests who attended the ribbon-cutting event on Saturday, June 24 to preview Four Seasons' new Recreation Center, "The Courts," and who watched our table tennis exhibition tournament. It was so exciting playing in the new space, which enabled us to set up three ping pong tables, and with a ceiling high enough to allow for looping balls in flight. We used the exhibition tournament as our Fourth of July competition. Mixed doubles teams were randomly paired by drawing names, then teams were drawn to play two out of three game matches, and winners played off in finals.

Results: first place - Gilbert Apodaca and Connie Patterson; second place - Lian Lee and Rony Tordesillas; third place - Jeannine Baker and Niles Sundstrom.

We are looking forward to the opening of the courts and the increased availability of ping pong playing time for all! The ping pong room will be open during the opening hours of the facility, and since tables will already be set up, it will be easy for all residents and their guests to come in and play. Paddles and balls will be available for check out. However, Beware... ping pong has been known to become addictive and you may find yourself shopping for your own special paddle with custom rubber and blade! Club playing times will be every day except Sunday from 10 am to 3 pm, and special advanced play on Tuesdays from 2 to 4 pm. Club times are open for any players willing to rotate into games and play with other players in the room. Residents wishing to play on a private table with just

their party should play during open play times before 10 am, after 3 pm, after 4 pm on Tuesdays, or all-day on Sundays. Stay tuned for upcoming tournaments, competitions and new player coaching times. To get on our club email list, contact Alex at acasm2@gmail.com ~ **Sandra Butler-Roberts**

L-R: Third Place - Niles Sundstrom and Jeannine Baker; First Place - Gil Apodaca and Connie Patterson (not shown); Second Place - Lian Lee and Rony Tordesillas. Congratulations, and thank you to all those who participated in our fun mixed doubles tournament at the new Courts ribbon-cutting!

Gil Apodaca captured a bronze medal at the prestigious Pasadena Senior Games - Congratulations Gil on a great accomplishment

The Courts

TENNIS CLUB

I am not a good loser; a frequent one, but not a good one. Consequently, I am not going to write about the annual Red-Blue Team Tennis Tournament on July 4th, where the Red team was soundly defeated by the Blue team 104 games to 88. So, you will have to ask one of the Blue team players to tell you about their victory. Those players were team Captain Irve Sturner, Larry Martin, Howard Levine, Den Stevens, Hilario Luna, Paul Ko, Padoo Peralta, Perry White and Rick Loney. For an alternative set of facts, try asking one of the losers on the Red team captained by Howard Lyon, with team mates Chuck Beckham, Stan Lam, Dennis Gunnarson, Julie Stayner, Barb Miller, Loren DuChesne, Bernadette Martin, Syed Ali, and sore loser Steve Hovey. Maybe one of them will tell you that the men with the most wins were Howard Lyon and Perry White, who shared a team spot with Padoo, with 17 games. Padoo was the woman with the most wins with 17, which she shared with Perry. Runners-up at 15 wins apiece were Irve, Paul Hilario, and me, which is why I even bothered to mention the second place players.

Another big event for The Tennis Club and all of Four Seasons

Beaumont was the ribbon cutting and soft opening of The Courts, our beautiful new recreation center. Though there was still some work and inspections to get done on the facility, we got our preview look at the fabulous new clubhouse, pool and spa, putting green, meandering walkway through lush landscaping, and the tennis courts. There was also a ribbon cutting on Court One and entertainment by the rockin' Ambassadors to celebrate the new venue. Tennis players enjoyed a round-robin of play so that we could experience the different courts on the inaugural day. The timing was perfect, because the court colors are green and purple, the same as the traditional grand slam Wimbledon colors, also played in July. Though the play was all for celebration, fun, and bragging rights for being there for the opening day, Chuck Beckman ended the day with 18 wins, a lot more than the loser writing this.

Meanwhile, Barb Miller is continuing to coordinate doubles play on the second and third Thursday of each month. Matches are scheduled for 6 and 7 pm, so contact her to get in some quick games in the evenings. ~ **Steve Hovey**

*Congratulations!
Tracy and Alan 2nd place; Ali and Bruce
1st place; Dan and Terry 3rd place*

Beautiful July 2017 play day for the Paddlers

Shao showing Terry how to?

PADDLE TENNIS

We just completed a fun paddle tennis tournament and lobbing contest. Due to time constraints, not wanting to play when it's too hot, we did a single elimination contest. That means if you lost a set, you were out. The sets were first team to win three games. We played from 8 am to about 9:15 am. Then regular play resumed.

Ali and Bruce took first place, Alan and Tracy took second place, and Dan and Terry took third. We chose teams using a random draw, so you did not know who your partner would be until the morning of the tournament.

The lobbing contest consisted of lobbing 10 balls from behind the service line and getting one point for landing inside the back court rectangle. There was one person stationed in the middle of the court so that if your lob was too low, he could send it back. There were 13

contestants. I was lucky to defeat one of the former champs, Ali, at the last minute by scoring 6 out of 10 to his 5.

Both contests were a lot of fun and the tournament was attended by many people. Some just came to watch.

For those of you who would like to try to play paddle tennis, we welcome all newcomers. If you have watched some of our play, you may think that our game is too aggressive for your level or style of play, don't be intimidated by that. We always treat beginners gently and, if you prefer, we would designate one of the courts to novice players so they can get acclimated to the game.

Come out and join us for exercise and social interaction. Everyone likes to win, but having fun takes precedence. ~ **Terry Miller**

PICKLEBALL

On a toasty July 1st, we had our annual Fourth of July tournament. Even with temperatures in the 90s, 23 members of our pickleball group participated in the event. Three games were played by each player and each game consisted of random partners.

After some hard-played games, eight players secured first and second winning positions. The First Place Women's Winners were Julie Stayner and Marilyn Sarchett. Second Place Women's Winners were Sally White and Donna Lewis. The First Place Men's Winners were Garrett Warman and Bruce Lewis. Second Place Men's Winners were Michael Flower and Perry White.

Residents interested in playing pickleball should come out on Thursdays at 6 pm. Please be sure to have on court shoes and, don't forget to bring lots of water! Open play is on Tuesday, Thursday and Saturday mornings from 8 to 11 am. Open play for private groups should be reserved at the front desk in the Lodge.

Individuals who have questions or want more information about the FABULOUS game of pickleball can contact Nancy Barnaby at rbarnaby38@verizon.net or (951) 845-0842.

Happy pickling! ~ **Irma Peterson**

WILD BUNCH BILLIARDS

The Wild Bunch 8-Ball Billiards Group made it to the Spring Season Playoffs, and missed the championship by 4 points. We are gearing up for our next season of play beginning the first week of September. We are looking forward to the placement of the 9' tournament billiards table in our billiards room, which will improve the skill level of all who enjoy the game.

The Wild Bunch consists of some of the best players in the league: Larry Chase, Pete Antoine, Mike Corbett, Carlos Rivera, LeRoy Wright and Gracy Luna. There are eight teams in the league, with 62 serious

players, all vying for the coveted championship trophy, and Four Seasons Wild Bunch, again, proved to the competition that they are the team to beat!

If you want to play serious, competitive pool, we invite you to come by the billiards room and join in the stimulation of competitive play. We do not play with partners; we play one-on-one with an opponent of your skill level. We are always looking for those who want to play competitively and, who knows, you just may want to change up your game and play on the team! ~ **Gracy Luna**

THE 8-BALL CLUB

It was a fun month for the 8-Ball Club with our regular tournaments, our semi-annual picnic and the Independence Day tournament and awards ceremony. "Another beautiful month in paradise", as Del Lyles, our captain, would say.

The battle of the Titans (Larry Rice and Dewey Allen) was staged when Dewey Allen remained undefeated the whole match prior to the finals. MaryAnn Diehl sent Larry to the loser's bracket in round three only to be sent down herself in round four by Dewey. Larry emerged to challenge Dewey in the finals to take round one. Dewey went on to defeat Larry in the second game and secure the monthly title.

The 9-Ball tournament brought MaryAnn Diehl into the finals with zero losses after five rounds of play. Leo Babin, with only one loss, jumped up from the Loser's Bracket to meet MaryAnn in the finals. Leo took game one to even the match at one loss each. The last game and the match were taken by MaryAnn to crown her the 9 Ball monthly champion.

Cheers to Dewey Allen and MaryAnn Diehl, our monthly winners!

For information regarding the 8-Ball Club, contact any club officer: Captain: Del Lyles, Sr. (951) 845-5114; Co-Captain: Roland Harrah (951) 267-3793. rolandthanh@msn.com; Thanh Harrah, Secretary/Treasurer (951) 267-3793, rolandthanh@msn.com. ~ **Roland Harrah**

BILLIARDS FOR FUN

We have such a fun group here at Billiards for Fun. June was a busy month. The feature of June, however, was the Billiards for Fun Group versus the Curly Cues group tournament. As mentioned in previous articles, the Billiards for Fun Group was assigned only one handicap: last pocket. That means in whichever pocket their last ball landed, the BFFG members had to put their 8-ball in that pocket as well. There were so many more BFFG guys that signed up to play, that the CC's scrambled at the last minute to meet the challenge. But we did it! So, the games began. Since it was a double elimination play, most of the Curly Cues were eliminated. Then it came down to one partnership remaining: Eileen Gilbert-Antoine and Lois LeMottee. However, there were three BFFG partnerships remaining. Yikes ~ what to do!!? One of the BFFG players kindly stepped in, however, and suggested that the final three BFFG partnerships play each other until there was just one left, and they would play the CC's. So the team of Bob Rector and Ron Erickson played the CC team. The officiator of the tournament, however, sorta fixed the play. She

admits it. Poor Bob Rector and Ron Erickson got to play only a total of four games, two of which were against the three other BFFG teams. In the officiator's defense, however, Ron and Bob are the best players in Four Seasons, and she was being ultra protective of her CC's. So the final match-up game began, with strategy and sheer will on the CC's part, and experience and expertise on the BFFG's part. It was a nail-biter for sure! However, the Curly Cues emerged victorious; if you can count a victory when the playing field was sorta fixed.

On July 4 we held our amazing July Fourth annual tournament, with again, three divisions: Red ~ experts, White ~ soon-to-be experts and Blue ~ learning to become experts. It was a lot of fun, and everyone had a great time. Congratulations to all winners and participants. You are all amazing!

If you want to join a great group of really fun billiards players, come by the Billiards Room any Tuesday at one of two sessions: 11 am to 1 pm or 1 to 3 pm. C'mon out and join the fun! ~ **Eileen Gilbert-Antoine**

Tension at the CC tournament

Awesome Ron Erickson and Bob Rector at the Curly Cues Tournament

Winners of July Fourth tournament: (L-R) Pete Antoine (1st) and Bob Becker (2nd) Red Group; Bev Lunetta (1st) and Leta Ramirez (2nd) Blue Group; David Thomason (2nd), (not pictured Lee Harris 1st) of the White Group.

Top left: Enjoying our bi-monthly luncheon at La Casita Restaurant

Top right: Curly Cues v. BFFG winners (L-R) Eileen Gilbert and Lois LeMottee

Left: July Fourth tournament winners: (L-R) Red: Verina Rector 1st and Pat Semler 2nd; Blue: Janet McAdamis 1st and Sandy Butler-Roberts 2nd; White: Lois LeMottee 1st and Lois Waugh 2nd.

CURLY CUES

June was a busy month for the Curly Cues! On June 12 we held our bi-monthly luncheon at La Casita Restaurant, with Joy Collins as hostess. We always have lots of laughter and conversation while enjoying our bi-monthly luncheons out.

On June 19 the Curly Cues sponsored a tournament against the Billiards for Fun Group. The BFFG members only had one handicap this time though: last pocket. See the BFFG article for an explanation of last pocket. Anyway, the unnamed officiator delayed putting the BFFG team of Ron Erickson and Bob Rector, who happen to be only the best players at Four Seasons, against the CC teams, for truly obvious reasons. Right? Wouldn't you? However, close to the end of the tournament there were three BFFG teams remaining and only one CC team remaining. So, it was decided that the three BFFG teams should have a playoff against each other until there was one team left standing. Yes, of course, you can guess the outcome. The unnamed officiator and CC player had to face her worst fears and play Bob and Ron Yikes! S-c-a-r-y! After sheer force of will, stress, frustration, anxiety and trying with all their might, the CC team emerged victorious! Yay, if you don't count the "sorta fixed" part of the tournament and the handicap. Whew!

On July 3 the Curly Cues held our July Fourth singles tournament. As mentioned in previous articles, there were three divisions: Red - Experienced; White - Intermediate; and Blue - still-learning-the-game. Our first and second place winners were: Red: First-Verina Rector, Second-Pat Semler; White: First Lois LeMottee and Second-Lois Waugh; Blue: First-Janet McAdamis and Second-Sandy Butler-Roberts. Congratulations to all our winners and players. You are all amazing!

We have also added a clinic/workshop every second Monday at 3 pm for an hour. Our helpers are kind and patient experts from the Billiards for Fun Group. Also, we will hold our quarterly CC tournament on July 17 — winners to be announced in the next issue of the *Breeze*.

If you have always wanted to learn to play billiards, we'll be happy to help. Or, if you want to dust off your college skills, we'll be happy to have you play with us. C'mon, ladies! Come see a really fun group at play. We meet every Monday from either 11 am to 1 pm or 1 to 3 pm. Hope to see you soon! ~ **Eileen Gilbert-Antoine**

THE LAKES

ASSISTED LIVING & MEMORY CARE

Whether it's a cup of freshly prepared gourmet coffee with your morning newspaper, or a casual get together with friends, The Lakes offers you the lifestyle and amenities you'll appreciate, with a level of service that's second to none!

4X4 SEASONS

June was a great ride in the backroads to Idyllwild, with eight Jeeps (pictured above)! We had lunch in Idyllwild and headed home. When we go on the back roads where those Jeeps go, we really venture out from the highways and see a lot of beautiful sites. We have great leaders and everyone helps each other, which makes a really fun and interesting time. If you are interested in learning more about our group, please join us for our meeting, which is held the second Tuesday of the month 7 pm at the Lodge. Our monthly trip is usually the third Thursday of every month. We meet in the north parking lot of the Lodge at 8 am. Anyone with a four-wheel-drive vehicle is welcome. If you have any questions call Rick Brower at (951) 312-3012 or Don Fant (951) 572-5356. ~ **Sharon Haig**

HORSESHOE CLUB

Our June/July tournaments didn't happen as planned due to facility problems both at the Lodge and the Summit venues, as well as vacations taken by key tournament officials. So, our tournaments have been rescheduled to commence upon the finish of upgrades to our new Summit venue. I'll not speculate on when that will be, but hopefully in July of this year. Our monthly social, consisting of dinner at The Bistro followed by dessert at a

member's home, was hosted by Kris and Mike Corbett. A homemade banana split ice cream cake, that was so good, was followed by spirits and good conversations by all. It was a most enjoyable evening. Thanks Kris and Mike; you are super hosts. We've had a few rough weeks lately with our Summit venue torn up and trying to get the old Lodge venue playable again, but our motto is "play on" and that's exactly what we've been doing. So, if you want to join a real fun and resilient group, you've found us. We currently play every Wednesday morning at 8: am at The Lodge horseshoe venue. For information contact Ron Erickson at (951) 846-3288, rejlerickson@sbcglobal.net or Gary Christie at (951) 845-0520, goldtoy@earthlink.net. ~ **Ron Erickson**

A very early RV. Pretty cool, isn't it?

ALL SEASONS RV

Summer is here and it is getting hot. It is a great time to hook up the RV and get out of Dodge. We are planning some cool spots to get away to, and would love to have you join us. We were recently in Paso Robles and Flying Flags. Next will be an Oregon adventure, Chula Vista, Pismo and more. If you are looking for some interesting vacation spots and good company and don't know how to get started, come to one our meetings. We meet the second Tuesday of the month at 6 pm in the Lodge, or you can contact Master Chef Bob Cooper at (909) 684-6388 or President Ron Burke at (909) 203-8005.

Wish you were here. ~ **Lynn Forrester**

D.O.G.

FAQ: Why are dogs such a big deal to some of our residents?

We often hear this question from our neighbors who have never “connected” with a pet — not just dogs. Pets are especially important to seniors and the bond with our pets is a precious, limitless treasure. Let’s consider just a few of the reasons.

COMPANIONSHIP Loneliness is perilous for seniors and can lead to accelerated emotional and physical decline. Pets are always available to their people.

HEALTHY ROUTINE Pets mean big responsibility; a dog’s needs are especially unrelenting. The routine required to care for a pet helps one get out of bed — with a smile!

EXERCISE Canine companions make walking a regular part of the daily plan. The American Heart Association released a study in May, stating, “Owning a pet — particularly a dog — could help lower the risk of heart disease.”

EMOTIONAL SUPPORT Older people with pets exhibit lower levels of stress and anxiety than pet-less counterparts. The butt-wiggling greetings alone make it hard to be stressed out. Pets of all types are amazing therapists that help us deal with all sorts of emotional challenges, including grief.

MAKING NEW FRIENDS Pet owners share in many activities. In Four Seasons alone, pack walks and events like our upcoming Pet Blessing on (Oct. 7 at 4 pm) are a few of the ways that pets help us meet new people. We are even starting to watch pet-

centric movies together in the Lodge Theater! A mutual interest in animals transcends differences and is a beautiful way to start a new friendship! Just ask any of our members.

PAW-TECTION Having a dog of any size or breed can make us a bit safer. Barking dogs signal potential intruders to stay away.

UNSELFISH DEVOTION Pets need us even more than we need them. Their total dependence on us never ends. Knowing you have a loved one depending on you is great daily motivation!

EMOTIONAL COMMITMENT TO LIFE We made a promise to our pets and to ourselves to love and care for them. This commitment is a life-affirming choice at any age.

The, from: Phillip Moeller in *U.S. News and World Report*, “10 Reasons Why You Need a Pet.”

If these points resonate with you, enjoy the company of dogs without having one of your own. Consider joining us on pack walk! Pack walk dogs are eager to meet new friends like you. Walking with these dogs and their well-behaved people is some of the best therapy you’ll ever get.

We meet Saturdays, 8 am, at the Lodge parking lot by the Spa building and Wednesdays, 7 pm, at the Summit parking lot.

If you would like additional information, contact Patrick Gerety at (951) 769-7626, or join our private Facebook group, Four Seasons D.O.G. | Tails and Trails. ~ **Patrick Gerety**

PET OF THE MONTH: CHANCE

Photo by Alex Woodcock, Alexpressions Photography

Beautiful Chance is a tri-colored Sheltie and part of the Woodcock pack. When Alex and Bruce Woodcock first began volunteering as photographers at Redlands Animal Shelter in July 2013, they already had two dogs. Then came Chance. He was such a sweet, handsome boy that there was no resisting him. Chance fits right in with his pack mates, Megan the Sheltie and Remy the Papillon. He even has adjusted to life with two cats.

Like many rescues, Chance carries “baggage” from his previous life. He is great with humans, but is fearful of dogs outside his pack, especially on walks. If only Chance could tell his people what happened to him in his other life that makes him react like this. A friend once advised the Woodcocks, “perhaps it’s best that you don’t know what happened to Chance and simply love him as he is.” Chance is the most devoted and loving dog that Alex has ever owned. She says, “Chance is my heart dog.”

Improvement has come with training, but there is more work to do. If you’re walking your dog around Four Seasons and you see the Woodcock pack with three gorgeous pups, please don’t be offended when they turn and walk the other way or cross the street. They aren’t being unsociable, they’re just giving Chance the space he needs. ~ **Alex Woodcock**

Did you notice our change from Dog of the Month to Pet of the Month? If you have a pet you’d like to see featured, please contact our amazing photographer, Alex Woodcock (909) 705-9540.

TAILS & TRAILS - ALL PETS

Tails and Trails is a new service group (working hand-in-paw with the Dog Owners Group) here in Four Seasons. We will be formalizing our charter and developing our mission on Aug. 16 at 3 pm in the RCN Board Room. This group will focus on keeping all pets in Four Seasons safe, well, and with their families. We are looking forward to sharing more in the coming months! Meanwhile, we thought we'd share these great tips with the community.

Even modest summer heat is hard on our pets. Let's admit it, being out in the heat isn't pleasant for most humans, either. Let's get creative during the summer months. Our feline friends seem to enjoy more time indoors, so they don't suffer quite as much. But our canine friends? Well, they might get restless if they don't get enough exercise. Here are three great alternatives for your consideration:

Day trips are amazing. An air-conditioned car and a short drive to a nearby resort area in the higher elevations might just help to fend off boredom. Big Bear, Idyllwild, Forest Falls and Oak Glen have much lower temperatures and all have dog-friendly attractions. Just be sure to take protection against fleas and ticks.

Wild and wacky water can be fun. Who knew there is a doggie water park in nearby Murrietta? Our groups would love to plan a trip,

so be sure to join us on Facebook to look for play date opportunities, like a group visit to a wonderfully-wet doggie paradise. Resist allowing your dog to swim in natural water sources; even creeks and streams can harbor toxic blue-green algae. Ingesting it could create serious health issues for your furry pal. Consider wetting your pup down with a light shower after walks. Since dogs don't sweat like we do, wetting them down can help maintain a healthy body temperature.

Play with your dog indoors. Puzzle toys or hide-the-treat games give your pup mental and physical exercise as their curious noses work to find hidden treasures! An old-fashioned tug-of-war with a sturdy rope toy couldn't hurt, either. Depending on your dog, you'll both get a workout.

When the weather is tolerable, be sure to join pack walks. Socializing with other dogs can really help keep them (and us) sharp and happy. See the D.O.G. article on the previous page for pack walk times.

For more information, contact Martha at (951) 295-7209, email us at fsbtailsandtrails.com, or visit Four Seasons D.O.G. | Tails and Trails on Facebook. ~ *Martha Baumgarten*

MOTORCYCLE CLUB

The bike and rider featured this month is Rick Brower on his 2011 Harley Street Glide. Why?

After a great ride to Fallbrook and lunch at the Fallbrook Café, Rick started whining that he had never been featured, and that he was one of the original Four Seasons riders, and several newer riders had been featured and he hadn't. OMG, his little hissy fit got so bad that I gave in and took his picture for publication!

Moving on, July also saw us ride to Big Bear, a nice place to beat the heat! We also did a short breakfast ride to the new Corky's in Yucaipa where you're guaranteed to be stuffed if you can eat it all. And the "real man of Four Seasons," Paul Bricker, rode 2300+ miles in 7 days visiting 14 National Parks & Monuments in California!

In other news, in June some of us attended a great car and bike event at Top Line right here in Beaumont. The picture above shows a beautiful example of a custom bike, built by a local guy, who has won awards at national events and has been featured in several Biker Magazines. As a point of interest, all of the proceeds from the car and bike show goes to Carol's Kitchen.

Remember, we meet every Thursday at 9 am for a ride to somewhere. And we hold our monthly club meeting on the first Wednesday of each month at 6 pm in the RCN building. ~ **Steve Sarchett**

BIRDING CLUB

The Four Seasons Birding Club welcomes beginning and experienced birders to start or hone our bird identification skills. Our primary activity is monthly bird walks along Four Seasons' beautiful nature trails, which follow native riparian woodlands and preserve endangered habitat. We also take field trips to local birding hot spots, discuss backyard bird feeding, and share information on unusual species and behaviors.

Our monthly bird walk was on July 1 and we identified 13 species in about an hour. Highlights included our club's first sighting of a Eurasian Collared Dove, an introduced species that in the past 20 years has spread from south Texas to most of the continental U.S., and a few colorful Hooded Orioles. As on all our spring/summer bird walks so far, we encountered several endangered Least Bell's Vireos, a bird that sings incessantly but is notoriously hard to see.

We have compiled a list of Four Seasons bird sightings and we've documented a total of 53 species. Some are common, some are rare, some have been seen only as fly overs, and some occur only in our riparian habitat. We hope to get our list on the Four Seasons website as our members scour Four Seasons for new species!

We meet on the first Saturday of each month at 8 am in the RCN Lobby, talk about birding, then we go on our bird walk. We walk the nature trails directly from the Lodge, usually to the Crooked Creek Windmill and back (good exercise!), but on our July walk we walked

the other way and saw some new species. Bring your binoculars and bird identification guide, or just come to a meeting and ask about beginners' birding gear. For more information and to receive club communications, email Steve Edelman at steve.h.edelman@gmail.com. ~ **Steve Edelman**

Birders on the trail

Bird of the Month

The Spotted Towhee is a large, striking sparrow of sun-baked thickets of the West. When you catch sight of one, they're gleaming black above (females are grayish), spotted and striped with brilliant white. Their warm rufous flanks inspired their former name (Rufous-sided Towhee) and their striking red eyes can be a surprise when you

Photo by Richard Crossley

catch a glimpse of the bird. The Spotted Towhees can be hard to see in the brush and leaf litter that they scratch with their feet to stir up food. If you hear rustling leaves at Four Seasons it is in all likelihood a Spotted Towhee.

Your best chance for an unobstructed look at this handsome bird may be in the spring, when males climb into the shrub tops to sing their buzzy songs. Spotted Towhees make a catlike mew call, a little more than a half-second long. It seems to be used for scolding as well by perched or foraging birds. They also have a rattle call, and pairs sometimes exchange a soft, lisping call to stay in contact. Spotted Towhees also give a high, thin flight call.

The Spotted Towhee is one of the most common birds at Four Seasons, where they inhabit our landscape and yard shrubbery as well as the riparian forests along our nature trails. If your feeders are near a vegetated edge, towhees will venture out to eat fallen seed. If you want to attract towhees to your feeders, consider sprinkling some seed on the ground. ~ **Gerrie Karczynski**

BASKETBALL

Everyone is welcome. We meet at the basketball court starting at 5 pm on Fridays. Bring your energy and be prepared to have some fun. ~ **Richard Hoffman**

*Fourth of July
Tournament players
ready watching
tough and warm
tournament of
double elimination.*

BOCCE BALL

Many players came and played. It was double elimination games for the first place team of Mike Corbett, Mike Saperstein, Jim Samples and Ron Erikson. It took some time in the heat. Start and draw cards for random took place at 6:30 pm. Play was in original courts near RCN Building.

Summer play days and times to help stay cool are 8 am Tuesdays, 6:30 pm both Wednesdays and Fridays.

Play is now on beautiful tournament-grade smooth and accurate courts and sideboards. There is an easy small step-in. With smooth concrete surrounding the courts. There are new scoreboards, and all players are learning accurate and careful throws.

The word “bocce” comes from Italian word which means “to bowl.” The small white ball is thrown first to start game, called pallino. The rules are very simple, get your ball as close to the pallino as possible in order to score a point. If more balls of same color as closest also get close, these additionally score points.

Much like pool, bocce requires players to take turns. This makes it an ideal game for socializing in between turns. Often cheers, or

laughter can be heard. No one has an edge in Bocce Ball unless of course they have played for years.

We generally play a game to 12 points. Two games are generally played and take approximately one and a half hours. We mix and match so no team is expert and change numbers on a team so no one is left out.

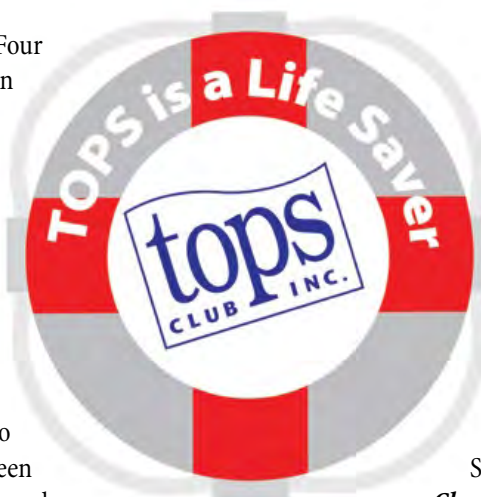

Bocce Ball is played several times a week at the Summit. The current schedule is 9 am Tuesdays and 3 pm Wednesdays. Times change based on weather. Many groups play at different times. Call the Summit desk (951) 769-6444 and ask the attendant for current times of play. Balls are always available for play anytime.

If you are interested in playing we will be happy to meet with you about 15 minutes before the game to go over the rules and let you have a little pre-game practice. If you would like to schedule your first practice session or if you have any questions, please call any of the contacts: Mike Saperstein at (951) 769-7909; Larry Anderson at (951) 846-3123; Jeannine Baker: (951) 797-0833. ~ **Mike Saperstein**

TOPS

TOPS (Take Off Pounds Sensibly) at Four Seasons has great group of men and women who would love to help and encourage you in your weight loss journey. Attending a TOPS meeting and then joining our group may provide just the encouragement and motivation you need to get fit and healthy.

Our programs include discussions regarding nutrition, motivation, health, fitness and other related topics. A lot of our members have reached their goals and are enjoying their new lifestyle changes to maintain their weight. So if you have been thinking of improving your health, and maybe losing some weight along the way come join us.

TOPS is also very affordable with a yearly membership fee of \$32, which includes a great magazine bimonthly; plus \$3 chapter dues per month. We meet at the Lodge on Tuesday with weigh-in from 8 to 8:30 am and the meeting 8:30 to 9:30 am. You may attend one meeting with no obligation. You really should come and see what we are all about. You have nothing to lose, but maybe a little weight.

For more information please contact our chapter leader and Four Seasons resident, Cathy Calhoun at (951) 849-2614 or Rosalee Strong, TOPS Area Captain at (951) 845-9313. ~

Cheryl Burke

SHUFFLEBOARD

The First Annual July Fourth Tournament played as a double elimination. Games played were to 75 and were not quick. There were discs flying. Good fun was had by all.

Beautiful flowers, trees and shrubs were the setting for shuffleboard play! Great game, fun, exercise with friends, all a few steps south of RCN Building. Everyone is welcome and many are learning: Who goes first? Which color disks go? How to strategize to block, kill other team's points, and score for your own team. Players use a cue (cue-stick), to push their colored disks down the court. The scoring diagram is divided by lines, into six scoring zones, with the following values: 10, 8, 8, 7, 7, 10-off. You hope not to land on 10-off.

Play times are 9 am Fridays, 9 am Saturdays, 9 am Sundays, 9 am Mondays. All are welcome. Come join in the fun and learn. A few weeks ago a 100-point game took just nine minutes. In June a game took 40 minutes. Players have learned defense. One player one day earned nickname "The Terminator." Each time we play we have a draw for "random mix." For more information call Mike Saperstein at (951) 769-7909, or Larry Anderson at (951) 846-3123. ~ **Mike Saperstein**

Some shade for Fourth of July Tournament winners, left first place Mike Corbett, right Jim Samples. Far right Second place winners Rob Gardner in the straw hat and Mike Saperstein in the red hat

TAKE A HIKE CLUB

There is nothing so relaxing and comfortable as an old pair of sneakers. For the Take-a-Hikers, the Ernie Maxwell trail is our old pair of sneakers. This year, with unusual June temperatures in triple digits, the familiar hike above Idyllwild was especially nice. And, after the plentiful rainfall this spring, the headwaters of many streams were bubbling. At an elevation of 6,300 feet the temperature was a welcoming 70 degrees mostly under shading trees. The rock-strewn dirt path climbs 675 feet from where we park to the Humber

Park trailhead with a great view of both the Palm Springs landscape and Tahquitz Peak. After a snack break we retrace our foot prints 2.5 miles to our vehicles, dust off and then head to the restaurant for lunch. It is great exercise, good food and wonderful companionship.

To find out where we are hiking in 2017, call or email Lynette Simonson at (951) 377-0392 or lynette.simonson@gmail.com. ~ **Len Tavernetti**

Clockwise left to right: Denise Featherstone, Jim Seim, Len Tavernetti, Lynette Simonsen, Bertsy Seim, Bruce Heimlich, and Adona Lamar

FISHING CLUB

Finally, the big fish are starting to bite. Went to a place called Little Lake in Hemet and was able to catch five nice catfish that were three to five pounds. Would like to get with the fishing club on the 8th of August and go to Little Lake as a group. They will stock some Catfish on the seventh so we should be able to catch some really big fish the next day.

At the time I am writing this article my health is not so great. I know that some of our Four Seasons people are handicapped and believe that they can not go fishing. Right now, about the only sport that I can do is fishing. Most of the lakes and parks that I fish at cater to handicapped folks. I have had help carrying my gear to the rental boat and even having someone give me a ride to my car that was in the parking lot. There are spots on the lakes that you can drive up to if you have a handicap sticker on your vehicle.

I have talked to several fishing guides and they have told me that they have no problem fishing with a person that is handicapped. Sometime soon I would like to arrange a fishing trip that anyone can go on. Just sign up at the Lodge. I am sure that we can find some drivers that will be willing to take us to the fishing spot.

I have to be honest with you and let you know that fishing is not cheap. Sometimes, I have ponied up several hundred dollars to go on a deep sea fishing trip. Most of the time when I go to a lake, the average cost is about forty dollars. The more people that go, the less

We can catch the big ones! Richard Carrasco and Dennis Boozer with some nice catfish from a local lake

it costs to fish. Seniors can almost always get a senior discount. The best time to go fishing is during the week, you will find the best deals and the places are a lot less crowded.

Tight lines to all my fishing friends and remember you don't have to be in the best of shape to go fishing. You can always have one of your fishing buddies help you bring in the big ones. ~ **Richard Carrasco**

On the Breeze

Photos Wanted

If you would like to submit a photo for the cover of your community magazine, please keep the following guidelines in mind:

- Vertical portrait format is preferred
- Simple, uncluttered photos work best
- Digital photos are requested at high resolution, 4 megapixels or higher, 300 dots per inch (dpi) or at least 1536 x 1024 pixels
- Send jpeg format photos to FourSeasonsNews@yahoo.com
- If you have any questions, please call Courtney Taylor at (909) 797-3647.

Submission Guidelines

The Breeze Editorial Board requires all committees, clubs and groups to submit their article *no later than 12 noon on the 8th of each month*. Maximum article length is 400 words. Email .doc or .rtf files to fourseasonsnews@yahoo.com, cindy.graves@fsresidential.com, and danya.lynd@fsresidential.com. Please include committee, club, or group name, writer's contact information, and organization's contact information. Within the article, include upcoming event details and general contact information. Photographs must be clear, in focus, and submitted as high-resolution jpegs with captions including the first and last name of anyone in the photo. Photos and articles will be printed at the Breeze Editorial Board's discretion.

Visit Facebook for the interactive, on-line version of the Breeze magazine!
