Four Seasons Board of Directors Election Concluded

By Leighton McLaughlin

Votes in the election for the HOA Board were counted on April 25 and announced at the 2017 Annual HOA Meeting on April 27 – too late for inclusion in this month's *Breeze*.

Incumbent Jerry Monahan was unopposed on the ballot, and barring a successful write-in campaign, he was expected to be elected.

The five homeowner members of the Board are elected for two-year terms. President Len Tavernetti, Vice President Jeanne Glanville, Secretary Fred Weck and Chief Financial Officer Claudeen Diaz all have a year left in their terms. Builder K. Hovnanian Homes appoints two members, presently Kevin Metcalfe and R. J. Hernandez. Their

seats will remain appointive until build-out, when all members will be elected from among homeowners.

Originally it was planned to have two measures to amend the CC&Rs included in the Board election mailing. However, on advice of legal counsel, the Board decided to present the amendments in a separate election, to be held in the next few months.

The amendments would do away with both cumulative voting on community-wide ballots and the district delegate method of electing Board members. The decision to delay the amendment vote was made after the April *Breeze* deadline, so stories on the election incorrectly said they were on the ballot.

Results of the Board election will be in the June *Breeze*.

BUILDER UPDATE

By Randy Balt

Recreation Center 3 is still scheduled to be completed this month. Land grading for the final section of homes should begin this September, and continue through December. Also, around that same time, K. Hovnanian will begin working on the bridge to finally connect Four Seasons Circle at Crooked Creek.

TOWN HALL

Everyone is encouraged to join the Beaumont City Manager Special Town Hall Meeting Wednesday, May 10 at 6 pm in the Lodge Ballroom to discuss the Community Facilities District/Bond Issues.

Find out how it will affect our residents and our community.

By Claudeen Diaz, Board Chief Financial Officer

As a Board member of Four Seasons for almost one year, I have enjoyed the opportunity to meet many of you. I have enjoyed being a part of the organization and being a decision maker. The committees have offered changes and improvements in our community and the Board of Directors has approved many of these. We are getting ready to paint the interior and exterior of the buildings. New carpet will be put in place in the Lodge. The Bistro is up and running with new equipment to meet more of our needs. We will soon take on the responsibility of the third recreation building which will give us more opportunities for exercise and entertainment. Landscaping in areas that have become a little barren will be planted and we will continue to maintain the beauty we all came here to enjoy. I am pleased to serve another year with all of you.

THERE'S
AN APP
FOR
THAT!

FINANCIAL APP\$

By Steve Benoff

Let's talk about financial apps. Banking and investment apps are helpful in many ways. I use them to check balances, pay bills, transfer money, and make investments. But financial apps can leave your money vulnerable; so you need to protect yourself. Most apps don't require any login. For apps and websites that do, I usually use relatively simple passwords using seven or eight letters and numbers. But financial apps and websites all require passwords, and for them I use pretty complex passwords comprised of 21 upper and lower case letters, numbers, and symbols. Such passwords are great for security and are hard to enter on a computer. On my phone, they're almost impossible. That's why I only use financial apps that employ fingerprint ID.

If you have a late model iPhone or Android phone, you have fingerprint ID. If you're not sure, just check under settings. On an iPhone it's called Touch ID. It will take a few minutes to set up, but once you've entered one or more fingerprints, you'll be able to unlock your phone without having to enter a code, make Apply Pay and Walmart Pay easier, and enable fingerprint ID on some of your apps. Many financial apps allow fingerprint ID so you can have a complex password and easy access to your app at the same time. You will, however, need to enter the complex password once to enable fingerprint ID, but that will be the last time for that app.

I use four financial apps in particular, but all the major institutions have them. I use Capitol One to track my credit card activity. I'm a little disappointed that the app isn't quite as up to the moment as the website. But it does come in useful sometimes. And, even though the most recent charges aren't shown, the balance is up to the minute. It has a very useful Alerts feature. For example, right now it's showing some double charges. The app is alerting me to the fact that there have been two recent charges to Amazon for the exact same amount on the same day. In effect, the app wants to know if I intentionally charged the same amount twice or if there was a mistake. When I press the alerted item, I'm given two choices to the question "Are these charges correct?" – "No, Help Me Fix This" or "Yes, This Is Correct." I press yes because on the day in question I bought

two e-books for the same price. I got a similar alert for a double subscription charge that occurred because I paid for a magazine for myself and also for my daughter. I'm sure some people find these alerts annoying, but I appreciate being given notice to a possible incorrect charge on my credit card.

Don't do what I do. Every investment advisor will tell you the same thing. Don't check your investments frequently. It leads to anxiety and bad decisions. But I'm a market junkie. I use the Stocks app that

comes with iPhones (see inset photo) several times a day to watch the direction of the market. Listed there are the Dow, NASDAQ, and the S&P 500. I can include individual stocks by adding them to the list by their ticker symbol and even the price of a Euro in dollars.

Since all of my investments are through Vanguard, I can see their state on the Vanguard app. With this app, I can buy, sell, and exchange. Admittedly, going to the Vanguard website makes these transactions easier. But if I'm not at home, I can do any website transaction on my phone.

I use my Chase Bank app less often than the others because I find it easier to bank at home on my computer. But if I need to know my account balance or transfer money, I can access my account on my phone thanks to the app.

There are a couple of other financial apps I use in addition to these main ones. Since my investments are limited solely to the S&P 500 index fund, there's no earthly reason I should follow the prices of oil and gold. Nevertheless I do, and I use an app called Black Gold for current prices of oil and gold and many other energy and metals commodities. If I want to know how exchange rates are doing, I use the XE Currency app for current prices of the Euro, British Pound, Israeli Shekel, and any currency I want to add to the list.

These apps demonstrate the power, convenience, and diversity of apps available to all of us. Since they're free, I can indulge any interest. If I had to pay for them, I'd quickly whittle down my list of apps. So take advantage of the limitless world of apps.

Do you use an app you'd like to share with others. Let me know at steve.benoff@verizon.net.

DID YOU KNOW?

By Micki Rosen

DID YOU KNOW THAT MAY 5 IS CARTOONISTS DAY? In 1895 a man named Richard F. Outcault introduced a small bald kid in a nightshirt, the "Yellow Kid," to the world in an incredibly popular publication in New York City at the time, the New York World. Little did Mr. Outcault know that when he first created this character, it would lead to a revolution in how stories were told and presented in sequential art pieces, and would, in fact, create a new standard piece of content for newspapers everywhere. Cartoonists Day was created to celebrate this man and his accomplishments. Everything from our Sunday comics to animation can be linked back to him and his creation – just a bald kid in a nightshirt.

DID YOU KNOW THAT MAY 15 IS STRAW HAT DAY? Straw hats have been found in almost every culture throughout the world, with different styles and techniques used to make them suitable for a particular area. Straw hats are known to go back to before the Middle Ages all throughout the West and into the Orient. Since then, some of the different styles are so important that they have become indelibly tied to a culture or place and, in some cases, a person. When most Americans think of the Panama hat, they immediately think of Teddy Roosevelt, the iconic president responsible both for the building of the Panama Canal and the inspiration for the Teddy bear.

DID YOU KNOW THAT MAY 17 IS WORLD BAKING DAY? World Baking Day was created by the folks at worldbakingday.com, who decided it was high time to spread the joy of baking all around the world, especially to those who don't bake too often and are not particularly experienced at it. This day is meant to show people just how much fun it can be to make a cake or some cookies. Baking can be a great way to spend time with family and friends, not to mention how much fun it is to eat what you've made once it's done! (Or before it's done, if you like cookie dough...)

DID YOU KNOW THAT MAY 29 IS PAPER CLIP DAY? The first patent for a bent wire paper clip was awarded to Samuel B. Fay in 1867 in the US. Originally, the paper clip was designed for attaching tickets to fabric, although the patent recognized that it could be used to attach papers together. However, that model did not much resemble the one we know today. The paper clip as we know it was most likely designed by Norwegian inventor Johan Vaaler. Years later, during World War II, the paper clip was used as a symbol of the Norwegian resistance to the Nazi occupation; they were worn by Norwegians on coat lapels. The Nazis saw this as a threat and banned paper clips altogether. Later, a giant paper clip was erected in Sandvika, Norway to remind people about the role this tiny object played in the nation's history.

Mint julep

6 cL Bourbon whiskey
4 mint leaves
1 teaspoon powdered sugar
2 teaspoons water

Mint sprig

On the rocks; poured over ice

DID YOU KNOW THAT MAY 30 IS MINT JULEP DAY? Mint julep originated in the southern US and still counts this area as its heartland. This is especially true of Kentucky, where the annual Kentucky Derby horse race sees around 120,000 juleps served each year. Premium versions of the drink are served in gold-plated cups with silver straws at a cost of \$1,000, but you don't need to spend quite that much to enjoy this tasty beverage! The ingredients are simple – bourbon, mint leaf, sugar and water – but no two bartenders seem to make the drink the same way.

Chicken Enchiladas in White Sauce

This chicken enchilada dish uses a light-tasting sour cream sauce with just a small touch of heat from the green chiles, allowing you to taste all the delicious flavors. You can easily switch up the ingredients and create a dish exactly how you want it...just use your imagination. These particular flavors go well with a side of Spanish rice and refried beans.

INGREDIENTS

- 1 store-bought rotisserie chicken or 1½ lbs. shredded chicken breast
- 10 flour tortillas, taco size
- 2 cups, 8 oz., shredded cheddar and Monterey Jack cheese (Mexican style)
- 3 Tbsp. butter
- 3 Tbsp. flour
- 2 cups chicken broth
- 1 cup sour cream
- 1 can, 4 oz., diced green chiles
- 1 can, 4 oz., sliced black olives
- Salt & pepper, to taste
- Adobo seasoning, to taste

DIRECTIONS

1. Preheat oven to 350° degrees.
2. Spray 9 x 13 baking dish with nonstick cooking spray.
3. Shred chicken using two forks and add in 1 cup of shredded cheese and sliced olives to shredded chicken along with salt, pepper and Adobo seasoning.
4. Place chicken mixture in each of the flour tortillas, roll them all up and place them in the baking dish.
5. In a medium sauce pan, melt butter. Whisk in flour and let cook and thicken for 1 minute (don't let it burn).
6. Add chicken broth and whisk until smooth. Stir in sour cream and green chiles. Be sure not to let the mixture boil.
7. Take sauce off the heat and pour it over the enchiladas and top with remaining shredded cheese.
8. Bake 25 minutes, then broil on high until cheese is lightly browned and bubbly.

Four Seasons Memorial Garden Dedication

And a bit of Four Seasons History

By Cindy Graves

*F*our Seasons has always been a caring and appreciative community. To express our appreciation for those who have invested blood, sweat and tears into being a director on the HOA Board, we have created the new Memorial Garden on the Lodge grounds. On Friday, May 5 at 10 am we will gather for a short program to honor James Russell and Jean Sandoval, the first two Board Members to die.

For those of you in the community who are unfamiliar with this little piece of Four Seasons history, I thought I would fill you in. Who was this wonderful guy Jim Russell? Let me tell you... Jim Russell was the original Four Seasons Pioneer. Yes, he was in house #1, lot # 1. He and his wife Marilee moved into the community in 2005 and he volunteered to be a Board member shortly thereafter. He was known for his great sense of humor, terrific rapport and neighborliness with all of the new homeowners pouring into the community, as well as his crazy colored socks. He started the very first Bistro Committee, to try to find a vendor to fill the little sandwich space that the builder imagined when creating the Lodge Bistro.

Jim and his committee of three resident women, went around "lunching" to see if they could locate a proprietor that served great food and who might possibly consider moving to our facilities. One day the little committee ventured into Loma Linda and there they found "Smitty's-It's-A-Deli." Jim loved the food and began talking with owners Brian and Kathy Smith. After

much convincing from Jim, the Smiths decided to give it a try. To this day, we still benefit from the decision of those negotiations as the Smith family have turned the once-imagined sandwich shop into a full restaurant. Jim was also responsible for finding Carmen Lopez, the proprietor of our physical education classes, called "Pro-Fit." He and Marilee sponsored the singles group in their home for years as well as helped and supported nearly all Social Committee events for years. Jim invested himself totally in getting this community off to a good start. He was a Board Member from 2005 to 2007. A "Pioneer Rose" has been planted in the Memorial Garden in his name.

Jean Sandoval was a mover and a shaker too. She was an active member of the Four Seasons community the entire time she lived here, serving as the chair of the Emergency Preparedness Committee, secretary of the Landscape Committee, member of the Ad Hoc Renovation Committee and ultimately serving as a Board member from 2015 until her untimely death in a car crash in 2016. Jean was also an incredibly creative and crafty gal and worked tirelessly creating 300 tiny purses for the Social Committee's Fashion Show and Tea. She had been a nurse for 31 years in her pre-retirement career and brought to Four Seasons all of that expertise which she used to create the Emergency Handbook given out to community members today. She will forever be greatly missed and appreciated. A "Florence Nightingale Rose" has been planted in the Memorial Garden in her name.

Join us as we honor these two amazing contributors to our community and start a new tradition with the Memorial Garden.

Activities Director Corner

By Cindy Graves, Activities Director

May seems to be a time for remembering some very important people, starting on Friday, May 5 at 10 am at the Lodge for the Memorial Garden Dedication. Please join us for a short program remembering our precious two HOA Board members, Jim Russell and Jean Sandoval.

I know I don't need to mention it but, another important person that we all remember this month is our dear old moms. It's always a good time to take inventory of all of the ways that our mothers invested in our lives. I'm grateful that my mother is still alive and I'm able to call her on the phone. If you are fortunate enough to still have your mother, do something a little extra special. If your mother is no longer here, be sure to send a big love-hug out into the universe, it's bound to find some lonely mother out there, to stick on to and encourage.... who knows, maybe it could work that way.

Next let's not forget Memorial Day, May 29, and those dedicated folks who gave the ultimate sacrifice while serving in the armed forces. Take a minute from your barbecuing to remember that many gave much for the freedom of this country. Why not also thank some of our living veterans for their service as well?

Enough of this wistful memory making and on to the happier things of May, like the upcoming *PG-55 + Show*. This show is always worth the entrance fee of zero dollars... in fact it's so good that they

should charge! There are tickets involved however and you need to pick one up at the Lodge Front Desk to attend your preferred showing for either Friday, May 19 at 6:30 pm or Saturday, May 20 at 6:30 pm. Tickets will be available for pickup starting Monday, May 15 at the Lodge and only 300 tickets will be available for each showing. Set-up will be theater style seating (meaning no tables) so please eat before coming to the show. You may bring in your favorite beverage, but absolutely no Bistro delivery during the show.

Another neat opportunity for you this month is the Writer's Club Workshop in the Ballroom at 1 pm on Tuesday, May 23. This workshop is being offered by their new club captain, Karla Noonan. Karla is a published author and speaker and will get you all inspired with your own writing aspirations. This should help jump-start you in writing those interesting memoirs you've always wanted to write or that your kids have always wanted you to write for posterity. There is no fee to attend.

Finally, bring your smartest music trivia brain and join us for a hilariously funny evening of the Four Seasons version of *Name that Tune!* Michael Rothberg and Colin Taylor will lead us all into memory jogging musical mayhem. A good time will be had by all and dinners and beverages are very welcome at this event. Prizes will even be given away too! Once again, no charge for this event.

LANDSCAPE COMMITTEE

The Landscape Committee is very proud of the work we do for our community, but there seems to be some confusion on what we really do.

Our purpose is to provide advice and assistance to the Board on all matters concerning the Association Maintained Landscape and the Front Yard Cost Center Landscape areas. We also monitor the performance of the association's landscape maintenance contractors.

We are a nine-member team with support from FirstService Management and our Board liaison. FirstService brings us concerns expressed by members of the community, as does the Board, in addition to assigning us special landscape projects. We are not the HOA police! We do not write up anyone and turn them in to management.

Members of our team walk the common areas with the Landscape Contractors on a weekly basis looking for problem areas. We watch for dying plants or trees, irrigation problems, or problems with infestations, such as gophers, skunks etc. and to be sure trees are kept trimmed away from the roofs.

This last year we met with some challenges, one being fruit-

bearing trees. Doesn't it seem strange that after 10 years a fruitless tree starts bearing fruit? This has caused some very messy sidewalks and driveways. The second challenge is the many rosemary bushes planted throughout the community, mainly in the Springdale and Front Yard Cost Center areas. After 10 years or so they get very sparse in the middle and are not pretty to look at. So our challenge will be replacing all that rosemary. This is not an easy task and will take quite a while to complete. Our landscape budget is not large enough to do it all at once, and of course the work needs to be approved by the Finance Committee and the Board.

We want to choose plants that survive in our environment so the plants don't have to be replaced frequently. So if there is an area that needs some TLC, please have patience with us, as it takes time to analyze soil and determine what would be the best solution for the area.

Our goal is to help maintain the appearance of this beautiful place in which we live.

The Landscape Committee meets the second Monday of the month at 8 am in the RCN Building. ~ *Joyce Tautrim*

FINANCE COMMITTEE

MAXIMIZING HOA INVESTMENTS: The good news for Four Season's homeowners is that the HOA has an adequate capital reserve to meet our anticipated future needs. However, an important consideration for the Board of Directors is to insure a maximum investment return on this capital until it is required. Since an HOA has limited investment options — no risk and insured (FDIC), CDs, money markets and savings accounts are the choices. Of these CDs typically provide the greatest return depending on a CD's length of maturity.

While rates are expected to gradually increase over the next 24 months with two to three quarter point increases anticipated this year, it is important to understand that these anticipated rate increases are already built into the yield curve. As you will note in the rate chart inset, the CD rates remained essentially the same after the recent rate increase.

The most reasonable approach to achieve maximum return for CD investments is called "laddering." This technique spreads maturities over a two- to three-year period which provides better rates with longer term CDs, while having CDs maturing every few months to take advantage of rates as they begin to rise. The following example illustrates this point.

CD Rates

Months	Rate Prior to Recent Fed Res Rate Increase	Current Rate (3/21)
6	0.75%	0.80%
12	1.00%	1.00%
18	1.35%	1.35%
24	1.50%	1.50%
36	1.80%	1.80%

One-year CD versus two-year CD

If an investor chooses a one year CD (1 percent) versus a two-year CD (1.50 percent), the investor would need to roll over the CD a year from now into another 1 year CD with a yield of 2.00 percent just to make what would have equated to a two-

year CD. This would require one year CD rates to double in a year's time. While we probably all agree rates are on the rise, most analysts believe this will occur rather slowly and not double in a year's time.

EMERGENCY PREPAREDNESS COMMITTEE

AUTOMATIC EXTERNAL DEFIBRILLATOR (AED) SURVEY

What is an AED? It is an Automated External Defibrillator. It is a portable electronic device that automatically diagnoses the life-threatening cardiac arrhythmias of ventricular fibrillation and ventricular tachycardia in a person. It is able to treat them through defibrillation, the application of electrical therapy which stops the arrhythmia, allowing the heart to reestablish an effective rhythm.

With simple audio and visual commands, AEDs are designed to be simple to use for the layperson. The use of AEDs is taught in many First Aid /CPR classes. Four Seasons EPP will be offering Family and Friends CPR/AED training beginning in May. It will be free of charge to the community and will teach the basics following the guidelines established by the American Heart Association.

In recent weeks, a survey was conducted regarding the AEDs. It was found that each one of the AEDs had some discrepancies and/or limitations. In addition to the equipment surveyed, a verbal survey was also taken of various sports clubs and community members, asking the following questions: Do you know what an AED is? Do you know where they are located? If additional AEDs are to be purchased, where should the AEDs be located? All didn't know what an AED was. Most didn't know where they were located. All agreed that they should be located in a place where they were visible to everyone. Also, a unanimous agreement was that they should be located in areas where there is a great deal of activity.

It was also a consensus that the life of a community member takes

precedence over aesthetic convenience. The location should be in a prominent place and easy to get to. Precious seconds can determine the life or death of a Four Seasons at Beaumont resident.

As a result of the survey, an AED Discovery and Recommendation Report has been prepared. This detailed report will be given to the Safety Committee and, subsequently, will go through each approval cycle before reaching the HOA Board for final approval or rejection.

THE FOLLOWING ARE THE CURRENT LOCATIONS:

Lodge: Behind the receptionist desk, in the upper cabinet.

RCN: On the wall, at the end of the hall, between the men's and women's restrooms.

Salon: On the wall, in the main lobby.

The Summit: On the wall, in the Exercise Room, between the indoor pool and the lobby.

THESE ARE THE LOCATIONS THAT WILL BE RECOMMENDED:

Lodge: In a more visible location, within the lobby

RCN: In a more visible location, within the main room.

Salon: Current location is acceptable.

The Summit: Current location is acceptable.

RC3 Tennis Courts: Outdoors, within the courts area.

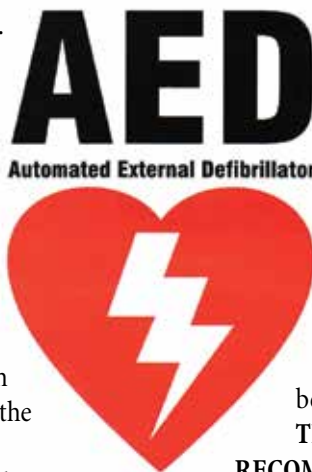

Paddle/Pickle Courts (2): Outdoors, within the courts area.

Main Pool Area: Outdoors, within the pool perimeter.

Lodge Ballroom: In the Ballroom, visible to all.

RC3 Lobby: In the Great Room, visible to all.

The next EPC committee meeting will be May 16, at 10 am in the RCN Conference Room. ~ **Alfred Blair**

SAFETY COMMITTEE

At our April meeting, we continued our discussion on cross walks and security cameras. We are hopeful that we will have collected all information on both items and be able to start moving forward on them at our next meeting. New items were brought to our attention. First new item that we discussed was possible striping on Four Seasons Circle. Many residents are driving in the middle of the road, and even in the wrong lane. Please visualize the middle of the road and stay to the right of the middle. We have many golf carts and bike riders in our community, both golf carts and bike riders should stay as far right as is safe. Second item was cement trip hazards. A vendor toured our community and identified many cement trip hazards. The

Safety committee is recommending that all trip hazards are removed as soon as possible.

Temperatures are rising, so please be careful walking the trails during our summer months as many critters will be out and about. More information on this subject will be available at our Neighborhood Watch meeting on Wednesday, May 10 at 10 am.

We welcome all homeowners to attend our meetings. Please bring any safety concerns you may have, or just come and observe. Our next meeting will be held on Friday, May 5, at 10 am in the RCN Conference Room. ~ **Donna Lewis**

LODGE COMMITTEE

SMITTY'S RENOVATION

When Four Seasons in Beaumont was built, K. Hovnanian created a small, intimate Bistro. They envisioned it as a place for homeowners to gather, chat, drink coffee, order soup, sandwiches and soft drinks. As we are all aware, our Bistro took off in another direction. We are so fortunate to have the hard-working Smith family, who has built the Bistro into a great restaurant serving a wide variety of good foods for breakfast, lunch and dinner. They also provide free delivery service.

Concerns came right along with the growth of the business. The builder not only created an intimate eating area, but also a very small kitchen and preparation area. Some of the equipment used was the same size used in our own kitchens.

When the old Bistro Committee morphed into the Lodge Committee the first item on our "to do" list was to renovate the Bistro kitchen. We began by doing due diligence with Brian (Smitty) and Kathy Smith, Bistro employees and homeowners. When finished, with the help of Saphire Rhodes, our FirstService Facilities Coordinator, we were able to get bids and select Cornerstone Restaurant Supply and Design as our choice for the renovation. Next step was to write a proposal and then take it for approval to the Facilities Committee, Finance Committee and then on to the Board of Directors.

These committees and our Board all realized the importance the Bistro represents to our community. With houses currently selling at 30 per quarter, they recognized problems would occur with the present small kitchen unable to keep up with the demand. It also helped that Dennis Mandell, the Cornerstone equipment specialist, came to each of the meetings to answer questions.

As you look at the photos, you can see the amazing kitchen, with the space to handle all the current and future hungry homeowners and guests. We are all very fortunate to have such a wonderful area to gather and enjoy great food. ~ **Jill Anderson**

RULES & REGULATIONS COMMITTEE

Our March meeting was well attended with two committee members, Jeanne Zarr, Board Liaison, Jeri Mupo, FirstService Residential General Manager and five guests. This was also Barbara Morton's third meeting after which she will become a committee member. She will be a valuable addition to the committee and we are pleased to welcome her.

Our guests had a variety of topics to discuss which involved possible changes to the CC&Rs. One topic was allowing guests to use the facilities without requiring the homeowner to be present at all times. Another was allowing guests to use areas that are currently restricted to homeowners only such as the gym, Computer Room

and Billiards Room. It was decided that surveys will be prepared and sent to all homeowners so that they can voice their opinions on these possible changes.

Recreation Center #3 was discussed. The committee will be formulating the rules for the new center and an article will be written for the *Breeze*.

Our meetings are on the second Tuesday of each month at 9 am in the RCN Conference Room. We are interested in hearing homeowners' concerns. We also still have openings on the committee if you would like to participate. Please join us! ~ **Margie Chadburn**

COMMUNITY PLANNING & TRANSITION COMMITTEE

There was a time we depended on copper wire telephone lines strung on wood poles and connected to each building. But someone dared to ask: Could we do the same thing, maybe even better, without wires? Well, you know what happened — cell phones and Internet service are now commonplace, and wires are obsolete.

Procedures, policies, governance and facilities serve us very well so long as nothing changes. But our community is constantly changing. The demands and opportunities of today are quite different than a decade ago, and will be quite different throughout the years to come.

Getting from where we are now to where we'll be in the future is

an extremely important transition and requires careful planning. We must consider a big picture that includes not only existing constraints but also the opportunities that lie ahead. And we must try to avoid costly mistakes along the way.

Thus we ask many blue-sky-what-if questions, even if we don't see how they could happen at the moment. But who knows, maybe something we consider improbable today could be very possible and beneficial later — much like the way copper wires were replaced by cell phones and Internet service. ~ *Willis Fagan*

ARCHITECTURAL REVIEW COMMITTEE

One of the benefits of living in the Four Seasons community and what probably influenced many of us to purchase a residence here, is that Four Seasons is not a cookie cutter development where, when coming home, you have to activate your garage door opener to tell which house is yours. We have the opportunity to landscape and personalize our property to our needs and tastes. But with that privilege there is a need for some control over what is and what is not acceptable. These requirements are documented in the Architectural Guidelines and Standards document that was supplied with your homeowner's package and can also be picked up at the main office.

The Architectural Review Committee (ARC) Guidelines have evolved over the years and have been revised, and will continue to be revised, as we adjust to environmental requirements and social "trends." Many of the requirements in the Guidelines are there to prevent future conflicts with your neighbors. That small tree will eventually become a big tree so property line setback is a requirement to prevent future conflicts on foliage overhang protruding into a neighbor's yard. Wall heights, front patio extensions, patios, landscaping, water fountains, lawn art etc. are examples of some of the areas that are covered by the ARC Guidelines. (See Guidelines and Standards for complete list.)

The mission statement of ARC is "to preserve and improve the appearance of the community and to ensure continuity in design and does not seek to restrict individual creativity or personal preference."

However with individual creativity and personal preference it must

The mission statement

be taken into account that a newborn baby is the most beautiful thing in the world to its mother but the neighbors and friends may not share that opinion.

After a homeowner submits their Exhibit A "Property Improvement Application" and Exhibit B "Signed Neighbor Notification Statement," the ARC committee will review the proposed plans for compliance to the Guidelines. Homeowners are encouraged to attend this review so that the details of their plan can be explained and clarified if required. Additionally, the homeowner has an opportunity (if original

application is not approved) to present their case for reconsideration.

The ARC encourages homeowners to check potential contractors' references and track records with neighbors that have used them, only use licensed contractors, and make sure any required permits are obtained and signed off by the city.

Anyone is welcome to attend the ARC reviews (8:30 am on the first and third Wednesday of the month) to ask questions about your future plans or to see how the process works. ~ *Gerard Bonnar*

FACILITIES COMMITTEE

We are now meeting the third Tuesday of the month in the RCN bldg. at 8:30 am. We had our first meeting at the new time on March 16. The first item we reviewed was the re-lamping proposal for the Lodge which was approved and forwarded to finance. During construction, a problem was found with the Bocce Ball Court and we are working with KHOV to resolve it. Currently, we have the reworking of the gazebos, parking lot, Phase B & C slurry seal, and main entrance paving & expansion out to bid.

We will also be bidding the Lodge carpet and tile flooring. This is not to be confused with Ballroom flooring which has been approved and is waiting for completion. We did approve a small countertop and new faucet for the sink in the spa building. The big project ahead of us will be the paddleball and pickleball court expansion. The clubs gave a great presentation, and we are in the process of evaluating the proposal.

We are always interested in finding people with a background in facilities, and we welcome them to join us. ~ **Bill Guy**

SOCIAL COMMITTEE

Greetings! The performance by Switchback was wonderful and very entertaining. This award winning duo provided us with a little Irish music history as well as their very upbeat music selection. A big thank you to Linda Cunningham and Pepsi Powers who chaired this event. It was a fun-filled afternoon which everyone enjoyed.

On May 6 we will host a Paint Night at the Lodge. We expect this to be another sell-out event. It should be a blast. Also, rumor has it

that a fashion show is in the making so stay tuned for future details.

We are finalizing questions to obtain homeowner input to assist us with event planning. Questions will be presented to the HOA Board for review and then sent out to all homeowners. We hope to complete the questions in June. Thanks for your continued support. ~ **Pam Morales**

STAG: SENIOR TRANSPORTATION ASSISTANCE GROUP *Interest Group*

STAG is making extraordinary progress!

Recent events attended include the T-NOW, Riverside Transit Agency's citizens' group, which meets the first Thursday of the month at Beaumont City Hall at noon. We also attended a meeting of The Pass Area Senior Connections, a new group seeking to serve seniors in our area. We will monitor this group's activities and seek opportunities to collaborate.

At our April meeting, we welcomed Banning Community Director Max Calder. He was joined by Lisa Almilli, Riverside Travel Training Supervisor, who spoke about the Americans With Disability Act, Dial-a-Ride, and Riverside transportation.

On the fun front, our April 26 trip took us to Olvera Street in L.A. This excursion filled up very quickly and we are hoping to repeat it in the future. To be added to our list for future outings like this one, please send an email or call and include your name(s), phone number, and email address.

Great news from Morongo. They approved our request for free buffets and tours. We have selected the second Thursday of each month, which enables us to enjoy Mystery Bonus Day and the seafood buffet. We filled our quota for May and are working on June sign-ups. Anyone wishing to join us for these outings should contact us by phone or email and include the following information: Name(s); email address; phone number; year of birth; and whether or not

you currently have a Morongo Rewards Club card.

May 24, at 6 pm, will be our Ice Cream Social with the director of Kaiser Permanente Redlands at 6 pm. We have over 700 signatures requesting a Kaiser facility to be opened nearby. We are hoping to present cases for a local drug store to handle prescriptions that Kaiser won't mail

out, a local urgent care facility and some local contract providers like those affiliated with Desert Regional Medical Center in Palm Springs. Please email your thoughts regarding Kaiser to us prior to the meeting. It is important to have a powerful showing at this event. Meanwhile, please be sure to sign our petition regarding Kaiser services in the Pass area. The petitions are located just outside the Lodge Movie Theater.

Networking really works to serve our residents. Last month, we received a call from a Four Seasons resident needing help with transportation daily to Kaiser Fontana for a two-week period. We got five volunteers to assist. Many thanks to these generous souls.

Regular STAG meetings are held the third Thursday of each month at noon in the Lodge.

All communication may be directed to the following: brendarteeman@verizon.net or (951) 845-8477. ~ **Brenda and Richard Teeman**

Neighborhood Watch says goodbye to Josh Galbraith from the Beaumont Police Department

NEIGHBORHOOD WATCH STEERING COMMITTEE

Last month the General Neighborhood Watch Meeting recognized and thanked Beaumont P.D. Josh Galbraith for his work in and around the city, and his continued loyalty and friendship to our community in keeping us updated on things going on around us. Josh has had to step down from his current position due to medical reasons. He will be missed, but be assured if we see him around town we will say something! Thanks to all who attended to make this a memorable occasion for him.

We had a great turnout from the Beaumont and Banning Police, CHP, and support staff. Josh spoke about the need to keep your cars locked, the need for more block captains, and warned against giving money to panhandlers. Our own Al Gettman dressed as a homeless as an homage to Josh playing that role when he first started his assignment with us.

We presented him with a cake with the Four Seasons logo – If we see something we will say something. Also Beaumont Mayor Pro Tem Nancy Carroll spoke on the beat cop, the importance of Neighborhood Watch and good community relations with our law

Enforcement. The celebration was fun and memorable. See pictures above.

Our thanks to CEO Mark Turner and the Board of San Geronio Hospital who came to discuss a local strategic initiative to open hospital-based clinics as alternatives to hospital transfers. This may affect those serviced by Beaver Medical Group, Kaiser or other users. Thanks to all who attended. We hope you found this informative.

Mark your calendars for our May 10, 6 pm Special General Meeting in the Lodge Ballroom. The Beaumont City Manager will discuss the CDF/Bond/Facility Issues and how it will affect our residents and community. All are welcome!

The June 14 meeting at 10 am will feature a VP from Loma Linda, their pharmacy and staff, along with CHP and a Public Information Officer to tell us about what they do in the community and answer any questions you may have for them.

We are always open to suggestions and ideas for new guest speakers. Please give us your feedback. Info., Anita Worthen, (951) 769-5396. ~ **Anita Worthen**

KIWANIS CLUB OF BEAUMONT

The club has just submitted grant forms to Kiwanis CalNevHa District to get approval. The Pediatric Trauma Prevention Grant will be matching funds from Kiwanis CalNevHa District and the Beaumont Kiwanis Club. Between our Club and the District funds, the \$4,000 will be given to the junior All-American Football Beaumont Cougars, to purchase shoulder pads and helmets to prevent upper body trauma.

In April our club assisted the Beaumont Recreation and Parks District with their annual Fishing Derby. This is held at the pond located at Cherry Valley Blvd. and Beaumont Ave. in Cherry Valley. Our club showed kids how to fish, tie hooks on their fishing lines, and how to be safe around other people fishing at no cost. This was a fun day with all the young kids fishing and learning how to fish.

One of our major fundraisers will be held May 27, the 12th Annual Cherry Fest Car and Motorcycle Show which is held in Stewart Park at Ninth and Orange in Beaumont. The last few years there have been more than 150 cars and motorcycles in the show (we hope to have more this year). The cost to pre-register to show your car is \$25 and participants receive a car show t-shirt and a dash plaque. The public is invited to view the cars and motorcycles. There is no cost for the public to view the show, so come out to the park and have a great day. For further information on the Cherry Fest Car and Motorcycle show,

call Buzz Dopf (909) 208-0800 for an application.

On June 1, 2 and 4 we will be assisting the Cherry Festival Assoc. at the 99th Annual Cherry Festival. Club members work the admission gates selling tickets and letting people in the festival grounds. This is a fundraiser for the club. The Cherry Festival Association pays several service clubs to help out and pays them for their assistance. The money the club receives from the Cherry Festival Assoc. will be put back into the community in some type of service project or into youth programs.

The Beaumont Kiwanis Club meets at the Lodge Conference Room every Thursday except for the first Thursday of the month. The meeting starts at 6:30 pm. If you wish to order food prior to the meeting, come in about 5:45 pm to order your food at Smitty's Bistro. We are looking for new members, so come out to see what Kiwanis can do for you and what you can do for the community and the "Kids of the World."

For information about our events and attending a meeting call Buzz Dopf at (909) 208-0880 or come to a meeting on Thursdays. If you wish to attend a meeting and you're not a resident of Four Seasons, you're welcome. Call Buzz (909) 208-0880 and I will have your name added to the gate so they will let you in on meeting night between 5:30 and 6:45 pm. ~ **Buzz Dopf**

CLASSICAL MUSIC CLUB

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Theater. We welcome new members. Contact Steve Benoff at steve.benoff@verizon.net or (310) 413-4896. ~ **Steve Benoff**

COUNTER CULTURE CINEMA

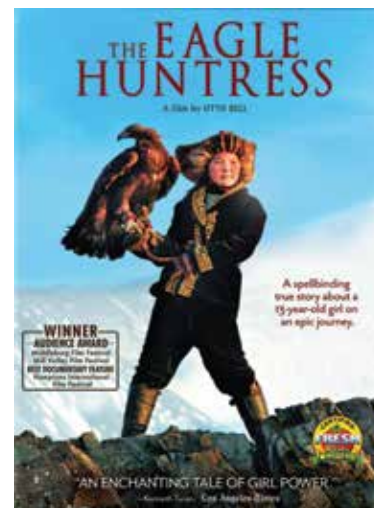

film *For the Love of Spock* (USA 2016, 1 hr. 51 min., English). Here is a brief description from Amazon.com: “*For The Love of Spock* celebrates the life and career of Star Trek's Mr. Spock and the actor who played him, Leonard Nimoy, in a never-before-seen way: through the eyes of his son and director Adam Nimoy.”

Our second monthly screening, on Sunday, May 28 at 6 pm, is the film *The Eagle Huntress* (Mongolia 2016, 1 hr. 27 min., English subtitles). Here is a brief description from IMDb.com: “This spellbinding documentary follows Aisholpan, a 13-year-old nomadic Mongolian girl who is fighting to become the first female eagle hunter in 12 generations of her Kazakh family. Through breathtaking

aerial cinematography and intimate ‘verite’ footage, the film captures her personal journey while also addressing universal themes like female empowerment, the natural world, coming of age and the onset of modernity.”

All of our screenings are followed by lively discussion about the film; we’d love to have you join us. The Lodge Theatre has very limited seating, so if you’re interested in our screenings, come early; we hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please email Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

TASTE D’VINE

Discover the exciting world of Spanish wines. Spain has over 2.9 million acres planted, making Spain the most widely planted wine producing nation, and the third largest producer of wine in the world. Under Roman rule, Spanish wine was widely exported and traded throughout the Roman empire. A little bit of trivia, one popular Spanish wine sold in Rome, known as Saguntum, was good for getting your mistress drunk.

Taste d’Vine Wine Club is looking forward to a wonderful evening of tasting and education featuring “Wines From Spain” showcasing

some of the finest wines of the Iberian Peninsula.

We invite you to join us at the May meeting of the Taste d’Vine Wine Club on the third Thursday of the month, May 18, 6 pm in the Ballroom. Please bring an appetizer such as bread or crackers and cheese, your own favorite bottle of wine if you wish, and a glass or two for tasting and sharing.

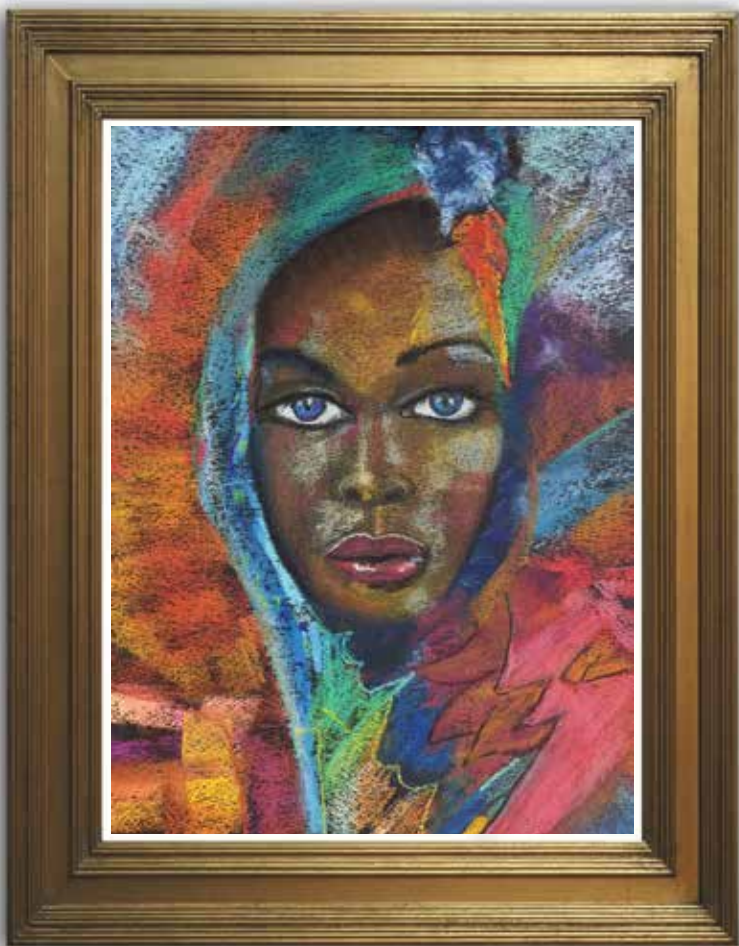

Members \$5, guests \$10. Info., Gracy Luna, (951) 769-6337. ~ **Gracy Luna**

RAINBOW GROUP

The Four Seasons Rainbow Group is an informal opportunity for our LGBT neighbors, and any other residents who are interested in meeting with us, to keep up to date, meet new members and to have a relaxing dinner together. We usually meet in alternate months on the fourth Thursday – our next meeting will be on May 25 at 6 pm. We gather

at the atrium in the Lodge, then order any Smitty's food items that we want and weather permitting, sit on the patio (otherwise, we find a convenient area to enjoy our food and company). Feel free to bring your own adult beverage, if you desire, and appropriate glassware. Everyone is welcome. Any questions can be directed to Dale at (951) 797-0364. ~ **Dale Beckes**

Works by Artist of the Month Laurie Wolfenden

CREATIVE DRAWING & SKETCHING CLASS

This is the perspective of the artist of the month, Laurie Wolfenden:

I retired just over a year ago from two exciting yet very different careers. My true passion was always to be an artist, but practicality led me to believe that someday I would put my heart and time into that dream. When I moved to Four Seasons, I presumed I would start looking into university courses nearby. Never did I expect to find Rob Kelman; he is the best teacher I have ever had the good fortune to be tutored by. He is masterful in his skill to bring all levels of artist into his fold. To think he gives so much of his own talent, skill and

experience is amazing. To know that he does this pro bono to "give back" is amazing. For me this is one of the most important bonuses of moving into this community. If you have ever wanted to rediscover your creativity come and experience this beautiful class. ~ Laurie Wolfenden.

We meet Mondays from 10 am to 12 noon and/or Wednesdays from 6 to 8 pm. Any questions, call Rob Kelman at (951) 992-9156. ~ **Rob Kelman**

COMPUTER TECHNOLOGY

We meet in the Lodge Ballroom at 10:30 am on the second Tuesday of each month. Our meetings are casual but informative. The topic for May will be "MS Office Online" which allows the use of the Microsoft Office applications online for free. June's topic is "Identity Theft: Protecting Yourself" which is a timely subject for all of us.

Come join us to learn some "Tips and Tricks" for various technological gadgets and applications, and to ask questions and share knowledge with your neighbors. ~ **Howard Lyon**

FOUR SEASONS VETERANS

Our mission is to recognize all the veterans living in Four Seasons. We have more than 80 neighbors who are veterans of the many wars we've endured. They are recognized in our Honor Roll website, www.fourseasonsvets.org. We do not have structured meetings, or require dues, or costs for you to be involved. Your military service has you paid up for life.

On March 30 at Noble Creek Community Center, the Beaumont Cherry Valley Recreation and Park District hosted the "Welcome Home Veterans Day" honoring veterans for their service to our country.

For more information, contact Irve Sturner at (949) 422-9969 or email to irve@verizon.net. Visit www.fourseasonsvets.org to reserve a place on our Honor Roll. ~ **Irve Sturner**

BEREAVEMENT GROUP

Every month, in writing about the Bereavement Group, we discuss the overwhelming sadness that death can produce, and we invite those of you who are struggling with this sadness to join us.

But what if you are not all that sad? What if the relationship with the deceased was difficult and unhappy, and the feeling of which you are most aware is relief? Or what if you had months or even years of difficult care taking, and now that it is over, you also feel relief? And what if the other dominant feeling is guilt? And as further complication, what if you think you need to hide your feelings and pretend to feel something that you do not?

Well, guess what? You are just human, and human beings have all kinds of reactions to and feelings about everything, including death. And your feelings are perfectly ok, they're just feelings. And perfectly human.

Those of us in this group are a small community. We have come together to share, to help ourselves and each other to navigate through a difficult time in our lives. Each of us brings our own experiences, thoughts and feelings to the community and it is in the mutuality of our exchanges that we find common, healing ground. And we do not judge each other. All of us have myriad feelings about the losses we have sustained, and often in talking about all of the feelings, we reach clarity and achieve some relief. We realize that every one of us has complicated, sometimes conflicting, feelings.

Sometimes it feels very uncomfortable to talk with our family and friends about what we are going through. So we keep it to ourselves, and that just isolates us even further from those we care about at a time when we really need them.

Maybe it's time for you to come to see what we can offer you. We will listen, share, care and not judge you. Believe me, we understand. We are all traveling the same road, each of us in our own way and at our own pace. But together. And that's what makes the difference.

The Bereavement Group meets on Mondays from 1 to 3 pm in the Arts and Crafts Room in the Lodge.

You may just walk in or if you want to talk beforehand, please contact me at (951) 922-0934 or lauriemlarson425@gmail.com. All contact is confidential. ~ **Laurie Larson**

CRAFT GROUP

Are you looking to meet some new people? Visit the Craft Group on Thursdays at 10 am. We have fun and friendly members who enjoy chatting and getting to know one another while working on a project. Some bring their own projects to work on, others join in the project of the day and some of us take a break from any project and just chat while the others create. No special abilities are needed, only a desire to have a good time and possibly try something you never thought you would.

We look forward to welcoming you next Thursday! If you have any questions please call Pam Kelley at (951) 769-7967. ~ **Barbara Paules**

The class is for all levels: beginner, intermediate and advanced. We are learning new techniques each month and having lots of fun meeting new friends. Please R.S.V.P. by the Monday before the class so we will be sure to have a kit for you.

If you have any questions, please feel free to contact me. Maryalice Chorba, chorbaparadise@yahoo.com, (951) 849-6336. ~ **Maryalice Chorba**

Join us Wednesdays from 1 to 4 pm and alternating Saturdays from 9 am to 1 pm (please see class schedule for dates).

Certified instructor and/or an experienced class team lead is available to support your crafting needs. Participation is at your own pace and frequency.

KNIT & CROCHET GROUP

On March 10, Michi Westcott, Judy Jones, Janet Hession and her husband Al, went to Camp Pendelton for the International Wounded Warriors Track and Field competition. The teams were from Netherlands, France, Sweden, Columbia and Australia, and hosted by the U.S. Marine Corps.

Our group made 225 crocheted and knitted hats. While distributing the hats, we met the most humbling and appreciative Wounded Warrior athletes you would ever meet. Once the word spread about what we were doing, we were inundated by the warriors wanting a knit hat. They immediately put their hats on, even though the temperature was over 80 degrees. The warriors commented

that we were so talented to be able to complete such a project. Their compliments made such an impression on us.

These warriors related to us that their own countries did not appreciate the service and sacrifice they had made. It was a big reminder of what our own military went through when they returned from Vietnam.

We all should treat our servicemen and women in and out of uniform with dignity and respect.

It was such an honor to be part of the International Wounded Warrior Project.

May God bless them all. ~ **Dorothy Payne**

BUNCO

During the month of May we will play Bunco on the 12th and the 26th. We always play on the second and fourth Fridays of the month. We have a lot of new homeowners. Bunco is very easy and it is a great way to meet some new friends. You really should come and give it a try. We meet in the Card Room at 1 pm sharp. Don't forget to grab a drink at Smitty's or even lunch beforehand. See you there. ~ **Cheryl Burke**

MAH JONGG

Everybody is welcome to join us for Mah Jongg at 12:30 pm on Mondays in the Rec Center North. We accept beginners and offer coaching for those who have not played in several years. A current Mah Jongg card is required but you can borrow or copy one until you get your own. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Barbara Goodreau**

PINOCHLE FOR FUN

Come join us! Whether you are a seasoned player or new to the game, we welcome you. Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This stimulating game is a time-honored favorite. Winning is not just the luck of the draw; it is a thinking game which teases the mind and keeps it sharp. We play with a Pinochle double deck of cards, Ace through 10s. We meet at the Summit Mondays and Wednesdays from 10 am to 12:30 pm. Our Chair is Karen Farmer. The contact is Johanna Ballard; ballardlands@gmail.com or cell, (626) 372-7049. ~ **Johanna Ballard**

PAN

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so men are very welcome as well as women. The game can be played in the day, evening, in a room in the Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100 or email Goldtoy@earthlink.net and I will answer any questions you may have. As are all card games, it is played with both skill and luck. ~ **Linda Mendelson**

CANASTA #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the Card Room, 1 to 4 pm. Each week you may play with someone different, giving you an opportunity to meet other Four Seasons residents and old friends who enjoy an afternoon of cool cards. We supply the cards so all you have to bring is your body and the desire to have a little fun. If you don't know how to play we are always happy to set up a teaching table and by the time the afternoon is over you will have mastered the game. All you have to do is show up and leave the rest to us. ~ **Melody Seewoster**

BRIDGE

Look through the window of May to all the new beginnings of growth. The trees are budding, the flowers are blooming and birds chirping away. Our lovely facility here at Four Seasons welcomes you to join us this spring to enjoy a special group of dedicated bridge players. We look forward to meeting one another for the stimulation, camaraderie and enjoyment of bridge.

One of the most successful Bridge clubs here at Four Seasons involves the ACBL Sanctioned game under the direction of Barbara Revels. She is an excellent instructor of classes, scheduling of partners and participating in the many enjoyable social functions.

Each quarter we look forward to our "Special Occasion Party." Featured are holiday events and lovely catered lunches for all to enjoy, especially the good food and wine.

We meet each Friday at 12 noon in the RCN building. Please call Helen at (951) 845-9312 or Gordon Sheppard at (714) 390-2610 or Barbara at (951) -530-1523 for more information regarding what might be an enjoyable experience for anyone interested. ~ **Helen Shoemate-Gurley**

HEARTS

All welcome. Easy to learn. Played with single card deck, no jokers, 52 cards. We play three, four, or five at a table. No scheduling necessary. Played on Tuesdays at 6 pm in the Card Room next to the Library. A group has played here at Four Seasons for nine years. Seating is by random draw, no partners, individual scores. Easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

BRIDGE FOR FUN

Now that spring is upon us it's time for us to get out of the house, put winter behind us, and join new activities. We are fortunate to have so many to choose from here at Four Seasons. Why not learn to play bridge? Bill Guy is always willing to teach new players or help those who need to brush up on the game. With so many new homeowners moving in we are sure to see more and more bridge players. We usually have four tables on both Monday and Wednesday.

It is a mentally challenging game, which we all need the older we get, but we also have fun players in our Bridge for Fun groups. So think about giving it a try and call Bill Guy at (951) 845-5627 to learn the game or for information about Monday's game, or Verina Rector at (951) 769-1687 about Wednesday's game. We meet both days at noon in the Lodge Card Room. ~ **Tom Halley**

PHASE 10

We play the second Monday and the third Saturday of the month. Every week we have a training table and we welcome everyone. We start at 4 pm on Mondays and 3 pm on Saturdays. This is fun and we are friendly so come on down and check us out.

Contact: Cheri Howard (951) 756-1216 or howards1249@gmail.com. ~ **Cheri Howard**

RUMMIKUB

Come and join us on Sunday afternoons from 2 to 4 pm. We play every second, third and fourth Sunday of the month, to have fun with new friends and old friends. We will NOT be playing on Mother's Day this month.

If you like Rummy and mah jong you would like Rummikub. We've had good turnouts since starting. We will be playing in the Lodge Card Room. We also have training tables for all newcomers. Hope to see you all there. If you have any questions or if you need extra training call John Hendzel at (909) 435-6592. ~ **John Hendzel**

FOUR SEASONS RADIO CLUB

OFF THE GRID EMCOM TRAINING AT BAKER TO VEGAS: Telephones, cell phones and the Internet may be off-line for one to three days after a disaster.

When all else fails, Ham Radio can operate without any electricity or cell towers. The best training ground short of a real disaster is the LAPD's Baker to Vegas relay race. The 120-mile foot race is run in 20 stages, each around six miles long. The circuitous route follows a back road out of Baker, CA through Pahrump and into Las Vegas, Nevada. The foot race started 30 years ago as a physical challenge for the LAPD. The race is staged by a massive volunteer effort.

Race officials and the almost 300 teams have their own Ham Radio Operators. The Hams monitor 2m, 440 and 220 bands. The operators are usually too busy to watch the race. SPARC, the local Ham Radio Club in the Pass has helped support the yellow jackets of Communication Support Services. CSS has sponsored up to three teams in the past. This year they were helping on the Doctor's Net on Commercial Radios with Ham Radios used as backup. Each stage

had a medical team staffed by a doctor. The Doctor's Net was to be used by doctors to call Medical Base to get help from a more experienced physician. There was little action at the second stage where I was located. I think it was because the stage was flat and it was at the beginning of the race. One of my co-workers referred to us as an "insurance policy."

Radio Operators helping with the race learn to operate off the grid; there is no electricity and all radios are operated using batteries or generators. The race takes place in a desolate region of the California Desert. The area is a buzz of activity for almost a day and a half with 50,000 people milling around the stages. Everything returns to normal by Monday and the desert is left to the lizards, rattlers and roadrunners. Knowledge of these procedures will become invaluable to all Ham Radio Operators in an emergency. The more things we can learn to do with less equipment the better off we will be.

We meet the last Friday of the month at 10 am in the RCN Conference Room. Info., Alfred Blair, alfredblair@hotmail.com, (909) 620-7720 or cell (909) 753-8356. ~ **Mike Mendoza**

PERFORMING ARTS CLUB

The expression goes, "April showers, bring May flowers." Well, we didn't get much rain in April, but I'm going to shower everyone who attended last month's Radio Show with thanks. You were such a great audience. You were engaged in the story of The Lone Ranger finding and foiling the bank robbers in Bartonville. Then you laughed at the right places when Dagwood was learning how to use his new refrigerator and how Blondie once again worked her magic when a police officer forgave Dagwood's three tickets! We hope you enjoyed our new and updated sound effects and both Radio Shows as much as we enjoyed you. Our next Radio Shows will be on Saturday, Sept. 23. I'll keep you posted.

Friday, May 19 and Saturday, May 20, at 6 pm: *Twisted Cabaret Show!* This show is not to be missed. We put this show on every other year, and it's always a hit and a full house. That's why we added an additional night. It's a variety show comprised of humorous and "fall off your chair laughing" acts. It is strictly for adults, over the age of 18, only! The subject matter for some of the acts can be R-rated, meaning they may include provocative language, scenes, or a combination of both. If you don't like this type of humor, I recommend you take a pass on seeing this show. A sneak peek of two of the performers... The Real Men and The Real Women of Four Seasons, will be back with

their hilarious, off-the-wall, antics. Knowing this should assure you of having a great time. This performance will have theater seating, so please don't bring food into the Ballroom.

Exciting news! Four Seasons has a new "FREE" class, Singing Lessons! Susan Youel, a trained singer and educator, is offering singing lessons on Wednesdays, at 2 pm in the Ballroom. I encourage you to take these classes. Even if you have no aspirations to become a singer, singing and breathing properly is so good for your health!

Our *Way Off Broadway* show is having auditions for adult residents, only, on Wednesday, June 14, at 2 pm, in the Lodge Ballroom. Bring your music with you. If you're having difficulty finding your music, finding music in your key, or are unable to make the June 14 audition, please contact Susan Youel at (951) 769-1563 or syouel@earthlink.net. Susan will do whatever she can to help you. This is definitely going to be a blockbuster show!

If you have any questions about The Performing Arts Club, contact me at (951) 992-9156 or terimk@verizon.net. ~ Teri Meyers-Kelman

AMPHITHEATER

Our 2017 concert series begins Sunday, May 21 at the Amphitheater. This season's opening band is "Yachty By Nature" and is comprised of five talented musicians who call the Southern California beaches home. They pay tribute to such musical stars such as Michael McDonald, Christopher Cross, Steely Dan, The Eagles, Neil Diamond, Hall and Oates and many more.

The music begins at 7 pm in the evening at the Amphitheater, located adjacent to the tennis courts. Don't forget to bring a jacket/sweater as our evenings can be quite cool and you are may bring a beverage of your choice which must be in a non-glass container.

The day of the concert, you are welcome to place your chairs —

but only AFTER the sound crew has the sound system in place. This is a big job and will be finished about 11 am.

So come on down to "The Marina," relax with friends, have a beverage of your choice on hand, and you might even hear the sound of waves as you relax "at the beach." ~ Doris SanFilippo

LINE DANCING

Summer is right around the corner and with it comes graduation parties and weddings. Which means dancing, usually including some country western. So May is your chance to learn how to dance country. There are five Tuesdays in May, so you have time to pick up at least some basic beginner dances. The beginner class is for only very beginners (and some repeats). You will be taught the basic steps to the Electric Slide and the Cupid Shuffle. Both are simple dances and are played at most weddings. I only teach this class every other month at 2:30 pm Tuesdays in the Lodge Ballroom. Please be on time, bring water and wear shoes that will slide on wood floors (leather soles) or order dance socks from www.thedancesocks.com that fit over the tips of your shoes and allow you to move easily. They are about \$10/two pairs.

The dancers are working on a dance for the PG 55+ show May 19 and 20. We are looking forward to the show and performing a fun dance for you to enjoy.

As usual, the intermediate class is from 3 to 3:45 pm and the advanced class is from 3:45 to 4:30 pm each Tuesday in the Lodge Ballroom. Please watch the front desk for any changes once Ballroom renovation begins.

For more information, call Martha Franck (951) 769-3889. ~

HEART & SOUL LINE DANCE

You know you've heard this all before. But some things are worth repeating, so here it goes. Like other moderate, low-impact, weight bearing activities, such as brisk walking, cycling or aerobics, dancing can help:

- Strengthen bones and muscles without hurting joints
- Tone entire body
- Improve posture and balance (helps prevent falls)
- Increase stamina and flexibility
- Reduce stress and tension (depression)
- Build confidence
- Provide opportunities to meet people
- Ward off illnesses like diabetes, high blood pressure, heart disease and osteoporosis

All these benefits combined in an hour or so of fun, who wouldn't want to try it! Join us on Wednesday, at 4 pm in the Lodge Ballroom. Wear comfortable shoes and bring water. If you have any questions, please feel free to call me at (951) 922-0755.

See you on the dance floor! ~ *Priscilla Robles*

BALLROOM & SOCIAL DANCE

Not your grandparents' dance. Not snooty or exclusive either.

Get your dance on! Here and now. With a partner. All over the dance floor. To all kinds of music. In all kinds of places.

Nothing to join – everything to enjoy! Come check it out on Monday evenings at 6:30 pm in the Lodge. You'll be glad you did.

Contacts: Puring and Gary Stifter at (951) 922-8333, or at purings@verizon.net. ~ *Willis Fagan*

*CPO Carl Clark,
a true hero*

AFRICAN AMERICAN CULTURE CLUB

"A black man saved the ship." But at that time it wasn't acceptable to say it.

Carl Clark, a World War II veteran, passed away last month on March 16. He was 100 years old. In 2012, he was awarded the Navy and Marine Corps Commendation Medal more than 60 years after he saved the lives of several men onboard the USS Aaron Ward in 1945. His heroic actions went unrecognized for many years because he was black, he said. You can view the news video by visiting www.today.com and searching for videos for Carl Clark.

More Americans than ever before are living to the age of 100 years and beyond. California is home to the largest number of centenarians in the nation. A 2016 report published by the Centers of Disease Control and Prevention (CDC), noted the nation's centenarian population has grown by 44 percent in recent years, from 50,281 in 2000 to 72,197 in 2014. Some experts believe such longevity is the result of good health, great genes, and luck.

Societal factors have also contributed. Such factors include improvements in vaccines, antibiotics, hygiene and sanitation. The report noted, "People are more aware of their health, of the importance of staying active and eating healthy food..."

A review of 2010 census data showed 82.8 percent of America's

centenarians were female. Go women! "We know that women are more social than men. Other studies have found that staying socially connected predicts greater life expectancy," as noted by Gary Small, a Professor on Aging and Director of the UCLA Longevity Center.

I was wondering to myself, what a person would see in their life time having lived to be 100 years old. What things have changed, and what things have stayed the same?

I reviewed a 100 year timeline in African American history by going to: www.blackpast.org/timelines. This is what I observed:

What made history? We have our first African American president.

What stayed the same? Racial separation and violence has been consistent throughout history. Also, there has been a consistent increase in African American athletes and artists accomplishments, Black College and University Presidents and elected officials.

You're invited to join us and become a part of a growing group that is striving to make a difference in our community. If you know anyone who is close to 100 years old and wants to tell their story, please contact us. We meet the first Monday of the month in the Lodge Card Room at 6 pm.

For more information please contact Joyce Allen at (951) 769-4354 or Roxie Elliott at (951) 769-2517. ~ **Regina Thomas**

WRITERS' CLUB

Think you can write? Consider the different kinds of writing... diaries, journaling, blogging, poetry, short stories, novels, anthologies, opinion pieces, newspaper articles, letters, legal briefs, reports, and Facebook comments. Some people write very creative lists and notes to themselves.

If you think you're a writer, now is a good time to join the Writer's Club. We have a new president and format to help writers achieve their writing goals. The March meeting hosted a guest speaker from Victory Publishing who spoke to the members collectively and individually to determine how best to achieve writing goals. Some of

the topics discussed were reasons for writers' block (fear, time constraints, and lack of support) and how to publish.

The new club president is resident Karla Noonan who has been writing and publishing since she was 15 years old. Karla wrote a weekly teen column in a community newspaper until she graduated high school and went to college. In college, she continued to write freelance articles for the college newspaper. Karla's career continued as a grant and curriculum writer until she recently published a novel entitled *Aurora Street* which is available on Amazon.com. Her first novel achieved Amazon's Bestseller status in two novel categories. Karla and the

Writer's Club will be presenting a "Writing Workshop" on Tuesday, May 23 from 1 to 2:30 pm in the Lodge Ballroom. Everyone is welcome and there is no cost to attend.

The Writer's Club members encourage newcomers to come to the meeting. Creativity begets creativity.

We meet on the second Tuesday of each month in the Conference Room next to the Bistro. The meeting begins at 1 pm and ends at 2:30.

There is no better time to join the Writer's Club! New beginnings. Check it out. For information contact Karla Noonan (951) 902-5407, knoonan1973@gmail.com. ~ **Karla Noonan, President**

CAMERA CLUB

We meet the third Tuesday of each month at 6:30 pm in the RCN main lobby room; thus, our May meeting will be May 16. Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings, workshops, speakers, field trips, and in-house demos. For example, in our March meeting, Irve's workshop included the use of handouts and visuals with a great Power Point presentation.

At our April meeting, our chairperson, Irve Sturner, continued his presentation on the "Exposure Triangle," i.e. settings for shutter, aperture, and ISO. The genre assignment was "photography using depth of field" using the Exposure Triangle as a guide.

For the coming year, we'll be planning more in-house demonstrations of photo equipment and use of various types of photography software, workshops... both in-house and in the field, guest speakers, and much more.

We hope to see you soon at one of our meetings. Info., Lyle Cameron, (951) 849-6987. ~ **Lyle Cameron**

The photos in this collage were taken by our chairperson, Irve Sturner, when he was with the press corps (by invitation only) at the BNP Paribas Tennis Event at Indian Wells on March 8. With the other photographers, Irve was in the Media Room when he took ten individual images of these professional tennis players who are among the top "world class" tennis pros. Irve then arranged all ten images into a single file which generated the above collage.

BOOK CLUB

What if the underground railroad that smuggled escaped slaves to the North and freedom were an actual physical railway with tracks and trains operating in tunnels beneath the earth? This intriguing premise is the basis of *The Underground Railroad* by award-winning author Colson Whitehead. This #1 *New York Times* bestseller and winner of the National Book Award follows the history and desperate flight of a slave named Cora. Amazon.com says, "Cora encounters different worlds at each stage of her journey—hers is an odyssey

through time as well as space... at once a kinetic adventure tale of one woman's ferocious will to escape the horrors of bondage and a shattering, powerful meditation on the history we all share."

If this concept interests you, please join us at 9:30 am on Tuesday, May 9 for what promises to be a fascinating discussion. Newcomers are welcome, regardless of whether or not you have read the book. We are a friendly and informal group, so come to just listen, or join right in! Info., Doreen Sanders, (951) 769-1913. ~ **Doreen Sanders**

PICKLEBALL

Spring is here and it is time to get out in the fantastic weather and move our bodies. One fun way to do this is to play pickleball. If you used to play tennis or racquetball you will find this game is made for your skills and talent. We are very excited that our leader Nancy Barnaby just met with the Facilities Committee regarding our new courts. As the new tennis complex is built on rec site #3, it will leave the old tennis courts open to convert to pickleball courts. How wonderful to have a place to finally accommodate our growing number of over 60 players!

We are still offering clinics on Tuesdays at 1 pm for those of you that want to come out and see what this sport is all about. Please remember to wear proper tennis shoes that lace up and are flat on the bottom. Thick soled running shoes can be dangerous when moving side to side and running back. We play Mondays, Tuesdays, Thursdays and Saturdays at 8 am.

Keep pickling! For further information contact Nancy Barnaby rbarnaby38@verizon.net or (951) 845-0842. ~ *Marty Key*

"BELIEVE..." WOMEN'S BIBLE STUDY

We are all really enjoying learning and studying the last book of the Bible: Revelation. Although this book can be complex, symbolic and sometimes confusing, through discussion and patient contributions from all of the members of this amazing group of women, most of our questions have been answered, and we are all learning. For instance, we learned that the purpose of the book of Revelation is three-fold: to correct us, to prepare us and to encourage us concerning end times. We are also claiming the blessings promised in Revelation 1:3. It is the only book in the 66 books of the Bible that promises blessings for reading and studying it.

We are looking forward to our bi-yearly potluck luncheon on June 2, the edible contributions to which are always exquisite. We have a

nice time getting to know one another better in a more relaxed and festive atmosphere, and sharing the amazing fare together. The theme of this year's luncheon is flowers, and yep, we'll have a lot of them!

After we finish studying Revelation, we will begin a fun series on: "Live Like a Superhero!" It will be an exciting, funny, uplifting and memorable series of lessons on women's issues and women's interests.

If you have always wanted to join an amazing group of loving women to study the Bible, please come to the Lodge Card Room any Friday morning at 10:30 am and join in the discussions and fellowship. This is a non-denominational study, any version of the Bible is acceptable, and we have such a great time! Hope to see you soon! ~ *Eileen Gilbert-Antoine*

CHAVURAH JEWISH SOCIAL CLUB

The Jewish Social Club (Chavurah) welcomes all interested Four Seasons residents who want to connect to Judaism, its culture and celebrations. In the next months, we have planned several outstanding events. We were dark in April for Passover. In our area we have three sister congregations, Congregation Emanu El in Redlands, Etz Hazar in Redlands, and Temple Beth Am in San Jacinto.

The next Chavurah event will be in May (check Lodge desk for date) with our fourth Dinner and a Movie Night at the Lodge Theatre, from 6 to 8:30 pm. Sponsored by Nancy Justice, the showing of an award-winning movie will be shown (6:45 pm) after a refreshment Nosh (6 pm) sponsored by members. Look for the flyer with more details, available in the Lodge.

Members of the Chavurah also enjoy social, cultural and religious get-togethers, and connections to other organizations in and around the community. A sister organization is forming a trip to travel to Israel in 2017. This amazing and spiritual 14-day land and air excursion will be a trip of a lifetime, titled, 'Walking in the footsteps of Moses and Jesus.' A presentation will be at a private home in May. Look for the flyer in the Main Lodge for more details, date and time.

For more information about these events, and to be put on our email list, please contact us at chavurah.time@aol.com, or talk to a real social committee person, Nancy Justice (951) 769-5804, or Dr. Zee & Ernie Knapp, (714) 423-4755. ~ *Dr. Zee 'Rachel' & Ernie Knapp, Coordinators.*

INTERCESSORY PRAYER GROUP

Greetings from the intercessory prayer group! We invite you to come and join us in the Lodge Game Room on Monday, May 1, at 9 am.

How many of you remember the song "You'll Never Walk Alone" from the 1945 Rodgers and Hammerstein musical *Carousel*. Nettle Fowler sings this song to comfort and encourage Julie when her husband, Billy Bigelow, the male lead, commits suicide.

When go through a storm it's good to know that people are praying for us, and with us. Come and be a part of our group, men are welcome. You can reach me at eaglewatchwb@aol.com. ~ *Cookie Bonner*

LIFE GUIDE BIBLE STUDY

Doc Sellars will continue facilitating the study series on God's glorious kingdom throughout the month of May. We welcome all residents to join us in sharing and learning from God's Word. We typically meet in the third section of the Lodge Ballroom, unless otherwise scheduled. We will keep participants informed of any changes. RACQUET CLUB

Great weather equaled a great Play Day last month. With some 15 players on the courts, we rotated in after each service game, and there was very little waiting time to get into the action. Among the players were two visitors, Robbie and Treva, a youngish couple from Beverly Hills who were visiting their aunt, a new resident in our community. Treva, particularly, made a great impression on me. Actually, it was more of an indentation on my sternum made with a powerful forehand drive that somehow missed my racquet, but not my chest.

Barbara Miller coordinates doubles play on the second and third Thursday of each month. Matches are scheduled for 6 and 7 pm, so contact her to get in some quick games in the evenings.

We have been monitoring the progress of the construction of the new courts at Rec Center 3. It's not just a matter of dumping a bunch of concrete onto the ground.

Concrete tennis courts consist of four inches of concrete over a graded sub-base. Then a vapor barrier, usually a 6 mil plastic liner, is installed over the sub-base and a re-bar grid is constructed before

the concrete is poured. The plastic barrier will prevent moisture from being drawn into the concrete and getting trapped between the concrete and the acrylic coating system.

Next, a concrete primer coat is applied to ensure that the acrylic resurfacing product will adhere to the concrete surface. The court is then flooded to reveal any low areas in the concrete surface. A patch binder mix is then applied to fill in the low areas. Two coats of acrylic resurfacing product are next applied to repair any minor imperfections in the concrete surface. Two coats of acrylic court paint are then applied, followed by the playing lines. The pace of ball bounce can be somewhat controlled by adding more or less sand to the acrylic resurfacing product and acrylic court paint. Most new courts will

require a four coat color system (two coats of resurfacing product, two coats of color product). (Source: FDC Fast Dry Courts website.)

The monthly Play Days are scheduled for the last Saturday of each month, beginning at 8:30 am. If everything continues to develop according to plans, we may actually have the May Play Day on the new courts. Check out www.fsbrc.org. ~ Steve Hovey

PADDLE TENNIS

I started playing paddle tennis about five years ago after I officially retired. I had been playing recreational tennis most of my life, so it was not hard to jump in. The scoring is identical and the only difference, besides the smaller court, is you only get one serve and it must be underhanded. The balls look just like tennis balls, but are under-inflated so they are softer and don't go as fast as traditional tennis balls. The paddles are not stringed racquets, but composite material, hard surfaced with holes in them and smaller than tennis racquets. Play times are twice on Fridays, Wednesdays, and Sundays, once on Saturday and Monday (see activities calendar). This has turned out to be a real enjoyable sport. We have all levels of players and we always welcome new players and sort of take it easy on them to help them learn the game.

One of the things I've noticed through the years of playing all kinds of sports, is you can see the different personalities of people by their different styles of playing. Some people are quiet and timid, some are aggressive and loud. Some ridicule themselves for faulty play. Others tease their opponents with good natured ribbing. As far as paddle tennis goes, all are friendly and sociable. No one takes the game too seriously. I really look forward to the days when we can play. Everyone likes to win, but winning is secondary to just having fun and socializing. Laughter is abundantly present during our play.

We have tournaments throughout the year; both singles and doubles. Sometimes we choose a partner to play with, other times we do a random draw. Even though there is no money involved with these tournaments, they do have a nervous energy about them because you are under the scrutiny of your fellow players on the sideline when it is your turn to compete. Most of the time we have open play. Depending on how many are present, we sometimes let the winning team stay in while two more opponents challenge. We have a standing rule that after three wins the team should split. This

keeps dominant players from hogging the court. When we don't have enough for two in, two out, we rotate waiting players into the game. Beginning players are treated the same as seasoned players. We are all out there to have fun and everybody is welcome.

We have a mix of male and female players and I must say, the females are not the weaker sex in this sport. It is more a sport of dexterity and finesse, than power.

So if you want to have some fun, get exercise, and socialize with your fellow Four Seasons residents, come out and join us. Show us your sports personality. We usually have extra paddles for those who would like to try it, or you can borrow one from one of the waiting participants. ~ **Terry Miller**

ROADRUNNER RVERS

Borrego Springs was beautiful with some wildflowers still blooming for us to enjoy! We had a couple of days of high winds which were pretty amazing. We have some great trips coming up including Hemet for the Vintage Trailer Show festivities, and onto Pismo Beach for a week, followed by the Santa Margarita KOA to see the sights of San Simeon. The High Sierras are in September. Please come and join us for our monthly meeting the second Thursday at 6 pm preceded by dinner at Smitty's at 5 pm at the Lodge. Any questions call Jane Jacobson at (951) 797-3563, or Gordon Shepard at (951) 849-9583. Happy travels. ~ **Jane Jacobson**

4X4 SEASONS

There were no runs in February, as a lot of our jeepers were enjoying other places for vacations! On each of our runs we have great leaders who are experienced with trails, going over those rocks, and up and down the hills, challenging us to use our 4-wheel drive. We had a co-trip with All Seasons RV with a jeep run in April to Calico. There was lot to go and see and a great jeep run too!

If you are interested in learning more about our group, please join

us for our meeting which is held the second Tuesday of the month at 7 pm at the Lodge. Our monthly trip is usually the third Thursday of every month. We meet in the north parking lot of the Lodge at 8 am. Anyone with a four-wheel-drive vehicle is welcome. If you have any questions call Rick Brower at (951) 312-3012 or Don Fant (951) 572-5356. ~ *Sharon Haig*

DOMINOES

In March, a vicious battle developed between Jesse Dimmer and Vernon Bell for the domino championship. They were competing hard to be the top dog. The lead went back and forth between them. One would win a game and then the other would win a game. Sometimes they tied in wins. But in the end, Jesse won the domino championship for the month of March with 25 wins. Vernon finished with 24 wins. John Bragg, missed playing dominoes one night during the month of March. He finished with 20 wins. Luck or fate was on Jesse and Vernon's side otherwise John might have won again. Congratulations to all the players and to

Jesse the domino champion for March.

Jesse has not been the domino champion for a while. He has been dormant and quiet like an old volcano on a remote island. Now he is loud, proud and erupting everywhere and letting everyone know that he is a force to be reckoned with.

Dominoes are played every Wednesday and Friday from 5 to 9 pm in the Lodge Game Room. Come on out and join us and have some fun and meet some new folks. For more information call Jesse at (951) 769-2035 or Reggie at (951) 769-6483. ~ *Marvin A. Gaines*

BILLIARDS FOR FUN

Through this article we send kudos to the amazing people in the Billiards for Fun Group — you know who you are. You are all fun, kind, and consistently attend. Thank you!

In April we had our bi-monthly potluck, hosted by Carlos and Cathy Rivera, which, as usual, was well-attended with lots of good eats. It's always delightful to get together as a group outside the Billiards Room, and since wives/guests are invited, it's always fun to just visit in a relaxed atmosphere. Carlos and Cathy did an amazing job decorating, which made the event even more enjoyable.

We have several new members: Bob and Pat Semler and Barbara and Richard Dipoma. We're so happy to have these two couples join our group, and they are sure welcome additions. Our long-time friend, Gene Dwyer, is an amazing shooter! (See adjacent photos.)

Our next in-house tournament is May 16, and many of the players are getting so proficient at this quite difficult game, it will be a test of skill, fortitude and genuine competitiveness to determine our winners. It's always so much fun to watch the tournaments, the skill exhibition, and the good-natured fun involved. (Okay, so there's a little bit of tension too, but it's to be expected in a tournament, right?)

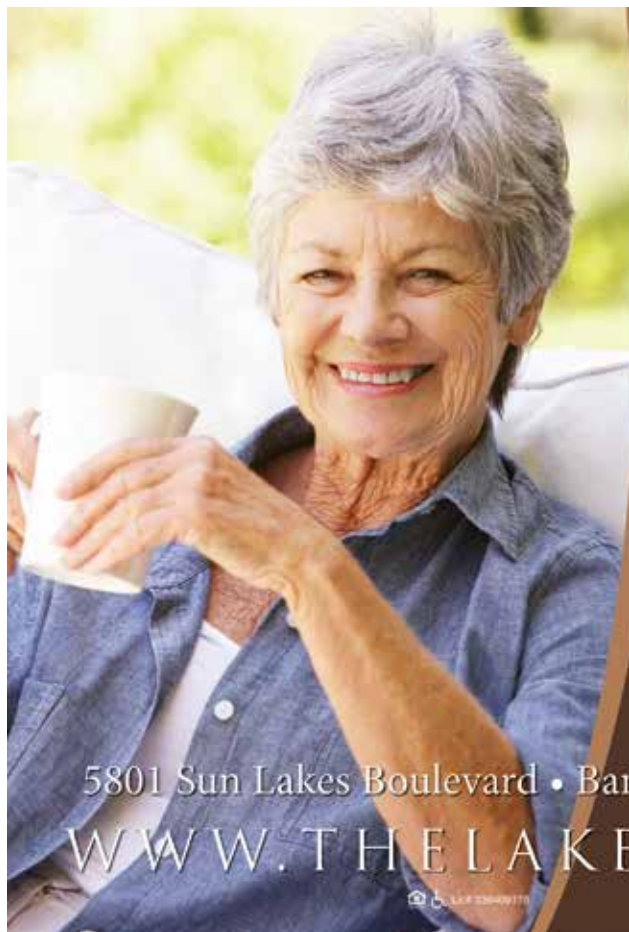

If you are interested in joining a really fun group of Four Seasons residents who have become (and are becoming) quite proficient at the game of billiards, please come by the Billiards Room any Tuesday between 10:30 am and 3 pm to check out the amazing people in the group. We have two sessions of play: 11 am to 1 pm or 1 to 3 pm. Choose one, and c'mon over! We'd love to have you join our fun group. ~ **Eileen Gilbert-Antoine**

CURLY CUES

The Curly Cues are growing — in number that is! As of the first week in April, we now have 28 members... Yay! In order to accommodate all the play and reduce waiting, we have implemented two sessions: 11 am to 1 pm or 1 to 3 pm. So far, it's worked really well. For instance, when we only have eight ladies attend at either of the sessions, then it becomes singles play instead of partnership play, so each person has more shots (and thus more practice!). It's so much fun to see how each of the members of Curly Cues is improving their individual games, and having fun doing it!

Several new members have joined in the last month: Dianne Rothberg, Rachel Voss, Jodi Wilson, Janet McAdamis, Suzanne Roldan, Judy Cline and Lynn Brendel. (See above photos of three of our new members - more later.) Even though they just joined, they are all becoming just as proficient as the other members of this great group!

In April we held our bi-monthly luncheon at Guy's Italian Restaurant, which was so much fun. There were about 18 women in attendance, amidst laughter, fun and lots of amazing food! Then we returned to the Lodge so the 1 pm session could begin. It all seems to work out so nicely because the ladies are so accommodating and genuine.

On April 24, we held our quarterly tournament, and the winners will be announced and pictured in the June issue of the *Breeze*.

If any of you lovely Four Seasons ladies are interested in joining a delightful group of really kind, fun, and lovely women, please consider joining the Curly Cues. It's okay if you've never played before — we'll be happy to help. Please drop by the Billiards Room (across from the theater) any Monday between 11 am and 3 pm and we can arrange a time to bring you up to speed on the APA rules, or help you brush up on those rusty billiards skills. Hope to see you soon! ~ *Eileen Gilbert-Antoine*

WILD BUNCH BILLIARDS

The "Wild Bunch" 8-Ball Billiards Group is starting the spring season of competition, and we are definitely on the road to another winning season. The "Wild Bunch" consists of some of the best players in the league: Larry Chase, Pete Antoine, Mike Corbett, Carlos Rivera, LeRoy Wright, and Gracy Luna. There are eight teams in the league, with 57 serious players, all vying for the coveted Championship Trophy, and Four Seasons "Wild Bunch" is showing the competition

that they are the team to beat!

If you want to play serious, competitive pool, we invite you to come by the Billiards Room when we practice on Wednesdays from 1 to 3 pm and join in the stimulation of competitive play. We are always looking for those who want to play competitively and, who knows? You just may want to change up your game and play on the team! ~ **Gracy Luna**

THE 8-BALL CLUB

This article is a two month combined message encompassing March and April Club news.

The 8 Ball Club wishes to acknowledge and congratulate two of our key players and our secret weapon against one of our traveling tournament opponents, Solera Hemet. Thanh Harrah and Jone Babin have become a formidable team and a key force helping us win our tournaments. In a recent round robin five team 8-Ball tournament this team of Thanh and Jone won five out of five games and helped our club secure the win; 13 games to 12 games. Congratulations to Thanh and Jone!

The pride in our female players doesn't stop there. Mary Ann Diehl made a good account of herself during our 9 Ball in house tournament, too. Mary Ann dropped into the loser's bracket early but returned to the final of the match by winning six games in a row. Mary Ann had to face Larry Rice who was undefeated in regular play. She won the first game against Larry, tying up the match at one loss each. Larry went on to win but Mary Ann can be proud of her effort as we are proud of her.

Speaking of Larry Rice, he took the 8 Ball championship in March as well as the 9 Ball. I was lucky enough to play in the final by emerging undefeated in a field of 13 players. Thanks to the "Luck of the Irish," I think, I sent Larry into the Loser's Bracket in the fourth round. Larry came into the final and defeated me twice to take the honors.

For April 8-ball, congratulations go out to Brian Anderson who was undefeated in a field of 13 players to face (guess who?) Larry Rice in the final. Larry won the first game but Brian jumped up and slammed that 8-ball home in the last game to take the tournament. Great job Brian!

Then there's Dewey Allen who has been a dominant force in our club for a long time. During our April 9 Ball Tournament preliminary games I had to win games against both Larry and Dewey to emerge undefeated going into the finals. Dewey came up from the loser's bracket and beat me twice to take the championship for the month. I enjoyed the games but not necessarily the losses. I bow to Dewey's skill and expertise. He's a good player and I am honored to play in these tournaments.

We all have a good time playing our favorite game with a great group of friends who all contribute to our very successful club.

PING PONG

Ping pong balls and golf balls look a lot alike but you can't play golf with a ping pong ball or ping pong with a golf ball. Take this fill-in the blank quiz to find out how these two balls differ.

1. A ping pong weighs _____ and a golf ball weighs _____. 1.62 oz - 2.70 grams
2. A ping pong ball can travel at _____ mph and a golf ball can travel _____ mph. 70 - 165
3. The diameter of a ping pong ball is _____ mm and the diameter of a golf ball is _____ mm. 42.7 - 40.0
4. If you drop a ping pong ball and a golf ball from a 10 story building, which ball will land first? _____.

Answers are at the end of the article.

Even if you scored a 100 percent on this quiz, there is still a lot

to learn about how to hit a ping pong ball. The star players in this picture can teach you a lot about ping pong balls and how to hit them. Just join us in the Lodge Aerobics Room Monday through Friday at 10:30 am and Saturday at 11 am. We would love to have you. Please contact Niles Sundstrom at (951) 572-5119 or Alan Chan at (310) 251-9269 if you have any questions or need more information about your Four Seasons Ping Pong Group.

Answers:

1. 2.70 and 1.62;
2. 70 - 165;
3. 40.0 - 42.7;
4. They both land at the same time

HORSESHOE CLUB

Somebody told me it's May. I said "get outta here!" Even with my amazement and surprise, I still remembered that I promised you the results of our first quarter tournaments. Our Doubles Tournament was won by the team of Bob Cooper and Ron Erickson with Dave Thomason and Rich Yanes coming in second. Our Singles Tournament with 10 participants was won by Rich Yanes followed in second place by Victor Mayoral. Wow, we have way too much fun. See above pictures.

Due to the reconstruction of the Bocce Ball Courts and improvements being made to the Horseshoe Courts at The Summit, we have moved our weekly play back down to the Lodge. The change brought back many memories and readjustments to throwing at the old venue, but it is nice to still have this option. Our April social with dinner at the Bistro followed by dessert at a member's home was

hosted by Jeanne and Emile Pelletier. Who is on a dessert diet? Not me and even if I was, their desserts would make you think differently about that whole diet idea. As a side activity, a golf putting contest was held on their 3-hole putting green in the backyard. Ron Erickson was the defending champion, but was defeated by Jim Samples. Very nice job Jeanne and Emile! Even though we're in the process of improving our courts at The Summit to a top of the line, safe-and-playable venue, this is a good time to come out and join us and be part of the process. You will just love it, I promise. We meet every Wednesday at 9 am normally at The Summit, but currently at The Lodge. If interested please contact Ron Erickson at (951) 846-3288, rejlerickson@sbcglobal.net or Gary Christie at (951) 845-0520, goldtoy@earthlink.net. ~ **Ron Erickson**

D.O.G.

What defines a well-behaved dog? The American Kennel Club (AKC) provides guidance. In the coming months, we'll explore the AKC's Canine Good Citizen® (CGC) Certification. Some dog parents may wish to pursue certification but all doggie households benefit from reinforcing the behaviors addressed by the test. In D.O.G., we strive to live out the AKC's "Responsible Dog Owner's Pledge®" to the right. More on the CGC criteria will be shared in the coming months.

The next D.O.G. meeting will be July 19 at 7 pm in RCN 3. If you are interested in learning more about CGC or our D.O.G. standards, please contact Patrick Gerety at (951) 769-7626. ~ **Martha Baumgarten**

AKC RESPONSIBLE DOG OWNER'S PLEDGE®

I understand that to truly be a Canine Good Citizen, my dog needs a responsible owner. I agree to maintain my dog's health, safety, and quality of life.

I will be responsible for my dog's health needs. These include:

- Routine veterinary care including check-ups and vaccines
- Adequate nutrition through proper diet; clean water at all times
- Daily exercise and regular bathing and grooming

I will be responsible for my dog's safety:

- I will properly control my dog by providing fencing where appropriate, not letting my dog run loose, and using a leash in public
- I will ensure that my dog has some form of identification

I will not allow my dog to infringe on the rights of others:

- I will not allow my dog to run loose in the neighborhood
- I will not allow my dog to be a nuisance to others by barking while in the yard, in a hotel room, etc.
- I will pick up and properly dispose of my dog's waste in all public areas such as hotels, on sidewalks, parks, etc.
- I will pick up and properly dispose of my dog's waste in wilderness areas, on hiking trails, campgrounds and in off-leash parks

I will be responsible for my dog's quality of life.

- I understand that basic training is beneficial to all dogs
- I will give my dog attention and play time
- I understand that owning a dog is a commitment in time and caring

D.O.G. OF THE MONTH

Lily ran loose in the high desert when she was found by a kind gentleman who took her to "Save a Small Dog Rescue." They brought Lily to the Beaumont Petco the week before Christmas.

Ken and JoAnn Lutkus could not resist Lily's sweet little face. They immediately fell in love with her and gave her a forever family for Christmas. Lily is around 10 months old and is a bundle of energy and joy. She loves traveling in her "mom and dad's" RV with her companion cat, Sarah. ~ **Alex Woodcock**

MOTORCYCLE CLUB

Ride on March 1: Temecula via Palomar Observatory had lunch at Rainbow Oaks Restaurant. Rather windy but great day.

Ride on March 9: Seven rode to San Clemente via Ortega Hwy., the weather was excellent and so was lunch at the Fisherman's Restaurant and Bar in San Clemente.

Ride on March 16: Eleven riders went on a ride to Temecula via Sage, Benton, and De Portola then had lunch at Texas Lil's.

Ride on March 23: We cancelled the ride due to rain.

Ride on March 30: One of the best we've had in months, the desert made its contribution in the form of the best super bloom we've ever seen. The passion for riding was evidence to the fact that three of the

riders had just been to Borrego last weekend and three more of the riders had been to Borrego in the last month. After an outstanding lunch at Carmelita's, we started back home and the wind decided to join our ride, did I mention the WIND, 60 plus mile per hour gusts over the Pass provided lots of exciting fun and entertainment for all. We concluded the trip with a by-pass to Idyllwild where we shared a bitter sweet good bye with our friends Ted and Debbie. They head back to Chama, NM Sunday and hopefully they will return next fall for rides with the group. Special thanks to Ron Morgan for pointing out that Jim had to make a stop to get something out of his eye, I think it was tears of joy. Info., Steve, (951) 769-8004. ~ **Steve Sarchett**

Birding Club members in search of the elusive Lawrence's Goldfinch

BIRDING CLUB

The Four Seasons Birding Club welcomes beginning and experienced birders to start or hone bird identification skills. Our main activity is monthly bird walks along Four Seasons' beautiful nature trails, which follow native riparian woodlands and preserve endangered habitat. We had several highlights on our bird walk on April 1, topped by a calling Least Bell's Vireo (endangered sub-species) and a spectacular look at a hard-to-find Lawrence's Goldfinch (our May Bird of the Month, below). The latter, together with the ubiquitous Lesser Goldfinches and looks at American Goldfinches at a member's thistle feeder, gave us the Goldfinch Trifecta – we saw all three North American goldfinches at Four Seasons in one morning! We meet on the first Saturday of each month at 10 am in the RCN Lobby, talk about birding, then we go on our bird walk. Bring your binoculars and bird identification guide, or just come and ask about tips for beginners' birding gear. For more information or to receive our club emails, contact Steve Edelman at steve.h.edelman@gmail.com. ~ **Steve Edelman**

Bird of the Month

The Bird of the Month is Lawrence's Goldfinch, a handsome and uncommon small finch. Lawrence's Goldfinch was named by John Cassin in 1850 for his colleague George Lawrence, a New York businessman and ornithologist. The male (pictured right) has a black face with gray and yellow. Like many bird species, the female and immatures are duller, with gray overall and yellow wing bars and breast patch. Lawrence's Goldfinch is resident in brushy and woody areas of coastal southern California and northern Baja California; in summer, part of the population migrates to coastal northern California and in winter part of the population migrates to southern Arizona and northern Sonora. It's highly nomadic from year to year, probably related to availability of water and seeds, which makes assessment of its population trends very difficult. The song of the male Lawrence's Goldfinch, heard by everyone on the FSBC's April bird walk, is a long, complex series of trills, burry notes, and chatter. ~ **Steve Edelman**

BOCCE BALL

Play during April and possibly into May is on old courts outside the RCN building. This is because courts at the Summit have had the improvements delayed until further notice. Keep watching at the Summit.

Days are warm, trees and flowers are in bloom. These older courts are fun, but not regulation. The surface is dirt, so play has some variations.

The word "bocce" comes from an Italian word and means "to bowl." The small white ball, called a pallino, is thrown first to start game. Rules are very simple: get your ball as close to the pallino as possible in order to score a point. If more balls of same color as closest also get close, these score points as well.

Much like pool, bocce requires players to take turns.

This makes it an ideal game for socializing in between turns. Often, cheers or laughter can be heard. No one has an edge in Bocce Ball unless, of course, they have played for years.

We generally play a game to 12 points. Generally, two games are played and take approximately one and a half hours. We mix and match, so no team is expert and we change numbers on a team so no one is left out.

Bocce Ball is played several times a week at the Summit. Current schedule is 9 am Tuesdays and 3 pm Wednesdays. Times change based on weather. Many groups play at different times. Call the Summit desk at (951) 769-6444 and ask the attendant for current times of play. Balls are always available for play anytime.

There is a third set of balls now available, slightly smaller and four colors of two each. Great for kids and families. Adaptive to three or four teams of two balls each.

If you would like to come early, meet others and learn game, or practice before scheduled times, or a different day or time call Mike Saperstein (951) 769-7909, Larry Anderson (951) 846-3123, Jeanine Baker (951) 797-0833. ~ **Mike Saperstein**

SHUFFLEBOARD

The first play day was March 5. Now it is spring. Beautiful flowers, trees and shrubs are the setting for shuffleboard play. All a few steps south of RCN Building at the Lodge. Everyone is welcome. Players use a cue (cue-stick), to push their colored disks, down the court. The scoring diagram is divided by lines, into six scoring zones, with the following values: 10, 8, 8, 7, 7, 10-off. You hope not to land on 10-off.

Play times are 2 pm Fridays, 11 am Saturdays, 12 noon Sundays, 10 am Mondays. All are welcome. Come join in the fun and learn. Recently a 100-point game took just nine minutes. We needed to change partners on that court for a more "random mix." For more information call Mike Saperstein at (951) 769-7909 or Larry Anderson at (951) 846-3123. ~ **Mike Saperstein**

TAKE A HIKE CLUB

SPRINGTIME IN THE HILLS

The day was perfect, sunny and cool. The scenery was magnificent—a panoramic view of the Yucaipa Valley. The hike was a challenging four-mile uphill and downhill, testing of aging legs for the Take-a-Hikers. Green grass, racing the end of winter rains, shouldered the well-defined dirt path from the Crafton Hills Reservoir to the crest of the cradling hills. Grasshoppers and lizards scattered in front as we wound our way back and forth through the switchbacks ascending

and descending above the valley floor. The nine hikers huffed and puffed near the top but after a snack break of goodies and water were raring to head down the backside while viewing the headwaters of the Santa Ana River as it trickled into San Bernardino. And then it was on to lunch at Jose's in Yucaipa for Mexican cuisine.

FISHING CLUB

Looks like the weather is finally going to change and get warmer. The lakes will stop stocking trout and start stocking catfish. The Salton Sea is ready to bust wide open and fishing should be great there this summer. Ocean fishing is already producing good numbers of fish for the fleets that are going out. Personal health issues limit the amount of fishing I will be able to do. I will let all my fishing buddies know when I am up and ready to catch some really nice fish.

I want to plan a deep-sea fishing trip to Mexico. Hopefully we can get enough people involved that we can get a really good deal on the trip. I will send out put an interest letter at the Lodge and also email it as soon as I get the best deal possible on the trip. We might also get a party boat out of San Diego when the fishing gets really good.

For those who want to fish at our local lakes I will be going on guided trips as well as renting boats to get out on the water. I will also be shore fishing for big catfish. I will have an interest letter at the Lodge to see who would like to go on a guided fishing trip or renting a boat for the day.

Don't ever take your good health for granted. Get out and fish while you are still well enough to catch the big ones. Tight lines to all my fishing buddies and remember you are only a call away from going on a fishing trip of a lifetime. ~ *Richard Carrasco*
