# MANAGER'S REPORT

By Jeri Mupo, General Manager

**LODGE ENTRY:** If you have not had a moment to visit the Lodge recently, we would like to encourage you to take a moment and notice the beautiful arrangement located in the front Lobby in addition to the fireplace mantel decorations. These decorations are coordinated by Four Seasons resident, Terry Fears.

Thank you, Terry for making our facility a beautiful place to enjoy!

**DRAIN MAINTENANCE:** As we move into the Spring/Summer season, please remember that the drains in your yard may need to be cleaned out. They can fill up with dirt and landscape debris and cause potential flooding.

**OPEN HOUSES:** Unfortunately, there may be a time that you will need to move from our beautiful community. Please remember that the association has rules for the size and placement of "For Sale" and "Open House" signs. It is your responsibility to advise the selling agent of the community rules. The rules are below:

1. No sign, billboard, or advertising device, or other display of any kind shall be displayed by a resident to the public view on a Residential Lot; other than:

a. One For Sale Sign (18" x 24" or smaller) displayed on the inside of the front window or in the front planter bed, and on open house days, one Open House Sign of the same dimensions, and one directional sign (18" x 24" or smaller) may be displayed in the common area. Please notify the management office with the directional sign location.

b. One For Rent Sign (18" x 24" or smaller) displayed on the inside of the front window or in the front planter bed.

c. Refer to Community Garage Sales rules for signage information.

d. Only one political sign per candidate (18" x 24" or smaller) may be displayed on the inside of the front window or in the front planter bed. Political signs may not be displayed earlier than 30 days prior to the election and must be removed within five days after the election.

2. No sign, billboard, or advertising device, or other display of any kind shall be displayed on Association Property without Association approval.

**RE-LAMPING PROJECT:** At the April Open Session meeting the Board approved changing the lighting in the Lodge, Spa Building, and RCN Building to LED lighting. The cost of the project is \$78,281.53. It was determined that the change will save the association approximately \$30,000 plus in utility expenses each year.

**NAME CHANGES:** We have received a number of requests to make changes to the membership listing due to marriage, death, or other ownership changes. Please note that for your protection we require a legal document such as a Grant Deed or Death Certificate in order to make these changes. We apologize for any inconvenience.

**DOLLARS & CENTS:** At the April 13 Board of Directors meeting, the Board approved the following expenses:

- Painting the Lodge, Spa Building, RCN: \$62,400 (reserve expense)
- Phase A, B, & C wrought iron fence painting: \$31,005 (reserve expense)
- O'Connell Landscape annual tree trimming: \$8,085
- Brad Alms Landscape annual color: \$2,940
- Modifying the plantings along Big Horn: \$12,750

At the May 11 Board of Directors meeting, the Board approved the following expenses:

- Gate system upgrade: \$3,993
- Phase B & C street repair and sealing: \$145,936 (reserve expense)
- Vinson Crest/Lindsey Peak additional plants: \$2,500
- Edison Easement plant removal/irrigation repair: \$1,646
- Lodge Ballroom and restroom automatic door openers: \$9,640

# Final Results of the HOA Election

**By Leighton McLaughlin**

Jerry Monahan was easily elected to an HOA Board seat in the annual election held in April.

He was alone on the ballot, but opposed by a write-in campaign by Lynette Simonson. Not being on the ballot proved a heavy handicap and Monahan won 1,359 to 60.

Four other write-in votes were cast for Wayne Staples, two each for Tom Halley and Valerie Soristo, and one each for Randy Balt, John Kerry and Doug Smith.

The three measures on the ballot, approval of the 2016 annual meeting minutes, approval of the 2016 annual election minutes, and the IRS ruling, were all heavily approved with over 700 votes for and less than 60 opposed.

All but one of the 15 districts in Four Seasons achieved voters' quorum of 50 percent. District 1 had only 32 of its 70 households cast votes, for 45.7 percent participation.

Monahan was already on the seven-member Board. He was appointed last year to fill the seat vacated by the death of Board Secretary Jean Sandoval. He will rejoin Board President Len Tavernetti, Vice President Jeanne Zarr, Secretary Fred Weck and Chief Financial Officer Claudeen Diaz. All are homeowner members and have a year left in their two-year terms. Builder K. Hovnanian Homes appoints two other members, presently Kevin Metcalfe and R.J. Hernandez. Their seats will be filled by elected homeowners at build-out.

Originally it was planned to have two measures on the ballot to amend the CC&Rs to eliminate both cumulative voting on community-wide ballots and the district delegate system in Board elections. However, on advice of legal counsel, the Board decided to present the amendments in a separate election to be held in the next few months.

## From the CFO

**By Claudeen Diaz, Board Chief Financial Officer**

Life is good and Four Seasons Beaumont is getting back to normal. The election is over and Board member Jerry Monahan was re-elected. Repair of the trusses in the Ballroom are underway and dancing in the Ballroom will resume once the repairs are completed. The Rec Center 3 is almost complete, and we all will begin to enjoy the swimming pool, the putting green, the outdoor fire place, the outdoor courts, the gym and all the other amenities. We are looking good.

# SHARING FACILITIES & DETERMINING RECREATION EXPECTATIONS OF ALL HOMEOWNERS

*By Len Tavernetti, Board President*

Four Seasons at Beaumont is a shared community. We share the costs and the benefits of this great community. Our basic dues are the same for all homeowners and will remain stable if we continue our prudent management of our resources. Our costs for operations will increase commensurate with the increase in house sales of our last phase. We have the proper reserve accounts for our facilities to repair and replace as their service life warrants. Our builder intended our Association to be the flagship of their communities and we are meeting their expectations.

As an “active” retirement community we are far exceeding expectations. Whether it is seated, standing, swimming or running, we are very active. In fact, we are so active that our recreational facilities are overwhelmed. And, even with the new recreation center, demand for courts, tables and pools presents a challenge for our playtime schedules. Plus, we will be adding over 350 new homes to

our association over the next three years.

Before we redesign our playgrounds, we need to make a detailed assessment of our present and future needs. Ten years ago many activities like Bocce, shuffleboard and even horseshoes went unused. Youngsters, that some of us were, had never heard of pickleball or paddle tennis. Now, 10 years and many aching bones later many chose these less strenuous activities. Yet the latest arrivals and those future homeowners may want strenuous activities unknown to current residents.

The Board is establishing an ad hoc committee within the Facilities Committee to assess all our competing demands for activity facilities. Randy Balt will head this ad hoc committee to define all our requirements and make recommendations before we decide on modifications to existing facilities and locations within our three recreation areas. He will need a team that is focused on anticipating our future requirements and sharing our limited facilities.

*Randy Balt, who heads up the ad hoc committee that will assess activity facilities, checks out the Lodge Pool. His swimming companions were not identified.*

# My Favorites In A World Of Apps

*By Steve Benoff*

There are apps on my phone that fit perfectly into a category I'll call "Especially Useful To Me". Some I've had on my phone for years, but some I've discovered recently. One of my latest discoveries I found because I searched for something I thought should exist and in fact it did. To conserve battery life I have my screen brightness set to about 30 percent. I don't have Auto-Brightness selected because I don't like the way it adjusts the screen. Most of the time a 30 percent screen works fine for me, but when I get out in the sun I can hardly see what's on the screen.

So I have to brighten it. But to do that

I have to select Settings, Display &

Brightness, and move the tiny brightness bar to full. I figured

there must be an app to make that easier. So I

entered “brightness” into the app search bar, and.

sure enough, I found  
Screen Brightness

Free. Now I have a simple way to control

brightness. I press the icon, and I get a

big dimmer control. It works great. The lesson

to take from this is if you think there should be an

app for something, enter a keyword in the search bar and

see what comes up.

I find the clock app that comes on the iPhone very useful. Of course it gives me the local time. But I can also add locations around the world to see their current time.

I can use it as an alarm clock and stopwatch too. But what I use it for most is as a timer. When I'm cooking, I often use this timer function. I could use the timer on my microwave oven, but my phone timer works when I'm in or out of the kitchen.

In writing this article I realized that sometimes I need to set more than one timer and my clock app won't do that. So I entered "timer" in the app search bar and I tried a few before deciding on MultiTimer: Visual Timer. It allows for up to six timers. Each comes preset to a specific time, but if you press any one of them, you can change the time setting. It's very handy and easy to use.

There's another clock app I use twice a year. When I change my clocks for daylight saving time, I like to use a reference that's accurate up to the second. I found an app that does that perfectly. It's called

The Clocks. It gives me a big clock display in various changeable formats, both analog and digital.

I think we all have an interest in the weather. For me, I like to know the weather forecast for Beaumont and for New York where my daughter lives as well as nearby locations I might be travelling to. The weather app that comes with the iPhone is great for that. It gives 10-day weather for my current location and allows me to add locations I'm interest in. But it only gives the chance of rain for the

current date. For more detailed rain predictions I use the

CBS LA weather app. It gives me more detailed

information and also allows me to add

other locations to follow. So why don't

I just use the CBS app for weather, I ask rhetorically? Because it takes

time to load weather information  
each time I open it. I prefer the

instant response of the app that came with my phone. Of

course, there are countless weather apps available. I

tried many before I settled on these two. You may have a different preference.

I've always been

fascinated with sunsets. If you pay attention you can

sense sunsets getting later and earlier by the day. Much of

the year the change is a minute a day. Since I've moved to Beaumont

and began riding my bike at 8 am, I've also come to appreciate the change in

sunrise. There are lots of sources for sunrise/sunset times including most weather apps. But for

me nothing beats the app *Sunset & Sunrise*. It also shows

first and last light. But the feature I like the most is Future. On that screen I can see the daily changes in sunset/sunrise by pushing a button to change to the previous or next day as far back or forward as I want. It's a great app.

There's one other app I just discovered. It hasn't proven itself yet, but it does answer a question I've had in mind for years. Have you noticed those square barcode symbols on magazines, newspapers, and products? They are QR codes (Quick Response), and if you have a scanner, you will be taken directly to a website that may, or may not, prove helpful. Well there's an app for that. You can download QR Scanner and see where these codes take you.

Do you use an app you'd like to share with others, let me know at [steve.benoff@verizon.net](mailto:steve.benoff@verizon.net).

# DID YOU KNOW?

By Micki Rosen

**DID YOU KNOW THAT JUNE 2 IS DONUT DAY?** The history of the donut isn't clearly known, but what is known is that their iconic look started making an appearance in the United States in the mid-1800s. Rumor has it a gentleman by the name of Hanson Gregory invented them, out of a distaste for the undercooked centers and greasiness of the existing shapes and options. The shape was said to be obtained by punching a hole in the center with a tin pepper box. Donut Day came to pass in part due to the efforts of a doctor in the military in World War I who sought to brighten the day of the wounded soldiers he worked on. On his first day at the military base, he purchased eight dozen donuts and gave one to each wounded soldier. A lieutenant general heard about it and decided to start a fundraiser to help provide the donuts. The Salvation Army got involved and next thing you know, female Salvation Army workers were called "Doughnut Dollies" and served donuts and coffee to soldiers around the world.

## DID YOU KNOW THAT JUNE 6 IS YO-YO DAY?

Yo-yos have been around for 2,000 years and were known under different names such as quizzes or bandalores. The origin of the yo-yo appears to stem from the Philippines and the earliest entry of the word appears in a Filipino dictionary in the early 1860s. In the 1920s, Pedro Flores (a man with Filipino roots) began constructing yo-yos in America. He was stunned with how American youngsters and adolescents took to the toy and started mass producing the product. Yo-yos are firmly embedded into toy culture across the globe.

## DID YOU KNOW THAT JUNE 17 IS WORLD JUGGLING DAY?

World Juggling Day was established by the International Jugglers Association, and is dedicated to preserving and spreading the history of the art of juggling. Juggling as an art form is far older than most people credit, going back well over 4,000 years. The first evidence of juggling as an art form goes back to the wall of a tomb in Egypt. A group of women are seen dancing and performing with up to three balls. Other forms of juggling can be found in China, where the ancient Chu warrior Xiong Yiliao was reported to practice "nongwan", the art of "throwing multiple objects up and down without dropping." Apparently his skills were so profound that he stepped out between the armies of Chu and Song and promptly juggled nine balls, so astounding the Song troops that they turned and fled in terror. Such is the magic of juggling.

## DID YOU KNOW THAT JUNE 16 IS FLIP-FLOP DAY?

People have been wearing flip-flops for thousands of years, with the earliest wearers being the ancient Egyptians in 4000 BC. Since then, the sandals have been worn throughout the world. They got their name because of the slapping sound they make against the ground when you walk in them. Flip-Flop Day was founded by Tropical Smoothie Café. Customers who visit a participating Café on Flip-Flop Day receive a free smoothie. Put on your flip-flops and enjoy a relaxing day.

## DID YOU KNOW THAT JUNE 20 IS ICE CREAM SODA DAY?

Ice cream sodas were created by the legendary Robert Green in 1874 during Philadelphia's sesquicentennial jamboree. Sources state that the ingenious Mr. Green mixed vanilla ice cream in with the soda he was selling, after unfortunately being devoid of ice. It was a brilliant idea to keep the sodas cold. It was an instantaneous hit and spread like proverbial wildfire. Mr. Green basked in his achievement for the remainder of his existence and had "Originator of the Ice Cream Soda" written on his gravestone.

# Sapphire Rhodes Promoted to Assistant GM

By Leighton McLaughlin

Rhodes wants to work on, “bonding the newbies (new residents) with residents who have been here longest – our veterans. Both the Board and the committees are working on that.”

Sapphire Rhodes has been promoted to assistant general manager of Four Seasons Beaumont.

She replaces Eric Zarr, who was also promoted to general manager of another property managed by FirstService Management in Chino.

For the past 16 months, Rhodes has served as facilities coordinator, receiving queries from residents and passing them on to the Safety, Facilities or Lodge Committees for action. She compared that job to being “a blood vein—the information passes from the resident through me to the committee.”

As assistant general manager her responsibilities will be much broader, encompassing all aspects of the community, and she’s delighted. “We have enough people here – both staff and residents – to drive home what we really want,” she said. “They really work together.”

General Manager Jeri Mupo said, “I am excited to have Sapphire Rhodes join our management staff. She will be an exceptional addition for our community.”

Rhodes began her career at Four Seasons as a Lodge attendant for nine months at both the main Lodge and the Summit. She said that experience gave her a good, ground-level look at how the community works. She enjoyed the daily, direct interaction with residents that job provided. “There are all kinds of different personalities here, both residents and staff,” she said.

Rhodes began her working career early, at 14. She was in an independent study program at Palm Springs High School that allowed her to work at a craft store to help her mother support her brother and sister “I made all the sample products the customers could make from kits – embossing, beading, needlepoint, paint-by-the-numbers – everything.”

After high school she attended Desert Career College and became a medical

assistant – the “one who meets you, takes your vitals, and asks, ‘do you have any pain today? On a scale of one to ten, how severe is it?’”

Her next job was as an assistant manager of the Miracle Hot Springs resort in Desert Hot Springs. The job there gave her experience with resort maintenance, purchasing, landscaping and running group events – all skills of use on her new job.

She and her husband Richard moved from Desert Hot Springs to Beaumont to be near his family. He is an electrician who is often away for work, home only on weekends. During their time off together they “watch movies, collect movies, spend a day at the beach – and I make jewelry.”

She grew up in Desert Hot Springs and graduated from Palm Springs High School, “a millennial graduate,” she said – in the last class from Palm Springs before Desert Hot Springs opened its own school.

She sees upcoming challenges for Four Seasons in the looming build-out of the community when builder, K. Hovnanian Homes turns everything over to the HOA and FirstService Management. Before that happens, Hovnanian will have finished redoing the Ballroom, a project made necessary by a faulty roof truss. The room will have a dance floor across all three sections all new carpeting and improved acoustics.

There is no cost to the HOA; Hovnanian is picking up the bill.

Rhodes also wants to work on, “bonding the newbies (new residents) with residents who have been here longest – our veterans. Both the Board and the committees are working on that.”

She said she prefers the word “veteran” to the word “older” – an attitude that should make points in a 55-and-up community.

She finds working here, “like working in paradise. It’s absolutely beautiful – that doesn’t hurt. I am so blessed to be working with the people I’m working with.”

# Activities Director Corner

By Cindy Graves, Activities Director

It's June and I'm still guessing my way through the activities here at the Lodge. The repairs to the Lodge Ballroom have everyone on "Flex-check" (including me) on what events will be taking place for sure this month, as well as next. It's put a real damper on pouring my heart and soul into the Fourth of July program and event this year. Just be prepared for a modified event this year... be sure to crack open your July Breeze as soon as you receive it next month, to see what we're actually doing... it will be a surprise to all of us, but fun nevertheless!

Let's get back to the June events I'm hoping to pull off...

The Art Fair will be taking place on Friday, June 9 from 4 pm to 8:30 pm. This is always a wonderful and amazing exhibit of the incredible talent in our neighborhood. If you have never been to the Art Fair before, be prepared to be blown away at the beauty, artistic talent and workmanship on display. All of the many pieces have been created by our in-house classes. Come be inspired, listen to some live music, enjoy some delicious appetizers and sip on your favorite BYO beverage. This is a Ballroom event, so unfortunately, it is subject to construction... plan on coming anyway!

This community is full of talent and we have our share of crafters as well as photographers and artists. If you are a crafter or anxiously await participation in our upcoming Oct. 7 Craft Boutique, then you need to mark down the mandatory, 6 pm, Wednesday, June 14

meeting in the Lodge. This is where we pull numbers (like a lottery) to choose selling tables, get an overall orientation of how this event works and pay the \$5 table fee. Each person will only be able to draw for one table and if we're lucky, we'll have one table for everyone who wants to be a vendor this year. Just a note to newbies we are always sold out and have not had enough tables for everyone except for last-minute cancellations. If you really want to be in the Craft Boutique and will be out of town, you are welcome to send another person in your stead to draw your table number for you and pay your entry fee.

As much as all of this hanging by our fingernails with construction challenges has brought uncertainty, I am certain of this... all of this will be well worth it, looking back on it next year! I can't wait to see our brand-new Ballroom with beautiful new carpet and bigger dance floors, including all of the other possible amenities! It will be something to behold! I think we should do a grand opening of this new "Grand Ballroom," what do you think?

In the meantime enjoy the new courts facility at Rec Center 3 (which will most likely be open sometime this month) as well as the gorgeous Summit and the spring floral explosion in the Lodge gardens. I love this place and in spite of its occasional inconveniences (to make things even better) it's still the best community in Southern California! See you around the Lodge!

# LANDSCAPE COMMITTEE

Spring is one of my favorite seasons of the year and especially here at Four Seasons. When entering our community you realize that we live in a very special place. Even more so when you go on the Friday weekly walks, you notice blossoming of the trees, plants, bushes, and species of plants along with various ground coverings and different rock formations. Your landscaping team, which now has nine members, can be seen on any given Friday wearing their green and vests walking through the community. They are inspecting to

see that everything is clean, fit and trim. With their pads and paper, they will be taking notes of changes, repairs and adjustments that are needed. The inspections are shared with O'Connell (Guillermo Martinez) and Brad Alms. Next time you see the Landscape Committee team outside your door, come out and say hello, we like seeing you. Brad Alms walks are the third Monday of each month. Let's continue to do our job in maintaining and keeping Four Seasons the great community that it is. ~ *Richard Hoffman*

## EMERGENCY PREPAREDNESS COMMITTEE

**'ARE YOU READY' PRESENTATION DRAWS CROWD** On April 28, the Emergency Preparedness Committee (EPC) hosted a special presentation entitled, "Are You Ready," in the Lodge Ballroom highlighting the need for earthquake preparedness. Al Blair, chairperson of EPC, brought together several specialists on earthquake preparedness.

Opening remarks were made by Len Tavernetti, President of the Board of Directors, followed by Glenn Pomeroy, CEO of the California Earthquake Authority (CEA), who spoke about earthquake insurance available from his not-for-profit state agency. He emphasized that standard homeowners' insurance policies do not cover damage to homes caused by earthquakes. The CEA currently has over \$14 billion in assets, enough to pay for residential earthquake damage equivalent to two Northridge quakes. The CEA has, in recent years, lowered their rates and encouraged residents to check out their website: [www.EarthquakeAuthority.com](http://www.EarthquakeAuthority.com).

Mario Janesin of the Community Access Center in Riverside spoke on emergency preparedness suggestions for all and special tips for persons with disabilities. He mentioned that if you are in a building, and aware that there is an active shooter, what actions you can take to reduce your risk. He spoke about the many Community

Access Centers in Riverside County and how these centers empower disabled persons to control their own lives by implementing services and information to support them. Janesin encouraged residents to check out his agency's website at [www.ilac.org](http://www.ilac.org).

EPC chair, Al Blair, in his presentation, highlighted what many

residents can do to enhance their protection in their home against earthquakes. He also gave an overview of the many upcoming classes available to residents that are offered by the EPC and outside agencies. These include a First Aid Workshop, CPR and Automatic External Defibrillator (AED) training sessions, Community Emergency Response Training (CERT) and others. Numerous brochures and hand-outs on these and other topics were available to attendees.

After the presentations, the guest speakers entertained numerous questions from the audience related to earthquake preparedness. Dennis Day, Riverside County Emergency Management Department Coordinator, assisted in this portion of the program.

At the conclusion of the program, two first aid kits were given out in a no-fee raffle. Look for other presentations by the EPC presented periodically throughout the year. ~ **Fred Weck**

## SAFETY COMMITTEE

At our monthly meeting on May 5, we had six resident guests in attendance. We continue to focus on safety within our community. Just a few reminders: The speed limit on Four Seasons Circle is 30 mph. Many residents are exceeding the speed limit on a regular basis. For your safety, as well as the safety of others please respect the posted speed limit. We continue to work on pedestrian safety as well. When walking please use the sidewalks. We are working on safe locations for possible crosswalks on Four Seasons Circle.

Security at our gates is important to keep our community a safe place to live. We are working on upgrading the camera systems at our Main Gate as well as Crooked Creek Gate. Breckenridge Gate has not yet had cameras installed and it is important that cameras are installed there as well. When entering our community late at night,

please be observant and do not let in cars who are waiting at the gate. If they belong here they should either have a transponder or a gate code. If they don't have either, they probably don't belong here. Letting in people you don't know puts our community at risk.

Summer is almost here — it will be HOT soon. For your own safety, and safety of your pets and family please take a few extra precautions. Check your yard before letting pets or young children out to play. If you happen to find a critter that is not desirable, please contact Animal Control at (951) 654-8002 for safe removal. Also, when out walking make sure that you have water for yourself and your pet.

If you have any safety questions or concerns please attend one of our Safety Committee meeting or place your concern in the suggestion box. We meet on the first Tuesday of the month at 10 am in the RCN Conference Room. ~ **Donna Lewis**

## LODGE COMMITTEE

The Lodge Committee continues to stay busy with new ideas, more projects and problems to solve. We are proud to announce that Barbara Dipoma is our newest member, but sad to report that Bob Brandon has resigned. We will miss him a lot.

At the last Board of Directors meeting, two proposals were passed. One for new blinds for the old conference room and the other is for automatic door openers for the two restrooms located by the Library and on one of the doors leading into the Ballroom. Look for these new items in the near future.

Our movie theater group is proud to announce that the total number of movie-goers has increased. There was a packed house for the movie *Fences* shown the last week of April. We love receiving requests from the residents for movies and try our best to fill those requests-so keep them coming. The Library has had a few changes including rearranging several sections, bringing the popular titles to lower shelves for easy access, and freeing up space by eliminating certain subjects that are never read. Our committee is so appreciative

to the wonderful residents who help in both the Movie Theater and the Library. We don't know what we would do without them.

The Bistro has two parking places now, located directly outside the kitchen door, making home deliveries and unpacking food purchases much faster. However, it has been brought to our attention that residents and guests have been parking in this new space. Please do not park here as these are only for Bistro staff.

Speaking of the Bistro, the Board of Directors agreed with the Lodge Committee that the Bistro needs to increase the seating capacity. They are allowing the Bistro to use the old conference room, but decided certain hours would need to be upheld. The hours are posted and are as: Tuesday - Friday, 11 am - 2 pm, Tuesday - Friday 4 pm - close, and Saturday and Sunday all day.

We meet on the fourth Wednesday of the month and love to have visitors, so please join us. Our next meeting will be June 28 at 11 am in the RCN Conference Room. ~ *Jill Anderson*

## RULES & REGULATIONS COMMITTEE

The Rules & Regulations Committee was in record-breaking territory at the meeting on April 11. In addition to two committee members, Jeanne Zarr, Board Liaison, and Jeri Mupo, FirstService Residential Manager, 29 guests attended the meeting.

There has been great interest in the community regarding possible changes to the CC&Rs. The main topics of those who spoke centered on several concerns; the main issues were allowing guests to be unaccompanied, extending pool hours for children, allowing guests in additional areas of the Lodge and Summit and providing a distinction between adult and child guests. The decision of the Committee was to provide homeowners with a survey to determine the level of interest in making any changes to the CC&Rs. Jeri Mupo

prepared this survey which was sent via email.

Jeri advised that Recreation Center #3 will be completed in early June. We will make recommendations for the rules governing this facility and a homeowner survey may be conducted.

We also welcomed Barbara Morton as a new member of the Committee. Several other homeowners have expressed an interest in becoming members. Our meetings are held on the second Tuesday of each month at 9 am in the RCN Conference Room. As always, we encourage guests to attend and express their opinions. We are happy to see that our fellow residents take the governing of our community so seriously! ~ *Margie Chadburn*

# COMMUNITY PLANNING & TRANSITION COMMITTEE

There was a time we depended on copper wire telephone lines strung on wood poles and connected to each building. But someone dared to ask: Could we do the same thing, maybe even better, without wires? Well, you know what happened — cell phones and Internet service are now commonplace, and wires are obsolete.

Procedures, policies, governance and facilities serve us very well so long as nothing changes. But our community is constantly changing. The demands and opportunities of today are quite different than a decade ago, and will be quite different throughout the years to come.

Getting from where we are now to where we'll be in the future is

an extremely important transition and requires careful planning. We must consider a big picture that includes not only existing constraints but also the opportunities that lie ahead. And we must try to avoid costly mistakes along the way.

Thus we ask many blue-sky-what-if questions, even if we don't see how they could happen at the moment. But who knows, maybe something we consider improbable today could be very possible and beneficial later — much like the way copper wires were replaced by cell phones and Internet service. ~ **Willis Fagan**

*Everyone had a great time  
at Paint Night*

## SOCIAL COMMITTEE

Greetings! Paint Night was an absolute blast and all who attended had a great time. A big thank you to Patty Spinosa who co-chaired this event with me and to our committee members who worked hard to set up the room for all of our artists. The Committee has completed questions for our survey which will be sent to the Board for final review. In the next two months when you receive this survey, please take a few moments to give us your input to assist us in planning future events. A Fashion Show/Luncheon is in the early planning stages and will take place in October. Also please join us in welcoming Laura Fazio who is the most recent addition to our committee. ~

## ARCHITECTURAL REVIEW COMMITTEE

The Architectural Review Committee (ARC) is a key panel at Four Seasons-Beaumont. ARC makes decisions on every home in the community involving landscaping or changes to homeowners' front and back yards. It is an awesome responsibility placed upon committee homeowners who volunteer their time. ARC currently seeks Four Seasons homeowners who may be interested in serving our community. To give you a better understanding of ARC, each of our members has written what they enjoy most about being an ARC member. Please take a moment to review their responses. If this sounds like something you would enjoy, we ask you to consider becoming a member of the ARC team.

Since you have retired do you find you now have some free time? Do you like to talk to people? Do you enjoy exchanging landscaping and home project ideas with residents you meet? Do you wish to be part of the continuing effort to keep Four Seasons a highly-desirable place to live? If you have two Wednesday mornings a month to attend meetings to review resident property improvement plans and approximately four hours a month to perform on site reviews of completed work, and have answered 'yes' to the above questions, you should consider joining the Architectural Review Committee. We are an interactive committee that is having a positive impact on maintaining the future home values of our community." Gerry Bonnar-ARC team member

"As a new member of ARC, I find this committee exciting and challenging. I am looking forward to meeting new homeowners, reviewing their landscape plans, and helping them comply with ARC guidelines to protect the beauty of our community that we all enjoy. I think this is a great committee to be involved with because as members, we can look around our neighborhoods and see the evidence of our input, what works and what doesn't work, what guidelines need to be modified and what guidelines need to stay firmly in place. The main goal of this committee is to keep our community beautiful and I am very happy to be involved to help meet that goal. ARC is a fun and active committee. If you are looking

for a great committee to join, this is the one!" Barbara Mull-ARC team member

"When my wife, Paulette, and I moved to Four Seasons Beaumont, I was interested in joining one of the committees. After attending just one of the Architectural Review Committee meetings, I knew it was the committee for me. When I was voted on, I received a very warm and friendly welcome from all of the nice people in the group. Being part of this team has given me the opportunity to go out into the community and meet many of the residents here at Four Seasons. I have enjoyed providing some guidance and help to homeowners. I feel that serving on this committee has been a very satisfying and rewarding personal experience and I would encourage and welcome new members to our group." Gary Sigritz-ARC team member

"I was interested in becoming part of the ARC because I wanted to be part of a team that devotes itself to the preservation of our great community and that is what we do — our goal is to be sure the community remains aesthetically pleasing for all our neighbors. Sometimes not an easy task!" Marsha Gormley-ARC team member

"I enjoy serving our community and knowing the volunteer work I do helps our HOA protect and maintain property values. It is such a pleasure to meet so many new homeowners and view their interesting and creative designs and concepts. As the current ARC Chairperson, I am passionate about training and mentoring new ARC members. It is my duty to be sure ARC is always fair and consistent to all our homeowners and that we follow our printed Guidelines and Standards in our decision making. Also it is a great pleasure to work with such caring and dedicated fellow ARC team members. We all share the same goal: doing what is best for our community." Brian Anderson-ARC team member.

The ARC Committee meets the first and third Wednesday of each month in the RCN Boardroom at 8:30 am. We encourage you to join us, see what we do and the fun we have working as a team. Hopefully, you may conclude that ARC would be an enjoyable way to invest some of your time while serving our community. ~ **Brian Anderson**

## FACILITIES COMMITTEE

IT'S YOUR HOME, YOUR CASTLE, NOW MAINTAIN IT!!!

For most of us, the purchase of our home represents the largest single investment of money we will ever make. A modern version of an old adage says, "A man's (or woman's) home is his (or her) castle." Whether it is a home or a castle, it nonetheless requires maintenance and, from time to time, repairs. To keep up your pride of ownership and to protect the property value of your home, maintenance is vital.

Let's look at the 2" x 8" by about 12 feet long wooden fascia boards that run around the roof edge of our homes. Several of the attached photos show close-up views of faded, warped, split fascia boards, and adjacent wood-work over garage doors on homes here in Four Seasons that were built in 2007. After a recent winter of record rainfall, and lacking proper caulking at joints and an adequate painted surface, many of these very visible fascia boards absorbed rainwater and show signs of deteriorating.

Moisture is an enemy of all things wood and excessive moisture invites rot and may make it easier for termites to take hold later. Many of the fascia boards may be past the point of maintaining, and

might likely require more costly replacement.

Consider the two options a homeowner had as of, say, summer of 2016, before the winter rains, for addressing maintenance (Option 1) or repair (Option 2) of the two fascia boards over his/her garage door.

Option 1 (maintenance): Before the fascia boards became warped, split or twisted, wire-brush off any loose paint, add caulking to open space in joints where the fascia boards met and any nail holes. Paint boards a prime coat followed by a finish coat of paint. Homeowner cost: \$20-\$25. Contractor cost: \$60- \$80.

Option 2 (repair by replacement): If you neglected your warped, twisted, or rotten fascia boards your challenge is greater. You will likely have to hire a contractor to pry off the old warped, twisted, perhaps rotten fascia boards and the galvanized drip flashing underneath. New 2" x 8" fascia boards, new replacement drip flashing, nails, caulking and paint (prime and finish coat) will be used by you or your contractor to make it like new again. Homeowner cost: \$60 - \$75. Contractor cost: \$190 - \$225.

The choice is yours. What's in your wallet? ~ **Fred Weck**

## STAG: SENIOR TRANSPORTATION ASSISTANCE GROUP *Interest Group*

The months are flying with so much accomplished by STAG with the help of many good people. We particularly would like to thank our friends at Pass Transportation for sponsoring our train trip to Olvera Street. It was such a great trip that they are going to sponsor another trip to Olvera Street on May 23, with an orientation May 22. Since the orientation benefits anyone wishing to utilize train transportation in the area, all are welcome.

Max Calder from Community Services of Banning joined us in April to share about how the Federal Transit Administration launched the Rides to Wellness initiative to increase partnerships between health and transportation providers.

Lisa Ilmilli, the Mobility Manager of Riverside Transportation, gave an interesting talk on Dial-a-Ride and Americans with Disabilities Act. Lisa left ADA applications at the Lodge. Those experiencing temporary driving restrictions due to knee surgeries, vision problems, or other short-term challenges, may be eligible for a short-term ADA card, enabling door-to-door service on Dial-a-Ride in Beaumont, parts of Banning and Riverside County. Don't assume you cannot get a card. Make out an application and request that your doctor complete the physician statement. If you have an ADA card, there is no age requirement for Dial-A-Ride.

We enjoyed another exciting trip in May! We had a full bus join us for a visit to Morongo for free tour, complimentary buffet, and a mystery reward added to everyone's Morongo Rewards Cards! There may still be openings for our next trip on June 8. If you miss out in June, we'll be happy to add you to our waiting list for July 13.

Our May Ice Cream Social featured a very important guest speaker, the director of Kaiser Permanente's Redlands Medical Facility. We were glad to show that we have a great many Kaiser members with a need for local services, such as an urgent care, a reciprocal pharmacy, and some contract physicians. We have 1,000 signatures from Four Seasons asking for a local Kaiser facility.

Upcoming events for June, include:

June 1 - T-NOW meeting at noon at the Civic Center. Lunch is included;

June 8 - STAG outing to Morongo;

June 15 - STAG Meeting at noon featuring a presentation from the

Lakes assisted living in Banning, giving us an overview of what they have to offer when living on your own no longer is possible.

STAG could use some volunteers! Contact us or attend our next meeting to learn more!

For additional information, trip sign-ups or concerns relating to any senior transportation issues, call or email us. For Morongo trips, please include the name, a telephone number, email address, date of birth, and whether you have a Morongo Rewards Card - for each participant. Email is preferred so we get the correct information. If you do not have email, then please call.

## NEIGHBORHOOD WATCH

**CRIME PREVENTION** We are fortunate at Four Seasons to have very little crime. We believe that part of this is our location. Being a mostly gated community is also a deterrent to someone who would invade our private community.

The Beaumont Police Department has told us that our Neighborhood Watch program is, in large part, responsible for our safe community. When neighbors know one another and care about one another, it is more difficult for criminals to work in our area.

The motto, "If You See Something, Say Something," is necessary. It has become important in the reporting of "hooded" people jumping fences and being caught or frightened off. It reminds us to let our neighbors know if a garage door or a car in a driveway is left open. We are "Good Samaritans" when we ring a doorbell and let a resident know.

As seniors, we joke about forgetting things, but if we watch out

for one another, we can use our "group remembering" to make our community even safer. No one wants to be a victim, and any preventative measure will help us avoid that circumstance.

Neighborhood Watch also keeps us informed about community issues and Wednesday, May 10, at 10 am Beaver Medical explained their position on transferring patients from San Geronio Hospital to Redlands Community, 17 miles away. Later in the evening, Todd Parton, Beaumont City Manager discussed the Mello Roos taxes in Beaumont, and current city projects.

Our next meeting will be June 14 when Loma Linda University Health and Pharmacy will be our guest speakers.

Everyone is a member of Neighborhood Watch by virtue of living in Four Seasons, but if you would like to be the Block Captain of your small area, please contact Anita Worthen at (951) 769-9858. ~

## KIWANIS CLUB OF BEAUMONT

On May 18, our club attended the Beaumont High School Awards Night and gave out four scholarships to graduates.

On June 1, 2 and 4 we will be assisting the Cherry Festival Association at the annual 99th Cherry Festival. We members man the admission gates. This is also a fundraiser with the money going to youth programs to help kids in our community.

We meet at the Lodge Conference Room every Thursday except for the first Thursday of the month. The meeting starts at 6 pm. If you wish to order food prior to the meeting, come in early to order at Smitty's Bistro.

We are looking for new members. Please come out to see what Kiwanis can do for you and what you can do for the community and the "kids of the world." For information, call Buzz Dopf at (909) 208-0880 or come to a meeting on Thursdays. You or your friends do not need to be a Four Seasons resident to join Kiwanis.

If you wish to attend a meeting and you're not a resident of Four Seasons, you're welcome to join us at our meetings. Call Buzz to have your name added to the list at the gate. We meet Thursdays 5:30 to 6:45 pm. ~ **Buzz Dopf**

**CHERRY FESTIVAL** The 99th Annual Beaumont Cherry Festival will be June 1 to 4 at Stewart Park. There will be 125 street vendors selling a variety of arts and crafts as well as 30 food vendors.

There will be a carnival with games and rides, live entertainment and a beer garden. The hours are Thursday, 4 -10 pm; Friday 4 pm to midnight; Saturday 12 noon to midnight; and Sunday 12 noon to 8 pm.

The annual parade starts Saturday at 10:30 am on Beaumont Ave. at 12th Street, heading down to 6th Street then left to Orange Street. The event is put on by the Cherry Festival Association. Parking is limited. You can park at Walmart and take the Cherry Festival Shuttle which runs every 20 minutes. By taking the shuttle, you will get \$1 off to get into the festival gate. The shuttle is free and with the \$1 off, the festival is only \$6. For more info., go to [www.beaumontcherryfestival.org](http://www.beaumontcherryfestival.org). ~ **Buzz Dopf**

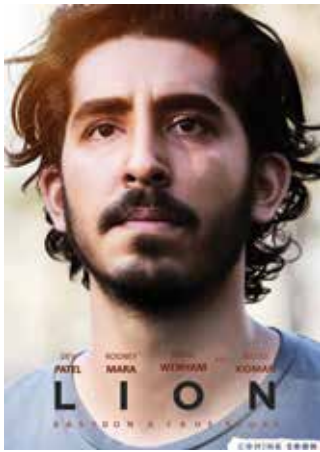

## CLASSICAL MUSIC CLUB

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Theater. We listen to and watch musical selections on the big screen. Each month we focus on a particular work or several selections of one composer. We also discuss current musical performances in the area. We welcome new members. Contact Steve Benoff at [steve.benoff@verizon.net](mailto:steve.benoff@verizon.net) or (310) 413-4896. ~ **Steve Benoff**

## COUNTER CULTURE CINEMA

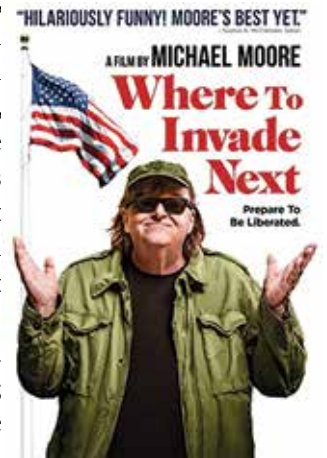

Our first monthly screening, on Sunday, June 11 at 6 pm, is the film *Lion* (Australia 2016, 1 hr. 58 min., English). Here is a brief description from IMDb.com: "In 1986, Saroo was a five-year-old child of a poor but happy rural family in India. On a trip with his brother, Saroo soon finds himself alone and trapped in a moving decommissioned passenger train that takes him to Calcutta, 1,500 miles away from home. Now lost in an alien urban environment and too

young to identify either himself or his home to the authorities, Saroo struggles to survive as a street child until he is sent to an orphanage. Soon, Saroo is selected to be adopted by the Brierley family in Tasmania, where he grows up in a loving, prosperous home. As an adult, Saroo finds himself plagued by his memories of his lost family and tries to search for them even as his guilt drives him to hide this quest from his adoptive parents and his girlfriend. Only when he has an epiphany does he realize not only the answers he needs, but also the steadfast love that he has always had with all his loved ones in both worlds."

Our second monthly screening, on Sunday, June 25 at 6 pm, is

the film *Where to Invade Next* (USA 2015, 2 hours, English). Here is a brief description from IMDb.com: "To show what the USA can learn from the rest of the world, director Michael Moore playfully visits various nations in Europe and Africa as a one-man "invader" to take their ideas and practices for America. Whether it is Italy with its generous vacation time allotments, France with its gourmet school lunches, Germany with its industrial policy, Norway and its prison system, Tunisia with its strongly progressive women's policy, or Iceland with its strong female presence in government and business among others, Michael Moore discovers there is much that America should emulate."

All of our screenings are followed by lively discussion about the film; we'd love to have you join us. The Lodge Theatre has very limited seating, so if you're interested in our screenings, come early; we hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please email Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

## TASTE D'VINE

San Antonio Winery is the last remaining winery in downtown Los Angeles, a hidden gem and historical landmark operating in the same community where it was founded 100 years ago. Santo Cambianica founded San Antonio Winery in 1917 on Lamar Street, dedicating it to his Patron Saint Anthony. Today, the fourth generation of family is still producing amazing wine. San Antonio Winery has vineyard properties in Monterey County, Paso Robles, and in the prestigious Rutherford appellation of Napa Valley.

We are looking forward to a wonderful evening of tasting and education featuring San Antonio Winery showcasing wines from one of the most awarded wineries in California.

We invite you to join us at the June meeting of the Taste d' Vine Wine Club on June 15, at 6 pm in the Lodge Ballroom. Please bring an appetizer such as bread or crackers and cheese, your own favorite bottle of wine if you wish, and a glass or two for tasting and sharing.

Members \$5, guests \$10. Info., Gracy Luna, (951) 769-6337. ~ **Gracy Luna**

*Works by Artist of the Month Thomas Herron*

## CREATIVE DRAWING & SKETCHING CLASS

*This is the perspective of the artist of the month, Thomas Herron:*

"Venice Street at Night" is one of my first serious attempts at adding color to my artwork. One of the main reasons why I regularly turn up to the drawing classes lead by Rob Kelman, is that he has inspired me to evolve from using lead pencils and to venture into multimedia, such as pastels and ink. In the few years that I have been a student of the class, I have grown envious that my skills, which have taken over 50 years to reach their present standard, were dwarfed by the wonderful artwork of my colleagues in just a couple of years or less. We all appreciate the advice and patience Rob provides us and

the atmosphere he has created within the class to enable so many friendships to flourish. At the end of every class we all eagerly await "critique time." I know we all leave with constructive encouragement which will drive us forward to enjoy the experience of participating in our art. If you know how to hold a pencil or a paint brush, believe me, there is a budding artist inside you begging to be set free. ~ Thomas Herron.

We meet Mondays from 10 am to 12 noon and/or Wednesdays from 6 to 8 pm. Any questions, call Rob Kelman at (951) 992-9156.  
~ **Rob Kelman**

*An excerpt from his letter to the landing forces: "I have full confidence in your courage and devotion to duty and skill in battle. We will accept nothing less than full Victory."*

## FOUR SEASONS VETERANS

The Veteran's Club at Four Seasons was formed in September, 2013. Our mission was to recognize all the veterans living at Four Seasons. To date we have 80+ neighbors recognized as veterans of the many wars we've endured. These veterans are recognized in our Honor Roll website, [www.fourseasonsvets.org](http://www.fourseasonsvets.org). Our club is quite unique. We do not have structured meetings, dues, or costs to be involved. Your military service to our country has you paid up for life.

We do new sign-ups on Wednesdays at 12 pm in the Bistro area. Contact me for the interview.

## BEREAVEMENT GROUP

There was such a wave of explosive laughter emanating from behind the closed doors of the Arts & Crafts Room last Monday afternoon that those of us in the Bereavement Group who were doing the laughing clapped our hands over our mouths and waited for the knock on the door telling us to pipe down. Of course that knock never came.

We took a moment to assess that laughter. We were in a bereavement group. We had all endured painful loss or losses. We had come together to seek comfort and understanding, and we were talking about how to keep moving forward in life, even if we didn't really think we could. We were sad! And yet here we were, laughing delightedly.

The conclusion of our assessment: we are resilient. We might feel so devastated, so broken, so paralyzed by our grief that life ahead seems worthless and insurmountable, but when we share our pain and listen to others share theirs, healing ensues. And there is almost nothing more healing than laughter.

Toward the end of the meeting we had our traditional moments of quiet and as we prepared to leave we agreed that we all felt better and that we'd all look forward to next week.

We meet in the Arts & Crafts Room at the Lodge on Mondays from 1 to 3 pm.

For more information call me at (951) 922-0934 or email [lauriemlarson425@gmail.com](mailto:lauriemlarson425@gmail.com). All contact is confidential. ~ **Laurie Larson**

## RAINBOW GROUP

The Four Seasons Rainbow Group is an informal opportunity for our LGBT neighbors and any other residents who are interested in meeting with us, to keep up to date, meet new members and have a relaxing dinner together. We usually meet in alternate months on the fourth Thursday. We don't have a dinner planned for June. We gather

at the atrium in the Lodge, then order any Smitty's food items that we want and, weather permitting, sit on the patio (otherwise, we find a convenient area to enjoy our food and company). Feel free to bring your own adult beverage, if you desire, and appropriate glassware. Everyone is welcome. Any questions can be directed to Dale at (951) 797-0364. ~ **Dale Beckes**

## CRAFT GROUP

The Craft Group is made up of residents who like to meet new people, attempt to learn new skills and occasionally bring a little joy to others. We are currently requesting your donations that will go to H.E.L.P. in Banning, in the support of the homeless in our area. We received a donation of 200 toothbrushes and would like additional donations of travel/sample sizes of toothpaste, bath soap, shampoo, hand sanitizer, deodorant, etc. Please leave your donations at the front desk of the Lodge for Pam Kelley.

We also do crafts that benefit others, like the Easter Bunny Bags, pictured to the side, spearheaded by Anna Camarena, which we filled with little craft items and other trinkets for the Loma Linda Children's Hospital.

Improving our skill level, which varies considerably, is not our main objective. Our main goal is to have fun and make new friends. We look forward to welcoming you any Thursday at 10 am. If you have any questions please call Pam Kelley at (951) 769-7967.

Special Request: We're looking for volunteers to occasionally cut wood for us for our craft projects. Please contact Pam at number above. Thanks! ~ **Barbara Paules**

## CERAMIC CORNER

Although our Saturday participation is sporadic, we will continue to have a class the first Saturday of each month. Our goal is to have a class for neighbors who can't come during the week or those just looking for a fun way to spend a Saturday morning.

During the rest of the month our Saturday slot will be a new type of ceramics class. Elsie Fillman will be teaching a class to learn how to work with porcelain clay. Please come by the classroom for more details, scheduled dates and times.

If you are looking for a new hobby, or want to create your own design, participate in a class project to create pieces for yourself, friends and family, come to the ceramics class. Drop by the Craft Room to see our monthly ceramics class schedule and learn more about our upcoming class projects.

Come and join in the fun. We meet in the Craft Room and post a monthly schedule in the class room for your reference:

*Splash bowls painted by resident Linda Cunningham*

Wednesdays: 1-4 pm; First Saturday of each month: 9-1 pm. Please see class schedule in for any exceptions.

Certified instructor and/or an experienced class team lead is available to support your crafting needs, participation is at your own pace and frequency.

See you there. Info., Bob Powers, (909) 841-3293 or Elsie Fillman- (661) 414-6270. ~ **Pepsi Powers**

## KNIT & CROCHET GROUP

The group project for the Wounded Warriors in March was well received and appreciated. My thanks to Janet Hession for spearheading the project and handling last month's article. We are now well into our project for the children's hospital and have

completed many hats, blankets, toys, etc. We may be donating these items ahead of schedule as we are working faster than expected. It is a lot of fun working on these items. If you wish to join us we meet each Tuesday from 10 to 11:30 am. ~ **Dorothy Payne**

## CRAFTY CARDMAKERS

We meet on the second and fourth Friday of the month in the Craft Room at 1 pm and you only need to bring scissors and glue. You will make three beautiful cards, the cost is \$6 to cover materials. The class is for all levels: beginner, intermediate and advanced. We are learning new techniques each month and having lots of fun meeting

new friends. Please R.S.V.P. by the Monday before the class so we will be sure to have a kit for you.

If you have any questions, please feel free to contact me. Maryalice Chorba, chorbaparadise@yahoo.com, (951) 849-6336. ~ **Maryalice Chorba**

# BUNCO

We will play Bunco on June 9 and 23. We always play on the second and fourth Fridays of the month. We have a lot of new homeowners and Bunco is very easy and it is a great way to meet some new friends. You really should come and give it a try. We meet in the Lodge Card Room at 1 pm sharp. Don't forget to grab a drink at Smitty's or even lunch beforehand. See you there. ~ **Cheryl Burke**

---

# MAH JONGG

Everybody is welcome to join us for Mah Jongg at 12:30 pm on Mondays in the Rec Center North. We accept beginners and offer coaching for those who have not played in several years. A current Mah Jongg card is required but you can borrow or copy one until you get your own. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Barbara Goodreau**

---

# PINOCHLE FOR FUN

Come join us! Whether you are a seasoned player or new to the game, we welcome you. Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This stimulating game is a time-honored favorite. Winning is not just the luck of the draw; it is a thinking game which teases the mind and keeps it sharp. We play with a Pinochle double deck of cards, Ace through 10s. We meet at the Summit Mondays and Wednesdays from 10 am to 12:30 pm. Our Chair is Karen Farmer. The contact is Johanna Ballard; ballardlands@gmail.com or cell, (626) 372-7049. ~ **Johanna Ballard**

---

# PAN

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so men are very welcome as well as women. The game can be played in the day, evening, in a room in the Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100 or email Goldtoy@earthlink.net and I will answer any questions you may have. As all card games, it is played with both skill and luck. ~ **Linda Mendelson**

---

# CANASTA #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the Card Room from 12:45 to 4 pm. Table assignments are distributed at 12:45 pm. Each week, you may play with someone different, giving you an opportunity to meet new friends and/or visit with old friends. We supply the cards, so just bring yourself and a desire to have fun. If you don't know how to play, we are always happy to set up a teaching table — by the end of the afternoon you will have mastered the game. Come join us. ~ **Melody Seewoster**

# BRIDGE

Look through the window of May to all the new beginnings of growth. The trees are budding, the flowers are blooming and birds chirping away. Our lovely facility here at Four Seasons welcomes you to join us this spring to enjoy a special group of dedicated bridge players. We look forward to meeting one another for the stimulation, camaraderie and enjoyment of bridge.

Each Monday at 12 noon we gather in the Great Room in the RCN Building. Please call Helen at (951) 845-9312 or Gordon Sheppard at (714) 390-2610 for in depth information regarding any questions you may have. We look forward to hearing from you. ~ **Helen Shoemate-Gurley**

# DUPLICATE BRIDGE

One of the most successful Bridge clubs here at Four Seasons involves the ACBL Sanctioned game under the direction of Barbara Revels. She is an excellent instructor of classes, scheduling of partners and participating in the many enjoyable social functions.

We meet each Friday at 12 noon in the RCN building. Please call Helen at (951) 845-9312 or Gordon Sheppard at (714) 390-2610 or Barbara at (951) -530-1523 for more information regarding what might be an enjoyable experience for anyone interested. ~ **Helen Shoemate-Gurley**

# HEARTS

All welcome. Easy to learn. Played with single card deck, no jokers, 52 cards. We play three, four, or five at a table. No scheduling necessary. Easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

## BRIDGE FOR FUN

Both the Monday and Wednesday groups are planning a get-together in the next month. We not only enjoy playing bridge together but we also enjoy each other's company at pot-lucks every now and then. We always have a great time not only eating, along with a little beer and wine, but the fun activities and games planned keep us all laughing. As we move towards summer many in our bridge groups take off for periods of time. We are always looking for new players

so now would be a great time to learn the game and join one or both of our groups. Bill Guy offers to teach beginners or help those who haven't played in a while brush up their skills. So if you want to learn the game or want information on Monday's game, call Bill at (951) 845-5627 or for information on Wednesday's game call Verina Rector at (951) 769-1687. We start at noon sharp in the Card Room on both days. ~ **Tom Halley**

## PHASE 10

We play the second Monday and the third Saturday of the month. Every week we have a training table and we welcome everyone. We start at 4 pm on Mondays and 3 pm on Saturdays. This is fun and we are friendly so come on down and check us out.

Contact: Cheri Howard (951) 756-1216 or howards1249@gmail.com. ~ **Cheri Howard**

## RUMMIKUB

Come and join us on Sunday afternoons from 2 to 4 pm. We play every second, third and fourth Sunday of the month, to have fun with new friends and old friends. We will NOT be playing on Mother's Day this month.

If you like Rummy and mah jong you would like Rummikub. We've had good turnouts since starting. We will be playing in the Lodge Card Room. We also have training tables for all newcomers. Hope to see you all there. If you have any questions or if you need extra training call John Hendzel at (909) 435-6592. ~ **John Hendzel**

## DOMINOES

In April John Bragg and Vernon Bell, were in a domino boxing match. With each game played the domino championship was up for grabs. Vernon would throw a jab at John and John would come back with an uppercut and slow him down. All of the other domino players were in the stands waiting for the knockout punch, but it never came. The match ended in a draw with both players winning 21 games each. A playoff match was not held. Congratulations to both April domino champions.

Dominoes are played every Wednesday and Friday from 5 to 9 pm in the Lodge Game Room. Join us and have some fun, everyone is welcome. For more information call Jesse at (951) 769-2035 or Reggie at (951) 769-6483.. ~ **Marvin A. Gaines**

## PERFORMING ARTS CLUB

We don't have any shows in June, but I understand you need the month off to catch your breath and calm your stomachs from hurting. Yes, laughing too hard can do that to you and our *Twisted Cabaret II* show, produced by John Horning, did just that! I live up the hill and some of my neighbors claim they heard the laughter all the way up here!

As a reminder, our *Way Off Broadway* auditions will be on Wed., June 14, 2 pm, in the Ballroom. Choose a song from a Broadway musical from the 40s to the 70s and if you have it, bring your music with you. If you have any questions or need to arrange an alternate day/time, please call Susan Youel at (951) 769-1563. In addition, Susan will be working with the singers who need help in getting their vocal performances ready. Susan's a professional voice coach and singer, and I can assure you that you'll be in very good hands.

Speaking of our shows, we are putting together ideas for what to do in 2018. Now is the time to send us your ideas of what you would like to see us perform. Please email or call (contact info. at the end of the article).

Sneak Peek: I have new info but not a lot of it. I just heard that our holiday show will once again have our talented Four Seasons Singers choir serenading us with several seasonal songs but... psst, here's the news... we will be hiring a third party to perform the balance of the show! I don't know who or what yet, but when I do, I'll write and let you know more about it.

If you're interested in joining our club or participating in our performances, we have meetings once a month, the fourth Tuesday at 4 pm, in the RCN. To participate in a show, you do not need to be a member. For more information, please email Barbara Wasco at bawasco@dc.rr.com. As I've said many times before, our sound, stage and crew could certainly use some additional helping hands. We give back so much to you... aren't there some folks out there willing to donate a few hours per month or so back to your community? We're a great group. Why not join us?

## HEART & SOUL LINE DANCE

Hello line dancers!  
As you all know our dance group continues to grow. To accommodate this growth a small change has been made to the

class schedule. We continue to meet on Wednesday, in the Lodge Ballroom (unless otherwise notified) as follows:

Beginner/Novice class, 4 to 5 pm: for dancers who are new to any form of dance, and/or dancers who have a basic knowledge of dance steps and terms. Fewer dances will be covered so more time can be spent on instruction and learning the dance.

Intermediate/Advanced, 5 to 6 pm: for dancers with a solid knowledge of dances, terms and steps, and for dancers who not only have a solid grasp on dance but can also execute more complex steps and patterns easily. Less time will be spent on instruction and more time will be spent on dancing.

Please feel free to attend both sessions, or the session you feel most comfortable with. A combined session will be done the third week of the following months when we celebrate the birthday potlucks

(March, June, September and December). Otherwise, the last week of each month will be used as review time and both sessions will be combined for a "dance-athon".

Should you have any questions, feel free to contact me at (909) 239-6464.

Looking ahead, save the date: Saturday, July 1, 1 to 5 for our Red, White and Blue Heart and Soul Line Party.

See you on the dance floor! ~ **Priscilla Robles**

# LINE DANCING

Join us for a FREE sock hop (construction work permitting) on June 16, 5 to 8:30 pm. This is a BYOB event. We provide water and ice. We encourage you to buy your dinner from Smitty's and enjoy a fun evening of music and dance.

One of the older (90) dancers in my class told me she read that line dancing is a good exercise as you age because it works the brain as well as the body. Learning anything new is a good workout for the brain, but combined with moving the body in memorized steps to music the exercise becomes fun. Line dancing is very forgiving. Most steps can be modified or slightly changed to accommodate some limitations in movement. As long as you are moving in the same direction as everyone else, we call it a variation.

Let's face it, everyone who lives here is getting older. It is important that we continue to use our minds and bodies to age gracefully. Whatever your level of movement is, it can be strengthened by activity.

We keep our minds younger by trying new activities. Living here, the possibilities are almost endless: active sports, swimming, walking in the pools, cards, board games, crafts and of course, dancing.

Line dancing may seem complicated, but I teach one step at a time in the Beginner's class. Remember, no one was born dancing, we all had to learn each step. The next beginners class starts in July. The beauty of these classes is that the group is usually small, six to ten people, so I have time to work on the basic steps that make learning the dances easier. I usually have one to two assistants to help everyone during the thirty-minute class.

Classes every Tuesday: Intermediate 3-3:45, Advanced 3:45-4:30. Beginners (odd months only) 2:30 to 3 pm. Come watch or join us. Classes are \$1 per week, which goes towards our holiday party.

## BALLROOM & SOCIAL DANCE

Our mid-year Summer Fun Dinner Dance is scheduled for Saturday, July 22, starting at 4:30 pm in the Lodge Ballroom. Entertainment and dance music will be by the popular Skyline Xpress, one of the best all-around dance bands in Southern California. And a very good catered dinner is included.

Check the poster in the Lodge for more information, and get your tickets early because these events always sell out well before the ticket deadline.

We are sometimes asked: Why so many dances, and where did they all come from? Simply put, dances have evolved over thousands

of years, and have come from many cultures and lands. Dances have been used for celebrations, expressions of emotions (sadness or joy), rituals, telling stories, and simply moving to the music.

No matter the history, we here at Four Seasons dance for joy of it. And best of all, you can learn and have fun dancing at any level you want, from the basics to intermediate to advanced – it's your choice.

Take a look at the photos of last year's Summer Fun Dinner Dance and you'll see regular folks having lots of fun dancing to good music.

## AMPHITHEATER

Our 2017 Four Seasons Summer Concert Series began last month with a swimmingly entertaining concert under the stars.

On Sunday, June 25, the second concert of this Amphitheater season will feature four talented musicians who go by the name The Working Poets. They are a local group based in the Apple Valley area and have performed in more than a 1,000 shows throughout California and Las Vegas in the nine years they have been together.

The Working Poets perform a wide variety of musical styles that span the 50s through the 80s. We have the opportunity to hear their version of Toby Keith (new country), Johnny Cash (old country), Creedence Clearwater, The Eagles, ZZ Top, Robert Palmer, KC and The Sunshine Band, Bill Haley and the Comets, Elvis Presely, Richie Valens and others.

As always, remember to bring a jacket/sweater as it gets quite cool once the sun goes down. If you bring some liquid refreshment, all bottles need to be in a sleeve and no glass cups/glasses. If you place your chairs on the concrete/grass risers, please leave enough space,

both in the front and back of your chairs for other audience members to sit on the concrete "benches." You also have the option of placing your chairs in the central lawn area; or take advantage of sitting on the pool deck to eat, play cards, etc., while enjoying the music.

The sound crew now sets up the electronic equipment the morning of the concert. As there is a lot of work involving electrical cables, speakers and testing of the equipment - safety for all of us becomes a top priority! So chairs cannot be placed until after 11 am the morning of the concert.

We realize our community is bigger than ever and there is no quick and easy fix for the existing Amphitheater. This less than adequate sized amphitheater will be with us for a while longer. This gives us an opportunity to develop a thoughtful design of an Amphitheater that better serves the residents of Four Seasons.

But in the meantime, we can cooperate and respect our neighbors with civility and patience so all can enjoy the evening, the music and the stars overhead. ~ **Doris SanFilippo**

## FOUR SEASONS SINGERS

We worked really hard to prepare for the May Twisted Cabaret Show, so I hope you liked it. The Singers will be taking a little rest and be back in August to prep for our October Way Off Broadway Show and the December Holiday Show. Check

upcoming *Breeze* articles for our start date.

To join or if you have questions about the Four Seasons Singers, call (951) 797-3466 or email me at [bawasco@dc.rr.com](mailto:bawasco@dc.rr.com). ~ **Barbara Wasco**

## AFRICAN AMERICAN CULTURE CLUB

### JUNETEENTH EMANCIPATION CELEBRATION 2017: COMMEMORATING 154 YEARS SINCE THE ABOLITION OF SLAVERY IN AMERICA

**History** "Like the Civil War itself, slavery didn't end with one decisive act." After the Battle of Antietam in September 1862, President Lincoln issued the Emancipation Proclamation in January 1863, which declared all persons held as slaves within the rebellious states to be freed. But southern slave owners ignored it, which meant that although slavery was over, it still needed to be enforced by a military campaign. "On June 19, 1865, Union soldiers arrived in Galveston, Texas and freed the remaining states' slaves. The pronunciation of June 19th turned into Juneteenth, also known as Emancipation Day.

Photographed left is Billy McCrea, age 89, a former slave who remembered the Union troops coming into Texas in 1865 and being told that he was free. "... I was a good size boy then..." Billy's full interview is located in the Library of Congress using this link:

<https://memory.loc.gov/ammem/collections/voices/vfssp.html#BillyMcCrea.html>

**Society** Although this occurred 901 days after Texas refused to acknowledge the law, "Juneteenth is an opportunity to recognize the sacrifices of those who suffered from the stain of slavery in our nation's early history, and the courage of those who struggled to secure a more perfect union.

"We commemorate those who were born or sold into slavery, and those who died in the process of bringing about its end."

Today, nearly all 50 states hold some form of legislation declaring or establishing Juneteenth as a holiday.

**Food** In celebration of Juneteenth, there is a variety of themed food enjoyed, such as barbecue or smothered chicken, collard greens, red beans and rice, peanut soup, red velvet cake, and strawberry soda.

This year, Juneteenth 2017 falls on a Monday. In celebration of Juneteenth, we are having a potluck dinner at the Summit. Everyone is invited and the menu theme is soul food of course!

Become a part of a growing group that is striving to make a difference in our community.

We meet the first Monday of the month in the Lodge Card Room at 6 pm. For more information please contact Joyce Allen at (951) 769-4354 or Roxie Elliott at (951) 769-2517. ~ **Regina Thomas**

## COMPUTER TECHNOLOGY

We meet in the Lodge Ballroom at 10:30 am on the second Tuesday of each month. Our meetings are casual but informative. June's topic is "Identity Theft: Protecting Yourself" which is a timely subject for all of us.

Come join us to learn some "Tips and Tricks" for various technological gadgets and applications, and to ask questions and share knowledge with your neighbors. ~ **Howard Lyon**

## FOUR SEASONS RADIO CLUB

All residents, come and join the Four Seasons at Beaumont FRS Radio Club. If you currently have an FRS/GMRS radio or if you are thinking about purchasing one in the future, we can help. We will teach you the fundamentals and the features of your radio and how to best utilize them for recreational activities or in times of emergencies. We can accomplish this with classroom settings where we will explain each feature and when to use them. We will conduct exercises in the form of Radio Rallies to simulate a dynamic real life environment where changes occur often. And, in

general you will meet those that have similar interests and can pass their experiences on to you.

This club was formed for those residents who are interested in maximizing their radio knowledge and the use of their FRS/GMRS radios.

Our first meeting was May 19 and we discussed the activities and the direction the members of the FRS club will pursue.

We meet every third Friday of the month in the RCN Conference room at 10 am. ~ **Alfred Blair**

## CAMERA CLUB

We meet the third Tuesday of each month at 6:30 pm in the RCN Main Lobby; thus, our June meeting will be June 20. Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings, workshops, speakers, field trips, and in-house demos. For example, in our April meeting, Martha Baumgarten from the Communications Committee joined part of our meeting to discuss an upcoming project that could involve the Camera Club. Also, our discussion of Back Button Focus continued with our showing of two YouTube tutorials followed by discussion.

The topic continued in our May meeting involving proper focusing with an eye toward depth of field. As an example, shooting distant objects in focus through chain link fences in the foreground while blurring the fence to the point of being close to... or actually, invisible. Also, we continued our Back Button Focus discussions with hands-on demonstrations. As usual, some of the photographs of the members utilizing this genre were shown with explanations giving particulars of the settings.

We hope to see you soon at one of our meetings. Info., Lyle Cameron, (951) 849-6987. ~ **Lyle Cameron**

## BOOK CLUB

The book to be discussed at our June 13 meeting is *Last Ride to Graceland* by Kim Wright.

Cory Ainsworth, a 37-year-old blues musician, is barely scraping by after her mother's death when she discovers a priceless piece of Rock 'n' Roll memorabilia hidden away in a shed on the family's South Carolina property — Elvis Presley's Stutz Blackhawk. A backup singer for the King, Cory's mother, Honey, was at Graceland the day Elvis died. Cory, wishing to return the car to Elvis' estate, retraces the exact route her mother took 37 years earlier when she drove the car home to South Carolina. Cory is hoping to answer the burning question in her mind — who is her father? In the process she learns the truth about her complicated mother, a minister's daughter, who spent a lifetime struggling to conceal the truth about her single year of rebellion.

We all lived through his iconic time in America and probably remember what we were doing when we heard that Elvis Presley died. Come discuss this fun and interesting novel with us. Even if you did not read it, you will enjoy the discussion.

For more information about the Book Club, telephone Doreen Sanders at (951) 769-1913. ~ **Patti Chubbuck**

## “BELIEVE...” WOMEN’S BIBLE STUDY

Currently we are studying the Book of Revelation, its symbolism, interpretation and clarification. Since “Believe...” is a non-denominational study, there are many viewpoints expressed, and we all endeavor to stay away from speculation. It has been interesting to learn how the symbolism and realism in Revelation is pertinent for us today, and how world news enables us to see how the events in Revelation could easily happen in the near future. The bottom line to this study is that we need to be prepared and prayerful concerning our relationship with God. We should finish this study by the end of June, and begin a fun study of “Living Like a Superhero.” Huh? (Come join us and you’ll see what it’s all about!)

We are all looking forward to our June 2 Summer Social. We have reserved the Ballroom and will have a lesson first, followed by a potluck luncheon. The theme this year is “flowers,” so we know the decorations will be colorful! The food is always amazing ~ because

we have the best cooks on the planet in this group!

If you have been looking to join a wonderful group of Christian women studying the Bible, please come join us any Friday at 10:30 am in the Lodge Game Room (next to the Library). This is a non-denominational study, and any version of the Bible is acceptable. We will greet you with open hearts and arms! ~ **Eileen Gilbert-Antoine**

## CHAVURAH JEWISH SOCIAL CLUB

**JUNE BBQ GATHERING** The Four Seasons Chavurah (Havurah), an informal social and cultural gathering group providing an opportunity for the community to connect to Judaism, welcomes all interested Four Seasons residents who want to participate in Judaism’s culture and celebrations. In the next months, we have planned several outstanding events. In April, members attended a Passover Seder at Toni and Bob Finer’s home, with a stimulating Hagaddah, delicious dinner, and warm camaraderie. Besides having the traditional foods, they created a modern version of the four questions. A lively discussion followed. May included a movie and snacks at the end of the month. A future potluck is planned to address the needs of the membership.

The next Chavurah event will be Sunday, June 25 with our second annual BBQ gathering at the Four Season’s Main Pool, 5 - 8:30 pm. The schedule is 5 pm set up (small refrigerator available), 5:30 – 8:30 pm swimming, with BBQ grilling starting at 6 pm. Sponsored by Nancy Justice, and Ernie and Dr. Zee Knapp, this promises to be another fabulous event. Look for the event flyer with more details available in the Lodge. Suggestions for potluck include: hamburgers, hotdogs, chicken, steak, kabobs, veggies, corn on the cob, desserts, watermelon, chips & dips, NO shellfish or pork products. Condiments, plates, cups,

relishes, ice will be provided. Bring your favorite drinks. Come for fun, delicious food, meet new friends, and bring your new ideas for future events for the Four Seasons Chavurah.

Members of the Chavurah also enjoy social, cultural and religious get-togethers, with connections to other organizations in and around the community. On June 2 and 3, Temple Emanu-El, Redlands, will have special Friday night and Saturday morning services for Rabbi Sherwood’s farewell, as he and his family leave the congregation for a new pulpit. Etz Hadar, conservative congregation, Redlands, has Saturday morning services in June, and Temple Beth Am, Reform congregation in San Jacinto, meets Friday evenings in June with lively potluck Oneg Shabbats following services. Contact Emanu-El at (909) 307-0400; Etz Hadar at (909) 225-7009 Temple Beth Am at (951) 443-2200.

The Jewish Social Club (Chavurah) welcomes all Four Seasons residents who want to connect to Judaism, its culture and celebrations.

For more information about these events and to be put on our email list, please contact us at [chavurah.time@aol.com](mailto:chavurah.time@aol.com), or talk to a social committee person, Nancy Justice (951) 769-5804, or Dr. Zee & Ernie Knapp, (714) 423-4755. ~ **Nancy Justice, Dr. Zee ‘Rachel’ & Ernie Knapp**

## INTERCESSORY PRAYER GROUP

Greeting from the Intercessory Prayer Group! We invite you to join us in the Lodge on Monday, June 5, in the Game Room, at 9 am.

We meet each month to pray for our family church, neighborhood, city and nation. We are bound together in love, agreement, and unity.

Unity is more than shared truth, it is having the same love, being of one accord, of one mind. This is why we meet and what we have in common.

When people are united and agree something special happens, love flows, joy brings peace, and prayers answered. Come and experience the love.

Come and be a part of our group, men are welcome. You can reach me at [eaglewatchwb@aol.com](mailto:eaglewatchwb@aol.com). ~ **Cookie Bonner**

## LIFE GUIDE BIBLE STUDY

We will take a break during June, July, and August. We will resume weekly meetings with our annual fall potluck on Tuesday, Sept. 12 at 6 pm. Specific details will be announced in the August *Breeze*. We invite interested residents to join us in sharing and learning from God’s Word. We typically meet at 7 pm each Tuesday in the third section of the Ballroom from September through May. ## RACQUET CLUB

Construction of the new recreation center and tennis courts has been progressing nicely; circumstances however, did not allow for us to hold our May Play Day there. Certainly, June will be the month when we can test our skills on the new surfaces. In anticipation that this month will conclude our long relationship with the original tennis courts, creatively named #1 and #2, Club President Irve Sturner has contributed the following salutation:

*"Goodbye Tennis Courts #1 and #2.*

*We played; we laughed; we left an awful lot of good shots on your surfaces.*

*We left some sweat, some tears, some blood, and even some broken bones were left there.*

*But over time, it was all good...*

*We leave you, (both courts), in the capable hands of the Pickle Ballers and Paddle Tennisers, who will reconfigure the playing fields and get you a new coat of paint. You have been good to us; you treated us well... but now it is time to move on.*

*We are moving to our new digs, "The Courts."*

*We have waited diligently for over 10+ years for this recreation center to be built, and it is now a reality. Come visit The Courts; we'll leave the light on for you."*

Speaking of leaving the light on, we share with the new denizens of Court #2, that the light timer doesn't rotate, so it really will leave the lights on for you.

Barbara Miller is continuing to coordinate doubles play on the second and third Thursday of each month. Matches are scheduled for 6 pm and 7 pm, so contact her to get in some quick games in the evenings.

The monthly Play Days are scheduled for the last Saturday of each month, beginning at 8:30 am. With four available tennis courts at The Courts, we will be able to change the previous Play Day procedures and be able to have 16 players playing

at one time. So, there should be more opportunity to play and little or no waiting. Come on out!

## PADDLE TENNIS

Since I have been playing this game for five years or more, I've had the opportunity to observe all styles of play. Some players like to hit the ball hard; some like to put spin on the ball; others are just happy to get it back. In my opinion, for our level of play, consistency produces the best results. For example, a hard fast serve can throw the opponent off, but is more difficult to keep in bounds. Giving free points for a service fault is an easy way to a fast exit. For me, the best serve is slow and low. This prevents the opponent from slamming the ball back and has a high percentage of success. Another good technique is the lob. When both opponents run to the net, if you lob it over their heads, it forces them to retreat to the back court and is also difficult to rally a good return.

There is no substitute for speed and agility. A number of our regular players have both. They can sprint from almost anywhere on the court to get to the ball. Other players, no names mentioned, are more like fixed statues. If you place the ball anywhere in their three-foot radius, they will return the ball, no problem. If the ball is out of that radius, point over.

One of our common rules shared with tennis is letting the receiving team make the call on close shots. From the other side of the court, due to the angle of sight, it sometimes may appear that a ball landed on the line, when if you were standing right there, it was clearly out. So, it is good sportsmanship to accept the call. No problem with protesting the call as we live in a free speech society, but in the end you must just let it go.

No one intentionally makes a bad call.

Another rule directed at letting all players play is that during posted times, the courts are reserved for doubles players. If not enough players are there for use of both courts, then singles practice is OK, but if there are four players available for doubles, then that takes precedence.

We are now in our spring and summer play time hours. Mornings are still the same, but the afternoon times have been switched to 6 pm in the evenings. Check the *Breeze* for published playing times.

Come out and get some good exercise and social fun.  
~ Terry Miller

## PICKLEBALL

What do the numbers 20, 13, 18, 15, 16, 10 mean? No, they aren't Lotto guesses or numbers on a fortune cookie. These numbers are players that have come out to play pickle ball. Our numbers are growing! We are all looking forward to the day when we will have more than two courts and players are not sitting and waiting to play.

We have been providing training sessions to help our new players learn pickleball. Our summer time will be every Thursday at 6 pm.

Please be sure to bring enough water to stay hydrated. One can get very thirsty running around on a hot court. Also it is important to wear court shoes. For safety reasons, walking/trail shoes are not recommended.

We had a wonderful and exciting Jeep run in Calico Ghost Town. Also a lot of RV Club members were there and stayed four days with their Jeeps and went on Jeep runs almost everyday. We had our great leaders and again got us through all the challenging spots.

If you are interested in learning more about our group, please join us for our meeting which is held the second Tuesday of the month at 7 pm at the Lodge. Our monthly trip is usually the third Thursday of every month. We meet in the north parking lot of the Lodge at 8 am. Anyone with a four-wheel-drive vehicle is welcome. ## BILLIARDS FOR FUN

The Billiards for Fun Group is just that: FUN! Some great people have joined our group! It's so much fun to hear: "Who cares? This is Billiards for FUN!" Because, bottom line, it IS fun! The people make it fun (even though the game can be frustrating and exhilarating at the same time). There are always frustrated grunts and groans, but most of the time there is encouragement, laughter and good-natured banter.

On May 16 we held our BFFG quarterly tournament. However, because the due date for this article was a week before the tournament date, you're going to have to wait with bated breath until July's article to find out the winners. On June 19 we will hold our bi-annual tournament against the ever-improving Curly Cues. (Eventually

the BFFG won't be given any handicaps). So, that's a whole lot of suspense for you readers!

Once again we are celebrating our newest members: Richard and Barbara Dipoma joined our group a couple of months ago, as well as Michael Rothberg. (See above photos of our newest members).

Yes, we're growing, which is why we have two sessions on Tuesdays: 11 am to 1 pm OR 1 to 3 pm in the Lodge Billiards Room. We usually use all four tables, so the attendance is well-balanced and lots of fun. There also is an informal practice on Saturdays at the same time slots for anyone who wants to practice. C'mon out and join us. If you don't, you're missing a whole lot of billiard fun! ~ Eileen Gilbert-Antoine

## CURLY CUES

So, June is here, and we are reporting what happened in April. There's a good reason for that, though. You see, we have article deadlines, and sometimes our most important and fun events happen after the deadline. Oh, well (sigh).

On April 10 we held our bi-monthly Curly Cues luncheon at Guy's Restaurant in Banning. As you can see from the above photo, it was well-attended and lots of fun. So much fun, in fact, that some of the regular Guy's customers re-sat themselves in the bar because there was "too much laughter" from our group. Oh, well! We had a blast! Then, we returned to the Lodge for our regular 1 pm play time.

On April 24 we held our quarterly in-house tournament. Since many of the members were either traveling, had doctors' appointments, etc., we only had eight ladies participate in the morning session and eight in the afternoon session, so we used all four tables and played a singles tournament instead of partnerships. As a result, Alex Vanhooose was our morning winner, and returned at 2 pm for the afternoon playoff against the afternoon session winner Barbara Morton. It was a really close playoff game, and both ladies gave it their best effort, Alex was the day's winner, with Barbara in second place. Congratulations, ladies, for a well-played tournament! (See above photos of our beaming winners). All the Curly Cues are winners in our book!

We are now looking forward to our semi-annual tournament against the Billiards for Fun Group in June. This time, the BFFG

members will only have one handicap: last pocket. We think that's fair because the Curly Cues' reputation for billiard agility and expertise is growing exponentially with their desire to play a better billiards game.

If you are interested in joining a really fun group of ladies who are becoming quite proficient at this challenging game, come by the billiards room any Monday and check out one of the two sessions: 11 am to 1 pm OR 1 to 3 pm. Janet McAdamis did just that, and is having a great time. (See above photo of Janet, one of our newest members). We would be thrilled if you joined us too. ~ *Eileen Gilbert-Antoine*

## THE 8-BALL CLUB

There was fun all around this month as Ray Windhorn raced undefeated into the final match of the in-house 8-ball tournament. Ray defeated Larry Rice during round four to send Larry into the loser's bracket. Larry popped back up after defeating Brian Anderson and Roland Harrah to meet Ray in the final match. Larry had to defeat Ray twice, which he did, but Ray played very well in his attempt. Congratulations to Larry.

We had a large field of 16 players for our 9 ball in house tournament, which made for an exciting evening, barely finished by closing time. Del Lyles, our Captain, suffered a loss in the second round but returned to the finals after five consecutive wins. Rick Loney prevailed in the finals after remaining undefeated for six rounds of play and clinched the match with a 5-9 combination shot defeating Del. Congratulations to Rick Loney, our 9 Ball monthly champion.

## WILD BUNCH BILLIARDS

The "Wild Bunch" 8-Ball Billiards Group is getting ready for the Spring Season Playoffs, with only two more weeks of competition. As of this writing the "Wild Bunch" is on the road to another Championship. The "Wild Bunch" consists of some of the best players in the league: Larry Chase, Pete Antoine, Mike Corbett, Carlos Rivera, LeRoy Wright, and Gracy Luna. There are eight teams in the league, with 57 serious players, all vying for the coveted Championship Trophy, and Four Seasons

"Wild Bunch" is showing the competition that they are the team to beat!

If you want to play serious, competitive pool, we invite you to come by the Billiards Room when we practice on Wednesdays from 1 to 3 pm and join in the stimulation of competitive play. We are always looking for those who want to play competitively and, who knows, you just may want to change up your game and play on the team! ~ *Gracy Luna*

## HORSESHOE CLUB

Here we are in June playing horseshoes at the old clubhouse venue, looking forward to the completion of improvements to the venue at The Summit, which should be done any day now. May found us saying good-bye to one of our charter members and dear friend, Victor Mayoral – Victor, you and Madeline will be missed. However, we also welcomed a new member who was still in the process of moving in, but took time out to join us. John is his name and he threw three ringers in his first outing with us. Gentlemen, the competition has arrived!

Our May social with dinner at The Bistro at 5 pm followed by dessert at a member's home was hosted by Suzanne and Dave Roldan.

Attendance was down with several couples on vacation, but a good time was had by all with plenty of delicious desserts for everyone.

Thank you to Suzanne and Dave for their generous hospitality, I always look forward to seeing their authentic, MGM Grand, lion fountain in the backyard. Impressive!

We started the month of May meeting at The Lodge venue at 9 am but changed to 8 am after the second week because of the heat. If you are interested please contact Ron Erickson at (951) 846-3288, [rejerickson@sbcglobal.net](mailto:rejerickson@sbcglobal.net) or Gary Christie at (951) 845-0520, [goldtoy@earthlink.net](mailto:goldtoy@earthlink.net). ~ *Ron Erickson*

## D.O.G.

The Dog Owners Group continues to grow in popularity. We have an active Facebook page at Four Seasons D.O.G.

We have been successful in rounding up strays within our community, finding accommodations for dogs that need to be rehomed, and providing resources for responsible dog ownership here at Four Seasons.

If you see an unattended dog within the Four Seasons community please call Martha at (951) 295-7209. We will then begin the process of finding the dog, taking it into our possession, and finding the owner. We have a group of volunteers who are on our search team. We have a high success rate in capturing strays at Four Seasons and returning them to their owners, many of whom are from outside of Four Seasons, or finding a new home for them.

Exploration of a fenced off-leash area for dogs is featured as part

of the Board of Directors Action Plan for this fiscal year. The Dog Owners Group steering Committee has been meeting with the HOA's Planning and Transition Committee to formulate a specific proposal for presentation to the Board of Directors.

Other initiatives are being explored at this time to make animal ownership at Four Seasons even more comprehensive and exciting.

Our next membership meeting is July 19 at 7 pm in RCN 3.

Saturday morning pack walks every week leave from the Spa Building parking lot at 8 am.

Wednesday evening pack walks every week leave from the Summit parking lot at 6 pm.

Membership information and questions should be directed to Patrick at [dog\\_owners@yahoo.com](mailto:dog_owners@yahoo.com). ~ *Patrick Gerety*

## D.O.G. OF THE MONTH

Meet Duncan Gunnarson, a 6-year-old Golden Doodle. After searching on line, Mom and Dad Sandra and Dennis, selected Duncan, only to learn that he was born in Dallas, TX. Their adventure started from the time they picked him up from his flight at LAX. Immediately, Duncan became a local celebrity in the Long Beach neighborhood of Belmont Shore where they lived. Daily walks were often interrupted by people stopping their cars or coming out of restaurants and stores to ask if they could take his picture, and even have their picture taken with him! Duncan continues to enjoy walks here in Four Seasons, where he greets everyone he meets as his new best friend. His great personality is a joy to the Gunnarson family and all their friends. ~ *Alex Woodcock*

## BIKES OF THE MONTH:

*Larry Haig and Terry Humble with their Harleys*

## MOTORCYCLE CLUB

This month's picture features a couple of our newer riders, Larry and Terry, all ready to roll out on their Harleys.

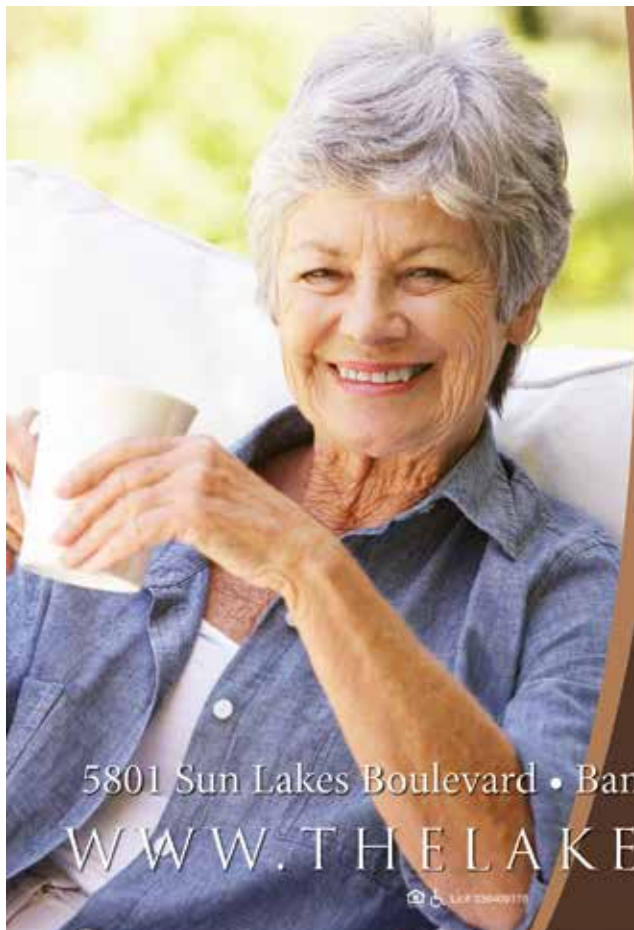

Big ride last month. Some of the riders went north to San Luis Obispo and some of the riders went east to Lone Pine. But they all came together in Lone Pine for fun and food. From Lone Pine the ride took them to Las Vegas ("Sin City"). But our riders are pure of heart and had none of that! From Vegas it was home again. The ride was fun for all, the weather was great, well almost great, if you like hurricane force winds trying to blow you off your bike. Meanwhile, back at the ranch, our normal Thursday rides went on but with only

a couple of riders.

All riders are welcome so come join us any Thursday at 9 am for our weekly ride. Or come to our monthly meeting on the first Wednesday of the month, at 6 pm in the RCN building. Until then, keep the shiny side up.

P.S. On Memorial Day some of our riders rode with over 7,000 bikers in the "West Coast Thunder." The WCT raises over a quarter of a million dollars every year for the Riverside National Cemetery.

## BIRDING CLUB

We welcome beginning and experienced birders to start or hone their bird identification skills. Our main activity is monthly bird walks along Four Seasons' beautiful nature trails, which follow native riparian woodlands and preserve endangered habitat. We also take field trips to local birding hot spots, discuss backyard bird feeding, and share information on unusual species and behaviors.

Unseasonably cold wet weather arrived just in time for our bird walk on May 6, but a few hardy birders braved the weather and identified 14 species. During our bird walk we saw our first migrant warbler, a Yellow Warbler, which will stay the summer and breed in our riparian habitat. The warbler is a reminder that this is the time of year to look for spring migrants, such as the featured Black-Headed Grosbeak.

We meet on the first Saturday of each month at 10 am in the RCN Lobby, talk about birding, then we go on our bird walk. We walk the nature trail from the Lodge to the Crooked Creek windmill and back (good

exercise!). Bring your binoculars and bird identification guide, or just come to a meeting and ask about tips for beginners' birding gear. For more information and to receive club communications, email Steve Edelman at [steve.h.edelman@gmail.com](mailto:steve.h.edelman@gmail.com). ~ **Steve Edelman**

## Bird of the Month

The Black-Headed Grosbeak is a western bird, ranging from the Pacific to the middle of the Great Plains and from southwestern Canada to the mountains of Mexico. It is in the same group with

finches and sparrows, whose conical bills are used to crack seeds. The males are flashy with black, white and cinnamon plumage; the less flashy females are very similar to the females of their eastern cousins, the Rose-Breasted Grosbeak. The Black-Headed Grosbeak is migratory, spending its winters in Mexico and moving into the western U.S. in April and May, when they may be seen in landscaped areas of Four Seasons. By June, they are in the mountains around Four Seasons singing their rich warbling song that has been described as a "tipsy robin." Once the eggs are laid, mom and dad share the domestic duties: sitting on the eggs, feeding the young, and defending the home. Black-headed Grosbeaks eat pine and other seeds, berries, insects, and fruit, and during the summer months they eat mostly spiders, snails and insects. It is one of the few bird species that can safely eat the poisonous Monarch butterfly, which it devours in the Mexican wintering grounds it shares with the migratory butterfly. ~ **Steve Edelman**

## BASKETBALL

Everyone is welcome. We meet at the basketball court starting at 5 pm on Fridays. Bring your energy and be prepared to have some fun. ~ **Richard Hoffman**

*Publia Quiles thinks hard to plan a defensive or an accurate scoring throw to score on Lodge Bocce Ball Court in May*

*Mike Saperstein throws carefully to score closest to pallino, with beautiful roses near dirt courts at the Lodge*

## BOCCE BALL

Play into May continued on the old courts outside the RCN building. This is because courts at the Summit had improvements delayed. The improvements are approved and under new contract. Keep watching at the Summit. By *Breeze* publishing in June, play may have resumed, we will be throwing accurately on smooth, safe, easy to enter courts.

The word “bocce” comes from an Italian word which is plural, means “to bowl.” The small white ball called pallino, is thrown first to start the game. Rules are very simple: get your ball as close to the pallino as possible in order to score a point. If more balls of the same color as the closest one also get close, these additionally score points.

Much like pool, bocce requires players to take turns.

This makes it an ideal game for socializing in between turns. Often cheers, or laughter can be heard. No one has an edge in Bocce Ball unless, of course, they have played for years.

We generally play a game to 12 points. Two games are generally played and take approximately 1-1/2 hours. We mix and match so no team is expert and change numbers on a team so no one is left out.

Bocce Ball is played several times a week at the Summit. The current schedule is 9 am Tuesdays and 3 pm Wednesdays. Times change based on weather. Many groups play at different times. Call the Summit desk (951) 769-6444 and ask the attendant for current times of play. Balls are always available for play anytime.

There is a third set of balls now available which are slightly smaller. There are two each of four colors. Great for kids and families and adaptive to three teams or four teams of two balls each.

If you would like to come early, meet others and learn the game, or practice before scheduled times, or on a different day or time, call Mike Saperstein (951) 769-7909, Larry Anderson (951) 846-3123, or Jeanine Baker (951) 797-0833. ~ **Mike Saperstein**

## TOPS

**ENCOURAGEMENT GOES FAR ON A LONG JOURNEY** As summer approaches, we all begin to think about spending more time out of doors, getting healthy and looking our best. Attending TOPS might provide just the encouragement and motivation you need to get fit and healthy.

Did you know that TOPS has been encouraging people in Taking Pounds Off Sensibly since 1948?

Also, did you know that there is a wonderful TOPS chapter right here in our Four Seasons community? How convenient is that? It is comprised of a group of encouraging, helpful and fun residents who want to be healthy and maybe even lose a few pounds on this journey together.

All of us on the TOPS journey know very well the benefits of

support. By attending our weekly meetings here at Four Seasons and supporting each other, we gain accountability and the knowledge that we are not in this alone.

Active participation in our TOPS chapters helps us share our successes and challenges together. While it is easy to see the benefits we gain from receiving support from others, there is a benefit to providing that support. In fact, offering health and weight loss support to others makes a big difference in someone else's life and a positive difference in our own.

So, if you have been thinking about improving your overall health, come and join us. We are a very open and encouraging group and new members, men and women, are always welcome. Feel free to stop by at any meeting.

We meet every Tuesday at 8:30 am, at the Lodge. ~ **Vivian Walker**

# SHUFFLEBOARD

Beautiful flowers, trees, and shrubs are the setting for shuffleboard play. Great game, fun, exercise with friends, all are a few steps south of RCN Building at the Lodge. Everyone is welcome. Everyone is learning. Who goes first? Which color disks go? How to strategize to block, kill other team's points, and score for your own team. Players use a cue (cue-stick) to push their colored disks down the court. The scoring diagram is divided by lines, into six scoring zones, with the following values: 10, 8, 8, 7, 7, 10-off. You hope not to land on 10-off.

Play times are 2 pm on Fridays, 11 am on Saturdays, 12 noon on Sundays, and 10 am on Mondays. All are welcome. Come join in the fun and learn. Recently a 100-point game took just nine minutes. We needed to change partners on that court for a more "random mix." For more information call Mike Saperstein: (951) 769-7909, or Larry Anderson: (951) 846-3123. ~ **Mike Saperstein**

# TAKE A HIKE CLUB

It is an enchanted land for hikers in southern California. For centuries Indians living in this area dwelled in the palm studded canyons south of Palm Springs. The Take-a-Hikers returned again this year to this scenic landscape. In perfect 70 degree weather the stroll-like under a canopy of palms completed our annual round robin of seashore, mountains, desert and forests that we visit. This is a favorite recreation for snowbirds to our desert cities and usually crowded in the winter and early spring. Our hike, being in May, found

the trail through Palm Canyon fairly deserted and quiet, yet buzzing with humming birds, lizards and squirrels in search of their morning repasts. Our round trip 4.5-mile hike worked up our appetites as well and we concluded our morning with lunch at Las Casuelas in Palm Springs.

To find out where we are hiking in 2017 call or email Lynette Simonson at (951) 377-0392 or [lynette.simonson@gmail.com](mailto:lynette.simonson@gmail.com). ~ **Len Tavernetti**

## FISHING CLUB

The rain was pouring down. There standing in front of a big puddle outside a bar, was Ron Erickson, drenched, holding a stick with a piece of string dangling in the water.

A passer-by stopped and asked, "What are you doing?"

"Fishing," replied Ron.

Feeling sorry for Ron, the man said, "Come in out of the rain and have a drink on me." In the warmth of the bar as they sipped their whiskies, the gentleman could not resist asking, "So how many have you caught today?"

"You're the eighth," said Ron.

No matter where you are, you can always find a good place to fish. Life is good and fishing makes it even better. Tight lines to all my fishing friends at Four Seasons. Remember, there is more than one way to skin a cat or catch a fish. ~ **Richard Carrasco**
