Correction

In last month's issue of the *Breeze*, the article about our hiking trails incorrectly listed Tails & Trails as a group that regularly walks the Four Seasons trails. The group that should have been listed is the Dog Owners Group. Our apologies for the mistake. ~

Activities Director Corner

By Cindy Graves, Activities Director

Happy autumn! If we are lucky, the weather will start to cool down a little and our air conditioners can get a little reprieve. Regardless of the weather, we have some great events in store starting with the busiest day in October: Oct. 6 here at The Lodge. We'll start out the day with the HOA Neighborhood Garage Sale from 8 am to 2 pm. Then from 9:30 to 11 am, there will be a wonderful opportunity for a Pet Blessing Ceremony outside The Lodge (see the Tails and Trails article) and finally gathering with great folks in song, with Karaoke in the Ballroom from 5:30 to 8:30 pm. What a fun day!

Saturday, Oct. 20, is the long awaited for Harvest Craft Fair in the Ballroom. Last year we had a packed house and this year we expect the same. If you love buying one-of-a-kind, unique or handmade gifts, then this will set you up for the holidays. This event is one of my favorite shopping experiences all year! If you've never been, don't miss out.

Saturday, Oct. 27, is a going to be spectacular! This is going to be the Masquerade Murder Mystery event of the year. What a perfect event for Halloween! Someone's going to be murdered. Are you going to be able to determine who did it? Delicious appetizers and sweets, plus you can bring your own favorite beverages. Feel free to dress up too. There is nothing like human props to help make the ambiance even more special. If you haven't already purchased your tickets, do it now!

Finally on Friday, Nov. 2, at 6 pm, there will be a special presentation in The Lodge Movie Theater or RCN (depending on interest), by Director Dan Healy. He will be presenting his popular documentary, *Finding Joshua*. This a fascinating and riveting story of the autistic boy who was lost in the San Bernardino National Forest. It is also a great opportunity for you photographers and film makers to get a chance to hear of some techniques that might help you in your endeavors. There is a sign-up sheet in The Lodge Lobby to help us gauge attendance.

Have a wonderful October and I'll see you around The Lodge!

WHY I LOVE MY CLUB, GROUP OR CLASS IN FOUR SEASONS!

We're asking for submissions from residents for the new column "Why I Love My Club, Group or Class." In 100 words or less, here's your opportunity to let others know what makes your club, group or class great.

What makes attending enjoyable, worthwhile? What puts a smile on your face while there? Why is your particular club, group or class fun or fulfilling?

Submissions must be sent to FSBeditorialboard@gmail.com by the fifth of each month for consideration in the following month's Breeze.

Please use "Why I Love My CGC" in the subject line and include your name and phone number should clarification be needed.

My club CHANGED MY LIFE! Take Off Pounds Sensibly (TOPS) helped me lose more than 50 pounds. What a difference that made. Of course, going from a 3X to an off-the-rack extra-large was one perk, but better health, more energy, being able to walk on a treadmill and being happier were also rewards that came with weight loss.

How did this happen? I already knew what to do to lose weight. What I didn't have was the camaraderie, the encouragement, and the consistency of a regular group of friends, male and female, who understood me. But TOPS meetings provide that and more. I love my TOPS club. ~ Andi Henderson

"Drink what you like and like what you drink" is the mantra of the Taste d'Vine Wine Club. From very humble beginnings almost 10 years ago to today, the club has blossomed into the largest club in Four Seasons; boasting nearly 250 members.

While Temecula wine-tasting trips and the lavish Holiday Party are annual highlights of the club, I particularly enjoy the monthly meetings that provide members and guests with wine samplings ranging from local California wineries to unusual wines from around the world. Wine-oriented education and light entertainment, all in a friendly, social atmosphere, round out the evenings. Join us in the Ballroom on any third Thursday of the month. ~ Jeff Davidson

When I moved to Four Seasons in August, 2013, I saw that there were many activities and clubs to join. I'm not a joiner by nature, but one day I noticed a sign-up sheet at The Lodge for auditions for a play. I thought, "I like plays, maybe this is something I could try."

I went to the audition and spoke with Roberta Hokuf and Barbara Wasco. They explained that they were casting a play that Roberta had written as a murder mystery. I read and was offered a small part. We had rehearsals on Sunday evenings until the performances in March, 2014.

I cannot tell you how much fun we had – hard work, but fun! And what a great group of people. So warm and accepting of new members. As Irving Berlin wrote, "There's no people like show people!" ~ Sharon Bond

Right brained? Left brained? No brained? Which was I?

Left brained like my late husband, an engineer? Right brained as I had always assumed I was? Or no brained as I feared I would prove to be if I joined this esoteric group?

I wanted to help in case of an emergency, and it is the HAM radio operators, communicating outside a disaster area, that so often marshal lifesaving help.

So I joined. I learned the easy FRS radio first. Eventually I took a test. I passed. I got my Technician's License. And by attending our informative meetings, participating in our weekly check-ins, or Nets, and accepting the help of the smart, kind club members, I am learning. I'm proud of myself. I love this club. ~ Laurie Larson, KM6CIT

Jolene Cooley, Chief Financial Officer

"She believes it is important to budget items in order to control costs and maintain our HOA dues at the current level."

By Jerry Monahan

Jolene Cooley was appointed to the Four Seasons HOA Board of Directors in August by a vote of the current Board members. Claudine Diaz, who had been re-elected for a two-year term in April of 2018, resigned in order to spend more time in Colorado with her family.

Jolene now will complete the two-year term that was made available by Claudine's resignation. Jolene's term will end in April of 2020. Her appointment to the Board of Directors, and her acceptance of the position, eliminated the need for a costly election.

Jolene Cooley retired as a Financial Auditor with the Office of the Utah State Auditor. As a financial auditor, she supervised and performed numerous audits around the State of Utah, including most of the state's colleges and universities. She also audited most

of the state's governmental units, including justice courts in many cities, towns, and counties.

In her position, she discovered several frauds and was instrumental in prosecuting the persons responsible. She then implemented financial controls and best practices to prevent future losses.

Earlier in her career Jolene worked as a bookkeeper and Personnel Manager for Woolworth's before going back to school and earning both a BA in Accounting and MBA from Westminster College. While she was in college she worked for a HOA, and did their financials for two years.

Jolene and her husband of 48 years, Steve, have lived at the Four Seasons, Beaumont community since October of 2016. She and Steve have three children, two daughters and a son. They have four grandchildren who live a short distance from our community.

Jolene said when she first saw Four Seasons, she realized how pretty the community was, and that it was close to both of their daughters and grandchildren.

She said she and Steve had looked around for a retirement location in the Southern California area so they could be close to their family. Jolene said both she and Steve liked the possibility of coming to a community where they could get involved in committees and meet other residents.

She is a member of the Ladies Putter group at Four Seasons and goes to the gym when she can find

the time. She also goes to concerts and shows with her husband.

She said while not working, some of her favorite activities are reading, traveling, and decorative painting. She has served on the Board of Directors for the different units of the Society of Decorative Painters.

Jolene said that as we move toward build-out of the homes at Four Seasons, we will get a better picture of how much money we will have to spend. She believes it is important to budget items in order to control costs and maintain our HOA dues at the current level.

Jolene, who has been on the Finance Committee for the past year and a half, said Finance has been working with the committees at Four Seasons to budget for items needed in the upcoming year. The committees have been meeting with Finance and presenting those projects and items they need so they can be reviewed, approved, and budgeted for the next fiscal year. Jolene said she looks forward to working with all the committees at Four Seasons, and to do what is best for all our residents.

She said while she does enjoy being retired, she also enjoys being busy again because she has always been active and worked in challenging environments.

Jolene, welcome to the Board of Directors, and thank you for stepping up and accepting the appointment serving our community as our Chief Financial Officer. Your education and experience clearly made you the right choice for this position.

DID YOU KNOW?

By Micki Rosen

DID YOU KNOW THAT OCT. 5 IS BALLOONS AROUND THE WORLD DAY?

The first airborne flight in a hydrogen balloon took place in 1783 by Jacques Charles, who determined that it would be possible based on his study of Boyle's Law. The balloon was an amazing innovation of technologies, utilizing silk varnished in a mixture of turpentine and rubber to seal in the hydrogen. The first flight went 21 kilometers north. The balloon was subsequently destroyed by peasants with pitchforks, who thought it was a terrifying unnatural phenomenon. From there balloon technology exploded (pardon the expression). In 1824 Michael Faraday created the rubber balloon, and the rest is history.

DID YOU KNOW THAT OCT. 12 IS WORLD EGG DAY?

Arguably one of the oldest foods known to man, eggs have played an important role in our lives and health since time out of mind. They are packed full of protein and also serve as the base for some of the most wonderful culinary creations, including that most perfect of condiments for sandwiches, mayonnaise. The history of the egg expands far beyond a merely culinary concern; the egg has had great importance in multiple cultures for reasons both decorative and religious. Consider the Easter Egg, and those fabulous Faberge Eggs, which were prized even by Czars.

DID YOU KNOW THAT OCT. 14 IS DESSERT DAY?

The origin of the word dessert comes from the French "desservir," a word which here means "to clear the table." This referenced the dish that came after the clearing of the main dishes of the meal. The earliest references to the term "dessert" date back to the 1600s and arrived at the same time as the concept of serving a meal in courses, letting each part of the meal be its own experience. The idea of serving something sweet following the main meal wasn't something that was always done. Those masters of decadence, the French, were known to serve a sweet wine as an aperitif, and it didn't take long before the concept of a sweet following the main dish became commonplace. The birth of the sugar and honey trade helped to bolster the dessert idea.

DID YOU KNOW THAT OCT. 16 IS DICTIONARY DAY?

Dictionary Day is held in honor of Noah Webster, the man who is considered to have fathered the American dictionary in 1758. Webster's mother was the first to ingrain in him a love of learning, but he found the quality of education at the local school to be lacking. So it was that he dedicated himself to improving the education of generations to come, in no small part by working to codify and improve the method by which information is transferred from generation to generation: language.

DID YOU KNOW THAT OCT. 18 IS CHOCOLATE CUPCAKE DAY?

The origin of the cupcake seems to go back as far as 1796, where cakes cooked in small cups were first mentioned, and the actual term "cupcake" was first seen in Eliza Leslie's cookbook. Nowadays, a microwave will let you mix and cook a cupcake in less than five minutes! Have you heard of the periodic table of cupcakes? These are cupcakes frosted in colors to match the periodic table of elements and then marked with each of the elements in black frosting.

Chicken Piccata *By Irene Welker*

Whenever I am in the mood for a lemony chicken dish, I dig out my recipe for piccata. This dish hits all the right notes for me. It has a lovely lemon-garlic flavor, is homey and is reasonably quick to make. I like it with pasta, but it may be accompanied by potatoes, rice or other grains. However you choose to serve this dish, enjoy! *Serves 4; total time, 1 hour.*

Ingredients

- 2 boneless skinless chicken breasts, trimmed of all fat and any tendons
- salt and pepper
- 1/3 to 1/2 Cup flour, for dredging
- 4 Tablespoons butter
- 4 Tablespoons extra virgin olive oil
- 1 to 2 cloves garlic, minced
- 1/2 Cup low sodium chicken stock
- 1/2 Cup dry white wine
- 1/3 Cup fresh lemon juice
- 1/4 Cup capers, drained and rinsed
- 2 Tablespoons chopped fresh parsley, for garnish
- Shredded Parmesan for garnish, if desired

Directions

1. Butterfly chicken breasts lengthwise, then cut in half at the seam. Season both sides of chicken with salt and pepper. Dredge in flour, shaking off excess. Set aside.
2. Heat the butter and oil in a large skillet over medium high heat. When the mixture is hot add the chicken. Do not crowd the pan. This may have to be done in two batches. Be sure the oil/butter mixture does not burn. Cook the breasts about three minutes until nicely browned, then turn over and cook the other side until browned, about three additional minutes. When chicken is cooked remove from pan, place on plate and cover with foil.
3. Add the garlic, chicken stock, wine, lemon juice and capers to the pan. Bring mixture to a boil, scraping up brown bits from the bottom of the pan. Allow the mixture to reduce by half, stirring occasionally to keep from burning. Taste and adjust seasonings, if needed. Add chicken and accumulated juices back to the pan. Reduce heat to a simmer and cook an additional two minutes until sauce is thickened and chicken is coated.
4. Remove chicken to a platter and pour sauce over chicken. Top with chopped parsley and Parmesan.

THERE'S
AN APP
FOR
THAT!

Apple CarPlay & Android Auto

By Steve Benoff

Make sure your next car has Apple CarPlay and/or Android Auto.

I owned my 2007 Lexus for ten years. When I would take it in for service, the dealer would give me a loaner that would show real-time traffic on the map display. I vowed then that my next car would have that feature. Last year I bought a new car, and it came with traffic information provided by Sirius XM. I'm used to seeing traffic on my phone so I looked forward to the same information displayed in my car.

It didn't take me long to realize that the traffic info I was used to seeing on my phone was not appearing in my car. I could see traffic on the 10 Freeway but not on local streets. I could see freeway traffic within a radius of about 40 miles but not beyond. One day I was driving to Redlands and hit a slow down which wasn't displayed in my car. But if I changed the screen to enlarge my immediate location, the slow down appeared. The kicker is that after a trial period I had to start paying for traffic from Sirius XM.

Sirius XM also provided music channels including a dozen hip-hop choices but only one classical music and one real jazz channel. Again, after a trial period, I had to pay to continue using Sirius XM music.

But I don't pay for lousy traffic and limited music in my car because my car is equipped with Apple CarPlay and Android Auto.

If I plug my phone into my car's USB port and select CarPlay from the menu, my phone appears on the display in my car. (I understand that some cars can use CarPlay wirelessly. That's a nice advantage.)

I can select Apple Maps and see traffic anywhere I choose – on freeways and city streets including smaller streets in Beaumont. iPhones with IOS 12 can also display Google Maps.

While I'm looking at traffic on my car's display, I can listen to music from my phone as well. This includes music I've purchased and stored on my phone as well as music from my Spotify app that I can select on my car's display.

And if I get a text message, I can choose to hear it and send a voice reply. I can listen to podcasts on my podcasts app as well. I can ask Siri to find a destination and have it displayed in my car.

All of this for free because my car came with Apple CarPlay and Android Auto. In my case, I pay for Spotify on a monthly basis because I prefer to subscribe to its premium service, but I could listen to the free version just as easily. That amount is less than Sirius XM charges for its lowest music tier and half the cost of its premium tier. Sirius XM traffic is a different charge I avoid completely because I can use the traffic provided for free on my phone.

So make sure your next car comes with Apple CarPlay and/or Android Auto. I'm sure that when you take your test drive and see traffic from Sirius XM displayed in the car and you listen to one of their music channels, you'll be very impressed. Just remember you'll soon be paying for those features when you can let your phone provide better services for less.

Do you use an app you'd like to share with others, let me know at steve.benoff@verizon.net.

Pet of the Month: **DAISY**

Hello! My name is Daisy. I am part Beagle and part Cavalier King Charles. I've got the best of both breeds with the Cavalier chestnut markings around my eyes and my ears, and my soulful Beagle eyes and happy wagging tail. My birthday is just over a month away on Nov. 29. I can't believe spunky and affectionate little ol' me will be nine years old!

I was one year and three months old when my Mom and human sister found me at an Orange County pet store which was closing down. I was very thin and very hungry. It was the best day of my life when I went home with my new Mom and sister. I didn't know what grass felt like because I had always lived in a cage. I was so happy to meet my other human sister, too. My new family already had another dog named Kiki and she was Dad's favorite. But Dad has grown to love me too. After all these years together we are best buds. I love my family and I am a very spoiled dog! ~

"Daisy" is my last pet portrait for the *Breeze*. By the time you read this I will be living the retirement life with my husband, Bruce, in Las Cruces, New Mexico. I have loved meeting and photographing all the wonderful fur-kids and their pet parents who have been featured as Pets of the Month in the *Breeze*. I will truly miss this beautiful and pet-friendly community of Four Seasons! I plan to continue my pet photography in New Mexico by photographing adoptable pets for shelters and rescues, as well as growing my photography business by creating memorable portraits of pets for their families.

I am happy that the talented Elaine Hollman will be taking over the *Breeze* pet photography beginning with the November issue. Elaine volunteers her photography services at Save a Small Dog Rescue at the Beaumont PetCo. If you are interested in having your pet featured as the Pet of the Month please call or text Elaine at (949) 698-3963. ~ **Alex Woodcock**

COMMUNITY PLANNING & TRANSITION COMMITTEE

We are striving to meet our objectives for the HOA takeover from K. Hovnanian anticipated to occur at the end of 2019. The committee expects final gas company approval for the dog park anytime now. Research continues for additional storage and amphitheater modifications. The Master Plan survey will be conducted an

additional month. Three new residents were made official members of the committee: Wayne Staples, Patrick Garrity and David Brown.

We welcome homeowners' interest. Our meetings are at 9 am on the fourth Thursday of the month in the RCN conference room. Please come visit us. ~ **Johanna Ballard**

FACILITIES COMMITTEE

The purpose of the Facilities Committee is to see that the buildings, grounds, and assets are properly maintained. We inspect and make recommendations to the Board of Directors regarding the need for purchases, repairs, and maintenance of the common areas or items within the com-mon area facilities.

Three vendor quotes are required for any project, and the Facilities Committee works closely with our management to select the best vendor to recommend to the Board of Directors for final approval. A primary goal of the committee is to assist the Board in making good decisions for the community.

We also have valuable input from our residents, groups and clubs in regard to their concerns, needs and wants for our community.

Though the committee has a number of projects in progress at any given time, we always have a job priority list. This list helps the

Committee and Management work closely together to focus on the most urgent concerns.

The Facilities Committee has moved forward with a vendor for the roof repairs required at The Lodge, Spa and RCN buildings. The repairs should hopefully start this month.

The roller shades in The Lodge Ballroom, Arts & Crafts Room and the Spa building Exercise and Aerobics Room are in need of replacement. We are reviewing vendor bids on this project.

We currently have several positions open on the Facilities Committee for anyone interested in serving our community.

The Facilities Committee meets in the RCN building on the second Wednesday of the month at 10 am. We always welcome residents to join us and share their ideas or concerns. ~ **Bruce Lewis**

RULES & REGULATIONS COMMITTEE

It's a good day to get some exercise so you go to one of our gyms to walk on the treadmill and enjoy classic rock on the television. Suddenly your workout is disrupted by the person on the treadmill next to you talking on a cell phone. You also realize that another person is listening to the radio which you can hear.

Is this allowed? The answer is no. The Community Guidelines list the rules for the workout rooms. The use of the equipment is for residents or tenants only. Children and adult guests are not allowed. You must wear proper workout attire including athletic shoes and clothing. The use of the equipment is on a first-come, first-serve basis and you must limit your cardiovascular equipment usage to 30 minutes when others are waiting. There is no saving of equipment allowed. Please no slamming or dropping of weights! And definitely no cell phone use or using audio or video devices without headphones.

Each resident or tenant is requested to use a towel or the provided sanitary wipes to wipe equipment down after use. No food or beverages are allowed other than liquid in sealed plastic containers.

All equipment is to be used in a safe and correct manner as posted or deemed by the staff and the use of the equipment is at your own risk. If at any time you feel exhausted, over-heated or light-headed, please stop exercising and inform a staff member that you may need assistance. The Board of Directors recommends that all persons have a physical exam before starting or continuing with an exercise program.

Many other activities are available for physical fitness including our trail system. Keep in mind, though, that strollers are not allowed on the trails and guests (adults and children) must be accompanied by a resident at all times.

As active adults, taking physical fitness seriously is important. We are fortunate to have the choice of several work out rooms and a variety of different types of equipment. So put on that proper workout attire and give it a try.

The Rules & Regulations Committee meets on the second Tuesday of the month at 9 am in the RCN Conference Room. Join us! ~ **Margie Chadburn**

EMERGENCY PREPAREDNESS COMMITTEE

The fall begins our season of Emergency Preparedness — September is Emergency Preparedness month and October brings the statewide shake out and many hospital drills. We should check our readiness for an earthquake, fire or chemical spills. You should have a plan of where you will go if you are asked to leave and you need to check the contents of your emergency kit. Here are some must-haves:

- Water: one gallon per person per day, for drinking and sanitation.
- Food: have at least a three-day supply of non-perishable food like dried fruit, meat or fish, or protein bars and canned goods.
- Battery Powered Or Hand Crank Radio and a NOAA Weather Radio with tone alert and extra batteries for both.
- Flashlight and extra batteries
- Local maps
- First aid kit
- Whistle to signal for help
- Dust mask, or cotton t-shirt to help filter the air
- Wrench or pliers to turn off utilities
- Can opener, for food (if the kit contains canned food)
- Plastic sheeting and duct tape to shelter in place.
- Moist towelettes, garbage bags and plastic ties for personal sanitation

FEMA offers an Emergency Financial First Aid Kit. (EFFAK) The kit covers Four Simple Steps to Financial Preparedness.

1. **ASSESS and COMPLETE:** Gather your important documents and contacts.
2. **REVIEW:** Review your insurance policies and financial paperwork to be sure that they're still accurate and current.
3. **SAFEGUARD:** Store paper and electronic files in safe locations.
4. **UPDATE:** Revisit and update this kit often. Updates are especially important when certain changes in your life occur.

There are also sections on how to protect your identity and important information. They also tell you how to keep Electronic Records Safe. The Emergency Financial First Aid Kit is available from FEMA. Call (800) 480-2520. Allow four to six weeks for delivery. It is also available as a free download online at: readygov/financial/preparedness and operationhope.org. The download is 36 printed pages, perhaps even double with pictures and illustrations.

Be ready for the next disaster. Come to the next EPC meeting on Tuesday, Oct. 16 at 10 am in the RCN Conference Room. ~ **Mike Mendoza**

LANDSCAPE COMMITTEE

A powerful summer sun has inspired many of us living in the Four Seasons to spend many, many hours inside our homes. Don't forget that, just like you, your thirsty plants and lawns need water and nutrients. Don't neglect them!

The Landscape Committee is walking, surveying, and evaluating replacement needs. Help us help you! We focus on keeping our community beautiful so if you need assistance, please visit The Lodge, and ask for request forms. The Landscape Request Form is also available on the website: fourseasonsbeaumont.org under "Forms." We get to completed forms as quickly as we can.

May we share a sigh of relief with you that our hot, hot summer will soon end? We are all ready for the cool breeze to arrive, letting us know that autumn has begun. ~ *Lynette Simonson*

FINANCE COMMITTEE

At our meeting on Aug. 26, the financial statement for the month of July 2018 was reviewed and recommended for BOD approval. Highlights of the July financial report follows.

Total assets are \$8,443,333 including checking \$233,208 and reserve assets \$6,781,137. Operating money market and CDs totaled \$1,267,843. Total liabilities at this time are \$250,819 and total equity of \$1,411,377. There was a net income loss for the month of \$2,689. Net income and operating expenses remain a key focus of

the Finance Committee. Front yard cost center expenses were over budget by \$10,590 and Springdale cost center expenses were under budget by \$301.

Five vendor proposals were reviewed. All proposals were recommended for board approval. Five committee persons and Jolene Cooley, Board Liaison, were present. There is an opening on the Finance Committee. If you are interested, please come to our next meeting on Sept. 25. ~ *Barry Ginnetti*

AERIAL TRAM COMMITTEE

The Aerial Tram Committee is pleased to present the plans for the Aerial Tram system in Four Seasons Beaumont. We have been working with the architectural firm Williams & Sons out of Palm Springs to design an efficient and safe system.

The main station will be located at The Lodge. From there, riders can go to The Summit, Main Gate, or the Windmill Bridge. From the Summit station, they can travel to The Courts and then to the Windmill Bridge.

Construction will begin immediately and the system is slated to be complete by February, 2020. We are also reviewing plans for stage two of construction that will connect each street, and eventually, each home.

The cost will be approximately \$38M and HOA dues will rise to \$5,000 a day. ~ *Barry Goldwater*

ARCHITECTURAL REVIEW COMMITTEE

As has previously been discussed in these articles, the Architectural Review Committee is always dealing with changes. Many times the changes reflect shifts in popularity of landscape features. Recently the ARC has processed several requests for front yard patios or courtyards. These requests are coming from owners of newly constructed homes as well as owners of older homes who want to update their landscape.

Patios and courtyards can be both useful and attractive additions to front yards. There are a few requirements that must be met when making this type of change. These are:

- No more that 50 percent of a front yard can be non-pervious (prevents water from flowing through) surfaces.
- At least one-third of the remaining front yard shall be living plants.
- Patios, courtyards, and other hardscape may not extend beyond the corner of the house and may not extend beyond nine feet from the front of the house and must have at least 10 feet between the street side of the patio or courtyard and the inside edge of the sidewalk.
- Surrounding walls must be between 30 and 36 inches in height including any lights on the wall.

The ARC reminds you that you must meet these requirements to receive approval to install a patio or courtyard in your front yard.

SAFETY COMMITTEE

Walking is a favorite activity for many Four Seasons' residents. A June 2017 Recreation Survey conducted through the Daily Report surveyed residents to find out what activities they enjoyed in the community. Walking ranked high on the list of enjoyed activities. Of the 432 responses to the survey, 75 percent or 324 residents said they walked daily. Walking is both a fun and healthy activity and should be done with safety in mind. The Safety Committee has looked to the National Safety Council for safe walking tips. Walkers may consider the tips helpful for a safe walking experience.

- Become well-hydrated before walking. Drinking one or two glasses of water one to two hours before walking helps the body to reach a comfortable level of hydration.
- Dress correctly. Wear light-colored or reflective clothing like shocking-pink or brilliant orange. Even walking shoes have reflective material on the heels.
- Wear proper footwear. Walking shoes have some features that other shoes do not have.

Walking shoes are usually lightweight and have good shock absorptive qualities.

- Carry ID. Always carry some form of identification in case of an accident or medical emergency.
- Walk on the sidewalks or trails. Avoid walking on the street and walk defensively. Only cross streets in designated crosswalks and look both ways before crossing. Make eye contact with drivers of oncoming vehicles to make sure they see you.
- Limit use of headphones and electronic devices while walking. Noise-canceling headphones should be a no-no while walking. The potential for injury while texting is also great.
- Know when to stop and take a break. Even if you are a well-seasoned walker, know when to cut your walk short and be alert to any medical symptoms you may be experiencing.

The Safety Committee meets the first Tuesday of the month at 10 am in the RCN Building. We welcome all. ~ *Kaye Harvey*

Adding care for Medicare.

Granted, there's a lot to consider when choosing your Medicare options. Which plan fits best? And will the right doctor be available if I need one?

We've added more doctors—with more to come.

While Beaver Medical Group already has more primary care doctors directly serving our community than anyone else, in the past six months alone we've added over **20 new doctors and providers**, particularly in high-demand specialties like neurology, orthopedics, OB/GYN, and family medicine. But we're not stopping there: we plan to add 20 more in the coming months. It's a long-term investment in the health of our 65+ community.

Turning 65? Medicare open enrollment starts soon.

Throughout October and November, Beaver is sponsoring **free seminars** explaining the different Medicare benefit plans and supplements. Each seminar lasts about one hour, and no reservations are necessary.

NEIGHBORHOOD WATCH

"Don't be Grinched this Holiday Season" was the theme for last month's Neighborhood Watch meeting. Two Beaumont Police Detectives as well as the Steering Committee Members gave suggestions about holiday safety. The suggestions included

secure holiday delivery, ways to keep your gifts hidden from the view of thieves, the personal safety of your credit cards and money, etc.

Residents were cautioned about becoming involved with suspicious characters in our neighborhood. "We are not vigilantes," said former police officer Mike Corbett. He cautioned that we, as regular citizens, are not trained to handle desperate people who may do us harm. Calling the local police, who are happy to respond, is the safest and best

action when residents "see something." Although our motto is "See something, do something," we need to realize that doing something means calling the authorities, those who handle these situations daily and who know what to do.

Future meetings are scheduled and will include community awareness topics ranging from the new Beaumont Library acquisitions to the rich, interesting history of Beaumont and Banning.

Regular meetings are the second Wednesday of each month with quarterly block captain meetings as well. If your area doesn't have a block captain or one that is inactive, and you would like to help, please call Donna Lewis, Block Captain Leader, (909) 831-9536. ~ **Andi Henderson**

DON'T BE GRINCHED!

SPANISH CLASS

Spanish is back! I'm going to start the Spanish Class this year beginning Monday, Oct. 8 from 1:30 to 3 pm. The class is offered for beginning only, intermediate and advanced classes will be in the future. If you are interested please sign up at The Lodge. Let's have fun!

Any questions contact me, Paty Bushnell, at (951) 922-0141. ~ **Paty Bushnell**

MIXED MEDIA ARTS CLASS

Teacher Rob Kelman

This is the perspective of the artist of the month, Diane Hatchett:
I joined Rob Kelman's art class three years ago and during that time, I've managed to produce some pieces that have both pleased and surprised me. This past year I've been working in acrylics which a was totally new medium for me. I had used oils years ago and thought the transition would be easy. They are not the same! With Rob's guidance, I learned how to appreciate the differences and make them work for me. I'm still learning and Rob is always there with good ideas and suggestions.

Work by Artist of the Month Diane Hatchett

My result is this picture of the month.

The class is full of fun people who are finding out just how talented they really are. It is a constant surprise to all of us just what we can accomplish with a little nudge and a lot of encouragement from Rob.

If you're wondering if you have an inner Rembrandt or Picasso, this is the place for you to take that first step.

Classes are FREE and are Mondays 10 am to 12 noon and/or Wednesdays 6 to 8 pm. Any questions, call Rob Kelman at (951) 992-9156. ~ **Rob Kelman**

TASTE D'VINE

We have a very interesting and helpful subject being presented at our October Taste d'Vine Wine Club Meeting.

Mr. Glenn Richards will be discussing "secondary label" wines during his presentation of "Neighborhood Quality Wines at a Reasonable Price."

Glenn started working in the Wine & Spirits industry while still in college at San Diego State. Over the years, he has worked for Gallo Wine, The Wine Spectrum, Seagram Fine Wines, Buckingham Wile Imports, Chateau St. Jean and Gannon Wine & Spirits. His varied background gives him an in-depth understanding of the wine industry and exactly what it takes to bottle a great wine.

Please join us at our meeting on Oct. 18 (the third Thursday of the month) in the Ballroom. Doors open at 5:15 pm with the meeting starting at 6 pm. Please bring a favorite wine to share with your table along with an appetizer such as crackers, cheese, fruit, dessert or anything in between along with two glasses for tasting.

Members \$5, guests \$10, and non-resident guests \$15. For information, please contact Terry Hall (714) 369-0828 at Terryhall005@gmail.com; or Barbara Mull at BarbaraRN1973@gmail.com. ~ **Terry Hall**

COUNTER CULTURE CINEMA

Come join us this month for two more films you probably didn't catch at the local Cineplex, the second of which is one of the best-reviewed films of this year.

Our first monthly screening, on Sunday, Oct. 14 at 6 pm, is the film *Kodachrome* (USA 2017, 1 hr. 45 min., English). Here is a brief description from IMDb.com: "The film is based on A.G. Sulzberger's 2010 *New York Times* article 'For Kodachrome Fans, Road Ends at Photo Lab in Kansas' about a father and son who take a road trip to Kansas in order to develop photographs at Kodak's last Kodachrome lab before it closes its doors forever."

Our second monthly screening, on Sunday, Oct. 28 at 6 pm, is the film *Won't You Be My Neighbor?* (USA 2018, 1 hr. 34 min., English). Here is a brief description from IMDb.com: "Charmingly soft-spoken yet

powerfully incisive expressing his profound ideals, Fred Rogers was a unique presence on television for generations. Through interviews of his family and colleagues, the life of this would-be pastor is explored as a man who found a more important calling to provide an oasis for children in a video sea of violent bombardment."

All of our screenings are followed by lively discussion about the film; we'd love to have you join us. The Lodge Theatre has very limited seating, so if you're interested in our screenings, come early; we hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please email Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

FOUR SEASONS VETERANS

The Veteran's Club at Four Seasons was formed in September 2013. Our mission was to recognize all the veterans living here at Four Seasons. To date, we have 115+ neighbors recognized as Veterans of the many wars our Nation has endured. These Veterans are recognized in our Honor Roll website, www.fourseasonsvets.org.

Our club is quite unique. We do not have structured meetings, dues, or costs. Your military service to our country has you paid up for life. ~ **Irve Sturmer**

COMPUTER TECHNOLOGY

The Computer Technology Group meets on the second Tuesday of each month at 10:30 am in the RCN building. We try to announce the current month's subject via email before the meeting so, if you are on our mailing list, watch for subject announcement.

During October's meeting we will discuss "Staying Safe Online and Preventing Identity Theft," a useful subject for our time.

Everyone is welcome to attend the meetings and learn some valuable things about our tech devices. We encourage discussion and suggestions for future meetings. ~ **Howard Lyon**

MAH JONGG

Everybody is welcome to join us for Mah Jongg at 12:30 pm on Mondays in the Rec Center North. We accept beginners and offer coaching for those who have not played in several years. A current Mah Jongg card is required but you can borrow or copy one until you get your own. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Barbara Goodreau**

PAN

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so all are very welcome. The game can be played in the day, evening, in a room in The Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100 or email Goldtoy@earthlink.net and I will answer any questions you may have. As are all card games, it is played with both skill and luck. ~ **Linda Mendelson**

CANASTA #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the Card Room from 12:45 to 4 pm. Table assignments are distributed at 12:45 pm. Each week, you may play with someone different, giving you an opportunity to meet new friends and/or visit with old friends. We supply the cards, so just bring yourself and a desire to have fun. If you don't know how to play, we are always happy to set up a teaching table — by the end of the afternoon you will have mastered the game. Come join us. ~ **Pam Morales**

BUNCO

We play on the second and fourth Fridays of the month. Bunco is very easy to play and it's a great way to meet new friends. We meet in The Lodge Card Room at 1 pm sharp. Please be on time! ~ **Emma Hajdukovic**

PINOCHLE FOR FUN

Join us! Whether you are a seasoned player or new to the game, we welcome you. Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This stimulating game is a time-honored favorite. Winning is not just the luck of the draw; it is a thinking game which teases the mind and keeps it sharp. We play with a Pinochle double deck of cards, Ace through 10s. We meet at The Summit Mondays and Wednesdays from 10 am to 12:30 pm. Our Chair is Karen Farmer. ~ **Karen Farmer**

HEARTS

All are welcome. The game is played with a single card deck, no jokers, and 52 cards. We play three, four, or five at a table. No scheduling necessary. We play on Tuesdays at 6 pm in the Card Room next to the Library. A group has played here at Four Seasons for nine years. Seating is random draw, no partners, individual scores. It is easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions, call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

RUMMIKUB

Join us Sundays from 2 to 4 pm. Please try to show up by 1:45 pm as we always welcome help setting up. Have fun with new friends and old friends. Rummikub is played at a table with tiles and a holder for each player's tiles. Players begin with 14 tiles. Initially a player "goes down" putting out a group of at least three tiles totaling 30 points. If unable to play, then you must draw one tile from the remaining Rummikub tiles. Play ends when one person uses all their tiles. Remaining players then add the total numbers of their tiles for a score. Zero is the best score.

If you like Rummy and mah

jongg, then you would certainly like Rummikub. We play in The Lodge Card Room. We also will set up a learning table for newcomers. Hope to see you there. If you have any questions, call Mike Saperstein, (951) 769-7909. ~ **Mike Saperstein**

BRIDGE FOR FUN

It's hard to believe how fast each year goes. Amazing it is already fall! If you are thinking about a new activity, consider playing bridge. As the only organized rubber bridge group in Four Seasons we always have four tables and sometimes five. We have welcomed some new homeowners over this past month looking for a fun group to spend an afternoon with playing cards. We have so many regulars that we have to ask new players to be substitutes until we have an opening. We have all levels of players from beginner to intermediate so please don't feel hesitant about joining our group or even just coming to watch and see if bridge is for you. We are a friendly group that meets in The Lodge Card Room every Wednesday at noon. For more information, contact Verina Rector at (951) 769-1687. ~ **Tom Halley**

OPEN BRIDGE 4 FUN

Join in Mondays at 12 noon in The Lodge Card Room. No scheduling, no buy-in. All welcome. We play and rotate until approximately 3:30 pm.

Experienced players will help less experienced. If there is a small turn out, we play Honeymoon Bridge for two players or cut-throat bridge for three players. Come have fun.

For more information, call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

August's Domino champ, Jesse Dimmer

CO-ED BID WHIST

Hey everyone! There is a new card-game playing group in town, Co-Ed Bid Whist Players. We meet every Monday (except holidays) from 6 to 8:30 pm in the RCN Building, Activity Room 3. Bid Whist is a partnership game with two teams playing against each other in a fun-filled and competitive environment which includes scoring, bluffing, 'trash talking,' and skill. We welcome players of all levels, veteran and newbies. You can come as partners or solo! We will match you up with other players. We will also have a table set aside for players new to the game; they will get coached by veteran players in a "hands-on" game. We are a totally separate group from the Uptown Divas Bid Whist Group, for whom we have much love and support. So, if you want to learn bid whist and/or 'want to get your bid game on' come out and check us out. For more information, contact Roxanne Williams at (951) 797-3123 or Floyd Reid at (951) 317-3127. ~ **Roxanne Williams**

UPTOWN DIVAS BID WHIST

Uptown Divas Bid Whist Group meets on the first and third Friday every month from 2 to 4 pm in the Game Room. ~ **Deborah Garner**

PHASE 10

In Phase 10, the lower the score the better. The average winner can have a final score well into the hundreds. Phase 10 is a very easy game to learn and, besides that, it's a lot of fun. Numbers are drawn to establish table groups of four players.

There is always a training table. Join us on the second Monday of each month at 4 pm or the third Saturday of each month at 3 pm. ~ **Cheri Howard**

DOMINOES

Jesse Dimmer was the domino champion for the month of August with 22 game wins. Jesse got out in front of the other players and ran like a scared rabbit, nobody was able to catch him. In the past few months Jesse has shared the spotlight with Robert Turner, John Bragg and Marvin Gaines. It is great to have Jesse in the spotlight all by himself. Congratulations to Jesse.

In September, the Domino Group will start a quarterly domino championship playoff. Whoever wins the double elimination competition will have their name engraved on the Domino Group trophy. The winner will be able to take the trophy home for one month to share with their family and friends. Good luck to everyone.

Dominoes are played every Wednesday and Friday from 5 to 9 pm in The Lodge Game Room. Come out and join us and make some new friends. Practice is from 5 to 6 pm on both days. Jesse Dimmer is usually available to give you help and tips on the game of dominoes if needed.

For more information, call Jesse at (951) 769-2035 or Reggie at (951) 769-6483. ~ **Marvin Gaines**

AMPHITHEATER

The summer concert finale offered a "Yippie ki yea," along with a calf-roping contest and some boot-stomping tunes. The Amphitheater was filled to capacity, plus folks on the lawn and in the pool area. This season drew the largest audiences to date with more than a total of 1,400 people for the season.

As always, many hands ready our Amphitheater for a musical evening under the stars. The committee is chaired by Mark Lassen with members Mary Cristalman, Toni Finer, Larry Goodreau, Doris SanFilippo, Andy Shipper, and Stan Sweeney and last, but not least, Cindy Graves. Of course, the support of our Four Seasons Board members is much appreciated.

As with any concert, there is a cadre of volunteers hard at work

to ensure the concert is a smooth running event filled with good music and fun surprises. The morning of the concert, the Technical Production team (John Barilone, Jeff Davidson, Larry Goodreau, Mark Lassen, Michael Rothberg, Andy Shipper, Stan Sweeney and Colin Taylor) ensures all the sound equipment is in place and functioning properly. Late in the afternoon they return to help the guest artists with their equipment; after the concert, the process is reversed. They help load the band's equipment back into the vans and return our equipment to The Lodge storage area.

We are looking forward to next year's series of concerts - with more good music and more fun surprises during each concert. ~

Doris SanFilippo

PERFORMING ARTS CLUB

Even though this is the the month of Halloween, I have no boos or cackles for our Four Seasons community. Instead, I have thanks and appreciation. You've really been supporting the Performing Arts Club's shows with outstanding numbers of attendees and helping us out with your appreciated contributions. I can't thank you enough!

We had a record number of audience members for our Radio Shows in August, as well as for September's *Love & Marriage II* show. We are thrilled to have you appreciate what we're doing for you, your fellow residents, friends and family members. With your contributions, you help keep all of our shows at no charge. This also gives us the opportunity to supply our actors with props, costumes, and more. It also helps our Four Seasons Singers with their risers, and our technical crews with improved lighting and sound, all resulting in better and more enjoyable performances.

Holiday Show, Friday, Nov. 30, and Saturday, Dec. 1, will be the next 'BIG' spectacular! John Horning is the Producer and if you've ever attended a previous John Horning show, you know it will be a sell-out and totally entertaining. Titled *World War II in the South Pacific*, our choir, which is growing in numbers and sound, will open the show by serenading you with wonderful holiday songs. Several singers, line-dancers, and comedians will mimick the style of Bob Hope's USO shows. I have wonderful memories of watching Bob Hope and his cast of well-known celebrities on TV when I was much, much younger. This show will be performed over two nights to hopefully accommodate everyone who wants to attend. Free tickets will be available in either late October or early November. Please ask the Front Desk for more specifics.

The Holiday Show will be the last of our performances for 2018. If you have ideas for shows you would like to see in 2019, please call or email me, (see below), soon! I will take your responses to our 2019 planning meetings in October and November. We hope to continue bringing you many more shows for your enjoyment.

You can contact me via email, at terimk@verizon.net or by phone, (951) 992-9156 or (602) 309-0919. ~ **Teri Meyers-Kelman**

LET'S DANCE (BALLROOM DANCE)

We have been happy to welcome some new faces to our lessons! Remember, learning to dance requires two things: an excellent instructor and a willingness to learn. We provide the first, you provide the second. We all start the same way, knowing little or nothing about dancing, and learn as we go. If we can do it, so can you. We dance at the level at which we feel comfortable. It doesn't matter if we can do all the moves or just a few. We're not trying to master every technique and style, just enjoy ourselves.

Our dance for October is the Samba, also known as the Brazilian Waltz, a fun and lively dance we know you will appreciate. It is very similar to the Nightclub Two Step, and we will show you how you can

use the interplay of these two dances. So, you will be getting two for the price of one!

Samba is a fun and flirty dance, a dance of celebration and joy. It's surprisingly similar to the Waltz in many aspects. It is a great one to know for cruises and dinner dances.

Plan to join us in The Lodge Ballroom on Monday nights. Newcomers and beginners meet from 6 to 7 pm; intermediate and advanced meet from 7 to 8 pm. The cost is \$10 per person.

For more information, contact Puring or Gary Stifter at (951) 922-8333, or purings@verizon.net. ~ **Sue Condurachi**

LINE DANCING

If you want to be more active and have fun doing it, join us on Tuesday afternoons for Country Line Dance in the Ballroom.

Dancing is good for the body and the brain, and it is a lot of fun.

Martha Franck volunteers her time as our leader. A weekly donation of \$1 will go toward our parties and sock hops.

If you have never line danced or if it has been a while and you need a refresher, a Beginner's Class is held every Tuesday at 2 pm in The Lodge Ballroom. The first class is Oct. 2. The teacher is Janine Rohrbacker.

It takes about eight weeks to master the basic steps. Please plan on regularly attending, especially the first two to three weeks of the month, to learn the basic steps. Dances will be repeated each week to make sure you are ready to move on to some new dances and steps. The classes will give you a great introduction to many of the dances we do at the Sock Hops and at Karaoke. We try to dance as often as we can.

Line dancers in action

The Intermediate Class starts at 3 pm. There is less step-by-step teaching, except for new dances. A quick review of the steps will be done as needed for familiar dances.

The Advanced Class starts at 3:45 pm. New dances are introduced, but you need

to know the basic steps well, and be an experienced dancer.

Bring water and wear shoes that can slide on the wood floor... and bring your friends.

WOMEN'S EVENING BIBLE STUDY

All ladies are invited to fellowship and grow in God's word. In October our study will be on WISDOM. We have invaluable life experiences that have given us a wealth of wisdom. Let's share those experiences with one another. In the Bible, God gave King Solomon the gift of "wisdom and very great insight and a breadth of understanding as measureless as the sand on the seashore." We receive gifts and blessings on our birthdays. As I age I don't think

of getting older. I am thankful for receiving the gift of getting wiser!

We gather together on Oct. 11 and 25 from 6:30 to 7:45 pm in The Lodge Game Room. Invite a neighbor or friend to join you in our non-denominational study. There is a sign-up sheet in The Lodge and you may contact Mary at baerhuggy@aol.com for more information.

For wisdom is more precious than rubies, and nothing you desire can compare with her. -Proverbs 8:11. ~ **Mary Baer**

CHAVURAH (HA-VU-RAH) JEWISH SOCIAL CLUB

The Chavurah (Ha-vu-rah), an informal social and cultural gathering group providing an opportunity for the community to connect to Judaism, welcomes all interested residents who want to participate in Judaism's culture and celebrations. In the next months, we have planned several outstanding events.

The next event is Trivia Night is Oct. 7, at 6:30 pm in the RCN, with Grand Trivia Master Joe Barletta. Come for the fun, food and prizes, and meet new friends. All events include a \$1/pp donation. The entire

community is welcome every first Sunday of the month. Look for the 'Trivia Night' flyer in The Lodge and the Daily Report.

Our monthly 'Jewish Movie Night' is on the third Sunday of each month. Before the movie is a dessert potluck in the Card Room in The Lodge at 6 pm, followed by the movie at 6:30 pm. Movie Nights resume Oct. 24. This month's movie is *The Women's Balcony*, a wonderfully good-hearted, rousing tale that puts the men and women in an Orthodox community in Jerusalem to

a social test. We hope you attend this very interesting, rollicking event. All residents are welcome. For more details, look for the flyer in The Lodge.

For more information about these events and to be put on our email list, contact us at chavurah.time@aol.com, or contact Nancy Justice (Movie Night) (951) 769-5804; Sandi Barletta, (951) 524-0237 (Trivia Night); Dr. Zee & Ernie Knapp, (714) 423-4755, (General Questions) Club Coordinators. ~ **Sandi Barletta**

"BELIEVE..." WOMEN'S BIBLE STUDY

In September we finished our 17-week series Blessing Blockers with: *Despair v. Hope, Our Will vs. His Will, Ask!* and *Recognize and Give Thanks*. This has been a very interesting series, with lots of class discussion and interaction, sharing of experiences, learning what the Bible has to say about these blessing blockers, and how to rid them from our lives, so blessings will flow.

In October we begin a new series about the Psalms: What are they? How did they originate? Who wrote them? What do we learn from Psalms? This will be a beautiful study and bring us to the December Christmas season.

On Dec. 14 we have our annual Christmas party in the ballroom. This will be a different party than we have had in the past, as it will have a fully-prepared dinner, and several entertainment segments.

Hopefully, this celebration propels us into looking at the Christmas season in a new light and focusing on the true reason for this yearly celebration.

In January we begin a new study, *Paul's Letters*, which comprises all of Paul's writings in the New Testament. This will be an in-depth study of Paul, his life, transition, devotion, his endurance, and how beautifully he was used by God in writing most of the books in the New Testament.

If you are interested in joining an amazing group of truly devoted Christian women, please come by The Lodge any Friday from 10:30 to 11:45 am. We will welcome you with open hearts and arms. Hope to see you soon. ~ **Eileen Gilbert-Antoine**

LIFE GUIDE BIBLE STUDY

This month, we will continue our study entitled "How God Became King," facilitated by Doc Sellars. We invite interested residents to join us in learning from God's Word.

We meet every Tuesday at 7 pm in the third section of The Lodge Ballroom. Please join us for a good time of discussion and prayer. Contact Doc or Letha Sellars with any questions or comments at (951) 797-3302 or docletha72@gmail.com. ~ **Doc Sellars**

INTERCESSORY PRAYER GROUP

Greetings, intercessors, friends, and neighbors! We cordially invite you to come and join us on Monday, Oct. 1 in the Game Room at 9 am for intercessory prayer. Come and give all your cares to the One who is ever interceding for you.

Love is the greatest gift one can share. Mother Teresa showed us how to love by not just telling us to love, but showing us how to love by example. Can we follow her example? Here are some of her quotes:

Let us always meet each other with a smile, for the smile is the beginning of love.

Love is a fruit in season at all times and within reach of every hand. Love begins by taking care of the closest ones-the ones at home. If you want a love message to be heard, it has got to be sent out. To keep a lamp burning, we have to keep putting oil in it.

Peace begins with a smile. We shall never know all the good that a simple smile can do. Loneliness and the feeling of being unwanted is the most terrible poverty. Be faithful in small things because it is in them that your strength lies. ~ **Cookie Bonner**

BEREAVEMENT GROUP

A new group. A new location. The Bereavement Group began again last month after a four-month hiatus. It was wonderful to sit in our new location, the RCN Conference Room, with the cushy chairs and the privacy.

What was not new was the pain, guilt and confusion that was brought into the room. And what else was not new was the warmth, the sense of camaraderie and the willingness to share.

If you are struggling after a loss, please consider joining us. You will find caring people who are trying to make sense of their new life, the one without the loved one. You will be welcomed.

We meet on Mondays from 1 to 3 pm. You can just show up or you can call or email me first at (951) 922-0934 or lauriemlarson425@gmail.com. All contact is confidential, as are our meetings. ~ **Laurie Larson**

New TOPS Officers Claudia Rozzi, Pat Whalen, Marjorie Melendez, Joanne Thompson, Donna Williams and Cathy Calhoun, with outgoing Co-leader Pat Pendergraph

TOPS

The TOPS group held their annual Officer Installation on Aug. 21. Pat Pendergraph, the group's outgoing Co-Leader, presided over the installation of the new officers. Cathy Calhoun is the current Leader of our TOPS chapter, with Donna Williams as Co-leader and Marjorie Melendez is the Treasurer. The group's Secretary is Joanne Thompson, with Claudia Rozzi and Pat Whalen serving as Weight Recorders.

Also recognized at the meeting was Mike Saperstein, who has been at his goal weight for 20 years now and holds the title of KOPS (Keeping Off Pounds Sensibly) member.

The TOPS group had a Take Five Off contest, that took place from January to June, of this year. Each member was challenged to take off

at least five pounds during that period. A total of 51 pounds was lost by the group, a very nice accomplishment.

A new contest was introduced recently, Take Five More Off, which will run from July through December.

The Best Loser for the month of August was Marjorie Melendez and the Runner-Up Best Loser award went to Jerry Thompson. Congratulations!

The Four Seasons TOPS group meets every Tuesday at 8:30 am, at The Lodge. Weigh-ins are from 8 to 8:30 am. New members are always welcome. If you have any questions or need more information, please contact Cathy Calhoun at (951) 849-2614. ~ **Vivian Walker**

BOOK CLUB

The Book Club selection for October is *The Art Forger* by B.A. Shapiro. This summary is provided by Amazon: "Almost 25 years after the infamous art heist at the Isabella Stewart Gardner Museum — still the largest unsolved art theft in history — one of the stolen Degas paintings is delivered to the Boston studio of a young artist. Claire Roth has entered into a Faustian bargain with a powerful gallery owner by agreeing to forge the Degas in exchange for a one-woman show in his renowned gallery. But as she begins her work, she starts to suspect that this long-missing masterpiece

— the very one that had been hanging at the Gardner for 100 years may itself be a forgery. *The Art Forger* is a thrilling novel about seeing — and not seeing — the secrets that lie beneath the canvas."

Please join us in The Lodge when we discuss this book at 9:30 am on Tuesday, Oct. 9. November's selection will be *Artemis* by Andy Weir. We always welcome everyone interested in our discussions, whether you have read the book or not. For more information, please call Doreen Sanders at (951) 769-1913. ~ *Luanne Kenyon*

WRITERS' CLUB

Writers' Club always meets on the second Tuesday of the month, Oct. 9 at 1:30 pm. Members may also meet at noon in the bistro, email ahead for lunch confirmation details. Our meeting agenda will include final planning for the October Craft Fair, Saturday, Oct. 20, at which the Writers' Club will have a table. All residents who have published books are welcome to join our effort to present our books for possible sale to the public. Writers' Club participation is not required, only residency is required.

Any writers' group exists to encourage and assist anyone who ever dared to think about writing something others might read. It can be scary as one opens oneself to public evaluation. Aspiring writers are always welcome, and members will always offer help when desired. For more club information or lunch details, email Ed Paules@aol.com.

Ed Paules just published a book, *Who's Accountable? How Money in Politics Caused the 2008 Financial Crisis, How We Can Solve This Obvious Problem the Elected Chose To Ignore*. John Baeyertz drew the cover art work and took the author's photograph, and Jean Laurin-Lawrence edited the book. Karla and John Noonan's daughter Jenae, an occasional writers' club guest, formatted the manuscript, registered the book, and uploaded the book to Amazon.com. ~ *Ed Paules*

AFRICAN AMERICAN CULTURAL CLUB

READINGS IN AFRICAN AMERICAN CULTURE

"Sometimes, I feel discriminated against, but it does not make me angry. It merely astonishes me. How can any deny themselves the pleasure of my company? It's beyond me." ~ Zora Neale Hurston

Storytelling is an essential part of many cultures and held dear by communities whose identities have been formed in extremely difficult circumstances. This has certainly been the case for the rich African-American oral tradition. The oral tradition is extremely important for it is the only way of passing on traditions, beliefs, truths and stories.

Zora Neale Hurston was an influential author of African-American literature and an anthropologist. She was gifted in her ability to transform the spoken word into the written word. Many contemporary African-American authors found inspiration in Hurston's work. A group of young black writers including Hurston, Langston Hughes, and Wallace Thurman, calling themselves the Niggerati, produced a literary magazine called *Fire!* that featured many of the young artists and writers of the Harlem Renaissance.

Hurston published four novels and more than 50 published short stories, plays, and essays; her most popular novel is *Their Eyes Were Watching God*, written in 1937.

Hurston never received the financial rewards she deserved. The largest royalty she ever earned from any of her books was \$943.75. She died on Jan. 28, 1960 at the age of 69, after suffering a stroke. Her neighbors in Fort Pierce, Florida, had to take up a collection for her funeral. The collection did not yield enough money to pay for a headstone, so Hurston was buried in a grave that remained unmarked until 1973.

Hurston's works touched on the African-American experience and her struggles as an African-American woman. After the Harlem renaissance, Hurston's works went virtually unrecognized until Alice Walker chronicled her search for Hurston's unmarked grave in her essay "In Search of Zora Neale Hurston." It was first published in the March issue of *Ms. Magazine* in 1975. Walker also purchased a plain gray headstone and borrowing from a Jean Toomer poem, she dressed the marker with a fitting epitaph: "Zora Neale Hurston: A Genius of the South." ~ Excerpted from www.zoranealehurston.com.

CAMERA CLUB

We meet the third Tuesday of each month at 6:30 pm in the RCN Main Lobby Room. Our October meeting will be Oct. 16.

The genre for August was portraiture in the sun with different camera settings and techniques, both with and without flash. We critiqued members' photographs utilizing this genre and then our chairperson, Irve Sturner, showed a YouTube presentation on the topic.

We participated in the annual HOA Art Show hosted in The Lodge Ballroom on Sept. 14. A great time was had by all.

Our September meeting had not yet been held at the time of this writing, but our genre will be to use creativity and photograph something different. We will use shutter speed outside to control ambient lighting and flash to control the lighting on the subject.

Visitors are welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings, workshops, in-house hardware and software demonstrations, guest speakers, field trips, and more. We hope to see you soon. ~ *Lyle Cameron*

KIWANIS CLUB OF BEAUMONT

Our club enjoyed selling apple strudel and ice cream at the Oktoberfest, sponsored by the Beaumont Cherry Valley Recreation and Parks District, last month. Our strudel was provided by the Haus Bistro of Calimesa. Thank you, Margie and Henry Haverland, it was the best! This is one of our many events where the proceeds will go toward high school scholarships and youth service programs.

President Jim Bice turned over the gavel to Sue Pensak, our new 2018-19 president. Sue, who has been club secretary for more years than I can remember, will now lead us as the Kiwanis Club of Beaumont's President. Sue is very active with many community service organizations such as Cherry Festival and Winter Wish, just to name a few.

Our next event will be Trunk or Treat at the Beaumont Sports Park,

Oct. 31. The event is sponsored by the Beaumont Police Department. Treats will be passed out in a safe environment, keeping the kids off busy streets.

We are always looking for new members. The more members we have, the more service we can do in the community. Our focus is helping the children of the world and the community of Beaumont.

The Beaumont Kiwanis Club meets in the Lodge Conference Room, every Thursday except for the first Thursday of the month. The meeting starts at 6:30 pm. Many of the members come early and order at the Bistro and eat prior to the meeting. You do not need to be a resident of Four Seasons to be a Kiwanis member.

For further information, call Buzz Dopf at (909)208-0880. Hope to see you there! ~ **Buzz Dopf**

FOUR SEASONS SINGERS

The Four Season Singers are back to regular rehearsals every Monday at 3 pm in The Lodge Ballroom. We are getting ready for our big Holiday Show. We are working on some traditional music but also some new music. We will be meeting every week between now and the Holiday Show, which is Nov. 30 and Dec. 1. We always welcome new recruits who want to sing!

Just a reminder that Susan Youel's Singing for

Seniors, which is held every Wednesday at 3 pm in RCN3, will be "dark" for October. Classes will resume in November. This is a chance to start singing again, or just start singing.

If you would like to join the singers, would like to be included in my email list, or if you have questions about the Four Seasons Singers, call (951) 797-3466 or email me at bawasco@dc.rr.com. ~ **Barbara Wasco**

CLASSICAL MUSIC CLUB

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Theater. We listen to and watch musical selections on the big screen. Each month we focus on a particular work or several selections of one composer. We also discuss current musical performances in the area. We welcome new members. Contact Steve Benoff at steve.benoff@verizon.net or (310) 413-4896. ~ **Steve Benoff**

SEASONED SOLOS

If you are single and enjoy a variety of activities, then Seasoned Solos just might be the group for you. We currently have 20 plus members.

At each meeting we discuss what is going on in the Inland Empire and plan activities for the coming month, from local lunches and dinners to excursions to presidential libraries, Redlands Bowl, Metro Link trips into LA and the beach train to San Juan Capistrano. There's not much that we won't consider doing.

We meet on the first Friday of each month in The Lodge Craft Room at 6 pm. For further information call Joyce at (951) 850-3055. ~ **Joyce Olson**

THE 8-BALL CLUB

During our 8-Ball in-house tournament I was fortunate to survive four rounds of regular play only to be defeated by Larry Rice in the fifth round. I emerged from the loser's column to meet Larry in the final match, which he won, eliminating me from the competition.

Our 9-Ball competition this month was fun and exciting, too. Our Captain Del Lyles, Sr. went five rounds of play undefeated before meeting Richard Dipoma for the final match. Play was tough going back and forth ending in Del becoming the monthly champion.

Congratulations to Larry and Del and thanks for the memories.

This is the final article I will be writing for the *Breeze*; my wife Thanh and I are resigning our positions and will be moving out of state within the next few weeks. It has been our honor and privilege to serve as officers of a great and fun club and to have been able to assist and support our Captain and dear friend Del Lyles. Elections have been held and a new Co-Captain and Secretary/Treasurer will be carrying on the great tradition we helped build.

For now, the only 8-Ball Club officer is Captain Del Lyles, Sr., (951) 845-5114. ~ **Roland Harrah**

CUES FOR TWO

Attendance continues to grow and our 5 to 8 pm open session has gotten a little busy. Don't worry football fans. We will have the game on during billiards, if you can do two things at once... ha ha.

Results of our Sept. 13 quarterly tournament will be posted in the November issue of the *Breeze*.

If you're looking for a fun night out with your spouse this is the group for you. Please contact Leta Ramirez (626) 695-0798 or Pat Semler (714) 325-5280 if you would like more information.

We welcome our "newbies" Steve and Laura Albanese, a fun couple and great addition to our group. ~ **O'Leta Ramirez**

CURLY CUES

It's hard to believe "summer" has come and gone. Many of us have gone on vacation, visited grandchildren, or had them come visit us. We even had a few proud grandmas who brought the children in for us to meet.

We have continued to have a good group, although we were just holding one session from 11 am to 1 pm for summer. We will test our 1 to 3 pm session to see what kind of attendance we have and make a decision whether to keep the two sessions or go back to just 11 am to 1 pm.

Our quarterly Curly Cue luncheon was held on Sept. 10 at Sizzler in Banning and pictures will be posted in next month's issue of the *Breeze*.

If you're a new resident or have been here for a while you are always welcome to stop by and check us out. We really do have an awesome group of ladies and a lot of laughs.

Please contact Leta Ramirez (626) 695-078 or Pat Semler (714) 325-5280 if you would like more information. ~ **O'Leta Ramirez**

BILLIARDS FOR FUN

Wow! It's hard to believe that when we hung up our three-year plaque in 2016, that 2019 would come so quickly. We completed our second-to-last tournament of 2018 on Aug. 21. However, summer is a difficult time to have really great attendance for regular play or tournaments, because this is travel time for a lot of the BFFG members. However, we managed to hold a pretty outstanding tournament. First session winner was Mike Fisher. Yep, we had an odd number in the first session, and Mike drew the "ghost" pea, so he played as a one-man "team." Second session had a higher attendance, and the winners of the second session were the team of Johnny Ramirez and David Thomason, who did not have one loss. Thereafter, it was a "best out of three" playoff between the two session teams: Johnny and David prevailed, and Mike came in second place. (See adjacent photos of our tournament winners.) Congratulations to both teams, who prevailed in battle!

The Curly Cues again proposed a tournament against the BFFG, which will be held on Oct. 29. We understand the Curly Cues will have a "tiny" advantage in the tournament, but were not given a hint as to what "tiny" means. As a group, the Curly Cues have become so proficient, it should be a pretty exciting match-up. The first year of this match-up, the Curly Cues had three distinct advantages and prevailed for the win. Last year, the BFFG won the tournament, so this year it will be a best-guess scenario. It's always fun, and the BFFG players are always kind and courteous to the ladies.

C'mon, dust off those pool cues and come join the Billiards for Fun Group! We meet every Tuesday for two sessions: 11 am to 1 pm or 1 to 3 pm. Also there is an all-community practice on Saturdays in the same time slots. We'd love to have you join us! We double dare you! ~ **Eileen Gilbert-Antoine**

WILD BUNCH BILLIARDS

The "Wild Bunch" 8-Ball Billiards Group is geared for those individuals who want to play competitively with those of similar skill level. We started the new year with inviting the "best of the best" from Sun Lakes to play competition on Fridays, from 1 to 3:30 pm in our Billiards Room at Four Seasons. It has been a great success with the skill levels ranging from Level 4 to Level 7.

The "Wild Bunch" consists of some of the best players in the league: Joe Spinella, Calvin Moore, Lucas Don, Pete Antoine, Mike Corbett,

Carlos Rivera, LeRoy Wright, Rocket Spinosa, and Gracy Luna.

If you want to play serious, competitive pool, we invite you to come by the Billiards Room and join in the stimulation of competitive play. We do not play with partners; we play one-on-one with an opponent of similar skill level. We are always looking for those who want to play competitively and, who knows, you just may want to change up your game and play on the team!

And, most important, we have a good time! ~ **Gracy Luna**

ROADRUNNER RVERS

The Roadrunner RVers are looking forward to several trips already in the planning stages, so please join us the second Thursday of the month at 6 pm at The Lodge for our monthly meeting and get more information about our trips. We currently have excursions planned

for Arizona, Colorado River (California side), Huntington Beach, Long Beach and Chula Vista. Any questions, please call Jane Jacobson at (951) 797-3563. ~ **Susan Savaglio**

HORSESHOE CLUB

September brought some relief from the heat, but we continued to start at 8 am until the last week when we switched back to our normal 9 am time. Being summer time and members traveling and all, our attendance has been averaging 8 to 10 players each week, which is a good number with everyone getting all the playing time they can handle. We also welcomed one new member whom we'll call Hank until I get to know more about him. Anyway, it only took him two games before he started throwing ringers on us. I just love new members that come in and add a new level of competition to our weekly play. That could be you. If you are interested at all, come on down to the Summit and join in the fun. Your spouse

will enjoy being involved as well with our monthly social, which consists of dinner at The Bistro followed by dessert at a different member's home each month. This is the activity that really makes us a club, as couples. Getting to know one another socially and just enjoying the camaraderie that this brings. Speaking of social time, September's host for dessert was Dave and Suzanne Roldan which was just delicious as always with a pre-planned activity that everyone thoroughly enjoyed. Thank you, Dave and Suzanne. Can we come to your house again in October? All Seasons RV Club barbecue

ALL SEASONS RV

I am sure we all are looking forward to some cooler weather after this hot summer. The RV group usually takes individual trips at this time of year with family and friends to cooler climates.

However, we did get together for a fun barbecue at The Courts. A big thank you to Bob Cooper and Mike Ley for organizing this party, also to the group for the tasty food.

We are planning several trips the end of this year and next year to Tucson, Moab, Havasu, Death Valley, Santee Lakes, Camp Verde and Paso Robles.

We meet the second Tuesday at 6 pm in The Lodge. Contact Bob Cooper at (909) 684-6388 for more information. ~

4X4 SEASONS

On Aug. 23 eight 4-wheelers headed east on I-10 to Dillon Road in Coachella. Leaving pavement on the Berdo Canyon Trail the group enjoyed some fabulous scenery on the riverbed run with some nice walls and a few rocky challenges. The group then entered the southern trail entrance to the Joshua Tree National Park. Lunch at the Joshua Tree Saloon ended the day.

Come and join us if you own a 4x4 or would like to ride along with one of our members. We meet the second Tuesday of each month in the Arts & Crafts Room at 7 pm to plan the upcoming trip on the third Thursday. BLESSING OF THE ANIMALS

TAILS & TRAILS - ALL PETS

October will be a very busy month for Tails and Trails. Please note the time change for our October meeting.

BLESSING OF THE PETS: We will be hosting our third Annual Blessing of the Animals. The custom of the Blessing of the Animals has been gaining in popularity worldwide. This is reflected in the great participation from residents at our past events. We are very pleased, once again, to have Reverend Jean Laurin conduct the individual blessing of each animal.

Dogs, cats, birds and all other resident pets are all welcome. We will be providing water, for both pets and their humans and poop bags (just in case). This year's blessing will take place on Saturday, Oct. 6 from 4 to 6 pm at the parking lot area north of The Lodge. We hope you will join us for this wonderful, non-denominational event.

Harvest Craft Fair: Santa has his elves and we have our amazing volunteers and donors. We are going to continue our fundraising trajectory by hosting our first-ever craft table at the Harvest Craft

Fair on Oct. 20.

We will have pet-related items and a few additional items that might make for great greeting card inserts or gifts. Be sure to stop by.

If you have any hand-crafted items that you would care to donate for this event, please contact us at the email address or phone number listed below.

Our October meeting of Tails and Trails is Wednesday, Oct. 24 at 4 pm in the RCN. This is a change from our regular schedule as we explore options that will enable more residents to participate in our meetings. We will advise our members should this become permanent.

For more information about Tails & Trails or to learn how you can help, please follow us on Facebook at Four Seasons Tails and Trails, contact us at fsbtailsandtrails@gmail.com or call Martha at (951) 295-7209. ~ **Martha Baumgarten**

D.O.G.

WHY DO DOGS SCRATCH AT THEIR BEDS? *By Laura Agadoni*

INSTINCT: Pet dogs are related to coyotes, foxes, wolves and other wild canine creatures that dig dens to raise their pups. A den serves as protection from the elements and from predators. Although your domesticated canine probably lives in great comfort — with perhaps his own house and bed, and with no fear of being snatched up and eaten — he may still desire to sleep in a denlike environment, according to the American Society for the Prevention of Cruelty to Animals. Scratching at the bed is instinctual; it's what your dogs' wild kin have done for ages to soften the ground.

COMFORT: You plump your pillows or arrange your bedding just the way you like it before you sleep to get comfortable. Your dog likes to be comfortable, too. It can be funny to watch some of the rituals: A dog might head-butt the blanket, dig at the bed and spin around several times or more. Your dog is behaving as he would while gathering moss or leaves to make a relatively comfy bed outside, said James Glover, a retired New Jersey veterinarian, in Pet Peoples Place. Your dog is probably not signaling to you that he finds his bed

uncomfortable, but you could consider adding some extra padding or blankets to see whether it cuts down on or increases the pet's nesting action.

MARKING TERRITORY: Dogs, being territorial creatures, mark areas to claim the spaces as theirs. They usually do this by urinating on objects. Both male and female dogs mark territory. Dogs have other ways of marking besides urination; one is by scratching at bedding. Dogs have sweat glands in their paws, which leave a scent on bedding when they scratch at it. Dogs are more likely to take to a bedding spot if it is in an area they already consider theirs, according to VPI Pet Insurance.

At our Pack Walks all dogs are welcome and we practice techniques to calm barking dogs. Join us Saturday mornings at 8 am, in front of The Lodge, Tuesdays at 6 pm, or Wednesdays and Thursdays at 7 pm at the Summit parking lot (*note our expanded schedule!). Please, no retractable leashes.

For information about the Dog Owners Group, contact Patrick and his dog, Ricky Ricardo at dog_owners@yahoo.com. ~ **Patrick Gerety**

TENNIS CLUB

August and early September provide some of the most outstanding tennis in the world. It's just not at Four Seasons Beaumont. It's actually at the U.S. Open Championships in Flushing Meadows, New York. While the U.S. Open gets better tennis, our name of The Courts is way better than playing in someplace with "flush" in the name. If that's where they played the Great Britain Wimbledon tournament would it be called Royal Flush?

The Tennis Club had a successful August Play Day and BBQ. We have included some photos, which is good, because everybody looks at the pictures, but it is apparent that nobody actually reads the articles (unlike what we said about *Playboy*). In fact, you're probably not reading this right now. Last month in the *Breeze*, I asked for readers to share their thoughts about old balls. So far nobody has shared any ideas. Either they're not thinking about old balls or they just prefer not to share what they thought of. What a bunch of chickens! But I still have to write something every month, so this is what you get.

And you'll get this drivle for 12 more months because October begins the second year of the two-year terms of office for The Tennis Club Committee members. In the absence of impeachment (ooh, the "I" word!), I have another year to go. The club's annual meeting is scheduled for Oct. 16, so Club members and guests are welcome to register and attend. Advance registration is required, because dinner is included in the meeting.

Play Days are open to all residents of Four Seasons Beaumont on the last Saturday of the month starting at 8:30 am. Sometimes there are donuts, but always there's some fun and tennis or fun tennis. ~ **Steven Hovey**

PING PONG

Have you been told that you need to get out and be more active? Been told that you need to get a workout but the gym just isn't your thing? Ping pong may just be the answer and more. Ping pong will improve your hand-eye coordination, develop mental acuity, improve reflexes, burn calories, improve balance, and is easy on the joints. As an extra added bonus, you can have fun and meet new people. We are a fun group and are always looking for new players. Come on out and join the fun! ~ **Tracey Laykoff**

WATER VOLLEYBALL

Water Volleyball meets at The Courts on Mondays 12 to 1 pm, weather permitting — 75 degrees or higher. The water temperature is a comfortable 84 degrees. We play with a light-weight water volleyball, warm-up drills, and then the games are on. Come join the fun! If you'd like to be added to our players list, email babsmiller00@gmail.com. ~ **Barbara Miller**

PADDLE TENNIS

What an amazing hot summer this year, but the heat doesn't stop our players. The Paddle Tennis courts are set in a cool, breezy area of The Lodge grounds which makes me look forward to the play, but also maybe it's the people who play paddle that also calls me to The Courts.

How fortunate we are to be part of this beautiful, safe community. I'm reminded of that every day. Come out and play our game — we'll show you how it's done. Easy and rewarding fun.

Look for the play times in our *Breeze* magazine which also lists telephone numbers of our committee members that can answer any questions you may have regarding Paddle Tennis.

See you on the Paddle Tennis courts. ~ *Diana Johnson Ali*

PICKLEBALL

Fall is on the way and hopefully we will start to enjoy some cooler weather for pickleball. Our sport is one of the fastest growing in the world and here at Four Seasons we seem to add more players each month. The great thing about our group is we have all levels of ability from beginners to tournament players, so if you are interested in seeing what all the fun is about come on down to the courts and

join us. In October we will have several of our players competing in a large regional tournament in Claremont, California, which is about 50 miles west of us and played at the Claremont Tennis Club just below the 210 freeway. Several of us will be there to support and cheer on our friends on Oct. 7 and 8. Good luck! ~ *Rick Von Kleist*

FISHING CLUB

A great many people ask me if it is better to fish from a boat or on the shore. To be really truthful I have had better fishing off a boat. Let me explain why a boat is better. With a boat you can go all over the lake or river or ocean. I love to troll when I am fishing from a boat. You are always able to find out where the fish are when you moving around the water where you are fishing. Once you have found the fish you just anchor and get ready to load the boat up with fish.

There are some lakes that will not allow you to fish in a boat. Then the choice is easy. At Yucaipa Regional Park and Fisherman's Retreat in Redlands you can only fish from the shore. I have had pretty good luck fishing in these two lakes and they are really close to home.

I will let you know right now that the Salton Sea is a dead sea. Because of the salt content, the fish can no longer reproduce. I talked to a Ranger at the Salton Sea and he informed me that there were no longer any fish in the Salton Sea. I fished that body of water for over 40 years in a boat and from the shore. When I fished at the Salton Sea it was not a matter of catching fish it was what kind of fish you wanted. I would not keep any fish that was not big enough for me to filet.

If you do not have a boat you can always rent one. Just call the lake you want to fish at and reserve a boat for the day you want to go fishing. Always ask if they have a senior discount or if they have a deal on the rent on certain days. You can also ask how the fishing is going and they will always tell you the best spots where the fish are biting.

The best bet to catch fish is to hire a fishing guide. He will use his fishing gear and teach you how to use the various rods and reels that you will be fishing with that day. Because he fishes for a living he will always try to get a limit of fish. I liked to hire guides because they would show me where the fish were and how to catch them. I then took my boat out and knew exactly where to go and what bait to use.

I have advised readers in other articles that fishing can become very expensive. The cheap way to go fishing is to go with a friend who has all the gear. You can also go to private lakes where you do not need a fishing license. At Fisherman's Retreat, you pay a fee of \$14 dollars to fish and you do not need a fishing license.

In my next article I will inform you how to be safe when you are fishing. I have seen too many of my friends get hurt while fishing and it can happen to you.

Tight lines to all my fishing buddies and remember even if we are getting old we can still go out and catch that prize fish of a lifetime. ~ **Richard Carrasco**

MOTORCYCLE CLUB

The Four Seasons Motorcycle Club has been busy planning and organizing some multi-day rides that will be taken over the next twelve months. In mid-October, we will set out on a two-day ride to Jacumba (east of San Diego, just north of the Mexican border). A Laughlin ride is set for November. This will be a four-day ride consisting of enjoying the Laughlin night life in addition to taking daily rides. In late April we will head out for Tucson on a multi-day ride that will include visits to Bisbee and Tombstone. An even more adventuresome ride is in the works for next September. This will be a week-long ride consisting of heading up the Pacific Coast to San Francisco, heading east over the Sierras then heading south via the 395. Can't wait!

As for our weekly rides, we head out on Thursday mornings (weather permitting) from The Lodge parking lot promptly at 9 am. During the hot summer months, we shorten the rides a bit. Generally, we will head up to a cooler spot like Idyllwild or Big Bear for a leisurely breakfast and then we head home before the day gets too hot. As the cooler seasons of fall, winter and spring approach, the route possibilities are almost endless and the rides are longer, generally about 200 miles. Popular destinations include a mountain ride to Julian. Heading to San Clemente over the Ortigas is always fun. Riding to Borrego Springs is always on our list. A ride through

Joshua Tree National Park is one of our favorites. Riding up over Idyllwild and down to the Temecula wine country is always a must ride. Like I said, the choices for a Thursday ride are almost endless. While each destination is unique, the joy of riding and camaraderie never changes.

If you love to ride and are looking to hang out with a fun bunch of fellow motorcycle enthusiasts, join the club! We are not picky about what you ride, on any given day you will see any combination of Harley-Davidson (no, it does not have to be black), BMW, Triumph, Kawasaki, Yamaha, Honda, Victory, Suzuki and Can-Am. Also, we are not picky about your style of ride. Our club consists of full touring rides, sport tourers, adventure tourers and cruisers as well as three wheelers.

We also meet the first Wednesday of the month in the RCN building (adjacent to The Lodge) at 6 pm for our monthly meeting. If you are thinking about joining the club, feel free to join us and see what it's all about. Also, if you are relatively new to motorcycle riding or are thinking about taking up motorcycle riding, you probably have lots of questions. Joining us at our monthly meeting is a great way to get some practical advice, so feel free to drop by; we would love to meet you. ~ *Jim Ayala*

BIRDING CLUB

The Birding Club welcomes beginning and experienced birders to start or hone bird identification skills. Our main activity is a monthly bird walk along Four Seasons' nature trails, which follow native riparian woodlands. We keep a list of all species observed at Four Seasons (currently 81) and take field trips to nearby birding hotspots.

On our Sept. 1 bird walk, we had good photos and bad looks at good birds. Fall migration was in full swing – of the 18 species identified, three were firsts for the monthly bird walk (Great Egret, Orange-crowned Warbler, and Bird of the Month, Nashville Warbler) and two more were Four Seasons first records (Blue-gray Gnatcatcher and Ash-throated Flycatcher)!

On Sept. 6, I had a Great Blue Heron fly over our yard, species #81. Sept. 8 was our field trip to Oak Glen, where saw an impressive total of 40 species, many of which have not yet been seen at Four Seasons. After a morning of hard birding we enjoyed a wonderful lunch at Los Rios Rancho.

We meet on the first Saturday of the month at 8 am at the Trail A trailhead (Lodge parking lot) then after the bird walk meet at the RCN Lobby to review the morning's sightings. Email steve.h.edelman@gmail.com for current schedule and other information. ~ **Steve Edelman**

Bird of the Month

Nashville Warbler is one of nearly 60 wood-warbler species in North America, almost always known just as “warblers,” which are not closely related to the “warblers” of Europe. Both male and female Nashville Warblers have a gray head fading into a greenish back and wings, a white belly, and a yellow throat and breast. They have a complete white eye ring and a thin pointed black bill for eating insects.

Nashville Warblers breed in two distinct areas, one in Canada and the northeastern United States, and another in the western United States in our local mountains and points north to British Columbia. Although named after Nashville, Tennessee, the Nashville Warbler only visits that area during migration. They winter from southernmost Texas and California southward across Mexico to northernmost Central America.

Nashville Warblers are observed at Four Seasons only during migration, mostly in the fall, such as the two birds observed during the Sept. 1 bird walk. This species has been observed in landscaped areas as well as in our riparian woodlands. ~ **Steve Edelman**

BOCCE BALL

Summer Bocce Ball is played at The Summit three times a week — at 9 am Tuesdays, 5 pm Wednesdays and Fridays. Play is on beautiful tournament grade smooth accurate courts and sideboards. Easy small step-in. Smooth concrete surrounds courts.

The word “bocce” comes from Italian word which is plural, means “to bowl.” The small white ball is thrown first to start game, called pallino. Rules are very simple, get your ball as close to the pallino as possible in order to score a point. If more balls of same color closest get close, these additionally score

points.

Much like pool, bocce requires players to take turns. This makes it an ideal game for socializing in between turns. Often cheers, or laughter can be heard. No one has an edge in Bocce Ball unless of course they have played for years.

We generally play games to 12 points. Two games are played and take approximately 1-1/2 hours. First court winners stay and are challenged on second game by winners from the second court. We mix and match so no team is expert and change numbers on a

team so no one is left out.

The game of Bocce Ball requires no specific skills or previous experience. You will get a little exercise and enjoy a beautiful view and breezes at The Summit all while having a great time with a great group of people. If you are interested in learning the game, please join us at The Summit.

SHUFFLEBOARD

We have three newly resurfaced courts. They are the far east courts at The Lodge and they look amazing. Games are scheduled at 9 am on Saturdays and Mondays. All are welcome to come play, learn, cheer, moan, and enjoy. Shade trees and flowers are nearby.

The front tables in The Lodge will have interest sign-up sheet for names, phone numbers, email and also days and time suggestions.

Which color disc goes first? How do you score? Players use a cue (cue-stick). How do you keep opponents away from scoring? Play begins after drawing playing cards for partners. For more information call Mike Saperstein at (951) 769-7909, or Marty Rotman (310) 948-1693. ~ *Mike Saperstein*
