# MANAGER'S REPORT

By Eric Zarr, General Manager

**BOARD UPDATES:** I am sad to say that Claudeen Diaz has resigned at the beginning of August and moved with her husband to be closer to family in Colorado. I want to thank her for her many years of service to the community as she was on the Finance Committee prior to being elected to the Board of Directors. Thank you! I also want to welcome Jolene Cooley as our new Board Member and CFO. Welcome!

**PROPOSED RULE CHANGES:** We have posted proposed rule changes in The Lodge at the Bulletin Board as well as printed copies at the front desk. These proposed changes have also been sent via e-blast to all that are subscribed to the Daily Report

and posted on our website. If you would like a printed copy to review and can't make it to The Lodge please call and we will send or deliver a copy to you. Please return any comments you have by Sept. 12 for Board review.

**GATE CONTROL:** When you have visitors come to Four Seasons, please have them enter through the Potrero Gate. I have been outside the community and overheard residents speaking with their friends and give the Breckenridge Gate code for their friends to enter the community. The Breckenridge Gate is a construction gate and should not be used by residents or their guests. Thank you for your help and cooperation!

## Large Bobcat Spotted in Four Seasons

By Lisle Hathaway Dewar

I was on Four Seasons Circle between The Summit and The Courts when I spotted one of those large bobcats everyone has been warning us about since we moved out here in April. It was multi-colored and looked very powerful. I was a little frightened, but I thought it would scare me more than it did.

They say if you see one to be really loud and get big. I started yelling in my loudest voice, "You have nothing on me, you big beast!" I flailed my arms in an attempt to look as big as possible. Then I realized I was in my car, and I was probably just looking like an idiot.

I did pull over to take a picture. As I did so, it slowly passed by me. I gave it a downward glare, but it didn't stop to tangle with me. I did get a good picture of it. *Story continues on page 6.*

# Activities Director Corner

By Cindy Graves, Activities Director

WOW! This summer has gone by so fast! Nothing to worry about though since we have lots of fall fun in store.

Karaoke will be on Sept. 8 at 5:30 pm in The Lodge Ballroom. Come, enjoy this musical evening out and try your hand at being one of the neighborhood Karaoke singing celebrities. Feel free to bring in your own snacks, dinners and drinks. You'll have a blast with this nice crowd.

The first super special event that you don't want to miss this month is the Four Seasons Art Show on Friday, Sept. 14 from 5 to 8 pm in The Lodge. This is your chance to really get to see what incredible talent we have here in the community. All of the Four Seasons Art and Photography classes and clubs will be represented and displaying some of their finest pieces. Stay and enjoy the professional pianist and help yourself to the delicious appetizers provided. You are also welcome to bring your favorite beverages. This is a lovely cultured evening you won't soon forget.

The next free and fun event is an ever popular "Gail-Games" event in the Ballroom at 6 pm on Friday, Sept. 21. This month's game is called "The Name Game" and as usual will provide lots of individual and team challenge with prizes for winners. Feel free to bring in your Bistro dinner and your favorite beverages.

Don't forget to look deeper into this *Breeze* issue for information on some of our other September events like the Amphitheater Concert Series Grand Finale, the AACC Blues Concert Under the Stars, and the Performing Arts Club "Love and Marriage" Show.

Finally I want to give a huge shout-out and thank you to Mary Alice and Dave Chorba who have been volunteering as the Four Seasons librarians for the last several years. They have tirelessly been responsible for keeping The Lodge Library organized and tidy. You did a fabulous job and the community, the BOD and FirstService thanks you!

See you all around The Lodge.

# Four Seasons Walking Trails

As fall nears and the weather cools, the walking trails right in our own backyards call. Take your dog, your best bud, or your neighbor and get some nice, easy exercise.

	Trail A 855 Yards
	Trail B 1225 Yards
	Trail C 1274 Yards
	Trail D 763 Yards
	Trail E Edison Easement 1162 Yards

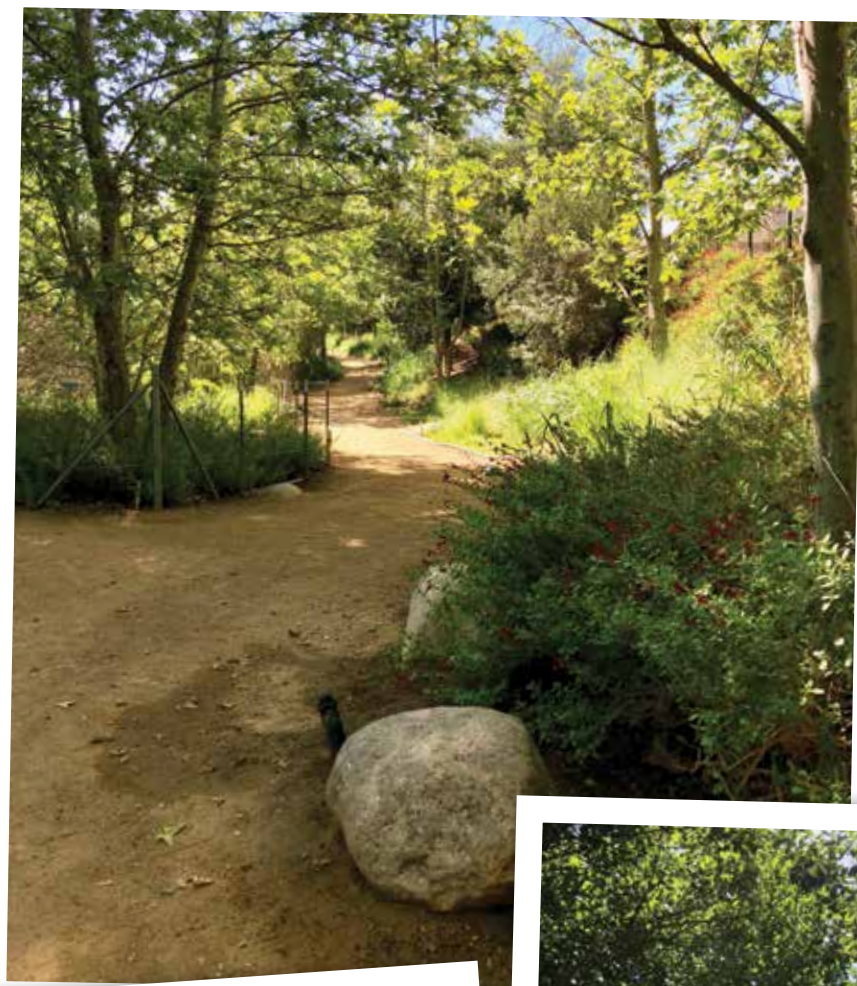

## Be a joiner

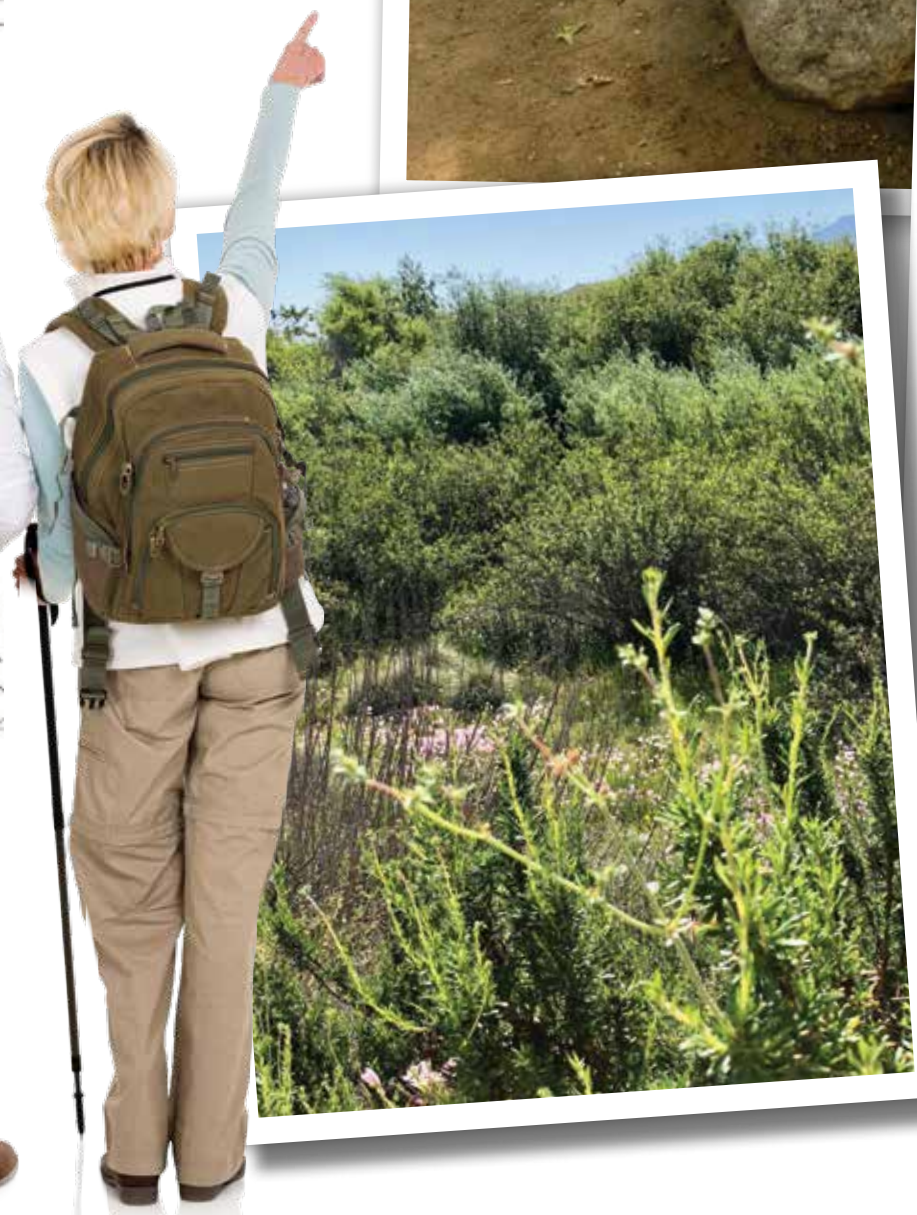

There are two clubs who regularly stroll the trails and they would love to have you join them. They are the Birding Club (page 59) and Tails & Trails, who take their fur-babies with them (page 53). The Take A Hike Club (page 61) has ventured beyond our trails, so if you're feeling adventurous, join them. And, as part of their duties, members of the Landscape Committee hit the trails to monitor their condition.

## Be a loner

If you don't have a fellow walker in your life or a little peace and quiet is your goal, then just enjoy the fresh air, sort out your memoirs, or plot your next trip to Wal-Mart. Listen to the birds, admire the foliage, and be thankful for this little Goldilocks planet we call home.

*Photos are of various points along Four Seasons' trails, taken in May by Donna Lewis, Four Seasons resident. If you venture out, take your camera with you and send us your shots!*

# DID YOU KNOW?

By Micki Rosen

## **DID YOU KNOW THAT SEPT. 7 IS BUY A BOOK DAY?**

It is inarguable that books have been one of the greatest contributors to the advancement of the human race; by moving the hearts of many over the ages, stimulating their imaginations and helping them see the world in an entirely different light. Books have also served the simple but vital purpose of passing knowledge down from generation to generation. The creators of Buy a Book Day want nothing more than for people to take a moment to truly appreciate books and their numerous roles in the human experience. So celebrate this day by starting that book you've been meaning to read!

## **DID YOU KNOW THAT SEPT. 15 IS INTERNATIONAL EAT AN APPLE DAY?**

International Eat An Apple Day has its roots in thousands of cultural celebrations around the globe. The presence of apples in multiple mythologies shows how important it is; for example, the Norse thought the goddess' apples granted eternal youth. Apples are part of many countries' food cultures. Consider the American apple pie, so much a part of our country's identity that people say "as American as apple pie." Ireland was even known to make a Beef Apple Stew that decidedly had its own flavor palate.

**DID YOU KNOW THAT SEPT. 16 IS PLAY-DOH DAY?** Play-Doh was originally developed in the 1930s, not as a toy but as a product for cleaning wallpaper! It was not until the 1950s that it was marketed as a toy, in the trademark vibrant colors of red, blue, yellow and white. Over two billion tubs of the enchanting putty have now been sold. If all that Play-Doh were rolled into a giant ball, it would weigh as much as 2,000 Statues of Liberty! The range of colors now includes paradise purple, silver and gold.

## **DID YOU KNOW THAT SEPT. 30 IS PONY EXPRESS DAY?**

The Pony Express existed for 18 months between April 1860 and October 1861. During this time, if you wanted to send a letter or small package from anywhere east past St. Joseph, Missouri, there was only one way to go. The Pony Express was a massive employer for its time, with up to 80 young riders employed at any given time; there were stringent requirements on their age, size and weight. The Pony Express preferred to employ the youngest riders they could, in part for their resilience and in part for how light

they were. The lighter a rider was, the longer the horse could run and the more cargo it could carry; since the horses went full-tilt for 10-15 miles at a stretch before changing, this was of vital importance. The rider changed out every 75 to 100 miles, but the mail never slowed even in the worst of weather. The average trip from coast to coast on horseback took 10 days.

## **DID YOU KNOW THAT SEPT. 27 IS TOURISM DAY?**

Tourism has been a part of the human experience as long as there have been distant places to go and experience. It was originally the province of the wealthy, with travel being difficult and expensive, but it afforded opportunities to learn new languages, experience different cuisines, and generally to see what there was to see. Tourism can be traced back to the Shulgi period in Ancient China, when kings took great pains to protect the roads and build waystations for travelers. In the Middle Ages, travel became even more important for religious reasons: Buddhism, Islam and Christianity all had pilgrimage traditions that required travelling great distances in the interest of health and spiritual improvement. Find your inner traveler and get out there and experience the places you've always wanted to see.

One correct entry will be chosen at random to win a \$20 gift card to Smitty's. Happy hunting!

Saddlerock is a very blessed street! Thank you to Vivian Walker and Cathy Thomas who have welcomed our entire neighborhood into their home on many occasions, and continually support anyone in need. They maintained and secured our property while we were on vacation. Upon arriving home, we received a warm welcome, manicured yard and delicious dinner. They don't come any better. Thank you both for all your love, care and kindness.

Terry and Janet Humble

If you have seen an act of kindness or have received one, please share with the community. Let's spread gratitude! Just go to The Lodge lobby and fill out a gratitude note and put in the box marked "The Box of Gratitude." Thank you.

My wife and I are grateful to Brian Howey, customer service manager, for going above and beyond.

Smitty's is the best! Thanks Kelly and the family for a great place to dine.  
Tracy C.

The National Night Out went so well because of the devoted handlings of Cindy Graves and Anita Worthen. I witnessed time after time Cindy working hard to get every event done no matter how late she had to stay. Remarkable. Hope she'll be awarded and thanked in the Breeze and the Gazette. A party for her is strongly recommended! Anonymous

A huge thank you to the pool security guard for his quick action. He assisted me along with my daughter and several residents when I fell on the deck of The Lodge pool. Someone on the management team came to check on me as well. All ended well, nothing broken. I am very grateful to all! Carol Pough

Thank you for all the help and support you provide to Neighborhood watch. It is much appreciated.

THERE'S  
AN APP  
FOR  
THAT!

# Apps for Traveling

By Steve Benoff

Things I learned on my trip to Arizona.

Hey Siri! Hey Google! These are commands many of us are familiar with. On my trip to Prescott (pronounced “press-kit” by locals), Jerome, Sedona, and Flagstaff, I discovered some handy uses for Siri that I hadn’t taken advantage of before. Driving in northern Arizona, you spend a lot of time going up and going down. If you wonder how high you are at any particular time just say, “Hey Siri: what’s my elevation?” You’ll get a response supposedly accurate to a single foot. Or you can say, “Hey Siri, take me to the nearest Starbucks.” You’ll get a response naming the nearest location and asking if you’d like directions.

Siri and Google are apps on my phone. And there are instances when I’ve asked Siri a question that has elicited an unsatisfactory response. When I asked Google, the response was much more to my liking. I’m sure that the opposite can also be true. But since I have an iPhone, I don’t have to touch my phone to wake up Siri. All I have to do is say, “Hey Siri.” Even though I have the Google app on my phone, I have to wake up my phone manually and press the Google icon to use it. That’s no big deal when I’m not driving, but when I’m in my car, it’s safer and faster just to say those two words. After that, you can search by voice for whatever you’d otherwise type out in a Google search bar.

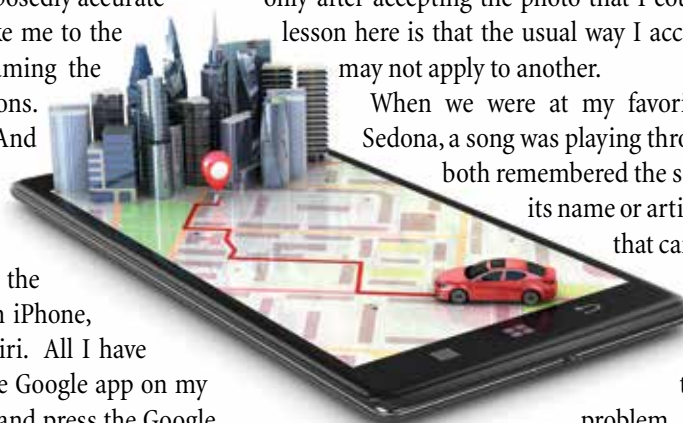

Have you heard of Snapchat? Silly question; of course you have. Frankly, I’ve never used it, and only on my trip was I exposed to it at all. I mention it to make a point about how different apps may have different ways to accomplish the same thing. If you’ve been to Sedona, you know that almost everywhere you look you can see a breathtaking view. While Martha and I were eating on a restaurant patio, a family was struggling to take a selfie. Now some people take selfies because they prefer the look of a selfie. But I sensed that this family really wanted just a picture of the whole family in front of gorgeous red rock mountains. So I offered to take their picture and

that’s when the trouble started. Normally, when I take pictures for myself or others on a digital camera (which is what a smartphone also is), I take multiple shots in quick succession. Later, I (or they) can choose the best ones and delete the others. So I took the woman’s phone and pressed the appropriate “button.” When I tried to press it several times for several shots, I found that the Snapchat app wanted me to look at this particular shot and accept it. I also learned that I could now add “funny” objects to the photo. It was only after accepting the photo that I could take the next one. The lesson here is that the usual way I accomplish a task on one app may not apply to another.

When we were at my favorite Mexican restaurant in Sedona, a song was playing through the sound system. We both remembered the song but couldn’t remember its name or artist. I’ve heard there are apps that can “hear” a tune and identify it. At the time, I didn’t have such an app on my phone, but a quick trip to the App Store solved that problem. I didn’t even know what category such an app would be in. So I entered “song” in the search bar, and among the ten categories that appeared, “song identifier” showed up. That’s how I found the Shazam app. I searched for it, downloaded it, tapped it, gave it permission to use my microphone, and identified *To Sir With Love* sung by Jann Arden before the song had ended.

By the way, Shazam was not the first suggestion listed by the App Store. The top suggestion is almost always an ad, which, fortunately, is identified as such. For example, if I search for Sonos (the original “wireless speaker”), the first suggestion is Ticketmaster. So beware that the top suggestion in a search may not at all be what you’re looking for.

Do you use an app you’d like to share with others? Let me know at [steve.benoff@verizon.net](mailto:steve.benoff@verizon.net).

# Pet of the Month: **LUCY**

Hello, my name is Lucy Lin, (my Mom thinks everyone deserves a middle name) but I like to be called “Lucy.”

I am part Doxie and part Beagle – very stubborn, loving and cuddly.

My birthday is June 6, 2012. I was born at a rescue home in Yucaipa, CA along with my five brothers and sisters. I lived there for about five months until I decided who my forever parents would be. I heard about them through the “D.G.L.” (Doggies Gossip Line).

The family I chose had four other rescue dogs in the past and each one was treated like a special gift. In return, each one — Penney, Daisy, Rosie, and Sophie — made my parent’s house a home!

I knew this was where I wanted my forever home to be. Mom gives me millions of hugs and kisses and Dad gives me lots of play time, training, and walks twice a day.

Pets are loving and loyal. Pets don’t judge. We were made to bring happiness to our families. ~ **Michael & Dianne Rothberg**

# The best medicine.

The doctors of Beaver Medical Group understand that providing care starts with making time to listen. That every patient is different, and their treatment should be, too. That practicing medicine demands staying on top of the latest techniques. That the relationship we have with our patients is our most precious asset.

Beaver is immensely proud of our group of world-class physicians. We unapologetically set our bar high, because our patients deserve nothing less.

And as our community grows, we'll grow, too, continuing to invest in the best possible healthcare—and team of doctors—to meet the needs of our community.

Community. Commitment. Local Care.

## LANDSCAPE COMMITTEE

Although the thermometer may not be showing it, we are in the beginning of our Fall season. Plant and vegetation growth is slowing down and the effects of our hot summer are evident throughout the community. This is a good season for cleaning up, trimming back, and planting. Planting now will allow root systems to become established well before the winter freeze.

After a great deal of research, including trial and error, your Association Landscape Committee developed a Community Plant Guide which is available on the website. This may be found on the home page in the drop-down topics under HOA. It has lots of good information, pictures, and lists of trees/plants to avoid, as well as lists of preauthorized and recommended trees/plants that have demonstrated good variety, growth, and tolerance of our local climate. Check it out! It is not meant to be all-inclusive, but using this information will enhance your landscape creativity and success, as well as provide cost savings. Please remember that plans for front yard landscaping and plantings need to be approved by the Architectural Review Committee.

The landscape diversity in Four Seasons has evolved during the last 12 plus years of building, growth, and development. We all

appreciate and want to maintain our oasis and the beauty of our oasis.

The Landscape Committee observes and monitors the condition and maintenance of all the common areas, trails, and yards that are maintained under the Association cost center. This is done during committee walks on a pre-scheduled area rotation every Friday morning. Our regular meetings are held at 1pm on the third Tuesday of each month. We welcome and encourage new committee members, as well as any suggestions, comments and concerns from all residents. This may be done in person at our meetings, by a phone call to the Association office or front desk, or in writing using the form available on the website. Your Landscape Committee members are simply resident volunteers doing our best to maintain this community's beautiful landscape as efficiently as possible.

~ *Bonnie Makela*

## FACILITIES COMMITTEE

The Facilities Committee is working on a number of maintenance and improvement projects. Management has requested bids from vendors for the installation of automatic door openers to ease handicapped access to the restrooms at The Summit and The Courts. The roller shades in The Lodge Ballroom, Arts & Crafts Room, and the Spa building's Exercise and Aerobics Rooms are in need of replacement. We are moving forward on this project. Bids have also been received from vendors for the replacement of the Spa building Fitness Room flooring.

The committee continues to review the expansion of the Arts & Crafts Room by adding an access door to the adjoining room, previously used as the computer room. A meeting was held with representatives of the various craft groups to review flooring, cabinet needs and placement, as well as seating requirements, door type and placement. Several diagrams of the options available were posted by Management for the groups to decide on the best solution. The Facilities Committee looks forward to moving ahead on this project.

We welcome Bob Ferrier as a new member of the Facilities Committee. Also congratulations to Joe Barletta, who was appointed Co-Chair of Facilities at the July meeting, and to Hugo Barahona for his promotion to Management Liaison of the Facilities Committee. We currently have several positions open on the Facilities Committee for anyone interested in serving our community.

The Facilities Committee meets in the RCN building on the second Wednesday of the month at 10 am. We always welcome residents to join us and share their ideas or concerns. ~ *Bruce Lewis*

# RULES & REGULATIONS COMMITTEE

According to an old Turkish proverb, guests bring good luck with them. Everyone can use some good luck and, if inviting guests will help, let's keep those invitations coming!

Our Community Guidelines have specific rules pertaining to guests. All residents and guests must register with the staff when first entering our facilities. Six guests are permitted, per day, per household. Anyone over 18 years of age is considered to be an adult, while those under 18 are children. Guests must be accompanied by a Four Seasons resident when using the facilities and are welcome to use the pool, the Bistro, Salon and attend private parties in facility rooms. They may also participate in games such as bocce ball, horseshoes, shuffleboard, ping pong and tennis. Adult and children guests may not use the sauna, workout, locker and computer rooms. Children are not allowed on the putting green or in the pool area at The Courts. They are allowed in The Lodge pool during the hours of 1 to 4 pm and may also use the restrooms only in The Lodge locker room.

In addition, clubs and classes are for residents only and guests may not attend. Guests, however, may participate in those activities that are designated as "groups." An updated list of how each activity is designated is being compiled and will be available within the next few months. The updated list will be available on [fourseasonsbeaumont.org](http://fourseasonsbeaumont.org).

Trail usage is for residents and guests. The use of motorized

vehicles, bicycles and conveyances with wheels such as strollers is prohibited except for mobility devices operated by disabled trail users.

And don't forget to obtain a parking pass for guests if they intend to park on the street overnight. A pass will be issued when you give The Lodge attendant the dates and car information. If the car will be parked in the driveway, a pass is not needed.

Community Guidelines require us to sign in our guests and accompany them throughout their visit at Four Seasons. This way, we know that the rules are being observed for the betterment of our community. Then we can sit back and enjoy all the good luck that will be coming our way! ~ *Margie Chadburn*

## EMERGENCY PREPAREDNESS COMMITTEE

Southern California Edison, the electric power provider for Four Seasons Beaumont, recently held a joint public meeting with Cal Fire representatives to outline their new Public Safety Power Shutoff Protocol. Edison announced their July 9 meeting in a mailer that Edison sent to its customers in June. In case you missed both the mailer and subsequent meeting, the key topics are outlined below:

- When extreme fire conditions — such as high winds — present a clear danger to the public, Edison may initiate a power shutoff in high-fire-risk areas. High winds, coupled with extreme heat, only exacerbate the threat. Edison said that they view such deliberate power shut-offs as a last resort, only after other operational practices have been exhausted.

- Edison will attempt to notify their customers prior to shutting off the power. Edison says that to do this, it is important for them to have your most updated contact information. To get on Edison's notification list, call Edison at (800) 655-4555 or sign up online for their "Outage Alerts" at SCE.com and click on "My Account>Profile>Outage Alert Preferences."

- Edison conducted the July 9 meeting jointly with Cal Fire representatives who stated that they are funding non-profit agencies

that work on various fire mitigation efforts. Efforts also are aimed at aggressively pruning trees and vegetation adjacent to power poles. Edison encourages customers to visit the Cal Fire website at [www.readyforwildfire.org](http://www.readyforwildfire.org) to get tips on how to protect your home and landscaping from wildfires.

- At the July 9 meeting, the *Record Gazette* reported the Edison representatives as saying, "Residents and law enforcement will be notified within 48 hours of a power shutoff or electrical outage. One day out, residents in the exact locations are notified when power is going to be shut off and when it will be restored."

- Edison said that customers with a medical condition that require electric-powered life-support equipment should be sure to have a backup power system in place or make other plans for health and welfare during an outage.

- Customers should shut off or disconnect all sensitive electronics before the outage to prevent damage or loss of data. If you have a portable gas generator, Edison states that you identify an outdoor location where you can safely use it during an outage. Never use it indoors. ~ **Fred Weck**

# COMMUNITY PLANNING & TRANSITION COMMITTEE

The Community Planning and Transition Committee is making good progress to meet its objective for the HOA takeover from K. Hovnanian which is anticipated to occur at the conclusion of 2019. The committee expects final gas company approval for the dog park anytime now. A presentation was made regarding a proposed storage option near the lodge pool equipment area. Once additional storage is available, it will be possible to entertain installation of a sink in

the ballroom storage room. Three residents are filing applications to serve on the CP&T committee, have attended three meetings and were slated for interviews to complete final phase of the membership process.

We welcome homeowners' interest. Our meetings are at 9 am on the fourth Thursday of the month in the RCN conference room. Please come visit us. ~ **Johanna Ballard**

## FINANCE COMMITTEE

At our July meeting, the financial statements for the month of June 2018 were reviewed and recommended for BOD approval. Highlights of the June financial report follows:

Total assets are \$8,534,116 including checking \$288,452; and reserve assets \$6,852,279. Operating money market and CDs totaled \$1,266,631. Total liabilities at this time are \$267,770 and total equity of \$1,414,066. There was a net income surplus of \$22,319 for the month. This surplus reflects the reallocation of the HOA fee to provide additional funds to the operating budget which was required to meet

increases in expenses. Net income and operating expenses remain a key focus of the Finance Committee. Front yard cost center expenses were under budget by \$920, and Springdale cost center expenses were over budget by \$696.

Eight vendor proposals were reviewed. All proposals were recommended for Board approval. Six committee persons and Len Tavernetti, representing Board Liaison Claudene Diaz, were present. There is an opening on the Finance Committee. If you are interested, please come to our next meeting on Sept. 25. ~ **Barry Ginnetti**

## SAFETY COMMITTEE

We meet the first Tuesday of each month at 10 am in the RCN Building. At the August meeting, residents expressed their concerns about the traffic, specifically speeding and cars running stop signs. Please be aware of our posted speed limits and respect the yield and stop signs. Also be aware of the change in the flow of traffic at the Crooked Creek Gate and Windmill Bridge. Yield to the cars already in the roundabout. When coming into the gate watch for cars that will continue around the circle to either cross the bridge or travel up Four Seasons. All cars crossing the bridge may not be going out the gate. Always be alert to the new traffic flow since the bridge is now open. Our next meeting is Tuesday, Sept. 4 at 10 am in the RCN. We welcome all. ~ **Anita Worthen**

## ARCHITECTURAL REVIEW COMMITTEE

Occasionally the ARC receives Property Improvement Applications requesting approval for changes that are clearly outside the guidelines. While we work with the homeowner to find a way to make the request work and stay within the guidelines, or find an alternative that is within the guidelines, sometimes the request simply cannot be approved.

Sometimes these changes can be seen on other homes in our community. The first homes in Four Seasons Beaumont were completed about twelve years ago. What was allowed by Beaumont City then may not be allowed today. Over that same time period, the ARC has found items and ideas that simply do not work well in our community and made changes to the guidelines to reflect that knowledge.

Occasionally, the issue may be that the first homeowner completed a project that is outside the guidelines or not allowed by Beaumont City and did not obtain ARC approval. In these instances the ARC has no option except to deny the current request.

Some examples we have seen include removing all the trees from a front yard, removing all growing material, raising or lowering the property line fences, altering the grade of a lot and installing vehicle parking in a back or side yard.

Each application is reviewed and evaluated by the ARC on the basis of the individual merits of the proposed work on a case-by-case basis. There are no automatic approvals except as outlined in

the guidelines. An application for work identical to work already approved or that is identical to work anywhere in the community might or might not receive ARC approval.

Finally, the approval, conditional approval, or disapproval by the ARC of any proposed work does not bind the ARC to take the same or similar action on any other proposed work at any other time for the same or any other property owner.

The ARC does not give verbal approvals or make decisions without a written complete application submitted as required in the Guidelines. Please ensure that you have a written approval before any work is commenced. ~ Steve Cooley

# NEIGHBORHOOD WATCH

Our 2018 National Night Out was a great success and was attended by about 200 of our residents. Members of the Beaumont Police Department, Banning Police Department, Highway Patrol, Highway Patrol Cabazon scales, and city council persons were in attendance and gave brief but interesting presentations. Mila, the Beaumont Police Department canine, and her handler were a big hit during

the evening.

Thank you to Donna Lewis, our Block Captains' Director, and the rest of the Neighborhood Watch Steering Committee, for their time and efforts.

Also, a special thank you to Shannon, our FirstService representative, for helping Anita with the flyers, posters, and other set up issues.

It has been very hot this summer with many days over 100 degrees. Please remember to stay hydrated, and whenever possible, avoid prolonged exposure to the sun.

Our Aug. 8 meeting was attended by our block captains, followed by the regular meeting for residents. Discussions covered

everything you would like to know about Neighborhood Watch with presentations from our Steering Committee.

Remember, please slow down driving through Four Seasons, and stop at all stop signs. Beaumont Police Department has been patrolling the streets in Four Seasons whenever their schedule allows. So, be aware of your driving.

Telephone scams continue to be a problem with ROBO type calls about IRS issues, needing money for relatives in jail, and other scam issues too numerous to list. If you get a call requesting personal information, bank account information and requesting transfer of money, verify the information and call the Beaumont Police Department to report the call.

The next Neighborhood Watch meeting is Wednesday, Sept. 12 at 10 am in The Lodge Ballroom.

Remember, if you see something, say something by reporting the incident to the police department.

Be safe and enjoy the rest of your summer. ~ *Jerry Monahan*

## MIXED MEDIA ARTS CLASS

Teacher Rob Kelman

*Five years ago I had never drawn a thing. I was looking for something new to do in my retirement, and I saw Rob Kelman's article about his class in the Breeze.*

*I decided to go once and give it a try.*

*I can't believe five years have passed since that first day in class; I'm still loving it and learning new things every time I go! Rob is an excellent teacher who helps everyone on their journey to becoming an artist. We*

*have a wonderful collection of students in class, working in various media and all at a different point in their artistic development.*

*New students are always welcome. We nurture and support each other, and inspire each other to do great work.*

*It takes a minimal investment in supplies; Rob will help you make a list of what you need, and give you guidance you need to get started. It won't be long before you will have created your first work of art - what an amazing feeling.*

*If you've ever thought that drawing is something you'd like to try, even if you've never drawn a straight line before, come to Rob's class and he will get you started.*

*I also encourage you to come down to The Lodge for the Art Show on Friday, Sept. 14 - you can see what my fellow students have been working on, and you can get first-hand information about classes. I'll look forward to seeing you then!*

*- Micki Rosen*

Come join us. Classes are Mondays 10 am to 12 and/or Wednesdays 6 pm to 8 pm. Any questions call Rob Kelman at (951) 992-9156. ~ **Rob Kelman**

## TASTE D'VINE

Our September guest speaker will be Leonard Lavyn-Grose, Societe' Director from Europa Village in Temecula.

The owners said, "Our wine story began with passion and a vision. We had a vision of bringing together the high standards and values of traditional European wine making with the beauty and richness of one of the most ideal wine growing regions in America — the Temecula Valley Wine Country in Southern California."

Leonard is bringing four fantastic wines from their cellars. Please join the Taste d'Vine Wine Club for this great evening.

Our meeting will be held Sept. 16 (the third Thursday of the month) in the Ballroom. Doors open at 5:15 pm with the meeting starting at 6 pm. Please bring a favorite wine to share with your table along with

an appetizer such as crackers, cheese, fruit, dessert or anything in between along with two glasses for tasting.

## FOUR SEASONS VETERANS

### *Operation Recognition Program*

Veterans from World War II, Korean, and Vietnam Wars who chose service to their country over graduation caps and gowns will be honored with a high school diploma on Nov. 13, 2018. Degrees can be conferred posthumously to a family member.

The 2018 Operation Recognition ceremony will be held at 2 pm, Nov. 13, at the Moreno Valley Conference and Recreation Center, 14075 Frederick Street, Moreno Valley. In order to be recognized at the ceremony, a completed application form and supporting documentation must be received by Oct. 16. ## COUNTER CULTURE CINEMA

Come join us this month for two more films you probably didn't catch at the local Cineplex.

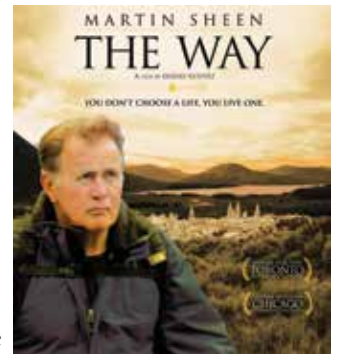

Our first monthly screening, on Sunday, Sept. 9 at 6 pm, is the film *City of Gold* (USA 2015, 1 hr. 36 min., English). Here is a brief description from IMDb.com: "*City of Gold* is about the transformative power of food and food writing in how we experience where we live. Pulitzer Prize winning critic Jonathan Gold (recently deceased) is our Virgilian guide, casting his light upon a vibrant and growing cultural movement, a

movement in which he plays the dual roles of high-low priest and culinary geographer of his beloved Los Angeles."

Our second monthly screening, on Sunday, Sept. 23 at 6 pm, is the film *The Way* (USA/Spain 2010, 2 hrs. 3 min., some subtitles). Here is a brief description from IMDb.com: "*The Way* is a powerful and inspirational story about family, friends and the challenges we face while navigating this ever-changing and complicated world. Martin Sheen plays Tom, an American doctor who comes to St. Jean Pied de Port, France to collect the remains of his adult son (played by Emilio Estevez), killed in the Pyrenees in a storm while walking the Camino de Santiago, also known as The Way of Saint James. Rather than return home, Tom decides to embark on the historical pilgrimage

to honor his son's desire to finish the journey."

All of our screenings are followed by a lively discussion about the film; we'd love to have you join us. The Lodge Theatre has very limited seating, so if you're interested in our screenings, come early; we hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please email Micki Rosen at [michelesrosen@gmail.com](mailto:michelesrosen@gmail.com). ~ **Micki Rosen**

## CERAMIC CORNER

Last month we had our "Summertime Fun" class, which was a great success. We enjoyed our child guests and, of course, the grandparents. The kids enjoyed painting their selected pieces and the fun refreshments provided for all.

Special thanks to our classmates who came down and volunteered time to assist with these very special participants.

Ceramics class has something for the novice crafter looking for a new hobby, or someone who has experience and wants to create their own unique design or create pieces for friends and family. In addition to individual projects, we also offer class projects throughout the year to teach new techniques.

Come and join in the fun, drop by the Craft Room to see our monthly ceramics class schedule and learn more about our upcoming class projects on Wednesday from 1 to 4 pm and the first Saturday of each month from 9 to 1 pm.

Please see class schedule for any exceptions.

A certified instructor and/or an experienced class team lead is available to support your crafting needs. Participation is at your own pace and frequency. For more information, contact Bob Powers (909) 841-3293 and Elsie Fillman (661) 414-6270. ~ **Pepsi Powers**

## MAH JONGG

Everybody is welcome to join us for Mah Jongg at 12:30 pm on Mondays in the Rec Center North. We accept beginners and offer coaching for those who have not played in several years. A current Mah Jongg card is required but you can borrow or copy one until you get your own. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Barbara Goodreau**

## PAN

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so all are very welcome. The game can be played in the day, evening, in a room in The Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100 or email Goldtoy@earthlink.net and I will answer any questions you may have. As are all card games, it is played with both skill and luck. ~ **Linda Mendelson**

## CANASTA #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the Card Room from 12:45 to 4 pm. Table assignments are distributed at 12:45 pm. Each week, you may play with someone different, giving you an opportunity to meet new friends and/or visit with old friends. We supply the cards, so just bring yourself and a desire to have fun. If you don't know how to play, we are always happy to set up a teaching table — by the end of the afternoon you will have mastered the game. Come join us. ~ **Pam Morales**

## BUNCO

We play on the second and fourth Fridays of the month. Bunco is very easy to play and it's a great way to meet new friends. We meet in The Lodge Card Room at 1 pm sharp. Please be on time! ~ **Emma Hajdukovic**

## DUPLICATE BRIDGE 1 & 2

We are pleased to announce the addition of another ACBL Sanctioned game of Duplicate Bridge under the direction of Barbara Revels here at Four Seasons. Barbara is an excellent instructor of classes, scheduling of partners and participating in the many enjoyable occasions we all enjoy. Also, in addition to the regular scheduled games Barbara will be conducting classes every month on the first Tuesday from 10 am to 12 noon. These classes will be held in the RCN Building, Room 3.

We will be playing on Mondays and Fridays at 12:15 pm in the Lobby in the RCN building. Please call Helen Shoemate at (951) 845-9312 or Barbara Revels at (951) 530-1523 for more information for all who may be interested. ~ **Helen Shoemate-Gurley**

## PINOCHLE FOR FUN

Join us! Whether you are a seasoned player or new to the game, we welcome you. Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This stimulating game is a time-honored favorite. Winning is not just the luck of the draw; it is a thinking game which teases the mind and keeps it sharp. We play with a Pinochle double deck of cards, Ace through 10s. We meet at The Summit Mondays and Wednesdays from 10 am to 12:30 pm. Our Chair is Karen Farmer. ~ **Karen Farmer**

## HEARTS

All are welcome. The game is played with a single card deck, no jokers, and 52 cards. We play three, four, or five at a table. No scheduling necessary. We play on Tuesdays at 6 pm in the Card Room next to the Library. A group has played here at Four Seasons for nine years. Seating is random draw, no partners, individual scores. It is easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions, call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

## RUMMIKUB

Join us Sundays from 2 to 4 pm. Please try to show up by 1:45 pm as we always welcome help setting up. Have fun with new friends and old friends. Rummikub is played at a table with tiles and a holder for each player's tiles. Players begin with 14 tiles. Initially a player "goes down" putting out a group of at least three tiles totaling 30 points. If unable to play, then you must draw one tile from the remaining Rummikub tiles. Play ends when one person uses all their tiles. Remaining players then add the total numbers of their tiles for a score. Zero is the best score.

If you like Rummy and mah

jongg, then you would certainly like Rummikub. We play in The Lodge Card Room. We also will set up a learning table for newcomers. Hope to see you there. If you have any questions, call Mike Saperstein, (951) 769-7909. ~ **Mike Saperstein**

## BRIDGE FOR FUN

Our Bridge for Fun group had a great get-together at the home of our captain, Verina Rector. We enjoyed our summer barbecue with burgers and hot dogs, along with beer and wine provided by our club, while others brought sides. We also had great fun playing creative games hosted by Carroll Oliver. Some of our newer players also attended and it was great to get to know them better.

Since this is now the only rubber or party bridge group in Four Seasons, we are moving toward five tables each Wednesday. We try to accommodate all who want to play. If you are interested in playing or just want to come watch to see if bridge is your thing, please contact Verina Rector at (951) 769-1687, or just stop by. We meet on Wednesdays at noon in the Card Room in The Lodge. ~ **Tom Halley**

## PHASE 10

In Phase 10, the lower the score the better. The average winner can have a final score well into the hundreds. Patty Spinosa recently completed a game with the unheard score of just 95.

Congratulations, Patty!

Phase 10 is a very easy game to learn and, besides that, it's a lot of fun. Numbers are drawn to establish table groups of four players.

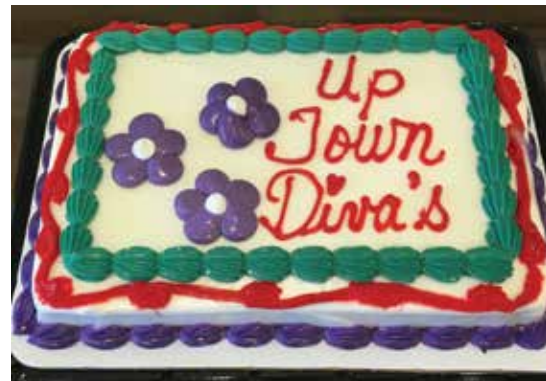

There is always a training table and we won't let Patty sit there. Promise. Join us on the second Monday of each month at 4 pm or the third Saturday of each month at 3 pm. ~ **Cheri Howard**

## UPTOWN DIVAS BID WHIST

Uptown Divas Bid Whist Group meets on the first and third Friday every month from 2 to 4 pm in the Game Room.

~ **Deborah Garner**

*Uptown Divas held a potluck and played Bid Whist at The Summit in August. There was plenty of food, drinks and socializing.*

*July's Domino winner, Robert Turner*

## DOMINOES

The regular monthly battle for the domino championship for July went down to the wire. Vernon Bell won 10 games, Wondell Collins won 11 games, and Robert Manual and Marvin Gaines both tied up with 12 games wins each. Robert Turner came out on top with 13 game wins and was the champ for July. It was a very close battle any of the players could have won, but Robert had some luck on his side. Congratulations to Robert and all of the domino players.

The Domino Group is very happy and excited to welcome two new lady players. We have Lady T Stepson and Roxanne Williams. These new lady players are prepared to give the guys a hard fight for the domino championship.

Dominoes are played every Wednesday and Friday from 5 to 9 pm in The Lodge Game Room. Come on out to join us and make some new friends. Practice is from 5 to 6 pm on both days. Jesse Dimmer is usually available to give you help and tips on the game of dominoes if needed.

For more information, call Jesse at (951) 769-2035 or Reggie at (951) 769-6483. ~ **Marvin Gaines**

## AMPHITHEATER

The month of September brings us to the end of our Amphitheater Concert Series for this year. Be prepared to be entertained in a big way!

**Big Band** - The Kelly Rae Band is a six-piece musical group based in Southern California. Led by Kelly Rae, vocalist, the six talents have performed together for over six years.

**Big Sound** - The music is country style with some punch. They pay homage to country greats such as Johnny Cash, Hank Williams and Patsy Cline.

**Big Mix** - Their performance is enriched by a nod to musicians such as the Eagles, James Taylor and Carly Simon.

**Big Surprises** - A calf-roping contest will begin at 6:30 pm. (Lassos are provided.) In addition, there is a cowboy hat contest. Don't forget

to get your ticket for the drawing for a fabulous gift basket.

As always, the concert begins at 7 pm, in the Amphitheater located adjacent to the paddle ball courts. To reserve seating, you are welcome to place your chairs in the Amphitheater after 10 am the morning of the concert. This allows time for the sound crew to get an early start for installing and testing both the lighting and sound systems. As seating space is tight, consider placing your chairs on the lawn area or use the pool area to enjoy the concert.

As the sun goes down, it can become quite cool, so a jacket or sweater might be needed. You are welcome to bring a beverage of your choice, which must be in a non-glass container.

See you at the concert! ~ **Doris SanFilippo**

## PERFORMING ARTS CLUB

Welcome, September! I hope that our long heat streak ends and we get to enjoy some fall weather.

First, I would like to thank everyone who came out to our Radio Show on Aug. 25. We have worked hard to make these shows more entertaining for your enjoyment. I hope that having our actors interact with each other added to a great evening for our audience. I would love to hear your feedback (contact info is at the end of this article).

Next up is the *Love & Marriage II* show on Friday, Sept. 28 and Saturday, Sept. 29. Please check with The Lodge front desk for notification when free tickets for this show become available. Two years ago, *Love & Marriage* was a sell-out, so get your tickets early. Rehearsals are going great, so I'm confident that this performance will be a B-I-G hit! It's comprised of 12 short, funny skits that all revolve around love and marriage. This show is not to be missed.

On Fri., Nov. 30 and Sat., Dec. 1, we will present our annual *Holiday Show*. The Four Seasons Singers will sing several holiday songs to start the show and will end with an audience sing-a-long. The main performance has been named "WWII in the South Pacific." It's an homage to the USO shows that took place at several military bases and outposts during WWII. There will be many singers, dancers, and comedy bits for your enjoyment.

If you have any questions or comments, you can reach me at [terimk@verizon.net](mailto:terimk@verizon.net) or by phone at (951) 992-9156, cell (602) 309-0819. ~ **Teri Meyers-Kelman**

## LET'S DANCE

Our Summer Fun dinner and dance was a very successful event! Guests were "Welcomed Aboard" the Four Seasons Cruise experience for a wonderful evening of delicious food, friendship and a wide variety of dancing to the sounds of American Made. There were photo op areas around the Ballroom to add to the fun! The photos show just a few examples of the dancing fun throughout the evening.

Our next event will be the Annual Christmas Dinner and Dance Party on Friday, Dec. 7. Put this on your calendar now and plan to

be with us.

In September we will be learning the Salsa/Mambo. We will be dark on Labor Day, Sept. 3, with class resuming on Monday, Sept. 10. Newcomers and beginners meet at 6 to 7 pm; Intermediate and advanced at 7 to 8 pm. The cost is \$10 per person with our professional instructors. Contacts: Puring or Gary Stifter at (951) 922-8333 or at purings@verizon.net. ~ **Sue Condurachi**

## LINE DANCING

If you want to be more active and have fun doing it, join us on Tuesday afternoons for Country Line Dance in the Ballroom.

Music and dancing are good for the soul. Country line dancing doesn't require a partner and dances can be modified for minor mobility issues, so please come and try it.

There will not be a Beginners' Class in September. A new two-month class for beginners will start in October and continue in November.

These classes will be held starting at 2 pm.

The students who have just finished the two-month Beginners' Class recently are ready to move on to the Intermediate Class

which starts at 3 pm. There is less step-by-step teaching, except for new dances. A quick review of the steps will be done as needed for familiar dances.

The Advanced Class starts at 3:45 pm. New dances are introduced, but you need to know the basic steps very well and be an experienced dancer.

Bring water and wear shoes that can slide on the wood floor. A donation of \$1 per week helps to pay for Sock Hops and our holiday party.

We had a great turnout for the August Sock Hop. Everyone had fun dancing to some great music. Thanks, Dave and Janine!

Come and join us! ~ **Martha Franck**

## WOMEN'S EVENING BIBLE STUDY

**NEW GROUP!**

What is faith? A little child described it as "planting a seed in the ground and knowing that it will grow." How important is faith in our lives? Are we watering and feeding it so it will grow and our faith will be strengthened? We will begin a study in faith on Thursday, Sept. 6 and continue on Sept. 20. We will gather from 6:30 to 7:45 in the game room at The Lodge. We are a non-denominational group and all ladies are invited to attend. Ask a friend or neighbor to join in and

to share in the blessings. This will be a wonderful time for fellowship and to make new friends as we grow together in God's word.

"Give thanks to the Lord for He is good; his love endures forever" Psalm 107:1

## INTERCESSORY PRAYER GROUP

Greeting friends and neighbors! Our intercessory prayer group will not be meeting on Sept. 3. We hope that you will have a quiet and restful day.

## "BELIEVE..." WOMEN'S BIBLE STUDY

After July's three-week study focused on forgiveness vs. grudge-holding, the words of the Bible particularly resonated with all of us. This subject was studied in lessons seven through nine of our "Blessing Blockers" series. We have all learned so much from each other. The in-class discussions were insightful, tender and life-changing, as always. This series will end approximately the last of September, at which time we will start another series which will take

us through the end of December. In 2019 we will be studying Paul's letters, which encompass most of the New Testament.

If you are looking to join a strong group of Godly women, who study and love the Bible, please consider joining us. We meet every Friday from 10:30 to 11:45 am in the Game Room at The Lodge. We promise to greet you with open hearts and arms. ~ **Eileen Gilbert-Antoine**

## LIFE GUIDE BIBLE STUDY

We begin our fall session with a potluck at The Summit on Tuesday, Sept. 18, at 6 pm. We invite interested residents to join us for a great time of fellowship and singing. Regular participants will be contacted regarding the coordination of the meal.

The Bible Study will begin on Tuesday, Sept. 25, at 7 pm in the third section of The Lodge Ballroom. Doc Sellars will facilitate a study from the New Testament on "How God Became King." Please join us for study, discussion, and prayer. Contact Doc or Letha Sellars with any questions or comments at docletha72@gmail.com or (951) 797-3302. ~ **Doc Sellars**

## BEREAVEMENT GROUP

The Bereavement Group will resume on the second Monday of September, Sept. 9. We will meet in the RCN Conference Room from 1 until 3 pm.

If you have experienced loss in your life and want to meet with others who are sharing your painful journey, please come. In the five years I have facilitated this group, I have heard over and over that participants derive the most comfort from hearing that others are struggling with the same issues that they are. They hear hope and they start to experience healing.

You can just come to a meeting, or you can call or email me first. My phone number is (951) 922-0934 and my email is lauriemlarson425@gmail.com. All contact is confidential. ~ Laurie Larson

## TOPS

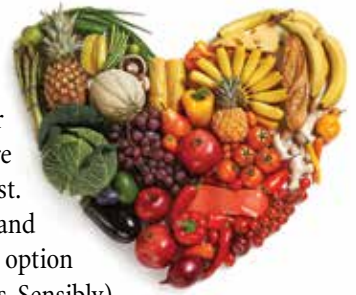

If you are new to Four Seasons, or not, I am sure you will agree there are many things here to pique your interest. If you are interested in staying healthy and maybe losing a little weight, you have the option of coming to a TOPS (Take Off Pounds Sensibly) meeting on Tuesday mornings.

At this meeting you will meet a great group of encouragers and get a lot of inspiration from all those who have been successful on this often difficult journey. Our programs include discussions regarding nutrition, motivation, health and fitness, as well as other related topics.

The month of July our biggest loser was Claudia Rozzi and runner-up was Jerry Thompson. Congratulations to you both!

TOPS is also very affordable with a yearly membership fee of \$32, which includes a magazine with a lot of great information which we receive bi-monthly. There are also chapter dues of \$3 per month. As I said, we meet at the lodge on Tuesday mornings with weigh-in from 8 to 8:30 am and the meeting 8:30-9:30 am. You may attend one meeting with no obligation. You really need to come and see what we are about. Look at it this way, you have nothing to lose but weight and you may gain better health along the way.

For more information please contact our chapter leader, Cathy Calhoun at (951) 849-2614. ~ Cheryl Burke

## BOOK CLUB

The selection for September is *The Woman in the Window* by A. J. Finn. This summary is provided by the publisher, Harper Collins:

"A twisty, powerful thriller about an agoraphobic woman who believes she witnessed a crime in a neighboring house. It isn't paranoia if it's really happening..."

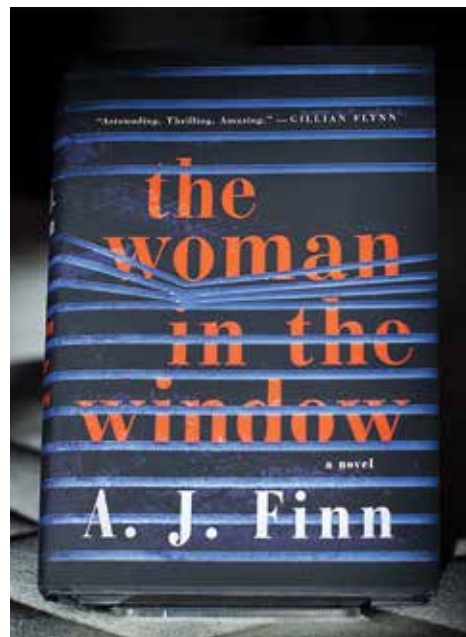

"Anna Fox lives alone — a recluse in her New York City home, unable to venture outside. She spends her day drinking wine (maybe too much), watching old movies, recalling happier times... and spying on her neighbors. Then the Russells move into the house across the way: a father, a mother, their teenage son, the perfect family. But when Anna, gazing out her window one night, sees something she

shouldn't, her world begins to crumble — and its shocking secrets are laid bare.

"What is real? What is imagined? Who is in danger? Who is in control? In this diabolically gripping thriller, no one—and nothing—is what it seems. Twisty and powerful, ingenious and moving, *The Woman in the Window* is a smart, sophisticated novel of psychological suspense that recalls the best of Hitchcock."

Please join us in The Lodge when we discuss this book at 9:30 am on Tuesday, Sept. 11.

October's selection will be *The Art Forger* by B. A. Shapiro. Please call (951) 769-1913 for more information. ~ **Joyce Bricker**

## AFRICAN AMERICAN CULTURAL CLUB

The African American Cultural Club and the Four Seasons Beaumont HOA is hosting its second annual "Jazz and Blues Under the Stars," a free community event featuring the unforgettable, Yve Evans and Company, held at the Amphitheatre on Saturday, Sept. 22 at 6:30 pm.

Yve Evans is an outstanding singer, songwriter, pianist, actor and entertainer. You may remember her from last year, and good entertainment is definitely worth repeating.

This trio of accomplished musicians will perform a timeless repertoire of music consisting of Jazz, Blues, Country Western, R&B, Motown and much more.

Did you know that Blues is the foundation of Jazz? This event is a fantastic opportunity to not only hear great music, but also to experience its cultural significance in American history.

Bring your blankets, chairs, snacks, and spirits. Join us for a wonderful evening under the stars with great music, storytelling, socializing and dancing.

The backpack drive was a total success!

Thank you all for your contributions and support. We were able to purchase 85 good quality backpacks in various colors and popular

designs and filled them with school supplies. The children living in the cottages at Childhelp® Merv Griffin Village in Beaumont will be going to school looking and feeling special.

We were blessed to have a new resident and member of the AACC, Jane Gentry, organize the backpack drive. She has been leading backpack drives at her previous church for the past eight years and it was no coincidence that she was at the meeting when we announced our need for help. The entire event ran smooth as silk. We even had a backpack stuffing party.

We feel so proud to live in a community of such wonderful and generous people. The residents at Four Seasons Beaumont are simply the best!

Sept. 22 – "Jazz and Blues Under the Stars"

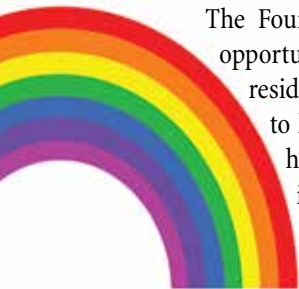

TBD – Health & Nutrition Workshop/Workout is a free event

## RAINBOW GROUP

The Four Seasons Rainbow Group is an informal opportunity for our LGBT neighbors and any other residents who are interested in meeting with us, to keep up to date, meet new members and to have a relaxing dinner together. Our purpose is connecting by social "meetin'-ya" via "face-to-face-look." We meet every month on the fourth Thursday - our next meeting will be on Thursday, Sept. 27 at 6 pm. We

gather at the atrium in The Lodge, order any Smitty's food items that we want and then move to The Lodge Card Room. Feel free to bring your own adult beverage, if you desire, and appropriate glassware. Everyone is welcome. Any questions can be directed to Dale at (951) 797-0364; or Barbara at bamerton@alumni.ucla.edu. ~ **Dale Beckes**

## CAMERA CLUB

For our July meeting, Chuck Beckman showed us the photographs taken by his drone during our June meeting. Naturally, they were all aerial shots and magnificent. In addition, Chuck did a “show and tell” of prior drone shots he had taken. A discussion followed.

Later in the meeting, we discussed the shadow pictures we had taken at a prior meeting. Again, an interesting discussion and thoughtful critique ensued.

*Photo taken by Gerrie Karczynski of the iconic statue at the U.S.S. Midway Memorial Park in San Diego during a recent trip.*

At our August meeting we explored our genre of the month: portraiture in the sun with different camera settings and techniques both with and without flash.

Fall is here. Come to one of our meetings for tips and tricks to enhance your photographs.

We meet the third Tuesday of each month at 6:30 pm in the RCN Main Lobby Room; thus, our September meeting will be Sept. 18. ~ *Lyle Cameron*

# KIWANIS CLUB OF BEAUMONT

During the last month the club has given out three of the four high school scholarships. The students gave a presentation on where they were going to school and what they were going to major in. They all seemed to be great young leaders. The three students were Thomas Mezzie, Jacob Lugo and Veronica Boatman.

The club is also going to provide paint for Childhelp, so they can paint all the playground equipment on their campus.

The Beaumont Cherry Valley Recreation and Parks District Octoberfest will be held Sept. 21, 22 and 23, at Noble Creek Park on Oak Valley Parkway. Our club will be selling apple strudel and ice cream. This will be a fundraiser and the proceeds will go to next year's scholarships and youth service programs.

The club is losing three good members, two are moving to

Laughlin, Nevada and one is moving to Utah. This will affect our club in doing fundraising and community service.

We are always looking for new members. The more members we have, the more service we can do in the community. Our focus is helping the children of the world and the community of Beaumont.

The Beaumont Kiwanis Club meets in The Lodge Conference Room every Thursday, except for the first Thursday of the month. The meeting starts at 6:30 pm. Many of the members come early and order at the Bistro and eat prior to the meeting. You do not need to be a resident of Four Seasons to be a Kiwanis member.

For further information, call Buzz Dopf at (909) 208-0880. Hope to see you there! ~ **Buzz Dopf**

## FOUR SEASONS SINGERS

The Four Season Singers are back to regular rehearsals every Monday at 3 pm in The Lodge Ballroom. We are getting ready for our big Holiday Show. We are working on some traditional music, but also some new music.

We will be meeting every week between now and the Holiday Show, which is a weekend at the end of November and the first of December. Since we have just started back on Aug. 6, now would be a good time to join. We always welcome new recruits who want to sing!

Just a reminder that Susan Youel is also doing Singing for Seniors every Wednesday in RCN Room 3. This is a chance to start back singing again, or just start singing. (Listed under classes, not clubs.)

If you would like to join the Singers, would like to be included in my email list, or if you have questions about the Four Seasons Singers, call (951) 797-3466 or email me at bawasco@dc.rr.com. ~ **Barbara Wasco**

## CLASSICAL MUSIC CLUB

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Theater. We listen to and watch musical selections on the big screen. Each month we focus on a particular work or several selections of one composer. We also discuss current musical performances in the area. We welcome new members. Contact Steve Benoff at [steve.benoff@verizon.net](mailto:steve.benoff@verizon.net) or (310) 413-4896. ~ **Steve Benoff**

## SEASONED SOLOS

If you are single and enjoy a variety of activities, then Seasoned Solos just might be the group for you. We currently have 20 plus members.

At each meeting we discuss what is going on in the Inland Empire and plan activities for the coming month, from local lunches and dinners to excursions to presidential libraries, Redlands Bowl, Metro Link trips into LA and the beach train to San Juan Capistrano. There's not much that we won't consider doing.

We meet on the first Friday of each month in The Lodge Craft Room at 6 pm. For further information call Joyce at (951) 850-3055. ~ **Joyce Olson**

# THE 8-BALL CLUB

Larry Rice was undefeated in nine rounds of 8-Ball play this month, but not before Rocket Spinosa had his chance to play him in the final match. Rocket lost early to Jone Babin during the first game but won five games to get into the finals. Good try Rocket, but Larry is hard to beat.

Speaking of Jone Babin, wow. In 9-Ball, Jone went four rounds before dropping into the losers bracket. She then returned to face Kenny Payne in the finals. Kenny was victorious and took the title but once again Jone placed second which is a notable feat.

That's two months in a row Jone has distinguished herself, great job!

Congratulations to Larry Rice and Kenny Payne monthly 8-Ball and 9-Ball Champions.

## BILLIARDS FOR FUN

Just as an FYI, the Billiards Room is a cool place to hang out when the temperatures outside are blistering! "Cool" in the literal sense of the word, as well as the figurative and fun sense of the word. The members of BFFG are truly cool people who love the game of pool and enjoy challenging each other every week. (Check out the photos for visual proof!) C'mon all you new move-ins, check us out! We would so enjoy some fresh challengers!

Speaking of competition, our third quarterly tournament of the year was held on Aug. 21, and the winners (as well as their smiling

pictures) will go down in Four Seasons history, published in the October article of the *Breeze*. Look for them!

You too can have your picture in a BFFG article of the *Breeze*, but you have to join this fun group to do so. We have two sessions of play every Tuesday at 11 am or 1 pm for two hours each, hosted by Dave Martin and Pete Antoine, respectively. Also there are two practice sessions open to the entire community on Saturdays in the same two time slots. This is a fun group of people, and up 'til now, you're missing out, so come join us! ~ **Eileen Gilbert-Antoine**

## CURLY CUES

We have been busy as usual. Our quarterly tournament was held on July 23 and what a great competition it was. Congrats to our winners! 1st place: Barbara Morton and Joy Collins; 2nd place: Verina Rector and Lois LeMottee (pictured right).

Our next quarterly luncheon will be at Sizzler in Banning on Monday, Sept. 10 at 11:30 am then we head back to The Lodge for play afterward.

# WILD BUNCH BILLIARDS

The "Wild Bunch" 8-Ball Billiards Group is geared for those individuals who want to play competitively with those of their skill level. We started the new year with inviting the "best of the best" from Sun Lakes and Solera to play competition on Fridays from 12:30 to 3:30 pm in our Billiards Room at Four Seasons. It has been a great success with the skill levels ranging from Level Four to Level Seven.

The "Wild Bunch" consists of some of the best players in the league: Calvin Moore, Joe Spinella, Lucas Don, Bob Rector, Robert Turner, Pete Antoine, Mike Corbett, Carlos Rivera, LeRoy Wright, and Gracy Luna.

We enjoyed a "Scotch Doubles" tournament with Sun Lakes and Solera this past month. We had 24 serious competitors, with Calvin and Lucas leading Four Seasons scoring nine points out of 10. We came in a close second just behind Sun Lakes, with Solera placing third. Our next tournament will be in the October/November time frame, with a one-on-one competition.

If you want to play serious, competitive pool, we invite you to come by the Billiards Room and join in the stimulation of competitive play. We do not play with partners; we play one-on-one with an opponent of your skill level. We are always looking for those who want to play competitively and, who knows, you just may want to change up your game and play on the team! And, most importantly, we have a good time! ~ *Gracy Luna*

## HORSESHOE CLUB

In August our club enjoyed a very special social evening which consisted of salad, pizza and drinks. In addition, a late trophy presentation to our Fourth of July winners was conducted. Thank you, Cindy! Those winners were: Mike Corbett and Ron Erickson – 1st Place in Doubles competition; Tom Herron and Dave Thomason – 2nd Place in Doubles; John Hyland – 1st Place; and Mike Corbett – 2nd Place in Singles competition. And of course, after that we all enjoyed some special homemade desserts at the home of Bob and Sue Cooper. A very special thank you to Bob and Sue.

The rest of August we played our usual very competitive games of

horseshoes in the heat, but we started at 8 am and were in the shade of our special tree which we call our “Thank You God” tree.

Now it's time for my sales pitch to invite you to join our (most fun ever) club and if you've been reading these monthly articles, you'll understand why I say that, and if you are new here and like horseshoes, come on and take a chance on us — no complaints so far. Our club contacts are Ron Erickson, (951) 846-3288, rejlerickson@sbcglobal.net or Gary Christie, (951) 845-0520, goldtoy@earthlink.net. ~ **Ron Erickson**

## LADIES PUTTERS GROUP

The Ladies Putters Group is expanding its horizons. In addition to their weekly putting on The Courts' putting green, the LPG members are venturing outside of Four Seasons.

On Aug. 17, the group participated in a Putting Tournament at the Tukwet Canyon Golf Course, in Beaumont. LPG members played 18 holes on the Tukwet putting green.

After the tournament, the group enjoyed an awards breakfast at the Clubhouse. Prizes were awarded for the Lowest Score and Most Holes in One. There was also an award for the Closest to the Hole Contest winner.

LPG members had a wonderful day in June at their inaugural

tournament at Tukwet.

If you want to try something new, come and try your hand at putting. You don't have to be a golfer and all ladies are welcome. The LPG provides assistance and encouragement, not to mention a lot of fun, for anyone interested in putting. They also have putters and balls, if needed

If you are an evening person, there is putting every Monday at 6:30 pm. If you prefer to putt earlier in the day, join the group on Fridays at 9:30 am. All sessions take place on The Courts putting green.

If you have any questions regarding the Ladies Putters Group, please contact Judy Irving at (951) 922-2525. ~ **Vivian Walker**

## ALL SEASONS RV

*All Seasons RV enjoy a trip to Camp Pendleton*

I have included a photo of our RV trip to the beach, located at Camp Pendleton, this past month.

When you get this message, it will probably be toward the end of summer. We are losing our current All Seasons President, Ron Burke, who is leaving for greener pastures in Indiana. We wish him well.

The RV group is still here and we are planning several trips the end of this year and next year to Tucson, Moab, Havasu, Camp Verde and Paso Robles.

We meet the second Tuesday at 6 pm in The Lodge, or you can contact Bob Cooper at (909) 684-6388 for more information. ~

Come and join us if you own a 4x4 or would like to ride along with one of our members. We meet the second Tuesday of each month in The Lodge Craft Room at 7 pm to plan the upcoming run on the third Thursday. ## D.O.G.

Grain free dog foods have become extremely popular over the last few years as a result of many low quality dog foods using a high volume of low quality grain fillers to the exclusion of more expensive proteins. Recently the FDA (Food and Drug Administration) submitted a report investigating the potential connection between diet and canine heart disease. Notice the emphasis on “potential connection.” The FDA has not arrived at any conclusions yet. The FDA did caution that diets containing ingredients such as potatoes, peas, lentils, or other seeds of legumes (such as chickpeas/garbanzo beans, soybeans, other types of beans, and alfalfa seeds) should be located lower on the ingredients list on the side of the package (meaning they are minimized in the formulation).

Whether the owner chooses a dog food that is grain free or with grain is not as important as the ingredients in that dog food. Always look at the ingredients listed on the package, particularly the top five. The ingredients should be high in protein and relatively low in fat. Fortunately there is a website that analyzes dog food ingredients for you and gives a rating for most. The site is DogFoodAdviser.com. Use this as a guide to find a good quality pet food, wet or dry, for your dog.

Remember to be cautious about what you read or hear on the

Internet. Always be skeptical until you have researched the issues on your own. Always consult with your dog’s veterinarian if you have questions about dog food or any other issues before you take someone’s anonymous suggestion on the Internet.

The Dog Owners Group would like to remind all dog owners to share the bags at the dog waste stations. There have been some reports that residents (dog owners and non-owners) have been taking the waste bags for use inside the home (freezer bags, trash bags, garden bags, etc.). I personally observed one dog station which was emptied of 200 bags in a 24 hour period! We are working with HOA Board and administration to add more dog waste stations, schedule more frequent bag replacement and trash disposal. As more homes are built at Four Seasons and more dogs are added to our population, please be patient while we expand our services to meet the growing need.

At our Pack Walks all dogs are welcome, and we practice techniques to calm barking dogs. Join us Saturdays at 8 am in front of The Lodge building and Tuesdays and Thursdays at 7 pm at The Summit parking lot (note our expanded schedule!).

Please, no retractable leashes. Dog Owners Group, Patrick and his dog, Ricky Ricardo: dog\_owners@yahoo.com. ~ **Patrick Gerety**

## TAILS & TRAILS - ALL PETS

We are WORKING for YOU!

Entering the autumn months seems like a good time to take stock of our activities and let you know more about how we serve Four Seasons residents and their pets. Since our inception, which really occurred prior to our becoming a recognized group, an inventory of our service work indicates that we have been a busy bunch. Here are some “vitals” for your consideration:

We currently have over 200 members – and growing.

We have documented nearly 40 cases worked by our members, mostly involving cats or dogs. Cases range from simple to complex. For each, we provided one or more of the following: search and/or recovery of lost pet; return of found pets to owners; safe rehoming of pets; transportation services; long- and short-term fostering; assist with pets during recovery from illness or surgery; networking of pets in need of new homes; coordination with neighbors in Sun Lakes and Seneca Springs; referrals to local resources; consultations and referrals on behavioral issues.

We also have co-sponsored two well-attended programs with our colleagues in Neighborhood Watch, which served to educate our residents on points of concern. We also sponsored two Annual

Blessings of the Pets and will host our third on Oct. 6 from 4 to 6 pm.

Thanks to the generosity of our residents, we have raised funds to meet equipment needs, such as the purchase of a humane trap, scanner, and other equipment required for safe recovery.

Every so often, we also take time to have fun. We have hosted two special film screenings in The Lodge Theater with another planned soon.

What does the future hold? We are working on documentation regarding pet recovery scenarios so that we can have outstanding coordination with First Service Residential, other Four Seasons groups, local agencies, and educators. Our next fundraiser will be hosting a table at the Harvest Craft Fair. We will build on the work done to date to further enhance our networking and outreach to local agencies, including Ramona Humane Society and Beaumont Animal Control, and we plan to sponsor a pet first aid/CPR class in 2019. We hope that you will join us to learn more about what we do and how you can help in a way that fits your time, talents, and interest level.

Our next Tails & Trails meeting will be Wednesday, Sept. 26 in RCN3. Contact us at (951) 295-7209. ~ **Martha Baumgarten**

## WATER VOLLEYBALL

Water Volleyball meets at The Courts on Mondays 12 to 1 pm, weather permitting — 75 degrees or higher. The water temperature is a comfortable 84 degrees. ## TENNIS CLUB

July was hot and humid, and August also started out hot, humid, and sometimes smoky. Nevertheless, hardy tennis players continued to meet at The Courts for club-sponsored play and resident-arranged play. July's Play Day had ten players, so everyone played as much as they wanted to, and there were donuts left over.

So, with little real news to report from The Courts, this may be a good time to bring up a sore subject – old balls. We use a lot of tennis balls for club play and resident play, and there are only so many dogs still young enough to want to chase the darn things. Of course, here at the Compound some of our neighbors can put used balls on the legs of their walkers to keep them from scraping, and the RV Club or Off-Road Clubs could use tennis balls to cover up their trailer hitch knobbie thing to soften the blow from hitting it with a shin. Another use that I have seen is to place a tennis ball on the end of a broom stick and use it to wipe shoe marks from tile floors.

My contribution to the tennis ball pollution problem is that I don't

ever actually open a new can of balls. I say either, "I brought them last time," or "I'll bring them next time." They're all yellow, so it's easy to pull some out of my tennis bag and say, "See, it was these number 3s." Our memories are so bad that nobody actually knows who provided the last can of Penns.

However, some more generous and ethical players actually do rip open their 20-can case from Costco and pop open a can. With each ball having a volume of 8.2 cubic inches and each can containing three balls, that case alone fills up 164 cubic inches of land fill, which is bigger than a bread box, except nobody has those anymore. So, without using Google, what other uses are there for old tennis balls. Send your ideas to me at [sahovey47@hotmail.com](mailto:sahovey47@hotmail.com), and I'll take credit for them and share them.

Play Days are open to all residents of Four Seasons Beaumont on the last Saturday of the month starting at 8:30 am. Sometimes we have donuts. ~ **Steven Hovey**

## PING PONG

Did you know...

The sport of Table Tennis, aka Ping Pong, aka "whiff-whaff" originated in Victorian England, where it was played among the upper-class as an after-dinner parlour game.

In 1988 Table Tennis was introduced as an Olympic sport with several events. From 1988 to 2004, The Olympic competitions included men's singles, women's singles, men's doubles and women's doubles. Since 2008, a team event has been played instead of the doubles.

We welcome all to come join the fun in the multipurpose room at The Courts.

If you are a beginner, no worries, we will teach you the game. If you haven't played in years and are a little rusty, we will be patient and help you get back to form. If you don't have a paddle, no worries, we have plenty of extras. Club hours are listed in the *Breeze*.

Hope to see you at The Courts. ~ **Tracey Laykoff**

# PICKLEBALL

As we enter the final phases of buildout at Four Seasons Beaumont, we prepare to welcome many new members to our wonderful sport! I remember being a “newbie” just four short years ago, and how it felt to walk in and be so readily welcomed, back in the days when we were still sharing the courts with our paddle tennis friends. Now with over 90 people on our active pickleball roster, it seems appropriate to do an article on the etiquette of pickleball.

Remember first of all that pickleball is a recreational game. It is not life and death. It is not your occupation and your career will not be damaged if you lose a game of pickleball. That being said, as you walk on the court to play, say hello and smile before you begin to play. Likewise when you leave, thank each other and touch paddles.

On our courts, we will play with many different levels of players. Playing with better players allows you to challenge yourself to a higher level of competition. Conversely, playing with players not as good as yourself offers time to work on skills you couldn't if playing in intense competition.

We are lucky to have TWO gates to enter and exit. If players are playing on a “gate Court,” please exit by the opposite gate so as to not disrupt a game.

Players waiting to play have first priority as a court empties. If you would like to play with your group for a second game, set up a match with the four of you at a later time.

Pickleball is fun! We all moved to Four Seasons to have fun, enjoy retirement, meet new friends, learn new things, and enjoy life, right? Then please keep political opinions, snide comments, and personal issues with others off the court where they belong.

Although we do have eight beautiful courts, sometimes they get crowded. If you are bringing guests to play, please try to stick to non-prime time hours.

Although I could go on and on about etiquette, enough said for now. I'd rather be playing pickleball anyway. See you on the courts!

P.S. New summer hours for beginners are MWF at 7 pm. ~ *Julie Stayner*

# PADDLE TENNIS

I've been playing paddle tennis for six or seven years. I'm not sure since I am getting older and can't remember simple things like "Where are my keys?" Paddle tennis suits me though. I use to play regular tennis, but now the smaller court and slower balls of paddle tennis fits my current physical abilities. A couple of years ago, when we were sharing the courts with pickleball, my son and I used the tennis courts because the paddle tennis courts were taken. After playing on the paddle tennis court, the regular tennis court looked like an airport runway. I could barely see my opponent on the other side.

This year we have seen more women coming out to play. Some are just beginners and others have played tennis before. It doesn't take long to adapt to this game if you are a former tennis player. You just have to get used to the shorter length paddle verses the tennis racket.

A few years back we formed a Paddle Tennis Committee. These are all volunteer positions and anybody can ask to be rotated in. The committee was formed to make decisions on play rules and play time changes. Sometimes we set up a fun tournament or suggest a pot luck get-together. The current committee members are Jose "Paco" Paez, Hailu Kinde, Tracy Maxwell, Diana Ali, Terry Miller, and Alan Chan. Suggestions are always welcome from all the players and we solicit opinions on any pending changes. Paco conducts beginners' practice on Tuesday at 11 am for those who would like to try the game first. You can email him at [jpaez111555@gmail.com](mailto:jpaez111555@gmail.com) if you would like to give it a try.

## FISHING CLUB

After 35 years of marriage, a husband and wife came in for counseling.

When asked what the problem was, the wife went into a tirade listing every problem they had ever had in all the years they had been married.

Finally, after allowing this to go on for a sufficient length of time, the therapist got up, walked around the desk and asked the wife to stand. He embraced and kissed her long and passionately as her husband watched with a raised eyebrow. The woman shut up and quietly sat down in a daze.

The therapist turned to the husband and said, "This is what your wife needs at least three times a week. Can you do this?"

"Well I can drop her off here on Mondays and Wednesdays... But I fish on Fridays."

I have been married for over five years and every chance I get I take my wife fishing. The joke was told to me by my good friend and fishing buddy Terry Miller.

*All lined up on a recent Thursday ride...

## MOTORCYCLE CLUB

The hot weather is continuing to take its toll on the number of Thursday riders. It's been just too hot to enjoy the ride. One of our favorite routes is taking the 243 from Banning up to Idyllwild. Sometimes it's just for a casual breakfast in the cool weather of Idyllwild. Other times, it's a nice way to end up in the desert or in Temecula. However, the recent fire near Idyllwild has put a stop to this route for the time being.

Bob Howard recently thought he could beat the heat by heading up to Arrowhead. He thought he had it all figured out by leaving early and taking advantage of the cool mountain air. Unfortunately, he didn't plan on a rare heavy mountain rain. To make matters worse, traffic heading down the hill was being turned around by the CHP near Forest Falls. Bob had to go back up the hill, taking an alternate route to get back to Beaumont. The word is that he rode over 20 miles in a heavy downpour with no rain gear. Nice try Bob! ~ *Jim Ayala*

# BIRDING CLUB

The Birding Club welcomes beginning and experienced birders to start or hone bird identification skills. Our main activity is a monthly bird walk along Four Seasons' nature trails, which follow native riparian woodlands. We keep a list of all species observed at Four Seasons (currently 78) and take field trips to nearby birding hot spots.

During our August bird walk we tallied 18 species, highlighted by Four Seasons' first record of Wrentit (our Bird of the Month). This is the time of year when young birds are leaving the nest, thus we saw fledgling California and Spotted Towhees, with funny short tails and disheveled feathers. We also got good looks at a female Hooded Oriole (the Aug. Bird of the Month) feeding its young. There were no Bell's Vireos, although we counted five in July and we had them on Aug. 5 last year – had they headed south for the winter or were they just being quiet? Also, we were surprised to see a Coyote, a bird walk first!

We meet on the first Saturday of the month at 8 am at the Trail A trailhead (Lodge parking lot). After the bird walk, we meet at the RCN Lobby to review the morning's sightings. Email [steve.h.edelman@gmail.com](mailto:steve.h.edelman@gmail.com) for current schedule and other information. ~ **Steve Edelman**

## Bird of the Month

Wrentits are small, brownish-gray birds with large, round heads and short rounded wings giving them a plump appearance. They have long tails that they often hold up at an angle and a very distinctive pale iris. Wrentits mate for life and form pair bonds as early as 30 to 40 days old and both males and females sing their bouncing-ball song. Wrentits inhabit coastal scrub and inland chaparral west of the Pacific Crest from Oregon south through California to northwestern Baja. They do not migrate.

Wrentits are common in the chaparral south of Four Seasons, where they defend territories and tend to stay in the same vicinity throughout their lives. At the beginning of our Aug. 4 bird walk, two birds were flitting around a willow. We had pretty good looks, but identification was baffling. That is, until we returned to The Lodge and looked at photos of the mystery birds taken by Dave Kettering. From the photos, it was clear this was Four Seasons' first record of Wrentit! Wrentit is Four Seasons bird #78 and our first first-record since May. The two birds we saw were likely fledglings, already in a committed relationship and exploring for a territory of their own. ~ **Steve Edelman**

*On our August bird walk, club members looked at this bird for a solid five minutes, unable to identify it. After the bird walk, Dave Kettering showed us this photo of the mystery bird, easily identified as a Wrentit, Four Seasons' first!*

## BOCCE BALL

Summer Bocce Ball is played at The Summit three times a week — at 9 am Tuesdays, 5:30 pm Wednesdays and Fridays. Play is on beautiful tournament grade smooth accurate courts and sideboards. Easy small step-in. Smooth concrete surrounds courts.

The word “bocce” comes from Italian word which is plural, means “to bowl.” The small white ball is thrown first to start game, called pallino. Rules are very simple, get your ball as close to the pallino as possible in order to score a point. If more balls of same color closest get close, these additionally score points.

Much like pool, bocce requires players to take turns. This makes it an ideal game for socializing in between turns. Often cheers, or laughter can be heard. No one has an edge in Bocce Ball unless of course they have played for years.

We generally play games to 12 points. Two games are played and take approximately 1-1/2 hours. First court winners stay and are challenged on second game by winners

*Great bocce ball group gets together for a potluck party honoring Conrad “Buzz” and Marion Mark, 72 years of marriage anniversary party*

from the second court. We mix and match so no team is expert and change numbers on a team so no one is left out.

The game of Bocce Ball requires no specific skills or previous experience. You will get a little exercise and enjoy a beautiful view and breezes at The Summit all while having a

great time with a great group of people. If you are interested in learning the game, please join us at The Summit.

## TAKE A HIKE CLUB

We went to the Ernie Maxwell Trail in July. The Ernie Maxwell Scenic Trail is a leisurely 5.2 miles round trip with 675 rolling feet of elevation change. The gradual and enjoyable dirt single track overlooks the mountain community of Idyllwild and is appropriate for hikers of all abilities. The trail passes peaceful streams, quiet forests, and sterling San Jacinto Mountains views of Tahquitz Rock and Strawberry Valley. Following our hike, we had a wonderfully relaxing lunch at the Gastrognome Restaurant in Idyllwild. All in all, a great day for a hike! ~ **Gary Sigriz**

*Attending the hike (starting lower left going clockwise) are Gary Sigriz, Lynette Simonson, Marty Rotman, Len Tavernetti, Bill Schouten, Jim Seim, Bertsy Seim, and Paulette Sigriz*

## SHUFFLEBOARD

We have three newly resurfaced courts. They are the far east courts at The Lodge and they look amazing. Games are scheduled at 9 am on Saturdays and Mondays. All are welcomed to come play, learn, cheer, moan, and enjoy. Shade trees and flowers are nearby.

The front tables in The Lodge will have interest sign-up sheet for names, phone numbers, email and also days and time suggestions.

Which color disc goes first? How do you score? Players use a cue (cue-stick). How do you keep opponents away from scoring? Play begins after drawing playing cards for partners. For more information call Mike Saperstein at (951) 769-7909, or Marty Rotman (310) 948-1693. ~ **Mike Saperstein**
