MANAGER'S REPORT

By Eric Zarr, General Manager

BRIDGE By now the new bridge is definitely open! The construction gate is also being closed at night, so all vehicles need to come in either through the Potrero or Crooked Creek gates. If you need your access code again please call the office.

GOODBYE TO JEFF JORDAN We regretfully said goodbye to Jeff Jordan in June. Jeff started with us over five years ago as a part time Lodge Attendant. He promoted to the office and for the last two and a half years has been the liaison for the Landscape Committee and also ARC. Thank you Jeff!

SLOW DOWN Do you know what the speed limit is going out the gates and over the spike strips? 5 mph. Quite slow, but that is the rated speed on the spike strips. Please slow down when exiting the community. Also, let me reiterate my general reminder to go the posted speed limit of 30 mph on Four Seasons Circle and 25 mph on all of the other streets.

Welcome to FourSeasonsBeaumont.org (part 3)

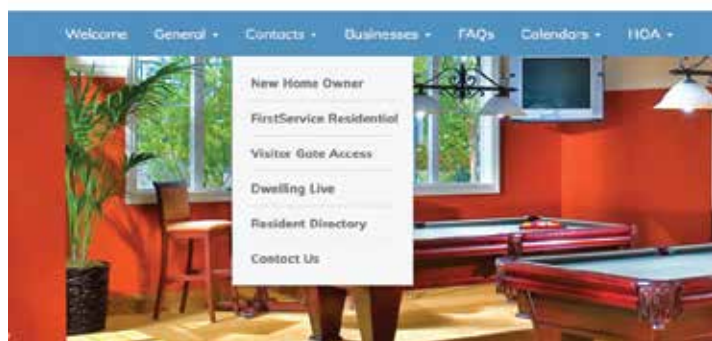

By Sandra Butler-Roberts

I hope our readers followed the website navigation article (part 2) on page 10 of the June Breeze and were able to follow it to explore our redesigned website. We went step by step through the **General** menu. This month we will explore the next drop-down menu: **Contacts**.

How do I send an email to someone on our management staff or an attendant at one of our facilities? How do I contact the Main Gate or create a guest list? How do I find the address or phone number of another resident? What if I just have a question or a suggestion and want to send it online? You can find all of this information under the **Contacts** menu.

Once you've opened the FourSeasonsBeaumont.org website and logged on, find the word **Contacts** with the little arrow after it in the blue menu bar along the top of the picture.

Four Seasons at Beaumont

When you click on **Contacts**, you will see six links drop down: New Homeowner, FirstService Residential, Visitor Gate Access, Resident Directory, and Contact Us.

Many of these links lead to information items that you can also find under other links, so if you forget where to find something, you might find it in another place.

New Home Owner

Under this link you will find [District Listing](#) by street name and another link for a [District Map](#). There is also an explanation of builder phases, HOA districts and District Delegates. And, if you just want to go directly to the [District Map](#), you can find that link listed.

You will also find links that you also found under the **General** drop

down repeated here: Additional Community Maps, Community and Area Contact Information-Important Phone Numbers, Architectural Submittal and Detailed Information, and the three swimming pool schedules.

FirstService Residential (no, this is not a typo, FirstService is written as one word)

Here you will find information about our management company and a link to their website. You can use that link to access your account or to set up ACH.

The Onsite Staff is listed with each job title. You will notice the names are in blue font, so you can click on them and instantly see an email form pop up. If you try it out and click on a name, but really don't want to send an email, just click Cancel at the top and Delete Draft on the pop up box.

Visitor Gate Access and DwellingLIVE

The next two links take you to the same thing. In case you didn't know that the visitor gate online page is called DwellingLIVE, you can find it through either link. This is where you can log in using your email and password and enter information for the Main Gate. You will first get a pop up asking you if you want to download the mobile app. If you want to get the app, click on [Download the app](#); or click on "No Thanks," and you have the option to click on "Don't show this again."

Now you can enter your "call priority" phone numbers for up to four contacts. The blue words at the top line after Guest List let you: [Add Guest](#), [Add Party](#), [Restrict Guest](#), view [Guest History](#). You are able to add guests as Temporary, Permanent, Party or Restricted. The phone number to the Main Gate is also on this page as well as a link for you to write the directions to your house.

Contact Us

This is a new page that will offer you a link back to the phone numbers listing page or provide a box for you to write your questions or suggestions which you can submit directly to Management through the website. You might have noticed a blue bar on the bottom of certain web pages that say Contact Us. That is also a link to this page.

Keep those website questions coming in! I will either get back to you through email or answer your questions in the next article. Email to FSBeditorialboard@gmail.com.

*Happy
Fourth of July!*

Activities Director Corner

By Cindy Graves, Activities Director

July freaks me out because we are now more than half way through the year. How did that happen already? In any case, let's talk events. Movie Night at the Summit turned out to be a bit more controversial than one might think. The neighbors who might be impacted by the movie sounds were canvassed to get their input and the results came in with 40 people wanting the movies and 12 people not wanting the movies. The BOD determined that majority rules so the Movie Nights at the Summit will take place on July 13 and Aug. 24 at 8 pm to 10 pm. I believe the same movie proposed in June will be playing: *Romancing the Stone*. Upon further consideration, it was determined that the popcorn machine would make too much mess at the Summit, so it was recommended by John Noonan to "Bring your own P.C. (Popcorn) and Wine." It's still going to be fun, so come out and join us with your lawn chairs and blankets. Please don't come and save space until after 6 pm. Thank you.

The Fourth of July Extravaganza is happening again at the Lodge this year. Every year it seems we get a little more fun and extravagant. This year's event schedule starts with in-house club competitions from 7 am to 11:30 am and from 12 to 1 pm. We will have a big community potluck luncheon (please come and sign up at the Lodge, what you will be bringing and how many of you there will be). From 1 to 2 pm we will have our Awards Ceremony Show. From 3 to 4 pm we will have our Patriotic Golf Cart Parade, so decorate your golf

carts and come on down to the Lodge for the parade line up and photos. From 4 to 6:30 pm we'll have our twilight pool party and live band at the Lodge. The Lodge closes at 7 pm and the parties move up to the Summit for the 9 to 10 pm viewing of the Beaumont City Pyro Spectacular (fireworks). It's going to be a fun-filled day that you won't soon forget! It's always so great to get all of the neighbors together!

Have a wonderful July and I'll see you around the Lodge.

DID YOU KNOW?

By Micki Rosen

DID YOU KNOW THAT JULY 4 IS CAESAR SALAD DAY? The first thing to know about Caesar salad is that it wasn't named for the ill-fated leader of Rome. The salad is instead credited to Caesar Cardini, an Italian immigrant who got into the restaurant business in the US and Mexico. Like most great culinary inventions, it wasn't the result of a deliberate design; instead, it came about in a moment of desperation. In 1924 there was a rush on Cardini's restaurant and he quickly got to work to keep the customers happy. Like most food, it has undergone multiple permutations throughout its existence. Originally there were no anchovies in the salad (Cardini supposedly would not have liked them). And of course nowadays you can add steak, chicken or shrimp almost every place Caesar salads are offered.

DID YOU KNOW THAT JULY 12 IS PECAN PIE DAY? There are various ideas about the origins of pecan pie. Some say the French first made it soon after settling in New Orleans in the 1700s and being introduced to the pecan by the Native Americans of the area. Others claim that pecan pie was first made in the early 1800s in Alabama, but nothing has been found to support this. The first actual pecan pie recipe was written in 1886. Originally, pecans were mixed with custard and boiled, and then poured into a crust and baked. The makers of Karo syrup contributed to the popularity of pecan pie as their product was often used in the recipe (and was cheaper than honey and maple syrup). Pecan pie has become a literary symbol of the American South.

DID YOU KNOW THAT JULY 15 IS ORANGE CHICKEN DAY? Orange chicken is a common favorite at many North American Chinese restaurants. It was an immensely popular dish in China during the Hunan era and continues to be popular. There was one period in the past when orange chicken wasn't even made from chicken. During the 1600s there was a plague that crossed through northern China and killed off large portions of the chicken population. Out of desperation (and a love of orange chicken), people had to find new meats to use in their orange chicken dish. Beef was the most common, but just about anything was used at the time.

DID YOU KNOW THAT JULY 22 IS CRÈME BRULÉE DAY? Crème Brulee first appeared in a recipe book by Francois Massialot in 1691. Known as the "Cuisinier Royal et Bourgeois," the book held the first recorded recipe for this incredible treat, but when it was translated to English it became known as "Burnt Cream." Oddly, even though it is deeply associated with France, and specifically with Paris, a Crème Brulee recipe didn't appear in any French cookbook from 1740 to 1980! It came back onto the scene in a big way in the 1980s, and became the darling of the restaurant boom. Traditionally served in ramekins, it has the appearance of a small pie or tart, but once you crack that burnt sugar shell, you'll enjoy something truly unique.

DID YOU KNOW THAT JULY 30 IS PAPERBACK BOOK DAY? One of the things that led to lighter books being developed was the commonality of the railway. Trains were indeed a faster form of travel across vast distances (before planes, of course), but one could still easily spend a week or more in a railway carriage as it covered the great expanse of the countryside. While books were a fine way to pass the time, they were very expensive and quite large and heavy, making them inconvenient to read while on the road. So the first paperback books were aimed at railway passengers. Even though these days you can pull up a book on your cell phone, for some people there's nothing quite as satisfying as holding a book in your hands.

Thank you for all your entries... We had nearly 30 this month! We loved all the comments, too.

Get The Joke is a simple contest... somewhere in this issue is a "joke" ad, article or other notice. You'll know it when you see it — it will be silly, over-the-top ridiculous or just plain goofy — and hopefully it will bring a smile to your face. When you find it, simply cut out and complete the box below and return to the Lodge Front Desk before the 9th of the month. One correct entry will be chosen at random to win a \$20 gift card to Smitty's. Happy hunting!

DROUGHT TOLERANT ANIMALS

Due to the California drought, Governor Brown has lifted all restrictions on owning drought tolerant animals in residential areas, including in HOAs. Camels are **gentle, kind** and **helpful** creatures who drink only one gallon of water per month (on average). They **clean up after themselves** and **enjoy soft jazz**. To adopt one of these amazing animals, call Frank at **(909) 797-3647**.

Never knew this about camels. Gentle, kind, helpful and they clean up after themselves. Amazing! ~ Sharon R.

I called to check. Although they forgot to list what they eat, they eat McDonalds! However they are nasty, they spit and my animals complained the last time I left them with a camel to babysit them. The

camel bullied them and ordered them to bed! They don't clean up after themselves and prefer hard rock to jazz. ~ Sally M.

Choices.

We all make choices constantly. We explore options, we weigh the benefits, we ask for advice from people we trust. We take the time to make the best choices possible, because whether it's making big life decisions or just resolving to eat a little healthier, over time the choices we make come to define us.

So it's even more important that you have strong choices when it comes to medical care. Fortunately, our community has a world-class local option: the doctors and staff of Beaver Medical Group. For over 70 years, neighbors have trusted Beaver to get the best possible care and to help them make informed decisions about their health.

Beaver Medical is the local Reader's Choice, too.

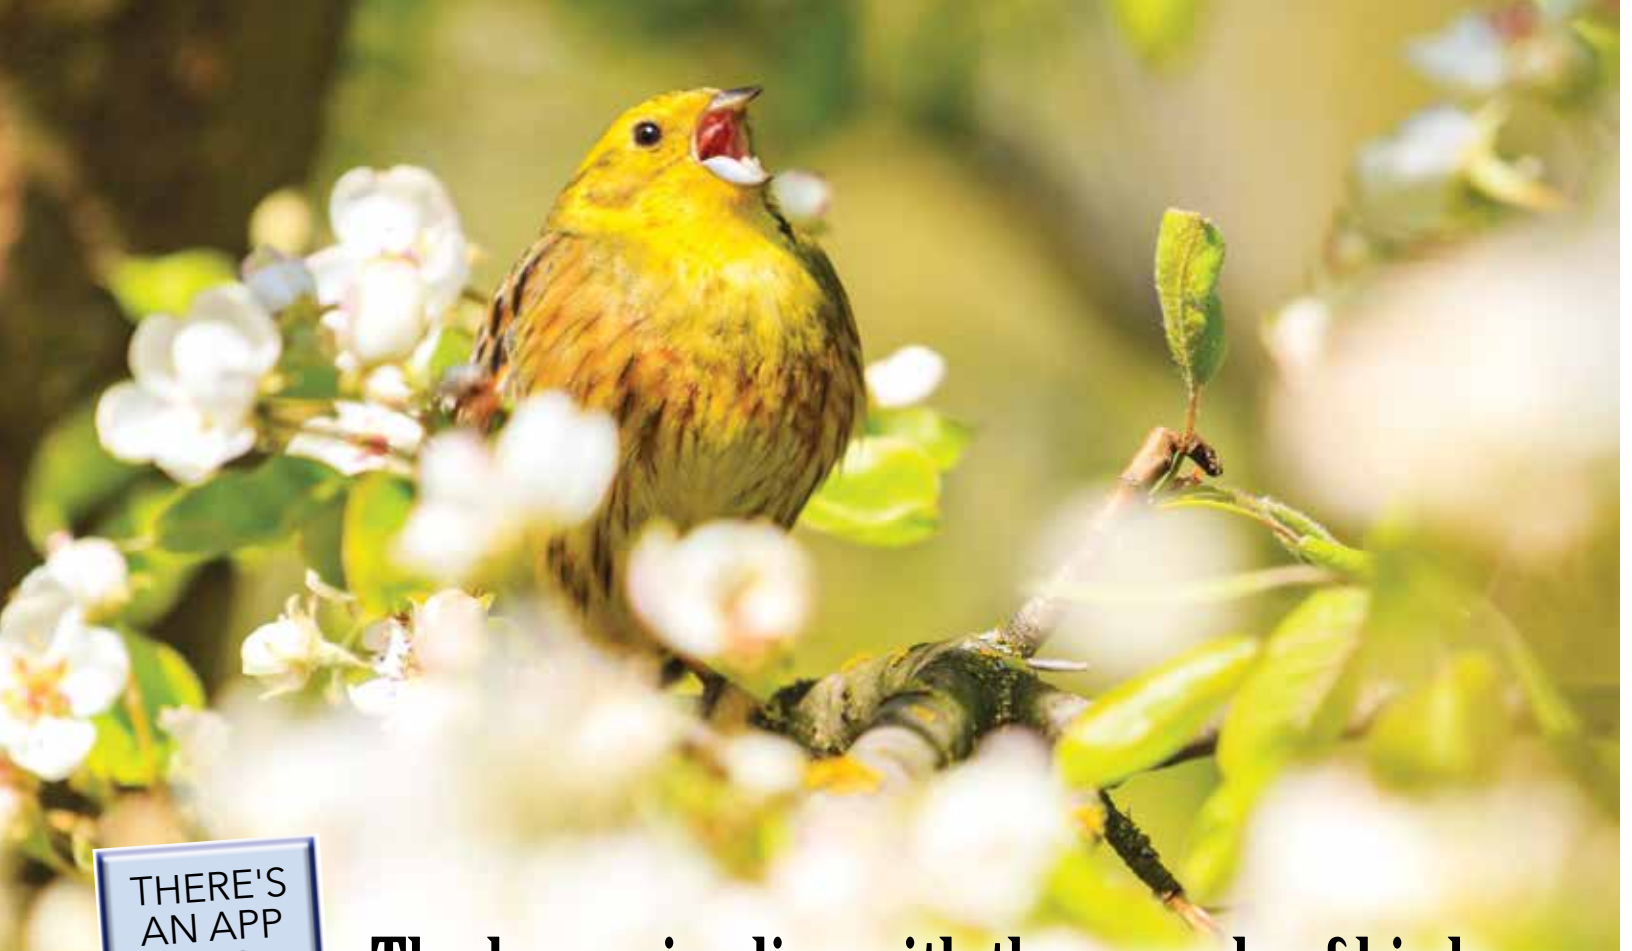

It's no coincidence that every year since 2010, Beaver has been voted **Best Medical Group** by local newspaper readers. And for the past four years, we've won **Best Urgent Care Center**, too. As Beaver continues to expand in the Inland Empire—including two major new facilities planned in Beaumont and Banning—people recognize that Beaver doesn't just serve this community, we're part of this community.

When it comes to medical care, there's a clear decision: your local choice is also the best choice.

Community. Commitment. Local Care.

The house is alive with the sounds of birds

By Steve Benoff

There's a little birdie in my house.

Well that's what it sounded like late one night. A five note bird whistle sound. Frankly, it was a little unnerving. How in the world could a bird get in the house; and why weren't the dogs barking in excitement? I'd put it out of my mind until I heard the bird whistle again. The exact sound. Another night I heard it again and so did Martha. In fact, she was sure it was coming from my office. By now, of course, I knew it wasn't a bird, but couldn't figure out what it could be. My computer was off and I was sure it wasn't coming from my charging phone. Could it have been my printer? It's relatively new, but I couldn't imagine why it would make such a sound and there was nothing on the display.

Finally it dawned on me that it might be coming from my Samsung tablet. I bought it so I could test Android apps. Yes, on occasion, I do enter in the Android app world. I'd recently charged it to test the Rachio sprinkler app. Besides logging onto the control unit on my desktop computer, the only way to control my sprinklers is with the app. And it's by far the most convenient way to check sprinkler operation. Rachio aside, I clearly heard the bird whistle coming from the tablet. I saw there was a notice on the screen; a news event was displayed. Ah hah. I checked the settings. Under Sounds there was a listing for Notifications, and under it was listed Whistle. So every time the tablet got a notification the whistle would sound. The only reason I hadn't noticed it earlier is that the tablet's battery is usually fully discharged.

So, I've finally come to the point of this exposition. Apps will

often have notifications. When you receive a phone call on your smartphone and you see on the screen it's a call from your brother, that's a notification. If you've ever had your phone inform you about a child abduction, that's a notification. Many apps have notifications – some welcome, some not. A few are frequent “notifiers.” Fortunately many hardly notify at all. The best part is you get to decide which notifications you wish to receive. If I go to Settings on my iPhone, there's a Notifications heading. Selecting it gives you a list of all your apps which offer notifications. (For Android, go to Settings, then select Application Manager for a list of all your apps. Within the settings for each one there's a check box for Show Notifications.) On my phone, 81 apps are listed. Each one gives me several notification options. The first is whether I want notifications at all. If I do, I can choose how I want to be notified. Do I want a sound? Do I want the notification to show on the Lock Screen, to show in History (not really sure what that means), to show as a Banner, and, if so, what type of banner?

When you first download an app, you can avoid going to Settings simply by selecting “no” when presented with the option to permit notifications. In fact, when first opening a new app, it's always a good idea not to rush. Look at the options presented and decide whether to opt in or out. By the way, when placing an order on the Internet, slow down and look for check boxes. If you want to be showered with endless offers, leave the box for promotional material checked. Otherwise, make sure to uncheck.

Do you use an app you'd like to share with others, let me know at steve.benoff@verizon.net.

PET OF THE MONTH: KAYLIE

Meet Kaylie, our rescue dog – with a twist. Two years ago as I was pulling into a shopping mall parking lot in Hemet, a woman carrying a white ball of fur approached my car. She said she couldn't care for her dog properly and was desperate to find it a good home. I firmly told her that my husband and I had decided not to get any more dogs. We already had our 12-year-old poodle, Reilly, who was diabetic and required lots of extra care. Suddenly, the woman came around to the passenger side of my car and got in with the little dog. She put her into my lap and I was hooked. Who could resist such a lovable bundle of sugar and sunshine!? I told the woman I would have to call my husband – expecting him to say no. To my surprise he said it was up to me. A half hour later I was pulling into our driveway with our new addition.

In the photo Kaylie is wearing a special handmade jeweled collar her mom made for her Pet of the Month portrait. ~ Shirl and Duane Sherman

FACILITIES COMMITTEE

The three eastern shuffleboard courts were renovated last month. The courts were painted and a new finish applied that enables the puck to glide easily across the surface of the court.

The pickleball courts were updated with new chain link fencing that replaces the old tennis nets as a divider between the courts. The tennis poles supporting the nets were corroded and a decision was made to replace the tennis nets with chain link fencing to provide a taller and safer divider between the courts.

Several projects were completed last month including electrical and LED lighting updates in the Ballroom as well as the wrought iron fence painting in residential phase C.

The committee is currently reviewing expansion of the Craft Room and roof repairs for the three buildings at the Lodge.

Richard Ladeira recently resigned from the Facilities Committee. Richard has made many important contributions to the Facilities Committee and his leadership and expertise will be missed. We thank him for his service and commitment to our community.

We currently have several positions open on the Facility Committee for anyone interested in serving our community.

The Facility Committee meets in the RCN building on the second Wednesday of the month at 10 am. We always welcome residents to join us and share their ideas or concerns. ~ **Bruce Lewis**

**PAINT
NIGHT**

SOCIAL COMMITTEE

Greetings! Our Paint Night was a great success and all who attended had a wonderful time. As you can see our local artists did extremely well with their paintings. A big thank you to our event chairpersons, Patty Spinosa and Pepsi Powers, and to Susan Turley and her team (The Art Barn) for making this evening well organized, fun and filled with laughter and camaraderie.

As you know we began selling tickets for our Aug. 11 Fashion Show/Luncheon last month. This is a sellout event so if there are any remaining tickets you can purchase them at the Lobby Front Desk in the Lodge.

Welcome to our new Board Liaison, Claudeen Diaz, and to our newest committee recruit, Kathy Lingren. ~ **Pamela Morales**

LANDSCAPE COMMITTEE

The Four Seasons Beaumont Landscape Committee meets on Friday mornings with each of our landscape contractors for observation walks of HOA maintained areas. These walks are great exercise and committee members stay well informed of any landscape issues and how to keep our amenities beautiful.

The unusual late and very cold frost of this past winter had many of our plantings looking like they were lost. The committee decided to give all frostbitten plants at least two months to show healthy signs. Most frostbitten plants did survive, now that spring is in full swing, the few that didn't recover, are being replaced. Our landscape vendors were very knowledgeable about the proper care to help damaged plants recover.

Your Landscape Committee members are residents who love to walk and learn more about how we keep our community beautiful. Our builder is adding more homes and HOA maintained areas. This committee definitely needs more members. Do submit an introductory Landscape Committee application. Then you too can join us on our Friday walks to see how much joy there is in being a part of this informed and fun group. You are encouraged to visit our committee meetings the third Tuesday at 1 pm in the RCN Conference Room.

Come join your Four Seasons Beaumont Landscape Committee!

RULES & REGULATIONS COMMITTEE

Summer greetings from the Rules & Regulations Committee. The summer solstice occurs in June and many cultures, both ancient and contemporary, traditionally hold yearly celebrations to mark the solstice and midsummer. For example, in ancient Viking culture, midsummer was a crucial time of the year to discuss legal matters and resolve disputes. Not to say that the Rules & Regulations Committee is comprised of Vikings but we did discuss legal matters and made some changes at our last meeting. A new chairperson was appointed. Barbara Miller will now fill that role and we know that her experience will be well utilized. We wish to thank Cheri Howard who served as chairperson for more than a year. She is now our secretary and Roman Dominguez will continue as co-chairperson.

In addition to the work of the committee, we had a guest speaker. Irve Sturmer, representing the Tennis Club Executive Committee, discussed suggested wording for signs at the tennis courts at the Courts. Barbara Miller will meet with the Tennis Club Committee members to formalize the wording of the signs.

We also discussed changes to our CC&Rs regarding elections. Eric Zarr advised that there is a new civil code for HOA elections. Under this code, if the number of candidates for office does not exceed the number of vacant seats, an election will not be mandatory. This is what is termed an "uncontested election." The committee voted to adopt this new code and Barbara Miller will prepare and submit a proposal to the Board of Directors.

The Rules & Regulations Committee would like to know the

concerns of our fellow Four Seasons at Beaumont residents. We are planning to attend Board of Directors meetings, new homeowners meetings and the monthly "Meet with John." We still have a few openings on the committee and want to encourage interested residents to attend our meetings. For midsummer, we probably won't celebrate by dancing around a maypole or wearing garlands of flowers but we can celebrate our wonderful community by following the rules that make it more pleasant for all of us who are fortunate enough to live here. ~ *Margie Chadburn*

EMERGENCY PREPAREDNESS COMMITTEE

What is a shelter?

A shelter can be a storm basement in the Midwest or a bomb shelter in the 60s. A

contemporary

shelter can take some unexpected forms. "Shelter in place" is the phrase used for staying put where you are during a chemical spill in a nearby rail yard. Nearby residents will be asked to shelter in place. This means going to an interior room with very few windows. You will probably be asked to seal all of your doors and windows with plastic sheeting and duct tape. You will need an emergency radio to monitor the incident and listen for the all-clear signal. You should take your "go kit" with you into the shelter space.

Sheltering in place can take other less obvious forms. An elementary school placed on lock down because a robbery suspect has fled into the school yard. You enter the freeway on your way home at five pm only to discover that a fatal accident a couple of exits ahead has the traffic moving at a crawl.

Do your kids have extra snacks and water to help them make it through the lock down? Did you remember to keep your gas tank filled and did you use the restroom before leaving work? New York City experienced brown outs a couple of decades ago where people were stranded in elevators in high rise buildings due to a meltdown of the electrical grid.

The schools should probably require all students to have emergency backpacks available for lock downs. Commuters should be prepared for any problem by keeping a "go kit" in their vehicle and some type of urinal container. Workers should keep a "go kit" and a complete change of clothes with comfortable shoes and perhaps a pillow and a sleeping bag.

In the not too recent past, all of these measures would be seen as unnecessary because we could depend upon the kindness of strangers or a Good Samaritan. But lawsuits and politics and social unrest have made it almost mandatory that we be able to fend for ourselves. When I commuted to work in a car or van pool I always wore a jacket. It was not that I was cold; it was

that I did not want to be shivering on the side of the road waiting for road service when I could have been warm and comfortable in my jacket. Whether you are at home, working, traveling or in school, you want to be comfortable and confident in doing so. Come visit the Emergency Preparedness Committee.

The next EPC meeting is Tuesday, July 17 at 10 am in the RCN Conference Room. ~
Michael A. Mendoza

COMMUNITY PLANNING & TRANSITION COMMITTEE

The Community Planning and Transition Committee is making good progress to meet its objective for the HOA takeover from K. Hovnanian which is anticipated will occur at the conclusion of 2019. We learned that our builder has issued a verbal approval for the dog park. A presentation regarding Amphitheater modifications is being scheduled with a focus group tasked to monitor this project. An initial draft of an HOA Master Plan was shared and reviewed. A less expensive storage option was examined. Once additional storage is

available, it will be possible to entertain installation of a sink in the back of the Ballroom. Electronic archive methods are undergoing review to secure the storage of our builder blueprints and committee documentation/presentations. Four residents are filing applications to serve on our committee.

We welcome homeowners' interest. Our meetings are at 9 am on the fourth Thursday of the month in the RCN Conference Room. Please come visit us. ~ **Johanna Ballard**

FINANCE COMMITTEE

Reallocation of HOA Fees

Over the past year the Finance Committee has observed a rise in our operating expenses. The monitoring and analysis of this trend appears to be associated with higher costs for labor, materials, supplies, fuel and utilities. At this point in our community development, the HOA has assumed accountability for repairs and maintenance of the vast majority of common area structures and grounds. Since over 200 homes remain to be built, corresponding HOA fees from these homes are not realized to the Association. Additionally, the HOA will be assuming responsibility for maintenance and upkeep of the Conservancy area and the currently unbudgeted costs associated with this property.

As part of our fiscal management duties, the Finance Committee not only monitors HOA budgeted expenses but also unfunded proposals requested by our Committees. Proposals are reviewed and unless they reflect a safety issue or needed repair, non-priority proposals have been placed on hold for future consideration and funding. Therefore it is the Finance Committee's conclusion that the Association operating budget is inadequate to meet our current monthly expense requirements.

In May the Finance Committee recommended to the BOD that the monthly HOA fee be reallocated to provide additional funding to the operating budget. What does this mean to us as homeowners? Each month our HOA fee is apportioned to the operating budget and capital reserve fund. At this time our capital reserve is funded at 129 percent, more than sufficient to meet our needs. By reallocating some of the capital reserve money to the operating budget we can provide funding to meet our operational expenses with minimal impact on our capital reserve. More importantly we will not need to increase HOA fees. The recommendation made to the BOD would reduce the capital reserve to 122 percent funding. On May 17, BOD approved the Finance Committee recommendation. This reallocation will be reevaluated at the end of 2018.

Looking ahead, the Finance Committee will be preparing to provide input into the 2019 HOA budget. We will be working with the other committees to address their proposed funding needs.

As a reminder, the Finance Committee meets the last Tuesday of the month at 1 pm in the RCN Conference Room. All are welcome to attend. ~ **Claudia Rozzi**

SAFETY COMMITTEE

LOCATIONS OF AUTOMATED EXTERNAL DEFIBRILLATORS IN FOUR SEASONS

SUMMER SAFETY Summer is the time of the year when many of us participate in more outdoor activities. Whether we are playing bocce ball, pickleball, tennis, horseshoes, shuffleboard, paddle ball, swimming, or walking our trails, we need to be careful. Know your limits and do not overdo your sport or leisure activities. It can be very warm, so prepare by having water with you. Carry your cellphone and let another person know where you will be.

We have two outdoor pools and one indoor pool to enjoy. When outdoors use sunscreen that works best for you and stay hydrated. If you have your grandkids with you at the Lodge pool, please monitor their activities. Running around the pool often leads to slips and falls and the injuries that accompany a fall.

When walking through our Four Seasons community be especially careful when crossing the roadways. Be aware of the vehicles while crossing. Cars may be travelling faster than they appear to you.

If you are driving, be aware of pedestrians and please travel at the posted speed limit of 30 miles per hour on Four Seasons Circle and 25 miles per hour in the residential streets.

If you walk on the trails be careful where you step. There is a lot of wildlife around our beautiful trails and you may see the occasional snake. Please avoid any contact with the snakes and keep grandkids and your pets close to you.

There will be several fireworks displays in our area on the Fourth of July. Enjoy the fireworks from the Summit, your yard, or other vantage points. Please do not use any illegal or dangerous fireworks.

Please lock your cars when they are parked in your driveway and take valuables with you into the house.

By the time the *Breeze* is published for July our new bridge near the Crooked Creek entrance/exit will be completed and open for use. If you are driving, please drive at a safe speed and if you are walking across the bridge, be aware of the vehicles.

Have a safe and healthy summer. Remember, if you see something, say something. ~ **Jerry Monahan**

No Bake Blender Chocolate Custard

By Irene Welker

Here is a delicious and easy dessert that takes no time to make. You can vary the flavor by substituting other extracts, syrups or liquor for the vanilla. I have used orange, amaretto or coffee liquors. Adding orange zest or a little mint to the mixture is also delightful. Whatever you decide to use, enjoy! Serves 4 • Prep time: 5 min • Chill time: 4 hours

INGREDIENTS

- ¾ Cup good quality semi-sweet chocolate chips
- ¾ Cup milk
- ½ teaspoon vanilla extract
- 1 egg

DIRECTIONS

- Place the chocolate chips in a blender.

NEIGHBORHOOD WATCH

WILL YOU BE A VICTIM?

Our Beaumont Police are constantly encouraging our Four Seasons Residents to take crime seriously. Crime and Four Seasons don't seem to go together in our minds, but we are not always within our gates or locked in our homes. Here are some tips so that you won't be the victim of a crime, even here.

1. Never ever leave keys in the ignition of an empty car. Of course, your car could be stolen (it has happened here) but other keys on the ring are "gold" for thieves.
2. Don't leave valuables, purse, wallet, briefcases visible in an unlocked car. These usually contain credit cards, I.D.s, keys, and money. These things are used to commit further crimes like forgery and I.D. theft.
3. Don't leave mail/documents with I.D., addresses and other personal information in your car. These can be sold and then used for I.D. theft.
4. Garage Door Opener: If stolen from your open car or used if the car is in your driveway, it can often provide access to everything in your garage, yard or even your house. **LOCK YOUR CAR!**

5. Finally, remember that a thief doesn't know that that bag in the back seat is full of old dirty gym clothes and he/she may break a \$500 window just to grab a \$15 bag.

In the last few months, Neighborhood Watch has brought several speakers to its second Wednesday General Meetings. In May, Chris Harwood, from Animal Control, answered many questions and gave good information for dog owners especially.

In June, Officer Chris Ramos and J. Zellweger discussed a new app for smart phones that will hold personal information about your loved ones on your phone. This includes, photos, fingerprints, medical needs etc.

When someone goes missing the police need that information immediately, and with a push of a button, you can send this info to them, so they can begin their work of finding the missing person.

This is important for our grandchildren, children and for us. In moments of crisis that vital information is often difficult to pull together. Look in the app store for KIDPRINT.

Remember, everyone is a member of Neighborhood Watch by living in Four Seasons, but if you would like to be the Block Captain of your small area, please contact Anita Worthen at (951) 769-9858. "If You See Something, Say Something." ~ *Andi Henderson*

MIXED MEDIA ARTS CLASS

This is the perspective of our Artist of the Month Sandy Buelna: After drawing in pencil and colored pencil for several years, I wanted to try something new. That choice was to try pen and ink. After finding this picture of a street in Norway, I knew right away that this was the perfect one to do in this new medium. I'm pleased with the results and plan to continue with it. Rob teaches varied drawing and painting media which keeps the class interesting.

CLASSES ARE FREE! Join us Mondays 10 am to 12 pm and/or Wednesday 6 to 8 pm. Any questions, call Rob Kelman at (951) 992-9156. ~ **Rob Kelman**

TASTE D'VINE

WIENS
Family Cellars

We are looking forward to the July meeting when Wiens Family Cellars will be spotlighted. Their Sales Manager, David Owthwaite, will present four fantastic wines for our enjoyment.

Wiens Family Cellars is committed to producing world class "big red" wines with fruit sourced from the Temecula Valley. They believe that Temecula can produce luxury reds that are among the highest quality in California.

Doug Wiens says the family mission is, "To make the highest quality wine and provide it at a reasonable price. The winery seal contains the words Quality, Family, and Integrity. We stand firmly by those three words as our guiding principles."

Our meeting is July 19 (the third Thursday of the month) in the Ballroom. Doors open at 5:15 pm with the meeting starting at 6 pm. Please bring a favorite wine to share with your table along with an appetizer such as crackers, cheese, fruit, dessert or anything in between along with two glasses for tasting.

Members \$5, guests \$10 and non-resident guests \$15.

COUNTER CULTURE CINEMA

Come join us for two films you may have missed in the movie theaters: one is a documentary about a star of old Hollywood and the other is a well-reviewed small film.

Our first monthly screening, on Sunday, July 8 at 6 pm, is the

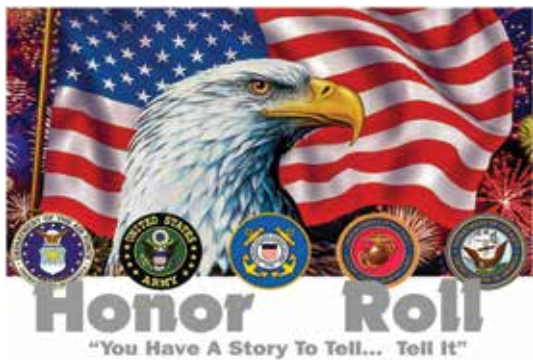

film *Bombshell: The Hedy Lamarr Story* (USA 2017, 1 hr. 30 min., English). Here is a brief description from IMDb.com: “Hedy Lamarr was a Hollywood movie star who was hailed as the most beautiful and glamorous in the world. However, that was only the surface that tragically obscured her astounding true talents. Foremost of them was her inventive genius that a world blinded by her beauty could not recognize as far back as her youth in Austria with her homemade gadgets. This film explores Lamarr's life which included escaping a loveless marriage on the eve of Nazi Germany's conquest of her nation to a new career in Hollywood. However, her intellectual contributions were denied their due even when she offered them in the service

of her new home during World War II. Only much later in her life would Lamarr learn that her staggering aptitude created brilliant engineering concepts that revolutionized telecommunications.”

Our second monthly screening, on Sunday, July 22 at 6 pm, is the film *Humor Me* (USA 2017, 1 hr. 33 min., English). Here is a brief description from IMDb.com: “A once-acclaimed New York playwright, Nate, is struggling to finish his new play when his wife leaves him, taking their son. Desolate, broke and unable to pay the rent, Nate begrudgingly moves in with his widowed father, Bob (Elliott Gould), in his New Jersey retirement golf community. Bob, always quick with a joke, uses humor to deal with all of life's challenges, even the death of his beloved wife. It drives Nate crazy.”

All of our screenings are followed by lively discussion about the film; we'd love to have you join us. The Lodge Theatre has very limited seating, so if you're interested in our screenings, come early; we hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please email Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

TOPS

Summer is upon us and you might be thinking it's time to take off some weight. Here at Four Seasons you have the option of coming to a TOPS (take off pounds sensibly) meeting.

At this meeting you will meet a great group of encouragers and get a lot of inspiration from all those who have been successful on this often difficult journey. Our programs include discussions regarding nutrition, motivation, health and fitness as well as other related topics.

The month of May our biggest losers were Marjorie Melendez (3.4 pounds) and runner-up Patricia Whalen (2.4 pounds). Congratulations ladies.

TOPS is also very affordable with a yearly membership fee of \$32. This includes a magazine with a lot of great information which we receive bimonthly. There are also chapter dues of \$3 per month. We meet at the Lodge on Tuesday mornings with weigh-in from 8 to 8:30 am and the meeting 8:30 to 9:30 am. You may attend one meeting with no obligation. You really need to come and see what we are about. Look at it this way, you have nothing to lose but weight and you may gain better health along the way.

For more information please contact our chapter leader, Cathy Calhoun at (951) 849-2614. ~ Cheryl Burke

SCARY CLOWN GROUP

The purpose is pretty straight-forward — we dress as clowns and scare people. The method you use to scare is up to your individual creative approach. Some chase people, others leap out from behind bushes at people walking their dogs down the sidewalk; some hide in the back seat of a car and then slowly sit up while the person is driving down the road, others prefer to hide in a bathtub and surprise people who are about to step in to take a shower.

The bottom line is we have fun scaring people and, deep down, we think people enjoy it as well.

If this sounds like something you may be interested in, please join us at the Summit at the crack of dawn every Friday.

Dingle Berry, our newly elected president, will conduct a brief business meeting and then will introduce a guest speaker who will demonstrate a make up technique or scare idea. Our secretary, Helena Handbasket will then pass out muffins. If you have any questions, please contact Helena at (909) 213-1428.

Join us for some summertime fun. We have planned a grandparents and grandchildren/child guest ceramic craft morning on Saturday, Aug. 4, 9 am to 1 pm. Four Seasons neighbors and ceramics classmates, bring your child guest along to enjoy a morning of fun ceramics painting and treats.

Child guests will have the opportunity to paint a piece for them to keep or to make as a gift. We have specially selected pieces ready for them to paint with many colors from which to choose. Some of the items include piggy banks, purses, cup cakes, robots, and other items (items are subject to availability). Painting media will be acrylics and then sealed with a coat of polyurethane. Ceramic team members will be available to offer advice and assistance. Cost is \$10 and a sign-up sheet is in Craft Room. Please note space limited. The last day to sign up is Wednesday, July 18.

A current Mah Jongg card is required but you can borrow or copy one until you get your own. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Barbara Goodreau**

PAN

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so all are very welcome. The game can be played in the day, evening, in a room in the Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100 or email Goldtoy@earthlink.net and I will answer any questions you may have. As are all card games, it is played with both skill and luck. ~ **Linda Mendelson**

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the Card Room from 12:45 to 4 pm. Table assignments are distributed at 12:45 pm. Each week, you may play with someone different, giving you an opportunity to meet new friends and/or visit with old friends. We supply the cards, so just bring yourself and a desire to have fun. If you don't know how to play, we are always happy to set up a teaching table — by the end of the afternoon you will have mastered the game. Come join us. ~ **Pam Morales**

BUNCO

We play on the second and fourth Fridays of the month. Bunco is very easy to play and it's a great way to meet new friends. We meet in the Lodge Card Room at 1 pm sharp. Please be on time! ~ **Emma Hajdukovic**

BRIDGE

It is summer once again and we are celebrating our 12th year of gathering for a game here at Four Seasons.

The original Bridge Club is made up of dedicated players interested in the art of communicating the rules of the game to their chosen partners. It is a game of continuing education through practice, reading, and sharing information.

We meet each Monday at noon in the Great Room in the RCN building. Please call Helen at (951) 845-9312 or Gordon Sheppard at (714) 390-2610 for in-depth information regarding any questions you may have. We look forward to hearing from you. ~ **Helen Shoemate-Gurley**

DUPLICATE BRIDGE

One of the most successful bridge clubs here at Four Seasons involves the ACBL Sanctioned game of bridge under the direction of Barbara Revels. She is an excellent instructor of classes, scheduling of partners and participating in the many enjoyable social functions.

Each quarter we look forward to a special occasion party. Featured are holiday events and catered lunches for all to enjoy.

We meet each Friday at 12:15 pm in the RCN building. Please call Helen at (951) 845-9312, Gordon Sheppard at (714) 390-2610, or Barbara at (951) 530-1523 for more information about what might be an enjoyable experience for anyone interested. ~ **Helen Shoemate-Gurley**

BRIDGE FOR FUN

Our Monday and Wednesday bridge groups just keep growing. We are up to three tables all the time and sometimes four. We have a great afternoon meeting new people and seeing our friends. It is what it says "bridge for fun." Verina makes sure of that! We recently had a few new people join our group. They had not played for some time and were learning. They have learned quickly and their weekly scores are right up there with the rest of us. So if you have ever thought about learning the game or want to take it up again, let us know. You can also just come and watch to see if it's your thing. We meet in the Lodge Card Room at 12 pm sharp on Monday and Wednesday. Monday info., Bill Guy (951) 845-5627. Wednesday info., Verina Rector (951) 769-1687 or Tom Halley (760) 898-3215.

RUMMIKUB

Join us Sundays from 2 to 4 pm. Please try to show up by 1:45 pm as we always welcome help setting up. Have fun with new friends and old friends. Rummikub is played at a table with tiles and a holder for each player's tiles. Players begin with 14 tiles. Initially a player "goes down" putting out a group of at least three tiles totaling 30 points. If unable to play, then you must draw one tile from the remaining Rummikub tiles. Play ends when one person uses all their tiles. Remaining players then add the total numbers of their tiles for a score. Zero is the best score.

If you like Rummy and mah jongg, then you would certainly like Rummikub. We play in the Lodge Card Room. We also will set up a learning table for newcomers. Hope to see you there. If you have any questions, call Mike Saperstein, (951) 769-7909. ~ *Mike Saperstein*

PHASE 10

We play the second Monday and the third Saturday of the month. Every week we have a training table and we welcome everyone. We start at 4 pm on Mondays and 3 pm on Saturdays. This is fun and we are friendly so come on down and check us out.

Contact: Cheri Howard (951) 756-1216 or howards1249@gmail.com. ~ *Cheri Howard*

HEARTS

All are welcome. The game is played with a single card deck, no jokers, and 52 cards. We play three, four, or five at a table. No scheduling necessary. We play on Tuesdays at 6 pm in the Card Room next to the Library. A group has played here at Four Seasons for nine years. Seating is random draw, no partners, individual scores. It is easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions, call Mike Saperstein (951) 769-7909. ~ *Mike Saperstein*

DOMINOES

Congratulations to John Bragg and Robert Steen who tied for the month of May with 17 game wins each. A play-off match was not held so we have two domino champs this month. These two guys are playing at the top of their domino game and are constantly in the spotlight. It would be interesting to see John and Robert in a head up domino match.

Maybe in July when Four Seasons Beaumont sponsors their annual club trophy competition it could happen in the domino play-offs. I guess we will all have to wait and see.

Dominoes are played every Wednesday and Friday from 5 to 9 pm in the Lodge Game Room. Get off the sofa and come out and join us for some fun. Practice is from 5 to 6 pm on both days. Jesse Dimmer will help you in learning how to play the game and give you some helpful advice if you need it.

For more information, call Jesse at (951) 769-2035 or Reggie at (951) 769-6483. ~ *Marvin Gaines*

AMPHITHEATER

Summer is upon us and what could be more welcome after a warm day than sitting under the stars listening to some great music.

Our concert for July showcases two musicians - John Carey and Theo Coakley. These two talents go by the name of "The Smooth Brothers." And are they ever! During the 20 years they have been a team, they have developed and embraced a wide diversity of musical styles. Motown, Jazz, Soul, Reggae, Blues, and Classic Standards will all be heard in our Amphitheater!

The concert begins at 7 pm at the Amphitheater, located on the east side of the lawn behind the Lodge. On the day of the concert, the sound crew works in the early morning hours to install and then test both the lighting and sound systems. You are welcome to place your chairs in the Amphitheater after 10 am. (Remember, spreading a blanket does not reserve your space.)

As the sun goes down, it can become quite cool so a wrap might be needed. You are welcome to bring a beverage of your choice which needs to be in a non-glass container.

Be ready to swing and sway and dance to some great music. See you at the concert! ~ **Doris SanFilippo**

PERFORMING ARTS CLUB

There is a lot of activity going on in the Performing Arts Club right now. We hope to get you out of your chairs and come help support the next two "free" shows we have coming up in August and September.

Auditions for the Love & Marriage II took place at the end of June. The show will be Friday, Sept. 28 and Saturday, Sept. 29.

We will hold auditions for our next installment of the Radio Shows on Wed., July 11, from 6 to 8 pm, in the RCN3 building. There are going to be two old-time comedy shows with several characters each. No memorization needed. We read directly from our scripts. This year we are going to incorporate acting lessons into our rehearsals. So, if you think you might want to try your hand at acting, this is the easiest way to get started. The Radio Shows will be presented on Saturday, Aug. 25.

You don't need to be a member of the Performing Arts Club to audition. However, once you participate in one of our shows, you automatically become one. We have monthly meetings on the fourth Tuesday of every month at 4 pm, but attendance is not mandatory.

Any questions, call (951) 992-9156 or email terimk@verizon.net. ~ **Teri Meyers-Kelman**

SPOTLIGHT ON CATHY GOLDSMITH Cathy Goldsmith was the youngest of 13 children, growing up in Philadelphia, PA. She shone in public school, and was offered a scholarship to a prestigious boarding school where she excelled. It was this education that helped her advance in her professional life.

Cathy was definitely a "mover & shaker" doing things that others merely dream about. With over 50 years of experience with non-profit organizations, she worked for the United Nations,

was a 17-year board member of the YWCA and had 25 years as a board member of USC's Libraries. She was a Chairperson for USC's major fundraising and was appointed by Mayor Bradley to the group that integrated the LA Unified School District.

Cathy Goldsmith considers moving to Four Seasons at Beaumont one of the best decisions she and her husband, Bob, made. Sadly, he was ill when they moved here and in 2016, after celebrating their 56th anniversary, Bob passed away. Cathy now needed to make some decisions on how to proceed with her life. She thought back to her childhood when she started singing, with her first performance at just five years old. That was followed with many years of voice lessons and more performances. Music filled her life and Cathy seriously considered turning professional, but chose a business career instead. It wasn't a difficult decision to join our choir, the Four Seasons Singers. Cathy also chose to actively join the ever-growing Performing Arts Club (PAC). Through these groups, she found welcoming, supportive, fun and creative people. Now the Chairperson of PAC, Cathy's goal is to bring more organization and structure, while freeing the creative members to do what they're good at. She would like to emphasize the need for more volunteers, not just for the creative end, but also in logistics, stage hands, prop designs, and management. ~ **Teri Meyers-Kelman**

LET'S DANCE

Our Summer Fun Dinner and Dance Party is coming up on Saturday, Aug. 4 in the Ballroom with music by American Made! Look for the poster in the Ballroom for ticket information. This is a very popular event, so plan to get your tickets as soon as possible.

Reminder to singles: Our Let's Dance! group has opened the classes for a single resident of Four Seasons to bring a dance partner who does not live in Four Seasons.

Our dance for July is Country Western. We do a general overview of many of the most popular CW dances; such as the Ten Step, Cowboy Cha Cha, Two Step and Waltz Across Texas. This month we encourage most every one of all levels to come for each class since we will be learning a new and different dance each week. We will also review each previous dance so you can put your boots on and go out

Country dancing ANYWHERE!

Please don't forget our free practice sessions on most Thursdays at 6 pm in the Ballroom. Practicing with a group is best because we help and encourage each other. It's amazing how much more you will improve, and retain, by attending these free practice sessions.

We are so excited to have our new huge dance floor and we encourage you to come out and join us in the Ballroom on Monday nights from 6 to 7 pm for newcomers and beginners and from 7 to 8 pm for intermediate and advanced. The cost is \$10 per person with our professional.

The Line Dancers had a blast at the Sock Hop

LINE DANCING

If you want to be more active and have fun doing it, join us on Tuesday afternoons for Country Line Dance in the Ballroom.

Martha Franck volunteers her time as our leader. A weekly donation of \$1 will go toward our parties and sock hops.

If you have never line danced or if it has been a while and you need a refresher, a Beginner's Class will begin on July 3 and be held every Tuesday at 2:15 pm in the Ballroom. It will be an eight-week course (July and August) so that you can master the basic steps and some simple dances. Please plan on regularly attending, especially the first two to three weeks, to learn the basic steps. Dances will be repeated each week to make sure you are ready to move on to some new dances and steps. The full eight weeks of classes will give you a

great introduction to many of the dances we do at the Sock Hops and at Karaoke.

The Intermediate Class starts at 3 pm. There is less step-by-step teaching, except for new dances. A quick review of the steps will be done as needed for familiar dances.

The Advanced Class starts at 3:45 pm. New dances are introduced but you need to know the basic steps very well and be an experienced dancer.

Bring water and wear shoes that can slide on the wood floor.

The next Line Dance Sock Hop will be held on Friday, Aug. 17, from 5 to 8:30 pm in the Ballroom. Bring some dinner, or order from The Bistro, and BYOB. This is a free event, thanks to our wonderful DJ Dave Rohrbacker and our Line Dance coordinator, Janine Rohrbacker.

Bring your friends! ~ **Martha Franck**

“BELIEVE...” WOMEN’S BIBLE STUDY

What a way to kick off summer - a beach-themed potluck/party! It is so much fun to see how many friendships have formed through this Bible study. All of the ladies are amazing, fun, intelligent and godly. The decorations were very “beachy” and you could almost hear the waves lapping at the shore. (Okay, maybe that’s stretching it...) The food was plentiful, varied and a total smorgasbord of culinary delight! There was also a “quiz-game” with prizes awarded to the winners.

Before we partied and ate, we began our next series: “Blessing Blockers.” We learned the definition of a blessing, the different kinds

of blessings, what constitutes a block to those blessings, and how to avoid those blockers. This will be a 12-week series, intended to be interactive, and each is jam-packed with wisdom from the Bible.

Hey, all you beautiful ladies out there! Are you interested in joining an amazing group of women who are learning and growing through the Word of God? We know you are... so please come by the Game Room at the Lodge any Friday at 10:30 am. This is a non-denominational study, specifically geared to women, and any version of the Bible is fine. C’m on, grab your Bible and join our group! We’ll be looking for you! ~ **Eileen Gilbert-Antoine**

INTERCESSORY PRAYER GROUP

Greetings from the intercessory prayer group!

Well, here we are again, celebrating the Fourth of July. We celebrate America the land of the free.

As we recite the Pledge of Allegiance the word liberty comes up near the end of the Pledge. I thought about the word liberty. What is the meaning of the name liberty? The name liberty originates from the Latin “libertas” utilizing the element “liber” meaning “free.” In English, the word means “liberty, free or independence.” I am thankful for our country and for the freedoms we have. I pray that we never take freedom or liberty for granted. My prayer is that God will continue to bless America with liberty and justice for all.

We invite you to come and join us in prayer on Monday, July 2 at 9 am in the Lodge Game Room. We encourage you to come be a part of praying for our country and our community. Hope to see you Monday the 2nd. ~ **Cookie Bonner**

BOOK CLUB

The Book Club selection for July is *Lilac Girls* by Martha Hall Kelly. This summary is provided by Reading Group Guides.

“Based on a true story of a New York socialite who championed a group of concentration camp survivors known as the Rabbits, this acclaimed 2016 debut novel reveals a story of love, redemption and terrible secrets that were hidden for decades.

“Caroline Ferriday is a former Broadway actress and liaison to the French consulate whose life is forever changed when Hitler’s army invades Poland in September 1939 — and then sets its sights on France. An ocean away from Caroline, Kasia Kuzmerick, a Polish teenager, sinks deeper into her role as a courier for the

underground resistance movement. In Germany, Herta Oberheuser, a young doctor, answers an ad for a government medical position — only to find herself trapped in a male-dominated realm of Nazi secrets and power.

“The lives of these three women are set on a collision course when the unthinkable happens and Kasia is sent to Ravensbruck, the notorious Nazi concentration camp for women. Their stories cross continents, as Caroline and Kasia strive to bring justice to those whom history has forgotten.”

Please join us at the Lodge when we discuss this book at 9:30 am on Tuesday, July 10. Our August selection will be *The Great Alone* by Kristin Hannah. ~ **Alex Woodcock**

WRITER'S CLUB

Good news as the Writer's Club moves into summer. First, we are going to stay active during the summer months. In the past, the club has gone on hiatus during the summer, this year the members voted to continue meeting.

Next, the club is growing. Several new members with a wide range of interests have joined the group. Members are writing poetry, short stories, family histories, novels, and even a major financial analysis of 2008. Our topics for the meetings cover a wide range of areas from creativity to writer's block. One of the items we discussed in May was Ricardo Gartner's fascinating book of ancestral memories,

Encounters After the Sunset.

The group also discussed the idea of each of us writing a chapter on the history of what it was like when we were growing up. So much of this knowledge is being lost to new generations.

You don't need to be writing a book. If you have enthusiasm for the written word join us. We welcome all forms of writing and at every level of experience and skill. As a novice writer who was welcomed into the group, I say, see you there. Next meeting is Tuesday, July 10 at 1:30 pm. ~ **John Baeyertz**

Please help the Backpack Project for Childhelp®

AFRICAN AMERICAN CULTURAL CLUB

African-American Cultural Club Presents: BACKPACK PROJECT FOR CHILDHHELP®

The AACC and Four Seasons are sponsoring a Backpack Campaign on July 1 through July 15. Our goal is to provide new backpacks filled with school supplies to the children living in the cottages at Childhelp® in Beaumont.

Situated across 121 acres of beautiful scenery just one mile west of Four Seasons- the Childhelp® Merv Griffin Village has been dedicated to the 24-hour-a-day treatment of abused, neglected, and at-risk children of California since 1978. The Village houses 84 children ranging in age from 6 to 14 years old.

Last year the AACC sponsored a Luggage Drive in which the generous residents of Four Seasons donated over 70 pieces of luggage. This year the AACC wants to provide much needed resources to these children again.

There are many ways our community can ensure the local foster children have the tools they need to succeed in the new school year and the AACC feels that new backpacks is a great choice.

We need to raise at least \$4,000 in order to help these children.

Once the funds are reviewed, the AACC backpack committee will purchase the backpacks and school supplies needed. We encourage everyone to contribute to this worthwhile cause. A donor box will be placed at the front desk next to its display in the Lodge. We are accepting cash or checks made payable to the AACC. All collected monies will benefit the children of Childhelp®.

We will also be holding a backpack stuffing party after the campaign and are looking for volunteers to help fill the backpacks. If you feel inspired to assist us, please contact Jane Gentry around July 15 at (951) 524-0130.

Upcoming event: Sept. 22 - Jazz Under the Stars is a free event that will be held at the Amphitheater. If you attended last year's event, then you know you will have a marvelous time!

AACC Meetings: You're invited to join us and become a part of a growing group that is striving to make a difference in our community. Our next meeting will be on July 9 in the Lodge Card Room at 6 pm. For more information please contact Joyce Allen at (951) 769-4354 or Roxie Elliott at (951) 769-2517. ~ **Regina Thomas**

RAINBOW GROUP

The Four Seasons Rainbow Group is an informal opportunity for our LGBT neighbors and any other residents who are interested in meeting with us, to keep up to date, meet new members and to have a relaxing dinner together. We meet every month on the fourth Thursday - our next meeting will be on Thursday, July 26 at 6 pm. We gather at the atrium in the Lodge, order any Smitty's food items that we want and then move to the Lodge Card Room. Feel free to bring your own adult beverage, if you desire, and appropriate glassware. Everyone is welcome. Any questions can be directed to Dale at (951) 797-0364 or Barbara at bamerton@alumni.ucla.edu. ~ **Dale Beckes**

CAMERA CLUB

We meet the third Tuesday of each month at 6:30 pm in the RCN Main Lobby Room; thus, our July meeting will be July 17.

For our May meeting, we continued our composition genre showing some very interesting photographs.

Our June meeting had not yet been held at the time of this writing, but the assignment is to bring our cameras and we'll take pictures on the premises with the theme of shadows. Then, next month, we'll show and discuss.

Summer is here already. Where did all of the time go? Come to one of our meetings for tips and tricks for enhancing those summer vacation photographs.

Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings, workshops, in-house hardware and software demonstrations, guest speakers, field trips, and more.

We hope to see you soon. ~ *Lyle Cameron*

SEASONED SOLOS

If you are single and enjoy a variety of activities, then Seasoned Solos just might be the group for you. We currently have 20 plus members.

At each meeting we discuss what is going on in the Inland Empire and plan activities for the coming month, from local lunches and dinners to excursions to presidential libraries, Redlands Bowl, Metro Link trips into LA and the beach train to San Juan Capistrano. There's not much that we won't consider doing.

We meet on the first Friday of each month in the Lodge Craft Room at 6 pm. For further information call Joyce at (951) 850-3055. ~ *Joyce Olson*

KIWANIS CLUB OF BEAUMONT

After May and June most of our members were very tired. We spent numerous hours at the car show and a week later working with the Cherry Festival. Both activities raised money for the coming year of supporting your local activities and scholarships.

July will be a month of rest for our members, we have no activities scheduled. This year the District Convention will be in Hawaii in August; no one from our club will be attending.

Our next scheduled event will be Octoberfest in September where we will be selling apple strudel.

We are always looking for new members. The more members we

have, the more service we can do in the community. Our focus is helping the children of the world and the community of Beaumont.

The Beaumont Kiwanis Club meets in the Lodge Conference Room, every Thursday except for the first Thursday of the month. The meeting starts at 6:30 pm. Many of the members come early and order at the Bistro and eat prior to the meeting.

Robert Howard, 9-Ball Champion

Larry Rice

THE 8-BALL CLUB

This month the 8-Ball in-house tournament was canceled but 9-Ball continued as planned.

In a 10-member tussle, two of our team titans made it into the final match. After five rounds of play it was down to Larry Rice and Robert Howard. Although Larry fought his way out of the losers column to make it into the championship match, Robert won game one and was therefore undefeated.

Congratulations to Robert Howard, the monthly 9-Ball Champion!

BILLIARDS FOR FUN

We've got the winners! The Billiards for Fun 2018 quarterly tournament was in May and everyone had a good time competing against one another for the privilege of having their names inserted on the 2018 winners plaque. The tournament was an exhibition of the honed skills of our members, and the competition (although fierce at times) was lots of fun. Who are the winners, you ask?

First Place Team: Mike Fisher and David Thomason; Second Place Team: Ken Gomer and Richard Dipoma.

Congratulations and kudos to the winners and all the players who participated. Each and every one of you add to the fun!

On July 3 we will hold our Fourth of July Tournament. This is a

singles tournament, where each member signs up in one of three categories: Red: Experienced; White: Intermediate; and Blue: Still-Learning. There will be trophies awarded to the first and second place winners in each category, presented at the party in the Ballroom on July Fourth. Yep. All the players will be playing on their own, with no teammate to buoy them up, and everyone has such a good time!

So, c'mon, dust off those pool cues, and come check out the Billiards for Fun Group. We meet every Tuesday, in one of two sessions: 11 am to 1 pm or 1 to 3 pm, in the Lodge Billiards Room. Hope to see you soon! ~ **Eileen Gilbert-Antoine**

Janet McAdamis (left) and Dianne Rothberg (right) line up their shots. These ladies mean serious business.

CURLY CUES

The Curly Cues group is for our Four Seasons women. We play two sessions on Mondays from 11 am to 1 pm and 1 to 3 pm. We hold quarterly in-house tournaments. We also enjoy getting together at a local restaurant for lunch and lots of chatter, then it's back to the Lodge where we get down to business (which basically means more chatter with billiards mixed in).

We got our new HOT pink shirts. They were a big hit and so pretty. If you see someone wearing our Curly Cues shirt please stop her and ask them about our group.

Results of our July tournament will be highlighted in the August issue of the *Breeze*.

This is a great group of really fun ladies and we would love to have you join us. Beginners are always welcome as many of us started out that way.

Please contact Leta Ramirez (626) 695-0798 or Pat Semler (714) 325-5280 if you would like more information. ~ **O'Leta Ramirez and Pat Semler**

CUES FOR TWO

If you're looking for a way to spend time or meet other fun couples, this is the group for you. Our new hours are 5 to 8 pm, open play, come and go as you please. We have 10 couples attending regularly and 14 couples on our roster.

We started our quarterly in-house tournaments this year and proudly hung our new plaque in the Billiard Room. Check us out!

We have FUN, FUN, FUN and the pictures to prove it!

BASKETBALL

Everyone is welcome. We meet at the basketball court starting at 5 pm on Fridays. Bring your energy and be prepared to have some fun. ~ **Richard Hoffman**

Doubles winners Dave Thomason and John Hyland.

Singles winner Dave Thomason and 2nd place winner Harry Henderson.

Doubles 2nd place winners Emile Pelletier and Ron Erickson.

HORSESHOE CLUB

As promised last month, the winners of our second quarter tournaments were as follows: Doubles were won by the team of Dave Thomason and John Hyland with second place going to a pair of newly-turned 80-year-olds, Ron Erickson and Emile Pelletier. Singles was won by Dave Thomason with second place going to Harry Henderson. Our June social was hosted by Jeannie and Emile Pelletier. Their beautiful home is complete with a three-hole putting green. Numerous competitions were being held. The guy who usually wins brings his own putter and balls. Club members know

who that is.

July brings blistering heat so we have changed our starting time to 8 am as of the first of this month. Living in Four Seasons, which we call paradise, gives you a lot of club options to choose from, but for overall enjoyment, satisfaction and just plain fun, you owe it to yourself to give the Horseshoe Club a try. We meet at the Summit every Wednesday at 8 am. WATER VOLLEYBALL

We play when The Courts pool is heated and when the air temperature is 75 degrees or higher. We have warm-up drills and then play games. We are always looking for more players. Join us on Mondays from 12 to 1 pm! ~ **Barbara Miller**

LADIES PUTTERS GROUP

The Ladies Putters Group held their end of season Appetizers and Awards evening, at the RCN, on Thursday, June 7. Members brought great appetizers to share and everyone attending was excited about another great season, completed by the LPG.

The highlight of the evening was the awards presentation with Claudia Rozzi the LPG Scorekeeper having the honor of naming the winners.

Phyllis Kates was awarded 1st place this season in the following categories: Total Lowest Average, Lowest Game and Highest Number of Holes in One. Phyllis also tied for 1st Place in Per Game Hole in One.

Leona Davisson took 1st place in the categories Games Played and Closest to the Pin. Leona also tied for 1st Place in Per Game Hole in One.

It looks like Phyllis and Leona are setting the bar pretty high for putting accomplishments. The other LPG members will have another season to look forward to and also for an opportunity to improve their stats. It's all in fun and everyone enjoys the camaraderie of the group.

The LPG has been invited to participate in a putting tournament, being held at the Tukwet Canyon Golf Course. The group will also enjoy a luncheon and awards ceremony after the tournament.

If you would like to participate in the Ladies Putters Group, we cordially invite you to come and join us. Remember, you don't have to be a golfer to be a part of the LPG. We meet at The Courts putting green on Mondays, 6 pm and Fridays, 9 am.

D.O.G.

Summer is upon us and Four Seasons is abloom with glorious color. This season brings some additional challenges for keeping our fur babies safe, healthy, and happy. Listed below are some plants that we see commonly at Four Seasons that are poisonous or toxic to canines. The effects of these plants range from mild to severe if ingested by a canine in sufficient quantities. The results can range from mild nausea to death.

This is not an exhaustive list, but the toxic plants you might encounter in your yard or neighborhood.

Aloe vera • Ivy • Jade plant • Dieffenbachia • Philodendron • Pothos • Sago palm • Lilies (all) • Corn plant • Asparagus fern • Yew • Cyclamen • Daffodil • Azalea • Marijuana • Oleander • Begonia • Geranium • Yucca • Holly • Chrysanthemum • Hydrangea • Wisteria • Iris.

Usually, canines will avoid these plants but in some cases under the right circumstances, your dog might grab a mouthful just because they are curious. Usually a pet would never eat enough to cause any harm, but a watchful eye is always recommended. If you think your dog has eaten a poisonous plant, here are the things to watch for: Racing or irregular pulse; Vomiting; Cold extremities; Lethargy; Rapid breathing.

Some dogs are more reactive to poisonous plants than others. Vulnerability to plant toxicity depends on the breed, weight of your pet, and amount ingested. If you have any concern, it is best to take your pet to a vet as quickly as possible for a diagnosis. Be sure to take a sample of the plant and an estimation of how much was ingested.

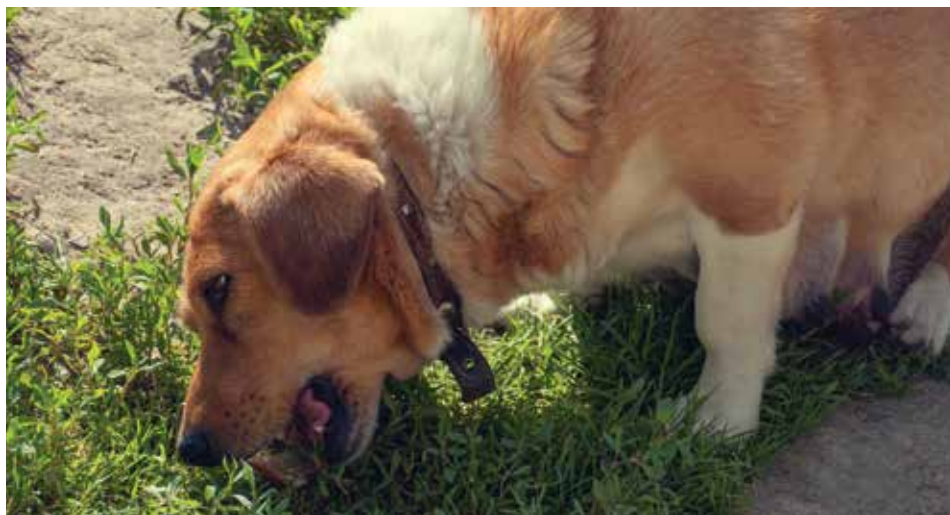

Also, be advised that the consumption of any plant material may cause vomiting and gastrointestinal upset for dogs and cats. Plants listed as either non-toxic, or potentially toxic with mild GI upset as their symptoms are not expected to be life-threatening to your pets.

Finally, although canines seem to love to

munch on the beautiful lawns here at Four Seasons, it is not a good idea to let your dog treat it as the local salad bar buffet. Pesticides and fertilizers are used to keep those lawns looking green and luscious. These chemicals can cause gastrointestinal problems for your dog. Better safe than sorry.

Pack Walks, all dogs are welcome and we practice techniques to calm barking dogs. Join us Saturday mornings, 8 am, at the Spa parking lot and/or Wednesday evenings, 6 pm, at the Summit parking lot. Please, no retractable leashes.

TAILS & TRAILS - ALL PETS

Why does my pet eat grass? Are you concerned when your cat or dog eats grass, then vomits afterwards? Not to worry, this is normal; grass acts as an internal cleanser, expelling mucus or impurities, and it cleanses pets' bowels and expels worms. Grasses contain enzymes, vitamins, minerals, and amino acids, as well as chlorophyll, which was used for treating infections, ulcers, and skin issues before the use of antibiotics. Some pet owners grow their own pet grass to prevent diarrhea, fleas, excessive shedding, and other minor issues in their pets.

Veterinarians suggest that if you don't feel comfortable with your pet eating lawn grass, you can grow your own for them to eat such as rye or barley sprouts. Also, many grocery stores sell cat grass in little planters near the floral area. Vets suggest that when feeding grass to your pet, cut it into tiny pieces or mix it in with other foods. To be sure your pet will accept the grass, begin feeding just a tiny bit and increase the amount gradually to 3/4 teaspoon per 10 lbs. of body weight.

Why is my cat scratching unwanted surfaces or scratching in increasing frequency? Scratching is a natural behavior for your cat.

It is a form of communication, and often your cat will scratch during times of stress or anxiety. The main reasons cats scratch on the carpet (or your furniture if you don't have a scratching post for your cat) are to renew his claws by dislodging old growth and exposing a new nail underneath, and to mark his territory visually and with scent as a message to other cats and animals. If your cat's scratching has increased, this may be a sign of stress such as a threat to his/her environmental resources (food, litter box, a safe place to sleep, territory infringement). If the surface being scratched is near a location where your cat can see or smell another cat or wild animal, discourage the intruders from coming into your yard or block your cat's window view and place calming pheromones near the site (purchase at any pet store). Place a scratching post near where your cat is currently scratching that is unwanted. Whenever your cat scratches somewhere other than his post, take her to the post and then provide a reward within three seconds such as a treat or petting.

Please join us for our July Tails & Trails meeting on Wednesday, July 25 at 7 pm in RCN 3 and join our Facebook Group Four Seasons DOG / Tails and Trails. ~ **Toni Adams**

PICKLEBALL

Way back in the summer of '65 some bored golfers on Bainbridge Island, having completed their 18 holes, were looking for something else to do. On a dilapidated backyard badminton court, using a broken badminton racquet, a ping pong paddle and a wiffle ball, the game of Pickleball (allegedly attributed to the dog Pickles who would intermittently steal the balls) was born.

In our own Four Seasons history, it was the year 2013 and Marty Key and Linda Snipes introduced friends to the game of Pickleball, playing on the paddle tennis courts. It caught on and Four Seasons Pickleball officially began. Fast forward to present day where we now have eight state-of-the-art, lighted courts and membership has grown from two smart, sassy women to the 80+ members on the roster today! With brand new safety fences installed, one can

find players of every level on most courts from dawn until well into the evening. Helpful, welcoming and always funny (after all it IS Pickleball), you will find people eager to welcome you to what Brian Williams has called "the fastest growing sport in the US."

Recently a FSPC logo was designed and new shirts and hats are available for order from LynnRae DuPree. For those of you who fit into the category "the older you get, the better athlete you were in the day," this is the sport for you. Wickedly fun, competitive and not nearly as tough or running intense as tennis, this could be your new way to shine!

For specific instructions for come on down to the courts on Tuesday at 9 am or Thursday at 4 pm. For questions, concerns or encouragement contact Pickleball Nancy Barnaby at (951) 845-0842. See you on the courts! ~ **Julie Stayner**

SUN LAKES REALTY

Paddle Players enjoying a potluck at the Summit

PADDLE TENNIS

When I first moved into Four Seasons in 2009 and while exploring the Main Lodge, I found a sign pointing toward Paddle Tennis. When I walked there, I found two small courts covered with leaves and which seemed to be abandoned.

At that time I was more into tennis and playing with friends in the Sun Lakes community. Some of these friends were also playing paddle tennis and when I was introduced to it, I was hooked.

Paddle tennis gives you all the action and challenge of regular tennis but without so much running as the court is relatively smaller. I had some problems with one of my knees and felt that playing on a smaller court would reduce the wear and tear on my legs overall.

In 2011 several Four Seasons friends decided to form the paddle tennis group which exists today.

It's been a lot of fun playing this sport with an easy-going group of players with fun, exercise and socializing in mind. However once the game starts we can get very serious and a line call is frequently challenged.

We are fortunate to live in Four Seasons as the weather is conducive to outdoor activities for most of the year. So come and get some exercise, breath the fresh air and meet some friendly people.

TENNIS CLUB

It was two months later than planned, but our Interclub invitational tennis and BBQ was May 12. Once again the weather threatened to interfere with our plans, as the clouds hovered ominously overhead. Luckily, they did not produce any precipitation and the chilly 47 degree temperature was on the way up to a comfortable cool. Thirty-eight players from both Four Seasons and Sun Lakes engaged in five rounds of social tennis, followed by a BBQ with burgers and hot dogs. We thank the committee members Chuck Beckman, Irve Sturmer, and Bernadette Martin and Club member Larry Zimmerman for their work preparing for and putting on this fun event.

Our regular play days are scheduled for the last Saturday of every month. Now that we're getting summer temperatures, we begin at 8:30 am and play for about two hours. Players are matched up randomly and then switch after each 20 - 25 minute round of play. Play days are open to all residents of Four Seasons Beaumont. No reservations required – just come on out and join in. To assist those interested in learning or recovering their tennis skills, the Club is providing "Newbie" practices/lessons at 10 am on Tuesdays and Saturdays that are not a Play Day or club event. Based on the

laughter emanating from court one, it is evident that both players and "coaches" are having a lot of fun while boosting their tennis talent.

Another opportunity to play is coordinated by Bernadette Martin. She will arrange for doubles matches on the second and third Thursdays of the month. These matches are scheduled for 6 and 7 pm, when afternoon heat has dissipated.

Coming right up on July Fourth, is the annual Four Seasons Independence Day celebration, involving friendly competitions by many of the clubs in our community. The Tennis Club contribution to the activities is the Red-Blue Team Tennis battle for glory and having one's name etched in perpetuity on a plastic trophy. We hold these truths to be self-evident, that all teams are not created equal, that they are endowed by their captains with certain unreliable righties and lefties, and that among these we beget Lets, Faults, and the pursuit of hapless tennis. Freedom is a wonderful thing!

Following the Red/Blue battles we proceed to the Lodge Ballroom for patriotic doings, potluck lunching, and to the electrifying awards ceremony where we receive "The Coveted Plastic." This year will mark our seventh annual Red/Blue Event. ~ **Steven Hovey**

PING PONG

With the hot summer months upon us, there's no better way to spend your afternoon than enjoying a friendly game of ping pong. As the months get hotter come join the fun in the air conditioned comfort of The Courts.

No matter if you're new to the sport or a seasoned player, all levels are welcome. We play doubles, and sometimes singles, depending on the size of the group on any specific day. All games are played

in round-robin fashion, giving you the opportunity to partner with a different player each game.

Everyone is welcome to play with the group during club hours, and no tables can be reserved for individual play. Days and time are listed in the *Breeze*. If you wish to play outside the club hours, there are paddles and balls available on the tables.

See you at The Courts. ~ **Tracey Laykoff**

FISHING CLUB

Happy Fourth of July to all my fishing buddies and everyone else here in America. Two months ago I went fishing with three of my fishing buddies from Four Seasons. We went to a place called Fisherman's Retreat in Beaumont. We threw out our lines and waited for the big cats to start biting. We were there for an hour and nobody got a bite.

A big water truck pulled up beside us where we were fishing. Oh great! Now I was expecting to take another shower while I was soaking bait. To my surprise a guy got out of the truck and put about 500 catfish in the lake right in front of where I was fishing. In about an hour I had my five fish limit and was ready to go home to a nice catfish dinner.

I could say that I was really lucky that day, but that would be a lie. I had called Fisherman's Retreat and they told me that they would be planting fish in the lake that day. I have this bad habit of calling the local lakes to see when they are putting fish in their lakes. If the fish are there you have a better chance of catching them. It all goes back to the old saying, "If the fish are there you will catch them."

In summertime the local lakes will be planting catfish. In wintertime they will be planting trout. If you are going fishing around here make sure you call the lake you are planning to fish at and ask if they have planted any fish lately. The people at the lakes have always given me plenty of information about what is going on with the fishing.

Really small guy or really giant catfish... you decide

If you cannot catch any fish after a recent plant, this is what you do. Go with someone who knows how to catch fish. It is always more fun to go fishing with a bunch of people. You will be able to learn from each other and the more lines in the water the better the chance of catching fish. The more you fish the more you learn how to catch fish.

Tight lines to all my fishing friends and remember you are never too old to go fishing with all your good buddies. (In case you are wondering what the term tight lines means, it means that you have a fish on the line and it is making your line tight.) ~ **Richard Carrasco**

MOTORCYCLE CLUB

We just got back from our week-long ride through Utah and what a ride!

Eight riders took off from Beaumont; this included Howard Lyon (BMW K1600GTL), Bob Howard (Triumph Tiger 800), Scott Snyder (Victory Vision), Paul Bricker (Harley Davidson Street Glide), Chuck Price (Harley Davidson Tri-Glide), Jim Ayala (Honda NC700X), John Bricker (Harley Davidson) and Bill Arthur (Harley Davidson). John and Bill were invited guests and we were happy to have them join us.

Our journey took us to Las Vegas, St. George and Torrey via Zion and Bryce National Parks. Steve Sarchett (a former Four Seasons resident and member of the club) joined us for a few days. Then we moved on to Moab via Arches and Canyonlands National Parks and finally to Monument Valley Navajo Tribal Park. By this time we had already seen some amazing sights but Monument Valley was the highlight. Upon our arrival we took time off from riding to go on a guided tour. This four-hour tour, via an off-road truck, took us to some remote areas of the valley. Amazing! Our final night was in Prescott where we took advantage of the hotel's large pool and jacuzzi; after six days of riding, we needed it. Sadly, day seven was the final ride with Beaumont as the last stop.

What a wonderful week of riding! It just doesn't get any better than hanging with a great bunch of guys, sharing the love of motorcycles for a week, having great weather and day after day of scenery too beautiful to describe.

Thank you to Howard Lyon and to Bob Howard for planning the route and related logistics and for sharing the duties of being the lead rider. Howard Lyon was also our unofficial photographer for the trip. He has already prepared a slide show of the trip to share with our club members.

New members are always welcome to join the MC. All we ask is that you love to ride and like to hang with a great bunch of fellow riders. And speaking of new members, Doni Daudel joined us recently on a Thursday ride on his beautiful blue Honda Goldwing. Welcome Doni!

If you are interested in joining and have questions, please call our club Pres, Terry Humble (951) 381-1354 or our Vice Pres, Jim Ayala (951) 392-6259. ~ **Jim Ayala**

BIRDING CLUB

We welcome beginning and experienced birders to start or hone bird identification skills. Our main activity is a monthly bird walk along Four Seasons' beautiful nature trails, which follow native riparian woodlands. We also take field trips to local birding spots, discuss backyard bird feeding and share information on unusual species and behaviors.

Our June 9 bird walk was our first walk of the summer, the Bird Summer, when all the wintering birds have left, the migrants have passed through, and we are left with the local breeding birds. Even so, we identified 18 species, including several singing Song Sparrows (our current Bird of the Month). Also, the new bridge at Crooked Creek was open for pedestrian traffic, which allowed us, for the first time, to make a loop, leaving the Lodge and walking Trail A, then crossing the bridge and returning on Trail B. Big improvement!

We meet the first Saturday of each month at 8 am in the Lodge RCN Lobby, talk about birding, and then go on our bird walk. Bring your binoculars or just come to a meeting and ask about birding gear. Sometimes our schedule changes, so before coming to a meeting and to receive club communications, email Steve Edelman at steve.h.edelman@gmail.com. ~ **Steve Edelman**

Bird of the Month

Song Sparrows are streaky brown birds that vary extensively across North America, with 24 subspecies recognized; coastal and northern birds are darker and streakier whereas southern and desert birds wear paler plumages (like the bird pictured here). Song Sparrows are found in a wide variety of habitats, from marshes and rain forests to deserts and residential areas. Song Sparrows are partially migratory; birds that breed in Alaska and northern Canada winter in the southern U.S. and northern Mexico. Whereas birds that breed in the northern and central U.S. migrate a shorter distance or stay put (as in our area), a pattern called "leapfrog migration."

Song Sparrows eat insects and other invertebrates in the summer and eat seeds and fruits all year. The female builds the 4-8 inch nest of grasses, weeds, bark, and animal hair. The song for which this sparrow is named typically starts with abrupt, well-spaced notes followed by a trill, often transcribed as maids-maids-get-your-tea-kettle-kettle!

The Song Sparrow is one of the common birds of Four Seasons, easily found and even more easily heard in yards and landscaping as well in our riparian woodlands. I see or hear Song Sparrows every day in my backyard and this bird is one of only four species that the Birding Club has observed during every bird walk. ~ **Steve Edelman**

TAKE A HIKE CLUB

We recently decided to hike Indian Canyons, a nature preserve in Palm Springs. The day was picture perfect for a hike. It was Goldilocks weather — not too hot, not too cold, just right.

Upon arrival we took the first right to the Andreas Trail with its magnificent palm trees and watercourse. The one downside was the large number of tourists. Being of a younger generation, they were a bit faster so we found ourselves frequently stopping to allow them to pass.

We hiked along the watercourse up to the fence at the head of the canyon and back along the opposite bank. We stopped several times to admire the many unusual and rugged rock formations and to contemplate the millenniums of history and changes they have seen — from seabed to today's desert environment.

Following the hike we had a terrific lunch in downtown Palm Springs, the perfect end to a great morning in the desert with its very different yet enjoyable landscape. There are many trails on the nature preserve so there are many options to try — some rugged and some gentle — depending on one's ability and preference. For more information, visit the Aqua Caliente Palm Canyons website.

BOCCE BALL

Club members who competed and placed in our June 27 tournament will be announced and given trophies at the Fourth of July celebration at the Lodge.

Summer Bocce Ball is played at The Summit. 9 am Tuesday, 5:30 pm both Wednesdays and Fridays. Two New umbrellas are available. With even later summer hours they are not always opened. Everyone is welcome.

Play is on beautiful tournament grade smooth accurate courts and sideboards. Easy small step-in. Smooth concrete surrounds courts.

The word “bocce” comes from Italian word which is plural, means “to bowl.” The small white ball is thrown first to start game, called pallino. Rules are very simple, get your ball as close to the pallino as possible in order to score a point. If more balls of same color closest get close, these additionally score points.

Much like pool, bocce requires players to take turns. This makes it an ideal game for socializing in between turns. Often cheers, or laughter can be heard. No one has an edge in Bocce Ball unless of course they have played for years.

We generally play games to 12 points. Two games are played and take approximately 1-1/2 hours. First court winners stay and are challenged on second game by winners from the second court. We mix and match so no team is expert and change numbers on

a team so no one is left out.

The game of Bocce Ball requires no specific skills or previous experience. You will get a little exercise and enjoy a beautiful view and breezes at the Summit all while having a great time with a great group of people. If you are interested in learning the game, please join us at the Summit.
