MANAGER'S REPORT

By Eric Zarr, General Manager

It's great to be back! I am very excited and thankful to be back at Four Seasons Beaumont! Thank you Cindy for your fabulous article in last month's *Breeze*. I am still getting my bearings while writing this, so this will be short and sweet. The Manager's Report will be back in full swing next month as will I. Please definitely stop by and say hello and I look forward to seeing you all soon.

Deadline for Submitting Articles for the Breeze Magazine

All articles are due by 12 pm on the 8th of every month. If you submit the monthly article for a committee, club or group - please make a note of that date and time. If your article is not received by then, it will not be printed in that month's *Breeze*.

You may not have noticed, but as the community has grown, the *Breeze* has grown with it. What used to be a small magazine is now often around 70 pages. But the publishing date and all that that entails remains the same. That means that the Editorial Board, publisher and support staff have to read, edit and proof ever larger numbers of articles and get them to the printer on time so that the *Breeze* can be delivered to you by the first of the month.

We don't want to be punitive, but we must adhere to that date and time: 12 pm on the 8th of every month.

Of course, if there is a legitimate reason why you cannot meet that date, please notify our publisher at (909) 797-3647.

Thank you for your understanding and your compliance. ~
Editorial Board

Many Thanks from Winter Wish

Approximately 650 children had a very special Christmas this year, thanks, in a large part, to the residents of Four Seasons! You were joined by other retirement communities, schools, churches, businesses, service clubs and many community members to make this 28th Winter Wish a big success.

You took sheets of wish tags and called for more tags, again and again. You gave and then gave some more. We can't thank you enough for being so generous.

Your thoughtful consideration while choosing a child's tag, the love

and care while shopping, and the special touches of gift wrapping were much appreciated. Those granted wishes certainly brought a smile to many children.

Your generous donations of food were a blessing to over 210 families. We know there were many smiles, and a few tears, given by parents when they were presented with bags of groceries.

Of all the communities and organizations, Four Seasons Beaumont was the most generous contributor. For that we owe you our deepest gratitude. ~ Winter Wish 2017 Volunteers

Sheldon Craig, Jr.

3/22/50 – 12/28/17

By Sharon Bond

We would like to honor the memory of Sheldon Craig and the contributions he made to Four Seasons since moving here in 2011. Sheldon was a remarkable artist: actor, singer, voice-over artist, director — the list can go on and on. He and his wife Susan Youel, threw themselves into the artistic life of the Four Seasons community as well as into the artistic work being done in the Pass area. He appeared in a number of plays produced by the CAST Players in Beaumont. He and Susan met Joanne LaPointe when they were cast in *Lend Me A Tenor* for which he and Joanne won the ITL (Inland Theatre League) Award. Also, he and Susan sang with the PASS Chorale in Banning. In 2016 Sheldon narrated an original cantata by Bill Bell based on *The Story of the Other Wise Man* by Henry Van Dyke. But he was never too busy to be involved in productions here at the Lodge.

Sheldon performed *You May be a Senior* in 2014. He sang with the Four Seasons Singers for the past several years and was involved with all the shows that PAC put on. He had a solo in the Imagine Variety Show in 2016. He was in "What's Your Point?" in the *Love and Marriage* show. Sheldon also played Harold P. Livingston III (Hal), the villain everyone loved to hate, in the 2014 Murder Mystery Dinner Theater production of *The Anniversary*. In February of 2017, he and Paula Drake were in the two-character play, *Roses in December*. Although he wasn't there for the performances, he and Susan oversaw the production, directed some of the acts and Sheldon narrated *Way Off Broadway* this past October. His last solo was in the Grinch song in the Holiday Show 2017.

He played Matt Dillon in the February, 2016 Radio Show. He also played the Lone Ranger in October, 2015. Sheldon played the announcer in several of the episodes. Most recently, he was not only the announcer in the episode *Big Town*, but he played Archie in *Duffy's Tavern*.

When Susan offered a free class to residents "Singing for Seniors," Sheldon was at every class assisting, demonstrating when called upon, and in general contributing to the overall experience for our residents. He was generous with his time and talent, always willing to coach and advise. He and Susan were the Artistic Directors of the Performing Arts Group. If assisting meant helping with props or with mics – you would see him backstage. Sheldon was always available to help make a production better.

A celebration of Sheldon's life is planned for early March. We can't be specific at this point because we don't know when the Ballroom repairs will be finished. An announcement will be on display at the Lodge and it will be mentioned in the Daily Report.

Melody Seewoster

3/5/44 - 12/20/17

By Cindy Graves

A TRIBUTE TO ONE OF FOUR SEASONS' FOUNDING MOTHERS

It's funny how most people who are involved in any type of community service seldom feel that they really make much of a difference in the big picture; such was the case with one of our dear neighbors, Melody Seewoster. Eleven years ago Melody moved into the Four Seasons after the sad loss of her best friend and husband. Recognizing that she had some extra time on her hands and a past history of using her creative ideas to make great events, she decided to help out by joining the Social Committee. She was immediately warmly welcomed and before too long was elected the Social Committee Chairman, a position which she held for nine years. During that time she also heeded a call from the Communications Committee, who needed people willing to help with *The Sentinel*, our Four Seasons magazine at the time, which later became *The Breeze*. She served in that capacity for nine years as well. One of the social pastimes she enjoyed the most was Canasta, so she decided to start the Four Seasons Canasta Club, which was always well attended and still remains a big group today under the leadership of Pam Morales. These are big and generous investments for one person, but they don't stand alone. During those same 10 years she started the Four Seasons Travel Club, which sponsored our huge annual Travel Expo as well as secured special bus and cruise group trips. In her spare time she started the Four Seasons Red Hat Ladies Club which lasted for around seven years. Along with all of the Four Seasons time investments, she still made the Beaumont community at large a priority for service. She volunteered with both the Beaumont Chamber of Commerce and San Gorgonio Community Hospital, and those are just the involvements that I knew about.

For a person who didn't really think much about all that she was contributing to, her efforts helped build some of the most important organizations in Four Seasons today and created tons of enjoyment for those who participated in the fruits of her labor. To most of us she was thought of as a team player, organizer, hard worker, world traveler and a fun, gregarious, big-hearted friend. I am forever grateful to have had the privilege of supporting her efforts here at Four Seasons and she became more than just another work assignment, she became family. On Dec. 28 the Canasta Club sponsored a tribute to Melody Seewoster "A Life Well Traveled," in the Lodge Ballroom. It was a wonderful farewell to a wonderful woman. I officiated the program, John Noonan sang a beautiful song, Wayne Staples created a fantastic DVD of her life and contribution to the community and the Four Seasons Line Dancers under the direction of Martha Franck, actually did a very moving "Good-Bye Dance." Dave Rohrbacker of Four Seasons Karaoke fame, even put together all of the background music for the event. Over 200 people came out to express their condolences and to share of the impact Melody had on their lives. As I said, people who are involved with service to their communities, even if it's investing time helping others have fun doing what you like to do, contribute hugely to the quality of people's lives in ways you can never imagine. May Melody Seewoster's life be a lesson to us all to remember that most of the time, it's just about sharing who we are and what we love to do with others that ends up making some of our life's biggest impacts. Thank you again Four Seasons for proving that the homes within these gates are not just houses in rows on designated streets, but neighborhoods filled with Four Seasons friends and family who come together to love and support one another.

PET OF THE MONTH: REMY

My name is Remy and I am a Papillon which means butterfly in French. I was named after Remy Martin cognac because the spots on my fur are the color of brandy. I was almost called "Monsieur 'Harry'cot Vert" (French for Mr. Green Beans). My breeder dad was a vegetarian and I ate lots of green beans when I was a wee pup. They're still my faves!

I live with my Mom and Dad, a pack of two shelties, Chance and Megan, a pride of two kitties, Macy and Skippy, and a parakeet named Tweety Bird. Even though I am the smallest in the pack I am the alpha dog. One of my favorite jobs is patrolling the back yard for "critters" and making sure they are all under control.

I gather all the best toys and treats and hide all my treasures under the bed. I love to chew on my treat bones – I call them sticks. I have so many sticks I could start my own rock band called "Remy and the Sticks."

Mom and Dad are both photographers. I love to pose for them and am the best model!

I look forward to walks with my pack and stop at every vertical object to leave a "p-mail" for the other canine buds in the hood to read. I'm a happy fur kid and love to smile for my Dad, Bruce. He calls me his "Little Guy." ~ **Alex and Bruce Woodcock**

DID YOU KNOW?

By Micki Rosen

DID YOU KNOW THAT FEB. 6 IS FROZEN YOGURT DAY? Yogurt has been with us well over 4,000 years. It found its start in the Middle East and India, and was used extensively in just about every kind of meal you could imagine. But it wasn't until the 1900s that yogurt found its way to the Americas and increased in popularity so quickly and thoroughly that it's no longer thought of as exotic. In the 1970s when ice cream sales were hitting an all-time peak, someone decided they could do better, and they did. Frozen yogurt sales exploded after TCBY launched its first store in 1981, and by 1986 frozen yogurt sales reached \$25 million. By 1990 it was 10 percent of the frozen dessert market, and was solidly here to stay.

DID YOU KNOW THAT FEB. 17 IS RANDOM ACTS OF KINDNESS DAY? Random Acts of Kindness Day was first created in Denver, Colorado in 1995, and nine years later it spread to New Zealand. It can include just about anything, such as taking a box of donuts to work. The idea behind this holiday is to make the world a better place by spreading a little light around. Lift someone up with your words, compliment them on their appearance – all these things can help to really turn around someone who's having a bad day. Additionally, research has shown that the very act of doing something kind for someone else gives us a chemical high!

DID YOU KNOW THAT FEB. 21 IS STICKY BUN DAY?

The exact origins of the sticky bun are debatable, as is the history of Sticky Bun Day. While some attribute the sticky bun to the Ancient Egyptians, others argue that it originated in Germany. Everyone agrees that the German settlers brought the sticky bun to the United States by way of Pennsylvania. These pastries were originally called "Schnecken" and are a specialty of Philadelphia. So, if you're ever in Philly, make sure you try one!

DID YOU KNOW THAT FEB. 26 IS PISTACHIO DAY? Pistachio nuts are native to the Middle East. The largest producer of pistachios is Iran, but they are also grown in other areas

including California and Mediterranean Europe. The Chinese are the greatest consumers of the nut. It is thought that pistachio nuts have been eaten by humans for at least 9,000 years. Legend even has it that the Queen of Sheba restricted the eating of pistachios to the royal court and forbade commoners to grow them. They are not just eaten as a snack but are also used in cooking, including desserts such as baklava.

DID YOU KNOW THAT FEB. 23 IS CURLING IS COOL DAY? A

Scottish game developed in the 1500s, and at which the Canadians seem to be exceedingly good, curling involves launching a stone on ice and sweeping the ice in its path as it attempts to land on a target and dislodge your competitors' rocks. The sweepers wear special shoes – one that slides and one that doesn't – and the stone is more like a 40-pound granite bomb. The brooms are slightly more evolved now than the ordinary sweepers they used back in the 1900s. The floors are sheets of ice with vinyl markings underneath for the target, rather than the frozen lake surfaces that were used back in the day. Launch, sweep, score. Check it out during the Winter Olympics this month!

We had a lot of entrants for our new contest in the *Breeze*. Get The Joke is a simple contest... somewhere in this issue is a "joke" ad, article or other notice. You'll know it when you see it — it will be silly, over-the-top ridiculous or just plain goofy — and hopefully it will bring a smile to your face. When you find it, simply cut out and complete the box below and return to the Lodge Front Desk before the 9th of the month. One correct entry will be chosen at random to win a \$20 gift card to Smitty's. Happy hunting!

Lose weight the easy way!

Activities Director Corner

By Cindy Graves, Activities Director

February is a month of love and Ballroom carpets being ripped up. It's a month of great expectation and once again great flexibility. In theory, by the time you're reading this small article, the big structural issues will have been dealt with in the Ballroom leaving only the beautiful, decorative flooring to be wonderfully and tastefully installed. (During the two weeks of Feb. 5 – Feb. 16). Hooray! It's on its way and we shall have regular and dependable schedules forever more... or at least until the next time, which hopefully won't be for a while!

We have some great entertainment to look forward to in the next few months including a cozy Karaoke in the Lodge Game Room on Saturday, Feb. 10; a huge African American Culture Club show on Saturday, Feb. 24; a Performing Arts Club Live Radio Show on Saturday, March 3; the Social Committee's fantastic "Mentalist Show" (both hilarious and amazing!); and our first ever Spring Boutique Craft Show on Saturday, March 24. This is going to be a really fun and exciting year, so buckle your seat belts and get ready for the best year we've ever had! Keep your eyes on the calendar and the online "Daily Report" for the latest time and event information.

Happy February we're so glad you're here!

Expressing Gratitude in Four Seasons

If you have seen an act of kindness or have received one, please share with the community. Let's spread gratitude! Just go to the Lodge lobby and fill out a gratitude note and put in the box marked "Art of Gratitude." Thank you!

Four Seasons is so very blessed to have Martha and Carlos Baumgarten live here as they wear so many hats. They both serve on committees, they help so many people, dogs, writing articles for so many different topics – and surveys too. I personally have been blessed beyond by their giving natures and friendships made with them. Bless you Martha and Carlos.
Thank you.

EXTRA! EXTRA! READ ALL ABOUT IT!

By Steve Benoff

Remember hearing those words shouted on city streets? Well, newspapers these days are trying to make their way in a digital age. We're still reading the news, but often it's printed on a screen rather than paper.

If you do subscribe to a newspaper, chances are it has a very active website and probably an app. *The Press-Enterprise* has quite a nice app. It displays the current edition in its newspaper form. But you don't have to read the tiny print. Just press the article you're interested in and you call it up in a much more readable form. There are links to each section. And, uniquely, you can easily access the last 30 days' editions. As far as I can tell there is no charge for access to this app.

The major newspaper apps require a subscription. Since I get the *LA Times* delivered daily, I'm entitled to use the *LA Times* app. Frankly, when I do use it, it's for sports. My go to news app is the *New York Times*. Unlike the *PE* app, the *NY Times* app follows the more traditional (assuming a tradition can be established in a decade) news app approach; headlines and a short synopsis. You can get a quick feel for the news just by reading the synopses. Press the headline for the full article. But I have to pay for full access to the app. I think limited access is available for free. For me, it's worth the money. It may not be for you.

The Wall Street Journal has a comprehensive app. But it is severely limited unless you pay. Same for the *Washington Post*.

There are plenty of free news apps. There's probably one right on your phone. If you have an iPhone and you swipe from your main screen to the one to the left, you'll see a screen of widgets you can customize to your liking. Scroll to the bottom of the screen and

press Edit. You'll see a list of widgets. The ones already selected for display have a red minus circle. Press the minus to delete. Below the ones already selected are widgets you can add by pressing the green plus circle. Once you have chosen your favorites, one can change their top to bottom order by dragging the hamburger symbol. (The hamburger symbol has three stacked horizontal lines.) Among the widgets is one called News. If News is selected, you'll see several news items culled from various sources. Press the item for the full story. In fact, there is a full News app that comes with your phones. Press NEWS at the top of the news summary to access it or find the news on your phone. Google has one too which you can download from the App Store.

Fox and CNN have apps with extensive news coverage. There's an app called SmartNews which has a unique tabbed presentation which I find quite appealing. Inkl news is another app but I haven't tried it because it requires me to sign in. I don't want to create an account. I get more than enough emails as it is; if I give my email address out to inkl, I fear I'll only get more.

USA Today has an app. So do NPR News and BBC News. And if you want more, go to the App Store or Google and search for news apps. Or be more specific and search for business news apps or sports news apps.

I need to apologize to you who have Android smartphones. Most of the references I make are to iPhones. But just about everything I cover is applicable to Android phones except by a different name. Most popular apps are available on both platforms.

Do you use an app you'd like to share with others, let me know at steve.benoff@verizon.net.

Choices.

We all make choices constantly. We explore options, we weigh the benefits, we ask for advice from people we trust. We take the time to make the best choices possible, because whether it's making big life decisions or just resolving to eat a little more healthy, over time the choices we make come to define us.

So it's even more important that you have strong choices when it comes to medical care. Fortunately, our community has a world-class local option: the doctors and staff of Beaver Medical Group. For over 70 years, neighbors have trusted Beaver to get the best possible care and to help them make informed decisions about their health.

Beaver Medical is the local Reader's Choice, too.

It's no coincidence that every year since 2010, Beaver has been voted "**Best Medical Group**" by local newspaper readers. And for the past three years, we've won "**Best Urgent Care Center**," too. As Beaver continues to expand in the Inland Empire—including two major new facilities planned in Beaumont and Banning—people recognize that Beaver doesn't just serve this community, we're part of this community.

When it comes to medical care, there's a clear decision: your local choice is also the best choice.

Community. Commitment. Local Care.

EMERGENCY PREPAREDNESS COMMITTEE

Twice a year we are reminded to check the batteries on our smoke and carbon monoxide detectors. We should also be checking our emergency/disaster supplies at least twice a year.

My wife and I have a drug store in our home. It is only after checking the dates on some of the medical aids, like ear and eye drops, do we realize that they have expired dates on them. Everything has a shelf life during which they are most effective. If you use some of these aids beyond their expiration date you may actually be doing more harm than good.

Your disaster supplies have a variety of items and all of them last for different lengths of time. Water is a good example of this. Water stored in containers, filled and chlorinated by you, is only good for six months. Bottled water purchased at the grocery store is good for approximately two years. Canned water from the survival store can be good for up to 20 years.

All of our emergency supplies have different shelf lives. The usual caveat for all supplies is that they be kept in a clean dry place. Exposure to excessive heat, water, smoke or chemicals could potentially ruin your emergency stash. Important papers like a

living trust, deeds to your real estate, auto registrations, property and auto insurance policies and bank accounts should be checked and verified. You will want to check the rest of the items listed on page five of the Residents Emergency Handbook to make sure that they are all there. If you have borrowed or lost items replace them to keep yourself properly supplied.

You should check the expiration dates on food and medicines at least twice a year. Outdated items should be discarded and replaced. Make sure that you have your important papers and documents readily accessible. This should include the policy numbers, business phone numbers and personal contact information. Do not forget to do a visual check of the storage area. If the area is not secure, then go ahead and move your emergency supplies to a safer place.

Anyone who wishes to learn more about Emergency Preparedness is welcome to join us at our monthly meeting on the third Tuesday of the month in the RCN Conference Room. The next meeting is Tuesday, Feb. 20 at 10 am. ~ **Michael Mendoza, Emergency Preparedness Committee Chairman**

FACILITIES COMMITTEE

The Facilities Committee will be very busy in the next few months. Some of the project considerations the committee is working on include: the overall improvement of heating and air conditioning (HVAC) in the Ballroom, the renovation of the ceramics and old computer rooms to accommodate a larger number of crafters, the replacement of flooring in the Spa Building Fitness Room, the installation of additional dog waste stations along our trails, the

installation of ADA compliant swimming pool hand rails and, the replacement of Bistro dining room lights.

The Facilities Committee meets on the third Tuesday of each month. Our next regularly scheduled meeting is on Feb. 20 at 8:30 am. As always, we welcome residents to bring us their ideas or concerns.
~ **Richard Ladeira**

SOCIAL COMMITTEE

On March 10 we are proud to present Mentalist, Mark Stone. Mr. Stone will dazzle you with his Mentalmania, as he astounds you with his ability to read minds, make predictions, and "see" with his fingertips while blindfolded. Not only will he amaze everyone, but he will keep the audience laughing throughout the show. Tickets are on sale now - please see the flyer for further information. ~ **Pamela Morales**

"Mark Stone's show is professionally and tastefully presented with no risk of embarrassment to any audience member. It is a thoroughly entertaining presentation that is good, clean fun that every audience member will long remember!"

FINANCE COMMITTEE

At our meeting on Nov. 29, financial statements were reviewed for the month of October which reflected the following significant amounts:

Total Assets \$8,481,571 including checking \$124,287 and reserve assets \$6,547,858. Operating money market and CDs totaled \$1,670,921. Total Liabilities were \$312,685 and Total Equity of \$1,621,029. There was a net income loss for the month of \$101,446 and year-to-date net income is a negative \$238,683. The Finance Committee recommended and the BOD approved use of money

markets and CDs to offset the net income losses. Front yard cost center expenses were under budget by \$357 and Springdale cost center expenses were over budget by \$624.

Nine vendor proposals were reviewed. Seven were recommended for Board approval. Several homeowners, committee persons and Board Liaison, Claudeen Diaz, were present. There is presently an opening on the Finance Committee. If you are interested, please come to our next meeting on Jan. 30. ~ **Barry Ginnetti**

RULES & REGULATIONS COMMITTEE

Events here at Four Seasons are very special and we are fortunate to have many to choose from. Upcoming events can be found each month in the *Breeze* as well as on our website: fourseasonsbeaumont.org.

Some events may require buying tickets in advance. The tickets must be purchased by check and are limited to two for each household for the first two weeks from the day tickets go on sale. After that, purchases are limited to a maximum of 10 people. Once the event is sold out, no further tickets will be sold but a waiting list may be formed. The first person on the list will have the option to buy the tickets within 12 hours of being notified. Payment will be made directly to the original ticket holder.

There are also free events. In the past, tickets were not usually needed but now advance tickets may be required if the program is

a very popular one. When the free tickets have been handed out, it still may be possible to attend by joining the waiting list. If you have tickets but cannot attend, return the tickets to the Lodge front desk and the lucky person who is next on the list will be happy to get them. Persons without tickets will not be admitted. Single residents may bring a guest over 21 years of age. Other guests, if under 21, will be admitted if this is advertised by the event committee.

A word of warning, some events sell out very quickly. Lines sometimes form with people hoping to get tickets. You probably won't need to camp out the night before but it's a good idea to come early so that you won't be disappointed. You will be among friends, enjoying the talent and dedication of other Four Seasons residents. And who knows, you may be inspired to join in the fun! ~ *Margie Chadburn*

ARCHITECTURAL REVIEW COMMITTEE

The Architectural Review Committee (ARC) members would like to extend an invitation to all homeowners to attend our meetings. We have amended our charter to expand our committee to eight members in anticipation of the increased new home sales activity for 2018. This will allow us to process all applications and complete onsite reviews in a timely fashion.

In the month of December the committee reviewed and approved 34 new or amendment property applications. The ARC members also completed 29 onsite reviews of completed work (Exhibit C) and granted two extensions for pending approved plans.

Caveat Emptor! Buyer beware! The ARC members suggest you use licensed contractors for your major projects. If the bid price seems to be too good to be true, the contractor may be taking short cuts or using substandard materials that will need repair or replacement. Protect yourself and your property by getting multiple bids and checking contractor credentials (license, insurance, references).

Q: My front yard took a real beating with the weather this year and I want to fix it up. Do I need to submit an Exhibit A plan if I am just replacing mulch and plants?

If you are just refreshing your mulch with the same materials and replacing existing plants with approved plants or shrubs, you do not need an Exhibit A. If you are changing the front yard elements to something different (ex. replacing grass with artificial turf or replacing redwood mulch with gravel), please submit an Exhibit A.

Q: Do I need to submit an Exhibit A plan for a small storage shed to store my patio furniture cushions?

Any storage unit that is below the fence line does not require ARC approval. However, maximum footprint for any storage unit is 120 square feet.

ARC meets on the first and third Wednesday of each month in the RCN conference room at 8:30 am. We always welcome visitors to our meetings. ~ **Joanna Olsen**

LANDSCAPE COMMITTEE

I moved into Four Seasons on June 8, 2015. I made several visits to the area in early 2015. I loved the walking trails, and I was pleased when I observed the beautiful landscaping as I drove up to the Lodge.

I joined the Landscape Committee in October of 2015. Up to that point I did not realize how much work was required to keep Four Seasons so lovely.

Now, as I walk around our community, I know how many people are involved to maintain the scenic environment. The Landscape Committee inspects all of the neighborhoods. We make sure that the plants are thriving and the common areas match the aesthetics. As a committee, we are constantly working to replace dead plants, inform landscapers of water problems, broken sprinklers, and more.

Please be advised that we are now in the winter season. Any excess

water in your backyard will collect in the drains that lead to your front yard. With the rain and cool weather, you should adjust your backyard irrigation to water less. By doing so, you will reduce the amount of standing water in your front yard lawns where the green pop-up drain is.

I hope the community is aware of how much time and energy the Landscape Committee devotes to making our community a beautiful place to reside. Please know you can always express an interest in volunteering and, we appreciate your wonderful questions and suggestions.

We meet the third Tuesday of every month and anyone is interested, please join us. ~ *Nancy Justice*

SAFETY COMMITTEE

The AEDs have been installed. Please familiarize yourself with their locations in each of the buildings. Due to a lack of sign-ups the training has been postponed to a later date.

The crosswalk completion, curb alterations, and the Emergency 911, will be installed in January weather permitting.

The Safety Committee encourages all to be aware and adhere

to the speed limits. When the crosswalks are installed look for pedestrians crossing the road.

Thank you to everyone on the Safety Committee for a very productive year.

The Safety Committee meets the first Tuesday of each month at 9 am in the RCN building. ~ *Anita Worthen*

Herb Crusted Pork Tenderloin with Carrots & Potatoes

By Irene Welker

Here is an easy peasy one pan dinner. The pork is tender and moist. The roasted vegetables compliment the meat. Best of all, clean up is a snap. Prep. Time: 20 minutes • Total Time: 1 Hour 20 minutes • Serves 4

INGREDIENTS

1 pork tenderloin (about 20 ounces)

Vegetables

2 Tablespoons Extra Virgin Olive oil

1 Tablespoon fresh or 2 teaspoons dried rosemary, chopped
salt and pepper to taste

12 small red potatoes (1 pound), quartered

1 pound baby carrots

Rub

½ teaspoon dried thyme leaves

½ teaspoon dried sage

1 teaspoon fresh or ½ teaspoon dried rosemary, chopped

1 teaspoon garlic powder

½ teaspoon salt

¼ teaspoon ground black pepper

DIRECTIONS

Preheat oven to 450 degrees. Line a 15x10x1 inch pan with heavy duty aluminum foil.

Vegetables: Mix together the 2 Tablespoons olive oil, 1 Tablespoon fresh or 2 teaspoons dried chopped rosemary, salt and pepper in a large bowl. Add the potatoes and carrots. Toss until the vegetables are evenly coated with the oil mixture. Place the vegetables in a single layer on the lined pan. Place in preheated oven, stirring after 15 minutes. Continue cooking for an additional 15 to 20 minutes.

Rub: While the vegetables are cooking make the rub. Mix the thyme, sage, rosemary, garlic powder, salt and pepper in a small bowl. Stir the dry ingredients until they are well combined. Sprinkle the rub on all sides of the tenderloin. Press gently to make sure the seasoning adheres to the meat.

The Finish Line: The vegetables will have cooked 25 to 30 minutes. Stir the vegetables and move to one side of the pan. Make sure they are still in a single layer. Add the herb crusted pork tenderloin to the pan. Return the pan to the oven and cook an additional 30 to 40 minutes, until vegetables are tender and pork is no longer pink in the center. The pork is done when a meat thermometer reads 155 degrees. Remove from oven, tent pork and vegetables with aluminum foil, and let rest for ten minutes. Remove to a platter, slice pork, surround with vegetables, and serve. Enjoy!

NEIGHBORHOOD WATCH

The February meeting will be Wednesday, Feb. 14, at 10 am in the Lodge Ballroom if the repairs are complete. If not, the presentation will be in the RCN lobby.

Chris Harwood of the city of Beaumont Animal Control will be the speaker. He will cover wild animals in our area, keeping dogs on a leash, and making sure our animals are chipped and licensed.

Please mark your calendars and plan to attend this informative presentation. As always, we appreciate the city of Beaumont and its different departments in supporting our Neighborhood Watch Program.

Remember, if you see something, say something. It is important to be aware of what is occurring in our community. Neighbors reporting suspicious activities to the police are important to the safety of our

community. Getting descriptions of suspicious vehicles and their occupants are helpful to the police, but please do not follow vehicles around and confront the occupants. That can be a very dangerous situation and the conformation could result in injuries.

Please do not confront the persons you suspect of suspicious activities. Beaumont Police Department officers will respond to our calls for service, and they are trained and equipped to deal with these circumstances.

In the event you call the police, also call the Lodge attendant to make them aware of the circumstances and let your block captain know also.

Thank you to all of the block captains for making Neighborhood Watch successful. ~ *Jerry Monahan*

COUNTER CULTURE CINEMA

Come join us for two really interesting small films that didn't play at any of the cinemas near here.

Our first monthly screening, Sunday, Feb. 11 at 6 pm, is the film *Janis: Little Girl Blue* (USA 2015, 1 hr. 43 min., English). Here is a brief description from IMDb.com: "Musician Cat Power narrates this documentary on Janis Joplin's evolution into a star from letters that Joplin wrote over the years to her friends, family, and collaborators."

Our second screening, on Sunday, Feb. 25 at 6 pm, is the film *Score: A Film Music Documentary* (USA 2016, 1 hr. 33 min., English). Here is a brief description from IMDb.com: "For a predominately visual medium like cinema, its musical component plays a vital role as well, especially its score. In that essential musical accompaniment,

the soul of the film is expressed whether it be sweepingly majestic fanfares or delicate lyrical pieces. This documentary explores the artistic role of this special musical discipline that completes the cinematic artistic creation process and the artists who have devoted their careers to this contribution."

All of our screenings are followed by lively discussion about the film; we'd love to have you join us. The Lodge Theatre has very limited seating, so if you're interested in our screenings, come early; we hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please email Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

TASTE D'VINE

We are hoping that the Ballroom renovations are done and we can move ahead with our 2018 schedule. Thank you all for your patience!

Taste d'Vine Wine Club of Four Seasons is excited to ring in our first meeting of 2018! We would like to start the year with a look back at some of Total Wine's most popular wines of 2017. They will go through their archives to find two of the top selling white wines and two of the top selling red wines. Some of the wines may be familiar to you but we are hoping to introduce a new "favorite" into your wine collection.

Taste d'Vine Wine Club is pleased to bring you the Best of 2017 Wines at February's meeting in the Ballroom Tuesday, Feb. 27 at 6 pm. (Doors open at 5:15 pm.) Please bring a favorite wine to share with your table along with an appetizer – such as crackers, cheese, desserts or anything in between.

Members are \$5 and guests are \$10. For info, please contact Terry Hall at (714) 369-0828. ~ **Terry Hall**

COMPUTER TECHNOLOGY

The Computer Technology Group meetings are a forum to discuss topics about technological tools and applications which have become part of our world. The meetings are open to everyone and we welcome questions and suggestions for future meeting topics. Upcoming topics will include:

- How to create a Full-Disk backup of your PC with Macrium Reflect
- Removing Trialware and Unneeded software from your Windows computer
- Some simple techniques for making a Windows computer easier to use

The meetings are held on the second Tuesday of each month at 10:30 am. We try to announce the current month's topic via email in advance of the meeting.

Come out and learn about some fascinating things. ~ **Howard Lyon**

Teacher Rob Kelman

CREATIVE DRAWING & SKETCHING CLASS

This is the perspective of our Artist

of the Month, Micki Rosen.

"I started in Rob Kelman's class over four years ago. I am one of the students who had no prior drawing experience. He is such a patient teacher. Over the last four years I have seen him bring out skills in people I'm sure they never knew they had - that is certainly the case with me!

He has a system for getting people started that I've seen succeed repeatedly; every new student draws an elephant. You may think that's a strange choice but an elephant is the perfect thing to start on because of its unique shape and texture. The next thing you know, you're on your way to becoming an artist.

Rob is great about bringing things to the attention of the class to help us improve our work, including composition, color, light and

shadow, perspective, different media, etc.

Everyone starts with graphite pencils on white paper, but you should see what the students in my class have graduated to — colored pencils, pastel pencils, pastel sticks, watercolor pencils, watercolors, even acrylic paints. I love going to class so I can see how the work of my fellow students is progressing — they are all so talented!

If you've ever thought that drawing is something you'd like to try, even if you've never drawn a straight line before, come to Rob's class he will get you started. It's a great experience that I look forward to every week."

Classes are FREE. We meet on Monday mornings 10 am to 12 pm and/or Wednesday nights from 6 to 8 pm. Any questions, call Rob Kelman (951) 992-9156. ~ **Rob Kelman.**

FOUR
SEASONS
VETERANS

Presidents Day

February 19th, 2018

The Veteran's Club at Four Seasons was formed in September 2013. Our mission is to recognize all the veterans living here at Four Seasons. To date we have 100+ neighbors recognized as veterans of the many wars our nation has endured. These veterans are recognized in our Honor Roll website, www.fourseasonsvets.org.

Our club is quite unique. We don't have structured meetings, collect dues, or costs to be involved. Your military service to our

country has made you a paid up member for life.

Veteran sign-ups are on Wednesdays, 12 pm near the Bistro Lobby. Contact me if you plan to attend. We will take your photo at the Wednesday Interview meeting for inclusion in the "Honor Roll" www.fourseasonsvets.org. Contact Irve Sturner, irve@verizon.net, (949) 422-9969. ~ **Irve Sturner**

CRAFT GROUP

The Craft group has begun a new year of fun projects – some individual and some being made with the Fall Craft boutique in mind. If you're working on something at home, bring it in and socialize while you work. We'd love to see your projects, help you if needed, and explore ideas for future items to make.

Stop by the Craft Room any Thursday at 10 am. For questions please call Pam Kelley at (951) 769-7967. ~ **Barbara Paules**

CERAMIC CORNER

Ceramics class has something for both the novice crafter looking for a new hobby, or for someone who has experience and wants to create their own unique design or create pieces for friends and family. In addition to individual projects we also offer class projects throughout the year to teach new techniques.

Come and join in the fun. Drop by the Craft Room to see our monthly ceramics class schedule and learn more about our upcoming class projects.

We meet Wednesdays from 1 to 4 pm and the first Saturday of each month from 9 am to 1 pm. Please see class schedule in the Craft Room for any exceptions.

A certified instructor and/or an experienced class team lead is available to support your crafting needs, participation is at your own pace and frequency.

Information, contact Bob Powers at (909) 841-3293 or Elsie Fillman at (661) 414-6270. ~ **Pepsi Powers**

KNIT & CROCHET GROUP

We would like to invite any new residents who might be interested in joining our group to come visit us each Tuesday morning 10 to 11:30 am and see what we are about. As mentioned previously, our project this year will be baby blankets for the local hospital. It is not required that you participate in the project, especially if you are just learning, or refreshing your skills. It is an enjoyable and relaxing time and a fun group. See you there. BUNCO

We play on the second and fourth Fridays of the month. Bunco is very easy to play and it's a great way to meet new friends. We meet in the Lodge Card Room at 1 pm sharp.

Don't forget to grab a drink at Smitty's or even have lunch beforehand. Come and join us! ~ **Ema Hajdukovic**

MAH JONGG

Everybody is welcome to join us for Mah Jongg at 12:30 pm on Mondays in the Rec Center North. We accept beginners and offer coaching for those who have not played in several years. A current Mah Jongg card is required but you can borrow or copy one until you get your own. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Barbara Goodreau**

PAN

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so all are very welcome. The game can be played in the day, evening, in a room in the Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100 or email Goldtoy@earthlink.net and I will answer any questions you may have. As are all card games, it is played with both skill and luck. ~ **Linda Mendelson**

CANASTA #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the Card Room from 12:45 to 4 pm. Table assignments are distributed at 12:45 pm. Each week, you may play with someone different, giving you an opportunity to meet new friends and/or visit with old friends. We supply the cards, so just bring yourself and a desire to have fun. If you don't know how to play, we are always happy to set up a teaching table — by the end of the afternoon you will have mastered the game. Come join us. ~ **Pam Morales**

PINOCHLE FOR FUN

Join us! Whether you are a seasoned player or new to the game, we welcome you. Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This stimulating game is a time-honored favorite. Winning is not just the luck of the draw; it is a thinking game which teases the mind and keeps it sharp. We play with a Pinochle double deck of cards, Ace through 10s. We meet at the Summit Mondays and Wednesdays from 10 am to 12:30 pm. Our Chair is Karen Farmer. Contact is Johanna Ballard; ballardlands@gmail.com or cell, (626) 372-7049. ~ **Johanna Ballard**

BRIDGE

After a busy holiday season, February may be a time for us to pause and think about a pleasant new experience like joining our "Original Bridge Club." We meet each Monday at 12 noon in the RCN building and we extend a warm welcome to all those interested. It provides a time for socializing, continuing Bridge education and relaxation.

Please call Gordon Sheppard at (714) 390-2610 or Helen at (951) 845-9312 for further information. We look forward to hearing from you. ~ **Helen Shoemate-Gurley**

DUPLICATE BRIDGE

How fortunate we are here at Four Seasons to accommodate the very successful ACBL Sanctioned game of Bridge. The facility comfortably provides room for classes, 12 tables of bridge and a convenient snack room.

Our club has expanded under the direction of Barbara Revels who is a skilled instructor and director. Call her at (951) 530-1523 for more information and reservations.

We look forward to meeting one another each Friday afternoon at 12:15 pm in RCN. Please call Helen at (951) 845-9312 or Gordon Sheppard at (714) 390-2610 for more information. ~ **Helen Shoemate-Gurley**

BRIDGE FOR FUN

If you have ever wanted to learn to play bridge, or need a brush up on your skills, Bill Guy can help you. He has volunteered his time to help others learn the game. Bridge can be fun but is also very challenging. The older we get the more we need to have our brains stimulated and bridge is a great way to do that. In our Monday and Wednesday bridge groups we have a variety of skill levels and the better players are always willing to help others. We have a great group of people who enjoy each other's company. For information on Monday's game or to learn the game, call Bill Guy at (951) 845-5627 or for Wednesday's game call Verina Rector at (951) 769-1687. ~ **Tom Halley**

RUMMIKUB

Join us Sundays from 2 to 4 pm. Please try to show up at 1:45 pm as we always welcome help setting up. Have fun with new friends and old friends. Rummikub is played at a table with tiles and a holder for each player's tiles. Players begin with 14 tiles. Initially a player "goes down" putting out a group of at least three tiles totaling 30 points. If unable to play, then you must draw one tile from the remaining Rummikub tiles. Play ends when one person uses all their tiles. Remaining players then add the total numbers of their tiles for a score. Zero is the best score.

If you like Rummy and mah jongg, then you would certainly like Rummikub. We play in the Lodge Card Room. We also will set up a learning table for newcomers. Hope to see you there. If you have any questions, call Lian Lee, (951) 907-3809 or Mike Saperstein, (951) 769-7909. ~ **Mike Saperstein**

PHASE 10

We play the second Monday and the third Saturday of the month. Every week we have a training table and we welcome everyone. We start at 4 pm on Mondays and 3 pm on Saturdays. This is fun and we are friendly so come on down and check us out.

Contact: Cheri Howard (951) 756-1216 or howards1249@gmail.com. ~ **Cheri Howard**

HEARTS

All are welcome. The game is played with a single card deck, no jokers, and 52 cards. We play three, four, or five at a table. No scheduling necessary. We play on Tuesdays at 6 pm in the Card Room next to the Library. A group has played here at Four Seasons for nine years. Seating is random draw, no partners, individual scores. It is easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

DOMINOES

The Dominoes Group had a great time in 2017. We acquired two new players: Robert Turner and Robert Steen. We also miss some of our veteran players Wondell Collins, Carl Carson, Larry Taylor, Sonny and Shirley Caldwell. We wish them well and hope to see them all in 2018.

The race for the December domino championship started out fast and furious. Robert Steen and Reggie Fuqua both won 15 games each. But they ran out of gas before getting to the finish line and John Bragg got the checkered flag. For the month of December John Bragg was the domino champ with 20 game wins. John was the most consistent champion in 2017 winning the title three times and tying up the championship twice. Once with Vernon Bell in April, and again in November with Robert Turner. Congratulations to John on his great domino victories.

Dominoes are played every Wednesday and Friday from 5 to 9 pm in the Lodge Game Room. Come out and join us for a couple of hours of fun. Everyone is welcome. For more information call Jesse at (951) 769-2035 or Reggie at (951)-769-6463. ~ **Marvin Gaines**

John Bragg won 20 games, Robert steen won 15, Reggie Fuqua won 15, they were the closest to John.

PERFORMING ARTS CLUB

OK, OK, I know! You're getting bored sitting around playing solitaire and waiting for the next Radio Show. Well your prayers are about to be answered. That's right! We are in rehearsals for the next show. Please mark your calendar for Saturday, March 3 at 6 pm. That's when we will be presenting two more episodes from the *Golden Age of Radio*.

If you are one of our regular audience members, we want to say thank you. You have really made all of our efforts worthwhile. You are the reason we work so hard to bring the very best show that we can produce. If you have never been to one of our shows, please add March 3 to your social calendar. I believe you will be pleasantly surprised. It really is a time to sit back, close your eyes and recall those long-ago fun times you had sitting around the "parlor" after the dishes were done and the popcorn was ready and tuning in the RCA to get the best sound to listen to *Uncle Miltie* or the *Lone Ranger*, or...

Our radio shows are always set up with table seating. So if you would like to make it an evening out, you may order an excellent dinner from Smitty's Bistro. You may also bring your beverage of choice or just come and enjoy the show and the company. Either way, come on down and let us entertain you. See you Saturday, March 3.

Look for our future events: April 27 and 28 the annual Talent/Comedy Show produced by John Horning; another Radio Show in August; and new Michael Rothberg *Love and Marriage* skits in September. ~ *Tom Shelley*

LINE DANCING

The January very beginners class has eight new students and all were able to do the Electric Slide and the Cupid Shuffle by the end of 30 minutes. The next very beginners class will start March 6. This is only a 30-minute class, so it is important for everyone to be there and ready to dance by 2:30 pm.

The intermediate class is moving right along and picking up new dances faster. Some are ready step-wise to stay for the advanced class, but are hesitant to do so. My advice; go for it and stretch your skills. It is quite challenging at times, but keep trying. Very few of us learn a new dance in a single lesson.

If the Ballroom work is completed, we will have a free sock hop April 13, so mark your calendar. As usual it will be open to anyone for dancing and watching. Buy your food from Smitty's and BYOB for a

fun evening. We will supply cups, ice and water.

As we age, exercise, especially dancing, challenges our brain and helps keep us young and moving. Line dancing is geared for people to dance alone with a bunch of other dancers. It always amazes me when I look around and most people are doing the same steps at the same time. It just takes practice and concentration. In each class someone, including me, lets their mind wander and misses a step or two. We all laugh together, because it happens to us all at one time or another.

Join us in on Tuesday afternoons at 3 pm. Class times are listed in calendar section. Check the front desk to find out where we are dancing. Info., Martha Franck, (951) 769-3889. ~ **Martha Franck**

Everyone enjoyed our Christmas Dinner Dance

LET'S DANCE

Our Christmas Dinner Dance was a great evening once again with over 150 guests! Along with good food, music and dancing, we were treated to a lovely Formation Dance by some of our advanced club members. Special thanks to our professional dance instructor, Cindy, for providing guidance, choreography and participation in this graceful and beautifully executed dance.

The dance for February will be the East Coast Swing. This is one of the most fun and easy dances anyone can learn! It has simple

footwork that repeats itself while you learn different ways to turn and dance with your partner to almost any fast music. Easily one of the most diverse dances to learn because you can dance it to so many kinds of music - jazz, country, 50s - up to current day music.

Plan to join us on Mondays in the Ballroom or the RCN building at 6:30 - 7 pm for beginners, 7 - 7:30 pm for intermediate, and 7:30 - 8 pm for advanced. For information contact Puring or Gary Stifter at (951) 922-8333, or at purings@verizon.net. ~ **Sue Condurachi**

LIFE GUIDE BIBLE STUDY

This month, Jim Seim will continue to facilitate our study in Philippians, "Immersed in Christ's Joy." The apostle Paul shares with us the secrets of a happy life focused on our true riches in Christ. We invite interested residents to join us in learning from God's Word.

We meet every Tuesday at 7 pm. Our regular meeting place is the

third section of the Ballroom if the renovation is complete; otherwise, we will be meeting in the RCN. We will notify regular participants of room changes by email. Please contact Doc or Letha Sellars with any questions or comments at (951) 797-3302 or docletha72@gmail.com. ~ **Doc Sellars**

"BELIEVE..." WOMEN'S BIBLE STUDY

After a three week break, "Believe..." Women's Bible Study began its fifth year on Jan. 5. At the end of the lesson, we all shared cupcakes arranged in a big "5" to celebrate. All January was devoted to four lessons on "Loving God," with a two-fold message: (1) God is a loving God; and (2) How we show love to our God.

In February we will begin the task of reading and studying the less-frequently studied books of the Bible. On Feb. 2, we will focus on the Book of Titus in the New Testament, followed by Philemon, then Jude. The last week in February, we will begin the study of Ezra, then Nehemiah, Ecclesiastes, Song of Solomon, etc., in the Old Testament,

and will take as long as we need to complete all the scheduled books to Malachi, the last book in the Old Testament. These will be enlightening studies and, hopefully, will give each of us insight as to why God chose to incorporate these books into the Word. One of the benefits of having an all-women's Bible study is that the focus can be on what we as women can learn.

If you are interested in joining an amazing group of godly women who love God's Word, please come join us every Friday from 10:30 to 11:45 am in the Lodge Card Room. We will welcome you with open hearts and arms. Hope to see you soon! ~ **Eileen Gilbert-Antoine**

INTERCESSORY PRAYER GROUP

Greeting friends and neighbors, from the Intercessory Prayer Group. I am looking for 2018 to be a year of new beginnings, and restoration.

In China, the number '18' is considered a very auspicious number. It is associated with someone who is going to have great success and prosperity! The number '18' in Hebrew is the "symbol of life." This makes '18' a favorable number as it indicates hopes of long life.

I look forward to a year of love, joy, hope, and peace. Love is the greatest gift we can give to our neighbors, and to all people. When we give a helping hand, we show how much we care and we have seen love displayed during the storms and the fires last year.

Let this song by Jackie de Shannon inspire us to be good neighbors. The song says: "Think of your fellow man, lend him a helping hand, put a little love in your heart. You see, it's getting late, oh, please don't hesitate, put a little love in your heart, and the world will be a better place, and the world will be a better place, for you and me you just wait and see." Another verse says: "Take a good look around and if you're looking down put a little love in your heart, I hope when you decide kindness will be your guide, put a little love in your heart. And the world will be a better place, for you for me you just wait and see."

Come and join with the Intercessory Prayer Group on Monday Feb. 5, at 9 am in the Game Room. Men are welcome. ~ **Cookie Bonner**

CHAVURAH (HA-VU-RAH) JEWISH SOCIAL CLUB

The Chavurah Club is changing its leadership for the next seven months. Dr. Zee Knapp and husband have left for their alternate home in Hawaii and will return in July. Taking over the leadership is Nancy Justice. If you have any ideas or suggestions, please contact Nancy at (951) 769-5804.

Upcoming events:

On Feb. 18, the movie of the month is *Temple Grandin Thinking in Pictures*. It is a documentary on Temple, an autistic woman who overcame her disability and revitalized the cattle industry. I found it fascinating to enter the world of autism through impressive visuals and emotional portrayals. It is a film with multiple positive reviews.

As always if you have any movie suggestions for the future let Nancy know.

On Thursday, Feb. 22, (please put the date in your calendar) an organizational meeting will take place at Nancy Justice's home (307 Blowing Rock) from 6 to 7 pm to plan future events. Those outside of Four Seasons only have to contact Nancy with their names for the guard gate entry.

Heads Up: Passover will be coming up in April. It is suggested we hold our third annual Seder on April 1 or 7 (last night). I will need to know if you plan to attend so I can make reservations for an appropriate space.

Thanks to all of you who have offered to help with the club during Zee's absence. ~ *Nancy Justice*

KIWANIS CLUB OF BEAUMONT

The Kiwanis Annual Breakfast will be held on Feb. 10 at the Beaumont Civic Center. The funds from this breakfast will go towards Beaumont High School scholarships and youth programs. Tickets for the breakfast can be purchased from any Kiwanis member or at the door that morning. The breakfast will include pancakes, eggs, sausage, orange juice, and coffee (all you can eat) for the low price of \$6. If businesses wish to advertise and have their business card on the place mat at the breakfast, a place mat ad can be purchased for \$35. With that purchase you also get six breakfast tickets free. Come out and join us that morning and support the Beaumont Kiwanis Club.

We are also working on our 13th Annual Cherry Fest Car & Motorcycle Show which will be held May 26 at Stewart Park in Beaumont. Entry forms are at www.beaumontcherryfestival.org.

The Cherry Fest Car & Motorcycle Show is one of our biggest fundraisers and last year we had 175 cars on display and several hundred people came out to view the cars.

We are looking for new members. The more members we have the more service we can do to help the children of the world and the community of Beaumont.

The Beaumont Kiwanis Club meets in the Lodge Conference Room every Thursday except for the first Thursday of the month. The meeting starts at 6:30 pm. Many of the members come early, order at the Bistro, and eat prior to the meeting. You do not need to be a resident of Four Seasons to be a Kiwanis member.

For further information, call Buzz Dopf at (909) 208-0880. Hope you have a great New Year! ~ **Buzz Dopf**

BOOK CLUB

A Man Called Ove: A novel by bestselling author, Fredrik Backman, "took the world by storm" when it was first released in 2015. A charming debut novel, this book is a light-hearted yet moving story about a grumpy, lovable curmudgeon named Ove. He has staunch principles and often a short fuse, so when a chatty young couple with two children move in next door and accidentally flatten Ove's mailbox, well, it's just the beginning of a comical and heartwarming tale. Of special note, this Backman book is soon to be

a major motion picture starring Tom Hanks.

Please join us on Tuesday, Feb. 13, at 9:30 am in the Lodge Conference Room for this lively, fun discussion. All are welcome, whether you've read the book or not. If reading more in 2018 is on your list, please come and check us out. The March selection is *Still Life* by Louise Penny. For more information about the Book Club, please contact Doreen Sanders at (951) 769-1913. ~ **Kathy Roach.**

WRITER'S CLUB

The Writer's Club will be hosting a Writer's Seminar on Wednesday, Feb. 28 at 6:30 pm in the Lodge. Desserts will be served because the creative cognitive process is enhanced with sweets and sugar! Coffee and tea will also be served.

The purpose of the seminar is threefold:

1. Encourage new members to join the Writer's Club.
2. Meet and hear from the current members about their experiences.
3. Understand the publication process.

This will be an interactive and dynamic seminar designed to answer your questions about writing. Whether you're a serious or casual writer or just plain curious, come out and join us!

The Writer's Club meets regularly on the second Tuesday of every month. Join us on Feb. 13 at 1:30 pm in the Lodge. Meeting location will be designated at the time. Check with the Reception Desk for location. We will be finalizing the details for the Writer's Seminar. ~

AFRICAN AMERICAN CULTURAL CLUB

BLACK WOMEN PIONEERS OF AMERICA

Throughout history, black women have been at the forefront of major issues: the Civil Rights movement, racism, sexism, and voting rights. Their names are national and they have national titles but we really don't know much about them or their achievements.

Look at Rosa Parks — in December 1943, Parks joined the Montgomery chapter of the NAACP, was elected secretary and became active in the plight of Black Americans and the Civil Rights Movement. The United States Congress called her "The First Lady of Civil Rights" and "The Mother of the Freedom Movement."

Most people were taught only that she was unwilling to give up her seat on a bus to a white person because she was tired. What many didn't know was that she was an activist. Her refusal on Dec. 1, 1955, caused a national movement resulting in black people refusing to continue to ride on restricted, segregated buses. This led Parks to become the strength behind a national movement towards equality.

Another woman of distinction is Fannie Lou Hamer. She became a voting rights and civil rights activist. She was one of many advocates who were ruthlessly beaten and jailed during their efforts to register voters. She coined the phrase, "I'm sick and tired of being sick and tired." She also helped organize the Mississippi Freedom Summer for the Student Nonviolent Coordinating Committee and she became the Vice Chairman of the Mississippi Freedom Democratic Party.

Alicia Garza, Patrisse Cullors, and Opal Tometi are the co-founders of "Black Lives Matter," an activist movement against institutionalized racism and bigotry. They started this movement in 2013 when George Zimmerman, a self-proclaimed vigilante, was

acquitted for fatally shooting Trayvon Martin, a young black man. These three women are in their 30s and represent a growing number of up-and-coming black women leaders.

There are many more black women in history today who have successfully changed and continue to challenge the dark side of American culture; Shirley Chisholm, Coretta Scott King, Nikki Giovanni, Gwendolyn Brooks, Maya Angelo, Septima Poinsette Clark, Daisy Bates, Claudette Colvin, Anna Arnold Hedgeman, Dorothy Height, Maxine Waters and Michelle Obama.

They have one thing in common; they continue to speak out against systemic discrimination, racism and sexism in the United States. Whenever we see or hear their names, we should honor their accomplishments and their pursuit for justice.

SAVE THE DATE: The AACC will be hosting a Black History Program during their next meeting on Feb. 5 at 6 pm. For more information please contact Joyce Allen at (951) 769-4354 or Roxie Elliott at (951) 769-2517. ~ *Regina Thomas*

CAMERA CLUB

We meet the third Tuesday of each month at 6:30 pm in the RCN Main Lobby; thus, our February meeting will be Feb. 20.

Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings, workshops, speakers, field trips, and in-house demos.

In our December meeting, we continued with our discussion of motion also showing another YouTube video. One of our members, Gerrie Karczynski, told us about the Robolights Exhibition in Palm Springs as a photo op and field trip.

Our January meeting had not yet been held at this writing but the assignment was to view and discuss our recent holiday pictures showing creativity. I'll report on this next month.

For the coming year, we'll be planning more in-house demonstrations of photo equipment and use of various types of photography software and workshops, both in-house and in the field, guest speakers, and much more.

We hope to see you soon. ~ *Lyle Cameron*

RAINBOW GROUP

The Four Seasons Rainbow Group is an informal opportunity for our LGBT neighbors and any other residents who are interested in meeting with us, to keep up to date, to meet new members and to have a relaxing dinner together. We usually meet in alternate months on the fourth Thursday. We don't have a dinner planned for February. We gather at

the atrium in the Lodge, order Smitty's food items, and then move to the Lodge Card Room. Feel free to bring your own adult beverage if you desire, and appropriate glassware. Everyone is welcome. Any questions can be directed to Dale at (951) 797-0364. ~ **Dale Beckes**

SEASONED SOLOS

If you are single and enjoy a variety of activities, then Seasoned Solos just might be the group for you. We currently have 20 plus members.

At each meeting we discuss what is going on in the Inland Empire and plan activities for the coming month, from local lunches and dinners to excursions to Presidential Libraries, Redlands Bowl, Metro Link trips into LA and the beach train to San Juan Capistrano. There's not much that we won't consider doing.

We meet on the first Friday of each month in the Lodge Craft Room at 6 pm.

CLASSICAL MUSIC CLUB

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Theater. We listen to and watch musical selections on the big screen. Each month we focus on a particular work or several selections of one composer. We also discuss current musical performances in the area. We welcome new members. Contact Steve Benoff at steve.benoff@verizon.net or (310) 413-4896. ~ **Steve Benoff**

CONSPIRACY CLUB

Is Paul dead? We think so. We've thought so since 1966! Did John Glenn and Buzz Aldrin walk around on a closed set in Burbank in 1969? They sure did. Who was on the grassy knoll? We know!

And that's just the tip of what we talk about during our three hour, twice weekly meetings. We have touched on the water supply, big pharma, 9/11, the Roswell cover up, contrails, cryptocurrencies, fake news, hurricanes, the UN's plot to depopulate the planet and our current favorite RUSSIA - and new theories arise each meeting. So if you agree with us, join us. If you don't agree with us, REALLY join us! We love debating important points and, maybe just maybe, changing someone's mind.

BILLIARDS FOR FUN

It's a new year, and the Billiards for Fun members are already looking forward to the two February tournaments on Tuesday, Feb. 6 – BFFG in-house tournament and Monday, Feb. 12 – Curly Cues tournament.

If you are thinking about joining BFFG, now's the time! In order to play in the in-house tournaments you must be a member and must have played at least three Tuesday sessions in the prior three months. Same goes for the tournament against the Curly Cues (our third). Hey, BFFG members... remember, the Curly Cues won the first two tournaments. Okay, well, the BFFG members did have handicaps, so that could account for the wins; but the Curly Cues only have two plus years experience! The Curly Cues members have certainly

stepped up their individual games, so this tournament should be very interesting. As of the writing of this article, the new Curly Cues leaders have not specified if there will be handicaps imposed on the BFFG members. The Curly Cues aren't scared, though. They just want a third win. Maybe?

We have members at all levels of play, and we usually play partnerships which rotate from table to table. So, if any of you readers out there are thinking of joining a really fun group of billiards players, c'mon over to the Lodge any Tuesday at the 11 am session or the 1 pm session and show us what you've got! We just like to have to fun, so please don't think we're pros. (Okay, some members are pretty darn close!) Hope you come join us soon. ~ **Eileen Gilbert-Antoine**

THE 8-BALL CLUB

The 8 Ball in-house tournament was a pretty good match as a field of 13 players squared off for an evening of competition. Larry Rice, our obvious premier player, stormed the field undefeated again this tournament before running headlong into Dewey Allen, our longtime expert, in the finals. Game one Dewey broke the rack but failed to sink a ball on the break. Larry potted five balls but missed on his sixth. Dewey then stepped up and sank two of his striped balls but gave advantage back to Larry. That's how it played out. Back and forth it went for seven lead changes until Larry Rice finally sank the 8 ball for the win. Great game gentlemen and congratulations to Larry Rice the winner!

The 9 Ball competition saw eight players turn out for a run at the gold ring. Roland Harrah (that's me) was blessed to lead the troop into the final matches undefeated. But lo and behold who pokes his head up out of the loser's bracket? It's Larry Rice (surprise) coming after me for the kill. I think I gave a good account of myself but 9 Ball is funny that way. No matter who makes most or all of the other balls, the only thing that wins the game is dropping that 9. Larry did just that, so once again Larry Rice gets his name in lights. Good job Larry!

For information regarding the 8-Ball Club contact any club officer: Captain, Del Lyles, Sr., (951) 845-5114; Co-Captain, Roland Harrah (951) 267-3793, rolandthanh@msn.com; Thanh Harrah, Secretary/Treasurer (951) 267-3793, rolandthanh@msn.com. ~ **Roland Harrah**

CURLY CUES

It's a New Year and time for you to join our Curly Cues! We welcome all ladies, beginners and experts (even those who think they are experts). Ha ha!

The fun begins every Monday at 11 am. We have two sessions: 11 am to 1 pm and 1 to 3 pm.

We hold quarterly tournaments. Our first tournament this year was Jan. 22. Our tournaments are always a lot of fun. We have lots of

laughs during play, but we also strive to do our best. It's great to see the improvement these ladies make from one week to the next, always eager to help each other out when needed.

The new Curly Cue leaders are O'Leta Ramirez and Pat Semler. Please feel free to drop by the Billiards Room in the Lodge and introduce yourself. We would love to meet you and welcome you to our group. ~ **O'Leta Ramirez and Pat Semler**

CUES FOR TWO

Cues for Two is a couples billiards group. We started this group last summer and it is growing in size and popularity. If you want to meet other of couples in the community, come join us in the Billiards Room, Thursday at 6 pm.

Win or lose it's always fun! Hope to see you there. For additional information please contact Leta Ramirez at (626) 695-0798 or Pat Semler at (714) 325-5280. ~ **O'Leta Ramirez and Pat Semler**

TOPS members hold candles representing a goal or promise

TOPS

TOPS (Take off Pounds Sensibly) is here at Four Seasons and we have a great group of men and women who are here to provide support and encouragement to help you reach your weight-loss goal.

The year has just begun and it is not too late to begin a program that will improve your health and well-being. This year was great for a few of our members, Jardane Castles, Laurie Larson and Pat Pendergraph were our biggest losers for the year. Congratulations ladies!

Our programs include discussions regarding nutrition, motivation, health, fitness, and other related topics. A lot of our members have reached their goal and are enjoying their new lifestyle changes to

maintain their weight.

TOPS is also very affordable with a yearly membership fee of \$32 which includes a great magazine every two months, plus \$3 chapter dues per month. We meet at the Lodge on Tuesday with weigh-in from 8 to 8:30 am and the meeting from 8:30 to 9:30 am. You may attend one meeting with no obligation. You really should come and see what we are all about. You have nothing to lose but maybe a little weight.

For more information please contact our chapter leader and Four Seasons resident, Cathy Calhoun at (951) 849-2614. ~ *Cheryl Burke*

HORSESHOE CLUB

Moving right along into 2018. It's time for our First Quarter Tournaments, both Singles and Doubles. Doubles will be played on Feb. 21 and Singles the following week, Feb. 28. Our venue at the Summit is taking shape with final landscaping being completed. Plans for new scoreboards from the Bocce Ball courts are in process and will add a professional touch to the entire venue. We're an energetic and competitive bunch of folks with fun attitudes and enjoyment of the game our main thing. Our monthly social, dinner at The Bistro

and dessert at a different member's home each month, is what ties the whole club together. Both players and spouses thoroughly enjoy this time together. New members are always welcome, so come see what we're all about first hand. You won't be sorry, I promise. We meet every Wednesday at 9 am at The Summit. The new Wrangler Rubicon Recon

4X4 SEASONS

Due to the heavy holiday calendars, there was no off road run in December. Rick Brower and Jim Jackson did however sneak down to Ocotillo Wells for a couple of days to break in Jim's brand new Wrangler Rubicon Recon. The Recon is the top of line Rubicon, guaranteed to climb any rock, anywhere, at any time, and Jim is just the guy to have behind the wheel.

Come and join us if you own a 4x4 or would like to ride along with one of our members. We meet the second Tuesday of each month in the Craft Room at 7 pm to plan the upcoming run on the third Thursday. WHY DOGS BARK

It is expected and common for dogs to bark. Just as a child learns to talk, a dog communicates by barking. Some dogs however bark excessively and that can become a problem. Four Seasons Rules and Regulations define excessive barking as:

Excessive dog barking means a dog that barks, bays, cries, howls, or makes any noise audible beyond the boundaries of the property on which the dog is situated for an extended period of time to the disturbance of any person at any time of day or night, regardless of whether the dog is physically situated in or upon private property. Such extended periods of time shall consist of:

1. incessant barking, baying, crying, howling or making any noise for 30 minutes or more in any 24-hour period; or
2. intermittent barking, baying, crying, howling or making any noise for 60 minutes or more during a 24-hour period;
3. A dog shall not be deemed a "barking dog" for purposes of this rule, if at anytime the dog is barking if a person is trespassing or threatening to trespass upon private property in or upon which the dog is situated, or when the dog is being teased or provoked.

It is important to understand why some dogs bark excessively. The reasons can be numerous and complex. Generally, they can be grouped as follows:

1. Territorial protection, when another dog, animal, or human comes into an area a dog considers as his territory even when meeting another dog on a walk;
2. Alarm and fear, when a dog is startled or fearful of something nearby;
3. Boredom and loneliness in a species that is a pack animal - dogs will express unhappiness when they can't be socialized with other dogs or humans;
4. Greeting and play with other dogs. Sometimes a dog will bark to say, "Hi, let's play;"
5. Attention seeking when a dog wants to go outside, be fed, or has other needs;
6. Separation anxiety when a dog is depressed by being separated from their people;
7. Compulsive barking can be caused by a dog just enjoying the sound of his own voice.

Next month, we will address some techniques to calm a dog that barks excessively.

Pack Walks, all dogs are welcome and we practice techniques to calm barking dogs (please, no retractable leashes)

TAILS & TRAILS - ALL PETS

WHAT IF?

Most of us have pondered our own mortality and prepared so that our loved ones understand our wishes when it comes to our passing. It might just be a little easier to decide what to do with whatever goods and money comprise our estates... but what about our precious best friends? After all, should anything happen to you, your pet will be dealing with grief and loss, as well. We can all agree that thinking about our beautiful companions languishing in a shelter for five minutes let alone months is abhorrent. Any of us would also like to avoid burdening family members with the task of properly rehoming our best friends.

According to a 2016 survey of estate attorneys, only 18 percent of Americans include a provision for pet care in their estate plans. Yet, there are good reasons to do exactly that. Failing to provide for our pet(s) in our planning may result in our precious companions being treated as little more than "property," even here in California where there is growing understanding and some case law that contests this view. Failing to provide a directive for them could let our pets in for some tough times.

According to a recent petmd.com article on the topic, there are several options that you may wish to explore with your attorney.

1. Designate in your will whom you wish to care for your pet.
2. Create a pet trust, which can be written into the will or be filed as a separate document.
3. Designate a pet guardian and ensure your wishes are clearly documented for the benefit of the animal and your family members.

Your attorney can help you determine an approach that is best for you and your circumstances.

Another option we hope to explore this year as a group is to contact a local rescue organization to assist with executing your wishes. Our group will be looking in to a guest speaker from a local rescue on this topic during 2018.

If your pet is adopted from a rescue, you signed a contract with them indicating that, if the pet needed to be rehomed for any reason, he/she must be returned to the rescue. It is important to ensure that your heirs, executor(s), and/or trustee(s) are aware of this provision to eliminate potential confusion.

Pickleball Play Day Fundraiser

PICKLEBALL

Pickleball Central recently noted that players gather to “play pickleball, socialize, and raise money for a good cause.” On a very windy Nov. 4 afternoon, Four Seasons’ picklers participated in the first Pickleball Play Day Fundraiser. The fun-loving players enjoyed “crazy pickle games” and round-robin games. Tasty BBQ hot dogs were served up by Doug Dupree. Due to the kind hearts and generosity of our players, over \$1,100 was raised for the Children’s Tumor Foundation (CTF) organization. The main goal for CTF is to find a cure for the genetic disease known as Neurofibromatosis, which causes tumors to develop throughout the body. One in every 3,000 people can be affected by this disease. We were thrilled to be a

contributing group for this cause!

On Dec. 16 our pickleball family gathered together in the Ballroom for our annual Christmas party. More than 70 people enjoyed great food, delicious desserts made by Janelle vonKleist, and fun games. The winners of the “paper plate on the head drawing” were Terry Albright and Jesse Aceves.

If you want to learn more about pickleball, come down to the Lodge courts with Jerome Liebenberg on Tuesdays at 9 am or Thursdays at 4 pm. Please be sure to wear court shoes! For further information, please contact Nancy Barnaby at (951) 845-0842 or rbarnaby38@verizon.net. Happy pickling! ~ **Irma Peterson**

TENNIS CLUB

As of this writing in early January, winter has not yet arrived at The Courts. For the most part, the weather has been spectacular in December and the first week of January, resulting in lots of tennis playing by club members and non-members alike. The only weather-related problems have been with the tempestuous winds and the dust-laden siroccos stirred up by the earth moving home-site preparation east of The Courts. Though causing brown-lung disease and gross sinus conditions, at least the dust and dirt on the courts made for more accurate line calls. One player said it was like playing on clay courts. We had clean calls and dirty balls.

For those interested in world-class, professional tennis, the annual BNP Paribas Open Tennis Tournament will be held in Indian Wells March 5 - 18. Often referred to as the Fifth Major, this tournament brings many of the top-ranked men and women tennis players to the fabulous Indian Wells Tennis complex, a straight-shot drive east on Interstate 10. Admission to the qualifying rounds on March 5 (women) and March 6 (men and women) is free. Even the players seeking to qualify for the tournament are among the best players in the world. Contact Howard Lyon, as he likes to arrange for caravanning a group to watch the qualifying rounds. I repeat, admission is free!

Tennis is generally a non-contact sport, but as reported in the *The Week*, maybe not so much. "A Florida man who hit a five-year-old boy with a tennis racket is claiming immunity under the state's 'Stand Your Ground' law. The law gives citizens wide latitude to use force to

defend themselves, and tennis instructor Osmailer Torres, 30, claims the boy was waving his racket aggressively when Torres grabbed it and struck him. Authorities say Torres was not acting 'under the imminent threat of danger.'"

For a more friendly approach to tennis, the Racquet Club will hold its monthly Play Day on the last Saturday of each month, beginning at 9 am. Also, Bernadette Martin will endeavor to arrange for Thursday evening play, when enough players contact her and commit to participate. Please save the date, March 10, because the club is planning to hold a special Play Day and hosted lunch event. ~ *Steve Hovey*

PING PONG

Fun, Fitness, Friendship.

Our Dec. 9 the Ping Pong Club tournament was great fun. Randomly drawn, mixed doubles partners played double elimination games until one team was declared first place. Of the 18 teams, the team of Perry White and Jeannine Baker rose to victory. To celebrate, everyone enjoyed a fabulous dinner of hot pizza, barbecued chicken, salads and desserts, catered by Smitty's. Congratulations, Perry and Jeannine. We all enjoyed watching the exciting finals match against second place team, Neil Edelbaum and Tracey Laykoff. Thanks to all the members who participated.

We get a lot of questions when residents first get back into ping pong. Many of us haven't played the game since high school! Things have changed. Remember when we played to 21 points with five serves each side? In 2001, the game was changed to 11-point games with two serves each side. You still have to win by two points. Table tennis, also known as ping pong, actually began in

*Tournament champions
Perry White and Jeannine Baker.
Congratulations on a hard-fought battle.*

England and was first patented in 1885. The balls started as champagne corks that were being batted across the table. When the celluloid ball was introduced, the name "Ping Pong" became popular after the sound the balls made when they bounced.

Table tennis became an Olympic sport at the 1988 summer games in Seoul, and is pretty much dominated by Chinese players.

Today, the sport is officially regulated by

the International Table Tennis Federation which was formed in 1926. Major changes have taken place to official table tennis balls. The size of the ball was changed in 2000 from 38 mm to 40 mm to slow down the game so length of rallies would increase and make the game more appealing to spectators. In 2011, the ITTF decided to promote plastic "poly" balls rather than celluloid balls, mainly due to the hazardous manufacturing process used to make celluloid balls. After 2014, celluloid balls would no longer be "legal" in ITTF events. Poly balls, could be slightly larger, indicated by a 40+ inscription on the ball. Balls can be white or orange, and the highest quality balls are three-star. Paddles, or "bats" are officially black on one side and red on the other. Many club members have purchased their own paddles based on their personal style of play. The type of rubber on the paddle determines spin, speed, and control. See you at the tables! ~ **Sandra Butler-Roberts**

FISHING CLUB

I am always looking for new places to fish. I was duck hunting in the Coachella Valley when I came upon a storm drain that was loaded with hand size Tilapia. I told my wife about the find and she immediately said we were going the next week to that storm drain to catch some fish.

Now if you have ever seen my wife eating fish it is a sight to behold. We gut the fish, scale it and then she fries the fish whole. She starts at the tail and ends up eating the head of the fish. When she is through, only the bones remain.

After we spent a couple of hours fishing at the storm drain, I wished that I had not found the honey hole. My wife caught over 80 fish. There is no limit on Tilapia and, guess who had to clean most of the fish? She bagged them up in several freezer bags and started calling friends to come over to get a bag full of fish.

We have been to that new fishing spot three times now. Each time my wife catches over 50 fish to bring back home for me to clean. You notice that I said my wife is the one catching the fish. I am too busy taking them off the hook and putting them in a bucket to try and fish.

The best way to find a new fishing spot is to ask your fishing friends where they go fish. Most of the new lakes that I have been fishing at were found by asking Four Seasons fishermen where they go and asking if I could tag along with them to give it a try. Never overlook a potential fishing spot and always give it a try. Always tell your fishing buddies about your new spot and invite them to go and

Richard's new fishing spot

give it a try.

Tight lines to all my fishing friends and remember, the best way to catch fish is to go where there are plenty of fish to catch. The best way to have an epic fishing trip is to load up the truck or car and hit the road to a new fishing spot. I guarantee that you will have the time of your life. ~ **Richard Carrasco**

PADDLE TENNIS

Paddle tennis — what the heck is that? That was my first thought as a new resident when I read the directional signs to the courts. I walked down to the courts to check them out, but nobody was playing. I chuckled to myself thinking that to me, a paddle was something mom and dad threatened to use on me when I misbehaved! I have played tennis for a couple of decades along with racquetball, but those sports were played years ago when this "ole" body was much younger. I hesitated thinking I didn't know anybody who played, and I probably would look foolish. I know that playing any sport helps to build neural connections that aid memory, learning and focusing skills — and I could sure use some of that neural growth! I reviewed the play schedule in the *Breeze* and showed up just to watch the game.

NO WAY was the group going to let me be a spectator. I was warmly welcomed, offered a paddle, and encouraged to go ahead and just TRY the game. The scoring is like tennis, the court smaller, and the racquet - well, it's not a racquet but more like a ping pong paddle on steroids! The group was so supportive that first time, and continue to be such great teachers, competitors, and friends. For me, the shorter handle of the paddle has made it less stressful on my elbow joint, and the smaller court has made getting to the ball easier on the knees and legs. Lucky for me, nobody has tried to measure the neural growth. I'm still on a learning curve and would love to see more ladies come out and enjoy the fun, camaraderie and benefits of this great sport. ~

MOTORCYCLE CLUB

The last "Day Ride" of 2017 was enjoyed by four of our members; Terry Humble (Harley, Ultra Guild), Bob Howard (Triumph, Tiger), Ron Morgan (Can Am) and Scott Synder (Victory, Vision). They met at the Lodge at 9 am and, with Terry in the lead, headed for Dillion Road and on to Mecca for the first stop and refreshments at Starbucks.

After a short break, Terry led them down Hwy 86 with the Salton Sea on their left.

After a beautiful two-hour ride, they reached Borrego Springs and their favorite Taco shop, Los Jilbertos Mexican Restaurant, for lunch.

After lunch and a good rest, they headed home via Hwy 79 and Sage Road. Great ride. Thanks for leading Terry. ~ **Howard Lyon**

TAKE A HIKE CLUB

Our December hikes cap a year of spectacular views of mountains, lakes, trees, and beaches with a nocturnal stroll of our own backyard. We rendezvous at the Summit bearing gifts of food and drink and then hit the night air along our neighborhoods. In 2016 we sloughed through rainy weather but this last year the skies were clear and stars were twinkling. Our 20 silent carolers enjoyed the holiday displays of newer members of our community. They are usually "younger" members with the energy to climb ladders and stake lawn ornaments against the Beaumont winds that really 'felt its oats' this December.

After an hour walk building appetites and thirsts we were back at the Summit to attack the potluck treasures we had delivered. A short meeting was conducted to plan for 2018 hikes, but we mostly just enjoyed the company of our fellow adventurers. Happy New Year to all.

The Four Seasons Birding Club welcomes beginning and experienced birders to start or hone bird identification skills. The club's main activity is a monthly bird walk along Four Seasons' beautiful nature trails, which follow native riparian woodlands. We also take field trips to local birding hot spots, discuss backyard bird feeding, and share information on unusual species and behaviors.

By the time we returned to the Lodge from our Jan. 6 bird walk, we had identified 20 species, tying the previous record. A highlight was a fly over flock of Mallards (our February Bird of the Month). We had breakfast at Smitty's, and after breakfast, two club members spied a pair of Western Bluebirds in the parking area, which made for a total of 21 species, a new record!

The club keeps track of all bird sightings at Four Seasons and we compile our observations on a bird list. To date, we have documented 65 bird species at Four Seasons!

The Four Seasons Birding Club meets on the first Saturday of each month at 8 am in the Lodge RCN lobby, talk about birding, and then we go on our bird walk directly from the Lodge (good exercise). Bring your binoculars or just come to a meeting and ask about birding gear. Sometimes our schedule changes, so before coming to a meeting and to receive club communications, email Steve Edelman at steve.h.edelman@gmail.com. ~ **Steve Edelman**

If someone at a park is feeding ducks, chances are there are Mallards in the fray. Perhaps the most familiar of all ducks, Mallards occur throughout North America and Eurasia in ponds and parks, as well as wilder wetlands. The male has a gleaming green head, brown chest, and black tail making it the most easily identified duck. The female and immatures are all brown. The iconic duck “quack” is the sound of a female Mallard (the males don’t quack). Mallards have long been hunted for the table and almost all domestic ducks descend from this species, including the familiar white domestic duck.

The widespread Mallard has given rise to a number of populations around the world that have changed enough that they could be considered separate species. The "Mexican Duck" of central Mexico and the extreme southwestern U.S. and the Hawaiian Duck both are closely related to the Mallard. The Mexican Duck currently is considered a subspecies of the Mallard, while the

ABUNDANCE
C = Common
U = Uncommon (observed at least annually)
R = Rare (observed less than annually)

Sky = Sky: Observed only as flyovers. If ever observed perched, the bird is assigned to one of the next habitat categories.
Rip = Riparian: Observed only in riparian habitat (cottonwood-sycamore-willow forest along the creeks and nature trails).
Chp = Chaparral: Observed only in chaparral around Four Seasons (but observed from Four Seasons property).
A = All: Observed in habitat other than and/or in addition to "Sky" or "Rip" or "Chp" (landscaped areas, rooftops, Lodge, etc)

A = Summer/Winter Resident (year round)
Su = Summer only
Wi = Winter only
Mi = Migration only (spring/fall)

Hawaiian Duck is still given full species status.

Mallards are “dabbling” ducks, meaning they feed in the water by tipping forward and grazing on underwater plants. Mallards can live in almost any wetland habitat, natural or artificial. Mallards are the ducks that appear at Four Seasons in our artificial ponds, in the pools (where fake alligators are used to scare them away!), walking on lawns, and as fly overs (as during the show).

SHUFFLEBOARD

Saturday and Monday mornings start at 9 am, Sundays at 12 noon, for the winter and spring. We often use a dust mop and spray to add ease and speed to disks. One game had four ends play and zero points. Defense skills are sometimes very good.

Beautiful flowers, trees and shrubs are the setting for shuffleboard play. Great game, fun, exercise with friends, all a few steps south of RCN Building at the Lodge. All are welcome to join and learn. Who goes first? Which color disks go? How do we strategize to block, kill other teams' points, and score for our own team. Players use a cue (cue-stick), to push their colored disks down the court. The scoring diagram is divided by lines, into six scoring zones, with the following values: 10, 8, 8, 7, 7, 10-off. You hope not to land on 10-off.

All are welcome. Come join in the fun and learn. A few weeks ago, a 100-point game took just nine minutes. Often a 100-point game can take 40 minutes. Each time we play, we draw for "random mix" teams. For more information, call Mike Saperstein at (951) 769-7909, or Larry Anderson at (951) 846-3123. ~ **Mike Saperstein**

BOCCE BALL

Bocce Ball is played several times a week at The Summit. Play is 9 am Tuesdays, 3 pm Wednesdays and 3 pm Fridays. Hours will remain constant until the days are too warm. Many players and new residents come to play. Everyone is welcome, including guests and family.

Play is now on beautiful, tournament grade, smooth, accurate courts and sideboards. A small step-in makes it easy to enter. Smooth concrete surrounds the courts. All players are learning accurate and careful throws.

The game is easy to learn and we mix and match players, so no team is expert. We also change numbers on a team so no one is left out.

The game of Bocce Ball requires no specific skills or previous experience. You will get a little exercise and enjoy a beautiful view and breezes at The Summit, all while having a great time with a great group of people. If you are interested in learning the game, please join us at The Summit.

If you are interested in playing we will be happy to meet with you about 15 minutes before the game to go over the rules and let you have a little pre-game practice. If you would like to schedule your first practice session or if you have any questions, please call any of the contacts: Mike Saperstein: (951) 769-7909; Larry Anderson: (951) 846-3123; Jeannine Baker: (951) 797-0833. ~ **Mike Saperstein**
