

The background of the magazine cover is a photograph of a garden path. In the foreground, there are bright yellow flowers. A dirt path leads into the distance, flanked by green bushes and trees. In the far background, mountains are visible under a blue sky with white clouds.

**COMMUNICATION** I hope everyone is enjoying the treasure hunt on our website, [www.fourseasonsbeaumont.org](http://www.fourseasonsbeaumont.org). I wanted to touch on a website called NextDoor.com which has caused some issues recently. The Association has several channels with which to communicate with owners and residents: flyers and posters in the facilities, *The Breeze*, The Daily Report, our website [www.fourseasonsbeaumont.org](http://www.fourseasonsbeaumont.org), our Facebook page, and the bulletin board in The Lodge, to name a few. However, we do not communicate or monitor what is posted on NextDoor. I understand the confusion in knowing whom to contact in the office for different issues. Therefore, we have created a centralized email address: **issues@fourseasonsbeaumont.org**. This email will help facilitate concerns so they may be addressed appropriately. This email has been posted on the website and Daily Report for quick access as well.

**GUEST POLICY** The Rules & Regulations Committee, Board, and Management are working together regarding guest policy rules that are appropriate for what the community wants now that we are close to build out. At the Board meeting on May 9, it was determined to hold a Town Hall regarding guests. The Town Hall is scheduled for June 4 in the Ballroom at 6 pm.

# Activities Director Corner

By Cindy Graves, Activities Director

This has been one chilly spring so far and I hope we find June just a tad bit warmer, not hot, just warm (first world problems you know). There are several fun events to be looking for this June and one that we hope is going to be super informational. The informational event is a Town Hall meeting on June 4 at 6 pm in the Ballroom, regarding the guest policy for Four Seasons clubs, groups and classes. It is a hot topic for many on both sides. Your voice is important in regard to this issue. Our goal, as we work on new club guidelines, is to simplify our Club, Group and Class Matrix that is in the Community Guidelines currently. Now that we are nearly at build-out, it's important for our Guidelines to better represent what the residents of Four Seasons would like. We also think that it's important that it protects the Association and so it gives equal benefits and equal responsibilities to each of the clubs, groups and classes. It is actually a lot more complicated than one would think at first appearance. What might work for one group may not work for others. Come and see our presentation at the Town Hall, learn of what John Noonan and I have been working on regarding this project over the last several months and let us hear your opinion. We love this community and we want clubs, groups, and classes to represent the lifestyle that you envisioned when you bought into this wonderful neighborhood. See you there!

If you went to our huge Craft Boutique and thought to yourself,

"Gee, I should have purchased a table for my homemade crafts," then you're in luck! We will be having another Harvest Craft Fair on Oct. 19, and you're welcome to participate. All you have to do is attend the mandatory Craft Fair vendor meeting on Wednesday, June 12, at 6 pm, in The Lodge Ballroom. You'll wait in line until the doors open, and then you'll pull a number (like a lottery), which determines what order you will be in to choose your craft table. You'll bring a check for \$5 to pay for your table and sit through a delightful talk on what to expect. Barbara Miller will be sending out a friendly reminder by email if you have participated in the past; if you haven't, just show up. Looking forward to meeting another creative resident.

It's back by popular demand! "Movie Night Under The Summit Stars," sponsored by the Amphitheater Production Group, will show another great flick on The Summit outdoor green. Bring your own chair and evening snacks and drinks, maybe even a cozy blanket and a friend. There is no cost to attend. The first showing is Friday, June 21, at 8 pm. At this writing, the movie is still being chosen, so stay tuned to the Daily Report for the movie selection. I hope to see you there.

Have a terrific June: forget about the gloom, and here's to the best summer ever!

P.S. If you haven't yet voted for the CC&R change, please ask for a ballot at The Lodge, The Courts, The Summit, or RCN front desks.

## Spreading Gratitude in Four Seasons

*Saphire Rhodes - thank you so much for all your hard work with getting the pool tables refurbished. You are awesome! Gracy L.*

If you have seen an act of kindness or have received one, please share with the community. Let's spread gratitude! Just go to The Lodge lobby and fill out a gratitude note and put in the box marked "The Box of Gratitude." Thank you.

# FOUR SEASONS BEAUMONT 101

By Irene Welker

*C*arol, do we have anything planned for the upcoming weekend? It has been a while since we have done anything. I'm bored.

Bob, you clearly forgot we are visiting our friends, Ted and Alice, this weekend in Beaumont. I spoke with Alice this morning to confirm. She and Ted are glad we are coming to visit. It has been a while since we saw them. Remember how excited they were to purchase their home last year? They are still thrilled. Every time I speak with Alice she tells me she is so glad they moved into the Four Seasons community in Beaumont. She said they have so many activities that they are always busy.

MEANWHILE... in Beaumont at Ted and Alice's home:

*Ted, I just confirmed that Bob and Carol will be here this weekend. They won't arrive until late Friday. Where is the paperwork we received when we had our homeowner orientation? I've forgotten most of the things they told us. I know I need to call the Gatehouse or go online to put their names on our guest list.*

*Here are the papers, Alice. There are two codes. One is our Personal Entry Code that we are not to give out. It's for our use only, and remember, we enter # then the four digits to get in the gate. The Resident Directory Code is for guests. Be sure to tell Carol and Bob that all they need to do is type the four digits into the Directory Box and it will automatically dial our telephone number. When we answer the phone, and they let us know they are at the gate, we press 9 to let them in.*

THE WEEKEND BEGINS:

Well, here we are. Alice said she left our names at the Gatehouse. I told her we may be late. What time is it? She said the attendants are at the Gatehouse until 8:45 pm. Oh, it's only 8:15. We just give our names and who we are visiting. And, unless Carol has requested a temporary permit, we are to park in the driveway because overnight street parking is not allowed.

*You're here! Come in, we have dinner waiting. While we are eating, we can discuss our weekend plans. Our favorite movie is playing at The Lodge tomorrow morning. We can see it if you wish. Bob and Ted, if you two want to do something active this weekend, we have hiking trails, tennis, pickleball, swimming at The Lodge pool and all sorts of other things. We can decide what we want to do and when. Here is a copy of our community magazine, the Breeze. It lists all the activities and the hours when groups are scheduled to use specific areas. We can also check our community website, [fourseasonsbeaumont.org](http://fourseasonsbeaumont.org), for updates or changes.*

SATURDAY MORNING:

Coffee on the patio, how delightful. You did a great job planting your yard. I know you were somewhat concerned about rules and restrictions in a gated community. How do you feel now?

*We have not had any issues. When we moved in, we attended a Homeowner Orientation and received a lot of good information. Then we made a list of all the things we needed to do. We consulted the community plant guide to decide which plants we wanted for the backyard. We had four months to develop and submit our plans with before pictures and Exhibit A to the Architectural Review Committee*

(we call it ARC) for approval. Once the plans were approved, we had another four months to complete the work. Then we submitted our Notice of Completion, Exhibit C, with pictures. Committee members then came out to confirm the work was completed according to the plan. One thing we did find out was that Beaumont has a Dark Sky Ordinance, and there are restrictions on the type of outdoor lighting that can be installed.

As you know, we have always had a satellite dish for television. We submitted an Exhibit A Express form with pictures of the dish to the same committee to get approval for installation. We just had to make sure the dish was in a position that made it the least visible from the common area, and at least three feet beyond our side yard gate. And they did come out to confirm that it was installed in the right place.

We like the fact that the community is gated. As you know, visitors cannot enter unless the resident has left instructions at the gate. There is an attendant at the gate seven days a week starting at 6 am. When they close the gates at 8:45 at night, they patrol the grounds until 10 pm. Residents have a transponder, or tag, that automatically opens the gates for us. Unfortunately, if they are lost or damaged it costs \$12 to \$16 for a replacement, and it has to be paid by check or money order. We just showed our vehicle registration when we got the tag. It's that simple.

Yes, there are a few things that may take extra effort. For instance, if we wanted to change the exterior look of the house — like changing the color or adding a screen door — or want to redo the yard, we must submit a request to ARC. Shortly after we moved in, Ted damaged his fob... don't ask... while playing tennis. The fob is needed to sign in at all the facilities, pools, and walk-in gates. Ted went to the office to get his fob replaced. Luckily, he had the damaged fob with him. The cost to replace a lost one is \$25, but it was only \$10 to replace a damaged one.

On the plus side, the cluster mailboxes are very convenient. When we are away for a few days, we don't have to worry about mail piling up. The boxes are maintained by the association, but replacement locks are the homeowner's responsibility. Replacement mailbox locks and/or keys can be obtained from the post office for a fee of \$50! You can be sure we take care with our postal lock and keys. Oh, and if we get packages by mail, they are left in those big square boxes, and the key for those is left in our box.

Both of us feel the Association fees are reasonable for everything we get here. The amount of the HOA fees vary depending on whether or not the home is located in a front yard cost center. Our front yard is maintained by the association. They take care of everything. We thought about doing it ourselves but we would still have to pay the higher fees, so we decided to let the association take care of the front. The downside is, we can't make changes to the front yard. But on the bright side, we don't have to do the work. Our HOA fees are due on the first of each month. When we first moved in we paid them online, then we signed up for auto-pay.

What's not to like about living here? We have our own magazine and website that give us information on everything that happens here. We signed up for The Daily Report which sends an email notice to residents with updates, and changes in scheduled events and activities, and provides alerts on issues affecting residents. Well, listen to me babbling on. We have a lot planned today. Let's get started.

#### SUNDAY, TIME TO LEAVE ALREADY?

Ted and Alice, thank you both so much for the lovely weekend. We had a great time. We had a long talk last night and decided to look at the model homes here before we leave. Who knows? We may be moving to Four Seasons soon!

# DID YOU KNOW?

**TREASURE HUNT** Did You Know that in addition to our monthly Find the Joke in the Breeze you can also use your hunting prowess while exploring our website, [fourseasonsbeaumont.org](http://fourseasonsbeaumont.org)? There is a treasure hunt going on there, and for the next several months visitors to the website can search for a treasure chest icon. Once found, click on the image and an email form will appear. Fill out the form and submit. Winners will be selected each month and will be notified to go to The Lodge front desk to claim their prize. So why not check it out? Guaranteed, you will find a treasure trove of current information, if not a little pirate booty, too!

# Coffee With City Manager

*By Laurie Larson*

The sign and some fliers were set up on the table in The Lodge Lobby. The Ballroom chairs were lined up, and the coffee was ready and waiting, as promised.

Even at 8:30 in the morning, almost all of the chairs were occupied. Four Seasons Beaumont homeowners were being given the chance to meet with Todd Parton, the City Manager, and they were curious about what was happening in Beaumont, now that the other guys were gone and the new guys were making changes.

Anita Worthen, our Community Ambassador, and the person who invited Todd to have "Coffee with," made the introduction and Mr. Parton began his presentation to the inquisitive crowd.

First, he mentioned the city's finances, with assurances that the coffers had been replenished and that there is \$35 million in the General Fund.

Public Safety is being addressed, as the Beaumont Police Department is adding one more police officer to its ranks.

Knowing that everyone was curious about all the new construction taking place, he discussed the new development: Center Pointe Shopping Center. There are two entities already secured: Grocery Outlet, a discount grocer, and Planet Fitness. And there are negotiations taking place for a movie theater. That engendered excitement!

Other building is taking place near the 60 freeway interchange which will affect jobs and traffic. Amazon has a target completion date of August 2019 for its new facility. It is estimated that this will add 1,500 - 2,000 new jobs to the area. C.J. Foods, a Korean food manufacturing company whose number one product is seaweed snacks, is located near Amazon and should be open by the end of 2019. This facility will offer up to 500 new jobs. And pursuant to a regional water quality mandate, a new sewer plant is in the works.

Next on everyone's mind: traffic. A road study was completed in 2017 and \$10 million has been allocated for street maintenance and road improvements. A Highland Springs interchange upgrade is planned, but it is acknowledged that this project will take years to complete. Signalization syncing will be a joint effort, with a Memorandum of Understanding between Beaumont, Banning, and Caltrans.

The necessity of ameliorating traffic on Pennsylvania from 1st to 6th Street is being addressed by widening Pennsylvania and adding a traffic signal at 1st St. This work should be completed by early 2020. Additionally, the railroad crossings at Pennsylvania and then at California will be improved.

When Todd finished his informative speech, he opened the floor to questions, and after he had been peppered with them for about 15 minutes, Anita drew it all to a close. And she put before everyone her own question. What should be the topic of the next "Coffee with," and who should she invite?

## Sometimes Apps Are Easier Than Computers

*\*Not Steve Benoff*

*By Steve Benoff*

Whether it's because I'm lazy or the app is the best way, there are certain apps I prefer to their corresponding website.

The example that prompted this column is an app you all should have. That's our very own dwellingLIVE app. If you use your computer to add a guest or vendor for front gate entry ([www.community.dwellinglive.com](http://www.community.dwellinglive.com)), you should know that you can do the same on your phone. Don't search for Four Seasons; just enter dwellingLIVE in the search bar. As easy as it is to add a guest on your computer, I find it even easier on my phone. I can think of two reasons that's so. In the likely event I'm away from my computer, when I make a date or appointment with someone, I can do it immediately with my phone when the date and time are fresh in my mind. But even putting that aside, the app is so well designed that I prefer it to the website.

There is a caveat here, as there is with many apps that require a password to use. I'm sure I'm not the only one who can't remember my passwords. And even if I do remember, it's a pain to enter it every time I use a secure app. That's why you enable fingerprint access whenever possible. When you first use a secure app, you will have to type in the password. Next, you'll likely be asked if you want to use your fingerprint instead of entering your password each time. Say yes. It will make your life much easier. That way, you can get started with dwellingLIVE with the touch of your finger.

If you want to add a guest or vendor, press Invite Guest at the top of the page. You'll be prompted to choose between Individual Guest or Create a Party. Make the appropriate selection and you'll be given several choices. You can Create New Guest or, and this is the ingenious part of the app, simply select from lists of Past Guests and people or companies in Your Contacts. Once you've made your selection(s), press Invite at the top of the screen. The next screen shows your guest(s), and now you can choose when your guest(s) will be arriving. There are buttons for Today and Tomorrow, or you can press Start and End Dates and choose from a rolling calendar. If there is a guest for whom you want to grant permanent entry, you can make that selection by pressing Guest Type. Then press Save, and you're done. It sounds more involved than it really is. The flow of the app is terrific and selections are easy, intuitive, and fast. Try it.

Here's another example of an app I prefer to its website - my connected sprinklers. When I say connected, I mean my sprinkler controller is connected to my home network. That way I can create sprinkler schedules on my computer or on my phone using an app. I admit that when setting up zones and schedules, I used my computer, but after that I much prefer the app. For example, when the weather turns hot for the summer, I just used the app to change the watering schedule durations. And when I was in New York last year and I saw that it rained here (using my weather app, of course), I suspended watering altogether for a couple of days. Periodically I want to test my sprinklers. I can physically turn a valve on manually, or on some controllers I can turn on a zone individually. But I much prefer to use the app for the controller. I can start and stop each zone when I'm in the yard. It makes my life easier using the app.

I mentioned lazy at the beginning of this column. Sometimes when I'm sitting comfortably on the couch watching television, it occurs to me that it's time to reduce the heat. (I'm talking winter now, as I was advised to leave my air conditioning set at one temperature for the summer.) Well, of course, I could get up from the couch and make that long walk to the thermostat, but I'm lazy. Fortunately, I have a connected thermostat. So all I have to do is use an app to lower the heat for the night.

Do you use an app you'd like to share with others? Let me know at [steve.benoff@verizon.net](mailto:steve.benoff@verizon.net).

# Grilled Rosemary Chicken Breast

By Irene Welker

It's summertime and the living is easy. Time to break out the grill, invite friends, relatives, and/or neighbors to a backyard BBQ. This dish can easily be doubled or tripled to serve a crowd. Even if there are only two, cook the whole recipe. The leftover chicken breasts are a great addition to a green salad or they make a fantastic sandwich. As long as you have the grill fired up, grill an assortment of vegetables before you cook the chicken. Add some rice or potatoes, some crusty bread, or a side salad, and voilà, an entire meal. Serves 6. Prep time: 10 min; Inactive time: 3 hours to overnight; Cook time: 10 to 12 min

## INGREDIENTS

Six (6 ounce) boneless, skinless chicken breasts  
 1½ lemons, zested then juiced (about 3 Tablespoons fresh juice)  
 1/3 cup extra virgin olive oil  
 1/2 cup freshly chopped rosemary leaves  
 Three cloves garlic, finely minced  
 Salt and pepper to taste

## DIRECTIONS

Clean the breasts by trimming off any bone chips, all fat, and any sinew (white stringy tendon that runs down the the breast). Place the breasts in a 1 gallon resealable plastic bag. Set aside.

In a small bowl, whisk together the lemon zest, juice, olive oil, rosemary, garlic, salt and pepper. Pour the mixture into the plastic bag containing the chicken. Seal the bag removing as much air as possible. Make sure to evenly coat the chicken. Place the sealed bag into the refrigerator for at least three hours or overnight.

Remove the chicken from the refrigerator at least 30 minutes before cooking.

Heat an outdoor grill to high heat, when the grill is hot, oil the grate. Grill the chicken breasts 10 to 12 minutes, turning every 4 minutes, until the chicken is cooked to an internal temperature of 160 degrees.

# COMMUNITY PLANNING & TRANSITION COMMITTEE

The Community Planning and Transition Committee is continuing to fulfill its charter to address the HOA takeover from K. Hovnanian which is expected to occur at the end of 2019.

The committee is reviewing Off-Leash Area specification options to expedite gas company approval.

Research is ongoing for additional storage, amphitheater modifications, and solar energy considerations. Additionally, CP & T will explore paver options to address replacement expense concerns.

The committee is making progress reviewing an HOA Annual Plan. It will be formulated in conjunction with the Master Plan already in development.

We welcome homeowners' interest. Our meetings are held at 9 am on the fourth Thursday of the month in the RCN Conference Room. Please come visit us. ~ **Johanna Ballard**, [classicalharmonies@gmail.com](mailto:classicalharmonies@gmail.com)

## FINANCE COMMITTEE

The Finance Committee held its regular meeting on April 30. The financial statement for March 2019 was reviewed and recommended for BOD approval. Highlights of the March financial report follows.

Total Assets are \$9,152,245 including checking \$525,202 and reserve assets of \$7,158,157. Operating money market and CDs totaled \$1,279,590. Total Liabilities currently are \$330,234 and Total Equity of \$1,663,855 is a surplus balance. There was a net income gain for the month of \$65,099. Front yard cost center expenses were under budget by \$9,247 and Springdale cost center expenses were over budget by \$231. At the end of the first quarter we are under budget by \$167,079. This budget variance is attributed to several line items that have lower utilization/expenses associated during this time period, e.g. water, tree trimming, and landscaping but will be larger in the coming months.

Five vendor proposals were reviewed. All proposals were recommended for Board approval. Six committee persons, and Ed Paules and Jolene Cooley, Board Liaisons, were present. There is an opening on the Finance Committee. If you are interested, please come to our next meeting on June 25. ~ **Baron Ginnetti**, [b2ginnetti@gmail.com](mailto:b2ginnetti@gmail.com)

## ARCHITECTURAL REVIEW COMMITTEE

In response to multiple requests for information on the same issues, the Architectural Review Committee is addressing three issues this month.

The first concerns fences. The Architectural Guidelines and Standards require that all work affecting fencing and walls requires prior approval from the ARC.

Guidelines prohibit attaching or hanging any item on or over property line fences or walls. Owners may not alter, replace, or remove any property line fence without prior consent of the ARC and, in some cases, the Board of Directors.

Guidelines prohibit the addition or installation of screens or any material including frosted glass on any property line fence.

Snake fencing must be approved by the ARC and must meet Guidelines requirements which include that it must be black to match the wrought iron fence, and it must be installed as provided. Any snake fencing that is installed on the common area side of the fence requires posting a deposit with the HOA to ensure that no damage is incurred to the common area. (The deposit will be refunded upon inspection after the snake fence is installed.)

The second item concerns awnings and umbrellas. Permanent awnings, non-retractable umbrellas, and shade covers must be a

neutral color and coordinate with the home's exterior color. Any awning, structure, or umbrella that cannot be closed each night requires approval from ARC. (Approval is requested through the normal process – verbal approvals may not be granted.)

Umbrellas viewable from common areas are limited to two and must be of the same color or pattern. Umbrellas that are not easily viewable from common areas are not limited in number or color.

All umbrellas must be closed at night.

Except in Monarch side yards and Springdale patios, no umbrellas are allowed in front yards.

The third and final subject concerns the ARC and its interaction with K. Hovnanian. Simply put, there is none. Contrary to rumor, we do not advise or inspect front yard landscaping done by the builder. We have no input on what material is used or placement of any plantings. Beaumont has approved a master plan for our community, and they inspect each home as it is constructed including the front yard landscaping.

The ARC meets the first and third Wednesday of each month in the RCN Conference Room at 8:30 am. We welcome your questions and would love to have you just come see what we do. ~ **Steve Cooley**, [cooleyaudit@gmail.com](mailto:cooleyaudit@gmail.com)

# SAFETY COMMITTEE

**You Can Save Your Life for \$5:** Do you wear or carry identification (ID) while participating in exercise activities? You should. What if there was an unexpected accident while walking, running or cycling, and you had no ID with you? You would be in bad shape. Nobody would know who you were, or whom to contact.

Did you know that each year throughout the United States, more than 450,000 people are taken to hospitals in an unconscious state, and without having ID on them? Well, guess what? Our Four Seasons community is part of that alarming statistic. After falling, one of our residents was admitted to the hospital in an unconscious state. He was not carrying ID, so he was admitted as a John Doe. Eventually, he was found by his family, identified, and received appropriate care.

ID is important for us to carry at all times. Here are some reasons:

- Your ID will speak for you when you cannot.
- First responders will be able to contact family members and/or friends.
- If your ID contains information regarding a medical condition, that information will assist medical staff.
- ID can prevent serious delays in treatment during the "golden hour" of medical treatment.

Online, eBay sells a whole range of personal and wearable ID. Search for custom medical bracelets. In addition to bracelets, there are dog tags, and even a card that can be customized to suit your needs. Prices start at \$5. Your ID should contain your name, phone

number, delegated contact information, and medical condition or allergy, and your blood type, if possible. Even carrying a slip of paper, or a card that has your important information, will work. It is far better to have ID with you and never need it, than to need ID and not have it. Remember identification information can help save a life and that life, could be yours. It is that important.

The Safety Committee would like to remind all residents entering and exiting the Crooked Creek gate to be careful, exercise patience, and show courtesy toward others who are entering and exiting the same gate. That is the neighborly thing to do. The committee also asks drivers to slow down, and obey all speed limits and traffic signs. The speed limit is 30 mph on Four Seasons Circle and 25 mph on all other side streets. Please do not speed.

For those who walk, please walk on the sidewalks and/or trails. Do not walk on the streets, and you are reminded to use the crosswalks to cross the streets. If you are walking at night, wear reflective clothing and carry a flashlight.

Also remember, if you see something suspicious, call Beaumont Police at (951) 769-8500 for non-emergencies and 911 for emergencies.

The Safety Committee meets in the RCN Conference Room first Tuesday of the month at 10 am. All are welcome. ~ **Kaye Harvey**, [teachharvey@yahoo.com](mailto:teachharvey@yahoo.com)

### WATER... WATER... WATER

Here at Four Seasons water is our largest expense. The Landscape Committee walks the Springdales, Monarchs, Laurels, Heritage and Inner Circle every month. We have noticed that many of the front yard drains are flooded. When flooding occurs in the front yards it is because back yards are being watered too much. Now is the time to adjust your sprinklers, or you may want to ask your landscape contractor to assist you with what the proper water times should be for each season.

Here are some water conservation tips from Beaumont-Cherry Valley Water District:

- Check your sprinkler system frequently, and adjust sprinklers so only your lawn is watered and not the house, sidewalk or street.
- Plant during the spring or fall when watering requirements are lower.
- Minimize evaporation by watering during early morning hours, when temperatures are cooler and winds are lighter.
- Divide your watering cycles into shorter periods to reduce run-off and allow for better absorption every time you water.
- Only water your lawn when needed. You can tell this by simply

walking across your lawn. If you leave footprints, it's time to water.

- Water your summer lawns once every three days, and your winter lawn once every five days.
- More plants die from over-watering than from under-watering. Be sure only to water plants when necessary.
- Place an empty tuna can on your lawn to catch and measure the water output of your sprinklers. If you are catching more than 1/4” of water, you are watering too much.
- Use a layer of organic mulch around plants to reduce evaporation and save hundreds of gallons of water a year.

The Landscape Committee meets every third Tuesday of the month at 1 pm in the RCN Building. ~ **Linda Ruoff**

## EMERGENCY PREPAREDNESS COMMITTEE

Most Four Seasons residents are not firefighters. What we should be like is Jim Carrey's character Fire Marshal Bill. We should attempt to prevent fires from starting by doing an inspection of our homes. We need working smoke alarms. We need to stay in the kitchen when we are cooking food — ie. cooking, frying or boiling. Space heaters must be kept a minimum of three feet away from things that can burn. All electrical cords should be in good condition (not damaged or cracked). There should be two ways out of every room in your home. Know what to do if your smoke alarm sounds. Carbon Monoxide detectors should be installed and inspected for operability (ie. batteries) at least twice a year.

Clothes dryers are another source of fire. Use metal dryer ducts to prevent lint buildup. No matter what kind of duct that you have, you should clean it regularly. Clean all visible lint after using the dryer. Clean the lint filter with soapy water at least once a month. Remove the lint filter and vacuum inside the filter hole once a month. Clean inside, behind and underneath the dryer with a vacuum to remove lint build up. Wash twice and line dry all clothes that are exposed

to volatile chemicals like gasoline, cooking oils, cleaning agents, or paints and stains. Avoid using liquid fabric softener on all cotton clothes made of fleece, terry cloth, or velour. Liquid fabric softener added to cotton fabric speeds up burning of the fabrics. If you want a softener, use dryer sheets instead. Buy your next dryer with a moisture sensor. Thermostats can allow the dryer to run longer than necessary.

Golf cart batteries can easily start a fire if they are overcharged. Check the following items.

1. Make sure your battery charger cables are properly connected.
2. Do not charge the battery longer than necessary.
3. Check the battery for overheating or “boiling” over.
4. Properly maintain your battery and replace it if it will not hold a charge.

The EPC committee meets on the third Tuesday of every month at 10 am in the RCN Conference Room. The next EPC meeting is Tuesday, June 18. ~ **Michael A. Mendoza**, [srmendoza@verizon.net](mailto:srmendoza@verizon.net)

# RULES & REGULATIONS COMMITTEE

Summer in the city? Not exactly. Four Seasons at Beaumont is a much better place to spend the summer. In addition to beautiful surroundings and outdoor activities, we also have wonderful, free outdoor entertainment, barbecues and pools!

The concert series at our amphitheater is the place to go in the summer. Concerts began in May and extend through September. The list of upcoming concerts is available on our website and at The Lodge, but if last year's schedule is any indication, it will be great. The May concert was fabulous and more enjoyable when everyone follows the rules. There are some rules to observe while enjoying these events. All glass containers must be in a protective sleeve. You must pick up your own trash. There is no sitting on the center steps for your safety and the safety of others. Other rules are: you cannot place chairs in the amphitheater before 10 am on concert days, and you may not save multiple chair areas with large blankets.

Before the concert, many residents like to barbecue. Barbecues can be found at The Lodge, The Summit, and The Courts and are available on a first-come, first-served basis. Users must provide all utensils, paper and plastic goods and no glass is allowed. After barbecuing, you must leave the area in a clean condition and remove all trash. The barbecues must be cleaned and shut off prior to leaving the area. Because of the possibility of injury, there must be at least one adult resident or other adult to accompany and supervise each group of three or fewer children.

When it gets too hot, we can always cool off in one of our pools. While The Summit and The Courts pools are limited to residents and their adult guests, The Lodge pool is open for guests under the age of 18 during the hours of 1 and 4 pm daily. Diving is not allowed, and running, pushing or boisterous play is also not permitted. There must be at least one resident to accompany and supervise each group of three or fewer children. There is no lifeguard on duty. These rules are in place to make sure that pool users are considerate to others, and that everyone has a safe and enjoyable experience.

The Rules & Regulations Committee meets on the second Tuesday of the month at 9 am in the RCN Conference Room. If you are interested in serving the community by becoming a committee member, you will need to attend three meetings. **SUDOKU:** If you are interested in trying to learn, I can help. I have some good basic techniques that will get you started and get you hooked. We'll start an interest group so that we can all have fun solving those addictive little puzzles. Info., Ray Geiser, (406) 261-3759.

**EXTREME IRONING:** This is the latest craze that combines adrenaline-pumping sports and everyone's favorite pastime: IRONING! We're a small group of residents who meet once a month to feed our addiction to this great activity. Last month, we practiced our sport on a jagged outcropping in the San Jacinto mountains. Next month, we'll travel to Dana Point Harbor and don wet suits and scuba gear and iron with the sharks! Do you have a favorite iron and ironing board? Do you want to bring them along on death-defying journeys? Join us! Info., Henry Rearden, (909) 213-1428.

# NEIGHBORHOOD WATCH

On May 8, our guest speakers were Sergeant Chris Ramos of the Beaumont Police Department, and a police dispatcher. The topics covered were how to report crime and criminal activity. Also, what is necessary to give a description of a suspect/suspicious person that would help police dispatchers and officers locate these individuals?

As usual, our session was well attended and our residents asked numerous pertinent questions. Thank you to the Beaumont Police Department for making themselves available to our residents and for conducting a very interesting presentation.

On June 12 at 10 am, the Neighborhood Watch General Meeting will be training on the AED (Automated External Defibrillator) and CPR. This is not a certification program, but will be conducted by Kim Nelson, RN Nursing Trainer and two other nurses from San Geronio Hospital. This has been an important training program for our residents, so please mark your calendars if you haven't already done so. A sign-up sheet is available in The Lodge. As always, there is no charge for participation in this program.

National Night Out for our residents will be on July 25. Plan to join our community in a show of spirit and energetic determination that will enhance our neighborhood's safety throughout the entire year. Doors open at 5:30 pm for dessert and refreshments, and our program will start at 6 pm.

Our guest speakers will be from the Beaumont Police, City Council, and City Manager. Also, representatives from Banning Police, California Highway Patrol and local fire departments will be in attendance. Mark your calendar for July 25. All residents are welcome.

We are still having issues with speeding on Four Seasons Circle, and failure to stop at stop signs. Beaumont Police have been patrolling our community to help keep us safe. Traffic tickets have been issued for speeding and stop sign violation. Please slow down and stop at stop signs.

Thank you to our Block Captains and all of our Neighborhood Watch members for all that you do to keep our community safe. ~ **Jerry Monahan, (951) 212-8898**

# AMPHITHEATER

Do you enjoy the music of Billy Joel, Elton John, Carole King or Jerry Lee Lewis? Our June band is a great four piece group dedicated to playing the music of the great piano rock bands. The Kings of 88 will entertain us on Sunday, June 23 with music as varied as Stevie Wonder and Barry Manilow to the Beatles and Rolling Stones. The concert will start at 7 pm and run until 8:30 pm.

You can set up your chairs at the Amphitheater after 10 am on Sunday, the day of the show. Feel free to bring snacks or drinks, just remember to have glass bottles in a protective sleeve or bag. Come on down to the Amphitheater and join your friends and neighbors for a great night of wonderful music. The Amphitheater group and the "techies" look forward to seeing you there! ~ **Mark Lassen**

# Paws Up for Pavement Safety

Four Seasons Tails & Trails reminds you: If the air is **HOT**, the pavement is **HOTTER!**

Before walking your pet, press the back of your hand firmly against the asphalt for 7 seconds to verify that it will be safe and comfortable. Here are some things you need to know:

AIR Temperature	PAVEMENT Temperature
77°	125°
86°	135°
87°	143°

When the air temperature is 102°....

Blacktop	167°
Concrete	143°
Brown grass	120°
Green grass	106°

162°	Human skin is destroyed
160°	Minimum safe temp for cooking beef
144°-158°	Temp at which an egg is fried
131°	Skin receives second degree burn
118°	Skin receives first degree burn
111°	Initial pain threshold for skin contact

Please walk your dog early in the morning or later in the evening to prevent painful injury.

If you have to miss a walk, your pup will be fine. There are many stimulating indoor activities and Fido will love the extra attention!

### HOT WEATHER SAFETY TIPS

We all love spending the long, sunny days of summer outdoors with our furry companions, but being overeager in hot weather can spell danger. To prevent your pet from overheating, you should take these simple precautions:

- Pets can get dehydrated quickly, so give them plenty of fresh, clean water when it's hot or humid outdoors. Make sure your pets have a shady place to get out of the sun, be careful not to over-exercise them, and keep them indoors when it's extremely hot.
  - Know the symptoms of overheating in pets, which include: excessive panting or difficulty breathing, increased heart and respiratory rate, drooling, mild weakness, stupor, or even collapse. Symptoms can also include seizures, bloody diarrhea,
- and vomiting along with an elevated body temperature of over 104 degrees.
  - Animals with flat faces, like Pugs and Persian cats, are more susceptible to heat stroke since they cannot pant as effectively. These pets, along with the elderly, the overweight, and those with heart or lung diseases, should be kept cool in air-conditioned rooms as much as possible.
  - Never leave your animals alone in a parked vehicle. Not only can it lead to fatal heat stroke, it is illegal in many states!
  - Feel free to trim longer hair on your dog, but never shave your dog: The layers of dogs' coats protect them from overheating and sunburn. Brushing cats more often than usual can prevent problems caused by excessive heat. And be sure that any

sunscreen or insect repellent product you use on your pets is labeled specifically for use on animals.

- When the temperature is very high, don't let your dog linger on hot asphalt. Being so close to the ground, your pooch's body can heat up quickly, and sensitive paw pads can burn. Keep walks during these times to a minimum. It is much better for your dogs if you walk them first thing in the morning, before temperatures rise. You may also choose to walk pets early in the evening during the hot summer months.

By following these important tips, you will be helping your dogs and cats enjoy their summer. ~ Vivian Walker, [vivr@sbcglobal.net](mailto:vivr@sbcglobal.net)

**WALK FOR THE ANIMALS** In March the Tails & Trails group of the Four Seasons Beaumont community sponsored the first annual "Walk for the Animals" benefitting the Ramona Humane Society. Nearly 150 residents joined the walk. Walkers were treated with something for everyone: raffles, music, a pancake breakfast, some raffle prizes and loads of camaraderie. Ramona Humane Society staff even brought some of its shelter pups who were available for adoption. We are so happy and proud to announce that the "Walk for The Animals" raised just over \$4,000. The event was so much fun that we have already scheduled our second annual event in 2020. Stay tuned for more details. If you are interested in making a donation, please visit the Ramona Humane Society website. Hope to see you all at next year's event!

## BIRDING CLUB

The Birding Club welcomes beginning and experienced birders to start or hone bird identification skills. Our main activity is a monthly bird walk along Four Seasons' nature trails, which follow native riparian woodlands. We keep a list of all species observed at Four Seasons, and take seasonal field trips to nearby birding hot spots.

Our May 4 bird walk produced a total of 26 species and some wonderful observations. The highlight was a Swainson's Hawk, a Four Seasons first record (species #89) and our Bird of the Month! We had two other bird walk firsts, meaning they had been previously observed at FS, but not during a Club bird walk: Wilson's Warbler, a migrant heading north, and a Great Horned Owl, which was being mobbed by a murder of American Crows (a group of crows is called a "murder"). We also counted seven singing Bell's Vireos and eight Yellow Warblers, which are breeding in increasing numbers as our restored riparian habitat matures.

We meet on the first Saturday of the month at 8 am at the Potrero Creek (Trail A) trailhead at The Lodge parking lot. Email [steve.h.edelman@gmail.com](mailto:steve.h.edelman@gmail.com) for current schedule and information. ~ **Steve Edelman**

### Bird of the Month

Swainson's Hawk is a buteo, meaning it is a typical hawk or "buzzard," very similar to Red-tailed and Ferruginous Hawks, and very different from our familiar Cooper's Hawk. Swainson's Hawks, like most buteos, are highly variable. They come in light, intermediate, and dark morphs, and juvenile birds retain their juvenile plumage for two years before molting into the quite different adult plumage. Our bird appears to be a second-year intermediate-morph individual.

Swainson's Hawks spend their summers (i.e. breed) in the open spaces of the American West, from the Pacific Crest eastward across the Great Plains. There is an isolated breeding population in the northern Central Valley and our bird may have been heading in that direction. Swainson's Hawk is a long-distance migrant; in spring, nearly the whole population of Swainson's Hawks migrates from Argentina to North America. It's hard to believe that our bird had flown from Argentina! Interestingly, a specimen collected in 1827, illustrated by William Swainson, was confused with the common buzzard of Europe. In 1832, Charles Lucien Bonaparte, a nephew of Napoleon, corrected the error, and named the new species after Swainson.

In Beaumont, we are just west of the normal migration and breeding range of Swainson's Hawk, so the bird observed by the Birding Club on May 4 is somewhat unusual, but much more likely in a young bird, such as ours, making its first northward migration. ~ **Steve Edelman**

## WRITERS' CLUB

The audience cried, laughed, screeched and clapped during the Wine and Words event last month. The Taste d'Vine and African American Culture Clubs joined with the Writers' Club for the first ever word and wine event. Authors from the Writers' Club and others recited and read book excerpts and favorite poems out loud from a microphoned lectern in The Lodge Ballroom. The event was well attended and appreciated by all.

The Writers' Club meets on the second Tuesday of the month at 1:30 pm in The Lodge. Writing is a process and a progression. Join us and you will find a nurturing group of people who discuss the practical aspects of writing; writer's block, angst, procrastination, methods of publication, and editing software, to name a few topics. ~ **Karla Noonan**, [knoonan1973@gmail.com](mailto:knoonan1973@gmail.com)

## BEREAVEMENT GROUP

Some of the most helpful, healing aspects of the Bereavement Group are that the others in the group do not judge, do not change the subject, do not try to fix each other, do not spout platitudes, and don't intellectualize when another member is talking. Often, outside of the group, some or all of these things take place when the grieving person tries to share their thoughts and feeling with others.

As I wrote last month, most of us do not do well when someone we know or care about starts to cry or to tell us how much they miss the person whose loss they are grieving. We might do any or all of the above, unhelpful actions, not because we don't care, but because we are so uncomfortable, fearful we'll make things worse.

So we change the subject: "I know you're having a hard time, but you don't look it. That color is great on you." Or we try to fix them: "Have you tried adding extra vitamin C to your diet? It's really supposed to help fortify us." Or we spout platitudes: "God must have wanted him to come home." Or intellectualize: "You won't be alone for long. You'll find somebody else." Or even judge: "She's been gone for six months. Don't you think you've cried enough? You need to get out of the house more."

Again, we don't say those things because we don't care, but because we are so uncomfortable. Since we have not been shown or taught how to just listen and empathize, we try to maneuver our way out of our discomfort. And frequently the result is an empty feeling inside, a nagging "that doesn't feel so great."

All too often, the bereaved person will stop talking about how they really are and what they need. They don't want to upset anyone, so

they don't ask for help or for comfort. "The kids have their own lives. They're busy with work and the grandkids. They don't have time to come this weekend." So no one gets comfort. In actuality, getting together and talking and crying and remembering would most likely be the best help for everyone.

If you are grieving a loss and would like to share in a safe and comforting environment, come to a meeting of the Bereavement Group. You will be welcomed and listened to. We meet on Mondays from 1 to 3 pm in the RCN Conference Room. You can just come, or you can contact me first by email at [lauriemlarson425@gmail.com](mailto:lauriemlarson425@gmail.com) or call to (951) 922-0934. All contact is confidential. ~ **Laurie Larson**

## BOOK CLUB

We meet on the second Tuesday of each month at 9:30 am in the RCN Room #3. Newcomers are always welcome, even if you haven't read the book.

The Book Club selection for May is *The Reckoning* by John Grisham. Here is a brief description of the book from Amazon.com: "Pete Banning was Clanton, Mississippi's favorite son — a decorated World War II hero, the patriarch of a prominent family, a farmer, father, neighbor, and a faithful member of the Methodist church. Then one cool October morning he rose early, drove into town, and committed a shocking crime. Pete's only statement about it — to the sheriff, to his lawyers, to the judge, to the jury, and to his family — was: 'I have nothing to say.' He was not afraid of death and was willing to take his motive to the grave. In a major novel unlike anything he has written before, John Grisham takes us on an incredible journey, from the Jim Crow South, to the jungles of the Philippines during World War II; from an insane asylum filled with secrets, to the Clanton courtroom where Pete's defense attorney tries desperately to save him."

Please join us when we discuss this book on Tuesday, June 11, at 9:30 am. Steve Cooley will be leading the discussion. For those of you who like to read ahead, our book for July is scheduled to be *Where the Crawdads Sing*, by Delia Owens. For more information, please contact Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

## COUNTER CULTURE CINEMA

We show films you generally won't find at the Cineplex: documentaries, foreign language films, indie films and any other smaller films that don't get wide distribution.

Our first monthly screening, on Sunday, June 9, at 6 pm, is the film *The Old Man and the Gun* (USA 2018, 1 hr. 33 min., English). Here is a brief description from IMDb.com: "Based on the true story of Forrest Tucker (Robert Redford), from his audacious escape from San Quentin at the age of 70 to an unprecedented string of heists that confounded authorities and enchanted

the public. Wrapped up in the pursuit are detective John Hunt (Casey Affleck), who becomes captivated with Forrest's commitment to his craft, and a woman (Sissy Spacek), who loves him in spite of his chosen profession."

Our second monthly screening, on Sunday, June 23, at 6 pm, is the film *Love After Love* (USA 2017, 1 hr. 53 min., English). Here is a brief description from Amazon.com: "What happens when you lose the foundation of your family? In the wake of a husband and father's death, the family members he leaves behind find themselves adrift — and in danger of drifting apart — as they each try to find meaning in a world without the man who held them together. Mother Suzanne (Andie MacDowell) tentatively seeks companionship — but her attempts at dating only drive a wedge between her

and older son Nicholas (Chris O'Dowd), whose own relationship with his girlfriend is disintegrating. Meanwhile, younger son Chris (James Adomian) deals with grief in his own complicated — and increasingly worrying — way. What plays out is a beautifully observed, powerfully emotional journey that speaks to the strength of family ties."

All of our screenings are followed by lively discussion about the film; we'd love to have you join us. The Lodge Theatre has very limited seating, so if you're interested in our screenings, come early. We hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club, or want to recommend a film, please email Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

## PHOTOGRAPHY CLUB

In April, we held our next meeting of the newly revised “Photography Club.” There was a good turnout and it is obvious the interest in our club has grown. Club members had the opportunity to introduce themselves to the other members. We have a diverse group ranging from beginners to professionals. This month our great photo of the month was shot by Nanette Scott using an iPhone.

We continue to discuss what members would like to see in the new club. Members were asked to make their requests for topics known to the club for inclusion into our club planning and future agenda. Several volunteers have stepped forward.

In April, ReNae Stueve, made an excellent video presentation on “Photographing Flowers” and a discussion of various camera settings for getting great flower shots. She also displayed various hardware samples like clamps, shades, and reflectors for flower set ups. This was a hands-on demonstration. The club members all enjoyed her presentation.

Based on ReNae’s presentation, the Photograph Challenge for the May meeting was flowers.

Members are sending in photos via a new email location set up by Peter Shuttleworth for the photos they wish to share with the group. [fsphoto@shuttleworthvideo.com](mailto:fsphoto@shuttleworthvideo.com)

Thanks to Larry Colby for his May presentation on the topic of the color “Yellow,” what it is, and why it’s important. Members use skills learned in a photo challenge for the June meeting. Larry will set our June Photography Challenge.

New members are always welcome to sit in or join our club. Our goal is to learn, share, and have fun with photography. The meeting is June 18 at 6:30 pm, in the RCN. ## FOUR SEASONS SINGERS

We worked so hard to get ready for “The Night they Raided Smitsky’s,” that we will be taking a well-earned rest. We had a very good time preparing for this show, and we are delighted to hear you express your appreciation to us.

We will be back in August to start rehearsing for the Holiday Show

the first weekend in December.

If you would like to join the Singers, and would like to be included in my email list, or if you have questions about the Four Seasons Singers, call (951) 797-3466 or email me at bawasco@dc.rr.com. We always welcome new recruits who want to sing! ~ **Barbara Wasco**

## RAINBOW GROUP

The rainbow is a powerful symbol that represents beauty, balance, peace, and hope. As such, we believe it is a perfect representation for our group. We are residents of Four Seasons Beaumont who also happen to be gay, lesbian, bisexual, or transgender. The rainbow is so perfect because it really fits our group’s diversity in terms of race, gender, ages, and beliefs. While we strive to serve the interests of our members, we do welcome all supportive homeowners and encourage everyone to attend any of our functions. We believe you’ll enjoy our company.

Everyone leads busy lives (even at our age!) and we often find it difficult to stay connected with our neighbors. Therefore, the Rainbow Group has monthly get-togethers on the fourth Thursday of each month in the Game Room at The Lodge, at 6 pm. Our next gathering will be on Thursday, June 27. Our monthly get-togethers are mostly informal social gatherings which give members an

opportunity to meet new neighbors, catch up on member and community activities or news, and just chat — no stuffy agenda items, roll calls, and minutes for us. If you’re hungry, come eat with us. We chose The Lodge’s Game Room as our gathering place because of its proximity to The Bistro, where you can order food. But feel free to bring your own food items and adult beverages. The Rainbow Group also hosts periodic gatherings for socializing (such as BBQs and holiday potlucks), LGBT-themed movie nights in The Lodge Movie Theater, and other events the group may sponsor. Maybe you’d even like to suggest your own activity for the group — we are always open to new ideas. Please direct any questions to Dale at (951) 797-0364, dalebeckes@gmail.com or on Facebook, search for Four Seasons Beaumont Pride. ~ **Dale Beckes**

## CLASSICAL MUSIC CLUB

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Movie Theater. We listen to and watch musical selections on the big screen. Each month we focus on a particular work or several selections of one composer. We also discuss current musical performances in the area. We welcome new members. Contact Steve Benoff at steve.benoff@verizon.net or (310) 413-4896. ~ **Steve Benoff**

## PERFORMING ARTS CLUB

Were you there? Did you get to experience "The Night They Raided Smitsky's" show? There were so many acts worthy of special mention, but to highlight some... the 10 women singing and dancing to "Cell Block Tango" from the Broadway musical, *Chicago*; The Real Men of Four Seasons who never disappoint; The Four Seasons Singers Choir opening the show with *Anything Goes*; Marianne Bugni doing a routine about her new husband's detachable parts; and, of course, the male pole dancer, and our wonderful line dancers. Unfortunately I don't have enough room to list each act by name, although they all deserve mention. It was another free blockbuster show produced by John Horning and Paula Drake.

Radio Show Auditions will be Thursday, June 6 at 5 pm in The Lodge Movie Theater. In order to have a successful Radio Show, we need to have the right actors in the right parts. To reach that goal, we will be holding auditions. Why audition? It's the easiest way to be part of The Performing Arts Club. In addition, unlike a play, you don't need to memorize your part, you read/act from your script. There are bigger and smaller parts, each being integral to the story and all

are important. The people involved are all nice and it is fun to do. So come on out to the auditions, whether you've tried out before or if this is your first time. I hope to see you there.

The Radio Show, produced by Tom Shelley, will be performed on Saturday, July 27 at 6 pm. Back in the 1930s through the early 1950s, it was common for families to gather around the radio to listen to their favorite weekly serial shows. The producers of the radio shows hired experienced actors to read and act their lines directly from their scripts while standing in front of microphones in front of a limited, small, live audience. They also used sound effects to enhance the stories. The Performing Arts Club is putting on these shows to give our audience a glimpse into what it would have been like to go back approximately 70 years, and to be sitting in the live audience. Besides, the stories are fun, too!

If you have interest in The Performing Arts Club or have any questions, please contact me. ~ **Teri Meyers-Kelman**, (951) 992-9156 or (602) 309-0919; [terimk@verizon.net](mailto:terimk@verizon.net)

## HEART & SOUL LINE DANCE

Did you know there are over 20,000 line dances? We can only ever expect to learn a few. All have varying degrees of difficulty and speed. In line dancing some of the steps come in groups, each with its own name. Once you have a grasp of the basic moves, learning new dances becomes easier. Some steps are written for one piece of music while others can be danced to many different tracks. Some tracks can be used for different dances. Some dances we teach are popular at clubs and social events, so you'll be able to join in.

Line dancing can be good for you, physically, mentally and spiritually. It can help keep joints supple and build up strength in your leg muscles; it's good for the heart and lungs; memorizing the step patterns exercises your brain; and it is just GOOD FUN! You will find line dancers very friendly and happy to guide a novice. If you've never line danced before, give yourself a break – don't expect

to learn everything in one class. Keep at it and you'll get it. And, line dancing is supported by several medical charities including the Heart Foundation and National Osteoporosis Society.

What to wear? Lots of layers. When you dance (exercise) you get warm, when you sit down you get cold. Be prepared. Comfortable shoes, tennis shoes (sneakers), some dancers wear dance shoes, but never flip-flops.

What to bring? Water. You can become dehydrated during physical exercise, so it is a good idea to drink plenty before, during, and after dancing (exercising).

Heart and Soul Line Dance meets each Wednesday in the Ballroom with beginners at 4 pm. Should you have any questions, feel free to call/text me (909) 239-6464, or email ([hotgrani@aol.com](mailto:hotgrani@aol.com)). See you on the dance floor. ~ **Priscilla Robles** (951) 922-0755

# COUNTRY LINE DANCING

We all know we are getting older, but we all want to put off aging as long as we possibly can. Medical professionals tell us two activities help us to do that.

The first is keeping your brain active and challenged. You can do that by trying new things or working on puzzles. The second is staying physically active. Line dancing lets you do both at once. Dancing is a form of exercise, but also stimulates your brain. Steps in each dance are different and often in a different order. It takes real concentration to do the right steps to each dance. We actually memorize the steps until we really know them so well we can do them in our sleep. Once the music starts, muscle memory takes over and your feet almost automatically do the correct steps for that dance in the correct sequence. But it takes a while to get to that point. You need to come to classes to learn the dances, then practice them over

and over so you really know them.

By coming to dance class you meet some wonderful, friendly, and very happy people. Music is good for the soul. It helps you deal with the everyday problems we each face. It is hard to be terribly unhappy when upbeat music starts. So, come give it a try. It may not be for you, but maybe it is, and you simply have not explored the possibility yet.

Each class is making progress weekly and learning new dances while dancing to old favorites. We had a great time dancing to our favorites at our April dance party. Our next dance party is July 12, so mark your calendar now. Everyone is welcome to attend. Watch for more information in the July Breeze.

Hope to meet you on the dance floor! Martha Franck, (714) 345-8588. ~ **Martha Franck**

## STEP IT UP LINE DANCING

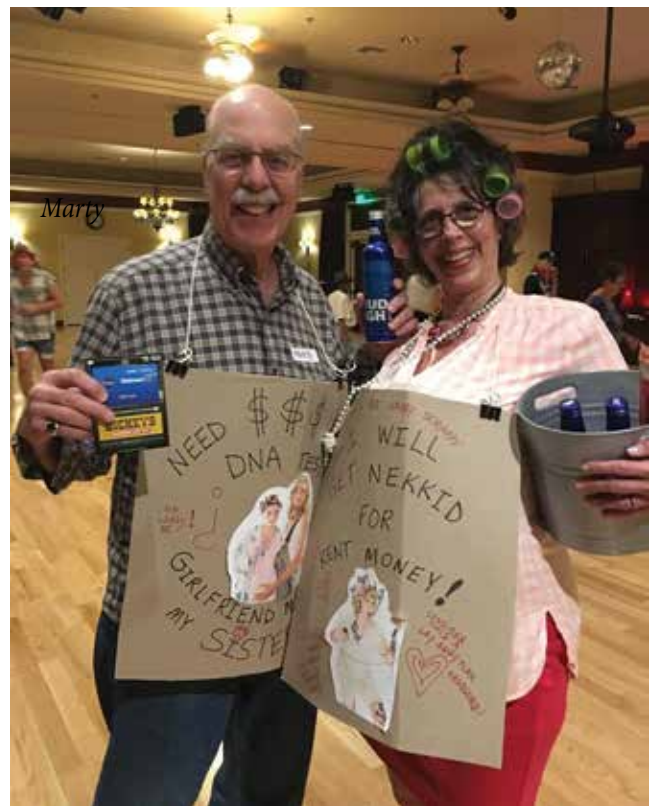

With Janine Rohrbacker

Wow — what a great time we had at the Barn Burner event! Jed, Elly May, Jethro, and particularly Granny would have been proud of all of the redneck hillbillies. Thanks so much to all of you who attended the event and to those that participated in the costume contest and Yee-Haw talent part of the night. Congratulations to the winners of the costume contest, Shelly and Marty, as they truly exemplified what it means to be a redneck! For their efforts they were awarded a six-pack of Bud Light, a bag

of tater tots, a Slim Jim (not spicy type) a Dickey's BBQ gift card, and the distinguished Walmart gift card! The redneck horse race was very close but had David Burchartz not been bucked off twice by that nasty little filly, I think it would have been a photo finish. The dance floor was full most of the night as all of the attendees were ready to try out all of the new dances they had recently learned. As a reminder, classes are held on Mondays in the Ballroom with LD101, from 12:30 to 1:30 pm, and beginners from 1:30 to 2:30 pm. Warning! You should not come if you don't want to have fun! Don't forget the next Step It Up Barn Dance Party on June 21. It will be a summer beach themed potluck party so get on your Hawaiian shirt, shorts and cowboy boots! It's a good look. The party will start at 4:30 pm. ~

## LET'S DANCE (BALLROOM DANCE)

Our dance group had fun dancing the Rumba and Bolero in May. We are looking forward to learning the Waltz and Viennese Waltz in June. The Waltz is a graceful dance characterized by its rise and fall. It has flowing, slower movements that couples always enjoy – almost as if floating around the ballroom floor. The Viennese Waltz is a lovely, faster-paced twirling dance. Both versions have become favorites of our Four Seasons Let's Dance members.

We have really been enjoying our monthly "Dance Party Practices" in a night club atmosphere. These are open to current and past members of the Let's Dance group and are offered at no charge. We have welcomed back some of our past members for a fun evening of

dance. We also offer weekly practice sessions to sharpen your dance skills.

Reminder... our Summer Fun Dinner and Dance will be held Saturday, Aug. 3, in the Ballroom. Watch for a poster with more details in The Lodge Lobby near the end of June.

We welcome you to join us in the Ballroom on Monday nights from 6 to 7 pm for Beginners and Newcomers, and 7 to 8 pm for Intermediate and Advanced. The cost is \$10 per person, with our professional instructors. You will be glad you did!

## LIFE GUIDE BIBLE STUDY

We will be taking our summer break from June through Labor Day. We encourage regular participants to plan casual get-togethers during the break. We will email any prayer requests we receive as we continue to support each other in prayer. We will resume on Tuesday, Sept. 10. We meet in the third section of The Lodge Ballroom weekly at 7 pm. ## "BELIEVE..." WOMEN'S BIBLE STUDY

We have been studying Paul's letters to the people in Corinth of Achaia (present day Greece), who had been worshiping idols and basically forgot all of Paul's teachings during his second and third missionary journeys to Corinth. He wrote First and Second Corinthians during a three-year stay in Ephesus during his third missionary journey. Paul writes that he is frustrated by the many factions that had developed in Corinth: some followed Paul, some followed Apollos, some followed Peter, and some followed Christ. He reminds them over and over in the epistles that they are to be followers of and emulate Jesus Christ only. In these epistles we have been talking about Paul's heart and how much he loved and cared for the Corinthian church. The confusion and deterioration in the churches Paul had planted most likely caused him frustration and sadness, resulting in a strong desire to return to them. Instead, he wrote letters to these followers of Christ, sometimes encouraging them, sometimes correcting them, sometimes chastening them, but always expressing his love for them.

We will complete our study of Second Corinthians on June 7, which also happens to be our summer party in the Ballroom. We will have a lesson first, then dismiss to the first section of the Ballroom for our potluck luncheon and party. On June 14, we will begin our study of the wonderful Book of Romans.

Ladies, if you are interested in studying the Word of God in the company of amazing and beautiful women, you are more than welcome to join us every Friday from 10:30 to 11:45 am in the Game Room at The Lodge. This is a non-denominational study and all versions of the Bible are welcomed. Hope to see you soon! ~ **Eileen Gilbert-Antoine; egcellent@msn.com**

## WOMEN'S EVENING BIBLE STUDY

All women are welcome to our non-denominational Bible study. Ask a neighbor or friend to join in and share in the blessings. We will gather together on Thursdays, June 6 and 20 from 6:30 to 7:45 pm in The Lodge Game Room. There is a sign-up sheet in The Lodge. I will contact you and answer questions you may have. We have been on a prayer journey for several months. The lessons have included: The purpose of prayer, the attitude of prayer, and praise and worship in prayer. We learned that the pathway of prayer leads to a more intimate relationship with God. King David and the prophet Elijah were mighty men of prayer, who believed that God listened to them, and would answer their cry for help. We pray for one another, and have received many answers to our prayers.

"The right way to pray is to stretch out our hands and ask the One who we know has the heart of a father." Dietrich Bonhoeffer, executed in a concentration camp April 1945.

## INTERCESSORY PRAYER GROUP

## AFRICAN AMERICAN CULTURAL CLUB

**Why We Celebrate Juneteenth:** The history books have glorified Abraham Lincoln for freeing the slaves. But really only the slaves who lived near Union lines - where they were able to flee their plantations and take advantage of opportunities in the north, were free. Basically, the slaves freed themselves as their new-found freedom was rejected by southern and racially separatist white people.

On June 19, 1865, Union soldiers led by Major General Granger, rode into Galveston, Texas with news that the Civil War was over and Texas' 250,000 slaves were now officially free.

This was two-and-a-half years after Abraham Lincoln's Emancipation Proclamation. Major General Granger issued an order to the people of Texas proclaiming that "All slaves are free. This involves an absolute equality of personal rights and rights of property between former masters and slaves, and the connection heretofore existing between them becomes that between employer and hired labor."

"Juneteenth is the oldest nationally celebrated commemoration of the ending of slavery in the United States.

From its Galveston, Texas origin in 1865, the observance of Juneteenth as the African-American Emancipation Day has spread across and beyond the United States.

Juneteenth commemorates African-American freedom and

emphasizes education and achievement. It is a day, a week, and, in some areas, a month marked with celebrations, guest speakers, picnics, and family gatherings. It is also a time for assessment, self-improvement, and future planning for African-American progress. Its growing popularity signifies a level of maturity and dignity in America long overdue. In cities across the country, people of all races, nationalities, and religions are joining hands to truthfully acknowledge a sad and emotional period in US history that shaped and continues to influence our society today." -Juneteenth.com

The AACC will be holding its Juneteenth Celebration on Wednesday, June 19, at The Courts from 5 to 8 pm. This event is open to the entire Four Seasons community. The cost is only \$5 plus a side dish. Please call either club member listed below to RSVP no later than June 5.

# TOPS

Summer is almost here, and we begin to think about looking good at the pool or beach. But that's not why people join TOPS (Take Off Pounds Sensibly). We've given up the dream of looking like Barbie or Ken on the beach. We know that while appearance is important, good health means more. It means running and playing with our grandchildren. It means having the energy to play pickleball or bocce. It means camping in your RV or line dancing without breathing too hard.

For all those reasons we go to TOPS to learn about healthier ways of living. This month we had a speaker

on joint pain, and even had a Salad Party where we made nutritious salads to be eaten during the week. Many of the salads had 15 or more ingredients.

Our big losers for the month were Laura Emerson and Mike Corbett. Congratulations for following a healthy lifestyle and making it pay off.

To find out more, join us at TOPS. We have ideas and support for better, healthier eating habits. We meet every Tuesday morning at 8 am in the Ballroom. ~ **Andi Henderson, (918) 497-6491**

# TRAVEL GROUP

Mark your calendars for the upcoming Travel Expo scheduled for Aug. 13 from 1:30 to 5:30 pm at The Lodge. Several vendors are expected to attend, and there should be some last-minute travel deals for 2019.

a fun-filled afternoon. It is important to RSVP so we will be sure to have enough kits for everyone! If you have any questions, please feel free to contact me. ~ **Maryalice Chorba, chorbaparadise@yahoo.com**

## CERAMICS CORNER

By popular request we recently had a marbling technique demo provided by our classmate, Barbara Dipoma. This technique uses watered-down concepts paint and, of course, sheer talent to create a marbled effect. Special thanks to Barbara for such an interesting demo.

Our June class will allow us to demo a watercolor technique that provides a soft colorful background using concepts paints that enhance a picture of a playful hummingbird.

Ceramics class has something for the novice crafter looking for a new hobby, or someone who has experience and wants to create their own unique design, creating pieces for friends and family. In addition to individual projects, we also offer class projects throughout the year to teach new techniques.

Come and join in the fun. Drop by the Arts & Crafts Room to see our monthly ceramics class schedule and learn more about our upcoming class projects.

We meet Wednesdays from 12 to 4 pm. Please see class schedule for any exceptions.

Certified instructor and/or an experienced class team lead is

available to support your crafting needs. Participation is at your own pace and frequency.

Work by Artist of the Month, Fred E. Hearth

## MIXED MEDIA ARTS CLASS

This is the perspective of Fred E. Hearth, the artist of the month:

After retiring nearly 24 years ago from the position of Director of the Armacost Library at the University of Redlands, I have spent the ensuing years in a number of varying residences, both in California and Oregon. I have been living at Four Seasons in Beaumont since the beginning of 2018.

As a result of downsizing to a smaller house, I needed to find a replacement for my former hobby of woodworking, piano restoration, and the accompanying set of power equipment and tools that were required for that work.

I had always enjoyed design work and its creative process. I have several family members who had pursued artistic endeavors in the fine arts. It was quite fortuitous, then, while conversing with a fellow resident at the Bistro, that I learned of and was invited to join Rob Kelman's Mixed Media Art Class. Like other members in the class and with careful guidance from Rob's experience in art instruction, I was able to achieve a modest success in completing a set of three required

drawings. In the following weeks, with interest in watercolors and a generous supply of paints and brushes that had been left to me by a family member, Rob provided valuable instruction on perspective, interpretation, technique, and the use of appropriate supplies in completing a variety of watercolor compositions from photographic images. It is my hope that in the future I may introduce some originality into my work and continue to benefit from Rob's guidance.

I might add that all the time spent in class is not devoted entirely to one's chosen media but extends to sharing the achievements of one another. A valuable component of Rob's classes is the commentary (critique) he provides on all "works in progress" at the end of each session. There are also other light-hearted moments and shared experiences among this friendly group. Clearly, this has been, and continues to be, a rewarding experience for me.

Classes are Mondays, 10 am to 12 noon, and/or Wednesdays, 6 to 8 pm. If you have any questions, call Rob Kelman at (951) 992-9156.

~ Rob Kelman

## SHUFFLEBOARD

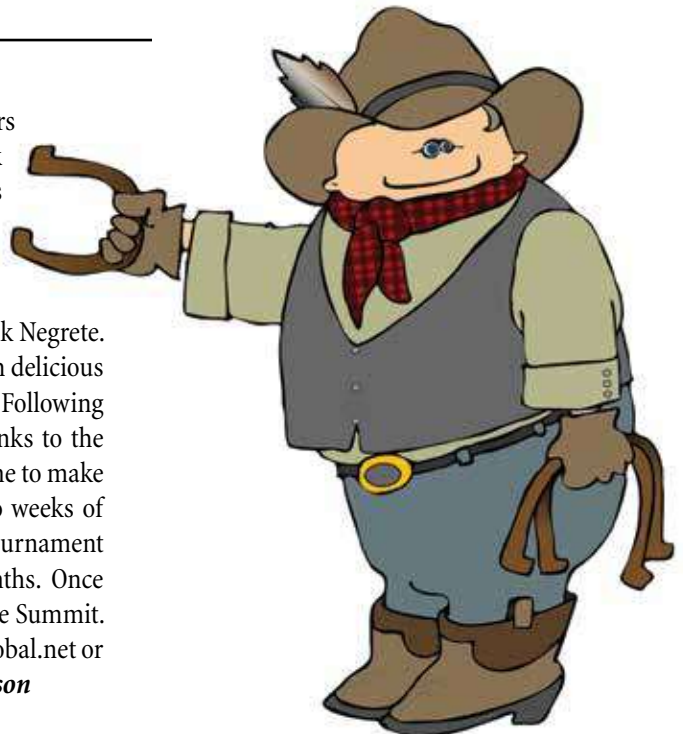

How would you like to join a great group of people on Saturday and/or Monday mornings at 9 am for an easy, fun, and competitive game; yet in a friendly, relaxed atmosphere? We play on the shuffleboard courts at The Lodge in a beautiful setting. This game has been around since the 15th century and started in England as a table game. In 1848 a court case in Pennsylvania determined that the game of shuffleboard was a game of skill, and not chance. This is a game for young and old, strong and physically challenged, and can be great fun. After having your breakfast and coffee on Saturday and/

or Monday mornings, come join us outdoors for some fresh air and fun. Improve your skill level, meet some new people, and socialize with friends. Each time we play, we choose different teams so you are always playing with different players. See you at the shuffleboard courts on Saturday and/or Monday mornings at 9 am sharp! A special thanks to Patty Harper for being our official photographer. Please call Marty Rotman at (310) 948-1693 if you have any questions. ~

## HORSESHOE CLUB

“April Showers Bring May Flowers,” or so they say, and the flowers were certainly in bloom during May. It’s really been nice to get back to some consistent play again. We even picked up some new members this month. If this keeps up, we will have to start having two start times. However, don’t let that stop you from joining us; new members are always welcome. Our April social with dinner at The Bistro, followed by dessert at a member’s home, was hosted by Patty and Hank Negrete. A very memorable evening in their beautiful home was had by all, with delicious desserts that Patty said she made (it all the way to the store and back). Following dessert, we had a rousing game of LCR to cap off the evening. Thanks to the Negretes — well done! We’re well into the second quarter now, and time to make plans for our quarterly tournaments, which will be held the last two weeks of June; Doubles on June 19 and Singles on June 26. To qualify for tournament play, players must have played at least three times in the last three months. Once again, come out and join us. We meet every Wednesday at 9 am at The Summit. Our contacts are: Ron Erickson at (951) 846-3288, rejlerickson@sbcglobal.net or Gary Christie at (951) 845-0520, goldtoy@earthlink.net. ~ **Ron Erickson**

## CARS & COFFEE

A beautiful, sunny Saturday morning was a great welcome for our May Cars & Coffee gathering. We had a great turnout with some first timers showing up with their great looking cars and trucks as well as admiring spectators. Organizers Rick Morales and Frank Morales were extremely happy with the great turnout. A special thanks to all who attended.

This month we are featuring Greg Messick and his classic 1965 Ford Mustang GT 350. Greg and his wife Cindy have lived in Four Seasons for three years. Greg has owned his Mustang for three years. It has a high performance 289, with A/C, automatic trans, and pony interior.

Peter Bonofiglio's gorgeous 2019 Long Beach red Corvette Grand Sport was also featured. Peter, a retired airline pilot, has lived in Four Seasons for eight years and has owned his Corvette for two months.

Stan Sweeney's green and black 1931 Chevy coupe is completely stock with stock 195 cubic inch motor and three-speed transmission. Stan restored the Chevy himself and has owned it for 18 years. Stan and his wife Donna have lived in Four Seasons for four years. These three cars along with last month's featured cars are only a few of many that are cruising the streets of Four Seasons and Beaumont. Our next Cars & Coffee gathering will be Saturday, June 1, at 9 am at The Lodge parking lot. Please come and join us. Spectators are more than welcome.

## 4X4 SEASONS

Nine off-roaders from 4 x 4 Seasons Group departed The Lodge on April 18; south past the town of Anza, and left pavement on the Coyote Canyon Trail. The trip was led by veteran off-roader, Brian Fusilier, and found a few minor challenges, but nothing this group couldn't handle. Highlights of the ride included White Child Monument and lunch at Bailey's Cabin in Anza Borrego State Park.

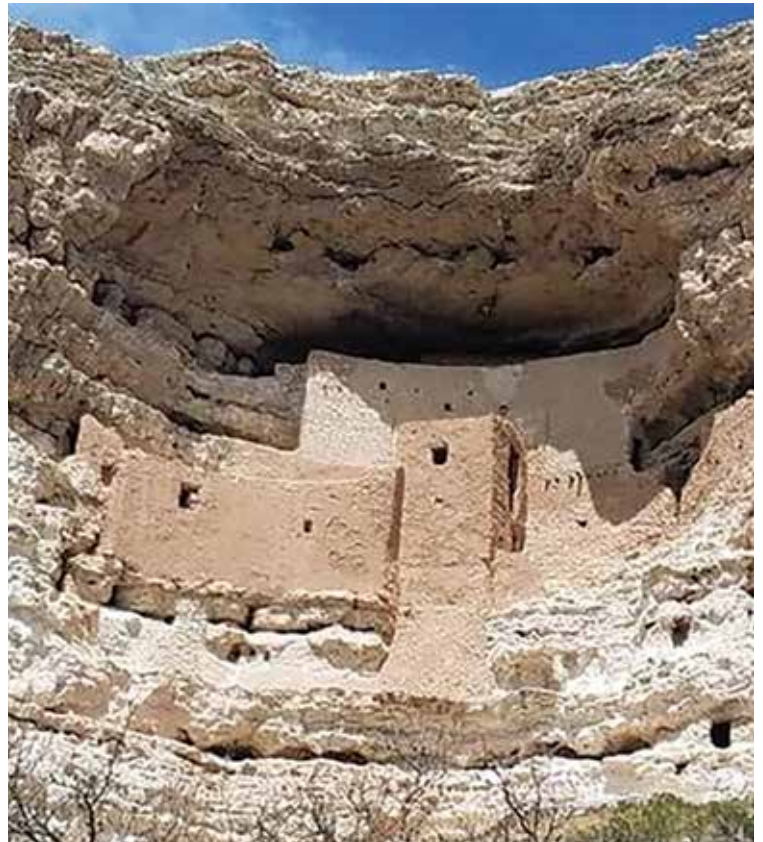

Come and join us if you own a 4x4 or would like to ride along with one of our members. We meet in the Arts & Crafts Room on the new date of the first Tuesday, at the new time of 6 pm, to plan the upcoming run two days later on Thursday. We traveled to Camp Verde, Arizona, and had a great time visiting Montezuma's Castle National Monument, the casino, off-roading in the Coconino Forest, and saw some wildlife on the road. Dinners were provided by the Roldans and Browsers.

We are planning trips to Morro Bay, Paso Robles this month, Bishop in June, Jackson in August, and Mesa Verde, Colorado in September, Borrego Springs, and a river trip as well.

We meet the fourth or last Tuesday of the month at 6 pm in The Lodge, or you can contact Bob Cooper at (909) 684-6388 or Larry Z at (909) 553-2798 for more information. ~ **Larry Z**

# MOTORCYCLE CLUB

Last month several members of the Four Seasons Motorcycle Club (MC) went on the long awaited five-day run to Arizona. This was our first multi-day ride for 2019. Making the ride were Howard Lyon (BMW R 1200RT), Bob Howard (Triumph Tiger 800), Steve Bennett (Harley Davidson Road Glide), Paul Bricker (Harley Davidson Street Glide), Charles Price (Harley Davidson Trike), Scott Snyder (Victory Vision), Dan Lanphere (Triumph Bonneville), Bernie Albanese (Kawasaki Versys 650) and Jim Ayala (Yamaha FJ 09).

Day one took us to Yuma. Not much happening in Yuma; it just seemed like a good place to stop for the first day. Day two took us to Tucson where we stayed for three days as our jump off point for three days of riding and sightseeing. Highlights of the trip included a visit to the Pima Air & Space Museum. Incredible! Our visit and tour of the museum lasted about three hours, but it would have been easy to spend the entire day at this incredible museum.

Day two took us to Sahuarita for a tour of the Titan Missile Museum. This is the only remaining Titan II site open to the public. This guided tour took us underground into the control center, and into the missile silo that houses an actual Titan II missile (unarmed of course).

*The Black Harley Crew - Paul Bricker, John Bricker and Charles Price*

Day three took us to Tombstone to take in the sights, and then we hit the road to visit a massive open pit copper mining operation.

A special thank you goes to Howard Lyon for planning the entire itinerary for what turned out to be a wonderful five-day motorcycle ride. And speaking of Howard Lyon, he came to the rescue on day one when Scott Snyder's battery died while taking a break in Mecca. It just so happened that Howard was packing his handy dandy portable battery jump starter. After Scott's bike fired up, we headed for El Centro for a new battery, and then it was on to Yuma. Did I mention that not much is happening in Yuma?

Our next multi-day ride will be a week-long ride in September up the coast to San Francisco, then up and over the Sierras and

back home via the 395. There are 10 riders signed up for this one. In the meantime, we head out every Thursday for our weekly ride of about 150 to 200 miles.

If you ride, the MC always welcomes new members; feel free to call Terry Humble, Pres. at (909) 706-2298, or Scott Snyder, VP at (562) 714-7252, or Jim Ayala, Sec. at (951) 392-6259. We'll be glad to answer any questions you may have.

And speaking of new members, welcome Joe Bert! Joe recently joined the MC and we look forward to seeing him on our Thursday rides on his BMW GS 850 (that's a sweet ride). Joe is wasting no time becoming an active member; he has already signed up for our September multi-day ride. Welcome aboard, Joe! ~ **Jim Ayala, jimrayala95@gmail.com**

On these days, the ladies enjoyed putting for 18 holes, instead of their customary nine holes. To add to the fun, there was a designated "Secret Hole" unbeknownst to the players. Anyone hitting a Hole in One on this specific hole received a prize. Special recognition was given to the best putters in several categories.

### Winners on Monday, April 22:

Lowest Score - Linda Long (33)

Secret Hole - Kathy Moore and Elizabeth Waissman

Closest to the Pin - Elizabeth Waissman

### Winners on Friday, April 26:

Closest to the Pin - Linda Long

One of the LPG members, Linda Long, got four Holes-in-One on Monday night. Very impressive putting, Linda!

The LPG will be holding their mid-year awards night on June 27 at The Summit. We look forward to seeing what has been accomplished by individual players so far in 2019.

Newcomers are always welcome in the Ladies Putters Group. We even provide putters and golf balls, if needed. The LPG meets on Mondays at 6 pm and Fridays at 9 am at The Courts putting green.

## PICKLEBALL

The pickleball courts have been very busy as the weather is warming. Almost all the courts are being played on throughout the day and evenings. Please check the pickleball schedule in the *Breeze* and outside of the pickleball courts for our group play times.

The Cinco de Mayo Pickleball Round Robin Tournament was well represented by our Pickleball Club. In fact, Four Seasons was the largest group participating in the event. We, as well, had many non-players there to give support. The tournament took place at Crafton Hills College and was not sanctioned. It was a fun and low key event. The players ranged from beginner 2.5 to advanced 5.0 categories. We held our own; and we are proud of the new players, as well as our

seasoned players, for going out and giving it their all. Our own David Burchartz won 2nd place in the Round Robin Men's Division 3.0. Way to go!

Pickleball is the fastest growing sport for a reason. It's fun, easy to learn, and some may say, addicting. There is no need to have prior racket or paddle sport experience. We have instructors, Lynn Rae and Jerome, who would love to help you get started in our beginner class, "Intro to Pickleball," held on the second Saturday of the month at 10 am. The class is not only structured for beginners but also for those just wanting to up their game. Come check us out, and get ready to have lots of fun on our beautiful pickleball courts. ~ **Yundell Montalbo, (951)318-3790**

# TENNIS CLUB

The big news for June is that the Four Seasons Tennis Club is wrapping up its very first season with a United States Tennis Association (USTA) team. Beginning in May, the Tennis Club began a tri-level team to compete in regional USTA leagues and tournament. The first league was comprised of six matches, three hosted by the Coachella Valley, Sun City, Palm Desert Resort, and three hosted by the Four Seasons Tennis Club. Each match included men's doubles teams with players rated as 3.0, 3.5, and 4.0. Members of our team include: Chuck Beckman (Captain), Stan Lam, Tony Chua, Hilario Luna, Scott Benedict, Larry Martin, Brian Flowers, Tim Jones, Howard Levine, Robin Low, and Steve Hovey. As a new team, we didn't have much success in our initial match out in the desert, losing all three matches. But we didn't embarrass Four Seasons Beaumont. We told them we were from Four Seasons Hemet. When we improve, we will start using our real names, instead of Noah Good, Chuck Itall, Ira Grett, and Tom Foolery.

Our June 29 Play Day is probably going to be our annual Red-Blue team challenge event, so that we won't have to do it on July Fourth, when other Independence Day activities will be going on. This is a Tennis Club event, so watch for the emails and sign up to participate.

Also in June, we hope to add some intermediate tennis lessons and skill practices, in addition to the highly successful beginners' sessions. The beginners' sessions will be moving to an 8:30 start time, with the more advanced sessions following.

Reminder that the cleaning of the courts is now scheduled for Mondays and Thursdays, beginning around 1:30 pm. So, schedule your play on those days early enough to get your games in before the courts close for washing. The twice-a-week cleaning will make our courts clean and safe and keep them in good shape. It will also help if that bird that uses Court Two for potty target practice would take some Imodium.

The Tennis Club's Executive Committee holds its monthly meetings in the Conference Room of the Rec Center North (RCN) at 6 pm on the last Monday of each month. Members and guests are welcome, however, they will need to use the secret knock on the door: it's Morse Code for, "That ball was clearly out." ~ **Steven Hovey**, [sahovey47@hotmail.com](mailto:sahovey47@hotmail.com)

# PADDLE TENNIS

The Four Seasons Paddle Tennis Group recently held a spirited tournament ending in a tie between the red and blue teams amidst great merriment, followed by a potluck at the main pool. The score went back and forth between the two teams as encouragement and jokes, along with the balls, soared over the nets. Potluck foods included everything from Mexican tamales to Thai curry.

As a newcomer, I have been heartily welcomed by this small but energetic group. We play hard but not too seriously, always with good-natured comments from the peanut gallery. We rotate frequently so you will never be sitting more than five minutes.

Paddle tennis is ideal for those who love regular tennis but view a regular size tennis court as a tarmac. The court is smaller and the net lower. It is played with a special depressurized tennis ball. Scoring is the same as regular tennis. Paddle tennis is easy to learn (even for those who don't have a background in racquet sports), fast-paced and lots of fun.

Summer hours are from 6 to 8 pm,

Monday, Wednesday, Friday, Saturday, and Sunday nights. Two hours provide a very good workout. Paddle tennis is a great way to get out of the house on beautiful summer evenings for fun, camaraderie, or to lose

a pound or two. You will receive a warm welcome. Spare paddles are available for you to try it out. All are welcome. We look forward to meeting you on the paddle tennis courts at The Lodge. ~ *David Tucker*

# PING PONG

Ping pong at Four Seasons is about three things... fun, friendship, and fitness. How do those three happen? Well, believe it or not, they just happen naturally as you hit a little ball with a mass of 2.7 grams (0.095 oz) and a diameter of 40 millimeters (1.57 in) back and forth over a net stretched across a table.

However, if you need 12 more reasons to play ping pong, here they are...

*Neil, Mike, Mitchell, and Bob*

*Alex, Sally, Pete, and Sandy*

*Jeannine, Perry, Lian, and Hailu*

There you have it, 15 big reasons to play ping pong. Whether you are a long time player or a beginner, we would love to have you join us at the The Courts, Monday through Saturday anytime from 10 am to 4 pm. Please contact Niles Sundstrom at (951) 572-5119

or Bob Rubenstein at (760) 213-2272, if you have any questions, or need more information about your Four Seasons Ping Pong Group.

# FISHING CLUB

Hi all my fishing friends. I was really out of it for the month of April. I had back surgery, and it went side ways on me. I am worse now after the operation. Well, at least I can still walk.

Hard to believe that it is summer. June is the perfect time for fishing. It is just a matter of what kind of fish you want to catch and where you want to go to catch them.

I want to talk a little about where to go fishing and about trying out new fishing spots that you have never been to. I plan to go to at least three new fishing spots that I have never been to. I found out that Wister in the Imperial Valley has a new fishing lake that is open to the public. They have planted bass and catfish; and, from what I have been told, it is a really good place to go and catch some nice size fish. Just Google Wister and you will get a number to call to find out all about this new lake. It was just opened in January of this year.

I was told by a fishing friend of mine that a place called Reflection Lake in the city of Hemet is stocking some really nice size catfish. On Friday and Saturday you can fish at night, and we all know that the best time to catch catfish is when it gets dark.

The third place I am going to try is off-

shore at Oceanside. I have a fishing friend by the name of Lew who has a nice boat. We are going out to try catching some yellowtail and tuna. Summertime is the best time to go fishing in the ocean here in California. I will also take some party boats out and see if I can get into the epic bite that they sometimes get into.

Going to new places and meeting people who fish there is always exciting for me. I am the kind of guy who will go right up to

people and ask them how to catch the fish in a new place. I have never been disappointed because fishermen around the world talk the same language. I have never met a man or woman who fish that I did not like.

Remember to stay safe while you are fishing, and tight lines to all my fishing buddies. I promise that your life will change for the better when you catch that 'fish of a lifetime.' ~ **Richard Carrasco**, [ricarrasco52@gmail.com](mailto:ricarrasco52@gmail.com) and **Diana Ali**

## PINOCHLE FOR FUN

Join us! Whether you are a seasoned player or new to the game, we welcome you. Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This stimulating game is a time-honored favorite. Winning is not just the luck of the draw; it is a thinking game which teases the mind and keeps it sharp. We meet in the RCN Building, Activity Room #1, on Mondays and Wednesdays from 9:30 am to noon. Our Chair is Karen Farmer. ~ **Karen Farmer**

---

## MAH JONGG

Everybody is welcome to join us for Mah Jongg at 12:30 pm on Mondays in the RCN. We accept beginners and offer coaching for those who have not played in several years. A current Mah Jongg card is required but you can borrow or copy one until you get your own. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Barbara Goodreau**

---

## PAN

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so all are very welcome. The game can be played in the day, evening, in a room in The Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100, or email Goldtoy@earthlink.net, and I will answer any questions you may have. As are all card games, it is played with both skill and luck. ~ **Linda Mendelson**

---

## BUNCO

We play on the second and fourth Fridays of the month. Bunco is very easy to play and it's a great way to meet new friends. We meet in The Lodge Game Room at 1 pm sharp. Please be on time! ~ **Emma Hajdukovic**

## BRIDGE FOR FUN

It's great that we now have two bridge groups here at Four Seasons. Much thanks to Sandie Urie for starting the Monday game as both days fill up quickly, and we really needed the second group. Some bridge games are very serious and competitive. Although we all like to play well and to win, the main thing with our groups is to have fun and make some new friends. If you have always thought bridge was intimidating, you need to come check us out since we are Bridge for Fun! Both games are in the Game Room at noon on Mondays and Wednesdays. For information on the Monday game contact Sandie Urie at (951) 769-8307, and for the game on Wednesday contact Verina Rector at (951) 769-1687. ~ **Tom Halley**

## UPTOWN DIVAS BID WHIST

Uptown Divas Bid Whist Group meets on the first and third Friday every month from 2 to 4 pm in the Game Room. ~ **Deborah Garner, kenyakiki@aol.com**

## HEARTS

All are welcome. The game is played with a single card deck, no jokers, and 52 cards. We play three, four, or five at a table. No scheduling necessary. We play on Tuesdays at 6 pm in the Game Room next to the Library. A group has played here at Four Seasons for nine years. Seating is random draw, no partners, individual scores. It is easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions, call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

---

## RUMMIKUB

Join us Sundays from 2 to 4 pm. Please try to show up by 1:45 pm as we always welcome help setting up. Have fun with new friends and old friends. Rummikub is played at a table with tiles and a holder for each player's tiles. Players begin with 14 tiles. Initially a player "goes down" putting out a group of at least three tiles totaling 30 points. If unable to play, then you must draw one tile from the remaining Rummikub tiles. Play ends when one person uses all their tiles. Remaining players then add the total numbers of their tiles for a score. Zero is the best score.

If you like Rummy and Mah Jongg, then you would certainly like Rummikub. We play in The Lodge Game Room. We also will set up a learning table for newcomers. Hope to see you there. If you have any questions, call Mike Saperstein, (951) 769-7909. ~ **Mike Saperstein**

---

## PHASE 10

We meet every second Monday at 4 pm and every third Saturday at 3 pm in The Lodge Game Room. For more information, contact Cheri Howard at (951) 756-1216. ~ **Cheri Howard**

---

## CANASTA

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the RCN Lobby from 12:45 to 4 pm. Table assignments are distributed at 12:45 pm. Each week you may play with someone different, giving you an opportunity to meet new friends and/or visit with old friends. We supply the cards, so just bring yourself and a desire to have fun. If you don't know how to play, we are always happy to set up a teaching table — by the end of the afternoon you will have mastered the game. Come join us. ~ **Pam Morales**

## DOMINOES

We have a lot of great domino players in the Domino Group, and the competition is very fierce and serious. In fact, we have three domino champions for the month of April, due to the outstanding level of domino playing! The "Three Amigos" who won were Dean Delaney, Vernon Bell and Dewey Allen. They tied with 18 game wins. There was not enough time for a playoff among them. Better luck next time Vernon, you put up a good fight but you dropped your sword after the battle started. Congratulations to all of the April champs.

Dominoes are played every Wednesday and Friday from 5 to 9 pm in The Lodge Game Room. Practice is from 5 to 6 pm on both days. Join us, have some fun, and make some new friends. Jesse Dimmer is usually available to give you help and tips on the game if needed. For more information, call Jesse at (951) 769-2035 or Reggie at (951) 769-6483. ~ **Marvin Gaines**

## CO-ED BID WHIST

Hey everyone! There are two new champions – Floyd Reid and Loretta Cousar in the house. They have set a new record and managed to pull off an impressive win by scoring four Bostons in one night! Now the challenge is on to beat this new record in one night.

In addition, we hosted a fabulous potluck on April 29. We served up a wide variety of home cooked food – baked/fried chicken and fish, ribs, cooked green beans, collard greens with corn muffins, macaroni and cheese, yams, baked beans, dinner rolls and a variety of salads (pasta, potato and vegetable). We topped it off with peach cobbler, sweet potato pie and cake. It was 'finger licking' good and thoroughly satisfying. After much eating and drinking, we still managed to play cards (big smile!) and have great fun in the process.

Do come out sometime and join us to learn bid whist and/or 'to get your bid game on.' We offer a satisfying game environment filled with good cheer, good natured 'trash talking,' and some great music. And, win or lose... you will have a lot of fun and meet some great folks while playing bid whist. New players, whether new to the game or veterans, are always welcome. We meet every Monday (except major holidays) from 6 to 8:30 pm in the RCN Building, Activity Room 3. For more information, contact Roxanne (951) 797-3123 or Floyd (951) 317-3127. ~ **Roxanne Williams**

New champions - Floyd Reid (right), Loretta Cousar (center) and Roxanne Williams (on left presenting the plaque)

## THREE-THIRTEEN

Three-thirteen is played in 11 rounds. A cross between rummy and Phase 10, players meld, using sets and runs. The first player to go out receives no points. Then players have an opportunity to play on the cards laid down and their own cards. Each round uses a progressive, new wild card. There are not a lot of rules to remember, and most people say the difficult part is remembering what round they are on! The lowest score wins.

Recent winners with the three lowest scores were Caryn McSweeney with 38, John Clark, 49, and Andy Lunetta with 51. Winners at other tables with higher scores included Bre Moreland, Barbara Dipoma, Linda Clark, Cheri Howard, Frances Monahan, and Jerry Monahan.

Anyone interested in playing this fast-paced game, we are at The Lodge Game Room from 3 to 5 pm on the first and third Tuesdays of the month. For more information, contact Mike Corbett at micedor1@gmail.com. ~ **Kris Corbett**

John Clark, Caryn McSweeney, and Andy Lunetta had the three lowest scores in our April games

## BILLIARDS FOR FUN

The new replacement fabric on the billiard tables has taken a while to get used to. The balls run so much faster, so some anticipated shots do not make the designated pockets. There are definite adjustments to be made by all members, but we sure have fun doing it! It's been a challenge for all of us to hurry and get used to the tables; on May 7 we held our second quarterly in-house tournament of 2019. It was so much fun to watch the good-natured competition and to watch each member's increased billiard skills. BFFG has been going strong for almost 10 years now, and it's obvious to see by the level of playing skill the members exhibit that the years of practice have paid off. The amazing players were a tad more careful with each shot because of the new table coverings, and because they wanted to win. The winning partnership from the morning session was Bob Becker and Bob Rector. The afternoon session winner was Johnny Ramirez (who played ghost because we had an uneven number of players). After a nail-biting playoff, the winners of the day were first place: Johnny Ramirez and second place: Bob Becker and Bob Rector. (See adjacent photos of our winners.) Kudos to all the players who participated, showing such kindness, enthusiasm and encouragement to each other.

We have a really great group of people comprising Billiards for Fun Group who enjoy the game of billiards and are supportive of the group. C'mon and join us for formal play on Tuesdays at either the 11 am or 1 pm sessions. We'll be looking for you. (BTW, we also have an informal practice on Saturdays in the same time slots open to all residents.) Come join us. You won't regret it. ~

## CURLY CUES

Where has the time and the sunshine gone? I can't believe it's already June.

Curly Cues is a fun group of ladies who enjoys the game of pool. Whether you are an experienced player, or have never picked up a cue stick but would like to learn, we invite you to come join us. We play Mondays from 11 am to 1 pm. We pull peas for partners so you have a different partner every week. This makes it a level playing field for all and avoids cliques.

There is lots of chatter and laughter with this group of ladies.

Once every quarter we have a luncheon (at a restaurant of course) because we like to have a cocktail and enjoy the afternoon together. Our next luncheon will be held on June 10.

We also have a quarterly tournament in which the winners' names are proudly displayed on our Curly Cue plaque, which is hung in the Billiard Room.

Our second quarter tournament was held on May 6, and the winners are pictured at right.

If you have questions or would like to join, just stop by on any Monday or contact Leta Ramirez at (626) 695-0798 or Pat Semler at (714) 325-5280. ~ **Leta and Pat**

## THE 8-BALL CLUB

The 8-Ball Club holds two in-house tournaments each month: an 8-Ball tournament and a 9-Ball tournament. Most months we play four additional tournaments: two away and two at home with Hemet (Solera) twice and Cherry Valley (Solera) twice. This month had April storms, with Robert Howard providing the lighting by winning both the 8-Ball and the 9-Ball in-house tournaments. Light showers were provided by Leo Babin in the 8-Ball in-house tournament, and Larry Rice in the 9-Ball in-house tournament. Congratulations to our 8-Ball champion, Robert Howard, and runner up Leo Babin and congratulations to our 9-Ball champion, Robert Howard, and runner up Larry Rice.

Of special note is the recovering of the four billiard/pool tables, a real professional job with great cloth. So much fun to play on. Everything was done first rate. Thanks to the facilities committee

and everyone involved in picking the right contractors and materials. Also, a special thanks to Rocket Spinosa, who took a special interest and watched over the process from start to finish. He kept an eye on the process and even treated the contractors to lunch. Everyone working together for a fantastic result.

The 8-Ball Club puts out a big welcome to our new member, David Martin, and cheerleader, Teri Martin.

The 8-Ball Club is always looking for new players. The club plays or practices Monday, Wednesday and Friday nights from 6 to 9 pm. There is a calendar of our events in the Billiards Room on the 8-Ball Club bulletin board. Come out for the fun and give us a try.

## BOCCE BALL

Bocce ball is played at The Summit on Tuesdays at 9 am, and on Wednesdays and Fridays, play begins at 4 pm. Everyone is welcome. New players are introduced quickly to rules and best strategies.

Play is on beautiful tournament-grade, smooth, accurate courts and sideboards. There is a small, easy step-in. Smooth concrete surrounds the courts. There are handicap accessible ramps, and other players to help pick up balls if needed. We pick teams for each court by random draw.

On Fridays we gather inside before play between 3 and 4 pm — for a TGIF mini potluck and refreshments.

The word “bocce” comes from an Italian word, which is plural, meaning “to bowl.” The small white ball is thrown first to start game, called pallino. Rules are very simple, get your ball as close to the pallino as possible in order to score a point. If more balls of the same color get close, these additionally score points.

Much like pool, bocce requires players to take turns. This makes

it an ideal game for socializing in-between turns. Often cheers or laughter can be heard. No one has an edge in Bocce Ball, unless of course they have played for years.

We generally play games to 12 points. Two games are played and take approximately one and a half hours. First court winners stay and are challenged on second game by winners from the second court. We mix and match and change numbers on a team, so no one is left out.

The game of Bocce Ball requires no specific skills or previous experience. You will get a little exercise, and enjoy a beautiful view and breezes at The Summit, all while having a great time with a great group of people. If you are interested in learning the game, please join us at The Summit.

# A return to **customized care.**

Sometimes it can seem like listening is a lost art...particularly in healthcare.

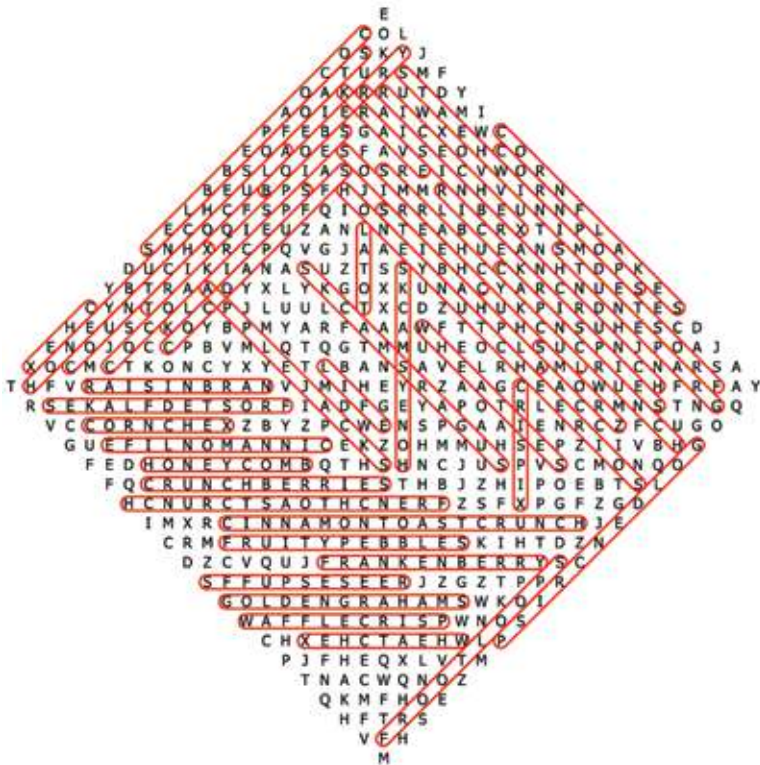

Beaver doctors and staff share the simple belief that by building better relationships with our patients, we can better direct care. That starts with listening to your concerns and making the time to talk through them. And it often means looking beyond cookie-cutter treatments to find the right solution for you.

That belief extends beyond your office visit, too. Beaver is adding more local specialists to make referrals easier and creating innovative in-hospital programs to ensure that our patients continue to receive customized, coordinated care.

Beaver will continue to invest in making quality hometown healthcare less about checking boxes and, well, more about you. Our patients deserve nothing less.
