GENERAL MANAGER'S REPORT By Eric Zarr

Let's take a walk; it's good for the body and mind! As some of you may be aware, walking is one of the most popular pastimes

enjoyed by the residents of Four Seasons. But, did you know it boasts more benefits than just great cardio? Psychologists have found that walking for just 10 minutes may be just as beneficial as a 45 minute workout to relieve symptoms of anxiety. Stanford University studies show walking can increase creative output by an average of 60 percent. Researchers labeled this type of creativity as "divergent thinking" which they define as a thought process used to generate creative ideas by exploring many possible solutions. According to the study, "walking opens up the free flow of ideas, and it is a simple and robust solution to the goals of increasing creativity and increasing physical activity," which makes sense as science shows that engaging in activities that allow our mind to wander promotes a mental state conducive to innovative ideas and aha! moments. By simply adding walking to your routine you will feel an increased sense of relaxation and alleviate depression, improve heart health, reduce pain, prevent weight gain, improve endurance and circulation — the list goes on and on. So hit the road or trails to benefit body, mind and spirit!

Waste Management Recycle Often, Recycle Right! Did you know Waste Management has a diverse recycling compliance program for both commercial and residential customers? The city of Beaumont recently held a seminar for commercial businesses to go over the materials that can, and cannot, be recycled. Ultimately the information was eye-opening to say the least. One item we cannot place in the recycling bin would be plastic bags or sheeting of any kind, including placing recyclable materials in a trash bag and then placing it in the bin. Plastic bags and liners cause havoc on the sorting machinery and shut down the entire operation as it ends up tangled in the mechanisms.

Paper products like paper plates, newspapers and cardboard should be clean of any debris or food particles and dry when they are recycled as soiled or wet items will not be recycled. Aluminum cans, aluminum foil and tin cans are the most recycled items. They should be clean and dry before placing them in the bin as well. Glass bottles and jars are the second most recycled items but certain restrictions apply depending on material and color. For example clear, green, and amber glass is acceptable but mirror or window glass should not be placed in the recycle bin. Glass items that should never be placed in the bin are ceramics, dishware, ovenware, lightbulbs, mixed colors of broken glass and decorative items. Other items that should never be placed in the recycle bin would be loose plastic bags or plastic film, food waste, polystyrene or foam products like to-go cups or egg cartons, batteries of any kind and needles or medical waste. If you would like to explore the do's and don'ts of recycling please visit www.wm.com for more information.

Activities Director Corner

By Cindy Graves, Activities Director

Happy February Four Seasons! My heart is swelling with all of the talk of those rare couples that have made it through the long love journey of being married for 55+ years. Most of you I know can celebrate the example of this huge accomplishment. Joanne and Jerry, Sonya and Gene, Beverly and Mack, Willis and Bev, Buzz and Marian, the Townsends, the Danos', the Botts, and the Tolberts (plus others I'm sure). Wow, we have some incredible couples here. I hope everyone gets a chance to read the little blurbs of wisdom that these well-seasoned lovebirds wrote regarding the success of their marriages.

While we're on the subject of lovebirds, Valentine's Day is on the way and with it, the perplexity of what to get that special someone. Boy, do I have a solution for you... tickets to the upcoming Social Committee Comedy Night! Yes, there is nothing that draws people closer together than a bout of laughing uncontrollably, side by side. The tickets are a steal at only \$20 each. You'd be hard pressed to find a happier night out for the money. You can thank me later for the suggestion. By the way, if you're single and need a good night of laughter, a ticket to this event would be the perfect gift to give yourself. You know you deserve it; go ahead and make your day. See you there.

We have a great year coming up with all kinds of fun entertainment opportunities, so I look forward to making great memories with you in 2019.

NEW FEATURE!

Landscape of the Month

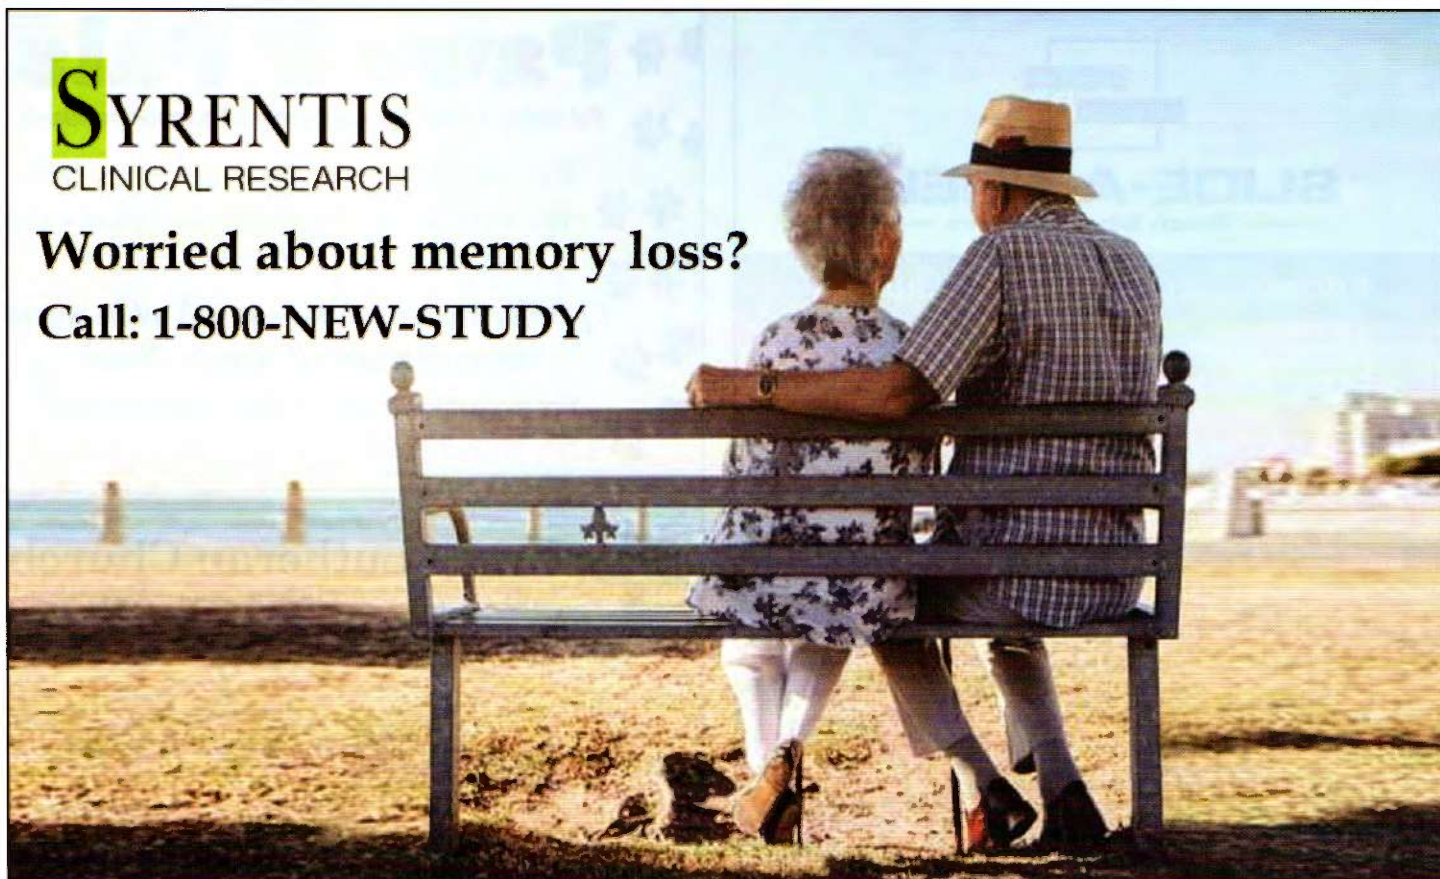

Do you have a green thumb? Do you want to show off all your hard work? Front yard, back yard, garden, or interesting landscaping... wherever and however you've made your lovely mark, we want to see it and share it with your neighbors. Starting in April, we will be featuring one garden each month in the *Breeze* magazine. So start planning your spring garden and get ready to show it off!

To be considered for Landscape of the Month, please email high-resolution photos with your name and a caption to fourseasonsnews.com. If you would like your photo to be considered for a future cover, remember to take vertical shots.

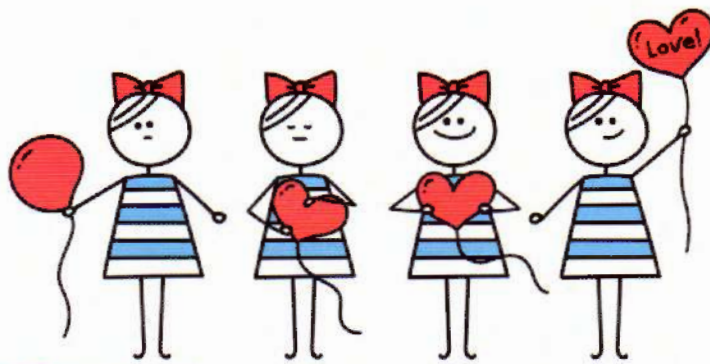

Send your submissions in by the 7th of the month!

WHY I LOVE MY CLUB, GROUP OR CLASS

If you'd like to tell everyone why your club, group or class is great, send 100 words or less to FSBeditorialboard@gmail.com. Please use "Why I Love My CGC" in the subject line and include your name and phone number should clarification be needed.

A favorite group of mine is the 8-Ball Club. No, I don't play billiards, but my husband did. Although he passed away some months ago, they haven't forgotten him or me. They are always available to assist me. Besides a love for the game, they share a bond of caring, acceptance, and friendship. Wonderful people! Thank you, Joe, for joining the group. ~ Jane Aviles.

The 55+ Club

When planning our February issue, we thought it would be fun to see who has been married over 55 years. There have to be a few couples, we guessed. Boy were we off. Over 20 couples responded, giving their nuggets of wisdom on how they accomplished this impressive feat. Congratulations to all the members of the 55+ club and to those who are working to gain entry into this exclusive group.

We also recognize that some of you had achieved this milestone before you lost your beloved other half. To you we say "Congratulations!" and offer our heartfelt condolences.

Continued on the following pages

21 couples, 1,250 years

Conrad and Marian Mark were married on July 21, 1946 in Frankfort, Illinois. They have two children, five grandchildren, and seven great-grandchildren. They attribute the longevity of their marriage to a lot of give and take, and cooking is a big plus.

Al and Patty Becker were married September 28, 1950 in the San Diego Chapel. They have three children, five grandchildren and 12 great-grandchildren. When asked how they stayed married for 67 years, they said, "we always loved and respected each other. We followed the Lord all the time. We are always able to talk things through."

Jerry and Joanne Thompson were married on October 12, 1952 in San Bernardino, California. They have two children, two grandchildren, and three great-grandchildren. They attribute the longevity of their marriage to good communication, love and respect for each other's feelings, and always making time for each other.

Gene and Sonya Jamplin were married on August 1, 1953 in Las Vegas, Nevada. They have two children and one grandchild. They attribute the longevity of their marriage to maintaining love and respect for each other. And a sense of humor!

Enrique and Waltraut Enguidanos were married on December 9, 1955 in Monrovia, California. They have five children, 10 grandchildren, and two great-grandchildren. They attribute the longevity of their marriage to a very large portion of love, respect for each other, a large amount of flexibility to respect each other's opinions, and the acknowledgement that as you age, you depend on each other more.

Bill and Pattie Weir were married October 19, 1957 in Lakewood, California. They have three children, nine grandchildren and one great-grandchild. When asked for the reasons for longevity, they attributed it to their family, saying, "Having three great children and watching their success, nine outstanding grandchildren and now one great grandchild." They worked together for 61 years with much love and respect for each other, making their own internal audit company very successful.

Irv and Alice Sturner were married May 31, 1958 in New York City, New York. They have three children, five grandchildren and four great-grandchildren. They attribute the longevity of their marriage to a sense of humor, trust, sharing, and love.

marriage & countless "yes dears"

Grant and Dolores Tolbert were married on June 14, 1958 in Hamden, Connecticut. They have four children, nine grandchildren, and nine great-grandchildren. They attribute the longevity of their marriage to no drinking, no smoking, a healthy diet, and God.

Willis Fagan and Beverly Lintz were married November 1, 1958 in San Gabriel, California. They have two children and four grandchildren. When asked how they stayed together so long, they said, "We met in 1952 and went to different schools together. We respect each other. We talk about and share everything. We make decisions together. We trust each other. We have a personal faith in God. And more than anything, we love each other."

Jim and Carole Jackson were married June 25, 1960 in Whittier, California. They have four children, 11 grandchildren, and nine great-grandchildren. They met on a blind date in 1958 and married in 1960. They attribute the following reasons for their longevity: "Faith - through all the ups and downs we relied on our Christian faith to see us through. Family - we have a large, extended family who we see often and have a 'reunion' once a year. Friendship - my husband is my best friend. Even if we disagree often, we always kiss each other good night!"

Ron and Judy Erickson were married June 30, 1961 in East Los Angeles. They have two children and three grandchildren. When asked how they did it, they said, "Good communication! We're so happy to have each other in our lives. It makes it easy to deal with each other's stuff. We always look out for each other and do things to please each other. God is the center of our lives. We have a great family support system. We love each other no matter what."

Frank and Jackie Bott were married on December 3, 1960 in St. Margaret Mary Church in Essington, Pennsylvania. They have seven children, 22 grandchildren, and three and a half great-grandchildren. They attribute the longevity of their marriage to their great faith, their on-going love, great family, a yearly family beach vacation for 45 years with family members coming from across the country, and a great circle of friends.

Bob and Charlene Baker were married on June 10, 1961. They have three children, nine grandchildren and one great grandchild. They attribute the longevity of their marriage to honoring the promise they made before God and family. They've been best friends since they were 17. Bob says, "The three magic words are 'you're right, honey.'" Charlene says that there are really only two words: "Yes, dear."

Continued on the following page

Aloysius and Janet Hession were married on August 5, 1961 in Wilmington, Delaware. They have two children and four grandchildren. They say "There is no magic formula — only that you practice the vows you made when you married: love, honor and respect each other. Never go to bed angry at your spouse. Set up a weekly date and stick to it, go out and do something together."

James and Mary Townsend were married on August 26, 1961 in McAlester, Oklahoma. They have two children and three grandchildren. They attribute the longevity of their marriage to their acknowledgment of marriage being a labor of love, with an emphasis on the labor. They know it takes work on both sides to make it successful. They have tried to follow the three Cs of successful relationships: communication, cooperation, and compromise. They communicate (very loudly sometimes), but always forgive and never hold grudges. Times of serious health issues have brought them closer, and they appreciate every day that they have together now.

Ross and Harriett Barton were married on March 3, 1962 in Los Angeles, California. They have three children and six grandchildren. They attribute the longevity of their marriage to learning to say "Yes dear."

Leighton (Mack) and Beverly McLaughlin were married on May 5, 1962 in Windom, Minnesota. They have four children and nine grandchildren. They attribute the longevity of their marriage to patience, honesty, reliability, love, laughter, and family.

Marty and Jean Bauer were married on June 1, 1963 in Nativity Church in California. They have four children and five grandchildren. They attribute the longevity of their marriage to their faith, family and friends. Their ability to agree to disagree when necessary, and for Marty to say "Yes dear" a lot has helped their marriage work. A sense of humor goes a long way in their marriage, and they feel very lucky to have found someone they liked as well as loved to build a life with.

John and Jean Hernandez were married January 3, 1964 in Los Angeles, California. They have two children, six grandchildren, and nine great-grandchildren. They attribute their longevity to the use of one answer to every question: "Yes dear."

Millard and Minnie Lathrop were married on January 4, 1964 in Jersey City, New Jersey. They have two children and three grandchildren. They are thankful for their blessings and attribute the longevity of their marriage to staying in love, working toward their goals, traveling, and celebrating birthdays and anniversaries.

Bill and Jane Ashton were married on April 4, 1964 in Westminster, California. They have one child. They say their ingredients for a long happy marriage are love and laughter, care and respect, communication and patience, and good health.

Thank you for all your entries... We're getting more and more entries every month! We love all the comments, too.

Get The Joke is a simple contest... somewhere in this issue is a "joke" ad, article or other notice. You'll know it when you see it — it will be silly, over-the-top ridiculous or just plain goofy — and hopefully it will bring a smile to your face. When you find it, simply cut out and complete the box below and return to The Lodge Front Desk before the 9th of the month. One correct entry will be chosen at random to win a \$20 gift card to Smitty's. Happy hunting!

LAST MONTH'S JOKE CONCENTRATION CLUB

Is one of your resolutions to improve your focus and concentration? Studies show that improved concentration has a radical impact on a person's health and poker skills. The five biggest benefits include:

- Lowered blood pressure
- Deeper sleep
- Winning at Jeopardy
- Never being late again
- Ability to sing any Lionel Richie song
- X-Ray vision

We meet every Monday at 6 pm at Windmill Bridge. The first hour we quietly stare, without blinking, at a rock. The second hour we stare at a partner. Join us! ~ *Miles Davis*

THIS MONTH'S WINNER: LINDA PREUSCHOFF

Go to The Lodge to collect your gift card!

YOUR COMMENTS

I think there were six benefits — loved "Winning at Jeopardy!" Always look forward to the Breeze each month! Carole J.

I would love to be a member of the club. Lowering my blood pressure and sleeping through the night would be awesome... and winning Jeopardy wouldn't be so bad. Linda C.

I want to sing like Lionel Ritchie. Karen S.

I look forward to receiving the Breeze every month! Dianne S.

Miles Davis! You got me at winning at Jeopardy! Lois B.

Love the benefits — especially X-Ray vision and winning at Jeopardy. Staring at a "rock" would be a great way to pass the time away, if we had the time! Joanne S.

Hey! I hope it helps my husband remember where he left his phone! Too funny! Joyce R.

Maybe we should start this club. I know I'd like all those benefits. Caryn M.

To stare at a rock, without blinking, for one hour is my kind of fun! What a great idea! Goldie M.

Palm Springs Art Museum: A Hidden Gem

By Steve Benoff

Let me tell you about my trip to the Palm Springs Art Museum. If you haven't visited this gem, you owe it to yourself to do so. It's a beautiful building right in the heart of the city – a mere 25 miles away from Four Seasons. Not only that, the museum is open for free on the second Sunday of every month and from 4 to 8pm on Thursdays.

Why would the museum choose Thursday evening to offer free admission you might ask? Thursday evening is another good reason to visit Palm Springs. From 6 to 10 pm (7 to 10 pm in the summer) every Thursday, Palm Canyon Dr. is closed for a street fair. So why not start your evening at the art museum and then go to the fair?

Okay, okay. I can hear you now. What does this have to do with an app? I'll get to it, but not before I set the scene.

I was walking through the museum after having visited the art museum's Architecture and Design Center in a wonderful mid-century modern converted bank building on Palm Canyon Dr. The main museum has a terrific exhibit that runs through April. It's called *Unsettled – Art on the New Frontier*. The museum describes the exhibit as "a sweeping presentation of contemporary art by more than 75 artists living or working in the Greater West." The artists run from the famous to the not so famous.

The show includes a breathtaking work I'll try to describe. Six hundred twenty five identical roughly five-inch long models of a submarine fill a room hanging on wires of various lengths suspended

from the ceiling. On one wall there is a list of every submarine in the US Navy from the first through the mid 1980s. There's also a notebook filled with the description of each vessel. It's worth a trip to the museum for this work alone.

Take a look at the photos above — notice anything peculiar?

You will no doubt remember my mentioning QR apps. Using such an app you can scan a QR (quick response) code and be taken to an associated site. Well right in the center of these two works of wool and natural dyes are woven QR codes. The description accompanying these works tells you what to do. "Use your smartphone to uncover stories and poems related to the preservation of indigenous languages. To scan the QR code in Guillermo Bert's weavings, download a QR code reader application onto your smartphone. The application will prompt you to scan the code, and then will automatically link to a video to access the stories."

I used QR Reader, but there are countless others.

I've mentioned apps associated with art museums like the Metropolitan in New York and the Barnes in Philadelphia, but this is the first piece of art I've seen that incorporates an app into its very being. Go to the Palm Springs Art Museum before the show ends April 30 and give it a try. Even if it turns out not to excite you, something in this museum will.

If you use an app you'd like to share with other, let me know at steve.benoff@verizon.net.

Asian Salmon Pilaf

By Irene Welker

This is a fabulous dish that can be prepared in less than an hour. I made it for a group who claimed not to like fish and nothing was left. It is also incredibly versatile. If you don't like fish, substitute chicken or beef. The rice can be made with chicken broth instead of water for a more intense flavor. Additional vegetables such as peas or carrots may be added. However you decide to prepare it, enjoy.

Serves 4

Total Time, approximately 40 minutes

INGREDIENTS

- 2 cups cooked long grain white rice
- 6 green onions
- 1 to 2 tablespoons olive oil
- 1 pound skinless salmon filets, cut into one inch chunks
- Pepper
- ½ teaspoon finely minced ginger
- 1 clove garlic, minced
- ¼ cup slivered almonds
- ¼ cup teriyaki sauce
- 1 red mini sweet pepper or ¼ cup red bell pepper, cut into matchstick pieces

DIRECTIONS

1. Prepare rice according to package directions, omitting salt.
2. While rice is cooking, place 12 inch skillet on stove over medium heat. Add enough oil to barely coat the bottom of the pan.
3. Thinly slice green onions, white and green parts. Remove 2 tablespoons of the green parts to be used for garnish. Add the rest of the onion to the heated oil in the pan. Cook 3 minutes, stirring occasionally.
4. Pat salmon dry with paper towel. Season with pepper. Add to skillet. Add ginger, garlic and almonds. Cook until fish is opaque (5 to 7 minutes).
5. Stir in cooked rice and teriyaki sauce, blending well.
6. Transfer to a serving dish. Top with reserved green onion and red bell pepper.

FACILITIES COMMITTEE

The replacement of the flooring in the fitness room (gym) in the Spa building began in late January. The contractor was waiting for the materials to arrive.

Management has requested bids from vendors for the installation of automatic door openers to ease handicapped access to the restrooms at The Summit and The Courts.

As Four Seasons approaches build out later in 2019, a number of transition projects will need to be addressed, such as cameras, gate arms, and fob readers for the pedestrian access at the Breckenridge gate.

Louvenia Ortega recently completed a two-year term on the Facilities Committee. She did an excellent job as secretary for the Committee, our minutes will not be the same without her. She actively pursued improving accessibility in the community for our disabled residents. We thank Louvenia for donating her time and expertise in making our community a better place.

The Facilities Committee meets in the RCN Conference Room on the second Wednesday of the month at 10 am. We always welcome residents to join us and share their ideas or concerns.

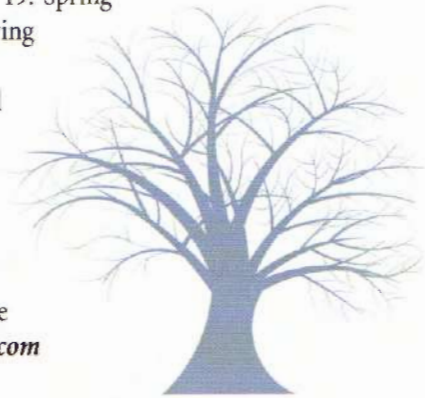

We currently have several positions open on the Facilities Committee for anyone interested in serving our community. ~ **Bruce Lewis**, b.lewis2794@sbcglobal.net

LANDSCAPE COMMITTEE

As a Four Seasons resident since 2006, I've watched our beautiful HOA landscape mature, from early planting to seeing how plants respond naturally to age, extremes in weather and plant disease. Our Friday walks are with one of our three landscape contractors in their designated phase areas. We evaluate the need to replace distressed plants. Often distressed plants will respond to feeding, proper trimming and other possible remedies. In those instances, we will be monitoring them as we let TLC and time restore good plant health. We only take out and replace dead plants. Replacements are either the same plant or a proven better plant, based on the history of plants in those places.

Spring is also a factor in plant restoration. During winter months, many plants become dormant, and often appear unhealthy or dead. The frost-free growing season starts March 19. Spring and summer officially has 265 days of growing season ending Nov 29.

To our Four Seasons residents, be careful when trimming dormant plants. Limbs and branches from dormant plants may look dead, but that may not be the case. Often some dormant plants may take longer to come to life. Enjoy the warmer days when our HOA landscape plantings are growing again! ~ **Bev Jack**, bjack4@dc.rr.com

RULES & REGULATIONS COMMITTEE

It's 2019! The new year has barely begun and the Rules & Regulations Committee is already hard at work on the issues and concerns of residents at Four Seasons at Beaumont.

At the last committee meeting, several topics were discussed. Our chairperson, Barbara Miller, and committee member, Donna Lewis, are serving on the Ad Hoc Exhibit F Committee. They reported on the progress of the committee which voted to modify the exhibit. The modified exhibit will be presented to the Board of Directors for their review. We also discussed changes to the Community Guidelines as recommended by the Social Committee.

The Rules & Regulations Committee and Social Committee have been working to make the purchase of tickets to special events more fair to residents. The consensus is that while some residents enjoy inviting guests to these events, residents should be able to have priority. Also pertaining to events in our facilities, cleaning of the carpets after these events has been paid by the association. It was decided that all sponsors of ticketed events will be responsible for a nonrefundable cleaning fee. For groups, clubs and classes, the association will continue to incur the cost of cleaning. The proposal has been submitted to the Board of Directors for consideration.

The January Club and Committee Fair was discussed. We are encouraging residents to contribute to our wonderful community by participating on a committee. At this time, we have openings on the Rules and Regulations Committee. We also invite residents to attend our monthly meetings and share. It is always interesting to hear what

they have to say. Our goal is to be respectful of all points of view.

If you are interested in becoming a committee member, you must submit an application and attend three meetings. You can meet other residents who share your enthusiasm for Four Seasons and want to see our high standards maintained. The meetings are held on the second Tuesday of the month at 9 am in the RCN Conference Room. We welcome your visit and continued participation! ~ **Margie Chadburn**, mjchadburn@aol.com

FINANCE COMMITTEE

THE FOUR SEASONS HOA BUDGET PROCESS

It is the responsibility of the finance committee to develop and recommend to the HOA BOD a budget that addresses the needs of the community in a fiscally responsible manner. We have been fortunate to have had a very effective finance committee through the years that has always emphasized keeping our community on a solid financial footing. This has always involved developing sound budgets. The achievement of this goal begins with the preparation of realistic budgets.

In mid-year, the Finance Committee initiates the planning process for building the next calendar year's budget. An important first step is to meet with the HOA Committees to identify their anticipated spending needs for the coming year. Simultaneously, a working group of the Finance Committee will examine the trends in spending categories over the previous 12 months. Based on this review, the Committee begins to project spending requirements for budgetary line items. Let's take a look at a few key considerations in building our budget recommendation.

• A key element of our budget is our revenue. Since 97 percent of our total revenue comes from homeowner dues, we are mindful that our expenditure plan is limited to the projected assessment revenue. It would seem to be a relatively simple process of multiplying the monthly homeowner assessment by the number of homes that have been sold in the community. However, our process factors in new homes that potentially will be built and sold over the coming year. This would result in additional homeowner assessments as the year progresses.

• Another considerable challenge is the projection of expenditures based on assumptions because of limited information. For example, our utilities budget is significant, representing 12 percent of the total budget. The annual cost for utilities (gas, electric and water) is a function of usage and rates. We make assumptions on usage based partially on prior year trends. However, usage has shown an

increase in expenses beyond the trends due to mature landscaping requiring more water.

• Similar challenges arise in other areas of the budget. Landscape maintenance and general maintenance are 19 percent and 13 percent of our budget respectively. The previous trends for these line items do not adequately reflect increased cost associated with new contracts, labor and material.

• In addition to the overall community budget, we also must develop budgets for the Springdales (111 condos) and the Front Yard properties (556 homes). Each of these owners pay an additional HOA fee for services specifically associated with their homes. It should be noted that these additional assessments must be sufficient to cover the costs of their specific cost centers. Any shortfalls cannot be covered by diverting revenue from the master operating budget.

Another element of the budget process that has significant meaning to every homeowner is our reserve fund. A portion of each month's HOA fee is directed to the reserve fund. This money is used exclusively to replace common facilities, e.g. streets, building roofs, swimming pool heaters, air conditioner units, etc. These Facility Assets have an estimated useful life and will eventually require replacement. The Association contracts with a firm that specializes in taking an inventory of every capital asset owned by the Association and provides a useful life and cost of replacing each item. The Capital Reserve Study assists the Finance Committee and BOD in determining the amount of funding required to meet our capital needs without further assessment to the homeowners. Currently, our reserve fund is over 120 percent funded. A more detailed review of the reserve fund will be provided in a future article.

We hope this information affords you a better understanding of our budget process. If you have questions or would like further information, attend our monthly Finance Committee meeting, the last Tuesday of each month at 1 pm. ~ **Barry Ginnetti and Claudia Rozzi**, b2ginnetti@gmail.com

EMERGENCY PREPAREDNESS COMMITTEE

"Death comes like a thief in the night" but Cal Fire can come anytime. They come to announce mandatory evacuations that become necessary during a fire or potential flood. Over the past five years, mega-fires, which would only occur once every decade or two, now seem to happen almost every year. Where would you go if you were told to leave your home? You could go to a vacation home or to stay with family or friends. The Red Cross usually has shelters available, but they are underutilized because of pet restrictions and uncomfortable accommodations. Who wants to sleep on a cot?

An ideal location would have four directions to leave like the points on a compass. The San Bernardino Mountains to the north limit Four Seasons residents to only three escape routes. You may use the 10 Freeway westbound to Redlands, or eastbound to Palm Springs. The San Jacinto Valley lies to the south through Lamb's Canyon. If the 10 freeway is damaged, you are left with going south to Hemet as your only choice unless you want to chance the mountains.

It is because of these transportation difficulties that emergency agencies encourage people to maintain at least one half a tank of gas

in your car at all times. A routine trip of two hours may easily extend to four to six hours during an emergency. Your escape route may be in the opposite direction that you want to travel. If your family is in Redlands and you can only go east to Palm Springs you will need to find suitable accommodations there.

The time to find suitable accommodations is before an emergency or disaster. You need to find out if they can accommodate disabled family members. Do they offer hospital beds and handicapped access? Because of their great popularity pets become important also. You cannot leave them behind. You need to find a pet-friendly motel.

Planning alleviates the stress of leaving home. If you have plenty of options a mandatory evacuation could be an unscheduled holiday. If you are forced to evacuate for a week maybe a trip to Las Vegas or the Grand Canyon is in your future.

The Emergency Preparedness Committee (EPC) meets the third Tuesday of the month at 10 am in the RCN Conference Room. ~ Michael A. Mendoza, EPC Chairman, srmendoza@verizon.net

SOCIAL COMMITTEE

Greetings! We are looking forward to our first Comedy Show which will take place on Saturday, Feb. 23. Please see our flyers which are posted in The Lodge Lobby for further details.

A big thank you to Pepsi Powers who has served as our Treasurer and Co-Chair. In addition, we also thank her husband, Bob, who has assisted us with all of our events. We will miss them both very much.

Several residents have sought me out to ask about assisting the committee as we put on future events. If you are interested, please come to our next meeting on Feb. 7 in the RCN Conference Room at 5 pm. We meet on the first Thursday of every month. Until next month. ~ Pamela Morales, pamelamorales26@gmail.com

Real Hope for Foot & Leg Pain Sufferers in the IE

WORLD'S FIRST FDA-APPROVED NON-SURGICAL LASER TREATMENT

Non-Surgical Painless Treatment May Eliminate or Dramatically Reduce Nerve Pain Caused by Bunions, Plantar Fasciitis, and Morton's Neuroma. No Surgery, No Injections, No Painful Treatment.

Do you suffer from Bunions? Big Toe Pain? Pain Between Toes? Arch/Heel Pain? NON-SURGICAL LASER TREATMENT MAY BE THE ANSWER!

BUNIONS: A bunion is the result of misalignment of the big toe, caused by an abnormal gait. This produces an unsightly bump on the right side of the big toe and causes the toe to angle or go under the second toe. It forces the other toes to become misaligned. Dr. Krage's treatment, may help prevent painful surgery, which does not address the underlying cause of a bunion.

PLANTAR FASCIITIS: Is the irritation and swelling of the muscles and ligaments on the bottom of the foot. It can cause pain at the heel of the foot as well as the arch. This often leads to reduction of activities that you enjoy. The swelling is caused by an over-stretching of the fibrous tissue. Dr. Krage's **NON-SURGICAL TREATMENT** will address the underlying cause.

MORTONS NEUROMA: Is a condition that affects the nerves that run between the toes. Symptoms include pain, burning, numbness, and tingling between two of the toes of the foot.

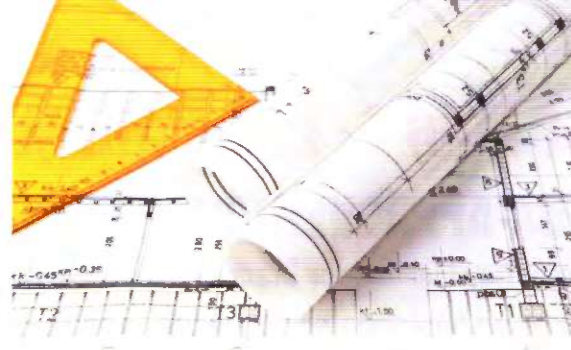

DR. KRAGE'S PROPRIETARY NON-SURGICAL LASER FOOT TREATMENT MAY ELIMINATE YOUR FOOT PAIN WITHOUT SURGERY!

"Prior to contacting Dr. Krage, I had extreme pain in both my feet. Now I am feeling great; like I should. I would offer my experience and suggest those in pain try the program that is offered by Dr. Krage and his staff."

ARCHITECTURAL REVIEW COMMITTEE

As always the Architectural Review Committee is looking for a couple of new members. The efficient operation of our HOA requires a significant number of hours to complete the tasks required to make our community the wonderful place to live that it is. The Board of Directors relies on various committees to provide input and advice on various matters including those performed by the Architectural Review Committee.

Is the Architectural Review Committee a good place for you to give back to our community? Here is a short quiz to help you decide:

1. Are you a caring homeowner in Four Seasons Beaumont?
2. Are you empathetic and willing to consider all facts and options before making a decision?
3. Are you willing to invest between six and 12 hours a month?
4. Do you enjoy meeting your neighbors?

If you answered yes to these questions, you will probably enjoy working on the ARC. We hope to see you at our next meeting. We meet the first and third Wednesday of each month in the RCN Conference Room. ~ Steve Cooley, cooleyaudit@gmail.com

SAFETY COMMITTEE

The Safety Committee meeting is Tuesday, Feb. 5 at 10 am in the RCN.

Reminder: Come to a complete stop at ALL stop signs. Yield to the cars in the roundabouts. With the rain, the roads are slick so drive at

a slower speed.

Be safe and report to management any safety concerns in the community. ~ Anita Worthen

Breeze Article Deadline

All articles are due by 12 pm on the 8th of each month to be published in the following month's issue. If you submit the monthly article for a committee, club or group - please make a note of that date and time. If your article is not received by then, it will not be printed. **We will no longer be sending reminders.**

All articles of 400 words or less must be submitted via email to fourseasonsnews@yahoo.com. Clubs may include up to three high-resolution photos with corresponding captions. We require that there be a contact email or phone number included in each article.

Of course, if there is a legitimate reason why you cannot meet that date, please notify our publisher at (909) 797-3647.

Thank you for your understanding and your compliance. ~

Interest Groups

SUDOKU: Everywhere you look these days there is a Sudoku puzzle just begging to be solved. Heck, you might even find one in a supermarket flier. There are books galore and every newspaper has a puzzle page with one.

I'll bet you've even tried one of them and the odds are pretty good that when you first tried one you wound up throwing the puzzle across the room! That's not surprising because most of them are printed on a tiny grid that doesn't offer much "room to figure."

If you are still interested in trying to learn, I can help. I have some good basic techniques that will get you started and get you hooked. We'll start an interest group so that we can all have fun solving those addictive little puzzles. For more information, call Ray Geiser at (406) 261-3759.

NEIGHBORHOOD WATCH

The General Meeting of Neighborhood Watch for January 2019 held in The Lodge Ballroom was well attended by our residents. Captain Alvarez of the local CHP Office was our guest speaker. Captain Alvarez covered the new California DMV laws affecting motorists beginning Jan. 1, 2019. The presentation was very informative.

Some topics covered were driving under the influence, and the Ignition Interlock Device placed on cars of repeat DUI offenders. Also covered were smog abatement fees, increasing pedestrian and bicyclist safety, and other important information. Thank you to Captain Alvarez for taking the time to brief our residents on these important new laws.

Our next Neighborhood Watch General Meeting is Wednesday, Feb. 13 at 10 am in The Lodge Ballroom. The speakers at this meeting will be from the Four Seasons Tails and Trails group. This meeting will also feature the Beaumont Police Department's K9 Mila who has made several appearances at Four Seasons in the past. Each time Mila has

been at the Four Seasons Neighborhood Watch meetings, it has been enjoyable and informative. Don't miss this opportunity to meet with Mila at The Lodge and enjoy an interesting presentation from our Tails and Trails group.

Remember, if you see something say something. Don't engage a suspicious person. Be safe and call the police to report the suspicious activity, and whenever possible, give the police a description of the person and vehicle.

Lock your cars when they are parked outside and take your garage door opener inside with you to prevent it from being used to enter your garage if the car is ever broken into.

Please drive the posted speed limit of 30 MPH on Four Seasons Circle and 25 MPH on all other residential streets.

The Neighborhood Watch Steering Committee wishes everyone a healthy, happy, and safe 2019. ~ Jerry Monahan, jmbronxboy44@gmail.com

MIXED MEDIA ARTS CLASS

This is the perspective of the artist of the month, Alex Luna:

"I have always been able to paint and draw and sure, 'doodle.' Off and on, over the years I did draw things that inspired me.

"However, for the better part of the last 50 years I really didn't. After moving to Four Seasons, I was looking at activities available to us. I found out about the art class, "Mixed Media" taught by Rob Kelman and at the urging of my wife and friends, decided to attend. After completing the "required assignments," (an elephant, a landscape & a building) I was free to pursue what I really felt attracted to. This painting expresses my feeling and is very meaningful to me. It is of my brother Arthur "Tury" Luna. This was a labor of love for me. He was 17 in the black & white image and he is 73 in the color rendition. The clock is symbolic of time passing. The black & white versus the color is symbolic of past and present. As you can see, the small hand is on his present picture while the long hand is on his past picture. This too, symbolizes the time left at an early age and the shortness of time left now at an older age. The inscription, "I Did It My Way" is truly indicative of how he lived and now lives his life.

"I must say that I am not only enjoying getting back into drawing but I am also learning about techniques that I had not considered. So,

my thanks to Rob and my classmates who are very talented and often provide constructive and encouraging feedback. I thank them all."

Classes are Mondays 10 am to 12 noon and/or Wednesdays 6 to 8 pm. Any questions, call Rob Kelman at (951) 992-9156. ~ Rob Kelman

FOUR SEASONS VETERANS

The Veteran's Club at Four Seasons was formed in September 2013. Our mission purpose was to recognize all the Veterans living here at Four Seasons. To date we have over 125 neighbors recognized as Veterans of the many wars our nation has endured. These Veterans are recognized on our "Honor Roll" website, www.fourseasonsvets.org.

Your Military service to our country should be shared on our Honor Roll.

Contact: Irve@verizon.net or (949) 422-9969.

We interview our neighbors every Wednesday at noon time in the Bistro area. You fill out our simple form, we take your photo, then we upload the resume and pix to our website.

TAILS & TRAILS - ALL PETS

There are many great things to be thankful for about living in the Four Seasons Beaumont community. One of those is meeting residents while walking our animals on the wonderful tree-lined trails that wind throughout the area. Four Seasons Tails and Trails participates in weekly strolls with our neighbors and their animals (among other things), and is always looking for opportunities to have fun with our pets, while at the same time, advocating for and elevating the welfare of all animals. With that in mind, Tails and Trails is excited to tell residents about an upcoming event and to encourage all residents to save the date for our "Walk for the Animals." Tails and Trails has partnered with the Ramona Humane Society to present a Four Seasons Beaumont community walk with our pets that will help raise money for the Ramona Humane Society. This wonderful organization operates shelter and other services for the City of Beaumont.

The "Walk for the Animals" is Saturday, March 16, starting at The Lodge with a pancake breakfast. Residents with pets are encouraged to bring their animals and walk a designated path

through our community with us to show support for Ramona's sheltered animals. Along with the pancake breakfast, there will be prizes, vendors, and entertainment. Ramona Humane Society will also have some adoptable pets for you to meet.

To participate, residents will need to register, and the cost is just \$20. All funds will go to help the shelter's needy animals. Registered residents get a pancake breakfast, an event t-shirt, and the opportunity to win some prizes while having fun and meeting your neighbors and their pets.

Registration information and credit card event enrollment can be found at the following link: <https://ramonahumanesociety.wufoo.com/forms/walk-for-the-animals-four-seasons-beaumont/>. Learn more about this wonderful organization and how they serve our community by visiting www.ramonahumanesociety.org.

COUNTER CULTURE CINEMA

There will only be one screening in February due to the Academy Awards falling on a Cinema Club Sunday (Feb. 24), but the one film we're showing, a multiple award winner, has been named "Best Picture" by Time magazine, Rolling Stone, Variety, Vanity Fair and others, and has received the highest acclaim of any 2018 film.

Our one February screening, on Sunday, Feb. 10 at 6 pm, is the film *Roma* (Mexico 2018, 2 hrs. 15 min., English subtitles). Here is a brief description from IMDb.com: "Roma is a story that chronicles a year in the life of a middle-class family's maid in Mexico City in the early 1970s."

All of our screenings are followed by lively discussion about the film; we'd love to have you join us. The Lodge theatre has very limited seating, so if you're interested in our screenings, come early. We hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please email Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

TASTE D'VINE

You may have thought you had heard it all – when it comes to exercising in the New Year – but your Taste d'Vine Wine Club has a new approach – Get in Shape, Jog through Your Local Wine Aisle!

Gracy Luna and Anita Worthen have searched our local markets for some great and affordable wines!

Please join us at our meeting on Feb. 21 (the third Thursday of the month) in the Ballroom. Doors open at 5:15 pm with the meeting starting at 6 pm.

Please bring a favorite wine to share with your table along with an appetizer such as crackers, cheese, fruit, dessert or anything in between along with two glasses for tasting.

Members are \$5, guests \$10 and non-resident guests \$15.

For info, please contact Terry Hall (714) 369-0828 at Terryhall005@gmail.com; or Barbara Mull at BarbaraRN1973@gmail.com. ~ **Terry Hall**

TOPS

Hooray! The entire group of men and women at TOPS, "Take Off Pounds Sensibly," cheered loudly and applauded as another of its members reached her weight goal. Pat Pendergraph lost more than 50 pounds in order to hit her doctor's prescribed healthy weight.

She joins two men in our group who have also reached their goals, Mike Saperstein and Harry Henderson. Those who are at their desired weight are known as KOPS, who "Keep Off Pounds Sensibly."

She attributes her last few pounds of weight loss to a technique called Intermittent Fasting which she learned about from short lectures at regular meetings she attends. Of course, her loss took

many months of eating in moderation and regular exercise. She is a walker and can be frequently seen on the trails and sidewalks of Four Seasons.

Our first meeting after the holidays was a Rededication Ceremony where we renewed our goals to keep working on a healthier lifestyle. The meeting theme was Seeds of Change. TOPS members met at The Summit

and pledged to plant Seeds of Change by making healthier lifestyle choices, supporting their fellow members and becoming the best they can be.

Join us and make a healthy difference in your life, today. Tuesdays, 8 am, in The Lodge Ballroom. ~ **Andi Henderson, (918) 497-6491**

CRAFT GROUP

Due to the remodeling of the Craft Room, the craft group will not meet during the month of February. If you have questions, please contact Barbara Paules at (951) 845-3608. Hope to see you in March! ~ **Barbara Paules**

KNIT & CROCHET GROUP

I hope everyone had a super start to the new year. For those who may be interested, while the Arts & Crafts Room is being renovated, our group will be meeting in the first section of the ballroom at the same time each week through February, or until the work has been completed. We meet each Tuesday from 10 to 11:30 am. Come join us. ~ **Dorothy Payne**

CRAFTY CARD MAKERS

The Crafty Card Makers meet at 1 pm on Friday afternoons in the Arts & Crafts Room (during renovation we will meet in the RCN). We get together and make three cards and the cost is \$6 to cover materials. You only need to bring your own glue and scissors. If you haven't tried our classes, please think about joining us for a fun-filled

afternoon!

So we will be sure to have enough kits, please RSVP for the classes.

CERAMICS CORNER

Ceramics class has something for the novice crafter looking for a new hobby, or someone who has experience and wants to create their own unique design or create pieces for friends and family. In addition to individual projects, we also offer class projects throughout the year to teach new techniques.

A certified instructor and/or an experienced class team lead is available to support your crafting needs, participation is at your own pace and frequency.

Come and join in the fun, drop by the Arts & Crafts Room to see our monthly ceramics class schedule and learn more about our upcoming class projects.

We meet Wednesdays from 1 to 4 pm and the first Saturday of each month from 9 am to 1 pm.

Please note: The Arts & Crafts Room will not be available due to scheduled renovations that started in January 2019. We will not have an alternate space for ceramics during this time.

Please watch for ceramics class updates in the Daily Report to confirm when construction is completed and normal schedule will resume.

For more information, contact Bob Powers at (909) 841-3293 or Elsie Fillman at (661) 414-6270. ~ **Pepsi Powers**

RENOVATION REMINDER: If your class or club usually meets in the Arts & Crafts Room, please check the Daily Report or your class/club contact for location changes

DOMINOES

Wow, the month of December for the Domino Group ended with a lot of fun and surprises. The quarterly playoffs for the personalized trophy was won by Wondell Collins, who crushed Solomon Hayes in the one-on-one competition as well as all of the other players. Then Wondell went on to be the domino champ for the month of December in the regular domino sessions winning with 19 games. Go on lady with your bad self. The queen has returned to the throne with a grand entrance. Congratulations to Wondell on both of her victories. What a way to finish the year. The next playoff for the personalized trophy will be held in March.

Dominoes are played every Wednesday and Friday from 5 to 9 pm in The Lodge Game Room. Practice is from 5 to 6 pm on both days. Join us, have some fun, and make some new friends. Jesse Dimmer is usually available to give you help and tips on the game of dominoes, if needed.

For more information, call Jesse at (951) 769-2035 or Reggie at (951) 769-6483. ~ **Marvin Gaines**

RAINBOW GROUP

The rainbow is a powerful symbol that represents beauty, balance, peace, and hope. As such, we believe it is a perfect representation for our group.

We are residents of Four Seasons Beaumont who also happen to be gay, lesbian, bisexual, or transgender. The rainbow is so perfect because it really fits our group's diversity in terms of race, gender, ages, and beliefs. While we strive to serve the interests of our members, we do welcome all supportive homeowners and encourage everyone to attend any of our functions. We believe you'll enjoy our company.

Everyone leads busy lives (even at our age!) and we often find it difficult to stay connected with our neighbors. Therefore, the Rainbow Group has monthly get-togethers on the fourth Thursday of each month in the Card Room at The Lodge at 6 pm. Our next

gathering will be on Thursday, Feb. 28. Our monthly get-togethers are mostly informal social gatherings which give members an opportunity to meet new neighbors, catch up on member and community activities or news, and just chat--no stuffy agenda items, roll calls or minutes for us! If you're hungry, come eat with us. We chose The Lodge's Card Room as our gathering place because of its proximity to The Bistro, where you can order food. Feel free to bring your own food items and adult beverages. The Rainbow group also hosts periodic gatherings for socializing (such as BBQs and holiday potlucks), LGBT-themed movie nights in The Lodge Theatre, and other events the group may sponsor. Maybe you'd even like to suggest your own activity for the group, we are always open to new ideas. Please direct any questions to Dale at 797-0364, dalebeckes@gmail.com or on Facebook, search for Four Seasons Beaumont Pride. ~ **Dale Beckes**

PINOCHLE FOR FUN

Join us! Whether you are a seasoned player or new to the game, we welcome you. Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This stimulating game is a time-honored favorite. Winning is not just the luck of the draw; it is a thinking game which teases the mind and keeps it sharp. We meet in the RCN Building - Activity Room #1 on Mondays and Wednesdays from 9:30 am to noon. Our Chair is Karen Farmer. ~ **Karen Farmer**

MAH JONGG

Everybody is welcome to join us for Mah Jongg at 12:30 pm on Mondays in the Rec Center North. We accept beginners and offer coaching for those who have not played in several years. A current Mah Jongg card is required but you can borrow or copy one until you get your own. You do not have to own a Mah Jongg set to join the fun, so come on out! ~ **Barbara Goodreau**

PAN

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so all are very welcome. The game can be played in the day, evening, in a room in The Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100 or email Goldtoy@earthlink.net and I will answer any questions you may have. As are all card games, it is played with both skill and luck. ~ **Linda Mendelson**

CANASTA #1

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the RCN Lobby from 12:45 to 4 pm. Table assignments are distributed at 12:45 pm. Each week, you may play with someone different, giving you an opportunity to meet new friends and/or visit with old friends. We supply the cards, so just bring yourself and a desire to have fun. If you don't know how to play, we are always happy to set up a teaching table — by the end of the afternoon you will have mastered the game. Come join us. ~ **Pam Morales**

BUNCO

We play on the second and fourth Fridays of the month. Bunco is very easy to play and it's a great way to meet new friends. We meet in The Lodge Card Room at 1 pm sharp. Please be on time! ~ **Ema Hajdukovic**

PHASE 10

We are always looking for some new competition; so, feel free to stop by and learn the game if you don't know how to play. We always have a learning table. It's a fun game with a fun group. We meet every second Monday at 4 pm and every third Saturday at 3 pm. For more information, contact Cheri Howard at (951) 756-1216. ~ **Cheri Howard**

UPTOWN DIVAS BID WHIST

Uptown Divas Bid Whist Group meets on the first and third Friday every month from 2 to 4 pm in the Game Room. ~ **Deborah Garner, kenyakiki@aol.com**

HEARTS

All are welcome. The game is played with a single card deck, no jokers, and 52 cards. We play three, four, or five at a table. No scheduling necessary. We play on Tuesdays at 6 pm in the Card Room next to the Library. A group has played here at Four Seasons for nine years. Seating is random draw, no partners, individual scores. It is easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions, call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

RUMMIKUB

Join us Sundays from 2 to 4 pm. Please try to show up by 1:45 pm as we always welcome help setting up. Have fun with new friends and old friends. Rummikub is played at a table with tiles and a holder for each player's tiles. Players begin with 14 tiles. Initially a player "goes down" putting out a group of at least three tiles totaling 30 points. If unable to play, then you must draw one tile from the remaining Rummikub tiles. Play ends when one person uses all their tiles. Remaining players then add the total numbers of their tiles for a score. Zero is the best score.

If you like Rummy and Mah Jongg, then you would certainly like Rummikub. We play in The Lodge Card Room. We also will set up a learning table for newcomers. Hope to see you there. If you have any questions, call Mike Saperstein, (951) 769-7909. ~ **Mike Saperstein**

CO-ED BID WHIST

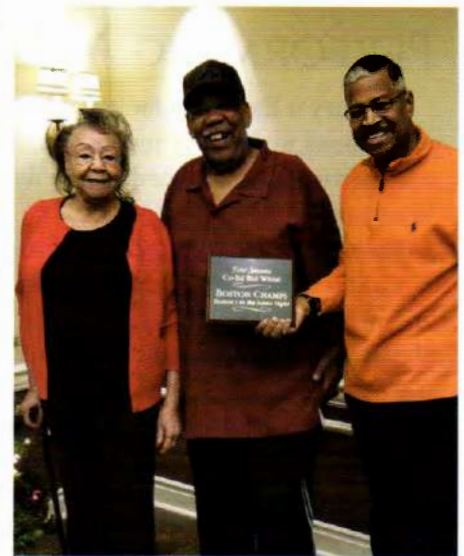

We have just completed a successful half year getting the group up and running. We've had lots of fun on Mondays from 6 to 8:30 pm. A few non-players were trained, a few who only needed a refresher, and the ones who had been playing for years. While competitive, we are still able to chill out, eat a few snacks, and listen to some music, while keeping our minds active.

Two teams currently hold bragging rights for the most Bostons in a single night. Howard Shelton/Jan White and Wondell Collins/Big Bob Manuel. (See photos of award presentation to the right.)

We are looking forward to 2019 being an outstanding year. If you would like to join us, or just looking to improve your mind and your skills, we welcome your attendance. We meet in the RCN Activity Room 3. Please contact either Roxanne (213) 705-0806 or Floyd (951) 317-3127. ~ **Floyd Reid**

BRIDGE 4 FUN

Four Season's newest bridge group plays Mondays, 12 noon in the Game Room next to the Library at The Lodge. Come play, watch, learn and sharpen your skills. For more information, call Sandie Urie (951) 769-8307 or Mike Saperstein (951) 769-7909. ~ **Sandie Urie**

BRIDGE FOR FUN

Many of us have just started playing bridge or picked it up again after many, many years since moving to Four Seasons. It is an interesting game that keeps us learning. Not only do we have a great time enjoying each other's company, but we learn from each other as well. Most of us thought, "How difficult can a card game be?" Well it's amazing how 52 playing cards can create so many games. It is equally amazing how bridge can be so challenging and have so many conventions to learn. An example being a bid that provides a signal of communication to your partner that is not what you said. So if we confused you with that, come sit in and see if it is a card game you might like to learn. We meet in the Card Room in The Lodge at 12 pm on Wednesday. For more info, call Verina Rector at (951) 769-1687. ~ **Tom Halley**

PERFORMING ARTS CLUB

February is the month for love and you're going to love the line-up of shows we have for you in 2019. So, get your calendars out and put in the dates. We don't want you to miss out on the fun!

Radio Show - Friday, March 15

Auditions have already taken place and we're now in rehearsals. Tom Shelley is back as Producer and is very excited about this show. It will be comprised of two old-time Radio Shows from the 1930s -1950s. If you remember sitting by the radio listening to your favorite programs with your family, this is reminiscent of those times. Instead of just listening, you'll experience it as an audience member. If you prefer to relive your childhood memory, simply close your eyes, listen to the actors portray their characters, and you'll be transported back to your younger years. If you've never listened to radio shows before, this show is your chance to experience it.

Twisted Cabaret III - Friday, May 10 and Saturday, May 11

This show is a definite favorite among Four Seasons residents. John Horning, Producer, puts together several "suggestive" skits, songs, and comedy into a very fun and enjoyable show. I'm using the term "suggestive" because this program is peppered with bawdy references. No children will be allowed access to this show.

Radio Show - Saturday, July 27

This will be the second installment of our Radio Shows. Auditions

will take place in late May or early June. Please refer to our Breeze article in April and May for the exact date. The performance will once again be comprised of two enjoyable shows dating back as early as the 1930s.

To Be Determined - Friday, Sept. 6 and Saturday, Sept. 7

At the next Performing Arts Club meeting, we will have discussions on what this show will be. Please continue to read our articles in future *Breeze* publications for more information.

Holiday Show - Friday, Dec. 6 and Saturday, Dec. 7

Every year we entertain you with beautiful holiday music from the Four Seasons Singers choir and other musical and comedy acts. This year will be no different. We will strive to make this show one of our very best. Please read future *Breeze* articles for additional insight on the content of this show.

Wow! What a year of shows! We promise to bring you the best entertainment we possibly can this year. It's absolutely amazing how many talented Four Seasons residents we have. From actors, singers, and comedians to our support teams of lighting, sound, stage set-up, and back stage crews. We do this all with keeping to our commitment of producing these shows and bringing them to you at no charge!

Any questions, contact me at (951) 992-9156 or (602) 309-0919. Email: terimk@verizon.net. ~ Teri Meyers-Kelman

LET'S DANCE (BALLROOM DANCE)

Our fabulous formation waltz dancers, along with other members of our dance group.

Our Christmas Dinner Dance was a great evening once again with over 150 guests!

We always enjoy these events and we thank you for your great support. Along with good food, music, and dancing we were treated to some very special entertainment. With choreography and guidance from our professional dance instructors Cindy and Rhonda, and lots of practice, 16 of our club members presented a graceful and beautifully executed Formation Waltz. Bravo!

We enjoyed dancing the East Coast Swing in January and look forward to learning the Fox Trot, Tango, Cha Cha, Waltz and Viennese Waltz, Country Western, Salsa/Mambo and Rumba during 2019. We typically learn a new dance each month with reviews of the dances we have learned so far.

As a reminder to any new residents or any of our neighbors who are thinking about dance, this is just a social dance group having lots of fun. We recognize the limitations we have as we age. We hate to admit it, but we're not as flexible as we were, don't have as much stamina, and our joints complain more. Even so, our form of dancing is helpful in keeping our bodies fit and providing good activity for our minds.

Plan to join us in the Ballroom on Monday nights from 6 to 7 pm for Newcomers and Beginners, and from 7 to 8 pm for Intermediate and Advanced. The cost is \$10 per person with our professional instructors. For information, contact Puring or Gary Stifter at (951) 922-8333 or at purings@verizon.net. ~ Sue Condurachi

LINE DANCING

The new year is underway and it is time to put down that cookie and come dance with us.

Country Line Dance started off the year with a "Sock Hop" in January. As usual, it was well attended and a great way to start the year. Dancing keeps you young and is great exercise for the body and brain. Plus, it is fun!

The new session of the Beginners Line Dance Class began on Jan. 8. Janine Rohrbacker is teaching the three-month session. She started teaching easy dances such as the Electric Slide. These beginning dances include basic steps like the vine and the jazz-box that are used in many of the dances we do. Even if you have never danced, this instruction will help you become a good dancer and it is fun! Beginners Class starts at 2 pm every Tuesday in the Ballroom.

The Intermediate Class begins at 3 pm and is taught by Martha Franck and Janine Rohrbacker. There is less step-by-step instruction, except when a new dance is being taught. Dances are reviewed as needed. If you have taken the Beginners Class, don't be afraid to try out the Intermediate Class. All the same steps you have learned are in these dances. It will challenge you and keep your brain and body in shape.

The Advanced Class begins at 3:45 pm. Martha Franck has been teaching the advanced dance "Bobbi with an I." It is a complicated dance, but a lot of fun!

Bring water and wear shoes that can slide on the wood floor.

A donation of \$1 per week will be used to host our parties and sock-hops. Please remember to sign-in each week. All classes are held on Tuesday afternoon in the Ballroom. ~ Cindy Schwinn; cmsausten@aol.com

Line Dancing is for guys too!

CHAVURAH (HA-VU-RAH) JEWISH SOCIAL CLUB

The Four Seasons Chavurah (Ha-vu-rah), an informal social and cultural gathering group, provides an opportunity for the community to connect to Judaism, and welcomes all interested Four Seasons residents who want to participate in Judaism's culture and celebrations. In the next months, we have planned several outstanding events.

February & March Events: The Chavurah Movie Night and Chavurah Trivia Night events will again be scheduled in February and March. Look for special flyers in The Lodge announcement holders at the poster board section, and in the Daily Report.

Everyone is invited to the Chavurah 'Jewish Movie Night' on the third Sunday in February and March. Before each movie is a dessert potluck in the Card Room in The Lodge at 6 pm, followed by the movie at 6:45 pm. We invite you to participate by sharing your ideas for future movies. All suggestions should be forwarded to Nancy Justice, Movie Chairperson. Please bring your desserts and drinks for the pre-movie gathering; coffee and tea is provided. Popcorn is provided for the movie. For more details, look for the flyer and

poster in The Lodge.

Chavurah Trivia Nights are on the first Sunday of each month. Trivia Master Joe Barletta leads a lively Trivia game in the RCN at 6:30 pm with prizes given to the various winning teams. Join us when Joe and Sandi, Social Committee Chairs, start again in March. We invite you to share your refreshments and drinks. For more details, look for the flyer and poster in The Lodge.

APRIL EVENT: The Social and Cultural Committees are planning the Festive April Passover Seder (dinner) between sundown, Friday, April 19 (Iyyar) to sundown, Saturday, April 27. If you would like to volunteer your home, with your selection of date and time, please contact Nancy Justice, contact information below.

For more information about these events, or to be put on our email list, please contact us at chavurah.time@aol.com, or talk to a social or cultural committee chairperson: Nancy Justice (Movie Night) (951) 769-5804; Richard and Tsilya Hoffman (Cultural), (951) 845-1830; Joe and Sandi Barletta (Trivia Night) (951) 524-0237; Dr. Zee and Ernie Knapp, (714) 423-4755, (General Questions). ~ **Dr. Zee Knapp**

LIFE GUIDE BIBLE STUDY

This month we will be completing our study of the Beatitudes led by Jim Seim. It has been great to discover new insights from this famous sermon by our Lord. We will then begin a study of the Book of James, which will be led by Doc Sellars.

We invite all residents to join us for fellowship, discussion, and

learning from God's Word. We meet in the third section of the Ballroom every Tuesday evening at 7 pm. Contact Doc or Letha Sellars with any questions or comments at (951) 797-3302 or docletha72@gmail.com. ~ **Doc Sellars**

"BELIEVE..." WOMEN'S BIBLE STUDY

We are so excited to begin our sixth year in "Believe..." Women's Bible Study! To kick off the new year, on Jan. 4 we began our "Changes" series, discussing changing our minds and hearts. We then went on to the subjects of changing our attitude, our thoughts, our focus and perception. In February, we will complete this series by discussing how we change our study of the Word and finally changing our prayers. On Feb. 15 we will begin our next study of Paul's letters (encompassing most of the New Testament) which will continue to the end of the year.

If you are interested in joining an amazing group of Godly women who are also genuine prayer warriors, come join us any Friday morning at 10:30 to 11:45 am in The Lodge Game Room. We will welcome you with open arms and hearts. ~ *Eileen Gilbert-Antoine; egcellent@msn.com*

WOMEN'S EVENING BIBLE STUDY

We will be taking a life-changing journey together into an intimate relationship with God through prayer. King David, a man after God's own heart, says in Psalms 86:5, "You, Lord are forgiving and good abounding in love to all who call to you." What is the purpose of prayer? To whom should we pray? How do we pray with power? These topics and many more about prayer will be covered in the months ahead. We invite all women to this non-denominational Bible study. You will be welcomed by a very caring group of women.

Yes, it's winter, cold and windy, but you will warm up as you fellowship with us and dig deep into God's word.

In February, we will meet on Thursday evenings, the 7th and 21st, from 6:30 to 7:45 pm in The Lodge Game Room. We are growing together through the Word of Truth.

"I have not stopped giving thanks for you, remembering you in my prayers." Ephesians 1:16. ~ *Mary Baer, baerhuggy@icloud.com*

INTERCESSORY PRAYER GROUP

Greeting intercessors, friends and neighbors!

Let love move your heart in 2019 like never before. In 3950 BC the wisest king who walked the face of the earth said, "guard your heart above all else, for it determines the course of your life."

Many people have shown love in many ways, such as reaching out to others in time of need, sacrificing their lives to save others, and first responders and private citizens opening their homes to those who needed a place to stay after losing their homes to fires and other natural disasters. Going out of your way to help others by showing compassion, caring, concern, kindness, goodwill, and sympathy are just a few of the ways we can be a blessing.

Come meet with us on the first Monday of each month and pray. As a community, we can move mountains of adversity. Will you come and join us this year to pray for our community, the sick and all other concerns in Beaumont/Banning, and all of our surrounding communities? Hope to see you on Monday, February 4, at 9 am

in The Lodge Game Room. Men are welcome. ~ *Cookie Bonner; eaglewatchwb@aol.com*

BEREAVEMENT GROUP

One of the things we talk about in our group is journaling. Often the topic is met with a lukewarm response, but we persist.

One or more of the participants may recall how helpful it was to keep a diary as a way to negotiate through sometimes confusing and/or painful adolescent issues. And someone else might share that they had written a letter - never to be mailed - to a parent, spouse, boss, or other - sharing their hurt, anger, sadness, or confusion that had been festering for years.

Eventually someone might decide that writing, or journaling, might be helpful. So they do it. And bring it in. And share it with us. And we are moved by their effort and their honesty. And often, their creativity.

Dick Schleicher spent almost his entire life with his late wife Sylvia. They met as young teenagers and stayed together until her death about two and a half years ago, 70 years later. He has written before and shared his work with the group. His most recent writing is the following poem.

*When a mate passes away
Grief stalks one day by day
I soon knew severe and persistent pain
It covers me at times like a torrential rain
I feel guilt for not knowing a path to keep her alive
Now I don't know how I can be so alone and lonely survive
If there is a life plan preordained for one and all
Then a lack of Creator compassion must be the call
Memory of her warm and loving person goes on and on*

*Hope for reuniting in an afterlife is a wonderful hope
If that is not to be than death's silence will allow me to cope
Family and friends make life's days still worthwhile
The thought of them now brings a gentle smile
Keeping myself busy each and every day
Shine warmth and light on the unknown events fate will pay
I still yearn daily for health and joy
I hope my positive attitude is real and not coy
and that I am not fates favorite toy*

If you have experienced a loss and would like to try joining us, you can just show up or you can get in touch with me first. My phone number is (951) 922-0934 and my email is lauriemlarson425@gmail.com. We meet in the RCN Conference Room on Mondays from 1 to 3 pm. ~ **Laurie Larson**

KIWANIS CLUB OF BEAUMONT

Come join the Beaumont Kiwanis Club on Feb. 2 for their annual Pancake Breakfast. Breakfast will be served from 6 to 10:30 am, at the Beaumont Civic Center, 550 East 6th Street Beaumont. This is a fundraising event for the club and all proceeds will go towards Beaumont High School scholarships. The breakfast will consist of pancakes, eggs, sausage, orange juice and coffee. All this for only \$6.

All money the Kiwanis Club raises from fundraising projects will be contributed to helping kids of our community.

During the past year the Kiwanis Club has given out four scholarships to deserving Beaumont High School students. Club members have volunteered over 150 hours helping the Cherry Festival by working the entry gates. This was a community project, as well as a fundraiser. Club members assisted the Beaumont Cherry Valley Recreation and Park District with their annual Fishing Derby, donating fishing bait and helping the kids learn how to fish. Money

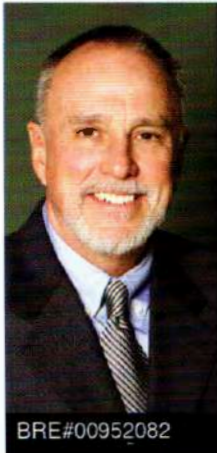

was given to ChildHelp to pay for paint and to refurbish their playground equipment. Club members volunteered over 750 hours working on the Winter Wish Project. The club also adopted a family for Winter Wish. We purchased gifts for the kids and food for the family.

Come join the fun and join Kiwanis! We are always looking for new members. The more members we have, the more service we can do in the community. Our focus is helping the children of the world and the community of Beaumont.

The Beaumont Kiwanis Club meets in The Lodge Conference Room on the second and fourth Thursday of the month. The meeting starts at 6:30 pm. Many of the members come early, order at the Bistro and eat prior to the meeting. You do not need to be a resident of Four Seasons to be a Kiwanis member.

For further information, call Buzz Dopf at (909) 208-0880. Hope to see you there! ~ **Buzz Dopf**

AFRICAN AMERICAN CULTURAL CLUB

Black Girl Magic: It was an historic event when 17 black women were sworn in as judges for Texas' most populated county.

The judges, who have more than 200 years of experience among them according to Houston station KHOU, are believed to be the largest group of black female judges elected at the same time in the history of Harris County, Texas. Harris County, which includes Houston, has a population of more than 4 million.

"It's a brand new day in Harris County! ...Swearing in of the newly elected county officials and judges. Today we usher in a new era of representative government and progressive leadership in Harris County." Harris County Democrats announced on Twitter New Year's Day.

The judges were part of a local Democratic campaign running with the slogan "Black Girl Magic Texas" that included 19 women. The two women involved in the campaign who lost their races running for statewide office were already county judges and will keep their seats, according to The New York Times.

Incoming judge Angela Graves-Harrington told KHOU the election was a reflection of Harris County's diversity, which is nearly 20 percent black, according to census data.

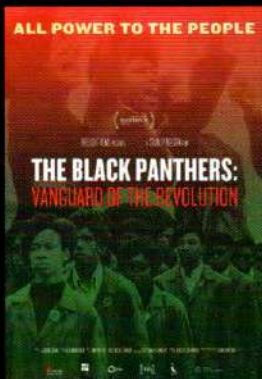

"I also wanted to serve as an inspiration for all those people who wondered if they could," Graves-Harrington said. "Yes you can." Original article provided by *USA Today*.

Celebrate Black History Month two ways. First, attend our free film festival

(below). There will be a Q&A discussion and refreshments after each film. Seating is limited so contact Regina Thomas at (909) 534-4918 for reservations. Second, join us on Saturday, Feb. 16, from 1 to 4 pm in The Lodge Ballroom for "A Taste of Soul." It will feature an honor ceremony on 11 of the most accomplished and celebrated black people in America and the African diaspora. There will also be 'Soul Food' and live performances. Tickets will be on sale for \$12. For tickets, contact Shirley Caldwell at (951) 769-0014 or Roxie Elliott at (951) 769-2571.

Club meetings are the first Monday of the month in The Lodge Card Room at 6 pm. For more information, contact Joyce Allen at (951) 769-4354 or Roxie Elliott at (951) 769-2517. ~ Regina Thomas

CARS & COFFEE

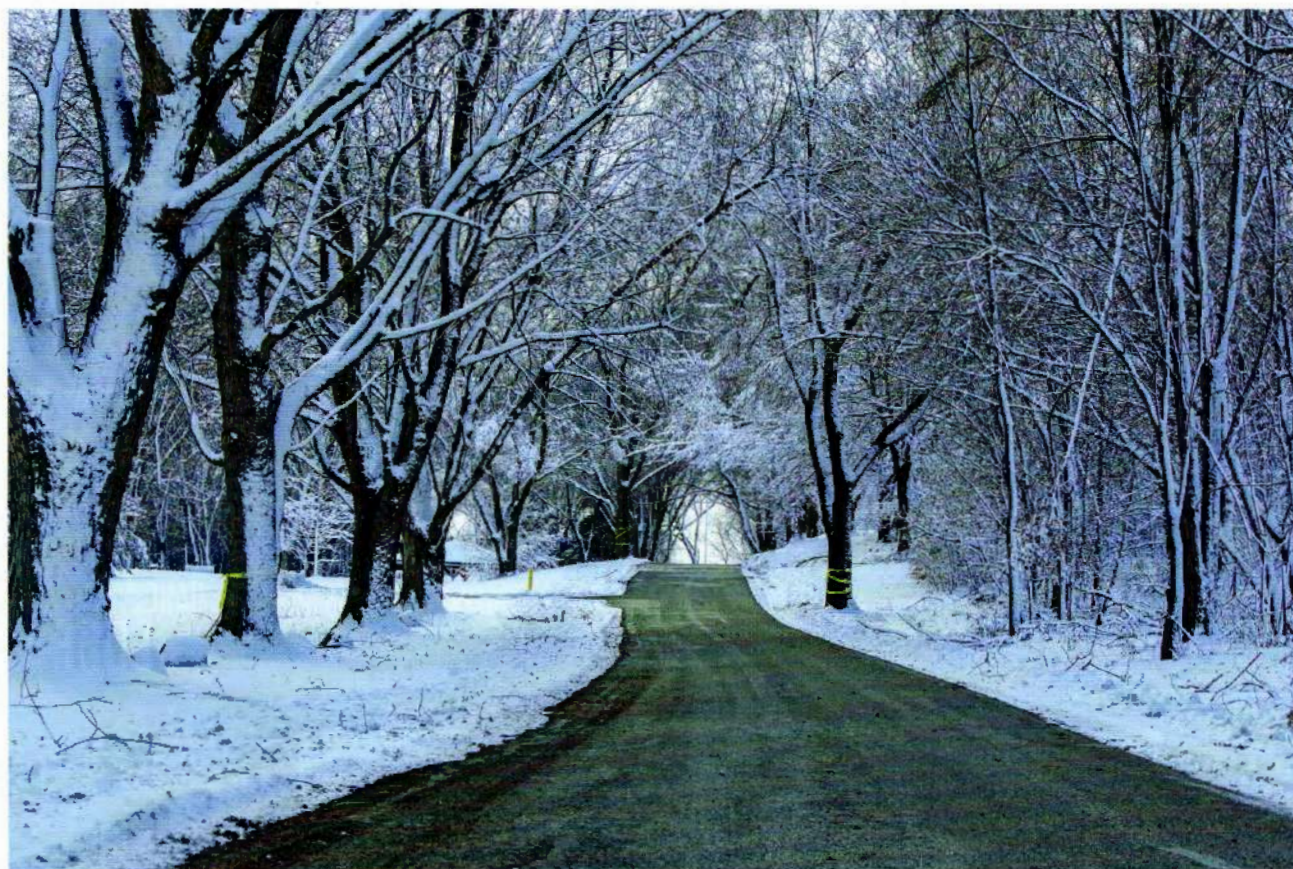

Cars & Coffee at Four Seasons started off the New Year with the first gathering of classic and hot cars, trucks and motorcycles at The Lodge Parking lot on Saturday morning Jan. 5. Organizers Frank Morales and Rick Morales (no relationship) were enthusiastic with the great turnout of over 20 cars and motorcycles (special thanks to the Four Seasons Motorcycle Club). There were Corvettes, Mustangs, hot rods, classic Chevys and Fords, muscle cars and some really cool motorcycles. The next gathering will be Saturday, Feb. 2 at 9 am at The Lodge parking lot (weather permitting). Come and join us every first Saturday of the month. Spectators are more than welcome. For additional information, please contact Rick at (951) 255-4710 or Frank at (951) 203-4578. ~ **Frank Morales**

CAMERA CLUB

We meet the third Tuesday of each month at 6:30 pm in the RCN Main Lobby Room; thus, our February meeting will be February 19.

In our January meeting, not yet held at this writing, we'll explore Bokeh, which comes from a Japanese word roughly defined as the out-of-focus area of a photograph. We'll explore Field of View techniques and how to achieve Bokeh effects.

We should have lots of examples from members' holiday pictures

of ornaments, lightings, etc. Next month I'll let you know the results.

Visitors are always welcome. We invite all photographers, regardless of skill level, to join us for our regular meetings, workshops, in-house hardware and software demonstrations, guest speakers, field trips, and more.

We hope to see you soon. ~ **Lyle Cameron**; lylecameron@verizon.net

TRAVEL GROUP

Do you like to travel? Then come to the Travel Expo on March 22. We are looking forward to growing the group and enjoying our journeys. If you are not on our email list and want to receive Travel Group updates, please contact Sharon Bond at sjbond2013@gmail.com. ~ **Sharon Bond**

FOUR SEASONS SINGERS

The Four Season Singers made an appearance at Club Day on Jan. 26. We also had a table with The Performing Arts Club to recruit new members and answer any questions including: What is PAC; what is choir; what is a Radio show; what kind of performances do you do; what technical help do you need; how can I become a member; and what can I do?

We plan to start our regular choir rehearsals again on Monday, Feb. 11, at 3 pm in The Lodge Ballroom. We will continue to rehearse every Monday from 3 to 5 pm until our performance at the upcoming Variety Show in May 2019.

Four Seasons Singers work hard to learn our music. We also laugh and have a lot of fun together. Singing helps your breathing and sinuses, and it helps you to be social at the same time. Singing releases endorphins into your system and makes you feel energized and uplifted. If you would like to join the Singers, would like to be included in my email list, or if you have questions about the Four Seasons Singers, call (951) 797-3466 or email me at bawasco@dc.rr.com. We always welcome new recruits who want to sing! ~ **Barbara Wasco**

CLASSICAL MUSIC CLUB

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in the Theater. We listen to and watch musical selections on the big screen. Each month we focus on a particular work or several selections of one composer. We also discuss current musical performances in the area. We welcome new members. Contact Steve Benoff at steve.benoff@verizon.net or (310) 413-4896. ~ **Steve Benoff**

SEASONED SOLOS

If you are single and enjoy a variety of activities, then Seasoned Solos just might be the group for you. We currently have 20-plus members.

At each meeting we discuss what is going on in the Inland Empire and plan activities for the coming month, from local lunches and dinners to excursions to presidential libraries, Redlands Bowl, Metro Link trips into LA and the beach train to San Juan Capistrano. There's not much that we won't consider doing.

We meet on the first Friday of each month in The Lodge Craft Room at 6 pm. For further information, call Joyce at (951) 850-3055. ~ **Joyce Olson**

BOOK CLUB

From the *New York Times* bestselling author of the *Tradd Street* series comes a stunning novel about a young single mother who discovers that the nature of friendship is never what it seems...

Recently divorced, Merilee Talbot Dunlap moves with her two children to the Atlanta suburb of Sweet Apple, Georgia. It's not her first time starting over, but her efforts at a new beginning aren't helped by an anonymous local blog that dishes about the scandalous events that caused her marriage to fail.

Merilee finds some measure of peace in the cottage she is renting from town matriarch Sugar Prescott. Though stubborn and irascible, Sugar sees something of herself in Merilee—something that allows her to open up about her own colorful past.

Sugar's stories give Merilee a different perspective on the town and its wealthy school moms in their tennis whites and shiny SUVs, and even on her new friendship with Heather Blackford. Merilee is charmed by the glamorous young mother's seemingly perfect life and finds herself drawn into Heather's world.

In a town like Sweet Apple, where sins and secrets are as likely to be found behind the walls of gated mansions as in the dark woods surrounding Merilee's house, appearance is everything. But just how dangerous that deception can be will shock all three women.

Join us at The Lodge when we discuss *The Night the Lights Went Out* on Tuesday, Feb. 12 at 9:30 am. Everyone is welcome. For more information about the Book Club, call Doreen Sanders at (951) 769-1913. ~ **Trish Owens**

WRITERS' CLUB

February is the month to think about love and presidents. Love and presidents make me think about genealogy. Genealogy makes me think about writing something for future generations. Actually, I know that some of you in the community actually do this. One of our Writers' Club participants has published memoirs from genealogy research in English and Spanish.

How do presidents fit into genealogy? Some of the community are related to presidents, pirates and other people of renown. What stories those would be! Personally, I'm on the illegitimate side of King Henry VIII's family which is why I'm here to tell. Any closer to the throne and I would be dead.

Love is always a reliable subject for writers!

Several of the Writers' Club have written and published poignant poetry. The end of that sentence is lovely alliteration! Frequently the poetry reflects a different time, space and mind-set of the writer. The poem makes the reader travel back into a place they thought they'd forgotten.

What do you think about the color red? Does red illicit anger? Passion? Speeding tickets? Apples? Valentine's Day? Sailing? Fires? The color red inspires and stimulates many writers just as the other colors in the crayon box.

Join us for the Writers' Club on the second Tuesday of the month at 1:30 and 6:30 pm in The Lodge. We'd love to meet you! ~ **Karla Noonan**, (951) 902-5407

PICKLEBALL

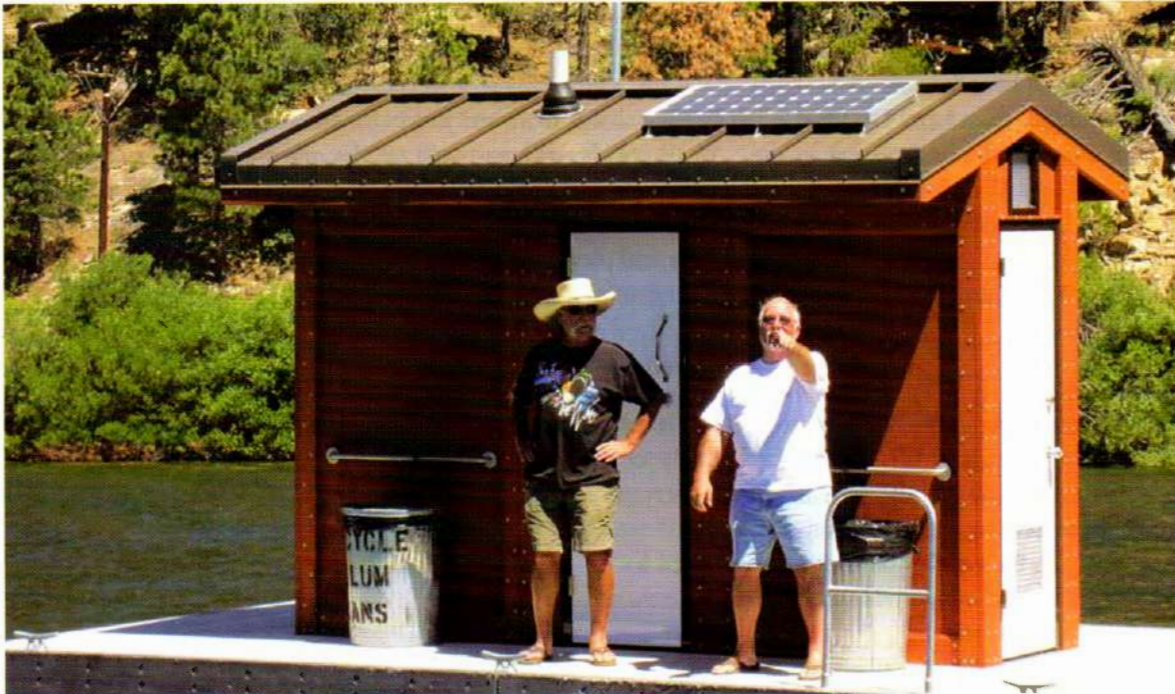

December was one wild and crazy month for our sturdy group. We endured the wind, rain and cold weather to play our beloved sport. We now have more than 100 players on our roster, and still growing as more new homeowners discover the joy of pickleball. We had our in-house tournament on Dec. 1. Many players competed for women's doubles, men's and mixed doubles. Our medal winners were:

Women's Doubles	Men's Doubles	Mixed Doubles
Padoo Peralta	Perry White	Padoo Peralta + Dave Thomason
JoAnn Sepulveda	Chris Ingram	Teri Albright + Marty Rotman
Kellie Boggs	Syed Ali	Bruce Lewis + Kimi Olsen
Mona Swinehart	Jesse Aceves	Kellie Boggs + Syed Ali
Donna Lewis	Jim Samples	Doris Day-Ledesma + Kimi Olsen + Garrett Warman
Renee Brickman		

See photos of some of our winners; not all winners were present.

We had a wonderful holiday party on Dec. 15 to celebrate the end of a fun pickleball season. We gave out medals for our tournament. We played silly and crazy games and feasted on a delicious luncheon provided by the Bistro. We had 90 some members join together in the holiday celebration. Now as the year has ended, we wish all a happy new year and hope you might want to include pickleball as part of your exercise resolutions.

BILLIARDS FOR FUN

Billiards for Fun is made up of amazing and fun Four Seasons residents, and no – it's not mostly guys. We have some excellent women who are darn good pool players too. Check out the adjacent pictures of some of our players. They look like they're having fun, right? Okay, they're in high concentration mode, but having fun too.

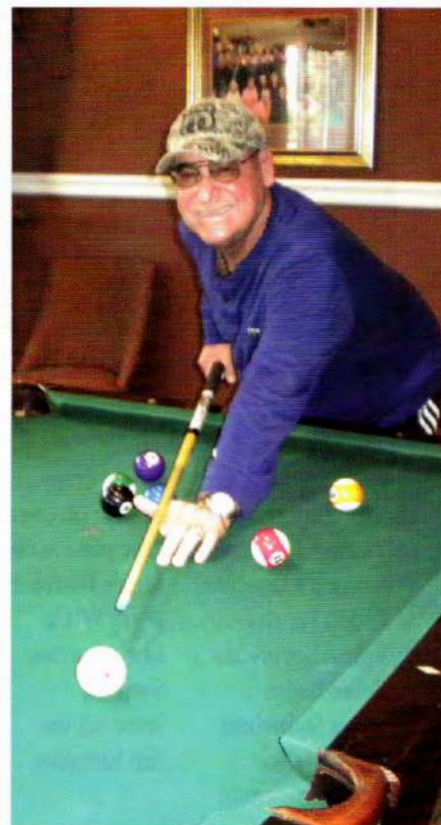

Our first in-house tournament of the year will be held on February 5. These are quarterly tournaments, with winners from the first session and the second session fighting it out on the pool tables to come up with first and second place winners, whose names will be permanently displayed on our new 2019-2020-2021 plaque! Come join us now, because the rule of play is, you must play at least three Tuesdays in the prior three months to play in the tournament. So hurry to the Billiards Room at The Lodge any Tuesday from either the 11 am to 1 pm session or the 1 to 3 pm session. We'll be looking for you. ~ *Eileen Gilbert-Antoine*

WILD BUNCH BILLIARDS

The "Wild Bunch" 8-Ball Billiards Group is geared for those individuals who want to play competitively with those of their skill level. We started the new year with inviting the "best of the best" from Sun Lakes and Solera to play competition on Fridays, from 12:30 to 3:30 pm in our Billiards Room at Four Seasons. It has been a great success with the skill levels ranging from Level 4 to Level 7.

The "Wild Bunch" consists of some of the best players in the league: Calvin Moore, Joe Spinella, Lucas Don, Bob Rector, Robert Turner, Mike Corbett, Carlos Rivera, LeRoy Wright, Rocket Spinosa, and Gracy Luna.

We will be hosting another competitive tournament between Sun

Lakes, Solera, and Four Seasons in March. We are also planning a competitive Community Tournament here at Four Seasons with everyone welcome to play. We are looking forward to some great competitive play and taking home the trophy.

If you want to play serious, competitive pool, we invite you to come by the billiards room and join in the stimulation of competitive play. We do not play with partners; we play one-on-one with an opponent of your skill level. We are always looking for those who want to play competitively and, who knows, you just may want to change up your game and play on the team.

And, most important, we have a good time! ~ *Gracy Luna*

CURLY CUES

Curly Cues is our FS women's billiard group. We're a fun group of ladies where you are sure to find "lots" of chatter and laughter. Oh, and we play billiards too! It doesn't matter if you have played billiards or are a novice, we will help you, everyone is welcome. We have many beginners who have become quite competitive good shooters.

We held our annual holiday party at Tukwet Canyon Golf Course hosted by Joy Collins, Lois Waugh, & Lois LaMottee. It was a wonderful luncheon and gift exchange, thank you ladies for always doing such a great job.

Mondays from 11 am to 1 pm will be our regular doubles (pull peas for partners) session. We will start a second singles session on a trial basis from 1 to 2:30 pm and is geared toward the more advanced player, based on participation we may or may not keep this going.

Please contact Leta Ramirez at (626) 695-0798 or Pat Semler at (714) 325-5280 for more information. Hope to see you there! ~ *Leta and Pat*

THE 8-BALL CLUB

The 8-Ball Club holds two in-house tournaments each month, an 8-Ball tournament (no surprise there) and a 9-Ball tournament. This month we also had our end-of-season dinner at Sizzler's. The turnout was huge. I just wanted to thank Jone Babin for being there to greet everyone on their arrival.

This month's 8-Ball tournament found 10 players battling it out to become this month's champion. For the first time, that I'm aware of, the final was an all-female event.

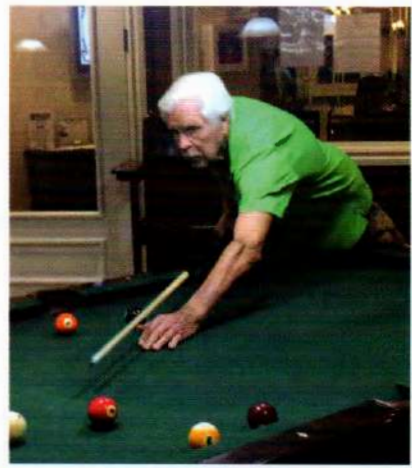

Jone Babin and MaryAnn Diehl both made it to the last game in the winners bracket. Jone sent MaryAnn to the loser bracket, only to have her show up again for the Championship match. But, alas, Jone defeated MaryAnn in the Championship match to become December's 8-Ball champion. Congratulations to Jone Babin this month's champion and MaryAnn Diehl

this month's runner up.

The 9-Ball tournament had seven players competing for this month's championship. When it got to the finals, Robert Howard found himself up against Ray Windhorn. Robert made it to the final match undefeated, having won his first three matches. Ray lost his first match and worked his way up from the loser bracket to make it to the championship match. Robert continued his winning streak to become this month's 9-Ball champion. Congratulations to Robert, this month's 9-Ball champion, and Ray Windhorn, this month's runner up.

The 8-Ball Club is open to Four Seasons residents who love the game of pool. If you're interested, or want to know more about the club, give Del or Larry a call.

CUES FOR TWO

Cues For Two plays on Thursday evenings from 5 to 8 pm open play, come and go as you please.

This is a friendly couples group. Some evenings we have a full house and some we have just our die-hard few, but regardless, we always have a good time.

We celebrated the holidays with a party at The Summit with 12 couples attending. We had good food, good company, and some

really fun activities including BINGO and the "cellophane ball," which was filled with some pretty fun and crazy items that really caused a stir and uncontrollable laughs.

Our fourth quarter tournament was held on Dec. 13. See winners at right.

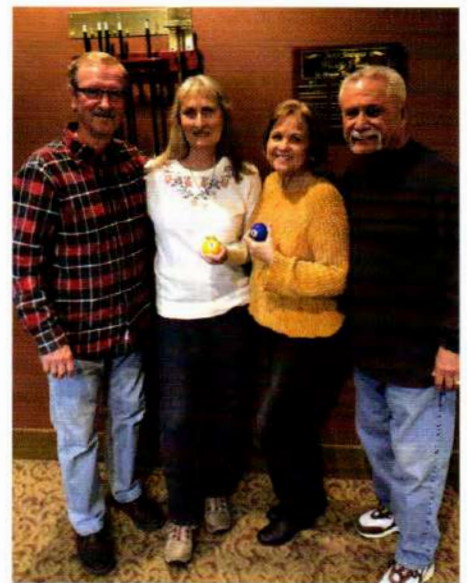

If you are new to the community or have been here a while and are looking for something to do with your partner, come check us out! ~ **Leta and Pat**

MOTORCYCLE CLUB

As we ring in 2019, it's time to thank those who made the year 2018 a success for the Four Seasons Motorcycle Club. First, thank you to our club president, Terry Humble, for his high energy and upbeat leadership style. Terry enthusiastically took on every responsibility thrown at him throughout 2018. Our monthly meetings were consistently well attended, and we saw a lot of riders turning out for our Thursday rides; no doubt due in large part to Terry's leadership. And finally, Terry organized and planned the November Laughlin multi-day ride. More on that below. Thank you to club president Terry for a very successful 2018!

Second, thank you to Bob Howard and to Howard Lyon; both are veteran riders and founding members of the Four Seasons MC. Bob and Howard handled all of the logistics of the two other multi-day rides that we took in 2018. In May we took a week-long ride through Utah and in October we took a two-day ride to Jacumba. Planning a multi-day ride is a huge job as it includes setting the route, designating rest, gas and meal stops and arranging for lodging. Thank you Bob and Howard for making our Utah and Jacumba rides memorable ones!

Third, thank you to Scott Snyder. Scott is becoming our unofficial

(official) photographer for the club. After every ride we can always count on Scott to send each member some great pictures of the day's ride. Thank you Scott!

The final multi-day ride of 2018 was to Laughlin in November and, as anticipated, it turned out to be a nice send off to 2018. Six MC members made the ride, five of whom were joined by their spouses. The four-day trip included a 125-mile day ride to Oatman, Az on old Route 66 and a 200-mile day ride that included a ride to Kingman and to Hoover Dam. The ride back home included a stop at Searchlight and a ride through the scenic Mohave Preserve. What a great way to end the year. Thanks again to president Terry for organizing the trip.

And now we look forward to 2019. We'll continue to take our Thursday rides, even during the winter cold (I've got to get those heated motorcycle grips installed!). As for multi-day rides, two are already on the books. In April we will be heading to Arizona taking in the sights in Tucson and Tombstone as well as a number of other points of interest. In September we will be heading up the coast to San Francisco then east to the Sierras and back home on old 395. Can't wait! ~ Jim Ayala, jimrayala@aol.com

LADIES PUTTERS GROUP

The Ladies Putters Group's new season started on Jan. 7 and they are excited about their many activities in 2019.

In addition to their weekly putting, the LPG members will be hosting a Bring a Buddy Putting Day. The only requirement is that the members must invite a male buddy. This event will take place on Feb. 25 and March 1.

The LPG will also be participating in some offsite putting tournaments at nearby local golf courses. Look for updates on these tournaments in future *Breeze* articles.

You can sign up for the Ladies Putters Group in the lobby at The Lodge and at The Summit. If you wish, you may also sign up for the LPG at The Courts, preferably Mondays at 6 pm or Fridays at 9 am.

Putting begins every Monday at 6:30 pm. If you prefer to putt earlier in the day, join the group on Fridays at 9:30 am. All sessions take place on The Courts putting green.

So, if you want to start something new in 2019, come and try your hand at putting. You don't have to be a golfer and all ladies are welcome. The LPG provides assistance, encouragement and a lot of fun, for anyone interested in putting. They also have putters and balls, if needed.

If you have any questions regarding the Ladies Putters Group, please contact Judy Irving at (951) 922-2525. ~ *Vivian Walker*

TENNIS CLUB

Well, one month down and 11 more to go in 2019. February brings us Groundhog Day, Valentine's Day, Lincoln's Birthday, Presidents' Day, Lunar New Year (it's the Year of the Pig; yippee for BACON!) and March's monthly bills that are due three days earlier. We had a terrific Play Day back in December, where we got to honor those icons of senior tennis, Mickey and Howard Nelson. The Tennis Club provided them with a proclamation recognizing their dedication to the great game of tennis (life-extending, in fact; please refer to January's *Breeze*) and their contributions to tennis at Four Seasons Beaumont.

Among their court accomplishments were numerous gold medals for winning age-group mixed doubles championships and hob-nobbing with tennis royalty (no, not you Princess) and celebrities, as they RVed their way to play in tournaments. Life membership in the Tennis Club was bestowed upon our Ambassadors, thus entitling them to all of the benefits and privileges of the Club, and all without the continuing need to pay annual dues. That'll save them a combined 40 bucks! Which

they may be able to spend on more drawing prizes, such as the stiff cat thing and bag of easy-to-peel Cuties, won by Darell I. and Larry M., respectively.

Also, part of the December Play Day was a Club-hosted pizza party on the patio of The Courts. The propane heaters were much appreciated on the chilly day.

We welcomed new members Brian and Rebecca Flowers, who watched us eat pizza while we waited for their membership check to clear.

Free lessons and practice are held at 10 am on Saturdays that are not Play Days or other planned club events. Play Days are open to all residents of Four Seasons Beaumont on the last Saturday of the month starting at 9 am. Please note the time change for the winter months. Sometimes there are donuts or muffins, but always there's some low-stress tennis (the scores are never reported here, unless by chance someday I actually win, which didn't happen yet). ~ **Steven Hovey**, sahovey47@hotmail.com

PADDLE TENNIS

It's getting cold on our Paddle Tennis Courts, but there are a few players who want to play rain or shine. It's such fun playing, getting tired but a nice tired, and just think, you're getting the exercise we all need. So come out and join us. Don't know how to play? Don't worry, any Paddle Player on our Courts will show you how it's done and even loan you a paddle to try it.

Playing times are listed in the *Breeze* calendar or you can ask at The Lodge front desk, when, what time and where are the Paddle Tennis Courts. ~ **Diana Ali**, rowdinky@aol.com

PING PONG

To usher in the holiday season, the Four Seasons Table Tennis Club held its Annual Mixed Doubles Holiday Tournament on Dec. 8, followed by a Pot Luck Party, where members enjoyed pizza along with their favorite dishes.

Although most table tennis tournaments tend to be events that divide players by official ranking or age group, the FSTTC contest was simply an open draw that paired members of all skill levels to play together in a fun, yet competitive, contest. No real winners or losers here.

This year is shaping up to be a robust and successful one for the Four Seasons Table Tennis Club. Our mission in 2019 is to grow our membership by encouraging folks in our community to stop by The Courts from 10 am to 4 pm Monday through Saturday for the chance to either try the game for the first time, or perhaps relive the days of chasing table tennis balls around their basements or garages.

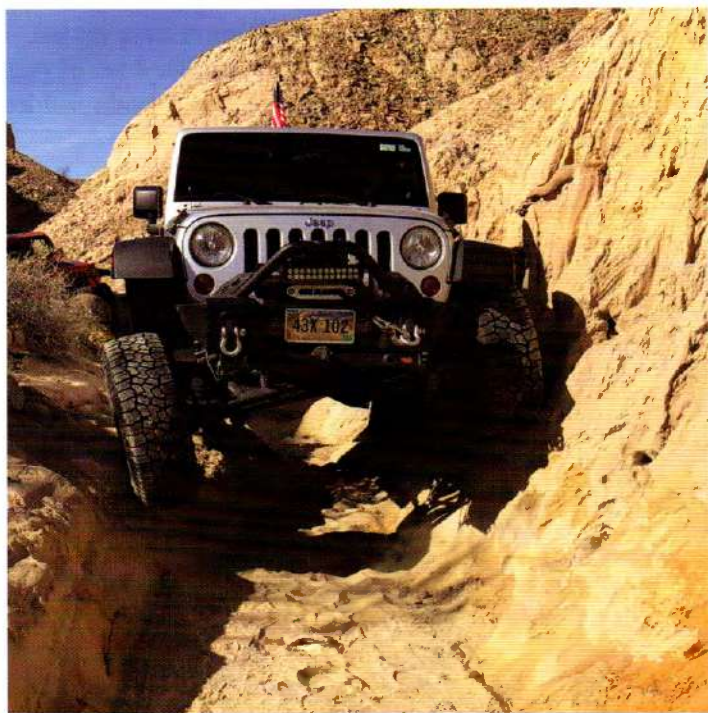

Table tennis is a sport that can be played all year round. In addition to being an excellent cardio workout, the games demand for acute hand/eye coordination and quick reflexes has been proven to have superb physical and mental health benefits for seniors, regardless of athletic ability.

Come join us at The Courts.

Happy New Year! ~ **Bob Rubenstein**, Brube88@gmail.com

FISHING CLUB

Lake Havasu

Do you need to catch fish to have a good time fishing? The answer to that question may come as a surprise to many people. Every person you ask may have a different answer to that general question. I have been fishing for 66 years and here is my answer: No, you don't have to catch fish to have a good time fishing.

My wife Shao is from China, and the first time I took her fishing was to the Salton Sea in the Coachella Valley. On the way to the sea

I had to stop numerous times to show her the many fruit trees and crops that she had never seen before. One tree that really fascinated her was a date tree that was full of dates and ready to be picked. She took pictures and sent them to her mom in China. When we finally started fishing and catching fish that was just the icing on the cake. It did not matter if we caught any fish at all because she was so excited about all the sights she had seen on her way to fishing she couldn't care less if we caught any fish.

While fishing I have seen birds and animals that most people have only seen in zoos or pictures in books. I have fished with wealthy and poor people alike. I have never fished with a person that I did not like. I would never have made so many friends if it had not been for fishing.

I was leaving a lake one day and had caught a bunch of fish. I passed an old man who was fishing near by. He asked me what I was going to do with all the fish I caught. I told him I was going to clean the fish and then go home and put them in the freezer. He told me that he had not caught a fish all day. He also advised me that he was going to go to a fine dining restaurant to have a glass of wine and a fine dinner. He then told me to have a good time cleaning my fish.

Tight lines to all my fishing friends and remember if you fill your freezer with fish you may not have room for your steaks and ice cream. ~ *Richard Carrasco*

TAKE A HIKE CLUB

The 2019 TAH will be on third Wednesday of each month.

We are an introduction to the many hiking choices in our area. We walk about five miles round trip at a trail less than 50 miles from Four Seasons. We do lunch near the hike location. In September we go to our annual Crystal Cove Laguna beach walk and lunch at The Beachcomber. Summer we head to Idyllwild/Barton Flats locations. So come hike with us, learn more about our mountains, Indian Canyons, Joshua Tree, Whitewater, even Redlands hikes.

BIRDING CLUB

The Birding Club welcomes beginning and experienced birders to start or hone bird identification skills. Our main activity is a monthly bird walk along Four Seasons' nature trails, which follow native riparian woodlands. We keep a list of all species observed at Four Seasons and take field trips to nearby birding hotspots.

Our Jan. 5 bird walk produced 25 species, which ties our previous records. The highlight was Four Seasons' first-ish Sharp-shinned Hawk (see Bird of the Month). Mountain Chickadees had a good showing and American Robins, which were absent from Four Seasons

last winter, numbered at least 30 on the bird walk and are present throughout the community this year. They were joined by numerous Cedar Waxwings, the first American Goldfinches of the season (they showed up in January last year too), and other resident and wintering species.

We meet on the first Saturday of the month at 8 am at the Trail A trailhead (Lodge parking lot). Email steve.h.edelman@gmail.com for current schedule and information. ~ **Steve Edelman**

Bird of the Month

Sharp-shinned Hawks are the smallest of three Accipiter species in North America. The very similar Cooper's Hawk is the most commonly seen and photographed hawk at Four Seasons (including the December 2018 Breeze cover photo), whereas the smaller Sharp-shinned had not been sighted at Four Seasons – until now!

On Dec. 14, Club member Barbara Wasco sent this picture of an immature Accipiter and stated "we thought it was the Cooper's Hawk we usually get... we noticed he was a lot smaller than the Cooper's Hawk...it might be a Sharp-shinned Hawk." I forwarded the picture to the club with "I'm leaning toward Sharp-Shinned."

During our Jan. 5 bird walk, there were lots of Accipiters – Dave Kettering called it "Hawkapaloosa!" Finally, one of them flew so we could see the tail, which in Sharp-shinned is square-tipped and may show a notch (compared to Cooper's rounded tail). Thus, the silhouette above nailed the ID of this bird as a Sharp-shinned Hawk! Later I looked through past photos of Four Seasons "Cooper's" Hawks and found this adult Accipiter, which has a head pattern characteristic of female Sharp-shinned Hawk.

I suspect we had an influx of wintering Sharp-shinned Hawks in December (Barbara's sighting and the large number of Accipiters on Jan. 5) and that some past Cooper's Hawks at Four Seasons were actually Sharp-shinned's (such as the probable female Sharp-shinned pictured here. Going forward, we'll for sure be looking more closely at "Cooper's" Hawks in the future! ~ **Steve Edelman**

*The group enjoys
January Bocce Ball on
cold Tuesday mornings*

BOCCE BALL

Bocce ball is played at The Summit, 9 am Tuesdays, 3 pm on both Wednesdays and Fridays. Everyone is welcome.

Play is on beautiful, tournament-grade, smooth, accurate courts and sideboards. Easy small step-in and ramps for wheel chairs or scooters. Smooth concrete surrounds courts.

The word "bocce" comes from an Italian word which is plural, meaning "to bowl." The small white ball, the pallino, is thrown first to start game. Rules are very simple. Get your ball as close to the pallino as possible in order to score a point. If more balls of same color get closer, these additionally score points.

Much like pool, bocce requires players to take turns. This makes it an ideal game for socializing in between turns. Often cheers, or laughter can be heard. No one has an edge in bocce ball unless of course they have played for years.

We generally play games to 12 points. Two games are played and take approximately 1-1/2 hours. First court winners stay and are challenged on second game by winners from the second court. We mix and match so no team is expert, and we change numbers on a team so no one is left out.

The game of bocce ball requires no specific skills or previous experience. You will get a little exercise and enjoy a beautiful view and breezes at The Summit all while having a great time with a great group of people. If you are interested in learning the game, please join us at The Summit.

SHUFFLEBOARD

We play on the three westerly courts outside The Lodge. The cracked courts have been repaired. Games are scheduled at 9 am on Saturdays and Mondays. All are welcome to come play, learn, cheer, moan, and enjoy. Trees provide shade and flowers are nearby. Learn, watch, and have fun.

Which color disc goes first? How do you score? Players use a cue (cue-stick). How do you keep opponents away from scoring? Come join us and get the answers to these questions. It will be fun! For more information call Mike Saperstein at (951) 769-7909 or Marty Rotman (310) 948-1693. ~ **Mike Saperstein**

HORSESHOE CLUB

Okay, moving into this New Year we've got much planning to do: enlisting monthly social "Dessert Hosts;" scheduling our first quarter tournaments; planning summer activities such as parties and BBQs; and many other fun activities. We have first-of-the-year good news: Santa paid us a visit over the holidays and dropped off some sorely needed horseshoe pit maintenance tools to replace the inadequate dust pan and broom provided by The Summit. We are looking forward to playing in some well-manicured pits this year. To start the year off, I'm including a group picture of our most consistently attending members. So, if you know any of these guys and are interested in joining our club, just ask them about it and I'm sure they'll be glad to tell you all about the Horseshoe Club. We meet every Wednesday at The Summit at 9 am.; so come on out and join us. Our contacts are: Ron Erickson at (951) 846-3288 and rejlerickson@sbcglobal.net or Gary Christie at (951) 845-0520 and goldtoy@earthlink.net. ~ **Ron Erickson**
