# Activities Director Corner

*By Cindy Graves, Activities Director*

Oh, my goodness! There is so much going on around here in October! You had better eat your Wheaties this month if you intend to keep up with all of the events. Check out this list of opportunities:

Oct. 5 from 8 am to 2 pm is the HOA Garage Sale, where people become millionaires selling their junk and where residents find secret treasures at amazing prices.

Oct. 5 from 7 to 9 pm in the Amphitheater, there is a concert called "Music Under the Stars" put on by the African American Club. The showcased band is a five piece favorite, called "Remembrance" and they are memorable! Everyone in the community is invited. Last year AACC passed out free snack bags and Jell-O shooters; who knows what they'll do this year? Please don't set your chairs out before 10 am that morning.

Oct. 11 at 5 pm in The Lodge, we have the Step it Up Line Dancing "Barn Burner Dance" which is where the line dancers get to really put on their dancing shoes (check out their article). All are welcome. It's an awful lot of fun!

Oct. 12 at 4 pm is the "Blessing of the Animals." What a neat opportunity to bless our dear little companions. All animals are welcome.

Oct. 12 is Karaoke at 5 pm. Bring your best singing voice and your sense of humor, not necessarily in that order. It's a really harmonious time and a great thing to do for free on a Saturday night.

Oct. 19 is the Harvest Craft Fair in The Lodge Ballroom from 9 am to 2 pm. Come and check out our incredible Four Seasons bakers, crafters, and artisans. Get a jump on buying your unique gifts for the upcoming holidays.

Oct. 26 is the Social Committee Magic Castle event. Call The Lodge and check for ticket availability. This is going to be a great show!

Oct. 30 is The Halloween Lodge Loggia Concert and Party. What a fun idea to hold a concert with the amazing band "American Made" who will be doing their 50s and 60s dress up show. Please feel free to dress up too. We need as many human props for this party as we can get! A candy bar and Halloween refreshments will be provided. Come to rock out in the moonlit night.

The concert party starts on the Loggia at 6:30 pm and goes to 8:30 pm. You may put your chairs out after 4 pm. Everyone is invited and there is no charge to attend.

See, I told you that you were going to have to eat your Wheaties to keep up! Have a wonderful October and enjoy the fall in full force. (My fingers are crossed for cooler weather.)

See you around The Lodge!

## The Four Seasons at Beaumont Conservation Area

*By Len Tavernetti*

This is the second article in a three-part series that provides a description of our conservation area and its associated conservation easement. Last month, the series described how the conservation area came to be. This month will discuss what it means to our HOA. Next month, the series concludes with an accounting of our responsibilities.

### ***What it means to our HOA***

The conservation area and conservation easement serve as an inviting attraction to 55+ home buyers in the Inland Empire. For those who like to walk or exercise their pets, the five miles of trails within the HOA entering into the conservation are an experience unique to Four Seasons. From an arid landscape, the introduction of reliable watering and re-introduction of native plant life have built the “oasis look” envisioned by our builder. As the plant life emerged, animal life has returned to our conservation area. Today, large animals like bobcats and hawks patrol the area. Ducks breed and rear their ducklings every spring where they learn to swim in our pools. And with the guarantee of perpetuity we have the assurance that this treasure will always be here. It will, however, require our attention and dedication.

Along Trails A and B and Canary Creek are 70 homes whose backyard view fence separates the homeowners from the conservation area. In some places the trail is within three feet of the

fence. They are considered some of the prime locations within the HOA and valued accordingly.

Two complementary and “interlocking” conservation easements have been prepared by K. Hovnanian to assist the HOA transfer — one covering the nine acres owned by the HOA and the other covering the 28 acres owned by the builder. At the time of the initial execution of these easements, the HOA was designated “Grantor” of one conservation easement while the builder was designated as “Grantor” of the other. Upon transfer of the fee title to the remaining 28 acres to the Association, the HOA will then be deemed the “Grantor” of both easements. The Inland Empire Resource Conservation District (IERCD) is the “Grantee” responsible to insure we fulfill our obligations.

Three documents are currently in review: (1) approval of the Long Term Management Plan by the HOA and IERCD; (2) recording with the county by the IERCD of the two conservation easements once the HOA and KHOV have executed the two conservation easements respectively (and associated Supplemental Declaration which integrates the conservation easements with the CC&Rs to ensure compatibility); and (3) transfer of ownership of the remaining parcels of the conservation area by execution of a grant deed from K. Hovnanian to the HOA. As expected, legal departments from all three entities (HOA, K. Hovnanian, and IERCD) have been coordinating these documents for several years and expect to finish later this year.

# MOVIE GOERS: MEET YOUR MOVIE THEATER AMBASSADOR

Hi, my name is Maegan Crother. I work under the direction of the Activities Department and I wanted to personally introduce myself as your new Movie Theater Ambassador. I, like you, thoroughly enjoy movies and it is an absolute joy to serve you all and provide this wonderfully enchanting form of entertainment on a weekly basis. I'm thrilled to see so many of you regularly attending and enjoying The Lodge Movie Theater and it is because of you that I'm always looking for better ways to improve your experience within the theater. Heading into a new season, I want to inform you of a new system for movie requests and to remind you of an established, and efficient guideline.

First off, the movie theater exists for the enjoyment of every individual residing within this community. One way you've been helping me to know what you're interested in watching is through your movie theater requests. Request forms can be found and submitted at The Lodge front desk as well as at the community website, [fourseasonsbeaumont.org](http://fourseasonsbeaumont.org). Once logged in, select the Calendar feature, then Movie Schedule. You will find a link for the request form there.

With our new procedures, you will be notified twice when your

film is scheduled. I will personally call the number provided on your request form and send you an email notifying you of the date your requested movie will show. As you are filling out your requests, please use a current phone number and email so you will receive the notifications.

If you miss the showing of your requested film, you will need to resubmit a request if you still wish to see that film. After submitting a second request, there will be a 30-day waiting period before the movie will be shown again. This, of course, does not apply if the scheduled movie was not played due to a broken disc, poor internet connection, or if a movie rental didn't arrive. If this is the case, then an additional request form is not required. The film will be rescheduled as soon as possible.

The Theater is for everyone's enjoyment and I want to provide you with a different and exciting schedule of movies each week. There are so many movies to choose from and, in the best interest of all, I would like to refrain from having too many repeats within a short duration.

Additionally, I ask that when you are attending the movie theater that you comply with our movie theater guidelines. You can review these guidelines online or request a copy from the front desk. However, one guideline I would like to emphasize states, "Movies are selected, advertised, and set up in advance. Requests to change the movies, regardless of the number of guests, cannot be accommodated." If a movie has been scheduled for a specific day, please refrain from trying to have the movie changed as it was more than likely a personal request. I want to serve you as best as I can and that means I need to be accountable and show what was advertised to all the residents. The only time The Lodge attendants will make an exception is, again, if a movie did not come in on time, if the disc has a defect, or if the Internet is failing during a movie stream.

Finally, I would like to thank you all for your understanding and support as I try to improve your theater experience. I'm grateful for your help and it is my pleasure to serve you in this way. If you have any questions feel free to email me directly at [maegan.crother@fsresidential.com](mailto:maegan.crother@fsresidential.com) and I will get back to you as soon as I'm able. Thank you again, movie goers! ~ *Maegan Crother*

# Apps For Around Town - Part Two

*By Steve Benoff*

In keeping with August's approach, I'm going to discuss two apps I use (somewhat) regularly – Chipotle and Chili's. Since my goal is to use every app applicable to local businesses, I'll soon be trying apps I've never used before.

Chipotle is a relatively new addition to Banning's Albertson's shopping center. It's across the parking lot from Carl's Jr. which, alas, doesn't have an app in English although it seems to have apps in Chinese and Russian (although they may, in fact, be in languages similar to those two).

Chipotle is known for its burritos, but in fact it has variations branching out from burritos. But in the end, the menu is quite simple, and that lends itself to

easy ordering on the Chipotle app. The app is an ordering device. Of course, once you've downloaded the app you have to set it up by selecting your preferred location and payment method. Since your phone knows your location, you can set your location preference to "closest" in the app's Preferences section.

When you choose your preferences, don't forget to turn on Touch ID.

Just like in the restaurant, your first choice is to select among burrito,

burrito bowl, salad, tacos, as well as kid's and

sides. If you're ordering among the first four choices, your next choice is to add a filling – chicken, steak, carnitas, barbacoa, sofritas (plant-based protein), or veggie. Next, you choose among white, brown or no rice; black, pinto, or no beans; and, finally, you can add toppings from a list of ten. You can also add a drink. (If you ordered a fountain drink, you get an empty cup and lid and then go to the drink machine and make your selection.) Once you've finalized your order, you select when you want to pick it up. I'm impressed by how quickly they can have it ready. But you can choose a later pickup time if that's more convenient. When you arrive to pick it up, it's all ready to go. Just grab the bag with your name on it and leave. You can also arrange to have it delivered by DoorDash.

I give Chipotle an "A" for a well-designed, easy-to-use app.

Chili's has been in Beaumont for years. Unlike Chipotle, Chili's has a big menu, but the app makes it easy to make your selections. Of course, you first need to set up your location and payment info by choosing "more" at the bottom of the screen and pressing My Account. As with all apps through which you make payments, you'll need to set up a password for the app.

When you're ready to order, the initial menu gives you 20 categories from which to choose. These include appetizers, burgers, ribs & steaks, and many other options. It's from these sub-menus that you make your choices. I like the fact that in addition to the prices for each selection the calorie count is also listed. When you choose an item, you are often given a choice to customize the selection – such as the type of tortilla you want with your meal. When you've finalized your order, the app presents a Checkout screen showing pickup location, contact info, pickup time in 15-minute increments, payment options, and pickup type.

When you place your order, the Chili's app responds with a text. You can choose to go inside the restaurant to pick up your order or you can choose Curbside. In the latter case, you text them that you are at the pickup location outside the restaurant. Since the app gives you the option to identify your vehicle (e.g., Hyundai-Santa Fe - White), your order is brought directly to you. Since you've already paid for the order, you can simply take the bag and go.

I also give the Chipotle app an "A" for design and ease of use.

In August, you may remember, I gave an "A-" to both Walmart and Home Depot, two very complex and comprehensive apps. Yet I gave an "A" to two much simpler apps. The grade is for success in accomplishing the app's intended purpose. Chipotle and Chili's have designed apps that do excellent jobs of ordering food.

If you use an app you'd like to share with others, let me know at [steve.benoff@verizon.net](mailto:steve.benoff@verizon.net).

# So you live in an HOA... now what?

*By Sandra Butler-Roberts*

I always said I would absolutely NEVER live in an HOA. My mom and dad had moved into a 55+ development in Apple Valley, and as a visitor, I thought the rules were ridiculous. I couldn't park on the street. I couldn't go to the swimming pool unless one of my parents came with me. They were in their 90s and didn't go to the pool.

But, I was envious of some of the beautiful amenities and the resort-like lifestyle. So, I resolved to learn what I could about HOAs and planned to find one to move to when I retired. Fully informed and moving in with my eyes wide open, I embraced the concept.

HOAs serve a valuable purpose when all of the residents are on board and respect the structure put in place for the benefit of the whole community. For an HOA to be successful, the residents need to appreciate the benefits and understand the rationale behind all of the rules, guidelines, why we elect a Board of Directors, why we need to participate in committees and understand how the operation functions.

HOAs are becoming increasingly common throughout the country. Complaints are often heard regarding the strictness and the many rules that residents must follow, however it is important to understand the many advantages that come with involvement in an HOA.

I found a website that does an excellent job of describing the top 10 benefits of living in an HOA.

10. Architectural Controls - ensure consistency and continuity with original community design standards

9. Increased Community Engagement - gatherings and activities designed to bring neighbors closer together

8. Access to amenities - we can enjoy walking trails, sport courts, swimming pools, barbecue areas, etc., for community use

7. Well-Maintained Common Areas and Amenities - our HOA does an outstanding job of maintaining common areas and amenities. This includes manicured lawn areas, lighting, clean play areas, and beautiful facilities

6. Added Layer of Support in Dealing with Neighborhood Property Issues - HOAs often partner with municipal code compliance departments to ensure adherence to the rules

5. Rules and Regulations Deter Nuisance Activity - each resident in the community is held to the same set of standards

4. Increased Community Pride - activities and events help bring neighbors together, which increases pride in the community

3. Community Bonding and Communication Among Neighbors - increases a sense of safety, security, and sense of community

2. Financial Stability - a well-managed HOA has a reserve study in place and funds available for future common area repairs and capital improvement; thereby reducing the likelihood of needing a special assessment

And...

1. Helping Maintain Property Values - Since residents are held accountable to deed restrictions, homes and common areas are consistently taken care of and well-maintained

The presence of a highly functional HOA can dramatically increase the value of homes in the neighborhood. Keep in mind that the rules and regulations are designed to protect the value of each property.

Overall, the advantages of having an HOA far outweigh its disadvantages. Homeowners associations hold the community to a higher standard, thereby improving the experience for everyone.

So, now that you live in an HOA, do you know where to find our rules and regulations and community guidelines so you can be an informed and responsible resident? One place is our website: [fourseasonsbeaumont.org](http://fourseasonsbeaumont.org); go to the menu item "HOA," then click on "Governing Documents."

Next time, let's get informed about the legal aspects of living in an HOA by learning about the Davis-Stirling Act for common interest developments, and Open Meeting Laws in California which regulate how our Board meetings function. Have you ever wondered why our Board meetings are structured the way they are, and how you, as a resident, may participate? Stay tuned...

# DID YOU KNOW?

**DID YOU KNOW** that Four Seasons Beaumont has its OWN morning son? Yes, “son” with an “o”; by the name of Luis Felipe Morales; whom we know as “Felipe.” Felipe, our morning son, rises at 1 am daily and “sets” at 5 pm. When you see him, you will surely recognize his ‘bright-as-the-sun’ smile that lights his face with one of the warmest, most brilliant smiles you have ever seen.

Have you admired and perhaps even bragged about the pristine beauty of our Four Seasons environment?

That beauty is partially due to the outstanding job Felipe does, as he diligently tends to the care of buildings and grounds here in our community.

Felipe comes to us from Colombia and has worked here since October 2006. In his country, he was a missionary. And so, when he rises at 1 am, he continues his ministry by devoting approximately two hours of his morning to prayer; praying for all whom he knows are in need — whether from those he encounters on a daily basis, from a list established at his church, or from a list derived via an Internet source. He will have breakfast around 3:30 am, before preparing to arrive at work by 4:50 am (at least 10 minutes early). Now we can see, can’t we, why he retires by 5 pm each day.

Felipe is a very talented and interesting person. Among other things, he diligently studies his Catholic faith, writes inspirational prose and poetry, creates poetic acrostics, provides photography for events, and restores old photographs. He says that growing in his faith and giving love and prayers to others are the two things that bring him the most happiness. He also says that the best part of his job here at Four Seasons is the residents. What a gentleman! ~ *Jan White*

**DID YOU KNOW** that you no longer have to wonder how to maneuver our Four Seasons website? An evening class is being offered on navigating [fourseasonsbeaumont.org](http://fourseasonsbeaumont.org). All levels — novices to experts — are welcome. Larry Workman will be conducting the class in the RCN Main Room at 6:30 pm on Nov. 13. Reservations aren’t required and there is no cost for the class. It’s time to get over your fear of using the computer to easily gain access to the latest community information.

**DID YOU KNOW** the HOA does not have an officially recognized political club or group? However, California law recently changed and now requires associations to allow political interest meetings in HOA common areas.

**DID YOU KNOW** the latest winner of the website treasure hunt is Mark Metz? The icon has now been moved and the website is ready for the hunt to begin again. Go to [fourseasonsbeaumont.org](http://fourseasonsbeaumont.org) and look for the treasure chest logo hiding somewhere on the website. Once found, click on the icon and an email form will appear. Fill out the form and submit. A new winner will be selected each month. Winners can pick up their Kopper Kettle Bistro prize at The Lodge front desk.

## ARCHITECTURAL REVIEW COMMITTEE .....

ARC is constantly reviewing the Architectural Guidelines and Standards. It seems like every time we think we have it memorized some homeowner turns in an application with something we haven't seen before. This is almost always exciting as we get to see the newest products and ideas in landscape design.

We are seeing a number of requests to install walls in front yards on or near the property line. After careful review we are providing the following information from the guidelines:

Walls may not be centered on the property line unless plans are submitted by both owners and approved by ARC.

Walls placed completely on one homeowner's property do not require approval of adjoining homeowners. However, no double walls are allowed along adjoining property lines.

Walls may only be constructed of slump stone in the same color as installed by the developer or concrete block with stucco surface (color to match owner's home) or concrete block with a rock surface approved by Architectural Review Committee.

Measuring from the street side of the front sidewalk - toward the home - no wall may be placed in the first 5 feet. In the next five feet no wall may exceed 12 inches high. At that point - 10 feet from the street side of the sidewalk - the wall may step up to a maximum of 24 inches. No wall may extend beyond the property line fence installed by the developer.

ARC is currently looking for a couple of new members. We are a group of homeowners who review and approve all exterior changes in landscaping and homes in our community. We are charged with insuring that exterior changes - including initial landscaping - meet

the published guidelines and maintain the aesthetic beauty of our community.

We are looking for members with all types of backgrounds. You don't need any particular skills other than a willingness to apply the guidelines fairly and objectively.

We provide a way to serve your neighbors, an opportunity to keep up with the latest landscape styles, and check out new ideas in hardscapes.

It's also a great opportunity to meet neighbors in all areas of the community.

We meet on the first and third Wednesday of each month in the RNC Conference Room at 8:30 am.

If you have any questions or would like more information please contact me. ~ **Steve Cooley, (801) 815-5302, cooleyaudit@gmail.com**

## COMMUNITY PLANNING & TRANSITION COMMITTEE

**We need your ideas!** Do you have a suggestion for what to do with our unallocated land space within Four Seasons? Want to see an archery field? A communal garden? Badminton court? Send your ideas to our chair, Colin Taylor, at Colin@yorkshire-house.com.

We are continuing to fulfill our charter to address the HOA takeover from K. Hovnanian which is expected to occur at the conclusion of 2019.

We have a number of research projects currently under way:

- Fenced off leash area for dogs
- Ballroom extension at storage end to include catering area and workspace
- On-site storage facilities, considering six options to date
- Outdoor events and activities facilities
- Amphitheater improvements
- Solar energy for electrical generation and/or pool heating at The Lodge and The Courts
- Master Plan to address future community needs

## EMERGENCY PREPAREDNESS COMMITTEE .....

The residents of Four Seasons Beaumont need to make sure that they are fully stocked with emergency supplies at all times. You need to be prepared in your home and automobile. We will talk about how careful preparation can prevent danger and discomfort.

Preparation is the art of keeping supplies full so that your shelves do not resemble Old Mother Hubbard's cupboard. The hurricane that skirted Miami reminded us of the importance of fuel in your vehicles. Other things to check are your food and water, batteries, propane, medications, and pet supplies. The time to make preparations is before you need them.

In the case of Miami, a run on gasoline left 53 percent of all of the gas stations without fuel after only half a day. The Florida Highway Patrol had to escort fuel tankers on their deliveries. You might become stranded without a full tank of gas. If you wait too long to evacuate you might be idling away your fuel in a traffic jam.

Water is another crucial resource. You need at least three gallons per person per day. You should have a supply in your car and at home. If you wait for an emergency the stores may be closed and others may have empty shelves. You cannot rely on the nearest Target or Walmart for your water needs. Their stock changes from day to day. There was a case where people delayed their water purchases only to come back the next day and find that FEMA had bought out the stores' complete

inventory overnight. The Red Cross has been known to do the same thing. Make sure that you have plenty of water and rotate it every six months.

Propane will only help if you have a propane barbecue. Having a barbecue on hand will prevent you from eating too many Meals Ready to Eat (MREs). You will need batteries for your flashlights and enough medicine on hand to meet your needs. Do not forget your pets. They will need food, snacks, a dog bed, and possibly a pet carrier.

Keep your car full of gas and plenty of water in your vehicle and at home. Check your propane barbecue monthly and restock if necessary. Being prepared can make an emergency less of a pain and merely a minor inconvenience.

The Four Seasons Beaumont Emergency Preparedness Committee meets on the third Tuesday of the month at 10 am in the RCN Conference Room. The next meeting is Tuesday, Oct. 15. ~ **Mike Mendoza**, [srmendoza@verizon.net](mailto:srmendoza@verizon.net)

## FACILITIES COMMITTEE .....

Privacy curtains have been installed in all of the restrooms at The Courts, Spa building locker rooms, and The Summit. Work will be started soon on repairs to the Potrero Guard House. The repairs will be done during off hours as much as possible so as to not interfere with business. The pool lift for The Summit has been delivered and will be installed.

We tabled the purchase of bird spikes at The Courts pending new information from users and janitorial staff.

Upgrading security cameras was discussed and more information was needed from the vendors. LED conversion for the pickleball and paddleball courts along with LED conversion

for the ground lighting at The Lodge was also discussed and bids were reviewed. The bids will be sent back for more clarification.

Bids were reviewed for slurry sealing in Area A and on Four Seasons Circle from The Summit to The Courts. After review the bid from NPG Asphalt was accepted.

We meet in the RCN on the second Wednesday of the month at 10 am. We always welcome residents to join us and share their ideas and concerns.

We currently have several positions open on the Facilities Committee for anyone interested in serving our community. ~ **Gino Domico**, [Gdomico@gmail.com](mailto:Gdomico@gmail.com)

## SAFETY COMMITTEE

October already! Seems hard to believe summer just flew by and holidays are fast approaching, with about 86 more shopping days until Christmas. Many of us utilize online shopping because it is so easy, you can avoid the holiday crowds, and gifts can be sent to our loved ones across the country.

Last year, it was projected the average amount spent by individual shoppers for the holidays was \$987; and online ordering would hit \$123 billion. More than 50 percent of shoppers' holiday budgets were spent online, with a quarter of all retail sales occurring from Nov. 1 to Dec. 3. These numbers are expected to grow 15 percent this year.

We know not to provide information over the phone to someone calling: but, when placing orders online, there are some things to remember to keep the information you provide safe:

1. Shop online sites you trust. Consider only using retailers you know and have used before.
2. Check out the business. Check with the BBB and for scam reports.
3. Beware of rock-bottom prices. If it's too good to be true....
4. Avoid public WiFi. It might be tempting to sit and sip a peppermint latte while shopping, but try to avoid public WiFi.
5. Create strong passwords. Keep your accounts secure. Passwords like 'Santa123' are not strong enough.
6. Don't give out too much information. Online retailers should never ask for your social security number. If they ask for

personal information, find another retailer.

7. Pay with a credit card and check your statements. It's easy to lose track of spending, so it's always a good idea to verify the price quoted against what you were charged.
8. Report the company. If there is a bogus charge, notify your credit card company and close the account.

Now that you have safely ordered online, let's look at protecting the packages once they are delivered and protect you from being a victim of "porch pirates." These are people who follow delivery trucks in order to steal your packages from your porch. There are several delivery options to consider if you can not be home when your package arrives. Some options are to use tracking on your packages which will allow you to know when they will be delivered, add insurance or require a signature for delivery. Use a package locker available through Amazon Lockers or P.O. boxes or consider shipping to an alternative address such as a neighbor who will be home and can accept your packages. In addition, always remove packages from your porch as soon as possible. If you see packages sitting on your neighbor's porch and you know they are not home, take them to your home leaving a note letting them know you have them.

By following these tips, you can help to eliminate loss and frustration during the busy holiday shopping season.

The Safety Committee's next meeting will be Oct. 8 at 10 am in the RCN. Everyone is welcome. ~ [Kathycraven@rocketmail.com](mailto:Kathycraven@rocketmail.com)

this month's contest is

# HOW MANY MONSTERS?

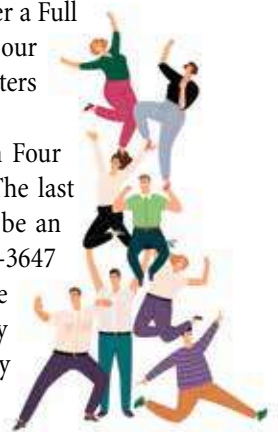

It's not as scary as it sounds. There are a number of monsters scattered throughout the magazine. You'll find them anywhere - even in ads. The winner will get a gift card to the fabulous new Kopper Kettle Bistro!

## LAST MONTH'S JOKE

### WORLD RECORD COMMITTEE

First, thank you to everyone who participated last month in the attempt to break the world record for Most People With The Hiccups In A Parking Lot At Night Under a Full Moon. We had 465 hiccupper and have submitted our petition to the Guinness World Record headquarters and expect to hear back before the end of the year.

The September World Record attempt here in Four Seasons will be the Largest Human Pyramid. The last record was 351 people. We feel this is going to be an easy one to break. Please call Ima at (909) 797-3647 for more details. We cannot publish the exact time and place because we know that Sun Lakes will try to sabotage our efforts once again. They're very competitive. But so are we! ~ **Ima Gunnafal**

# NEIGHBORHOOD WATCH .....

As the seasons change from summer to autumn, days are getting shorter and darker much earlier. We only have a month until we “fall back” on Sunday, Nov. 3, and yay, we get an extra hour of sleep!

With the upcoming time change, it's the perfect time to perform some bi-annual tasks around your house. Change the batteries in your smoke detectors and verify that your carbon monoxide alarms are in working order. You have probably heard this before, but it's worth repeating: smoke detectors are useless unless they are in working order. Keeping an emergency kit well stocked at all times is important. Incorporate checking your supplies into your bi-annual routine to ensure your kit is complete. If you have depleted your supply of flashlight batteries, bandages, and other just-in-case items over the past six months, it's time to restock.

If you have timers for any lighting, either inside or out, and you prefer your lights to go on and off, they need to be adjusted to fit the new earlier time.

Are you prepared? Our September meeting was presented by the Four Seasons Emergency Preparedness Committee and the Riverside Emergency Department. It was very informative and helped us to understand what to do should we encounter an emergency.

This past August, Neighborhood Watch held an evening meeting at 6 pm and will again present one on Oct. 9 at 6 pm in the RCN. Going forward, we will offer four meetings a year in the evening beginning next year along with our National Night Out. We hope evening meetings will encourage attendance by our residents who work or are unable to attend our regular 10 am meetings. Looking forward to seeing you at one of the meetings!

With it getting dark earlier, and with walking our most popular individual activity, it's good to remind everyone to slow down and stop at stop signs, yield to pedestrians in crosswalks, and always yield when entering traffic circles.

Please join us Oct. 9 for either of our Neighborhood Watch meetings at 10 am in The Lodge Ballroom or 6 pm in the RCN Main Room.

If you see something, say something, by calling the Beaumont Police Department (951) 769-8500. Stay safe and do not confront anyone. ~ *Kathy Craven, kathycraven@rocketmail.com*

## TAILS & TRAILS - ALL PETS .....

### *Coping With The Loss Of A Pet*

It's natural to feel devastated by feelings of grief and sadness when a beloved dog, cat, or other pet dies.

For many, a pet is not "just a dog" or "just a cat," but a beloved member of our family, bringing companionship, fun, and joy to our lives. A pet can add structure to your day, keep you active and social, help you overcome setbacks and challenges in life, and even provide a sense of purpose. So, when a cherished pet dies, it's normal to have feelings of loss.

We all respond to loss differently. Generally, the more significant your pet was to you, the more intense the emotional pain. For example, if your pet was a working dog, service animal, or therapy animal, you'll not only be grieving the loss of a companion but also the loss of a coworker, the loss of your independence, or the loss of emotional support. If you lived alone and the pet was your only companion, coming to terms with their loss can be even harder.

While experiencing loss is an inevitable part of owning a pet, there are healthy ways to cope with the pain, come to terms with grief, and when the time is right, perhaps even open your heart to another animal companion. Grieving is an individual experience with highs and lows. The lows are likely to be deeper and longer at the beginning and then gradually shorter and less intense as time goes by.

The grieving process can't be forced or hurried, and there is no timetable for grieving. Some people start to feel better in weeks, others take months. It's important to be patient and allow the process to naturally unfold. Feeling sad, shocked, or lonely is normal and doesn't mean you are weak or your feelings are misplaced. It just means that you're mourning the loss of an animal you loved, so you shouldn't feel ashamed. Like grief for a human loved one, grief for our animal companions can only be dealt with over time. Let yourself feel

whatever you feel without embarrassment or judgment. It's okay to be angry, to cry or not to cry. It's also okay to laugh, to find moments of joy, and to let go when you're ready.

Here at Four Seasons, we are fortunate to have the Tails and Trails group where we can find support. Check out online message boards and pet loss support groups. Preparing a memorial, planting a tree in memory of your pet, compiling a photo album or scrapbook, or just talking about favorite moments you enjoyed with your pet, will help get you through the grieving process. As you would with any family member or dear friend, remembering the love, fun and good times you had with your pet is one of the best ways to create a legacy. ~

## BLESSING OF THE ANIMALS

**SATURDAY, OCT. 12, FROM 4 TO 5 PM  
IN THE LODGE PARKING LOT**

## COUNTER CULTURE CINEMA CLUB .....

We show films you generally won't find at the Cineplex: documentaries, foreign language films, indie films and any other smaller, well-reviewed films that don't get wide distribution.

Our first monthly screening, on Sunday, Oct. 13 at 6 pm, is the film *The Last Black Man in San Francisco* (USA 2019, 2 hrs. 1 min., English). Here is a brief description from Amazon.com: "Jimmie and his best friend Mont try to reclaim the home built by his grandfather, launching them on a poignant odyssey to find a place to call home."

Our second monthly screening, on Sunday, Oct. 27 at 6 pm, is the film *Six Dance Lessons in Six Weeks* (USA 2014, 1 hr. 47 min., English). Here is a brief description from

IMDb.com: "A retired woman hires a dance instructor to give her private dance lessons at her home -- one per week for six weeks. What begins as an antagonistic relationship turns into a close friendship as they dance together."

All of our screenings are followed by lively discussion about the film. We'd love to have you join us. The Lodge Theater has very limited seating, so if you're interested in our screenings, come

early. We hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please email Micki Rosen at [michelesrosen@gmail.com](mailto:michelesrosen@gmail.com). ~ *Micki Rosen*

## BIRDING CLUB .....

The Birding Club welcomes beginning and experienced birders to start or hone bird identification skills. Our main activity is a monthly bird walk along Four Seasons' nature trails, which follow native riparian woodlands. We keep a list of all species observed at Four Seasons and take seasonal field trips to nearby birding hot spots.

We were hoping to see some fall migrants on this year's September walk. Last September, we spotted Nashville and Orange-crowned Warblers and in September, 2017, we had a Mountain Chickadee. But this year, nada! Migrants are around and we should see more in October. We did have some nice sightings, highlighted by our best looks ever of a Wrentit. Other highlights included Red-shouldered Hawk, singing Bell's Vireos, and good looks at Mourning Doves (our Bird of the Month). We walked less than half of the A/B trails before it got hot, but still managed 17 species.

We meet on the first Saturday of the month at 8 am at the Potrero Creek (Trail A) trailhead at The Lodge parking lot. Email [steve.h.edelman@gmail.com](mailto:steve.h.edelman@gmail.com) for current schedule and information. ~ **Steve Edelman**

### BIRD OF THE MONTH

The Mourning Dove is by far the most common and widespread native dove in North America (the well-known Rock Pigeon is also widespread but is not native). When people go "dove hunting" they are hunting Mourning Doves. They are gray-tan overall, with black spots on the wings, blue eye rings, and long pointed tails.

Seeds make up 99 percent of a Mourning Dove's diet; they eat 12 to 20 percent of their body weight per day (70 calories). Members of a pair preen each other and, after courting, build a flimsy nest of pine needles, twigs, and grass stems. The male carries twigs to the female, who weaves them into an 8-inch nest. The song is a soft coo-oo followed by two or three louder coos ("mourning"), given mainly by unmated males. Mourning Doves' wings make a very distinctive whistling when taking off and landing.

Mourning Doves do a "leap-frog" migration. Each fall, the population that breeds in south-central Canada migrates to southern Mexico and Central America, thereby "leap frogging" over the year-round populations in the U.S., which migrate a short distance or not at all. Mourning Doves use many habitats and are common year round throughout Four Seasons; they come to our seed feeders and are seen during nearly every bird walk.

## BOOK CLUB .....

We meet on the second Tuesday of each month at 9:30 am in the RCN Room #3. Newcomers are always welcome, even if you haven't read the book.

The Book Club selection for October is *The Prince of Tides* by Pat Conroy. Here is a brief description of the book from Amazon.com: "Tom Wingo has lost his job, and is on the verge of losing his marriage, when he learns that his twin sister, Savannah, has attempted suicide again. At the behest of Savannah's psychiatrist, Dr. Susan Lowenstein, Tom reluctantly leaves his home in South Carolina to travel to New York City and aid in his sister's therapy. As Tom's relationship with Susan deepens, he reveals to her the turbulent history of the Wingo family, and exposes the truth behind the fateful day that changed their lives forever. Drawing richly from the author's own troubled upbringing, *The Prince of Tides* is a sweeping, powerful novel of unlocking the past to overcome the darkest of personal demons — it's Pat Conroy at his very best."

Please join us when we discuss this book on Tuesday, Oct. 8 at 9:30 am. Lori Brown will be leading the discussion. For those of you who like to read ahead, our book for November is scheduled to be *Eleanor Oliphant is Completely Fine* by Gail Honeyman. For more information, please contact Micki Rosen at michelesrosen@gmail.com. ~ **Micki Rosen**

## PERFORMING ARTS CLUB .....

The Performing Arts Club had another successful Radio Theater Show on Sept. 7. Thank you to all who attended and to those who laughed at all the funny lines, cringed while a nervous invalid woman dealt with terror and suspense, and applauded to show your appreciation.

It is time for our club to finalize our shows and dates for 2020. We would love to hear from you with suggestions about what you would enjoy seeing. In addition, the Performing Arts Club is actively looking to increase our membership and attendees at our monthly meetings. We meet once a month on the fourth Tuesday, at 4 pm in the RCN Conference Room. Perhaps if we changed our meeting time to 6 pm more working residents could attend. We are looking for individuals who are interested in performing, producing, directing, choreographing, and/or working on backstage efforts. Interested? Have questions? Please contact Cathy Goldsmith, chairperson, at: cathyhg13@yahoo.com.

Coming up...

Holiday show, "A Country Christmas," Friday, Dec. 6 and Saturday, Dec. 7. Our holiday shows are always family friendly and one of our best attended shows of the year. John Noonan and Pat Wayne are producing this year's performance. The theme is Country which will include several talented singers and skits. Of course, our growing and professional sounding choir will once again grace us with beautiful and fun holiday music and an end-of-show Sing-a-Long. From the information I'm aware of, this show will be a definite fan favorite. Tickets are free and will be available in early November. Please check the Daily Report for more information on the specific day/time for ticket availability. ~ **Teri Meyers-Kelman,**

*A small group of hikers at Jenks Lake*

## TAKE A HIKE CLUB .....

On a rather warm August morning many of our hikers decided it was better to stay home in the air conditioning rather than a hike in Forest Falls high temps, so on this day we were a small, but nonetheless determined, group of hikers. Given the low numbers and forecast temps, we decided to hike Barton Flats area up to Jenks Lake. The lake surface is around 7,000 ft.

From experience on a previous hike, we parked close to the sign-posted trail head and set off up the not-too-steep ascent through mostly the shade of the dense tree cover. On arrival at the lake, unlike other times in the summer, the kids were back in school and the surrounding area was very quiet with the sound of casting by fishermen around and on the lake, some floating in some interesting

chair-like inflatable devices, where one's legs hang in the water. Very refreshing, I would imagine. The lake was so calm it could have been Mirror Lake, the surface broken only by the many fish breaking the surface... some actually caught.

Our small group took a pleasant stroll around part of the lake where we met two hikers who were on their way to Four Seasons to meet friends. They joined us making us a group of seven. We all returned back down the trail, followed by lunch at a local restaurant — a perfect end to a perfect morning's hike.

## COMPUTER & TECHNOLOGY CLASS

Everyone, at one time or another, most likely had (or will have) an issue or concern about general computer and/or security related issues.

Last month, several residents found themselves breathing a sigh of relief after hearing the sage advice of Norbert “Bob” Gostischa. Bob, after a successful career in banking, has dedicated his retirement years to educating the computer-using public on how to protect their devices; and has become what he calls an Avast! evangelist. In his position as IT Security Expert for Avast! Software, maker of one of the world's most trusted antivirus programs, Bob educates the public on how to protect their computers from hackers, thieves, and spies.

If you missed our class, you can experience some of Bob's presentation by visiting his blog and YouTube Channel. And, if you are interested in learning more about computer technology, join us Tuesday, Oct. 8 at 10 am in the RCN. ~ **Larry Workman**

## PHOTOGRAPHY CLUB .....

Our members range from beginners to professionals using smart phones to medium format gear, with one thing in common: a passion for this art form. For many of us, photography keeps us grounded, focused, and in the moment. For me it's as necessary as breathing.

Our mission to learn, share, and have fun with photography starts each meeting with an intro to new members, announcements of upcoming events, a segment of tips and tricks, and presentation on format, style, or gear use. We continue with sharing of the previous month's photo challenge works and the selection of the next month's photo challenge. We then have a discussion on outings and topic selection for upcoming months.

At the August meeting our team leaders, John Baeyertz and John Hansen, handed the viewfinder over to me, ReNae Stueve. Both of these wonderful photographers and neighbors worked tirelessly to organize and structure our new group from its beginning. We thank you, John Baeyertz and John Hansen, for everything you have done for this group and this community. Now finally, you both have the freedom to enjoy your vision of this group and have some fun.

Also in August we reviewed the blur and motion photos of the group. Submissions included ones by Jacque Sneddon who explained the method of the Zoom Burst effect. The September Challenge was to explore Black and White Photography. The demonstration on how to clean your sensor and lenses as well as lens changing best practices

*An example of the Zoom Burst effect. Photo by R Stueve*

was presented by Larry Colby. Upcoming challenges and topics will include: composition, chiaroscuro lighting, and food photography as we coast into the holiday season.

By the time this article is published, the September Art Fair will be over and you will have had a chance to visit with us at our Four Seasons Photography Club display. We hope you are inspired by our love of photography and community. Please join us for a visit or make it a regular stop on your calendar. The next meeting is Oct. 15, at 6:30 pm, in the RCN Main Room. For more information contact at [ReNaeStueve@outlook.com](mailto:ReNaeStueve@outlook.com). ~ **ReNae Stueve**

## VETERANS CLUB .....

"Attention all personnel!" To quote Bob Dylan, "The times they are a-changin'!" The Four Seasons Beaumont Honor Roll Club is evolving. Due to the interest and inspiration of our community's veterans, the club has taken a new azimuth. Sept. 29 was the first organizational meeting and it drew over 20 interested veterans, community service leaders, and family members. The members were treated to a number of presentations focused on veterans' services and volunteer opportunities. Members discussed future club social events and projects. They have decided to hold monthly meetings on the third Tuesday of each month in RCN Room 3 at 11 am. All Four Seasons veterans and their family members are encouraged and welcome to attend the meetings for information, fellowship, and of course those tall tales of days gone by. For more information about the Veterans Club, please contact Glenn King at (909) 663-4345 or email him at [glenntkings@gmail.com](mailto:glenntkings@gmail.com), Roman Dominguez at (661) 433-0492, or Dave Moreland at (951) 692-6888. ~ **Lawrence Moreland**

## WRITERS' CLUB .....

### THE TEST DRIVE

We pulled into the Subaru dealership. A salesman approached and introduced himself as Bill. After we walked the lot, we chose a vehicle in our favorite color to take for a test drive. It was a new Subaru Outback with an odometer reading of 11 miles. We were the first ones to drive this beauty that just came in. Bill said the technology and safety features were state-of-the-art in this fully-loaded model.

Every few minutes, he repeated his mantra, “this is the smartest car.” I know what would make this car smart in my mind. I said, “Bill, does it cook dinner?” He looked somewhat deflated as he was forced to utter “no.” Then he continued with the litany of accolades that

he was bestowing on this hunk of metal. He wanted us to be as smitten as everyone had been with KITT talking to David Hasselhoff in *Knight Rider*.

Upon returning to the dealership, we entered his cubicle to “talk numbers.” Bill enthusiastically explained the fantastic financing offer of 0 percent down — “blah, blah, blah.” We said, “No, thank you; we are interested in paying cash.” He gave us his “lowest and best price — an awesome deal.”

The ball was in our court, so we asked for a trade-in value on our existing vehicle — an older version of this model. When he left to get that number, I turned to my husband and said, “Six years was too soon to put myself through these new car negotiations again.” Bill returned with his “more awesome deal.”

We signed several documents making us the proud owners of this automotive wonder. Bill did a thorough new car orientation explaining every button and app on the information display and steering wheel. The coup de grâce was when he said, “The car drives itself, just put it in this mode.” It was dizzying. Being the technological dinosaur that I am, I knew I would never access half of

those features. I looked at Bill and said, “You know, all I wanted was a Flintstone mobile... but with Bluetooth.”

Stop by our table at the Fall Boutique in The Lodge Ballroom, Saturday, Oct. 19, from 9 am to 2 pm. Autographed books are available.

We meet on the second Tuesday of every month at 1:30 in the RCN Conference Room. Please join us. If you have questions, email [mlarchibald@mac.com](mailto:mlarchibald@mac.com) or [zehnercorked@gmail.com](mailto:zehnercorked@gmail.com). ~ **Andrea Zehner**

## RAINBOW GROUP .....

The rainbow is a powerful symbol that represents beauty, balance, peace, and hope. As such, we believe it is a perfect representation for our group. We are residents of Four Seasons Beaumont who also happen to be gay, lesbian, bisexual, or transgender.

The rainbow is so perfect because it really fits our group's diversity in terms of race, gender, ages, and beliefs. While we strive to serve the interests of our members, we do welcome all supportive homeowners and encourage everyone to attend any of our functions. We believe you'll enjoy our company.

Everyone leads busy lives (even at our age!) and we often find it difficult to stay connected with our neighbors. Therefore, the Rainbow Group has monthly get-togethers on the fourth Thursday of each month in The Lodge Game Room at 6 pm. Our next gathering will

be on Thursday, Oct. 24. Our monthly get-togethers are mostly informal social gatherings which give members an opportunity to meet new neighbors, catch up on member and community activities or news, and just chat — no stuffy agenda items, roll calls, or minutes for us! If you are hungry, feel free to bring your own food items and adult beverages, or order from the new Kopper Kettle Bistro. The Rainbow Group also hosts periodic gatherings for socializing, such as BBQs, potlucks and holiday parties, LGBT-themed movie nights in the Lodge movie theatre, and other events the group may sponsor. Maybe you'd even like to suggest your own activity for the group--we are always open to new ideas. Please direct any questions to Dale at (951) 797-0364, [dalebeckes@gmail.com](mailto:dalebeckes@gmail.com) or on Facebook, search for Four Seasons Beaumont Pride. ~ **Dale Beckes**

## SEASONED SOLOS .....

If you are single and enjoy a variety of activities, then Seasoned Solos just might be the group for you. At each meeting we discuss what is going on in the Inland Empire and plan activities for the coming month, from local lunches and dinners to excursions to presidential libraries, the Redlands Bowl, Metro Link trips into LA, and the beach train to San Juan Capistrano. There's not much that we won't consider doing.

We meet on the first Friday of each month in The Lodge Arts & Crafts Room at 6 pm. For further information, call Joyce at (951) 850-3055. ~ **Joyce Olson**

## STEP IT UP LINE DANCING .....

It looks like we all made it through another summer. People are getting back from vacations so classes will get back to normal. Here are just a few reminders as we head toward the end of the year. We have our end of the year party on Nov. 15. This will be a catered event with lots of great food, music, and dancing. More information to follow on this event. We are also starting the new LD 101 (entry level) line dance course on Monday, Oct. 7. If you have never tried line dancing, this is a great time to start. We have such a fun group who

have all become close friends. Some of us (photo above) took a field trip to the Banning concert series featuring the Brooks and Dunn Neon Circus tribute band. We did our new partner/singles dance, the County Line Cha Cha, in front of thousands of people. You just never know when a line dance might break out, so you need to be prepared!

Classes are Mondays from 12:30 to 2:30 pm. If you're a step counter, we average about 8,000 steps in the two-hour session. Please call Janine at (949) 326-3133 if you have any questions. ~ *Janine Rohrbacker*

## COUNTRY LINE DANCING

Line Dancing class this month will consist mostly of reviewing all of our dances in preparation for our holiday party in November. We have over 50 dances in all three classes, so reviewing them becomes necessary.

We are also doing a group outing to The Branding Iron in San Bernardino in early November and will be taking sign ups in class the end of month. This is a very busy time of year for all of us. Be sure to get in some exercise, and what better way than dancing?

If you have ever considered line dancing, please stop by any Tuesday afternoon to watch. Or if you want to try, join my very beginner class from 1:30 to 2 pm.

Any questions? Please call Martha Franck at (714) 345-8588. See you on the dance floor! ~ *Martha Franck*

## LET'S DANCE .....

The date is set for our Christmas Dinner Dance on Friday, Dec. 13, with music by Rhonda and the Showdown. Please mark your calendars and watch for the poster with all the information in The Lodge by the first week of November. Tickets sell fast and you don't want to miss this!

The dance for October is the Salsa... aka Mambo. This is a fast-paced dance, which is remarkably simple and fun to do. Salsa is a very old dance that has regained popularity. It uses many patterns you might already be familiar with if you know the Cha Cha or the Rumba. We will be doing a milder version of Salsa called the Mambo, so we can dance this anywhere and have a great time. From contemporary to traditional Latin music, you will find you are going to love this dance because of its feisty fun nature, its versatility, and easy footwork.

Our dance group is for regular folks who like to dance. Nothing fancy. No judging or competition. We just do something that's fun together. Some have never danced, so they learn from scratch. Others have some experience, so they improve their dancing skills. Everyone is welcome and everyone enjoys learning to dance. The

exercise for our bodies and our minds is a bonus and keeps us fit.

Plan to join us in the Ballroom on Mondays from 6 to 7 pm for newcomers and beginners and from 7 to 8 pm for intermediate and advanced. The cost is \$10 per person with our professional instructors. For more information, contact Puring or Gary Stifter at (951) 922-8333 or at purings@verizon.net. ~ *Sue Condurachi*

## JEWISH CULTURAL CLUB .....

### *The Jewish Cultural Club is back in action*

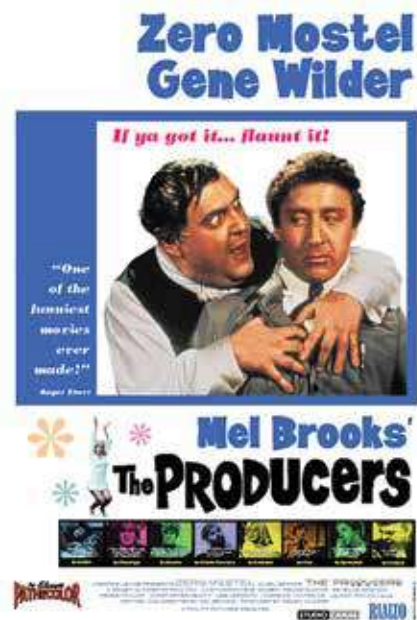

After a bit of a hiatus, the JCC is ready to launch a fall filled with activities. Make sure and mark Nov. 17 on your calendars. On Nov. 17 at 8 am in The Lodge lobby, tickets will go on sale for our giant Hanukkah (or Chanukah, an alternative spelling) bash to be held on Dec. 17 at 5 pm. Tickets are \$7, and include the foods and wine tasting. Seating is limited, so don't wait to pick up your tickets.. Later that day we will be screening the original film production of Mel Brooks' career-launching movie *The Producers*.

**Film Night, Mel Brooks' *The Producers*:** *A serious look at a very funny movie on Nov. 17:* At 5 pm, we will have a potluck dessert and coffee get together before our 6 pm screening of Mel Brooks' hysterical film, *The Producers*. *The Producers* is a about a failed Broadway play producer (Zero Mostel as Max Bialystock) who hatches a get-rich-quick scheme to get rich producing a tasteless flop. Along with his accountant

(Gene Wilder as Leo Bloom), they set off on an adventure that takes many unexpected twists and turns. The film was so successful, Brooks followed it up in 2005 with a live Broadway musical version.

The show will be followed by a discussion about the obvious stereotypes at which Brooks pokes fun. We are asking for RSVPs to make sure we have enough seats in The Lodge Theater. It will be a fun and interesting evening. There is no charge and everyone is welcome. You don't need to be a member of the JCC to participate. Please RSVP to perry.goldstein@gmail.com.

**Uncle Fischel's Music, Comedy, & Food Extravaganza on Dec. 17:** It will be the biggest Hanukkah party ever, here at Four Seasons. There will be fabulous Hanukkah foods, a kosher wine tasting, Israeli dancing, Hanukkah music performed by the fabulous Four Seasons Singers, and a fun presentation about the Jewish holidays by our own Uncle Fischel. The evening will be topped off with a traditional Hora circle and the lighting of

our brand new five-foot menorah.

And best of all, Uncle Fischel will explain why there are so many different ways to spell Hanukkah (or Chanukah). We know it's confusing... it confuses us as well. It's a presentation you won't want to miss. ~ **Perry Goldstein**

## WOMEN'S EVENING BIBLE STUDY .....

"October is a hallelujah! Reverberating in my body year-round..."  
~ John Nichols.

Hallelujah is used to rejoice and praise the Lord for all the blessings he gives each day. The blessing of nature's changing seasons and the glorious array of colorful fall leaves deserves a hallelujah or two. In August we started a series on the Parables of Jesus. The stories Jesus taught will give us practical application for our daily lives. In September we studied "The Rich Fool" and "Watchfulness." In October we will remain in the book of Luke with "The Wise and

Foolish Servants" and "Unfruitful Fig tree." Sound interesting? Come and join us in The Lodge Game Room at 6:30 pm on Thursdays, Oct. 3 and 24. It's a wonderful time of study, fellowship and prayer.

A sign-up sheet is available in The Lodge and I will contact you with more information and answer your questions. Looking forward to meeting you at our next Bible study.

"The heavens declare the glory of God; the skies proclaim the works of His hands." Psalms 19:1. ~ **Mary Baer, baerhuggy@icloud.com**

## INTERCESSORY PRAYER GROUP

Shalom intercessors, friends, and neighbors!

We invite you to come and pray for our community, country, friends and neighbors, and whatever your concerns may be.

We meet on the first Monday of each month in the Game Room at 9 am. Come and join us. Men are welcome. ~ **Cookie Bonner; eaglewatchwb@aol.com**

## LIFE GUIDE BIBLE STUDY

This month we will continue our study of the Parables of Jesus, led by Doc Sellars. The parables illustrate some of Jesus' most important teachings and have valuable insights for us in our faith journey and spiritual growth. We invite all residents to join us for fellowship, discussion, and learning from God's Word. We also support each other in prayer.

We meet in the third section of The Lodge Ballroom every Tuesday evening at 7 pm. Please contact Doc or Letha Sellars with any questions or comments at (951) 797-3302 or docletha72@gmail.com. ~ **Doc Sellars**

Jane Pihl turned 102 on Aug. 30

## "BELIEVE..." WOMEN'S BIBLE STUDY .....

On Aug. 30 we had a little birthday celebration for an amazing member of our group: Jane Pihl. She turned 102 on that day! (See above photo of smiling Jane.) If you see this amazing woman walking to or from Bible study, give her a happy birthday shout-out!

We have been busy studying about Paul and the messages from God he was inspired to write for us today. In Ephesians 1-2 Paul references "other churches." We received maps showing the seven churches in Asia (present day Turkey), which churches were discussed in Revelation Chapters 2 and 3. We were given homework to determine what specifically Christ spoke to each of those churches. The resulting discussion was spot on and fulfilling, and most of the ladies took up the challenge and did their required reading. Also, the ladies were challenged to memorize Romans 15:13 and Ephesians 2:8-9. It's so rewarding to see these good women take up this challenge and complete it! (Of course, prizes were involved too...)

We learned in Ephesians 3-4 that the Dispensation of Grace is the sixth and last of God's dispensations to be completed before the Tribulation. Today, in 2019, we are living in the Dispensation of Grace, the period of time in which God is completing His church. We had a wonderful discussion about God's dispensations, and received a helpful chart of all six dispensations.

Our first lesson in September was on Ephesians 5-6, which encompassed discussing the full armor of God. It was really eye-opening to revisit the significance of each of the pieces of armor of God we have been given. What a blessing! We also received several handouts that were uplifting as well.

We are continuing our study of the writings of Paul given to him by God for us to benefit from today. If you are interested in joining an awesome group of Godly women, please come by the Game Room any Friday from 10:30 to 11:45 am. We will welcome you with warm and gracious hearts. ~ **Eileen Gilbert-Antoine; egcellent@msn.com**

## RADIO CLUB .....

We are an active club focused on our hobby and how we can use our knowledge and our equipment to support the community. Our discussions at the club's monthly meetings can range over a wide variety of topics including emergency operations; amateur radio news; the sun and its effects on radio waves; and even social events (the annual Christmas Party is fast approaching). In the past several months, we've welcomed new members and provided training to help them obtain their licenses, and advised them about buying radio equipment. If you are interested in becoming a new member, come to our monthly meeting on the last Friday of every month at 10 am in the RCN Conference Room — we'd be happy to see you! ~Jim Peterson, [jimsally@hotmail.com](mailto:jimsally@hotmail.com)

## AFRICAN AMERICAN CULTURAL CLUB .....

"Everybody loved Greg!"

Gregory Ervin Lee was born in Mobile, Alabama, on Feb. 7, 1964. He moved to California in the 1980s with his mother, Frances M. Lee, and siblings. Greg lost his mother and was adopted by Henry and Jessie Ellis who live in Chula Vista, CA. Greg always referred to them as 'Pops' and 'Momma Sugar.'

Greg was a Maintenance Supervisor for the County of San Bernardino for over 22 years. His philosophy on life was to keep God first and always treat people with honor and respect. He was humble, kind, and easy-going. He was also an avid reader, history buff and writer. He loved music, dancing and of course talking. Greg used to say, "Hit me on the hip," which meant, call me! Those who knew him knew his "swag." He had exquisite taste in fashion and was an impeccable dresser.

Greg resided in Four Seasons with his sister, Shairon Nevills. He was a member of the Life Guide Bible Study Group and the Dominoes Club. Greg passed away on Friday, Aug. 9; he was 55 years old. He is survived by a beautiful 19-year-old son, and many siblings, nieces,

and nephews. A celebration to honor Greg is planned for Sunday, Oct. 13 in the Ballroom at 4 pm. Everyone is invited to enjoy food, dancing, and reflection. Please RSVP by Friday, Oct. 4, by calling Wanda Valentine at (951) 544-1606 or Roxie Elliott at (951) 769-2517.

A thank you is in order to club member Jane Gentry who spearheaded our annual Childhelp® campaign. This year, we were asked to provide assistance with the intake process. When a new child arrives at Childhelp® Merv Griffin Village in Beaumont, they're given a bicycle helmet, a stuffed animal, and a backpack with school supplies. Thanks to the wonderful residents of Four Seasons, the AACC was able to deliver the much needed supplies.

Upcoming event(s)

"Jazz Under the Stars" will be held at the Amphitheatre on Saturday, Oct. 5, at 7 pm. This event is FREE and open to all Four Seasons residents!

Tickets are on sale now for the AACC 2019 Annual Christmas Gala held on Dec. 14. The cost to attend is \$55 per person.

AACC meetings are the first Monday of the month in the Card Room at 6 pm. For more details, contact Joyce Allen at (951) 769-4354. ~Regina Thomas

## FOUR SEASONS SINGERS .....

We have already started rehearsals for the December Holiday Shows. We will be bringing back some treasured songs, but have also added some new songs. Besides that, you probably noticed some of the singers participated as actors in the Readers Theater Show in September, and some of the singers performed the Jell-O commercial. Some of our singers are also getting ready for the Hannukah Show on Dec. 17 being put on by the Jewish Cultural Club. Four Season Singers is a group under the Performing Arts Club umbrella and some of our singers have blossomed into performers in other shows put on by PAC.

If you would like to join us, would like to be included in my email list, or if you have questions about the Four Seasons Singers, call (951) 797-3466 or email me at bawasco@dc.rr.com. We always welcome new recruits who want to sing! ~ **Barbara Wasco**

## BEREAVEMENT GROUP .....

If you have suffered a loss, please come join us. All of us have lost someone close, and we get together to talk, listen, cry, and laugh and to help each other heal.

We meet on Mondays at 1 pm in the RCN Conference Room. You may just show up, or you may email to lauriemlarson425@gmail.com or call (951) 922-0934. All contact is confidential. ~ **Laurie Larson**

*Art by Laurie Wolfenden, Artist of the Month*

## MIXED MEDIA ARTS CLASS

This is the perspective of the artist of the month, Laurie Wolfenden.

*"I've painted a series of fathers with children. There is such a tenderness that seems to supercede the bravado of being strong. I love painting people, showing their relationships with one another. I love to express both tenderness and wisdom, strength and compassion, in my portraits."*

*"I have also explored mothers and their children and children with their beloved pets. I enjoy exploring different media including pastel, watercolor, acrylic and recently, water soluble oil paint. I am fascinated with color and texture."*

*"Rob Kelman's class is so much fun. We all arrive to class to express our own creativity, and in so doing we share many ideas with each other. With Rob's expertise he guides us in our creative journey, a wonderful gift that he freely shares with his students."*

Classes are Mondays, 10 am to 12 noon, and/or Wednesdays, 6 to 8 pm. If you have any questions, call Rob Kelman at (951) 992-9156. ~ **Rob Kelman**

## TOPS .....

So, what do we actually do at our meetings on Tuesday mornings at 8 am?

First, we weigh-in privately. Then we informally chat with other members about our week. We talk about challenges we faced, successes we had, and failures we lived through. We talk about our families, our activities, new healthy foods we've found, restaurants that have healthy food, and the usual Four Seasons banter.

Cathy Calhoun, our chairperson, calls the meeting to order with the flag salute. Next, we have the reports about losers, turtles (those who kept their weight the same), and gainers. Standing up and admitting your successes or failures is totally voluntary.

Awards are passed out each month to the biggest losers and those who kept coming for a whole month even if they had a tough week. That's the most important thing, to keep coming to meetings for the support. Without the meeting our minds tell us, "Oh, just go ahead. You'll make up for it next week." But usually we don't and we spiral down into our unhealthy habits.

We also recognize those KOPS, Keep Off Pounds Sensibly, who are maintaining their goal weight. They have their own special meetings once a month with other KOPS.

Then a speaker presents a program designed to motivate us for the next week. These programs revolve around exercise, motivation, nutrition and food choices. For example, we've practiced yoga and chair exercises, batted a beach ball in the quad, heard about plant-based choices, the best way to hydrate with water, reasons to change our unhealthy habits, easing anxiety, your diet IQ, joint pain, and more.

We close the meeting with a pledge to face the coming week inspired by our speaker, our friends, and our new motivation to continue doing things to make us proud of ourselves and to live an active lifestyle as long as possible.

Join us today and make a healthy difference in your life, today. We meet Tuesday, 8 am, in The Lodge Ballroom. ~ **Andrea Henderson, (918) 497-6491**

## SHUFFLEBOARD .....

Now that it is fall and we are expecting cooler weather, we will change our starting time for shuffleboard from 8 am to 9 am on Monday and Saturdays, beginning Saturday, Oct. 5. Come join one of the most fun groups at Four Seasons for a competitive game that is easy to learn and is played in a friendly, relaxed atmosphere. We are always looking for new people to come and join our group. If you have never played shuffleboard before, come out and give it a chance, as it is not physically demanding and one can become proficient at playing very quickly. After having your breakfast and

morning coffee, join us for some light exercise and fresh air. Enjoy our beautiful setting at the shuffleboard courts at The Lodge while playing with a great group of people. Each time we play, we choose different teams, so you are always playing with different partners and getting to socialize with friends and getting to know other Four Seasons residents.

Please call Marty Rotman at (310) 948-1693 if you have any questions. ~ **Marty Rotman**

## CLASSIC FILM GROUP

We are continuing with famous directors' trademark movies on Tuesday, Oct. 8 at 6 pm in The Lodge Theater.

Come join us on the second Tuesday night of each month for an adventure into various film genres with renowned directors.

We will explore Spielberg, Tarantino, Scorsese, Ron Howard, Hitchcock, Eastwood, John Ford, Orson Wells, Kubrick and more.

We will have an open discussion afterward on the movie.

Our October showing will be *Jaws*, the second motion picture that Steven Spielberg directed.

This movie, from 1975, changed cinema forever. We'll discuss the Alfred Hitchcock influence and Spielberg's trademark style. And do not EVER forget that menacing sound track.

Check the movies schedule for the upcoming movies or email me at 4seasonsmoviegroup@gmail.com for upcoming directors and movies.

See you at the movies. ~ **Paul Plamondon**

## TRAVEL GROUP

Travel Trivia Night — say it out loud three times and it's yours! Seriously, we are sponsoring a trivia night in The Lodge Ballroom from 6 to 8 pm on Wednesday, Oct. 23. Matt Jaeckel from Meridian Guided Travel will be the MC. So come out, meet him, and enjoy a couple of hours of entertainment. There will be snacks and prizes, too.

Our holiday potluck brunch meeting is scheduled in The Lodge Ballroom from 9 am to noon Nov. 16. After that, we will pick up again in the new year with our first meeting in the RCN Main Room at 10 am on Jan. 18, 2020.

Thank you all for attending the September meeting. We discussed and received feedback on the summer travel expo and revealed that there is another expo scheduled for Feb. 12, 2020. We will provide the time frame and location when they are finalized.

To our dismay (if you haven't heard) the owner of the company we were using for our day trips decided to retire and we're in the process of finding a new one. Meanwhile, keep visiting our Facebook page — Four Seasons Beaumont Travel Group. It's a good place to plan carpools to events, discuss like destination travel ideas, get feedback on excursions, and to stay connected.

Happy and safe travels to you all. For trip information and questions, contact Irene Welker at irenewelker55@gmail.com. For email notifications and updates, email Sharon Bond at sjbond2013@gmail.com. ~ **Kris Corbett**

## CARS & COFFEE

Our September Cars & Coffee gathering was fantastic! Unfortunately it was missing one car nut and that was me (Frank Morales). I was enjoying the beautiful islands of Kauai and Oahu. But all the car enthusiasts who showed up enjoyed the wonderful cars and trucks that were displayed and the great conversations with their owners.

A few car show events are occurring within the next few months and are being held in the local area. Four Seasons in Hemet is hosting a car and motorcycle show Oct. 19, and Rick Morales and Frank Morales will be there along with other car fanatics from Four Seasons Beaumont. Entry forms can be picked up at The Lodge or from Rick Morales. Four Seasons in Beaumont (that's us) will be hosting our very own car, motorcycle, 4 x 4 car show, tentatively scheduled for Nov. 9. Please contact Rick Morales (951) 255-4710 or Frank Morales (951) 203-4578 for additional information.

## 4X4 SEASONS .....

On Aug. 8, members of the 4x4 Seasons off-road group drove out I-10, up Chiracco grade to Box Canyon, where pavement was left in the rearview mirror. The little known Meccacopia Trail was the destination, a sandy riverbed run with great majestic sandstone walls. It was a beautiful day, a little warm at 119 degrees, with lunch at Denny's to end the day.

Come and join us if you own a 4x4 or would like to ride along with one of our members. We meet in the Arts & Crafts Room on the first Tuesday of each month at 6 pm to plan the upcoming trip on Thursday, two days later. ## ALL SEASONS RV .....

The RV group traveled to Chula Vista RV Resort this past August after our annual barbecue. The campsite is one of the best and the weather was great. Some played golf while others explored San Diego. We visited some restaurants and had an excellent potluck, traveled to Coronado, and ran the dogs at Dog Beach.

We are planning trips to Borrego Springs in October, Pechanga in November, and our annual Christmas bash in December.

# MOTORCYCLE CLUB .....

Congratulations to Howard Lyon and Steve Bennett, both long-time members of the Four Seasons Motorcycle Club, for recently completing the 44th annual Three Flags Classic motorcycle ride.

This event is organized by the SCMA (Southern California Motorcycling Association), and as the name of the ride implies, three countries are involved. The ride starts in San Luis Rio, Mexico, then on through the good old USA, and finishes in Vernon B.C., Canada; that's roughly 2,000 miles. The Three Flags ride is not a race, rather, it's best described as an endurance ride. The only requirement for being officially recognized as a participant is that the ride, from start to finish, must be completed in four days. Do the math. That's a lot of daily miles in the saddle.

Howard (BMW R1200RT) and Steve (Harley Davidson Road Glide) headed out from Four Seasons on Aug. 29 for San Luis Rio, fully loaded with gear. The next morning they headed out at 4 am from San Luis Rio on the official start of the Three Flags Classic ride.

One aspect of the Three Flags Classic that makes it interesting is that while there are three designated check-in points, riders are free to choose his/her own route. In other words, just make sure you check-in at the designated points along the way, and cross the finish line by 9 pm on the fourth day of riding. Day one ended in Cedar City, Utah; day two took them to Mountain Home, Idaho; day three got them to Wallace, Idaho, and finally to Vernon, B.C. on day four, well ahead of the 9 pm deadline.

By the way, every year Howard tells us that he's done participating in the Three Flags Classic, but to no one's surprise, he predictably signs up for the next year's ride. He won't admit it but, he's hooked. For Steve, this was his first Three Flags ride, and we have a hunch it won't be his last.

Howard and Steve set a much more leisurely pace on their way back home via Washington and Oregon, taking in the sights. It was quite the motorcycle adventure.

Hey Howard and Steve, well done! ~ **Jim Ayala**, [jimrayala95@gmail.com](mailto:jimrayala95@gmail.com)

## LADIES PUTTERS GROUP .....

We have so much fun on our "FUN DAYS" when friends, neighbors, and partners are welcome to come along. We have challenges, prizes, snacks, and laughs at the Ladies Putting Group.

Our regular play days are Mondays at 6 pm and Fridays at 9 am. Feel free to join us as the cooler fall days are upon us. We look forward to our upcoming holiday fun times. We have extra putters and balls if you are new to the game. See you there!

If you have questions, please call Judy Irving, President at (760) 610-9902. ~ *Susan Wilson*

## HORSESHOE CLUB .....

The hot weather continued throughout September which encouraged some short playing sessions. However, our competitive spirits prevailed translating to a bunch of fun for all participants. Maybe we'll get a break from the heat in October. I swear I can't believe it's October, it seems like the more of these articles I write the faster the time goes. I'm actually starting to think about Christmas. Oh my! So we now have the Kopper Kettle operating the Bistro, which is going to be good, I think. Going into 2020, our quarterly social will be held at the Bistro, followed by dessert at a member's home. Our

September social night was hosted by Bob and Sue Cooper, which I'll tell you about in the November issue. In December, we are planning a progressive dinner like last year, but with three homes being involved instead of four. Should be a lot of fun! So, for some pure fun, come out and join us as we continue to search for that illusive "Double Ringer." ## PICKLEBALL .....

As promised in last month's article, this month we will discuss the July 4 shenanigans that took place on the pickleball courts on July 3.

It is no secret that the best people play pickleball. Our group consists of the most energetic, inclusive, friendly, helpful, fun-filled people. With this in mind, we approached our July 3 Four Seasons Pickleball Tournament. People were encouraged to come dressed in patriotic attire and everyone obliged. There was a lot of red, white, and blue, sequins, spangles, and netting to be had by both the men and the women. Capes, caps, glasses, headbands, shoelaces... nothing was too outrageous. Of course, there were prizes to be given for the best costumes. No one can remember who won but it might have been Marty Key's dog, Poppy. No one is quite sure.

Then the competition began. There were six timed rounds to be played (indicated by Doug DuPree manning the music (think musical chairs). In each round, in order to score extra points, you had to don the attire which was in the basket on the court and wear it throughout play. There were things like mustaches, capes, masks, you get the picture. There were people who wanted to earn extra points and kept the attire from one court to combine it with other attire.

Was this fair? Didn't really matter.

Competition was fierce, players kept their own scores, and, in the end, our Fourth of July champions were of Richard Carrasco for the men and Tracey Laykoff for the women, with Yundell Montalvo-Linton and Rick VonKleist, both close seconds.

Somewhere in the middle of the competition the sprinklers went on. People had set up chairs, coolers, pickleball attire and pickleball bags on the grass, and all got drenched. Did we care? Not really! Just part of the fun!

When competition was ended, there was a delicious taco bar to serve our hungry players. The food was delicious, desserts provided by players wonderful as usual, and seemingly everyone went home with a smile on their face.

And that folks, sums up the heart of Four Seasons Beaumont Pickleball! Come on out and be a part of this fast growing, fast moving, new sport. Our courts are the best around, our people the best, and hours are posted right on the courts! See you soon. ~ **Julie Stayner**, [juliestayner@gmail.com](mailto:juliestayner@gmail.com)

## TENNIS CLUB .....

Looking backward a bit, we had the largest turn-out for our August Play Day in the history of the world. Of course, our Four Seasons Beaumont Tennis Club world only goes back ten or 12 years, but it was still momentous to have 21 players come out to The Courts and participate in the rotating matches. Let's see if we can beat that at the Saturday, Oct. 26 Play Day!

Looking forward now, plans are well under way for another new event – the Autumn Aces Doubles Tournament on Saturday, Nov. 9. In addition to the doubles' competition, there will be a serving contest called "Ace the Turkey." Players will attempt to hit turkey targets (not the ones dropped from a helicopter on WKRP in Cincinnati) with their serves in hopes of winning a can of tennis balls. Losers can just stuff it.

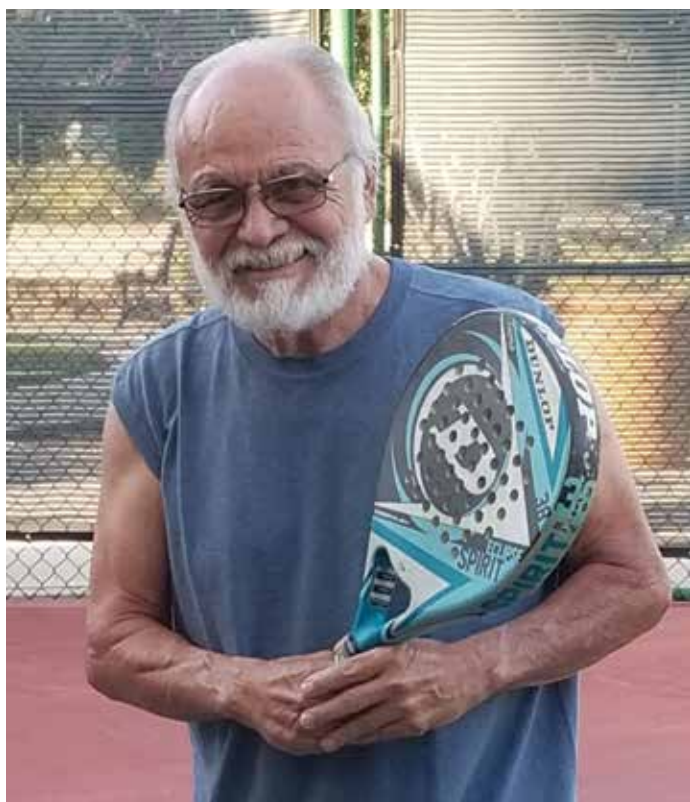

Some players have noticed that the net adjustment straps on some courts are frayed and broken. The HOA has been informed and replacement straps have been ordered so that the nets can be properly adjusted. As noted in the September-October edition of *Tennis Magazine*, USTA Rule 1 specifies that the net height at the center is to be 36." If the height is not correct, it should be adjusted at a convenient and fair time, such as a set changeover.

Another citation in that edition talked about making ethical line calls. It referred to #13 of The Code, which states that "With the exception of the first serve, a player should call out the player's own

shots if the player clearly sees the ball out, regardless of whether requested to do so by the opponent." I now apologize for when I haven't done that.

One more reference to court conduct: this occurred at the men's championship of the U.S Open tournament. The two players were Rafael Nadal and Daniil Medvedev. During one of his earlier matches in the tournament, Medvedev made an obscene gesture to the New York crowd, which was not favoring him. Needless to say, that just riled up the crowd more. So, players should avoid flipping the middle finger to the crowd. However, there are times when your racquet has misbehaved that it should be shamed with a surreptitious little digital signal or a private and quiet profane scolding. It deserves it.

## PADDLE TENNIS .....

This month we would like to feature our most senior player.

Diego Santos was born in November, 1944, which make him 75 years young. However, if you were to meet him you will think that he is much younger as he speaks with a strong voice, has bright eyes, and moves like a man half his age.

Diego started playing paddle tennis about five years ago; and, after a few games, he was hooked. He tells me that he cannot wait to get on the court to challenge younger players. Diego is a very competitive player and his favorite call is "Out." His winning play is the drop shot. Diego's advice to new players is to come out and watch the better players play as you may learn a lot. His favorite drink is tequila, and you can be sure he has a bottle on hand at all our parties.

If Diego can play at 75 years young, I am sure you can also do it. Truly, age is just a number.

For more information, please call Alex at (909) 746-7529 or Alan at (310) 251-9269. ~ **Alan Chan**

## DOMINOES .....

I said it last month and I guess I have to say it again, Robert Steen is a special kind of domino player. He plays on a level all his own. Robert is a true "Dominologist." He was the domino champ for July with 26 wins and he is the domino champ for August with 25 game wins. Robert even missed playing dominoes for several games but no one could catch up and defeat him. Congratulations to Robert Steen. The rest of us domino players have to work on our game skill set if we plan to beat him.

Dominoes are played every Wednesday and Friday from 5 to 9 pm in The Lodge Game Room. Practice is from 5 to 6 pm on both days. Come out and join us — have some fun and make some new friends. Jesse Dimmer is usually available to give you help and tips on the game of dominoes, if needed. For more information, call Jesse at (951) 769-2035 or Reggie at (951) 769-6483. ~

## THREE THIRTEEN .....

*Caryn McSweeney, Andy Lunetta, and Sue Barker land on Thirteen  
Thirteen scoreboard for low scores*

Caryn McSweeney takes first-place on the latest Three Thirteen scoreboard with a low of 53. Congratulations! Other low scorers for the same time frame are Sue Barker and Kris Corbett, both with 57; Brenda Brazeal, 65; Jerry Monahan, 68; Kathy Craven, 74; and Andy Lunetta, 75.

Three Thirteen is an easy and fast-paced Rummy spin-off. The game is played in 11 rounds and layers meld, using sets and runs. The first player to lay all cards down first receives no points. The remaining players then lay down their cards, either on the first player's cards or their own. Each round uses a progressive wild card, from 3s to Kings. The lowest score wins. Remembering what wild card is in play for a particular round is the most difficult part of the game.

Everyone is welcome and we always have a learner's table, if needed. We play at The Lodge Game Room from 3 to 5 pm on Oct. 1 and 15 (the first and third Tuesdays of the month). If you have questions or want to receive email reminders, contact Mike at micedcor1@gmail.com. ~  
**Mike Corbett**

## CANASTA .....

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the RCN Lobby from 12:45 to 4 pm. Table assignments are distributed at 12:45 pm. Each week you may play with someone different, giving you an opportunity to meet new friends and/or visit with old friends.

We supply the cards, so just bring yourself and a desire to have fun. If you don't know how to play, we are always happy to set up a teaching table — by the end of the afternoon you will have mastered the game. Come join us. ~ **Pam Morales**

## DUPLICATE BRIDGE FOR FUN .....

If we have sufficient interest, we'll meet Tuesday, Oct. 22 in the RCN Main Room at 1 pm to learn about duplicate bridge. We'll talk about the mechanics of the game including how the scoring determines who the winners are. We'll also talk about the ACBL, which is the governing body of duplicate contract bridge in North America, and the local facilities where you can play duplicate bridge. If enough people attend, we will play some hands.

When we play Duplicate Bridge, we do not voice calls (bids, doubles, redoubles, and passes). Instead we use bidding boxes. Each bidding box contains all the possible calls, and we place the appropriate

card on the table to make a call. The reason for this is to remove the chance of influencing a partner with inflection or emphasis of the call. When we play serious bridge, such as duplicate, we are only allowed to tell partners about our hand with our calls, unlike other games such as poker. In fact, our behavior at the table is governed by one of the laws in the Laws of Duplicate Contract Bridge.

Duplicate Bridge can be serious, maybe more serious than Party Bridge, but people who attend duplicate bridge clubs still have lots of fun, and act more like family than competitors. ~ **Kirk Freyermuth**

## BRIDGE FOR FUN .....

It's hard to believe how fast each year goes by... amazingly, it is already fall! If you are thinking about a new activity, consider playing bridge. As the only organized rubber bridge group in Four Seasons we always have four tables and sometimes five. We welcomed some new homeowners this past month who were looking for a fun group to spend an afternoon playing cards. We have so many regulars that we have to ask new players to be substitutes until we have an opening. We have all levels of players from beginner to intermediate. So please don't feel hesitant about joining our group or even just coming to watch and see if bridge is for you. We are a friendly group that meets in the Game Room every Wednesday at noon. ## PINOCHLE FOR FUN .....

Join us! Whether you are a seasoned player or new to the game, we welcome you. Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This stimulating game is a time-honored favorite. Winning is not just the luck of the draw; it is a thinking game which teases the mind and keeps it sharp. We meet in the RCN Building, Activity Room #1, on Mondays and Wednesdays from 9:30 am to noon. Our Chair is Karen Farmer. ~ **Karen Farmer**

## PAN .....

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so all are very welcome. The game can be played in the day, evening, in a room in The Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100, or email Goldtoy@earthlink.net, and I will answer any questions you may have. As are all card games, it is played with both skill and luck. ~ **Linda Mendelson**

## BUNCO .....

We play every Friday at 1 pm in the RCN Main Room. Bunco is very easy to play and it's a great way to meet new friends. For more information, contact Cheri Howard at howards1249@gmail.com. ~ **Cheri Howard**

## CO-ED BID WHIST .....

Hey everyone! Come out sometime and join us to learn bid whist and/or "to get your bid game on." We meet on Mondays (except major holidays) from 6 to 8:30 pm in the RCN Building, Room #3. We offer a satisfying game environment filled with good cheer, good natured "trash talking," and some great music. And, win or lose... you will have a lot of fun and meet some great folks while playing bid whist. New players, whether new to the game or veterans, are always welcome. For more information, contact Roxanne Williams at (951) 797-3123 or Floyd Reid at (951) 317-3127. ~ **Roxanne Williams**

## UPTOWN DIVAS BID WHIST

## HEARTS .....

All are welcome. The game is played with a single card deck, no jokers, and 52 cards. We play three, four, or five at a table. No scheduling necessary. We play on Tuesdays at 6 pm in the Game Room next to the Library. A group has played here at Four Seasons for nine years. Seating is random draw, no partners, individual scores. It is easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions, call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

## RUMMIKUB .....

Join us Sundays from 2 to 4 pm. Please try to show up by 1:45 pm as we always welcome help setting up. Have fun with new friends and old friends. Rummikub is played at a table with tiles and a holder for each player's tiles. Players begin with 14 tiles. A player's first move is a group of at least three tiles totaling 30 points. If unable to play, tiles are drawn from the remaining Rummikub tiles. Play ends when one person uses all their tiles. Remaining players then add the total numbers of their tiles for a score. Zero is the best score.

If you like Rummy and Mah Jongg, then you would certainly like Rummikub. We play in The Lodge Game Room. We also will set up a learning table for newcomers. Hope to see you there. If you have any questions, call Mike Saperstein, (951) 769-7909. ~ **Mike Saperstein**

## PING PONG .....

Thanks to some great work by Mitch Harmon and Bob Rubenstein, our good ping pong players are also looking good. Our new ping pong shirts, with an embroidered logo, went on sale last June. With five colors to choose from, in both men and women's styles, these shirts sold fast. Occasionally, players will show up for ping pong wearing the same color shirt. That was the case with these players.

Ping pong is an activity for everyone regardless of ability level. We are all about fun, friendship, and fitness. Come join us to have some

fun, meet new friends, and get fit as a fiddle. We play at The Courts every Monday through Saturday. Organized play is from 10 am to 4 pm, except on Tuesday when it is from 10 am to 3 pm. Before 10 am and after 4 pm and all day Sunday is generally an Open Play time for families and friends. ## BILLIARDS FOR FUN .....

We held our third quarterly, in-house tournament in August. After fierce and tenacious battling, the teams of Dave Martin and Bob Rector secured first place; and Bob Semler and Rocket Spinosa landed second place. (See above photos of our winners.) Congratulations to all of the Billiards for Fun players. You have been dedicated and consistent in supporting our group. Thank you!

We are not quite certain when Dave Martin was attacked by his pool cue. (See adjacent photo proof.) We understand this was after one of the losses that Dave and his cue suffered together. Apparently, the story goes that Rocky (Dave's dog) was the only witness to the cue attack, which happened in Dave's own home, and was dangerously close to his heart! Rocky (excellent guard dog that he is) promptly

notified Dave's wife Teri; and she was able to remove the cue herself, without anticipated surgery. (Please note that this was Dave's personal pool cue attack, so don't be fearful of using any of the cues in the Billiards Room. As of this writing, we are informed that no other cues have been battling their users.) Just fear Dave Martin's pool cue, for sure. In the meantime, we hope you recover quickly, Dave.

If this story hasn't frightened you off, please come join this fun (really!) group of awesome billiards players. We play formally every Tuesday at either 11 am or 1 pm. Come by the Billiards Room at The Lodge and check us out! Hope to see you soon. ~ **Eileen Gilbert-Antoine**, [egcellent@msn.com](mailto:egcellent@msn.com)

## WILD BUNCH BILLIARDS .....

The Wild Bunch 8-Ball Billiards Group is geared for those individuals who want to play competitively with those of their skill level. We started the new year with inviting the "best of the best" from Sun Lakes and Solera to play competition on Fridays, from 12:30 to 3:30 pm in our Billiards Room. It has been a great success with the skill levels ranging from Level 4 to Level 7.

We will be having our Second Annual Wild Bunch Billiards Tournament on Friday, Oct. 25. We will be competing with Sun Lakes and Solera, playing 8-Ball in the morning and 9-Ball

in the afternoon.

If you want to play serious, competitive pool, we invite you to come by the Billiards Room and join in the stimulation of competitive play. We do not play with partners; we play one-on-one with an opponent of your skill level. We are always looking for those who want to play competitively and, who knows, you just may want to change up your game and play on the team!

And, most importantly, we have a good time. ~ **Gracy**

## THE 8-BALL CLUB .....

The 8-Ball Club holds two in-house tournaments each month, an 8-Ball tournament and a 9-Ball tournament. Most months we play four additional tournaments — two away and two at home with Hemet (Solera) twice and Cherry Valley (Solera) twice.

In the August in-house 8-ball tournament we had 11 players' competing. When it got to the near the end we found Del Lyles Sr. and Larry Rice in the winners' bracket and Robert Howard in the losers' bracket as the final three players still standing. Larry sent Del to meet Robert where Robert won to meet Larry in the final. Robert looked like he was going to repeat his last month win but Larry was able to finish out the last rack to become this month's 8-Ball champion. Congratulations to Larry Rice, this month's 8-ball champion and Robert Howard, runner up. This month, also saw 11 players compete in the in-house 9-Ball tournament. Mary Ann Diehl lost in the semifinal only to come back to the final match to meet Larry Rice who defeated her in the semifinal. Mary Ann won the first match but lost the second match when she missed the final shot on the 9-ball. Congratulations to Larry Rice this month's 9-Ball champion and Mary Ann Diehl, runner up.

This month the 8-Ball Club held its summer get together at Paul and Brenda Carrocino's beautiful backyard. Special thanks to Paul and Brenda for opening their home to the 8-Ball club and hosting this event.

The 8-Ball Club is always looking for new players. We play or practice Monday, Wednesday, and Friday nights from 6:30 to 9 pm. There is a calendar of our events in the Billiards Room on the 8-Ball Club bulletin board. Come on out for the fun and give us a try.

## CURLY CUES .....

It's been a busy summer for the ladies. Many have been on vacation, enjoying grandchildren, or just gettin' in some sunshine.

Since we alternate our article for Cues 4 Two and Curly Cues every other month, this may sound like old news but we want to acknowledge our winners of the Fourth of July FS sponsored tournament:

1st place: Pat Semler & Beverly Lunetta

2nd place: Sharon Bond & Alex Vanhoose

In August, we held our regular quarterly tournament. The winners were:

1st place: Pat Semler & Barbara Morton

2nd place: Leta Ramirez & Lois Waugh

If you are new to our community and looking for something to do, come down and check us out. We play Mondays from 11 am to 1 pm doubles and 1 to 3 pm singles. It is a

great way to meet a fun group of ladies.

If you have questions, please call Leta Ramirez at (626) 695-0798 or Pat Semler at (714) 325-5280. ~ **Leta and Pat**

## POOL VOLLEYBALL .....

Anticipating our weather turning cooler, pool volleyball will end soon when the pool water heater is turned off at The Courts. As long as the outdoor temperature reaches 75 degrees at noon, we play on Mondays in the month of October. Our skill level has improved over the past two summers because we actually have rallies... and we always have fun. If you would like to include your name on our list of players, email Barbara Miller at babsmiller00@gmail.com. ~ **Barbara Miller**

## BASKETBALL .....

Everyone is welcome. We meet at the basketball court Fridays starting at 5 pm. Bring your energy and be prepared to have some fun. ~ **Richard Hoffman**

## FISHING CLUB .....

I hope all my fishing friends had a great summer. Soon we will start fishing for trout, which I do as much as possible because my wife loves eating trout.

I've been asked if I prefer salt or fresh water fishing. The truth is, fishing is fishing. If I had to choose, I would choose fresh water fishing. We live in a place with lots of fresh water fishing spots nearby. I am getting old and know my driving limitations. I don't think I am strong enough to pull in a 400-pound fish from the ocean.

The weather is getting nice and should allow those with heat issues to start fishing again. It is no fun getting sick while you are catching the fish of a lifetime.

I know many people in Four Seasons who have fished before or would like to go fishing. Once again, if you have fishing pictures please send them to me and I will make sure they get in the *Breeze*. If you would like to go fishing, just email me and we will set up a fishing trip. There have been times that I did not go fishing because I did not have anyone to go with me. For safety reasons I always like to fish with one or more persons in case of emergency. You never know when you are going to fall into a lake or river. I can loan you equipment to see if you like the sport.

Fishing is a great way to make new friends, relax, and enjoy life. I recently went ocean fishing and it was both good and bad. The good part was I caught a huge shark. I fought it for over 45 minutes — it was a great battle. My other fishing buddy tried to get the fish in the boat, but it was too big and we let it go. It was a good thing that

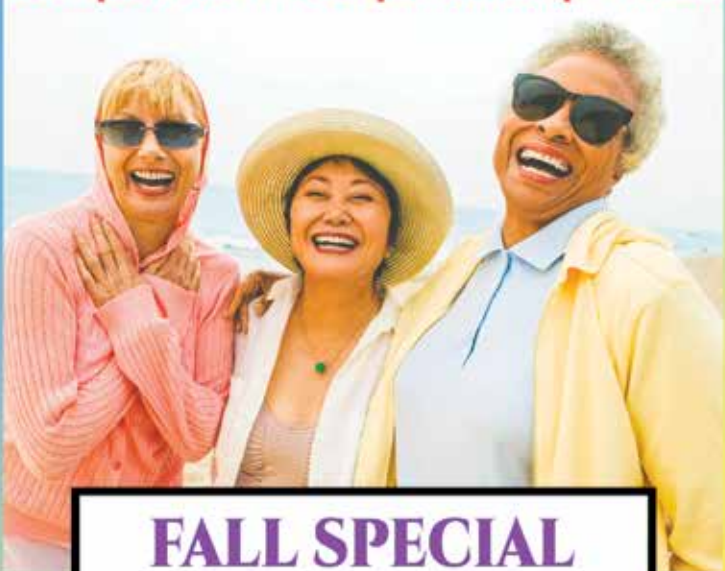

we did not get the fish in the boat because it would have torn up the boat's new upholstery. The bad thing was that one of the guys got seasick. I told him to take motion pills before leaving but he said he never got sick. He spent all his time throwing up and lying down in the boat. I am not going to mention Dennis' name because that might embarrass him.

Tight lines to all my fishing buddies. Remember, if you get lucky and catch a bunch of fish, make sure you spread the wealth by giving fish to your friends and neighbors. You will be surprised to find out how many people love to eat fish. ~ **Richard Carrasco**, [ricarrasco52@gmail.com](mailto:ricarrasco52@gmail.com)

### ***Bocce Ball Weathers The Heat...***

The Bocce Ball group is happy to report that we have been surviving the heat... by not playing Bocce Ball. Instead, we have been meeting at the Bocce Ball courts and drinking!

Actually, that's only partly true. We are really playing Bocce Ball too, just not in the evening, because it's been too hot. We meet to play Bocce Ball three times each week. Come watch as the sun rises over the San Jacinto mountains on Tuesday mornings at 8 am. The weather is cool and comfortable. On Wednesdays, we play at 6 pm unless it's too hot. On Fridays, our meeting starts at 5:15 pm for

happy hour. Bring your own drinks and snacks. After happy hour, we play Bocce Ball (if it's not too hot and we are still able to stand up)!

Bocce Ball is held at the Bocce Ball courts at the beautiful Summit. The view is spectacular, the people are really fun, and Bocce Ball is an easy game everyone can play. Our group is growing because it is such a fun way to spend time with your Four Seasons friends.

Watch the weather and come and learn how to play Bocce Ball. Win or lose, a splendid time is guaranteed. If you have questions, contact Jeannine Baker at (951) 797-0833. ~ **Perry Goldstein**
