# GENERAL MANAGER'S REPORT

*By Eric Zarr*

## 2020 Annual Budget and Policy

To recap before going into the different sections of the mailer – everyone is part of the Master HOA in which the dues will increase from \$219 per month to \$227 per month starting Jan. 1, 2020.

Those who have their front yards maintained by the Association, which is the Front Yard Cost Center, will see an increase of cost center dues by \$1 from \$67 to \$68 per month starting Jan. 1, 2020.

Springdale owners who live in the condos will also have cost center dues increase on Jan. 1, 2020. The dues for the Springdales are based on unit and square footage. The dues for the Springdales will be as follows per month:

	2019	2020
Plan 1	\$86.31	\$95.96
Plan 2	\$93.28	\$104.37
Plan 3	\$105.50	\$119.13

Every Four Seasons at Beaumont homeowner has received a package containing the 2020 annual budget and policy mailer. This 56-page document contains important information and policies for the community. I know that not everyone will read the document in its entirety, so I will provide an overview of a few important items. Additional packets are available at the management office in the RCN building, and it is also available on our website.

Pages one and two contain a report on the preparation of the 2020 budget as well as the assessment amounts for the Master Association, Front Yard Cost Center and Springdales.

### Exhibit A; 1-3

Master HOA Budget: This report contains a breakdown of the budget for 2020 and what the budget line items were for 2019. These reports break out what the dues are planned to be spent on throughout the year.

### Exhibits B-1 thru D-3

Reserve Summary for the Master Association, Front Yard Cost Center and Springdales.

### Exhibits E and E-1

Insurance summary disclosures for the Master Association policies and the Springdales: This information is very helpful to those looking for new insurance policies on their homes. If you need a copy of the association policy for your own renewal, please contact Management.

Some other notable items you may be interested in are:

1. Annual Homeowner Disclosure form. If you did not receive the Budget packet and had to pick one up you may need to update your mailing address with the Association. Please fill this form out and return it to management in the RCN office;
2. FHA/VA Certification. The Association maintains certifications with both FHA and VA loans for the Springdales; and
3. Schedule of 2020 Board Meetings and more.

If you have any questions regarding the 2020 budget, please contact me at [eric.zarr@fsresidential.com](mailto:eric.zarr@fsresidential.com).

## *An invitation for non-practicing Catholics*

If you are a Catholic who has been away from the Church for awhile, this invitation is for you. No matter how long you have been away and no matter what reason, we invite you to consider renewing your relationship with the Catholic Church. Please join us for informal listening sessions and an update of the Catholic faith facilitated by former non-practicing Catholics. No strings attached!

We have a special program to help non-practicing Catholics revisit and/or return to the Church called "Catholics Returning Home" held at St. Kateri Tekakwitha Parish, 1234 Palm Ave., Beaumont CA 92223 on six consecutive Wednesday evenings at 7 pm beginning January 8, 2020. For more information, text or call Bill Thurin at (909) 225-4498.

# ACTIVITIES DIRECTOR CORNER

By Cindy Graves

Happy New Year! 2020 is a new year with all kinds of new opportunities. The first new opportunity is a get-together in the Ballroom on Friday, Jan. 10 from 5 to 9 pm for Four Seasons Musicians. We're calling it "Meet the Musicians" and, as the name would indicate, it's a chance for folks to get to know each other, get to know what instruments they play, and what genre of music they enjoy. Bring your instruments and be ready to do some jamming with some really awesome rocking people. For more information, email Perry Goldstein at [perry.goldstein@gmail.com](mailto:perry.goldstein@gmail.com). See you there.

## CLUB, GROUP, CLASS

### TOWN HALL

On Tuesday, Jan. 14, I'm having a Club, Group and Class mini Town Hall meeting in the Ballroom at 5:30 pm. The purpose for this meeting is to get all of our groups together to explain the new rules that were recently passed by the BOD and to have everyone fill out new club forms with the most recent information, so that we can have accurate content for our soon to be released Club, Group and Class Directory. I'll also be explaining about the awesome Club Fair which we'll be having in the Ballroom on Saturday, Jan. 18 from 10 am to 1 pm. I would like all of the Club, Group and Class leaders to be there (or send a representative).

## CLUB FAIR

For the new people who have just moved in within the last 13 years, I encourage you to come to the Club Fair at The Lodge on Jan. 18 from 10 am to 1 pm. Check out all of the fascinating groups that are active in Four Seasons this year. Some clubs are very recent additions to our offerings and some are the staples around here, that have added value to many residents' lives for years. Come and meet the folks who make it all happen and find out what they each have to offer. There is nothing like expanding your potential for more joy this year.

## ART DISPLAY

On Monday, Jan. 20 there will be a beautiful display of mixed-media art in The Lodge Lobby. Come and check out some of the amazing talents of our Four Seasons Artists. The display will be up for a full week to give everyone a chance to check it out.

## GAIL'S GAMES

Finally, on Friday, Jan. 24 at 6 pm in the Ballroom we have the ever-popular Gail Lindeboom, game emcee extraordinaire, who will be leading us in hilarious competition in the favorite TV game, Password. Everyone is welcome to come and play or just watch. There is no cost to attend and you're invited to bring in your dinner and drinks.

Have a great year, and I'll see you around The Lodge!

# Become an Active User with dwellingLIVE

*By Danya O'Harra, Activities Assistant*

As we enter the final stages of build-out, we have seen larger numbers of visitors coming into Four Seasons, especially on weekends when there are events, family visitors, and other activities within the gates. This is resulting in heavier traffic flow through the Potrero Entrance and occasionally causes significant delays for those awaiting entry. To help alleviate some of this traffic and accompanying frustration I'd like to take a moment to review the incredibly user-friendly system we have in place for community access — dwellingLIVE.

dwellingLIVE is a database system that is used to approve guests and vendors for entry into gated communities such as Four Seasons Beaumont. A resident may telephone the Potrero Gatehouse at (951) 769-4131 to approve guest entry, where the gate attendant will manually enter the guest into dwellingLIVE on behalf of the resident. Unfortunately, during high traffic and phone call times, these phone calls may occasionally go unanswered. Leaving a voicemail is an effective way of communicating information to the gate attendant. However, each resident has the capability of creating his or her own dwellingLIVE user account. Residents can then use a computer, smartphone, or tablet to enter a guest directly into our gate entry system.

Using dwellingLIVE is the single most accurate and efficient way of managing your updated personal information and the names of visitors. dwellingLIVE gives residents control by allowing them to add temporary or permanent guests to their access list. Residents may also list unwanted visitors as restricted from entering the community. Among the many incredible privacy features, this

system provides residents the opportunity to request that a text message or email be instantly sent to them every time someone enters the community, in that resident's name. However, these additional privacy features cannot properly function without resident participation. Many of the email addresses and phone numbers affiliated with long-term addresses and residents have become outdated and nonfunctional. If you have not updated your contact details in dwellingLIVE in the last six months, we strongly encourage you to log in and refresh that information.

Creating an account with dwellingLIVE is as easy as 1-2-3! Those logging into dwellingLIVE for the first time may visit our community website at [www.fourseasonsbeaumont.org](http://www.fourseasonsbeaumont.org), select the "Contacts" drop screen, and then click "dwellingLIVE." This will redirect you to the proper community access page where residents can log onto their dwellingLIVE account by entering the email address they previously registered with management as the username. Those already registered in dwellingLIVE who may have forgotten their log in credentials may email [issues@fourseasonsbeaumont.org](mailto:issues@fourseasonsbeaumont.org) to request a password reset or may call The Lodge at (951) 769-6358. Those residents who may feel overwhelmed by this process should visit The Lodge Front Desk to pick up instructional flyers that contain illustrated step-by-step instructions on all things dwellingLIVE.

It seems like a small step, however, updating your account information will allow residents and management to work side by side to strengthen the privacy and comfort we experience within our community. Therefore, if you do not have a New Year resolution you have one now: become an active user with dwellingLIVE!

# With Sincere Appreciation From Winter Wish

Winter Wish is a local program that began 30 years ago, helping one family of a Beaumont Unified School District student living in their car. This year 156 families with 527 children were granted their wishes with the assistance of the Four Seasons community.

The program was founded by the Beaumont Soroptimist and is still under their financial umbrella, but over the years other service clubs, churches, businesses, 55+ communities and residents have joined in to make Winter Wish successful.

Our Four Seasons community has played a big part of making each year a big success. Endless gift tags are chosen, then gifts are shopped for, beautifully wrapped, and returned. As more families

are received during November and December you graciously stepped forward again and again to help fulfill those wishes. Your continued generosity is never-ending and very much appreciated.

Thanks to your donations, food purchases are augmented, and we can give each family three bags of groceries. Along with the groceries each family will receive a \$20 Stater Bros. gift card. Parents are so appreciative for this extra help during this season.

We value our continued partnership with each one of you who participated and look forward to working with you again next year. A special thank you to Justin and our Lodge staff for all their help in distributing tags and gathering your generous gifts. ~ Pam Dopf

# STEVE VS STEVE

## Reader Disagrees: Says App Is Great!

THERE'S  
AN APP  
FOR  
THAT!

*By Steve Benoff*

Au contraire, mon ami.

Well, Steve Katz didn't really start his email to me that way, and I don't even know if he speaks French. In fact, my French was so bad in college I had to cheat on a test to get through my foreign language requirement. But that's the only time I cheated in college. For the life of me, I can't justify taking French rather than Spanish which would have been far more helpful as a construction subcontractor in Southern California.

Nevertheless, Steve has a retort to my December review of the Albertson's app. Since this is the first time in over three years of writing this column that I've had a written disagreement with my opinion of an app, I'm going to quote his email in full.

"After reading your app article in the *Breeze* I just had to write to you. My wife and I have been using the app for almost two years. We save between \$30 to \$60 a week! Our record saving was \$78! We always joke that Albertsons just bought us lunch(es) out. As the savings are weekly, which is a lot for us on a fixed income.

"As the app is simple AI. They track our buying habits and offer personalized savings. We even asked the manager if there was a coupon for Slim Fast. The next week we had a \$2 coupon online for us. The savings cover everything in the store including OTC medications, meat department, my wife's makeup and hair products, even booze. They also give us points on what we spend and special offers. The points can be used for cash savings and/or free products. Seven points is a cash saving of \$10.

"I hope you will consider amending your review, as saving \$200 a month on groceries is a big deal for us on a fixed income.

"I will agree that the list we print out doesn't follow the store flow, but for saving \$200 a month on groceries, we can handle it.

"The checkout register knows what special priced item we have in our cart and deducts them and any free items or cash savings."

Steve, consider my review amended. I'm not changing my grade, however. As I stated last month, we react to apps from our own particular point of view. I'm not into coupons and that affects my view of the typical grocery store app.

All of our foibles can always be blamed on our mothers. That, no doubt, has influenced my view of coupons. I remember taking my mother to the market and having to wait for her to go through her coupons in each aisle looking for particular products, and then waiting even longer as she presented each coupon to the cashier. I'm not talking ancient history; this is only 20 years ago. Before that I didn't have time to deal with coupons. Since then, I've looked for stores with cheaper prices rather than use coupons. That's why I usually shop at Walmart.

But Steve emphasizes my point about individual approaches to apps. Steve would likely give the Albertsons app an A. Clearly his view of grocery store apps are more in line with the general view. That's why grocery store apps emphasize coupons and not the attributes I consider worthwhile.

So, while I'm not changing my grade, which after all is merely my own opinion, I will concede the point that most people would likely agree with Steve rather than me.

If you use an app you'd like to share with others, let me know at [steve.benoff@verizon.net](mailto:steve.benoff@verizon.net).

# DID YOU KNOW?

**DID YOU KNOW** that there will be four open seats for the Association's Board of Directors in the April election? If you have considered serving our community or want the opportunity to make Association changes more in alignment with your views, this could be the avenue. If interested, there are two ways to get the application. You can contact the FirstService Residential Management Office and request a BOD application. Or, you can go to our website, [fourseasonsbeaumont.org](http://fourseasonsbeaumont.org). The application is located under HOA Other forms. Once completed, return the application to the management office before the deadline in March (date to be determined). It goes without saying, you must be "a member in good standing" to be eligible to run for a BOD seat.

# Spreading Gratitude in Four Seasons

Thank you so much to the finder of my glasses. They were on my windshield. I am so grateful for your kindness. Justine F.

Many thanks to our neighbors on Mock Bluff, Linnea Fields, Alissa Flowers, and Rosemary Gardens, who have now become family and friends. Love you all. ~ Nigel & Christi M.

I have just moved here and a lady named Judy welcomed me and invited me to the holiday party for Taste d' Vine! Someone else invited me to play mah jongg. How wonderful. ~ Anonymous

I love this community, especially my neighbors! ~ Charles C.

Dear Safety Committee Members: I've just returned from my morning walk around Four Seasons Circle and wanted to express my appreciation on the installation of the stop signs along the roadway. I feel sooooo much safer walking! It's the solution we should have done years ago! I'm fairly confident that there have been complaints from the speeders but I want you to hear from the walker's side of the story too. I couldn't be more pleased to have walking feel safer for all. Thank you for all the hard work that you do to keep us safe! ~ Dianne A.

Thank you to Jeff Davidson for the monthly word find puzzles. ~ Anonymous

If you have seen an act of kindness or have received one, please share with the community. Let's spread gratitude! Just go to The Lodge lobby and fill out a gratitude note and put in the box marked "The Box of Gratitude." Thank you.

# Grilled Cheese Elevated

*By Irene Welker*

Everyone is winding down from the stress of the holidays. We overindulged on parties, eating, drinking, etc. Time to get back to basics. January is when I want comfort food that is light and easy to make. Grilled cheese sandwiches fit the bill. Truth be told, it is one of my go-to meals year-round. It is a perfect light meal by itself or paired with a side such as fries, chips, salad, fresh cut vegetables, or soup. I'm not talking about just any grilled cheese sandwich; this is full-on, grown-up grilled cheese stuffed with a variety of ingredients. Creativity is the key. I've given a few examples to get you started. Let your imagination fly!

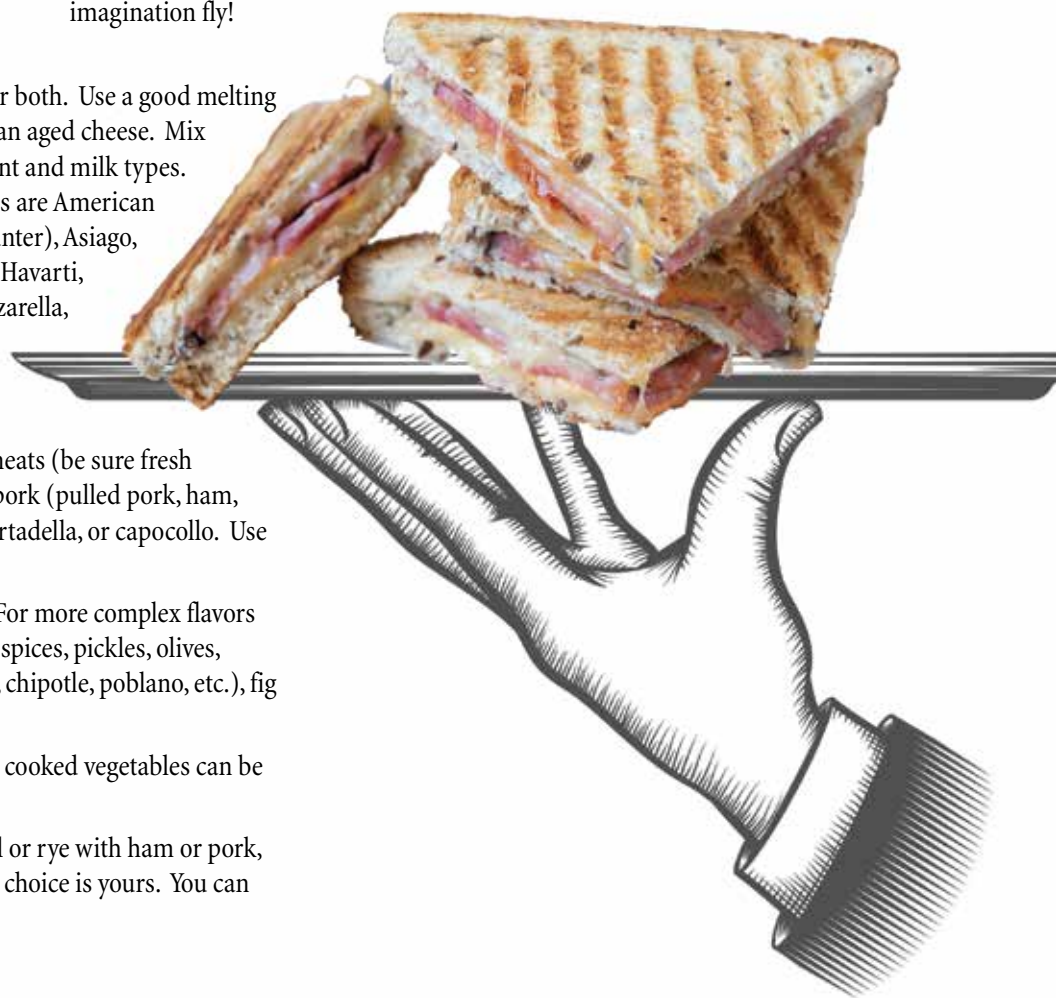

**CHEESES:** Cheese may be sliced, grated or both. Use a good melting cheese. Younger fresher cheese melts better than aged cheese. Mix cheeses with different textures, moisture content and milk types. Include smoked cheeses. Good melting cheeses are American (not the packaged stuff, get it from the deli counter), Asiago, Mild Cheddar, Colby, Fontina, Gouda, Gruyere, Havarti, Monterey Jack (with or without peppers), Mozzarella, Muenster, Provolone, and Swiss. Don't forget Blue Cheese, Brie, and Camembert, just remember to remove the rind.

**MEATS:** Pair cheeses with cured or fresh meats (be sure fresh meats are fully cooked) such as chicken, beef, pork (pulled pork, ham, bacon, prosciutto, etc.), any type of salami, mortadella, or capocollo. Use your favorites or try something new.

**SWEET AND SAVORY ADD INS:** For more complex flavors include your choice of a sprinkling of herbs or spices, pickles, olives, roasted and/or smoked peppers (red, jalapeño, chipotle, poblano, etc.), fig or other jam, chopped dates, etc.

**VEGETABLES:** Roasted, grilled or other cooked vegetables can be added in addition to or in lieu of meats.

**BREAD:** Pair the bread with the filling: dill or rye with ham or pork, sourdough with beef, wheat with chicken. The choice is yours. You can make open face, double stuffed, or club style.

## HAM & SWISS GRILLED CHEESE

For each sandwich place a slice of white or rye bread on the work surface. Spread with a little Dijon mustard and sprinkle lightly with garlic powder. Place a slice of Swiss on top and then a slice of leftover or deli ham. Cover with a layer of thinly sliced cornichons, add another slice of ham and top with another slice of cheese. Cover with a second slice of bread. Spread the top and bottom of the bread with a light coating of butter, ensuring the bread is fully coated. Place in a preheated medium skillet over medium heat. Cover and cook until the bread is evenly golden brown, about 2 minutes. Flip and brown the second side. Several sandwiches may be cooked at the same time. Do not overcrowd the pan.

## MUSHROOM & ROASTED PEPPER GRILLED CHEESE

For each sandwich place a slice of white or sourdough bread on the work surface. Layer with a slice of Monterey Jack or Provolone. Spread with about a tablespoon of roasted poblano pepper. Add a layer of cooked sliced Portobello mushrooms and another slice of cheese. Brush a layer of canned Chipotle pepper in Adobo sauce on one side of the second slice of bread. Place spread-side down on the sandwich. Evenly spread butter on both sides of the sandwich ensuring the bread is fully coated. Place in a preheated medium skillet over medium heat. Cover and cook until the bread is evenly golden brown, about 2 minutes. Flip and brown the second side. Several sandwiches may be cooked at the same time. Do not overcrowd the pan.

## COMMUNITY PLANNING & TRANSITION COMMITTEE

### CP&T: LONG-TERM VISION PREPARES HOA FOR FUTURE

The Community Planning and Transition Committee is the one committee here at Four Seasons that is tasked with the long-term vision and planning towards the future. Asking what we need to do, would like to do, and could do to safeguard our investment and enhance our quality of life at Four Seasons within our financial and regulatory constraints.

Some of the issues that we investigate will be eliminated because they are in conflict with the multitude of governmental regulations that we must abide by.

Those projects that make the first hurdle are then sorted by their cost-to-benefit ratio. Clearly a low-cost project that benefits many residents sorts higher than a high-cost project that only benefits a small number of residents.

Long-term project integration is crucial. We need to ensure that short-term projects do not conflict with the longer-term plan for a particular location.

Some of the topics that we have worked on during 2019 (and continue to work on) include:

#### ***Transition from KHovnanian involvement to complete HOA responsibility***

- Punch list of outstanding tasks to be completed
- Financial impact to be defined

#### ***Nature conservancy***

- Understanding all rules and regulations for each zone type
- Financial impact to be defined

#### ***Underutilized areas***

- Developing a wish list of possible uses from residents
- Quantify rules/limitations/regulations applicable to all areas
- Match up possible uses with allowed areas

#### ***Solar power***

- Economics of solar electric or solar thermal
- Long-term contracting

#### ***Ballroom, addition of storage & kitchenette areas***

- Plans drawn
- Requesting construction estimates
- Ballroom and RCN acoustics
- Studying potential cost and benefits

#### ***RCN area, long-term use optimization***

- Bocce ball courts / shuffleboard courts, improve or relocate?
- High value real estate for longer-term building expansion

#### ***Amphitheater***

- Major improvement study proved non cost effective
- Low cost seating expansion proposed

#### ***Dog park***

- Crooked Creek utility easement disallowed by Gas Company
- Breckenridge entrance now proposed

#### ***Outdoor entertainment area***

- Plans drawn for The Lodge courtyard area
- Demo show scheduled for April 2020

#### ***Strategic Plan for BOD***

- Plan completed and submitted to Board of Directors

## EMERGENCY PREPAREDNESS COMMITTEE .....

### EVACUATIONS AND INFORMATION

We live in a world where we are victims of deceptive marketing. A couple of months ago a poorly worded Evacuation Notice seemed like another telephone scam. It sounded like a warning and not an actual evacuation notice. There was nothing to let you know that the notice was coming from a legitimate government agency.

A resident found out from the Beaumont Police that the notice was a false alarm. The failed notice led to complaints to Riverside County Emergency Management Department (EMD). This information was passed on to the State of California Office of Emergency Services AKA Cal OES. They told Riverside to write three specific notices.

1. An evacuation warning.
2. An actual evacuation notice.
3. A request to shelter in place.

There will be no more confusion about evacuations. We were told by the Beaumont Police that an evacuation would be loud and noisy with patrol vehicles making announcements and officers knocking on doors.

The city of Beaumont told us that Beaumont High School is their location of choice for an emergency shelter. The problem is that they only have space for about 90 people.

The California Highway Patrol surveyed residents returning to their neighborhoods. The most wanted item was prescription medications.

We need to be informed. The following websites and phone numbers offer information for our residents.

1. AlertRivco.com
2. BeaumontCA.gov resident alert sign ups
3. Beaumont Police non-emergency # (951) 769-8500
4. Beaumont/CalFire (916) 653-5123 M-F 8-5 pm
5. So Cal Edison sce.com/psps

If you have not signed up for emergency alerts, you should. Persons caring for the handicapped or who are handicapped themselves need an early notification. Emergency warnings should serve as actual notices for this group. People caring for the handicapped or having domestic animals have a lot more stuff to pack and they will need the extra time to get ready. The state approval of EMD's rewrite of the evacuation notices will relieve the stress of it possibly being a scam.

If you need or want more information, please come to our next EPC meeting on Tuesday, Jan. 21 at 10 am in the RCN Conference Room. ~ **Michael A. Mendoza**

## FACILITIES COMMITTEE .....

2019 was a busy year for the Facilities Committee in maintenance items and improvement projects for our community.

The Arts & Crafts Room was expanded and remodeled, the Spa building gym and aerobics room flooring was replaced and the pool tables in The Lodge Billiards Room were refurbished.

Some maintenance projects completed included: the renovation of the Potrero guard house, paver repairs on a number of the traffic circles, and The Lodge flat roof replacement. In addition, The Lodge ground lighting was repaired and converted to LED lighting, The Summit spa coping was replaced, the spa was replastered, and several air conditioning condensers were replaced.

A number of resident requests were approved including privacy curtains for the dressing areas of the pool facilities, wall mounted-fans were installed in the aerobics room, an ab machine was added to The Courts gym, and bird spikes were placed on the light poles at the tennis courts.

The Facilities Committee has several projects for early 2020 we are

recommending or already approved. NPG Asphalt will slurry seal the streets in phase A and Four Seasons Blvd. between The Summit and The Courts after the first of the year.

Empire Technologies was approved to update the security camera system. Cameras will also be installed at the Breckenridge gate.

AWS consultants has provided recommendations for roof repairs for The Lodge, RCN and Spa buildings. The committee will be selecting a roof vendor from the recommendation.

We are presenting the conversion to LED lighting at the pickleball courts. In addition to providing improved lighting, the LED lighting will substantially reduce energy and maintenance costs.

The Facilities Committee meets in the RCN Conference Room on the second Wednesday of the month at 10 am. We always welcome residents to join us and share their ideas or concerns.

We currently have several positions open on the Facilities Committee for anyone interested in serving our community.

Happy New Year! ~ **Bruce Lewis, b.lewis2794@sbcglobal.net**

## FINANCE COMMITTEE .....

The financial statement for October 2019 was reviewed at our October meeting and items were recommended for BOD approval. Highlights of the October financial report follows:

Total Assets are \$9,577,576 including checking \$635,815 and reserve assets of \$7,537,226. Operating money market and CDs totaled \$1,292,970. Total Liabilities currently are \$269,223 and Total Equity of \$1,770,428 is a surplus balance. There was a net income loss for the month of \$8,378. Front yard cost center expenses were over budget by \$670 and Springdale cost center expenses were over budget by \$81. Budget and HOA fees for 2020 were recommended to

the BOD for approval. A follow-up article will be written to discuss the specifics of these recommendations after they are approved.

Four proposals were reviewed. Three proposals were recommended for Board approval, one was returned for greater clarity. Six committee persons and Board Liaisons, Ed Paules and Jolene Cooley, were present. There is an opening on the Finance Committee. If you are interested, please come to our next meeting on Jan. 28, 1 pm in the RCN Conference Room. ~ **Baron Ginnetti, b2ginnetti@gmail.com**

## LANDSCAPE COMMITTEE .....

It's a new year and, perhaps, you're considering joining a committee at Four Seasons to become more involved in your community. If you like gardening and have an interest in maintaining the beauty of our little slice of Beaumont, the Landscape Committee may be for you! For many residents, the beautiful aesthetic of Four Seasons was a big reason for deciding to relocate here. Why not take a more active role in preserving and improving this important asset?

While membership requires committee and Board approval, it's an easy and straightforward process. Prospective members must answer a few simple questions regarding their interest in joining, accompany the group on three Friday walks through areas of the community, and attend three monthly meetings. Inclusion in these committee activities gives you a good introduction to the group and its functions, and a good idea of its suitability to your interests.

So, what are the responsibilities for this committee? The overall objective is to maintain the community aesthetic in all HOA-maintained areas. This includes areas that are shared by the entire community (including grounds at The Lodge, Summit, and Courts, as well as slopes, parkways, trails, and islands of landscape throughout the development). Also included are some selected areas of the community in which the HOA is responsible for front

yard landscaping tasks (termed "cost center" areas). This committee has no responsibility for issues related to homeowner-maintained front yards or for any backyard landscaping. To accomplish its goals, committee members, a representative from FirstService, and a representative of one of our three landscape contractors walk different areas of the community every Friday, looking at the health of plantings and identifying potential problems with irrigation or with the quality of maintenance. Additionally, the committee checks on specific issues that have been brought to their attention by either FirstService or one of the contractors. Some issues can be immediately addressed with the contractor during the walks, while others are tabled for discussion at the next monthly meeting, after more information has been gathered.

Members of the committee are committed to getting the best aesthetic result at the most reasonable cost. The landscape budget at Four Seasons is large, but so are the expectations of homeowners in this community. Our contractors have told us that other communities under their care ask to get a result that "looks like Four Seasons Beaumont." Why not consider becoming involved and helping to keep FSB an example of excellence? ~ **Steve Stoecklein**

## SAFETY COMMITTEE .....

Our December committee meeting focused on reviewing the condition of all the road signs in the community. That work is ongoing, as it is a big undertaking.

Stop signs have been installed making some junctions four-way or three-way stops — for example, where Green Creek meets Four Seasons Circle. These new stop signs have made it much safer to cross the street and have slowed traffic significantly. To the 98 percent who stop, thank you! And for the others, please have respect for your neighbors, many of whom are out walking their dogs or just exercising. Trip hazards on sidewalks have been identified and will be rectified in the near future.

Please slow down as you approach the traffic circles (roundabouts) and merge safely. Once in the circle, you have the right-of-way so no stopping is required. Exit using your turn signal.

As a reminder, if you witness theft of packages, reckless or drunk driving, or other potential criminal behavior, call 911 and let Beaumont PD handle it.

Our next meeting will be on Tuesday, Jan. 7 at 10 am in the RCN Conference Room. Please attend and let us know what safety concerns you have. ~ **Geoffrey Wilson**, [sw072153@aol.com](mailto:sw072153@aol.com)

## SOCIAL COMMITTEE .....

Our New Year's Eve party "In the Midnight Hour" was amazing. Thanks to our event Co-Chairs, Pam Morales and Loretta Ramsey, to all the volunteers who came to help with the set up, to our vendors for their service, and to all the participants who really helped get the party started. It was a wonderful evening!

The Rock & Roll Reunion is Feb. 23. Tickets go on sale Jan. 13, and flyers are posted with details. You are all invited to bring out your poodle skirts, jeans, and saddle shoes as we enjoy impressionists bringing us "Mr. Tutti Frutti" Little Richard, "Father of Soul" Ray Charles, "Rock 'N' Roll Bad Boy" Jerry Lee Lewis, and "Teenage Dream Date" Buddy Holly from Premeditated Productions. It's going to be a "swell" time!

Our team is looking forward to our plans for 2020 and your Social Committee wants to wish you all the happiest New Year! ~ **Joyce Hogue**, [jhogue54@gmail.com](mailto:jhogue54@gmail.com)

## LAST MONTH'S JOKE

ROOM NAME COMMITTEE .....

# CARTS & RAFTS ROOM

Get The Joke is a simple contest... somewhere in this issue is a "joke" ad, article or other notice. You'll know it when you see it — it will be silly, over-the-top ridiculous or just plain goofy — and hopefully it will bring a smile to your face. When you find it, simply cut out and complete the box below and return to The Lodge Front Desk before the 9th of the month. One correct entry will be chosen at random to win. Happy hunting!

## THIS MONTH'S WINNER: LINDA KALE

*Please go to The Lodge front desk to claim your prize*

### YOUR COMMENTS

*Thank you Breeze for the great pictures and informative articles. Linda K.*

*Loved the article "Living the Dream." So inspiring. Harriet H.*

*Someone has been smoking too much pot!*

*This was quite entertaining. Goldie M.*

*The entire article was funny. Thank you Thomas Jefferson Airplane for your creativity. Marianne B.*

*So I'm still wondering what room the card*

*games are played in - certainly not where the game birds are stored. Shelley M.*

*This contest is always a great way to get residents to read (not breeze) through the Breeze. Marty R.*

## OVER 170 ★★★★★ REVIEWS

"Courtney Ellstrom and her team are masters of their craft. My pain caused by slip disc at L5-S1 vertebrae was radiating to my left calf and I could hardly walk. A week into therapy, I was told to do a 10 minute treadmill to determine progress. I completed the treadmill without pain in my calf muscle and back, praise the Lord."

-Joseph Neri

"The atmosphere here makes therapy feel like a welcoming family environment, each person here is always willing to go above and beyond all expectations."

- Veronica Alvarado

"After a great deal of work by Dr. Courtney and her team, I not only walked with no help, but I became much stronger which made my balance so much better."

# NEIGHBORHOOD WATCH .....

Our last meeting of 2019 was a great success with DJ Tracy Crow playing Christmas carols, everyone enjoying refreshments, and great guest speakers, including Sgt. Ramos from the Beaumont Police Department, who spoke about how to stay safe during the holidays. We always enjoy hearing from Darren Meyers with the CHP and will look forward to continuing our relationship with his replacement as we wish him well in his retirement. Our Four Seasons participation in the CHP Annual CHiPs 4 Kids Toy Drive was outstanding. So many toys, including bicycles and stuffed animals, helped to make this a great success. A BIG thank you to ALL!

The Neighborhood Watch Steering Committee looks forward to the New Year and will continue to provide outstanding guest speakers with information regarding our Four Seasons community to all of Beaumont. We meet once a month to plan upcoming meetings and have some interesting ones planned. We are currently planning meetings with Beaumont Cherry Valley Water, Beaumont Police, California Highway Patrol, and Tails and Trails. We will begin January with our General Manager, Eric Zarr, who will be updating us on the upcoming turnover from K. Hovnanian, so stay tuned. We are also in the planning stages for our yearly National Night Out where you can meet Beaumont's Police, Riverside County Sheriff, and

Banning Police to name a few.

Did you know there is a great way to stay informed with up-to-the-minute communications? Neighborhood Watch has a Facebook page. If you would like to join, look for Four Seasons Neighborhood Watch and request to join. It is a closed group so you will be asked a couple of questions to verify you are part of Four Seasons. Just provide the information requested and you are good to go and in the know.

We are now offering an evening meeting several times a year for those who are unable to attend our regularly scheduled monthly meetings. The first one is scheduled for Feb. 12 and will be held in the RCN at 6 pm.

We are near or at build out and have many more residents utilizing our streets, so please remember the speed limit on Four Seasons Circle is 30 mph and 25 mph on all other streets.

As a reminder, if you see something say something. Let's all work together through Neighborhood Watch to ensure a very safe and happy 2020!

Neighborhood Watch meets the second Wednesday of every month in the Ballroom at 10 am. ~ **Kathy Craven, [kathycraven@rocketmail.com](mailto:kathycraven@rocketmail.com)**

## BOOK CLUB .....

We meet on the second Tuesday of each month at 9:30 am in the RCN room #3. Newcomers are always welcome, even if you haven't read the book.

The selection for January is *The Rent Collector* by Camron Wright. Here is a brief description of the book from Amazon.com: "Survival for Ki Lim and Sang Ly is a daily battle at Stung Meanchey, the largest municipal waste dump in all of Cambodia. They make their living scavenging recyclables from the trash. Life would be hard enough without the worry for their chronically-ill child, Nisay, and the added expense of medicines that are not working. Just when things seem their worst, Sang Ly learns a secret about the ill-tempered rent collector who comes demanding money — a secret that sets in motion a tide that will change the life of everyone it sweeps past. *The Rent Collector* is a story of hope, of one woman's journey to save her son and another woman's chance at redemption. It demonstrates that even in a dump in Cambodia — perhaps especially in a dump in Cambodia — everyone deserves a second chance."

Please join us when we discuss this book on Tuesday, Jan. 14 at 9:30 am. Sue Balt will be leading the discussion. For those of you who like to read ahead, our book for February is scheduled to be *The Alice Network* by Kate Quinn. For more information, please contact Micki Rosen at [michelesrosen@gmail.com](mailto:michelesrosen@gmail.com). ~ **Micki Rosen**

## COMPUTER & TECHNOLOGY CLASS .....

In my opinion this is the best time of year, when prices on electronics are lower than usual, to consider either upgrading your current computer, laptop, mobile phone, and/or the purchase "new" technology for your personal use.

You may have seen many commercials on television promoting the Chromebook. You might ask, "What is a Chromebook, and why is it different from a laptop?" Well, at our December meeting, resident Dennis Gunnerson, who recently converted from a PC, presented and discussed what he found. While he admitted that his computer skills are at the lower end of the spectrum, he said that the price and the ease of using a Chromebook made it a smart choice for him. He believes that many Four Seasons residents, especially if they are not totally computer savvy, would benefit from its performance and utility. One plus is that the Chromebook is inherently resistant to viruses and malware, providing extra peace-of-mind when on the Internet.

Dennis and Sandy Gunnerson took their new Chromebook on their trip to Spain and Portugal and found that not only did the device start and connect to the Internet quickly, but its battery lasted 12 hours.

Lastly, even though the Chromebook is less expensive than other devices, its efficiency is not diminished when using the Internet for shopping, banking, email, social media, or web surfing. Another plus is that there are hundreds of free applications, including word processing, spreadsheet, and Slides (a PowerPoint® equivalent) available at no additional cost.

Our class meets the second Tuesday of each month at 10:30 am in the RCN. Please visit us and share your questions, concerns, and experiences with us; and/or contact Larry Workman at [workman.larry@gmail.com](mailto:workman.larry@gmail.com) if there is a certain subject you would like to have covered in one of our classes. ~ **Larry Workman**

## VETERANS CLUB .....

During our Veteran's Week activities, 101-year-old WWII Army Air Corps veteran guest speaker George Hammett, from the Sun Lakes community, amazed his audience of veterans and their spouses with a few of his fascinating eyewitness accounts of his military career, including surviving the preemptive military attack by Japan on Pearl Harbor on Dec. 7, 1944. ~ **Dave Moreland**, [ldmoreland76@gmail.com](mailto:ldmoreland76@gmail.com)

## BEREAVEMENT GROUP .....

If you have suffered a loss, please come join us. All of us have lost someone close, and we get together to talk, listen, cry, and laugh and to help each other heal.

We meet on Mondays at 1 pm in the RCN Conference Room. You may just show up, or you may email to [lauriemlarson425@gmail.com](mailto:lauriemlarson425@gmail.com) or call (951) 922-0934. All contact is confidential. ~ **Laurie Larson**

## TRAVEL GROUP .....

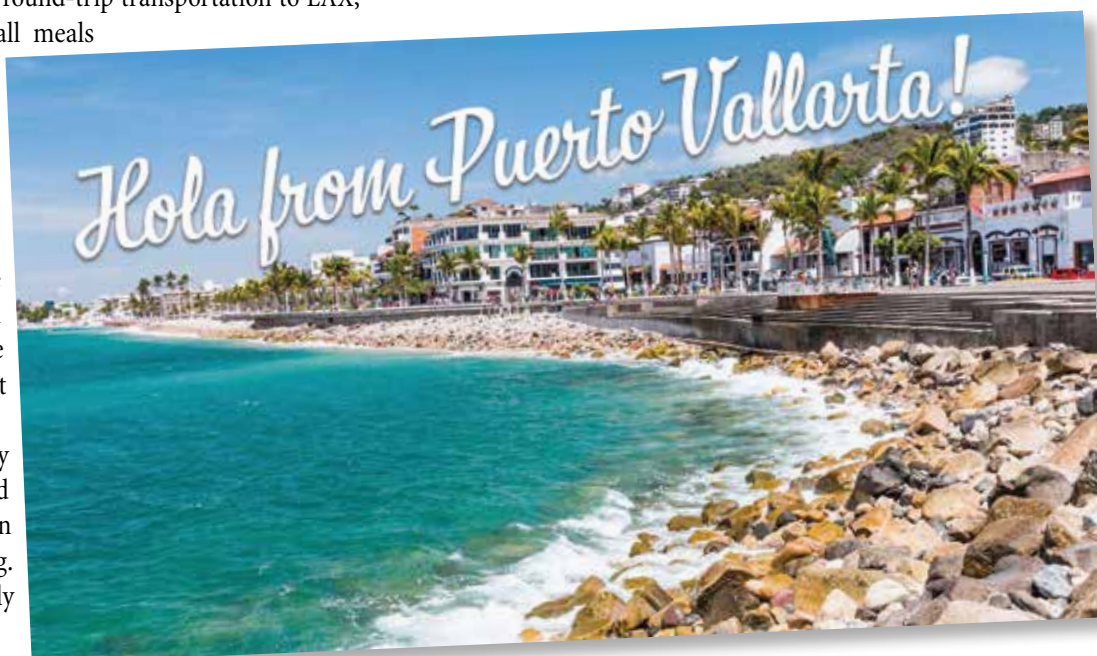

Travel bug beginning to bite again? If so, browse through the binder located on the sign-up table, outside The Lodge Theater. You'll find flyers with the most up-to-date trip and contact information.

If you're ready for a beach vacation in Mexico, join us May 3 to 7 for a five-day, all-inclusive trip to Puerto Vallarta for \$995 pp with a single supplement of \$199. Included is round-trip transportation to LAX, airfare, hotel/airport transfers, all meals and drinks, hotel entertainment, and non-motorized water sports. A deposit of \$400 pp is required at time of booking and all monies are due by March 1. Flyers with a full itinerary are at The Lodge in the rack by the exit door. If you are interested in this trip, please call A.C.T. at (760) 322-1247 and be sure to mention you are a resident of Four Seasons Beaumont.

We are accepting signups only at this time for residents interested in the Pageant of the Masters in Laguna Beach, on Wednesday, Aug. 12. The estimated price will likely be between \$125 and \$150 pp.

Hope to see you at our Jan. 18

meeting in the RCN Main Room at 10 am. If you have questions about any of the trips, please contact Irene Welker at [irenewelker55@gmail.com](mailto:irenewelker55@gmail.com) or Joni Truelsen at (661) 390-5512. ## TOPS .....

### *Let's remember this resolution!*

Have you ever forgotten why you entered a room to get something important... but what was it? Forgetting is no joke in a senior community, but with each new year we easily forget our New Year's Resolutions in less than a week, experts tell us.

But TOPS (Take Off Pounds Sensibly) members have many ways of remembering our healthy lifestyle resolutions. We have memorized pledges, like mantras, that let us audibly reinforce the necessity to strive for better eating and exercise habits. We have experts and their writings that we review. They tell us the latest findings in the field of healthy living. We do physical exercises that fit people with any physical limitations. We share recipe tips and sometimes foods that reflect healthy eating.

And most of all, we have each other. This should not be thought of as a Kumbaya group, but there is a definite advantage to gathering with people who have the same set of life experiences. We support and encourage each other whenever we see each other. We have challenges and contests, such as the team challenge, currently causing come competitive excitement. Last month,

Johanna Ballard and Marty Bauer were our big losers. They accepted their prizes in the midst of a loud ovation.

Why not join us, and make a healthy difference in your life, today. We meet Tuesday, 8 am, in The Lodge Ballroom. Andi Henderson (918) 497-6491. ~ **Andrea Henderson**

## TAILS & TRAILS - ALL PETS .....

Let it be resolved...

Tails and Trails wishes everyone a wonderful 2020!

Worthwhile affirmations for the new year are always in order. Pet parents, especially, are encouraged to consider adoption of the following:

1. I show respect for my neighbors and love of community, I NEVER fail to pick up after my dog – no matter where we are. This responsibility is mine alone; there is no one else who will be picking up after us.
2. I protect my pet from becoming permanently lost by ensuring that my dog or cat has a registered microchip – because it can save my pet's life! Tags and collars fall off. Microchips don't.
3. Annually, I double-check the registry information on my pet's microchip to make sure that my address and phone are current. It's the best protection I can give my pet in the event they get lost.
4. I update myself by reading and following all the community guidelines regarding pets – paying special attention to ALWAYS keeping my dog on a leash (for my dog's safety as much as for any other reason). *Don't know where to find the rules? Visit the community website. Select HOA from the top menu, then Governing*

*Documents > Community Guidelines > Part 1 – Guidelines.*

5. I set up annual assessments for my healthy pet(s) so we can enjoy our lives together as long as possible.
6. I closely monitor my pet's dental health and weight, two factors crucial to longevity.
7. I consistently engage in plenty of play time and mental stimulation with my pet(s), especially when weather extremes keep us inside.
8. If I consider adopting a new pet, I look to local shelters and rescues first. *Tails & Trails recommends Ramona Humane Society, Save a Small Dog Rescue, and Joy in My Heart Foundation.*
9. I follow Tails & Trails to learn more about volunteering to foster a pet on a long- or short-term basis. Lost or broken animals deserve all the love, warmth and attention needed for a chance at a forever home.
10. I attend at least one Tails & Trails meeting each year to learn more ways to be a better pet parent.

Tails & Trails next general meeting: Tues., Jan. 28 at 5 pm in RCN

## BIRDING CLUB .....

The Birding Club welcomes beginning and experienced birders to start or hone bird identification skills. Our main activity is a monthly bird walk along Four Seasons' nature trails, which follow native riparian woodlands. We keep a list of all species observed at Four Seasons and take seasonal field trips to nearby birding hot spots.

On Nov. 19 I got my binoculars on an unusual bird near my backyard feeder and was flabbergasted to see a Summer Tanager, Four Seasons' first and bird #91 (our Bird of the Month). For our fall field trip to the Potrero Unit of the San Jacinto Wildlife Area on Nov. 23, we were joined by the Photography Club and the Friends of Northern San Jacinto Valley, a total of 35 people. The 70 eyes saw a beautiful landscape and proved useful in seeing 18 bird species. Although we were just a few miles as the crow flies from Four Seasons, we saw three species that have not yet occurred here: Rufous-crowned Sparrow, Merlin (a small falcon), and Western Meadowlark. This was the first public visit to the Potrero Unit of the San Jacinto Wildlife Area, we hope there will be more.

We meet on the first Saturday of the month at 8 am at the Potrero Creek (Trail A) trailhead at The Lodge parking lot. Email [steve.h.edelman@gmail.com](mailto:steve.h.edelman@gmail.com) for current schedule and information. ~ **Steve Edelman**

## BIRD OF THE MONTH

Adult male Summer Tanagers are entirely bright red. Females and immature males are bright yellow-green, like the bird I saw on Nov. 19 in my yard. Summer Tanagers tend to stay high in the forest canopy, where they sally out to catch flying insects, mostly bees and wasps, or move slowly along tree branches to glean food. Summer Tanagers breed in deciduous or pine-oak forests across the southern and mid-Atlantic U.S. In the Southwest they breed in low elevation riparian woodlands and in higher elevation mesquite and saltcedar. Migrating Summer Tanagers stop in these habitats as well as in parks and gardens (such as my back yard on Nov. 19). They spend the winter in open and second-growth habitats in southern Mexico, Central America, and northern South America.

In Southern California, Summer Tanagers are strictly riparian specialists; they breed in the Prado Basin and at the Whitewater and Big Morongo Preserves. I have looked for them every spring along Potrero Creek in the hope that a pair will find our maturing riparian habitat and the Nov. 19 sighting provides a reason for optimism. ~ **Steve Edelman**

# PERFORMING ARTS CLUB .....

Happy New Year! First, a 2019 recap: *The Genuine Country Christmas Extravaganza Show* produced by John Noonan and Pat Wayne had sold-out crowds on both nights. The Four Seasons Singers sounded wonderful. Months of rehearsing difficult holiday songs was time well-spent. In addition, there were very talented singers of solos and duets, including our Activities Director Cindy Graves. The running skit of trying to maintain a "countrified" town was cute and ran throughout the show. And, last but certainly not least, the toe tapping and heel banging of our line dancers was equally enjoyable. Overall, this was a fantastic evening of entertainment. Hats off to everyone involved, including our sound and lighting crew, for a job well done!

Now, back to 2020! It's a new season of fun, free shows for the Performing Arts Club:

Tuesday, Jan. 14, 6 pm - RCN 3 - Audition/Meeting for *Scool Daze* (sic): John Horning and Paula Drake are teaming up again to produce another jam-packed variety show. The theme is 1950s school days, reminiscent of the movie *Grease*. Please come to this audition/meeting with ideas for songs, skits, dances, comedy, or whatever talent you have that's in keeping with the theme. There are also some speaking roles. Some will require memorization of lines,

**Auditions for  
Scool Daze  
Jan. 14, 6 pm  
Ideas welcome!  
Casting for  
singers, dancers,  
comedians,  
musicians, etc.**

while others will not. If you've never been involved in one of our variety shows, you will need to audition your act. If you have participated in the past, be ready to audition, but you may not have to. The performance dates are, Friday, April 24 and Saturday, April 25. Mandatory tech and dress rehearsals will be Wednesday, April 22 and Thursday, April 23. So, if you're a singer, dancer, comedian, musician, or if you have another entertaining talent, please come out and join us. We hope to see you there.

Saturday, Feb. 29, 6 pm - The Lodge Ballroom - Radio "Theater" Show: We are off to a great start on

this show. Auditions were in December and we have a wonderful cast ready to begin weeks of rehearsals. There will be two different Radio Shows from the 1940s. One is a comedy and the other a drama/mystery. The actors will be moving about the stage while reading from their scripts, acting out their roles so effectively, you forget that they're actually reading. We'll have stage sets and period costumes to help transport you to a different time and era. This is a free show and tickets are not needed.

If you have any questions, contact me via email at [terimk@verizon.net](mailto:terimk@verizon.net) or call me at home, (951) 992-9156 or on my cell, (602) 308-0919.

## COUNTER CULTURE CINEMA CLUB

We show films you generally won't find at the Cineplex like documentaries, foreign language films, indie films and any other smaller, well-reviewed films that don't get wide distribution.

Our first monthly screening, Sunday, Jan. 12 at 6 pm, is the film *The Farewell* (USA 2019, 1 hr. 40 min., some English subtitles). Here is a brief description from IMDb.com: "A headstrong Chinese-American woman returns to China when her beloved grandmother is diagnosed with terminal cancer. Billi struggles with her family's

decision to keep grandma in the dark about her own illness as they all stage an impromptu wedding to see grandma one last time."

Our second monthly screening, on Sunday, Jan. 26 at 6 pm, is

the film *Echo in the Canyon* (USA 2018, 1 hr. 22 min., English). Here is a brief description from IMDb.com: "A look at the roots of the historic music scene in L.A.'s Laurel Canyon featuring the music of iconic groups such as The Byrds, The Beach

Boys, Buffalo Springfield, and The Mamas and the Papas."

All of our screenings are followed by lively discussion about the film and we'd love to have you join us. The Lodge Theater has very limited seating, so if you're interested in our screenings, come early. We hope to see you there. Please note that all films announced are subject to availability. If you have any questions about the Counter Culture Cinema Club or want to recommend a film, please email Micki Rosen at [michelesrosen@gmail.com](mailto:michelesrosen@gmail.com). ~ **Micki Rosen**

## CLASSIC FILM GROUP .....

We are continuing with another famous director, Clint Eastwood. We'll be screening *Play Misty For Me* on Tuesday, Jan. 14, at 6 pm, in The Lodge Theater. We'll follow with a discussion on Clint Eastwood's Trademarks.

Clint Eastwood made his directorial debut with this 1971 suspense/thriller, *Play Misty For Me*, in which he also stars as Dave Garver, a late-night radio disc jockey for a small station in Carmel, California. During his show, he opens the phones to take requests, at which times a frequent caller, a woman named Evelyn (Jessica Walter), always asks for the same tune: *Misty*.

One night in a bar, he meets a young lady, and they end up spending the night together. She says there are no strings attached... but over time it's obvious that she is obsessed with him. She pushes him very hard, and no matter how much he tells her to get lost, she won't take a hint. At first, it's all seemingly innocent but over time she begins to show a crazier and crazier side. As for the title, every time she calls in to his show, she says *Play Misty For Me* as it's "their" song. As time passes, the film begins to look more and more like *Fatal Attraction*.

The movie revolves around a character played with an unnerving effectiveness by Jessica Walter. She is something like flypaper; the more you struggle against her personality, the more tightly you're held. Clint Eastwood, in directing himself, shows that he understands his unique movie personality. He is strong but somehow passive, he possesses strength, but keeps it coiled inside. And so the movie, by refusing to release any emotion at all until the very end, absolutely wrings us dry.

There is no purpose to a suspense thriller, I suppose, except to involve us, scare us, to give us moments of vicarious terror. *Play Misty For Me* does that with an almost cruel efficiency.

For more information, email me at [4seasonsmoviegroup@gmail.com](mailto:4seasonsmoviegroup@gmail.com). ~ **Paul Plamondon**

## PHOTOGRAPHY CLUB

Our mission to learn, share, and have fun with photography starts each meeting with an intro to new members and upcoming events, a segment of tips and tricks, and presentation on format, style or gear use. We continue with sharing of the previous month's photo challenge and the selection of the next month's photo challenge, an open discussion on outings, and topic selection for the upcoming months.

Our three images posted with this article were created by Nanette Scott. Her creative eye for landscape photography really shone in our November challenge for landscape photos.

Our November meeting agenda included a deep dive into smartphone photography tips and tricks, and we all learned how to use our smartphones to take outstanding sharable images.

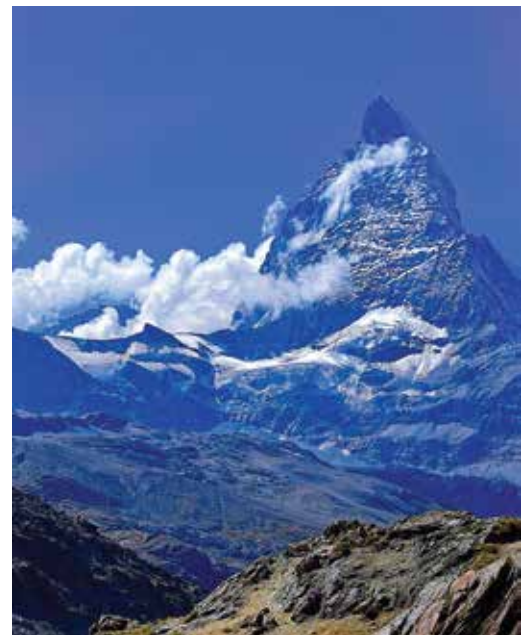

Our challenge for December was Food Photography. We look forward to seeing images of our group's festivities.

Our Tips and Tricks segment in December will be presented by Lyle Cameron, who will demonstrate a few of the options we have when utilizing artificial and flash lighting on and off camera. I can't wait for this segment.

Our November photo outing took place at the Potrero Creek Wildlife area on Nov. 23 hosted by Steve Edelman and Tom Paulek who arranged access and provided amazing information on the history and preservation of the mysterious and forbidden land just south of our community. This was a fantastic event for all who attended. Thank you again Steve and Tom for your generosity and hard work on this outing.

Our plans for adding a photo processing work study group have come together. Our first meeting will be the third Thursday of January Jan. 16 in the RCN Main Room at 10 am. In our first meeting we will gather to plan a topic outline designed to sharpen our processing knowledge and skills with various software options.

So many interesting and exciting things in store for the Four Seasons Photography Club! Please drop in to see what all the excitement is about. We meet on the third Tuesday of every month in the RCN Great Room at 6:30 pm, and the Post Processing Group (PPG) on the third Thursday at 10 am in the RCN Main Room as well. ~

## WRITERS' CLUB .....

Each November, thousands of authors and readers converge on downtown Miami, Florida, for the nation's premier literary festival —the Miami Book Fair. This year, Four Seasons Writers' Club member James Cloud was invited to attend in recognition of his new novel. James had the opportunity to spend significant time with hundreds of authors, publicists, agents and literary professionals. Enthusiasm was felt throughout the week as the authors socialized in the hotel lobby, restaurant, and cocktail lounge. James was able to mingle with fellow authors from around the world in an atmosphere filled with tales of writing despair, triumphs, tragedies, and a constant exchange of tactics.

In Friday's private invitation-only seminar, trade secrets were dispensed like candy by some of the industry's top professionals and best-selling authors — book marketing, website design, illustration, social media strategies, editing, audio book formatting and much more. James met the CEO of Allen Media Strategies, one of the nation's premiere media, marketing and PR consultation firms, where he was presented with a free training course in marketing and book promotion. In the climax of the evening, James was personally invited to be interviewed by best-selling author Lisa Proulx.

For the highlight of the weekly events, James was presented with an award for fourth place in the Reader's Favorite International Writing Contest for his novel, *Brandenburg – A Story of Berlin*. This is a very prestigious recognition, with tens of thousands of entries from authors around the world. This was James' first novel, which he began to write after surviving cancer and reaching his 80th birthday. It is the culmination of his life's work following a 40-year career as a teacher and educator. When you see Jim around the Four Seasons community, please congratulate him on a job well done.

If you are interested in writing stories or becoming an author, join us at our next Writers' Club meeting on the second Tuesday of the month in the RCN Conference Room at 1:30 pm.

## RAINBOW GROUP .....

The rainbow is a powerful symbol that represents beauty, balance, peace, and hope. As such, we believe it is a perfect representation for our group. We are residents of Four Seasons Beaumont who also happen to be gay, lesbian, bisexual, or transgender. The rainbow is so perfect because it really fits our group's diversity in terms of race, gender, ages, and beliefs. While we strive to serve the interests of our members, we do welcome all supportive homeowners and encourage everyone to attend any of our functions. We believe you'll enjoy our company.

Everyone leads busy lives (even at our age!) and we often find it difficult to stay connected with our neighbors. Therefore, the Rainbow Group has monthly get-togethers on the fourth Thursday of each month in the Card Room at The Lodge, at 6 pm. Our next gathering will be on Thursday, Jan. 23. Our monthly get-togethers are

mostly informal social gatherings which give members an opportunity to meet new neighbors, catch up on member and community activities or news, and just chat — no stuffy agenda items, roll calls, minutes for us! If you are hungry, feel free to bring your own food items and adult beverages, or order from the new Kopper Kettle Bistro. The Rainbow group also hosts periodic gatherings for socializing (such as BBQs, potlucks and holiday parties), LGBT-themed movie nights in The Lodge Theater, and other events the group may sponsor. Maybe you'd even like to suggest your own activity for the group. We are always open to new ideas. Please direct any questions to Dale at (951) 797-0364, [dalebeckes@gmail.com](mailto:dalebeckes@gmail.com), or go to Facebook and search for Four Seasons Beaumont Pride. ~ **Dale Beckes**

## SEASONED SOLOS .....

If you are single and enjoy a variety of activities, then Seasoned Solos just might be the group for you. At each meeting we discuss what is going on in the Inland Empire and plan activities, from local lunches and dinners to excursions to presidential libraries, the Redlands Bowl, Metro Link trips into LA, and the beach train to San Juan Capistrano. There's not much that we won't consider doing. We meet on the first Friday of each month in The Lodge Arts & Crafts Room at 6 pm. For further information, call Joyce at (951) 850-3055. ~ **Joyce Olson**

## STEP IT UP LINE DANCING

Every once in a while we catch a very special moment that reminds us of the little gifts that every day brings and takes our breath away. We caught one of those moments during the Step It Up Holiday Line dance party with Michael and Tina Canon featured in the picture at right. With the help of his loving and supportive wife Tina, Michael is on the comeback trail and was able to dance with his wife at the party. Truly this was a moment that touched everybody and I'm so happy that Tina joined our class recently to make this moment happen. During the party one of dancers asked me "doesn't that make you proud watching everyone dance?" and of course I said yes with a little tear in my eye. While I'm extremely proud of the class, it's up to each individual how much they want to learn. I so enjoy teaching dances each week, whether I bring a new dance or we review older ones, it's always great fun. Classes start at 12:30 pm on Mondays for LD 101 (entry level) and the beginner/Intermediate class starts at 1:30 pm. Our new three month LD 101 class starts up again Jan. 6. This is the perfect time for new dancers who need/want to start slow. Maybe we'll see some of you on Monday, Jan. 6. ~ **Janine Rohrbacker, (949) 326-3133**

## LET'S DANCE .....

Happy New Year! Our dance group is happy to announce we will begin 2020 with the East Coast Swing for January starting Monday, Jan. 6. We are also happy to announce this class will be FREE to any new members or previous members who have not attended class in the past six months! If you are new, this is your chance to see what this dance group is all about and have some good exercise and fun with your neighbors.

The East Coast Swing is one of the most enjoyable and easy dances to learn. It has simple footwork that repeats itself while you learn different ways to turn and dance with your partner to almost any fast music. It is easily one of the most diverse dances to learn because you can dance it to so many kinds of music – jazz, country, 50s and current-day music.

Our teachers are professionally-trained dancers and instructors offering top quality instruction at a bargain price. They have endless patience and understanding. We students are just a group of friendly

people doing the best we can with what we have. We meet every Monday night in the Ballroom. We learn 8 to 10 dances throughout the year with regular time devoted to review. We have free practice nights every Thursday, where we help each other. We will be continuing our monthly "Dance Party Practices" in a nightclub atmosphere, where our instructors join us in a fun, social gathering of dance. This gives you an environment that's different from classes and helps you learn how to make your way around the dance floor. We celebrate monthly birthdays, and this is offered at no charge.

Plan to join us in the Ballroom, Monday, Jan. 6, from 6 to 7 pm for Newcomers and Beginners and 7 to 8 pm for Intermediate and Advanced.

After the FREE class, the cost is \$10 per person with our professional instructors. For further information, contact Puring or Gary Stifter at (951)922-8333 or at [purings@verizon.net](mailto:purings@verizon.net). ~ **Sue Condurachi**

## COUNTRY LINE DANCING .....

Happy New Year! After all the parties, all the food, and too little exercise, it is time for a fresh beginning. We have so many physical activities to help us get healthier. There is the exercise room and many folks in there will assist you in figuring out how to use the machines. There is pickleball, paddleball, and tennis, or the slower-paced bocce ball. You can simply walk our trails or join the hiking group. There are four dance groups. Many of these are free, or a very low fee. You just need to show up and give them a try. It takes three weeks to establish a new habit, so don't give up the first few weeks.

Line dancing does not require a partner. It does require concentration, which is so good for your brain. It mostly requires that you are able to move your feet. I teach one step at a time and start with very easy dances. A 30-minute very beginner class will start at 1:30 pm on Tuesday, Jan. 7. Stop by and give it a try. Beginners at 2 pm, Intermediate at 3 pm and Advanced at 3:45 pm. I ask for a dollar donation each week, which goes towards the end of the year party.

Hope to see you on the dance floor. ~ **Martha Franck, (714) 345-8588**

## INTERNATIONAL FOLK DANCING .....

International Folk Dancer, Tsyliya Hoffman, is starting a new class and everybody is welcome!

Enjoy the high energy dances, make new friends, and be ready to have an awesome time in each and every class.

Classes will be held every Thursday starting at 6:30 pm in the Aerobics Room. For more information, email Tsyliya at LA11064@yahoo.com or call (310) 651-0127. ~ **Tsyliya Hoffman**

## HEART & SOUL LINE DANCE .....

Happy New Year! Let's start by making 2020 our healthiest. It's time to get rid of those holiday calories. Why not add line dancing to your workout schedule? It's loads of fun without feeling the burn.

Our dancers ended 2019 with participation in the Beaumont Cherry Valley Recreation & Parks District's 27th Annual Winterfest. Rain or shine the show went on, and as always, we had a fun time. We showcased dances to holiday songs, and we finished with audience participation to popular dances. They always get the crowd moving.

Our class schedule is Beginners 4 to 5 pm; Intermediate/Advanced 5 to 6 pm.

The beginner session will see a format change, concentrating on learning specific steps and modifications, learning fewer dances, but adding to each week's selections. The intermediate/advanced session will be challenging with learning dances with more intricate steps, adding tags and restarts, learning beats, and body movement. Please arrive on time and don't forget to wear comfortable shoes and bring water.

Save the dates:

Sunday, Jan. 19, Feast of Epiphany, Fontana

Saturday, Feb. 15, Line Dance Workshop, Four Seasons Beaumont  
Saturday, March 7, Heart and Soul Line Dance, 16th Anniversary/  
Mardi Gras Celebration, Pomona

More details will be available in class. See you on the dance floor!

## JEWISH CULTURAL CLUB .....

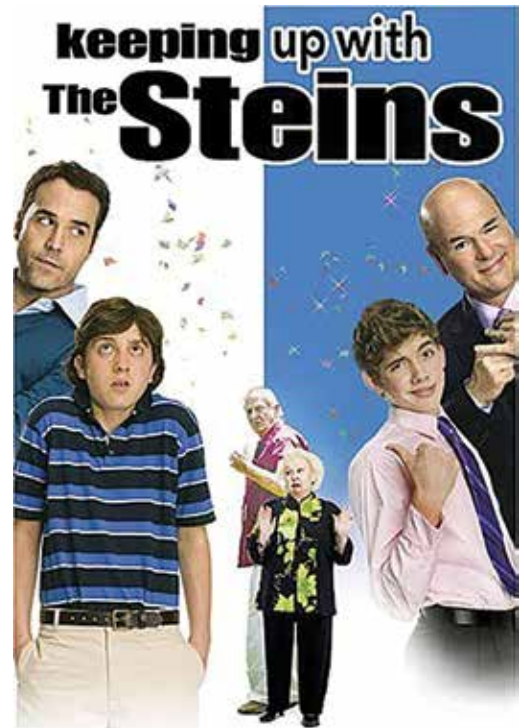

**Jewish Cultural Club January Events Off To A Big Start** Fresh off a big December, the Jewish Cultural Club has three major events for January.

**Hanukkah Extravaganza** First, we want to thank everyone who attended our first ever spectacular Hanukkah Extravaganza. At the time of the writing of this article (a week before the event), we had just around 150 people signed up, and still more ticket sales coming in. We are overwhelmed by the response. I can tell you that based on the response, 2020's Hanukkah Extravaganza will be even bigger and better!

**Don't Forget Trivia Night** If you are the kind of person who memorizes totally useless bits of facts and figures, and are looking for a place to finally put that talent to use, Trivia Night is for you. It's held every month on the first Sunday in the RCN, at 6 pm. Trivia night is hosted by the trivia wizard himself, Joe Barletta. The winners receive lotto tickets. Who knows what they might be worth? Stop by and play. You could be our first \$1 million winner! It's a fun way to spend a Sunday evening. January's game is on Jan. 5 at 6:30 pm. Reservations are not necessary.

**Movie Night** We had a great turnout for *The Producers* in November. Based on the turnout, we thought we would run another comedy. On Sunday, Jan. 19, we will be showing the hilarious *Keeping Up With The Steins*. It's a fun look at the lucrative Bar Mitzvah industry. It's funny and poignant. On top of that, it features an end-of-film surprise cameo by a huge Jewish singer. Reservations.

As with all JCC events, you don't have to be Jewish to attend. All are welcome. We hope to see you in January. ~ **Perry Goldstein**, [perry.goldstein@gmail.com](mailto:perry.goldstein@gmail.com)

## WOMEN'S EVENING BIBLE STUDY .....

*"Life is like a camera. Just focus on what's important and capture the good times, develop from the negatives and if things don't turn out just take another shot."* ~ Unknown

As we begin an exciting new year in our Bible Study, we will focus on Jesus the Author and Perfecter of our faith. In the months ahead, we will continue our study in the Parables of Jesus. Our study has given us practical applications on Godly love, forgiveness, wisdom, and faith.

Our first gathering in 2020 will be on Thursday, Jan. 16 in The Lodge Game Room at 6:30 pm. Our focus will be on two parables found in Matthew and John: Lost Sheep and The Sheep, Gate, and Shepherd.

Women's Evening Bible Study is an opportunity for working

women, caretakers, and those unable to attend during the day to participate in a fellowship close to home. We pray for one another, give encouraging words, and share words of wisdom. Our faith grows stronger as we dig into the Word of God. Come join us and meet our kind, warm-hearted, and friendly ladies. If you would like more information, there is a sign-up sheet in The Lodge. I will be happy to answer your questions. Look forward to seeing you soon!

"The grass withers, and the flowers fall, but the word of our God endures forever." Isaiah 40:8

Wishing you a blessed New Year. ~ **Mary Baer**, [baerhuggy@icloud.com](mailto:baerhuggy@icloud.com)

## LIFE GUIDE BIBLE STUDY

Happy New Year! We look forward to learning more Biblical insights to encourage our faith journey and spiritual growth in 2020. We will begin our regular studies on Tuesday, Jan. 7 at 7 pm in the third section of The Lodge Ballroom. Jim Seim will continue leading our study in the book of Psalms. We can identify with some Psalms that present a lament of our current difficulties and then move on to thankfulness, praise, and hope expressed in God's wonderful grace and kindness toward us.

We invite all residents to join us for fellowship, discussion, and learning from God's Word. We meet every Tuesday at 7 pm. Please contact Doc or Letha Sellars with any questions or comments at (951) 797-3302 or [docletha72@gmail.com](mailto:docletha72@gmail.com). ~ **Doc Sellars**

## "BELIEVE..." WOMEN'S BIBLE STUDY .....

In our meeting on December 6, we took time to reflect back on our class goal and class theme for 2019, and had an amazing discussion on how we have made changes in our lives during the course of this year by changing our minds, hearts, attitude, thoughts, focus, perceptions, study and prayer. It was so uplifting to hear some of the ladies' stories about how they have grown spiritually in 2019. Amazing! We then had a fill-in-the-blank test concerning what we remembered about the 13 Epistles of Paul in the New Testament that we have studied this year. There were 26 questions, the last three of which could be any answer, so everyone got credit for those. The No. 1 winner was Mary Helen Ramirez, and she got a great prize. Coming in second and third were Donna Orlando and Susan Liewer. Congratulations, ladies. You're all awesome. (Of course, it helps if you don't miss any Bible study meetings during the year, but hey, we're busy, right?)

On Dec. 13 we had our annual Christmas party, with a lesson first on most of the names or titles of Jesus. Each woman was given a scripture to look up and read when their scripture was called (referencing one of Jesus' names). It was amazing. Then we had a luncheon which was provided: pasta, salad, bread and dessert. Lots

of bonding went on during the meal. After everyone was finished eating, we had a fashion show brought to us by Macy's Department Store, courtesy of Becky Williams' daughter, Kim, followed by a beautiful medley of Christmas songs by Conni Hinkle's daughter, Wendy (a professional singer). It was a delightful day, and everyone had such a good time.

Our first six-week series in 2020 will begin on Jan. 3, introducing the concept of Grace: What is it? How do you get it? Why do we want it? Why do I need it? All these questions and more will be answered as we study this subject in depth. After we finish this series, we will explore the subject of End Times. How do we recognize them, why do we need to do so, and why are they important?

Ladies, if you are new to the community, have always wanted to join a terrific group of Godly women, have always wanted to study the Bible, or all of the above, please come by the Game Room in The Lodge any Friday at 10:30 am, and we promise to be loving and welcoming. Hope to see you soon. ~ **Eileen Gilbert-Antoine**; [egcellent@msn.com](mailto:egcellent@msn.com)

## CERAMIC CLASS .....

Our end of the year party was a great success and we are now ready for 2020. We hope to bring new techniques to the class this year and we have new classes planned for the year.

We will announce when classes will be held during class and in the *Breeze* so look for our upcoming classes.

Wishing everyone a Happy New Year from everyone in Ceramics and we look forward to seeing you all in ceramics class.

Ceramics class has something for the novice crafter looking for a new hobby, or someone who has experience and wants to create their own unique design or create pieces for friends and family. In addition to individual projects, we also offer class projects throughout the

year to teach new techniques.

Come and join in the fun. Drop by the Arts & Crafts Room to see our monthly ceramics class schedule and learn more about our upcoming class projects. We meet Wednesdays from 1 to 4 pm. Please see the class schedule for any exceptions.

Certified instructor and/or an experienced class team lead is available to support your crafting needs. Participation is at your own pace and frequency.

## CRAFT GROUP .....

The Craft Group will resume meeting on Thursday, Jan. 2, at 10 am. We will be discussing ideas for projects in 2020. We encourage you to stop in to hear about our ideas and contribute your own. We

wish you all the best in 2020!

For more information please contact me at (951) 845-3608. ~ **Barbara Paules**

## CRAFTY CARDMAKERS .....

If you're looking for a fun and productive afternoon, please join us. We meet on the second and fourth Friday of the month at 1 pm in the Arts & Crafts Room. You will make three beautiful cards all ready to mail. We make cards for all occasions.

For the class, you only need to bring your own glue and scissors, everything else will be provided and the cost is \$8.

It is necessary to RSVP early in the week of the class so we will be sure to have enough kits for everyone.

If you have any questions, please feel free to call or email, [chorbaparadise@yahoo.com](mailto:chorbaparadise@yahoo.com), (951) 849-6336. ~ **Maryalice Chorba**

## KNIT & CROCHET GROUP .....

The group has selected a new project for the upcoming months. We will be making items for the VA Hospital, such as hats and shoulder wraps for the male patients. No timetable has been set for completion at this point. This will be coordinated with Anita Worthen, but we will have plenty of time. If any person who does not attend our meetings would like to contribute an item, they are welcome to do so. Just deliver them to the Arts & Crafts Room on any Tuesday morning between 10 and 11:30 am, which is our usual meeting time. ~ **Dorothy Payne, [dpayne001@dc.rr.com](mailto:dpayne001@dc.rr.com)**

## MIXED MEDIA ARTS CLASS

This is the perspective of the artist of the month, Christine Vergara:

*"This is a watercolor pencil drawing of a house I saw on the Internet. It is actually somewhere in the American South. It captured my imagination because it reminded me of the many houses I saw during my childhood in various parts of New England. It's old, overgrown, a bit down in the heels, yet gorgeous. Watercolor pencil is a medium I've been using for awhile. It's extremely versatile since it can be used dry, like regular pencil, or water can be added to make it behave more like watercolor paint. The end result is very soft, like a cross between a drawing and a painting."*

*"I've been in Rob's class for years now. It is a priority of my life here at Four Seasons. He is a great instructor who is able to help students at every level and in every medium."*

*"Our classes are relaxed, fun, and supportive of everyone's progress. Everyone starts with three basic drawings and then moves on to whatever color medium inspires them."*

*Art by Artist of the Month Christine Vergara*

*"Please come and join us. Whether you're a beginner who would like to explore a creative urge, or an accomplished artist, there is a place for you here."*

Classes are Mondays, 10 am to 12 noon, and/or Wednesdays, 6 to 8 pm. Classes are free to our residents. If you have any questions, call Rob Kelman at (951) 992-9156. ~ **Rob Kelman**

## FOUR SEASONS SINGERS .....

The Four Seasons Singers had a wonderful time performing at the December holiday shows. We also enjoyed performing for the residents of The Lakes and The Lakes Memory Care Facilities. They are very appreciative and seem to really enjoy singing along with us. Our hearts were full to bursting!

Some of the singers performed at the Hannukah Show and we had fun doing so. We also had a much deserved night out with our spouses at the home of Claudia Rozzi who hosted our annual potluck

dinner. What a great display of good food and we all had our fill while enjoying each other's company.

We will be taking the month of January off but will be back performing at the PAC Show in April. Stay tuned.

If you would like to join us, would like to be included in my email list, or if you have questions about the Four Seasons Singers, call (951) 797-3466 or email me at [bawasco@dc.rr.com](mailto:bawasco@dc.rr.com). We always welcome new recruits who want to sing. ~ **Barbara Wasco**

## RADIO CLUB

The Four Seasons at Beaumont Amateur Radio Club held elections in November for the club's officers in 2020. Peter Hersey is our new president; Fred Plenge continues as vice president; and Fred Weck became our new secretary/treasurer... congratulations to our new office holders! We also held our annual Christmas party in December at Marla's Mexican Restaurant. We had a great turn out and everyone enjoyed the food and the camaraderie. Please join us for our regular monthly meeting in the RCN at 10 am the last Friday of every month. If you have a Family Radio Service Radio (FRS) you can listen/join in to our net at 5:45 pm every Wednesday evening.

## AFRICAN AMERICAN CULTURAL CLUB .....

### **NEW LEADERS, NEW VISION, NEW DIRECTION.**

You must come to our first meeting of the year and learn why we are so excited. It's on Monday, Jan. 6 at 6 pm in The Lodge Game Room. As an added feature, we will be having a belated Kwanza Celebration lead by our very own Betty Ann James, and there will be handmade gifts to be won.

Come and join us in congratulating our new board members for 2020. They are Regina Thomas, President; Jan White, Vice President; Jane Gentry, Secretary; David Miller, Treasurer; and Wanda Valentine, Public Relations Officer.

Regina Thomas is a wife, grandmother, and entrepreneur. She retired from mortgage banking and now enjoys walking, reading, writing, and whipping up her own designer Shea Body Butters. Regina has been a member of the AACC for four years and cares about sharing the African-American Culture and experience with others. Regina believes that "It's only by association that you come to love and understand people."

Jan White is a retired teacher advisor. Her hobbies are writing poetry and short stories. She has lived in Four Seasons for over eight years and has been an AACC member for the last two years. She joined AACC when she discovered that they were making a positive difference in our very diverse community. Jan sincerely cares about sharing her knowledge and

experience for the well-being of all people.

Jane Gentry joined the AACC two years ago. She likes scrapbooking, solving puzzles, and exercising. She is retired and while volunteering at Habitat for Humanity, they hired her. She joined the AACC to celebrate being African-American and to learn more about her culture. Jane believes that "Everyone should embrace the culture of helping others."

David Miller is a retired police officer who has lived in Four Seasons with his wife, Myrtis Suggs, for two years. He joined the AACC because he appreciates the willingness to share their cultural values with everyone. His hobbies are poetry writing, reading, and hiking. He says, "The more you learn about others the more you learn about yourself."

Wanda Valentine is a Charter member of the AACC; helping to form the group in an effort to share her knowledge and experience in African-American culture, and also to give back to the community. Wanda retired from Hughes Aircraft Software Engineering. She likes gardening, shopping, and decorating. Wanda is a spiritual leader, and her motto is "Become a lover of life."

For information about the African-American Cultural Club, email [infoaacc@gmail.com](mailto:infoaacc@gmail.com). ~Regina Thomas

## TAKE A HIKE CLUB

Hikers enjoyed the Ernie Maxwell trail in Idyllwild recently. We were happy that Highway 243 was finally open again. This is an annual trail that we take in the summer to get out of the heat but we were rewarded with beautiful fall colors, crisp blue skies, and magnificent scenery. ## CLASSICAL MUSIC CLUB .....

We are classical music lovers with an interest in sharing our love, knowledge, and interest in classical music. We meet on the second Thursday of each month at 7 pm in The Lodge Theater. We listen to and watch musical selections on the big screen. Each month we focus on a particular work or several selections of one composer. We also discuss current musical performances in the area. We welcome new members. Contact Steve Benoff at [steve.benoff@verizon.net](mailto:steve.benoff@verizon.net) or (310) 413-4896. ~ **Steve Benoff**

## TASTE D'VINE

The Taste d'Vine Wine Club is pleased to kick off 2020 with one of our favorite presenters: Heidi Daniels of Luna Vineyards located in Napa.

When Luna's founders first laid eyes on the Luna property in 1995, they instantly recognized the magic and the amazing potential of its estate vineyard, perfectly located along the Silverado Trail. They bought the property and followed their dream, building a winery that paid tribute to the varietals that set Napa Valley apart.

Please join us at our meeting on Jan. 16 (the third Thursday of the month) in the Ballroom. Doors open at 5:15 pm with the meeting starting at 6 pm. Please bring a favorite wine to share with your table along with an appetizer such as crackers, cheese, fruit, dessert or anything in between along with two glasses for tasting.

Members \$5, resident guests \$10.

For info, please contact Gracy Luna (951) 292-3624. ~ **Terry Hall**

# MOTORCYCLE CLUB .....

Unexpected winds and rains put a little damper (pun intended) on our weekly Thursday rides in November. So, we looked forward to getting back in the saddle as December rolled around and we got lucky. We recently headed out for a ride around the Salton Sea one day after some heavy rains and we found the roads to be surprisingly dry and relatively free of debris. What made the ride especially enjoyable was the temperature that was in the mid 60s for the entire ride. We were all wearing just enough riding gear to keep us nice and warm the entire day. Also, we have discovered a Mexican fast food place in Brawley for lunch that has excellent burritos!

With winter approaching we know that rains may continue to prevent us from riding on some Thursdays. However, every member has cold weather riding gear so, regardless of cold temps, we will take advantage of every dry Thursday over winter and hit the road every chance we get.

2020 will be here soon and the MC is preparing for the new year by arranging for our annual dinner, which is scheduled for Feb. 25 in Palm Springs. This annual fun event is a good way to reflect on our riding adventures in 2019 and to look forward to what lies in store in 2020. We have already scheduled two multi-day rides for 2020. In March we will go on our Death Valley ride and in September we will head out on our Northern California/Crater Lake ride.

The Death Valley ride is a three day ride that takes us to Bishop on day-one. On day-two we ride through Death Valley on our way to Las Vegas. Day-three is the last leg of the trip on our way home.

The Northern California/Crater Lake ride will be a nine-day adventure. Yes! We will head north via Bishop, Jackson, Chester and finally to Klamath Falls and Crater Lake. We will then head southwest to Crescent City and then south along the coast to Fort Bragg, then over the Golden Gate Bridge to Aptos. Our final night will be in Solvang and then home. (Thank you Bob Howard for mapping out this trip.)

2020 is shaping up to be another incredible year for the Four Seasons MC. If you ride, we invite you to become a member of the club. We aren't picky about what you ride. On any given weekly ride you will find a wide array of motorcycles including Harley Davidson, BMW, Triumph, Yamaha, Indian and Victory. If you would like more information about the Four Seasons MC, feel free to call club president Terry Humble at (909) 706-2298, vice president Scott Snyder at (562) 714-7252, or secretary Jim Ayala at (951) 392-6259. ~ **Jim Ayala, jimrayala95@gmail.com**

## 4X4 SEASONS .....

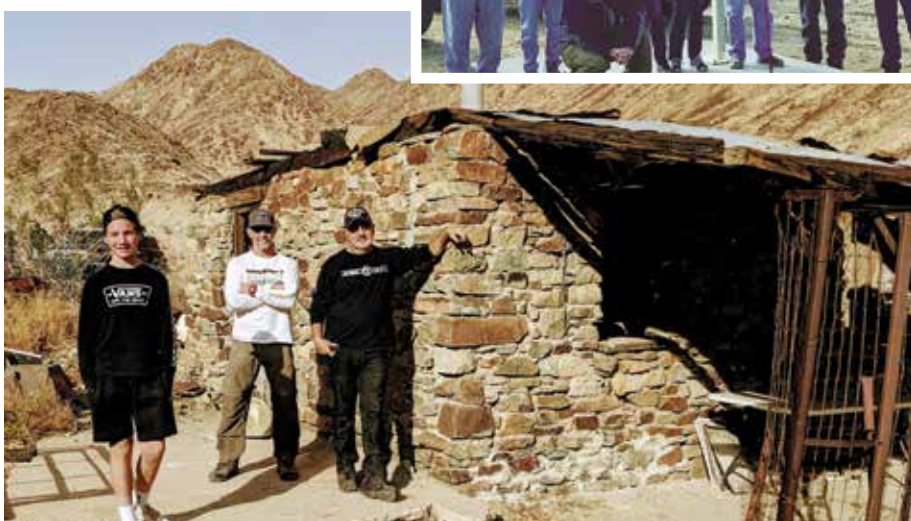

The 4x4 Seasons Off-Road club has enjoyed an active November and December. Since the high elevation forestry roads are snowed in and closed, we've made multiple trips east to tour the mines in the high desert, between Joshua Tree National Park and Twentynine Palms. We are fortunate to be within an hour of the high desert.

These gold mines are the real deal and still as they were back in the 1800s. Armed with a helmet and flashlight, watch your step and come on in. You can drop a rock into a vertical shaft and hear it fall for 10 to 20 seconds. At 32' per second, do the math. It's a deep hole. It has not been vandalized because access is not easy. The season is short due to the 100+ degree summer heat. Planning, mapping, and good vehicle maintenance is a must. You would never want to explore this wilderness alone, however as a club we make it a very safe, enjoyable trip. Did I mention the rattlesnakes?

Anyone not in the club who would like to come out and see what we do, meetings are the first Tuesday of the month at 6 pm in The Lodge Arts & Crafts Room. The Thursday following the Tuesday meeting is our official 4x4 outing. Going out once a month is not enough for some, so we'll get together on short notice for a day trip, or with a little planning, something overnight. ~ **Scott Snyder**, [scottdonaldsnyder@gmail.com](mailto:scottdonaldsnyder@gmail.com)

## ALL SEASONS RV

I hope your holidays were wonderful and filled with pleasant memories.

The RV group traveled to Pechanga in November and we had one of our largest rallies this year with more than 10 couples joining us.

We had an event-filled breakfast sponsored by the Browers and a great barbecue dinner. Several members won money in the casino, some played golf, and others explored the area, with not much wine tasting.

Pechanga Resort is always one of the best, and the weather was great except for a rainy day.

The Campout Committee has proposed several campouts in 2020 and all are welcome to come to the meeting to hear what is planned.

We meet the fourth Tuesday of the month at 6:30 pm in The Lodge, or you can contact Bob Cooper at (951) 769-6352 or Larry Z at (909) 553-2798 for more information. ~ **Larry Z**

## CARS & COFFEE .....

Unfortunately Mother Nature did not cooperate with us as it rained most of the day and we had to cancel our Dec. 7 gathering. Our next gathering "weather permitting" will be held on Jan. 4. We meet at The Lodge parking lot the first Saturday of each month at 9 am. Contact Rick Morales (951) 255-4710 or Frank Morales (951) 203-4578 for additional information. Wishing everyone a happy and safe new year. See you all next year! ~ **Frank Morales**

## PICKLEBALL .....

Brrrrr! Winter has arrived. How lovely it is to play pickleball out in the crisp air surrounded by white snowy mountains. Did you know that Beaumont means beautiful mountain? After a snow, it certainly lives up to the name. Our Christmas was a fun-filled evening of food, games, and music provided by our own pickleball member Tracy Crow. He is a fantastic DJ who has been entertaining people for over 22 years. He plays at all our events and is a valuable part of our group. The pickleballers turned out in droves to support Tracy and his wife, Rowena, at the music event in the Ballroom. I hope you had the opportunity to attend. Rowena is the very talented lead singer in the band named Front Row. She has been singing for 35 years and teamed up with our own Stan Sweeney to form this outstanding musical group. Stan has been very active at Four Seasons for years, setting up the sound systems for the outdoor concerts and all other musical events in the Ballroom. He is a very valuable asset to our community. Now we have the two of them creating music for us to enjoy. The band and DJ Tracy were pleased by the turnout and support they received from our community. They say thank you to all. Remember they live in Four Seasons, so think of them for events you or your group may have in the future.

Did you know that Nov. 14 was National Pickle Day? This was a very special day for our group. Of course, you do not want to get pickled in a game. It means you were beaten and had no points. So come on out in this crisp weather and join us on the courts. But don't get pickled! Remember, we have groups playing in the morning and in the afternoon/evening for those still working and those who have daytime conflicts. ~ **Marty Key, keeksmail@yahoo.com**

## HORSESHOE CLUB .....

Happy New Year everyone! Hope your holidays were full of fun, good food and great times spent with family and friends. How about that snow on Thanksgiving Day? November and December brought plenty of rain and always on Wednesdays, which is our playing day. So needless to say, we haven't been playing much but as I write this, we're still hoping to get our final singles tournament in 2019.

Our Christmas social, which consisted of a potluck, progressive dinner involving three members' homes, was a tremendous amount of fun and has become our members' favorite event of the year.

This year, the members who volunteered their homes were Marion and Tom Herron, Jeanne and Emile Pelletier, and Sherry and Paul Plamondon. Thank you all for doing that and ending 2019 on a nice note. Going forward, our club invites all who might be interested in joining us in 2020. Come on out and add some fun and camaraderie to your life in Four Seasons. Our contacts are Ron Erickson at (951) 846-3288, rejlerickson@sbcglobal.net. or Gary Christie at (951) 845-0520, goldtoy@earthlink.net. ~ **Ron Erickson**

## LADIES PUTTERS GROUP .....

The Ladies Putters Group recently held a wonderful awards ceremony at the Summit with delicious food from Kopper Kettle and Costco. We held two raffles.

Plans for the New Year are still being worked on, and sign-ups will be in The Lodge for those who would like to join us. Come along and join the fun. Our hours of play are Monday at 6 pm and Friday at 9 am starting on Jan. 6.

If you do not have putters and balls, we have extra for you to use.

Any questions? Please call Judy Irving, President, at (760) 610-9902. ~ *Susan Wilson*

## BASKETBALL .....

Everyone is welcome. We meet at the basketball court Fridays starting at 4 pm. Bring your energy and be prepared to have some fun. ~ *Richard Hoffman*

## PINOCHLE FOR FUN .....

Join us! Whether you are a seasoned player or new to the game, we welcome you. Pinochle is an exciting card game where you bid and bluff to name trump and take control of the game. This stimulating game is a time-honored favorite. Winning is not just the luck of the draw; it is a thinking game which teases the mind and keeps it sharp. We meet in the RCN Building, Activity Room #1, on Mondays and Wednesdays from 9:30 am to noon. Our Chair is Karen Farmer. ~ **Karen Farmer**

## UPTOWN DIVAS BID WHIST .....

Uptown Divas Bid Whist Group meets on the first and third Friday every month from 2 to 4 pm in the Game Room. ~ **Deborah Garner, kenyakiki@aol.com**

## HEARTS .....

All are welcome. The game is played with a single card deck, no jokers, and 52 cards. We play three, four, or five at a table. No scheduling necessary. We play on Tuesdays at 6 pm in the Game Room next to the Library. A group has played here at Four Seasons for nine years. Seating is random draw, no partners, individual scores. It is easy to learn, harder to win. Players will teach. Games last approximately two hours. Lowest points win. If you have questions, call Mike Saperstein (951) 769-7909. ~ **Mike Saperstein**

## RUMMIKUB .....

Join us Sundays from 2 to 4 pm. Please try to show up by 1:45 pm as we always welcome help setting up. Have fun with new friends and old friends. Rummikub is played at a table with tiles and a holder for each player's tiles. Players begin with 14 tiles. A player's first move is a group of at least three tiles totaling 30 points. If unable to play, tiles are drawn from the remaining Rummikub tiles. Play ends when one person uses all their tiles. Remaining players then add the total numbers of their tiles for a score. Zero is the best score.

If you like Rummy and Mah Jongg, then you would certainly like Rummikub. We play in The Lodge Game Room. We also will set up a learning table for newcomers. Hope to see you there. If you have any questions, call Mike Saperstein, (951) 769-7909. ~ **Mike Saperstein**

## PAN .....

We are looking for players, substitute players, and people who are interested in learning the game. I am happy to teach anyone who wishes to learn the game, either individually or in a small group, your home or mine. Pan is a card game, much on the order of gin in some respects, and played with up to eight people at a table. It is played by both men and women, so all are very welcome. The game can be played in the day, evening, in a room in The Lodge or in private homes. If you are interested, please call Linda Mendelson, at (951) 941-9100, or email Goldtoy@earthlink.net, and I will answer any questions you may have. As are all card games, it is played with both skill and luck. ~ **Linda Mendelson**

## BUNCO .....

We play every second and fourth Friday at 1 pm in the RCN Main Room. Bunco is very easy to play and it's a great way to meet new friends. For more information, contact Cheri Howard at howards1249@gmail.com. ~ **Cheri Howard**

## PHASE 10 .....

We now meet every second Monday and every third Saturday at 3 pm in The Lodge Game Room. For more information, contact Cheri Howard at (951) 756-1216. ~ **Cheri Howard**

## CO-ED BID WHIST .....

Hey everyone! Come out sometime and join us to learn bid whist and/or "to get your bid game on." We meet on Mondays (except major holidays) from 6 to 8:30 pm in the RCN Building, Room #3. We offer a satisfying game environment filled with good cheer, good natured "trash talking," and some great music. And, win or lose... you will have a lot of fun and meet some great folks while playing bid whist. New players, whether new to the game or veterans, are always welcome. For more information, contact Roxanne Williams at (951) 797-3123 or Floyd Reid at (951) 317-3127. ~ **Roxanne Williams**

## CANASTA .....

Join us for an afternoon of friendship and fun while playing a game of Hand and Foot Canasta. We meet Thursdays in the RCN Lobby from 12:45 to 4 pm. Table assignments are distributed at 12:45 pm. Each week you may play with someone different, giving you an opportunity to meet new friends and/or visit with old friends. We supply the cards, so just bring yourself and a desire to have fun. If you don't know how to play, we are always happy to set up a teaching table — by the end of the afternoon you will have mastered the game. Come join us. ~ **Pam Morales**

## DOMINOES .....

November was a short month for the Domino Group due to Thanksgiving. I hope that all of the players had an outstanding holiday. The domino champ for November was Dean Delaney, winning with an impressive 20 games. Some of the quiet players are full of surprises and just sneak up and win everything. Congratulations to Dean.

Dominoes are played Wednesdays and Fridays from 5 to 9 pm in The Lodge Game Room. Practice is from 5 to 6 pm on both days. Come out and join us... have some fun and make some new friends. Jesse Dimmer is usually available to give you help and tips on the game if needed. For more information, call Jesse at (951) 769-2035 or Reggie at (951) 769-2035. ~ **Marvin Gaines**

*Dean Delaney, November champion*

## DUPLICATE BRIDGE FOR FUN .....

There will be some changes to the Duplicate Bridge for Fun group in the new year, but they are not yet finalized. I will be sending emails to those on the mailing list later in the month with the new arrangements.

As always, send an email to me if you're interested in discussion of duplicate bridge activity or would like to learn to improve your game, or are interested in duplicate bridge at Four Seasons at Beaumont. ~ **Kirk Freyermuth, [kafreyer@frontier.com](mailto:kafreyer@frontier.com)**

## BRIDGE FOR FUN .....

If you are looking for a new activity in this new year, consider playing bridge. We have a great group that plays each Wednesday at noon in the card room. We continue to expand our group and usually have four to five tables. If you have never played before, come, watch, and see if it is of interest to you. All of us in the Bridge for Fun group wish everyone at Four Seasons a very happy, healthy and prosperous 2020. For information, call Verina Rector at (951) 769-1687. ~ **Tom Halley**

## THREE THIRTEEN .....

It's the new year and a great time to promise yourself more fun and less house and yard work. Three Thirteen is just the ticket if you like rummy-based, fast-paced card games. Just ask the recent low scorers: Kelly, Brenda, Barbara, Kathy, Jerry, Cheri (who also has the best sense of humor), Mike, Linda, Joanne, Dave, Roxanna, Marianne, and Kay. And, to Andy AKA "Any" in the last issue, our apologies! No, we don't expect you to sing "Tomorrow" the next time you play.

Three Thirteen is played in 11 rounds, and players meld, using sets and runs of at least three cards. The player to lay all cards down first receives no points. The remaining players then lay down their cards either on the first player's cards or their own. Each round uses a progressive wild card, from 3s to Kings. Remembering what wild card is in play for a particular round is possibly the most difficult part of the game. The lowest score wins.

Everyone is welcome and we always have a learner's table if needed. We play at The Lodge Game Room from 3 to 5 pm on the first and third Tuesdays of the month. This month, that will be Jan. 7 and 21. If you have questions or want to receive email reminders, contact Mike at [micedcor1@gmail.com](mailto:micedcor1@gmail.com). ~ **Mike Corbett**

## TENNIS CLUB

The Tennis Club finished an active 2019 with the Autumn Aces Doubles Tournament. Ten doubles teams competed in front of an enthusiastic crowd. There really were enough club members, guests, friends, and other audience members to be considered a crowd. For sure there were enough folks to pretty much dust off the bleachers with their buttocks. When they were not seated watching matches, crowd members and players could compete in a variety of games and contests, such as Corn Hole Tennis Ball Toss, Ace The Turkey, and Wild-A\$\$ guessing games. A nice lunch prepared by the Kopper Kettle Bistro was enjoyed by the more than 40 players and other participants.

As to the tennis matches, the winning doubles team was Larry Martin and Larry Workman, with Chikako Ferguson and Tim Jones the runners-up. Larry Martin also won the Most Aces competition among the men, and Julie Stayner and Tina Soeten tied among the women.

The club thanks the many contributors to the planning and implementation of the awesome Autumn Aces Doubles Tournament, including Chuck and Sheryl Beckman, Bernadette Chance, Alex and

Sunny Castanon, Chikako Ferguson, Liliana Simanton, Nancy Walker, Rebecca and Brian Flowers, Howard Levine, Lyle Cameron, and Club President, Bernadette Martin.

With so many willing and capable contributors, 2020 will be even better. Three dates have already been reserved at The Courts for events in this year – May 30, July 18, and Oct. 10, in addition to our monthly Play Days and Saturday drills and practices. The opportunity to participate in the planning and preparation for events will be a major task of the Tennis Club Executive Committee. The Committee will be selected at the Annual Membership Meeting and Dinner on Saturday, Feb. 1, in the RCN main room. All Tennis Club members are encouraged to attend the dinner meeting, the cost of which is covered as a benefit to dues-paying members. This evening will also include elections for the Executive Committee. The positions are President, Secretary, Activities Director, Treasurer/Finance, and *Breeze* Writer. Please consider running for the Tennis Club Executive Committee.

Weather permitting, we continue to have Play Days on the last Saturday of the month. See you on the courts. ~ **Steven Hovey**, [sahovey47@hotmail.com](mailto:sahovey47@hotmail.com)

## PADDLE TENNIS

Our paddle tennis group wishes everyone a safe and healthy holiday season. Our group met on Dec. 7 for our Christmas luncheon at Tommy Bahama in Palm Desert. We enjoyed the atmosphere, food and friendship. We are a small group, yet full of joy and support for

each other. We hope for more folks to join us next year.

For more information, call Alan Chan at (310) 251-9269 or Alex Castanon at (909) 746-7529. ~ **Elizabeth Gallegos**, [ecgallegos@outlook.com](mailto:ecgallegos@outlook.com)

## PING PONG .....

Happy New Year, everyone! We wish you and your family plenty of peace, love, good health, and happiness in 2020.

This year, why not make a New Year's resolution that you will enjoy keeping? Resolve to join us at The Courts to engage in one of the fastest-growing sports in America.

Table Tennis is a fun activity with outstanding benefits. It exercises the mind, body, and spirit! If losing a few pounds is your goal AGAIN this year, keep in mind that the average person can burn around 275 calories per hour. All this while having fun and enjoying camaraderie with other like-minded people.

The sport is easy on the joints and does much to improve overall strength, stamina, and balance. It is an excellent reflex and eye-hand coordination activity. *Alzheimer's Weekly* reports that there is an increase in motor skills and cognitive awareness while playing.

Most of us played the game when we were younger before our lives got busy with other duties and interests. It might be time to revisit this fun and engaging sport. You'll be surprised how fast you'll pick it

up again, and with regular play, see your game progress to new levels.

Laughter can be heard throughout the room as we encourage one another during our several matches of doubles play. Players rotate at a table for four games and then get a short break before playing four more games.

There are a few social events held annually. We have an optional doubles tournament and potluck celebration in July. We have just added a Christmas party with a catered dinner for December. Spouses are invited to attend these events with the players.

Our club welcomes all regardless of skill level or previous experience. Club hours are Monday through Saturday, from 10 am to 4 pm. Advanced level singles and doubles play is reserved for Tuesday from 3 to 5 pm.

Hope to see you at the club soon!

## BILLIARDS FOR FUN .....

WOW! It's 2020! Yikes! Okay, we're really up to speed and are so happy it's 2020. Our amazing members of the Billiards for Fun Group make it a delightful two hours of fun knocking bright-colored balls around on the pool tables. Each week we have a chance to play different partnerships, which gives us the challenges we need to increase our pool-playing skills. We actually have two formal sessions on Tuesdays — the first from 11 to 1, headed up by Dave Martin, who always makes playing billiards so much fun. (We were going to terminate this session due to low support, but then we had lots of people commit to participate, so this session is still on the books.) The second session is from 1 to 3 pm, hosted by Pete Antoine, who also makes the games challenging and fun. Thanks to both Dave and Pete for their consistent attendance and commitment. We appreciate ya.

Our November tournament winners are the grinning guys in the photos at left. You're amazingly awesome.

On Jan. 21 at 1 pm, the Billiards for Fun Group has challenged the Curly Cues to a tournament. Prizes for winners will be announced at the conclusion of the tournament. After talking with the Curly Cues leaders, Leta Ramirez and Pat Semler, it was decided that there will be NO handicaps for the BFFG players. Eeek! I hope we're up to the challenge. The CC ladies have really sharpened their skills, and now BFFG players are kinda nervous. (Not really.)

If you have a desire to dust off your pool cue, come join us. If you don't have a pool stick, there are lots of them in the Billiards Room. Or should you want to join a great group of people having fun every Tuesday at either 11 am to 1 pm, or 1 to 3 pm play periods, please come by and check us out. We have all levels of players, and everyone is welcome. We also have a Saturday practice time reserved during the same time slots, which is open to all. C'mon and join us. We promise it'll be fun. ~ **Eileen Gilbert-Antoine**, [egcellent@msn.com](mailto:egcellent@msn.com)

## CURLY CUES .....

Curly Cues enjoyed another year of fun and activities at Four Seasons. The ladies are all playing quite well, can't call anyone a beginner much longer. So many friendships have been formed in this group. It's always nice to see players getting together outside of our Monday morning play.

If you want to meet new neighbors and like to socialize, this is the place to be. We keep each other up-to-date on the latest Four Seasons news and events. If you missed an event at The Lodge or a concert, on Monday you will hear how it went.

We have quarterly luncheons at local restaurants. It's a fun time for everyone to socialize without holding up the game. We also have a holiday party at the end of the year.

Our quarterly tournaments are always a favorite. We pull numbers to see who will be partners, so no one ever knows who they will be paired with. Our final tournament of 2019 was Nov. 4. The winners were: first place, Bev Lunetta; and second place, Barbara Morton and Leta Ramirez. Congratulations, ladies.

*First place winner Bev Lunetta*

*Second place winners Barbara Morton and Leta Ramirez*

Curly Cues meet every Monday from 11 am until 1 pm. We also play from 1 to 2 pm if there are enough members available to play singles.

Please come join us, ladies. It's a great way to meet some pretty awesome Four Seasons neighbors. For more information, please contact Leta Ramirez at (626) 645-0798 or Pat Semler at (714) 325-5280. Hope to see you soon! ~ **Leta and Pat**

## WILD BUNCH BILLIARDS .....

The "Wild Bunch" 8-Ball Billiards Group is geared for those individuals who want to play competitively with those of their skill level. We started the new year with inviting the "best of the best" from Sun Lakes and Solera to play competition on Fridays, from 12:30 to 3:30 pm in our Billiards Room. It has been a great success, with skill levels ranging from Level 4 to Level 7.

The "Wild Bunch" consists of some of the best players in the league: Joe Spinella, Robert Howard, Lucas Don, Bob Rector, Mike Corbett, Carlos Rivera, LeRoy Wright, Rocket Spinosa, and Gracy Luna.

If you want to play serious, competitive pool, we invite you to come by the Billiards Room and join in the stimulation of competitive play. We do not play with partners. We play one-on-one with an opponent of your skill level. We are always looking for those who want to play competitively and, who knows, you just may want to change up your game and play on the team!

And, most important, we have a good time! ~ **Gracy Luna**, [gracyluna@aol.com](mailto:gracyluna@aol.com)

## THE 8-BALL CLUB .....

The Four Season 8-Ball Club holds two in-house tournaments each month. An 8-Ball tournament and a 9-Ball tournament. Most months we play four additional tournaments against Hemet (Solera) and Cherry Valley (Solera). Each community travels here once each month and we travel to their community once each month. They are great people and we have a great time, win or lose.

In the November in-house 8-Ball tournament, we had 10 players competing. Dave Martin, last month's runner-up in 9-Ball was this month's runner-up in 8-Ball. Who knows what next month will bring for Dave? Robert Howard was the last player standing when the 8-Ball tournament finished. Congratulations to Robert, this month's 8-Ball champion and Dave Martin, this month's runner-up. Nine players competed in the in-house 9-Ball tournament this month. In the fourth round, Rocket Spinosa sent Larry Rice to the loser bracket where Larry was able to win against Rick Loney to make it back to the final. Larry was able to stage a comeback win against Rocket. Congratulations to Larry Rice, this month's 9-Ball champion and Rocket Spinosa, this month's runner-up.

The 8-Ball Club is always looking for new, Four Seasons residents who like to play pool to join us. The club plays or practices Monday, Wednesday, and Friday nights from 6:30 until 9 pm. There is a calendar of our events in the Billiards Room on the 8-Ball Club bulletin board. Just stop by and check us out.

## FISHING CLUB .....

Wow! Here we go again. I found out I might have surgery on my left...?

Happy New Year to all my fishing friends and neighbors. Also Happy New Year to all the great people who live here at Four Seasons. I hope that you had a wonderful year, that you got all your new fishing equipment for Christmas, and you are ready to go out and catch a bunch of trophy fish.

My wife did not get me any new rods or reels for Christmas this year. Instead, she got me a brand new fishing truck. Great life, great wife. Now, all my friends who go fishing with me can go in "reel" style. I got rubber mats and spray-coated rubber in the bed so I can wash out the smell after we fish.

I have begged my wife to go fishing with me and she still won't go. She does not want to hurt the fish by putting hooks in their mouths. When it comes to eating fish, that is a different story. Maybe she will come with me and watch me catch the fish that she will dine on.

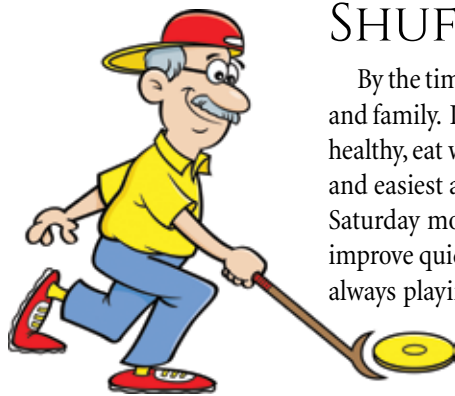

Trout season is going strong at this time. Almost all the lakes around here are stocking some nice rainbow trout. When you use light line and ultra-lite tackle, you can have a blast catching some of

these delicious fish. My wife still wants me to catch Bluegill because she loves to eat them whole — eyes and all.

Last year was a great year for catching fish; and this year should be even better. I have had a few more guys ask about the fishing club and going fishing. I try to call all my fishing friends when we schedule a fishing trip. I always have believed that the more people who go fishing with you, the more fun you will have. Sometimes catching fish is not that important. The important thing about fishing is the conversations you have with your friends. The best part about fishing with me is going out to lunch or dinner after we're done fishing. There are so many good places to eat around here that it isn't even funny.

In my next article, I will give you some tips on how to always bring home fish for dinner. Just be sure you have plenty of different baits and stay fishing as long as you can. Tight lines to all my fishing friends; and remember stay in touch with all your fishing buddies. Maybe sometime they will invite you to go fishing with them. ~ **Richard Carrasco, ricarrasco52@gmail.com**

## SHUFFLEBOARD .....

By the time you receive this, the holidays should be over and hopefully everyone shared time with friends and family. It is now time to make your New Year's resolutions, which hopefully include doing things to stay healthy, eat well, exercise, and getting enough rest. How about adding one of the most fun, fastest growing and easiest activities to your calendar? Shuffleboard is just that activity. We play at 9 am on Monday and Saturday mornings. This is an easy game to learn if you have never played it before. Your skill level can improve quickly while you get some exercise. Each time we play, we choose different teams so that you are always playing with different partners. That way, you get to socialize with friends and get to know other

Four Seasons residents. We are always looking for new people to come out and join us. If you have any questions, please call Marty Rotman at (310) 948-1693 or email [mrtmj@aol.com](mailto:mrtmj@aol.com). ~

## BOCCE BALL .....

Happy New Year to all Bocce Ball Players and those interested in joining us for a fun game of Bocce Ball.

Winter is here so the weather has not been great for playing but we're still having enough people show up to play.

Bocce Ball is played at The Summit, 9 am Tuesdays and Fridays, 3 pm Wednesdays. Everyone is welcome.

We play on beautiful, tournament-grade courts with sideboards. Easy small step-in and ramps for wheelchairs or scooters.

Smooth concrete surrounds courts.

The word "bocce" comes from an Italian word which is plural, meaning "to bowl." The small white ball, the pallino, is thrown first to start the game. Rules are very simple. Get your ball as close to the

pallino as possible in order to score a point. If more balls of same color get closer, these are additional points.

We generally play games to 12 points. Two games are played and take approximately 1 and a 1/2 hours. First court winners stay and are challenged on second game by winners from the second court. We mix and match so no team has an advantage, and we change numbers on a team so no one is left out.

If you are interested in learning the game, please join us. Any questions please call me, Hank Negrete at (909) 747-7087 or Greg Stilson at (951) 267-1551. ~ **Hank Negrete, hanknegrete16@yahoo.com**
