6. Upon any assessment becoming thirty (30) days delinquent, the Association, through its designated agent, shall mail a legal notice via certified mail to the owner along with certain documents and stating that the account remains delinquent. This notice will serve as a demand for payment in full within thirty (30) days. The owner will be charged a fee for such pay or lien letter. If payment is not received

within thirty (30) days from the date of such letter, and after approval by the Board of Directors, a Notice of Delinquent Assessment (lien) will be recorded with the County Recorder's Office. Within ten (10) days after the lien is recorded, the lien will be sent to the owner by certified mail.

If the owner submits an explanation within the fifteen (15) day requirement, the Association shall respond in writing to the owner within fifteen (15) days of the date of the postmark of the explanation letter. Unless the Association agrees in writing that the owner has a valid explanation, the Association will not forebear its collection efforts and will proceed to collect the assessments in accordance with the collection policy.
9. An owner may submit a written request to meet with the Board to discuss a payment plan. If such request is mailed within fifteen (15) days of the postmark of the pay or lien letter, the Board will meet with the owner, in executive session, within forty-five (45) days of the postmark of such request.
10. All collection action will comply with the applicable provisions of the Davis-Stirling Common Interest Development Act, and other California Statutes. Any payments delivered to the collection agent shall be forwarded to the attorneys' office; the attorney shall then release the lien if the delinquent owner made payment in full.

The Board of Directors reserves the right to change the Collection Policy at any time with thirty (30) days notice to the homeowners.
12. In general, the Association's Board intends to take whatever actions are authorized by law and the Association's governing documents to collect assessments. If the Board elects to use practices, procedures or notices, which exceed those required by law or under the governing documents, it does so without waiving the Association's right to exercise collection remedies to the fullest extent permissible. Any additional notices or time periods the Association might use are extended solely as a courtesy.
